Nor shall the adoption or use of a standard form or forms developed under this section release the taxpayer from any liability or responsibility to the tax district for the correct payment of taxes, penalties, and any other obligations imposed by the tax district. This section and KRS 67.766 shall not be interpreted to authorize the collection of local tax revenues by the state government or any other agency of the state.

Whereas it is essential that the public and the General Assembly promptly receive the necessary information to make informed decisions about administrative regulations, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

(HB 234)

AN ACT relating to airport police.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 16.220 is amended to read as follows:

(1) Subject to the duty to return confiscated firearms to innocent owners pursuant to KRS 500.090, all firearms confiscated by the Department of Kentucky State Police and not retained for official use pursuant to KRS 500.090 shall be sold at public auction to:

(a) Federally licensed firearms dealers holding a license appropriate for the type of firearm sold; or

(b) For a firearm which was used in a homicide, any person who certifies on a form provided by the Department of Kentucky State Police prior to placing a bid that he or she will, upon completion of the auction, leave the firearm with the Department of Kentucky State Police for destruction. A state or local government or agency thereof shall not purchase a firearm under this paragraph.

(2) Any provision of KRS Chapter 45 or 45A relating to disposition of property to the contrary notwithstanding, the Department of Kentucky State Police shall:

(a) Conduct any auction specified by this section;

(b) Retain for departmental use twenty percent (20%) of the gross proceeds from any auction specified by this section;

(c) Transfer remaining proceeds of the sale to the account of the Kentucky Office of Homeland Security for use as provided in subsection (5) of this section; and

(d) For any sale pursuant to subsection (1)(b) of this section, destroy the firearm.

(3) Prior to the sale of any firearm, the Department of Kentucky State Police shall make an attempt to determine if the firearm to be sold has been stolen or otherwise unlawfully obtained from an innocent owner and return the firearm to its lawful innocent owner, unless that person is ineligible to purchase a firearm under federal law.

(4) The Department of Kentucky State Police shall receive firearms and ammunition confiscated by or abandoned to every law enforcement agency in Kentucky. The department shall dispose of the firearms received in the manner specified in subsections (1) and (2) of this section. However, firearms which are not retained for official use, returned to an innocent lawful owner, or transferred to another government agency or public museum shall be sold as provided in subsection (1) of this section.

(5) The proceeds of firearms sales shall be utilized by the Kentucky Office of Homeland Security to provide grants to city, county, charter county, unified local government, urban-county government, and consolidated local government police departments; university safety and security departments organized pursuant to KRS 164.950; school districts that employ special law enforcement officers as defined in KRS 61.900; ***airport safety and security departments established under KRS 183.880;*** and sheriff's departments for the purchase of:

(a) Body armor for sworn peace officers of those departments and service animals, as defined in KRS 525.010, of those departments;

(b) Firearms or ammunition;

(c) Electronic control devices, electronic control weapons, or electro-muscular disruption technology; and

(d) Body-worn cameras.

In awarding grants under this section, the Kentucky Office of Homeland Security shall give first priority to providing and replacing body armor and second priority to providing firearms and ammunition, with residual funds available for the purchase of body-worn cameras, electronic control devices, electronic control weapons, or electro-muscular disruption technology. Body armor purchased by the department receiving grant funds shall meet or exceed the standards issued by the National Institute of Justice for body armor. No police or sheriff's department shall apply for a grant to replace existing body armor unless that body armor has been in actual use for a period of five (5) years or longer. Any department applying for grant funds for body-worn cameras shall develop a policy for their use and shall submit that policy with its application for the grant funds to the Office of Homeland Security as part of the application process.

(6) The Department of Kentucky State Police may transfer a machine gun, short-barreled shotgun, short-barreled rifle, silencer, pistol with a shoulder stock, any other weapon, or destructive device as defined by the National Firearms Act which is subject to registration under the National Firearms Act and is not properly registered in the national firearms transfer records for those types of weapons, to the Bureau of Alcohol, Tobacco, and Firearms of the United States Department of Justice, after a reasonable attempt has been made to transfer the firearm to an eligible state or local law enforcement agency or to an eligible museum and no eligible recipient will take the firearm or weapon. National Firearms Act firearms and weapons which are properly registered and not returned to an innocent lawful owner or retained for official use as provided in this section shall be sold in accordance with subsection (1) of this section.

Signed by Governor March 7, 2025.

(7) (a) Effective January 1, 2011, licenses shall expire on August 1 of the year in which they are to be renewed. Odd-numbered licenses shall expire on August 1 of every odd-numbered year and even-numbered licenses shall expire on August 1 of every even-numbered year.

(b) An applicant for renewal of a license to practice who is in good standing shall complete the renewal procedure, which shall be established by administrative regulation promulgated by the board and shall require the applicant to:

(i) Unless permitted to be eligible for varsity athletics by any transfer rule, policy, or administrative regulation promulgated by the state board or any agency designated by the state board to manage interscholastic athletics, any student who transfers enrollment from a district of residence to a nonresident district under KRS 157.350(4)(b) after enrolling in grade nine (9) and participating in a varsity sport shall be ineligible to participate in interscholastic athletics for one (1) calendar year from the date of the transfer. (3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction throughout the Commonwealth and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities with appurtenances and costs as may be incident to the issuance of the bonds.

(b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether

public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be enclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(HB 242)

AN ACT relating to child dependency, neglect, and abuse reports.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 620.050 is amended to read as follows:

(1) Anyone acting upon reasonable cause in the making of a report or acting under KRS 620.030 to 620.050 in good faith shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed. Any such participant shall have the same immunity with respect to participation in any judicial proceeding resulting from such report or action. However, any person who knowingly makes a false report and does so with malice shall be guilty of a Class A misdemeanor.

Upon the request of an employee or designated agent of a children's advocacy center, the Attorney General shall provide for the defense of any civil action brought against the employee or designated agent as provided under KRS 12.211 to 12.215.

(3) Neither the husband-wife nor any professional-client/patient privilege, except the attorney-client and clergy-penitent privilege, shall be a ground for refusing to report under this section or for excluding evidence regarding a dependent, neglected, or abused child or the cause thereof, in any judicial proceedings resulting

from a report pursuant to this section. This subsection shall also apply in any criminal proceeding in District or Circuit Court regarding a dependent, neglected, or abused child.

(4) Upon receipt of a report of an abused, neglected, or dependent child pursuant to this chapter, the cabinet as the designated agency or its delegated representative shall initiate a prompt investigation or assessment of family needs, take necessary action, and shall offer protective services toward safeguarding the welfare of the child. The cabinet shall work toward preventing further dependency, neglect, or abuse of the child or any other child under the same care, and preserve and strengthen family life, where possible, by enhancing parental capacity for adequate child care. If an oral or written report, including but not limited to electronic submissions, alleging that a child is dependent, neglected, or abused is made pursuant to this section, and the cabinet determines that the report does not meet criteria for an investigation, the cabinet shall refer the family to appropriate community-based child and family service agencies for services to preserve and strengthen family life in accordance with the requirements in 42 U.S.C. sec. 5106a.

(5) The report of suspected child abuse, neglect, or dependency and all information obtained by the cabinet or its delegated representative, as a result of an investigation or assessment made pursuant to this chapter, except for those records provided for in subsection (6) of this section, shall not be divulged to anyone except:

The children's advocacy center may, in its sole discretion, provide testimony in lieu of files, reports, notes, photographs, records, electronic and other communications, and working papers used or developed by the center if the center determines that the release poses a threat to the safety or well-being of the child, or would be in the best interests of the child. (8) Nothing in this section shall prohibit employees or designated agents of a children's advocacy center from disclosing information during a multidisciplinary team review of a child sexual abuse case as set forth under KRS 620.040. Persons receiving this information shall sign a confidentiality statement consistent with statutory prohibitions on disclosure of this information.

(9) Employees or designated agents of a children's advocacy center may confirm to another children's advocacy center that a child has been seen for services. If an information release has been signed by the guardian of the child, a children's advocacy center may disclose relevant information to another children's advocacy center.

1. Make and retain one (1) copy of the interview; and

2. Make one (1) copy for the defendant's or respondent's counsel that the defendant's or respondent's counsel shall not duplicate.

(b) The defendant's or respondent's counsel shall file the copy with the court clerk at the close of the case.

(c) Unless objected to by the victim or victims, the court, on its own motion, or on motion of the attorney for the Commonwealth shall order all recorded interviews that are introduced into evidence or are in the possession of the children's advocacy center, law enforcement, the prosecution, or the court to be sealed.

(11) Identifying information concerning the individual initiating the report under KRS 620.030 shall not be disclosed except:

(a) To law enforcement officials that have a legitimate interest in the case;

(b) To the agency designated by the cabinet to investigate or assess the report;

(c) To members of multidisciplinary teams as defined by KRS 620.020 that operated under KRS 431.600;

1. The cabinet's actions and any policy or personnel changes taken or to be taken, including the results of appeals, as a result of the findings from the internal review; and

2. Any cooperation, assistance, or information from any agency of the state or any other agency, institution, or facility providing services to the child or family that were requested and received by the cabinet during the investigation of a child fatality or near fatality.

(c) The cabinet shall submit a report by September 1 of each year containing an analysis of all summaries of internal reviews occurring during the previous year and an analysis of historical trends to the Governor, the General Assembly, and the state child fatality review team created under KRS 211.684.

(13) When an adult who is the subject of information made confidential by subsection (5) of this section publicly reveals or causes to be revealed any significant part of the confidential matter or information, the confidentiality afforded by subsection (5) of this section is presumed voluntarily waived, and confidential information and records about the person making or causing the public disclosure, not already disclosed but related to the information made public, may be disclosed if disclosure is in the best interest of the child or is necessary for the administration of the cabinet's duties under this chapter.

(14) As a result of any report of suspected child abuse or neglect, photographs and X-rays or other appropriate medical diagnostic procedures may be taken or caused to be taken, without the consent of the parent or other person exercising custodial control or supervision of the child, as a part of the medical evaluation or investigation of these reports. These photographs and X-rays or results of other medical diagnostic procedures may be introduced into evidence in any subsequent judicial proceedings or an administrative hearing conducted by the cabinet or its designee in accordance with KRS Chapter 13B in an appeal of a cabinet-substantiated finding of child abuse or neglect. The person performing the diagnostic procedures or taking photographs or X-rays shall be immune from criminal or civil liability for having performed the act. Nothing herein shall limit liability for negligence.

(SJR 26)

A JOINT RESOLUTION directing the Department for Medicaid Services to provide the Legislative Research Commission with a report regarding pharmacist payment parity.

WHEREAS, the scope of practice for pharmacists is defined in KRS Chapter 315 and includes a number of clinical services such as testing and treatment for streptococcal pharyngitis commonly known as strep throat, influenza, urinary tract infections, COVID-19, and sexually transmitted infections; and

WHEREAS, the scope of practice for pharmacists also includes providing patient counseling on tobacco cessation, medication therapy management, chronic disease management, and more services that pharmacists may provide independently or through collaborative care agreements or protocols authorized by the Board of Pharmacy; and

WHEREAS, historically, clinical services provided by pharmacists have not been covered by most health plans; and

WHEREAS, during the 2021 Regular Session, the Kentucky General Assembly passed House Bill 48 which required private health insurance providers to cover clinical services performed by pharmacists if those services are

within their scope of practice and to reimburse pharmacists for those services at a rate not less than that provided to other nonphysician practitioners such as advanced practice registered nurses and physician assistants; and

WHEREAS, House Bill 48 only applied to private insurance providers and not to the Kentucky Medical Assistance Program, commonly known as Medicaid, or to the Kentucky Children's Health Insurance Program (KCHIP); and

WHEREAS, as a result of the passage of House Bill 48, Kentucky's pharmacists can now bill private insurance providers for clinical services but are not permitted to seek reimbursement for the same services provided to individuals enrolled in Medicaid or KCHIP; and

WHEREAS, as of November 2024, more than 1,400,000 Kentuckians, or nearly one-third of the state's population, are covered by Medicaid and KCHIP; and

WHEREAS, the percentage of Kentuckians covered by Medicaid and KCHIP is significantly higher in many rural communities; and

WHEREAS, in many rural communities across the Commonwealth, the closest and most readily available healthcare provider is a local pharmacist; and

WHEREAS, the lack of coverage for clinical services provided by pharmacists represents a significant barrier to care for many of the Commonwealth's most vulnerable citizens; and

WHEREAS, when patients cannot readily access the care they need, their conditions often worsen, resulting in visits to urgent care clinics and hospital emergency rooms; and

WHEREAS, when clinical services are provided by physicians in urgent care or emergency room settings, the cost to provide those services is significantly higher than if the patient had been able to access those services at their community pharmacy; and

WHEREAS, an analysis of the fiscal impact of House Bill 48 in 2021 determined that the cost of requiring insurance providers to cover clinical services performed by pharmacists and to reimburse for those services at a rate not less than that paid to other nonphysician providers was minimal and would increase premiums by between 0.00 percent and 0.03 percent; and

WHEREAS, the Kentucky General Assembly is committed to taking a data-driven approach to policy making; and

WHEREAS, the Kentucky General Assembly does not currently have access to the data necessary to determine the potential fiscal impact of requiring Medicaid and KCHIP to comply with KRS 304.12-237, the statute created by House Bill 48; and

WHEREAS, the Department for Medicaid Services does have access to the data necessary to determine the potential fiscal impact of such a policy;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Department for Medicaid Services is hereby directed to prepare and deliver a report on pharmacist payment parity to the Legislative Research Commission for referral to the Interim Joint Committee on Appropriations and Revenue and the Interim Joint Committee on Health Services no later than August 1, 2025.

➔Section 2. The pharmacist payment parity report shall, at a minimum, include the following:

(1) A detailed summary of the changes that would be necessary if the Kentucky Medicaid program, including any managed care organization with which the department contracts for the delivery of Medicaid services, and the Kentucky Children's Health Insurance Program (KCHIP) were required by future legislation to comply with KRS 304.12-237. The summary of changes shall include a review of:

(a) Administrative changes;

(b) Technology changes and updates;

(c) A comprehensive overview of the clinical services and the related Current Procedural Terminology (CPT) codes for which pharmacists would be eligible to bill if compliance with KRS 304.12-237 were required, the current reimbursement rates for those services when provided by physician and nonphysician providers, and the number of times those CPT codes were billed by physicians and nonphysicians in 2023 and 2024;

(d) The need to onboard or credential pharmacists as providers of those services; and

(e) The anticipated cost of all changes that would be necessitated by a requirement to comply with KRS 304.12-237;

(2) An analysis of the anticipated effect a requirement to comply with KRS 304.12-237 would have on Medicaid and KCHIP claims and expenditures. The analysis shall include as assessment of:

(a) The anticipated impact on the number of Medicaid and KCHIP claims filed on behalf of Medicaid and KCHIP beneficiaries;

(b) The potential for offsetting claims to pharmacists or pharmacies from other providers or care sites; and

(c) The anticipated impact on Medicaid and KCHIP expenditures on an annual basis, including fee-for-services claims payments, managed care capitation payments, and any other potential fiscal impact that may result from a requirement to comply with KRS 304.12-237;

(3) A review of the fiscal impact and overall cost of similar coverage and reimbursement requirements observed in other states, if such data is available to the department;

(4) A summary of the effect of KRS 304.12-237 on private insurance providers, including any increase in premiums charged to consumers and observed changes in claims filed;

(5) An analysis of how a requirement to comply with KRS 304.12-237 might impact access to care, health outcomes, and the overall health of Medicaid and KCHIP beneficiaries. This analysis shall specifically address the impact on access to care, health outcomes, and overall health of Medicaid and KCHIP beneficiaries in rural and underserved communities; and

(6) A detailed timeline for implementing the changes necessary to comply with KRS 304.12-237, including any necessary requests for approval or authorization from the federal Centers for Medicare and Medicaid Services or any other federal agency.

➔Section 3. (1) If the Department for Medicaid Services determines that it does not have access to the data necessary to fulfil the requirements of the pharmacist payment parity report established in subsection (1)(c) or (4) of Section 2 of this Resolution, the department shall request that information from the Department of Insurance, and the Department of Insurance shall provide the Department for Medicaid Services with any available data necessary to fulfil the reporting requirements established in subsection (1)(c) or (4) of Section 2 of this Resolution.

(2) In fulfilling the reporting requirement established in subsection (3) of Section 2 of this Resolution, the Department for Medicaid Services shall contact the Medicaid agencies in states that have implemented policies similar to KRS 304.12-237 in their Medicaid program and request the information and data necessary to fulfil the reporting requirement established in subsection (3) of Section 2 of this Resolution.

(e) The portion of the home study pertaining to the home and family background shall be valid for one (1) year following the date of its completion by an adoption worker.

(4) The adoption worker making the home study shall make a finding in writing recommending either that the application be granted or that the application be denied. The recommendation of the adoption worker shall then be reviewed by the secretary.

(5) Based on the report and recommendation of the adoption worker making the home study, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching a decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint.

(6) ***(a)*** If the application is refused, the secretary shall in general terms furnish in writing the reasons for his or her refusal.

(b) If the application is refused based upon any disability of the applicant, the secretary shall confirm that an individual assessment was conducted, and that targeted adaptive or supportive services and modifications were reviewed and considered prior to the refusal.

(c) ***The cabinet shall maintain all information and supporting documentation related to the assessment, considered targeted adaptive or supportive services and available modifications for a period of two (2) years or as otherwise ordered by a court of competent jurisdiction.***

(7) ***(a)*** Any person who seeks temporary custody of a child prior to the secretary's ruling on an application for adoption shall file a petition seeking temporary custody, with a notice of intent to adopt, with the Circuit Court that will have jurisdiction of the adoption proceedings.

(b) The clerk of the court shall send a notice of the filing of the petition to the cabinet. A hearing on the petition shall occur no later than seventy-two (72) hours after the filing of the petition, excluding weekends and holidays. Proceedings under this subsection shall be incorporated into the court's adoption file.

(c) If the adoption is not finalized within six (6) months of the filing of the petition and notice of intent, the court shall conduct a hearing on the status and custody of the child.

(8) ***(a)*** Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary.

(b) Temporary custody shall not be granted to an applicant unless a background check, including but not limited to a criminal records check by the Justice and Public Safety Cabinet or the Administrative Office of the Courts and a background check of child abuse and neglect records maintained by the cabinet, has been submitted to and reviewed by the court. The background check required for temporary custody shall be part of the home study required under subsection (2) of this section.

(c) If the application is denied by the secretary, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or other individuals deemed appropriate by the court.

(d) This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.

(9) ***(a)*** In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with that person or those persons for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed.

(b) No placement shall be disapproved***:***

1. On the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent***; or***

2. ***On the sole basis of a disability of the adoptive applicant without considering whether targeted adaptive or supportive services could enable the applicant to provide essential care and protection for the child***.

(10) ***(a)*** The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents.

(b) The cabinet shall be made a party defendant to ***any***~~[the]~~ appeal ***taken under subsection (9) of this section***. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse of discretion.

(11) If a child who does not fall within the exception provided for in KRS 199.470(4) is placed or received in a home without the court's review of the background check required under this section or the permission of the secretary for health and family services, or if permission to receive a child has been denied, a representative of the cabinet shall notify in writing or may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused

child under KRS Chapter 620, except that the child may not be placed in the home of the applicants who are to receive the child unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.

(12) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.

