- (2) The functions and duties of the Cabinet shall include conducting conferences, administering taxpayer protests, and settling tax controversies on a fair and equitable basis, taking into consideration the hazards of litigation to the Commonwealth of Kentucky and the taxpayer. The mission of the Cabinet shall be to afford an opportunity for taxpayers to have an independent informal review of the determinations of the audit functions of the Department of Compliance and Taxpayer Assistance and the Department of Administrative Services, and to attempt to fairly and equitably resolve tax controversies at the administrative level.
- (3) ***Except as provided in subsection (4) of Section 3 of this Act***, the Cabinet shall fully cooperate with and make tax information available ***as prescribed under subsection (2) of Section 3 of this Act*** to the Finance and Administration Cabinet's Office of Financial Management and Economic Analysis as necessary for the office to perform the tax administration function established in KRS 42.410.

Section 2. KRS 131.081 is amended to read as follows:

The following rules, principles, or requirements shall apply in the administration of all taxes subject to the jurisdiction of the Revenue Cabinet.

- (1) The cabinet shall develop and implement a Kentucky tax education and information program directed at new taxpayers, taxpayer and industry groups, and cabinet employees to enhance the understanding of and compliance with Kentucky tax laws, including the application of new tax legislation to taxpayer activities and areas of recurrent taxpayer noncompliance or inconsistency of administration.
- (2) The cabinet shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the cabinet. ~~These~~^{Such} statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the cabinet distributed to the public.
- (3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the cabinet. The taxpayer shall be informed of ~~this~~^{such} right prior to conduct of any conference or hearing.
- (4) The cabinet shall perform audits and conduct conferences and hearings only at reasonable times and places.
- (5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the cabinet. The cabinet may make similar audio recordings only if prior written notice is given to the taxpayer. The taxpayer shall be entitled to a copy of ~~this~~^{such} cabinet recording or a transcript ~~thereof~~ as provided in KRS 61.874.
- (6) If any taxpayer's failure to submit a timely return or payment to the cabinet is due to the taxpayer's reasonable reliance on written advice from the cabinet, the taxpayer shall be relieved of any penalty or interest with respect thereto provided the taxpayer requested ~~the~~^{such} advice in writing from the cabinet and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the cabinet did not subsequently rescind or modify the advice in writing and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the cabinet's earlier written advice no longer valid.
- (7) Taxpayers shall have the right to receive a copy of any audit of the cabinet by the Auditor of Public Accounts relating to the cabinet's compliance with the provisions of KRS 131.041 to 131.081.
- (8) The cabinet shall include with each notice of tax due a clear and concise description of the basis and amount of any tax, penalty, and interest assessed against the taxpayer, and copies of the agent's audit workpapers and the

agent's written narrative setting forth the grounds upon which the assessment is made. Taxpayers shall be similarly notified regarding the denial or reduction of any refund or credit claim filed by a taxpayer.

- (9) Taxpayers shall have the right to an installment payment agreement for the payment of delinquent taxes, penalties, and interest owed provided the taxpayer requests the agreement in writing clearly demonstrating his inability to pay in full and that the agreement will facilitate collection by the cabinet of the amounts owed. The cabinet may modify or terminate an installment payment agreement if it determines the taxpayer has not complied with the terms of the agreement; the taxpayers' financial condition has sufficiently changed; the taxpayer fails to provide any requested financial condition update information; the taxpayer gave false or misleading information in securing the agreement; or the taxpayer fails to timely report and pay any other tax due the Commonwealth. The cabinet shall give written notice to the taxpayer at least thirty (30) days prior to modifying or terminating an installment payment agreement unless the cabinet has reason to believe that collection of the amounts owed will be jeopardized in whole or in part by delay.
- (10) The cabinet shall not knowingly authorize, require, or conduct any investigation or surveillance of any person for nontax administration related purposes, except internal security related investigations involving Revenue Cabinet personnel.
- (11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the cabinet ~~thereof~~ in writing and provides a copy of ~~the~~~~such~~ extension at the time and in the manner which the cabinet may require.
- (12) The cabinet shall bear the cost or, if paid by the taxpayer, reimburse the taxpayer for recording or bank charges as the direct result of any erroneous lien or levy by the cabinet, provided the erroneous lien or levy was caused by cabinet error and, prior to issuance of the erroneous lien or levy, the taxpayer timely responded to all contacts by the cabinet and provided information or documentation sufficient to establish his or her position. When the cabinet releases any ~~such~~ erroneous lien or levy, notice of the fact shall be mailed to the taxpayer and, if requested by the taxpayer, a copy of the release, together with an explanation ~~thereof~~, shall be mailed to the major credit reporting companies located in the county where it was filed.
- (13) The cabinet shall not evaluate individual officers or employees on the basis of taxes assessed or collected or impose or suggest tax assessment or collection quotas or goals.
- (14) Taxpayers shall have the right to bring an action for damages against the Commonwealth to the Board of Claims for actual and direct monetary damages sustained by the taxpayer as a result of willful, reckless, and intentional disregard by cabinet employees of the rights of taxpayers as set out in KRS 131.041 to 131.081 or in the tax laws administered by the cabinet. In the awarding of damages pursuant to this subsection, the board shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. If any ~~such~~ proceeding brought by a taxpayer is ruled frivolous by the board, the cabinet shall be reimbursed by the taxpayer for its costs in defending the action.
- (15) Taxpayers shall have the right to privacy with regard to the information provided on their Kentucky tax returns and reports, including any *attached* information or documents ~~attached thereto~~. Except as provided by KRS 131.190, no information pertaining to ~~the~~~~such~~ returns, reports, or the affairs of a person's business shall be divulged by the cabinet ~~or the Finance and Administration Cabinet's Office of Financial Management and Economic Analysis~~ to any person.

Section 3. KRS 131.190 is amended to read as follows:

This prohibition does not extend to information required in prosecutions for making false reports or returns of property for taxation, or any other infraction of the tax laws, nor does it extend to any matter properly entered upon any assessment record, or in any way made a matter of public record, nor does it preclude furnishing any taxpayer or his properly authorized agent with information respecting his own return.

This information shall be provided to the owner on a confidential basis, and the owner shall be subject to the penalties provided in KRS 131.990(2). The third-party filer shall be given prior notice of any disclosure of information to the owner that was provided by the third-party filer.*

- (2) The secretary shall make available any information for official use only and on a confidential basis to the proper officer, *agency*, board or commission of this state, any Kentucky county, any Kentucky city, any other state, or the federal government, under reciprocal *agreements*~~[arrangements]~~ whereby the cabinet shall receive similar or useful information in return.

- (5) Statistics of crude oil as reported to the Revenue Cabinet under the crude oil excise tax requirements of KRS Chapter 137 and statistics of natural gas production as reported to the Revenue Cabinet under the natural resources severance tax requirements of KRS Chapter 143A may be made public by the cabinet by release to the Department of Mines and Minerals.

CHAPTER 148

(HB 354)

AN ACT relating to reorganization.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.990 is amended to read as follows:

- (1) Any permittee, person, or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars (\$5,000) for the violation, and an additional civil penalty of not more than five thousand dollars (\$5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. Any person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars (\$5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Office of Legal Services. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars (\$800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.
- (2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand

dollars (\$5,000) nor more than twenty-five thousand dollars (\$25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred ~~and~~ fifty dollars (\$750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

- (3) The cabinet's Office of Legal Services shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.
- (4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.
- (5)
 - (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.
 - (b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.
- (6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars (\$25,000). Each day of continuing violation shall be deemed a separate violation.
- (7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.
- (8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.
- (9) When a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.
- (10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.
- (11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed

penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned *Mine* Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

Section 2. The General Assembly hereby confirms Executive Order 97-714, dated June 11, 1997, which changes the name of the Division of Abandoned Lands within the Department for Surface Mining Reclamation and Enforcement to the Division of Abandoned Mine Lands, to the extent it is not otherwise confirmed by this Act.

SECTION 1. A NEW SECTION OF KRS 138.455 TO 138.470 IS CREATED TO READ AS FOLLOWS:

- (1) *A motor vehicle dealer who operates a service or repair component in his dealership may register a motor vehicle to be used exclusively as a loaner motor vehicle to the customers of this service or repair department. The dealer may pay usage tax on the loaner motor vehicle as provided in KRS 138.460, or, subject to the provisions of this section, may pay a usage tax of six percent (6%) levied upon the fair market lease value of the vehicle as established by the Transportation Cabinet in accordance with subsection (9) of Section 4 of this Act.*
- (2) *A dealer shall pay the usage tax on a loaner motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the cabinet that he is regularly engaged in the servicing or repair of motor vehicles and loans the loaner motor vehicle, for no consideration or monetary value except as allowed in subsection (4) of this section, to a retail customer while the customer's motor vehicle is at the dealership for repair or service.*
- (3) *For a dealer to be eligible to pay the usage tax on a loaner motor vehicle under this section, the dealer shall identify the motor vehicle as a loaner motor vehicle to the Transportation Cabinet and shall maintain records, as required by the Transportation Cabinet, which show all uses of the loaner motor vehicle.*
- (4) *The tax authorized by subsection (1) of this section shall be the direct obligation of the dealer. However, the customer shall not be required to pay any additional costs for the use of the loaner motor vehicle.*

A notice of assessment shall be mailed to the taxpayer. The time provided in this paragraph may be extended by agreement between the taxpayer and the cabinet.*
 - (b) *Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.*

This penalty shall be in addition to all other applicable penalties provided by law.
- (2) *If a dealer under Section 1 of this Act fails or refuses to file a return or furnish any information requested in writing, the cabinet may, from any information in its possession, make an estimate of the tax owed by the dealer on his loaner motor vehicles and issue an assessment against the dealer after adding a penalty of ten percent (10%) of the amount of the assessment so determined. The penalty shall be in addition to all other applicable penalties provided by law.*
- (3) If any holder of a permit under KRS 138.463(2) *or a dealer under Section 1 of this Act* fails to make and file a return required by KRS 138.463 *or Section 1 of this Act* on or before the due date of the return or the due date as extended by the cabinet, *or if the tax, or any installment or portion of the tax imposed by KRS 138.463 or Section 1 of this Act, is not paid on or before the date prescribed for its payment*, then, unless it is shown to the satisfaction of the cabinet that the failure is due to a reasonable cause, five percent (5%) of the tax found to be due shall be added to the tax for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars (\$10).
- (4)~~(3)~~ If the tax imposed by KRS 138.463 *or Section 1 of this Act*, whether assessed by the cabinet, *the dealer*, or the permit holder, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the tax interest rate as defined in KRS 131.010(6) from the date prescribed for its payment until payment is actually made.

Section 4. KRS 138.463 is amended to read as follows:

- (1) A holder of a permit as required under KRS 281.615 to operate as a U-Drive-It as defined in KRS 281.014 may pay the usage tax as provided in KRS 138.460 or, subject to the provisions of this section, may pay a usage tax of six percent (6%) levied upon the amount of the gross rental or lease charges paid by a customer or lessee renting or leasing a motor vehicle from such holder of the permit.
- (2) The provisions of KRS 138.462 and this section shall apply to all rental and leasehold contracts entered into after March 9, 1990.
- (3) A holder of a permit shall pay the usage tax as provided in KRS 138.460 unless he shows to the satisfaction of the cabinet that he is regularly engaged in the renting or leasing of motor vehicles to retail customers as a part of an established business. The issuance of a U-Drive-It permit under the provisions of KRS Chapter 281 shall create a rebuttable presumption that the holder of a permit is regularly engaged in renting or leasing. Persons first engaging in the renting or leasing of motor vehicles to retail customers shall, in addition to obtaining a permit required under KRS 281.615, demonstrate to the satisfaction of the cabinet that they are prepared to qualify under the standards set forth in this subsection.
- (4) In the event the holder of such permit qualifies under subsection (3) of this section and elects to pay the usage tax by the alternate method as provided in subsection (1) of this section, or is required by subsection (8) of this section to pay by the alternate method, he shall pay the seat tax imposed by KRS 186.281(3) and in addition shall pay the monthly tax authorized by subsection (1) of this section. ~~[- The cabinet shall provide the holder with evidence that he has been qualified to pay the monthly tax. The holder shall present such evidence to the county clerk at the time the motor vehicle is offered for registration in Kentucky and the following provisions shall be applicable.]~~
- (5) The tax authorized by subsection (1) of this section shall be the direct obligation of the holder of the permit but it may be charged to and collected from the customer in addition to the rental or lease charges. The tax due shall be remitted to the cabinet each month on forms and pursuant to regulations promulgated by the cabinet.
- (6)
 - (a) As soon as practicable after each return is received, the cabinet shall examine and audit it. If the amount of tax computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within four (4) years from the date the return was filed, except as provided in paragraph (c) of this subsection, and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the cabinet.
 - (b) For the purpose of paragraphs (a) and (c) of this subsection, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.
 - (c) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.
- (7) Failure of the holder of the permit to remit the taxes applicable to the rental charges as provided herein shall be sufficient cause for the Department of Vehicle Regulation to void the permit issued to such holder and the usage tax on each of the motor vehicles which had been registered by the holder under the permit shall be due and payable on the retail price of each such motor vehicle when it was first purchased by the holder.
- (8) Notwithstanding the provisions of KRS 138.460 and subsection (1) of this section, a holder of a permit operating a fleet of rental passenger cars which has been registered pursuant to an allocation formula approved by the cabinet shall pay the tax by the method provided in this section. The provisions of this section shall apply to all vehicles rented by the holder in this state.
- (9) The usage tax reported and paid on every rental or lease of a vehicle registered pursuant to this section shall be based on the fair market rental or lease value of the vehicle. Fair market rental or lease value shall be based on standards established by administrative regulation promulgated by the cabinet. The cabinet may remove a vehicle from the U-Drive-It program without a hearing if it is determined by the cabinet that no taxes have been remitted on that vehicle during the registration period. However, the tax reported and paid to the Transportation Cabinet shall not be less than the amount due based on the actual terms of a rental or lease

agreement. The burden of proving that the consideration charged by the holder satisfies this subsection is on the holder.

- (e) "Computation date" is October 31 of each calendar year prior to the effective date of new rates of contributions.

Section 2. KRS 341.330 is amended to read as follows:

- (2) The weekly benefit rate payable to an eligible worker for weeks of unemployment shall, except as provided in KRS 341.390, be an amount equal to one and one hundred eighty-five one-thousandths ~~of one~~ percent (1.185%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than ~~thirty-nine~~ ~~twenty-two~~ dollars ~~(\$39)~~ ~~(\$22)~~, nor more than the maximum rate as determined in accordance with subsection (3) of this section. ***For claims effective on or after January 1, 1999, the weekly benefit rate shall, except as provided in Section 4 of this Act, be one and two hundred thirty-five thousandths percent (1.235%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than thirty-nine dollars (\$39) nor more than the maximum rate as determined in accordance with subsection (3) of this section; provided, however, that the tax rate schedule prescribed in subsection (3)(a) of Section 1 of this Act is in effect in that year. If that rate schedule is not in effect in calendar year 1999 but takes effect in a subsequent calendar year, the increase in the weekly benefit rate calculation shall apply to claims effective on or after January 1 of the year in which that rate schedule is in effect.***
- (3) Prior to the first day of July of each year the secretary shall determine the average weekly wage for insured employment by dividing the average monthly employment, as obtained by dividing the total monthly employment reported by subject employers for the preceding calendar year by twelve (12), into the total wages reported by such employers for such calendar year and dividing by fifty-two (52). Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year; ***beginning in calendar year 1999, or any subsequent year in which the increase in the weekly benefit rate calculation set forth in subsection (2) of this section should take effect, sixty-two percent (62%) of the average weekly wage, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of that year and prior to the first day of July of the next following year;*** except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of December 31 immediately preceding the benefit year is less than one hundred twenty million dollars (\$120,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate. If such "trust fund balance" as of December 31 immediately preceding the benefit year:
 - (a) Equals or exceeds one hundred twenty million dollars (\$120,000,000), but is less than one hundred fifty million dollars (\$150,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than six percent (6%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1);
 - (b) Equals or exceeds one hundred fifty million dollars (\$150,000,000), but is less than two hundred fifty million dollars (\$250,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than eight percent (8%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1);
 - (c) Equals or exceeds two hundred fifty million dollars (\$250,000,000), but is less than two hundred seventy-five million dollars (\$275,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than ten percent (10%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1).
 - (d) Equals or exceeds two hundred seventy-five million dollars (\$275,000,000), but is less than three hundred fifty million dollars (\$350,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than twelve percent (12%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1); and
 - (e) Is such that it resulted in the establishment of an employer contribution rate schedule, as provided for in KRS 341.270, for the current calendar year which has a higher minimum rate ~~and a higher maximum rate~~ than the schedule in effect for the immediately preceding calendar year, the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate.
- (4) The maximum amount of benefits payable to any worker within any benefit year shall be the amount equal to whichever is the lesser of:

- (a) Twenty-six (26) times his weekly benefit rate; or
- (b) One-third (1/3) of his base-period wages, except that no worker's maximum amount shall be less than fifteen (15) times his weekly benefit rate. Such maximum amount, if not a multiple of one dollar (\$1), shall be adjusted to the nearest multiple of one dollar (\$1).

