 2. At the time of the initial application for a new registration, the applicant shall submit the most recent audit of the applicant, which shall not be older than thirteen (13) months. Thereafter, a professional employer organization or professional employer organization group shall file a succeeding audit on an annual basis within one hundred eighty (180) days after the end of the fiscal year.
 3. An applicant may apply for an extension with the Department of Workers' Claims, but any extension request shall be accompanied by a letter from the auditors stating the reasons for the delay and the anticipated date for completion of the audit.
 4. The financial statement shall be prepared in accordance with generally accepted accounting principles and audited by an independent certified public accountant licensed to practice in the jurisdiction in which the accountant is located, and shall be without qualification as to the going concern status of the professional employer organization.
 5. A professional employer organization group may submit combined or consolidated audited financial statements to meet the requirements of this paragraph.
 6. A professional employer organization that has not had sufficient operating history to have audited financial statements based on at least twelve (12) months of operating history shall meet the requirements in KRS 336.240 and present financial statements reviewed by a certified public accountant.
- (3) Each professional employer organization operating within this Commonwealth as of July 14, 2022, shall complete its initial registration no later than **July 15, 2024**~~[one hundred eighty (180) days after July 14, 2022]~~. Use of an approved assurance organization shall be optional for a registrant. Nothing in this subsection shall limit or change the Department of Workers' Claims' authority to register or terminate

registration of a professional employer organization or to investigate or enforce any provision of KRS 336.230 to 336.250.

 - (d) Airbag reinstallation costs which are excluded from the seventy-five percent (75%) computation as set forth in paragraph (a) of this subsection shall be included by an insurer in the computation of the total physical damage estimate according to the terms and conditions of individual policies, provided that the total costs payable by an insurer do not exceed the total retail value of the vehicle.

- (3) The county clerk shall retain a copy of each salvage title application received and shall forward the original and its supporting documents to the Department of Vehicle Regulation in a manner similar to that for handling of an application for a title.
- (4) The county clerk shall rely on the information provided by the owner or authorized agent, including a county of residence designation, on:

and performance of warranty work and service time, and shall be reasonable and adequate for the work to be performed.

- (2) In the determination of what constitutes "reasonable compensation" under this section, the principal factor to be considered shall be the amount of money that the dealer is charging its other customers for the same type service or repair work. Other factors may be considered, including the compensation being paid by other manufacturers or distributors to their dealers for work; and the prevailing amount of money being paid or charged by the dealers in the city or community in which the authorized dealer is doing business. "Reasonable compensation" shall include diagnosing the defect *as needed*; repair service; labor; parts and administrative and clerical costs. The compensation of a dealer shall not be less than the amount charged by the dealer for like services and parts, which minimum compensation for parts shall be dealer cost plus thirty percent (30%) gross profit, to retail customers for nonwarranty service and repairs, or less than the amounts indicated for work on the schedule of warranty compensation required to be filed by the manufacturer with the commission as a part of the manufacturer's license application by KRS 190.030. A manufacturer or distributor shall not require unreasonable proof to establish "reasonable compensation."
- (3)
 - (a) A manufacturer or distributor shall not require a dealer to submit a claim authorized under this section sooner than thirty (30) days after the dealer completes the preparation, delivery, or warranty service authorizing the claim for preparation, delivery, or warranty service.
 - (b) All claims made by a dealer under this section shall be paid within thirty (30) days after their approval.
 - (c) All claims shall be either approved or disapproved by the manufacturer or distributor within thirty (30) days after their receipt on a completed form supplied or approved by the manufacturer or distributor.

➔Section 5. KRS 190.070 is amended to read as follows:

- (1) It shall be a violation of this section for any manufacturer, distributor, factory branch, or factory representative licensed under this chapter, **either directly or indirectly**, to require any new motor vehicle dealer in the Commonwealth:
 - (a) To order or accept delivery of any motor vehicle, part or accessory thereof, appliances, equipment, or any other product not required by law, which shall not have been voluntarily ordered by the new motor vehicle dealer; except that this section is not intended to modify or supersede any terms or provisions of the franchise requiring new motor vehicle dealers to market a representative line of those motor vehicles which the manufacturer or distributor is publicly advertising; ~~;~~
 - (b) To order or accept delivery of any new motor vehicle with special features, appliances, accessories, or equipment not included in the list price of the motor vehicle, as publicly advertised by the manufacturer or distributor; ~~;~~
 - (c) To order for any person any parts, accessories, equipment, machinery tools, appliance, or any commodity whatsoever not required in connection with a recall campaign; ~~;~~
 - (d) To participate monetarily in an advertising campaign or contest, any promotional materials, training materials, showroom or other display decorations, or materials, at the expense of the dealer, without the consent of the dealer; ~~;~~
 - (e) To enter into any agreement with the manufacturer, distributor, factory branch, or factory representative, or to do any other act prejudicial to the new motor vehicle dealer by threatening to cancel a franchise or any contractual agreement existing between the dealer and the manufacturer, distributor, factory branch, or factory representative. Notice in good faith to any dealer of the dealer's violation of any terms or provisions of the dealer's franchise, or contractual agreement shall not constitute a violation of this law; ~~;~~
 - (f) To change the capital structure of the dealership, or the means by or through which the dealer finances the operation of the dealership, provided that the dealership at all times meets any reasonable capital standards agreed to by the dealer, excluding any entity engaged primarily in providing financing or insurance on motor vehicles; ~~;~~
 - (g) To refrain from participation in the management or investment in, or the acquisition of any other line of new motor vehicle or related products; provided, however, that this section does not apply unless the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicles, and that the new motor vehicle dealer remains in substantial compliance with the terms and conditions of the franchise and with any reasonable facility requirements of the manufacturer, and no change is made in the principal management of the new motor vehicle dealership; ~~;~~
 - (h) To change **the** location of the dealership ~~;~~ or ~~to~~, during the course of the agreement, make any substantial alterations to **the same components of** the dealership premises:
 1. **Within ten (10) years of a previously required improvement, alteration, or construction to those same components; or** ~~;~~
 2. When to do so, would be unreasonable in light of the current economic, political, and social considerations; ~~;~~

- (i) To prospectively assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by this law, or to require any controversy between a dealer and a manufacturer, distributor, or representative, to be referred to any person other than the duly constituted courts of the Commonwealth or the United States of America, or to the commissioner, if the referral would be binding upon the dealer;[-]
 - (j) To establish or maintain exclusive facilities, personnel, display space, or signage for a new motor vehicle make or line; ~~or~~[-]
 - (k) To expand facilities without making available a sufficient supply of new motor vehicles to support the expansion in light of the market and economic conditions.
- (2) It shall be a violation of this section for any manufacturer, distributor, factory branch, or factory representative, ***either directly or indirectly***:
- (a) To delay, refuse, or fail to deliver motor vehicles, or vehicle parts or accessories in reasonable quantities relative to the new motor vehicle dealer's facilities and sales potential in the new motor vehicle dealer's relevant market area, and within a reasonable time, but in any case no more than sixty (60) days, after receipt of an order from a dealer having a franchise for the retail sale of any new vehicle sold or distributed by the manufacturer or distributor, any new vehicle, parts, or accessories to new vehicles as are covered by the franchise, if the vehicle, parts, or accessories are publicly advertised as being available for delivery or actually being delivered. The delivery to another dealer of a motor vehicle of the same model and ~~identically~~~~similarly~~ equipped as the vehicle ordered by a motor vehicle dealer who has not received delivery thereof, but who had placed his ~~or her~~ written order for the vehicle prior to the order of the dealer receiving the vehicle, shall be prima facie evidence of a delayed delivery of, or refusal to deliver, a new motor vehicle to a motor vehicle dealer within sixty (60) days, without cause. This section is not violated, however, if the failure is caused by acts or causes beyond the control of the manufacturer, distributor, factory branch, or factory representative;[-]
 - (b) To refuse to disclose to any new motor vehicle dealer, handling the same line make, the manner and mode of distribution of that line make within the relevant market areas;[-]
 - (c) To prevent or attempt to prevent a dealer from receiving fair and reasonable compensation for the value of the franchised business. There shall not be a transfer or assignment of the dealer's franchise without the consent of the manufacturer or distributor, which consent shall not be unreasonably withheld;[-]
 - (d) ***To receive money, goods, services, or any other benefit from any vendor on account of a transaction between the dealer and the vendor with whom the dealer does business on the recommendation or requirement of the manufacturer or distributor, other than for compensation for services rendered, unless the benefit is promptly accounted for, and transmitted to the dealer, excluding any entity engaged primarily in providing financing or insurance on motor vehicles;***~~To obtain money, goods, service, or any other benefit from any other person with whom the dealer does business, on account of, or in relation to, the transaction between the dealer and the other person, other than for compensation for services rendered, unless the benefit is promptly accounted for, and transmitted to, the dealer, excluding any entity engaged primarily in providing financing or insurance on motor vehicles.~~
 - (e) To increase prices of motor vehicles which the dealer had ordered for private retail customers prior to the dealer's receipt of the written official price increase notification, a sales contract signed by a private retail consumer shall constitute evidence of each order, provided that the vehicle is in fact delivered to the customer. In the event of manufacturer price reductions, the amount of a reduction received by a dealer shall be passed on to the private retail consumer by the dealer, if the retail price was negotiated on the basis of the previous higher price to the dealer. Price reductions shall apply to all vehicles in the dealer's inventory which were subject to the price reduction. Price differences applicable to new model or series motor vehicles at the time of the introduction of new models or series shall not be considered a price increase or price decrease. Price changes caused by the following shall not be subject to the provisions of this section:
 1. The addition to a motor vehicle of required or optional equipment pursuant to state or federal law;
 2. Revaluation of the United States dollar, in the case of foreign-make vehicles or components; or
 3. Increased transportation charges due to an increase in the rate charged by common carrier or transporter;[-]

- (f) To offer any refunds or other types of inducements to any person for the purchase of new motor vehicles of a certain line make to be sold to the state or any political subdivision thereof, without making the same offer, upon written request, to all other dealers in the same line make within the relevant market area;~~[-]~~
- (g) To release to any outside party, except under subpoena, any administrative, judicial or arbitration proceedings, or any business, financial, or personal information which may be, from time to time, provided by the dealer to the manufacturer, without the express written consent of the dealer;~~[-]~~
- (h) To deny any dealer the right of free association with any other dealer for any lawful purpose;~~[-]~~
- (i) To establish or maintain a relationship, on the part of a manufacturer, distributor, factory branch, or factory representative, where the voting rights exceed a simple majority;~~[-]~~
- (j) To own, operate, or control any motor vehicle dealership in the Commonwealth; however, this subsection shall not prohibit:
 1. The operation by any manufacturer of a dealership for a temporary period, not to exceed one (1) year, during the transition from one (1) owner to another;
 2. The ownership or control of a dealership by a manufacturer while the dealership is being sold under a bona fide contract or purchase option to the operator of the dealership; or
 3. The ownership, operation, or control of a dealership by a manufacturer if the licensor determines after a hearing at the request of any party, that there is not a dealer who is independent of the manufacturer available in the community or trade area to own and operate the franchise in a manner consistent with the public interest;~~[-]~~
- (k) To compete without good faith with a new motor vehicle dealer in the same line make, operating under an agreement or franchise from the aforementioned manufacturer, distributor, factory branch, or factory representative in the relevant market area. A manufacturer, distributor, factory branch, or factory representative shall not, however, be deemed to be competing when operating a dealership, either temporarily for a reasonable period, not to exceed one (1) year, or in a bona fide retail operation which is for sale to any qualified independent person at a fair and reasonable price, or in a bona fide relationship in which an independent person has made a significant investment, subject to loss in the dealership, and can reasonably expect to acquire full ownership of such dealership on reasonable terms and conditions;~~[-]~~
- (l) *To offer to sell or to sell, directly or indirectly, at retail, any new motor vehicle to a consumer in the Commonwealth, except through a new motor vehicle dealer holding a franchise for the line make covering the new motor vehicle. The prohibition in this paragraph shall not apply to manufacturer or franchisor sales of new motor vehicles to the federal government, charitable organizations, fleet customers, or employees of the manufacturer or franchisor;*
- (m) *To fail to assign any retail vehicle reservation, request to purchase, or lease received by the manufacturer from a resident of the Commonwealth to the franchised dealer designated by the customer or, if no designation is made, to the franchised dealer in the closest proximity to the consumer, and for which the franchised dealer is otherwise in compliance with the franchise agreement and authorized to sell the make and model based on applicable standards and requirements that include but are not limited to any facility, technology, or training requirements necessary to sell or service the vehicle, so long as the standards and requirements are compliant with the applicable laws and regulations. Nothing in this paragraph shall require a manufacturer or distributor to allocate or supply additional or supplemental inventory to a franchised dealer located in the Commonwealth in order to satisfy a retail consumer's reservation or request;*
- (n)~~(h)~~ To unfairly discriminate among its new motor vehicle dealers with respect to warranty reimbursement or authority granted its new motor vehicle dealers to make warranty adjustment with retail customers;~~[-]~~
- (o)~~(m)~~ To fail to give consent to the sale, transfer, or exchange of the franchise to a qualified buyer capable of being licensed as a new motor vehicle dealer in this state; provided that consent may be withheld when in light of other circumstances, granting the consent would be unreasonable; ~~or~~~~[-]~~
- (p)~~(n)~~ To fail to be licensed as provided in this chapter, and to maintain a bond in an amount as determined by this chapter.

