The Attorney General may request the registry's attorney or the appropriate county or Commonwealth's attorney to prosecute the matter and may request from the registry all evidence collected in its investigation. In the event the Attorney General or the appropriate local prosecutor fails to prosecute in a timely fashion, the registry may petition the Circuit Court to appoint the registry's attorney to prosecute, and upon a motion timely filed, for good cause shown, the court shall enter an order to that effect. Such registration shall be on forms provided by the Attorney General.
- (2) Every person engaged in the sale of a mausoleum crypt, underground crypt or columbarium niche shall commence construction thereof within twenty-four (24) months of the date of such sale and shall complete such construction within sixty (60) months of the date of such sale. A delay caused by strike, national emergency, shortage of materials, civil disorder, natural disaster or any like occurrence beyond the control of such person shall extend the time of such commencement and completion by the length of such delay. This subsection shall not apply to the sale of mausoleum crypts, underground crypts or columbarium niches if there has been any sale in the same project prior to July 13, 1984. Prior projects shall have commenced construction

thereof within thirty-six (36) months of the date of such sale and shall complete construction within seventy-two (72) months of the date of such sale.

- (3) Every person who plans to offer for sale space in a section of a mausoleum or bank of underground crypts prior to its construction shall establish a preconstruction trust account. The trust account shall be administered and operated in the same manner as the merchandise trust account provided for in this chapter and shall be exclusive of the merchandise trust account or such other trust accounts or funds that may be required by law.
- (4) Every person shall place thirty-six percent (36%), not including interest or finance charges, of all payments of money made to any person pursuant to any agreement, contract or any series or combination of agreements or contracts which are for the purchase of sections in a mausoleum, columbarium, or any kind of underground crypt which at the time of the payment of money have not been completely and totally constructed, in a trust fund account in a financial institution within thirty (30) days after each calendar quarter of operations. Excepted therefrom, however, are persons who have constructed in the past their own mausoleum using primarily equipment owned by the self-constructing person and their own personnel with a minimum of subcontracting, and in that event there shall be deposited a minimum of twenty percent (20%) of all payments of money, subject, however, to the actual cost. If, from project to project, their actual cost is in excess of twenty percent (20%), the full cost percentage shall be deposited from project to project, not to exceed thirty-six percent (36%). At the time of notification to the Attorney General's office the self-constructing mausoleum person shall also notify the Attorney General that he intends to self-construct and the percentage of contribution of trust that is required.
- (5) All trust funds mentioned in this section shall be deposited in the name of the person depositing said funds, with the financial institution as trustee, and shall be held together with the interest, dividends, or accretions thereon, in trust, subject to the provisions of KRS 367.932 to 367.974 and 367.991. The person at the time of making deposit or investment shall furnish to the financial institution the name of each payor, and the amount of payment on each account for which the deposit or investment is being made.
- (6) Deposits to such funds and the amounts deposited may be commingled, but the accounting records shall establish a separate account for each prepaid contract and shall show amounts deposited and the income and loss occurring thereon with respect to each contract.
- (7) All payments made to the preconstruction trust fund account shall remain in the trust fund with the financial institution until the financial institution receives a certified statement from the depositor stating that the particular project for which the preconstruction trust fund has been established is totally completed. During the construction stage, trust funds may be withdrawn by presenting the trustee with appropriate evidence of expenditure for construction cost. The trustee shall thereupon disburse moneys from the trust fund to pay for the expenses of construction presented for payment.
- (8) A trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of KRS 367.932 to 367.974 and 367.991, and shall not be liable to any person for such reliance.
- (9) If a mausoleum section or bank of underground crypts is not completed within the time limits set out in KRS 367.932 to 367.974 and 367.991, the financial institution acting as trustee, if any, may contract for and cause said project to be completed and paid therefor from the trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the depositor. In the event there is no corporate trustee, or the trustee chooses not to serve in the capacity to complete construction, the Attorney General shall appoint a committee to serve as trustees to trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the cemetery company.
- (10) If it is determined by the trustee after the expiration of the time of construction set out above that there is not enough money in the trust fund account to complete the project, the trustee shall make a refund of all moneys held to all purchasers, or his heirs or assigns, in the amount of the deposit to the credit of their particular contract and all income those funds have earned. The purchasers shall be entitled to receive any remainder of the purchase price paid from the depositor. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms.
- (11) If temporary entombment or inurnment is not used, upon written notification to the seller, the personal representative or any purchaser of such space who dies before completion of construction shall be entitled to a refund of all moneys paid into the preconstruction trust fund for such space, including any income earned thereon, and from the seller, the remainder of the purchase price paid.
- (12) In lieu of the trust fund deposits required herein, the person may post with the Attorney *General's Office* ~~General, Division~~ of Consumer Protection, a good and sufficient bond by a surety company licensed to

do business in Kentucky and in an amount sufficient to cover all payments made by or on account of purchasers who have not received the purchased property and services. This bond shall be held for the benefit of any purchaser, or his or her heir or assign or duly authorized representative, who suffers a loss of money paid for a preconstructed mausoleum crypt or niche or underground crypt after July 13, 1984, due to the insolvency of the registrant, or failure to construct within the time limits set out herein. If a bond is posted, the Attorney General's office shall receive sixty (60) days' written notice in the event of cancellation. On or before the cancellation date, the person shall comply with the trust fund requirements herein or post another good and sufficient bond.