Section 4. KRS 341.390 is amended to read as follows:

There shall be deducted from the benefit rate determined for a worker in accordance with subsection (2) of KRS 341.380:

- (1) Eighty percent (80%), adjusted to the nearest multiple of one dollar (\$1), of the amount of wages earned by such worker during the week of unemployment with respect to which he claims benefits. For the purpose of this subsection, wages shall also include amounts earned by benefit claimants in self employment provided such earnings otherwise meet the definition of wages as contained in KRS 341.030;
- (2) The amount of remuneration which the worker has received or is receiving with respect to such week of unemployment (adjusted to the nearest multiple of one dollar (\$1) in the form of remuneration in lieu of notice; and
- (3)
 - (a) The amount of compensation payable to an individual for any week which begins after March 31, 1980, and which begins in a period with respect to which such individual is receiving a governmental or other pension, retirement or retired pay, annuity, or any other similar periodic payment under a plan maintained or contributed to a chargeable or base-period employer, shall be reduced (but not below zero (0)) by an amount equal to the amount of such pension, retirement or retired pay, annuity, or other payment which is reasonably attributable to such week; except that the secretary may provide for limitations on the amount of any such deduction to take into account contributions made by the worker for the pension, retirement or retired pay, annuity, or other similar periodic payment. ***The weekly benefit amount payable to a claimant for a week shall be reduced, but not below zero, by no part of a Social Security retirement pension if fifty percent (50%) or more of the contributions to the plan were provided by the claimant during the claimant's base period.***
 - (b) No reduction shall be made under this section by reason of the receipt of a pension if the services performed by the worker during the base period (or remuneration received for such services) for such employer did not affect the worker's eligibility for, or increase the amount of, such pension, retirement or retired pay, annuity, or other similar periodic payment. The conditions specified by this subsection shall not apply to pensions paid under the Social Security Act or the Railroad Retirement Act of 1974 (or the corresponding provisions of prior law). Payments made under such acts shall be treated solely in the manner specified by paragraph (a) of this subsection.
 - (c) If Public Law 94-566, Public Law 96-364 or the federal act which amends either for any cause shall become inoperative in its application, or stayed pendente lite, as to deductions of such compensation, then, subsection (3) of this section, by virtue of that fact, shall likewise and to the same extent, become inoperative as to such deductions.

Section 5. KRS 341.392 is amended to read as follows:

- (1) A worker filing a new claim for unemployment benefits shall, at the time of filing such claim, disclose whether or not he owes child support obligations as defined under this section. If any such worker discloses that he owes child support obligations, and is determined to be eligible for unemployment benefits, the secretary shall notify the state or local child support enforcement agency enforcing such obligation that the worker has been determined to be eligible for unemployment benefits.
- (2) The secretary shall deduct and withhold from any unemployment benefits payable to a worker that owes child support obligations:
 - (a) The amount specified by the worker to the secretary to be deducted and withheld under this subsection, if neither (b) nor (c) applies;
 - (b) The amount, if any, determined pursuant to an agreement submitted to the secretary under 42 U.S.C. 654 (Section 454(20)(b)(i) of the Social Security Act) by the state or local child support enforcement agency if (c) is not applicable; or

- (c) Any amount required to be so deducted and withheld from such unemployment benefits pursuant to legal process as that term is defined in ~~42 U.S.C. 662(e) (Section 462(e) of~~ the Social Security Act~~)~~ properly served upon the secretary.
- (3) (a) Any amount deducted and withheld under this section shall be paid by the secretary to the appropriate state or local child support enforcement agency.
- (b) Any amount deducted and withheld under this section shall for all purposes be treated as if it were paid to the worker as unemployment benefits and paid by such worker to the state or local child support enforcement agency in satisfaction of the worker's child support obligations.
- (4) For purposes of this section, the term "unemployment benefits" shall mean any compensation payable under this chapter (including amounts payable by the secretary pursuant to an agreement under any federal law providing compensation, assistance, or allowances with respect to unemployment).
- (5) The provisions set forth in this section apply only if appropriate arrangements have been made for reimbursement by the state or local child support enforcement agency for the administrative costs incurred by the secretary under this section which are attributable to child support obligations being enforced by the state or local child support enforcement agency.
- (6) The term "child support obligations" is defined for purposes of these provisions as including only obligations which are being enforced pursuant to a plan prescribed in 42 U.S.C. 654 (Section 454 of the Social Security Act) which has been approved by the Secretary of Health and Human Services under 42 U.S.C. 651-662 (Part D of Title IV of the Social Security Act).
- (7) The term "state or local child support enforcement agency" as used in these provisions means any agency of a state or a political subdivision thereof operating pursuant to a plan described in this section.

Section 6. KRS 341.415 is amended to read as follows:

- (1) Any person who has received any sum as benefits under this chapter or any other state's unemployment insurance statutes or any United States Department of Labor unemployment insurance benefit program providing the secretary has signed a reciprocal agreement with such other state or the United States Department of Labor as provided in KRS 341.145, while any condition for the receipt of such benefits was not fulfilled in his case, or while he was disqualified from receiving benefits, or if he has received benefits in weeks for which he later receives a back pay award, shall, in the discretion of the secretary, either have such sum deducted from any future benefits payable to him under this chapter or repay the department for the fund a sum equal to the amount so received by him. If after due notice the recipient of such sum fails to remit or arrange for remittance of the sum, the sum may be collected in the manner provided in subsection (2) of KRS 341.300 for collection of past-due contributions and any sums so collected shall be credited to the pooled account or the appropriate reimbursing employer account. **However, if the benefit was paid as a result of departmental error as defined by administrative regulation**~~Unless there has been a false statement, misrepresentation, concealment of material information, or an award of back pay, by a recipient of benefits~~, there shall be no recoupment or recovery of an improperly paid benefit, except by deduction from any future benefits payable to him under this chapter~~, if the benefit was paid as a result of departmental error~~. For purposes of this section, overpayments as a result of a reversal of entitlement to benefits in the appeal or review process shall not be construed to be the result of departmental error.
- (2) At or after the commencement of an action under subsection (1) of this section, attachment may be had against property of the recipient of improperly paid benefits in the manner provided in subsection (3) of KRS 341.300.
- (3) A lien on a parity with state, county, and municipal ad valorem tax liens, is hereby created in favor of the department upon all property of any recipient of improperly paid benefits. This lien shall be for a sum equal to the amount of the overpayment finally determined **and shall continue until the amount of the overpayment plus any subsequent assessment of additional improperly paid benefits, interest, and fees are fully paid**. The lien shall commence from such time as the recipient has exhausted or abandoned the appeal procedure set forth in this chapter and the amount of the overpayment is finally fixed. A notice of lien may be filed in the same manner as that provided for in KRS 341.310.
- (4) Any amount paid to a person as benefits, which he has been found liable to repay or to have deducted from future benefits under subsections (1), (2), and (3) of this section, which has neither been repaid nor so deducted within a period of five (5) years following the last day of the benefit year within which it was paid, may be

deemed to be uncollectible and shall be permanently charged to the pooled account, except that if such payment was made by reason of fraudulent representations, no future benefits shall be paid such person within a period of ten (10) years of the last day of the benefit year within which such payments were made at which time these amounts may be declared uncollectible. Nothing in this subsection shall be deemed to affect collection of improperly paid benefits pursuant to a judgment or other legal remedy.

- (5) In the event benefits have been paid as a result of false statement, misrepresentation, or concealment of material information by a recipient of benefits and have not been repaid by the recipient within one (1) calendar year from the date of the first notice, interest at the rate of one and five-tenths percent (1.5%) per month or any part thereof, shall be imposed on and added to the unpaid balance each successive month, providing due notice has been given to the recipient. Such interest shall be paid into the unemployment compensation administration account.
- (6) The deduction from future benefits specified in subsection (1) of this section shall be limited to twenty-five percent (25%) of the benefit amount otherwise payable under this chapter unless the overpayment resulted from a backpay award, ***false statement, misrepresentation, or concealment of material information by a recipient of benefits. In these instances, the rate of deduction shall be one hundred percent (100%).*** The rate of deduction from benefits payable by another state or the United States of America shall be determined by the applicable state or federal statute.

Section 7. KRS 341.470 is amended to read as follows:

- (1) No agreement by a worker to waive, release, or commute his rights to benefits or any other rights under this chapter shall be valid. No agreement by any worker to pay any portion of a subject employer's contributions, required under this chapter from such subject employer, shall be valid. No subject employer shall directly or indirectly make or require or accept any deductions from wages to finance the subject employer's contributions required of him. In cases involving awards to a worker by an arbitrator, ~~the National Labor Relations Board,~~ court, ***or*** other administrative body or mediator, the secretary may require the employer to withhold benefits paid under this chapter from the award and pay the amount withheld into the unemployment insurance trust fund. All subject employers are required to notify the Department for Employment Services, Cabinet for Workforce Development prior to paying any back pay award.
- (2) No worker claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commission, the secretary, or his representatives. Any worker claiming benefits in any proceeding before ***a referee or*** the commission may represent himself or may be represented by counsel or other agent duly authorized by such worker and shall be afforded the opportunity to participate in the proceeding without restriction; but no counsel or agent shall either charge or receive for such service more than an amount approved by the commission.
- (3)
 - (a) Any employer in any proceeding before ***a referee or*** the commission may represent himself or may be represented by counsel or other agent duly authorized by such employer; and
 - (b) Any person appearing in any proceeding before ***a referee or*** the commission who is an officer of, or who regularly performs in a managerial capacity for, a corporation or partnership which is a party to the proceeding in which the appearance is made shall be permitted to represent such corporation or partnership and shall be afforded the opportunity to participate in the proceeding without restriction.
- (4) No assignment, pledge, or encumbrance of any right to benefits due or payable under this chapter shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy for the collection of debt. Benefits received by any worker, as long as they are not mingled with other funds of the recipient, shall be exempt from any remedy for the collection of all debts except debts incurred for necessities furnished to such worker or his spouse or dependents during the time such worker was unemployed. No waiver of any exemption provided for in this subsection shall be valid.
- (5) The provisions of this section shall not be applicable to child support deductions made in accordance with KRS 341.392 and withholding for federal and state income tax in accordance with KRS 341.395.

Section 8. KRS 341.490 is amended to read as follows:

- (1) There shall be a special fund known as the unemployment insurance fund which shall be administered separate and apart from all public money or funds of this state. This fund shall consist of:

- (a) All contributions, payments in lieu of contributions, and money collected under this chapter, except fines, penalties, and interest on delinquent contributions collected under KRS 341.300 *and service capacity upgrade payments collected under Section 11 of this Act*;
 - (b) Interest earned upon any money in the fund;
 - (c) Any property or securities acquired through use of money belonging to the fund;
 - (d) All earnings of such property or securities;
 - (e) All money received from the federal unemployment account in the unemployment trust fund in accordance with Title XII of the Social Security Act as amended;
 - (f) All money credited to the account of this state in the unemployment trust fund in accordance with Section 903 of the Social Security Act as amended; and
 - (g) All money received from the federal government as reimbursement, pursuant to Section 204 of the Federal-State Extended Unemployment Compensation Act of 1970.
- (2) All moneys in the fund shall be commingled and undivided.
 - (3) Subject to the provisions of this chapter, the secretary may have full power, authority, and jurisdiction over the fund, including all money and property or securities belonging thereto, and may perform any act necessary or convenient in the administration thereof consistent with this chapter.

Section 9. KRS 341.530 is amended to read as follows:

- (1) The department shall maintain a reserve account for each subject employer making contributions to the fund and a reimbursing employer account for each subject employer making payment in lieu of contributions, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions or benefit reimbursement paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.
- (2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged against the reserve account or reimbursing employer account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for such employer in each of ten (10) weeks whether or not consecutive ***back to the beginning of the worker's base period***.
 - (a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 to 341.740; and
 - (b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 to 341.740 for compensable weeks occurring on or after January 1, 1979, and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.
- (3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to a contributing employer's reserve account under such subsection shall be charged against the pooled account if such worker was discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or ***the employer has continued to provide part-time employment and wages, without interruption, to the same extent that was provided from the date of hire*** ~~such employer has continuously employed the worker without significant interruption since the end of the worker's base period and in the week with respect to which benefits are paid, wages and employment are provided to the worker by such employer to the same extent as during the base period~~, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the department, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing ***part-time*** employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.
- (4) Each subject employer's reserve account or reimbursing account shall, unless terminated as of the computation date (as defined in subsection (5) of KRS 341.270), be charged with all benefits paid to eligible workers which

are chargeable to such reserve account or reimbursing account under subsection (2) of this section. A subject employer's reserve account or reimbursing account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540 or has been refunded if the employer is a reimbursing employer.

- (5) Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code sec. 501(c)(3)) organizations may jointly request the secretary to establish a group reserve account or reimbursing account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account or reimbursing account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance, and dissolution of a group reserve account or reimbursing account.
- (6) Any subject contributing employer may at any time make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty (20) days following the mailing of notices of new rates shall be credited to an employer's reserve account as of the computation date, provided no voluntary payments shall be used in computing an employer's rate unless the payment is made prior to the expiration of one hundred and twenty (120) days after the beginning of the year for which the rate is effective. Voluntary contributions by any employer subject to a minimum rate as provided in KRS 341.270(2) or KRS 341.272(1) shall not exceed any negative balance they may have in their reserve account as of the computation date. Any employer who is delinquent in the payment of contributions, penalties, or interest as of the computation date shall be entitled to make voluntary payments only after the amount of the delinquency is paid in full.

Section 10. KRS 341.540 is amended to read as follows:

- (1) Any employing unit which succeeds to or acquires the organization, trade or business of a subject employer shall assume the resources and liabilities of the predecessor's reserve account, including interest, and shall continue the payment of all contributions and interest due under this chapter, except that the successor or acquirer shall not be required to assume the liability of any delinquent contributions and interest of a predecessor or predecessors unless the cabinet notifies the successor or acquirer of such delinquency within six (6) months after the department has notice of the succession or acquisition.
- (2) The liability for delinquent contributions and interest imposed upon the successor or acquirer by subsection (1) of this section shall be secondary to the liability of the predecessor or predecessors, and if the delinquency has been reduced to judgment, the order of execution on such judgment shall be as follows:
 - (a) Against the assets, both real and personal, of the predecessor or predecessors;
 - (b) Against the assets, both real and personal, of the business acquired; and
 - (c) Against the assets, both real and personal, of the successor or acquirer.
- (3) Notwithstanding the provisions of subsection (1), any employing unit which succeeds to or acquires a *segregable and identifiable* portion of the organization, trade or business from a subject employer, and who is, or by reason of such succession or acquisition becomes, a subject employer, shall assume the position of such employer with respect to the resources and liabilities of such reserve account in proportion to the *percentage of the payroll or employees assignable to the transferred portion as determined by the secretary* ~~[extent of such succession or acquisition as proposed by the parties in interest to the secretary for his approval or disapproval]~~, and the taxable payroll, benefit charges and the potential benefit charges shall likewise be assumed by the successors or acquirers in interest in a like proportion ~~[In the absence of an approved agreement, the secretary may, not sooner than three (3) calendar months following the date of succession or acquisition, establish the extent of succession based upon the proportion of gross payroll reported by the predecessor in the most recently completed calendar quarter preceding the date of succession or acquisition for workers employed by the successor subsequent to that date; or upon such other basis as may be set forth in regulation]~~.
- (4) (a) The contribution rate of a successor or acquirer employing unit, whether in whole or in part, which was a subject employer prior to such succession or acquisition, shall not be affected by the transfer of the reserve account for the remainder of the rate year in which such succession or acquisition occurred.

- (b) The contribution rate of a successor or acquirer employing unit, either in whole or in part, which was not a subject employer prior to such succession or acquisition, shall be, for the calendar year in which such succession or acquisition occurred, the same rate as that of its predecessor.
- (c) The contribution rate for a successor or acquirer employing unit, which was not a subject employer prior to the simultaneous succession to or acquisition of two (2) or more predecessor reserve accounts, either in whole or in part, shall be the rate determined in accordance with the provisions of KRS 341.270, by combining the reserve accounts succeeded to or acquired as they existed as of the computation date for determining rates for the calendar year in which such succession or acquisition occurred.
- (d) The contribution rate of a successor or acquirer employing unit which succeeds to or acquires, either in whole or in part, a predecessor's reserve account after a computation date but prior to the beginning of the calendar year immediately following such computation date shall be the rate determined, in accordance with KRS 341.270, by effecting the transfer of such reserve account as of the computation date immediately preceding the date of such succession or acquisition.

SECTION 11. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

- (1) *There is created within the State Treasury a special fund known as the service capacity upgrade fund that shall be administered separate and apart from all public money or funds of the state.*
- (2) *The service capacity upgrade fund shall be used solely for acquisition and upgrading of the technology base, program integrity functions, and service delivery capacity in support of the programs administered by the Department for Employment Services. The secretary shall have full power, authority, and jurisdiction over the fund, including all money, property, and securities belonging thereto, and shall perform any act necessary or convenient in the administration of the fund consistent with this section. The secretary shall provide an annual report to the Interim Joint Committee on Labor and Industry detailing all receipts and expenditures of the fund.*
- (3) *Any money collected under the provisions of this section shall be invested at interest in banks or other interest-bearing obligations of the United States. Investments shall at all times be made so that all the assets of the service capacity upgrade fund shall be convertible into cash when needed for the payment of expenses incurred in upgrading the service capacity of the Department for Employment Services. All interest income received under this section shall be credited to the fund. The State Treasurer shall dispose of securities or other property belonging to the fund only under the direction of the secretary and the secretary of the Finance and Administration Cabinet.*
- (4) *Effective January 1, 1999, all rates otherwise established under Section 1 of this Act and KRS 341.272 shall be reduced by subtracting seventy-five thousandths percent (0.075%) from each rate, but only if the trust fund balance as of December 31 of the preceding year is equal to or greater than one and eighteen hundredths percent (1.18%) of the total wages paid in the state during the state fiscal year ended as of June 30 of that year.*
 - (a) *If the trust fund balance as of December 31, 1999, is less than the trust fund balance as of December 31, 1998, the amount of the rate reduction for calendar year 2000 shall be reduced by forty percent (40%) to the level of forty-five thousandths percent (0.045%).*
 - (b) *If the trust fund balance as of December 31, 2000, is less than the trust fund balance as of December 31, 1999, the amount of the rate reduction for calendar year 2001 shall be forty percent (40%) less than the amount of the rate reduction which was in effect in calendar year 2000.*
- (5) *For any calendar year in which all rates have been reduced in accordance with subsection (4) of this section, all contributory employers shall pay into the service capacity upgrade fund an amount equal to the percentage by which rates were reduced multiplied by their taxable wages paid during that calendar year. Payments shall be made at the same time and in the same manner as prescribed for payment of contributions under KRS 341.260 and all regulations prescribed by the secretary in support of that section. The restrictions in subsection (1) of Section 7 of this Act apply equally to the provisions of this section. Failure to make these payments shall be subject to interest and all other collection actions provided for failure to make contributions under KRS 341.300.*
- (6) *All payments required under subsection (5) of this section, along with any interest due to late payment of these assessments, shall be deposited in the service capacity upgrade fund.*

- (7) *The provisions of this section shall expire with regard to rates assigned for calendar years beginning after December 31, 2001, and any balance of moneys or property in the fund not expended or obligated for purposes consistent with this section by June 30, 2002, shall be deposited in the unemployment insurance trust fund.*

Section 12. The following KRS section is repealed:

Each job development incentive grant is limited to five thousand dollars (\$5,000) for each job created which fulfills the requirements of this subsection. The industrial firm receiving the job development incentive grant shall pay its employees at the project site an average wage equal to or greater than one hundred fifty percent (150%) of the federal minimum wage and shall invest at least ten thousand dollars (\$10,000) per new job created. After a fiscal court has received authorization for the job development grant by the Kentucky Economic Development Finance Authority, the county, the industrial firm and the Cabinet for Economic Development shall enter into an agreement committing the grant funds to be disbursed at such time*

as the industrial firm certifies the authenticity of the following information to be delivered to the county:

2. *At least twenty-five (25) new full-time Kentucky jobs have been created at the project site by the industrial firm;*
3. *No employee at the project site is paid a salary by the industrial firm which is less than one hundred thirty percent (130%) of the federal minimum wage;*

6. *No job created by the industrial firm after twenty-four (24) months from the date of the first eligible hire at the project site shall be considered for the grant.*

If the county is satisfied the information provided is accurate and qualifies the industrial firm for the job development incentive grant as described in the agreement, it shall forward the certified information to the Cabinet for Economic Development which shall make the job development grant disbursement upon sufficient evidence that all terms of the agreement have been met.

