ADVERSE ACTIONS

- A.** *A member state in which a licensee is licensed shall have authority to impose adverse action against the license issued by that member state.*

 - 5.** *Nothing in this compact authorizes a member state to impose discipline against a respiratory therapist's compact privilege in that member state for the individual's otherwise lawful practice in another state.*
- E.** *Joint investigations.*
- 1.** *In addition to the authority granted to a member state by its respective respiratory therapy practice act or other applicable state law, a member state may participate with other member states in joint investigations of licensees, provided, however, that a member state receiving such a request has no obligation to respond to any subpoena issued regarding an investigation of conduct or practice that was lawful in a member state at the time it was undertaken.*

- K. *The commission shall, by majority vote of all commissioners, take final action on the proposed rule based on the rulemaking record and the full text of the rule.*
 - 1. *The commission may adopt changes to the proposed rule provided the changes are consistent with the original purpose of the proposed rule.*
 - 2. *The commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.*
 - 3. *The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in subsection L. of this section, the effective date of the rule shall be no sooner than thirty (30) days after issuing the notice that it adopted or amended the rule.*
- L. *Upon determination that an emergency exists, the commission may consider and adopt an emergency rule with twenty-four (24) hours' notice, and with opportunity to comment, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:*
 - 1. *Meet an imminent threat to public health, safety, or welfare;*
 - 2. *Prevent a loss of commission or member state funds;*
 - 3. *Meet a deadline for the promulgation of a rule that is established by federal law or rule; or*
 - 4. *Protect public health and safety.*

- M. The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.*
- N. No member state's rulemaking process or procedural requirements shall apply to the commission. The commission shall have no authority over any member state's rulemaking process or procedural requirements that do not pertain to the compact.*
- O. Nothing in this compact, nor any rule or regulation of the commission, shall be construed to limit, restrict, or in any way reduce the ability of a member state to enact and enforce laws, regulations, or other rules related to the practice of respiratory therapy in that state, where those laws, regulations, or other rules are not inconsistent with the provisions of this compact.*

SECTION 10.

OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

- A. Oversight.*
- 1. The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement the compact.*
 - 2. Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.*
 - 3. The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.*
- B. Default, Technical Assistance, and Termination.*
- 1. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the commission may take, and shall offer training and specific technical assistance regarding the default.*
 - 2. The commission shall provide a copy of the notice of default to the other member states.*
- C. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the commissioners of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*
- D. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's respiratory therapy licensing authority and each of the member states' respiratory therapy licensing authorities.*
- E. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination, if necessary.*

- F.** *Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees and compact privilege holders, of which the commission has a record, within that state of such termination. The terminated state shall continue to recognize all licenses granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of said notice of termination.*
- G.** *The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.*
- H.** *The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*
- I.** **Dispute Resolution.**
- 1.** *Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.*
 - 2.** *The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes, as appropriate.*
- J.** **Enforcement.**
- 1.** *By majority vote, as may be further provided by rule, the commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. A member state by enactment of this compact consents to venue and jurisdiction in such court for the purposes set forth herein. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's law.*
 - 2.** *A member state may initiate legal action against the commission in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*
 - 3.** *No person other than a member state shall enforce this compact against the commission.*

SECTION 11.

EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

- A.** *The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh member state.*
- 1.** *On or after the effective date of the compact, the commission shall convene and review the enactment of each of the first seven (7) member states to determine if the statute enacted by each such charter member state is materially different than the model compact.*
 - a.** *A charter member state whose enactment is found to be materially different from the model compact shall be entitled to the default process set forth in Section 10 of this compact.*
 - b.** *If any member state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than seven (7).*
 - 2.** *Member states enacting the compact subsequent to the seven (7) initial charter member states shall be subject to the process set forth herein and commission rule to determine if their enactments are materially different from the model compact and whether they qualify for participation in the compact.*
 - 3.** *All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming*

into existence shall be considered to be actions of the commission unless specifically repudiated by the commission. The commission shall own and have all rights to any intellectual property developed on behalf or in furtherance of the commission by individuals or entities involved in organizing or establishing the commission, as may be further set forth in rules of the commission.

