CHAPTER 1**(HB 161)**

AN ACT relating to elections and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. Notwithstanding KRS 118.125 or any other provision of law to the contrary, any candidate who has filed nomination papers for elected office on or before January 5, 2024, and whose precinct name or number has changed since November 8, 2023, following reapportionment and precinct establishment, shall not be disqualified under any action filed under KRS 118.176 or other statute, based solely on precinct name or number designation.

➔Section 2. Section 1 of this Act shall be retroactive to November 8, 2023.

➔Section 3. Whereas it is critically important to protect ballot access and the reliability of the electoral process following the change of certain precinct names or numbers since November 8, 2023, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor January 18, 2024.

CHAPTER 2**(SB 5)**

AN ACT relating to hunting and fishing licenses and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 150.170 is amended to read as follows:

- (1) Except as provided in the following subsections of this section, and subject to administrative regulations promulgated under this chapter, no person, resident, or nonresident shall do any act authorized by any kind of license or permit or assist in any way any person in doing any act provided for in this chapter with respect to wildlife unless he or she holds the kind of license or permit, resident or nonresident, that authorizes the act. It shall be the specific purpose of this chapter to prohibit the taking or pursuing of any wildlife, protected or unprotected, or the fishing in any stream or body of water whether public or private, without first procuring the license provided for in KRS 150.175, except to the extent as may be otherwise provided in this section.
- (2) A person under sixteen (16) years of age may, without a sport fishing license, take fish by angling, or take minnows by the use of a minnow seine, minnow trap, or dip net.
- (3) A person under twelve (12) years of age shall be exempt from being required to obtain a sport hunting or sport trapping license as required by this chapter.
- (4) The resident owner of farmlands~~[of five (5) or more acres]~~ or his or her spouse or dependent children shall, without procuring any sport hunting or sport fishing licenses, have the right to take fish or hunt during the open season, except trapping, on farmlands~~[of five (5) or more acres]~~ of which they are bona fide owners. Tenants or their dependent children residing upon these farmlands shall have the same privilege.
- (5) Residents or nonresidents observing and participating in field trials, training exercises, or other competitions as authorized by the department may observe and participate without obtaining a hunting or guide's license so long as game is not taken.
- (6) Any resident serviceman on furlough of more than three (3) days in this state may, without any Kentucky sport hunting or sport fishing licenses, do any act authorized by the licenses, but while so doing he or she shall carry on his or her person proper identification and papers showing his or her furlough status.
- (7) Landowners, their spouses or dependent children, or their designee who must be approved by the commissioner, who kill or trap on their lands any wildlife causing damage to the lands or any personal property situated thereon shall not be required to have a hunting or trapping license and may do so during periods other than the open season for the particular species without a tag and dispose of the carcass on-site. Tenants, their spouses, their dependent children, or other persons approved by the commissioner, shall also

have the same privilege. Upon destruction of any wildlife by the above-specified individuals, the act shall be reported to a conservation officer within twenty-four (24) hours of the kill. Individuals wishing to transport the carcass from the property upon which it was killed shall contact personnel of the department to request a disposal tag or other authorization. Inedible parts from wildlife taken under the authorization of this section shall not be utilized for any purpose and shall be destroyed or left afield. The department shall promulgate administrative regulations establishing procedures for the designee appointment process, including request and approval deadlines.

- (8) If a reciprocal agreement is entered into by the commissioner, with the approval of the commission, and promulgated as an administrative regulation by the department and similar action is taken by the appropriate authority in Missouri, Tennessee, Virginia, West Virginia, Indiana, Ohio, or Illinois, persons holding a resident or nonresident fishing or a resident or nonresident hunting license issued in these states shall be permitted to perform the acts authorized by the license upon certain contiguous waters and land areas adjacent to the common boundaries of the above-mentioned states and the State of Kentucky. A resident of the State of Kentucky shall purchase a proper Kentucky license to conform with the reciprocal agreement.
- (9) Any member of the Kentucky Army or Air National Guard, active duty or Reserve Component, in any branch in the United States Armed Forces that is based in the Commonwealth of Kentucky, shall have the right to take fish or hunt on any military property belonging to the Commonwealth without procuring any sport hunting or sport fishing license.
- (10) A person not otherwise exempted from hunter safety education or from procuring any sport hunting or sport fishing license shall be exempt from the department-sanctioned live-fire exercise component of the hunter education course requirement if he or she:
 - (a) Is a current member of the Armed Forces of the United States;
 - (b) Has served in the Armed Forces of the United States and was discharged or released therefrom under conditions other than dishonorable; or
 - (c) Is a peace officer certified pursuant to KRS 15.380 to 15.404.

➔Section 2. Whereas it is critical to the wildlife management goals of the Commonwealth that farmland sport hunting and sport fishing license exemptions not be limited by the size of the farmland, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor February 29, 2024.

 - iii. Decrease the insured's ability to achieve or maintain reasonable functional ability in performing daily activities;
 - c. The insured has tried the required prescription drug while under the insured's current or a previous health plan, or another prescription drug in the same pharmacologic class or with the same mechanism of action, and the prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event; or
 - d. The insured is stable on the prescription drug selected by the insured's health care provider for the medical condition under consideration while under a current or previous health plan.
- (b) If a request for a step therapy exception, or an internal appeal under KRS 304.17A-617 of a step therapy exception request denial, is incomplete or additional clinically relevant information is required, the insurer, health plan, pharmacy benefit manager, or private review agent shall notify the prescribing provider within forty-eight (48) hours of submission of the request or appeal:

- (6) An insured or a provider may:
- (a) Initiate an internal appeal under KRS 304.17A-617 upon the denial of a step therapy exception request under this section; and
 - (b) Request an external review under KRS 304.17A-623 upon the denial of an internal appeal under paragraph (a) of this subsection.
- (7) An insurer, health plan, pharmacy benefit manager, or private review agent shall:

- (8) (a) Except as provided in paragraph (b) of this subsection, the duration of any step therapy protocol shall not be longer than a period of thirty (30) days if the treatment is deemed and documented as clinically ineffective by the prescribing provider.
- (b) When the prescribing provider can demonstrate, through sound clinical evidence, that the originally prescribed medication is likely to require more than thirty (30) days to provide any relief or an amelioration to the insured, the step therapy protocol may be extended up to seven (7) additional days.
- (9) Nothing in this section shall be construed to prevent:
- (a) An insurer, health plan, pharmacy benefit manager, or private review agent from requiring ~~1. —~~ an insured to try:
 1. An AB-rated generic equivalent *prior to providing coverage for the reference listed drug*; ~~1. —~~
 2. An interchangeable biological product, as defined in 42 U.S.C. sec. 262(i)(3), *prior to providing coverage for the reference product*; or
 3. A *biosimilar biological product, as defined in 42 U.S.C. sec. 262(i)(2)*, prior to providing coverage for the *reference product*; ~~equivalent branded prescription drug,~~

unless the requirement meets any of the criteria set forth in subsection (4)(a)2. of this section pursuant to a step therapy exception request submitted under subsection (4) of this section; ~~1. —~~
 - (b) ~~2. —~~ An insurer, health plan, pharmacy benefit manager, or private review agent from requiring a pharmacist to effect substitutions of prescription drugs consistent with KRS 217.814 to 217.896 and 304.17A-535; or
 - (c) ~~4. —~~ A health care provider from prescribing a prescription drug that is determined to be medically appropriate.

➔Section 2. The General Assembly finds that increased access to biosimilar medicines has the potential to significantly reduce prescription drug costs. Biosimilar medicines are approved according to the same United States Food and Drug Administration standards of pharmaceutical quality, safety, and efficacy as their reference medications. Therefore, it is the intent of this Act to eliminate barriers impeding access to biosimilar medicines and the savings they can provide.

- (1) *Unless the context otherwise requires, and except as provided in subsection (3) of this section, this article applies to transactions in goods and, in the case of a hybrid transaction, it applies to the extent provided in subsection (2) of this section.*
- (2) *In a hybrid transaction:*
 - (a) *If the sale-of-goods aspects do not predominate, only the provisions of this article which relate primarily to the sale-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply; and*
 - (b) *If the sale-of-goods aspects predominate, this article applies to the transaction but does not preclude application in appropriate circumstances of other law to aspects of the transaction which do not relate to the sale of goods.*
- (3) *This article does not:*
 - (a) *Apply to a transaction that, even though in the form of an unconditional contract to sell or present sale, operates only to create a security interest; or*
 - (b) *Impair or repeal any statute regulating sales to consumers, farmers, or other specified classes of buyers.*

➔Section 6. KRS 355.2-106 is amended to read as follows:

- (1) In this article, unless the context otherwise requires:
 - (a) "Contract" and "agreement" are limited to those relating to the present or future sale of goods;~~;~~
 - (b) "Contract for sale" includes both a present sale of goods and a contract to sell goods at a future time;~~;~~
 - (c) A "sale" consists in the passing of title from the seller to the buyer for a price (KRS 355.2-401); ~~and~~
 - (d) A "present sale" means a sale which is accomplished by the making of the contract.
- (2) Goods or conduct, including any part of a performance, are "conforming" or conform to the contract when they are in accordance with the obligations under the contract.
- (3)
 - (a) "Termination" occurs when either party, pursuant to a power created by agreement or law, puts an end to the contract otherwise than for its breach.
 - (b) On "termination," all obligations which are still executory on both sides are discharged, but any right based on prior breach or performance survives.
- (4) "Cancellation" occurs when either party puts an end to the contract for breach by the other and its effect is the same as that of "termination," except that the canceling party also retains any remedy for breach of the whole contract or any unperformed balance.
- (5) *"Hybrid transaction" means a single transaction involving a sale of goods and:*
 - (a) *The provision of services;*
 - (b) *A lease of other goods; or*
 - (c) *A sale, lease, or license of property other than goods.*

➔Section 7. KRS 355.2-201 is amended to read as follows:

- (1) Except as otherwise provided in this section, a contract for the sale of goods for the price of **five hundred dollars** (\$500) or more is not enforceable by way of action or defense unless there is **a record**~~[some writing]~~ sufficient to indicate that a contract for sale has been made between the parties and signed by the party against whom enforcement is sought or by **the party's**~~[his]~~ authorized agent or broker. A **record**~~[writing]~~ is not insufficient because it omits or incorrectly states a term agreed upon, but the contract is not enforceable under this **subsection**~~[paragraph]~~ beyond the quantity of goods shown in **the record**~~[such writing]~~.
- (2) Between merchants, if within a reasonable time a **record**~~[writing]~~ in confirmation of the contract and sufficient against the sender is received and the party receiving it has reason to know its contents, it satisfies the requirements of subsection (1) **of this section** against **the**~~[such]~~ party unless~~[written]~~ notice **in a record** of objection to its contents is given within ten (10) days after it is received.
- (3) A contract which does not satisfy the requirements of subsection (1) **of this section** but which is valid in other respects is enforceable:
 - (a) If the goods are to be specially manufactured for the buyer and are not suitable for sale to others in the ordinary course of the seller's business and the seller, before notice of repudiation is received and under circumstances which reasonably indicate that the goods are for the buyer, has made either a substantial beginning of their manufacture or commitments for their procurement;~~[or]~~
 - (b) If the party against whom enforcement is sought admits in **that party's**~~[his]~~ pleading **or**~~[,]~~ testimony, or otherwise, in court that a contract for sale was made, but the contract is not enforceable under this provision beyond the quantity of goods admitted; or
 - (c) With respect to goods for which payment has been made and accepted or which have been received and accepted (KRS 355.2-606).

→Section 8. KRS 355.2-202 is amended to read as follows:

Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a **record**~~[writing]~~ intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:

- (1) By course of performance, course of dealing, or usage of trade (KRS 355.1-303); and
- (2) By evidence of consistent additional terms unless the court finds the **record**~~[writing]~~ to have been intended also as a complete and exclusive statement of the terms of the agreement.

→Section 9. KRS 355.2-203 is amended to read as follows:

The affixing of a seal to a **record**~~[writing]~~ evidencing a contract for sale or an offer to buy or sell goods does not constitute the **record**~~[writing]~~ a sealed instrument and the law with respect to sealed instruments does not apply to such a contract or offer.