- (13) Any person selling preconstruction mausoleum, columbarium or underground crypt contracts shall pay to the Attorney General five dollars (\$5) for each sale of said contract and all of which fees shall be remitted by the person collecting them to the Attorney General at least once each month, and such funds shall be used by the Attorney General in administering this chapter.

- (1) Except as provided in KRS 186A.555, a salvage title shall be obtained by the owner of a motor vehicle that meets the following definition of a salvage vehicle:
 - (a) A vehicle which has been wrecked, destroyed, or damaged, to the extent that the total estimated or actual cost of parts and labor to rebuild or reconstruct the vehicle to its preaccident condition and for legal operation on the roads or highways, not including the cost of parts and labor to reinstall a deployed airbag system, exceeds seventy-five percent (75%) of the retail value of the vehicle, as *prescribed by a nationally accepted used car valuation guide identified by the Department of Revenue by administrative regulation*~~{set forth in a current edition of the National Automobile Dealer's Association price guide}~~.
 - (b) The value of repair parts for purposes of this definition shall be determined by using the current published retail cost of the parts equal in kind and quality to the parts to be replaced or the actual retail cost of the repair parts used in repair.
 - (c) The labor costs of repairs for purposes of this section shall be computed by using the hourly labor rate and time allocations which are reasonable and customary in the automobile repair industry in the community where the repairs are performed.
 - (d) Airbag reinstallation costs which are excluded from the seventy-five percent (75%) computation as set forth in paragraph (a) of this subsection shall be included by an insurer in the computation of the total physical damage estimate according to the terms and conditions of individual policies, provided that the total costs payable by an insurer do not exceed the total retail value of the vehicle.
- (2) The owner or an authorized agent of a motor vehicle that meets the definition of a salvage vehicle as set forth in subsection (1) of this section shall, within fifteen (15) days from the receipt of all necessary paperwork required by this chapter, submit an application to the county clerk, on a form prescribed by the Department of Vehicle Regulation, for a salvage title, accompanied by a properly endorsed certificate of title and any lien satisfactions, if any appear, as may be required.

Salvage titles shall be construed as proof of ownership of a vehicle in a state as to be unusable upon the highways of the Commonwealth.
- (6) A vehicle shall not be issued a registration for highway use as long as a salvage title is in force. The only time a vehicle with a salvage title may be operated upon the highways of the Commonwealth is when it is in route to or from an inspection by the certified inspector prior to obtaining a certificate of title after having been rebuilt as per KRS 186.115.
- (7) Notwithstanding the provisions of KRS 369.103, when a salvage vehicle is transferred from an owner to an insurer, the following shall be exempted from the requirements of notarization, including exemption from the notarization of electronic signature requirements of KRS Chapter 423:

The clerk shall also enter into the Automated Motor Vehicle Registration System (AVIS) the information that the title has been branded in the clerk's office "Hail Damage". The county clerk shall be paid a fee of three dollars (\$3) to carry out the provisions of this subsection.

- (3) (a) A new vehicle, when first registered or titled in this state, shall be registered or titled in the name of the first owner for use rather than in the name of a dealer who held the vehicle for sale.
- (b) Except as otherwise provided in this chapter, a used vehicle not previously registered or titled in this state shall be registered or titled in the name of the first owner for use rather than in the name of a dealer who held the vehicle for resale.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 161.030 is amended to read as follows:

- (1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the *system of public schools*~~[common schools]~~, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. This information shall be available to help local school districts locate minority candidates. A person who holds a certificate prior to this requirement may request that ethnic information be added to his or her file. Nothing in this section shall preclude the right of an individual in a nonpublic school from seeking voluntary certification by the Education Professional Standards Board.
- (2) Certificates shall be issued upon written application and in accordance with statutes and regulations in effect at the time of application to persons who have completed, at colleges, universities, or local school district programs approved by the Education Professional Standards Board for the preparation of teachers and other school personnel, the curricula prescribed by the administrative regulations of the Education Professional Standards Board.
- (3)
 - (a) Certification of all new teachers and teachers seeking additional certification shall require the successful completion of appropriate assessments prior to certification. The assessments shall be selected by the Education Professional Standards Board and shall measure knowledge in the specific teaching field of the applicant, including content of the field and teaching of that content. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a *professional* certificate valid for *five (5) years*~~[one (1) year]~~ shall be issued.
 - (b) If an applicant for teacher certification has completed the approved teacher preparation program and has taken but failed to successfully complete the appropriate assessments selected by the Education Professional Standards Board, a conditional certificate may be issued for a period not to exceed one (1) year.~~[, if]~~ The employing school district, in collaboration with the teacher education institution, ~~shall agree to~~ provide technical assistance and mentoring support to the conditionally certified teacher. The teacher shall retake the assessments during the validity period of the conditional certificate. The conditional certificate shall not be reissued. Upon successful completion of the required assessments, a *professional* certificate valid for *five (5) years*~~[one (1) year]~~ shall be issued~~[and the teacher shall be eligible to participate in the internship program as provided in subsection (5) of this section. The teacher shall not be eligible to participate in the internship program while teaching on the conditional certificate]~~. The teacher shall take the assessments ~~[if they are administered]~~ during the period of the temporary certificate. ~~[The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments.]~~ If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester. ***If the teacher passes the assessments, a professional certificate valid for five (5) years shall be issued.***
- (4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. Provisions shall be made for persons having less than minimum levels of performance on any assessment to repeat that assessment, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The Education Professional Standards Board shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than two (2) years of teaching experience who are seeking initial certification in Kentucky.

3. An insurer required to file financial statements pursuant to this paragraph may satisfy the request by providing the commissioner with the most recently filed parent corporation financial statements that have been filed with the United States Securities and Exchange Commission;

- (4) (a) It shall not be necessary to disclose information on the registration statement filed pursuant to subsection (3) of this section if the information is not material for the purposes of this section.
 - (b) Unless the commissioner by administrative regulation or order provides otherwise, sales, purchases, exchanges, loans, or extensions of credit, or investments, involving one-half of one percent (0.5%) or less of an insurer's admitted assets as of the thirty-first day of December next preceding shall not be deemed material for purposes of this section.
 - (c) The materiality guidelines provided in this subsection shall not apply for purposes of the information required under subsections (15) and (16) of this section.
- (5) Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on amendment forms provided by the commissioner within:
 - (a) ***Except as provided in paragraph (b) of this subsection***, thirty (30) days after the end of the month in which the insurer learns of each change or addition; ***or***

- (8) Any person within an insurance holding company system subject to registration shall be required to provide complete and accurate information to an insurer, if the information is reasonably necessary to enable the insurer to comply with the provisions of this subtitle.
- (9) The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.
- (10) The commissioner may require or allow two (2) or more affiliated insurers subject to registration to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.
- (11) The commissioner may allow an insurer that is authorized to do business in this state and which is part of an insurance holding company system to:
 - (a) Register on behalf of any affiliated insurer that is required to register under subsection (2) of this section; and
 - (b) File all information and material required to be filed under this section.
- (12) The provisions of this section shall not apply to any insurer, information, or transaction if and to the extent that the commissioner by administrative regulation or order exempts it from the provisions of this section.
- (13) (a) Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or a disclaimer may be filed by the insurer or any member of an insurance holding company system.
 - (b) The disclaimer shall fully disclose all material relationships and bases for affiliation between the persons and the insurer as well as the basis for disclaiming the affiliation.

- (c) A disclaimer of affiliation shall be deemed to have been granted unless the commissioner, within thirty (30) days following receipt of a complete disclaimer, notifies the filing party the disclaimer is disallowed.
 - (d) In the event of disallowance, the disclaiming party may request an administrative hearing, which shall be granted.
 - (e) The disclaiming party shall be relieved of its duty to register under this section if:
 - 1. Approval of the disclaimer has been granted by the commissioner; or
 - 2. The disclaimer is deemed to have been approved.
- (14)
- (a) The ultimate controlling person of every insurer subject to registration shall also file an annual enterprise risk report.
 - (b) The report shall:
 - 1. To the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company system that could pose enterprise risk to the insurer; and
 - 2. Be filed with the lead state commissioner of the insurance holding company system, as determined by the procedures within the Financial Analysis Handbook adopted by the NAIC.
- (15)
- (a) Except as provided in this subsection, the ultimate controlling person of every insurer subject to registration shall concurrently file with the registration an annual group capital calculation as directed by the lead state commissioner.
 - (b) The report shall be:
 - 1. Completed in accordance with the group capital calculation instructions, which may permit the lead state commissioner to allow a controlling person that is not the ultimate controlling person to file the group capital calculation; and
 - 2. Filed with the lead state commissioner of the insurance holding company system as determined by the commissioner in accordance with the procedures within the Financial Analysis Handbook adopted by the NAIC.
 - (c) An insurance holding company system shall be exempt from filing the group capital calculation if:

If the Federal Reserve Board cannot share the calculation with the lead state commissioner, the insurance holding company system is not exempt from the group capital calculation filing;
 - 3. The system's non-United States groupwide supervisor is located within a reciprocal jurisdiction, as defined in KRS 304.5-140, that recognizes the United States state regulatory approach to group supervision and group capital; or
 - 4. The system:
 - a. Provides information to the lead state that meets the requirements for accreditation under the NAIC Financial Regulation Standards and Accreditation Program, either directly or indirectly, through the groupwide supervisor, who has determined the information is satisfactory to allow the lead state to comply with the NAIC group supervision approach, as detailed in the NAIC Financial Analysis Handbook; and
 - b. Has a non-United States groupwide supervisor, which is not in a reciprocal jurisdiction as defined in KRS 304.5-140, that recognizes and accepts, as specified by the commissioner

in administrative regulation, the group capital calculation as the worldwide group capital assessment for United States insurance groups who operate in that jurisdiction.