(13) The secretary of the Cabinet for Health and Family Services shall be paid a nonrefundable fee of two hundred dollars ($200) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special-needs child as authorized in KRS 199.555.

(14) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive ***a child***.

CHAPTER 30

(SCR 43)

A CONCURRENT RESOLUTION expressing Kentucky's support for the Crisis Recovery Support Network coordinated by the Southern Regional Education Board, expressing support for Kentucky's participation in the network, and recognizing the network as a trusted support for Kentucky schools, districts, and postsecondary institutions to know they may call upon if the need arises.

WHEREAS, after natural disasters such as hurricanes, tornadoes, and floods, after school shootings, and in public emergencies, recovery must be prioritized as a long-term process, rather than an immediate response only; and

WHEREAS, states, school districts, and postsecondary institutions have focused on crisis prevention and management, but may not have the capacity to provide sustained counseling support for their students, teachers, communities, and even their own counselors during the recovery stage; and

WHEREAS, rural school districts and institutions in particular tend to have fewer counselors and limited access to additional counseling resources; and

WHEREAS, school counselors are often expected to respond to student needs after tragedy, even as they themselves grapple with the emotional toll, underscoring the need for external support for the entire school community; and

WHEREAS, schools and institutions affected by crisis may require at least a year of dedicated support to fully recover; and

WHEREAS, recovery efforts can strain resources that are already stretched thin, given that a National Center for Education Statistics study showed that less than half of public schools surveyed believe that their school is equipped to provide mental health services to all students in need; and

WHEREAS, recovery is an extended healing process for students and adults alike, and having additional counselors come to the aid of a school or institution in extreme need supports the healing process of all people in the community, including teachers and counselors; and

WHEREAS, specialized training for counselors is essential to ensure they have received psychological first aid training and provide counseling that aligns with the unique needs of an educational environment; and

WHEREAS, research shows that students who receive adequate support after a crisis are more likely to succeed academically, remain in school, and contribute positively to society; and

WHEREAS, the Southern Regional Education Board (SREB), with its 75-year history of partnering with states to improve education, is uniquely equipped to lead this effort because of its ability to mobilize key education and policymaking stakeholders at all levels; and

WHEREAS, SREB will cover the cost of a coordinator to operate the network, as well as travel costs for network counselors during training and deployment; and

WHEREAS, SREB has secured funding for the first two years of training for a pool of counselors from each SREB state; and

WHEREAS, the Kentucky General Assembly is aware that SREB will ask states for $10,000 in additional funding in two years to sustain training of counselors;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

➔Section 1. To meet the urgent need for a coordinated, region-wide effort to provide consistent long-term counseling capacity that is ready to deploy immediately after a crisis is managed, the Kentucky General Assembly supports the mission of the Southern Regional Education Board (SREB) Crisis Recovery Support Network. The SREB, in close collaboration with governors' offices, state education agencies, local school districts, and postsecondary institutions, will complement existing school and district crisis management efforts by focusing on long-term healing and psychological resilience by deploying counselors with specialized training to schools in extreme need.

➔Section 2. The Clerk of the Senate is directed to transmit a copy of this Resolution to Dr. Stephen Pruitt, President, Southern Regional Education Board; Dr. Robbie Fletcher, Commissioner, Kentucky Department of Education; Dr. Aaron Thompson, President, Kentucky Council on Postsecondary Education; and Governor Andy Beshear.

Signed by Governor March 18, 2025.

CHAPTER 37

(SB 10)

AN ACT relating to retiree health provisions of the County Employees Retirement System.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 78.5536 is amended to read as follows:

(1) For purposes of this section:

(a) "Hospital and medical insurance plan" may include, at the board's discretion, any one (1) or more of the following:

1. Any hospital and medical expense policy or certificate, provider-sponsored integrated health delivery network, self-insured medical plan, health maintenance organization contract, or other health benefit plan;

2. Any health savings account as permitted by 26 U.S.C. sec. 223 or health reimbursement arrangement or a similar account as may be permitted by 26 U.S.C. sec. 105 or 106. Such

arrangement or account, at the board's discretion, may reimburse any medical expense permissible under 26 U.S.C. sec. 213; or

3. A medical insurance reimbursement program established by the board through the promulgation of administrative regulation under which members purchase individual health insurance coverage through a health insurance exchange established under 42 U.S.C. sec. 18031 or 18041;

(b) "Monthly contribution rate" shall be the amount determined by the board based upon the requirements of subsection (4)(a) to (d) of this section, except that for members who began participating in the system on or after July 1, 2003, the term shall mean the amount determined in subsection (4)(e) of this section; and

(c) "Months of service" shall mean the total months of combined service used to determine benefits under the system, except service added to determine disability benefits or service otherwise prohibited from being used to determine retiree health benefits under KRS 78.510 to 78.852 shall not be counted as "months of service."

(2) (a) 1. The board of trustees of the system shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan coverage for:

a. Present and future recipients of a retirement allowance from the County Employees Retirement System; and

b. The spouse and each qualified dependent of a recipient who is a former member or the beneficiary, provided the spouse and dependent meet the requirements to participate in the hospital and medical insurance plans established, contracted, or authorized by the system.

2. Any recipient who chooses coverage under a hospital and medical insurance plan shall pay, by payroll deduction from the retirement allowance, electronic funds transfer, or by another method, the difference between the premium cost of the hospital and medical insurance plan coverage selected and the monthly contribution rate to which he or she would be entitled under this section.

(b) 1. For present and future recipients of a retirement allowance from the system who are not eligible for Medicare and for those recipients described in subparagraph 3.b. of this paragraph, the board may authorize these participants to be included in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287 and shall provide benefits for recipients in the plan equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status. Notwithstanding the provisions of any other statute except subparagraph 3.b. of this paragraph, system recipients shall be included in the same class as current state employees for purposes of determining medical insurance policies and premiums in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287.

2. Regardless of age, if a recipient or the spouse or dependent child of a recipient who elects coverage becomes eligible for Medicare, he or she shall participate in the plans offered by the systems for Medicare eligible recipients. Individuals participating in the Medicare eligible plans may be required to obtain and pay for Medicare Part A and Part B coverage in order to participate in the Medicare eligible plans offered by the system.

3. The system shall continue to provide the same hospital and medical insurance plan coverage for recipients and qualifying dependents after the age of sixty-five (65) as before the age of sixty-five (65), if:

a. The recipient is not eligible for Medicare coverage; or

b. The recipient would otherwise be eligible for Medicare coverage but is subject to the Medicare Secondary Payer Act under 42 U.S.C. sec. 1395y(b) and has been reemployed by a participating agency which offers the recipient a hospital and medical insurance benefit or by a participating agency which is prevented from offering a hospital and medical benefit to the recipient as a condition of reemployment under KRS 70.293, 95.022, or 164.952. Individuals who are eligible, pursuant to this subdivision, to be included in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287 may be rated as a separate class from other eligible employees and retirees for the purpose of determining medical insurance premiums.

(c) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (6) of this section.

(d) Notwithstanding anything in KRS Chapter 78 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq.

(3) (a) Each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852 shall contribute to the insurance trust fund established by KRS 61.701 the amount necessary to provide the monthly contribution rate as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate determined under KRS 78.635.

(b) 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member whose membership date begins on or after ***July*** ~~[September]~~ 1, ***2003*** ~~[2008]~~, ***and who is subject to the benefits provided under paragraph (4)(e) of this section,*** an amount equal to one percent (1%) of the member's creditable compensation ***if the member is participating in a nonhazardous position and two percent (2%) of the member's creditable compensation if the member is participating in a hazardous position***. The deducted amounts shall, at the discretion of the board, be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding the provisions of this paragraph, a transfer of assets between the accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, and the insurance trust fund established under KRS 61.701 shall not be allowed.

2. The employer shall file the contributions as provided by subparagraph 1. of this paragraph at the retirement office in accordance with KRS 78.625. Any interest or penalties paid on any delinquent contributions shall be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding any minimum compensation requirements provided by law, the deductions provided by this paragraph shall be made, and the compensation of the member shall be reduced accordingly.

3. Each employer shall submit payroll reports, contributions lists, and other data as may be required by administrative regulation promulgated by the board of trustees pursuant to KRS Chapter 13A.

4. Every member shall be deemed to consent and agree to the deductions made pursuant to this paragraph, and the payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 78.510 to 78.852. No member may elect whether to participate in, or choose the contribution amount to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to ***July 1, 2003*** ~~[September 1, 2008]~~, pursuant to KRS 61.552(2) or (3) ***or who is subject to the benefits provided under paragraphs (4)(b) or (4)(d) of this section***, then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 78.510 to 78.852.

5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701, through the use of separate accounts.

(4) (a) The premium required to provide hospital and medical insurance plan coverage under this section shall be paid wholly or partly from funds contributed by:

1. The recipient of a retirement allowance, by payroll deduction from his or her retirement allowance, electronic funds transfer, or by other method;

2. The insurance trust fund established by KRS 61.701 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520;

3. Another state-administered retirement system, including the systems administered by Kentucky Retirement Systems, under a reciprocal arrangement, except that any portion of the premium paid from the funds specified by subparagraph 2. of this paragraph under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in the County Employees Retirement System. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the insurance trust fund established under KRS 61.701 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, shall pay the balance; or

4. A combination of the fund sources described by subparagraph 1. to 3. of this paragraph.

Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse, each dependent child, and each disabled child, or beneficiary is paid by payroll deduction from the retirement allowance, electronic funds transfer, or by another method. For purposes of this subsection only, a child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits or meets the dependent disability standard established by the Department of Employee Insurance in the Personnel Cabinet.

(b) For a member who began participating in the system prior to July 1, 2003, the monthly contribution rate shall be paid by the system from the funds specified under paragraph (a)2. of this subsection and shall be equal to a percentage of the single premium to cover the retired member as follows:

1. One hundred percent (100%) of the monthly premium for single coverage shall be paid for a retired member who had two hundred forty (240) months of service or more upon retirement or for a retired member who when he or she was an employee was disabled as a direct result of an act in line of duty as defined in KRS 78.510(48) or as a result of a duty-related injury as defined in KRS 61.621;

2. Seventy-five percent (75%) of the monthly premium for single coverage shall be paid for a retired member who had less than two hundred forty (240) months of service but at least one hundred eighty (180) months of service upon retirement, provided such retired member agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method;

3. Fifty percent (50%) of the monthly premium for single coverage shall be paid for a retired member who had less than one hundred eighty (180) months of service but had at least one hundred twenty (120) months of service upon retirement, provided such retired member agrees to pay the remaining fifty percent (50%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method; or

4. Twenty-five percent (25%) of the monthly premium for single coverage shall be paid for a retired member who had less than one hundred twenty (120) months of service but had at least forty-eight (48) months of service upon retirement, provided such retired member agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method.

(c) Notwithstanding paragraph (b) of this subsection, for a member participating in the system prior to July 1, 2003, who:

1. Dies as a direct result of an act in line of duty as defined in KRS 78.510 or dies as a result of a duty-related injury as defined in KRS 61.621, the monthly premium shall be paid for his or her spouse so long as the spouse remains eligible for a monthly retirement benefit;

2. Becomes totally and permanently disabled as defined in KRS 78.5524 as a direct result of an act in line of duty as defined in KRS 78.510 or becomes disabled as a result of a duty-related injury as defined in KRS 61.621 and is eligible for the benefits provided by KRS 61.621(5)(a), the

monthly premium shall be paid for his or her spouse so long as the member and the spouse individually remain eligible for a monthly retirement benefit; and

2. The percentage of the monthly contribution rate paid for the spouse and each dependent child of a recipient who was in a hazardous position or who is receiving a retirement allowance based on General Assembly service in accordance with subparagraph 1. of this paragraph shall be based solely on the member's service in a hazardous position using the formula in paragraph (b) of this subsection, except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation.

(e) For members who begin participating in the system on or after July 1, 2003:

1. Participation in the insurance benefits provided under this section shall not be allowed until the member has earned at least one hundred twenty (120) months of service in the state-administered retirement systems, except that for members who begin participating in the system on or after September 1, 2008, participation in the insurance benefits provided under this section shall not be allowed until the member has earned at least one hundred eighty (180) months of service credited under KRS 78.615(1) or another state-administered retirement system;

(c) No provisions for confession of judgment, power of attorney therefor, or wage assignment contained in any retail installment contract shall be valid or enforceable.

(d) ***1.*** The holder of a retail installment contract may collect a delinquency and collection charge~~[on each installment in arrears for a period not less than ten (10) days]~~ in an amount not in excess of five percent (5%) of each installment or fifteen dollars ($15), whichever is greater***, for each installment in arrears for a period not less than:***

Such amendment may also include payment by the buyer of the additional cost to the holder of premiums for continuing in force any insurance coverages provided for in the contract until the end of such deferral period, and of any additional necessary official fees.

Option II. The refinance charge may be computed as follows: The sum of the unpaid balance as of the refinancing date and the cost for any insurance and other benefits incidental to the refinancing, and for any additional necessary official fees and any accrued delinquency and collection charges, after deducting a refund credit as for prepayment pursuant to subsection (2) of KRS 371.260, shall constitute a principal balance for such refinancing on which the refinance charge may be computed for the term of the refinanced contract at the applicable rate for finance charges. Acquisition costs under the refund schedule in subsection (2) of KRS 371.260 shall not apply in calculating refinance charges.

(3) The amendment to the contract must be confirmed in a writing signed by the holder. 2. Establish a process, if there is more than one (1) purchaser registered to purchase certificates of delinquency at the sale, that allows all interested purchasers an opportunity to purchase certificates of delinquency on an equitable basis. The sale shall not be structured in such a manner to allow one (1) third party to purchase all of the certificates of delinquency if there are other properly registered third parties that are also interested in purchasing certificates of delinquency;

3. Establish fairness for all participants by prohibiting the participation of multiple related entities, or multiple individuals representing related interests as separate entities in the selection process at an annual sale. The department shall define "related entities" and "related interests" as part of the regulatory process; and

4. Establish a process to be used by county clerks in identifying, verifying, and selling priority certificates of delinquency. The process shall:

a. Require third-party purchasers to submit a list of priority certificates of delinquency to the county clerk up to ten (10) days before the annual sale so that the clerk may identify and

allocate priority certificates of delinquency to third-party purchasers prior to the annual sale;

b. Require that all priority certificates of delinquency allocated to a third-party purchaser prior to the annual sale be removed from the annual sale;

c. Allow any third-party purchaser holding a certificate of delinquency on a parcel of property from a prior year to submit a priority list and purchase any priority certificates of delinquency to which the third-party purchaser is entitled, notwithstanding that the third-party purchaser may be related to another third-party purchaser participating in the sale; and

d. Give priority to the third-party purchaser holding a certificate of delinquency from the most recent tax year if more than one (1) third party holds an outstanding certificate of delinquency on a parcel of property;

(e) Require all potential participants in the sale to register at least one (1) week in advance with the county clerk;

(f) Require a review of the list of registered participants, either by the county clerk or the department, prior to the sale to ensure that:

1. All registered participants seeking to pay multiple certificates of delinquency are properly registered with the department as required by KRS 134.129; and

2. No registered participants or related entities or related interests prohibited from separate participation in the annual sale pursuant to the provisions of paragraph (d)3. of this subsection and the administrative regulations promulgated thereunder have separately registered to participate in the annual sale;

(g) Establish advance deposit requirements for registered participants based upon the maximum amount the registered participant may pay for desired certificates of delinquency;

(h) Establish a registration fee to be paid to the clerk. The registration fee paid to each county shall not exceed two hundred fifty dollars ($250) annually and may be tiered;

(i) Establish payment requirements, which may include nullification of the payment and forfeiture of the advance deposit if a third-party purchaser fails to produce full payment within the specified time; and

(j) Establish payment methods.

(3) Any person who, in any calendar year:

(a) Pays or plans to pay more than five (5) certificates of delinquency statewide;

(b) Pays or plans to pay more than three (3) certificates of delinquency in any county; or

(c) Invests or plans to invest more than ten thousand dollars ($10,000) in the payment of certificates of delinquency on a statewide basis in any calendar year;

shall register with the department annually as provided in KRS 134.129.

(4) The department shall be responsible for monitoring the sale of certificates of delinquency.

(5) (a) At least thirty (30) but not more than forty-five (45) days before the scheduled sale date, the county clerk shall cause a notice to be published in accordance with the provisions of KRS Chapter 424. The notice shall list by property owner, property address, and if available, parcel number or lot number, all certificates of delinquency available for sale. The notice shall provide the date, time, and location of the sale. In addition, the notice shall list, in a separate section, all personal property certificates of delinquency held by the county clerk.

(b) As compensation for advertising the sale, the county clerk shall receive five dollars ($5) for each certificate of delinquency and personal property certificate of delinquency advertised. The fee shall be added to the amount of the certificate of delinquency or personal property certificate of delinquency and shall be paid by the person paying the certificate of delinquency or personal property certificate of delinquency.

(c) The cost of placing the advertisement shall be paid by the county. The cost shall be added to the amount of the certificate of delinquency or personal property certificate of delinquency and shall be paid by the

person paying the certificate of delinquency or personal property certificate of delinquency. The department shall establish a formula that may be used by counties in allocating the advertising costs among the delinquent tax claims. The formula shall take into account that a percentage of delinquent tax claims remains unpaid.

(6) Any certificate of delinquency not paid at the annual sale, not subject to a payment plan with the department or county attorney, and not known to be in litigation may be paid to the county clerk at any time by any person after the sale, provided that:

(a) Any person required by KRS 134.129 to register with the department shall hold a current certificate of registration at the time of purchase;

(c) Any person previously registered with the county clerk during the calendar year who has not paid the maximum registration fee for that year shall pay the appropriate amount for each certificate of delinquency paid, as established by administrative regulation pursuant to subsection (2)(h) of this section, until the maximum registration has been paid.

(7) Any certificate of delinquency received by the county clerk too late to be included in the annual sale in any year shall be retained by the clerk until the next scheduled annual sale. During that time period, the clerk may accept payment on the certificate of delinquency only from those individuals and entities listed in KRS 134.127(1)(a).

These differences may include differences in tax rates upon the class of property which includes the surface of the land, differences in ad valorem tax rates upon personal property, and differences in tax rates upon insurance premiums.

(2) Any difference in the ad valorem tax rate on the class of property which includes the surface of the land in the portion of the county formerly comprising the city of the first class and in the portion of the county other than that formerly comprising the city of the first class may be imposed directly by the consolidated local government council. The ordinance shall designate the number of members of the board of this tax district and the manner in which they shall be appointed. The ordinance shall provide that the board of the tax district shall receive the income derived from the differential tax rate applicable in the area formerly comprising the city of the first class with respect to personal property, health insurance premiums, or both, and shall contract with the consolidated local government to pay all sums collected to the consolidated local government, in return for the provision of services performed by the consolidated local government within the area formerly comprising the city of the first class which services are in addition to services performed by the consolidated local government in the remainder of the county. The boundaries so described in either case shall not cross precinct lines. If a majority of those voting in those precincts support the change, then the change in the boundaries of the urban service tax district shall be implemented.

(5) (a) No later than July 1, 2025, the consolidated local government shall reimburse a fire district operating under KRS Chapter 75 for expenses related to each emergency medical response made by the fire district operating under KRS Chapter 75 into the area of the urban service tax district. If an applicant presents identification specified in this paragraph, the sheriff shall examine the identification, may record information from the identification presented, and shall return the identification to the applicant.