- (11) Findings by the secretary of the Cabinet for Economic Development, provided for in subsections (2)(b), (3), and (5) of this section, shall be made in writing to the affected counties, the Governor, and the Legislative Research Commission.

Section 3. Whereas using the proceeds from the issuance of private activity bonds is the primary and most effective method of financing low-interest rate mortgages for first-time, low-income homebuyers and of providing student loans for those persons seeking postsecondary educational opportunities; and whereas, the demand for low-interest rate mortgages and postsecondary educational loans will result in the depletion of the available funds before a new allocation period for private activity bonds begins, an emergency is declared to exist, and Section 1 of this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Section 1. KRS 160.291 is amended to read as follows:

- (1) All school employees working on a continuing, regular basis, shall be paid regularly, on dates determined by the employing board of education, during the school year or during the fiscal year for twelve (12) month employees, the provisions of KRS 337.020 notwithstanding. The gross salary received on each pay date will be an amount equal to the school employee's annual salary divided by the number of pay dates, *except a local board of education shall pay an employee any remaining salary owed prior to the end of the fiscal year upon completion of the employee's responsibilities or duties if so notified by the employee.*

- (2) Salary amounts shall be paid on the prescribed pay dates without deduction for days on which schools were closed; provided, however, any time not worked for which pay is received must be made up prior to the end of that current school year, or pay so received shall be withheld from the final salary payment of that school year.

No part of this section shall be law if any part is declared unconstitutional.
- (5) Subsection (2) of this section does not apply to those employed on a twelve (12) month basis.

However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new

position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

- (2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board.  - (c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

A superintendent's spouse who is employed under this provision shall not hold a position in which the spouse supervises certified or classified employees. A superintendent's spouse may supervise teacher aides and student teachers. However, the superintendent shall not promote his relative who continues employment under an exception of this subsection.
 - (f) No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

No spouse of a principal shall be employed in the principal's school, except a principal's spouse who was employed in the principal's school during the 1989-90 school year for whom there is no position for which the spouse is certified to fill in another school operated in the district. The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.
- (3) No superintendent shall employ in a position which involves supervisory or disciplinary power over a minor, any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor. Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.
 - (4) (a) If a school term has begun and a position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the required records. Application for the criminal

record of a probationary employee shall be made no later than the date probationary employment begins.

- (b) Employment shall be contingent on the receipt of records documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.
 - (c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the district of a record documenting a criminal act as defined above and no further procedures shall be required.
- (5) Each application or renewal form, provided by the employer to the applicant, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A CRIMINAL RECORD CHECK AS A CONDITION OF EMPLOYMENT."
 - (6) Any request for records under subsection (3) of this section shall be on a form approved by the Justice Cabinet, and the cabinet may charge a fee to be paid by the applicant in an amount no greater than the actual cost of processing the request.
 - (7) The provisions of this section shall apply to all applicants for initial employment in a position which involves supervisory or disciplinary power over a minor after July 15, 1988. Initial employment shall include first time applicants and applicants who were former employees of the district but have not been employed by the district for six (6) months.
 - (8) *The provisions of subsections (4), (5), (6), and (7) shall apply to a nonfaculty coach or nonfaculty assistant as defined under Section 1 of this Act.*

- (1) Effective July 1, 1990, upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) for the County Employees Retirement System and one and ninety-seven hundredths percent (1.97%) for the Kentucky Employees Retirement System of final compensation multiplied by the number of years of service credit, except that:
 - (a) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of

- January 6, 1978, shall not be less than two hundred forty dollars (\$240) multiplied by the number of years of service as a member of the General Assembly;
- (b) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;
 - (c) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars (\$240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the system, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;
 - (d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars (\$512); and
 - (e) The annual retirement allowance for a member of the Kentucky employees retirement system or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.
- (2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.
 - (b) There shall be no reduction in the retirement allowance of the member who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service but a member of the Kentucky Employees Retirement System or the County Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, may retire with no reduction in the retirement allowance. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education or the Higher Education Assistance Authority, may count the vested service toward attaining **the necessary** ~~thirty (30)~~ years of service credit **as provided in KRS 61.559(2)(c) and (d)** to qualify for **a(n) unreduced** retirement allowance. The credit from a Kentucky institution of higher education or the Higher Education Assistance Authority shall not be used **toward the minimum fifteen (15) years of current service required by KRS 61.559(2)(c) and (d) or** to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).
 - (c) There shall be no reduction in the retirement allowance of the member who has twenty-six (26) years of service, sixteen (16) of which are current consecutive years of service as a cabinet secretary or administrative head of one (1) of the three (3) branches of government who has retired under the provisions of KRS 61.559(2)(e).
- (3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.
 - (4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in

accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar (\$1) greater or less than the amount of the initial retirement payment.

Section 1. KRS 154A.130 is amended to read as follows:

- (1) All money received by the corporation from the sale of lottery tickets and all other sources shall be deposited into a corporate operating account. The corporation is authorized to use all money in the corporate operating account for the purposes of paying prizes and the necessary expenses of the corporation and dividends to the state. The corporation shall allocate the amount to be paid by the corporation to prize winners. The amount in the corporate operating account which the corporation anticipates will be available for the payment of prizes on an annuity basis, may be invested in direct United States Treasury obligations. These instruments may be in varying maturities with respect to payment of annuities and may be in book-entry form. Monthly, no later than the last business day of the succeeding month, the corporation shall transfer to a lottery trust fund the amount of net revenues which the corporation determines are surplus to its needs. These funds shall be held in trust until 1990 at which time the General Assembly shall determine the manner in which the funds will be allocated and appropriated. The net revenues shall be determined by deducting from gross revenues the payment costs incurred in the operation and administration of the lottery, including the expenses of the corporation and the costs resulting from any contract or contracts entered into for promotional, advertising or operational services or for the purchase or lease of lottery equipment and materials, fixed capital outlays, and the payment of prizes to the holders of winning tickets. After the start-up costs are paid, it is the intent of the Legislature that it shall be the goal of the corporation to transfer each year thirty-five percent (35%) of gross revenues to the general fund for the purposes stated above.
- (2) A Kentucky lottery trust account is established in the State Treasury. Net lottery revenues shall be credited to this restricted account as provided in subsection (1) of this section. Moneys credited to the Kentucky lottery trust account shall be invested by the state in accordance with state investment practices and all earnings from the investments shall accrue to this account. No moneys shall be allotted or expended from this account unless pursuant to an appropriation by the General Assembly, except that moneys as are needed shall be transferred to the general fund pursuant to the provisions of the Acts of the Extraordinary Session of the 1988 General Assembly. Moneys in the Kentucky lottery trust account shall not lapse at the close of the state fiscal year.
- (3) The Auditor of Public Accounts shall be responsible for a financial postaudit of the books and records of the corporation. The postaudit shall be conducted in accordance with generally accepted accounting principles, shall be paid for by the corporation, and shall be completed within ninety (90) days of the close of the corporation's fiscal year. The Auditor of Public Accounts shall contract with an independent, certified public accountant who meets the qualifications existing to do business within the Commonwealth of Kentucky to perform the corporation postaudit. The Auditor of Public Accounts shall remain responsible for the annual postaudit and the corporation shall pay all audit costs. The Auditor of Public Accounts may, at any time, conduct additional audits, including performance audits, of the corporation as he deems necessary or desirable. Contracts shall be entered into for audit services for a period not to exceed five (5) years and the same firm shall not receive two (2) consecutive audit contracts. All audits shall be filed with the Governor, the President of the Senate, and the Speaker of the House of Representatives. The corporation shall reimburse the Auditor of Public Accounts for the reasonable costs of any audits performed by him. The corporation shall cooperate with the Auditor of Public Accounts by giving employees designated by any of them access to facilities of the corporation for the purpose of efficient compliance with their respective responsibilities. With respect to any reimbursement that the corporation is required to pay to any agency, the corporation shall enter into an agreement with that agency under which the corporation shall pay to the agency an amount reasonably anticipated to cover the reimbursable expenses in advance of the expenses being incurred.

- (4) *By no later than December 31 of each year, in an advertisement at least one-fourth (1/4) of a page in size, the Kentucky Lottery Corporation shall publish the following information in every general-circulation daily newspaper published in Kentucky:*

 - (b) *A statement identifying the auditing firm;*
 - (c) *A telephone number which citizens may call to obtain a complete copy of the annual audit report; and*
 - (d) *The name of the president/chief executive officer of the Kentucky Lottery Corporation and a complete list of board members.*

- ~~(4)~~(3) The Department of Local Government shall by administrative regulation prescribe the format of the uniform financial information report. Regardless of any agreement between the Department of Local Government and the United States Bureau of the Census, the department shall maintain responsibility for assuring that a uniform financial information report is distributed to each local government as soon as practicable after the close of each fiscal year, but in no event later than one hundred twenty (120) days prior to the required submission date of May 1.

(5){(4)} The Department of Local Government shall use the uniform financial information report to replace as many financial information forms as possible that local governments are currently required to complete and submit to the department for use by either the state or federal governments, by consolidating the required information into the uniform report.

Section 2. KRS 65.920 is amended to read as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 39 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

A reparation obligor may request or negotiate a reduction or modification of charges from a provider of services to a secured person. In no event shall a provider of services which agrees to a reduction or modification of the charges bill the secured person for the amount of the reduction or modification. Nothing in this section is intended to prohibit a provider of services from billing charges to a secured party if the charges are not paid by a reparation obligor because the reparation benefits have been exhausted.

Section 2. KRS 304.39-210 is amended to read as follows:

- (1) Basic and added reparation benefits are payable monthly as loss accrues. Loss accrues not when injury occurs, but as work loss, replacement services loss, or medical expense is incurred. Benefits are overdue if not paid within thirty (30) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, unless the reparation obligor elects to accumulate claims for periods not exceeding thirty-one (31) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, and pays them within fifteen (15) days after the period of accumulation. ***Notwithstanding any provision of this chapter to the contrary, benefits are not overdue if a reparation obligor has not made payment to a provider of services due to the request of a secured person when the secured person is directing the payment of benefits among the different elements of loss.*** If reasonable proof is supplied as to only part of a claim, and the part totals one hundred dollars (\$100) or more, the part is overdue if not paid within the time provided by this section. Medical expense benefits may be paid by the reparation obligor directly to persons supplying products, services, or accommodations to the claimant, ***if the claimant so designates.***

- (2) Overdue payments bear interest at the rate of twelve percent (12%) per annum, except that if delay was without reasonable foundation the rate of interest shall be eighteen percent (18%) per annum.
- (3) A claim for basic or added reparation benefits shall be paid without deduction for the benefits which are to be subtracted pursuant to the provisions on calculation of net loss if these benefits have not been paid to the claimant before the reparation benefits are overdue or the claim is paid. The reparation obligor is entitled to reimbursement from the person obligated to make the payments or from the claimant who actually receives the payments.
- (4) A reparation obligor may bring an action to recover benefits which are not payable, but are in fact paid, because of an intentional misrepresentation of a material fact, upon which the reparation obligor relies, by the insured or by a person providing an item of medical expense. The action may be brought only against the person providing the item of medical expense, unless the insured has intentionally misrepresented the facts or knows of the misrepresentation. An insurer may offset amounts he is entitled to recover from the insured under this subsection against any basic or added reparation benefits otherwise due.
- (5) A reparation obligor who rejects a claim for basic reparation benefits shall give to the claimant prompt written notice of the rejection, specifying the reason. If a claim is rejected for a reason other than that the person is not entitled to the basic reparation benefits claimed, the written notice shall inform the claimant that he may file his claim with the assigned claims bureau and shall give the name and address of the bureau.

SECTION 3. A NEW SECTION OF SUBTITLE 39 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

An insured may direct the payment of benefits among the different elements of loss, if the direction is provided in writing to the reparation obligor. A reparation obligor shall honor the written direction of benefits provided by an insured on a prospective basis.

Section 4. The following KRS section is repealed:

304.39-240 Assignment of benefits.

CHAPTER 209

(HB 568)

AN ACT relating to property tax, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.220 is amended to read as follows:

- (1) Deposits belonging to a resident of Kentucky in any financial institution, as defined in KRS 136.500, and unmanufactured tobacco insofar as it is subject to taxation by KRS 132.190 and 132.200, shall be listed, assessed, and valued as of January 1 of each year. Money in hand shall be listed, assessed, and valued as of January 1 of each year. Shares of stock, notes, bonds, accounts, and other credits, whether secured by mortgage, pledge, or otherwise, or unsecured, and all interest in the property, unless otherwise provided by law, shall be listed, assessed, and valued as of the beginning of business on January 1 of each year. All other

taxable property and all interest in other taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1 of each year. It shall be the duty of all persons owning or having any interest in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located, between January 1 and March 1 in each year, except as otherwise provided by law. It shall be the duty of all persons owning or having any interest in any intangible personal property or tangible personal property taxable in this state to list or have listed the property with the property valuation administrator of the county of taxable situs or with the cabinet between January 1 and May 15 in each year, except as otherwise prescribed by law. The filing date for an individual's intangible property tax return may be extended to the extended federal income filing date approved by the Internal Revenue Service for that individual. If an individual extends the filing date for the intangible return, no discount shall be allowed upon the payment of the intangible tax. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

- (2) Any taxpayer may list his property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the cabinet, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.
- (3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The property valuation administrator, his employee, or employees of the cabinet may physically inspect and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.
- (4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.
- (5) Real property tax roll entries for which tax bills have not been collected ***at the expiration of the one (1) year tolling period provided for in Section 13 of this Act*** ~~for more than one (1) year~~, and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted ***from the tax roll and the assessment shall be exonerated***. The property valuation administrator shall keep a record ***of these exonerations***, which shall be open under the provisions of KRS 61.870 to 61.884 ~~of these entries~~. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. ***Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.***
- (6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the cabinet within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the cabinet. The cabinet shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.
- (7) Each property valuation administrator, under the direction of the cabinet, shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not

exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 2. KRS 133.220 is amended to read as follows:

- (1) The Revenue Cabinet annually shall furnish to each county clerk tax bill forms designed for adequate accounting control sufficient to cover the taxable property on the rolls.
- (2) After receiving the forms, the county clerk shall prepare for the use of the sheriff or collector a correct tax bill for each taxpayer in the county whose property has been assessed and whose valuation is included in the certification provided in KRS 133.180. If the bills are bound, the cost of binding shall be paid out of the county levy. Each tax bill shall show the rate of tax upon each one hundred dollars (\$100) worth of property for state, county, and school purposes; the name of the taxpayer and his mailing address; the number of acres of farm land and its value; the number of lots and their value; the amount and value of notes and money; the value of mixed personal property; ~~the county poll; the school poll; the school tax;~~ and the total amount of taxes due the state, county, school fund, and other levies. Provision shall be made for the sheriff to have a stub, duplicate, or other proper evidence of receipt of payment of each tax bill.
- (3) Tax bills prepared in accordance with the certification of the Revenue Cabinet shall be delivered to the sheriff or collector by the county clerk before September 15 of each year. The clerk shall take a receipt showing the number of tax bills and the total amount of tax due each taxing district as shown upon the tax bills. The receipt shall be signed and acknowledged by the sheriff or collector before the county clerk, filed with the county judge/executive, and recorded in the order book of the county judge/executive in the manner required by law for recording the official bond of the sheriff.
- (4) Upon delivery to him of the tax bills, the sheriff or collector shall mail a notice to each taxpayer, showing the total amount of taxes due the state, county, school fund, and other levies, the date on which the taxes are due, and any discount to which the taxpayer may be entitled upon payment of the taxes prior to a designated date.
- (5) ***All notices returned as undeliverable shall be submitted no later than the following work day to the property valuation administrator. The property valuation administrator shall correct inadequate or erroneous addresses if the information to do so is available and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the corrected notices to the sheriff or collector on a daily basis as corrections are made, but no later than fifteen (15) days after receipt. Uncorrected notices shall be submitted to the cabinet by the property valuation administrator.***

Section 3. KRS 134.020 is amended to read as follows:

- (1) All state, county, and district taxes, except as otherwise provided by law, shall be due and payable on September 15 following the assessment; except that all taxes in any year on unmanufactured tobacco, money in hand, or money on deposit outside this state, shall be due and payable on the second succeeding September 15 following the assessment, unless otherwise provided by law.
- (2) Any taxpayer who pays his state, county, or district taxes by November 1 after they become due in any year shall be entitled to two percent (2%) discount thereon, and the sheriff shall allow the discount and give a receipt in full to the taxpayer. The sheriff may, at any time after the taxes mentioned in this section become due, receive less than the face amount of the tax bill as a credit on the amount due, including the amount of any penalties then due; and every payment shall be credited upon the tax bill or upon sheets annexed thereto for that purpose, and acknowledged in writing or by a rubber stamp, indicating the amount so paid to the sheriff. ***The sheriff or any authorized collector of property taxes may accept payment of taxes due by any commercially acceptable means, including credit cards.***
- (3) All state, county, and district taxes, except as otherwise provided by law, shall become delinquent on January 1 following their due date.
- (4) Any taxes which are not paid by the date when they become delinquent shall be subject to a penalty of ten percent (10%) on the taxes due and unpaid; except that taxes which became delinquent on January 1 shall be subject to a penalty of only ~~five (5%)~~ ~~two (2%)~~ percent (5%) on the taxes due and unpaid, if paid on or before the last day of January. The sheriff shall collect the penalty and account for it as he is required to collect and account for taxes.
- (5) When the tax collection schedule is delayed, through no fault of the taxpayers, the Revenue Cabinet may institute a revised collection schedule. The revised collection dates shall allow a two percent (2%) discount for all payments made within thirty (30) calendar days of the date the tax bills were mailed. Upon expiration of the

time period to pay the tax bill with a discount, the face amount of the tax bill shall be due during the next thirty (30) days. If the time period to pay the face amount has lapsed, a ~~five~~^{two} percent (5%)(2%) penalty shall be added to the tax bill for payments made during the next thirty (30) day period. Upon expiration of this time period, a ten percent (10%) penalty shall be added to all tax bills paid thereafter.