- (d) Notwithstanding the provisions of paragraph (c)3. and 4. of this subsection, a lead state commissioner shall require the group capital calculation for the United States operations of any insurance holding company system not based in the United States where, after any necessary consultation with other supervisors or officials, it is deemed appropriate by the lead state commissioner for:
 - 1. Prudential oversight and solvency monitoring purposes; or
 - 2. Ensuring the competitiveness of the insurance marketplace.
 - (e) In addition to the exemptions established in paragraph (c) of this subsection, the lead state commissioner may exempt the ultimate controlling person from filing the annual group capital calculation or accept a limited group capital filing or report in accordance with criteria specified by the commissioner in administrative regulation.
 - (f) If the lead state commissioner determines that an insurance holding company system no longer meets one (1) or more of the requirements for an exemption from filing the group capital calculation under this subsection, the system shall file the group capital calculation at the next annual filing date unless given an extension by the lead state commissioner based on reasonable grounds shown.
- (16) (a) The ultimate controlling person of every insurer subject to registration and also scoped into the NAIC Liquidity Stress Test Framework shall file the results of a specific year's liquidity stress test.
- (b) The filing shall be made to the lead state commissioner of the insurance holding company system, as determined by the procedures within the Financial Analysis Handbook adopted by the NAIC.
- (c) 1. The NAIC Liquidity Stress Test Framework shall include scope criteria:
 - a. Applicable to a specific data year; and
 - b. Reviewed at least annually by the NAIC's Financial Stability Task Force or its successor.
2. Any change to the NAIC Liquidity Stress Test Framework or to the data year for which the scope criteria are to be measured shall be effective on January 1 of the year following the calendar year when the changes are adopted.
3. a. Insurers meeting at least one (1) threshold of the scope criteria shall be considered scoped into the NAIC Liquidity Stress Test Framework for the specified data year unless the lead state commissioner, in consultation with the NAIC Financial Stability Task Force or its successor, determines the insurer should not be scoped into the framework for that data year.
- b. Insurers that do not trigger at least one (1) threshold of the scope criteria shall be considered scoped out of the NAIC Liquidity Stress Test Framework for the specified data year, unless the lead state commissioner, in consultation with the NAIC Financial Stability Task Force or its successor, determines the insurer should be scoped into the framework for that data year.
4. The lead state commissioner, in consultation with the NAIC Financial Stability Task Force or its successor, shall assess concerns related to insurers being scoped in and out of the NAIC Liquidity Stress Test Framework on a frequent basis as part of the scope criteria determination for an insurer.
- (d) The performance of, and the filing of the results from, a specified year's liquidity stress test shall comply with:
 - 1. The NAIC Liquidity Stress Test Framework's instructions and reporting templates for that year; and
 - 2. Any lead state commissioner determinations, made in consultation with the NAIC Financial Stability Task Force or its successor, provided within the NAIC Liquidity Stress Test Framework.
- (17) The failure to file a registration statement or any amendment thereto, a summary of the registration statement, an enterprise risk filing, or any other filing or report required by this section within the time specified for the filing or report shall be a violation of this subtitle.

➔Section 3. KRS 304.5-140 is amended to read as follows:

- (1) (a) For the purposes of subsection (4)(c) of this section, a "qualified United States financial institution" means an institution that:
1. Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any state thereof;
 2. Is regulated, supervised, and examined by the United States federal or state authorities having regulatory authority over banks and trust companies; and
 3. Has been determined by the commissioner, or the Securities Valuation Office of the NAIC, to meet the standards of financial condition and standing considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner.
- (b) A "qualified United States financial institution" means, for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:
1. Is organized or, in the case of a United States branch or agency office of a foreign banking organization, licensed under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers; and
 2. Is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies.
- (c) For purposes of subsection (3)(f)1. of this section, "reciprocal jurisdiction" means a jurisdiction that meets one (1) of the following:
1. A non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and the European Union, is a member state of the European Union;
 2. A United States jurisdiction that meets the requirements for accreditation under the NAIC's financial standards and accreditation program;
 3. A qualified jurisdiction, as determined by the commissioner pursuant to subsection (3)(e)4. of this section, which is not otherwise described in this paragraph, and which meets certain additional requirements, consistent with the terms and conditions of in-force covered agreements, as specified by the commissioner in administrative regulation; or
 4. Any other jurisdiction contained on the list of reciprocal jurisdictions published by the commissioner in accordance with subsection (3)(g) of this section.
- (d) As used in this section:
1. "Covered agreement" means an agreement entered into pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. secs. 313 and 314, and that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with the ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance; and
 2. "NAIC" means National Association of Insurance Commissioners.
- (2) (a) Credit for reinsurance shall be allowed a ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of:
1. Subsection (3)(a), (b), (c), (d), (e), (f), or (h) of this section; and
 2. Paragraphs (b), (c), (d), and (e) of this subsection.
- (b) The commissioner may promulgate administrative regulations pursuant to subsection (8)(a)2. of this section that establish specific additional requirements relating to or setting forth:
1. The valuation of assets or reserve credits;
 2. The amount and forms of security supporting reinsurance arrangements described in that subsection; and