(9) The Department of Kentucky State Police shall, within sixty (60) days after the date of receipt of the items listed in subsection (8) of this section if the applicant submitted a paper application, or within fifteen (15) business days after the date of receipt of the items listed in subsection (8) of this section if the applicant applied electronically, either:

(a) Issue the license; or

(b) Deny the application based solely on the grounds that the applicant fails to qualify under the criteria listed in subsection (3) or (4) of this section. If the Department of Kentucky State Police denies the application, it shall notify the applicant in writing, stating the grounds for denial and informing the applicant of a right to submit, within thirty (30) days, any additional documentation relating to the grounds of denial. Upon receiving any additional documentation, the Department of Kentucky State Police shall reconsider its decision and inform the applicant within twenty (20) days of the result of the reconsideration. The applicant shall further be informed of the right to seek de novo review of the denial in the District Court of his or her place of residence within ninety (90) days from the date of the letter advising the applicant of the denial.

(10) The Department of Kentucky State Police shall maintain an automated listing of license holders and pertinent information, and this information shall be available upon request, at all times to all Kentucky, federal, and other states' law enforcement agencies. A request for the entire list of licensees, or for all licensees in a geographic area, shall be denied. Only requests relating to a named licensee shall be honored or available to law enforcement agencies. Information on applications for licenses, names and addresses, or other identifying information relating to license holders shall be confidential and shall not be made available except to law enforcement agencies. No request for lists of local or statewide permit holders shall be made to any state or local law enforcement agency, peace officer, or other agency of government other than the Department of Kentucky State Police, and no state or local law enforcement agency, peace officer, or agency of government, other than the Department of Kentucky State Police, shall provide any information to any requester not entitled to it by law.

(11) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss, theft, or destruction of a license, the licensee shall notify the Department of Kentucky State Police of the loss, theft, or destruction. Failure to notify the Department of Kentucky State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. No court costs shall be assessed for a violation of this subsection. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of Kentucky State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(12) If a license is lost, stolen, or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) for a paper request, or twenty-five dollars ($25) for an electronic request submitted in lieu of a paper request, to the Department of Kentucky State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of Kentucky State Police that the license has been lost, stolen, or destroyed.

(13) (a) The commissioner of the Department of Kentucky State Police, or his or her designee in writing, shall revoke the license of any person who becomes permanently ineligible to be issued a license or have a license renewed under the criteria set forth in this section.

(b) The commissioner of the Department of Kentucky State Police, or his or her designee in writing, shall suspend the license of any person who becomes temporarily ineligible to be issued a license or have a license renewed under the criteria set forth in this section. The license shall remain suspended until the person is again eligible for the issuance or renewal of a license.

(c) Upon the suspension or revocation of a license, the commissioner of the Department of Kentucky State Police, or his or her designee in writing, shall:

1. Order any peace officer to seize the license from the person whose license was suspended or revoked; or

2. Direct the person whose license was suspended or revoked to surrender the license to the sheriff of the person's county of residence within two (2) business days of the receipt of the notice.

(d) If the person whose license was suspended or revoked desires a hearing on the matter, the person shall surrender the license as provided in paragraph (c)2. of this subsection and petition the commissioner of the Department of Kentucky State Police to hold a hearing on the issue of suspension or revocation of the license.

(e) Upon receipt of the petition, the commissioner of the Department of Kentucky State Police shall cause a hearing to be held in accordance with KRS Chapter 13B on the suspension or revocation of the license. If the license has not been surrendered, no hearing shall be scheduled or held.

(f) If the hearing officer determines that the licensee's license was wrongly suspended or revoked, the hearing officer shall order the commissioner of the Department of Kentucky State Police to return the license and abrogate the suspension or revocation of the license.

(g) Any party may appeal a decision pursuant to this subsection to the District Court in the licensee's county of residence in the same manner as for the denial of a license.

(h) If the license is not surrendered as ordered, the commissioner of the Department of Kentucky State Police shall order a peace officer to seize the license and deliver it to the commissioner.

(i) Failure to surrender a suspended or revoked license as ordered is a Class A misdemeanor.

(j) The provisions of this subsection relating to surrender of a license shall not apply if a court of competent jurisdiction has enjoined its surrender.

(k) When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(14) (a) Not less than one hundred twenty (120) days prior to the expiration date of the license, the Department of Kentucky State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of Kentucky State Police. The outside of the envelope containing the license renewal notice shall bear only the name and address of the applicant. No other information relating to the applicant shall appear on the outside of the envelope sent to the applicant. The licensee may renew his or her license on or before the expiration date by filing with the sheriff of his or her county of residence the paper renewal form, or by filing with the Department of Kentucky State Police an electronic renewal form in lieu of a paper renewal form, stating that the licensee remains qualified pursuant to the criteria specified in subsections (3) and (4) of this section, and the required renewal fee set forth in subsection (7) of this section. The sheriff shall issue to the applicant a receipt for the paper application for renewal of the license and shall date the receipt. The Department of Kentucky State Police shall issue to the applicant a receipt for an electronic application for renewal of the license submitted in lieu of a paper application for renewal and shall date the receipt.

(b) A license which has expired shall be void and shall not be valid for any purpose other than surrender to the sheriff in exchange for a renewal license.

(c) The license shall be renewed to a qualified applicant upon receipt of the completed renewal application, records check as specified in subsection (3) of this section, determination that the renewal applicant is not ineligible for a license as specified in subsection (4), and appropriate payment of fees. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a

renewal application on or before its expiration date may renew his or her license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (7), (8), and (9) of this section.

(15) The licensee shall carry the license at all times the licensee is carrying a concealed firearm or other deadly weapon and shall display the license upon request of a law enforcement officer. Violation of the provisions of this subsection shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25), payable to the clerk of the District Court, but no court costs shall be assessed.

(16) Except as provided in KRS 527.020, no license issued pursuant to this section shall authorize any person to carry a concealed firearm into:

(a) Any police station or sheriff's office;

(b) Any detention facility, prison, or jail;

(c) Any courthouse, solely occupied by the Court of Justice courtroom, or court proceeding;

(d) Any meeting of the governing body of a county, municipality, or special district; or any meeting of the General Assembly or a committee of the General Assembly, except that nothing in this section shall preclude a member of the body, holding a concealed deadly weapon license, from carrying a concealed deadly weapon at a meeting of the body of which he or she is a member;

(e) Any portion of an establishment licensed to dispense beer or alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to that purpose;

(f) Any elementary or secondary school facility without the consent of school authorities as provided in KRS 527.070, any child-caring facility as defined in KRS 199.011, any day-care center as defined in KRS 199.894, or any certified family child-care home as defined in KRS 199.8982, except however, any owner of a certified child-care home may carry a concealed firearm into the owner's residence used as a certified child-care home;

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(17) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice and Public Safety Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(18) All moneys collected by the Department of Kentucky State Police pursuant to this section shall be used to administer the provisions of this section and KRS 237.138 to 237.142. By March 1 of each year, the Department of Kentucky State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section, KRS 237.138 to 237.142, and KRS

237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section, KRS 237.138 to 237.142, and KRS 237.115, 244.125, 527.020, and 527.070.

(19) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of Kentucky State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(20) (a) A person who is not a resident of Kentucky and who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his or her license shall be considered as valid in Kentucky.

(b) If a person with a valid license to carry a concealed deadly weapon issued from another state that has entered into a reciprocity agreement with the Department of Kentucky State Police becomes a resident of Kentucky, the license issued by the other state shall be considered as valid for the first one hundred twenty (120) days of the person's residence in Kentucky, if within sixty (60) days of moving to Kentucky, the person completes a form promulgated by the Department of Kentucky State Police which shall include:

1. A signed and notarized statement averring that to the best of his or her knowledge the person's license to carry a concealed deadly weapon is valid and in compliance with applicable out-of-state law, and has not been revoked or suspended for any reason except for valid forfeiture due to departure from the issuing state;

2. The person's name, date of birth, citizenship, gender, Social Security number if applicable, proof that he or she is a citizen of the United States, a permanent resident of the United States, or otherwise lawfully present in the United States, former out-of-state address, current address within the state of Kentucky, date on which Kentucky residence began, state which issued the concealed carry license, the issuing state's concealed carry license number, and the state of issuance of license; and

3. A photocopy of the person's out-of-state license to carry a concealed deadly weapon.

(c) Within sixty (60) days of moving to Kentucky, the person shall deliver the form and accompanying documents by registered or certified mail, return receipt requested, to the address indicated on the form provided by the Department of Kentucky State Police pursuant to this subsection.

(d) The out-of-state concealed carry license shall become invalid in Kentucky upon the earlier of:

1. The out-of-state person having resided in Kentucky for more than one hundred twenty (120) days; or

(e) The Department of Kentucky State Police shall,~~[not later than thirty (30) days after July 15, 1998, and]~~ not less than once every twelve (12) months~~[thereafter]~~, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of Kentucky State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of Kentucky State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each twelve (12) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and

shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(21) By March 1 of each year, the Department of Kentucky State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(22) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

The information may be sent by mail, facsimile, ***email*** ~~[e-mail]~~, or other method which will result in the receipt of or production of a hard copy of the information. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent. Concealed deadly weapon class applicant, instructor, and instructor trainer information and records shall be confidential. The department may release to any person or organization the name, address, and telephone number of a concealed deadly weapon instructor or instructor trainer if that instructor or instructor trainer authorizes the release of the information in writing. The department shall include on any application for an instructor or instructor trainer certification a statement that the applicant either does or does not desire the applicant's name, address, and telephone number to be made public;

(e) An instructor trainer who assists in the conduct of a concealed deadly weapon instructor class or concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her certification. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon instructor or concealed deadly weapon class;

(f) An instructor who assists in the conduct of a concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her license. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon class;

(g) If the Department of Criminal Justice Training believes that a firearms instructor trainer or certified firearms instructor has not in fact complied with the requirements for teaching a certified firearms instructor or applicant class by not teaching the class as specified in KRS 237.126, or who has taught an insufficient class as specified in KRS 237.128, the department shall send to each person who has been listed as successfully completing the concealed deadly weapon applicant class or concealed deadly weapon instructor class a verification form on which the time, date, date of range firing if different from the date on which the class was conducted, location, and instructor of the class is listed by the department and which requires the person to answer "yes" or "no" to specific questions regarding the conduct of the training class. The form shall be completed under oath and shall be returned to the Department of Criminal Justice Training not later than forty-five (45) days after its receipt. A person who fails to complete the form, to sign the form, or to return the form to the Department of Criminal Justice Training within the time frame specified in this section or who, as a result of information on the returned form, is determined by the Department of Criminal Justice Training, following a hearing

pursuant to KRS Chapter 13B, to not have received the training required by law shall have his or her concealed deadly weapon license revoked by the Department of Kentucky State Police, following a hearing conducted by the Department of Criminal Justice Training pursuant to KRS Chapter 13B, at which hearing the person is found to have violated the provisions of this section or who has been found not to have received the training required by law;

(h) The department shall annually, not later than December 31 of each year, report to the Legislative Research Commission:

1. The number of firearms instructor trainers and certified firearms instructors whose certifications were suspended, revoked, denied, or who were otherwise disciplined;

2. The reasons for the imposition of suspensions, revocations, denials, or other discipline; and

3. Suggestions for improvement of the concealed deadly weapon applicant training program and instructor process;

(i) If a concealed deadly weapon license holder is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon license shall be forthwith revoked by the Department of Kentucky State Police as a matter of law;

(j) If a concealed deadly weapon instructor or instructor trainer is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon instructor certification or concealed deadly weapon instructor trainer certification shall be revoked by the Department of Criminal Justice Training as a matter of law; and

(k) The following shall be in effect:

1. Action to eliminate the firearms instructor trainer program is prohibited. The program shall remain in effect, and no firearms instructor trainer shall have his or her certification reduced to that of certified firearms instructor;

2. The Department of Kentucky State Police shall revoke the concealed deadly weapon license of any person who received no firearms training as required by KRS 237.126 and administrative regulations, or who received insufficient training as required by KRS 237.128 and administrative regulations, if the person voluntarily admits nonreceipt of training or admits receipt of insufficient training, or if either nonreceipt of training or receipt of insufficient training is proven following a hearing conducted by the Department of Criminal Justice Training pursuant to KRS Chapter 13B.

➔Section 8. KRS 248.664 is amended to read as follows:

Before distribution of the funds, a list of individuals or entities that are awarded tobacco settlement moneys from the tobacco settlement agreement fund under KRS 248.654, or related state or federal legislation, shall be forwarded by the cabinet, agency, corporation, authority, or other entity responsible for the distribution of the moneys to all designees of the ***Office of the Attorney General***~~[Cabinet for Health and Family Services]~~ for the administration of the child support program.

➔Section 9. KRS 403.135 is amended to read as follows:

(2) The clerk of the court shall allow the unredacted sealed copy of the pleading, document, or exhibit containing personal identifiers to be accessed only by a party to the case, an attorney of record in the case, a judge of the court or other authorized court personnel, a duly authorized employee or agent of the ***Office of the Attorney General***~~[Cabinet for Health and Family Services]~~ involved in child support matters attendant to the case, or a person authorized to view the copy by specific order of the court.

(3) As used in this section, "personal identifier" means a Social Security number, name of minor child, date of birth, or financial account number.

➔Section 10. KRS 405.060 is amended to read as follows:

(2) In any case where an obligor transfers income or property to avoid payment to a child support creditor, the transfer shall be indicia of fraud. Indicia of fraud creates a prima facie case that the transfer of income or property was to avoid payment of child support. Indicia of fraud shall be set forth by administrative regulation.

(3) In any case in which the ***Office of the Attorney General*** ~~[cabinet]~~ knows of a transfer by a child support obligor with respect to which a prima facie case is established, the ***Office of the Attorney General*** ~~[cabinet]~~ shall:

(a) Seek to void the transfer; or

(b) Obtain a settlement in the best interests of the child support creditor.

➔Section 11. KRS 405.411 (Effective July 1, 2025) is amended to read as follows:

(1) The Office of the Attorney General's designee under KRS 15.802(6) for the administration of child support may compile a list of the names of persons under its jurisdiction who have a child support arrearage that equals or exceeds six (6) months without payment, or fail, after receiving appropriate notice, to comply with subpoenas or warrants relating to paternity or child support proceedings as provided by 42 U.S.C. sec. 666(a)(16). The Office of the Attorney General may furnish this list to the newspaper of general circulation in that county for publication.

(2) The Department ***of Child Support Services*** ~~[for Income Support, Child Support Enforcement,]~~ in the ***Department of Law*** ~~[Office of the Attorney General]~~ shall determine uniform standards for publication. The Office of the Attorney General is authorized to promulgate the necessary administrative regulations under KRS Chapter 13A to implement the provisions of this section.

(3) For purposes of this section, "newspaper of general circulation" means a publication bearing a title or name, regularly issued at least as frequently as once a week for a definite price, having a second-class mailing privilege, being not less than four (4) pages, published continuously during the immediately preceding one (1) year period, which is published for the dissemination of news of general interest, and is circulated generally in the political subdivision in which it is published and in which notice is to be given. In any county where a publication fully complying with this definition does not exist, the Office of the Attorney General may publish this list in the publication utilized by the Circuit Court Clerk of the county for publication of other legal notices in the county. A newspaper that is not engaged in the distribution of news of general interest to the public, but that is primarily engaged in the distribution of news of interest to a particular group of citizens, is not a newspaper of general circulation.

➔Section 12. KRS 405.430 (Effective July 1, 2025) is amended to read as follows:

(1) When a parent presents himself to the Office of the Attorney General for the voluntary establishment of paternity and clear evidence of parentage is not present, the office shall pay when administratively ordered the cost of genetic testing to establish paternity, subject to recoupment from the alleged father when paternity is established.

(2) The Office of the Attorney General shall obtain additional testing in any case if an original test is contested, upon request and advance payment by the contestant.

(3) In a contested paternity case, the child, the mother, and the putative father shall submit to genetic testing upon a request of any of the parties, unless the person or guardian of the person who is requested to submit to genetic testing shows good cause, taking into account the best interests of the child, why the genetic tests cannot be performed. The request shall be supported by a sworn statement of the party, requesting that the test be performed, which shall include the information required by 42 U.S.C. sec. 666(a)(5)(B)(i) or (ii).

(4) When a parent who fails to support a child is not obligated to provide child support by court order, the Office of the Attorney General may administratively establish a child support obligation based upon a voluntary acknowledgment of paternity as set forth in KRS Chapter 406, the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212 or 403.2122. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.

(5) The Office of the Attorney General shall recognize a voluntary acknowledgment of paternity as a basis for seeking a support order, irrespective of the alleged father's willingness to consent to a support order.

(6) When in the best interest of the child, the Office of the Attorney General may review and adjust a parent's child support obligation or child care obligation as established by the office, upon a request of the office when an assignment has been made, or upon either parent's petition if the amount of the child support awarded under the order differs from the amount that would be awarded in accordance with KRS 403.212 or 403.2122. The Office of the Attorney General shall notify parents at least once every three (3) years of the right to a review.

(7) In establishing or modifying a parent's monthly child support obligation, the Office of the Attorney General may use automated methods to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the adjustment to eligible orders in accordance with KRS 403.212 or 403.2122. The office shall utilize information, including financial records, about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.

An approved certificate of need shall be issued forty (40) days after notice of the cabinet's decision unless a request for reconsideration is filed or a judicial appeal is taken and issuance is enjoined by the court.

➔Section 29. KRS 216B.086 is amended to read as follows:

(1) The cabinet may revoke a certificate of need, or portion thereof, for failure of the holder of the certificate to implement the project in accordance with timetables and standards for implementation established by administrative regulation of the cabinet; however, for projects involving long-term care beds, the cabinet may revoke any certificate granted which is not implemented within twenty-four (24) months or within any six (6) month reporting interval during which there is not satisfactory progress in meeting the project timetable and shall revoke any certificate granted which is not implemented within thirty-six (36) months except for those projects specified as an exception pursuant to Executive Order 96-129 in which case those projects shall be implemented according to the intervals and timetable set forth in this section, as of the effective date of Medicaid funding in the biennial budget for those projects. The administrative regulation for projects involving long-term care beds shall be based on project completion in twenty-four (24) months and shall specify criteria for measuring implementation of project objectives at six (6) month reporting intervals. If, at any six (6) month reporting period, the certificate holder is able to show good cause as to why a project failed to meet its timetables, an extension of six (6) months may be granted to meet that particular timetable. The burden of proof shall be on the certificate holder. An extension may be granted beyond a total of thirty-six (36) months, only if the applicant requests that the cabinet grant an additional six (6) month extension beyond the initial thirty-six (36) month completion period and shows good cause. For purposes of this section, there shall be deemed to be "good cause" if the project can be completed within the additional six (6) month period. In no case shall an extension be granted beyond a total of forty-two (42) months. The holder of the certificate of need shall file with the cabinet the name and business address of all owners, investors, and stockholders in the project whose ownership interest is greater than ten percent (10%). The secretary shall give notice to the holder of the certificate of a decision which has become final under the provisions of this subsection.

(3) The holder of the certificate of need to be revoked may request in writing a public hearing in respect to an initial decision by the cabinet to revoke a certificate of need within thirty (30) days of the date of notice of the initial decision. Failure to request a hearing shall constitute a waiver of any right to reconsideration or judicial appeal of a final cabinet decision to revoke a certificate of need.

(4) The hearing shall be before a person designated by the ***Office of Administrative Hearings within the Department of Law***~~[secretary]~~ to be the hearing officer. The hearing shall be no later than thirty (30) days after the request for the hearing is filed.