- (6) *If, upon expiration of the five percent (5%) penalty period, the real property tax delinquencies of the sheriff exceed fifteen percent (15%), the sheriff shall be required to make additional reasonable collection efforts. If the sheriff fails to initiate additional reasonable collection efforts within fifteen (15) business days following the expiration of the five percent (5%) penalty period, the secretary of the cabinet may act in the name of and on behalf of the cities, counties, schools, and other taxing districts to collect the delinquent taxes. In the performance of any tax collection duties undertaken by the cabinet, the cabinet shall have all the powers, rights, and authority for the collection of taxes established in Chapters 131, 132, 133, and 134 of the Kentucky Revised Statutes. If the cabinet assumes collection duties, all fees and commissions which the sheriff would have been entitled to receive from the taxing districts after the expiration of the five percent (5%) penalty period shall be paid to the cabinet for deposit in the delinquent tax fund as provided in KRS 134.400.*

Section 4. KRS 134.310 is amended to read as follows:

- (1) The sheriff shall annually settle his accounts for county and district taxes with the fiscal court ~~after~~^{before} making settlement with the Revenue Cabinet. ~~At the regular October term each year,~~ The fiscal court shall appoint some competent person other than the Commonwealth's or county attorney to settle the accounts of the sheriff for money due the county or district. *The cabinet, at the request of the fiscal court or any school district, may conduct the local settlement. If no local settlement has been initiated by July 1 of any year, the cabinet may initiate the local settlement on behalf of the local district. Upon completion of the local settlement, the cabinet may receive reasonable reimbursement for expenses incurred.* The report of *the state and local*~~this~~ settlement shall be filed in the county clerk's office and approved by the county judge/executive *no later than September 1 of each year.* The settlement shall show the amount of ad valorem tax collected, and an itemized statement of the money disbursed.
- (2) The settlement shall be published pursuant to KRS Chapter 424. The report of the settlement shall be subject to objections by the sheriff or by the county attorney, who shall represent the state and county, and the county judge/executive shall determine the objections. *Objections shall be submitted to the county judge/executive within fifteen (15) days of the filing of the settlement in the clerk's office. If no objections are submitted, the settlement will become final.*
- (3) *If the county judge/executive denies the objections, the sheriff*~~Either party~~ may institute an action in Circuit Court *within fifteen (15) days of receipt of the denial for review of*~~to correct~~ the settlement *and objections. Upon review, the Circuit Court shall issue its determination and the settlement shall become final. The final settlement shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810.*~~The settlement, when approved, shall be recorded in the county clerk's office.~~
- (4) On the final settlement, the sheriff shall pay to the county treasurer all money that remains in his hands, and take receipts as provided in KRS 134.300, *and shall pay any additional amounts charged against him as a result of the settlements. If the sheriff fails to remit amounts charged against him the cabinet may issue bills for the subsequent year and may assume all collection duties in the name of and on behalf of the cities, counties, school districts, and other taxing districts to collect the taxes. In the performance of any tax collection duties undertaken by the cabinet, the cabinet shall have all the powers, rights, and authority for the collection of taxes established in Chapters 131, 132, 133, and 134 of the Kentucky Revised Statutes. The fees and commissions which the sheriff would have been entitled to receive from the taxing districts shall be paid to the cabinet.*
- (5) In counties containing a population of less than seventy thousand (70,000), the sheriff shall file annually with his final settlement:
- (a) A complete statement of all funds received by his office for official services, showing separately the total income received by his office for services rendered, exclusive of his commissions for collecting taxes, and the total funds received as commissions for collecting state, county, and school taxes; and
 - (b) A complete statement of all expenditures of his office, including his salary, compensation of deputies and assistants, and reasonable expenses.

- (6) At the time he files the statements required by subsection (5) of this section, the sheriff shall pay to the fiscal court any fees, commissions, and other income of his office, including income from investments, which exceed the sum of his maximum salary as permitted by the Constitution and other reasonable expenses, including compensation of deputies and assistants. The settlement for excess fees and commissions and other income shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810, and the provisions of this subsection shall not be construed to amend KRS 64.820 or 64.830.

Section 5. KRS 134.325 is amended to read as follows:

Each sheriff shall *conduct the sale of delinquent tax bills required by Section 10 of this Act and* make his *records available for* settlement with the Revenue Cabinet for all taxes collected for the Commonwealth before *April 30*~~August 1~~ of each year during his term of office. In the event that any sheriff resigns, dies, or otherwise vacates his office, the *books and records*~~settlement~~ shall be made *available* within thirty (30) days from the date that the office is vacated. Any sheriff who *fails*~~shall fail~~ to make the settlement *books and records available or fails to remit any amounts which are due to the taxing districts* as required by law shall be subject to indictment in the county of his residence and fined not less than *five*~~one~~ hundred dollars *(\$500)*~~(\$100)~~ nor more than five *thousand*~~hundred~~ dollars *(\$5,000)*~~(\$500)~~.

- (1) No tax bill or tax book shall be delivered to the sheriff *during*~~after July 31 of~~ the second or any subsequent calendar year of the sheriff's regular term until he exhibits a quietus from the Revenue Cabinet and from the fiscal court of his county for the preceding tax period and his revenue bond, *if bonding is required by the fiscal court*, for the next tax year.
- (2) If the tax records of a county are destroyed by fire, lost, stolen, or mutilated so as to require reassessment of the property in the county or a recertification of the tax bills, the sheriff shall have five (5) months from the time he receives the recertified tax bills within which to make settlement with the cabinet and the fiscal court, and to receive his quietus from the cabinet and the fiscal court.

Section 7. KRS 134.360 is amended to read as follows:

In making his settlements with the fiscal court and the Revenue Cabinet, the sheriff *shall*~~may~~ file a list of uncollectible delinquent taxes, ~~whereupon the fiscal court and the secretary of revenue or his properly designated agent shall administer to the sheriff and his deputies the following oath: "You do swear that this list of insolvents and delinquents returned by you is just and true, as you believe according to the knowledge which you have, and that you have been to the residence (if in the county) of the person from whom the tax is due, and that you cannot find any property liable to sale for taxes, and that you will true answers make to all questions asked you touching said lists and the efforts made by you to collect the amount thereof." The fiscal court and the secretary of revenue shall then examine the sheriff to ascertain the facts, and upon his answers and other evidence, and their own knowledge, shall allow such portions of the list as may be correct,~~ which~~, being certified as allowed,~~ shall entitle the sheriff to a credit in his official settlement. The sheriff shall also be allowed credit in his official settlement for the tax bills on which certificates of delinquency have properly been issued to the state, county, and taxing districts.

Section 8. KRS 134.380 is amended to read as follows:

- (1) ~~[If the real property tax delinquency rate as certified by the cabinet for any county exceeds five percent (5%) in any tax year effective after December 31, 1990,]~~The secretary ~~shall investigate the reasons for the delinquency and~~ may act in the name of and in behalf of the state and in the name of and in behalf of any and all counties, school, and other taxing districts in the state~~, except cities,~~ to institute and prosecute any action or proceeding for the collection of delinquent taxes and the assessment of omitted property ~~for the tax year with the excessive delinquency rate and for any previous tax year~~. If the cabinet assumes the duties of collecting the delinquent taxes assessed under the authority of KRS Chapter 132, it shall have all the powers, rights, duties, and authority conferred generally upon the cabinet by the Kentucky Revised Statutes, including, but not limited to, Chapters 131, 134, and 135.
- (2) Field agents, accountants, and attorneys of the cabinet shall prosecute all actions and proceedings under the direction of the secretary. Field agents, accountants, attorneys, and all other employees of the cabinet engaged in the prosecution of the actions shall not be hired by personal service contract. The secretary shall prosecute diligently, or cause to be prosecuted by field agents, accountants, and attorneys employed by him, the collection of all delinquent taxes due the state.

- (3) Nothing contained in this chapter shall prevent the secretary of revenue from assessing any property in accordance with the provisions of KRS 136.020, 136.030, or 136.050, or KRS 136.120 to 136.180.
- (4) The cabinet may require *the use of* any reports, *forms, or databases* necessary to administer the law in connection with the collection of delinquent taxes~~[, and may promulgate regulations as to how the tax bills, certificates of delinquency, and other forms shall be filed and recorded].~~ The cabinet shall require an index to be kept of all certificates of delinquency.

Section 9. KRS 134.420 is amended to read as follows:

- (1) The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for *ten (10)*~~five (5)~~ years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees, commissions, charges, and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.
- (2) If any person liable to pay any tax administered by the Revenue Cabinet, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.
- (3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the secretary of the Revenue Cabinet, or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.
- (4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the secretary of the Revenue Cabinet or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the Revenue Cabinet shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.
- (5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:
 - (a) Is in property which:
 1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and
 2. Is covered by the terms of a written agreement entered into before tax lien filing; and
 - (b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 10. KRS 134.430 is amended to read as follows:

- (1) All personal property owned by a delinquent taxpayer shall be subject to distraint, and all property owned by him shall be subject to levy and sale by the proper collecting officer at any time from February 1 after the tax claim becomes delinquent until the tax claim is barred by limitations, unless otherwise provided by law.
- (2) When any taxpayer becomes delinquent in the payment of a tax bill covering any property assessed by the property valuation administrator, the county board of assessment appeals, the cabinet, or any omitted property irrespective of by whom assessed, the sheriff ~~may~~~~[shall first]~~ distraint a sufficient quantity of the delinquent's personal property in the county to pay the tax claim, and a necessary part of this property shall be sold as under execution for cash.~~[For failure to first distraint and sell personal property, the sheriff shall be liable for the tax claim represented by the tax bill, but receipt of a quietus for the tax bill shall preclude liability.]~~ Neglect on the part of the sheriff to ~~[first]~~ distraint and sell personal property shall not affect the validity of the sale of the tax claim, or the lien or the rights of any purchaser. If personal property sufficient to satisfy the tax claim cannot be found in the county, the sheriff ~~may~~~~[shall]~~ sell so much of the personal property as is found and enter proper credit on the tax bill.
- (3) *As compensation for services, the sheriff shall be entitled to an additional ten percent (10%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty, for all delinquent taxes collected from the time the ten percent (10%) penalty becomes applicable through the sale of the tax claims. This fee shall be added to the total amount due and paid by the person paying the delinquent tax bill.*
- (4) If no personal property is found, or the amount found is insufficient,~~[a notation to that effect shall be entered on the tax bill.]~~ the sheriff shall, **no later than the first full week in April**~~[after entering this notation on the tax bill]~~, advertise~~[and offer]~~ for sale the tax claims of the state, county, and other taxing districts, if there is any real property subject to the lien provided in subsection (1) of KRS 134.420. **The sheriff shall receive offers for the purchase of tax claims up to fifteen (15) business days following the date of the initial advertisement or no later than April 30, or the last business day prior to April 30, if April 30 falls on a weekend or holiday.**
- ~~(5)~~~~(4)~~ No sheriff shall knowingly sell a tax claim on the same tract of land more than once for the same tax.

Section 11. KRS 134.440 is amended to read as follows:

- (1) The advertisement of sale of tax claims shall be published pursuant to KRS Chapter 424. The advertisement may in addition consist of the posting of printed notices containing the same information in three (3) or more conspicuous places in the county, fifteen (15) days before the sale. The sheriff shall place a copy of the advertisement at the courthouse door in a conspicuous place at least fifteen (15) days before the sale. The sale shall be at the courthouse door. The sheriff shall, not less than twelve (12) days before the sale, mail to the delinquent taxpayer's place of residence or business, if it can be ascertained, a notice of the time and place of sale. Failure to send the notice shall have no effect on the validity of the sale.
- (2) As compensation for his services, the sheriff shall receive **five dollars (\$5)**~~[one dollar (\$1)]~~ for each tax claim advertised. ~~The~~~~[He shall, in addition, when a certificate of delinquency filed with the county clerk is paid, be entitled to six percent (6%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty. Both]~~ fees shall be added to the amount of the tax claim as a part of the certificate of delinquency and paid by the person who pays the tax claim, and ~~[they]~~ shall not be paid by the state, county, or taxing district. Any **additional** expenses incurred that must be paid before the sale of a tax claim or the settlement of an action by the state, county, or taxing district shall be paid by the county, and this sum shall be a preferred claim of the county on any proceeds eventually recovered.

Section 12. KRS 134.450 is amended to read as follows:

- (1) **The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims**~~[Any tax claim offered for sale as prescribed in KRS 134.430 and 134.440 shall be sold to any person for cash]~~. If there is more than one (1) willing purchaser **who has made an offer**~~[at the sale]~~, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person,~~[the sale shall be made to]~~ the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim **shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars (\$200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase**

and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

- (2) If no responsible ~~offer~~~~bid~~ in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.
- (3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

Section 13. KRS 134.470 is amended to read as follows:

An uncollectible tax bill or a certificate of delinquency shall embrace the entire tax claim, including the lien provided in subsection (1) of KRS 134.420, and shall continue to be a personal obligation of the delinquent taxpayer. Any property while owned by him shall be subject to foreclosure or execution in satisfaction of a judgment pursuant to an action in rem or an action in personam, or both, to enforce the obligation, and shall also be subject to distraint or levy as provided in subsection (1) of KRS 134.430, but no action may be brought to enforce a certificate of delinquency until one (1) year after the issuance thereof, and the action shall be instituted within *ten (10)*~~five (5)~~ years after the expiration of that one (1) year period. During the one (1) year period the statute of limitations shall be suspended in all respects and shall be continued in all respects for *ten (10)*~~five (5)~~ years thereafter. If the owner of a certificate of delinquency proceeds to enforce satisfaction of the certificate, he may include all other certificates held by him against the same delinquent taxpayer; but insofar as the proceedings may undertake to effect a lien foreclosure, they shall be governed by the time applicable to the particular property subject to the lien, if that property is no longer owned by the delinquent.

Section 14. KRS 134.480 is amended to read as follows:

- (1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district the certified copy of the certificate shall be surrendered to the person making payment, and if he is the person primarily liable on the certificate he may, by exhibiting it to the county clerk, have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the Revenue Cabinet may require. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents (\$0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents (\$0.50) to the clerk for entering such change on the certificate.

- (2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the Revenue Cabinet, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. ***The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards.*** He shall pay to the Revenue Cabinet for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ~~ten~~^{five} percent (10%)~~(5%)~~ of the amount due each taxing unit for his services ***as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.***
- (3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents (\$0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.
- (4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.
- (5) Copies of the records provided for in KRS 134.450 and 134.480, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 15. KRS 134.490 is amended to read as follows:

- (1) ***Within fifty (50) days after the issuance of a certificate of delinquency to a private purchaser, the private purchaser shall give the same notice as required of a county attorney in subsection (2) of Section 16 of this Act. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if the certificate is not paid, it will be subject to collection as provided by law.***
- (2) If a private person is the owner of a certificate of delinquency, he may, after the expiration of the one (1) year period provided in KRS 134.470:

 - (b) Institute an action to enforce the lien provided in subsection (1) of KRS 134.420, represented by the certificate that is more than one (1) year of age, and those certificates subsequently held by the same owner against the same delinquent or property; or
 - (c) Institute one (1) action including both types of actions mentioned in paragraphs (a) and (b) of this subsection, and the joinder of actions shall not be defeated if the delinquent taxpayer has disposed of any property covered by the lien, but the purchaser of the property shall be made a defendant if the judgment is to affect his interest in the property, and as between them the delinquent taxpayer shall be responsible.
- ~~(3)~~⁽²⁾ If the state, county, or a taxing district is the owner of a certificate of delinquency, it shall have, after the expiration of the one (1) year period provided in KRS 134.470, in addition to the remedies mentioned in subsection ~~(2)~~⁽¹⁾ of this section, the right to distraint and sell any property owned by the delinquent, including that on which the lien provided in subsection (1) of KRS 134.420 has attached. Any property sold under distraint proceedings shall be sold in the same manner as provided in KRS 134.430 and 134.440, except that the exercise of the power shall be vested in the county attorney.~~[-The county attorney may designate the property subject to distraint and require the sheriff to take custody if he deems custody of the property necessary. If the sheriff fails to perform this duty, he shall not be entitled to his six percent (6%) fee provided in KRS 134.440.]~~
- ~~(4)~~⁽³⁾ If property is sold pursuant to a judgment of foreclosure, it shall be appraised pursuant to the provisions of KRS 426.520 and there shall be a right of redemption as provided in KRS 426.530. If there is no purchaser at a foreclosure sale, the master commissioner shall make a deed to the person or persons shown by record to

be the owner of the certificate or certificates of delinquency, and they shall have a pro rata interest in accordance with the amount of their respective certificates.

