SECTION 4. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

The General Assembly of the Commonwealth finds that access to high-quality health care services is a concern of all persons; that access to such services is limited for some residents of the Commonwealth, particularly those residing in remote rural areas or inner cities; that physicians and other health care providers have traditionally worked to assure access to health care services; and that many health care providers from the Commonwealth and other states are willing to volunteer their services to address the health care needs of Kentuckians who may otherwise not be able to obtain such services. Therefore, it is the purpose of Sections 1 to 5 of this Act to encourage and facilitate the charitable provision of health care services within the Commonwealth.

SECTION 5. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 5 of this Act may be cited as the Kentucky Charitable Health Care Services Act.

- (3) (a) Premiums for policies issued under subsection (2) of this section shall be paid by the Commonwealth from the general fund *not to exceed the sum of twenty thousand dollars (\$20,000) and from the registration fees collected by the Cabinet for Human Resources under subsection (3) of Section 2 of this Act* upon written application for payment of the premium by the health care provider wishing to offer charitable services.
- (b) The Department of Insurance shall, through promulgation of administrative regulations pursuant to KRS Chapter 13A, establish reasonable guidelines for the registration of charitable health care providers. - (4) This section shall only apply to charitable health care providers and persons volunteering to perform medical services for charitable health care providers who are not otherwise covered by any policy of medical professional liability insurance, and that meet the terms for eligibility established pursuant to this section.
- (5) Coverage offered to charitable health care providers and persons volunteering at charitable health care providers shall be at least as broad as the coverage offered by the insurer to other noncharitable health care providers or facilities and to medical professionals working at noncharitable health care facilities.
- (6) The Department of Insurance shall retrospectively review on an annual basis the premiums paid pursuant to this section as opposed to the expenses incurred by the insurers covering risks under this section to determine if the profits made for those risks were consistent with reasonable loss ratio guidelines. If the determination is

made that the profits were not consistent with reasonable loss ratio guidelines, the Department of Insurance shall determine the amount of the premiums to be refunded to the Commonwealth.

- (7) *The Cabinet for Human Resources shall make available to the Department of Insurance information on its registration of charitable health care providers for the purpose of obtaining medical malpractice insurance.*
- (8) *The Department of Insurance shall not provide medical malpractice insurance as specified in subsection (3)(a) of this section, to a charitable health care provider who has not registered with the Cabinet for Human Resources under Section 2 of this Act.*

Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars (\$500) of its allotment. The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a

If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars (\$200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.
- (4) Applications for funding low-interest loans and firefighters training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.
- (5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.
- (6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.
- (7) The amount of reimbursement for any given year for costs incurred by the department for administering these funds, including, but not limited to the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.
- (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.
- (9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:
 - (a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;
 - (b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;
 - (c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;
 - (d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;
 - (e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

- (f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and
 - (g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.
- (10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars (\$10,000) or the actual amount of the loss, whichever is less.
 - (11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.
 - (12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.
 - (13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.
 - (14) There shall be allotted each year of the 1992-93 biennium one million dollars (\$1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars (\$1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

Section 5. KRS 161.420 is amended to read as follows:

All of the assets of the retirement system are for the exclusive purpose of providing benefits to members and annuitants and defraying reasonable expenses of administering the system. The board of trustees shall be the trustee of all funds of the system and shall have full power and responsibility for administering the funds. It is hereby declared that the restrictions and rights provided herein shall not be subject to reduction or impairment by alteration, amendment, or repeal. All the assets of the retirement system shall be credited according to the purpose for which they are held to one (1) of the following funds:

- (1) The expense fund shall consist of the funds set aside from year to year by the board of trustees to defray the expenses of the administration of the retirement system. Each fiscal year an amount not greater than four percent (4%) of the income earned from investments during the immediate past fiscal year shall be set aside into the expense fund or expended for the administration of the retirement system;

- (2) The teachers' savings fund shall consist of the contributions paid by members of the retirement system into this fund and regular interest assigned by the board of trustees from the guarantee fund. The accumulated contributions of a member returned to him upon his withdrawal or paid to his estate or designated beneficiary in the event of his death shall be paid from the teachers' savings fund. Any accumulated contributions forfeited by a failure of a teacher or his estate to claim these contributions shall be transferred from the teachers' savings fund to the guarantee fund. The accumulated contributions of a member shall be transferred from the teachers' savings fund to the allowance reserve fund in the event of retirement by reason of service or disability;
- (3) The state accumulation fund shall consist of funds appropriated by the state for the purpose of providing annuities, survivor benefits, and death benefits, including any sums appropriated for meeting unfunded liabilities, together with regular interest assigned by the board of trustees from the guarantee fund. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520, 161.525, and 161.655;
- (4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520, 161.525, and 161.655. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member;
- (5) The medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675. One and five tenths percent (1.5%) of the gross annual payroll of all members shall be deposited to this fund. One-half (1/2) of this amount shall derive from member contributions and one-half (1/2) from a state appropriation. ***The board of trustees may allocate up to a maximum of one and sixty-five hundredths percent (1.65%) of the three and twenty-five hundredths percent (3.25%) of the total salaries of active members that the state appropriates annually as provided under KRS 161.550.*** All claims for benefits under KRS 161.675 shall be paid from this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and
- (6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept ***and expend without limitation in a manner either expressed by the donor or deemed to be in the best interest of the membership***, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at any time during a fiscal year, transfer from the guarantee fund to the medical insurance fund an amount not to exceed four percent (4%) of the income earned from investments during the immediate past year.
- (7) The school employee annuity fund shall consist of those funds voluntarily contributed under the provisions of section 403(b) of the Internal Revenue Code by ***a retired***~~any~~ member of the Teachers' Retirement System ***with accounts that existed on or after July 1, 1996***~~, or the employer of the member, or both~~. The contributions shall not be picked up as provided in KRS 161.540(2).~~The contributions shall be invested as provided in KRS 161.430.~~ Separate member accounts shall be maintained for each member. Section 6. KRS 161.500 is amended to read as follows:

- (1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event a member is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed

in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.

- (2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.

- (4) Members retired from *an agency*~~[a university]~~ listed in KRS 161.220(4)(b) may be employed in a part-time teaching capacity by one (1) of the universities *participating in the Teachers' Retirement System*, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year.

The task force in its study shall determine the cost, under a range of common conditions, of purchasing or upgrading the equipment and services necessary to transmit the full 10-digit identifying number to a service supplier. The task force shall report its findings together with specific legislative recommendations, if applicable, to the Legislative Research Commission and to the interim committee with jurisdiction over matters concerning telecommunications services no later than August 1, 1999.

CHAPTER 523

(HB 582)

AN ACT relating to the unauthorized switching of a customer's telecommunications provider.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) *As used in this section:*

(a) *"Telecommunications provider" or "provider" means a person that provides one (1) or more telecommunications services for compensation, and its successors in interest by way of acquisition or merger, and includes a provider of regulated and unregulated intrastate services offered to customers for the transmission of two-way, interactive communications. "Telecommunications provider" or "provider" does not include a provider of commercial mobile radio services as defined in 47 U.S.C. sec. 332(d)(1).*

(b) *"Letter of agency" means a written statement that authorizes a change of the customer's telecommunications provider and bears the customer's signature.*

(2) *A customer of a telecommunications provider shall not be switched to another provider without the customer's letter of agency or the electronically recorded authorization of the customer, indicating that the customer knowingly approved the specific details of the switch. The requirement of a written or electronically recorded authorization shall not apply if the customer initiates a call to the customer's local telephone service provider to request that his long-distance provider be changed. When a customer's service is changed, the new provider shall maintain for one (1) year a record of nonpublic customer-specific information that establishes that the customer authorized the change. In any dispute, the burden of proof to show that the customer knowingly authorized the change shall be on the provider that claims to have obtained customer authorization for the switch.*

(3) *If a letter of agency is combined with an inducement, or with information on a subject other than the change of a customer's telecommunications provider, whether or not the letter of agency can be easily severed from the rest of the document, then the language whereby a person authorizes service from the provider shall be printed in a type size as large or larger than the largest type used in the document that includes the letter of agency.*

(4) *If a telecommunications provider initiates a switch of provider that the customer has not authorized under this section, that provider, upon request by the customer, shall reverse the change within five (5) business days.*

(5) *The customer subjected to a change that is not verified consistent with this section or administrative regulations promulgated under this section is not responsible for any charges associated with the unauthorized change, including charges for usage subsequent to the change that are in excess of the*

amount the customer would have paid had the service not been changed, if the customer contacts the customer's local exchange carrier, the customer's previous provider of intrastate service, or the telecommunications provider that initiated an unauthorized change in service within one hundred eighty (180) days after receipt of the customer's first bill containing charges by the telecommunications provider that initiated the unauthorized change. A telecommunications provider that has initiated an unauthorized customer change shall:

- (a) Pay all charges associated with returning the customer to the customer's original telecommunications provider;*
- (b) Return to the customer any amount paid to the provider by the customer or on the customer's behalf in excess of the amount the customer would have paid had the service not been changed; and*
- (c) Upon request, provide all billing records to the original provider from which the customer was changed to enable the original provider to comply with this section.*

The telecommunications provider that initiated the unauthorized change is responsible for any payment to access providers or to an underlying carrier where applicable. Failure of the customer to provide timely notice will relieve the telecommunications provider that initiated the unauthorized change of any obligations under this subsection.

- (6) If the commission finds that a provider has willfully or repeatedly violated this section or an administrative regulation promulgated under it, the commission shall order the provider to take corrective action as necessary. The commission may impose a penalty on the violator as specified in KRS 278.990 (1), except that the maximum civil penalty to be assessed for each violation of this section shall be ten thousand dollars (\$10,000). The commission also may, if consistent with the public interest, suspend, restrict, or revoke any certificate or registration of the telecommunications provider, thereby denying the provider the authorization to provide telecommunications service in the Commonwealth.*
- (7) The commission shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement the policies of this section.*

 - (c) "Immediate family" shall mean the teacher's spouse, children including stepchildren, **grandchildren**, parents and spouse's parents, grandparents, and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's home; and
 - (d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers for use by teachers who have exhausted all sick leave and other available paid leave days.
- (2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.
 - (3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district after June 30, 1985.
 - (4) Accumulated days of sick leave shall be granted to a teacher, if prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.
 - (5) Any school employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.
 - (6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher may annually contribute to the bank and limitations upon the number of days a teacher may annually draw from the bank. Only those teachers who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.
 - (7)
 - (a) ***A district board of education shall establish a sick leave donation program to permit teachers to voluntarily contribute sick leave to teachers in the same school district who are in need of an extended absence from school. A teacher who has accrued more than fifteen (15) days sick leave may request the board of education to transfer a designated amount of sick leave to another teacher who is authorized to receive the sick leave donated. A teacher may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.***
 - (b) ***A teacher may receive donations of sick leave if:***

- (d) *Any sick leave that remains unused, is not needed by a teacher, and will not be needed in the future shall be returned to the teacher donating the sick leave.*
- (e) *The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.*
- (8) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.
- ~~(9)~~~~(8)~~ After July 1, 1982, a district board of education may compensate, at the time of retirement, an employee or a teacher for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
- ~~(10)~~~~(9)~~ Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. - (2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620. Such sick-leave credit shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 161.600.
- (3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.
- (4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155~~(9)~~~~(8)~~ or any other statutory provision.
- (5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.
- (6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.

The board shall administer the provisions of Sections 1 to 12 of this Act, and shall have the following powers and duties:

- (1) *To review, evaluate, and approve or disapprove the plans or plan modifications that are submitted to the board for complying with the wireless E911 service requirements established by the FCC order and by any rules or regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order;*

The amount of the CMRS service charge shall not be increased except by act of the General Assembly;*
- (4) *To review the rate of the CMRS service charge at least once every eighteen (18) months and, at its discretion, to decrease the rate or recommend that the General Assembly increase the rate if the board determines that changing the rate is necessary to achieve the purposes of Sections 1 to 12 of this Act. The first cost study shall be completed on or before July 1, 1999, and shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives, and the board shall recommend, on the basis of the cost study, whether legislation to increase the CMRS service charge should be proposed during the 2000 Regular Session of the General Assembly;*

- (11) *To acquire, by gift, purchase, installment purchase, or lease, any equipment necessary to carry out the board's purposes and duties;*
- (12) *To retain any and all information, including all proprietary information, that is submitted to the board by CMRS providers and PSAPs, for the purposes of maintaining it and verifying its accuracy;*
- (13) *To retain, with approval by the Auditor of Public Accounts, an independent certified public accountant who shall audit, once every eighteen (18) months, the books of the board, CMRS providers, and PSAPs eligible to request or receive disbursements from the CMRS fund under Section 6 of this Act for the following purposes:*
 - (a) *To verify the accuracy of collection, receipts, and disbursements of all revenues derived from the CMRS service charge and the number of wireless E911 calls received by each PSAP eligible to request or receive disbursements from the CMRS fund; and*
 - (b) *To determine whether the revenues generated by the CMRS service charge equal, exceed, or are less than the costs incurred in order to comply with the FCC order.*

The independent certified public accountant shall make a report of the audits to the board and to the appropriate chief executive officer or officers of the CMRS providers and PSAPs. The board shall incorporate the auditor's findings in its studies of the CMRS service charge required by subsection (4) of this section. All information with respect to the audits shall be released to the public or published only in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to individual CMRS providers;

- (14) *To ensure that all carriers have an equal opportunity to participate in the wireless E911 system; and*
- (15) *To ensure that wireless E911 systems are compatible with wireline E911 systems.*

SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The moneys in the CMRS fund shall be apportioned among the approved uses of the fund as specified in this section. The board shall make individual disbursements from the fund upon such terms and conditions necessary in view of the amount of revenues on deposit at the time each request for disbursement is reviewed and approved.

- (1) *Not more than two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement by the board to pay the administrative costs and expenses incurred in the operation of the board, including the compensation of the administrator and expenses incurred pursuant to subsections (10), (11), and (13) of Section 5 of this Act.*
- (2) *From the balance of the total monthly revenues deposited into the CMRS fund after the amounts disbursed or reserved for disbursement under subsection (1) of this section have been subtracted, fifty percent (50%) shall be distributed to PSAPs eligible to receive disbursement from the CMRS fund under subsection (4) of this section who actually request disbursement, as follows:*
 - (a) *Twenty-five percent (25%) shall be distributed according to the "PSAP pro rata formula," whereby each receives a percentage determined by dividing one (1) by the total number of PSAPs eligible to request and actually requesting disbursements under subsection (4) of this section; and*
 - (b) *Twenty-five percent (25%) shall be distributed according to the "PSAP volume formula," whereby each receives a percentage determined by dividing the number of wireless E911 calls received by that PSAP in the previous quarter by the total number of wireless E911 calls received in the previous quarter by all PSAPs located within the boundaries of the Commonwealth that are eligible to receive and actually requesting disbursements under subsection (4) of this section.*

All amounts distributed to PSAPs under this subsection shall be used by the PSAPs solely for the purposes of answering, routing, and properly disposing of CMRS 911 calls, and of complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission pursuant to the FCC order, including the payment of costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service.