Reasonable notice of the hearing shall be given to all affected persons in accordance with administrative regulations promulgated by the cabinet.

(6) At the hearing, any party to the proceedings shall have the right to be represented by counsel and to present oral or written arguments and evidence relevant to the revocation of the certificate of need and may conduct reasonable cross-examination under oath of persons who testify. A full and complete record shall be maintained of the hearing, and all testimony shall be recorded but not be transcribed unless the cabinet's final decision is appealed pursuant to this chapter.

(7) After the issuance of an initial decision to revoke a certificate of need and before a final decision is made, no person shall have ex parte contacts with employees of the cabinet regarding the revocation. If an ex parte contact occurs, it shall be promptly made a part of the record.

(8) If a hearing is requested after notice of the cabinet's initial decision to revoke a certificate of need, the ***Office of Administrative Hearings within the Department of Law***~~[cabinet]~~ shall make a final decision within thirty (30) days after the hearing. Any final decision revoking a certificate of need shall be made by the ***hearing officer***~~[cabinet]~~ in writing. The cabinet shall notify the parties to the proceedings of the final decision.

(9) Any final decision~~[of the cabinet]~~ to revoke a certificate of need shall be based solely on the record established with regard to the revocation.

(10) Except as provided in subsection (3) of this section, reconsideration pursuant to KRS 216B.090 or judicial appeal pursuant to KRS 216B.115 shall be available with regard to a final decision of the cabinet to revoke a certificate of need.

➔Section 30. KRS 216B.106 is amended to read as follows:

(1) The cabinet shall investigate~~[and hold hearings on]~~ complaints pertaining to ambulance services licensed under KRS 311A.030 that are transferred to the cabinet by the Kentucky Board of Emergency Medical Services as required by KRS 311A.055 if the cabinet determines a hearing is needed.

(2) The hearing shall be before a person designated to serve as hearing officer by the ***Office of Administrative Hearings within the Department of Law***~~[secretary]~~.

The denial, revocation, modification, or suspension shall be effected by mailing to the applicant or licensee, by certified mail or other method of delivery which may include electronic service, a notice setting forth the particular reasons for the action. The board shall notify the cabinet within five (5) days of its action in response to the cabinet's findings and recommendations in writing.

(5) The denial, revocation, modification, or suspension shall become final and conclusive thirty (30) days after notice is given, unless the applicant or licensee, within the thirty (30) day period, files a request in writing for a hearing with the cabinet. The cabinet shall notify the board of its actions within five (5) days of receiving a hearing request. All decisions revoking, suspending, modifying, or denying licenses shall be made by the board in writing. The board shall notify the applicant or licensee of the decision.

(6) The decision of the board shall be final for purposes of judicial appeal upon notice of the board's decision.

➔Section 31. KRS 199.670 is amended to read as follows:

(1) The cabinet may revoke or suspend a license issued under KRS 199.640 for any deficiency or condition which would have caused a denial of the license in the first instance. The cabinet may refuse to issue a license in any

case where the applicant is not found to meet the standards established by the secretary in an administrative regulation promulgated in accordance with the provisions of KRS 199.640.

(2) If the cabinet proposes to revoke or suspend, or to refuse to issue a license, written notice shall be given to the licensee or applicant, stating the proposed action and grounds ***for the action*** ~~[therefor]~~, and notifying the licensee or applicant that the license will be revoked, suspended, or refused unless the applicant or licensee makes a written request to engage in informal dispute resolution, in accordance with the provisions of subsection (4) of this section, or the applicant or licensee makes a written request ~~[for a hearing]~~ ***to the cabinet*** ~~[before the secretary]~~ within thirty (30) days of notice ***for a hearing before the Office of Administrative Hearings within the Department of Law***. Notice shall be complete and effective upon mailing. If the cabinet proposes to deny the issuance or renewal of a license, notice of the proposed action shall be provided to the licensee or applicant no later than thirty (30) days after the application for licensure or renewal is received by the cabinet.

(3) If a request for a hearing is made, the hearing shall be conducted in accordance with KRS Chapter 13B. If the cabinet has probable cause to believe that an immediate threat to the public health, safety, or welfare exists, the cabinet may take emergency action pursuant to KRS 13B.125.

(4) (a) Upon receipt of a statement of deficiency from the cabinet, the applicant or licensee may request one (1) informal opportunity per survey to dispute any deficiencies with which it disagrees. The applicant or licensee shall make a written request to the cabinet for informal dispute resolution, which must be received by the cabinet within ten (10) days of the receipt of the statement of deficiency by the applicant or licensee. The request shall:

1. Specify the deficiencies in dispute;
2. Provide a detailed explanation of the basis for the dispute;
3. Include any supporting documentation, including any information that was not available at the time of the survey; and
4. If desired, request a face-to-face meeting with the regional program manager, or the manager's designee, and a surveyor who did not participate in the original survey or the decision to issue the disputed deficiency.

(b) Upon receipt of a request for informal dispute resolution, the regional program manager, or the manager's designee, and a child-caring surveyor who did not participate in the original survey or the decision to issue the disputed deficiency shall, within thirty (30) days of receipt of the request, review the specific deficiencies in dispute and notify the applicant or licensee in writing of the results of the review. If a face-to-face meeting was requested by the applicant or licensee, the meeting shall be held, and no decision shall be made regarding the disputed deficiencies until after the face-to-face meeting has occurred.

1. If materials submitted by the applicant or licensee by mail or at the face-to-face meeting demonstrate that specific deficiencies should not have been cited, those deficiencies will be removed from the statement of deficiencies and any enforcement actions imposed solely as a result of those cited deficiencies will be rescinded.
2. If, after review of the disputed deficiencies, the regional office staff affirms the deficiencies, the licensee or applicant may accept the findings of the regional office staff and make any corrections required by the cabinet, or may, within thirty (30) days of receipt of the notice, request in writing a meeting with the secretary or the secretary's designee. The secretary may designate an individual who holds the position of director or above to serve as the designee.
3. The secretary or the secretary's designee shall meet in person with the licensee or applicant and review the documentation available within fifteen (15) days of receipt of the request.

5. If the secretary or the secretary's designee affirms the deficiencies, the secretary or the secretary's designee shall, within fifteen (15) days issue a final written order stating the cabinet's final position regarding the deficiencies in dispute. The decision of the secretary or the secretary's designee shall be a final order for purposes of subsection (5) of this section.

(c) A request for informal dispute resolution shall not delay the required submission of a plan of correction for any deficiency not in dispute. Any corrective plan of action or similar submission required by the cabinet relating to any deficiency in dispute shall be suspended until a decision is rendered and a corrective plan of action is agreed to within the informal dispute resolution process or the secretary or the secretary's designee issues a final order.

(5) Any final order may be reviewed in the Circuit Court of the county in which the child-caring facility or child-placing agency is located in accordance with KRS Chapter 13B.

(b) If a counterparty to a netting agreement or a qualified financial contract with an insurer against which a delinquency proceeding has been initiated terminates, liquidates, closes out, or accelerates the agreement or contract:

➔Section 4. KRS 304.33-050 is amended to read as follows:

(1) Except as provided in KRS 304.33-052 ***and Section 3 of this Act***, any receiver appointed in a proceeding under this subtitle may at any time apply for and any court of general jurisdiction may grant such restraining orders, temporary and permanent injunctions, and other orders as are deemed necessary and proper to prevent:

(m) Any suit or other action against a reinsurer of the insurer.

(2) The receiver may apply to any court outside of this state for the relief described in subsection (1) of this section.

➔Section 5. KRS 304.33-170 is amended to read as follows:

(1) Stays in pending litigation. Except as provided in KRS 304.33-052 ***and Section 3 of this Act***, any court in this state before which any action or proceeding by or against an insurer is pending when a rehabilitation order against the insurer is entered shall, upon request of the rehabilitator, stay the action or proceeding for such time as is necessary for the rehabilitator to obtain proper representation and prepare for further proceedings. The court that entered the rehabilitation order shall order the rehabilitator to take such action respecting the pending litigation as the court deems necessary in the interests of justice and for the protection of creditors and policyholders. The rehabilitator shall immediately consider all litigation pending outside this state and shall petition the courts having jurisdiction over that litigation for stays whenever necessary to protect the estate of the insurer.

(2) Statutes of limitations on claims by insurer. The time between the filing of a petition for rehabilitation against an insurer and denial of the petition or an order of rehabilitation shall not be considered to be a part of the time within which any action may be commenced by the insurer. Any action by the insurer that might have been commenced when the petition was filed may be commenced for at least sixty (60) days after the order of rehabilitation is entered.

(3) Statutes of limitations on claims against insurer. The time between the filing of a petition for rehabilitation against an insurer and the denial of the petition or an order of rehabilitation shall not be considered to be a part of the time within which any action may be commenced against the insurer. Any action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty (60) days after the order of rehabilitation is entered or the petition is denied.

(4) A guaranty association or a foreign guaranty association shall have standing to appear in any court proceeding concerning the rehabilitation of an insurer if such association is or may become liable to act as a result of the rehabilitation.

➔Section 6. KRS 304.33-240 is amended to read as follows:

The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. ***Subject to Section 3 of this Act,*** the liquidator may:

(1) Appoint a special deputy to act for him or her under this subtitle, and, subject to the court's approval, determine his or her compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator;

(2) Appoint or engage employees and agents, legal counsel, actuaries, accountants, appraisers, consultants, and other personnel he or she deems necessary to assist in the liquidation;

(3) Fix the compensation of persons under subsection (2) of this section, subject to the control of the court;

(4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of any available appropriation. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the Department of Insurance out of the first available moneys of the insurer;

(5) Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath, and compel any person to subscribe to his or her testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, record, or other documents which he or she deems relevant to the inquiry;

(6) Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions to marshal the assets of the insurer; forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve or protect its assets or property, including sell, compound, compromise, or assign for purposes of

collection, subject to court approval and upon such terms and conditions as the liquidator deems best, any disputed claims; and pursue any creditor's remedies available to enforce his or her claims. In lieu of collecting funds representing unearned premium of a policyholder which are in the possession of the insurer's agent with respect to the kinds of direct insurance protected under KRS 304.36-030, the liquidator may authorize the use of such funds to replace the insurance coverage terminated pursuant to KRS 304.33-210, upon receipt from the agent of appropriate notice of such replacement of the insurance coverage with an insurer within sixty (60) days after the date of the liquidation order;

(7) Audit the books and records of all agents of the insurer insofar as these records relate to the business activities of the insurer;

(8) Conduct public and private sales of the property of the insurer in a manner prescribed by the court;

(9) Use assets of the estate to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under KRS 304.33-430;

(10) Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds ten thousand dollars ($10,000) shall be concluded without express permission of the court. The liquidator also may execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county clerk for the county in which the property is located a certified copy of the order appointing him or her;

(11) Borrow money, subject to court approval, on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation;

(12) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party, except the liquidator shall not disavow, reject, or repudiate a federal home loan bank security agreement or any pledge agreement, security agreement, collateral agreement, guarantee agreement, or other similar arrangement or credit enhancement relating to a security agreement to which a federal home loan bank is a party;

(13) Continue to prosecute and institute in the name of the insurer or in his or her own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims he or she deems unprofitable to pursue further. If the insurer is dissolved under KRS 304.33-220, he or she may apply to any court in this state or elsewhere for leave to substitute himself or herself for the insurer as plaintiff;

(14) Prosecute any action which may exist ***on*** ~~[in]~~ behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person;

(15) Remove any records and property of the insurer to the offices of the commissioner or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation;

(16) Deposit in one (1) or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions;

(17) File any necessary documents for record in the office of any county clerk or record office in this state or elsewhere where property of the insurer is located;

(18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator;

(19) Exercise and enforce all the rights, remedies and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within KRS 304.33-290 to 304.33-310, inclusive;

(20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered;

(21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states;

(22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with this subtitle; and

(23) The enumeration in this section of the powers and authority of the liquidator is not a limitation upon him or her, nor does it exclude his or her right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

➔Section 7. KRS 304.33-260 is amended to read as follows:

(1) Written notice. Every person who receives notice in the form prescribed in KRS 304.33-250 that an insurer for which he ***or she*** has acted as agent is the subject of a liquidation order shall as soon as practicable give notice of the liquidation order. The notice shall be sent by first-class mail to the last address contained in the agent's records to each policyholder or other person named in any policy issued through the agent by the company, if he ***or she*** has a record of the address of the policyholder or other person. A policy shall be deemed issued through an agent if the agent has a property interest in the expiration of the policy; or if the agent has had in his ***or her*** possession a copy of the declarations of the policy at any time during the life of the policy, except where the ownership of the expiration of the policy has been transferred to another. The written notice shall include the name and address of the insurer, the name and address of the agent, identification of the policy impaired, and the nature of the impairment under KRS 304.33-210. Notice by a general agent shall satisfy the notice requirement for any agents under contract to him ***or her***.

(2) Oral notice. So far as practicable, every insurance agent subject to subsection (1) of this section shall give immediate oral notice, by telephone or otherwise, of the liquidation order to the same persons to whom he ***or she*** is obligated to give written notice. The oral notice shall include substantially the same information as the written notice.

(3) The liquidator may waive the duties imposed by this section if he ***or she*** determines that other notice to the policyholders of the insurer under liquidation is adequate.

(4) Transfer of assets. Every agent subject to subsection (1) of this section shall, immediately upon receiving notice pursuant to KRS 304.33-250, and not later than thirty (30) days thereafter, except as otherwise~~[expressly]~~ provided under ***Section 3 of this Act or*** KRS 304.33-240(6), transfer all assets of the insurer in possession of the agent as of the date of liquidation or any time thereafter to the liquidator. If there is any dispute as to whether assets which an agent is holding are assets of the insurer, the agent shall petition the court for an order determining the ownership thereof.

➔Section 8. KRS 304.33-290 is amended to read as follows:

(1) Definition and effect. Except as provided in subsection (5) of this section ***and Section 3 of this Act:***~~[.]~~

(a) Every transfer made or suffered and every obligation incurred by an insurer within one (1) year prior to the filing of a successful petition for rehabilitation or liquidation under this subtitle shall be fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay or defraud either existing or future creditors***;***~~[.]~~

(b) A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this subtitle, which is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor, or obligee for a present fair equivalent value; and except that any purchaser, lienor, or obligee, who in good faith has given a consideration less than fair for such transfer, lien, or obligation, may retain the property, lien, or obligation as security for repayment***; and***~~[.]~~

(c) The court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event the receiver shall succeed to and may enforce the rights of the purchaser, lienor, or obligee.

(2) Perfection of transfers.

(a) Personal property. A transfer of property other than real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee under subsection (3) of KRS 304.33-310.

(b) Real property. A transfer of real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee.

(c) Equitable liens. A transfer which creates an equitable lien shall not be deemed to be perfected if there are available means by which a legal lien could be created.

(d) Transfer not perfected prior to petition. Any transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

(e) Actual creditors unnecessary. This subsection shall apply whether or not there are or were creditors who might have obtained any liens or persons who might have become bona fide purchasers.

(3) Fraudulent reinsurance transactions. Any transaction of the insurer with a reinsurer shall be deemed fraudulent and may be avoided by the receiver under subsection (1) of this section if:

(a) The transaction consists of the termination, adjustment or settlement of a reinsurance contract in which the reinsurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time of the transaction, unless the reinsurer gives a present fair equivalent value for the release; and

(b) Any part of the transaction took place within one (1) year prior to the date of filing of the petition through which the receivership was commenced.

(4) Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefor and shall be bound to account to the liquidator.

(5) (a) Except as provided in paragraph (b) of this subsection, any transfer of, and any obligation to transfer, money or other property from an insurer-member to the federal home loan bank under a federal home loan bank security, pledge, collateral, or guarantee agreement, or other similar arrangement or credit enhancement, shall not be deemed fraudulent and shall not be avoided by the receiver under subsection (1) of this section if the agreement, arrangement, or enhancement is:

1. Made in the ordinary course of business; and

2. Made in compliance with the applicable federal home loan bank agreement.

(b) A transfer may be deemed fraudulent and may be avoided by the receiver under subsection (1) of this section if the transfer is made with the intent to hinder, delay, or defraud:

1. An insurer-member;

2. The receiver of the insurer-member; or

3. Existing or future creditors of the insurer-member.

➔Section 9. KRS 304.33-300 is amended to read as follows:

Except as provided in Section 3 of this Act:

(1) Effect of petition: real property. After a petition for rehabilitation or liquidation, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The recording of a copy of the petition for or order of rehabilitation or liquidation with the county clerk in the county where any real property in question is located shall be constructive notice of the commencement of a proceeding in rehabilitation or liquidation. The exercise by a court of the United States or any state of jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale***;***~~[.]~~

(2) Effect of petition: personal property. After a petition for rehabilitation or liquidation and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:

(a) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred;

(b) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property or any part thereof to the insurer or upon his or her order, with the same effect as if the petition were not pending;

(c) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith unless he or she has reasonable cause to believe that the petition is not well founded; and

(d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or in behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall be valid against the liquidator***;*** ~~[.]~~

(3) Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefor and shall be bound to account to the liquidator***; and*** ~~[.]~~

(4) Negotiability. Nothing in this subtitle shall impair the negotiability of currency or negotiable instruments.

➔Section 10. KRS 304.33-310 is amended to read as follows:

Except as provided in Section 3 of this Act:

(1) Preferences.

(a) Preference defined. A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt made or suffered by the insurer within one (1) year before the filing of a successful petition for liquidation under this subtitle, the effect of which transfer may be to enable the creditor to obtain a greater percentage of his ***or her*** debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, transfers otherwise qualifying shall be deemed preferences if made or suffered within one (1) year before the filing of the successful petition for rehabilitation or within two (2) years before the filing of the successful petition for liquidation, whichever time is shorter.

(b) Invalidation of preferences. Except as provided in subsection (10) of this section, any preference may be avoided by the liquidator, if:

1. The insurer was insolvent at the time of the transfer;

2. The transfer was made within four (4) months before the filing of the petition;

3. The creditor receiving it or to be benefited thereby or his ***or her*** agent acting with reference thereto had reasonable cause to believe at the time when the transfer was made that the insurer was insolvent or was about to become insolvent; or

4. The creditor receiving it was an officer, employee, attorney or other person who was in fact in a position of comparable influence in the insurer to an officer whether or not he ***or she*** held such position, or any shareholder holding directly or indirectly more than five percent (5%) of any class of any equity security issued by the insurer, or any other person with whom the insurer did not deal at arm's length.

Where the preference is voidable, the liquidator may recover the property or, if it has been converted, its value from any person who has received or converted the property, except a bona fide purchaser from or lienor of the debtor's transferee for a present fair equivalent value. Where the bona fide purchaser or lienor has given less than fair equivalent value, he ***or she*** shall have a lien upon the property to the extent of the consideration actually given by him ***or her***. Where a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title shall pass to the liquidator***;*** ~~[.]~~

(2) Perfection of transfers.

(a) Personal property. A transfer of property other than real property is deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee.

(b) Real property. A transfer of real property is deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of transferee.

(c) Equitable liens. A transfer which creates an equitable lien is not deemed to be perfected if there are available means by which a legal lien could be created.

(d) Transfers not perfected prior to petition. A transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

(e) Actual creditors unnecessary. This subsection applies whether or not there were creditors who might have obtained liens or persons who might have become bona fide purchasers***;*** ~~[.]~~

(3) Liens by legal or equitable proceedings.