- (3) It shall be unlawful for a manufacturer, either directly or indirectly, or in combination with or through any subsidiary or affiliated entity, to discriminate in favor of one (1) dealer against another dealer holding a franchise for the same line make of motor vehicle by furnishing to only one (1) dealer any of the following:
- (a) Any vehicle, part, or other product that is not available to each dealer at the same price, including discounts, rebates, incentives, or other payments or allowances affecting the net price of the product;
 - (b) Any vehicle, part, or other product that is not made available to each dealer in quantities proportionate to the demand for the vehicle, part, or other product;
 - (c) Any vehicle, part, or other product that is not made available to each dealer on comparable delivery terms, including time of delivery after placement of an order;
 - (d) Any promotional or advertising payment or allowance that is not made available to each dealer on proportionally equal terms;
 - (e) Any opportunity to purchase or lease from the manufacturer the dealer's facility that is not made available to each dealer on terms proportionate to the respective values of its facilities;
 - (f) Any personnel training that is not made available to each dealer on proportionally equal terms;
 - (g) Any inventory or other financing that is not made available to each dealer on proportionally equal terms, except that a manufacturer, subsidiary, or affiliated entity shall not be obligated to make available financing to a dealer who does not meet reasonable credit standards uniformly applied by the manufacturer, subsidiary, or affiliated entity;
 - (h) Any opportunity to perform work for which the dealer is entitled to be compensated under this chapter that is not made available to each dealer under uniformly applied standards;
 - (i) Any opportunity to sell products or services distributed by the manufacturer for resale in connection with the line make of the motor vehicle covered by the franchise that is not made available to each dealer on proportionally equal terms;
 - (j) Any opportunity to establish an additional sales, service, or parts outlet that is not made available to each dealer in whose relevant market area the sales, service, or parts outlet will be located;
 - (k) Any information concerning the manufacturer's products, prices or other terms of sale, or promotional programs that is not contemporaneously furnished to the dealer;
 - (l) Any improvement to, or payment to the dealer for an improvement to, the dealer's facilities that is not made available to each dealer on proportionally equal terms;
 - (m) Any opportunity to sell or assign retail installment contracts or consumer leases to the manufacturer or the manufacturer's sales finance company subsidiary that is not made available to each dealer on proportionally equal terms, except that a manufacturer or sales finance company shall not be obligated to purchase any retail installment contract or consumer lease that does not meet reasonable credit terms uniformly applied by the manufacturer or sales finance company subsidiary;
 - (n) Any product assistance, service, or facility in connection with the franchise that is not made available to each dealer on proportionally equal terms; or
 - (o) Any payment for any service or facility in connection with the franchise that is not made available to each dealer on proportionally equal terms.
- (4) It shall not be a defense to an alleged violation of subsection (3) of this section, that an item or opportunity was offered to a dealer if the offer was conditioned upon the dealer meeting one (1) or more requirements that are not reasonable and necessary to fulfill the dealer's obligations under the franchise. The manufacturer shall have the burden of proving that any requirement upon which an offer was conditioned was reasonable and necessary to fulfill the dealer's obligations under the franchise when the offer was made. A requirement shall not be found to be reasonable and necessary to fulfill the dealer's obligations under the franchise if the manufacturer cannot prove that it was within the control of each dealer to meet the requirement imposed on the dealer as a condition of the offer.
- (5) A dealer who alleges a good faith belief that the dealer has been, or is being, discriminated against in violation of subsection (3) of this section, may demand in writing that the manufacturer furnish the dealer with pertinent information reasonably necessary for the dealer to determine if discrimination exists. If the manufacturer fails to furnish the dealer with the information demanded within thirty (30) days of the manufacturer's receipt of the

dealer's written demand, the manufacturer shall have, in any subsequent legal proceeding, the burden of proving that the alleged violation has not occurred.

- (6) Any dealer who is discriminated against by a manufacturer in violation of subsection (3) of this section shall recover three (3) times an amount equal to the value of what the dealer would have received if the manufacturer had complied with subsection (3) of this section upon furnishing any item or opportunity to another dealer.
- (7) A change in ownership of a manufacturer or distributor that contemplates a continuation of that line make in the state shall not directly or indirectly, through actions of any parent of the manufacturer or distributor, subsidiary of the manufacturer or distributor, or common entity cause a termination, cancellation, or nonrenewal of a dealer agreement by a present or previous manufacturer or distributor of an existing agreement unless the manufacturer or distributor offers the new vehicle dealer an agreement substantially similar to that offered to other dealers of the same line make.

CHAPTER 9

(HJR 39)

A JOINT RESOLUTION directing executive branch agencies to undertake efforts to address the benefits cliff in Kentucky.

WHEREAS, individuals and families receiving public assistance benefits can lose some or all benefits as the result of a marginal increase in income; and

WHEREAS, the loss of public assistance benefits resulting from an increase in income often means that an individual's or a family's overall access to financial resources is reduced despite the fact that they are earning additional income; and

WHEREAS, this sudden and often dramatic loss of public assistance benefits resulting in an overall reduction in access to financial resources is known as the benefits cliff or cliff effect; and

WHEREAS, in many states the loss of child care assistance represents one of the, if not the, largest benefits cliffs; and

WHEREAS, for a low-income working family with two children in Kentucky, a marginal increase in income can result in the loss of Child Care Assistance Program (CCAP) support causing the family to experience a benefit cliff of approximately \$1,500 per month or \$18,000 per year; and

WHEREAS, the Cabinet for Health and Family Services has utilized federal Coronavirus Response and Relief Supplemental Appropriation (CRRSA) Act and American Rescue Plan Act (ARPA) funds that are set to expire in the summer of 2024 to finance significant changes to CCAP that have the potential to substantially reduce the child care benefit cliff in Kentucky; and

WHEREAS, the loss of CCAP assistance could serve as a significant barrier to continued participation in the workforce; and

WHEREAS, the General Assembly has demonstrated a commitment to improving the efficacy of public assistance programs, mitigating or eliminating the benefits cliff, and promoting gainful employment and self-sufficiency through the establishment of the 2019 Interim Public Assistance Reform Task Force and the 2022 Interim Benefits Cliff Task Force as well as the passage of House Bill 7 during the 2022 Regular Session; and

WHEREAS, the 2022 Interim Benefits Cliff Task Force determined that the benefits cliff is a barrier to gainful employment and self-sufficiency that limits upward economic mobility and traps individuals and families in cycles of poverty and government dependence and thereby increases the amount of time an individual or family remains on public assistance; and

WHEREAS, the 2022 Interim Benefits Cliff Task Force further determined that in addition to being a barrier to gainful employment and self-sufficiency, the benefits cliff creates a significant staffing challenge for employers particularly during periods of labor market tightness; and

WHEREAS, the 2022 Interim Benefits Cliff Task Force found that tiering public assistance benefits, or gradually phasing down benefits as a recipient's income increases, as opposed to fully terminating benefits following a marginal increase in income, offers a meaningful opportunity to mitigate the benefits cliff; and

WHEREAS, the 2022 Interim Benefits Cliff Task Force also found that access to a user-friendly benefits cliff calculator tool that allows users to weigh the pros and cons of upward mobility and benefit eligibility can significantly improve public assistance beneficiaries' ability to make informed decisions about accepting better-paying jobs or additional hours of employment; and

WHEREAS, according to the Kentucky Chamber of Commerce, less than 80% of eligible low-to-moderate-income Kentuckians claim the federal Earned Income Tax Credit on their individual federal income tax filings each year, resulting in more than \$230,000,000 in unrealized tax credits annually; and

WHEREAS, the ability of the Commonwealth and other states to effectively address the benefits cliff is in some cases hampered by numerous, rigid federal regulations and guidelines governing the various public assistance program intended to provide short-term assistance to needy individuals; and

WHEREAS, failing to mitigate the negative effects of the benefits cliff represents a threat to the Commonwealth's fiscal stability and future economic prosperity;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Cabinet for Health and Family Services is hereby directed to conduct a thorough review of all public assistance programs administered by the cabinet to identify all flexibilities permitted under federal law, including but not limited to the state's ability to tier benefits or to gradually phase out benefits as a benefit recipient's income increases as opposed to fully terminating benefits following a marginal increase in income, which may afford the Commonwealth the opportunity to address the benefits cliff in Kentucky without the need for federal action. The Cabinet for Health and Family Services shall submit a report containing the results of this review to the Interim Joint Committee on Health, Welfare, and Family Services no later than November 1, 2023.

➔Section 2. The Cabinet for Health and Family Services is hereby directed to study the annual cost to the state of maintaining changes to the Child Care Assistance Program that were implemented between January 1, 2020, and January 1, 2023, and funded, either wholly or in part, by federal CRRSA, ARPA, or Coronavirus Aid, Relief, and

Economic Security Act (CARES) funds, if and when these funds are exhausted. The cabinet is further directed to study potential changes to CCAP that would be cost-neutral to the state and serve to minimize the likelihood that an individual receiving child care assistance through the program would experience a benefits cliff, or a sudden and total loss of eligibility and benefits following a marginal increase in income above the program's current income eligibility threshold. The Cabinet for Health and Family Services shall submit its findings to the Interim Joint Committees on Health, Welfare, and Family Services and Appropriations and Revenue no later than November 1, 2023.

➔Section 3. The Cabinet for Health and Family Services is hereby directed to integrate a user-friendly benefits cliff calculator tool that allows users to understand how changes to gross income can effect eligibility for public assistance programs and long-term financial self-sufficiency and sustainability into the cabinet's public assistance outreach and support efforts, to ensure that all Department for Community Based Services employees who are directly responsible for assisting individuals in applying or reapplying for public assistance benefits have access to the benefits cliff calculator tool and are properly trained on the use of the benefits cliff calculator tool and its functions, to make the benefits cliff calculator tool easily accessible on the cabinet's website, and to submit a report on efforts to fulfill the requirements of this section to the Interim Joint Committee on Health, Welfare, and Family Services no later than November 1, 2023.

➔Section 4. The Cabinet for Health and Family Services is hereby directed to implement an outreach and education program to increase awareness and utilization of the federal Earned Income Tax Credit and free income tax filing support services among eligible public assistance beneficiaries. In developing and implementing this program, the Cabinet for Health and Family Services may partner with the Kentucky Department of Revenue and nonprofit organizations that offer or coordinate free income tax filing services. The Cabinet for Health and Family Services shall submit a report on efforts to fulfill the requirements of this section to the Interim Joint Committee on Health, Welfare, and Family Services no later than November 1, 2023.

➔Section 5. In the event the Legislative Research Commission dissolves the Interim Joint Committee on Health, Welfare, and Family Services and establishes another interim joint committee with jurisdiction over families and children, the reports required in Sections 1 to 4 of this Resolution shall be submitted to that committee.

Signed by Governor March 16, 2023.

CHAPTER 18

(SJR 79)

A JOINT RESOLUTION establishing the Nuclear Energy Development Working Group.

WHEREAS, with the passage of Senate Bill 11 in 2017, the General Assembly lifted the moratorium on the construction of new nuclear power facilities in the Commonwealth that had been in place for decades; and

WHEREAS, because of the long-standing moratorium on the construction of new nuclear power facilities, there are currently no nuclear power generating facilities in Kentucky, and the Commonwealth has fallen behind neighboring states, including Illinois, Tennessee, and Virginia, in the development and deployment of nuclear power generation resources; and

WHEREAS, promising new nuclear technologies, including small modular reactors, may make the deployment of nuclear power generation resources in the Commonwealth less expensive and more reliable than ever before; and

WHEREAS, nuclear power could be a part of the Commonwealth's all-of-the-above energy approach, and the addition of nuclear power to Kentucky's electricity generation portfolio could result in more resilient, reliable, and affordable electric service in the Commonwealth; and

WHEREAS, Kentucky also recognizes the potential benefits of the broader nuclear economy in terms of supporting existing manufacturing sectors, economic growth, job creation, energy security, and science, technology, engineering, and mathematics (STEM) education; and

- (17) "Qualifying hospital disproportionate share percentage" means a percentage equal to the amount of hospital provider taxes paid pursuant to KRS 142.303 by qualifying hospitals in state fiscal year 2016-2017 divided by the amount of hospital provider taxes paid pursuant to KRS 142.303 by all hospitals in state fiscal year 2016-2017;

- (19) "Upper payment limit" or "UPL" means the methodology permitted by federal regulation to achieve the maximum allowable amount on aggregate hospital Medicaid payments to non-state government-owned hospitals and private hospitals under 42 C.F.R. sec. 447.272. A separate UPL shall be estimated for non-state government-owned hospitals and private hospitals; and
- (20) "UPL gap" means the difference between the UPL and amount of total fee-for-service payments paid by the department for hospital inpatient services provided by non-state government-owned hospitals and private hospitals to Medicaid beneficiaries and excluding payments established under KRS 205.6405 to 205.6408. A separate UPL gap shall be estimated for the non-state government-owned hospitals and private hospitals.

➔ Section 2. KRS 205.6406 is amended to read as follows:

- (1) To the extent allowable under federal law, the department shall develop the following programs to increase Medicaid reimbursement for inpatient **and outpatient** hospital services provided by a qualifying hospital to Medicaid recipients:
- (a) A program to increase inpatient reimbursement to qualifying hospitals within the Medicaid fee-for-service program in an aggregate amount equivalent to the UPL gap;~~and~~
- (b) A program to increase inpatient reimbursement to qualifying hospitals within the Medicaid managed care program in an aggregate amount equivalent to the managed care gap **for inpatient services; and**
- (c) **A program to increase outpatient reimbursement to qualifying hospitals within the Medicaid managed care program in an aggregate amount equivalent to the managed care gap for outpatient services.**
- (2) On an annual basis prior to the start of each program year, the department shall determine:
- (a) The maximum allowable UPL for inpatient services provided in the Kentucky Medicaid fee-for-service program;
- (b) The fee-for-service UPL gap for applicable ownership groups;
- (c) A per discharge uniform add-on amount to be applied to Medicaid fee-for-service discharges at qualifying hospitals for that program year, determined by dividing the UPL gap for the applicable ownership group by total fee-for-service hospital inpatient discharges at qualifying hospitals in the data used to calculate the UPL gap. Claims for discharges that already receive an enhanced rate at qualifying hospitals that also are classified as a pediatric teaching hospital or as a psychiatric access hospital shall be excluded from the calculation of the per discharge uniform add-on, unless the department is required to include these claims to obtain federal approval;
- (d) The maximum managed care gap for inpatient services;~~and~~
- (e) A per discharge uniform add-on amount to be applied to Medicaid managed care discharges at qualifying hospitals for that program year in an amount that is calculated by dividing the managed care gap **for inpatient services** by total managed care in-state qualifying hospital inpatient discharges in the

data used to calculate the managed care gap. Claims for discharges that already receive an enhanced rate at qualifying hospitals that also are classified as a pediatric teaching hospital or as a psychiatric access hospital shall be excluded from the calculation of the per discharge uniform add-on, unless the department is required to include these claims to obtain federal approval;

- (f) *The maximum managed care gap for outpatient services; and*
- (g) *A uniform add-on amount to be paid to each qualifying hospital to supplement Medicaid managed care payments for outpatient services performed by the qualifying hospital in a program year. The uniform add-on amount payable to each qualifying hospital shall be:*
 - 1. *A uniform percentage increase calculated by dividing the managed care gap for outpatient services by the total payments from managed care to in-state qualifying hospitals for outpatient services taken from the data used to calculate the managed care gap for outpatient services unless a different method for calculating the uniform add-on amount is required by the Centers for Medicare and Medicaid Services; and*
 - 2. *Made as a lump-sum payment to each qualifying hospital on a quarterly basis unless a different method for paying qualifying hospitals the uniform add-on amount is required by the Centers for Medicare and Medicaid Services.*

At least thirty (30) days prior to the beginning of each program year, the department shall provide each qualifying hospital the opportunity to verify the base data to be utilized in both the fee-for-service and managed care gap calculations *for both inpatient and outpatient services*, with data sources and methodologies identified.