→Section 10. KRS 355.2-205 is amended to read as follows:

An offer by a merchant to buy or sell goods in a signed **record**~~[writing]~~ which by its terms gives assurance that it will be held open is not revocable, for lack of consideration, during the time stated or if no time is stated, for a reasonable time, but in no event may such period of irrevocability exceed three (3) months~~[,]~~ **and**~~[but]~~ any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

→Section 11. KRS 355.2-209 is amended to read as follows:

- (1) An agreement modifying a contract within this article needs no consideration to be binding.
- (2) A signed agreement **that**~~[which]~~ excludes modification or rescission except by a signed writing **or other signed record** cannot be otherwise modified or rescinded, but, except as between merchants, such a requirement on a form supplied by the merchant must be separately signed by the other party.
- (3) The requirements of the statute of frauds section of this article (KRS 355.2-201) must be satisfied if the contract as modified is within its provisions.
- (4) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2) or (3) **of this section**, it can operate as a waiver.

- (5) A party who has made a waiver affecting an executory portion of the contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

➔Section 12. KRS 355.2A-102 is amended to read as follows:

- (1) This article applies to any transaction, regardless of form, that creates a lease *and, in the case of a hybrid lease, it applies to the extent provided in subsection (2) of this section.*

- (2) *In a hybrid lease:*

(a) *If the lease-of-goods aspects do not predominate:*

1. *Only the provisions of this article which relate primarily to the lease-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply;*
2. *KRS 355.2A-209 applies if the lease is a finance lease; and*
3. *KRS 355.2A-407 applies to the promises of the lessee in a finance lease to the extent the promises are consideration for the right to possession and use of the leased goods; and*

(b) *If the lease-of-goods aspects predominate, this article applies to the transaction, but does not preclude application in appropriate circumstances of other law to aspects of the lease which do not relate to the lease of goods.*

- (2) Any description of leased goods or of the lease term is sufficient and satisfies subsection (1)(b) *of this section*, whether or not it is specific, if it reasonably identifies what is described.
- (3) A ~~record~~~~writing~~ is not insufficient because it omits or incorrectly states a term agreed upon, but the lease contract is not enforceable under subsection (1)(b) *of this section* beyond the lease term and the quantity of goods shown in the ~~record~~~~writing~~.
- (4) A lease contract that does not satisfy the requirements of subsection (1) *of this section*, but which is valid in other respects, is enforceable:

- (1) By course of dealing or usage of trade or by course of performance; and
- (2) By evidence of consistent additional terms unless the court finds the **record~~[writing]~~** to have been intended also as a complete and exclusive statement of the terms of the agreement.

→Section 17. KRS 355.2A-203 is amended to read as follows:

The affixing of a seal to a **record~~[writing]~~** evidencing a lease contract or an offer to enter into a lease contract does not render the **record~~[writing]~~** a sealed instrument and the law with respect to sealed instruments does not apply to the lease contract or offer.

→Section 18. KRS 355.2A-205 is amended to read as follows:

An offer by a merchant to lease goods to or from another person in a signed **record~~[writing]~~** that by its terms gives assurance it will be held open is not revocable, for lack of consideration, during the time stated or ~~[]~~ if no time is stated, for a reasonable time, but in no event may the period of irrevocability exceed three (3) months **and~~[]~~** any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

- (2) A signed lease agreement that excludes modification or rescission except by a signed **record cannot~~[writing]~~** ~~may not~~ be otherwise modified or rescinded, but, except as between merchants, such a requirement on a form supplied by a merchant must be separately signed by the other party.
- (3) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2) **of this section**, it may operate as a waiver.
- (4) A party who has made a waiver affecting an executory portion of a lease contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

- (1) Except as provided in subsections (3) and (4) of this section, "negotiable instrument" means an unconditional promise or order to pay a fixed amount of money, with or without interest or other charges described in the promise or order, if it:

- (5) (a) An instrument is a "note" if it is a promise and is a "draft" if it is an order.
 (b) If an instrument falls within the definition of both "note" and "draft," a person entitled to enforce the instrument may treat it as either.

 - (e) "Sender" means the person giving the instruction to the receiving bank.
- (2) If an instruction complying with subsection (1)(a) *of this section* is to make more than one (1) payment to a beneficiary, the instruction is a separate payment order with respect to each payment.

➔Section 27. KRS 355.4A-201 is amended to read as follows:

- (1) "Security procedure" means a procedure established by agreement of a customer and a receiving bank for the purpose of:

- (1) A payment order received by the receiving bank is the authorized order of the person identified as sender if that person authorized the order or is otherwise bound by it under the law of agency.
- (2) (a) If a bank and its customer have agreed that the authenticity of payment orders issued to the bank in the name of the customer as sender will be verified pursuant to a security procedure, a payment order received by the receiving bank is effective as the order of the customer, whether or not authorized, if:
 - 1.~~[(a)]~~ The security procedure is a commercially reasonable method of providing security against unauthorized payment orders; and
 - 2.~~[(b)]~~ The bank proves that it accepted the payment order in good faith and in compliance with the **bank's obligations under the** security procedure and any~~[-written]~~ agreement or instruction of the customer, **evidenced by a record**, restricting acceptance of payment orders issued in the name the customer.
- (b) The bank is not required to follow an instruction that violates ~~an~~~~[-written]~~ agreement with the customer, **evidenced by a record**, or notice of which is not received at a time and in a manner affording the bank a reasonable opportunity to act on it before the payment order is accepted.
- (3) (a) Commercial reasonableness of a security procedure is a question of law to be determined by considering the wishes of the customer expressed to the bank, the circumstances of the customer known to the bank, including the size, type, and frequency of payment orders normally issued by the customer to the bank, alternative security procedures offered to the customer, and security procedures in general use by customers and receiving banks similarly situated.
- (b) A security procedure is deemed to be commercially reasonable if:
 - 1.~~[(a)]~~ The security procedure was chosen by the customer after the bank offered, and the customer refused, a security procedure that was commercially reasonable for that customer; and
 - 2.~~[(b)]~~ The customer expressly agreed in **a record**~~[-writing]~~ to be bound by any payment order, whether or not authorized, issued in its name and accepted by the bank in compliance with the **bank's obligations under the** security procedure chosen by the customer.

 - (b) Effective as the order of the customer under subsection (2) **of this section**.
- (5) This section applies to amendments and cancellations of payment orders to the same extent it applies to payment orders.
- (6) Except as provided in this section and in KRS 355.4A-203(1)(a), rights and obligations arising under this section or KRS 355.4A-203 may not be varied by agreement.

➔Section 29. KRS 355.4A-203 is amended to read as follows:

- (1) If an accepted payment order is not, under KRS 355.4A-202(1), an authorized order of a customer identified as sender, but is effective as an order of the customer pursuant to KRS 355.4A-202(2), the following rules apply:
 - (a) By express~~[-written]~~ agreement, **evidenced by a record**, the receiving bank may limit the extent to which it is entitled to enforce or retain payment of the payment order; ~~and~~~~[-]~~
 - (b) The receiving bank is not entitled to enforce or retain payment of the payment order if the customer proves that the order was not caused, directly or indirectly, by a person:
 - 1. Entrusted at any time with duties to act for the customer with respect to payment orders or the security procedure; or

2. Who obtained access to transmitting facilities of the customer or who obtained, from a source controlled by the customer and without authority of the receiving bank, information facilitating breach of the security procedure, regardless of how the information was obtained or whether the customer was at fault. **Information includes any access device, computer software, or the like.**

~~Information includes any access device, computer software, or the like.~~

- (2) This section applies to amendments of payment orders to the same extent it applies to payment orders.

➔Section 30. KRS 355.4A-207 is amended to read as follows:

- (1) Subject to subsection (2) **of this section**, if, in a payment order received by the beneficiary's bank, the name, bank account number, or other identification of the beneficiary refers to a nonexistent or unidentifiable person or account, no person has rights as a beneficiary of the order and acceptance of the order cannot occur.

- (2) If a payment order received by the beneficiary's bank identifies the beneficiary both by name and by an identifying or bank account number and the name and number identify different persons, the following rules apply:

- (a) Except as otherwise provided in subsection (3) **of this section**:~~;~~

1. If the beneficiary's bank does not know that the name and number refer to different persons, it may rely on the number as the proper identification of the beneficiary of the order; **and**~~;~~
2. The beneficiary's bank need not determine whether the name and number refer to the same person; **and**~~;~~

- (b) 1. If the beneficiary's bank pays the person identified by name or knows that the name and number identify different persons, no person has rights as beneficiary except the person paid by the beneficiary's bank if that person was entitled to receive payment from the originator of the funds transfer.

2. If no person has rights as beneficiary, acceptance of the order cannot occur.

- (3) ~~(a)~~ If a payment order described in subsection (2) **of this section** is accepted,~~;~~

~~(b)~~ the originator's payment order described the beneficiary inconsistently by name and number,~~;~~ and {

~~(c)~~ the beneficiary's bank pays the person identified by number as permitted by subsection (2)(a) **of this section**, the following rules apply:

~~(a)~~ If the originator is a bank, the originator is obliged to pay its order; **and**~~;~~

~~(b)~~ 1. If the originator is not a bank and proves that the person identified by number was not entitled to receive payment from the originator, the originator is not obliged to pay its order unless the originator's bank proves that the originator, before acceptance of the originator's order, had notice that payment of a payment order issued by the originator might be made by the beneficiary's bank on the basis of an identifying or bank account number even if it identifies a person different from the named beneficiary.

2. Proof of notice may be made by any admissible evidence.

3. The originator's bank satisfies the burden of proof if it proves that the originator, before the payment order was accepted, signed a **record**~~writing~~ stating the information to which the notice relates.

- (4) In a case governed by subsection (2)(a) **of this section**, if the beneficiary's bank rightfully pays the person identified by number and that person was not entitled to receive payment from the originator, the amount paid may be recovered from that person to the extent allowed by the law governing mistake and restitution as follows:

- (a) If the originator is obliged to pay its payment order as stated in subsection (3) **of this section**, the originator has the right to recover; **and**~~;~~

- (b) If the originator is not a bank and is not obliged to pay its payment order, the originator's bank has the right to recover.

➔Section 31. KRS 355.4A-208 is amended to read as follows:

- (1) (a) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank only by an identifying number.
- (b)~~(a)~~ The receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank and need not determine whether the number identifies a bank.
- (c)~~(b)~~ The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.
- (2) (a) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank both by name and an identifying number if the name and number identify different persons.
- (b)~~(a)~~ 1. If the sender is a bank, the receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank if the receiving bank, when it executes the sender's order, does not know that the name and number identify different persons.
2. The receiving bank need not determine whether the name and number refer to the same person or whether the number refers to a bank.
3. The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.
- (c)~~(b)~~ 1. If the sender is not a bank and the receiving bank proves that the sender, before the payment order was accepted, had notice that the receiving bank might rely on the number as the proper identification of the intermediary or beneficiary's bank even if it identifies a person different from the bank identified by name, the rights and obligations of the sender and the receiving bank are governed by *paragraph (b) of this subsection*~~subsection (1)(b)~~, as though the sender were a bank.
2. Proof of notice may be made by any admissible evidence.
3. The receiving bank satisfies the burden of proof if it proves that the sender, before the payment order was accepted, signed a *record*~~writing~~ stating the information to which the notice relates.
- (d)~~(c)~~ 1. Regardless of whether the sender is a bank, the receiving bank may rely on the name as the proper identification of the intermediary or beneficiary's bank if the receiving bank, at the time it executes the sender's order, does not know that the name and number identify different persons.
2. The receiving bank need not determine whether the name and number refer to the same person.
- (e)~~(d)~~ If the receiving bank knows that the name and number identify different persons, reliance on either the name or the number in executing the sender's payment order is a breach of the obligation stated in KRS 355.4A-302(1)(a).

➔Section 32. KRS 355.4A-210 is amended to read as follows:

- (1) (a) A payment order is rejected by the receiving bank by a notice of rejection transmitted to the sender orally~~, electronically,~~ or in *a record*~~writing~~.
- (b) A notice of rejection need not use any particular words and is sufficient if it indicates that the receiving bank is rejecting the order or will not execute or pay the order.
- (c) Rejection is effective when the notice is given if transmission is by a means that is reasonable in the circumstances.
- (d) If notice of rejection is given by a means that is not reasonable, rejection is effective when the notice is received.
- (e) If an agreement of the sender and receiving bank establishes the means to be used to reject a payment order:
- 1.~~(a)~~ Any means complying with the agreement is reasonable; and
- 2.~~(b)~~ Any means not complying is not reasonable unless no significant delay in receipt of the notice resulted from the use of the noncomplying means.