(a) Definition. A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of such proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution or like process, whether before, upon or after judgment or decree and whether before or upon levy. It does not include liens which under applicable law are given a special priority over other liens which are prior in time.

(b) When liens are superior. A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of subsection (2) of this section, if such consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. Such a lien could not, however, become superior and such a purchase could not create superior rights for the purpose of subsection (2) of this section through any acts subsequent to the obtaining of such a lien or subsequent to such a purchase which require the agreement or concurrence of any third party or which require any further judicial action, or ruling***;*** ~~[.]~~

(4) Twenty-one day rule. A transfer of property for or on account of a new and contemporaneous consideration which is deemed under subsection (2) of this section to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within twenty-one (21) days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if such a loan is actually made, or a transfer which becomes security for a future loan shall have the same effect as a transfer for or on account of a new and contemporaneous consideration***;*** ~~[.]~~

(5) Indemnifying transfers also voidable. If any lien deemed voidable under paragraph (b) of subsection (1) of this section has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the filing of a petition under this subtitle which results in a liquidation order, the indemnifying transfer or lien shall also be deemed voidable***;*** ~~[.]~~

(6) Avoidance of lien. The property affected by any lien deemed voidable under paragraph (b) of subsection (1) of this section and subsection (5) of this section is discharged from the lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the liquidator, except that the court may on due notice order the lien to be preserved for the benefit of the estate and the court may direct that a conveyance be executed which is adequate to evidence the title of the liquidator***;*** ~~[.]~~

(7) Hearings to determine rights. The court shall have summary jurisdiction of any proceeding by the liquidator to hear and determine the rights of any parties under this section. Reasonable notice of any hearing in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other like obligation. Where an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, the court, upon application of any party in interest, shall in the same proceeding ascertain the value of the property or lien, and if the value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment of its value, as ascertained by the court, to the liquidator within such reasonable times as the court fixes***;*** ~~[.]~~

(8) Surety's liability discharged. The liability of a surety under a releasing bond or other like obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided or, where the property is retained under subsection (7) of this section to the extent of the amount paid to the liquidator***;*** ~~[.]~~

(9) Setoff of new advances. If a creditor has been preferred and afterward in good faith gives the insurer further credit without security of any kind, for property which becomes a part of the insurer's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference which would otherwise be recoverable from him ***or her; and*** ~~[.]~~

(10) Federal home loan bank preferences. A liquidator shall not avoid any preference arising under, or in connection with, a federal home loan bank security agreement or any pledge agreement, security agreement,

collateral agreement, guarantee agreement, or other similar arrangement or credit enhancement relating to a security agreement to which a federal home loan bank is a party.

➔Section 11. KRS 304.33-330 is amended to read as follows:

(1) Set-offs allowed in general. Mutual debt or mutual credits between the insurer and another person in connection with any action or proceeding under this subtitle shall be set off and the balance only shall be allowed or paid, except as provided in subsection (2) of this section.

(2) Exceptions. ***Except as provided in Section 3 of this Act,*** no set-off or counterclaim shall be allowed in favor of any person where:

(a) The obligation of the insurer to the person would not at the date of the filing of a petition for liquidation entitle him ***or her*** to share as a claimant in the assets of the insurer;

(b) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a set-off;

(c) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution; or

(d) The obligation of the person is to pay earned premiums to the insurer. However, the provisions of this paragraph shall only apply to reinsurance contracts entered into prior to July 13, 2004.

Signed by Governor March 24, 2025.

The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities with appurtenances and costs as may be incident to the issuance of the bonds.

2. An increase in creditable compensation for all employees in a specified class due to an increase in rate of pay authorized or funded by the legislative or administrative body of the employer or due to an increase in rate of pay mandated in a collective bargaining agreement approved by the legislative body of the employer; and

1. Shall refund the employee contributions and interest attributable to the reduction in creditable compensation; and

Creditable compensation earned by the retiring employee prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.

(b) If the reductions in creditable compensation during a retiring member's entire last five (5) years of employment results in a reduction in his or her monthly retirement allowance of less than twenty-five dollars ($25) per month or an actuarially equivalent value under the various payment options, then no reduction in creditable compensation or retirement allowances shall occur under subsection (2) of this section.

(4) Subsection (2) of this section shall not apply to:

Exceeding these standards shall constitute a rebuttable presumption of violation of this section.

(2) A person shall not, nor shall an agent or employee of a person, nor shall a person as agent or employee of another, discharge from any source whatsoever such quantities of air contaminants or other material which cause injury, detriment, nuisance, or annoyance to any considerable number of persons or to the public or

The board shall have power, by regulation, to fix reasonable limits, by weight or otherwise, for particular air contaminants or other material which in the opinion of said board may cause or have tendency to cause injury, detriment, nuisance, or annoyance to any considerable number of persons or to the public. Exceeding such limits shall be a rebuttable presumption of violation of this section.

2. A method or test that produces scientifically defensible and quality-assured data that is accepted by the United States Environmental Protection Agency for enforcement purposes.

(b) Any data collected using a method that does not meet the requirements of paragraph (a) of this subsection shall not be admissible or considered in any enforcement proceeding initiated by the air pollution control board, an air pollution control officer, or a private citizen.

➔Section 2. KRS 77.160 is amended to read as follows:

The provisions of KRS 77.155***(1) and (2)*** shall not be applicable:

(b) At the time of the renovation, demolition, or cleanup, the use of the building or the property is commercial or is not known. To all larger residential buildings of whatever type, KRS 77.155 shall be effective and applicable;

(2) When a firebox, furnace, boiler, locomotive, or other fuel-consuming device is being cleaned out and a new fire is being built therein, in which event a smoke of a density as great or greater than that established by regulation by the air pollution control board shall be permitted for a period not to exceed six (6) minutes in any single period of sixty (60) minutes;

(3) To equipment used for agricultural operations in the growing of crops, or raising of fowl or animals;

(4) To smoke from fires set by or permitted by any public officer if such fire is set or permission given in the performance of the official duty of such officer for the purpose of weed abatement, the prevention of a fire or health hazard, or the instruction of public employees in the methods of fighting fire, which is, in the opinion of such officer, necessary.

(1) No person shall, directly or indirectly, emit into or discharge into the air under the jurisdiction of the Commonwealth, or cause, permit, or allow to be emitted or discharged into such air any contaminants as provided for in subsection (1) of KRS 224.1-010 that shall cause or contribute to the pollution of the air of the Commonwealth in contravention of the emission standards or the ambient air standards adopted by the cabinet, or in contravention of any of the rules, regulations, or orders of the cabinet, or in contravention of any of the provisions of this chapter.

(2) ***(a) For purposes of enforcing compliance with the applicable requirements of this chapter, the administrative regulations promulgated thereunder, or any requirement of the federal Clean Air Act, 42 U.S.C. sec. 7401 et seq., for which the cabinet has primary enforcement authority, an enforcement action alleging violations or noncompliance shall be based on:***

1. A data collection method, emissions test, or monitoring method that has been approved or promulgated by the United States Environmental Protection Agency; or

(b) Any data collected using a method that does not meet the requirements of paragraph (a) of this subsection shall not be admissible or considered in any enforcement proceeding initiated by the cabinet or a private citizen.

(3) For the purpose of fostering willing compliance with the emission standards and the ambient air standards adopted by the cabinet, the cabinet shall promulgate and implement administrative regulations which give effect to ***42 U.S.C. sec.***~~[Section]~~ 7412(i)(5)~~[of Title 42, United States Code]~~, relating to alternative emission limitations allowed for early reduction of emissions. (c) After exercising due diligence in inspecting the vehicle and its supporting documentation, and finding that they appear to be in order, the certified inspector shall execute the electronic certificate of inspection according to its terms by electronically inputting in the spaces provided his or her first name, middle initial, and last name, certified inspector number, his or her title; the name of the county in which he or she serves; and the telephone number including the telephone area code of his or her agency, and enter the month, day, and year in which his or her inspection was made, certifying under penalty of forgery in the second degree the character, accuracy, and date of his or her inspection; and

(d) A certified inspector number shall not be subject to an open records request under KRS 61.870 to 61.884 unless otherwise required by a court order.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury;

(2) "Occupational disease" means a disease arising out of and in the course of the employment;

(3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence;

(4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made;

(5) "Death" means death resulting from an injury or occupational disease;

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer;

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter;

(8) "Department" means the Department of Workers' Claims in the Education and Labor Cabinet;

(b) "Permanent partial disability" means the condition of an employee who, due to an injury, has a permanent disability rating but retains the ability to work; and

(c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:

1. Total and permanent loss of sight in both eyes;

2. Loss of both feet at or above the ankle;

3. Loss of both hands at or above the wrist;

4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

5. Permanent and complete paralysis of both arms, both legs, or one (1) arm and one (1) leg;

6. Incurable insanity or imbecility; or

7. Total loss of hearing;

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits;

(13) "Medical and related benefits" means payments made for medical, hospital, burial, and other services as provided in this chapter, other than income benefits;

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel, or similar advantages received from the employer, and gratuities received in the course of employment from persons other than the employer as evidenced by the employee's federal and state tax returns;

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with the farm operations, including the sale of produce at on-site markets and the processing of produce for sale at on-site markets. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market;

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter;

(20) "United States," when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States;

(21) "Alien" means a person who is not a citizen, a national, or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien;

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes the Kentucky Employers Mutual Insurance Authority and every self-insured group operating under the provisions of this chapter;

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger, and surface mining sites; all activities performed at tipple or processing plants that clean, break, size, or treat coal; and all activities performed at coal loading facilities for trucks, railroads, and barges. (b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, limited partnerships, limited liability companies, corporations, joint ventures, associations, or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether the acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time;

(24) "Premium" for every self-insured group means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;

(25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed on premiums received as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering covered employees having a co-employment relationship with a professional employer organization and a client as defined in KRS Chapter 336, "premiums received" means premiums calculated using the experience modification factor of each client as defined in KRS Chapter 336 for each covered employee for that portion of the payroll pertaining to the covered employee.

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

(d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.

(e) "Deductible program adjustment" means calculating premium and premiums received on a gross basis without regard to the following:

1. Schedule rating modifications, debits, or credits;

2. Deductible credits; or

3. Modifications to the cost of coverage from inception through and including any audit that are based on negotiated retrospective rating arrangements, including but not limited to large risk alternative rating options;

(26) "Insurance policy" for an insurance company or self-insured group means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year;

(27) "Self-insurance year" for a self-insured group means the annual period of certification of the group created pursuant to KRS 342.350(4) and 304.50-010;

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating

organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;

(b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department of Workforce Development, Education and Labor Cabinet. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;

(c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department of Workforce Development data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying its own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying its own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews its application for certification to carry its own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry its own risk and is so certified, its premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then its premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1);

(f) If an employer is certified to carry its own risk after having previously insured the risk, its premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry its own risk and has paid all amounts due for assessments upon premiums paid while insured, the employer shall be assessed only upon the premium calculated under this subsection;

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and

(h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents ($0.30) per one hundred dollars ($100) of the employer's most recent annualized payroll for employees covered by this chapter;

(29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;

(31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits;

(32) "Physician" means physicians and surgeons, ***audiologists holding a doctorate in audiology,*** psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of the license or other credentials required by his or her specialty of practice in the United States jurisdiction in which he or she is authorized to practice;

(33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;

(34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;

(35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment";

(36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b); and

(37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in KRS 342.262:

CHAPTER 94

(HB 241)

AN ACT relating to education and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. (1) For the 2024-2025 school year, a school district may revise its school calendar in accordance with the requirements of this section.

(2) For purposes of this section, notwithstanding the requirement in KRS 158.070 that the student instructional year not be less than 170 student attendance days and any other statute or administrative regulation to the contrary, students shall receive a minimum of 1,062 instructional hours, less any waiver of instructional time provided in accordance with KRS 158.070(3)(f) and 702 KAR 7:140.

(3) The commissioner of education may grant up to the equivalent of five disaster relief student attendance days for school districts to provide instruction using alternative settings when the school district is closed for health or safety reasons.

(4) Notwithstanding KRS 158.070(4)(b), a school district may reach the required instructional hours required by adding time to student attendance days. A day shall not exceed seven hours of instructional time unless the district submitted and received approval from the commissioner of education for an innovative alternative calendar.

(5) If a local school district is unable to provide the required 1,062 hours of instruction by June 4, 2025, the commissioner of education may waive up to five student attendance days. The commissioner of education shall not waive instructional days for a district that did not make up days by adding time to the student instructional day. Notwithstanding any other statute or administrative regulation to the contrary, student attendance days waived under this subsection shall be applied on a district-wide basis.

(6) If a local board of education seeks to revise its school calendar under this section, the board shall submit a plan for approval to the Kentucky Department of Education demonstrating how the required instructional hours will be completed.

(7) Notwithstanding any other statute, administrative regulation, or local board of education policy to the contrary, each classified and certified employee of a local board of education shall be considered to have completed one day of his or her employment contract for each day made up in accordance with subsection (4) of this section and days waived in accordance with subsection (5) of this section.

(8) If a local board of education used 10 or fewer nontraditional instruction days during the 2024-2025 school year and chooses not to take advantage of subsections (3) and (5) of this section for the 2024-2025 school year, the school district's average daily attendance shall be calculated by deducting five low attendance days in addition to the five days deducted under KRS 157.320(1).

➔Section 3. KRS 157.360 is amended to read as follows:

(1) (a) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.

(b) When determining the biennial appropriations for the program, the average daily attendance for each fiscal year shall include an estimate of the number of students graduating early under the provisions of KRS 158.142.

(2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year, except a district shall receive an amount equal to one-half (1/2) of the state portion of the average statewide per pupil guaranteed base funding level for each student who graduated early under the provisions of KRS 158.142. Each district's base funding level shall be adjusted by the following factors:

(a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly. Funds generated under this paragraph may be used to pay for:

1. Alternative programs for students who are at risk of dropping out of school before achieving a diploma; and

2. A hazardous duty pay supplement as determined by the local board of education to the teachers who work in alternative programs with students who are violent or assaultive;

(b) The number and types of exceptional children in the district as defined by KRS 157.200. Specific weights for each category of exceptionality shall be used in the calculation of the add-on factor for exceptional children; and

(c) Transportation costs. The per-pupil cost of transportation shall be calculated as provided by KRS 157.370. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which ensures that no public school funds are used for the transportation of nonpublic students.

(3) Beginning with the 2015-2016 school year and each year thereafter, the General Assembly shall annually allocate funds equal to one-half (1/2) of the state portion of the average statewide per pupil guaranteed base funding level for each student who graduated early under the provisions of KRS 158.142 the previous school year to the Kentucky Higher Education Assistance Authority for deposit in the early graduation scholarship trust fund.

(4) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year.

(5) (a) Except for those schools which have implemented school-based decision making, the commissioner of education shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except as provided in subsection (6) of this section, the maximum number of pupils enrolled in a class shall be as follows:

1. Twenty-four (24) in primary grades (kindergarten through third grade);

2. Twenty-eight (28) in grade four (4);

3. Twenty-nine (29) in grades five (5) and six (6);

4. Thirty-one (31) in grades seven (7) to twelve (12).

(b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school***:***

1. Classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day***; and***

2. Virtual program teachers shall not exceed the equivalent of three hundred (300) pupil hours per day.

(c) The commissioner of education, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).

(d) In all schools the commissioner of education shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his or her individual education program in the least restrictive environment.

(6) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.

(7) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the

school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the commissioner of education.

(8) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.

(9) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(10) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.

(11) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(12) (a) Instructional salaries for vocational agriculture classes shall be for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Department of Education. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.

(b) Each teacher of agriculture employed shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the commissioner of education a completed report of summer tasks for each vocational agriculture teacher. Twenty percent (20%) of the approved vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.

(13) (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding, excluding the capital outlay, shall be allotted for each child in average daily attendance in the prior school year who has been properly identified according to Kentucky Board of Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and

(b) Pursuant to administrative regulations of the Kentucky Board of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short-term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported annually on forms provided by the Department of Education.

(14) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection ***and for virtual programs***, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.

(15) Effective July 1, 2001, there shall be no deduction applied against the base funding level for any pupil in average daily attendance who spends a portion of his or her school day in a program at a state-operated career and technical education or vocational facility.

(16) During a fiscal year, a school district may request that the Department of Education recalculate its funds allocated under this section if the current year average daily attendance for the twenty (20) day school month as defined in KRS 158.060(1) that contains the most days within the calendar month of January exceeds the prior year adjusted average daily attendance plus growth by at least one percent (1%). Any adjustments in the allotments approved under this subsection shall be proportional to the remaining days in the school year and subject to available funds under the program to support education excellence in Kentucky.

(17) To calculate the state portion of the program to support education excellence in Kentucky for a school district, the Department of Education shall subtract the local effort required under KRS 157.390(5) from the calculated base funding under the program to support education excellence in Kentucky, as required by this section. The value of the real estate used in this calculation shall be the lesser of the current year assessment or the prior year assessment increased by four percent (4%) plus the value of current year new property. The calculation under this subsection shall be subject to available funds.

(18) Notwithstanding any other statute or budget of the Commonwealth language to the contrary, time missed due to shortening days for emergencies may be made up by lengthening school days in the school calendar without any loss of funds under the program to support education excellence in Kentucky.

➔Section 4. KRS 158.120 is amended to read as follows:

(1) ~~[By July 1, 2022,]~~A board of education shall adopt a nonresident pupil policy to govern the terms under which the district shall allow enrollment of nonresident pupils. Upon allowing nonresident pupil enrollment, the policy shall allow nonresident children to be eligible to enroll in any public school located within the district. The policy shall not discriminate between nonresident pupils, but may recognize enrollment capacity, as determined by the local school district. The nonresident pupil policy and any subsequent changes adopted by a board of education shall be filed with the Kentucky Department of Education no later than thirty (30) days following their adoption.

(2) Any board of education may charge a reasonable tuition fee per month for each child attending its schools whose parent, guardian, or other legal custodian is not a bona fide resident of the district. Any controversy as to the fee shall be submitted to the Kentucky Board of Education for final settlement. The fee shall be paid by the board of education of the school district in which the pupil resides, except in cases where the board makes provision for the child's education within his or her district. If a board of education is required to pay a pupil's tuition fee, the pupil shall be admitted to a school only upon proper certificate of the board of education of the district in which he or she resides.

(3) When it appears to the board of education of any school district that it is convenient for a pupil of any grade residing in that district to attend an approved public school in another district, the board of education may enter into a tuition contract with the public school authorities of the other school district for that purpose, but before a contract is entered into with public school authorities in another state the school shall have been approved by the state school authorities of that state through the grades in which the pupil belongs. When a district undertakes, under operation of a tuition contract or of law, to provide in its school for pupils residing in another district, the district of their residence shall share the total cost of the school, including transportation when furnished at public expense, in proportion to the number of pupils or in accordance with contract agreement between the two (2) boards.