- (3) On a quarterly basis in the program year, the department shall:
 - (a) Calculate a fee-for-service quarterly supplemental payment for each qualifying hospital using fee-for-service claims for inpatient discharges paid in the quarter to the qualifying hospital multiplied by the uniform add-on amount determined in subsection (2)(c) of this section;
 - (b) Calculate a managed care quarterly supplemental payment for each qualifying hospital to be paid by each managed care organization using managed care encounter claims for inpatient discharges received in the quarter multiplied by the uniform add-on amount determined in subsection (2)(e) of this section;
 - (c) *Calculate a managed care quarterly supplemental payment for each qualifying hospital to be paid by each managed care organization as determined in subsection (2)(g) of this section;*
 - (d) Make the quarterly supplemental payment calculated under paragraph (a) of this subsection;
 - ~~(e)(d)~~ Provide each managed care organization with a listing of the supplemental payments *as calculated under paragraphs (b) and (c) of this subsection* to be paid by each managed care organization to each qualifying hospital *for both inpatient and outpatient services*;
 - ~~(f)(e)~~ Provide each managed care organization with a supplemental capitation payment to cover the managed care organization's quarterly supplemental payments to be paid to qualifying hospitals *for both inpatient and outpatient services* in the quarter;
 - ~~(g)(f)~~ Determine the amount of state funds necessary to obtain federal matching funds that ~~in the aggregate,~~ equal the total quarterly supplemental payments to be paid to all qualifying hospitals in both the fee-for-service and the Medicaid managed care programs *authorized by this section*;
 - ~~(h)(g)~~ *For purposes of the inpatient program authorized by subsection (1)(b) of this section,* determine a per discharge hospital *inpatient* assessment for the quarter for each qualifying hospital, which shall be calculated by first applying towards the state share ~~determined~~~~calculated~~ under paragraph ~~(g)(f)~~ of this subsection the qualifying hospital disproportionate share percentage of the excess disproportionate share taxes and then dividing the remaining state share by the total discharges reported by all in-state qualifying hospitals on the Medicare cost report filed by those qualifying hospitals in the calendar year two (2) years prior to the program year;
 - ~~(i)(h)~~ Determine each qualifying hospital's quarterly *inpatient* assessment by multiplying the assessment established in paragraph ~~(h)(g)~~ of this subsection by the hospital's total discharges from the qualifying hospital's Medicare cost report filed in the calendar year two (2) years prior to the program year;~~and~~

- ~~(j)(4)~~ *For purposes of the outpatient program authorized by subsection (1)(c) of this section, determine each qualifying hospital's assessment to be contributed to the state's share of this outpatient program as calculated under paragraph (g) of this subsection. Each qualifying hospital's outpatient assessment shall be a percentage of the state share calculated as the qualifying hospital's total outpatient net revenue divided by the total outpatient net revenue of all qualifying hospitals on the Medicare cost reports filed in the calendar year two (2) years prior to the program year;*
- (k) *Determine each qualifying hospital's quarterly outpatient assessment by multiplying the outpatient portion of the assessment established in paragraph (g) of this subsection by the hospital's percentage established in paragraph (j) of this subsection; and*
- (l) Provide each qualifying hospital with a notice sent on the same day as the distribution to managed care organizations of the supplemental capitation payments pursuant to paragraph ~~(f)(e)~~ of this subsection, of the qualifying hospital's quarterly assessment, that shall state the total amount due from the assessment, the date ~~assessment~~~~payment~~ is due, the total number of *inpatient* paid claims **and total outpatient payments**~~for inpatient discharges~~ used to calculate the qualifying hospital's quarterly supplemental ~~distribution~~~~payments~~, and the amount of quarterly supplemental **distribution** payments **for inpatient and outpatient services** due to be received by the qualifying hospital from the department and each Medicaid managed care organization.
- (4) In calculating the quarterly supplemental payments under subsection (3)(a), **(b)**, and ~~(c)(b)~~ of this section for qualifying hospitals that are also classified as a pediatric teaching hospital or as a psychiatric access hospital, no add-on shall be applied to the paid claims for the services for which that hospital also receives supplemental payments pursuant to state plan methodologies and managed care contracts in effect on January 1, 2019.
- (5) Each qualifying hospital shall receive four (4) quarterly supplemental payments in the program year, as determined under subsection (3) of this section.
- (6) Medicaid managed care organizations shall pay the supplemental payments to qualifying hospitals within five (5) business days of receiving the supplemental capitation payment from the department.
- (7) A qualifying hospital shall pay its quarterly assessment no later than fifteen (15) days from the date the qualifying hospital is notified of the assessment from the department. A non-state government-owned hospital may make payment of its assessment through an intergovernmental transfer. The department may delay or withhold a portion of the supplemental payment if a hospital is delinquent in its payment of a quarterly assessment.
- (8) The department shall complete the actions required under subsection (3) of this section expeditiously and within the same quarter as all required information is received.
- (9) Qualifying hospitals may notify the department of errors in the data used to make a quarterly supplemental payment by providing documentation within thirty (30) days of receipt of a quarterly supplemental payment from a Medicaid managed care organization. If the department agrees that an error occurred in a qualifying hospital's quarterly supplemental payment, the department shall reconcile the payment error through an adjustment in the qualifying hospital's next quarterly supplemental payment.
- (10) The programs in this section shall not be implemented if federal financial participation is not available or if the provider tax waiver is not approved. A qualifying hospital shall have no obligation to pay an assessment if any federal agency determines that federal financial participation is not available for any assessment. Any assessments received by the department that cannot be matched with federal funds shall be returned pro rata to the qualified hospitals that paid the assessments.
- (11) The department may implement the hospital rate improvement programs only if Medicaid state plan amendments required for federal financial participation are approved by the United States Centers for Medicare and Medicaid Services.
- (12) The assessment authorized under KRS 205.6405 to 205.6408 shall be restricted for use to accomplish the inpatient **and outpatient** reimbursement increases established under this section. The Commonwealth shall not maintain or revert funds received under KRS 205.6405 to 205.6408 to the state general fund, except that the department may receive two hundred fifty thousand dollars (\$250,000) in state funds each program year to administer the programs. The department shall not establish Medicaid fee-for-service rate-setting methodology changes that result in rate reductions from policies in effect as of October 1, 2018, for acute care hospitals and July 1, 2019, for hospitals paid on a per diem basis.

- (13) The department shall promulgate administrative regulations to implement the provisions of KRS 205.6405 to 205.6408.
- (14) If the department submits, and the United States Centers for Medicare and Medicaid Services (CMS) approves, a supplemental payment formula that permits the managed care gap to be calculated based upon a percentage of average commercial rates (ACR) that results in a total annual supplemental payment greater than eighty percent (80%) of ACR *for both inpatient and outpatient services*, instead of the Medicare upper payment limit, then the hospital rate improvement programs *for qualifying hospitals* shall be modified as follows:
- (a) The amount of funds the department may receive to administer the programs as stated in subsection (12) of this section shall be replaced by an administrative fee that shall be calculated to be an amount equal to four percent (4%) of the assessment collected under this section. The administrative fee payable under this paragraph shall accrue only for supplemental payments attributable to state fiscal year 2021-2022 and for state fiscal years thereafter so long as CMS approves the supplemental payment formula in accordance with this subsection. The administrative fee shall be paid within thirty (30) days after supplemental payments *for inpatient and outpatient services* are issued to qualifying hospitals; and
 - (b) The department shall not be required under KRS 205.6408 to transfer any excess disproportionate share taxes to the hospital Medicaid assessment fund for use as state matching dollars for the payments made under this section.
- (15) *To the extent federal matching funds are available, the department may create a program to increase outpatient reimbursement to qualifying hospitals within the Medicaid fee-for-service program in an aggregate amount equivalent to the UPL gap.*

➔Section 3. If the Cabinet for Health and Family Services or the Department for Medicaid Services determines that a state plan amendment, waiver, or any other authorization from a federal agency is necessary prior to the implementation of any provision of Section 2 of this Act, the cabinet or department shall, within 90 days after the effective date of this Act, request the state plan amendment, waiver, or authorization and shall only delay full implementation of those provisions for which a waiver or authorization was deemed necessary until the waiver or authorization is granted.

➔Section 4. Notwithstanding any other statute to the contrary, the amendments to Sections 1 and 2 of this Act shall be retroactive to January 1, 2023.

➔Section 5. Whereas hospitals are severely stressed by the shortage of health care providers, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Without the consent of the General Assembly, the council shall not abolish or limit the total enrollment of the general program offered at any community college to meet the goal of reasonable access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program. - (b) "Notice ~~website~~^[Web site]" means ~~a website~~^[an Internet Web site] that is maintained by a local government or a third party under contract with the local government, which contains links to the legal advertisements or notices electronically published by the local government.
- (2) Local governments may satisfy the requirements of this chapter or any other provision of law requiring the publication of an advertisement in a newspaper by following the alternative procedures established in this section.
- (3) In lieu of newspaper publication, a local government may post the required advertisement online on a notice ~~website~~^[Web site] operated by the local government that is accessible to the public at all times in accordance with subsections (4) to (9) of this section. Publication of an advertisement shall be deemed to have occurred on the date the advertisement is posted on the local government's notice ~~website~~^[Web site].
- (4) (a) In conjunction with an alternative Internet posting, the local government shall publish a newspaper advertisement one (1) time providing notice that the public may view the full advertisement on the notice ~~website~~^[Web site]. The newspaper advertisement shall:
- 1.~~[(a)]~~ Be not more than six (6) column inches and meet the technical requirements of KRS 424.160(1);
 - 2.~~[(b)]~~ Be published within ten (10) days of the alternative posting on the notice ~~website~~^[Web site] when the purpose of the posting is to inform the public of a completed act, including those acts specified in KRS 424.130(1)(a), or within three (3) days of the posting when the purpose of the posting is to inform the public of the right to take a certain action, including the events specified in KRS 424.130(1)(b) and (d);
 - 3.~~[(c)]~~ Inform the public of the subject matter of the alternative posting, inform the public of its right to inspect any documents associated with the Internet posting by contacting the local government, and provide a mailing and a physical address where a copy of the document may be obtained and the Web address if the document is available online; and

4. ~~(d)~~ Provide the full Uniform Resource Locator (URL) of the notice ~~website~~~~[Web site]~~ address and the full Uniform Resource Locator (URL) of the address where the full advertisement may be directly viewed along with a telephone number for the local government.
- (b) A local government may, alternatively, publish an advertisement one (1) time providing notice that the public may view the full advertisement on the notice website in a digital newspaper that meets the qualifications discussed in Section 2 of this Act, so long as the advertisement complies with subparagraphs 2., 3., and 4. of paragraph (a) of this subsection.**
- (5) In addition to specific legal requirements applicable to a particular type of advertisement:
- (a) The contents of each alternative Internet posting shall meet the minimum requirements of KRS 424.140; and
 - (b) The local government shall make the alternative Internet posting in accordance with the times and periods established by KRS 424.130, and shall actively maintain the alternative Internet posting on its public ~~website~~~~[Web site]~~:
 1. Until the deadline passes or the event occurs if the substance of the advertisement is intended to advise the public of a time to take action or the occurrence of a future event;
 2. For at least ninety (90) days if the substance of the advertisement is to inform the public of an action taken by the local government, such as the enactment of an ordinance; or

- (7) The local government shall provide a conspicuous statement on its notice ~~website~~~~[Web site]~~ that individuals who have difficulty in accessing the contents of posted advertisements may contact the local government for information regarding alternative methods of accessing advertisements, which shall include the telephone number of the local government.
- (8) As proof of an alternative Internet posting to satisfy any newspaper publication requirement, the local government shall memorialize the posting by capturing the posting in electronic or paper format and shall complete an affidavit signed by the person responsible for causing publications under KRS 424.150, stating that the local government satisfied the publication requirement by alternative Internet posting. The affidavit shall specify the active dates of the notice ~~website~~~~[Web site]~~ posting, the specific statutory requirements being satisfied by the alternative Internet posting, and the notice ~~website~~~~[Web site]~~ address where the alternative posting was located, including the full Uniform Resource Locator (URL) used for the posting. The local government shall retain the captured posting and the affidavit by the person responsible for publication for a period of three (3) years. Together, the captured posting and the affidavit shall constitute prima facie evidence that the posting was made and occurred as stated within the affidavit.
- (9) The failure to cause the newspaper advertisement required in subsection (4) of this section shall not void the action of the local government or negate the enforceability of the matter advertised by alternative Internet posting. Any person who violates the requirements of subsection (4) of this section shall be subject to the penalties provided in KRS 424.990.
- ➔Section 2. KRS 424.120 is amended to read as follows:
- (1) Except as provided in ~~subsections~~~~[subsection]~~ (2) and (4) of this section, if an advertisement for a publication area is required by law to be published in a newspaper, the publication shall be made in a newspaper that meets the following requirements:
- (a) It shall be published in the publication area. A newspaper shall be deemed to be published in the area if it maintains its principal office in the area for the purpose of gathering news and soliciting advertisements and other general business of newspaper publications, and has a periodicals class mailing permit issued for that office. A newspaper published outside of Kentucky shall not be eligible to carry advertisements for any county or publication area within the county, other than for the city in

which its main office is located, if there is a newspaper published in the county that has a substantial general circulation throughout the county and that otherwise meets the requirements of this section; and

- (b) It shall be of regular issue and have a bona fide circulation in the publication area. A newspaper shall be deemed to be of regular issue if it is published at least once a week, for at least fifty (50) weeks during the calendar year as prescribed by its mailing permit, and has been so published in the area for the immediately preceding two (2) year period. A newspaper meeting all the criteria to be of regular issue, except publication in the area for the immediately preceding two (2) year period, shall be deemed to be of regular issue if it is the only *qualified* paper in the ~~county~~ *publication area* and has a paid circulation ~~equal to at least ten percent (10%) of the population of the publication area~~. A newspaper shall be deemed to be of bona fide circulation in the publication area if it is circulated generally in the area, and maintains a definite price or consideration not less than fifty percent (50%) of its published price, and is paid for by not less than fifty percent (50%) of those to whom distribution is made; and
 - (c) It shall bear a title or name, consist of not less than four (4) pages without a cover, and be of a type to which the general public resorts for passing events of a political, religious, commercial, and social nature, and for current happenings, announcements, miscellaneous reading matter, advertisements, and other notices. The news content shall be at least twenty-five percent (25%) of the total column space in more than one-half (1/2) of its issues during any twelve (12) month period.
 - (d) If, in a publication area there is more than one (1) newspaper which meets the above requirements, the newspaper having the largest bona fide paid circulation as shown by the average number of paid copies of each issue as shown in its published statement of ownership as filed on October 1 for the publication area shall be the newspaper where advertisements required by law to be published shall be carried.
 - (e) For the purposes of KRS Chapter 424, publishing shall be considered as the total recurring processes of producing the newspaper, embracing all of the included contents of reading matter, illustrations, and advertising enumerated in paragraphs (a) through (d) of this subsection. A newspaper shall not be excluded from qualifying for the purposes of legal publications as provided in this chapter if its printing or reproduction processes take place outside the publication area.
- (2) (a) If, in the case of a publication area smaller than the county in which it is located, there is no newspaper published in the area, the publication shall be made in a newspaper published in the county that is qualified under this section to publish advertisements for the county. If the qualified newspaper publishes a zoned edition which is distributed to regular subscribers within the publication area, any advertisement required by law to be published in the publication area may be published in the zoned edition distributed in that area.
- (b) If, in any county there is no newspaper meeting the requirements of this section for publishing advertisements for that county, any advertisements required to be published for the county or for any publication area within the county shall be published in a newspaper of the largest bona fide circulation in that county published in and qualified to publish advertisements for an adjoining county in Kentucky. This subsection is intended to supersede any statute that provides or contemplates that newspaper publication may be dispensed with if there is no newspaper printed or published or of general circulation in the particular publication area.
- (3) If a publication area consists of a district, other than a city, which extends into more than one (1) county, the part of the district in each county shall be considered to be a separate publication area for the purposes of this section, and an advertisement for each separate publication area shall be published in a newspaper qualified under this section to publish advertisements for the area.
- (4) ***If an advertisement for a publication area is required by law to be published in a newspaper, the publication may, alternatively, be made in a digital newspaper that:***
- (a) ***Maintains an active news gathering office in the publication area;***
 - (b) ***Has been actively publishing for at least one (1) year, and is updated on at least a weekly basis;***
 - (c) ***Has as its primary purpose reporting on matters of import to the public, and contains regular reporting regarding local and community issues in the publication area;***
 - (d) ***Is easily accessible to the public through common Internet search engines or other Internet search means;***

- (e) *Contains conspicuous links or headings on its landing page that direct members of the public to public notices; and*
- (f) *Distributes, or has ownership interest in another entity that distributes, newspapers printed in Kentucky, and is capable of circulating printed newspapers throughout the publication area.*

For purposes of satisfying publication requirements of this chapter, an advertisement is deemed to be published on the date that it is posted on the website of the digital newspaper. Any other statute requiring newspaper publication that contains requirements related to the physical dimensions, typesetting, font, or other aspects particular to a printed newspaper are not applicable where the advertisement is made in a digital newspaper that qualifies under this subsection.