3. The circumstances pursuant to which credit will be reduced or eliminated.
 - (c) For reinsurers meeting the requirements of subsection (3)(c) of this section, the requirements of paragraph (i) of that subsection shall also be met.
 - (d) For reinsurers meeting the requirements of subsection (3)(d) of this section, the requirements of paragraphs (i) and (j) of that subsection shall also be met.
 - (e) For reinsurers meeting the requirements of subsection (3)(e) of this section, the requirements of paragraph (j) of that subsection shall also be met.
- (3) (a) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is authorized to transact insurance or reinsurance in Kentucky.
- (b) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited as a reinsurer in Kentucky. An accredited reinsurer is one which:
 - a. Files with the commissioner evidence of its submission to Kentucky's jurisdiction;
 - b. Submits to Kentucky's authority to examine its books and records;
 - c. Is licensed to transact insurance or reinsurance in at least one (1) state, or in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one (1) state;
 - d. Files annually with the commissioner a copy of its annual statement filed with the insurance regulatory official of its state of domicile and a copy of its most recent audited financial statement; and
 - e. Demonstrates to the satisfaction of the commissioner that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer meets the requirements of this subdivision at the time of its application if:
 - i. It maintains a surplus as regards policyholders in an amount that is not less than twenty million dollars (\$20,000,000); and
 - ii. Its accreditation has not been denied by the commissioner within ninety (90) days after submission of its accreditation application.
2. Credit shall not be allowed a ceding insurer under this paragraph if the assuming insurer's accreditation has been revoked by the commissioner after notice and hearing.
- (c) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled and licensed in or, in the case of a United States branch of an alien assuming insurer, is entered through a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or United States branch of an alien insurer:
 1. Maintains a surplus as regards policyholders in an amount not less than twenty million dollars (\$20,000,000); and
 2. Submits to the authority of the commissioner to examine its books and records.

However, subparagraph 1. of this paragraph shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.
- (d) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust in a qualified United States financial institution for the payment of valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the NAIC annual statement form by authorized insurers to enable the commissioner to determine the sufficiency of the trust.
 2. a. In the case of a single assuming insurer, the trust shall consist of a trustee account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, except as provided in subdivision b. of this subparagraph, the assuming insurer shall maintain a trustee surplus of not less than twenty million dollars (\$20,000,000).

- b. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three (3) years, the commissioner may authorize a reduction in the trustee surplus required by subdivision a. of this subparagraph, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders, and claimants in light of a reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trustee surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.
3. In the case of a group including incorporated and individual unincorporated underwriters:
 - a. The trust shall consist of a trustee account representing the respective underwriter's liabilities attributable to business written in the United States;
 - b. The group shall maintain a trustee surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group;
 - c. The incorporated members of which group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members; and
 - d. The group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary insurance regulatory official and its independent public accountants.
4. In the case of a group of incorporated underwriters under common administration, the group shall:
 - a. Comply with the reporting requirements contained in subparagraph 1. of this paragraph;
 - b. Have continuously transacted insurance business outside the United States for at least three (3) years immediately prior to making an application for accreditation;
 - c. Maintain a trust in an amount not less than the group's several liabilities attributable to business ceded by United States ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group;
 - d. Maintain an aggregate policyholders' surplus of at least ten billion dollars (\$10,000,000,000);
 - e. Maintain a joint trustee surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group; and
 - f. Each member of the group shall make available to the commissioner an annual certification of the member's solvency by the member's domiciliary insurance regulatory official and its independent public accountant.
5. The trust shall be established in a form approved by the commissioner. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust shall remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.
6. No later than February 28 of each year, the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding

year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31.