(4) As used in this subsection, "virtual program" has the same meaning as in Section 2 of this Act. A school district may enroll nonresident pupils on a full-time basis in kindergarten through grade twelve (12) in a virtual program established under Section 5 of this Act by that district. Nonresident pupil enrollment shall be subject to the following requirements:

(a) Beginning with the 2025-2026 school year, the statewide total enrollment of nonresident pupils in virtual programs offered by school districts shall not exceed an enrollment cap of one percent (1%) of the previous year's total statewide student enrollment in all school districts. By July 1, 2025, and each year thereafter until June 30, 2028, the Kentucky Department of Education shall publish on its website the previous year's total statewide student enrollment in all school districts and the one

percent (1%) value of that number. The information shall remain on the website for the remainder of each school year;

(b) Each school district shall report in the student information system the nonresident pupils enrolled in the district's virtual programs. The department shall monitor the number of statewide total enrollment of nonresident pupils in virtual programs;

(c) If the number of statewide total enrollment of nonresident pupils in virtual programs reaches eighty-five hundredths of one percent (0.85%) of the previous year's total statewide student enrollment in all school districts, the department shall alert all school districts operating virtual programs that the nonresident enrollment cap has almost been reached. Upon receiving the alert, a school district shall notify any nonresident pupil seeking enrollment in a virtual program operated by the school district that the pupil will be provisionally enrolled until the department can confirm that the pupil's enrollment would not exceed the enrollment cap, and shall report the pupil as provisionally enrolled in the student information system. If the department determines that a pupil's enrollment would exceed the enrollment cap, the department shall notify the school district that the pupil cannot be approved for enrollment due to the enrollment cap. The department shall determine whether the pupil's enrollment will exceed the enrollment cap and provide notice to the school district of the determination. If the department fails to provide the school district with the determination within two (2) business days, the pupil shall be deemed to not exceed the enrollment cap and the provisional status shall be removed;

(d) If the nonresident enrollment cap is reached, the department shall notify all school districts operating virtual programs and that no additional nonresident pupils shall be enrolled until such time as nonresident enrollment falls below the enrollment cap;

(e) After reaching the nonresident enrollment cap, if the number of statewide total enrollment of nonresident pupils in virtual programs falls back below the enrollment cap, the department shall notify all school districts operating virtual programs that nonresident enrollment may resume again, but any nonresident pupils enrolled for the remainder of the school year shall be provisionally enrolled, following the same process outlined in paragraph (c) of this subsection; and

(f) The nonresident enrollment cap established in this subsection shall not apply to any of the following pupils:

1. A sibling of a pupil already enrolled into the same virtual program;

2. A pupil who is a dependent of a member of the Armed Forces of the United States; or

3. A pupil with a medical condition for which enrolling into the virtual program may be beneficial to the pupil, which shall be evidenced in a written statement signed by the pupil's physician.

All documentation related to these exceptions to the nonresident enrollment cap shall be maintained by the school district enrolling the nonresident pupil as part of the pupil's official record.

(5) A school district operating a virtual program that enrolls nonresident pupils shall no longer continue the enrollment of nonresident pupils in the program after June 30, 2028, unless explicit permission to do so is provided by the General Assembly.

➔Section 5. KRS 158.100 is amended to read as follows:

(1) Notwithstanding any statute to the contrary, each school district shall provide an approved preschool school program through twelve (12) grade school service. An approved preschool school program through eight (8) grade school service shall be provided for the children residing in the district by maintaining schools. An approved high school service for all children of high school grade under twenty-one (21) years of age residing in the district shall be provided either by maintaining the schools within the district or by contract with another district. The board of education of any school district, subject to the approval of the chief state school officer, may establish night schools, industrial schools, and other schools for the residents of the district as it deems advisable.

(2) A school district may provide an approved high school program to a student who is a refugee or legal alien until the student graduates or until the end of the school year in which the student reached the age of twenty-one (21), whichever occurs first.

(3) (a) The board of education of any school district may establish a virtual high school completion program for residents of the district of at least twenty-one (21) years of age that is designed to allow high school dropouts to complete high school graduation requirements through the use of virtual instruction.

(b) A student shall be eligible to enroll in a district's program if the student:

2. Is at least twenty-one (21) years of age;

3. Had previously dropped out of a high school; and

4. Had earned at least sixteen (16) credits at the time of dropping out.

(c) Notwithstanding paragraph (b)1. of this subsection, a program may enroll a nonresident student if the student otherwise qualifies for enrollment.

(d) To enroll in a district's program, a student shall provide a notarized transcript evidencing any credits earned previously towards graduation that are not from that district.

(e) To earn a high school diploma through the virtual program, a district shall require a student to either:

1. Complete the high school graduation requirements of the district that were or would have been applicable to the student at the time the student dropped out of high school; or

2. Complete the high school graduation requirements of the district in effect at the time of enrolling in the virtual program.

(f) A district may charge a student reasonable tuition and fees for the program.

(4) A school district may establish a virtual program, as defined in Section 2 of this Act, for students. The local board of education of the school district that operates a virtual program shall adopt policies to address a student's failure to complete state-mandated assessments, including but not limited to kindergarten readiness screeners or assessments required under KRS 158.6453.

➔Section 6. (1) For the purposes of this section, "virtual program" means a program offered by a public school district in which all courses in the program are virtual, do not include regular in-person instruction, and are designed as an alternative to traditional in-person school programs.

(2) Until June 30, 2028, the commissioner of the Kentucky Department of Education, the Kentucky Board of Education, and the Kentucky Department of Education shall not establish or implement, or require a school district to implement, any cap, limitation, or restriction on enrollment for a virtual program. Additionally, the Kentucky Department of Education and the Kentucky Board of Education shall not reduce or withhold any funds due to a school district from the fund to Support Education Excellence in Kentucky based on the district's operation of a virtual program.

(3) Until June 30, 2028, an independent school district with a virtual program enrollment of greater than 2,000 students on the effective date this Act and that has an elementary school in the lowest-performing five percent of all schools in its level based on the school's performance in the state accountability system for the 2023-2024 school year, shall not enroll more students in the district's virtual program in grades kindergarten through grade five than were enrolled in those grades on the effective date of this Act. This cap shall remain in place until all the district's elementary schools are no longer in the lowest-performing five percent. However, the district may still enroll students into the district's virtual program, notwithstanding the temporary cap in this subsection, if:

(a) The new student is a sibling of a student already enrolled in the virtual program;

(b) The new student is a dependent of a member of the Armed Forces of the United States; or

(c) The new student has demonstrated a medical need for virtual instruction as evidenced by a medical professional's written statement submitted to the district attesting the need.

The cap shall remain in place until all the district's middle or high schools are no longer in the lowest-performing five percent. (c) The new student has demonstrated a medical need for virtual instruction as evidenced by a medical professional's written statement submitted to the district attesting the need.

➔Section 7. Whereas support and relief for school districts, virtual programs, and the students enrolled therein is imperative, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Became law without Governor's signature March 27, 2025.

CHAPTER 95

(SB 136)

AN ACT relating to transportation and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 186A.035 is amended to read as follows:

(1) (a) Except for vehicles described in paragraph (b) of this subsection, all motor vehicles, including motorcycles, with a gross vehicular weight of ten thousand (10,000) pounds or less, first registered, or for which the registration is renewed, shall be placed in a system of year-round registration based upon the birth date of the owner, in order to distribute the work of registering motor vehicles as uniformly as practicable throughout the twelve (12) months of the year.

(b) Owners of the following motor vehicles may elect to register these vehicles on an annual registration schedule of April 1 to March 31:

1. Farm vehicles registered under KRS 186.050(4); or

2. Motor vehicles with a gross vehicular weight of ten thousand (10,000) pounds or less that are owned by a business.

(2) (a) If the owner of a motor vehicle is other than an individual, the month in which the owning entity came into being shall be used for purposes of this section.

(b) Except for motor vehicles jointly owned by spouses under paragraph (c) of this subsection, if a motor vehicle is jointly owned:

1. One (1) of the owners, who is a resident of Kentucky, shall be identified as the designated owner;

2. The designated owner shall indicate to the county clerk his or her birth date to be used for purposes of this section; and

3. If the circumstances of ownership change and the designated owner is no longer an owner of the motor vehicle or no longer a resident of Kentucky, another owner may title the motor vehicle in his or her name if that owner is a resident of Kentucky. If none of the remaining owners are a resident of Kentucky, one (1) of the owners shall title the vehicle in that owner's state of residence.

(c) If a motor vehicle is jointly owned by a married couple, the ownership shall exist as a joint tenancy with right of survivorship, unless the registration expressly states to the contrary and gives an alternative specific status. One (1) of the owners shall indicate to the county clerk his or her birth date to be used for purposes of this section. Upon the death of one (1) of the spouses, the jointly-owned vehicle shall transfer to the surviving spouse free from payment of any state-required transfer fees. ***The surviving spouse shall include a copy of the death certificate with the application for a new title.***

(d) A certificate of title:

1. May bear the connector "AND" to designate joint ownership. If the "AND" connector is used, the signatures of all owners shall be required to transfer the certificate of title;

2. May bear the connector "OR" to designate joint ownership. If the "OR" connector is used, the signature of only one (1) owner shall be required to transfer the certificate of title; and

3. Shall not bear the connector "AND/OR" to designate joint ownership. If a title produced prior to the effective date of this Act bears the connector "AND/OR," the cabinet and the county clerk shall follow the procedures in subparagraph 1. of this paragraph in transferring the certificate of title, unless directed otherwise by a court.

(3) The certificate of registration and license plate issued for a motor vehicle first registered, renewed, or titled in this state shall be valid until the expiration date on the registration receipt, unless revoked in accordance with KRS 186A.040 or canceled by the cabinet in accordance with KRS Chapter 186 or this chapter. Any transaction relating to registration or registration renewal which would cause an unexpired Kentucky motor vehicle license plate to be surrendered shall have that unexpired fee prorated or credited against any additional fee required by a subsequent registration.

(4) Except for vehicles registered under subsection (1)(b) of this section, KRS 186.041, 186.042, and 186.162 that have a specified, universal expiration date, after a motor vehicle has been initially placed in the system of year-round registration, the owner shall renew the registration annually during the owner's birth month, either by making application to the county clerk or on the cabinet's website, and paying the fee required for twelve (12) consecutive months of registration, which shall take effect on the first day of the month succeeding the owner's birth month and shall expire on the last day of the owner's next birth month. The county clerk shall collect the fees set forth in KRS 186.040(1) and (6) for each renewal.

(5) At least forty-five (45) days prior to the expiration of the registration of any motor vehicle previously registered in the Commonwealth as provided by subsection (1) of this section, the owner of the vehicle shall be notified by mail or email on the same notice required by KRS 134.805(5) of the date of expiration. Nonreceipt of the notice required by this subsection shall not constitute a defense to any registration-related offense.

(6) Any owner who fails to renew the registration of a motor vehicle during the month in which the previous registration expired shall, if he or she applies for renewal of the registration in some later month, pay the same fees that would have been required if the registration had been renewed in the month which the previous registration expired, and, if applicable, the reinstatement fee for a cancelled registration required under KRS 186.040.

(7) Fees which must be prorated in carrying out the intent of this section shall be prorated on the basis of twelfths of the annual registration fee. Any vehicle which is registered at any time during a month shall pay the fee required for that whole month plus any additional months of registration purchased consistent with the intent of the section.

(8) The county clerk shall ensure that the certificate of registration issued to an owner displays the month and year in which the registration period begins and the month and year of its expiration, and shall issue to the owner a decal or decals corresponding to the month and year of expiration shown in the certificate of registration which shall be placed upon the corresponding license plate by the owner in the manner required by administrative regulations of the Department of Vehicle Regulation.

➔Section 2. KRS 186A.115 is amended to read as follows:

(1) (a) Except as otherwise provided in this section, the owner of every vehicle brought into this state and required to be titled in this state shall, before submitting his or her application for title to the county clerk, have the vehicle together with his or her application for title and its supporting documents inspected by a certified inspector in the county in which the application for title is to be submitted to the county clerk.

(b) An owner of a military surplus vehicle seeking title in this state shall, before submitting his or her application for title to the county clerk, have the vehicle together with his or her application for title and its supporting documents inspected by a certified inspector in the county in which the application for title is to be submitted to the county clerk.

(2) For inspections under this section:

(a) The certified inspector shall be certified through the Department of Vehicle Regulation following requirements set forth by the department by regulation and shall be designated by the county sheriff if the inspector is a current member of his or her office or a special inspector appointed pursuant to KRS 70.030. The certified inspector will be held responsible for all certifications required pursuant to this

chapter and will be liable for any and all penalties prescribed in this chapter, and shall be available during regular office hours at any and all offices and branches that issue applications for titles;

(b) There shall be a fee for this certification, payable to the sheriff's office, and the fee shall be retained by the sheriff's office for official expenses of the office upon completion of certification, in the amount of:

1. Thirty dollars ($30) for a motor vehicle dealer that qualifies to have an employee appointed as a special inspector under paragraph (d) of this subsection;

2. Fifteen dollars ($15) for a motor vehicle dealer that does not qualify to have an employee appointed as a special inspector under paragraph (d) of this subsection; or

3. Fifteen dollars ($15) for an individual person;

(c) There shall be an additional fee of twenty dollars ($20) per trip when it becomes necessary for the certified inspector to travel to the site of the vehicle rather than bringing the vehicle to the sheriff's inspection area;

(d) A sheriff may appoint up to two (2) employees of a motor vehicle dealer that is licensed under KRS Chapter 190 and doing business in the sheriff's county as special inspectors if the motor vehicle dealer is:

1. A new motor vehicle dealer; or

2. A used motor vehicle dealer that has sold an average of one hundred (100) or more motor vehicles per month in the preceding twelve (12) months;

(e) A special inspector appointed under paragraph (d) of this subsection is only authorized to perform motor vehicle inspections and complete certified inspection forms under this section for vehicles purchased by that dealership for resale and shall have his or her special inspector status revoked if he or she is no longer an active employee of that dealership; and

(f) An inspection conducted in one (1) county within the Commonwealth of Kentucky under this subsection, and the fees paid for that inspection under this subsection, shall be honored by the certified inspector, sheriff, and county clerk in all other counties within this state. A second inspection shall not be required and additional fees shall not be required.

(3) The Transportation Cabinet may require that modifications be made to a military surplus vehicle. Any modifications required by the cabinet under this section shall be made to the military surplus vehicle prior to its inspection.

(4) The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A to implement the provisions of subsections (1)(b) and (3) of this section, including but not limited to vehicle modification requirements and the creation of a separate electronic inspection form. The Transportation Cabinet shall note that military vehicles were originally manufactured under the federally mandated requirements set forth in 49 C.F.R. sec. 571.7 and shall only require these vehicles to meet applicable federal motor vehicle safety standards.

(5) The following vehicles are excluded from the requirement of inspection by a certified inspector prior to titling in this state:

(a) New motor vehicles sold by a dealer licensed in this state;

(b) Vehicles required to be registered in this state by reason of lack of a reciprocity agreement with another state and for which a nonnegotiable registration document is to be issued;

(c) Motor vehicles operated by a motor carrier under a nonnegotiable certificate or permit issued by the Department of Vehicle Regulation;

(d) Motor vehicles owned by servicemen or servicewomen who are residents of Kentucky stationed outside of Kentucky may be inspected by the post provost or similar officer of the camp, post, or station. (e) Motor vehicles purchased in another state by persons who are residents of Kentucky but are temporarily residing out of state for at least thirty (30) days, but not longer than nine (9) months, may after the purchase of the vehicle be inspected by the state police, a local law enforcement agency, or the vehicle

inspection program of another state. If an inspector in another state examines a vehicle under this paragraph, the purchaser may request the inspector to complete an affidavit stating the name of the owner, the vehicle identification number, the vehicle make and body style, the current state of registration, if any, and the current vehicle license or title number, if any. The Transportation Cabinet shall create an affidavit form containing at a minimum this information and shall post the form on the cabinet's internet website. A person using an inspector in another state under this paragraph shall comply with all requirements of that state's inspection program, including payment of fees charged in that state. A person registering a motor vehicle for the first time in Kentucky under this paragraph shall transmit the application for registration, all supporting documentation, and payment for registration and usage tax to the county clerk of the county in which the person resides, and upon receipt of the appropriate documentation, the county clerk shall register the vehicle; and

(f) Motor vehicles no longer located in Kentucky but which require inspection in order to issue a corrected Kentucky title due to error in vehicle identification or serial number may be inspected by an inspector authorized to inspect vehicle identification or serial number by the laws of the state or foreign country where application for a new title has been submitted.

(6) When presented to a certified inspector for inspection and to a county clerk for processing, the owner's application for a first certificate of registration or title in his or her name shall be accompanied by a current operator's license ***from Kentucky or another state*** and one (1) of the following documents as applicable:

(f) Except as provided in KRS 186A.072(2)(c) governing custom-built motorcycles, if the application relates to a vehicle which has been specially constructed or reconstructed, that fact shall be stated in the application, and the application shall be accompanied by the documents specified by administrative regulations of the Department of Vehicle Regulation.

(7) When requested to inspect a vehicle pursuant to this section, the certified inspector shall personally and physically inspect the vehicle, when registration or title is sought in this state, on the following points:

(a) He or she shall compare the vehicle identification number as appearing on both the vehicle identification number plate, and the federal safety standards label of the vehicle which is sought to be registered or titled, with the corresponding number inscribed on the application, and its supporting documentation, and ensure that the vehicle identification number appearing at each described location appears legitimate and that they are consistent with each other;

(b) He or she shall examine the primary odometer of the vehicle and electronically record the reading in the space provided in the inspection section of the application;

(c) After exercising due diligence in inspecting the vehicle and its supporting documentation, and finding that they appear to be in order, the certified inspector shall execute the electronic certificate of inspection according to its terms by electronically inputting in the spaces provided his or her first name, middle initial, and last name, certified inspector number, his or her title; the name of the county in which he or she serves; and the telephone number including the telephone area code of his or her agency, and enter the month, day, and year in which his or her inspection was made, certifying under penalty of forgery in the second degree the character, accuracy, and date of his or her inspection; and

(d) A certified inspector number shall not be subject to an open records request under KRS 61.870 to 61.884 unless otherwise required by a court order.

(8) The certified inspector shall refrain from executing the certificate of inspection if:

(a) He or she has not personally and physically inspected the vehicle in accordance with this section;

(b) He or she has reason to believe that the vehicle displays an unlawfully altered vehicle identification number;

(c) The application and any of its copies are illegible or otherwise improperly executed, or contain information reasonably believed to be inaccurate or fraudulent;

(d) The documentation required in support of any application is not present, or not consistent with the vehicle and the owner's application or appears fraudulent; or

(e) He or she has probable cause to believe the vehicle is stolen.

(9) (a) Inspections on motor vehicles that meet the definition of a "historic vehicle" under KRS 186.043(2) and are brought into this state shall be limited to verification of the vehicle identification number with supporting documentation for purposes of titling.

(b) Inspections on motor vehicles that meet the definition of a classic motor vehicle project as set forth in KRS 186A.510 shall be limited to verification of the vehicle identification number with supporting documentation for purposes of issuing a classic motor vehicle project certificate of title under KRS 186A.535(1).

(10) The electronic certificate of inspection shall not be handled by any person or persons other than those designated individuals within the offices of the sheriff, county clerk, or other state office.

(11) The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A to implement the provisions of this section, including but not limited to special inspectors classified as dealer inspectors only and the creation of an electronic certified vehicle inspection form and receipt.