- (3) *The balance of the total monthly revenues deposited into the CMRS fund which remains after the disbursements or disbursement reservations prescribed by subsections (1) and (2) of this section have been made shall be distributed to CMRS providers licensed to do business in the Commonwealth solely for the purpose of reimbursing the actual expenses incurred by the CMRS providers in complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, costs and expenses incurred for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service. Sworn invoices shall be presented to the board in connection with any request for reimbursement under this subsection, and approval by a majority vote of the board shall be required prior to any disbursement, which approval shall not be withheld unreasonably. In no event shall any invoice for reimbursement be approved for payment of costs that are not related to compliance with requirements established by the FCC order, or for payment of any costs incurred by a CMRS provider exceeding one hundred twenty-five percent (125%) of the CMRS emergency service charges remitted by that CMRS provider, unless prior approval for the expenditures was given by the CMRS Board. If the total amount of invoices submitted to the CMRS Board and approved for payment exceeds the amount in the CMRS fund in any month, CMRS providers that have invoices approved for payment shall receive a pro rata share of the fund available that month, based on approved invoices, and the balance of the payments shall be carried over to the following months until all of the approved payments are made.*
- (4) *Notwithstanding any other provision of the law, no PSAP shall be eligible to request or receive a disbursement from the CMRS fund under subsection (2) of this section unless and until the PSAP:*
 - (a) *Is expressly certified as a PSAP by the CMRS Board, upon written application to the CMRS Board;*
 - (b) *Demonstrates that the PSAP is providing 911 services to a local government that has adopted an ordinance either imposing a special tax, license, or fee as authorized by KRS 65.760(3) or has established other means of funding wireline 911 emergency telephone service;*

- (c) *Demonstrates that the administrator of the PSAP sent a request for wireless, E911 service to a CMRS provider, and that the infrastructure of the local exchange carrier will support wireless E911 service;*
- (d) *Provides an accounting of the number of wireless E911 calls received by the PSAP during the prior calendar year; and*
- (e) *Either demonstrates that the PSAP has made the investment which is necessary to allow the PSAP to receive and utilize the data elements associated with wireless E911 service, or provides to the board a binding resolution, duly adopted by the governing authority of the PSAP, committing the PSAP to expend funds to lease or purchase emergency telephone equipment, including necessary computer hardware and software, for database provisioning, for addressing, and for the other nonrecurring costs of establishing wireless E911 service.*

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *The CMRS Board shall implement the provisions of Sections 1 to 12 of this Act through the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A.*
- (2) *As soon as practicable after its creation, the board shall promulgate regulations:*
 - (a) *Establishing procedures for the submission of plans or modifications of plans to the board, for its review and approval or disapproval, for complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, projections of anticipated costs and expenses necessary for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining on an ongoing basis all necessary data, hardware, and software required in order to provide this service;*
 - (b) *Establishing procedures and guidelines to be followed by the board in reviewing, evaluating, and approving or disapproving the plans or modifications of plans that are submitted to it in accordance with the procedures promulgated under paragraph (a) of this subsection;*

 - (d) *Establishing procedures and guidelines for resolving disputes regarding reimbursable costs and expenses under subsections (2) and (3) of Section 6 of this Act.*

SECTION 8. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *Each CMRS provider shall act as a collection agent for the CMRS fund and shall, as part of the provider's normal monthly billing process, collect the CMRS service charges levied upon CMRS connections under subsection (2) of Section 5 of this Act from each CMRS connection to whom the billing provider provides CMRS. Each billing provider shall list the CMRS service charge as a separate entry on each bill which includes a CMRS service charge. If a CMRS provider receives a partial payment for a monthly bill from a CMRS customer, the provider shall first apply the payment against the amount the CMRS customer owes the CMRS provider.*
- (2) *A CMRS provider has no obligation to take any legal action to enforce the collection of the CMRS service charges for which any CMRS customer is billed. Collection actions to enforce the collection of the CMRS service charge against any CMRS customer may, however, be initiated by the state, on behalf of the board, in the Circuit Court of the county where the bill for CMRS service is regularly delivered, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.*
- (3) *State and local taxes shall not apply to CMRS service charges.*
- (4) *To reimburse itself for the cost of collecting and remitting the CMRS service charge, each CMRS provider may deduct and retain from the CMRS service charges it collects during each calendar month an amount not to exceed one and one-half percent (1.5%) of the gross aggregate amount of CMRS service charges it collected that month.*
- (5) *All CMRS service charges imposed under Sections 1 to 12 of this Act collected by each CMRS provider, less the administrative fee described in subsection (4) of this section, are due and payable to the board monthly and shall be remitted on or before sixty (60) days after the end of the calendar month. Collection actions*

may be initiated by the state, on behalf of the board, in the Franklin Circuit Court or any other court of competent jurisdiction, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Notwithstanding any other provision of law, no CMRS provider or service supplier, nor their employees, directors, officers, or agents, except in cases of negligence, or wanton or willful misconduct, or bad faith, shall be liable for any damages in a civil action or subject to criminal prosecution resulting from death or injury to any person or from damage to property incurred by any person in connection with developing, adopting, establishing, participating in, implementing, maintaining, or providing access to a CMRS system for the purposes of providing wireless 911 service or E911 service in compliance with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC orders: in connection with the quality of the service; in connection with ensuring that any 911 call goes through properly; or in connection with providing access to CMRS service in connection with providing wireless 911 service or E911 service.

SECTION 10. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Each CMRS provider shall provide customer mobile handset telephone numbers and names to PSAPs when required by the board. Each CMRS provider shall provide a quarterly report to the board of the number of calls the provider forwarded to each PSAP during that quarter. Funds from the CMRS fund may be used to pay for the costs associated with providing this information. Although customer mobile handset telephone numbers and names shall be available to PSAPs, and to the board, this information shall remain the property of the disclosing CMRS provider and shall be used only in providing emergency response services to 911 calls. Mobile handset telephone numbers and names which are required to be provided under this section constitute confidential proprietary information and shall not be released to any person for purposes other than for including the numbers and names in the emergency telephone system database and for providing the numbers and names to permit a response to police, fire, medical, or other emergency situations. Notwithstanding any other provision of the law, no proprietary information provided to PSAPs under this section shall be subject to subpoena of the PSAP or otherwise released to any person other than to the submitting CMRS provider, the administrator, the board, and the independent certified public accountant retained by the board under subsection (13) of Section 5 of this Act without the express permission of the submitting CMRS provider. General information collected by the independent certified public accountant shall only be released or published in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to an individual CMRS provider.

SECTION 11. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Wireless emergency telephone service shall not be used for personal use but shall be used solely for the purpose of communications by the public in emergency situations. Any person who knowingly uses or attempts to use wireless emergency telephone service for a purpose other than obtaining public safety assistance or who knowingly uses or attempts to use wireless emergency telephone service in an effort to avoid any CMRS charges shall be guilty of a Class A misdemeanor. If the value of the wireless emergency telephone service obtained in a manner prohibited by this section or the value of the CMRS charges exceeds one hundred dollars (\$100), the offense may be prosecuted as a Class D felony.

SECTION 12. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 12 of this Act shall not be construed as enabling the Commonwealth of Kentucky, including the Public Service Commission of Kentucky, to regulate CMRS in contravention of Section 332(c)(3) of the Communications Act of 1934, as amended, 47 U.S.C. sec. 332(c)(3).

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

- (1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage, use, or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;
- (2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:
 - (a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

- (b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

- (3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;
- (4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;
- (5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;
- (6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to twenty-five cents (\$0.25) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;
- (7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;
- (8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the Revenue Cabinet;
- (b) In making the determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales:
1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;
 2. Classified as "residential" by a municipally-owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;
 3. Classified as "residential" by the governing body of a municipally-owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.
- If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;
- (c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and
- (d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;
- (9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;

- (10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the seller and the seller maintains a file of the proof;
- (11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale are not subject to the sales or use tax. The property shall be regarded as having been purchased for resale. For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.
- (a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:
1. Materials which enter into and become an ingredient or component part of the manufactured product.
 2. Other tangible personal property which is directly used in manufacturing or industrial processing, if the property has a useful life of less than one (1) year. Specifically these items are categorized as follows:
 - a. Materials. This refers to the raw materials which become an ingredient or component part of supplies or industrial tools exempt under subdivisions b. and c. below.
 - b. Supplies. This category includes supplies such as lubricating and compounding oils, grease, machine waste, abrasives, chemicals, solvents, fluxes, anodes, filtering materials, fire brick, catalysts, dyes, refrigerants, explosives, etc. The supplies indicated above need not come in direct contact with a manufactured product to be exempt. "Supplies" does not include repair, replacement, or spare parts of any kind.
 - c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.
 3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle, excluding repair, replacement, or spare parts of any kind. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.
- (b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. - (6)~~(8)~~ The protection provided by this subtitle shall not apply where any guaranteed protection is provided to residents of this state by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this state.
- (7)~~(9)~~ In carrying out its duties under **subsection**~~subsections~~ (2)~~and (3)~~ of this section, the association may~~, subject to approval by the court~~:
- (a) ***Subject to approval by a court in this state***, impose permanent policy or contract liens in connection with any guarantee, assumption, or reinsurance agreement, if the association finds that the amounts which can be assessed under this subtitle are less than the amounts needed to assure full and prompt performance of the association's duties under this subtitle, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; and
 - (b) ***Subject to approval by a court in this state***, impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. ***In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans, or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the association may defer the payment of cash values, policy loans, or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.***
- (8) ***A deposit in this state, held under law or required by the commissioner for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of an insurer domiciled in this state or in a reciprocal state, shall be promptly paid to the association. The association:***
- (a) ***Shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policy owners' claims in this state related to that insolvency; and***
 - (b) ***Shall remit to the domiciliary receiver the amount so paid to the association and retained in accordance with paragraph (a) of this subsection. Any amount so paid to the association less the amount retained by it in accordance with paragraph (a) of this subsection shall be treated as a distribution of estate assets under KRS 304.33-440 or similar provision of the state of domicile of the impaired or insolvent insurer.***
- (9)~~(10)~~ If the association fails to act within a reasonable period of time ***with respect to an insolvent insurer*** as provided in **subsection**~~subsections~~ (2)~~(a)2., (3), and (4)~~ of this section, the commissioner shall have the powers and duties of the association under this subtitle with respect to ~~the impaired or~~ insolvent ~~insurer~~~~insurers~~.
- (10)~~(11)~~ The association may render assistance and advice to the commissioner, upon his request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

- ~~(11)~~~~(12)~~ The association shall have standing to appear *or intervene* before any court *or agency* in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this subtitle *or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise*. Such standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. The association shall also have the right to appear or intervene before a court *or agency* in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over *any person or property*~~[a third party]~~ against whom the association may have rights through subrogation *or otherwise*~~[of the insurer's policyholders]~~.
- ~~(12)~~~~(13)~~ (a) Any person receiving benefits under this subtitle shall be deemed to have assigned the rights under, and any causes of action *against any person for losses arising under, resulting from, or otherwise* relating to, the covered policy or contract to the association to the extent the benefits received because of this subtitle, whether benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The association may require an assignment to it of such rights and cause of action by any payee, policy or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any right or benefits conferred by this subtitle upon such person.
- (b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this subtitle.
- (c) In addition to paragraphs (a) and (b) of this subsection, the association shall have all common law rights of subrogation and any other equitable or legal remedy ~~that~~~~which~~ would have been available to the impaired or insolvent insurer or *owner, beneficiary, or payee*~~holder~~ of a policy or contract with respect to such policy or contract, *including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity, to the extent of benefits received under this subtitle against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor*.
- (d) *If the preceding provisions of this subsection are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or portion thereof covered by the association.*
- (e) *If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in the preceding paragraphs of this subsection, the person shall pay to the association the portion of the recovery attributable to the policies or portion thereof covered by the association.*
- ~~(13)~~~~(14)~~ *In addition to the rights and powers elsewhere in this subtitle*, the association may:
- (a) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this subtitle;

 - (i) *Take other necessary or appropriate action to discharge its duties and obligations under this subtitle or to exercise its powers under this subtitle.*
- ~~(14)~~~~(15)~~ The association may join an organization of one (1) or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association.
- (15) (a) *At any time within one (1) year after the date on which the association becomes responsible for the obligations of a member insurer, the association may elect to succeed to the rights and obligations of the member insurer that accrue on or after that date and that relate to contracts covered in whole or in part by the association, under any one (1) or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association. The association may not exercise any such election with respect to a reinsurance agreement if the receiver, rehabilitator, or liquidator of the member insurer has previously and expressly disaffirmed the reinsurance agreement. The election shall be effected by a notice to the receiver, rehabilitator, or liquidator and to the affected reinsurer. If the association makes an election, subparagraphs 1. to 4. of this paragraph shall apply with respect to the agreements selected by the association:*
1. *The association shall be responsible for all unpaid premiums due under the agreements for periods both before and after the date, and shall be responsible for the performance of all other obligations to be performed after the coverage date, in each case which relate to contracts covered, in whole or in part, by the association. The association may charge contracts covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association.*
 2. *The association shall be entitled to any amounts payable by the reinsurer under the agreements with respect to losses or events that occur in periods after the coverage date and that relate to contracts covered by the association, in whole or in part. Upon receipt of any such amounts the association shall be obliged to pay to the beneficiary under the policy or contract on account of which the amounts were paid a portion of the amount equal to the excess of:*
 - a. *The amount received by the association, over*
 - b. *The benefits paid by the association on account of the policy or contract less the retention of the impaired or insolvent member insurer applicable to the loss or event.*
 3. *Within thirty (30) days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each such reinsurance agreement as of the date of the association's election, which calculation shall give full credit to all items paid by either the member insurer or its receiver, rehabilitator, or liquidator, or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or indemnity reinsurer shall pay the net balance due the other within five (5) days of the completion of the calculation. If the receiver, rehabilitator, or liquidator has received any amounts due the association under subparagraph 2. of this paragraph, the receiver, rehabilitator, or liquidator shall remit those amounts to the association as promptly as practicable.*
 4. *If the association, within sixty (60) days of the election, pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association in whole or in part, the insurer shall not be entitled to terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and shall not be entitled to set off any unpaid premium due for periods prior to the coverage date against amounts due the association.*

- (b) *If the association transfers its obligations to another insurer, and if the association and the other insurer agree, the other insurer shall succeed to the rights and obligations of the association under paragraph (a) of this subsection effective as of the date agreed upon by the association and the other insurer and regardless of whether the association has made the election referred to in paragraph (a) of this subsection if:*
1. *The indemnity reinsurance agreements automatically terminate for new reinsurance unless the indemnity reinsurer and the other insurer agree to the contrary;*
 2. *The obligations described in subparagraph 2. of paragraph (a) of this subsection no longer apply on and after the date the indemnity reinsurance agreement is transferred to the third party insurer; and*
 3. *The association has not previously expressly determined in writing that it will not exercise the election referred to in paragraph (a) of this subsection.*
- (c) *The provisions of this subsection shall supersede the provisions of any law of this state or of any affected reinsurance agreements that provide for or require any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator, or rehabilitator of the insolvent member insurer. The receiver, rehabilitator, or liquidator shall remain entitled to any amounts payable by the reinsurer under the reinsurance agreements with respect to losses or events that occur in periods prior to the coverage date, subject to applicable setoff provisions.*
- (d) *Except as otherwise expressly provided in this subsection, nothing in this subsection shall alter or modify the terms and conditions of the indemnity reinsurance agreements of the insolvent member insurer. Nothing in this subsection shall abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement. Nothing in this subsection shall give a policy owner or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement.*
- (16) *The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this subtitle in an economical and efficient manner.*
- (17) *If the association has arranged or offered to provide the benefits of this subtitle to a covered person under a plan or arrangement that fulfills the association's obligations under this subtitle, the person shall not be entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.*
- (18) *Venue in a suit against the association under this subtitle shall be in Franklin County. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this subtitle.*

Section 6. KRS 304.42-090 is amended to read as follows:

- (1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than thirty (30) days after prior written notice to the member insurers and shall accrue interest at eight percent (8%) per annum on and after the due date.
- (2) There shall be two (2) classes of assessments:
 - (a) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses ~~and examinations conducted under the authority of KRS 304.42-120(5)~~. Class A assessments may be **authorized and called** ~~made~~ whether or not related to a particular impaired or insolvent insurer;
 - (b) Class B assessments shall be **authorized and called** ~~made~~ to the extent necessary to carry out the powers and duties of the association under KRS 304.42-080 with regard to an impaired or insolvent insurer.