- (2) (a) This subsection applies if a receiving bank other than the beneficiary's bank fails to execute a payment order despite the existence on the execution date of a withdrawable credit balance in an authorized account of the sender sufficient to cover the order.
- (b) If the sender does not receive notice of rejection of the order on the execution date and the authorized account of the sender does not bear interest, the bank is obliged to pay interest to the sender on the amount of the order for the number of days elapsing after the execution date to the earlier of the day the order is canceled pursuant to KRS 355.4A-211(4) or the day the sender receives notice or learns that the order was not executed, counting the final day of the period as an elapsed day. If the withdrawable credit balance during that period falls below the amount of the order, the amount of interest is reduced accordingly.
- (3) If a receiving bank suspends payments, all unaccepted payment orders issued to it are deemed rejected at the time the bank suspends payments.
- (4) (a) Acceptance of a payment order precludes a later rejection of the order.
- (b) Rejection of a payment order precludes a later acceptance of the order.
- ➔Section 33. KRS 355.4A-211 is amended to read as follows:
- (1) (a) A communication of the sender of a payment order canceling or amending the order may be transmitted to the receiving bank orally~~, electronically,~~ or in **a record**~~[writing]~~.
- (b) If a security procedure is in effect between the sender and the receiving bank, the communication is not effective to cancel or amend the order unless the communication is verified pursuant to the security procedure or the bank agrees to the cancellation or amendment.
- (2) Subject to subsection (1) **of this section**, a communication by the sender canceling or amending a payment order is effective to cancel or amend the order if notice of the communication is received at a time and in a manner affording the receiving bank a reasonable opportunity to act on the communication before the bank accepts the payment order.
- (3) (a) After a payment order has been accepted, cancellation or amendment of the order is not effective unless the receiving bank agrees or a funds-transfer system rule allows cancellation or amendment without agreement of the bank.
- (b)~~(a)~~ With respect to a payment order accepted by a receiving bank other than the beneficiary's bank, cancellation or amendment is not effective unless a conforming cancellation or amendment of the payment order issued by the receiving bank is also made.
- (c)~~(b)~~ With respect to a payment order accepted by the beneficiary's bank, cancellation or amendment is not effective unless the order was issued in execution of an unauthorized payment order, or because of a mistake by a sender in the funds transfer which resulted in the issuance of a payment order:
1. That is a duplicate of a payment order previously issued by the sender;
 2. That orders payment to a beneficiary not entitled to receive payment from the originator; or
 3. That orders payment in an amount greater than the amount the beneficiary was entitled to receive from the originator. If the payment order is canceled or amended, the beneficiary's bank is entitled to recover from the beneficiary any amount paid to the beneficiary to the extent allowed by the law governing mistake and restitution.
- (4) An unaccepted payment order is canceled by operation of law at the close of the fifth funds-transfer business day of the receiving bank after the execution date or payment date of the order.
- (5) (a) A canceled payment order cannot be accepted.
- (b) If an accepted payment order is canceled, the acceptance is nullified and no person has any right or obligation based on the acceptance.
- (c) Amendment of a payment order is deemed to be cancellation of the original order at the time of amendment and issue of a new payment order in the amended form at the same time.
- (6) Unless otherwise provided in an agreement of the parties or in a funds-transfer system rule, if the receiving bank, after accepting a payment order, agrees to cancellation or amendment of the order by the sender or is bound by a funds-transfer system rule allowing cancellation or amendment without the bank's agreement, the

sender, whether or not cancellation or amendment is effective, is liable to the bank for any loss and expenses, including reasonable attorney's fees, incurred by the bank as a result of the cancellation or amendment or attempted cancellation or amendment.

- (7) A payment order is not revoked by the death or legal incapacity of the sender unless the receiving bank knows of the death or of an adjudication of incapacity by a court of competent jurisdiction and has reasonable opportunity to act before acceptance of the order.
- (8) A funds-transfer system rule is not effective to the extent it conflicts with subsection (3)(c)~~(b)~~ *of this section*.

➔Section 34. KRS 355.4A-305 is amended to read as follows:

- (1) If a funds transfer is completed but execution of a payment order by the receiving bank in breach of KRS 355.4A-302 results in delay in payment to the beneficiary, the bank is obliged to pay interest to either the originator or the beneficiary of the funds transfer for the period of delay caused by the improper execution. Except as provided in subsection (3) *of this section*, additional damages are not recoverable.
- (2) If execution of a payment order by a receiving bank in breach of KRS 355.4A-302 results in ~~{~~

Except as provided in subsection (3) *of this section*, additional damages are not recoverable.~~
- (3) In addition to the amounts payable under subsections (1) and (2) *of this section*, damages, including consequential damages, are recoverable to the extent provided in an express~~—written~~ agreement of the receiving bank, *evidenced by a record*.
- (4) If a receiving bank fails to execute a payment order it was obliged by express agreement to execute, the receiving bank is liable to the sender for its expenses in the transaction and for incidental expenses and interest losses resulting from the failure to execute. Additional damages, including consequential damages, are recoverable to the extent provided in an express~~—written~~ agreement of the receiving bank, *evidenced by a record*, but are not otherwise recoverable.
- (5) (a) Reasonable attorney's fees are recoverable if demand for compensation under subsection (1) or (2) *of this section* is made and refused before an action is brought on the claim.
- (b) If a claim is made for breach of an agreement under subsection (4) *of this section* and the agreement does not provide for damages, reasonable attorney's fees are recoverable if demand for compensation under subsection (4) *of this section* is made and refused before an action is brought on the claim.
- (6) Except as stated in this section, the liability of a receiving bank under subsections (1) and (2) *of this section* may not be varied by agreement.

A sunscreening material may be applied to the windows if, when tested on one-eighth (1/8) inch clear glass, the material has a total solar reflectance of visible light of not more than twenty-five percent (25%) as measured on the nonfilm side and a light transmittance of at least thirty-five percent (35%) in the visible light range.

For those products or materials having different levels of reflectance, the highest reflectance from the product or material will be measured by dividing the area into sixteen (16) equal sections and averaging the overall reflectance. The measured reflectance of any of those sections may not exceed fifty percent (50%).

- (11) The windshield on every motor vehicle shall be equipped with a device for cleaning rain, snow or other moisture from the windshield. The device shall be so constructed as to be controlled by the operator of the vehicle.
- (12) Nothing in this section shall be construed to prevent the use of any window which is composed of, covered by, or treated with any material or component in a manner approved by federal statute or regulation if the window was a component part of a vehicle at the time of the vehicle manufacture, or the replacement of any window by a covering which meets these requirements.

- ➔Section 4. KRS 304.39-320 is amended to read as follows:
- (1) As used in this section, "underinsured motorist" means a party with motor vehicle liability insurance coverage in an amount less than a judgment recovered against that party for damages on account of injury due to a motor vehicle accident.
 - (2) Every insurer shall make available, upon request, to its insureds underinsured motorist coverage, whereby, subject to the terms and conditions of ~~the~~^{such} coverage not inconsistent with this section, the insurance company agrees to pay its own insured for such uncompensated damages as he *or she* may recover on account of injury due to a motor vehicle accident because the judgment recovered against the owner of the other vehicle exceeds the liability policy limits thereon, to the extent of the underinsurance policy limits on the vehicle of the party recovering.
 - (3) (a) If an injured person or, in the case of death, the personal representative, agrees to settle a claim with a liability insurer and its insured, and the settlement would not fully satisfy the claim for personal injuries or wrongful death so as to create an underinsured motorist claim, then written notice of the proposed settlement ~~shall~~^{must} be submitted by certified or registered mail to all underinsured motorist insurers that provide coverage.
 - (b) The underinsured motorist insurer then has a period of thirty (30) days to consent to the settlement or retention of subrogation rights.
 - (c) An injured person, or in the case of death, the personal representative, may agree to settle a claim with a liability insurer and its insured for less than the underinsured motorist's full liability policy limits.
 - (d) If an underinsured motorist insurer consents to settlement or fails to respond as required by subsection (4) of this section to the settlement request within the thirty (30) day period, the injured party may proceed to:
 1. Execute a full release in favor of the underinsured motorist's liability insurer and its insured; and
 2. Finalize the proposed settlement without prejudice to any underinsured motorist claim.
 - (4) If an underinsured motorist insurer chooses to preserve its subrogation rights by refusing to consent to settle, the underinsured motorist insurer ~~shall~~^{must}, within thirty (30) days after receipt of the notice of the proposed settlement, pay to the injured party the amount of the written offer from the underinsured motorist's liability insurer. Thereafter, upon final resolution of the underinsured motorist claim, the underinsured motorist insurer is entitled to seek subrogation against:
 - (a) The liability insurer to the extent of its limits of liability insurance;~~;~~[;] and
 - (b) The underinsured motorist for the amounts paid to the injured party.
 - (5) (a) *Except as provided in paragraph (b) of this subsection*, the underinsured motorist insurer is entitled to a credit against total damages *caused by or as a result of a motor vehicle accident* in the amount of the limits of the underinsured motorist's liability policies in all cases to which this section applies, even if the settlement with the underinsured motorist under subsection (3) of this section or the payment by the

underinsured motorist insurer under subsection (4) of this section is for less than the underinsured motorist's full liability policy limits. ~~The term "total damages" as used in this section means the full amount of damages determined to have been sustained by the injured party, regardless of the amount of underinsured motorist coverage. Nothing in this section, including any payment or credit under this subsection, reduces or affects the total amount of underinsured motorist coverage available to the injured party.~~

- (b) *If the full liability limits of the underinsured motorist's liability coverage are paid to multiple injured persons, including, in the case of death, the personal representative, pursuant to a reasonable settlement with the injured persons that is based on a pro rata distribution of the underinsured motorist's liability coverage in proportion to the injured persons' total damages, the credit to which the underinsured motorist insurer is entitled under paragraph (a) of this subsection shall be limited to the amount paid to the injured party.*
- (c) *This subsection shall not be construed to prohibit an underinsured motorist insurer from seeking to apply or enforce other credits or offsets against total damages which are:*
1. *Expressly included in the terms and conditions of the underinsured motorist coverage, subject to Kentucky law; or*
 2. *Otherwise authorized under Kentucky law.*

➔Section 5. KRS 304.14-250 is amended to read as follows:

Except as provided in KRS 304.17A-265 *and Section 1 of this Act:*

- (1) A policy may be assignable or not assignable, as provided by its terms;
- (2) Subject to its terms relating to assignability, a life or health insurance policy, regardless of when it was issued, under the terms of which the beneficiary may be changed upon the sole request of the insured or owner, may be assigned either by pledge or transfer of title, by an assignment executed by the insured or owner alone and delivered to the insurer, whether or not the pledgee or assignee is the insurer;
- (3) Any assignment of a policy which is otherwise lawful and of which the insurer has received notice shall entitle the insurer to deal with the assignee as the owner or pledgee of the policy in accordance with the terms of the assignment, until the insurer has received at its principal office written notice of the termination of the assignment or pledge or written notice by or on behalf of some interest in the policy in conflict with the assignment; and
- (4)
 - (a) Any individual insured under a group insurance policy or group annuity contract shall have the right, unless expressly prohibited under the terms of the policy or contract, to assign to any other person his *or her* rights and benefits under the policy or contract, including but not limited to the right to designate the beneficiary or beneficiaries and the rights as to conversion provided for in KRS 304.16-180 to 304.16-200, inclusive.
 - (b) While the assignment is in effect, and regardless of when it was made, the insurer shall be entitled to deal with the assignee as the owner of the rights and benefits in accordance with the terms of the assignment and without prejudice to the insurer on account of any lawful action taken or payment made by the insurer prior to receipt by the insurer at its principal office of written notice of the assignment or of the termination thereof.
 - (c) This subsection acknowledges, confirms, and codifies the existing right of assignment of interests under group life insurance policies.