- (e) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that:
- a. Has been certified by the commissioner as a reinsurer in this state; and
 - b. Secures its obligations in accordance with the requirements of this paragraph.
2. In order to be eligible for certification, the assuming insurer shall:
- a. Be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by subparagraph 4. of this paragraph;
 - b. Maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the commissioner by administrative regulation;
 - c. Maintain financial strength ratings from two (2) or more rating agencies deemed acceptable by the commissioner by administrative regulation;
 - d. Agree to submit to the jurisdiction of this state, appoint the commissioner as its agent for service of process in this state, and agree to provide security for one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if the assuming insurer resists enforcement of a final United States judgment;
 - e. Agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis; and
 - f. Satisfy any other relevant requirements for certification as determined by the commissioner.
3. An association, including incorporated and individual unincorporated underwriters, may be certified as a reinsurer in this state if the association satisfies the requirements of subparagraph 2. of this paragraph and:
- a. The association satisfies its minimum capital and surplus requirements through the capital and surplus equivalents (net of liabilities) of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the commissioner to provide adequate protection;
 - b. The incorporated members of the association are not engaged in any business other than underwriting as a member of the association and are subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members; and
 - c. The association provides the commissioner an annual certification by the association's domiciliary regulator of the solvency of each underwriter member within ninety (90) days after its financial statements are due to be filed with the association's domiciliary regulator, or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.
4. a. The commissioner shall create and publish a list of qualified jurisdictions under which an assuming insurer licensed and domiciled in the qualified jurisdiction is eligible to be considered for certification by the commissioner as a certified reinsurer.
- b. In order to determine whether the domiciliary jurisdiction of an assuming insurer from a jurisdiction outside of the United States is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction outside of the United States, both initially and on an ongoing basis, and consider the rights, benefits, and the extent of reciprocal recognition afforded by the jurisdiction outside of the United States to reinsurers licensed and domiciled in the United States. A qualified jurisdiction shall agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction may not be recognized as a

qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. Additional factors may be considered in the discretion of the commissioner.

- c. The commissioner shall consider the list of qualified jurisdictions published through the NAIC's committee process when determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list, the commissioner shall provide justification in accordance with criteria to be developed by the commissioner by administrative regulation.
 - d. Jurisdictions within the United States that meet the requirements for accreditation under the NAIC's financial standards and accreditation program shall be recognized as qualified.
 - e. If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner may revoke or suspend the reinsurer's certification indefinitely, in lieu of revocation.
5. The commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies deemed acceptable to the commissioner by administrative regulation. The commissioner shall publish a list of all certified reinsurers and their ratings.
- 6.
- a. A certified reinsurer shall secure obligations assumed from United States ceding insurers pursuant to this paragraph at a level consistent with its rating as specified by administrative regulation promulgated by the commissioner.
 - b. In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with subsection (4) of this section, or in a multi-beneficiary trust in accordance with paragraph (d) of this subsection, except as otherwise provided in this paragraph.
 - c. If a certified reinsurer maintains a trust to fully secure its obligations subject to paragraph (d) of this subsection, and chooses to secure its obligations incurred as a certified reinsurer in the form of a multi-beneficiary trust, the certified reinsurer shall maintain separate trust accounts for:
 - i. Its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this paragraph or comparable laws of other United States jurisdictions; and
 - ii. Its obligation subject to paragraph (d) of this subsection.
 - d. The commissioner shall not grant a certification pursuant to this paragraph unless the certified reinsurer agrees to bind itself, by language of the trust and agreement with the commissioner with principal regulatory oversight of each trust account, to fund, upon termination of any applicable trust account, out of the remaining surplus of the trust any deficiency of any other trust account.
 - e. The minimum trusteed surplus requirements provided in paragraph (d) of this subsection are not applicable to a multi-beneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred pursuant to this paragraph, except that the multi-beneficiary trust shall maintain a minimum trusteed surplus of ten million dollars (\$10,000,000).
 - f. With respect to obligations incurred by a certified reinsurer pursuant to this paragraph, if the security is insufficient, the commissioner shall reduce the allowable credit by an amount proportionate to the deficiency, and the commissioner may impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.
 - g.
 - i. For purposes of this paragraph, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure one hundred percent (100%) of its obligations.
 - ii. As used in this subdivision, "terminated" includes revocation, suspension,

voluntary surrender, and inactive status, except if the commissioner continues to assign a higher rating as permitted by this subsection, a certified reinsurer in inactive status or reinsurer whose certification has been suspended shall not be considered "terminated."