4. *Any state that joins the compact subsequent to the commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the date the compact becomes law in that state.*
- B.** *Any member state may withdraw from this compact by enacting a statute repealing the same.*
1. *A member state's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute.*
 2. *Withdrawal shall not affect the continuing requirement of the withdrawing state's respiratory therapy licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.*
 3. *Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees and compact privilege holders, of which the commission has a record, within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all licenses granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.*
- C.** *Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.*
- D.** *This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

SECTION 12.

CONSTRUCTION AND SEVERABILITY

- A.** *This compact and the commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the commission's rulemaking authority solely for those purposes.*
- B.** *The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.*
- C.** *Notwithstanding subsection B. of this section, the commission may deny a state's participation in the compact or, in accordance with the requirements of Section 10 of this compact, terminate a member state's participation in the compact, if it determines that a constitutional requirement of a member state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.*

SECTION 13.

CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

- A.** *Nothing herein shall prevent or inhibit the enforcement of any other law of a member state that is not inconsistent with the compact.*
- B.** *Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict, including any subsequently enacted state laws.*
- C.** *All permissible agreements between the commission and the member states are binding in accordance with their terms.*

D. Other than as expressly set forth herein, nothing in this compact will impact initial licensure.

SECTION 14.

APPLICABILITY TO KENTUCKY STATE GOVERNMENT

In order to clarify the effect of certain provisions of this compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A. By entering into this compact, this state authorizes the state respiratory therapy licensing authority as defined in Section 2.W. of this compact and as created by KRS 314A.200 to implement the provisions of this compact;*
- B. Notwithstanding any provision of this compact to the contrary:*
- 1. When a rule is adopted pursuant to Section 9 of this compact, the state respiratory therapy licensing authority as defined in Section 2.W. of this compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, in accordance with the requirements in KRS Chapter 13A. Failure by the state respiratory therapy licensing authority as defined in Section 2.W. of this compact to promulgate a rule adopted by the Respiratory Care Interstate Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 11 of this compact. Nothing in these provisions shall negate the applicability and effect of a commission rule or Section 9 of this compact to this state;*
 - 2. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 10 of this compact shall apply. If the deficiency is resolved in a manner determined by the Respiratory Care Interstate Compact Commission to be inconsistent with this compact or its rules, or if the procedures under Section 10 of this compact fail to resolve an issue, the withdrawal provisions of Section 11 of this compact shall apply; and*
 - 3. If a court of competent jurisdiction determines that the Respiratory Care Interstate Compact Commission created by Section 7 of this compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted under this compact, then such an action by the commission shall be invalid and have no force or effect;*
- C. Section 7.G. of this compact pertaining to the financing of the Respiratory Care Interstate Compact Commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this compact shall be from money collected pursuant to KRS 314A.215; and*
- D. This compact shall apply only to those respiratory therapists who practice or work under a compact privilege.*

The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located.*
- B. *Only the home state shall have the power to take adverse action against a licensee's home state license.*

encumbrances have been removed from the home state license. All home state disciplinary orders that impose adverse action against a licensee shall include a statement that the licensee's compact privileges are revoked in all member states during the pendency of the order.

- I. Once an encumbered license in the home state is restored to an unencumbered license, as certified by the home state's licensing authority, the licensee must meet the requirements of Section 4A. of this compact and follow the administrative requirements to reapply to obtain a compact privilege in any remote state.*
- J. If a member state takes adverse action, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the other member states state of any adverse actions.*
- K. Nothing in this compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action.*

SECTION 8.

 7. *Other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the compact commission.*

- D. *The records and information provided to a member state pursuant to this compact or through the data system, when certified by the compact commission or an agent thereof, shall constitute the authenticated business records of the compact commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a member state.*
- E. *Current significant investigative information pertaining to a licensee in any member state will only be available to other member states.*
- F. *It is the responsibility of the member states to report any adverse action against a licensee and to monitor the data system to determine whether any adverse action has been taken against a licensee. Adverse action information pertaining to a licensee in any member state will be available to any other member state.*
- G. *Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.*
- H. *Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the member state contributing the information shall be removed from the data system.*

SECTION 10.