- (3) (a) The amount of any Class A assessment shall be determined by the board and may be **authorized and called**~~made~~ on a pro rata or non-pro rata basis. If pro rata, the board may provide that it be credited against future Class B assessments. **The total of all**~~[A]~~ non-pro rata **assessments**~~[assessment]~~ shall not exceed one hundred fifty dollars (\$150) per member insurer in any one (1) calendar year. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.~~[;]~~
- (b) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the three (3) most recent calendar years for which information is available preceding the year in which the insurer became **insolvent, or in the case of assessment with respect to an impaired insurer, the three (3) most recent calendar years for which information is available preceding the year in which the insurer became** impaired,~~[or insolvent]~~ bears to such premiums received on business in this state for such calendar years by all assessed member insurers.~~[; and]~~
- (c) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this subtitle. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. **The association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called within one hundred eighty (180) days after the assessment is authorized.**
- (4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. **Once the conditions that caused a deferral have been removed or rectified, the member shall pay all assessments that were deferred under a repayment plan approved by the association.**
- (5) (a) **Subject to the provisions of paragraph (b) of this subsection,** the total of all assessments **authorized by the association with respect to**~~upon~~ a member insurer for each account shall not in any one (1) calendar year exceed two percent (2%) of **the**~~[such]~~ insurer's **average annual premiums received in this state on the policies and contracts covered by the account during the three (3) calendar years preceding the year in which the insurer became an impaired or insolvent insurer**~~[premiums received in this state during the calendar year preceding the assessment on the policies covered by the account]~~. If the maximum assessment, together with the other assets of the association in **any other**~~[either]~~ account, does not provide in any one (1) year in **any other**~~[either]~~ account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this subtitle.
- (b) **If two (2) or more assessments are authorized in one (1) calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in paragraph (a) of this subsection shall be equal and limited to the higher of the three (3) year average annual premiums for the applicable account as calculated under this section.**
- (c) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one (1) or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.
- (6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from **assignment, subrogation,** net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses **claims**~~[if refunds are impractical]~~.

- (7) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance within the scope of this subtitle, to consider the amount reasonably necessary to meet its assessment obligations under this subtitle.
- (8) The association shall issue to each insurer paying an assessment under this subtitle, other than a Class A assessment, a certificate of contribution, in a form prescribed by the commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.
- (9) *(a) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the association. The payment shall be available to meet association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest.*
- (b) Within sixty (60) days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer in writing of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest.*
- (c) Within thirty (30) days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within sixty (60) days of receipt of notice of the final decision, the protesting member insurer may appeal the final action to the commissioner, in accordance with subsection (3) of Section 7 of this Act.*
- (d) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the commissioner for a final decision, with or without a recommendation from the association.*
- (e) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member company. Interest on a refund due a protesting member shall be paid at the rate actually earned by the association.*
- (10) *The association may request information of member insurers in order to aid in the exercise of its power under this section and member insurers shall promptly comply with a request.*

Section 7. KRS 304.42-110 is amended to read as follows:

In addition to the duties and powers enumerated elsewhere in this subtitle:

- (1) The commissioner shall:
- (a) Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer;
- (b) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand shall not excuse the association from the performance of its powers and duties under this subtitle; and
- (c) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the commissioner may be appointed conservator.
- (2) The commissioner may suspend or revoke, after notice and hearing conducted in accordance with KRS Chapter 13B, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture on any member insurer which fails to pay an assessment when due. A forfeiture shall not exceed five percent (5%) of the unpaid assessment per month, but no forfeiture shall be less than one hundred dollars (\$100) per month.

- (1) When an agency determines that it will need office or other space, the agency shall submit a request for the acquisition of the additional space to the Department for Facilities Management in the Finance and Administration Cabinet. Except in the case of an emergency as described at KRS 56.805(3), an agency shall submit its space request in writing to the department at least ninety (90) calendar days before the space requested will be required by the agency. In the case of an emergency, an agency shall communicate its space needs to the department pursuant to KRS 56.805(3) as soon as an agency knows that it will need the space. If the commissioner of the Department for Facilities Management determines that insufficient space has been allocated to the agency making the request and that it is appropriate to lease additional space for the agency making the request, he shall acquire the space required by lease as provided by KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.
- (2) The Department for Facilities Management shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is suitable space available in a state-owned or occupied building, the commissioner shall notify the agency by letter. A copy of the letter shall be kept on file.
- (3) If it is determined that there is no suitable space available in a state-owned or occupied building, the department shall comply with the procedures set forth in this section in the leasing of space, except as otherwise provided in KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.
- (4) The department shall draw up general requirement specifications for the space required. These general requirement specifications shall not be changed except, at the discretion of the commissioner, when the lease process is initiated again pursuant to paragraph (c) of subsection (15) of this section or pursuant to paragraph (b) of subsection (16) of this section. The general requirement specifications shall be kept on file.
- (5) In soliciting the interest of lessors who have property to let in a county where space is sought, the department shall comply with procedures established in this subsection.
 - (a) The department shall place newspaper advertisements. Each advertisement shall contain general information concerning the agency requirements for the space sought to reasonably inform persons having property to let within the county of the type of space wanted, the general location of the property, and the number of square feet needed, and shall state the last time, date, and place that written responses shall be received. When it is anticipated that a lease may be negotiated containing deviations or variations from the terms and conditions of the state standard lease form prescribed by the Division of Real Properties, within the department, any deviations or variations shall be noted in the advertisement.
 - (b) If a daily newspaper is published, and of general circulation, in the county where the space is sought, an advertisement shall be published two (2) times in that newspaper.
 - (c) If there is not a daily newspaper published, and of general circulation, in the county where the space is sought, an advertisement shall be published one (1) time in a weekly newspaper published, and of general circulation, in the county where the space is sought and two (2) times in a daily newspaper not published, but of general circulation, in the county where space is sought.
 - (d) If neither a daily newspaper nor a weekly newspaper is published, and of general circulation, in the county where the space is sought, an advertisement shall be published two (2) times in a daily newspaper not published, but of general circulation, in the county where the space is sought, and a copy of the advertisement shall be posted in a conspicuous place in the county courthouse.
 - (e) If the Commonwealth intends to lease space in any county when the estimated annual rental charge will exceed one hundred thousand dollars (\$100,000), the requirements established in paragraphs (a), (b),

- (c), and (d) of this subsection shall be followed. In addition, advertisements shall be published two (2) times in at least two (2) daily newspapers having broad circulation within the Commonwealth, to be designated by the secretary of the Finance and Administration Cabinet.
- (f) When an advertisement is published in a daily newspaper, the advertisement shall appear on any consecutive Monday and Tuesday.
- (g) The Department for Facilities Management may use any means available to notify landlords that advertisements have been placed.
- (6) To respond to a newspaper advertisement, a property owner, or his representative, shall respond in writing on or before the time and date designated in the advertisement and shall state in the writing the type and location of the property, the name and address of the property owner, and the date of availability of the property. The department shall deal only with individuals who have submitted written responses on or before the time and date designated in the advertisement.
- (7) All written responses submitted on or before the time and date designated shall be opened at the same time, publicly read, and kept on file by the department.
- (8) Within five (5) days of the opening of written responses submitted on or before the time and date designated, the department shall mail general requirement specifications to each person who submitted a written response on or before the time and date designated. The same general requirement specifications shall be mailed to each person.
- (9) After the general requirement specifications have been mailed, except as provided in paragraph (a) of subsection (13) of this section, the commissioner, and department employees under his supervision, may negotiate with persons who submitted written responses on or before the time and date designated. If in the course of negotiations, a person proposes terms and conditions of lease different from those contained in the state standard lease form which are determined to be in the Commonwealth's best interest to accept, but no mention of the acceptability thereof has been made in the advertisement placed pursuant to subsection (5) of this section, all other persons who submitted written responses on or before the time and date designated shall be advised by letter of the terms and conditions and shall be allowed to incorporate the terms and conditions in written proposals when submitted pursuant to subsection (12) of this section. A copy of each of these letters shall be kept on file.
- (10) After the general requirement specifications have been mailed, the department shall inspect each space proposed to be leased to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner of the property, or his representative, shall provide access to the property for such inspection. A report of the findings about each property inspected shall be submitted on a site evaluation form to the commissioner of the department. Completed site evaluation forms shall be kept on file.
- (11) After the commissioner has reviewed the completed site evaluation forms, he shall send to each owner of property, or his representative, a letter informing the person of what would have to be done to bring the property up to general and specific requirement specifications. The commissioner's letter shall also invite each person to submit a written proposal on a form created by the Department for Facilities Management. A copy of the form shall be enclosed with each letter. A written proposal shall constitute a best and final offer. The department shall not consider a written proposal unless it is submitted on a department form on or before the time and date designated in the letter. A copy of each letter shall be kept on file.
- (12) All written proposals submitted on or before the time and date designated shall be opened at the same time, publicly identified by the name of the property owner and the location of the property, and kept on file.
- (13) Except pursuant to paragraph (b) of subsection (15) of this section, when the requirements of paragraph (a) of this subsection shall not apply, from the time that written proposals are opened until the awarding of a lease, the department:
- (a) Shall not negotiate or agree to changes in the terms of written proposals except to correct technical errors;
- (b) Shall log in all contacts between department employees and any person with an interest in the awarding of a lease. The log shall state the time, date, place, and a summary of the substance of each contact. Each log entry shall be signed by the department employee who was contacted. After the lease is awarded, the log shall be kept as a department record.

- (14) (a) The commissioner shall assess the proposals, taking into account factors including, but not limited to: consultation with the head of the agency for whose use the space is sought; the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; its conformity with applicable state fire, health, safety and sanitation requirements; the proposed rental rates; utility and janitorial costs; agency moving costs; and whether the property proposed is in substantial conformity with the advertised requirements and general and specific requirement specifications.
- (b) The commissioner shall give preference to properties in areas which have received, within the previous five (5) year period, state community development funds for revitalization if properties are offered at a competitive rate and meet the provisions of paragraph (a) of this subsection.
- (15) The commissioner, relying exclusively on his assessment made pursuant to subsection (14) of this section, shall:
- (a) Choose the best proposal in the interest of the Commonwealth;
- (b) Be permitted to negotiate with a potential lessor if he was the only responsive and responsible potential lessor who submitted a proposal; or
- (c) Except as provided in paragraph (b) of this subsection, reject all proposals when none is in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section and may, at his discretion, initiate the lease process again.
- (16) (a) The commissioner shall award or decline to award a lease to the potential lessor who submitted the best proposal pursuant to paragraph (a) of subsection (15) of this section or who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section. However, the commissioner shall not award a lease to a potential lessor who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section if that potential lessor's proposal after negotiations was not in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section, and the commissioner shall not award a lease to a person other than a potential lessor prescribed in this paragraph.
- (b) If the commissioner declines to award a lease, he may, at his discretion, initiate the lease process again.
- (17) The commissioner shall put in writing the justifications for his decisions made pursuant to subsections (15) and (16) of this section. This writing shall be kept on file.
- (18) ***The commissioner, all department employees under the commissioner's supervision who performed a site evaluation or negotiated a lease agreement under this section, and the head of the agency that will occupy the leased space shall sign separate certificates, devised by the commissioner, which shall provide the signatory with the option of certifying that, to the best of his knowledge, he is either aware or unaware of circumstances which may constitute a violation of KRS 56.800 to 56.823. The Department for Facilities Management shall keep the certificates on file.***
- (19) The department shall send to each person who submitted a written response on or before the time and date designated in the advertisement pursuant to subsection (6) of this section, but who was not awarded the lease, a letter stating the selected property to be leased, and that the person has a right to examine the leasing records relevant to the lease that was awarded. If the Capital Projects and Bond Oversight Committee, pursuant to KRS 56.823(2), will review the awarding of a lease, each letter shall state that fact. A copy of each of these letters shall be kept on file.

Section 3. KRS 56.814 is amended to read as follows:

All paroles shall issue upon order of the board duly adopted. As soon as practicable after his admission to an adult state penal or correctional institution or county jail if he is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include his criminal record, his conduct, employment, and attitude in prison, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his offense and his previous social history to the institution and the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.

The board in its discretion may hold interviews and hearings for prisoners convicted of Class D felonies. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and

make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.

- (3) The board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.
- (5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45) nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony for which he is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail to his business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the Commonwealth's attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.
- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.
- (7) *Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.*
- (8) Any hearing provided for in subsections (5), ~~and~~ (6), *and* (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. *The time, date, and location of closed hearings shall not be disclosed to the public.*
- ~~(9)~~ Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.

- ~~(10)(9)~~ The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his agents or employees to comply with any of the provisions of subsections (5), (6), and ~~(8)(7)~~ of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- ~~(11)(10)~~ No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the Sexual Offender Treatment Program.

(4) In addition Article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

Section 4. KRS 355.9-402 is amended to read as follows:

- (1) A financing statement is sufficient if it gives the names of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address *and identification number* of the debtor, and contains a statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers crops growing or to be grown, the statement must also contain a description of the real estate concerned and must describe the

production season. If the production season is not described, the financing statement shall be deemed to describe the crops produced in the production season which ends within twelve (12) months after the filing date of the financing statement. A financing statement shall not describe more than one (1) production season. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or when the financing statement is filed as a fixture filing (KRS 355.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state or in any other state.

- (2) A financing statement which otherwise complies with subsection (1) of this section is sufficient when it is signed by the secured party instead of the debtor if it is filed to perfect a security interest in:
 - (a) Collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state, or that the debtor's location was changed to this state under such circumstances; or
 - (b) Proceeds under KRS 355.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or
 - (c) Collateral as to which the filing has lapsed; or
 - (d) Collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7) of this section).

(3) A form substantially as follows is sufficient to comply with subsection (1) of this section:

Name of debtor (or assignor)

Address

Name of secured party (or assignee)

Address

- (a) This financing statement covers the following types (or items) of property:
(Describe)
- (b) (If collateral is crops) The above described crops are growing or are to be grown on:
(Describe real estate)
- (c) (If applicable) The above goods are to become fixtures on (or) The above timber is standing on (or) The above minerals or the like (including oil and gas) or accounts will be financed at the wellhead or minehead of the well or mine located on:
(Describe real estate)

and this financing statement is to be filed in the same office as the real estate records. (If the debtor does not have an interest of record) The name of a record owner is

(d) (If products of collateral are claimed) Products of the collateral are also covered.

Signature of debtor (or assignor)

Signature of secured party (or assignee)

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party. An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.

- (5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or a financing statement filed as a fixture filing (KRS 355.9-313), must show that it covers this type of collateral, must recite that it is to be filed in the same office as the real estate records, and the financing statement must contain a description of the real estate. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.
- (6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if:
 - (a) The goods are described in the mortgage by item or type;
 - (b) The goods are or are to become fixtures related to the real estate described in the mortgage;
 - (c) The mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records; and
 - (d) The mortgage is duly recorded.

No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

- (7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four (4) months after the debtor notifies the secured party in writing of the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.
- (8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

Section 5. KRS 355.9-403 is amended to read as follows:

- (1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.
- (2) Except as provided in subsection (6) of this section a filed financing statement is effective for a period of five (5) years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five (5) year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of sixty (60) days or until expiration of the five (5) year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.
- (3) A continuation statement may be filed by the secured party within six (6) months prior to the expiration of the five (5) year period specified in subsection (2) of this section. Any such continuation statement must be signed by the secured party, identify the original statement by file number and date filed, ***contain the identification number of the debtor***, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five (5) years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) of this section unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one (1) year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other relating filings, or by other means, that if he physically destroys the financing statements of a period more than

five (5) years past, those which have been continued by a continuation statement or which are still effective under subsection (6) of this section shall be retained.

- (4) Except as provided in subsection (7) of this section a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.
- (5) The uniform fee for filing and indexing an original or a continuation statement shall be as provided for in KRS 64.012. This fee includes the fee for filing and indexing a termination statement and for sending or delivering the terminated instrument and financing statement.
- (6) A real estate mortgage which is effective as a fixture filing under subsection (6) of KRS 355.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.
- (7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described.