➔Section 3. KRS 186A.120 is amended to read as follows:

(1) ***(a)*** Except for applications for title or salvage title using the electronic title application and registration system established under KRS 186A.017, application for a first certificate of registration or title and plate shall be made by the owner to the county clerk of the county in which the owner resides, except that, if a vehicle is purchased from:

1.~~[(a)]~~ A dealer other than in the county in which the purchaser for use resides, the purchaser, or the dealer on behalf of the purchaser, may make application for registration to the county clerk in either the county in which the purchaser resides, or in the county in which the dealer's principal place of business is located; or

2.~~[(b)]~~ An individual who resides in a county in which the purchaser does not reside, application for registration may be made to the county clerk in either the county where the seller resides or the purchaser resides.

(b) The county clerk shall ensure that all applications and required supporting documents are complete.

(c) An application received by a county clerk shall be processed and sent to the cabinet within three (3) business days of receipt.

(2) (a) When purchaser of a vehicle upon which a lien is to be recorded is a resident of a county other than that of the dealer, the application for registration or title may be made to the county clerk in either county. The lien must be recorded in the county of the purchaser's residence.

(b) If vehicle application for registration or title is presented to the county clerk of dealer's location rather than purchaser's residence, the clerk shall process documents in a manner similar to that of any application, with the exception that the AVIS system shall be programmed in a manner that the title shall not be issued from Frankfort until the lien information has been entered by the county clerk of the purchaser's residence.

(3) (a) A new vehicle, when first registered or titled in this state, shall be registered or titled in the name of the first owner for use rather than in the name of a dealer who held the vehicle for sale.

(b) Except as otherwise provided in this chapter, a used vehicle not previously registered or titled in this state shall be registered or titled in the name of the first owner for use rather than in the name of a dealer who held the vehicle for resale.

(4) If the owner of a vehicle required to be registered or titled in this state does not reside in the Commonwealth, the vehicle shall be registered or titled with the county clerk of the county in which the vehicle is principally operated.

(5) The Transportation Cabinet shall not require a member of the Armed Forces who is stationed in the Commonwealth to obtain a Kentucky operator's license in order to register a motor vehicle in the Commonwealth.

(6) If the owner of a vehicle is other than an individual and resides in the Commonwealth, the vehicle shall be registered or titled with the county clerk in either the county in which the owner resides or in the county in which the vehicle is principally operated.

➔Section 4. KRS 186A.060 is amended to read as follows:

(1) The Department of Vehicle Regulation is directed to develop, in cooperation with county clerks, auto dealers, and the Department of Revenue, Department of Insurance, and Department of Kentucky State Police, the forms required to record all information pertinent to the registration, titling, and taxation of a vehicle.

(2) The Department of Vehicle Regulation shall make every effort to minimize and reduce the amount of paperwork required to apply for, or transfer, a vehicle title. When possible, the title document itself shall be used as the primary form used to effect a transfer of vehicle ownership. The title document shall contain space exclusively reserved for a minimum of two (2) dealer assignments.

(3) When no in-state title exists, forms shall be designed by the department that require only the appropriate and essential information to effect the application for title.

(4) (a) The department shall constantly review the information needs of government agencies and other organizations with the goal of reducing or eliminating unnecessary documentation. Information being sought for application for title relevant to, but not limited to, vehicle identification, owner, buyer, usage tax, county clerk, or inspector shall be set forth by the cabinet in such a way as to promote flexibility in reaching this goal.

(b) Subject to the limitations of paragraph (c) of this subsection, an applicant for a motor vehicle title shall be required to provide his or her Kentucky operator's license number, Kentucky personal identification card number, or Social Security number as part of the application process.

(c) If a motor vehicle is jointly owned, one (1) of the owners, who is a resident of Kentucky, shall be identified as the designated owner, and only the designated owner shall be required to provide his or her Kentucky operator's license number, Kentucky personal identification card number, or Social Security number as part of the application process.

(d) Any vehicle owned by a business that is licensed by the Secretary of State shall be titled ***and registered*** using a Federal Employer Identification Number.

(e) An applicant for a motor vehicle registration shall be required to provide his or her Kentucky operator's license or Social Security number as part of the application process.

(f) If a motor vehicle has situs and is principally operated in Kentucky, and the owner does not reside in the Commonwealth, the motor vehicle shall be registered with the owner's Social Security number and out-of-state operator's license number.

(5) The use of an electronic medium shall be employed so that forms can be printed by the automated system. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation.

(6) Any person who knowingly enters, or attests to the entry of, false or erroneous information in pursuit of a certificate of title shall be guilty of forgery in the second degree.

➔Section 5. KRS 186A.170 is amended to read as follows:

(1) The Department of Vehicle Regulation shall:

(a) Within five (5) working days following receipt by it of an application for a certificate of title in proper form, process the application and its supporting documents in the manner provided in this section, and unless it finds discrepancies with respect to it or its supporting documents, issue a certificate of title in the name of the owner and send it postpaid to such owner;

(b) Within forty-eight (48) hours following electronic notification by a county clerk's office of an application for a certificate of title, issue a speed title which shall be held for pickup or returned to the owner by mail. The clerk shall take the application for title and process the appropriate paperwork as provided for in this chapter. Subject to the limitations outlined in paragraph (c) of this subsection, the department may provide by administrative regulation for exceptions to the speed title procedure; and

(c) Not exempt vehicles with salvage and rebuilt titles from the speed title procedures, but may extend the processing time on salvage and rebuilt title applications for which the documentation is complete and accurate for up to:

1. Fifteen (15) business days for rebuilt vehicles that have been branded as unrebuildable in another state under KRS 186A.530(5) and (6); and

2. Five (5) business days for all other salvage and rebuilt vehicles.

(2) Upon receiving an application packet from a county clerk, the~~[application receipt clerk of the]~~ Department of Vehicle Regulation ***title examiner*** shall ***verify that the application form and its supporting documents are complete.***~~[:~~

~~(a) Cause the date and time of receipt to be stamped on both the department's copy and the acknowledgment copy of the application transmittal record and accompanying documents;~~

~~(c) Compare the application transmittal record with the documents accompanying it and, if all applications shown upon the record are accompanying the record, endorse the department's copy of the transmittal record and the acknowledgment copy, and forward the acknowledgment copy to the clerk who issued it.]~~

(3) In the event there is a discrepancy between the application ***form and the supporting documents***~~[transmittal record and the application attached to it]~~, the Department of Vehicle Regulation shall ***stop the application process***~~[note the discrepancy upon the department's copy and the acknowledgment copy]~~, and ~~[shall]~~promptly contact the issuing clerk ***to***~~[and]~~ resolve the discrepancy. After resolving the discrepancy, the ***clerk shall resubmit the application for further review and approval***~~[department shall note the nature of the disposition of the discrepancy and endorse the respective copies and forward the acknowledgment copy with the discrepancy disposition noted thereon to the issuing clerk]~~.

The Department of Vehicle Regulation shall ensure also that the required supporting documents are consistent in pertinent part with the information shown on the owner's application;

(b) The documents supporting an owner's application shall be examined as to authenticity and to determine if fraudulent alteration has occurred;

(c) Ensure that the vehicle identification number of the subject vehicle is apparently legitimate;

(d) Ensure that the vehicle identification number and any other appropriate information with respect to a vehicle for which a certificate of title has been applied for is compared against the National Crime Information Center (NCIC) computerized listings of vehicles reported stolen, unless NCIC is not operational and the department has official notification that it is not expected to be operational within four (4) working days following the day on which an application for a certificate of title is received by it; and

(e) Compare the computer-produced certificate of title for consistency with the owner's application and supporting documents.

(5) ~~[When the title application has been completed, and the application examiner at each significant stage has indicated, by placing his or her unique symbol upon the application in the space provided thereon, that an application has passed the required examinations, the application shall be examined by a title examination certifier.~~

~~(6) ~~]The title application ***examiner***~~[certifier]~~ shall ensure that each application has received the required examinations as indicated by the presence of each required ***approval via the application***~~[examiner's symbol]~~. Upon satisfying himself or herself that an application has passed the required examinations, the title examination certifier shall place his or her ***approval in KAVIS***~~[unique symbol]~~ together with the date upon the application.

(6)~~[(7)]~~ The Department of Vehicle Regulation shall withhold issuance of a title, until its questions are resolved to its satisfaction, when it finds material discrepancies or has information giving probable cause to believe:

(a) That an applicant is not the lawful owner of a vehicle for which he or she seeks a title;

(b) His or her application is not in order;

(c) The documentation supporting an application is insufficient or fraudulent;

(d) The vehicle has an illegitimate vehicle identification number;

(e) The vehicle is stolen; or

(f) That the computer-produced certificate of title is not consistent with the owner's application.

(7)~~[(8)]~~ In the case of multiple owners, the Department of Vehicle Regulation shall require only two (2) primary owners' names to be printed on the certificate of title. Upon submission of the title application, if more than two (2) owners are listed, the primary owners shall be determined by the title applicants. In such instances, the certificate of the title shall note that there are more than two (2) owners. The names of all title applicants shall be documented in AVIS.

(8)~~[(9)]~~ When the Department of Vehicle Regulation finds that a certificate of title should be issued for a vehicle, the endorsement of the commissioner of the Department of Vehicle Regulation shall be engrossed upon the certificate of title following a preprinted statement which shall read: I certify that the Department of Vehicle Regulation has exercised due diligence in examining an application for a certificate of title for the above-described vehicle, and to the best of our knowledge and belief, the applicant whose name appears above is the lawful owner of the apparently legitimate vehicle described herein. ---------- (signature), commissioner, Department of Vehicle Regulation, Kentucky Transportation Cabinet.

➔Section 6. KRS 186A.190 is amended to read as follows:

(1) Except as provided in subsection (6) of this section and in KRS 355.9-311(4), the perfection of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title which shall be deemed to have occurred when the provisions of subsection (3) of this section have been complied with. Discharge of a security interest shall be by notation on the certificate of title. Notation shall be made by the entry of information required by subsection (9) of this section into the Automated Vehicle Information System. The notation of the security interest on the certificate of title shall be in accordance with this chapter and shall remain effective from the date on which the security interest is noted on the certificate of title for a period of ten (10) years, or, in the case of a manufactured home, for a period of thirty (30) years, or until discharged under this chapter and KRS Chapter 186. The filing of a continuation statement within the six (6) months preceding the expiration of the initial period of a notation's effectiveness extends the expiration date for five (5) additional years, commencing on the day the notation would have expired in the absence of the filing. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial notation.

(2) A motor vehicle dealer, a secured party or its representative, an assignee of a retail installment contract lender, the cabinet, or a county clerk shall rely on a county of residence designated by the debtor on any approved, notarized state form utilized in lien titling or the title transfer process signed by the debtor. Reliance on the foregoing by the motor vehicle dealer, secured parties, cabinet, and county clerk shall relieve those persons from liability to any third party claiming failure to comply with this section.

(3) Except as provided in subsection (6) of this section, the notation of security interests relating to property required to be titled under this chapter in Kentucky through the cabinet shall be done in the office of a county clerk. The notation of a security interest shall reflect the county in which the debtor resides as determined by subsections (2) and (4) of this section. The security interest shall be deemed to be noted on the certificate of title and perfected, or deemed perfected at the time the security interest attaches as provided in KRS 355.9-203, if in compliance with KRS 186A.195***(8)***~~[(7)]~~, when a title lien statement:

(a) Is received by the county clerk, together with the required fees;

(b) Describes the titled vehicle, or vehicle to be titled, by year, model, make, and vehicle identification number;

(c) Provides the name of the secured party, or a representative of the secured party, together with the additional information about the secured party required by subsection (9) of this section with reasonable particularity; and

(d) Includes the date and time-stamped entry of the notation of the security interest by the county clerk of the required information in the Automated Vehicle Information System (AVIS), or its successor title processing system maintained by the Division of Motor Vehicle Licensing of the Transportation Cabinet.

(4) Except as provided in subsection (6) of this section, if the debtor is other than a natural person, the following provisions govern the determination of the county of the debtor's residence:

(a) A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;

(b) A limited partnership organized under KRS Chapter 362 or as defined in KRS 362.2-102(14) shall be deemed a resident of the county in which its principal place of business is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362 or 362.2-202. If the office is not located in this state, the debtor shall be deemed a nonresident for purposes of filing in this state;

(c) A limited partnership not organized under the laws of this state and authorized to do business in this state shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;

(d) A corporation organized under KRS Chapter 271B, 273, or 274 or a limited liability company organized under KRS Chapter 275 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the Secretary of State which officially designates its current registered office;

(e) A corporation not organized under the laws of this state, but authorized to transact or do business in this state under KRS Chapter 271B, 273, or 274, or a limited liability company not organized under the laws of this state, but authorized to transact business in this state under KRS Chapter 275, shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent filing with the Secretary of State which officially designates its current registered office;

(f) A cooperative corporation or association organized under KRS Chapter 272 shall be deemed a resident of the county in which its principal business is transacted, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;

(g) A cooperative corporation organized under KRS Chapter 279 shall be deemed a resident of the county in which its principal office is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;

(h) A business trust organized under KRS Chapter 386 shall be deemed a resident of the county in which its principal place of business is located, as evidenced by the recordation of its declaration of trust in that county pursuant to KRS Chapter 386;

(i) A credit union organized under Subtitle 6 of KRS Chapter 286 shall be deemed a resident of the county in which its principal place of business is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky; and

(j) Any other organization defined in KRS 355.1-201 shall be deemed a resident of the county in which its principal place of business in this state is located, except that any limited liability company, limited liability partnership, limited partnership, or corporation not organized under the laws of this state and not authorized to transact or do business in this state shall be deemed a nonresident for purposes of filing in this state. If the organization does not have a place of business in this state, then it shall be deemed a nonresident for purposes of filing in this state.

If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the

existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter is by notation on the property's certificate of title under the provisions of this chapter or in accordance with the provisions of KRS 186.045(3). In other respects the security interest is governed by the provisions of KRS Chapter 355.

(5) Except as provided in subsection (6) of this section, before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his or her name against the property being transferred. Once a security interest has been noted on the owner's title, a subsequent title shall not be issued by any county clerk free of the notation unless it has been noted in the system of record established under KRS 186A.195 that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk. If information relating to the discharge of a security interest is presented to a clerk under the provisions of KRS 186.045(3), the clerk shall discharge the security interest and remove the lien information from AVIS.

(6) Notwithstanding subsections (1) to (5) of this section, a county clerk shall, following inspection of the vehicle by the sheriff, to determine that the vehicle has not been stolen, issue a new ownership document to a vehicle, clear of all prior liens, to a person after he or she provides to the county clerk an affidavit devised by the Transportation Cabinet and completed by the person. The ownership document presented as a result of this affidavit shall be in accordance with subsection (7) of this section. In the affidavit, the affiant shall attest that:

(a) The affiant or the agent of the affiant possesses the vehicle;

(b) Before he or she provided the notices required by paragraphs (c) and (d) of this subsection:

1. A debt on the vehicle has been owed him or her for more than thirty (30) days;

2. Within thirty (30) days of payment of damages by an insurance company and receipt by the current owner of the motor vehicle or lienholder of damages pursuant to a claim settlement which required transfer of the vehicle to the insurance company, the insurance company has been unable to obtain:

a. A properly endorsed certificate of title on the vehicle from the current owner; and

b. If applicable, any lien satisfactions; or

3. a. The vehicle was voluntarily towed or transported pursuant to a request of the current owner or an insurance company that a motor vehicle dealer, licensed as a used motor vehicle dealer and motor vehicle auction dealer, take possession of and store the motor vehicle in the regular course of business; and

b. Within forty-five (45) days of taking possession of the motor vehicle, the motor vehicle dealer has not been paid storage fees by the current owner or lienholder and has not been provided both a properly endorsed certificate of title and if applicable, any lien satisfactions;

(c) More than thirty (30) days before presenting the affidavit to the county clerk, the affiant attempted to notify the owner of the vehicle and all known lienholders, including those noted on the title, by certified mail, return receipt requested, or by a nationally recognized courier service, of his or her name, address, and telephone number as well as his or her intention to obtain a new title or salvage title, as applicable, clear of all prior liens, unless the owner or a lienholder objects in writing;

(d) More than fourteen (14) days before presenting the affidavit to the county clerk, the affiant had published a legal notice stating his or her intention to obtain title to the vehicle. The legal notice appeared at least twice in a seven (7) day period in a newspaper with circulation in the county. The legal notice stated:

1. The affiant's name, address, and telephone number;

2. The owner's name;

3. The names of all known lienholders, including those noted on the title;

4. The vehicle's make, model, and year; and

5. The affiant's intention to obtain title to the vehicle unless the owner or a lienholder objects in writing within fourteen (14) days after the last publication of the legal notice; and

(e) Neither the owner nor a lienholder has objected in writing to the affiant's right to obtain title to the vehicle.

(7) (a) If subsection (6)(b)1. of this section applies, the new ownership document shall be a title.

(b) If subsection (6)(b)2. or 3. of this section applies, the new ownership document shall be a salvage title if the vehicle meets the requirements for a salvage title as stated in KRS 186A.520(1)(a).

(c) If subsection (6)(b)2. or 3. of this section applies and the vehicle does not meet the requirements for a salvage title as stated in KRS 186A.520(1)(a), the new ownership document shall be a title.

(8) No more than two (2) active security interests may be noted upon a certificate of title.

(9) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number, and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195.

(10) For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive the fee prescribed by KRS 64.012. The fee prescribed by this subsection shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.

(11) A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

(12) (a) Any lien or security interest filed under this chapter may be electronically transmitted to the cabinet through the electronic title application and registration system.

(b) Notwithstanding the provisions of this section, KRS 186A.015, and 186A.074 that require a lien to be noted on the face of the title, if there are one (1) or more liens on a motor vehicle, the cabinet may electronically notify the first lienholder of any additional liens.

(c) Subsequent lien satisfactions may be electronically transmitted to the cabinet and shall include the name and address of the person satisfying the lien.

(d) When liens and lien satisfactions are electronically transmitted, a clean certificate of title shall not be issued until the last lien is satisfied.

(e) A duly certified copy of the cabinet's electronic record of the lien shall be admissible in any civil, criminal, or administrative proceedings in this state as evidence of the existence of the lien.

(13) If a security interest expires without being renewed, the cabinet shall remove the lien from the certificate of title in the AVIS system.

➔Section 7. KRS 186A.195 is amended to read as follows:

(1) As used in this section, submission of a title lien statement refers to the presentation of a title lien statement, along with the fees required under KRS 64.012(1)(b), to the cabinet through any county clerk's office in the Commonwealth.

(2) ***A title lien statement bearing an electronic signature, as defined in KRS 369.102, shall be accepted in accordance with KRS 369.107 and shall not require notarization.***

(3) Upon submission of a title lien statement, the county clerk shall use the information on the form to note the security interest on the certificate of title in accordance with KRS 186A.190(9). Title lien statements may be made available to the general public. However, public availability of a title lien statement shall not be considered necessary or effective to perfect a security interest in property required to be registered or titled in accordance with this chapter.

(4)~~[(3)]~~ (a) If the submission of a title lien statement accompanies the application for first title of any property in the name of an owner, the county clerk shall enter the information required by KRS 186A.190(9) into the system of record so as to allow the cabinet to:

1. Use the system of record as a centralized, statewide repository for lien filings; and

2. Produce a certificate of title bearing the information designated by KRS 186A.190(9), as well as any other information required by the cabinet.

(b) After the information has been entered, the county clerk shall produce a certificate of registration, if required.