➔Section 6. This Act applies to insurance policies issued or renewed on or after the effective date of this Act.

➔Section 7. Whereas there is a significant and legitimate need to eliminate trade practices that result in unnecessary delays in payment to insureds and unreasonable financial loss for both insureds and insurers, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

CHAPTER 29

(SJR 140)

A JOINT RESOLUTION directing the Public Service Commission to make all staffing, organizational, and administrative preparations necessary to be ready to discharge its regulatory duties relating to applications for the siting and construction of nuclear energy facilities in the Commonwealth.

WHEREAS, with the passage of Senate Bill 11 in 2017, the General Assembly lifted the moratorium on the construction of new nuclear power facilities that had been in place for decades; and

WHEREAS, in 2023, the General Assembly passed Senate Joint Resolution 79 to convene a working group of state officials and representatives of the utility and nuclear industries to advise the General Assembly on the establishment of a permanent nuclear energy commission in state government that could provide for the education, coordination of resources, and professional expertise necessary to foster the development of the nuclear industry in the Commonwealth; and

WHEREAS, pursuant to their responsibilities under 2023 Senate Joint Resolution 79, the Nuclear Energy Development Working Group met four times between May and October of 2023, and thereafter submitted a report to the Legislative Research Commission and the Governor detailing their recommendations for establishing the Kentucky Nuclear Energy Development Authority to serve as the nonregulatory, trusted state government agency on nuclear energy issues and to support and facilitate the development of the nuclear energy ecosystem across the Commonwealth; and

WHEREAS, interest in developing the nuclear energy industry in Kentucky has never been greater for many reasons, including but not limited to the momentum created by the convening of the Nuclear Energy Development Working Group and the recommendations it produced for the establishment of the Kentucky Nuclear Energy

Development Authority; the emergence of promising new nuclear technologies, including small modular reactors, that may be useful in a range of applications in the Commonwealth; and the need for new baseload energy generation to be sited in the Commonwealth in order to maintain the resiliency and reliability of the electric grid; and

WHEREAS, as a result of this ever-growing interest in the development of the nuclear industry in the Commonwealth, it is critical that the Public Service Commission be prepared to discharge its regulatory responsibilities relating to applications for the siting and construction of nuclear energy facilities within its jurisdiction;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Public Service Commission is hereby directed to make all staffing, organizational, and administrative preparations necessary to be ready to discharge its regulatory duties relating to applications for the siting and construction of nuclear energy facilities in the Commonwealth, including but not limited to:

(1) Conducting a survey of nuclear regulatory staff in other states to determine their pay, experience, and qualifications so that the commission can make informed decisions on the recruitment and hiring of its own nuclear regulatory staff;

(2) Contracting with personnel with expertise in nuclear regulatory matters to be available immediately to assist with the administration of nuclear siting or construction applications should they be filed with the commission;

(3) Providing for the training of existing commission staff on nuclear siting and construction issues;

(4) Amending the administrative regulations promulgated by the commission pursuant to KRS Chapter 13A to require that electric utilities consider the costs and benefits of all generation resources, including but not limited to nuclear power generation resources, when determining how to meet future demand as part of the triennial integrated resource plans that they are required to file with the commission; and

(5) Reviewing, in consultation with experts in state nuclear regulatory matters, and amending, if necessary, all other administrative regulations promulgated by the commission pursuant to KRS Chapter 13A to ensure that they do not contain any provisions that would impede the commission from effectively regulating nuclear facilities or obstruct the development of the nuclear ecosystem in the Commonwealth.

"Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury;
- (2) "Occupational disease" means a disease arising out of and in the course of the employment;

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence;

 - (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:
 1. Total and permanent loss of sight in both eyes;
 2. Loss of both feet at or above the ankle;
 3. Loss of both hands at or above the wrist;
 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market;

A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time;
- (24) "Premium" for every self-insured group means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed on premiums received as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering covered employees having a co-employment relationship with a professional employer organization and a client as defined in KRS Chapter 336, "premiums received" means premiums calculated using the experience modification factor of each client as defined in KRS Chapter 336 for each covered employee for that portion of the payroll pertaining to the covered employee.

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.
- (d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.
- (e) "Deductible program adjustment" means calculating premium and premiums received on a gross basis without regard to the following:

- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department of Workforce Development, Education and Labor Cabinet. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department of Workforce Development data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying its own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying its own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews its application for certification to carry its own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;
 - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry its own risk and is so certified, its premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary

to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then its premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1);

- (f) If an employer is certified to carry its own risk after having previously insured the risk, its premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry its own risk and has paid all amounts due for assessments upon premiums paid while insured, the employer shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;
- (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;

- (33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;
- (34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;
- (35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment";
- (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b); and
- (37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in KRS 342.262:
- (a) The fifth edition published by the American Medical Association; and
 - (b) For psychological impairments, Chapter 12 of the second edition published by the American Medical Association.

➔Section 2. KRS 342.033 is amended to read as follows:

- (1) *As used in this section, "physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of the license or other credentials required by his or her specialty of practice in the United States jurisdiction in which he or she is authorized to practice, and any retired physician previously authorized to practice in the Commonwealth of Kentucky, who surrendered his or her license while in good standing with their respective licensing board and was not subject to an ongoing investigation for improper practices.*
- (2) In a claim for benefits, no party may introduce direct testimony from more than two (2) physicians without prior consent from the administrative law judge. The motion requesting additional testimony shall clearly

demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. The report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of the report and to cross-examine the reporting physician. The commissioner shall promulgate administrative regulations prescribing the format and content of written medical reports.

➔Section 3. KRS 342.140 is amended to read as follows:

The average weekly wage of the injured employee at the time of the injury or last injurious exposure shall be determined as follows:

 - (c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);
 - (d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury;
 - (e) *The wages were determined by the day, hour, or by the output of the employee, and the employee received unemployment benefits pursuant to KRS Chapter 341 during the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury, the unemployment benefits received shall be added to the wages earned during the thirteen (13) week period and divided by thirteen (13), the average weekly wage shall be the result most favorable to the employee;*
 - (f) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his or her average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for that purpose to be the amount he or she would have earned had he or she been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation; and
 - ~~(g)~~ The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where the services are rendered by paid employees.

- (5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of the employment prior to the injury, his or her wages from all the employers shall be considered as if earned from the employer liable for compensation.

- (7) The commissioner shall, from time to time, based upon the best available information, determine by administrative regulation industries which ordinarily do not have a full working day for five (5) days in every week. In those industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. - (1) All motor vehicles, including motorcycles, with a gross vehicular weight of *ten thousand (10,000)*~~six thousand (6,000)~~ pounds or less, first registered, or for which the registration is renewed~~[in this state on or after January 1, 1983]~~, shall be placed in a system of year-round registration based upon the birth *date*~~[month]~~ of the owner, in order to distribute the work of registering motor vehicles as uniformly as practicable throughout the twelve (12) months of the year.
- (2) (a) If the owner of a motor vehicle is other than an individual, the month in which the owning entity came into being shall be used for purposes of this section.
- (b) *Except for motor vehicles jointly owned by spouses under paragraph (c) of this subsection*, if a motor vehicle is jointly owned:~~[;]~~
1. *One (1) of the owners, who is a resident of Kentucky*, shall be identified as the designated owner;
 2. *The designated owner shall indicate to the county clerk his or her*~~[the]~~ birth *date*~~[month of one (1) of them]~~ to be used for purposes of this section; and

If none of the remaining owners are a resident of Kentucky, one (1) of the owners shall title the vehicle in that owner's state of residence.*
- (c) ~~[In addition,]~~ If a motor vehicle is jointly owned by a *married couple*~~[husband and wife]~~, the ownership shall exist as a joint tenancy with right of survivorship, unless the registration expressly states to the contrary and gives an alternative specific status. *One (1) of the owners shall indicate to the county*

clerk his or her birth date to be used for purposes of this section. Upon the death of one (1) of the spouses, the jointly-owned vehicle shall transfer to the surviving spouse free from payment of any state-required ~~transfer~~~~transferal~~ fees.

- (3) The certificate of registration and license plate issued for a motor vehicle first registered, renewed, or titled in this state ~~on or after January 1, 1983,~~ shall be valid ***until the expiration date on the registration receipt***, unless revoked in accordance with KRS 186A.040 or canceled by the cabinet in accordance with KRS Chapter 186 or this chapter~~, upon payment of the required fee, for a period beginning on the first day of the month of the year in which registration is applied for, and expiring on the last day of the next birth month of the owner following the month during which registration is applied for. Upon the owner's request, and after payment of the proper prorated fee, an owner may obtain a certificate of registration and license plate valid through the last day of his second birth month following the month and year in which he applied for a certificate of registration.~~ Any transaction relating to registration or registration renewal which would cause an unexpired Kentucky motor vehicle license plate to be surrendered shall have that unexpired fee prorated or credited against any additional fee required by a subsequent registration.
- (4) After a motor vehicle has been initially placed in the system of year-round registration, the owner shall renew the registration annually during the owner's birth month, ***either*** by making application to the county clerk ***or on the cabinet's website***, and paying the fee required for twelve (12) consecutive months of registration, which shall take effect on the first day of the month succeeding the owner's birth month and shall expire on the last day of the owner's next birth month. Nonreceipt of the notice required by this subsection shall not constitute a defense to any registration-related offense.
- (6) Any owner who fails to renew the registration of a motor vehicle during the month in which the previous registration expired shall, if he ***or she*** applies for renewal of the registration in some later month, pay the same fees that would have been required if the registration had been renewed in the month which the previous registration expired.

Any vehicle which is registered at any time during a month shall pay the fee required for that whole month plus any additional months of registration purchased consistent with the intent of the section.
- (8) The county clerk shall ensure that the certificate of registration issued to an owner displays the month and year in which the registration period begins and the month and year of its expiration, and shall issue to the owner a decal or decals corresponding to the month and year of expiration shown in the certificate of registration which shall be placed upon the corresponding license plate by the owner in the manner required by administrative regulations of the Department of Vehicle Regulation.

➔Section 2. KRS 186A.060 is amended to read as follows:

- (1) The Department of Vehicle Regulation is directed to develop, in cooperation with county clerks, auto dealers, and the Department of Revenue, Department of Insurance, and Department of Kentucky State Police, the forms required to record all information pertinent to the registration, titling, and taxation of a vehicle.
- (2) The Department of Vehicle Regulation shall make every effort to minimize and reduce the amount of paperwork required to apply for, or transfer, a vehicle title. When possible, the title document itself shall be used as the primary form used to effect a transfer of vehicle ownership. The title document shall contain space exclusively reserved for a minimum of two (2) dealer assignments.
- (3) When no in-state title exists, forms shall be designed by the department that require only the appropriate and essential information to effect the application for title.
- (4) (a) The department shall constantly review the information needs of government agencies and other organizations with the goal of reducing or eliminating unnecessary documentation. Information being sought for application for title relevant to, but not limited to, vehicle identification, owner, buyer, usage tax, county clerk, or inspector shall be set forth by the cabinet in such a way as to promote flexibility in reaching this goal.

- (b) *Subject to the limitations of paragraph (c) of this subsection*, an applicant for a motor vehicle title shall be required to provide his or her Kentucky operator's license number, Kentucky personal identification card number, or Social Security number as part of the application process.
 - (c) *If a motor vehicle is jointly owned, one (1) of the owners, who is a resident of Kentucky, shall be identified as the designated owner, and only the designated owner shall be required to provide his or her Kentucky operator's license number, Kentucky personal identification card number, or Social Security number as part of the application process.*
 - (d) Any vehicle owned by a business that is licensed by the Secretary of State shall be titled using a Federal Employer Identification Number.
- (5) The use of an electronic medium shall be employed so that forms can be printed by the automated system. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation.
 - (6) Any person who knowingly enters, or attests to the entry of, false or erroneous information in pursuit of a certificate of title shall be guilty of forgery in the second degree.

➔Section 3. Whereas, the law currently restricts the ability of many motor vehicle owners from properly registering their vehicles in the Commonwealth, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor April 4, 2024.