Section 6. KRS 355.9-404 is amended to read as follows:

- (1) Whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement ~~that states to the effect~~ that he no longer claims a security interest under the financing statement, **contains the identification number of the debtor**, and ~~identifies~~ **identify** the original statement by file number and date filed. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. The uniform fee for filing and indexing such an assignment or statement thereof shall be three dollars (\$3). If the affected secured party fails to file such termination statement as required by this subsection, or to send such a termination statement within ten (10) days after proper demand therefor he shall be liable to the debtor for one hundred dollars (\$100), and in addition for any loss caused to the debtor by such failure.
- (2) In the absence of a demand by the debtor for a statement of termination, and within fifteen (15) days after a secured transaction evidenced by record in the county clerk's or Secretary of State's office has terminated, the secured party must file with each filing officer with whom the financing statement was filed a termination statement to the effect that he no longer claims a security interest under the financing statement or other instrument, which shall be identified by file number and date filed. If the actual secured party willfully fails to send such a termination statement within fifteen (15) days after he no longer claims a security interest, he shall be liable to the debtor for twenty-five dollars (\$25), and in addition for any loss caused to the debtor by such failure.
- (3) On presentation to the filing officer of such a termination statement he must note it in the index. If he has received the termination statement in duplicate, he shall return one (1) copy of the termination statement to the secured party stamped to show the time of receipt thereof. Whenever a statement required under this chapter need be sent to a party to the transaction by the filing officer, it shall be sufficient for the filing officer to send the statement to the party entitled to receive it, at his last known address. If the filing officer has a microfilm or other photographic record of the financing statement, and of any related continuation statement, statement of assignment and statement of release, he may remove the originals from the files at any time after receipt of the termination statement, or if he has no such record, he may remove them from the files at any time after one (1) year after receipt of the termination statement.
- (4) The uniform fee for filing and indexing a termination statement for any financing statement filed prior to July 1, 1966, for which a termination fee was not paid when the financing statement was filed and for sending or

delivering the terminated instrument and for sending or delivering the financing statement shall be three dollars (\$3).

Section 7. KRS 355.9-405 is amended to read as follows:

- (1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in KRS 355.9-403(4). The uniform fee for filing and indexing a financing statement so indicating an assignment shall be as provided in KRS 64.012.
- (2) A secured party may assign of record all or a part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, *the identification number of the debtor*, the file number and the date of filing of the financing statement and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of filing. He shall note the assignment on the index of the financing statement, or in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, he shall index the assignment under the name of the assignor as grantor and, to the extent that the law of this state provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee. The uniform fee for filing and indexing such a separate statement of assignment shall be as provided in KRS 64.012. Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of KRS 355.9-402) may be made only by an assignment of the mortgage in the manner provided by the law of this state other than this chapter.
- (3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record.

Section 8. KRS 355.9-406 is amended to read as follows:

A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, *the identification number of the debtor*, the name and address of the secured party, and the file number of the financing statement. A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. Upon presentation of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release shall be as provided for in KRS 64.012.

CHAPTER 548

(HCR 14)

A CONCURRENT RESOLUTION directing the Tobacco Task Force to study a tobacco price support program among the states.

WHEREAS, the federal tobacco price support program is an effective, very low cost, government program that enables Kentucky's small farm operators to remain economically stable and self-sustaining; and

WHEREAS, an informal survey conducted in 1994 revealed that over 50% of tobacco experts believe there is a "moderate" to "high" probability that the federal tobacco price support program will be abolished within 10 years; and

WHEREAS, there is now before the U. S. Senate a proposal to end the federal tobacco price support program which has been introduced, in part, as a response to the Attorneys General/Tobacco Industry Settlement, Proposed Resolution of June 20, 1997; and

WHEREAS, persuasive arguments may be made that the movement to end the program is not based upon any shortcomings of the program but rather is based partly upon a desire to disrupt the market for tobacco in the belief that the disruption will accomplish through indirect action what has not been achieved through direct action -- to persuade individuals to end their use of tobacco products; and

WHEREAS, ending the tobacco price support program for this reason unfairly penalizes small farmers because it is estimated that more than 50% will no longer be able to grow tobacco without the price support program, yet many small farmers will not have the opportunity to replace that income in many areas of the state, and most notably in eastern Kentucky, where off-farm jobs are not widely available; and

WHEREAS, ending tobacco price supports for this reason also places 38 Kentucky counties at severe economic risk, because they are particularly dependent on the growing of tobacco for economic stability due to high unemployment in those counties; and

WHEREAS, Kentucky must protect against the economic disruption that would follow from an end to the federal tobacco price support program and prepare to substitute an equally effective program to provide tobacco price stability to small farmers and the communities in which they live;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Tobacco Task Force is directed to develop a strategy for the state to enter into a tobacco price support program with other tobacco producing states. The strategy shall include but not be limited to: structuring a

states' program similar to the federal program; determining the legal requirements for establishing a states' tobacco price support program; and preparing the initial steps that Kentucky may need to take to enter into a states' program.

Section 2. The task force shall hold no less than two (2) meetings to carry out the purposes of Section 1. The task force shall, at a minimum, seek testimony from the Kentucky Farm Bureau, the Community Farm Alliance, the Burley Tobacco Growers Cooperative Association, the Burley Auction Warehouse Association, the Council for Burley Tobacco, the University of Kentucky College of Agriculture, Ag Project 2000, the Governor's Office, the Department of Agriculture, and the Economic Development Cabinet.

Section 3. The task force shall report to the LRC no later than September 15, 1999. In the event that the U. S. Congress moves to end the federal tobacco price support program before the report is due, the task force shall immediately advise the Legislative Research Commission and the Governor's Office on the steps to take to best protect the interests of the state and the state's tobacco producers.

CHAPTER 549

(HCR 114)

A CONCURRENT RESOLUTION directing a study relating to protection of the elderly from fraud and abuse.

WHEREAS, the Senior Citizens Advisory Commission of the Legislative Research Commission indicates that fraudulent crime against the elderly is swiftly on the rise; and

WHEREAS, the Senior Citizens Advisory Commission indicates that fraudulent crime against the elderly is one of the elderly's greatest concerns; and

WHEREAS, state and local police indicate that often they do not find out about the commission of these crimes until many days or months have passed because the victims feel ashamed; and

WHEREAS, the elderly continue to suffer from exploitation problems; and

WHEREAS, the state and local police and Attorney General's Office indicate that there needs to be more effective methods to educate the elderly about exploitation; and

WHEREAS, the Senior Citizens Advisory Commission indicates that there is an additional problem of the underreporting of abuse, neglect, and exploitation of the elderly; and

WHEREAS, protection of its people is a number one goal of the Commonwealth of Kentucky;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Interim Joint Committee on Health and Welfare of the Legislative Research Commission is directed to undertake a study to determine the most common types of abuse, neglect, and exploitation of the elderly and the most effective approach to education and protection. The study shall include an assessment of the adequacy of current law, and the availability of appropriate methods of intervention. The study shall determine the need for coordination among city, county, state, and federal entities as it relates to prevention, education, and protection. The study shall include dialogue with and seek recommendations from professionals from law enforcement, health care, social work, mental health, long-term care ombudsmen, and staff from adult day care centers, senior citizen centers, hospitals, local health departments, nutrition centers, and other agencies or organizations that work with the elderly population and their families.

Section 2. The Interim Joint Committee on Health and Welfare shall report its findings and recommendations to the year 2000 Regular Session of the General Assembly.

Section 3. Staff services to be utilized in completing this study are estimated to cost \$15,000. These staff services shall be provided from the regular Commission budget and are subject to the limitations and other research responsibilities of the Commission.

SECTION 4. A NEW SECTION OF KRS CHAPTER 393 IS CREATED TO READ AS FOLLOWS:

A person making a claim under this chapter after the expiration of the three (3) year period is entitled to receive the securities delivered to the department by the holder, if they still remain in the custody of the department, or the net proceeds received from the sale, and is not entitled to receive any appreciation in the value of the property occurring after the delivery to the department, except in the case of intentional misconduct or malfeasance by the department.*

In the notice to be made to the cabinet, the person shall state, at a minimum, the location of the release or threatened release, the material released or threatened to be released, and the approximate quantity and concentration of the release or threatened release. If a person possessing or controlling a pollutant or contaminant for which a reportable quantity has not been established in administrative regulations promulgated pursuant to subsection (2) of the section fails to report a release or threatened release because of a good-faith belief that the release did not present an imminent or substantial danger to the public health or welfare, that person shall not be liable for a violation of the release notification requirements of this section. In determining whether a person has acted in good faith, the cabinet shall consider the circumstances surrounding the release, including whether the release was a permitted release or the application of a pesticide in accordance with the manufacturer's instructions.
 - (8) The cabinet may require the person subject to the release notification requirements of subsections (5) to (9) of this section to provide a written report on the release or threatened release. This report shall be submitted to the environmental response section of the cabinet within seven (7) days of the cabinet's demand for the report. The report shall identify the following:

Notification received by the cabinet of a threatened release or discharge shall not be deemed a separate incident.
- (14) The cabinet shall be the lead agency for hazardous substance, pollutant, or contaminant emergency spill response and, after consultation with other affected federal, state, and local agencies and private organizations, shall establish a contingency plan for undertaking emergency actions in response to the release of a hazardous substance, pollutant, or contaminant. The contingency plan shall:
- (a) Provide for efficient, coordinated, and effective action to minimize damage to the air, land, and waters of the Commonwealth caused by the release or threatened release of hazardous substances, pollutants, or contaminants;
 - (b) Include containment, cleanup, and disposal procedures;
 - (c) Provide for remediation or restoration of the lands or waters affected consistent with this section;
 - (d) Assign duties and responsibilities among state cabinets and agencies in coordination with federal and local agencies;
 - (e) Provide for the identification, procurement, maintenance, and storage of necessary equipment and supplies;
 - (f) Provide for designation of persons trained, prepared, and available to provide the necessary services to carry out the plan; and
 - (g) Establish procedures and techniques for identifying, containing, removing, and disposing of hazardous substances released or being released.
- (15) The cabinet shall have the authority, power, and duty to:
- (a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual and necessary costs expended in response to a threatened release, an environmental emergency, or a release of a hazardous substance that is reportable under this section. Except as provided in paragraph (b) of this subsection, this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof, or the amount of liability of any person;
 - (b) Notwithstanding paragraph (a) of this subsection, recover its costs incurred in the removal of oil or hazardous substances discharged in violation of Section 311(b)(3) of the Federal Clean Water Act from any person liable therefor under Section 311 of the Federal Clean Water Act subject to limitations of liability and defenses provided in the section. The limitations of liability shall apply to the total of state and federal expenses; and

- (c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the release or threatened release is unknown, the cabinet or its agent may contain, remove, or dispose of the hazardous substance, pollutant, or contaminant or take any other action consistent with this section, including, but not limited to, issuance of an emergency order as provided in KRS 224.10-410 to the person possessing, controlling, or responsible for the release or threatened release as necessary for the protection of the environment and public health, safety, or welfare. ~~§~~
- (16) Any duly authorized officer, employee, or agent of the cabinet may upon notice to the owner or occupant enter any property, premises, or place at any time for the purposes of this section, if the entry is necessary to prevent damage to the air, land, or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.
- (17) The cabinet shall prepare and annually update an inventory of all sites in the Commonwealth at which there is or has been an environmental emergency or a release of a hazardous substance, pollutant, or contaminant. In preparing the inventory, the cabinet shall determine, based on information available to the cabinet, the impact of each site on public health and the environment and identify the relative priority for restoration or remedial action. Upon determining that no further restoration or remedial action is necessary, the cabinet shall so designate the site on the inventory. A separate designation of sites where a remedial action involving on-site containment or treatment has been performed and other sites where restoration of the environment has not been achieved shall be maintained. A review of environmental conditions at sites remediated by on-site containment or treatment and other sites where restoration or remediation of the environment is not achieved shall be conducted by the cabinet every five (5) years to determine whether additional action is necessary to protect human health or the environment.
- (18) Any person possessing or controlling a hazardous substance, pollutant, or contaminant which is released to the environment, or any person who caused a release to the environment of a hazardous substance, pollutant, or contaminant, shall characterize the extent of the release as necessary to determine the effect of the release on the environment, and shall take actions necessary to correct the effect of the release on the environment. Any person required to take action under this subsection shall have the following options:
- (a) Demonstrating that no action is necessary to protect human health, safety, and the environment;
 - (b) Managing the release in a manner that controls and minimizes the harmful effects of the release and protects human health, safety, and the environment, *provided that the management may include any existing or proposed engineering or institutional controls and the maintenance of those controls*;
 - (c) Restoring the environment through the removal of the hazardous substance, pollutant, or contaminant;
or
 - (d) Any combination of paragraphs (a) to (c) of this subsection.
- (19) Unless otherwise required by the cabinet, a person required to characterize the extent of a release and correct the effect of the release on the environment under subsection (18) of this section may take those actions without making the demonstrations to the cabinet required by subsections (18) to (21) of this section, if:
- (a) The release is less than the reportable quantity of a hazardous substance, pollutant, or contaminant;
 - (b) The release is of a pollutant or contaminant for which a reportable quantity has not been established by administrative regulation promulgated pursuant to subsection (2) of this section, if the release does not present an imminent or substantial danger to the public health or welfare; or
 - (c) The release is authorized by a state or federal permit.
- (20) If a person required to take action under subsection (18) of this section demonstrates to the cabinet that, pursuant to subsection (18)(a) of this section, no action is necessary to protect human health, safety, and the environment or, pursuant to subsection (18)(b) of this section, the release will be managed in a manner that controls and minimizes the harmful effects of the release and protects human health, safety, and the environment, the cabinet shall not require restoration of the environment through the removal of the hazardous substance, pollutant, or contaminant pursuant to subsection (18)(c) of this section.
- (21) A person required to take action under subsection (18) of this section who does not restore the environment through removal of the hazardous substance, pollutant, or contaminant in accordance with subsection (18)(c) of

this section shall demonstrate to the cabinet that the remedy is protective of human health, safety, and the environment, by considering the following factors:

- (a) The characteristics of the substance, pollutant, or contaminant, including its toxicity, persistence, environmental fate and transport dynamics, bioaccumulation, biomagnification, and potential for synergistic interaction and with specific reference to the environment into which the substance, pollutant, or contaminant has been released;
 - (b) The hydrogeologic characteristics of the facility and the surrounding area;
 - (c) The proximity, quality, and current and future uses of surface water and groundwater;
 - (d) The potential effects of residual contamination of potentially impacted surface water and groundwater;
 - (e) The chronic and acute health effects and environmental consequences to terrestrial and aquatic life of exposure to the hazardous substance, pollutant, or contaminant through direct and indirect pathways;
 - (f) An exposure assessment; and
 - (g) All other available information.
- (22) A person who submits a proposal to the cabinet pursuant to subsection (18) of this section may request in writing a final determination on the proposal no sooner than thirty (30) days after its submission. When a final determination on the proposal is requested, the cabinet shall make its final determination within sixty (60) working days from the date the request is received by the cabinet. After a final determination has been made, the person requesting the final determination may request a hearing pursuant to the provisions of KRS 224.10-420. Nothing in this subsection shall relieve any person of any obligations imposed by law during an environmental emergency, nor shall it require the cabinet to approve a proposal which would violate this chapter or the administrative regulations promulgated pursuant thereto.
- (23) (a) The cabinet shall have a lien against the real and personal property of a person liable for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the property of the person is located.
- (b) If a financial institution exempted from liability by subsection (26) of this section conveys the site it has acquired, then the cabinet shall have a lien against the site for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the site is located.
- (24) Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to Section 311 of the Federal Clean Water Act (Public Law 92-500) as amended, but shall be used to provide the Commonwealth with a mechanism for additional response to releases and threatened releases of hazardous substances, pollutants, or contaminants.
- (25) Defenses to liability, limitations to liability, and rights to contribution shall be determined in accordance with Sections 107(a) to (d) and 113(f)(1) of the Comprehensive Environmental Response Compensation and Liability Act, as amended, and the Federal Clean Water Act, as amended.
- (26) In addition to the defenses and limitations provided in subsection (25) of this section, a financial institution that acquired a site by foreclosure, by receiving an assignment, by deed in lieu of foreclosure, or by otherwise becoming the owner as a result of the enforcement of a mortgage, lien, or other security interest held by the financial institution, shall not be liable under this section with respect to the site, if:
- (a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before its acquisition;
 - (b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before its acquisition;
 - (c) The financial institution did not participate in the day-to-day management of the site before its acquisition;
 - (d) The financial institution, at the time it acquired the site, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time of acquisition, all appropriate inquiries into

the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. CHAPTER 564**(SB 376)**

