- ~~[(18) (a) Notwithstanding KRS 56.070, the governing board may obtain private insurance to cover any state property in the institution's possession against loss by fire and other hazards. The level of private insurance coverage shall be commensurate with or greater than the insurance coverage provided through the state fire and tornado insurance fund. An institution whose governing board elects to obtain private insurance shall notify the secretary of the Finance and Administration Cabinet at least six (6) months before terminating the institution's insurance coverage through the state fire and tornado insurance fund.~~
- ~~(b) No later than January 1 of each year, an institution whose governing board elects to obtain private insurance instead of insurance coverage provided through the state fire and tornado insurance fund shall certify, in writing, to the secretary of the Finance and Administration Cabinet that the property is insured in accordance with paragraph (a) of this subsection and shall attach a copy of the private insurance policy.]~~