RULEMAKING

- A. *The compact commission shall promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of the compact. A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the compact commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon another applicable standard of review.*
- B. *The rules of the compact commission shall have the force of law in each member state, provided however that where the rules conflict with the laws or regulations of a member state that relate to the procedures, actions, and processes a licensed dietitian is permitted to undertake in that state and the circumstances under which they may do so, as held by a court of competent jurisdiction, the rules of the compact commission shall be ineffective in that state to the extent of the conflict.*
- C. *The compact commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules shall become binding on the day following adoption or as of the date specified in the rule or amendment, whichever is later.*
- D. *If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four (4) years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.*
- E. *Rules shall be adopted at a regular or special meeting of the compact commission.*
- F. *Prior to adoption of a proposed rule, the compact commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.*
- G. *Prior to adoption of a proposed rule by the compact commission, and at least thirty (30) days in advance of the meeting at which the compact commission will hold a public hearing on the proposed rule, the compact commission shall provide a notice of proposed rulemaking:*
 - 1. *On the website of the compact commission or other publicly accessible platform;*
 - 2. *To persons who have requested notice of the compact commission's notices of proposed rulemaking; and*
 - 3. *In such other ways as the compact commission may by rule specify.*
- H. *The notice of proposed rulemaking shall include:*
 - 1. *The time, date, and location of the public hearing at which the compact commission will hear public comments on the proposed rule and, if different, the time, date, and location of the meeting where the compact commission will consider and vote on the proposed rule;*
 - 2. *If the hearing is held via telecommunication, video conference, or other means of communication, the compact commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;*
 - 3. *The text of the proposed rule and the reason therefor;*

4. *A request for comments on the proposed rule from any interested person; and*
 5. *The manner in which interested persons may submit written comments.*
- I. *All hearings will be recorded. A copy of the recording and all written comments and documents received by the compact commission in response to the proposed rule shall be available to the public.*
 - J. *Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the compact commission at hearings required by this section.*
 - K. *The compact commission shall, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule.*
 1. *The compact commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.*
 2. *The compact commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.*
 3. *The compact commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in subsection 10.L. of this section, the effective date of the rule shall be no sooner than thirty (30) days after issuing the notice that it adopted or amended the rule.*
 - L. *Upon determination that an emergency exists, the compact commission may consider and adopt an emergency rule with twenty-four (24) hours' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:*
 1. *Meet an imminent threat to public health, safety, or welfare;*
 2. *Prevent a loss of compact commission or member state funds;*
 3. *Meet a deadline for the promulgation of a rule that is established by federal law or rule; or*
 4. *Protect public health and safety.*
 - M. *The compact commission or an authorized committee of the compact commission may direct revision to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revision shall be posted on the website of the compact commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the compact commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the compact commission.*
 - N. *No member state's rulemaking requirements shall apply under this compact.*

SECTION 11.

OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

- A. *Oversight.*
 1. *The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement this compact.*
 2. *Except as otherwise provided in this compact, venue is proper and judicial proceedings by or against the compact commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the compact commission is located. The compact commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.*
 3. *The compact commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a*

proceeding for all purposes. Failure to provide the compact commission service of process shall render a judgment or order void as to the compact commission, this compact, or promulgated rules.

B. Default, Technical Assistance, and Termination.

1. *If the compact commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the compact commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the compact commission may take and shall offer training and specific technical assistance regarding the default.*

2. *The compact commission shall provide a copy of the notice of default to the other member states.*

C. *If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*

D. *Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the compact commission to the Governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's licensing authority, and each of the member states' licensing authority.*

E. *A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.*

F. *Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees within that state of such termination. The terminated state shall continue to recognize all compact privileges granted pursuant to this compact for a minimum of six (6) months after the date of said notice of termination.*

G. *The compact commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the compact commission and the defaulting state.*

H. *The defaulting state may appeal the action of the compact commission by petitioning the United States District Court for the District of Columbia or the federal district where the compact commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*

I. Dispute Resolution.

1. *Upon request by a member state, the compact commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.*

2. *The compact commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.*

J. Enforcement.

1. *By supermajority vote, the compact commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the compact commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the compact commission. The compact commission may pursue any other remedies available under federal or the defaulting member state's law.*

2. *A member state may initiate legal action against the compact commission in the United States District Court for the District of Columbia or the federal district where the compact commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial*

enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. *No party other than a member state shall enforce this compact against the compact commission.*

SECTION 12.

EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

- A. *The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh member state.*
 1. *On or after the effective date of the compact, the compact commission shall convene and review the enactment of each of the first seven (7) member states ("charter member states") to determine if the statute enacted by each such charter member state is materially different than the model compact statute.*
 - a. *A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in Section 11 of this compact.*
 - b. *If any member state is later found to be in default, or is terminated, or withdraws from the compact, the compact commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than seven (7).*
 2. *Member states enacting the compact subsequent to the seven (7) initial charter member states shall be subject to the process set forth in Section 8.C.21. of this compact to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.*
 3. *All actions taken for the benefit of the compact commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the compact commission coming into existence shall be considered to be actions of the compact commission unless specifically repudiated by the compact commission.*
 4. *Any state that joins the compact subsequent to the compact commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the compact commission shall have the full force and effect of law on the day the compact becomes law in that state.*
- B. *Any member state may withdraw from this compact by enacting a statute repealing the same.*
 1. *A member state's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute.*
 2. *Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.*
 3. *Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all compact privileges granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.*
- C. *Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.*
- D. *This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

SECTION 13.

CONSTRUCTION AND SEVERABILITY

- A. *This compact and the compact commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the*

compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the compact commission's rulemaking authority solely for those purposes.

- B. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.*
- C. Notwithstanding subsection B. of this section, the compact commission may deny a state's participation in the compact or, in accordance with the requirements of Section 11.B. of this compact, terminate a member state's participation in the compact, if it determines that a constitutional requirement of a member state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.*

SECTION 14.

CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

- A. Nothing herein shall prevent or inhibit the enforcement of any other law of a member state that is not inconsistent with the compact.*
- B. Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict.*
- C. All permissible agreements between the compact commission and the member states are binding in accordance with their terms.*

SECTION 15.

APPLICABILITY TO KENTUCKY STATE GOVERNMENT

In order to clarify the effect of certain provisions of this compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A. By entering into this compact, this state authorizes the state licensing authority as defined in Section 2.T. of this compact and as created by KRS 310.040 to implement the provisions of this compact;*
- B. Notwithstanding any provision of this compact to the contrary:

 - 1. When a rule is adopted pursuant to Section 10 of this compact, the state licensing authority as defined in Section 2.T. of this compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the state licensing authority as defined in Section 2.T. of this compact to promulgate a rule adopted by the Dietitian Licensure Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 12 of this compact. Nothing in these provisions shall negate the applicability and effect of a commission rule or Section 11 of this compact to this state;*
 - 2. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 11 of this compact shall apply. If the deficiency is resolved in a manner determined by the Dietitian Licensure Compact Commission to be inconsistent with this compact or its rules, or if the procedures under Section 11 of this compact fail to resolve an issue, the withdrawal provisions of Section 12 of this compact shall apply; and*
 - 3. If a court of competent jurisdiction determines that the Dietitian Licensure Compact Commission created by Section 8 of this compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted under this compact, then such an action by the commission shall be invalid and have no force or effect;**
- C. Section 8.G. of this compact pertaining to the financing of the Dietitian Licensure Compact Commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this compact shall be from money collected pursuant to KRS 310.041; and*

D. This compact shall apply only to those dietitians who practice or work under a compact privilege.

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 310 IS CREATED TO READ AS FOLLOWS:

 - (b) **The results of the national and state criminal background check shall be sent to the board for the screening of applicants;**
 - (c) **The results of a national and state criminal background check shall not be distributed or otherwise released by the board, except that the board:**
 - 1. **Shall provide any applicant or credential holder the results of his or her national and state criminal background check upon request; and**
 - 2. **May introduce the results under seal as evidence in a legal proceeding that involves a challenge to any disciplinary action taken by the board based in whole or in part on information contained in the results; and**