Signed by Governor March 20, 2023.

 - 3. A committee of the Authority of which he or she is not a member if the Authority member honestly believes the committee merits confidence.
- (d) An Authority member shall not be considered as acting in good faith if he or she has knowledge concerning the matter in question that makes reliance otherwise permitted by paragraph (c) of this subsection unwarranted.
- (e) Any action taken as a member of the Authority, or any failure to take any action as an Authority member, shall not be the basis for monetary damages or injunctive relief unless:
- 1. The Authority member has breached or failed to perform the duties of the member's office in compliance with this section; and
 - 2. In the case of an action for monetary damages, the breach or failure to perform constitutes willful misconduct or wanton or reckless disregard for human rights, safety, or property.
- (f) A person bringing an action for monetary damages under this section shall have the burden of proving by clear and convincing evidence the provisions of paragraph (e)1. and 2. of this subsection, and the burden of proving that the breach or failure to perform was the legal cause of damages suffered by the Kentucky Retirement Systems or County Employees Retirement System, as applicable.

- (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.

CHAPTER 38

(HB 222)

AN ACT relating to the hazardous waste management fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 224.46-580 is amended to read as follows:

- (1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes and the release of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management, toxic chemical manufacture, processing, or other use, and to leave the primary burden and responsibility for hazardous waste and toxic chemical reduction on private industry; and further to finance assistance and coordination by imposing assessments on the generation of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with the generation of hazardous waste. The General Assembly further finds that Kentucky's industries need assistance in developing and implementing pollution prevention goals and that a fund should be established to provide technical and financial assistance to those industries.
- (2) The Energy and Environment Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.
- (3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:
 - (a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances, as defined in KRS 224.1-400, into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45A.695 to 45A.725 may be suspended by the cabinet if necessary to respond to an environmental emergency;~~[-]~~
 - (b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter; ~~and~~~~[-]~~
 - (c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

- (4) The cabinet shall have the authority to finance the nonfederal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (Pub. L. 96-510).
- (5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.
- (6) It is the expressed purpose of this section to accomplish effective hazardous waste and toxic chemical management that results in a reduction of the generation of hazardous wastes and the release of toxic chemicals within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste and toxic chemical management to those industries whose products are reasonably related to the generation of hazardous waste.
- (7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste assessment to be determined pursuant to this section according to the quantity by weight of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes," waste oil, or spent material from air pollution control devices controlling emissions from coke manufacturing facilities. The assessment shall not be imposed upon any person for any quantities of hazardous waste generated by others for which that person is a secondary handler that stores, processes, or reclaims the waste. The assessment shall be reported and paid to the Energy and Environment Cabinet for the generation of hazardous waste on an annual basis on January 1 of each year. The payment shall be accompanied by a report or return in a form that the cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon the business under this section shall be reduced by the amount of the federal assessment or tax upon the business. The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for these purposes. The assessment shall be charged against generators of hazardous waste until June 30, ~~2032~~²⁰²⁴. After this date, no further hazardous waste management assessment shall be charged against generators. The hazardous waste assessment shall be waived for any generator owing less than fifty dollars (\$50) for the year. However, a return must be filed by generators to whom a payment waiver applies.
- (8) The assessment on generators shall be one and two-tenths cents (\$0.012) per pound if the waste is liquid, or two-tenths of a cent (\$0.002) per pound if the waste is solid.
 - (a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;
 - (b) Hazardous waste treated, detoxified, solidified, neutralized, recycled, incinerated, or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except for recycled waste used in the steel manufacturing process which shall be exempt;
 - (c) Waste that is subject to regulation under Section 402 or 307B of the Federal Clean Water Act shall be exempt;
 - (d) Emission control dust and sludge from the primary production of steel that is recycled by high temperature metals recovery or managed by stabilization of metals shall be exempt; and
 - (e) Waste that is delivered from the generator to an on-site or off-site industrial boiler or furnace and burned for energy recovery in accordance with state and federal laws and regulations shall be assessed at one-half (1/2) of the appropriate rate.
- (9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate described in subsection (8) of this section. The facility shall remit the assessment to the cabinet on an annual basis on January 1 of each year. The payment shall be accompanied by a return the cabinet shall prescribe.
- (10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may, from any information in its possession, make an estimate and issue an assessment against the generator or

hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

- (11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet~~[]~~ that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which it is filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.
- (12) If the assessment imposed by this chapter, whether assessed by the cabinet~~[]~~ or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the cabinet.
- (13)
 - (a) There is hereby created within the State Treasury a trust and agency fund, which shall not lapse, to be known as the hazardous waste management fund. The fund shall be deposited in an interest-bearing account. The cabinet shall be responsible for collecting and receiving funds as provided in this section~~[]~~ and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. All interest earned on the money deposited in the fund shall be deposited to the fund. When the State Treasurer certifies to the cabinet that the uncommitted balance of the hazardous waste management fund exceeds six million dollars (\$6,000,000), assessments shall not be collected until the State Treasurer certifies to the cabinet that the balance in the hazardous waste management fund is less than three million dollars (\$3,000,000). The implementation of the cap on the fund shall be suspended from July 13, 1990, until July 1, 1991. In addition, for assessments paid after July 1, 1991, the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.
 - (b) In any fiscal year in which the fees assessed under this section total less than one million eight hundred thousand dollars (\$1,800,000) in fiscal year 2007-2008 dollars, adjusted annually to reflect any increase in the cost-of-living index, the difference between the fee receipts and the adjusted minimum balance shall be transferred from funds collected pursuant to KRS 224.60-130.
 - (c) The cabinet shall file with the Legislative Research Commission a biennial report, beginning two (2) years after July 15, 2008, on the revenues and expenditures of the fund.
- (14) There is hereby created within the State Treasury a trust and agency account, which shall not lapse, to be known as the pollution prevention fund. The fund shall be placed in an interest-bearing account. The fund shall be administered by the Center for Pollution Prevention. The cabinet shall remit to the fund each fiscal year twenty percent (20%) of the funds received by the hazardous waste management fund subject to the enacted budget bill.
- (15) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, moneys from the fund shall not be used when federal moneys are available to carry out these duties, except when immediate action is required to protect public health or the environment, in which case the cabinet shall actively pursue reimbursement of the fund by any available federal moneys.
- (16) If any person responsible for a release or threatened release of a hazardous substance fails to take response actions or to make reasonable progress in completing response actions ordered by the cabinet, the cabinet may bring an action to compel performance or may take appropriate response actions and order the responsible person to reimburse the cabinet for the actual costs incurred by the cabinet.
- (17) If disposal activities have occurred at a hazardous waste site, the cabinet shall record, in the office of the county clerk in the county in which a waste site is situated, a notice containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste and that further information on the hazardous waste site may be obtained from the cabinet.
- (18) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

CHAPTER 46

(SJR 54)

A JOINT RESOLUTION directing the Department for Medicaid Services to study and examine Medicaid reimbursements.

WHEREAS, the United Health Foundation in their 2022 America's Health Rankings report ranked Kentucky as the 43rd overall healthiest state; and

WHEREAS, in 2019 Kentucky ranked 45th among the United States in its primary care physician workforce with just 58 primary care physicians per 100,000 residents; and

WHEREAS, roughly 40% of Kentuckians live in rural areas but only 17% of the state's primary care physicians practice in rural areas; and

WHEREAS, it is difficult to recruit and retain healthcare providers to serve in rural and socioeconomically disadvantaged suburban and urban areas; and

WHEREAS, a growing field of research shows that individuals who live in socioeconomically disadvantaged or deprived communities, regardless of whether the community is urban or rural, suffer higher rates of chronic disease including diabetes, cardiovascular disease, and other chronic conditions, utilize healthcare services more frequently, and experience higher rates of premature death; and

WHEREAS, the health-related social needs of individuals who reside in socioeconomically disadvantaged or deprived communities are often far greater than the needs of individuals who reside in more prosperous communities; and

WHEREAS, health interventions and policies that fail to consider a community's level of disadvantage or deprivation and the health-related social needs of the community's residents are likely to be ineffective at addressing the health disparities and challenges often observed in many socially disadvantaged communities; and

WHEREAS, a better understanding of variations in community deprivation could lead to improved insights into the sociobiologic mechanisms that underlie health disparities; and

WHEREAS, the Area Deprivation Index was originally developed by the Health Resources and Services Administration, an agency of the United States Department of Health and Human Services, nearly three decades ago and is comprised of 17 education, employment, housing, and poverty measures originally drawn from long-form Census data and updated to incorporate more recent American Community Survey Data; and

WHEREAS, there has been extensive research on the Area Deprivation Index and the updated index has been validated for a range of health outcomes and disease domains; and

WHEREAS, numerous academic health systems and state and federal collaborators are already using the Area Deprivation Index to inform research, outreach, and policy; and

WHEREAS, the Area Deprivation Index can be used to inform risk-adjustment strategies, financial incentives, payment reform, infrastructure targeting, benefit decisions, and program eligibility; and

WHEREAS, several states including Massachusetts, Maine, Washington, and Hawaii, have taken steps to account for social risks and health-related social needs in health care payment models; and

WHEREAS, failure to improve health outcomes and address health disparities now will create a larger financial liability for the state in the future;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Department for Medicaid Services shall:

(1) Study efforts undertaken by other states to account for social risks and health-related social needs in Medicaid payment models;

(2) Review federal regulations related to Medicaid reimbursements and the ability of states to design reimbursement models that effectively address social risks and health-related social needs;

(3) Assess the appropriateness of the Area Deprivation Index as valid measure of social risks and health-related social needs in Kentucky; and

(4) Develop a proposal to modify Kentucky's current Medicaid reimbursement model to better account for the social risks and health-related social needs at the community level by modifying reimbursement rates for providers based on the Area Deprivation Index score of the location in which the provider practices.

➔Section 2. The Department for Medicaid Services shall submit its findings and proposal for the modification of the state's Medicaid reimbursement model to the Legislative Research Commission for referral to the appropriate committee or committees no later than November 1, 2023.

➔Section 3. The Department for Medicaid Services is hereby directed to examine the current reimbursement rates paid to outpatient pediatric therapy providers, including providers of pediatric audiology services, behavioral therapy services, occupational therapy services, physical therapy services, and speech therapy services, develop a proposal for increasing those reimbursement rates, and submit a report containing the findings of the examination and the proposal for rate increases to the Interim Joint Committees on Appropriations and Revenue and Health, Welfare, and Family Services no later than July 15, 2023.

➔Section 4. Whereas improving health outcomes and effectively addressing health disparities is crucial to the success, health, and financial well-being of all citizens of the Commonwealth and to the Commonwealth as a whole, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

CHAPTER 49

(SJR 98)

A JOINT RESOLUTION relating to state administrative bodies.

WHEREAS, public universities and community colleges serve as economic development incubators for the cities and regions in which they are located, both by the faculty and staff jobs the colleges provide and the business innovations that can spring from collaborations in the academic environment; and

WHEREAS, Kentucky's postsecondary governance structure currently includes the Council on Postsecondary Education as the systemwide coordinating agency charged with developing and implementing a strategic agenda and a system of public accountability for evaluating the performance and effectiveness of the state's postsecondary system. Kentucky's universities are governed by individual boards and a governing board oversees the Kentucky Community and Technical College system and local advisory boards are affiliated with the individual campuses; and

WHEREAS, as the Commonwealth has, through the years, located regional universities throughout the state charged by the General Assembly with providing a seamless, integrated system of postsecondary education strategically planned to enhance economic development and quality of life; and

WHEREAS, the mission of the community and technical colleges is to work cooperatively with postsecondary institutions throughout the Commonwealth to align program and training programs necessary to develop a workforce with the skills to meet the needs of new and existing industries and improve employability of citizens; and

WHEREAS, the southeastern region of Kentucky is conspicuously without a public, residential, four-year university, hindering its ability to make the same economic progress as other regions of the state; and

WHEREAS, the southeastern region of Kentucky is being forced to pursue new economic development and workforce strategies due to the decline in the coal industry; and

WHEREAS, the Council on Postsecondary Education is statutorily charged with the responsibility to review proposals for the establishment of new four-year colleges; and

WHEREAS, the Council on Postsecondary Education is statutorily charged with the responsibility of eliminating or changing existing academic programs to provide consistency and alignment with institutional missions and the state's strategic implementation plan as well as avoiding duplication of programs;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Council on Postsecondary Education shall conduct a thorough study of:

(1) The structure of higher education governance in the Commonwealth, including the current condition and projected needs of the state over the next 20 years in terms of postsecondary education attainment, workforce, and economic needs. The analysis shall consider: population and demographic trends; economic and workforce conditions and needs; state of college preparation; extent of postsecondary access, completion, and affordability; student learning options; and education finance. The study shall include recommendations on changes needed to the state's postsecondary governance structure that would be essential to meet identified needs and ensure the best delivery of postsecondary educational services to students;

(2) The impact and feasibility of establishing a regional, residential, four-year public university in southeastern Kentucky. The study shall include a comprehensive review of the prospect of:

(a) Establishing a new regional, residential, four-year public university in southeastern Kentucky and the impact that would have on the existing regional universities in the Commonwealth;

(b) Establishing a residential campus in southeastern Kentucky that is a satellite campus of an existing regional public university; and

(c) The Commonwealth acquiring an existing, private university in southeastern Kentucky to serve the region as a new regional, residential, four-year public university, as an alternative to establishing an entirely new four-year university; and

(3) The feasibility and programmatic and fiscal impacts of having the Kentucky Community and Technical College System continue to be responsible for technical education programs but transferring responsibility for traditional academic subjects to the regional universities. The study shall include a comprehensive review of how this transition might impact each regional university and the potential implications on any proposal for establishing a four-year university in southeastern Kentucky identified in subsection (2) of this section and the potential impact on prospective Kentucky Community and Technical College System students statewide.

➔Section 2. The President of the Council on Postsecondary Education shall report the comprehensive study required by Section 1 of this Joint Resolution with findings and recommendations to the Legislative Research Commission to be distributed to the relevant subject matter committees, including but not limited to the Interim Joint Committee on Economic Development and Workforce Investment and the Interim Joint Committee on Education by December 1, 2023.