AN ACT relating to underinsured motorist coverage.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.39-320 is amended to read as follows:

- (1) As used in this section, "underinsured motorist" means a party with motor vehicle liability insurance coverage in an amount less than a judgment recovered against that party for damages on account of injury due to a motor vehicle accident.
- (2) Every insurer shall make available upon request to its insureds underinsured motorist coverage, whereby subject to the terms and conditions of such coverage not inconsistent with this section the insurance company agrees to pay its own insured for such uncompensated damages as he may recover on account of injury due to a motor vehicle accident because the judgment recovered against the owner of the other vehicle exceeds the liability policy limits thereon, to the extent of the underinsurance policy limits on the vehicle of the party recovering.
- (3) *If an injured person or, in the case of death, the personal representative agrees to settle a claim with a liability insurer and its insured, and the settlement would not fully satisfy the claim for personal injuries or wrongful death so as to create an underinsured motorist claim, then written notice of the proposed settlement must be submitted by certified or registered mail to all underinsured motorist insurers that provide coverage. The underinsured motorist insurer then has a period of thirty (30) days to consent to the settlement or retention of subrogation rights. An injured person, or in the case of death, the personal representative, may agree to settle a claim with a liability insurer and its insured for less than the underinsured motorist's full liability policy limits. If an underinsured motorist insurer consents to settlement or fails to respond as required by subsection (4) of this section to the settlement request within the thirty (30) day period, the injured party may proceed to execute a full release in favor of the underinsured motorist's liability insurer and its insured and finalize the proposed settlement without prejudice to any underinsured motorist claim.*

- (4) *If an underinsured motorist insurer chooses to preserve its subrogation rights by refusing to consent to settle, the underinsured motorist insurer must, within thirty (30) days after receipt of the notice of the proposed settlement, pay to the injured party the amount of the written offer from the underinsured motorist's liability insurer. Thereafter, upon final resolution of the underinsured motorist claim, the underinsured motorist insurer is entitled to seek subrogation against the liability insurer to the extent of its limits of liability insurance, and the underinsured motorist for the amounts paid to the injured party.*
- (5) *The underinsured motorist insurer is entitled to a credit against total damages in the amount of the limits of the underinsured motorist's liability policies in all cases to which this section applies, even if the settlement with the underinsured motorist under subsection (3) of this section or the payment by the underinsured motorist insurer under subsection (4) of this section is for less than the underinsured motorist's full liability policy limits. The term "total damages" as used in this section means the full amount of damages determined to have been sustained by the injured party, regardless of the amount of underinsured motorist coverage. Nothing in this section, including any payment or credit under this subsection, reduces or affects the total amount of underinsured motorist coverage available to the injured party.*

(SB 395)

AN ACT relating to motor vehicles.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 186.020 is amended to read as follows:

- (1) Before the owner of a motor vehicle, other than a motor vehicle engaged in the transportation of passengers for hire operating under a certificate of convenience and necessity, may operate it or permit its operation upon a highway, the owner shall apply for registration in accordance with regulations issued by the cabinet, except that a person who purchases a motor vehicle, or brings a motor vehicle into the Commonwealth from another state shall make application for registration within fifteen (15) days. The bill of sale or assigned title must be in the motor vehicle during this fifteen (15) day period. If the owner of a motor vehicle is an individual and resides in the Commonwealth, the motor vehicle shall be registered with the county clerk of the county in which he resides. If the owner of a motor vehicle does not reside in the Commonwealth, the motor vehicle shall be registered with the county clerk of the county in which the motor vehicle is principally operated. If the owner of a motor vehicle is other than an individual and resides in the Commonwealth, the motor vehicle shall be registered with the county clerk of either county. The application when presented to the county clerk for registration shall be accompanied by:

 - (e) An affidavit from an officer of a local government saying that the motor vehicle has been abandoned and that the provisions of KRS 82.630 have been complied with, for local governments which elect to use the provisions of KRS 82.600 to 82.640; and
 - (f) The application from a person who has brought a motor vehicle into the Commonwealth from another state shall be accompanied by proof that the motor vehicle is insured in compliance with KRS 304.39-080.
- (2) After that, the owner of any motor vehicle registered under KRS 186.050(1) or (2) shall register his motor vehicle on or before the date on which his certificate of registration expires. If, before operating the motor vehicle in this state, the owner registers it at some later date and pays the fee for the full year, he will be

deemed to have complied with the law. Insofar as the owner is concerned, registration with the clerk shall be deemed to be registration with the cabinet.

- (3) After that, the owner of any commercial vehicle registered under KRS 186.050(3) to (14) shall register his commercial vehicle on or before April 1 of each year. If, before operating a commercial vehicle in this state, the owner registers it at some later date and pays the required fee, he will be deemed to have complied with the law. Insofar as the owner is concerned, registration with the clerk shall be deemed to be registration with the cabinet.
- (4) The application and documents presented therewith, including the sheriff's certificate of inspection, shall be affixed to the Transportation Cabinet copy of the certificate of title or registration and sent to the Transportation Cabinet by the clerk.
- (5) At least ~~thirty (30)~~ **forty-five (45)** days prior to the expiration of registration of any motor vehicle previously registered in the Commonwealth as provided by KRS 186A.035, the owner of the vehicle shall be notified by mail on the same notice required by KRS 134.805(5) of the date of expiration. In addition, the department shall provide appropriate forms and information to permit renewal of motor vehicle registration to be completed by mail. Any registration renewal by mail shall require payment of an additional two dollar (\$2) fee which shall be received by the county clerk. Nonreceipt of the notice herein shall not constitute a defense to any registration related offense.

Section 2. KRS 186A.035 is amended to read as follows:

- (1) All motor vehicles, including motorcycles, with a gross vehicular weight of six thousand (6,000) pounds or less, first registered, or for which the registration is renewed in this state on or after January 1, 1983, shall be placed in a system of year-round registration based upon the birth month of the owner, in order to distribute the work of registering motor vehicles as uniformly as practicable throughout the twelve (12) months of the year.
- (2) If the owner of a motor vehicle is other than an individual, the month in which the owning entity came into being shall be used for purposes of this section. If a motor vehicle is jointly owned, the owners shall indicate to the county clerk the birth month of one (1) of them to be used for purposes of this section. In addition, if a motor vehicle is jointly owned by a husband and wife, the ownership shall exist as a joint tenancy with right of survivorship, unless the registration expressly states to the contrary and gives an alternative specific status. Upon the death of one (1) of the spouses, the jointly-owned vehicle shall transfer to the surviving spouse free from payment of any state-required transferral fees.
- (3) The certificate of registration and license plate issued for a motor vehicle first registered, renewed, or titled in this state on or after January 1, 1983, shall be valid, unless canceled by the cabinet in accordance with KRS Chapter 186 or this chapter, upon payment of the required fee, for a period beginning on the first day of the month of the year in which registration is applied for, and expiring on the last day of the next birth month of the owner following the month during which registration is applied for. Upon the owner's request, and after payment of the proper prorated fee, an owner may obtain a certificate of registration and license plate valid through the last day of his second birth month following the month and year in which he applied for a certificate of registration. Any transaction relating to registration or registration renewal which would cause an unexpired Kentucky motor vehicle license plate to be surrendered shall have that unexpired fee prorated or credited against any additional fee required by a subsequent registration.
- (4) After a motor vehicle has been initially placed in the system of year-round registration, the owner shall renew the registration annually during the owner's birth month, by making application to the county clerk and paying the fee required for twelve (12) consecutive months of registration, which shall take effect on the first day of the month succeeding the owner's birth month and shall expire on the last day of the owner's next birth month. The county clerk shall be entitled to a registration fee of two dollars (\$2) for each registration, or if the registration exceeds a twelve (12) month period the clerk shall receive a fee of three dollars (\$3).
- (5) At least forty-five (45) days prior to the expiration of the registration of any motor vehicle previously registered in the Commonwealth as provided by subsection (1) of this section, the owner of the vehicle shall be notified by mail on the same notice required by KRS 134.805(5) of the date of expiration. ~~Any registration renewal or vehicle transfer notice by mail shall require payment of an additional one dollar (\$1) fee which shall be received by the county clerk.~~ Nonreceipt of the notice required by this subsection shall not constitute a defense to any registration related offense.
- (6) Any owner who fails to renew the registration of a motor vehicle during the month in which the previous registration expired, shall, if he applies for renewal of the registration in some later month, pay the same fees

that would have been required if the registration had been renewed in the month which the previous registration expired.

- (7) Fees which must be prorated in carrying out the intent of this section shall be prorated on the basis of twelfths of the annual registration fee. Any vehicle which is registered at any time during a month shall pay the fee required for that whole month plus any additional months of registration purchased consistent with the intent of the section.
- (8) The county clerk shall ensure that the certificate of registration issued to an owner displays the month and year in which the registration period begins and the month and year of its expiration, and shall issue to the owner a decal or decals corresponding to the month and year of expiration shown in the certificate of registration which shall be placed upon the corresponding license plate by the owner in the manner required by administrative regulations of the Department of Vehicle Regulation.

(SB 18)

AN ACT relating to sewage disposal systems.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 211.350 is amended to read as follows:

- (1) The cabinet shall regulate the construction, installation, or alteration of on-site sewage disposal systems except for systems that have a surface discharge.
- (2) No person, firm, or corporation shall construct, install, alter, or cause to be constructed, installed, or altered, any on-site sewage disposal system subject to regulation by the cabinet without having first obtained an on-site sewage disposal permit from the **local health department**~~cabinet~~. Nothing in this section shall be construed ~~as~~ to deny a farmstead owner the right to obtain a permit. Except for farmstead owners on their own property, the construction, installation, or alteration shall be performed only by a person certified by the cabinet pursuant to KRS 211.357.
- (3) No person, firm, or corporation shall use or continue to use or permit the use or continued use of any on-site sewage disposal system that is constructed, installed, or altered under an on-site sewage disposal permit if the cabinet **or local health department** through a duly-authorized inspector, employee, or agent finds that the system was not constructed, installed, or altered in conformance with the permit and regulations issued by the cabinet.
- (4) ***No certified electrical inspector acting under authority of KRS 227.491 shall issue the certificates of approval of temporary or permanent electrical wiring unless the inspector has in his or her possession a notice of release as described in paragraphs (a) and (b) of this subsection. The inspector shall record the number of the notice of release on the certificate of approval. The person requesting approval of electrical wiring shall be responsible for obtaining the release from the local health department and providing it to the electrical inspector. This requirement shall only apply to dwellings, mobile homes, manufactured housing, buildings, or other structures that are constructed or installed after the effective date of this Act. This requirement shall not apply to structures that do not have sewage waste fixtures or to those that are connected to a sewage waste disposal system approved by the Natural Resources and Environmental Protection Cabinet. Nothing in this section shall be construed to deny the continued use of any electrical service connected to wiring approved prior to the effective date of this Act.***
 - (a) ***An initial notice of release to allow temporary electrical power for construction shall be issued to the property owner or owner's agent by the local health department upon the application for a site evaluation.***
 - (b) ***A final notice of release to allow for permanent electrical power shall be issued to the property owner or owner's agent by the local health department upon approval of an on-site sewage disposal plan.***
 - (c) ***This section shall not apply to any county that has adopted the Uniform State Building Code and has and enforces on-site sewage disposal permitting.***
- (5) All applications for on-site sewage disposal permits shall be accompanied by plans and specifications for the proposed system, including results of soils tests and other information as directed by the cabinet by regulation. Any action to deny an application shall be subject to appeal, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.
- ~~(6)~~~~(5)~~ The cabinet shall fix a schedule of fees for the functions performed by the cabinet relating to the regulation of on-site sewage disposal systems. The fees shall be designed to fully cover the cost of the service performed but shall not exceed the cost of the service performed. Fees payable to the cabinet shall be paid into the State Treasury and credited to a trust and agency fund to be used by the cabinet in carrying out its responsibilities relating to the regulation of on-site sewage disposal systems. No part of the fund shall revert to the general fund of the Commonwealth.

(7)~~(6)~~ Any regulation relating to on-site sewage disposal that is in effect on July 15, 1992, shall remain in effect until altered by the secretary. The secretary may issue additional regulations necessary to carry out the purposes of this section.

(8)~~(7)~~ Nothing in this section shall authorize or allow the cabinet to inspect or take enforcement action against on-site sewage disposal systems installed on farmsteads prior to July 15, 1992, or modifications to those systems unless the actions are determined in writing by the cabinet, upon a written, verified complaint, to be necessary to prevent imminent harm or damage to the safety, life, or health of a person. In this instance, the cabinet shall deliver to the landowner a copy of the written determination and the verified complaint prior to the commencement of the inspection or enforcement action.

Section 2. KRS 211.981 is amended to read as follows:

- (1) All sewage or sewage sludge hauled pursuant to the provisions of KRS 211.970 to 211.982 shall be disposed of **by *landspreading at an approved site*** or in a publicly-owned sewage treatment plant, unless it is demonstrated to the satisfaction of the cabinet that a publicly-owned sewage treatment plant does not exist within a reasonable hauling distance from the site at which the sewage or sewage sludge is received, or the publicly-owned sewage treatment plant refuses to accept the sewage or sewage sludge.
- (2) If the cabinet determines that no publicly-owned sewage treatment plant is available for use by a licensed hauler, the cabinet may approve an alternative mode of disposal including, but not limited to, landspreading. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A governing landspreading and other acceptable modes of disposal which insure:
 - (a) That no contamination threat is posed to surface waters from any run-off; and
 - (b) That all reasonable protection is afforded to prevent contamination of groundwater.
- (3) Trenching of sewage and sewage sludge shall be prohibited except where specifically authorized by the cabinet.

Section 3. KRS 224.50-760 is amended to read as follows:

- (1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and **wastewater**~~[-waste-water]~~ treatment facilities, cement kiln dust, gas and oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet;
- (b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810, 224.43-815, and 224.46-820 to 224.46-870 but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.46-510(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.46-510(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.46-520 but shall not be subject to the requirements of KRS 224.40-310(6);
- (c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.46-510, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350;~~[-and]~~
- (d) The cabinet shall, when promulgating regulations affecting special waste, recognize special waste as a separate and distinct indivisible category and shall recognize the distinct differences between the category of special wastes and other hazardous wastes and solid wastes as defined in KRS 224.01-010(31)(a) and KRS 109.012(9) due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government; **and**
- (e) ***It is the intent of the General Assembly that the processing of sludge from water treatment facilities and wastewater treatment facilities by composting shall be considered an industrial process. The***

cabinet shall, when promulgating administrative regulations affecting sludge from water treatment facilities and wastewater treatment facilities, consider the treatment of this sludge by composting as an industrial process. The provisions of this paragraph and subsection (3) of this section shall not apply to a city, county, urban-county government, charter county government, or special district as defined in KRS Chapter 65 that processes its own water treatment or wastewater treatment sludge by composting on property owned or leased by the city, county, urban-county government, charter county government, or special district.

- (2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto.
- (3) *A permit application to establish, operate, or modify a composting site or composting facility for the processing of water treatment sludge or wastewater treatment sludge, shall require immediately the general public notice provided for in subsections (4) and (5) of KRS 224.40-310. If a hearing is requested, no permit to establish, operate, or modify a composting site or facility shall be issued prior to the public hearing. The hearing shall be held within the county where the composting site or facility is located or proposed. Composting of this sludge shall be considered an industrial process.*

Section 7. KRS 342.122 is amended to read as follows:

- (1)
 - (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, *Apprenticeship and Training* ~~and *Mediation*~~ and the Office of Labor-Management Relations *and Mediation*, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
 - (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.
 - (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Revenue Cabinet shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
 - (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
 - (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
- (3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

- (4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years.
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 8. KRS 336.140 is amended to read as follows:

The ~~secretary~~~~commissioner~~ may inquire into the causes of strikes, lockouts, and other disputes between employers and employees, and endeavor to effect an amicable settlement. He may create ~~within the department~~ boards to which disputes between employers and employees may be submitted on request of both the employer and the employees for mediation. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Commission by July 1 the first year of each biennium. A summary of the findings shall be submitted to the Legislative Research Commission by September 1 of the second year of the biennium.