Section 16. KRS 134.500 is amended to read as follows:

- (1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum from the date the ***certificate of delinquency is issued***~~[sheriff makes settlement with the cabinet and receives credit therefor]~~. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, ***unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner***. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
 - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
 - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
 - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent.  - (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. ***The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the Property Valuation Administration. They shall not be paid by the taxing districts or deducted from the taxes due the***

taxing districts. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the ~~fee~~ ~~commission on the amount collected for each taxing unit~~. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which *is litigated by the taxpayer* ~~results in contested litigation~~, an additional county's attorney fee equal to thirteen percent (13%) of the total tax **plus ten percent (10%) penalty** ~~interest, and penalties due~~ may be added to the certificate or the bill and shall become part of the tax claim.

~~(5)~~~~(4)~~ If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) ***The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney.  - (z) ***Regulation of establishments or commercial enterprises offering adult entertainment and adult entertainment activities.***
- (4) The county judge/executive is hereby authorized and empowered to exercise all of the executive powers pursuant to this section.
- (5) A county acting under authority of this section may assume, own, possess and control assets, rights and liabilities related to the functions and services of the county.
- (6) If a county is authorized to regulate an area which the state also regulates, the county government may regulate the area only by enacting ordinances which are consistent with state law or administrative regulation:
- (a) If the state statute or administrative regulation prescribes a single standard of conduct, a county ordinance is consistent if it is identical to the state statute or administrative regulation;
 - (b) If the state statute or administrative regulation prescribes a minimal standard of conduct, a county ordinance is consistent if it establishes a standard which is the same as or more stringent than the state standard;
 - (c) A county government may adopt ordinances which incorporate by reference state statutes and administrative regulations in areas in which a county government is authorized to act.
- (7) County ordinances which prescribe penalties for their violation shall be enforced throughout the entire area of the county unless:

When counties cooperate in the provision of public services, contracts shall be drawn to insure that benefits among the participating governments are relative to costs among them. If the personnel or equipment of one (1) government is provided for a second government, the second government shall fully compensate the first through the reciprocal provision of services or through monetary compensation.

- (b) A permissive procedure authorized by this section shall not be deemed to be exclusive or to prohibit the exercise of other existing laws and laws which may hereafter be enacted but shall be an alternative or supplement thereto.
- (9) Any agency of county government exercising authority pursuant to subsection (3)(y) of this section shall, prior to exercising such authority, obtain the voluntary written consent of the owner of the structure. Consent may be obtained only after advising the owner in writing of any advantages and disadvantages to the owner which are likely to result from the exercise of such authority.

Section 2. Whereas recent judicial decisions have misinterpreted the General Assembly's grant of home rule authority, which already permits counties to regulate establishments or commercial enterprises offering adult entertainment and adult entertainment activities, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

 - (c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and such policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to such anniversary date, and such cancellation shall not be subject to any other provisions of this section; and
 - (d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

- 1. Nonpayment of premium; or
 - 2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

 - (b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by administrative regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars (\$50) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen, or reopen a well for any purpose relating to the production, repressuring, or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by administrative regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the Underground Injection Control Program less any other state or federal funds which are made available for this purpose.
 - (c) All money paid to the State Treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the Underground Injection Control Program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).
- (3) All money paid to the State Treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the General Assembly for the use of the department.
- (4) Each application shall be accompanied by a plat, which shows the location and elevation of each well, prepared according to the administrative regulations promulgated under KRS 353.500 to 353.720. The department may further require that all future plats submitted by the applicant be prepared either by a person approved by the director or an engineer registered in Kentucky.]~~

- (5) When any person submits to the Department of Mines and Minerals an application for a permit to drill a well, or to reopen, deepen, or temporarily abandon any well which is not covered by surety bond, the department shall except as provided in this section, require from the well operator a bond in the sum of five hundred dollars (\$500) for a well to be drilled to a depth of five hundred feet (500') or less; one thousand dollars (\$1,000) for a well to be drilled to a depth between five hundred and one foot (501') and one thousand feet (1,000'); one thousand five hundred dollars (\$1,500) for a well to be drilled to a depth between one thousand and one foot (1,001') and one thousand five hundred feet (1,500'); two thousand dollars (\$2,000) for a well to be drilled to a depth between one thousand five hundred and one foot (1,501') and two thousand feet (2,000'); two thousand five hundred dollars (\$2,500) for a well to be drilled to a depth between two thousand and one foot (2,001') and two thousand five hundred feet (2,500'); three thousand dollars (\$3,000) for a well to be drilled to a depth between two thousand five hundred and one foot (2,501') and three thousand feet (3,000'); three thousand five hundred dollars (\$3,500) for a well to be drilled to a depth between three thousand and one foot (3,001') and three thousand five hundred feet (3,500'); four thousand dollars (\$4,000) for a well to be drilled to a depth between three thousand five hundred and one foot (3,501') and four thousand feet (4,000'); and five thousand dollars (\$5,000) for a well to be drilled to a depth of more than four thousand feet (4,000'). The bonds shall be made in favor of the Department of Mines and Minerals, conditioned that the wells upon abandonment shall be plugged in accordance with the administrative regulations of the department and that all records required by the department be filed as specified. An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well, and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized except pursuant to administrative regulations promulgated by the department. The commission may establish a bond in a sum greater than five thousand dollars (\$5,000) for any well to be drilled to a depth of more than four thousand feet (4,000') if the members of the commission determine that the particular circumstances of the drilling of the well warrant an increase in the bond amount established above. All bonds shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of the bond may file with the department a blanket bond in a sum of ten thousand dollars (\$10,000), covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of the blanket bond shall be in full compliance with the above provision requiring an individual well bond. A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds, and a property bond may be executed by an operator who owns all of the surface and mineral rights of a tract proposed for drilling. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may also be accepted by the department. If an operator is required to post individual well bonds exceeding a total of five thousand dollars (\$5,000) or elects to post a blanket bond, the certificate of deposit shall be accepted by the department in lieu of that portion of the amount of the bonds exceeding five thousand dollars (\$5,000). The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond, by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (9) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on July 13, 1990, shall likewise be deposited in the interest-bearing account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund. The bond amounts shall be applicable only to permits issued upon and after July 13, 1990. All bonds posted for permits issued prior to July 13, 1990, shall remain in full force and effect for the duration of the permits.
- (6) A successor to the well operator shall post bond and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.
- (7) If the requirements of subsection (5) of this section with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set

by the department, *by administrative regulation*, or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the administrative regulations ~~or orders~~ of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall be forfeited to the department.

- (8) A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director.
- (9) All sums received *under subsection (5) of this section or* through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, which shall be an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.
- (10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of the hole confidential until the information is allowed to be released by the person obtaining the permit.
- (11) For the purpose of this chapter, "water supply well" shall not include:
 - (a) Any well for a potable water supply for domestic use or for livestock; or
 - (b) Any water well used primarily for cooling purposes in an industrial process.

- (b) No ticket shall knowingly be sold to any person under the age of eighteen (18), but this section does not prohibit the purchase of a ticket by a person eighteen (18) years of age or older for the purpose of making a gift to any person of any age.  - (d) No particular prize in any lottery game shall be paid more than once, and in the event of a binding determination that more than one claimant is entitled to a particular prize, the sole remedy of such claimants is the award to each of them of an equal share in the prize.
 - (e) A holder of a winning cash ticket from a Kentucky lottery game shall claim a prize within three hundred sixty five (365) days (for a ticket issued before January 1, 1995), and within one hundred eighty (180) days (for a ticket issued on or after January 1, 1995), or for a multistate lottery game within one hundred eighty (180) days, after the drawing in which the prize was won. (HB 498)

AN ACT relating to forfeited mining reclamation bonds.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.131 is amended to read as follows:

- (1) When a bond for an interim or preinterim program permit was forfeited prior to July 15, 1988, by the cabinet, and the entire forfeited amount is not necessary to establish proper drainage and revegetation on the permit area for which it was submitted, the cabinet may use any remaining funds to supplement reclamation of other forfeited or released permit areas, if the other permit areas endanger public health and safety.
- (2) When the bond for an interim or permanent program permit is forfeited by the cabinet, and the entire forfeited amount is more than the amount necessary to complete reclamation, the unused funds *less any interest that has*

accrued shall be returned to the party from whom they were collected, subject to the cabinet's right to attach or set off the proceeds under other state laws.

- (3) Notwithstanding any other provisions of this chapter or the provisions of KRS Chapter 45A, when the bond, other than a surety bond or bond secured by a letter of credit, for an interim or permanent program permit is forfeited and collected by the cabinet, and a person subsequently applies for a permit overlapping all or part of the disturbed area of the permit area for which the bond is forfeited, the cabinet may negotiate and enter into a contract with the applicant to reclaim the disturbed area overlapped in exchange for all or part of the forfeited bond funds held by the cabinet, if requested by the applicant. If the applicant proposes to overlap only a part of the disturbed area the cabinet may enter into a contract with the applicant to reclaim the overlapped part of the disturbed area if the cabinet has retained a portion of the forfeited bond that is sufficient for the cabinet to reclaim the part of the disturbed area that is not overlapped. Any applicant under this subsection shall not be eligible for the benefits available under this subsection if the applicant has any ownership or control connection with the permittee or operator with respect to which the bond was forfeited. The amount of forfeited bond funds the cabinet may pay to the applicant shall be determined by the cabinet based upon the estimated cost for the cabinet to reclaim the disturbed area overlapped to the reclamation standards applicable to the original permit, but not to exceed the forfeited bond amount collected and held by the cabinet. Payments under this subsection shall be made only after release of the bond pursuant to KRS 350.093(4)(a) for those areas of the overlapping permit that are covered by the contract. If the applicant obtains a permanent program permit overlapping a forfeited interim permit, any disturbances created in connection with the overlapping permit on areas that were disturbed under the forfeited interim permit may be covered by a contract under this subsection and shall be reclaimed to permanent program standards. Areas where coal is not removed under the overlapping permit and the disturbances are for reclamation of the interim permit only shall be reclaimed to interim program standards. If the applicant obtains a permanent program permit overlapping a forfeited interim permit, any disturbances created in connection with the overlapping permit on areas that were not disturbed under the forfeited interim permit shall not be covered by a contract under this subsection and shall be reclaimed to permanent program standards. Nothing in this subsection shall be construed to exempt a person from the permitting, bonding, and reclamation requirements imposed in this chapter or to infringe upon the right of any surety to reclaim any permit or increment thereof to avoid bond forfeiture.

Section 2. KRS 350.139 is amended to read as follows:

- (1) All prior enactments of this General Assembly to the contrary notwithstanding, all funds received by the Natural Resources and Environmental Protection Cabinet through the payment of fees and civil penalties shall be deposited in the State Treasury to the credit of the general fund **except as provided in subsection (1) of Section 3 of this Act**. All funds from the forfeiture of bonds shall be placed in the State Treasury **in an interest-bearing account** and credited to a special agency account. **The interest shall become a supplemental fund and may be used to supplement forfeited bonds which are inadequate to complete the reclamation plan. Except as provided in subsection (1) of Section 1 of this Act, forfeited bond funds**~~[As far as is practicable, this fund]~~ shall be expended upon the lands for which the bond was given. **The interest may be expended upon lands other than those for which the bond was given. No more than twenty-five percent (25%) of the supplemental fund may be expended upon any single site, unless a larger expenditure is necessary to abate an imminent danger to public health or safety.**
- (2) The State Treasurer shall on or before August 1 of each year transfer thirty-three and one-third percent (33-1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any permit for surface coal mining operations to the fiscal courts of the county in which the permitted operation is located for the general purposes of that fiscal court.

Section 3. KRS 350.990 is amended to read as follows:

- (1) Any permittee, person, or operator who violates any of the provisions of this chapter or **administrative regulations promulgated**~~[adopted]~~ pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order **issued**~~[promulgated]~~ pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars (\$5,000) for the violation, and an additional civil penalty of not more than five thousand dollars (\$5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. Any

person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars (\$5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Office of Legal Services. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars (\$800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and **KRS 350.700 to 350.755 until the fund reaches sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study, after which excess money collected shall be deposited fifty percent (50%) to the bond pool fund and fifty percent (50%) to the supplemental fund established under subsection (1) of Section 2 of this Act, and used for the purposes of that section. If the bond pool fund falls below sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study, all excess moneys shall be deposited in the bond pool fund until that fund reaches sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study.** All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

- (2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars (\$5,000) nor more than twenty-five thousand dollars (\$25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred and fifty dollars (\$750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.
- (3) The cabinet's Office of Legal Services shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination ~~issued~~~~promulgated~~ pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.
- (4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order ~~issued~~~~promulgated~~ pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.

- (5) (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.
- (b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.
- (6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars (\$25,000). Each day of continuing violation shall be deemed a separate violation.
- (7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.
- (8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.
- (9) When a corporate permittee violates any provision of this chapter or administrative regulation ~~promulgated~~^{issued} pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.
- (10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.
- (11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

Because of major changes in the rationale and necessity for emergency management capabilities, as well as the urgent requirement for multi-agency participation and inter-

- (2) The city shall proceed in the same manner and be governed by the same conditions as are set forth in KRS 96.360 to 96.510 for the acquisition and operation of a water system, with the following exceptions:
- (a) A petition calling for an election on the proposition of purchasing an existing plant shall be signed by at least two hundred (200) qualified voters of the city, rather than by twenty-five percent (25%) of the qualified voters of the city who voted at the last preceding regular election.

(SB 253)

AN ACT relating to the designation of coal as the official mineral of Kentucky.

WHEREAS, since the first commercial mine opened in 1820 at McLean Drift Bank in western Kentucky, and since a young mountaineer, John Mayo, rode his horse across the eastern Kentucky mountains opening mines, coal, or "black gold" as he called it, has been the lifeblood for thousands of Kentuckians; and

WHEREAS, coal continues to be mined all across the Commonwealth, from Paradise down by the Green River in Muhlenberg County to Pigeon Roost in Martin County; and

WHEREAS, for the last half-century, Kentucky has led the nation in coal production, which has provided jobs, salaries, and economic wealth to thousands of Kentuckians; and

Whereas, more miners work in Kentucky than any other state, as some 25,000 miners earn their living "digging coal" in the Bluegrass State; and

WHEREAS, Kentucky native recording artists, such as Loretta Lynn and Dwight Yoakam, have recorded many songs, including "Coal Miner's Daughter" and "Coal Miner's Prayer," that connect coal to life in the Commonwealth; and

WHEREAS, carbide lanterns, mule-drawn carts, and coal shovels certainly are as symbolic of Kentucky life as tobacco barns, grazing horses, and bluegrass music, and coal has indeed been a major part of our state's identity, heritage and history;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 2 IS CREATED TO READ AS FOLLOWS:

CHAPTER 231

(HB 168)

AN ACT relating to cellular telecommunications facilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

In addition to the definitions set forth in KRS 100.111, the following definitions shall apply to Sections 1 to 2 of this Act:

- (1) *"Cellular antenna tower" means a tower constructed for, or an existing facility that has been adapted for, the location of transmission or related equipment to be used in the provision of cellular telecommunications services or personal communications services;*
- (2) *"Cellular telecommunications service" means a retail telecommunications service that uses radio signals transmitted through cell sites and mobile switching stations;*
- (3) *"Co-location" means locating two (2) or more transmission antennas or related equipment on the same cellular antenna tower;*
- (4) *"Personal communication service" has the meaning as defined in 47 U.S.C. sec. 332(c);*
- (5) *"Uniform application" means an application for a certificate of convenience and necessity issued under KRS 278.020 submitted by a utility to the Public Service Commission to construct an antenna tower for cellular telecommunications services of personal communications service in a jurisdiction, that has adopted planning and zoning regulations in accordance with KRS Chapter 100, except for any county that contains a city of the first class; and*
- (6) *"Utility" has the meaning as defined in KRS 278.010(3).*

SECTION 2. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

- (1) *A planning unit as defined in KRS 100.111 and legislative body or fiscal court that has adopted planning and zoning regulations, except for a county that contains a city of the first class as provided under KRS 278.650, may plan for and regulate the siting of cellular antenna towers in accordance with locally adopted planning or zoning regulations in KRS Chapter 100 by officially registering with the Public Service Commission. The registration shall be in the form of an official resolution adopted by the local planning commission. Nothing in this section shall require a planning unit and legislative body or fiscal court to plan for and regulate the siting of cellular antenna towers.*
- (2) *Every utility or a company that is engaged in the business of providing the required infrastructure to a utility that proposes to construct an antenna tower for cellular telecommunications services or personal communications services within the jurisdiction of a planning unit that has adopted planning and zoning regulations in accordance with KRS Chapter 100, except for a county that contains a city of the first class as provided under KRS 278.650, and that has officially registered with the Public Service Commission shall:*
 - (a) *Submit a copy of the utility's completed uniform application to the planning commission of the affected planning unit to construct an antenna tower for cellular or personal telecommunications services within five (5) days of applying to the Public Service Commission for a certificate of necessity and convenience as required by KRS 278.020(1). The uniform application shall include a grid map that shows the location of all existing cellular antenna towers and that indicates the general position of proposed construction sites for new cellular antenna towers within an area that includes:*
 1. *All of the planning unit's jurisdiction; and*
 2. *A one-half (1/2) mile area outside of the boundaries of the planning unit's jurisdiction, if that area contains either existing or proposed construction sites for cellular antenna towers;*