➔Section 3. The General Assembly of the Commonwealth of Kentucky hereby approves Phase 1 of the State Fair Board's comprehensive statewide proposal for improving properties dated November 29, 2022, and submitted to the Interim Joint Committee on Appropriations and Revenue. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.
- (8) Subject to KRS 311.1929(9) and 311.1953, the rights of the person to which a part passes under KRS 311.1929 are superior to the rights of all others with respect to the part. Subject to the terms of the document of gift and KRS 311.1911 to 311.1959, a person that accepts an anatomical gift of an entire body may allow embalming, burial, or cremation, and use of remains in a funeral service. If the gift is of a part, the person to which the part passes under KRS 311.1929, upon the death of the donor and before embalming, burial, or cremation, shall cause the part to be removed without unnecessary mutilation.

CHAPTER 56

(SB 25)

AN ACT relating to postsecondary readiness indicators and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

→Section 1. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

- (1) (a) The Kentucky Board of Education shall create an accountability system to classify districts and schools in accordance with the academic standards and student assessment program developed pursuant to KRS 158.6453.
- (b) The accountability system shall include an annual meaningful differentiation of all public schools in the state using multiple measures that describe the overall performance of each district, school, and student subgroup. Performance shall be based on a combination of academic and school quality indicators and measures, hereinafter called "state indicators." The state indicators shall exclusively include:
1. Student assessment results;
 2. Progress toward achieving English proficiency by limited English proficiency students;
 3. Quality of school climate and safety;
 4. High school graduation rates;
 5. Postsecondary readiness for each high school student, which shall be included as an academic indicator, and shall be measured by one (1) of the following:
 - a. Meeting or exceeding a college readiness benchmark score on the college admissions examination used as the statewide assessment in KRS 158.6453(5)(b)5. or a college placement examination approved by the Council on Postsecondary Education. The college

- readiness benchmark score shall be established by the Council on Postsecondary Education;
- b. Achieving ***a minimum of*** three (3) hours of ~~*dual*~~^{*college*} credit ~~or postsecondary articulated credit~~ by completing a course approved by the Kentucky Board of Education ***or qualifying for a minimum of three (3) hours of postsecondary articulated credit associated with a statewide articulation agreement;***
 - c. Achieving a benchmark score on an Advanced Placement, International Baccalaureate, Cambridge Advanced International, or other nationally recognized exam approved by the Kentucky Board of Education that generally qualifies the student for three (3) or more hours of college credit;
 - d. Completing a required number of hours or achieving a benchmark within an apprenticeship, cooperative, or internship that is:
 - i. Not required to be offered as a high school course or during the regular school day, week, or year;*
 - ii. Aligned with a credential or associate degree; and*
 - iii. Approved by the Kentucky Board of Education after receiving input from the Local Superintendents Advisory Council; or*
 - e. Achieving any industry-recognized certifications, licensures, or credentials, with more weight in accountability for industry-recognized certifications, licensures, or credentials identified as high demand in accordance with the process described in paragraph (e) of this subsection. Eligible industry-recognized certifications, licensures, or credentials shall not be limited to those earned in conjunction with a minimum sequence of courses. Each high school shall publicly report the credits, hours, and credentials on an annual basis; and
6. Any other factor mandated by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
 - (c) 1. Beginning with data from the 2020-2021 and 2021-2022 school years, the accountability system performance for each district, school, and student subgroup determined by the state indicators shall be based on a combination of annual performance, hereinafter called "status," and improvement over time, hereinafter called "change."
 2. Status and change shall receive equal weight in determining overall performance. For all students as a group and separately for individual subgroups, status shall be determined, beginning with the data from the 2020-2021 academic year, by using the current year performance and change shall be determined, beginning with the data from the 2021-2022 academic year, by using the difference in performance from the prior to current year, except change shall be based on the difference in performance for the prior three (3) years for the purpose of determining the lowest-performing five percent (5%) of schools under KRS 160.346(2) and (3).
 3. For each state indicator, there shall be five (5) status levels ranging from very high to very low and five (5) change levels ranging from increased significantly to declined significantly.
 4. The percentile cut scores for status and change levels shall be based on distribution and shall be approved by the Kentucky Department of Education and the Local Superintendents Advisory Council. The cut scores shall remain in place for at least six (6) years unless existing cut scores no longer support meaningful differentiation of schools as required by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
 - (d) Beginning in the fall of 2022, the Kentucky Department of Education shall develop an online display of the accountability system results hereinafter called a "dashboard." A color-coded performance level for each state indicator shall be displayed in a straightforward manner on the dashboard for overall performance, status, and change by district, school, and individual subgroups. Overall performance shall aggregate all available data for the state indicators.
 - (e) Based on data from the Kentucky Center for Education and Workforce Statistics, each local workforce investment board, in conjunction with local economic development organizations from its state regional sector, shall annually compile a list of industry-recognized certifications, licensures, and credentials specific to the state and regional workforce area, rank them by demand for the state and regional area,

and provide the list to the Kentucky Workforce Innovation Board. The Kentucky Workforce Innovation Board, in conjunction with the Kentucky Department of Education, may revise the lists before the Kentucky Department of Education disseminates the lists to all school districts to be used as postsecondary readiness indicators.

- (f)
 1. The Kentucky Department of Education shall pay for the cost of an assessment taken by a high school student for attaining an industry-recognized certification, credential, or licensure if the student consecutively completes at least two (2) related career pathway courses approved by the department prior to taking the assessment.
 2. If a high school student has not completed the two (2) course requirement described in subparagraph 1. of this paragraph but meets performance-based experience eligibility and passes an assessment, the department shall provide a weighted reimbursement amount to the school district for the cost of the assessment based on the level of demand of the certificate, credential, or license earned. The Kentucky Board of Education shall promulgate regulations establishing the performance-based experience eligibility requirements and weighted reimbursement amounts.
- (g) Prior to promulgating administrative regulations to revise the accountability system, the board shall seek advice from the School Curriculum, Assessment, and Accountability Council; the Office of Education Accountability; the Education Assessment and Accountability Review Subcommittee; and the department's technical advisory committee.
- (2) A student's test scores shall be counted in the accountability measure of:
 - (a)
 1. The school in which the student is currently enrolled if the student has been enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; or
 2. The school in which the student was previously enrolled if the student was enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; and
 - (b) The school district if the student is enrolled in the district for at least a full academic year as defined by the Kentucky Board of Education; and
 - (c) The state if the student is enrolled in a Kentucky public school prior to the beginning of the statewide testing period.
- (3) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish more rigorous action, intervention, and appropriate consequences for schools that fail to exit comprehensive support and improvement status described in KRS 160.346. The consequences shall be designed to improve the academic performance and learning environment of identified schools and may include but not be limited to:
 - (a) A review and audit process to determine the appropriateness of a school's or district's classification and to recommend needed assistance;
 - (b) School and district improvement plans;
 - (c) Eligibility to receive Commonwealth school improvement funds under KRS 158.805;
 - (d) Education assistance from highly skilled certified staff; and
 - (e) Observation of school personnel.
- (4) All students who drop out of school during a school year shall be included in a school's annual average school graduation rate calculation.
- (5) After receiving the advice of the Education Assessment and Accountability Review Subcommittee, the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, the Kentucky Board of Education may promulgate by administrative regulation, in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, a system of district accountability that includes establishing a formula for accountability, goals for improvement over a three (3) year period, rewards for leadership in improving teaching and learning in the district, and consequences that address the problems and provide assistance when one (1) or more schools in the district fail

to exit comprehensive support and improvement status after three (3) consecutive years of implementing the turnaround intervention process described in KRS 160.346.

- (6) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, the Kentucky Board of Education shall promulgate administrative regulations in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish a process whereby a school or school district shall be allowed to appeal any performance judgment made by the department under this section or KRS 160.346 of a principal, superintendent, school, or school district which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the three (3) year assessment period which are beyond the control of the appellant school or school district.
- (7) Advice and recommendations provided by the department's technical advisory committee shall be summarized and reported by the department by July 1 and December 1 of each year to the Office of Education Accountability. The report shall include:
- (a) Advice and recommendations provided by panel members relating to:
1. Development and modification to the assessment and accountability system;

- (b) Any documentation used by the panel in support of the panel's advice and recommendations.

Upon receipt of the report, the Office of Education Accountability shall forward the report to the Education Assessment and Accountability Review Subcommittee and the co-chairs of the Interim Joint Committee on Education.

➔Section 2. Signed by Governor March 22, 2023.

2. Within **one (1) month**~~three (3) months~~ following the member's initial retirement date, if the Authority determines the employment arrangement does not qualify as an independent contractor or leased employee, the member's retirement shall be voided in accordance with paragraph (a) of this subsection;
3. After **one (1) month**~~three (3) months~~ but within twelve (12) months following the member's initial retirement, if the Authority determines the employment arrangement does not qualify as an independent contractor or leased employee and that a prearranged agreement existed between the member and the agency for the member to return to work with the agency, the member's retirement shall be voided in accordance with paragraph (a) of this subsection; and
4.  - (b) *Having a cumulative total value of greater than two hundred and seventy-five million (\$275,000,000) for multiple regulatory assets.*
- (2) *An application for a financing order shall include:*
- (a) *A description of the deferred costs the utility is seeking to securitize. If more than fifty percent (50%) of the deferred costs are retired generation costs, the application also shall describe:*

If the electric utility proposes to finance a portion of the costs, the electric utility shall identify the specific portion of the deferred costs in the application. By electing not to finance all or any portion of deferred costs using securitized bonds, an electric utility shall not be deemed to waive its right to reflect those costs in its retail rates pursuant to a separate proceeding with the commission. However, at no point shall the electric utility apply to securitize less than the amounts prescribed in subsection (1) of this section;*

The comparison should demonstrate that the issuance of securitized bonds and the imposition of securitized surcharges are expected to provide quantifiable net present value benefits to customers;*
 - (g) *A proposed future ratemaking process to reconcile any differences between securitized costs financed by securitized bonds and the final securitized costs incurred by the electric utility, successor, or assignee, provided that any reconciliation shall not affect the amount of securitized bonds or the associated securitized surcharges paid by customers; and*
 - (h) *Testimony supporting the application.*
- (3) *The commission shall not accept for filing an application tendered pursuant to this section after December 31, 2024.*

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

 - 2. *A financing order is issued if the application is approved and the conditions are met, if conditions are imposed; and*
 - (b) *The commission shall approve the application for a financing order with or without conditions if the commission finds:*

 2. *The resulting estimated securitized surcharge and other rates are fair, just, and reasonable.*
- (2) *Judicial review of a financing order shall only be done in accordance with KRS 278.410.*
- (3) *In performing the responsibilities under Sections 1 to 15 of this Act, the commission may retain counsel, one (1) or more financial advisors, or other consultants as the commission deems appropriate. The costs associated with retaining counsel or advisors shall:*
- (a) *Be paid by the applicant and be included as financing costs in the securitized surcharge;*
 - (b) *Be assigned solely to the subject transaction; and*

- (a) *Input to and collaborate with the electric utility during the process undertaken to place the securitized bonds to market; and*
 - (b) *An opinion to the commission on the reasonableness of the pricing, terms, and conditions of the securitized bonds on an expedited basis.*
- (5) *The designated commission staff and any financial advisor providing advice to commission staff shall:*
- (a) *Have no authority to direct how the electric utility places the bonds to market; and*
 - (b) *Be permitted to attend meetings convened by the electric utility to address placement of the bonds to market.*
- (6) *If an electric utility's application for a financing order is denied or withdrawn, or for any reason securitized bonds are not issued, any costs of retaining financial advisors, consultants, and counsel on behalf of the commission shall be:*
- (a) *Paid by the applicant;*
 - (b) *Recorded on the books of the utility using appropriate deferral accounting as a regulatory asset; and*
 - (c) *Be eligible for full recovery, including carrying costs, subject to commission approval.*
- (7) *Prior to the issuance of each series of securitized bonds, the electric utility shall provide an issuance advice letter to the commission following the determination of the final terms of the series of securitized bonds no later than three (3) business days after the pricing of the securitized bonds.*
- (8) *The issuance advice letter shall:*
- (a) *Report the initial securitized surcharges and other information specific to the securitized bonds as required by the commission;*
 - (b) *Be included in the financing order which may contain additional provisions relating to the issuance advice letter process as the commission deems appropriate and not inconsistent with Sections 1 to 15 of this Act;*
 - (c) *Indicate the final structure of the securitized bonds; and*
 - (d) *Provide the best available estimate of total ongoing financing costs.*

- (1) *A financing order issued by the commission, after a hearing, to an electric utility shall include:*
- (a) *The amount of securitized costs to be financed using securitized bonds and a finding that recovery of those costs is fair, just, and reasonable and in the public interest;*
 - (b) *A description and estimate of the amount of financing costs that may be recovered through securitized surcharges and the period over which securitized costs and financing costs may be recovered;*

- (c) *A finding that the proposed issuance of securitized bonds and the imposition and collection of a securitized surcharge are fair, just, and reasonable, in the public interest, and expected to provide quantifiable net present value benefits to customers as compared to recovery of the components of securitized costs that would have been incurred absent the issuance of securitized bonds;*
- (d) *A finding that the proposed structuring and pricing of the securitized bonds are reasonably expected to result in the lowest securitized surcharges consistent with market conditions at the time the securitized bonds are priced under the terms of the financing order;*
- (e) *A requirement that, for so long as the securitized bonds are outstanding and until all financing costs have been paid in full, the imposition and collection of securitized surcharges authorized under a financing order shall be nonbypassable and paid by all existing and future retail customers receiving electric service from the electric utility, its successors, or assignees under commission-approved rate schedules even if a retail customer elects to purchase electricity from an alternative electric supplier following a fundamental change in regulation of public utilities in the Commonwealth;*
- (f) *A formula-based true-up mechanism for making:*
 - 1. *At least annually, expeditious periodic adjustments in the securitized surcharges that customers are required to pay pursuant to the financing order; and*
 - 2. *Any adjustments that are necessary to correct for any over collection or under collection of the surcharges and to ensure the timely payment of securitized bonds and financing costs and other required amounts and surcharges payable under the securitized bonds;*
- (g) *A requirement that the securitized property:*
 - 1. *Is created or shall be created in favor of an electric utility, its successors, or assignees; and*
 - 2. *Shall be used to pay or secure securitized bonds and approved financing costs;*
- (h) *A statement regarding the degree of flexibility to be afforded to the electric utility in establishing:*
 - 1. *The terms and conditions of the securitized bonds, including but not limited to repayment schedules, expected interest rates, and other financing costs;*
 - 2. *Subject to the issuance advice letter process, the terms and conditions for the securitized bonds to accommodate changes in market conditions, including repayment schedules, interest rates, financing costs, collateral requirements, required debt service, and other reserves; and*
 - 3. *At its option, the issuance of a series of issuances of securitized bonds and correlated assignments, sales, pledges, or other transfers of securitized property;*
- (i) *A requirement as to how securitized surcharges will be allocated among retail customer classes;*
- (j) *A requirement that, after the final terms of a proposed issuance of securitized bonds has been established but before the issuance of the securitized bonds, the electric utility shall determine the initial securitized surcharge in the manner required by and consistent with the financing order. The initial securitized surcharge shall be final and effective upon the issuance of the securitized bonds, with the surcharge to be reflected on a compliance tariff and filing bearing the surcharge and the calculation thereof;*
- (k) *A method of:*
 - 1. *Tracing funds collected as securitized surcharges or other proceeds of securitized property and authorization to change the method of tracing funds from time to time in accordance with the financing documents; and*
 - 2. *Determining that the method, as amended from time to time, shall be used for tracing the funds and the identifiable cash proceeds of any securitized property subject to a financing order under applicable law;*
- (l) *A statement specifying the details of a future ratemaking process used to reconcile any differences between the actual securitized costs financed by the electric utility, its successor, or assignee provided that any reconciliation shall not affect the amount of securitized bonds or the associated securitized surcharges paid by customers;*