7. If an applicant for certification has been certified as a reinsurer in an NAIC-accredited jurisdiction, the commissioner may defer to that jurisdiction's certification and the rating assigned by that jurisdiction, and the reinsurer shall be considered a certified reinsurer in this state.
 8. A certified reinsurer that ceases to assume new business in this state may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.
- (f) Credit shall be allowed when the reinsurance is ceded to an assuming insurer if:
1. The assuming insurer has its head office in, or is domiciled in, as applicable, and is licensed in, a reciprocal jurisdiction;
 2. The assuming insurer has and maintains, on an ongoing basis:
 - a. For assuming insurers that are not associations:
 - i. Minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in administrative regulation; and
 - ii. A minimum solvency or capital ratio, as applicable, as set forth in administrative regulation; or
 - b. For assuming insurers that are associations, including incorporated and individual unincorporated underwriters:
 - i. Minimum capital and surplus equivalents, net of liabilities, calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth by the commissioner in administrative regulation; and
 - ii. A minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed;
 3. The assuming insurer agrees, and provides adequate assurance, in a form prescribed by the commissioner, to the following:
 - a. To provide prompt written notice and explanation to the commissioner if the assuming insurer falls below the minimum requirements set forth in subparagraph 2. of this paragraph, or if any regulatory action is taken against the assuming insurer for serious noncompliance with applicable law;
 - b. To submit the assuming insurer's consent, in writing, to the jurisdiction of the courts of this state and to the appointment of the commissioner as an agent for service of process. The commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement. Nothing in this subdivision shall be construed to limit, or in any way alter, the capacity for the parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;
 - c. To submit the assuming insurer's consent, in writing, to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;
 - d. To include in each reinsurance agreement, a provision requiring the assuming insurer to provide security in an amount equal to one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the

assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

- e.
 - i. To confirm that the assuming insurer is not presently participating in any solvent scheme of arrangement which involves this state's ceding insurers; and
 - ii. To notify the ceding insurer and the commissioner, and to provide security in the amount of one hundred percent (100%) of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into a solvent scheme of arrangement referenced in subpart i. of this subdivision. The security required under this subdivision shall be in a form consistent with the provisions of paragraph (e) of this subsection and subsection (4) of this section, as specified by the commissioner in administrative regulation;
4. The assuming insurer or its legal successor provides, upon request of the commissioner, on behalf of itself and any legal predecessors, any documentation prescribed by the commissioner in administrative regulation;
5. The assuming insurer maintains a practice of prompt payment of claims under reinsurance agreements, pursuant to criteria set forth by the commissioner in administrative regulation; and
6. The assuming insurer's supervisory authority confirms to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements of subparagraph 2. of this paragraph.

Nothing in this paragraph precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

(g) For purposes of paragraph (f) of this subsection:

1.
 - a. The commissioner shall timely create and publish a list of reciprocal jurisdictions which shall include reciprocal jurisdictions as defined in subsection (1)(c) **1. and 2.** of this section.
 - b. The commissioner shall consider, and may approve, any other reciprocal jurisdiction:
 - i. On the list of reciprocal jurisdictions published by the NAIC, through the NAIC committee process; and
 - ii. That meets the criteria established by the commissioner by administrative regulation.
 - c. ACTS OF THE GENERAL ASSEMBLY

- c. For purposes of carrying out the provisions of this subparagraph:
 - i. If an NAIC-accredited jurisdiction has determined that the conditions set forth in paragraph (f) of this subsection have been met, the commissioner may defer to that jurisdiction's determination;
 - ii. The commissioner may accept financial documentation filed with another NAIC-accredited jurisdiction or with the NAIC;
 - iii. If an assuming insurer requests the commissioner to defer to another NAIC-accredited jurisdiction's determination, the insurer shall submit the request on forms prescribed by the commissioner, and any additional information as the commissioner may require, by administrative regulation, *except to the extent that they conflict with an applicable covered agreement*; and
 - iv. Upon receiving a request described in subpart iii. of this subdivision, the commissioner shall notify other states through the NAIC committee process and provide relevant information with respect to the determination of eligibility;
- 3. a. If the commissioner determines that an assuming insurer no longer meets one (1) or more of the requirements of paragraph (f) of this subsection, the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under paragraph (f) of this subsection, in accordance with procedures set forth in administrative regulation.
- b. While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit, except to the extent that the assuming insurer's obligations under the contract are secured in accordance with subsection (4) of this section.
- c. If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of subsection (4) of this section;
- 4. If subject to legal process of rehabilitation, liquidation, or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities;
- 5. a. Credit may be taken under paragraph (f) of this subsection for reinsurance agreements entered into, amended, or renewed, on or after July 15, 2020, and only with respect to losses incurred and reserves reported after the later of:
 - i. The date on which the assuming insurer has met all eligibility requirements pursuant to paragraph (f) of this subsection; or
 - ii. The effective date of the new reinsurance agreement, amendment, or renewal.
- b. Nothing in this paragraph shall be construed to alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under paragraph (f) of this subsection, as long as the reinsurance qualifies for credit under any other provision of this section; and
- 6. Nothing in this paragraph or paragraph (f) of this subsection shall be construed to:
 - a. Limit or in any way alter the capacity of the parties to a reinsurance agreement to:
 - i. Agree on requirements for security or other terms in the reinsurance agreement, except as expressly prohibited by this section or other applicable law; or