- (b) Include in any contract with a owner of property upon which a cellular antenna tower is to be constructed, a provision that specifies, in the case of abandonment, a method that the utility will follow in dismantling and removing a cellular antenna tower including a timetable for removal; and*
 - (c) Comply with any local ordinances concerning land use, subject to the limitations imposed by 47 U.S.C. 332(c), KRS 278.030, 278.040, and 278.280.*
- (3) Commencing from the time that a utility files a uniform application with the Public Service Commission, all information contained in the uniform application and any updates, except for information that specifically identifies the proposed location of the cellular antenna tower then being reviewed by the applying utility, shall be deemed confidential and proprietary within the meaning of KRS 61.878. The Public Service Commission and the local planning commission shall deny any public request for the inspection of this information, whether submitted under Kentucky's Open Records Act or otherwise, except when ordered to release the information by a court of competent jurisdiction. Any person violating this subsection shall be guilty of official misconduct in the second degree as provided under KRS 522.030.*
- (4) After receiving the uniform application to construct a cellular antenna tower, the planning commission shall:*
 - (a) Review the uniform application in light of its agreement with the comprehensive plan and locally adopted zoning regulations;*
 - (b) Make its final decision to approve or disapprove the uniform application; and*
 - (c) Advise the utility and the Public Service Commission in writing of its final decision within sixty (60) days commencing from the date that the uniform application is received by the planning commission or within a date certain specified in a written agreement between the local planning commission and the utility. If the planning commission fails to issue a final decision within sixty (60) days and if there is no written agreement between the local planning commission and the utility to a specific date for the planning commission to issue a decision, it is presumed that the local planning commission has approved the utility's uniform application.*
- (5) (a) If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the planning commission approves the uniform application or the sixty (60) day time period has expired, whichever occurs first. If a planning commission rejects the uniform application to construct an antenna tower, the Public Service Commission may override the decision of the planning commission and issue a certificate of convenience and necessity for construction of the cellular or personal communications services antenna tower, if it determines that there is no acceptable alternate site and that the public convenience and necessity requires the proposed construction.*
 - (b) Any party, other than the applying utility, that is aggrieved by the final action of a planning commission under this section, may intervene in the action to the Public Service Commission, but this appeal shall not automatically postpone action by the Public Service Commission.*
- (6) The planning commission may require the utility to make a reasonable attempt to co-locate additional transmitting or related equipment on any new or existing towers, if there is available space on the tower and the co-location does not interfere with the structural integrity of the tower and does not require the owner of the tower to make substantial alterations to the tower. A planning commission may provide the location of existing cellular antenna towers on which the commission deems the applying utility can successfully co-locate its transmitting and related equipment. If the local planning commission requires the utility to attempt co-location, the utility shall provide the local planning unit with a statement indicating that the utility has:*
 - (a) Successfully attempted to co-locate on towers designed to host multiple wireless service providers' facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities, and that identifies the location of the tower which the applying utility will co-locate its transmission and related facilities on; or*

- (b) *Unsuccessfully attempted to co-locate on towers designed to host multiple wireless service provider's facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities and that:*
1. *Identifies the location of the towers which the applying utility attempted to co-locate on; and*
 2. *Lists the reasons why the co-location was unsuccessful in each instance.*
- (7) *The local planning commission may deny a uniform application to construct a cellular antenna tower based on a utility's unwillingness to attempt to co-locate additional transmitting or related equipment on any new or existing towers.*
- (8) *In the event of co-location, a utility shall be considered the primary user of the tower, if the utility is the owner of the antenna tower and if no other agreement exists that prescribes an alternate arrangement between the parties for use of the tower. Any other entity that co-locates transmission or related facilities on a cellular antenna tower shall do so in a manner that does not impose additional costs or operating restrictions on the primary user.*

Section 3. KRS 100.324 is amended to read as follows:

- (1) All other provisions of this chapter to the contrary notwithstanding, public utilities operating under the jurisdiction of the Public Service Commission, except as specified in *Section 2 of this Act and* subsection (5) of this section, or the Department of Vehicle Regulation or Federal Power Commission, any municipally-owned electric system, and common carriers by rail shall not be required to receive the approval of the planning unit for the location or relocation of any of their service facilities. Service facilities include all facilities of such utilities and common carriers by rail other than office space, garage space, and warehouse space and include office space, garage space, and warehouse space when such space is incidental to a service facility. The Public Service Commission and the Department of Vehicle Regulation shall give notice to the planning commission of any planning unit of any hearing which affects locations or relocations of service facilities within that planning unit's jurisdiction.
- (2) The nonservice facilities excluded in subsection (1) of this section must be in accordance with the zoning regulations.
- (3) Upon the request of the planning commission, the public utilities referred to in this section shall provide the planning commission of the planning unit affected with information concerning service facilities which have been located on and relocated on private property.
- (4) Any proposal for acquisition or disposition of land for public facilities, or changes in the character, location, or extent of structures or land for public facilities, excluding state and federal highways and public utilities and common carriers by rail mentioned in this section, shall be referred to the commission to be reviewed in light of its agreement with the comprehensive plan, and the commission shall, within sixty (60) days from the date of its receipt, review the project and advise the referring body whether the project is in accordance with the comprehensive plan. If it disapproves of the project, it shall state the reasons for disapproval in writing and make suggestions for changes which will, in its opinion, better accomplish the objectives of the comprehensive plan. No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.
- (5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class shall submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally-adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally-adopted zoning regulations. If the planning commission fails to issue a final decision within sixty (60) days, it is presumed to have approved the proposal, and may not later appeal a decision of the Public Service Commission under KRS 278.650(3). If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally-adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the expiration

of the sixty (60) day period or until the planning commission issues its final decision on the utility proposal, whichever occurs first.

SECTION 4. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

The commission shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the minimum content of a uniform application, provided under subsection (5) of Section 1 of this Act, for a certificate of convenience and necessity to construct cellular antenna towers, and the procedures to carry out the commission's responsibilities under Section 2 of this Act.

SECTION 5. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

Commencing from the time that a utility files a uniform application, as defined in subsection (5) of Section 1 of this Act, with the commission, all information contained in the uniform application and any updates, except for information that specifically identifies the proposed location of the cellular antenna tower then being reviewed by the applying utility, shall be deemed confidential and proprietary within the meaning of KRS 61.878. The commission shall deny any public request for the inspection of this information, whether submitted under Kentucky's Open Record Act, KRS 61.872 to 61.874, or otherwise, except when ordered to release the information by a court of competent jurisdiction. Any person violating this subsection shall be guilty of official misconduct in the second degree as provided under KRS 522.030.

Section 6. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act that can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

Section 14. KRS 238.570 is amended to read as follows:

- (1) A fee is imposed on charitable gaming in the amount of **four-tenths** ~~one-half~~ of one percent (**0.4%**) ~~(0.5%)~~ of gross receipts derived from all charitable gaming conducted by charitable organizations required to be licensed in the Commonwealth of Kentucky. Kentucky, there is hereby levied upon the use, sale, rental, lease, or distribution by sale or by gift of charitable gaming supplies and equipment a fee of ten percent (10%) of the value of all supplies and equipment used, sold, rented, leased, or otherwise distributed by a licensed distributor to any licensed charitable organization in the Commonwealth of Kentucky.

- (a) Every distributor of charitable gaming supplies and equipment shall pay and report the fee levied pursuant to this subsection on or before the twentieth day of the calendar month next succeeding the month in which possession of the charitable gaming supplies and equipment is transferred from the distributor to the licensed charitable organization, in accordance with administrative regulations promulgated by the division.
 - (b) The division may require a bond from distributors in accordance with the administrative regulations promulgated by the division.
- (4) If the alternative license fee schedule as provided in subsection (3) of this section is activated due to a final decision of the highest appellate court in the Commonwealth of Kentucky as provided in subsection (3) of this section, the distributor's license fee as provided in KRS 238.530(1) shall become inapplicable.

Section 15. The city shall have the right to use assets in the local pension fund, other than assets necessary to pay benefits to the remaining active members of the local policemen's pension system and to retirees and their survivors as determined by actuarial evaluation, to assist in the payment of the annual installment cost of alternate participation. - ~~(8)(6)~~ The legislative body in a city of the first class may issue the appropriate order, pursuant to KRS 78.530(1), directing participation for firefighters in the County Employees Retirement System. In the event that the legislative body in a city of the first class issues such an order, then all new employees who would have been granted membership in the local firefighters' pension system shall be members of the County Employees Retirement System. The city shall have the right to use assets in the local firefighters' pension fund, other than assets necessary to pay benefits to the remaining active members of the local firefighters' pension system and to retirees and their survivors as determined by actuarial evaluation, to assist in the payment of the annual installment cost of alternate participation. This agreement may include, but is not limited to, specifications of what portion of the required employer contribution shall be borne by the participating employer and what portion shall be borne by the participating employee. This provision in no way modifies the employer's obligation to remit the contributions required by the County Employees Retirement System pursuant to KRS 61.565, whether such contributions are borne by the city or by its participating employees.
- ~~(10)(8)~~ With regard to the employer participation or employer contributions pursuant to KRS 61.565 as it relates to future pension contribution requirements or as it relates to payback period or interest charge for service liability cost under alternate participation, if any statute or any resolution of the appropriate state board of trustees having authority over employer participation or employer contribution grants any terms or conditions to any city of the second through the sixth class, or to any county, or to any urban-county government, which are more favorable in terms of participation than terms or conditions granted to any city of the first class, then said provisions for employer participation or contribution shall be available to the city of the first class, at its option and effective upon adoption by the city of the first class and notification to the County Employees Retirement System.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 116.055 is amended to read as follows:

Before a person shall be qualified to vote in a primary election, he shall possess all the qualifications required of voters in a regular election. In addition, he shall be a registered member of the party in whose primary election he seeks to vote, and shall have been registered as a member of that party *on December 31 immediately preceding the primary*~~at the time of the preceding regular~~ election, or, in the case of new registrations *made after December 31*

immediately preceding the primary election, he shall ~~[not involving a change of political affiliation made after the preceding regular election,]~~ have registered and remained registered as a member of that party. No person shall be allowed to vote for any party candidates or slates of candidates other than that of the party of which he is a registered member. The qualifications shall be determined as of the date of the primary, without regard to the qualifications or disqualifications as they may exist at the succeeding regular election, except that minors *seventeen (17) years of age* who will become eighteen (18) years of age on or before the day of the regular election shall be entitled to vote in the primary if otherwise qualified. However, any registered voter, whether registered as a member of a party or as an independent, shall be qualified to vote in primary elections for candidates listed in all nonpartisan races. Any voter eligible to vote in a primary election shall also be eligible to vote in a subsequent runoff primary if one shall be necessary.

Section 2. KRS 118.315 is amended to read as follows:

- (1) A candidate for any office to be voted for at any regular election may be nominated by a petition of electors qualified to vote for him, complying with the provisions of subsection (2) of this section. No person who is a registered member of a political party shall be eligible to election as an independent candidate, nor shall any person be eligible to election as an independent candidate who was a registered member of a political party *on December 31 immediately preceding the regular election for which the person seeks to be a candidate* ~~[at the time of the last preceding regular election]~~. This restriction shall not apply to candidates to those offices specified in KRS 118.105(5), for supervisor of a soil and water conservation district, for candidates for mayor or legislative body in cities of the second to sixth class, or to candidates participating in nonpartisan elections.
- (2) The form of the petition shall be prescribed by the State Board of Elections. It shall be signed by the candidate and by registered voters from the district or jurisdiction from which the candidate seeks nomination. A petition of nomination for a state officer, or any officer for whom all the electors of the state are entitled to vote, shall contain five thousand (5,000) petitioners; for a representative in Congress from any congressional district, or for any officer from any other district except as herein provided, four hundred (400) petitioners; for a county officer, member of the General Assembly, or Commonwealth's attorney, one hundred (100) petitioners; for a soil and water conservation district supervisor, twenty-five (25) petitioners; for a city officer, two (2) petitioners; and for an officer of a division less than a county, except as herein provided, twenty (20) petitioners. It shall not be necessary that the signatures of the petition be appended to one (1) paper. Each petitioner shall include his residence, Social Security number or date of birth, and post-office address. Failure of a voter to include his Social Security number or date of birth and address shall result in his signature not being counted. If any person joins in nominating, by petition, more than one (1) nominee for any office to be filled, he shall be counted as a petitioner for the candidate whose petition is filed first, except a petitioner for the nomination of candidates for soil and water conservation district supervisors may be counted for every petition to which his signature is affixed.
- (3) Titles, ranks, or spurious phrases shall not be accepted on the filing papers and shall not be printed on the ballots as part of the candidate's name; however, nicknames, initials, and contractions of given names may be accepted as the candidate's name.
- (4) The Secretary of State and county clerks shall examine the petitions of all candidates who file with them to determine whether each petition is regular on its face. If there is an error, the Secretary of State or the county clerk shall notify the candidate by certified mail within twenty-four (24) hours of filing.

Section 3. KRS 117.045 is amended to read as follows:

- (1) The county board of elections shall in the manner prescribed by this section, not later than March 20 each year, *except in a year in which no primary and regular elections are scheduled*, appoint for each precinct in the county two (2) judges, one (1) clerk and one (1) sheriff of election. They shall serve in all elections held in the county during the year, except as provided in KRS Chapter 242. *If a special election is ordered to be held in a year in which no elections are scheduled, the county executive committee of each political party in each county in the territory affected by the special election shall, not later than twenty-eight (28) days preceding the date of the special election, submit a written list of nominees for precinct election officers to serve in the special election in a manner consistent with the provisions of subsection (2) of this section. The county board of elections in each county in the territory affected by the special election shall, not later than twenty-one (21) days preceding the date of the special election, appoint precinct election officers to serve in the special election in a manner consistent with the provisions of subsections (4), (5), and (6) of this section.*

The State Board of Elections shall promulgate an administrative regulation establishing evaluation procedures which county boards of elections may use to qualify persons nominated to serve as precinct election officers.

- (2) The county executive committees of the two (2) political parties having representation on the State Board of Elections may, on or before March 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a lesser number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number, and Social Security number, if available, of each person listed. The lists shall be accompanied by a signed statement from each person stating that he is willing to serve, has not failed to serve without excuse in the past, and has not been convicted of an election law offense or any felony, unless the person's civil rights have been restored by the Governor. The State Board of Elections shall prescribe by administrative regulation the form of the list.
- (3) The Attorney General shall notify each party state central committee of the duties of the party.
- (4) If lists are submitted, the county board of elections shall select one (1) judge at each voting place from each political party's list, and the county board shall select the sheriff from one (1) political party's list and the clerk from the other. If no lists are submitted, the two (2) members of the county board of elections who are appointed by the State Board of Elections may submit lists; and the county board shall select the sheriff and one (1) judge from one (1) list and the clerk and the other judge from the remaining list. If no lists are submitted, the county board shall select the sheriff and one (1) judge from the membership of one (1) party and the clerk and the other judge from the membership of the remaining party. The county board shall, when possible, also appoint an adequate number of alternate precinct election officers from names on the lists which were submitted but which were not selected by the county board as precinct election officers. If alternate precinct election officers are not appointed from the lists of nominees who were not selected as precinct election officers, the county board of elections shall submit its method of selecting alternate precinct election officers to the State Board of Elections for its approval.
- (5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the State Board of Elections, the county board shall submit a list of emergency election officer appointments to the State Board of Elections. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. The list of emergency appointments may include qualified voters not affiliated with the two (2) parties represented on the state board. The state board, after its review, may approve any or all of the emergency appointments submitted by the county board or may direct the county board to take other action. Any emergency appointment shall be made for the next ensuing election only.
- (6) ***In addition to precinct election officers appointed under subsection (1) of this section, a county board of elections may appoint up to two (2) additional precinct election officers per precinct with the approval of the State Board of Elections. The state board shall promulgate an administrative regulation establishing conditions under which additional precinct officers may be approved.***
- (7) The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems the action is necessary.
- ~~(8)~~~~(7)~~ The State Board of Elections may require the county board of elections to submit its list of precinct officers for review. The State Board of Elections may, after a hearing, direct the removal of any election officer who the board finds would not fairly administer the state election laws. The state board shall replace any officer so removed. The board shall provide for the method and manner of the hearing by administrative regulation.
- ~~(9)~~~~(8)~~ An election officer shall be a qualified voter of the precinct; except that, where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. An election officer shall not be a candidate or the spouse, parent, brother, sister, or child of a candidate who is to be voted for at the election. An election officer shall not have changed his voter registration party affiliation for ***one (1) year***~~two (2) years~~ prior to his appointment. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled by the county board with

alternate precinct election officers and the person appointed to fill the vacancy shall be of the same political party as the vacating officer, except for emergency appointments made as provided in subsection (5) of this section.

~~(10)(9)~~ If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

~~(11)(10)~~ Each election officer shall be paid a minimum of sixty dollars (\$60) per *election* day *served*, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. For delivering election returns, the *precinct election*~~two (2)~~ judges shall receive in addition the mileage reimbursement provided for state employees for each mile necessarily traveled from the place of voting to and from the place of delivery, or a flat fee if the fee equals or exceeds that amount. The fee paid to the *precinct election*~~two (2)~~ judges for delivering election returns shall be paid by the county.