- (m) *A procedure that shall allow the electric utility to earn a return at its weighted average cost of capital authorized by the commission in the electric utility's rate proceedings, and subject to changes in interest rates, any moneys advanced by the electric utility to fund reserves, if any, or capital accounts established under the terms of any indenture, ancillary agreement, or other financing documents pertaining to the securitized bonds;*
 - (n) *An outside date, which shall not be earlier than one (1) year after the date the financing order is no longer subject to appeal, when the authority to issue securitized bonds granted in the financing order expires; and*
 - (o) *A statement that accumulated deferred income taxes and regulatory liabilities for excess deferred income taxes used in calculating retired generation costs shall be excluded from the rate base in future general rate cases and that no amortization of those excess deferred income taxes shall be reflected in future general rate cases.*
- (2) *Notwithstanding any provision of Sections 1 to 15 of this Act to the contrary, in considering whether to find the proposed issuance of securitized bonds and the imposition and collection of a securitized charge to be fair, just, and reasonable and in the public interest, the commission may consider previous instances where the commission has issued a financing order to the applicant and the applicant has previously issued securitized bonds.*
 - (3) *A financing order issued to an electric utility may provide that the creation of the electric utility's securitized property is conditioned upon, and simultaneous with, the:*
 - (a) *Sale or other transfer of the securitized property to an assignee; and*
 - (b) *Pledge of the securitized property to secure securitized bonds.*

➔SECTION 5. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *Upon the commission issuing a financing order and after the securitized bonds have been issued, the electric utility shall file with the commission a:*
 - (a) *Tariff containing the mechanism for the assessment of a monthly surcharge to existing rates for the collection of the securitized costs; and*
 - (b) *Formula-based true-up mechanism.*
- (2) *The commission, in a financing order and subject to the issuance advice letter process, shall specify the degree of flexibility to be afforded the electric utility in establishing:*
 - (a) *The terms and conditions for the securitized bonds to accommodate changes in market conditions, including repayment schedules, interest rates, financing costs, collateral requirements, required debt service, and other reserves; and*
 - (b) *At its option, a series of issuances of securitized bonds and correlated assignments, sales, pledges, or other transfers of securitized property.*
- (3) *The electric utility shall file a semi-annual update to its monthly surcharge, based on estimates of consumption for each rate class and other mathematical factors, to collect the appropriate amount of securitized costs. The review by the commission of the semi-annual update pursuant to this section shall be limited to:*
 - (a) *Determining whether there are any mathematical or clerical errors in the application of the formula-based true-up mechanism relating to the appropriate amount of any over collection or under collection of a securitized surcharge; and*
 - (b) *The amount of an adjustment.*
- (4) *The adjustments shall ensure solely for the recovery of:*
 - (a) *Revenues sufficient to provide for the payment of principal, interest, acquisition, defeasance, financing costs, or redemption premium; and*
 - (b) *Other fees, costs, and charges with respect to securitized bonds approved under the financing order.*
- (5) *Within ten (10) days after receiving an electric utility's filing of the billing adjustment pursuant to this section, the commission shall either:*

- (a) *Affix an official stamp on the filing indicating the commission's review is complete; or*
- (b) *Inform the electric utility of any mathematical or clerical errors in the electric utility's calculation.*
- (6) *If the commission informs the electric utility of mathematical or clerical errors in its calculation, the electric utility shall correct its error and refile its semi-annual surcharge update.*
- (7) *The time frames in subsection (5) of this section shall also apply to a refiled request.*
- (8) *At the time of any transfer of securitized property to an assignee or the issuance of securitized bonds authorized thereby, whichever is earlier, a financing order shall be irrevocable and, except for changes made pursuant to the formula-based true-up mechanism authorized in this section, the commission shall not:*
 - (a) *Amend, modify, or terminate the financing order by any subsequent action; or*
 - (b) *Reduce, impair, postpone, terminate, or otherwise adjust securitized surcharges approved in the financing order.*
- (9) *After issuance of a financing order, the electric utility retains sole discretion regarding whether to:*
 - (a) *Assign, sell, or otherwise transfer securitized property; or*
 - (b) *Cause securitized bonds to be issued, including the right to defer or postpone the assignment, sale, transfer, or issuance of securitized bonds.*
- (10) *Any changes made under this section to terms and conditions for the securitized bonds shall be in conformance with the financing order.*

➔SECTION 6. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *Subsequent to the issuance advice letter, and unless an earlier date is specified in the financing order, the electric utility may proceed with the issuance of the securitized bonds unless, prior to noon on the fourth business day after the pricing of the securitized bonds, the commission issues a disapproval order:*
 - (a) *Directing that the securitized bonds, as proposed, not be issued; and*
 - (b) *Stating the basis for the disapproval.*
- (2) *At the request of an electric utility, the commission may open a proceeding and issue a subsequent financing order that provides for refinancing, retiring, or refunding securitized bonds issued pursuant to the original financing order if the commission finds that the subsequent financing order satisfies all the criteria specified in Sections 1 to 15 of this Act. Effective upon retirement of the refunded securitized bonds and the issuance of new securitized bonds, the electric utility shall adjust and the commission shall approve the related securitized surcharges accordingly.*
- (3) *A financing order remains in effect and securitized property under the financing order continues to exist until:*
 - (a) *Securitized bonds issued pursuant to the financing order have been paid in full or defeased; and*
 - (b) *In each case, all commission-approved financing costs of the securitized bonds have been recovered in full.*
- (4) *A financing order issued to an electric utility remains in effect and unabated notwithstanding the reorganization, bankruptcy, or other insolvency proceedings, merger, or sale of the electric utility or its successors or assignees.*
- (5) *The commission shall not, in exercising its powers and carrying out its duties regarding any matter within its authority:*
 - (a) *Consider the securitized bonds issued pursuant to a financing order to be the debt of the electric utility other than for federal and state income tax purposes;*
 - (b) *Consider the securitized surcharges paid under the financing order to be the revenue of the electric utility for any purpose;*
 - (c) *Consider the securitized costs or financing costs specified in the financing order to be the costs of the electric utility;*

- (d) *Consider the presence of securitized assets as impacting the relative risk of the utility as it relates to determining an appropriate return on equity for ratemaking purposes; or*
 - (e) *Determine any action taken by an electric utility which is consistent with the financing order to be unjust or unreasonable.*
- (6) *No electric utility shall be:*
- (a) *Required to apply for a financing order; or*
 - (b) *If not under or applying for a financing order, otherwise be required to utilize any of the provisions under Sections 1 to 15 of this Act.*
- (7) *An electric utility's decision not to apply for a financing order shall not be admissible, utilized, or relied on by the commission in any commission proceeding respecting the electric utility's rates or its accounting. The commission shall not directly or indirectly:*
- (a) *Order or require an electric utility to use securitized bonds to recover deferred costs for a regulatory asset;*
 - (b) *Consider the debt reflected by the securitized bonds in establishing the electric utility's capital structure used to determine any regulatory matter, including the electric utility's revenue requirement used to set its rates; and*
 - (c) *Consider the existence of securitized bonds or the potential use of securitized bond financing proceeds in determining the electric utility's authorized rate of return used to determine the electric utility's revenue requirement used to establish its rates.*
- (8) *After the issuance of a financing order, the electric utility retains sole discretion regarding the issuance of the securitized bonds, including the right to defer or postpone the sale, assignment, transfer, or issuance. Nothing shall prevent the electric utility from abandoning the issuance of securitized bonds under the financing order by filing with the commission a statement of abandonment and the reasons therefor.*

➔SECTION 7. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *If the commission has approved an electric utility's financing order and securitization bonds are issued on the electric utility's behalf, the electric utility shall:*
- (a) *Explicitly state on the customer's bill the portion of securitized surcharges applicable to the rate class as approved in the financing order issued to the electric utility; and*
 - (b) *Include the securitized surcharge on each customer's bill as a separate line item and include both the base rate for the customer's electricity and the amount of the surcharge.*
- (2) *If the securitized property has been transferred to an assignee, the customer bill shall include a statement that the assignee is the owner of the rights to securitized surcharges, and the electric utility or other entity, if applicable, is acting as a collection agent or servicer for the assignee.*
- (3) *Each tariff of the electric utility with a commission-approved financing order shall indicate the applicable securitized surcharge and the ownership of the surcharge.*

➔SECTION 8. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *All securitized property that is specified in a financing order constitutes an existing, present, intangible property right or interest therein, notwithstanding the fact that the imposition and collection of securitized surcharges depends on the electric utility performing its servicing functions relating to the collection of securitized surcharges and on future electricity consumption. The property right or interest therein exists regardless:*
- (a) *Of whether the revenues or proceeds arising from the property have been billed, accrued, or collected; and*
 - (b) *That the value or amount of the property is dependent on the future provision of service to customers by the electric utility, its successors, or assignees and on the future consumption of electricity by its customers.*
- (2) *Securitized property specified in a financing order exists until the securitized bonds issued pursuant to the financing order are paid in full and all financing costs and other costs of the securitized bonds have been recovered in full.*

- (3) *Any portion of securitized property specified in a financing order issued to an electric utility may be transferred, sold, conveyed, or assigned to a successor or assignee that is wholly-owned, directly or indirectly, by the electric utility and created for the limited purpose of acquiring, owning, or administering securitized property or issuing securitized bonds under the financing order. Any portion of securitized property may be pledged to secure:*
- (a) *Securitized bonds issued pursuant to the financing order;*
 - (b) *Amounts payable to financing parties and to counterparties under any ancillary agreements; and*
 - (c) *Other financing costs.*
- (4) *Any transfer, sale, conveyance, assignment, grant of a security interest in, or pledge of securitized property by an electric utility or an affiliate of the electric utility to an assignee, to the extent previously authorized in a financing order, does not require the prior consent and approval of the commission.*
- (5) *If an electric utility defaults on any required remittance of securitized surcharges arising from securitized property specified in a financing order, a court, upon application by an interested party and without limiting any other remedies available to the applying party, shall order the sequestration and payment of the revenues arising from the securitized property to the financing parties, their successors, or assignees. The financing order shall remain in full force and effect notwithstanding any reorganization, bankruptcy, or other insolvency proceedings with respect to the electric utility, its successors, or assignees.*
- (6) *The interest of a transferee, purchaser, acquirer, assignee, or pledgee in securitized property specified in a financing order issued to an electric utility, and in the revenue and collections arising from that property, shall not be subject to setoff, counterclaim, surcharge, or defense by:*
- (a) *The electric utility; or*
 - (b) *Any other person in connection with the reorganization, bankruptcy, or other insolvency of the electric utility or of any other entity.*
- (7) *Any successor to an electric utility, whether pursuant to any reorganization, bankruptcy, or other insolvency proceeding, any merger or acquisition, sale or other business combination, transfer by operation of law as a result of the electric utility restructuring or otherwise, shall perform and satisfy all obligations of, and have the same rights under a financing order as, the electric utility under the financing order in the same manner and to the same extent as the electric utility, including collecting and paying to the person entitled to receive the revenues, collections, payments, or proceeds of the securitized property. Nothing in Sections 1 to 15 of this Act shall limit or impair any authority of the commission concerning the transfer or succession of interests of electric utilities.*
- (8) *Securitized bonds shall be nonrecourse to the credit or any assets of the electric utility other than the securitized property as specified in the financing order and any rights under any ancillary agreement.*
- ➔SECTION 9. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:
- (1) *The creation, perfection, priority, and enforcement of any security interest or lien in securitized property to secure the repayment of the principal and interest and other amounts payable in respect of securitized bonds, amounts payable under any ancillary agreement, and other financing costs are governed by Sections 1 to 15 of this Act and not by the provisions of the code or other law, except as otherwise provided in Sections 1 to 15 of this Act.*
- (2) *A security interest in securitized property is created, valid, and binding when the last of all the following actions has occurred:*
- (a) *The financing order is issued;*
 - (b) *A security agreement is executed and delivered by the debtor granting the security interest;*
 - (c) *The debtor has rights to the securitized property or the power to transfer rights in the securitized property; or*
 - (d) *The value is received for the grant of the security interest in the securitized property.*
- (3) *A description of securitized property in a security agreement shall be sufficient if the description refers to Sections 1 to 15 of this Act and the financing order creating the securitized property. A security interest shall attach as provided in this section without any physical delivery of collateral or other act.*

- (4) *Upon the filing of a financing statement with the Office of the Secretary of State as provided in this section, a security interest in securitized property shall be perfected against all parties having claims of any kind in tort, contract, or otherwise against the person granting the security interest, and regardless of whether the parties have notice of the security interest. Without limiting the foregoing, upon the time of filing a security interest in securitized property shall be perfected against all claims of lien creditors, and shall have priority over all competing security interests and other claims other than any security interest previously perfected in accordance with this section.*
- (5) *The priority of a security interest in securitized property shall not be affected by the commingling of securitized surcharges with other amounts. Any pledgee or secured party shall have a perfected security interest in the amount of all securitized surcharges that are deposited in any cash or deposit account of the qualifying electric utility where securitized surcharges have been commingled with other funds, and any other security interest that may apply to those funds shall be terminated when the funds are transferred to a segregated account for the assignee or a financing party.*
- (6) *No application of the formula-based true-up mechanism as provided in Sections 1 to 15 of this Act shall affect the validity, perfection, or priority of a security interest in or a transfer of securitized property.*
- (7) *If a default occurs of the securitized bonds that are secured by a security interest in the securitized property, the financing parties or their representatives may exercise the rights and remedies available to a secured party under the code, including the rights and remedies available under Article 9, Part 6 of the code. The commission also may order amounts arising from securitized charges be transferred to a separate account for the benefit of the financing party, to which their lien and security interest shall apply. On application by or on behalf of the financing parties, the Circuit Court for the county or city in which the electric utility's headquarters is located shall order the sequestration and payment of revenues arising from the securitized charges to the financing parties.*

➔SECTION 10. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *Any sale, assignment, or other transfer of securitized property shall be an absolute transfer and true sale of, and not a pledge of or secured transaction relating to the seller's right, title, and interest in, to, and under the securitized property if the documents governing the transaction expressly state that the transaction is a sale or other absolute transfer other than for federal and state income tax purposes.*
- (2) *For all purposes other than federal and state income tax purposes, the parties' characterization of a transaction as a sale of an interest in securitized property shall be conclusive that the transaction is a true sale and that ownership has passed to the party characterized as the purchaser, regardless of whether the purchaser has possession of any documents evidencing or pertaining to the interest. A sale or similar outright transfer of an interest in securitized property may occur only when all the following actions have occurred:*

- (a) *The financing order creating the securitized property has become effective;*
- (b) *The documents evidencing the transfer of securitized property have been executed by the assignor and delivered to the assignee; and*
- (c) *Value is received for the securitized property.*

The securitized property shall not be subject to any claims of the transferor or the transferor's creditors, other than creditors holding a prior security interest in the securitized property perfected in accordance with this section.