- (6) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. *The continuous assessment shall provide diagnostic information to improve instruction to meet the needs of individual students.*
- (7)~~(4)~~ *The Kentucky Board of Education, after the Department of Education has received advice from the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation under KRS Chapter 13A to establish the components of a school report card that clearly communicates with parents and the public about school performance. Section 12. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

- (1) *After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate administrative regulations in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A to establish a system for identifying and rewarding*~~[of determining]~~ *successful schools. A reward shall be distributed to successful schools based on the number of full-time, part-time, and itinerant certified staff employed in the school on the last working day of the year of the reward to be used for school purposes as determined by the school council or, if none exists, the principal. The Kentucky Board of Education shall identify reports, paperwork requirements, and administrative regulations from which high performing schools shall be exempt.*~~[and dispensing appropriate rewards. The system shall be based on the following:~~
- ~~(a) A school shall be the unit of measure to determine success;~~
 - ~~(b) School success shall be determined by measuring a school's improvement over a two (2) year period;~~
 - ~~(c) A school shall be rewarded for an increased proportion of successful students, including those students who are at risk of school failure;~~
 - ~~(d) A threshold level for school improvement shall be established by the board to determine the amount of success needed for a school to receive a reward. The threshold definition shall establish the percentage of increase required in a school's percentage of successful students as compared to a school's present proportion of successful students, with consideration given to the fact that a school closest to having one hundred percent (100%) successful students will have a lower percentage increase required;~~

- (e) ~~Rewards shall be given to the school on behalf of the full time, part time, and itinerant instructional staff of a school who generate the reward when the school achieves at least one percent (1%) gain over its threshold as defined in paragraph (d) of this subsection. Substitute teachers shall not be used in calculating the reward;~~
- (f) ~~Rewards shall be calculated by applying the percentage set by the General Assembly in the biennial budget to the current annual salary of each certified staff person employed in the school on the last working day of the year of the reward. The reward for part time and itinerant staff shall be calculated for the proportion of time spent in the school. In determining the percentage to be applied to a school for calculation of the rewards for the school's staff, consideration shall be given to the fact that schools already having a high percentage of successful students shall have a lower requirement for a percentage increase in its number of successful students. The staff person's identity in connection to his share of the reward shall be maintained when his share of the reward is deposited to the school's account;~~
- (g) ~~The certified staff members shall by majority rule collectively decide on the ways the reward funds shall be spent. Each individual staff person shall use the amount he earned in accordance with the decisions made by the total staff. Rewards shall not be added to a staff person's base salary and shall not be defined as compensation for retirement purposes under KRS 161.220(10); and~~
- (h) ~~The Department of Education shall send the school's reward to the local district office for transmittal to the school.]~~
- (2) *After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate~~adopt~~ by administrative regulation in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A the formula for a school accountability index~~to be used~~ to classify~~determine successful~~ schools every two (2) years based on whether they have met their threshold level for school improvement, with school years 1998-2000 serving as the baseline. The formula shall~~be a calculus of factors which~~ reflect the school goals described in KRS 158.6451, except there shall be no measurement of the goals included in subsection (1)(b)3. and (1)(b)4.*
- (3) *After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A to establish appropriate consequences for schools failing to meet their threshold. The consequences shall be designed to improve teaching and learning and may include, but not be limited to:*
- (a) *A scholastic audit process under subsection (4) of this section to determine the appropriateness of a school's classification and to recommend needed assistance;*
- (b) *School improvement plans;*
- (c) *Eligibility to receive Commonwealth school improvement funds under Section 13 of this Act;*
- (d) *Education assistance from highly skilled certified staff under Section 14 of this Act;*
- (e) *Evaluation of school personnel; and*
- (f) *Student transfer to successful schools.~~[A school that does not reach its threshold level as defined in paragraph (d) of subsection (1) of this section but maintains the previous proportion of successful students shall be required to develop a school improvement plan and shall be eligible to receive funds from the school improvement fund pursuant to KRS 158.805. A school that does not reach its threshold level but maintains the previous proportion of successful students after the second biennial review shall be required to meet the provisions of subsection (4) of this section.]~~*
- (4) (a) *After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A establishing the guidelines for conducting scholastic audits, which shall include the process for:*

1. *Appointing and training team members. The team shall include at least a highly skilled certified educator under Section 14 of this Act, a teacher, a principal or other local district administrator, a parent, and a university faculty member;*
 2. *Reviewing a school's learning environment, efficiency, and academic performance of students;*
 3. *Evaluating each certified staff member assigned to the school. Only certified members of the audit team shall evaluate personnel; and*
 4. *Making a recommendation to the Kentucky Board of Education about the appropriateness of a school's classification and a recommendation concerning the assistance required by the school to improve teaching and learning.*

For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (k)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. 2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. - (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

The lists shall be maintained by the campaign treasurer, political issues committee treasurer, registered fundraiser, or other sponsor for inspection by the registry for six (6) years following the date of the election.
- (6) Each permanent committee, except a federally-registered out-of-state permanent committee, inaugural committee, or contributing organization shall make a full report, upon a prescribed form, to the registry of all money, loans, or other things of value, received by it from any source, and all expenditures authorized, incurred, or made, since the date of the last report, including:

 - (d) A complete statement of all expenditures authorized, incurred, or made, including independent expenditures. This report shall be made by a permanent committee, inaugural committee, or contributing organization to the registry on the last day of the first calendar quarter following the registration of the committee with the registry and on the last day of each succeeding calendar quarter until such time as the committee terminates. A contributing organization shall file a report of contributions received and expenditures made on forms prescribed by the registry not later than the last day of each calendar quarter in which contributions are received or expenditures are made. All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.
- (7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the final statement. Subsequent supplemental statements shall be filed annually, to be in the hands of the registry or postmarked not later than ten (10) days after November 1 of each year, until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit, or until the year before the candidate seeks to appear on the ballot for the same office for which the funds in the campaign account were originally contributed, in which case the candidate shall file the supplemental annual report not later than ten (10) days after November 1 of that year or at the end of the first calendar quarter of that year after the candidate files his nomination papers for the next year's primary or regular election. Contributions received by check, money order, or other written instrument shall be endorsed directly to the campaign committee and shall not be cashed or redeemed by the candidate;

- (10) No candidate, slate of candidates, campaign committee, political issues committee, or contributing organization shall use or permit the use of contributions or funds solicited or received for the person or in support of or opposition to a public issue which will appear on the ballot to further the candidacy of the person for a different public office, to support or oppose a different public issue, or to further the candidacy of any other person for public office; except that nothing in this subsection shall be deemed to prohibit a candidate or slate of candidates from using funds in the campaign account to purchase admission tickets for any fundraising event or testimonial affair for another candidate or slate of candidates if the amount of the purchase does not exceed one hundred dollars (\$100) per event or affair. Any funds or contributions solicited or received by or on behalf of a candidate, slate of candidates, or any committee, which has been organized in whole or in part to further any candidacy for the same person or to support or oppose the same public issue, shall be deemed to have been solicited or received for the current candidacy or for the election on the public issue if the funds or contributions are solicited or received at any time prior to the regular election for which the candidate, slate of

Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5). A qualifying slate which discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, dispose of qualifying contributions received after the maximum threshold qualifying amount was reached by returning the excess contributions to the contributors. The excess contributions returned to the contributors shall not be considered as qualifying contributions and shall not be matched by transfers from the fund. *After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers*, the threshold qualifying amounts shall be increased or decreased *accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. - (3) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:
 - (a) A statement of intent accepting maximum expenditure limitations;
 - (b) A copy of the slate's nomination papers;
 - (c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and
 - (d) Any other information reasonably necessary that is required by the registry.
- (4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.
- (5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.
- (6) A separate determination and certification shall be made for a primary and a regular election.
- (7) The certification issued by the registry shall indicate:

The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.
- (11) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.
- (12) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).
- (13) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent

Section 11. The amendments contained in Sections 3 to 8 of this Act shall apply to motor vehicles sold after July 31, 1998.

 - (b) Placed in the home of his parents, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a family service worker or juvenile probation and parole officer. - (2) ~~No [or any]~~ child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;
- (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of his parents, the child shall not be removed except in accordance with the following standards and procedures:
 - (a) If the family service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
 - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from

the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. - (c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or
- (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.
- ~~(4)~~~~(3)~~ The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. - ~~(5)~~~~(4)~~ The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
- ~~(6)~~~~(5)~~ The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

A certified copy of the court order shall be proof of the authority of the Department of Juvenile Justice or the cabinet, facility, or agency to hold the child. Such

certified order shall be sufficient authority for any law enforcement officer to take into custody any person named therein and deliver him to such a place as shall be directed by the Department of Juvenile Justice or the cabinet, facility, or agency given custody of him in the order.

- (5) In placing a child on probation in a home or boarding home, or in committing a child to a child-caring facility or child-placing agency, the court shall as far as practicable select a home, facility, or agency operated or governed by persons of a similar religious faith as the parents of the child.
- (6) Upon motion of the child and agreement of the Department of Juvenile Justice or the cabinet, as appropriate, the court may authorize an extension of commitment up to age twenty-one (21) for the purpose of permitting the Department of Juvenile Justice or the cabinet, as appropriate, to assist the child in establishing independent living arrangements if a return to the child's home is not in his best interest.

Section 22. KRS 610.320 is amended to read as follows:

However, the fact that a juvenile has been adjudicated delinquent of an offense which would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication.

- (5) *Payment of restitution in full prior to the end of the period of parole supervision shall not shorten the period of parole supervision.*

Section 48. KRS 533.020 is amended to read as follows:

- (1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation.
- (2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.
- (3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.
- (4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years, *or the time necessary to complete restitution, whichever is longer*, upon conviction of a felony nor two (2) years, *or the time necessary to complete restitution, whichever is longer*, upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an

alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.

- (5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 49. KRS 533.030 is amended to read as follows:

- (1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.
- (2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:
- (a) Avoid injurious or vicious habits;
 - (b) Avoid persons or places of disreputable or harmful character;
 - (c) Work faithfully at suitable employment as far as possible;
 - (d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;
 - (e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;
 - (f) Support his dependents and meet other family responsibilities;
 - (g) Pay the cost of the proceeding as set by the court;
 - (h) Remain within a specified area;
 - (i) Report to the probation officer as directed;
 - (j) Permit the probation officer to visit him at his home or elsewhere;
 - (k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and
 - (l) If the defendant's record indicates a controlled substance or alcohol problem, submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, said fee to be collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. For good cause shown, the testing fee may be waived by the court.
- (3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars (\$100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person

performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

- ~~(a)~~ Restitution by payment may be ordered in a lump sum or in specified payments;
- ~~(b)~~ Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered by the court;
- ~~(e)~~ Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;
- ~~(d)~~ Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;
- ~~(b)~~~~(e)~~ The circuit clerk shall assess an additional fee of **five**~~two~~ percent (5%)~~(2%)~~ to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to **a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk and office personnel salaries, or combination thereof**~~the general fund of the State Treasury~~;
- ~~(c)~~~~(f)~~ When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court.~~The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation~~; and
- ~~(d)~~~~(g)~~ An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

- (4) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.
- (5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.
- (6) When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed **twelve (12)**~~six (6)~~ months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2), or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

- (3) ***For any felony specified in KRS Chapter 510, KRS 530.020, 530.064, or 531.310 the sentence shall include an additional three (3) year period of conditional discharge which shall be added to the maximum sentence rendered for the offense. During this period of conditional discharge, if a defendant violates the provisions of conditional discharge, the defendant may be reincarcerated for:***
 - (a) ***The remaining period of his initial sentence, if any is remaining; and***
 - (b) ***The entire period of conditional discharge, or if the initial sentence has been served, for the remaining period of conditional discharge.***
- (4) The actual time of release within the maximum established by subsection (1), or as modified pursuant to KRS 532.070, shall be determined under procedures established elsewhere by law.

Section 71. KRS 532.030 is amended to read as follows:

- (1) When a person is convicted of a capital offense he shall have his punishment fixed at death, ***or at a term of imprisonment for life without benefit of probation or parole***, or at a term of imprisonment for life without benefit of probation or parole until he has served a minimum of twenty-five (25) years of his sentence, or to a sentence of life, or to a term of not less than twenty (20) years ***nor more than fifty (50) years***.
- (2) When a person is convicted of a Class A felony he shall have his punishment fixed at imprisonment in accordance with KRS 532.060.
- (3) When a person is convicted of an offense other than a capital offense or Class A felony, he shall have his punishment fixed at:
 - (a) A term of imprisonment authorized by this chapter; or
 - (b) A fine authorized by KRS Chapter 534; or
 - (c) Both imprisonment and a fine unless precluded by the provisions of KRS Chapter 534.
- (4) In all cases in which the death penalty may be authorized the judge shall instruct the jury in accordance with subsection (1) of this section. The instructions shall state, subject to the aggravating and mitigating limitations and requirements of KRS 532.025, that the jury may recommend upon a conviction for a capital offense a sentence of death, ***or at a term of imprisonment for life without benefit of probation or parole***, or a term of imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, or a sentence of life, or to a term of not less than twenty (20) years ***nor more than fifty (50) years***.

Section 72. KRS 532.025 is amended to read as follows:

- (1) (a) Upon conviction of a defendant in cases where the death penalty may be imposed, a hearing shall be conducted. In such hearing, the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas; provided, however, that only such evidence in aggravation as the state has made known to the defendant prior to his trial shall be admissible. Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense that would be a felony if committed by an adult shall be

admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial and may be used during the sentencing phase of a criminal trial; however, the fact that a juvenile has been adjudicated delinquent of an offense that would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or IV-B of the Federal Social Security Act is also prohibited. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments, the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment;

- (b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant. Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.
- (2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:
- (a) Aggravating circumstances:
1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions;
 2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, rape in the first degree, or sodomy in the first degree;
 3. The offender by his act of murder, armed robbery, or kidnapping knowingly created a great risk of death to more than one (1) person in a public place by means of a destructive device, weapon, or other device which would normally be hazardous to the lives of more than one (1) person;
 4. The offender committed the offense of murder for himself or another, for the purpose of receiving money or any other thing of monetary value, or for other profit;
 5. The offense of murder was committed by a person who was a prisoner and the victim was a prison employee engaged at the time of the act in the performance of his duties;
 6. The offender's act or acts of killing were intentional and resulted in multiple deaths;~~and~~
 7. The offender's act of killing was intentional and the victim was a state or local public official or police officer, sheriff, or deputy sheriff engaged at the time of the act in the lawful performance of his duties; *and*
 8. *The offender murdered the victim when an emergency protective order or a domestic violence order was in effect, or when any other order designed to protect the victim from the offender, such as an order issued as a condition of a bond, conditional release, probation, parole, or pretrial diversion, was in effect.*

- (b) Mitigating circumstances:
1. The defendant has no significant history of prior criminal activity;
 2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime;
 3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act;
 4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime;
 5. The defendant was an accomplice in a capital offense committed by another person and his participation in the capital offense was relatively minor;
 6. The defendant acted under duress or under the domination of another person even though the duress or the domination of another person is not sufficient to constitute a defense to the crime;
 7. At the time of the capital offense, the capacity of the defendant to appreciate the criminality of his conduct to the requirements of law was impaired as a result of mental illness or retardation or intoxication even though the impairment of the capacity of the defendant to appreciate the criminality of his conduct or to conform the conduct to the requirements of law is insufficient to constitute a defense to the crime; and
 8. The youth of the defendant at the time of the crime.