 - (c) **Each qualified sheriff who seeks to participate in the fund shall forward a copy of the final settlement prepared pursuant to KRS 134.310 to the fund. The fund shall be reimbursed by the sheriff if an audit of the final settlement conducted pursuant to KRS 134.310 reflects that the sheriff received all or a portion of the supplement in violation of this section. A sheriff who fails to provide a copy of the final settlement to the fund or to reimburse the fund after correction by audit, if required, shall not be qualified to participate in the fund for a period of two (2) years.**

Section 4. KRS 95A.250 is amended to read as follows:

- (1) Beginning July 1, 1982, an eligible local government shall be entitled to receive annually a supplement of two thousand ~~seven~~~~five~~ hundred **fifty** dollars ~~(\$2,750)~~~~(\$2,500)~~ for each qualified professional firefighter it employs, **and beginning on July 1, 1999, an annual supplement of three thousand dollars (\$3,000) for each qualified professional firefighter it employs**, plus an amount equal to the required employer's contribution on the supplement to the defined benefit pension plan, or to a plan qualified under Section 401(a) or Section 457 of the Internal Revenue Code of 1954 as amended, provided that the employer's contribution on the supplement to any of these plans shall not exceed that amount which is required of employers under the County Employees Retirement System pursuant to KRS Chapter 78, to which the officer belongs, but no more than the required employer's contribution to the County Employees Retirement System hazardous duty category. The local unit of government shall pay the amount received for retirement coverage to the appropriate retirement system to cover the required employer contribution on the pay supplement. Should the foundation program funds be insufficient to pay employer contributions to the system, then the total amount available for pension payments shall be prorated to each eligible government so that each receives the same percentage of required pension costs attributable to the cash salary supplement.
- (2) Each qualified professional firefighter, whose local government receives a supplement pursuant to subsection (1) of this section, shall be paid by that local government the supplement which his qualifications brought to the local government. The supplement paid each qualified firefighter shall be in addition to his regular salary.

Section 5. KRS 95A.262 is amended to read as follows:

- (1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Human Resources, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.
- (2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars (\$500) of its allotment. The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars (\$200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.
- (4) Applications for funding low-interest loans and firefighters training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.
- (5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.
- (6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.
- (7) The amount of reimbursement for any given year for costs incurred by the department for administering these funds, including, but not limited to the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.
- (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.
- (9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:
 - (a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;
 - (b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;
 - (c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;
 - (d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;
 - (e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;
 - (f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

- (g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.
- (10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars (\$10,000) or the actual amount of the loss, whichever is less.
- (11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.
- (12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.
- (13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.
- (14) There shall be allotted each year of the 1992-93 biennium one million dollars (\$1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars (\$1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

- (3) Moneys deposited in the Firefighters Foundation Program fund's trust and agency account, and in the Law Enforcement Foundation Program fund's trust and agency account, shall be invested by the state in accordance with state investment practices, and all earnings from such investments shall accrue to, and be paid into the respective account from which such investments are made. All moneys remaining on deposit at the close of the state's fiscal year in the Firefighters Foundation Program fund's trust and agency account and all earnings from investments made from moneys in this account in excess of ~~three~~ million dollars (\$3,000,000)~~(\$1,000,000)~~, beginning with fiscal year 1994-95, **through June 30, 1999**, shall lapse, except that moneys in the revolving loan fund established in KRS 95A.262 shall not lapse. Section 9. KRS 136.392 is amended to read as follows:

- (1) (a) Every domestic, foreign, or alien insurer, other than life and health insurers, which is either subject to or exempted from Kentucky premium taxes as levied pursuant to the provisions of either KRS 136.340, 136.350, 136.370, or 136.390, shall charge and collect a surcharge of one dollar and fifty cents (\$1.50) upon each one hundred dollars (\$100) of premium, assessments, or other charges, except for those municipal premium taxes, made by it for insurance coverage provided to its policyholders, on risk located in this state, whether the charges are designated as premiums, assessments, or otherwise. The premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. The premium surcharge shall be disclosed to policyholders pursuant to administrative regulations promulgated by the commissioner of insurance. However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the Revenue Cabinet, on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. The rate shall be calculated using as its base the number of local government units eligible for participation in the

funds under applicable statutes as of January 1, 1994. To allow the secretary of revenue to calculate an appropriate rate, the secretary for the Public Protection and Regulation Cabinet and the secretary for the Justice Cabinet shall certify to the secretary of revenue, no later than January 1, of each year, the estimated budgets for the respective funds specified above, including any surplus moneys in the funds, which shall be incorporated into the consideration of the adjusted rate for the next biennium. As soon as practical, the secretary of revenue shall advise the commissioner of insurance of the new rate and the commissioner shall inform the affected insurers. AN ACT relating to simulcasting in a geographic area containing more than one race track.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 230.377 is amended to read as follows:

- (1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the commission for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300.

The commission shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

- (2) On or before November 1 of each year, the commission shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In *a geographic area*~~[counties]~~ containing more than one (1) track *within a fifty (50) mile radius of another track*, intertrack wagering *shall be limited to simulcasting and wagering on racing of the same breed of horse as the receiving track was licensed to race on or before the effective date of this Act*~~dates shall be awarded as follows:~~
 - ~~(a) A receiving track of the same breed as the host track's breed shall have the right to receive, on an exclusive basis, sixty percent (60%) of the available intertrack wagering days, which shall not include the days in subsection (4) of this section, if the receiving track was licensed to conduct racing of that breed on or before January 1, 1990; and~~
 - ~~(b) A receiving track of a different breed than the breed of the host track shall receive on an exclusive basis the remaining forty percent (40%) of the intertrack wagering dates not awarded by the commission under subsection (2)(a) of this section, and exclusive of days contained in subsection (4) of this section, if the receiving track was licensed to conduct racing of a different breed on or before January 1, 1990. Any unused intertrack wagering days or any intertrack wagering days not requested by and awarded to a receiving track of a different breed than the breed of the host track, shall be awarded to the receiving track of the same breed as the breed of the host track.~~
- (3) ~~[Except in extraordinary circumstances, such as the need to accommodate a receiving track's sales activities or special events, intertrack wagering dates shall be awarded in weekly increments.]~~The commission shall approve no more than nine (9) tracks for participation in *horse racing*, intertrack wagering, *and simulcasting*. Any approval by the commission of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.
- (4) A track may by administrative regulation be required to simulcast its races to one (1) or more receiving tracks approved for simulcasting and intertrack wagering, as a prerequisite for the issuance of a license pursuant to KRS 230.300, provided that:
 - (a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;
 - (b) Tracks in a county containing a city of the first class and tracks in an urban-county government shall not be required to simulcast to each other or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to each other; and
 - (c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).
- (5) A track may receive simulcasts and conduct interstate wagering thereon subject to the following limitations which shall be in addition to the limitations set forth in KRS 230.3771:
 - (a) A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.
 - (b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars (\$75,000) without further consents or approvals.
 - (c) A track which applies to the commission to receive an interstate race of a different breed than the breed for which it is licensed by the commission shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the commission.
 - (d) A track may receive simulcasts of special event races conducted in other states or foreign countries which are determined by the commission to be of sufficient national or international significance or interest to warrant interstate wagering and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness

Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

- (e) A track may also receive simulcasts and conduct interstate wagering on thoroughbred horse races other than those described in paragraphs (a) and (d) of this section if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., and the Kentucky Horsemen's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association, or its successor, for harness racing.
- (f) The consent required by paragraph (e) of this subsection or by subsections (1)(g) and (2)(g) of KRS 230.3771 shall not be withheld:
 - 1. For any reason not specifically related to financial harm to live horse racing; or
 - 2. As a condition to the granting of any contractual or other concession not specifically related to the effects of interstate simulcasting on live horse racing in this Commonwealth, taken as a whole.
- (g) A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:
 - 1. The race date was previously granted by the Kentucky Racing Commission to conduct live racing at the track located in this state;
 - 2. Live racing was canceled due to weather conditions; and
 - 3. The consent required by subsection (5)(d) of this section is obtained.
- (h) The in-state track receiving the simulcast specified in paragraph (g) of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.
- (i) All interstate simulcasting shall be conducted in accordance with applicable federal laws.
- (6) The commission may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack or interstate wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS Chapter 13A, KRS 138.510, and this chapter.
- (7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.

Section 2. KRS 230.3771 is amended to read as follows:

- (1) A thoroughbred track licensed to conduct thoroughbred racing may receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon, subject to the following limitations:
 - (a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.
 - (b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks *not subject to the provisions of subsection (2) of Section 1 of this Act*, and all simulcast facilities through the intertrack wagering system.
 - (c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.

- (d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.
 - (e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.
 - (f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.
 - (g) Notwithstanding subsection (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.
 - (h) A separate accounting on all interstate simulcasting shall be submitted to the commission. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.
 - (i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.
 - (j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:
 - 1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
 - 2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
 - 3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
 - 4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, then an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.
 - (k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).
- (2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse races and conduct interstate wagering thereon subject to the following limitations:

- (a) A harness receiving track may receive interstate simulcasts of harness races and conduct interstate wagering thereon at any time of day and during the course of any live harness horse race meet conducted in the Commonwealth of Kentucky so long as the harness receiving track conducting interstate wagering remits to the harness host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.
- (b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks *not subject to the provisions of subsection (2) of Section 1 of this Act*, all harness tracks, and all simulcast facilities through the intertrack wagering system.
- (c) Except as otherwise prohibited by law, a harness receiving track or a simulcast facility shall conduct intertrack wagering on all live races of a harness host track on any day it receives an interstate simulcast from a harness host track.
- (d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.
- (e) If more than one (1) harness track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast on harness races unless all harness tracks conducting live racing at that time of day agree upon the interstate simulcast to be received and the division of the harness host track's commission. If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.
- (f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.
- (g) Notwithstanding subsection (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.
- (h) A separate accounting on all interstate simulcasting shall be submitted to the commission. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.
- (i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars (\$75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.
- (j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:
 - 1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;

3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
 4. Twenty-five percent (25%) to the purse program of the harness host track designated by paragraphs (a) and (e) of this subsection (2). However, if no live meet is occurring, an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.
- (k) A simulcast facility's commission on interstate wagering on harness races, after deduction of applicable taxes and any amount required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).
- (3) A harness track may only receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon as provided in subsection (1)(b) of this section. - (2) In any city of the second class in which prohibition is in effect in all or part of the city, and upon a determination that an economic hardship exists in one (1) or more of the voting precincts of the city in the manner prescribed in subsection (11)(10) of this section, the governing body of the city shall by ordinance designate ~~the~~ such precinct or precincts as a limited sale precinct or precincts and shall provide for an election

to be held in ~~the~~^{such} precinct or precincts to take the sense of the people of each ~~such~~ precinct as to the discontinuance of prohibition in ~~that~~^{such} precinct.

- (3) The election shall be held in ~~the~~^{such} precinct or precincts in the manner prescribed in KRS 242.010 to 242.040 and KRS 242.060 to 242.120. ~~The~~^{Such} election shall not be deemed to be an election in the "same territory" within the meaning of subsection (5) of KRS 242.030; ~~provided,~~ however, ~~that~~ no election on the same question shall be held in the same precinct or precincts more often than once every five (5) years.
- (4) The question shall be presented to the voters in conformance with the requirements of KRS 242.050 except that the form of the proposition shall be, "Are you in favor of the sale of alcoholic beverages in (official name and designation of precinct)?"
- (5) If a majority of the votes cast in any limited sale precinct in which an election is held ~~under~~^{pursuant to} this section are in favor of the sale of alcoholic beverages in that precinct, the governing body of the city shall by ordinance create or provide for the office of city alcoholic beverage control administrator. ~~and~~
- (6) **The governing body of the city** shall adopt ~~the~~^a comprehensive regulatory ordinance covering the licensing and operation of establishments for the sale of alcoholic beverages, **including, but not limited to, distilled spirits and malt beverages**, within a limited sale precinct **as set forth in this section. In relation to the ordinances established by a city of the second class under this subsection and subsection (7) of this section, review by the board, if any, shall be limited to a determination that the ordinances do not exceed the limits established for sale by statute, or administrative regulations promulgated by the board under those statutes.** In its discretion the governing body ~~shall~~^{may} provide **without review by the board** that:
 - (a) Only three (3) licenses permitting the package sale at retail of alcoholic beverages shall be granted within the territorial limits of any limited sale precinct.
 - (b) Only four (4) licenses to sell alcoholic beverages by the drink for consumption on the premises by the general public shall be granted in any one (1) limited sale precinct. One (1) ~~such~~ license in each limited sale precinct may be reserved for ~~grant to~~ any newly established hotel, motel, or inn containing not less than fifty (50) sleeping units and having dining facilities for not less than one hundred (100) persons. The remaining three (3) licenses may be granted to a hotel, motel, or inn meeting the aforesaid requirements or to bona fide restaurants open to the general public having dining facilities for not less than one hundred (100) persons. ~~and further provided that~~ Additional licenses to sell alcoholic beverages by the drink for consumption on the premises may be granted to social membership clubs established and maintained for the benefit of members ~~of~~^{only by} bona fide fraternal or veterans organizations.
- ~~(7)(6)~~ The governing body **of the city** may also incorporate in the regulatory ordinance ~~any~~^{such} other reasonable rules and regulations as **it deems**, ~~may be~~ necessary or desirable for the proper administration and enforcement of this section, ~~and~~ for the maintenance of public order in a limited sale precinct, and for the issuance of any licenses permitted by KRS 243.070; ~~provided that any rule or regulation adopted in the regulatory ordinance shall conform to the requirements of KRS 241.190.~~
- ~~(8)(7)~~ Notwithstanding any limitations imposed on the city's taxing or licensing power by KRS 243.070, upon the discontinuance of prohibition in any limited sale precinct, the governing body of the city is hereby authorized to impose a regulatory license fee upon the gross receipts of each establishment located therein and licensed to sell alcoholic beverages. The regulatory license fee may be levied at the beginning of each city budget period at ~~the~~^{such} percentage rate as shall be reasonably estimated to fully reimburse the city for the estimated costs of any additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages in the city. ~~The~~^{Such} regulatory license fee shall be in addition to any other taxes, fees or licenses permitted by law, but a credit against ~~the~~^{such} fee shall be allowed in an amount equal to any licenses or fees imposed by the city pursuant to KRS 243.070.

No other question shall be presented to the voters of any limited sale precinct.

CHAPTER 250

(SB 205)

AN ACT relating to child custody.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 403.270 is amended to read as follows:

- (1) (a) ***As used in this chapter, and Section 6 of this Act, unless the context requires otherwise, "de facto custodian" means a person who has been shown by clear and convincing evidence to have been the primary caregiver for, and financial supporter of, a child who has resided with the person for a period of six (6) months or more if the child is under three (3) years of age and for a period of one (1) year or more if the child is three (3) years of age or older or has been placed by the Department for Social Services. Any period of time after a legal proceeding has been commenced by a parent seeking to regain custody of the child shall not be included in determining whether the child has resided with the person for the required minimum period.***
- (b) ***A person shall not be a de facto custodian until a court determines by clear and convincing evidence that the person meets the definition of de facto custodian established in paragraph (a) of this subsection. Once a court determines that a person meets the definition of de facto custodian, the court shall give the person the same standing in custody matters that is given to each parent under this section and Sections 2, 3, 4, 5, and 6 of this Act.***
- (2) The court shall determine custody in accordance with the best interests of the child and equal consideration shall be given to each parent ***and to any de facto custodian***. The court shall consider all relevant factors including:
 - (a) The wishes of the child's parent or parents, ***and any de facto custodian***, as to his custody;
 - (b) The wishes of the child as to his custodian;
 - (c) The interaction and interrelationship of the child with his parent or parents, his siblings, and any other person who may significantly affect the child's best interests;
 - (d) The child's adjustment to his home, school, and community;
 - (e) The mental and physical health of all individuals involved;~~and~~
 - (f) Information, records, and evidence of domestic violence as defined in KRS 403.720;~~and~~

- (g) *The extent to which the child has been cared for, nurtured, and supported by any de facto custodian;*
- (h) *The intent of the parent or parents in placing the child with a de facto custodian; and*
- (i) *The circumstances under which the child was placed or allowed to remain in the custody of a de facto custodian, including whether the parent now seeking custody was previously prevented from doing so as a result of domestic violence as defined in KRS 403.720 and whether the child was placed with a de facto custodian to allow the parent now seeking custody to seek employment, work, or attend school.*

~~(3)(2)~~ The court shall not consider conduct of a proposed custodian that does not affect his relationship to the child. If domestic violence and abuse is alleged, the court shall determine the extent to which the domestic violence and abuse has affected the child and the child's relationship to both parents.

~~(4)(3)~~ The abandonment of the family residence by a custodial party shall not be considered where said party was physically harmed or was seriously threatened with physical harm by his or her spouse, when such harm or threat of harm was causally related to the abandonment.

~~(5)(4)~~ The court may grant joint custody to the child's parents, *or to the child's parents and a de facto custodian*, if it is in the best interest of the child.

(6) *If the court grants custody to a de facto custodian, the de facto custodian shall have legal custody under the laws of the Commonwealth.*

Section 2. KRS 403.280 is amended to read as follows:

(1) A party to a custody proceeding may move for a temporary custody order. The motion must be supported by an affidavit as provided in KRS 403.350. The court may award temporary custody under the standards of KRS 403.270 after a hearing, or, if there is no objection, solely on the basis of the affidavits.

(2) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a custody proceeding and the court finds, after a hearing, that the circumstances of the parents and the best interests of the child require that a custody decree be issued.

(3) If a custody proceeding commenced in the absence of a petition for dissolution of marriage or legal separation under KRS 403.420(1)(a) or (b) is dismissed, any temporary custody order is vacated.