- (4) **The board may require a criminal background check for any person licensed to engage in the practice of dietetics authorized by the board who is the subject of an active investigation for a violation under this chapter or administrative regulations promulgated thereunder.**

A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the compact commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon another applicable standard of review.*
- B. *The rules of the compact commission shall have the force of law in each member state, provided however that where the rules conflict with the laws or regulations of a member state that relate to the scope of practice a licensed athletic trainer is permitted to undertake in that state and the circumstances under which they may do so, as held by a court of competent jurisdiction, the rules of the compact commission shall be ineffective in that state to the extent of the conflict.*
- C. *The compact commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules of this compact shall become binding on the day following adoption or as of the date specified in the rule or amendment, whichever is later.*
- D. *If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four (4) years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.*
- E. *Rules shall be adopted at a regular or special meeting of the compact commission.*
- F. *Prior to adoption of a proposed rule, the compact commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments. At least thirty (30) days in advance of the public hearing on the proposed rule, the compact commission shall provide a notice of proposed rulemaking:*
1. *On the website of the compact commission or other publicly accessible platform;*
 2. *To persons who have requested notice of the compact commission's notices of proposed rulemaking; and*
 3. *In such other way(s) as the compact commission may by rule specify.*
- G. *The notice of proposed rulemaking shall include:*

1. *The time, date, and location of the public hearing at which the compact commission will hear public comments on the proposed rule and, if different, the time, date, and location of the meeting where the compact commission will consider and vote on the proposed rule;*
 2. *If the hearing is held via telecommunication, video conference, or other electronic means, the compact commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;*
 3. *The text of the proposed rule and the reason therefor;*
 4. *A request for comments on the proposed rule from any interested person; and*
 5. *The manner in which interested persons may submit written comments.*
- H.** *All hearings will be recorded. A copy of the recording and all written comments and documents received by the compact commission in response to the proposed rule shall be available to the public.*
- I.** *Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the compact commission at hearings required by this section.*
- J.** *The compact commission shall, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule.*
1. *The compact commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.*
 2. *The compact commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.*
 3. *The compact commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in this section, the effective date of the rule shall be no sooner than thirty (30) days after issuing the notice that it adopted or amended the rule.*
- K.** *Upon determination that an emergency exists, the compact commission may consider and adopt an emergency rule with twenty-four (24) hours' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:*
1. *Meet an imminent threat to public health, safety, or welfare;*
 2. *Prevent a loss of compact commission or member state funds;*
 3. *Meet a deadline for the promulgation of a rule that is established by federal law or rule; or*
 4. *Protect public health and safety.*
- L.** *The compact commission or an authorized committee of the compact commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the compact commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the compact commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the compact commission.*
- M.** *No member state's rulemaking requirements shall apply under this compact.*

SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

- A.** *Oversight:*
1. *The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement the compact.*
 2. *Except as otherwise provided in this compact, venue is proper and judicial proceedings by or against the compact commission shall be brought solely and exclusively in a court of competent jurisdiction*

where the principal office of the compact commission is located. The compact commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.

3. *The compact commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the compact commission service of process shall render a judgment or order void as to the compact commission, this compact, or promulgated rules.*

B. Default, Technical Assistance, and Termination:

1. *If the compact commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the compact commission may take, and shall offer training and specific technical assistance regarding the default.*
2. *The compact commission shall provide a copy of the notice of default to the other member states.*

C. *If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the commissioners of the member states, and all rights, privileges and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*

D. *Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the compact commission to the Governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's licensing authority and each of the member states' licensing authority.*

E. *A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.*

F. *Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees within that state of such termination. The terminated state shall continue to recognize all licenses and compact privileges granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of said notice of termination.*

G. *The compact commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the compact commission and the defaulting state.*

H. *The defaulting state may appeal the action of the compact commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the compact commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*