- (3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, **or imprisonment for life without benefit of probation or parole**, or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In nonjury cases, the judge shall make such designation. In all cases unless at least one (1) of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty, **or imprisonment for life without benefit of probation or parole**, or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed.

Section 73. KRS 533.010 is amended to read as follows:

- (1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, probation with an alternative sentencing plan, or conditional discharge as provided in this chapter.
- (2) Before imposition of a sentence of imprisonment, the court shall consider~~[the possibility of]~~ probation, probation with an alternative sentencing plan, or conditional discharge. **Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge**, after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation~~[, probation with an alternative sentencing plan,]~~ or conditional discharge **shall**~~[should]~~ be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:
 - (a) There is substantial risk that during a period of probation~~[, probation with an alternative sentencing plan,]~~ or conditional discharge the defendant will commit another crime;
 - (b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or
 - (c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.
- (3) **In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:**

- (a) *There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;*
 - (b) *The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or*
 - (c) *A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.*
- (4) *The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the fact that:*
- (a) *The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;*
 - (b) *If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or*
 - (c) *The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.*
- (5) *In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.*
- (6) *Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:*
- (a) *To a halfway house for no more than twelve (12) months;*
 - (b) *To home incarceration with or without work release for no more than twelve (12) months;*
 - (c) *To jail for a period not to exceed twelve (12) months with or without work release, community service and other programs as required by the court;*
 - (d) *To a residential treatment program for the abuse of alcohol or controlled substances; or*
 - (e) *To any other specified counseling program, rehabilitation or treatment program, or facility.*
- (7) *If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence, and commit the defendant to an institution.*
- (8) *In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:*
- (a) *A defendant sentenced to a halfway house shall:*
 - 1. *Be working or pursuing his or her education, or be enrolled in a full-time treatment program;*
 - 2. *Pay restitution during the term of probation; and*
 - 3. *Have no contact with the victim of the defendant's crime;*
 - (b) *A defendant sentenced to home incarceration shall:*
 - 1. *Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;*
 - 2. *Pay restitution during the term of home incarceration;*
 - 3. *Enter a treatment program, if appropriate;*

4. *Pay all or some portion of the cost of home incarceration as determined by the court;*
 5. *Comply with other conditions as specified; and*
 6. *Have no contact with the victim of the defendant's crime;*
- (c) *A defendant sentenced to jail with community service shall:*
1. *Pay restitution during all or some part of the defendant's term of probation; and*
 2. *Have no contact with the victim of the defendant's crime; or*
- (d) *A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:*
1. *Undergo mandatory drug screening during term of probation;*
 2. *Be subject to active, supervised probation for a term of five (5) years;*
 3. *Undergo aftercare as required by the treatment program;*
 4. *Pay restitution during the term of probation; and*
 5. *Have no contact with the victim of the defendant's crime.*
- (9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.
- (10) *Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030(6).*
- (11) *The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.*
- (12) *When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.*
- (13) *The jailer in each county incarcerating Class D felons may deny work release privileges to any defendant for violating standards of discipline or other jail regulations. The jailer shall report the action taken and the details of the violation on which the action was based to the court of jurisdiction within five (5) days of the violation.*
- (14) *The Department of Corrections shall, by administrative regulation, develop written criteria for work release privileges granted under this section.*

Section 75. KRS 532.050 is amended to read as follows:

- (1) No court shall impose sentence for conviction of a felony, other than a capital offense, without first ordering a presentence investigation after conviction and giving due consideration to a written report of the investigation. The presentence investigation report shall not be waived; however, the completion of the presentence investigation report may be delayed until after sentencing upon the written request of the defendant if the defendant is in custody and is ineligible for probation or conditional discharge.
- (2) The report shall be prepared and presented by a probation officer and shall include an analysis of the defendant's history of delinquency or criminality, physical and mental condition, family situation and background, economic status, education, occupation, personal habits, and any other matters that the court directs to be included.
- (3) Before imposing sentence for a felony conviction, the court may order the defendant to submit to psychiatric observation and examination for a period not exceeding sixty (60) days. Section 76. KRS 532.080 is amended to read as follows:

When a defendant is charged with being a persistent felony offender, the determination of whether or not he is such an offender and the punishment to be imposed pursuant to subsection (5) or (6) of this section shall be determined in a separate proceeding from that proceeding which resulted in his last conviction. Such proceeding shall be conducted before the court sitting with the jury that found the defendant guilty of his most recent offense unless the court for good cause discharges that jury and impanels a new jury for that purpose.

- (1) In all felony cases, the jury in its initial verdict will make a determination of not guilty, guilty, guilty but mentally ill, or not guilty by virtue of insanity, and no more.
- (2) Upon return of a verdict of guilty or guilty but mentally ill against a defendant, the court shall conduct a sentencing hearing before the jury, if such case was tried before a jury. In the hearing the jury will determine the punishment to be imposed within the range provided elsewhere by law. The jury shall recommend whether the sentences shall be served concurrently or consecutively.
 - (a) Evidence may be offered by the Commonwealth relevant to sentencing including:

 - 2. The nature of prior offenses for which he was convicted;
 - 3. The date of the commission, date of sentencing, and date of release from confinement or supervision from all prior offenses;
 - 4. The maximum expiration of sentence as determined by the division of probation and parole for all such current and prior offenses;
 - 5. The defendant's status if on probation, parole, conditional discharge, or any other form of legal release; ~~and~~

admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial, and may be used during the sentencing phase of a criminal trial; however, the fact that a juvenile has been adjudicated delinquent of an offense that would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the federal Social Security Act is also prohibited; *and*

This section shall not preclude the introduction of evidence which negates any evidence introduced by the Commonwealth]; and~~
 - (c) Upon conclusion of the proof, the court shall instruct the jury on the range of punishment and counsel for the defendant may present arguments followed by the counsel for the Commonwealth. The jury shall then retire and recommend a sentence for the defendant.
- (3) All hearings held pursuant to this section shall be combined with any hearing provided for by KRS 532.080.~~{ This section shall not apply to sentencing hearings provided for in KRS 532.025.}~~

Section 112. KRS 439.315 is amended to read as follows:

- (1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.
- (2) The fees shall be as follows:
 - (a) For a felony, not less than ten dollars (\$10) per month while on active supervision nor more than two thousand five hundred dollars (\$2,500) *per year*.
 - (b) For a misdemeanor, not less than ten dollars (\$10) per month while on active supervision nor more than five hundred dollars (\$500) *per year*, except as provided in subsection (13) of this section.
- (3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.
- (4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.
- (5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanor probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.
- (6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

- (a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.
 - (b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.
- (7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.
 - (8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.
 - (9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.
 - (10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.
 - (11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.
 - (12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.
 - (13) In counties containing a city of the first class or an urban-county form of government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanor probation and work release program of the county containing a city of the first class or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanor defendant placed under the supervision of an adult misdemeanor probation and work release program of a county containing a city of the first class or an urban-county government shall be not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500) *per year*. All sums paid by the defendant under this subsection shall be paid into the general fund of the county containing a city of the first class or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county containing a city of the first class or urban-county involved. The adult misdemeanor probation and work release program of the county containing a city of the first class or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk, and report delinquencies to the court.

The child shall then be proceeded against in the Circuit Court as an adult, except as otherwise provided in this chapter.

Notwithstanding anything contained in this chapter:

- (1) All cities of the Commonwealth are vested with the power to sell franchises or, where no franchise is sold, grant authorizations for the operation of city buses over their streets and highways; provided, however, no person shall apply for or obtain any such franchise or authorization from any city without a prior finding by the Department of Vehicle Regulation, after a hearing, conducted pursuant to KRS 281.625, that there is a demand and necessity for the service sought to be rendered, which finding shall be valid and effective for a period of one (1) year from and after the date thereof, exclusive of any delay due to the order of any court. Upon certification by the department to a city that there is a demand and necessity for the service sought to be rendered, any city may award any duly qualified person a franchise or authorization covering the proposed operation. Upon acquiring a franchise or authorization, the holder thereof shall apply to the Department of Vehicle Regulation for a city bus certificate which shall be issued to the holder of the franchise or authorization without a hearing. The governing body of any city of the first five (5) classes which does not have a city bus

service may determine that there is a demand and necessity for a city bus service, and may thereafter apply to the Department of Vehicle Regulation for a city bus certificate to be operated by the city which may be issued without a hearing, if the department determines that it will be in the public interest. Unless a certificate is exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court, the authority conferred by the issuance of the certificate of convenience and necessity shall be void.

- (2) The applicant for a certificate or renewal of a certificate to operate a city bus shall at the time of application file with the department a map or maps showing the route or routes and territory proposed to be served, together with a time schedule, and shall thereafter, during the license year, file only those additional maps or time schedules that the commissioner may require.
- (3) The governing body of any city of the first four (4) classes in the Commonwealth in which city buses operate shall have supervisory and regulatory power over city buses, while operating in the city, and shall have authority to enforce all ordinances or regulations pertaining to routes, services, time schedules, and operation of the city buses and the drivers thereof, but any interested party may appeal to the department from any action, finding, or order of any city within thirty (30) days after the entry of the action, finding, or order, and a hearing shall be held before the department in the same manner as other hearings are held as provided for in this chapter; however, any action, finding, or order of any city shall be sustained if there is substantial evidence or reason to support it; otherwise the department shall make the orders as it deems necessary and proper. However, where a carrier's entire operation is confined to intracity transportation within the corporate limits of a single city, there shall be no appeal to the department from the actions, findings, or orders of the city. Provided further, that where any city bus is subject to the regulatory powers of more than one (1) city and the regulations are in conflict or such as to impede the transportation facilities serving the cities, or the carrier is failing to furnish safe, adequate and convenient service to the public, the department may, upon complaint or on its own initiative, call a hearing and enter orders as are necessary and proper.
- (4) The governing body of any city of the first five (5) classes in the Commonwealth in which taxicabs operate shall have supervisory and regulatory power over taxicabs certificated to operate in the city, and while operating in the city, and shall have authority to enforce all ordinances or regulations pertaining to the number and operation of taxicabs, but any interested party may appeal to the department from any action, finding, or order of any city within thirty (30) days after the entry of the action, finding, or order, and a hearing shall be held before the department in the same manner as other hearings are held as provided for in this chapter; however, any action, finding, or order of any city shall be sustained if there is substantial evidence or reason to support it; otherwise, the department shall make any orders that it deems necessary and proper. However, where a carrier's entire operation is confined to intracity transportation within the corporate limits of a single city, there shall be no appeal to the department from the actions, findings, or orders of the city.
- (5) The governing body of any city of the first five (5) classes in the Commonwealth is hereby vested with the exclusive power to prescribe the qualifications with respect to the health, vision, sobriety, intelligence, ability, moral character, and experience of the drivers of taxicabs certificated to operate in the city, and while operating in the city, and may issue permits for qualified drivers. However, any taxicab driver must also possess a Kentucky operator's license.
- (6) Until any city of the Commonwealth enacts ordinances or prescribes rules and regulations as may be reasonably necessary to exercise the prior powers delegated in this section to the cities respecting the supervision and regulation of city buses, taxicabs, and taxicab drivers, the department shall possess the powers and may promulgate administrative regulations reasonably necessary to supervise and control city buses, taxicabs, and taxicab drivers, having regard for the public safety and the public need for service.
- (7) If any city fails to exercise any of the authority granted it in this section, the authority shall be vested in the department.
- (8) The department may, under the provisions of this chapter, originate, establish, change, promulgate, and enforce any rate that has or may be fixed by any contract, franchise, or agreement between the holder of any city bus certificate and any city, and all rights and obligations arising out of any contract regulating any rate shall be subject to the jurisdiction and supervision of the department, but no rate shall be changed nor any contract, franchise, or agreement affecting it be abrogated or changed until a hearing has been conducted.
- (9) ***The governing body of a city shall not have authority over a motor vehicle that is being operated as a human service transportation delivery vehicle under a contract with the Transportation Cabinet in accordance with subsection (4) of Section 2 of this Act.***

A person requiring the use of specialized equipment may be accompanied by a companion*~~[A carrier operating pursuant to a disabled persons certificate shall not provide service to any person not requiring the use of a disabled persons vehicle. A companion may accompany the person requiring the use of the disabled persons vehicle.~~
- ~~(2) Irregular route common carrier certificates shall describe in general the territory where the holder shall have the right to operate or originate if less than statewide].~~
- (2)~~(3)~~ Any person or his predecessor in interest engaged as of *January 1, 1998*~~[July 1, 1996]~~, in the transportation of disabled persons, pursuant to a valid *taxicab certificate or a taxicab*~~[taxi]~~ certificate limited to wheelchair equipped vans issued by the department, authorizing this activity, shall, *upon application*, be issued a certificate as a disabled persons carrier to authorize a continuation of the same operation, except the origin of the trip may be anywhere in the authorized county rather than restricted to the city and its suburban area. *Any person or the person's predecessor in interest with a pending taxicab application filed prior to January 1, 1998, may elect to amend the pending taxicab application so as to designate all or a portion of the application as an application for approval to operate disabled person vehicles.*

In all other counties with a population of seventy thousand (70,000) or more, the amount, if any, allowed for the necessary office expenses of each officer shall be fixed by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.

- (3) Each officer shall, on the first day of each month, send to the Finance and Administration Cabinet a statement, subscribed and sworn to by him, showing the amount of money received or collected by or for him the preceding month, as fees or compensation for official duties, and shall, with these statements, send to the Finance and Administration Cabinet the amount so collected or received. The Finance and Administration Cabinet may extend the time for filing the statement and making the payment for a period not exceeding ten (10) days in any month.
- (4) The salary of each officer and his deputies and assistants and his office expenses shall be paid semimonthly by the State Treasurer upon the warrant of the Finance and Administration Cabinet made payable to the officer. If seventy-five percent (75%) of the amount paid into the State Treasury in any month by any of such officers is not sufficient to pay the salaries and expenses of his office for that month, the deficit may be made up out of the amount paid in any succeeding month; but in no event shall the amount allowed by the Finance and Administration Cabinet to any officer for salaries and expenses exceed seventy-five percent (75%) of the amount paid to the Finance and Administration Cabinet by the officer during his official term.
- (5) In counties containing a city of the first class and in counties having an urban-county form of government, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be approved at reasonable amounts upon motion of each officer by the fiscal court in counties containing a city of the first class and by the legislative body in counties containing an urban-county form of government. This oversight shall be retained by the Office of the Controller. In all other counties with a population of seventy thousand (70,000) or more, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be fixed at reasonable amounts upon motion of each officer by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. Section 4. KRS 64.527 is amended to read as follows:

In order to equate the compensation of ~~county judges/executive, county clerks, sheriffs, jailers,~~ justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the Department of Local Government shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars (\$7,200) per annum. The Department of Local Government shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled pursuant to the increase or decrease in the consumer price index. - (2) The ~~{salary of the}~~ county judge/executive shall *receive an annual salary pursuant to the salary schedule in Section 1 of this Act, except in counties that contain an urban-county form of government, where the county judge/executive shall receive the salary set by the legislative body*~~{be set by the fiscal court}~~.
- (3) ~~{Except in urban-county governments, the minimum annual compensation paid to the county judge/executive shall be the greater of a sum not less than sixty percent (60%) of the maximum compensation certified under KRS 64.527, or not less than the annual compensation of the sheriff or county clerk or jailer in the county, except that no fiscal court shall be required under provisions of this section to approve an amount for the compensation of any one (1) official which would exceed six percent (6%) of the county's total annual general fund receipts including federal revenue sharing moneys.~~
- ~~{4}~~ In no event shall the county judge/executive, justice of the peace, magistrate, or commissioners who serve on the fiscal court holding office on January 2, 1978, receive less than the total annual compensation received by that official during calendar year 1976.