(4) *If a court determines by clear and convincing evidence that a person is a de facto custodian, the court shall join that person in the action, as a party needed for just adjudication under Rule 19 of the Kentucky Rules of Civil Procedure.*

Section 3. KRS 403.340 is amended to read as follows:

(1) No motion to modify a custody decree shall be made earlier than two (2) years after its date, unless the court permits it to be made on the basis of affidavits that there is reason to believe *that:*

(a) The child's present environment may endanger seriously his physical, mental, moral, or emotional health; *or*

(b) *The custodian appointed under the prior decree has placed the child with a de facto custodian.*

(2) If a court of this state has jurisdiction pursuant to the Uniform Child Custody Jurisdiction Act, the court shall not modify a prior custody decree unless it finds, upon the basis of facts that have arisen since the prior decree or that were unknown to the court at the time of entry of the prior decree, that a change has occurred in the circumstances of the child or his custodian, and that the modification is necessary to serve the best interests of the child. In applying these standards, the court shall retain the custodian appointed pursuant to the prior decree unless:

(a) The custodian agrees to the modification;

(b) The child has been integrated into the family of the petitioner with consent of the custodian; or

(c) The child's present environment endangers seriously his physical, mental, moral, or emotional health, and the harm likely to be caused by a change of environment is outweighed by its advantages to him.; *or*

(d) *The custodian has placed the child with a de facto custodian.*

- (3) In determining whether a child's present environment may endanger seriously his physical, mental, moral, or emotional health, the court shall consider all relevant factors, including, but not limited to:
- (a) The interaction and interrelationship of the child with his parent or parents, *his de facto custodian*, his siblings, and any other person who may significantly affect the child's best interests;
 - (b) The mental and physical health of all individuals involved;
 - (c) Repeated or substantial failure, without good cause as specified in KRS 403.240, of either parent to observe visitation, child support, or other provisions of the decree which affect the child, except that modification of custody orders shall not be made solely on the basis of failure to comply with visitation or child support provisions, or on the basis of which parent is more likely to allow visitation or pay child support;
 - (d) If domestic violence and abuse, as defined in KRS 403.720, is found by the court to exist, the extent to which the domestic violence and abuse has affected the child and the child's relationship to both parents.
- (4) Attorney fees and costs shall be assessed against a party seeking modification if the court finds that the modification action is vexatious and constitutes harassment.

Section 4. KRS 403.350 is amended to read as follows:

A party seeking a temporary custody order or modification of a custody decree shall submit together with his moving papers an affidavit setting forth facts supporting the requested order or modification and shall give notice, together with a copy of his affidavit, to other parties to the proceeding, who may file opposing affidavits. ***If a court determines that a child is in the custody of a de facto custodian, the court shall make the de facto custodian a party to the proceeding.*** The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the affidavits, in which case it shall set a date for hearing on an order to show cause why the requested order or modification should not be granted.

Section 5. KRS 403.420 is amended to read as follows:

- (1) A court of this state which is competent to decide child custody matters has jurisdiction to make a child custody determination by initial or modification decree if:
- (a) This state is the home state of the child at the time of commencement of the proceeding, or had been the child's home state within six (6) months before commencement of the proceeding and the child is absent from this state because of his removal or retention by a person claiming his custody or for other reasons, and a parent or person acting as parent continues to live in this state; or
 - (b) It is in the best interest of the child that a court of this state assume jurisdiction because the child and his parents, or the child and at least one (1) contestant, have a significant connection with this state, and there is available in this state substantial evidence concerning the child's present or future care, protection, training, and personal relationships; or
 - (c) The child is physically present in this state and the child has been abandoned or it is necessary in an emergency to protect the child because he has been subjected to or threatened with mistreatment or abuse or is otherwise neglected or dependent; or
 - (d) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a), (b), or (c), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to determine the custody of the child, and it is in the best interest of the child that this court assume jurisdiction.
- (2) Except under paragraphs (c) and (d) of subsection (1) of this section, physical presence in this state of the child, or of the child and one (1) of the contestants, is not alone sufficient to confer jurisdiction on a court of this state to make a child custody determination.
- (3) Physical presence of the child, while desirable, is not a prerequisite for jurisdiction to determine his custody.
- (4) A child custody proceeding is commenced in the Circuit Court:
- (a) By a parent, by filing a petition:
 1. For dissolution or legal separation; or
 2. For custody of the child in the county in which he is permanently resident or found; or

- (b) By a person other than a parent, by filing a petition for custody of the child in the county in which he is permanently resident or found, but only if he is not in the physical custody of one (1) of his parents; *or*
- (c) ***By a de facto custodian of the child, by filing a petition for custody of the child in the county in which the child is permanently resident or found.***

Section 6. KRS 405.020 is amended to read as follows:

- (1) The father and mother shall have the joint custody, nurture, and education of their children who are under the age of eighteen (18). If either of the parents dies, the survivor, if suited to the trust, shall have the custody, nurture, and education of the children who are under the age of eighteen (18). The father shall be primarily liable for the nurture and education of his children who are under the age of eighteen (18) and for any unmarried child over the age of eighteen (18) when the child is a full-time high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years.
- (2) The father and mother shall have the joint custody, care, and support of their children who have reached the age of eighteen (18) and who are wholly dependent because of permanent physical or mental disability. If either of the parents dies, the survivor, if suited to the trust, shall have the custody, care, and support of such children.
- (3) ***Notwithstanding the provisions of subsections (1) and (2) of this section, a person claiming to be a de facto custodian, as defined in Section 1 of this Act, may petition a court for legal custody of a child. The court shall grant legal custody to the person if the court determines that the person meets the definition of de facto custodian and that the best interests of the child will be served by awarding custody to the de facto custodian.***
- (4) ***Notwithstanding the provisions of subsections (1) and (2) of this section, if either parent dies and at the time of death a child is in the custody of a de facto custodian, as defined in Section 1 of this Act, the court shall award custody to the de facto custodian if the court determines that the best interests of the child will be served by that award of custody.***

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

The General Assembly hereby finds that:

- (1) *All citizens of the Commonwealth should have access to affordable health care; and*
- (2) *It is estimated by the Legislative Research Commission that one hundred twenty-five thousand (125,000) children in the Commonwealth have no health insurance coverage; and*
- (3) *Of the estimated one hundred twenty-five thousand (125,000) uninsured children in the Commonwealth, ninety-one thousand two hundred fifty (91,250) fall at or below two hundred percent (200%) of the federal poverty level; and*

- (4) *Uninsured children are of particular concern because of their need for preventative and primary care to develop into healthy adulthood; and*
- (5) *Measures not taken now to provide care for uninsured children will result in higher human and financial costs due to the development of more severe conditions; and*
- (6) *Eligible children in this Commonwealth should have access to cost-effective, primary health care programs if they or their parents are unable to afford it on their own; and*
- (7) *It is in the interest of the citizens of the Commonwealth for the General Assembly to foster the development of a children's health insurance program designed to provide basic services to eligible children at minimum cost.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

There is hereby created within the Cabinet for Human Resources the Kentucky Children's Health Insurance Program for the purposes of:

- (1) *Providing health care coverage and other coordinated services to children through the age of eighteen (18) years at or below two hundred percent (200%) of the federal poverty level and who are not otherwise eligible for health insurance coverage through either expansions of Medicaid services under Title XIX of the federal Social Security Act and through the provision of a separate health insurance program under Title XXI of the federal Social Security Act, or a combination of Medicaid program expansions and use of a separate health insurance program; and*
- (2) *Providing Medicaid coverage for children between the ages of fourteen (14) and eighteen (18) years up to one hundred percent (100%) of the federal poverty level.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

The cabinet shall by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the following:*

However, no person eligible for services under Title XIX of the Social Security Act 42 U.S.C. 1396 to 1396v as amended, shall be eligible for services under the Children's Health Insurance Program except to the extent that Title XIX coverage is expanded by Sections 1 to 7 and Section 8 of this Act;*

Appropriations made to the Children's Health Insurance Program trust fund shall not lapse at the end of a fiscal year but shall be carried forward in the trust fund account and shall be available for allotment for its particular purpose in the next fiscal year.*

- (3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.
- (4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.
- (6) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (4) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.
- (7) In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional, or transitional center.
 - (a) "Permanent center" means a center which meets the program standards approved by the Kentucky Board of Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.
 - (b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.
 - (c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation.  - (a) In a proceeding for dissolution of marriage, legal separation, or child support, either party, with notice to the opposing party, may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(2)(g), ***and the social security numbers of all parties subject to the motion***. The court shall, within fourteen (14) days from the filing of said motion, order an amount of temporary child support based upon the child support guidelines as provided by law, and the ordered child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court.
 - (b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection. Pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.

- (3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.
- (4) ***If the court or agent of the court is made aware that there is reasonable evidence of domestic violence or child abuse, the court shall determine whether disclosure to any other person of the information could be harmful to the parent or child, and if the court determines that disclosure to any person could be harmful, the court and its agents shall not make the disclosure.***
- (5) On the basis of the showing made and in conformity with KRS 403.200, the court may issue a temporary injunction or restraining order and an order for temporary maintenance in amounts and on terms just and proper in the circumstances.
- ~~(6)~~~~(5)}~~ A temporary order or temporary injunction:
 - (a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;
 - (b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and
 - (c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

Section 19. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
 - (a) A child's extraordinary medical or dental needs;
 - (b) A child's extraordinary educational, job training, or special needs;
 - (c) Either parent's own extraordinary needs, such as medical expenses;
 - (d) The independent financial resources, if any, of the child or children;
 - (e) Combined parental income in excess of the Kentucky child support guidelines;
 - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
 - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

- (6) The court shall allocate between the parents, in proportion to their adjusted gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7) (a) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and
 2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (b) If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.
- (8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their adjusted gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars (\$100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (9) ***The court order shall include the social security numbers of all parties subject to a support order.***
- (10) In any case administered by the Cabinet for Human Resources, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Human Resources may, upon application, enroll the child.
- (11) ***In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by Section 2 of this Act.***
- (12) ***In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Human Resources shall transfer notice of the provision for coverage for the child to the employer which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.***
- (13) ***Notwithstanding any other provision of this section, any wage or income shall not be exempt for attachment or assignment for the payment of current child support or owed or to be owed child support.***

Section 20. KRS 403.212 is amended to read as follows:

- (1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
- (2) For the purposes of the child support guidelines:
 - (a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.
 - (b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, ***retirement and pension funds***, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but

not limited to *public assistance as defined under Title IV-A of the Social Security Act* [~~Aid to Families with Dependent Children (AFDC)~~], and food stamps.

- (c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.
- (d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.
- (e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.
- (f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.
- (g) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:
 1. The cost of health insurance coverage for the child;
 2. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
 3. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
 4. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.
- (3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.
- (4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars (\$60) per month.
- (5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.
- (6) The child support guidelines table is as follows:

- (3) The court shall order either or both parents who are obligated to pay child support, medical support, or maintenance under this section to assign to the Cabinet for Human Resources ~~or the domestic relations clerk of the court or other officer designated by the court to receive the payment,~~ that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered by the court.
- (4) The order shall be binding upon the employer or any subsequent employer upon the service by certified mail of a copy of the order upon the employer and until further order of the court. The employer may deduct the sum of one dollar (\$1) for each payment made pursuant to the order.
- (5) The employer shall notify the cabinet when an employee, for whom a wage withholding is in effect, terminates employment and provide the terminated employee's last known address and the name and address of the terminated employee's new employer, if known.
- (6) Any assignment made pursuant to court order shall have priority as against any attachment, execution or other assignment, unless otherwise ordered by the court.
- (7) No assignment under this section by an employee shall constitute grounds for dismissal of the obligor, refusal to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

Section 22. KRS 405.430 is amended to read as follows:

- (1) ***When a parent presents himself to the cabinet for the voluntary establishment of paternity and clear evidence of parentage is not present, the cabinet shall pay when administratively ordered the cost of genetic testing to establish paternity, subject to recoupment from the alleged father when paternity is established.***
- (2) ***The cabinet shall obtain additional testing in any case if an original test is contested, upon request and advance payment by the contestant.***
- (3) ***In a contested paternity case, the child, the mother, and the putative father shall submit to genetic testing upon a request of any of the parties, unless the person or guardian of the person who is requested to submit to genetic testing shows good cause, taking into account the best interests of the child, why the genetic tests cannot be performed. The request shall be supported by a sworn statement of the party, requesting that the test be performed, which shall include the information required by 42 U.S.C. sec. 666(a)(5)(B)(i) or (ii).***
- (4) When a parent who fails to support a child is not obligated to provide child support by court order, the cabinet may administratively establish a child support obligation based upon a voluntary acknowledgment of paternity as set forth in KRS Chapter 406, the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.
- ~~(5)(2)~~ The cabinet shall recognize a voluntary acknowledgment of paternity as a basis for seeking a support order, irrespective of the alleged father's willingness to consent to a support order.
- ~~(6)(3)~~ ***When in the best interest of the child, the cabinet may review and adjust***~~modify~~ a parent's child support obligation or child care obligation as established by the cabinet, ***upon a request of the cabinet when***

an assignment has been made, ~~on its own~~ or upon either ~~a~~ parent's petition if the amount of the child support awarded under the order differs from the amount that would be awarded in accordance with Section 20 of this Act. The cabinet shall notify parents at least once every three (3) years of the right to a review ~~, but only upon a finding of the conditions described for judicial modification of a support order.~~

- (7)~~(4)~~ In establishing or modifying a parent's monthly child support obligation, the cabinet may *use automated methods to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the adjustment to eligible orders in accordance with Section 20 of this Act. The cabinet shall utilize information, including financial records, about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.*
- (8) *In cases in which past due support is owed for a child receiving public assistance under Title IV-A of the Federal Social Security Act, the cabinet shall issue an administrative order, or seek a judicial order, requiring the obligated parent to participate in work activities, unless the parent is incapacitated as defined by 42 U.S.C. sec. 607.*
- (9) *The cabinet may disclose financial records only for the purpose of establishing, modifying, or enforcing a child support obligation of an individual. - (5) ***If the cabinet elects to conduct the modification review as specified in subsection (6) of Section 22 of this Act, either party may contest the adjustment to the obligation amount within thirty (30) days after the date of the notice of the adjustment by requesting a review under subsection (1) of this section, and if appropriate, a request for adjustment of the order as permitted by this chapter.***

Section 25. KRS 405.467 is amended to read as follows:

- (1) All support orders issued by the Cabinet for Human Resources, including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.
- (2) In any case in which a ***support order was issued in the state prior to October 1, 1994, and in which a*** parent is required to pay court ordered or administratively determined child support, medical support, maintenance, and medical support insurance, ***and*** wage withholding is not in effect, and an arrearage accrues that is equal to the amount of support payment for one (1) month, upon request of the absent parent, request of the custodial parent, or upon administrative determination, the secretary shall issue an order for withholding of earnings of the parent as is necessary to comply with the order plus interest at the legal rate on the arrearage, if any, ***without the need for a judicial or administrative hearing.***
- (3) In any case in which a parent is required either by court order or administrative order to provide medical insurance coverage for the child and the parent has failed to make application to obtain coverage for the child, the secretary shall issue an order for withholding of the employee's share, if any, of premiums for health coverage and to pay the share of premiums to the insurer, ***without the need for a judicial or administrative hearing.***
- (4) ***The cabinet shall advise the obligated parent that a wage withholding has commenced by sending a copy of the order to withhold at the same time that the order is sent to the employer***~~[Advance notice shall be sent to the obligor prior to the issuance of the order to withhold earnings].~~ The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will ***continue***~~occur, based on an evaluation of the facts within forty five (45) days from the date of the advance notice. The cabinet shall notify the obligor of the decision of whether the withholding is to occur, the date on which it will begin, and shall furnish the obligor with the information contained in any order served on the employer with respect to the withholding].~~

- (6) The cabinet shall serve the order to withhold earnings or notice of multiple wage withholding orders specifying wage withholding requirements on the employer of an obligor by certified mail, return receipt requested. The order shall state the amount to be withheld, or the requirement to enroll the child under the health insurance coverage, including amounts to be applied to arrearages, plus interest at the legal rate on the arrearage, if any,

- (7) If there is more than one (1) notice for child support withholding against a single absent parent, the cabinet shall allocate amounts available for withholding, giving priority to current child support, up to the limits imposed under Section 303(b) of the Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b). The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or Family Court of competent jurisdiction may set aside the cabinet's proportional allocations as to the custodial parent.
- (8) If the amounts to be withheld preclude collection of the total amount of combined child support and medical support due to the limits of the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b), the actual amount received shall be applied first to the current monthly child support obligation amount. Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively-ordered or judicially-ordered medical support obligation.
- (9) *The employer shall forward to the Cabinet for Human Resources that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered.*
- (10) The employer shall be held liable to the cabinet for any amount which the employer fails to withhold from earnings due an obligor following receipt of an order to withhold earnings.
- ~~(11)(10)~~ Any order to withhold earnings under this section shall have priority as against any attachment, execution, or other assignment, notwithstanding any state statute or administrative regulation to the contrary.
- ~~(12)(11)~~ No withholding under this section shall be grounds for discharging from employment, refusing to employ, or taking disciplinary action against any obligor subject to withholding required by this section.
- ~~(13)(12)~~ The remedies provided for in this section shall also be available for applicable support orders issued in other states.
- ~~(14)(13)~~ Interstate requests for withholding of earnings shall be processed by the cabinet.

No more than four percent (4%) of the coal severance tax revenues levied under KRS 143.020 and collected annually shall be transferred to the trust fund. To the extent this appropriation and other funds are available, the authority shall award scholarships to all renewal applicants and eligible students in accordance with the formula for determining the amount of the scholarship award established in this section.*
- (c) *The trust fund may also receive state appropriations, gifts, and grants from public and private sources, and federal funds. Any unallotted or unencumbered balances in the trust fund shall be invested as provided in KRS 42.500(9). Income earned from the investments shall be credited to the trust fund. The revenue transfers shall be based upon the revenue estimates prevailing at the time each transfer is due.*
- (13) *The calculation and transfer of funds under subsection (11) of this section shall be made only after the quarterly installment of the annual nineteen million dollars (\$19,000,000) allocation of coal severance tax revenues has been credited to the benefit reserve fund within the Workers' Compensation Funding Commission as required by KRS 342.122.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

Upon receipt of that recommendation, the division shall take action with the type of action to be commensurate with the nature and severity of the violation.