- (h) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of paragraph (a), (b), (c), (d), (e), or (f) of this subsection, but only with respect to the insurance of risks located in jurisdictions where such reinsurance is required by applicable law or regulation of that jurisdiction or reinsurance ceded to a residual market mechanism reinsurance association, or the members thereof, created pursuant to law or which has been voluntarily created as such by its members with the approval of the commissioner.
- (i) If the assuming insurer is not authorized, certified, or accredited to transact insurance or reinsurance in Kentucky, the credit permitted by paragraphs (c) and (d) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:
1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court in the event of an appeal; and
 2. To designate the Secretary of State or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

This paragraph is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

- (j) If the assuming insurer does not satisfy the requirements of paragraph (a), (b), (c), or (f) of this subsection, the credit permitted by paragraph (d) or (e) of this subsection shall not be allowed unless the assuming insurer agrees in the trust agreements to the following conditions:
1. Notwithstanding any other provisions in the trust instrument, if the trust is inadequate because it contains an amount less than the amount required by paragraph (d)2. of this subsection, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust;

 3. A suspension or revocation order shall not take effect until after a hearing is conducted, unless:
 - a. The reinsurer waives its right to hearing;
 - b. The commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under paragraph (e)7. of this subsection; or
 - c. The commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the commissioner's action.

4. While a reinsurer's accreditation or certification is suspended, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit except to the extent that the reinsurer's obligations under the contract are secured in accordance with subsection (4) of this section. If a reinsurer's accreditation or certification is revoked, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with paragraph (e)6. of this subsection or subsection (4) of this section.

 2. Upon notice by the ceding insurer to the commissioner that the certified reinsurer has failed to pay claims owed under a reinsurance agreement in a timely manner, the commissioner shall notify the certified reinsurer that it is no longer permitted to defer the posting of security for catastrophic recoverables.
 3. Reinsurance recoverables for only the following lines of business, as reported on the NAIC's annual financial statement related specifically to the catastrophic occurrence, shall be included in the deferral:

This security may be in the form of:

- (b) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against such ceding insurer on the contract reinsured within a reasonable time after such claim is filed in the liquidation proceeding. During the pendency of such claim, any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defenses which it deems available to the ceding insurer or its liquidator. Such expense may be filed as a claim against the insolvent ceding insurer to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer. Where two (2) or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer.

CHAPTER 136

(HB 418)

AN ACT relating to agricultural districts.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 262.850 is amended to read as follows:

- (1) This section shall be known as "the Agricultural District and Conservation Act."
- (2) It is the policy of the state to conserve, protect, and to encourage development and improvement of its agricultural lands for the production of food and other agricultural products. It is also the policy of this state to conserve and protect the agricultural land base as a valuable natural resource which is both fragile and finite. The pressure imposed by urban expansion, transportation systems, water impoundments, surface mining of mineral resources, utility rights-of-way, and industrial development has continually reduced the land resource base necessary to sufficiently produce food and fiber for our future needs. It is the purpose of this section to provide a means by which agricultural land may be protected and enhanced as a viable segment of the state's economy and as an important resource.
- (3) The local governing administrative body for an agricultural district shall be the conservation district board of supervisors. The Soil and Water Conservation Commission shall be responsible for statewide administration of the agricultural district program and shall have sole authority to certify or deny agricultural district petitions. The commission may apply for assistance and funds from the Federal Farmland Protection Act of 1981 (Pub. L. 97-377) which may be available for the development of the agricultural district program and may accept easements as provided in KRS 65.410 to 65.480.
- (4) Any owner or owners of land may submit a petition to the local conservation district board of supervisors requesting the creation of an agricultural district within the county. The petition shall include a description of the proposed area, description of each land parcel, location of the proposed boundaries, petitioners' names and addresses, adjacent landowners' names and addresses, and other pertinent information as required in the petition application. The boundary of an agricultural district shall be contiguous. No land shall be included in an agricultural district without the consent of the owner.
- (5) Upon receipt of a petition, the local conservation district board of supervisors shall notify the fiscal court and any local or regional planning or zoning body, if any, ***of the proposed agricultural district, and shall notify each city that is located less than one (1) mile from the boundaries of the proposed agricultural district,*** by sending a copy of the petition and accompanying materials to that body.
- (6) The following factors shall be considered by the local conservation district board of supervisors and the Soil and Water Conservation Commission when considering the formation of any agricultural district:
 - (a) The capability of the land to support agricultural production, as indicated by: soil, climate, topography or other natural factors;
 - (b) The viability of active farmlands, as indicated by: markets for farm products, extent and nature of farm improvements, present status of farming, anticipated trends in agricultural economic conditions and technology;

- (b) The cabinet shall conduct an internal review of any case where child abuse or neglect has resulted in a child fatality or near fatality and the cabinet had prior involvement with the child or family. The cabinet shall prepare a summary that includes an account of:
- 1. The cabinet's actions and any policy or personnel changes taken or to be taken, including the results of appeals, as a result of the findings from the internal review; and
 - 2. Any cooperation, assistance, or information from any agency of the state or any other agency, institution, or facility providing services to the child or family that were requested and received by the cabinet during the investigation of a child fatality or near fatality.