- (3) *The characterization of the sale, assignment, or other transfer as an absolute transfer and true sale and the corresponding characterization of the property interest of the purchaser shall not be affected or impaired by the occurrence of any of the following factors:*
- (a) *Commingling of securitized charges with other amounts;*
- (b) *The retention by the seller of:*
1. *A partial or residual interest, including an equity interest in the securitized property, whether direct or indirect, or whether subordinate or otherwise; or*
 2. *The right to recover costs associated with taxes, franchise fees, or license fees imposed on the collection of securitized charges;*
- (c) *Any recourse that the purchaser may have against the seller;*

- (d) *Any indemnification rights, obligations, or repurchase rights made or provided by the seller;*
 - (e) *The obligation of the seller to collect securitized surcharges on behalf of an assignee;*
 - (f) *The transferor acting as the servicer of the securitized surcharges or the existence of any contract that authorizes or requires the electric utility, to the extent that any interest in securitized property is sold or assigned, to contract with the assignee or any financing party that it will:

 - 1. *Continue to operate its system to provide service to its customers;*
 - 2. *Collect amounts in respect of the securitized surcharges for the benefit and account of the assignee or financing party; and*
 - 3. *Account for and remit required amounts to or for the account of the assignee or financing party;**
 - (g) *The treatment of the sale, conveyance, assignment, or other transfer for tax, financial reporting, or other purposes;*
 - (h) *The granting or providing to bondholders a preferred right to the securitized property or credit enhancement by the electric utility or its affiliates with respect to the securitized bonds; or*
 - (i) *Any application of the formula-based true-up mechanism as provided in Sections 1 to 15 of this Act.*
- (4) *Any right that an electric utility has in the securitized property before its pledge, sale, or transfer, or any other right created under Sections 1 to 15 of this Act, created in the financing order and assignable under Sections 1 to 15 of this Act, or assignable pursuant to a financing order is property in the form of a contract right or a right to sue. Transfer of an interest of securitized property to an assignee shall be enforceable only upon the later of:*
- (a) *The issuance of a financing order;*
 - (b) *The assignor having rights in the securitized property or the power to transfer rights in the securitized property to an assignee;*
 - (c) *The execution and delivery by the assignor of transfer documents in connection with the issuance of securitized bonds; and*
 - (d) *The receipt of value for the securitized property.*

An enforceable transfer of an interest in securitized property to an assignee is perfected against all third parties, including subsequent judicial or other lien creditors, when a notice of that transfer has been given by the filing of a financing statement in accordance with Section 12 of this Act. After the transaction and filing, the transfer of the securitized property shall be absolute and shall be made free and clear of, and not subject to, competing claims of the creditors of the transferor, regardless of whether or not the competing claims are supported by any prior security interest or lien, other than prior claims or security interests in the securitized property perfected in accordance with this section.

➔SECTION 11. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *The priority of transfer perfected under Sections 9 to 12 of this Act shall not be impaired by any later modification of the financing order or securitized property or by the commingling of funds arising from securitized property with other funds. Any other security interest that may apply to those funds, other than a security interest perfected under Sections 9 and 10 of this Act and this section is terminated when those funds are transferred to a segregated account for the assignee or a financing party. If securitized property has been transferred to an assignee or financing party, any proceeds of that property shall be held in trust for the assignee or financing party.*
- (2) *The priority of the conflicting interest of assignees in the same interest or rights in any securitized property shall be determined as follows:

 - (a) *Conflicting perfected interests or rights of assignees rank according to priority in time of perfection. Priority dates from the time of filing covering the transfer shall be made in accordance with Section 12 of this Act;*
 - (b) *A perfected interest or right of an assignee has priority over a conflicting unperfected interest or right of an assignee; and**

- (c) *A perfected interest or right of an assignee has priority over a person who becomes a lien creditor after the perfection of the assignee's interest or right.*
- (3) *The description of securitized property being transferred to an assignee in any sale agreement, purchase agreement, or other transfer agreement, granted or pledged to a pledgee in any security agreement, pledge agreement, or other security document, or indicated in any financing statement shall be sufficient only if the description or indication:*
- (a) *Refers to the financing order that created the securitized property; and*
- (b) *States that the agreement or financing statement covers all or part of the property described in the financing order.*
- (4) *Sections 1 to 15 of this Act shall apply to all purported transfers of, and all purported grants, liens, or security interests in, securitized property, regardless of whether the related sale agreement, purchase agreement, or transfer agreement, security agreement, pledge agreement, or other security document was entered into, or any financing statement was filed.*

➔SECTION 12. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *The Secretary of State shall maintain any financing statement filed to perfect a sale or other transfer of securitized property and any security interest in securitized property under Sections 1 to 15 of this Act in the same manner that the Secretary of State maintains financing statements filed under the code to perfect a security interest in collateral owned by a transmitting utility.*
- (2) *Except as otherwise provided in this section, all financing statements filed pursuant to this section shall be governed by the provisions regarding financing statements and the filing thereof under the code, including Article 9, Part 5 of the code. A security interest in securitized property may be perfected only by the filing of a financing statement in accordance with this section, and no other method of perfection shall be effective. Notwithstanding any provision of the code to the contrary, a financing statement filed pursuant to this section shall be effective until a termination statement is filed under the code, and no continuation statement shall need to be filed to maintain its effectiveness.*
- (3) *A financing statement filed pursuant to this section may indicate that the debtor is a transmitting utility, and without regard to whether the debtor is an electric utility, an assignee, or otherwise qualifies as a transmitting utility under the code, but the failure to make a transmitting utility's indication shall not impair the duration and effectiveness of the financing statement.*

➔SECTION 13. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *The laws of the Commonwealth shall govern the validity, enforceability, attachment, perfection, priority, and exercise of remedies with respect to the transfer of an interest or right or the pledge or creation of a security interest in any securitized property.*
- (2) *Neither the Commonwealth nor its political subdivisions shall be liable on any securitized bonds. The bonds shall not be a:*
- (a) *Debt or a general obligation of the Commonwealth or any of its political subdivisions, agencies, or instrumentalities; or*
- (b) *Special obligations or indebtedness of the Commonwealth or any of its political subdivisions, agencies, or instrumentalities.*
- (3) *An issue of securitized bonds shall not directly, indirectly, or contingently, obligate the Commonwealth or any agency, political subdivision, or instrumentality of the Commonwealth to levy any tax or make any appropriation for payment of the securitized bonds, other than in their capacity as consumers of electricity. All securitized bonds shall contain on their face a statement to the following effect: "Neither the full faith and credit nor the taxing power of the Commonwealth of Kentucky is pledged to the payment of the principal of, or interest on, this bond."*

➔SECTION 14. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *All of the following entities may legally invest any sinking funds, moneys, or other funds, in securitized bonds:*

- (2) *Any determination of the commission made in connection with any financing order and any financing order of the commission issued pursuant to this subsection shall be a binding, irrevocable, and final order of the commission, and binding on the commission and the Commonwealth. The Commonwealth and its agencies, including the commission, pledge and agree with bondholders, the owners of the securitized property, and other financing parties that the Commonwealth and its agencies shall not undertake any of the prohibited actions listed in this subsection. This subsection shall not preclude limitation or alteration, if full compensation is made by law for the full protection of the securitized surcharges collected pursuant to a financing order and of the bondholders, any assignee, or financing party entering into a contract with the electric utility. The Commonwealth and its agencies, including the commission, shall not:*
- (a) *Alter the provisions of Sections 1 to 15 of this Act which authorize the commission to create an irrevocable contract right or right to sue by the issuance of a financing order creating securitized property, making the securitized surcharges imposed by a financing order irrevocable, binding, or affecting the nonbypassable charges for all existing and future retail customers of the electric utility;*
 - (b) *Take or permit any action that impairs or would impair the value of securitized property or the security for the securitized bonds or revises the securitized costs for which recovery is authorized;*
 - (c) *In any way impair the rights and remedies of the bondholders, assignees, and other financing parties; and*
 - (d) *Except for changes made pursuant to the formula-based true-up mechanism authorized under Section 5 of this Act, reduce, alter, or impair securitized surcharges that are to be imposed, billed, charge, collected, and remitted for the benefit of the bondholders, any assignee, and any other financing parties until any and all principal, interest, premium, financing costs, and other fees, expenses, or charges incurred, and any contracts to be performed, in connection with the related securitized bonds have been paid and performed in full.*
- (3) *Any person or entity that issues securitized bonds may include the language specified in this subsection in the securitized bonds and related documentation.*

➔SECTION 15. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

- (1) *An assignee or financing party shall not be deemed an electric utility or person providing electric service by virtue of engaging in the transactions described in Sections 1 to 15 of this Act.*
- (2) *If there is a conflict between any of the provisions of Sections 1 to 15 of this Act and any other law regarding the attachment, assignment, perfection or the effect of perfection, priority of, assignment, or transfer of, or security interest in securitized property, the provisions of Sections 1 to 15 of this Act shall govern.*
- (3) *If any provision of Sections 1 to 15 is held invalid or is invalidated, superseded, replaced, repealed, or expires for any reason:*
 - (a) *The occurrence does not affect the validity of any action allowed under Sections 1 to 15 of this Act which is taken by an electric utility, assignee, financing party, collection agent, or party to an ancillary agreement; and*
 - (b) *All actions remain in full force and effect with respect to all securitized bonds issued or authorized in a financing order issued under Sections 1 to 15 of this Act before the date the provision is held invalid or is invalidated, superseded, replaced, repealed, or expires for any reason.*

- ~~(13)~~~~(12)~~ The jurisprudence examination shall be prescribed by the board and be conducted on the licensing requirements under this chapter and board regulations and requirements applicable to advanced practice registered nursing in this Commonwealth.  2. *An advanced practice registered nurse who has fewer than four (4) years of prescribing authority with a CAPA-CS and who wishes to prescribe controlled substances without a CAPA-CS shall complete the required number of years under the then-current CAPA-CS to reach four (4) years and shall submit, via the APRN update portal, a request for review from the Kentucky Board of Nursing that the advanced practice registered nurse's license is in good standing. However, if the then current CAPA-CS expires or is rescinded prior to the end of the four (4) year term, a new CAPA-CS shall be required and subject to the provisions of this section;*

- (e) *If the advanced practice registered nurse's license is found to be in good standing, the advanced practice registered nurse shall be notified by the board in writing that a CAPA-CS is no longer required. The advanced practice registered nurse shall not be required to maintain a CAPA-CS as a condition to prescribe controlled substances unless the board later imposes such a requirement as part of an action instituted under KRS 314.091(1). An advanced practice registered nurse may choose to maintain a CAPA-CS indefinitely after the determination of good standing has been made. An advanced practice registered nurse who chooses to prescribe without a CAPA-CS shall be held to the same standard of care as all other providers with prescriptive authority.*

- (2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which the wages are paid.
- (3) If wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of wages by the employer during the calendar year, or the date of commencement of employment with the employer during the year, or January 1 of the year, whichever is the later.
- (4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.
- (5) The tables mentioned in subsection (1) of this section shall consider the standard deduction.
- (6) The department may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation produces substantially the same result as set forth in the tables authorized by KRS 141.370. Prior approval of the calculation shall be secured from the department at least thirty (30) days before the first payroll period for which it is to be used.
- (7) The department may, by administrative regulations, authorize employers:
 - (a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;
 - (b) To determine the amount to be deducted and withheld upon each payment of wages to the employee during the quarter as if the appropriate average of the wages estimated constituted the actual wages paid; and
 - (c) To deduct and withhold upon any payment of wages to the employee during the quarter the amount necessary to adjust the amount actually deducted and withheld upon the wages of the employee during the quarter to the amount that would be required to be deducted and withheld during the quarter if the payroll period of the employee was quarterly.

- (8) The department may provide by regulation, under the conditions and to the extent it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to the additional withholding. CHAPTER 76

(HB 538)

AN ACT relating to discipline of students.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 158.150 is amended to read as follows:

- (1) All *students*~~[pupils]~~ admitted to the common schools shall comply with the lawful regulations for the government of the schools:
 - (a) Willful disobedience or defiance of the authority of the teachers or administrators, use of profanity or vulgarity, assault or battery or abuse of other students, the threat of force or violence, the use or possession of alcohol or drugs, stealing or destruction or defacing of school property or personal property of students, the carrying or use of weapons or dangerous instruments, or other incorrigible bad

conduct on school property, as well as off school property at school-sponsored activities, constitutes cause for suspension or expulsion from school; and

- (b) Assault or battery or abuse of school personnel; stealing or willfully or wantonly defacing, destroying, or damaging the personal property of school personnel on school property, off school property, or at school-sponsored activities constitutes cause for suspension or expulsion from school.
- (2) (a) Each local board of education shall adopt a policy requiring the expulsion from school for a period of ***at least twelve (12) months***~~[not less than one (1) year]~~ for a student who:
- 1. ***Is determined by the board through clear and convincing evidence to have made threats that pose a danger to the well-being of students, faculty, or staff of the district; or***
 - 2. Is determined by the board to have brought a weapon to a school under its jurisdiction. In determining whether a student has brought a weapon to school, a local board of education shall use the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.
- (b) The board shall also adopt a policy requiring disciplinary actions, up to and including expulsion from school, for a student who is determined by the board to have:
- 1. Possessed prescription drugs or controlled substances for the purpose of sale or distribution at a school under the board's jurisdiction;~~[-, or to have]~~
 - 2. Physically assaulted or battered or abused educational personnel or other students at a school or school function under the board's jurisdiction; ***or***
 - 3. ***Physically assaulted, battered, or abused educational personnel or other students off school property and the incident is likely to substantially disrupt the educational process.***
- (3) (a) The board may modify the expulsion requirement ***and length*** for students on a case-by-case basis, ***except the length of expulsion shall be at least twelve (12) months for a violation set forth in subsection (2)(a) of this section.***
- (b) ***Nothing in this section shall prohibit a board from expelling a student for longer than twelve (12) months.***
- (c) A board that has expelled a student from the student's regular school setting shall provide or ***ensure***~~[assure]~~ that educational services are provided to the student in an appropriate alternative program or setting, unless the board has made a determination, on the record, supported by clear and convincing evidence, that the expelled student posed a threat to the safety of other students or school staff and could not be placed into a state-funded agency program. Behavior which constitutes a threat shall include but not be limited to the physical assault, battery, or abuse of others; the threat of physical force; being under the influence of drugs or alcohol; the use, possession, sale, or transfer of drugs or alcohol; the carrying, possessing, or transfer of weapons or dangerous instruments; and any other behavior which may endanger the safety of others. Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost.
- (d)
- 1. ***In lieu of expelling a student, or upon the expiration of a student's expulsion, a superintendent may place a student into an alternative program or setting if the superintendent determines placement of the student in his or her regular school setting is likely to substantially disrupt the education process or constitutes a threat to the safety of other students or school staff. The action shall not be taken until the parent, guardian, or other person having legal custody or control of the student has had an opportunity to have a hearing before the board or an appeals committee as described in subparagraph 2. of this paragraph.***
 - 2. ***The board may adopt a policy to establish an appeals committee and delegate the authority to hear appeals made under this paragraph to that committee.***
 - 3. ***The alternative program or setting may be provided virtually.***
 - 4. ***Notwithstanding any other statute or administrative regulation to the contrary, students placed in an alternative program or setting under this paragraph shall be counted in attendance and membership for state funding purposes in the same manner as other students participating in alternative programs of the district.***

5. *Students placed in an alternative program or setting under this paragraph shall be subject to compulsory attendance requirements under KRS Chapter 159 and applicable local board policy.*
6. *Following the initial alternative placement of a student under this paragraph, the board shall review the alternative program or setting placement at least once per year and determine if the placement should be continued in accordance with subparagraph 1. of this paragraph.*

~~(4)~~~~(3)~~ For purposes of this subsection, "charges" means substantiated behavior that falls within the grounds for suspension or expulsion enumerated in subsection (1) of this section, including behavior committed by a student while enrolled in a private or public school, or in a school within another state. A school board may adopt a policy providing that, if a student is suspended or expelled for any reason or faces charges that may lead to suspension or expulsion but withdraws prior to a hearing from any public or private school in this or any other state, the receiving district may review the details of the charges, suspension, or expulsion and determine if the student will be admitted, and if so, what conditions may be imposed upon the admission, *which may include placement of the student into an alternative program or setting as described in subsection (3)(d) of this section.*

~~(5)~~~~(4)~~ (a) School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur. Each board of education shall adopt a policy to assure the implementation of this section and to assure the safety of the students and staff.