 - (d) *After the tax year in which the annexation occurs, if the revenues generated by the city license fee for the territory decrease below the amount of revenue generated by the county license fee at the time of the annexation, then the revenue received by the county from the city shall be reduced proportionately*~~, then the county shall at least receive the same dollar amount of revenue that was generated in the preceding tax year by the county license fee. After the tax year in which the annexation occurs, if the revenues generated by both the city and county license fees for that territory decrease below the amount of revenue generated in that preceding tax year by the county license fee, then the revenue received by the county shall be reduced proportionately. Any increase in the license fee rate by the city or the county after the date of the annexation shall be subject to the crediting provisions contained in subsections (6) and (7) of this section~~.

Notwithstanding subsection (7) of this section, there shall be no credit of any license fee increased or decreased under this paragraph except by agreement between the county and the city in accordance with subsection (6) of this section.
 - (d) This subsection shall have retroactive application; and

- (e) If any provision of this subsection or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of this section that can be given effect without the invalid provision or application, and to this end the provisions of this subsection are severable.
- (11) Pursuant to this section, no fiscal court shall regulate any aspect of the manner in which any duly ordained, commissioned, or denominationally licensed minister of religion may perform his or her duties and activities as a minister of religion. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 65.7631 is amended to read as follows:

- (1) The moneys in the CMRS fund shall be apportioned among the approved uses of the fund as specified in this section. The board shall make individual disbursements from the fund upon such terms and conditions necessary in view of the amount of revenues on deposit at the time each request for disbursement is reviewed and approved.
- (2) Not more than two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement by the board to pay the administrative costs and expenses incurred in the operation of the board in carrying out the functions and duties set forth in KRS 65.7621 to 65.7643.
- (3) (a) Prior to August 1, 2022, two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be used solely for the purpose of establishing or maintaining statewide 911 initiatives to assist with the adoption and operation of next generation 911 services and applications. Fund disbursements shall be limited to equipment, hardware, software, or contracted services used in the preparation for, or delivery of, next generation 911 systems and services.
- (b) On and after August 1, 2022, and before July 1, ~~2025~~~~2024~~, the rate shall be five percent (5%).
- (c) On and after July 1, ~~2025~~~~2024~~, the rate shall be two and one-half percent (2.5%).
- (4) (a) Prior to August 1, 2022, ten percent (10%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement to provide direct grants, matching money, or funds to PSAPs as determined by the Kentucky 911 Services Board:
1. For the establishment and improvement of 911 services in the Commonwealth, including the implementation of next generation 911 capacity;
 2. For incentives to create more efficient delivery of 911 services by local governments receiving funding under subsection (5) of this section; and
 3. For consolidation reimbursement of two hundred thousand dollars (\$200,000) per PSAP, not to exceed four hundred thousand dollars (\$400,000) per county, to any PSAP that consolidates with a CMRS-certified PSAP, or creates a newly consolidated Phase II compliant PSAP. Funds shall be applied toward the cost of consolidating. If a PSAP consolidates and receives reimbursement, the Kentucky 911 Services Board shall not certify a new PSAP within the same county for a period of ten (10) years.
- (b) On and after August 1, 2022, and before July 1, ~~2025~~~~2024~~, the rate shall be seven and one-half percent (7.5%).

(c) On and after July 1, ~~2025~~~~[2024]~~, the rate shall be ten percent (10%).

When the balance of money collected under this subsection and not yet obligated for permitted uses exceeds **three million dollars (\$3,000,000)**~~[two million five hundred thousand dollars (\$2,500,000)]~~ in any fiscal year, the excess amount shall be allocated under subsection (5) of this section.

- (5) The balance of the total monthly revenues deposited into the CMRS fund after the amounts disbursed or reserved for disbursement under subsections (2), (3), and (4) of this section have been subtracted shall be distributed to PSAPs eligible to receive disbursement from the CMRS fund under subsection (6) of this section who actually request disbursement, as follows:
- (a) Fifty percent (50%) of the remaining balance to be allocated under this subsection shall be distributed according to the "PSAP pro rata formula," whereby each state police dispatch center that previously qualified for PSAP pro rata formula funding under subsection (6)(a)2.a. of this section but subsequently qualifies under subsection (6)(a)2.b. of this section receives a percentage determined by dividing one-half (1/2) by the total number of PSAPs eligible to request and actually requesting disbursements under subsection (6) of this section. The remaining balance to be allocated under this subsection shall be distributed to all remaining qualifying PSAPs equally. Any PSAPs certified before January 1, 2004, or for more than three (3) years, that choose to consolidate their operations shall continue to receive pro-rata shares as if they remained separate and distinct entities. The consolidated entity must be certified to receive funds under subsection (6) of this section; and
- (b) Fifty percent (50%) of the remaining balance to be allocated under this subsection shall be distributed according to a method chosen by the board and based on the wireless workload of the PSAP. Methods to be considered may be based on the number of wireless 911 calls answered by each PSAP, the number of wireless phone users served by each PSAP, or any other method deemed by the board to be reasonable and equitable. The method chosen by the board shall be promulgated as a regulation under KRS 65.7633.

All amounts distributed to PSAPs under this subsection shall be used by the PSAPs solely for the purposes of answering, routing, and properly disposing of 911 calls, training PSAP staff, and public education concerning appropriate use of 911, in accordance with KRS 65.760(4) and (5). Additionally, amounts distributed to PSAPs under this subsection may be used for the purposes of complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission pursuant to the FCC order, including the payment of costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service.

- (6) (a) Notwithstanding any other provision of the law, no PSAP shall be eligible to request or receive a disbursement from the CMRS fund under subsection (4)(a) or (b) or (5) of this section unless and until the PSAP:
1. Is expressly certified as a PSAP by the Kentucky 911 Services Board, upon written application to the board;
 2. Demonstrates that the PSAP is:
 - a. Providing E911 services to a local government that has adopted an ordinance either imposing a special tax, license, or fee as authorized by KRS 65.760(3) or has established other means of funding wireline 911 emergency service; or
 - b. A state police dispatch center that actively serves as an alternate or backup PSAP for one (1) or more nonstate police PSAPs;
 3. Demonstrates that the administrator of the PSAP sent a request for wireless, E911 service to a CMRS provider, and that the infrastructure of the local exchange carrier will support wireless E911 service;
 4. Provides an accounting of the number of wireless E911 calls received by the PSAP during the prior calendar year if requested by the board;
 5. Demonstrates that the PSAP has made the investment which is necessary to allow the PSAP to receive and utilize the data elements associated with wireless E911 service; and
 6. Adopts and participates in, or provides a compatible service to, board-funded statewide next generation 911 projects, programs, and initiatives required to meet federal directives, and

supports or implements next generation 911 emergency services Internet protocol networks, core services, and geographic information services components.

- (b) In addition to the requirements of paragraph (a) of this subsection and in order to encourage the additional consolidation of PSAPs by local governments and state government agencies, ~~after January 1, 2017,~~ a PSAP shall receive priority consideration for distributions of funds from subsection (4)(a) and (b) of this section as follows:
1. A PSAP that is not a state police dispatch center and that covers all local governments within two (2) or more counties shall receive first priority in the distribution of the funds by the board;
 2. A PSAP, including any state police dispatch center, that covers all the local governments within a single county shall receive second priority in the distribution of the funds by the board; and
 3. A PSAP, including any state police dispatch center, that does not cover all of the local governments within a single county shall receive the last priority for the distribution of the funds listed in this subsection by the board.

➔Section 2. KRS 241.170 is amended to read as follows:

- (1) The city administrator in each city of the first class or the administrator in a consolidated local government, and any investigators and clerks deemed necessary for the proper conduct of this office, shall be appointed by the mayor. If there is no city manager, the city administrator *and any investigators or clerks* shall be appointed by the mayor. *The jurisdiction of a city administrator appointed pursuant to this subsection shall be coextensive with the boundaries of the city, and the city administrator and the administrator's investigators shall have the same powers authorized under subsection (1) of this section.*
- (3) No person shall be an administrator, an investigator, or an employee of the city or a consolidated local government under the supervision of the administrator, who would be disqualified to be a member of the board under KRS 241.100.

If the member does not accrue at least two hundred forty (240) months of service, excluding service purchased under this subsection, upon retirement, death, or written request following termination, the payment, plus interest as provided in KRS 16.560, 61.575, or 78.640, as applicable, shall be refunded.

Service purchases made pursuant to subsections (2) and (3) of this section shall only be purchased by the entire amount of service available; and
 - (e) Service purchases as provided by subsections (5)(b), ~~((5))(d) to (f), and~~~~((5))(j)1.~~ and (6) of this section may be purchased in any system in which the member has service credit.

- (b) A Kentucky Employees Retirement System employer shall pay the cost of the service credit within the fiscal year the election is made to purchase the service credit. 1. Making a lump-sum payment on a before-tax basis as provided in subparagraph 3. of this paragraph, or on an after-tax basis if the employee is purchasing service credit under subsection (1) or (3) of this section, service available pursuant to 38 U.S.C. ch. 43 not otherwise provided for in this section, or grandfathered service as defined in paragraph (b) of this subsection;
 2. Entering into an agreement to purchase service credit through an installment purchase of service agreement with the systems as provided by paragraph (c) of this subsection:

- a. On a before-tax basis in which the service is purchased pursuant to the employer pick-up provisions in 26 U.S.C. sec. 414(h)(2); or

3. Transferring funds to the system through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder, or through a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. secs. 402(c) and 408(d)(3). The system shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder.
- (b) For purposes of this subsection, "grandfathered service" means service purchases for which a member, whose membership date in the system is prior to July 1, 1999, is eligible to purchase under KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, that were available for all members of the system to purchase on August 5, 1997.
- (c)
 1. For service purchased under a before-tax or after-tax installment purchase of service agreement as provided by paragraph (a)2. of this subsection, the cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal, except that interest compounded annually at the actuarial rate in effect at the time the member elects to make the purchase shall be added for the period that the installments are to be made.
 2. Multiple service purchases may be combined under a single installment agreement, except that no employee may make more than one (1) installment purchase at the same time.
 3. For after-tax installment purchase of service agreements, the employee may elect to stop the installment payments by notifying the system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal or a portion of the remaining principal.
 4. Before-tax installment purchase of service agreements shall be irrevocable, and the employee shall not be able to stop installment payments or to pay off the remaining balance of the purchase of service agreement, except upon termination of employment or death.
 5. One (1) year of installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.
 6. The employee shall pay the installments by payroll deduction for after-tax purchase of service agreements, and the employer shall pick up installments for before-tax purchase of service agreements. Upon notification by the system, the employer shall report the installment payments monthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board.
 7. The system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
 8. If the employee utilizing an installment purchase of service agreement dies, retires, does not continue employment in a position required to participate in the system, or elects to stop an after-tax installment purchase of service agreement, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal or a portion of the remaining principal of the installment purchase of service agreement by lump sum, subject to the restrictions of paragraph (a)1. of this subsection, or by transfer of funds under paragraph (a)3. of this subsection, except that payment by the member shall be filed with the system prior to the member's effective retirement date. If the member or beneficiary does not pay the remaining

cost, the system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased, except as provided by subsection (6) of this section.