I. Dispute Resolution:

1. *Upon request by a member state, the compact commission shall attempt to resolve disputes related to the compact that arise among member states and between member and non-member states.*
2. *The compact commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.*

J. Enforcement:

1. *By two-thirds (2/3) majority vote, the compact commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the compact commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the compact commission. The compact commission may pursue any other remedies available under federal or the defaulting member state's law.*

2. *A member state may initiate legal action against the compact commission in the U.S. District Court for the District of Columbia or the federal district where the compact commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.*
3. *No person other than a member state shall enforce this compact against the compact commission.*

SECTION 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

- A. *The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh member state.*
 1. *On or after the effective date of the compact, the compact commission shall convene and review the enactment of each of the first seven (7) member states ("charter member states") to determine if the statute enacted and made effective by each such charter member state is materially different than the model compact statute.*
 - a. *A charter member state whose enactment is found to be materially different from the model compact language shall be entitled to the default process set forth in Section 11 of this compact.*
 - b. *If any member state is later found to be in default, or is terminated or withdraws from the compact, the compact commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than seven (7).*
 2. *Member states enacting the compact subsequent to the seven (7) initial charter member states shall be subject to the process set forth in this section to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.*
 3. *All actions taken for the benefit of the compact commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the compact commission coming into existence shall be considered to be actions of the compact commission unless specifically repudiated by the compact commission.*
 4. *Any state that joins the compact subsequent to the compact commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the compact commission shall have the full force and effect of law on the day the compact becomes law in that state.*
- B. *Any member state may withdraw from this compact by enacting a statute repealing the same.*
 1. *A member state's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute.*
 2. *Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.*
 3. *Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees and privilege holders within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all compact privileges granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.*
 4. *Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this compact.*
 5. *This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

SECTION 13. CONSTRUCTION AND SEVERABILITY

- A. *This compact and the compact commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the compact commission's rulemaking authority solely for those purposes.*
- B. *The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.*
- C. *Notwithstanding the foregoing, the compact commission may deny a state's participation in the compact or terminate a member state's participation in the compact if it determines that a constitutional requirement of a member state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.*

SECTION 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

- A. *Nothing herein shall prevent or inhibit the enforcement of any other law of a member state that is not inconsistent with the compact.*
- B. *Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict.*
- C. *All permissible agreements between the compact commission and the member states are binding in accordance with their terms.*

SECTION 15. APPLICABILITY TO KENTUCKY STATE GOVERNMENT

In order to clarify the effect of certain provisions of this compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A. *By entering into this compact, this state authorizes the state athletic trainer licensing authority as defined in Section 2.V. of this compact and as created by KRS 311.530 and authorized to promulgate administrative regulations under KRS 311.901 to implement the provisions of this compact;*
- B. *Notwithstanding any provision of this compact to the contrary:*
 - 1. *When a rule is adopted pursuant to Section 10 of this compact, the state athletic trainer licensing authority as defined in Section 2.V. of this compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, in accordance with the requirements in KRS Chapter 13A. Failure by the state athletic trainer licensing authority as defined in Section 2.V. of this compact to promulgate a rule adopted by the athletic trainer licensure compact commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 12 of this compact. Nothing in these provisions shall negate the applicability and effect of a commission rule or Section 10 of this compact to this state;*
 - 2. *If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 11 of this compact shall apply. If the deficiency is resolved in a manner determined by the athletic trainer licensure compact commission to be inconsistent with this compact or its rules, or if the procedures under Section 11 of this compact fail to resolve an issue, the withdrawal provisions of Section 12 of this compact shall apply; and*
 - 3. *If a court of competent jurisdiction determines that the Athletic Trainer Compact Commission created by Section 8 of this compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted under this compact, then such an action by the commission shall be invalid and have no force or effect;*
- C. *Section 8.G. of this compact pertaining to the financing of the Athletic Trainer Compact Commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this compact shall be from money collected pursuant to KRS 311.610; and*

D. This compact shall apply only to those athletic trainers who practice or work under a compact privilege.

Signed by Governor April 6, 2026.