(b) *Except as described in subsection (10) of this section:*

1. *A principal may establish procedures for a student's removal from and reentry to the classroom when the student's behavior disrupts the classroom environment and education process or the student challenges the authority of a supervising adult. In addition to removal, the student shall be subject to further discipline for the behavior consistent with the school's code of conduct.*
2. *A student who is removed from the same classroom three (3) times within a thirty (30) day period shall be considered chronically disruptive and may be suspended from school in accordance with this section, and no other basis for suspension shall be deemed necessary.*
3. *At any time during the school year, for a student who has been removed from the classroom under this paragraph, a principal may require a review of the classroom issues with the teacher and the parent, guardian, or other person having legal custody or control of the student and determine a course of action for the teacher and student regarding the student's continued placement in the classroom.*
4. *At any time during the school year, a principal may permanently remove a student from a classroom for the remainder of the school year if the principal determines the student's continued placement in the classroom will chronically disrupt the education process for other students.*
5. *When a student is removed from a classroom under this paragraph temporarily or permanently, the principal shall determine the placement of the student in lieu of that classroom, which may include but is not limited to:*
 - a. *Another classroom in that school; or*
 - b. *An alternative program or setting, which may be provided virtually, as approved by the superintendent.*
6. *Any permanent action by a principal under this paragraph shall be subject to an appeal process in accordance with a policy adopted by the board.*
7. *Policies compliant with this paragraph shall be included in the code of behavior and discipline adopted by the board of education under KRS 158.148 and the policies adopted by the school council under KRS 160.345.*

~~(6)~~~~(5)~~ A ~~student~~~~[pup]~~ shall not be suspended from the common schools until after at least the following due process procedures have been provided:

- (a) The *student*~~[pupil]~~ has been given oral or written notice of the charge or charges against him *or her* which constitute cause for suspension;
- (b) The *student*~~[pupil]~~ has been given an explanation of the evidence of the charge or charges if the *student*~~[pupil]~~ denies them; and
- (c) The *student*~~[pupil]~~ has been given an opportunity to present his *or her* own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

~~(7)(6)~~ (a) The superintendent, principal, assistant principal, or head teacher of any school may suspend a *student*~~[pupil]~~ but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or control of the *student*~~[pupil]~~.

(b) 1. The board of education of any school district may expel *or extend the expulsion of* any *student*~~[pupil]~~ for misconduct as *described*~~[defined]~~ in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the *student*~~[pupil]~~ has had an opportunity to have a hearing before the board. The decision of the board shall be final.

2. *Within thirty (30) days prior to the end of a student's expulsion, the board shall review the details of the expulsion and current factors and circumstances, including if ending the expulsion will substantially disrupt the education process or constitute a threat to the safety of students or school staff, to determine if the expulsion shall be extended for a period not to exceed twelve (12) months.*

3. *The expulsion review process shall be used prior to the end of each expulsion period until the board ends the expulsion or the student is no longer subject to compulsory attendance under KRS 159.010.*

4. *Each board of education shall adopt a policy for implementation of the process described in this paragraph.*

~~(8)(7)~~ (a) Suspension of exceptional children, as defined in KRS 157.200, shall be considered a change of educational placement if:

- 1. The child is removed for more than ten (10) consecutive days during a school year; or
- 2. The child is subjected to a series of removals that constitute a pattern because the removals accumulate to more than ten (10) school days during a school year and because of other factors, such as the length of each removal, the total amount of time the child is removed, and the proximity of removals to one another.

(b) The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.

(c) If the admissions and release committee determines that an exceptional child's behavior is related to his *or her* disability, the child shall not be suspended any further or expelled unless the current placement could result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion and during a suspension after a student is suspended for more than a total of ten (10) days during a school year. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

~~(9)(8)~~ Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.

- ~~(10)(9)~~ Any action under this section related to students with disabilities shall be in compliance with applicable federal law.
- (11) *Nothing in this section shall be interpreted or construed to preclude the requirements contained in KRS 158.305 or 158.4416.*

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. - (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.

- (11) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.
- (12) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- (13)

 - (b) Convicted of a series of Class D felony violations of one (1) or more statutes enumerated in paragraph (a) of this subsection arising from a single incident;
 - (c) Granted a full pardon; or
 - (d) Convicted of a Class D felony, or an offense prior to January 1, 1975 which was punishable by not more than five (5) years' incarceration, which was not a violation of KRS 189A.010, 508.032, or 519.055, abuse of public office, a sex offense, or an offense committed against a child, and did not result in serious bodily injury or death; or of ~~multiple~~ ~~[a series of]~~ felony offenses eligible under this paragraph;
- may file with the court in which he or she was convicted an application to have the judgment vacated. The application shall be filed as a motion in the original criminal case. The person shall be informed of the right at the time of adjudication.
- (2) (a) A verified application to have the judgment vacated under this section shall be filed no sooner than five (5) years after the completion of the person's sentence, or five (5) years after the successful completion of the person's probation or parole, whichever occurs later.
- (b) Upon the payment of the filing fee and the filing of the application, the Circuit Court clerk shall serve a notice of filing upon the office of the Commonwealth's attorney or county attorney that prosecuted the case and the county attorney of the county where the judgment was entered. The office of the Commonwealth's attorney or county attorney that prosecuted the case shall file a response within sixty (60) days after being served with the notice of filing. That time period may be extended for good cause, but the hearing on the application to vacate the judgment shall occur no later than one hundred twenty (120) days following the filing of the application. The inability to determine the location of the crime victim shall constitute good cause for an extension of time. No hearing upon the merits of the application shall be scheduled until the Commonwealth's response has been filed, or if no response is received, no later than one hundred twenty (120) days after the filing of the application.
- (c) In any case in which the Commonwealth objects that the application is grossly incomplete, the court shall order the person or agency originating the application to supplement the application.
- (3) Upon the filing of the Commonwealth's response to an application, or if no response is received, no later than one hundred twenty (120) days after the filing of the application, the court shall set a date for a hearing and the Circuit Court clerk shall notify the office of the Commonwealth's attorney or county attorney that prosecuted the case. The office of the Commonwealth's attorney or county attorney that prosecuted the case shall notify the victim of the crime, if there was an identified victim. The Commonwealth's attorney or county attorney shall be authorized to obtain without payment of any fee information from the Transportation Cabinet regarding the crime victim's address on file regarding any vehicle operator's license issued to that person.
- (4) (a) In an application pursuant to subsection (1)(d) of this section, upon the filing of the Commonwealth's response objecting to the vacating of a judgment and expungement of a record, the court shall schedule a hearing within one hundred twenty (120) days of the Commonwealth's response. The prosecutor shall specify in the objection the reasons for believing a denial of the application is justified. At the hearing at which the applicant or his or her attorney must be present, the applicant must prove by clear and convincing evidence that:
1. Vacating the judgment and expunging the record is consistent with the welfare and safety of the public;

2. The action is supported by his or her behavior since the conviction or convictions, as evidenced that he or she has been active in rehabilitative activities in prison and is living a law-abiding life since release;
 3. The vacation and expungement is warranted by the interests of justice; and
 4. Any other matter deemed appropriate or necessary by the court to make a determination regarding the petition for expungement is met.
- (b) At the hearing, the applicant may testify as to the specific adverse consequences he or she may be subject to if the application is denied. The court may hear testimony of witnesses and any other matter the court deems proper and relevant to its determination regarding the application. The Commonwealth may present proof of any extraordinary circumstances that exist to deny the application. A victim of any offense listed in the application shall have an opportunity to be heard at any hearing held under this section.
- (c) If the court determines that circumstances warrant vacation and expungement and that the harm otherwise resulting to the applicant clearly outweighs the public interest in the criminal history record information being publicly available, then the original conviction or convictions shall be vacated and the records shall be expunged. The order of expungement shall not preclude a prosecutor's office from retaining a nonpublic record for law enforcement purposes only.
- (5) The court may order the judgment vacated, and if the judgment is vacated the court shall dismiss with prejudice any charges which are eligible for expungement under subsection (1) of this section or KRS 431.076 or 431.078, and, upon full payment of the fee in subsection (11) of this section, order expunged all records in the custody of the court and any records in the custody of any other agency or official, including law enforcement records, if the court finds that:
- (a) ~~{The person had not, after June 27, 2019, had a felony conviction vacated and the record expunged pursuant to this section;~~
 - ~~(b) —~~ {The person had not in the five (5) years prior to the filing of the application to have the judgment vacated been convicted of a felony or a misdemeanor;
 - ~~(b){(c)}~~ No proceeding concerning a felony or misdemeanor is pending or being instituted against the person; and
 - ~~(c){(d)}~~ For an application pursuant to subsection (1)(d) of this section, the person has been rehabilitated and poses no significant threat of recidivism.
- (6) If the court has received a response from the office of the Commonwealth's attorney or county attorney that prosecuted the case stating no objection to the application to have the judgment vacated, or if one hundred twenty (120) days have elapsed since the filing of the application and no response has been received from the victim or the office of the Commonwealth's attorney or county attorney that prosecuted the case, the court may, without a hearing, vacate the judgment in the manner established in subsection (5) of this section.
- (7) Upon entry of an order vacating and expunging a conviction, the original conviction shall be vacated and, upon full payment of the fee in subsection (11) of this section, the record shall be expunged. The court and other agencies shall cause records to be deleted or removed from their computer systems so that the matter shall not appear on official state-performed background checks. The court and other agencies shall reply to any inquiry that no record exists on the matter. The person whose record is expunged shall not have to disclose the fact of the record or any matter relating thereto on an application for employment, credit, or other type of application. If the person is not prohibited from voting for any other reason, the person's ability to vote shall be restored and the person may register to vote.
- (8) An order vacating a conviction under this section shall not extend or revive an expired statute of limitations, shall not constitute a finding of legal error regarding the proceedings leading to or resulting in the conviction, shall not nullify any findings of fact or conclusions of law made by the trial court or any appellate court regarding the conviction, and shall not constitute a finding of innocence regarding the conviction.
- (9) The Administrative Office of the Courts shall establish a form application to be used in filing an application to have judgment vacated and records expunged.
- (10) The filing fee for an application to have judgment vacated and records expunged shall be fifty dollars (\$50), which shall be deposited into a trust and agency account for deputy clerks and shall not be refundable.

- (11) (a) Upon the issuance of an order vacating and expunging a conviction pursuant to this section, the applicant shall be charged an expungement fee of two hundred fifty dollars (\$250), which may be payable by an installment plan in accordance with KRS 534.020.
- (b) When the order is issued, the court shall set a date, no sooner than eighteen (18) months after the date of the order, by which the defendant must comply with the installment payment plan. The applicant shall be given notice of the total amount due, the payment frequency, and the date by which all payments must be made. The notice shall state that the expungement cannot be completed until full payment is received, and that if the applicant has not completed the installment payment plan by the scheduled date, he or she shall appear on that date to show good cause as to why he or she is unable to satisfy the obligations. Notwithstanding provisions of KRS 534.020 to the contrary, no applicant shall be ordered to jail for failure to complete an installment plan ordered pursuant to this section.
- (c) The revenues and interest from the expungement fee shall be deposited in the expungement fund created in KRS 431.0795.

(12) This section shall be retroactive.

➔Section 2. KRS 610.330 is amended to read as follows:

- (1) (a) Any child who has been adjudicated as coming within the purview of KRS Chapter 630, 635, or 645, but not KRS Chapter 620 or 640, may petition the court for the expungement of offenses from his or her juvenile court record. He or she shall be informed of such right at the time of adjudication.
- (b) The court on its own motion, or on the motion of a probation officer of the court, a representative of the Department of Juvenile Justice or the cabinet, or any other interested person, may initiate expungement proceedings concerning the record of any child who has been under the jurisdiction of the court.
- (c) Expungement shall not be granted if:
1. There are any proceedings pending or being instituted against the child;
 2. The offense is a sex crime, as defined in KRS 17.500; or
 3. The offense would classify a person as a violent offender under KRS 439.3401.
- (2) A petition may seek the expungement from the juvenile court record of ***any status offenses, or any public offenses which would be felonies, misdemeanors, or violations if committed by an adult***;
- ~~(a) Misdemeanors, violations, or status offenses;~~
- ~~(b) A single felony; or~~
- ~~(c) A series of felonies arising from a single incident.~~
- (3) The petition shall be filed or the court order entered no sooner than two (2) years after the date of termination of the court's jurisdiction over the person, or two (2) years after his or her unconditional release from commitment to the Department of Juvenile Justice or the Cabinet for Health and Family Services or a public or private agency, except that the two (2) year period may be waived if the court finds that such extraordinary circumstances exist with regard to the petitioner as to make the waiver advisable.
- (4) Upon the filing of a petition or entering of a court order, the court shall set a date for a hearing and shall notify the county attorney and anyone else whom the court or the child, his or her parents, relatives, guardian, or custodian has reason to believe may have relevant information related to the expungement of the record.
- (5) The court may order the adjudication vacated and all records expunged in the petitioner's case in the custody of the court and any of these records in the custody of any other agency or official, including law enforcement and public or private elementary and secondary school records, unless at the hearing the county attorney establishes that the child or offense is ineligible for expungement under subsections (1) to (4) of this section.
- (6) Upon the entry of an order to expunge the records, the proceedings in the case shall be deemed never to have occurred and all index references shall be deleted and the person and court may properly reply that no record exists with respect to such person upon any inquiry in the matter. The person whose record is expunged shall not have to disclose the fact of the record or any matter relating thereto on an application for employment, credit, or other type of application.

- (7) If a court dismisses a petition against a child or finds a child not delinquent in a juvenile proceeding, the court shall concurrently order the record of the proceeding expunged. The order expunging the proceedings shall not require any action by the child.
- (8) Copies of the order shall be sent to each agency or official named therein.
- (9) Inspection of the records included in the order may thereafter be permitted by the court only upon petition by the person who is the subject of such records, and only to those persons named in such petition.