9. If the employer does not report installment payments on an employee for sixty (60) days for an after-tax installment purchase of service agreement, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 10. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.
 11. If payments have ceased under subparagraph 8. or 9. of this paragraph and the member later becomes a participating employee in the County Employees Retirement System, Kentucky Employees Retirement System, or State Police Retirement System, the employee may complete the adjusted original installment purchase by lump sum or installment payments, subject to the restrictions of this subsection. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with subsection (10) of this section.
- (d) Member payments, including interest, properly received pursuant to this subsection, shall be deposited to the member's account and considered as accumulated contributions of the individual member.
- (10) (a) The cost of purchasing service credit under any provision of this section, except as provided by subsections (1) to (3) of this section, shall be determined by multiplying the higher of the employee's current rate of pay, final rate of pay, or final compensation as of the end of the month in which the purchase is made times the actuarial factor times the number of years of service being purchased. The actuarial factor used to determine the cost of purchasing service credit shall assume the earliest date the member may retire without a reduction in benefits and the cost-of-living adjustments provided to members upon retirement.
- (b) Service purchased on or after August 1, 2004, under the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, except for service purchased under subsections (1) to (3) of this section or service purchased as described by paragraph (d) of this subsection, shall not be used to determine eligibility for or the amount of the monthly insurance contribution under KRS 61.702 or 78.5536.
- (c) For a member whose **membership date is** ~~[participation begins]~~ on or after August 1, 2004, service purchased under the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, except for service purchased under subsections (1) to (3) of this section or service purchased as described by paragraph (d) of this subsection:
1. Shall not be used to determine eligibility for a retirement allowance under disability retirement, early retirement, normal retirement, or upon death of the member under any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852; and
 2. Shall only be used to determine the amount of the retirement allowance of a member who is eligible for a retirement allowance under disability, early retirement, normal retirement, or upon death of the member under any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, based on service earned as a participating employee.
- (d) Paragraphs (b) and (c) of this subsection shall not apply to a member who was bound by an educational contract as a conditional employee to the state of Kentucky prior to December 31, 2003, regardless of ~~participation date or~~ membership date in the system. Educational leave, seasonal service, or any other qualified service purchased by a member with this classification under this section shall be used to determine eligibility for benefits, membership dates ~~[or participation dates]~~, and the amount of benefit for:
1. A retirement allowance under disability retirement, early retirement, normal retirement, or death under any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852; and

The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.
 - (b) Notwithstanding any statute to the contrary, after April 9, 2002, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 to 18A.229 for its active employees, except that:
 1. County governments entering the system between April 9, 2002, and July 1, 2003, under this section shall be excluded from this requirement;
 2. Agencies entering the system on or after April 9, 2002, which were established by a merger or an interlocal agreement to provide public services shall be excluded from this requirement if any agencies entering into the merger or interlocal agreement had an initial participation date with the system prior to April 9, 2002; and
 3. Any consolidated emergency services district.
- (2) Once a county or school board participates, it shall thereafter continue to participate, except as provided in KRS 78.535.
- (3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employee electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(1)(b) ~~and (e)~~, current service credit for employment in regular full-time positions between July 1, 1958, and the participation date of the county. Cities which participate in the system pursuant to subsection (6) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to purchase on behalf of each employee electing coverage only as much service credit as the employee has accumulated in the city-administered plan, up to the participation date of the city. Accumulated service shall include service for which an employee received a refund pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the employee has not yet repaid the refund, he ***or she*** may make payment to the system by any method acceptable to the system,

and the requirement of five (5) years of continuous reemployment prior to repayment of refunds shall not apply. Upon the employee's repayment, the city shall purchase the associated service credit for the employee. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county.

- (b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years, with interest at the rate actuarially assumed by the board. A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, except that cities which participate in the system pursuant to subsection (6) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend the payment schedule to a maximum of thirty (30) years, may choose to make level payments at the interest rate actuarially assumed by the board over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employees electing coverage.
- (c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958, and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. In addition, the city may maintain any tax, the proceeds of which had been devoted to funding pension obligations under the locally administered plan prior to participation in the system, for the purpose of funding current service costs incurred after the date of participation. The city may increase the tax to pay current service costs which exceed the local pension system costs to which the tax had been devoted, but the city shall not collect from the tax more revenues than are necessary to pay current service costs incurred after the date of participation. The city may continue the tax so long as it participates in the system, and the tax shall not be subject to the provisions of KRS 132.017 or 132.027. The city shall not collect either tax authorized by this paragraph if its participation has been terminated pursuant to KRS 78.535.
- (d) The county may at a later date purchase current service credit from July 1, 1958, to the participation date of the county by alternate participation plan for those employees who rejected membership in the system at the time the county first participated. In addition, the employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his or her creditable compensation from the participation date of the county to the date he or she elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by adding it to the existing payment schedule established under paragraph (b) of this subsection.
- (e) A county which did not participate by alternate participation may, until July 1, 1991, purchase current service credit for those employees who rejected membership in the system at the time the county first participated. The employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his or her creditable compensation from the participation date of the county to the date he or she elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. The county shall pay the cost of the service credit by lump sum or by establishing a payment schedule under paragraph (b) of this subsection.
- (f) A county which participated in the system but did not elect the alternate participation plan may at a later date elect the alternate participation plan. In this case, the county shall purchase on behalf of each employee participating in the system current service credit for employment in regular full-time positions between July 1, 1958, or a later date selected by the county government, and the participation date of the county. The county shall also purchase, for employees who decide to participate when the

county elects the alternate participation plan, current service credit for employment in regular full-time positions between July 1, 1958, or the later date selected by the county government, and the participation date of the county. In addition, the county shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his or her creditable compensation from the participation date of the county to the date he or she elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by a payment schedule established under paragraph (b) of this subsection.

- (g) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, this subsection shall not apply to members who begin participating in the system on or after January 1, 2014, and no county that elects to participate in the system on or after January 1, 2014, shall be eligible to participate under the alternate participation plan.
- (4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.
- (5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system hospitals and any other semi-independent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.
- (6) (a) After August 1, 1988, except as permitted by KRS 65.156, no local government retirement system shall be created pursuant to KRS 70.580 to 70.598 and any local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new members. New employees who would have been granted membership in such retirement systems shall instead be granted membership in the County Employees Retirement System. Employees who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or firefighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any such policemen or firefighter members employed on or prior to August 1, 1988, who transfer to the County Employees Retirement System, shall be certified by their employers as working in hazardous positions. Each city participating in the County Employees Retirement System pursuant to this subsection shall execute the appropriate order authorizing such participation, shall select the alternate participation plan as described in subsection (3) of this section, and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. Cities which closed their local pension systems to new members and participated in the system prior to July 15, 1988, whose employees at the time of transition were given the option to join the system shall not be required to offer said employees a second option to join the system.
- (b) Notwithstanding any statute to the contrary, after April 9, 2002, the system shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 to 18A.229 for its active employees, except that agencies entering the system on or after April 9, 2002, which were established by a merger or an interlocal agreement to provide public services shall be excluded from this requirement if all agencies entering into the merger or interlocal agreement had an initial participation date with the system prior to April 9, 2002.
- (7) Any city which closed a police and firefighter pension plan to new members between January 1, 1988, and July 15, 1988, and participated in the system under the alternate participation plan shall, if its police and firefighters were not covered by Social Security, or any city which operates a pension under KRS 90.400 or 90.410, shall be required to certify that its police and firefighters are working in hazardous positions, and shall offer its police and firefighters in service at the time of entry a second option to participate under hazardous duty coverage if they were not offered hazardous duty coverage at the time of their first option. The provisions of subsection (3)(b) of this section notwithstanding, a city affected by this subsection may, at its option, extend its payment schedule to the County Employees Retirement System for alternate participation to thirty (30) years at the rate actuarially assumed by the board.

Notwithstanding the provisions of any other statute except subparagraph 3.b. of this paragraph, system recipients shall be included in the same class as current state employees for purposes of determining medical insurance policies and premiums in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287.
2. Regardless of age, if a recipient or the spouse or dependent child of a recipient who elects coverage becomes eligible for Medicare, he or she shall participate in the plans offered by the systems for Medicare eligible recipients. Individuals participating in the Medicare eligible plans may be required to obtain and pay for Medicare Part A and Part B coverage in order to participate in the Medicare eligible plans offered by the system.
3. The system shall continue to provide the same hospital and medical insurance plan coverage for recipients and qualifying dependents after the age of sixty-five (65) as before the age of sixty-five (65), if:
 - a. The recipient is not eligible for Medicare coverage; or
 - b. The recipient would otherwise be eligible for Medicare coverage but is subject to the Medicare Secondary Payer Act under 42 U.S.C. sec. 1395y(b) and has been reemployed by a participating agency which offers the recipient a hospital and medical insurance benefit or by a participating agency which is prevented from offering a hospital and medical benefit to the recipient as a condition of reemployment under KRS 70.293, 95.022, or 164.952. Individuals who are eligible, pursuant to this subdivision, to be included in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287 may be rated as a separate class from other eligible employees and retirees for the purpose of determining medical insurance premiums.
- (c) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (6) of this section.
- (d) Notwithstanding anything in KRS Chapter 78 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq.
- (3) (a) Each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852 shall contribute to the insurance trust fund established by KRS 61.701 the amount necessary to provide the monthly contribution rate as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate determined under KRS 78.635.

- (b)
 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member whose membership date begins on or after September 1, 2008, an amount equal to one percent (1%) of the member's creditable compensation. The deducted amounts shall, at the discretion of the board, be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding the provisions of this paragraph, a transfer of assets between the accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, and the insurance trust fund established under KRS 61.701 shall not be allowed.
 2. The employer shall file the contributions as provided by subparagraph 1. of this paragraph at the retirement office in accordance with KRS 78.625. Any interest or penalties paid on any delinquent contributions shall be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding any minimum compensation requirements provided by law, the deductions provided by this paragraph shall be made, and the compensation of the member shall be reduced accordingly.
 3. Each employer shall submit payroll reports, contributions lists, and other data as may be required by administrative regulation promulgated by the board of trustees pursuant to KRS Chapter 13A.
 4. Every member shall be deemed to consent and agree to the deductions made pursuant to this paragraph, and the payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 78.510 to 78.852. No member may elect whether to participate in, or choose the contribution amount to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to September 1, 2008, pursuant to KRS 61.552(2) or (3), then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 78.510 to 78.852.
 5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701, through the use of separate accounts.
- (4) (a) The premium required to provide hospital and medical insurance plan coverage under this section shall be paid wholly or partly from funds contributed by:
 1. The recipient of a retirement allowance, by payroll deduction from his or her retirement allowance, electronic funds transfer, or by other method;

 3. Another state-administered retirement system, including the systems administered by Kentucky Retirement Systems, under a reciprocal arrangement, except that any portion of the premium paid from the funds specified by subparagraph 2. of this paragraph under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in the County Employees Retirement System. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the insurance trust fund established under KRS 61.701 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, shall pay the balance; or
 4. A combination of the fund sources described by subparagraph 1. to 3. of this paragraph.

Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse, each dependent child, and each disabled child, or beneficiary is paid by payroll deduction from the retirement allowance, electronic funds transfer, or by another method. For purposes of this subsection only, a child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits or meets the dependent disability standard established by the Department of Employee Insurance in the Personnel Cabinet.

- (b) For a member who began participating in the system prior to July 1, 2003, the monthly contribution rate shall be paid by the system from the funds specified under paragraph (a)2. of this subsection and shall be equal to a percentage of the single premium to cover the retired member as follows:
1. One hundred percent (100%) of the monthly premium for single coverage shall be paid for a retired member who had two hundred forty (240) months of service or more upon retirement or for a retired member who when he or she was an employee was disabled as a direct result of an act in line of duty as defined in KRS 78.510(48) or as a result of a duty-related injury as defined in KRS 61.621;
 2. Seventy-five percent (75%) of the monthly premium for single coverage shall be paid for a retired member who had less than two hundred forty (240) months of service but at least one hundred eighty (180) months of service upon retirement, provided such retired member agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method;
 3. Fifty percent (50%) of the monthly premium for single coverage shall be paid for a retired member who had less than one hundred eighty (180) months of service but had at least one hundred twenty (120) months of service upon retirement, provided such retired member agrees to pay the remaining fifty percent (50%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method; or
 4. Twenty-five percent (25%) of the monthly premium for single coverage shall be paid for a retired member who had less than one hundred twenty (120) months of service but had at least forty-eight (48) months of service upon retirement, provided such retired member agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method.