(5) ~~[(4)]~~ (a) If the form prescribed by KRS 186A.060 indicates a pending lien, but the title lien statement does not accompany the application for title, the county clerk shall enter into the system of record the name and address of the lienholder or that a lien is pending. The county clerk shall indicate a title shall not be issued until either the title lien statement and the required fees are submitted, or in thirty (30) days, whichever occurs first. The county clerk shall then issue the registration.

(b) After submission of the title lien statement, the county clerk shall enter the date of lien notation and the notation number into the system of record, enabling the cabinet to record the lien in the system of record and produce a title.

(6) ~~[(5)]~~ If a certificate of title is issued after the thirty (30) day time window identified in subsection ***(5)*** ~~[(4)]~~ of this section has expired without the notation of a security interest, or if a title has been issued because there was no provision made for a lien to be noted within thirty (30) days, a secured party wishing to note a security interest on a title shall submit a title lien statement. The county clerk shall enter the information required by KRS 186A.190(9) into the system of record and a new certificate of title reflecting the security interest shall be produced.

(7) ~~[(6)]~~ The fee for the filing of a title lien statement through the electronic title application and registration system shall be transferred electronically to the county clerk of the county in which the debtor resides.

(8) ~~[(7)]~~ The security interest noted on the certificate of title shall be deemed perfected at the time the security interest attaches in accordance with KRS 355.9-203 if the secured party submits a properly completed title lien statement with application for first title or, in the case of property previously titled in the name of the debtor, within thirty (30) days of attachment. Otherwise, the security interest shall be deemed perfected at the time that the title lien statement is submitted.

➔Section 8. KRS 186A.145 is amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, a county clerk shall not process an application for Kentucky title and registration from or to any Kentucky resident who has a delinquent motor vehicle ad valorem property tax account.

2. Transferring ownership of the vehicle to another party.

(b) The owner of a motor vehicle that was transferred to an insurer or its agent under paragraph (a) of this subsection shall remain responsible for any delinquent motor vehicle ad valorem property taxes owed prior to the transfer.

(5) If a county clerk is required to manually enter information from an application into AVIS before forwarding it to the cabinet, the title application and registration system shall not be considered fully implemented. The cabinet shall make the determination of whether the title application and registration system shall be considered fully implemented.

(6)~~[(4)]~~ An entity that wishes to become an approved entity for the purposes of this chapter shall submit an application to the cabinet, along with a one hundred fifty dollar ($150) application fee. ➔Section 11. KRS 186A.220 is amended to read as follows:

(7) The Department of Vehicle Regulation shall ***ensure***~~[assure]~~ that ***AVIS***~~[the automated system]~~ is capable of accepting instructions from the county clerk that a certificate of title shall not be produced under a dealer registration situation.

➔Section 14. KRS 186A.520 is amended to read as follows:

(1) Except as provided in KRS 186A.555, a salvage title shall be obtained by the owner of a motor vehicle that meets the following definition of a salvage vehicle:

(a) A vehicle which has been wrecked, destroyed, or damaged, to the extent that the total estimated or actual cost of parts and labor to rebuild or reconstruct the vehicle to its preaccident condition and for legal operation on the roads or highways, not including the cost of parts and labor to reinstall a deployed airbag system, exceeds seventy-five percent (75%) of the retail value of the vehicle, as prescribed by a nationally accepted used car valuation guide ***or tool*** identified ***under Section 12 of this Act*** ~~[by the Department of Revenue by administrative regulation]~~.

(b) The value of repair parts for purposes of this definition shall be determined by using the current published retail cost of the parts equal in kind and quality to the parts to be replaced or the actual retail cost of the repair parts used in repair.

(c) The labor costs of repairs for purposes of this section shall be computed by using the hourly labor rate and time allocations which are reasonable and customary in the automobile repair industry in the community where the repairs are performed.

(d) Airbag reinstallation costs which are excluded from the seventy-five percent (75%) computation as set forth in paragraph (a) of this subsection shall be included by an insurer in the computation of the total physical damage estimate according to the terms and conditions of individual policies, provided that the total costs payable by an insurer do not exceed the total retail value of the vehicle.

(2) The owner or an authorized agent of a motor vehicle that meets the definition of a salvage vehicle as set forth in subsection (1) of this section shall, within fifteen (15) days from the receipt of all necessary paperwork required by this chapter, submit an application to the county clerk, on a form prescribed by the Department of Vehicle Regulation, for a salvage title, accompanied by a properly endorsed certificate of title and any lien satisfactions, if any appear, as may be required.

(3) The county clerk shall retain a copy of each salvage title application received and shall forward the original and its supporting documents to the Department of Vehicle Regulation in a manner similar to that for handling of an application for a title.

(4) The county clerk shall rely on the information provided by the owner or authorized agent, including a county of residence designation, on:

(a) Any approved, notarized state form utilized in lien titling or the title transfer process signed by the owner or authorized agent; and

(b) Any document submitted during the transfer of a salvage vehicle from an owner to an insurer.

Reliance on the foregoing by the county clerk shall relieve the office of the county clerk from liability to any third party claiming failure to comply with this section.

(5) The Department of Vehicle Regulation shall process the salvage title application in a manner similar to that used in processing a title application and the salvage title shall be delivered in a like manner of a title. Salvage titles shall be construed as proof of ownership of a vehicle in a state as to be unusable upon the highways of the Commonwealth.

(6) A vehicle shall not be issued a registration for highway use as long as a salvage title is in force. The only time a vehicle with a salvage title may be operated upon the highways of the Commonwealth is when it is in route to or from an inspection by the certified inspector prior to obtaining a certificate of title after having been rebuilt as per KRS 186.115.

(7) Notwithstanding the provisions of KRS 369.103, when a salvage vehicle is transferred from an owner to an insurer, the following shall be exempted from the requirements of notarization, including exemption from the notarization of electronic signature requirements of KRS Chapter 423:

(a) The transfer of ownership on the certificate of title;

(b) Any power of attorney required in connection with the transfer of ownership to the insurer;

(c) Any required odometer disclosure statement;

(d) The application for a salvage certificate of title; and

(e) The transfer of ownership on the salvage certificate of title issued.

(8) Subsections (2) to (5) of this section shall not apply to applications for salvage title using the electronic title application and registration system established under KRS 186A.017.

➔Section 15. KRS 186A.530 is amended to read as follows:

(1) The owner of a motor vehicle that meets the definition of a salvage vehicle as set forth in KRS 186A.520(1) and has been issued a salvage certificate of title in Kentucky, or the equivalent thereof by another licensing jurisdiction, and has been rebuilt, may make application for a new certificate of title pursuant to KRS 186.115. The Transportation Cabinet may promulgate administrative regulations pursuant to KRS Chapter 13A governing the form of application.

(2) Upon receipt of a salvage certificate of title issued pursuant to KRS 186A.520, or similar title issued by another state if the title does not disqualify the vehicle from being titled for use on the highway in that state, and proof of passing the inspection required by KRS 186A.115, the cabinet shall issue a new certificate of title with the words "rebuilt vehicle" printed on the face of the title. The brand shall be carried forward and printed in the appropriate section on the face of all titles issued thereafter for that motor vehicle.

(3) If ownership of a motor vehicle has been transferred to an insurance company through payment of damages, the insurance company making the payment of damages shall be deemed the owner of the vehicle.

(4) The owner of a water damaged vehicle shall make application to the cabinet for a salvage certificate of title as provided for in KRS 186A.520. The owner of a vehicle with a brand from another jurisdiction identifying the vehicle as water damaged or other similar designation who is making application for a Kentucky title shall be issued a title with the words "water damaged" printed on the face of the title.

(5) A Kentucky salvage certificate of title may be issued from an out-of-state junking certificate or other ownership document bearing a designation of "junk," "unrebuildable," or other similar classification that disqualifies the vehicle from being titled for use on the highway in that state with the following provisions:

(a) The out-of-state junking certificate of title or other ownership certificate shall be an original, secure document.

(b) The applicant shall submit a minimum of two (2) photographs of the motor vehicle showing the damage to the motor vehicle. The photographs shall be included in the application for a salvage certificate of title.

(c) The applicant shall submit a minimum of two (2) estimates of damage verifying that the condition of the vehicle which has been issued the junking certificate constitutes less than seventy-five percent (75%) of the retail value of the vehicle, as ***prescribed by a nationally accepted used car valuation guide or tool identified under Section 12 of this Act***~~[set forth in a current edition of the National Auto Dealers' Association N.A.D.A. price guide]~~.

(d) A salvage title issued under this subsection shall be branded "SALVAGE." The Transportation Cabinet shall use a unique method of identification to differentiate a salvage title issued under this subsection from other salvage titles.

(6) (a) Upon receipt of a salvage certificate of title issued pursuant to subsection (5) of this section, or an out-of-state junking certificate or other ownership document bearing a designation of "junk," "unrebuildable," or other similar classification that disqualifies the vehicle from being titled for use on the highway in that state, and proof of passing the inspection required by KRS 186A.115, the cabinet shall issue a new certificate of title with the words "REBUILT VEHICLE" printed on the face of the title. The Transportation Cabinet shall use a unique method of identification to differentiate a rebuilt brand issued under this paragraph from other rebuilt brands. The brand shall be carried forward and printed in the appropriate section on the face of all titles issued thereafter for that motor vehicle.

(b) A person who obtains a rebuilt title under this subsection shall permanently affix a plate of metallic composition within the opening for the driver's side door which states "REBUILT VEHICLE - May Not Be Eligible For Title In All States."

(7) (a) When an insurance company makes a claim settlement on a vehicle that has been stolen and recovered, if the vehicle meets the definition of a salvage vehicle as set forth in KRS 186A.520, the company shall apply for a salvage certificate of title as provided for in KRS 186A.520. Upon receipt of this information, the cabinet shall issue the company a certificate of title to replace a salvage certificate of title. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A regarding the forms and any additional information which insurance companies shall be required to obtain and submit when seeking a certificate of title to replace a salvage certificate of title.

(b) In claim settlements that do not involve transfer of the vehicle to the insurance company, an insurer shall not render payment on a damage claim for a vehicle whose damage meets or exceeds seventy-five percent (75%) of the value of the vehicle, until the insurer has received proof that the owner has surrendered the title or has applied for a salvage certificate of title as set forth in KRS 186A.520. The owner shall apply for a salvage certificate of title within three (3) working days of the agreed settlement. This subsection shall not apply to hail-damaged vehicles under KRS 186A.555.

(c) An insurance company shall not refuse coverage to, and shall not reclassify coverage of, a vehicle that has been issued a rebuilt title pursuant to the provisions of this section.

(8) A motor vehicle owner or a motor vehicle dealer licensed in this state who offers for sale, trade, or transfer a motor vehicle which carries a title brand, as set forth in subsection (2) or (6) of this section, shall disclose the nature of the brand to any prospective buyer or transferee, prior to the sale, and according to the following:

(a) Dealer disclosure shall be located on a sticker placed on the vehicle. The sticker wording shall be printed in at least ten (10) point, bold face type, on a background of obviously different color, and shall include the following: "THIS IS A REBUILT VEHICLE." This disclosure information shall not appear on vehicles that do not have a branded title. Dealer disclosure shall also be located on a buyer's notification form to be approved by the Transportation Cabinet. The form shall inform the buyer that the vehicle is a rebuilt vehicle and may include any other information the cabinet deems necessary.

(b) Nondealer disclosure shall be made in accordance with the procedures provided for in KRS 186A.060. The Department of Vehicle Regulation shall ensure that disclosure information appears near the beginning of the application for title and informs the buyer that the vehicle is a rebuilt vehicle.

(9) Failure of a dealer to procure the buyer's acknowledgment signature on the buyer's notification form or failure of any person other than a dealer to procure the buyer's acknowledgment signature on the vehicle transaction record form shall render the sale voidable at the election of the buyer. The election to render the sale voidable shall be limited to forty-five (45) days after issuance of the title. This provision shall not bar any other remedies otherwise available to the purchaser.

(10) The notification provisions of this section shall not apply to motor vehicles more than ten (10) model years old.

(11) The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A, regarding the administration of the title branding procedure. The administrative regulations shall include the manner in which salvage titles and rebuilt brands on vehicles previously declared unrebuildable by another state are differentiated from other salvage titles and rebuilt brands. The administrative regulations may include designation of additional brands which provide significant information to the owner.

➔Section 16. KRS 186A.555 is amended to read as follows:

(1) The provisions of KRS 186A.500 to 186A.550 notwithstanding, the owner of a motor vehicle that has been damaged solely by hail shall have the regular title of the vehicle branded as follows "Hail Damage" if:

If the sheriff has certified on the vehicle transaction record form that the damage to the vehicle is the result of hail damage and if the total estimated or actual cost of parts and labor to rebuild or reconstruct the vehicle to its pre-hail condition exceeds seventy-five percent (75%) of the retail value of the vehicle, as prescribed by a nationally accepted used car valuation guide ***or tool*** identified ***under Section 12 of this Act*** ~~[by the Department of Revenue by administrative regulation]~~, the title shall not be surrendered to the clerk, but the clerk shall stamp on the face of the title "Hail Damage". The county clerk shall be paid a fee of three dollars ($3) to carry out the provisions of this subsection.

(5) An insurance company shall not render payment on a vehicle damaged solely by hail in excess of seventy-five percent (75%) of the retail value of the vehicle until the title has been branded "Hail Damage".

CHAPTER 96

(HJR 15)

A JOINT RESOLUTION to return for permanent display on the New State Capitol grounds the granite Ten Commandments monument given to the Commonwealth of Kentucky in 1971 by the Fraternal Order of Eagles.

WHEREAS, in 1971, the Kentucky State Aerie of the Fraternal Order of Eagles donated to the Commonwealth of Kentucky a granite monument inscribed with the Ten Commandments; and

WHEREAS, it remained on permanent display on the New State Capitol grounds until the 1980s, when it was moved to storage due to a construction project; and

WHEREAS, the monument remained in storage until 2000, when a joint legislative resolution was signed into law that required it be returned to the New State Capitol grounds for permanent display near the floral clock; and

WHEREAS, in 2002, applying the test established by the United States Supreme Court in *Lemon v. Kurtzman*, 403 U.S. 602 (1971), and its progeny, the United States Court of Appeals for the Sixth Circuit in *Adland v. Russ*, 307 F.3d 471 (6th Cir. 2002), affirmed a District Court order prohibiting the enforcement of the 2000 joint legislative resolution; and

WHEREAS, the monument was thereafter returned to the Fraternal Order of Eagles and given to the care of the organization’s Hopkinsville, Kentucky, chapter, which has kept it to the present time; and

WHEREAS, in 2005, the United States Supreme Court in *Van Orden v. Perry*, 545 U.S. 677 (2005), upheld the exhibition of an essentially identical Fraternal Order of Eagles’ Ten Commandments monument on permanent display on the state Capitol grounds in Austin, Texas. The Court held that *Lemon* was "not useful in dealing with the sort of passive monument that Texas has erected on its Capitol grounds," and instead focused on the "nature of the monument" and "our Nation’s history." *Id.* at 686; and

WHEREAS, in 2014, the United States Supreme Court in *Town of Greece v. Galloway*, 572 U.S. 565, 575 (2014), upheld a town council’s practice of beginning its public meetings with an invocation. The Court's majority opinion did not even mention *Lemon* and instead held "the Establishment Clause must be interpreted by reference to historical practices and understandings." *Id.* at 576; and

WHEREAS, in 2019, the United States Supreme Court in *The American Legion v. American Humanist Association*, 588 U.S. 29 (2019), upheld the display of a 32-foot tall Latin cross on state property erected as a World War I memorial. The Court expressly rejected *Lemon* and established a "presumption of constitutionality for longstanding monuments, symbols, and practices" that "use, for ceremonial, celebratory, or commemorative purposes, … words or symbols with religious associations." *Id.* at 51, 52, and 57; and

WHEREAS, in 2022, the United States Supreme Court in *Kennedy v. Bremerton School District*, 597 U.S. 507 (2022), upheld the right of a high school football coach to pray privately on the playing field after games. Citing *American Legion* and *Town of Greece*, the Court held that the "shortcomings" of *Lemon* had become "so apparent that this Court long ago abandoned *Lemon* and its endorsement test offshoot." *Id.* at 534. Formally replacing *Lemon*, the Court held "the Establishment Clause must be interpreted by reference to historical practices and understandings," and that the "line that courts and governments must draw between the permissible and the impermissible has to accord with history and faithfully reflect the understanding of the Founding Fathers." *Id.* at 535-36; and

WHEREAS, the legal precedent under which the 2000 joint legislative resolution's mandate to return the monument to the New State Capitol grounds near the floral clock was enjoined, has been abandoned by the United States Supreme Court, and is no longer good law; and

WHEREAS, the Ten Commandments monument is "one of over a hundred largely identical monoliths . . . distributed [by the Fraternal Order of Eagles] to state and local governments throughout the Nation over the course of several decades," *Van Orden*, 545 U.S. at 713; and

WHEREAS, "[s]uch acknowledgments of the role played by the Ten Commandments in our Nation's heritage are common throughout America" and "throughout . . . our Nation's Capital," *Van Orden*, 545 U.S. at 688-89; and

WHEREAS, the United States Supreme Court's "opinions, like [its] building, have recognized the role the Decalogue plays in America's heritage," *Van Orden*, 545 U.S. at 689; and

WHEREAS, "Executive and Legislative Branches have also acknowledged the historical role of the Ten Commandments," which "have an undeniable historical meaning," *Van Orden*, 545 U.S. at 690; and

WHEREAS, "the Ten Commandments have had a significant impact on the development of the fundamental legal principles of Western Civilization," House Concurrent Resolution 31, 105th Congress (1997); and

WHEREAS, the Ten Commandments "have historical significance as one of the foundations of our legal system," *American Legion*, 588 U.S. at 53; and

WHEREAS, "for largely that reason, they are depicted in the marble frieze in [the United States Supreme Court's] courtroom and in other prominent public buildings in our Nation's capital," *American Legion*, 588 U.S. at 53; and

WHEREAS, the Ten Commandments have undeniable historical significance in the history and heritage of the Commonwealth of Kentucky and the nation; and

WHEREAS, it is the historical practice and understanding of the Commonwealth and the nation to acknowledge our history and heritage with permanent depictions and displays on government buildings and grounds, including the state Capitol and its grounds, and including displays of the Ten Commandments; and

WHEREAS, the Fraternal Order of Eagles has expressed its willingness to return the monument to the Commonwealth for permanent display on the New State Capitol grounds;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Historic Properties Advisory Commission shall:

(3) Maintain the monument as a permanent display in Monument Park.

➔Section 2. If for any reason the Commonwealth is no longer able or permitted to exhibit the monument as a permanent display on the New State Capitol grounds after it has been placed in Monument Park under Section 1 of this Resolution, the Historic Properties Advisory Commission shall return the monument to the Fraternal Order of Eagles, Aerie 3423, Hopkinsville, Kentucky.

➔Section 3. The Fraternal Order of Eagles shall bear no costs for the monument's return to and display on the New State Capitol grounds or its subsequent return to and placement with the Fraternal Order of Eagles under Sections 1 and 2 of this Resolution.

Became law without Governor's signature March 27, 2025.

Unless exempted by other provisions of KRS 61.870 to 61.884, public records exempted under this provision shall be open after enforcement action is completed or a decision is made to take no action; however, records or information compiled and maintained by county attorneys or Commonwealth's attorneys pertaining to criminal investigations or criminal litigation shall be exempted from the provisions of KRS 61.870 to 61.884 and shall remain exempted after enforcement action, including litigation, is completed or a decision is made to take no action.