- (2) *Provide the prospective party with information that the lawyer reasonably believes is sufficient for the party to make an informed decision about the material benefits and risks of a collaborative law process as compared to the material benefits and risks of other reasonably available alternatives for resolving the proposed collaborative matter, such as litigation, mediation, arbitration, or expert evaluation; and*
- (3) *Advise the prospective party that:*
 - (a) *After signing an agreement, if a party initiates a proceeding or seeks court intervention in a pending proceeding related to the collaborative matter, the collaborative law process terminates;*
 - (b) *Participation in a collaborative law process is voluntary and any party has the right to unilaterally terminate a collaborative law process with or without cause; and*
 - (c) *The collaborative lawyer and any lawyer in a law firm with which the collaborative lawyer is associated may not appear before a court to represent a party in a proceeding related to the collaborative matter, except as authorized by subsection (3) of Section 6 of this Act, subsection (2) of Section 7 of this Act, or subsection (2) of Section 8 of this Act.*

 - (b) *A nonparty participant may refuse to disclose, and may prevent any other person from disclosing, a collaborative law communication of the nonparty participant.*
- (3) *Evidence or information that is otherwise admissible or subject to discovery does not become inadmissible or protected from discovery solely because of its disclosure or use in a collaborative law process.*

➔SECTION 14. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

- (1) *A privilege under Section 13 of this Act may be waived in a record or orally during a proceeding if it is expressly waived by all parties and, in the case of the privilege of a nonparty participant, it is also expressly waived by the nonparty participant.*
- (2) *A person that makes a disclosure or representation about a collaborative law communication which prejudices another person in a proceeding may not assert a privilege under Section 13 of this Act, but this preclusion applies only to the extent necessary for the person prejudiced to respond to the disclosure or representation.*

➔SECTION 15. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

- (1) *There is no privilege under Section 13 of this Act for a collaborative law communication that is:*

 - (b) *A threat or statement of a plan to inflict bodily injury or commit a crime of violence;*

 - (a) *A claim or complaint of professional misconduct or malpractice arising from or related to a collaborative law process; or*

- (b) *Abuse, neglect, abandonment, or exploitation of a child or adult, unless the Cabinet for Health and Family Services is a party to or otherwise participates in the process.*
- (3) *There shall be no privilege under Section 13 of this Act if a court finds, after a hearing in camera, that the party seeking discovery or the proponent of the evidence has shown the evidence is not otherwise available, the need for the evidence substantially outweighs the interest in protecting confidentiality, and the collaborative law communication is sought or offered in:*
- (a) *A court proceeding involving a felony; or*
- (b) *A proceeding seeking rescission or reformation of a contract arising out of the collaborative law process or in which a defense to avoid liability on the contract is asserted.*
- (4) *If a collaborative law communication is subject to an exception under subsection (2) or (3) of this section, only the part of the communication necessary for the application of the exception may be disclosed or admitted.*
- (5) *Disclosure or admission of evidence excepted from the privilege under subsection (2) or (3) of this section does not make the evidence or any other collaborative law communication discoverable or admissible for any other purpose.*
- (6) *The privileges under Section 13 of this Act shall not apply if the parties agree in advance in a signed record, or if a record of a proceeding reflects agreement by the parties, that all or part of a collaborative law process is not privileged. This subsection shall not apply to a collaborative law communication made by a person that did not receive actual notice of the agreement before the communication was made.*

➔SECTION 16. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

- (1) *If an agreement fails to meet the requirements of Section 3 of this Act, or a lawyer fails to comply with Section 11 or 12 of this Act, a court may nonetheless find that the parties intended to enter into a collaborative law participation agreement if they:*
- (a) *Signed a record indicating an intention to enter into a collaborative law participation agreement; and*
- (b) *Reasonably believed they were participating in a collaborative law process.*
- (2) *If a court makes the findings specified in subsection (1) of this section, and the interests of justice require, the court may:*
- (a) *Enforce an agreement evidenced by a record resulting from the process in which the parties participated;*
- (b) *Apply the disqualification provisions of Sections 6, 7, and 8 of this Act; and*
- (c) *Apply a privilege under Section 13 of this Act.*

With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (13) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance.  - (h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.
- (3) The premiums may be paid by the policyholder:
- (a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;
 - (b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or
 - (c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

- (4) If an employee moves his or her place of residence or employment out of the service area of an insurer offering a managed health care plan, under which he or she has elected coverage, into either the service area of another managed health care plan or into an area of the Commonwealth not within a managed health care plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health benefit plan.
- (5) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.
- (6) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.
- (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.
- (8) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.
- (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or the secretary's designee regarding the state-sponsored health insurance program for employees. - (11) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.
- (12) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- (13)
 - (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

- (18) If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.
- (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.
- (20) Notwithstanding any other provision of this section, the bid for proposals for health insurance coverage for calendar year 2004 shall include a bid scenario that reflects the statewide rating structure provided in calendar year 2003 and a bid scenario that allows for a regional rating structure that allows carriers to submit bids that may vary by region for a given product offering as described in this subsection:

If the Personnel Cabinet deems the bids submitted in accordance with this subsection to be in the best interests of state employees in a region, the cabinet may award the contract for that region to no more than two (2) carriers; and

CHAPTER 71

(SJR 175)

A JOINT RESOLUTION facilitating the deployment of broadband internet service to unserved and underserved citizens in the Commonwealth and declaring an emergency.

WHEREAS, access to broadband internet service has become critical for social and economic prosperity because it links the citizens of the Commonwealth to each other and to other parts of the world; and

WHEREAS, the lack of access to broadband internet service, which is predominantly a problem in the rural areas of the Commonwealth, places unserved and underserved citizens in those areas at a significant disadvantage; and

WHEREAS, the National Telecommunications and Information Administration allocated \$1.1 billion to the Commonwealth in the Broadband Equity, Access, and Deployment (BEAD) Program that will be used to deploy broadband internet service to unserved and underserved residents throughout the Commonwealth; and

WHEREAS, another \$157 million will be available for network expansion through the Rural Digital Opportunity Fund and state and local broadband initiatives that will help bring high-speed broadband internet service to every area and every citizen of the Commonwealth, regardless of that citizen's location or household income; and

WHEREAS, broadband internet service providers are motivated to begin deploying broadband internet service to unserved and underserved citizens, which requires attaching the necessary fiber optic cables to utility poles throughout the Commonwealth and comply with the funding and performance guidelines set by the BEAD Program and other government-funded broadband initiatives; and

WHEREAS, since January 5, 2024, the Public Service Commission has been hosting stakeholder meetings on pole attachment delays; and

WHEREAS, every effort must be made by the Public Service Commission to streamline the process and remove unnecessary delays in how attachment requests by broadband service providers are received and processed by the utilities that own the utility poles;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The General Assembly of the Commonwealth of Kentucky hereby directs the Public Service Commission to promulgate emergency administrative regulations pursuant to KRS Chapter 13A on utility pole attachments not later than 60 days after the effective date of this Resolution that shall at a minimum:

(1) Remove any unreasonable utility pole attachment-related impediments to the deployment of broadband service throughout the Commonwealth;

(2) Establish parameters to expedite the processing of pole attachment requests for unserved and underserved areas of the Commonwealth in accordance with the BEAD Program and other government-funded broadband initiatives, as authorized by the bipartisan Infrastructure Investment and Jobs Act, Pub. L. No. 117-58, and other government-funded broadband initiatives;

(3) Reduce the backlog of utility pole attachment requests; and

(4) Direct utilities that own poles to file new tariffs if necessary to conform with the emergency administrative regulations promulgated by the Public Service Commission no later than 60 days after the effective date of the emergency administrative regulations. In promulgating administrative regulations under this section, the Public Service Commission shall ensure that any new or amended administrative regulations are tailored to advance the buildout of broadband service to unserved and underserved areas and does not result in an undue burden in processing pole attachment requests for service in served areas of the Commonwealth.

➔Section 2. The Public Service Commission shall initiate a docket on utility pole attachment issues to receive comments from the affected parties and find resolutions that will expedite utility pole attachment requests and the deployment of broadband throughout the Commonwealth. Small telephone utilities, as defined in KRS 278.516, may elect to participate in this docket either independently or collectively, but shall not be required to participate in this proceeding. The docket shall remain open until all utility pole attachment requests funded by the BEAD Program, the Rural Digital Opportunity Fund, state broadband grants, and local direct broadband deals are processed and the projects are completed.

➔Section 3. Beginning September 30, 2024, and quarterly thereafter, the Public Service Commission shall issue a report to the Legislative Research Commission for referral to the Interim Joint Committee on Natural Resources and Energy, updating the General Assembly on the progress made in expediting utility pole attachment requests for broadband service.

➔Section 4. Whereas broadband service is critical to the economic prosperity of the Commonwealth, and the timetables for broadband projects funded by the BEAD Program and other government-funded broadband initiatives must be adhered to, an emergency is declared to exist, and this Resolution takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor April 4, 2024.

- (a) *A controller shall respond to the consumer without undue delay, but in all cases within forty-five (45) days of receipt of the request submitted pursuant to the methods described in this section. The use of de-identified data and the reasonable expectations of consumers, as well as the context of the processing of personal data and the relationship between the controller and the consumer whose personal data will be processed, shall be factored into this assessment by the controller.*

- (5) *The disclosure of a data protection impact assessment pursuant to a request from the Attorney General under subsection (3) of this section does not constitute a waiver of the attorney-client privilege or work product protection with respect to the assessment and any information contained in the assessment.*
- (6) *A single data protection assessment may address a comparable set of processing operations that include similar activities.*
- (7) *Data protection assessments conducted by a controller for the purpose of compliance with other laws or regulations may comply under this section if the assessments have a reasonably comparable scope and effect.*

 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance.  - (h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.
- (3) The premiums may be paid by the policyholder:
- (a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;
 - (b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or
 - (c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

- (5) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.
- (6) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.
- (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.
- (8) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.
- (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or the secretary's designee regarding the state-sponsored health insurance program for employees. - (10) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.
- (11) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.
- (12) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- (13)
 - (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

The retail pharmacy shall not be required to dispense by mail.
 - (c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

CHAPTER 83

(SB 17)

AN ACT relating to certificates of death.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 213.076 is amended to read as follows:

- (1) (a) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such, shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. ~~Effective January 1, 2015,~~ All certificates of death shall be filed with the cabinet using the Kentucky Electronic Death Registration System in a manner directed by the state registrar.
- (b) At the time of obtaining the required personal and statistical particulars from the informant referred to in paragraph (a) of this subsection, the funeral director, or person acting as such, shall ask the informant

if the deceased ever served in the military. If the informant answers in the affirmative, then the funeral director, or person acting as such, shall provide the informant with a fact sheet stating military burial rights supplied by the Kentucky Department of Veterans' Affairs.

- (c) The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, advanced practice registered nurse, or physician assistant, if any, to the physician pronouncing death, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.
 - (d) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.
 - (e) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.
 - (f) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.
 - (g) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.
- (2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause. A funeral director shall not be held responsible for the failure of a physician, advanced practice registered nurse, physician assistant, dentist, chiropractor, or coroner to complete or correct the entry for which he or she is responsible.
- (3) (a) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, advanced practice registered nurse, physician assistant, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, or if the cause of death is unknown or under investigation, the **medical certification shall be completed**~~cause of death shall be shown as such on the certificate. A supplemental report providing the medical information omitted from the original certificate shall be filed by the certifier with the state registrar~~ within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. ~~The supplemental report shall be made a part of the existing death certificate. This report shall be considered an amendment, and the death certificate shall be marked "Amended."~~
- (b) In the absence of the physician, advanced practice registered nurse, physician assistant, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his **or her** associate physician, advanced practice registered nurse, physician assistant, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician, advanced practice registered nurse, or physician assistant employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.
- (4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, advanced practice registered nurse, physician assistant, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available

to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

- (5) (a) The physician, advanced practice registered nurse, physician assistant, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Vital Statistics Branch. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.
- (b) In the case of a death in which diabetes was known to be an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, advanced practice registered nurse, physician assistant, dentist, chiropractor, or coroner who certifies to the cause of death.
- (6) Three (3) free verification-of-death statements shall be provided to the funeral director by the Vital Statistics Branch for every death in the Commonwealth of Kentucky.
- (7) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated, or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health and Family Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health and Family Services and the local health department. The Cabinet for Health and Family Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health and Family Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. sec. 453.2~~-(1988)]~~.
- (8) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.
- (9) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.
- (10) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his *or her* signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.
- (11) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

- (12) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

➔Section 2. CHAPTER 85

(SB 151)

AN ACT relating to relative and fictive kin caregivers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 620.140 is amended to read as follows:

- (1) In determining the disposition of all cases brought on behalf of dependent, neglected, or abused children, the juvenile session of the District Court, in the best interest of the child, shall have but shall not be limited to the following dispositional alternatives:
- (a) Informal adjustment of the case by agreement, which may be entered into at any time. Informal adjustment may include an agreed plan by which:
 1. The parent or other person exercising custodial control or supervision agrees that grounds exist for a finding of dependency, neglect, or abuse, and agrees to the conditions of protective orders under paragraph (b) of this subsection for a duration of up to one (1) year;
 2. The action will be dismissed by the court, without hearing, at the end of the period agreed upon if no motion is brought alleging a violation of a protective order; and
 3. If a motion is brought alleging a violation of a protective order, a hearing will be held at which the parent or other person exercising custodial control or supervision may contest the alleged violation, but may not contest the original grounds for a finding of dependency, neglect, or abuse. If a violation is found to have occurred, the court may consider other dispositional alternatives pursuant to this section;
 - (b) Protective orders, such as the following:

1. Requiring the parent or any other person to abstain from any conduct abusing, neglecting, or making the child dependent;
 2. Placing the child in his or her own home under supervision of the cabinet or its designee with services as determined to be appropriate by the cabinet; and
 3. Orders authorized by KRS 403.715 to 403.785 and by KRS Chapter 456;
- (c) Removal of the child to the custody of an adult relative, fictive kin, other person, or child-caring facility or child-placing agency, taking into consideration the wishes of the parent or other person exercising custodial control or supervision. Before any child is committed to the cabinet or placed out of his or her home under the supervision of the cabinet, the court shall determine that reasonable efforts have been made by the court or the cabinet to prevent or eliminate the need for removal and that continuation in the home would be contrary to the welfare of the child. If a child is to be placed with an adult relative or fictive kin, the ***child, if able***, parent, or other person exercising custodial control or supervision shall provide a list to the cabinet of possible persons to be considered;
- (d) Commitment of the child to the custody of the cabinet for placement for an indeterminate period of time not to exceed his or her attainment of the age eighteen (18), unless the youth elects to extend his or her commitment beyond the age of eighteen (18) under paragraph (e) of this subsection. Beginning at least six (6) months prior to an eligible youth attaining the age of eighteen (18), the cabinet shall provide the eligible youth with education, encouragement, assistance, and support regarding the development of a transition plan, and inform the eligible youth of his or her right to extend commitment beyond the age of eighteen (18); or
- (e) Extend or reinstate an eligible youth's commitment up to the age of twenty-one (21) to receive transitional living support. The request shall be made by the youth prior to attaining twenty (20) years of age. A youth may opt in or out of extended commitment up to two (2) times prior to attaining twenty (20) years of age, with a ninety (90) day grace period between the time he or she exits and then reenters custody so long as there is documentation that his or her request was submitted prior to attaining twenty (20) years of age. The court may grant an extension or reinstatement of a youth's commitment even if the concurrence of the cabinet occurs after the youth attains twenty (20) years of age. Upon receipt of the request and with the concurrence of the cabinet, the court may authorize commitment up to the age of twenty-one (21).

(2) An order of temporary custody to the cabinet shall not be considered as a permissible dispositional alternative.

➔Section 2. KRS 620.142 is amended to read as follows:

- (1) The cabinet shall develop custodial, permanency, and service options, including but not limited to monetary supports, that shall be available to a relative or fictive kin caregiver in the instance that a child, who would otherwise be placed in another out-of-home placement, is placed with him or her due to a cabinet finding that the child is abused, neglected, or dependent, as determined by an assessment or investigation conducted in accordance with this chapter. The custodial, permanency, and service options available to a relative or fictive kin caregiver shall include but not be limited to:
 - (a) A notification form that explains and describes the process by which a relative or fictive kin caregiver can be certified as a child-specific foster home and the financial and support benefits that come with that type of placement;
 - (b) A program for a one (1) time monetary benefit as established by an administrative regulation promulgated in accordance with KRS Chapter 13A per child given to the relative or fictive kin caregiver at the time a child is placed with the relative or fictive kin caregiver; and

- (2) The cabinet shall disclose to a prospective relative or fictive kin caregiver each of the options established in subsection (1) of this section prior to the child's placement. The prospective relative or fictive kin caregiver shall select the option that best represents the level of care and support needed for the child while the child is receiving treatment and care in the placement with the relative or fictive kin caregiver.
- (3) ***Within one hundred twenty (120) days of a placement made by the cabinet due to a cabinet finding that a child is abused, neglected, dependent, or a status offender, or upon a qualifying event as established in***

administrative regulation, a relative or fictive kin caregiver may apply to become a relative or fictive kin foster parent for the child in his or her care.

- (4) The custodial, permanency, and service options required by subsection (1) of this section shall reflect nationally recognized best practices.
- (5)~~(4)~~ The cabinet shall maximize services available under federal and state law, including but not limited to Titles IV and XIX of the Social Security Act, to fulfill the requirements of this section.

SECTION 12. RULEMAKING

- A. *The commission shall promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of the compact. - B. *The rules of the commission shall have the force of law in each member state, provided however that where the rules of the commission conflict with the laws of the member state that establish the member state's laws, regulations, and applicable standards that govern the practice of social work as held by a court of competent jurisdiction, the rules of the commission shall be ineffective in that state to the extent of the conflict.*
- C. *The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules shall become binding on the day following adoption or the date specified in the rule or amendment, whichever is later.*
- D. *If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four (4) years of the date of adoption of the rule, then the rule shall have no further force and effect in any member state.*

- I. *All hearings will be recorded. A copy of the recording and all written comments and documents received by the commission in response to the proposed rule shall be available to the public.*
- J. *Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.*
- K. *The commission shall, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule.*
1. *The commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.*
 2. *The commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.*

3. *The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in subsection L. of this section, the effective date of the rule shall be no sooner than thirty (30) days after issuing the notice that it adopted or amended the rule.*
- L. *Upon determination that an emergency exists, the commission may consider and adopt an emergency rule with forty-eight (48) hours' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:*
 1. *Meet an imminent threat to public health, safety, or welfare;*
 2. *Prevent a loss of commission or member state funds;*
 3. *Meet a deadline for the promulgation of a rule that is established by federal law or rule; or*
 4. *Protect public health and safety.*
- M. *The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.*
- N. *No member state's rulemaking requirements shall apply under this compact.*

A. Oversight.

1. *The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement the compact.*
2. *Except as otherwise provided in this compact, venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.*
3. *The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.*

B. Default, technical assistance, and termination.

1. *If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the commission may take, and shall offer training and specific technical assistance regarding the default.*
2. *The commission shall provide a copy of the notice of default to the other member states.*

C. *If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*

D. *Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission*

to the Governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority, and each of the member states' state licensing authority.

- E. *A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.*
- F. *Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees within that state of such termination. The terminated state shall continue to recognize all licenses granted pursuant to this compact for a minimum of six (6) months after the date of said notice of termination.*
- G. *The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.*
- H. *The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*
- I. *Dispute resolution.*
 - 1. *Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.*
 - 2. *The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.*
- J. *Enforcement.*
 - 1. *By majority vote as provided by rule, the commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's law.*
 - 2. *A member state may initiate legal action against the commission in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*
 - 3. *No person other than a member state shall enforce this compact against the commission.*

SECTION 14. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

- A. *The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh member state.*
 - 1. *On or after the effective date of the compact, the commission shall convene and review the enactment of each of the first seven (7) member states ("charter member states") to determine if the statute enacted by each such charter member state is materially different than the model compact statute.*
 - a. *A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in Section 13 of this compact.*
 - b. *If any member state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than seven (7).*
 - 2. *Member states enacting the compact subsequent to the seven (7) initial charter member states shall be subject to the process set forth in Section 10.C.21. of this compact to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.*

3. *All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming into existence shall be considered to be actions of the commission unless specifically repudiated by the commission.*
 4. *Any state that joins the compact subsequent to the commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.*
- B.** *Any member state may withdraw from this compact by enacting a statute repealing the same.*
1. *A member state's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute.*
 2. *Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.*
 3. *Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, the withdrawing state shall continue to recognize all licenses granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.*
- C.** *Nothing contained in this compact shall be construed to invalidate or prevent any social work licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.*
- D.** *This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

SECTION 15. CONSTRUCTION AND SEVERABILITY

- A.** *This compact and the commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the commission's rulemaking authority solely for those purposes.*
- B.** *The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.*
- C.** *Notwithstanding subsection B. of this section, the commission may deny a state's participation in the compact or, in accordance with the requirements of Section 13.B. of this compact, terminate a member state's participation in the compact, if it determines that a constitutional requirement of a member state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.*

SECTION 16. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

- A.** *A licensee providing services in a remote state under a multistate authorization to practice shall adhere to the laws, regulations, and applicable standards of the remote state where the client is located at the time care is rendered.*
- B.** *Nothing herein shall prevent or inhibit the enforcement of any other law of a member state that is not inconsistent with the compact.*
- C.** *Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict.*
- D.** *All permissible agreements between the commission and the member states are binding in accordance with their terms.*

SECTION 17. APPLICABILITY OF KENTUCKY STATE GOVERNMENT

In order to clarify the effect of certain provisions of this compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A.** *By entering into this compact, this state authorizes the licensing authority as defined in Section 2.O. of this compact and as created by KRS 335.050 to implement the provisions of this compact.*
- B.** *Notwithstanding any provision of this compact to the contrary:*
- 1.** *When a rule is adopted pursuant to Section 12 of this compact, the licensing authority of this state as defined by Section 2.O. of this compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing authority of this state as defined by Section 2.O. of this compact to promulgate a rule adopted by the Social Work Licensure Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in withdrawal as set forth in Section 14 of this compact. Nothing in these provisions shall negate the applicability of a commission rule or Section 12 of this compact to this state.*
 - 2.** *If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, Section 14 of this compact shall apply. If the deficiency is resolved in a manner determined by the commission to be inconsistent with this compact or its rules, or if the procedures under Section 13 of this compact fail to resolve an issue, the withdrawal provisions of Section 14 of this compact shall apply.*
 - 3.** *If a court of competent jurisdiction determines that the Social Work Licensure Compact Commission created by Section 10 of this compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted under this compact, then such an action by the commission shall be invalid and have no force or effect.*
- C.** *Section 10.G. of this compact pertaining to the financing of the commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this compact shall be from money collected pursuant to KRS 335.140.*
- D.** *This compact shall apply only to those regulated social workers who practice or work under a compact privilege.*

➔Section 2. KRS 319.053 is amended to read as follows:

- (3) An applicant for licensure under this section shall be required by the board to pass the national objective examination known as the EPPP, with a score equal to or exceeding the score required for passage for a licensed psychologist candidate at the doctoral level at the time the examination is taken. The board shall

accept the applicant's previous examination results for the objective EPPP examination if the original test score satisfied the licensure requirement at the doctoral level in effect at the time of that test administration. If the applicant's previous score does not meet this criterion, the applicant may retake the examination until the score obtained equals or exceeds the score required for independent practice at the doctoral level at the time the examination is taken.

- (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.

- (11) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.
- (12) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- (13)

- (18) If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.
- (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

If the Personnel Cabinet deems the bids submitted in accordance with this subsection to be in the best interests of state employees in a region, the cabinet may award the contract for that region to no more than two (2) carriers; and

C. Transfers during senior year: Should a military student transferring at the beginning or during his or her senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the sending and receiving local education agencies shall ensure the receipt of diploma from the sending local education agency if the student meets the graduation requirements of the sending local education agency. Rulemaking Functions of the Interstate Commission

Notwithstanding the foregoing, in the event the Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Act, or the powers granted hereunder, then such an action by the Interstate Commission shall be invalid and have no force or effect.
- B. **Rulemaking Procedure:** Rules shall be made pursuant to a rulemaking process that substantially conforms to the "Model State Administrative Procedure Act," of 1981, Uniform Laws Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate to the operations of the Interstate Commission.
- C. Not later than thirty (30) days after a rule is promulgated, any person may file a petition for judicial review of the rule; provided, that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Interstate Commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the Interstate Commission's authority.
- D. If a majority of the legislatures of the compacting states rejects a Rule by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.
 4. Suspension or termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Interstate Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states.
- C. The Interstate Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the member states except by and with the authority of the member state.
- D. The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

The governors of non-member states or their designees shall be invited to participate in the activities of the Interstate Commission on a non-voting basis prior to adoption of the compact by all states.
- C. The Interstate Commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the Interstate Commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

ARTICLE XVI

- B. Dissolution of Compact:
 - 1. This compact shall dissolve effective upon the date of the withdrawal or default of the member state which reduces the membership in the compact to one (1) member state.