The fiscal court may establish a higher level of compensation for the jailer, provided, however, that in no event shall the jailer's compensation exceed the maximum compensation allowable for county officials under KRS 64.527. In the event that a jail was closed during calendar year 1981, the secretary of finance may, upon proper documentation by the jailer, direct that a prior calendar year's level of compensation be used as a basis for setting the jailer's compensation pursuant to this section.~~
- ~~{3}~~~~{The jailer's monthly salary for the period July, 1982, through December, 1982, shall be the jailer's compensation for calendar year 1982 as provided in subsection (2) of this section less the jailer's earnings for January through June, 1982, divided by six (6).~~

- (10) *"Medical emergency" means any condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant female as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.*
- (11) *"Medical necessity" means a medical condition of a pregnant woman that, in the reasonable judgment of the physician who is attending the woman, so complicates the pregnancy that it necessitates the immediate performance or inducement of an abortion.*
- (12) *"Probable gestational age of the embryo or fetus" means the gestational age that, in the judgment of a physician, is, with reasonable probability, the gestational age of the embryo or fetus at the time that the abortion is planned to be performed.*

SECTION 2. A NEW SECTION OF KRS 311.710 TO 311.820 IS CREATED TO READ AS FOLLOWS:

- (1) *No abortion shall be performed or induced except with the voluntary and informed written consent of the woman upon whom the abortion is to be performed or induced. Except in the case of a medical emergency, consent to an abortion is voluntary and informed if and only if:*
 - (a) *At least twenty-four (24) hours prior to the abortion, a physician, licensed nurse, physician assistant, or social worker to whom the responsibility has been delegated by the physician has verbally informed the woman of all of the following:*

1. *The nature and purpose of the particular abortion procedure or treatment to be performed and of those medical risks and alternatives to the procedure or treatment that a reasonable patient would consider material to the decision of whether or not to undergo the abortion;*
 2. *The probable gestational age of the embryo or fetus at the time the abortion is to be performed; and*
 3. *The medical risks associated with the pregnant woman carrying her pregnancy to term;*
- (b) *At least twenty-four (24) hours prior to the abortion, in an individual, private setting, a physician, licensed nurse, physician assistant, or social worker to whom the responsibility has been delegated by the physician, has informed the pregnant woman that:*
1. *The cabinet publishes the printed materials described in paragraphs (a) and (b) of subsection (2) of this section and that she has a right to review the printed materials and that copies will be provided to her by the physician, licensed nurse, physician assistant, or social worker free of charge if she chooses to review the printed materials;*
 2. *Medical assistance benefits may be available for prenatal care, childbirth, and neonatal care, and that more detailed information on the availability of such assistance is contained in the printed materials published by the cabinet; and*
 3. *The father of the fetus is liable to assist in the support of her child, even in instances where he has offered to pay for the abortion;*
- (c) *At least twenty-four (24) hours prior to the abortion, a copy of the printed materials has been provided to the pregnant woman if she chooses to view these materials;*

- (e) *Prior to the performance or inducement of the abortion, the physician who is scheduled to perform or induce the abortion or the physician's agent receives a copy of the pregnant woman's signed statement, on a form which may be provided by the physician, on which she consents to the abortion and that includes the certification required by paragraph (d) of this subsection.*
- (2) *By January 1, 1999, the cabinet shall cause to be published in English in a typeface not less than 12 point type the following materials:*
- (a) *Materials that inform the pregnant woman about public and private agencies and services that are available to assist her through her pregnancy, upon childbirth, and while her child is dependent, including, but not limited to, adoption agencies. The materials shall include a comprehensive list of the available agencies and a description of the services offered by the agencies and the telephone numbers and addresses of the agencies, and inform the pregnant woman about available medical assistance benefits for prenatal care, childbirth, and neonatal care and about the support obligations of the father of a child who is born alive. The cabinet shall ensure that the materials are comprehensive and do not directly or indirectly promote, exclude, or discourage the use of any agency or service described in this section; and*
 - (b) *Materials that inform the pregnant woman of the probable anatomical and physiological characteristics of the zygote, blastocyte, embryo, or fetus at two (2) week gestational increments for the first sixteen (16) weeks of her pregnancy and at four (4) week gestational increments from the seventeenth week of her pregnancy to full term, including any relevant information regarding the time at which the fetus possibly would be viable. The materials shall use language that is understandable by the average person who is not medically trained, shall be objective and nonjudgmental, and shall include only accurate scientific information about the zygote, blastocyte, embryo, or fetus at the various gestational increments. The materials shall include, for each of the two (2) of four (4) week increments specified in this paragraph, a pictorial or photographic depiction of the zygote, blastocyte, embryo, or fetus. The materials shall also include, in a conspicuous*

- (3) *Upon submission of a request to the cabinet by any person, hospital, physician, or medical facility for one (1) or more copies of the materials published in accordance with subsection (2) of this section, the cabinet shall make the requested number of copies of the materials available to the person, hospital, physician, or medical facility that requested the copies.*
- (4) *If a medical emergency or medical necessity compels the performance or inducement of an abortion, the physician who will perform or induce the abortion, prior to its performance or inducement if possible, shall inform the pregnant woman of the medical indications supporting the physician's judgment that an immediate abortion is necessary. Any physician who performs or induces an abortion without the prior satisfaction of the conditions specified in subsection (1) of this section because of a medical emergency or medical necessity shall enter the reasons for the conclusion that a medical emergency exists in the medical record of the pregnant woman.*
- (5) *If the conditions specified in subsection (1) of this section are satisfied, consent to an abortion shall be presumed to be valid and effective.*
- (6) *The failure of a physician to satisfy the conditions of subsection (1) of this section prior to performing or inducing an abortion upon a pregnant woman may be the basis of disciplinary action pursuant to KRS 311.595.*
- (7) *The cabinet shall charge a fee for each copy of the materials distributed in accordance with subsections (1) and (3) of this section.  CAPITAL PROJECTS BUDGET PROVISIONS
 FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 1998, unless reauthorized in this Act with the following exceptions: (1) a construction contract for the project shall have been awarded by June 30, 1998; (2) permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) grant or loan agreements, if applicable, have been finalized and properly signed by all necessary parties. Notwithstanding the criteria set forth in this section, the disposition of 1996-98 appropriated major maintenance pools shall remain subject to the provisions of KRS 45.770(4)(c) and (d). Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 1998.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium so that preliminary work on the projects may proceed. However, debt service has been included beginning in fiscal year 1999-2000. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 1999.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding the provisions of KRS 48.720, KRS 48.010, or any section of this Act, the first \$1,500,000 of any General Fund excess investment income in fiscal year 1998-99 and fiscal year 1999-2000, respectively, is credited to the General Fund if determined to be excess to the General Fund appropriation needed for the payment of debt service as a direct result of the application of investment income earned on bond proceeds to debt service payments. Any funds above this amount shall be credited to the Deferred Maintenance Pool

Account each year. Unneeded debt service resulting due to any other circumstance shall lapse in accordance with KRS 48.720, KRS 48.010, and other provisions of this Act.

5. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction Investment Income account effective July 1, 1998.

6. The Council on Postsecondary Education subheading in this Part includes a project entitled "Agency Bond Pool." For the Agency Bond Pool, \$35,000,000 in projects is authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 1998-2000 biennium. Also eligible for funding from this authorization is the McLean Hall Renovation project at Western Kentucky University.

The provisions of KRS 45.750 to 45.816 notwithstanding, capital construction projects at institutions of higher education involving no state or federal funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

7. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under the provisions of KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

8. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Repair of State-Owned Dams, Land Acquisition, Purchase of Agricultural Conservation Easements (PACE), Economic Development projects, Infrastructure projects, Asbestos Abatement projects, Technology Trust Fund projects, systems, and initiatives authorized in Part X of this Act, and the Council on Postsecondary Education Agency Bond Pool. Any projects estimated to cost over \$400,000 and equipment estimated to cost over \$100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction. Notwithstanding any provision in this Act, the first \$1,500,000 available from invested income shall be credited to the General Fund.

9. If any authorized capital construction project is constructed within the city limits of Frankfort, funding for the project shall include an amount sufficient to meet fifty percent (50%) of the cost of correcting any drainage problems in the area surrounding the capital construction project.

PART III

GENERAL PROVISIONS

1. Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Funds, State Enterprise Funds (State Parks, State Fair Board, Industries for the Blind, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Computer Services, Central Stores, Telecommunications, Prison Industries, Central Printing, Risk Management and Property Management) and selected Fiduciary Funds (Unemployment Compensation and Other Expendable Trust). Separate funds records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which include fees for board and room, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts or other Federal Funds received, income from investments and other miscellaneous federal receipts received by a budget unit, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 1998-99 or fiscal year 1999-2000, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400 to 48.800 and this Act, and with the authorization of the State Budget Director of the Governor's Office for Policy and Management and approval of the Secretary of the Finance and Administration Cabinet.

3. Except as otherwise provided in KRS 48.630(9) and (10) and in this Act, a budget unit may requisition for expenditure from its Restricted Funds accounts or Federal Funds accounts, through the Finance and Administration Cabinet, during the fiscal year ending June 30, 1999, and during the fiscal year ending June 30, 2000, all receipts placed to the credit of its funds accounts in each respective year, in addition to any balance which the budget unit may have had forwarded from the preceding year on or before August 31, of the then current fiscal year, by the Finance and Administration Cabinet.

On or before the beginning of each fiscal year, and, if applicable, during each fiscal year, each budget unit shall document and submit to the Finance and Administration Cabinet, the Governor's Office for Policy and Management, and the Legislative Research Commission a record of Restricted Funds and Federal Funds for each budget unit showing the most current estimates of receipts by sources and expenditures by uses, a comparative statement of any revised estimated receipts and proposed expenditures with appropriation sums specified in the enacted Budget of the Commonwealth, and statements which explain the cause, source, and use for a variance which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal Funds records contained in the FB 1998-2000 Branch Budget Request Manual and according to the following schedule in each fiscal year: (1) on or before the beginning of each fiscal year; (2) on or before October 1; (3) on or before January 1; and (4) on or before April 1.

4. Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and the provisions of KRS 48.400 to 48.800. Compliance with the provisions of this subsection shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

5. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

6. Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account respectively to the extent the Federal Funds otherwise become available.

7. A state agency entitled to Federal Funds which would represent one hundred percent (100%) of the cost of a program shall conform to KRS 48.730.

8. Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account.

9. No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630. Proposed revisions to an appropriation contained in the enacted State/Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 3 of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

10. Allotments within appropriated sums for the activities and purposes contained in the enacted State/Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

11. All statutory continuing appropriations in existence at the time this Act takes effect are discontinued and suspended by this Act except as provided by Chapters 42, 96A, 164, 183, 278, and 441 of the Kentucky Revised Statutes. All statutes and portions of statutes in conflict with any of the provisions of this Section, to the extent of the conflict, are suspended, unless otherwise provided by this Act.

12. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made herebefore or hereafter for the fiscal year ending June 30, 1998, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

13. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which the appropriation may be expended shall be decided by the Secretary of the Finance and Administration Cabinet pursuant to KRS 48.500, and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

14. The Secretary of the Finance and Administration Cabinet shall cause the Governor's Office for Policy and Management, within sixty (60) days upon adjournment of the 1998 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the recommended State/Executive Budget, Judicial Budget and Legislative Budget as enacted by the 1998 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for the 1998-2000 biennium, and based upon supporting documentation and legislative records as considered by the 1998 Regular Session of the General Assembly and the statutory budget memorandum. This document shall include for each agency and budget unit a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class and for the State/Executive Budget, any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted State/Executive Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each part of this Act and by KRS 48.400 to 48.800, and upon review and action by the Interim Joint Committee on Appropriations and Revenue.

15. Pursuant to KRS 48.400, the Secretary of the Finance and Administration Cabinet shall monitor and report on the financial condition of the Commonwealth.

16. The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

17. The Secretary of the Transportation Cabinet shall use Road Fund resources to meet the lease rental payments to the Kentucky Turnpike Authority for Resource Recovery Road projects in the amount certified by the Secretary of the Transportation Cabinet. However, if Road Fund resources are not sufficient to meet lease rental payments, the additional amount required for meeting lease rental payments as certified by the Secretary of the Transportation Cabinet under KRS 143.090 shall be transferred from coal severance tax receipts to meet the obligation.

18. Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in another Act of the 1998 Regular Session of the General Assembly. If any executive reorganization order issued from sine die adjournment of the 1996 Regular Session to sine die adjournment of the 1998 Regular Session is not confirmed by the 1998 Regular Session of the General Assembly, the Secretary of the Finance and

Administration Cabinet shall, in consultation with agency heads and with notification to the Legislative Research Commission, transfer the balance of funds for any affected program or function for fiscal year 1997-98 and any related appropriations and funds for each of the next two fiscal years from the budget unit in which the program or function was placed by the executive reorganization order to the budget unit in which the program or function resided prior to the reorganization action or in which it was placed by action of the 1998 Regular Session of the General Assembly. The Legislative Research Commission shall forward the documentation to the appropriate committees.

19. Notwithstanding KRS 48.705(2), there shall be no General Fund surplus revenue receipts or unexpended balances of appropriations deposited in the budget reserve trust fund account for fiscal year 1998-99 or fiscal year 1999-2000 except as otherwise provided in this Act. Existing funds in the account in an amount specified in this Act may be used as provided otherwise in this Act or as designated in Part VI, General Fund Budget Reduction Plan, if General Fund receipts during fiscal year 1998-99 or fiscal year 1999-2000 are not sufficient to meet the level of General Fund appropriations included in biennial budget bills or any enactment by the 1998 General Assembly which contains an appropriation provision.

20. Notwithstanding KRS 61.565, the employer contribution rate for the Kentucky Employees Retirement System from July 1, 1998, through June 30, 2000, shall be no more than 8.03 percent for nonhazardous duty employees and 18.66 percent for hazardous duty employees; for the same period, the employer contribution for employees of the State Police Retirement System shall be no more than 23.41 percent.

21. By August 15, 1999, the Finance and Administration Cabinet, in conjunction with the Consensus Forecast Group, shall provide to each branch of government, pursuant to KRS 48.117, a budget planning report.

22. By October 15, 1999, the Finance and Administration Cabinet shall provide to each branch of government detailed estimates for the General Fund and Road Fund for the current and next two fiscal years of the revenue loss effected by tax expenditures. The Revenue Cabinet shall provide assistance and furnish data which is not restricted by KRS 131.190. "Tax expenditure" means an exemption, exclusion, or deduction from the base of a tax, a credit against the tax, a deferral of a tax, or a preferential tax rate. The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

23. Any appropriation item and sum in this Act and in an appropriation provision in another act of the 1998 Regular Session which constitute a duplicate appropriation shall be governed by KRS 48.312.

24. KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

25. Appropriation items and sums in this Act conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

26. It is the intent of the General Assembly that the Executive Branch implement actions necessary to achieve cost savings as intended, authorized, and directed by 1996 Kentucky Acts, Chapter 380, Part X, by authorizing the Executive Branch, within the limitations provided for in this Act, to transfer General Fund appropriation amounts related to Technology Trust Fund savings from one budget unit to another budget unit solely within the Cabinets for Families and Children, Finance and Administration, Health Services, Justice, Natural Resources and Environmental Protection, Workforce Development, and the Department of Education. Any transfer of General Fund appropriation amounts related to Technology Trust Fund savings from one budget unit to another budget unit shall be made only within each specified Cabinet and the Department of Education and shall be limited to the General Fund cost savings amounts identified in the 1998-2000 Executive Branch budget recommendation and executive records. The Secretary of any of the specified cabinets and the Commissioner of the Department of Education may submit requests to the State Budget Director of the Governor's Office for Policy and Management for the transfer of General Fund appropriation authority. Such requests shall specify the need for the transfer of General Fund appropriation authority and the manner in which such a transfer would better achieve the General Fund cost savings. Any transfers made under this provision for any of the cabinets identified above or the Department of Education shall result in no change to the total value of the General Fund cost savings amounts as identified in the 1998-2000 Executive Branch budget recommendation and executive records for the individual cabinets specified above or the Department of Education. Any transfer made under this provision shall be made pursuant to KRS 48.500 and shall be reported, in writing, to the Interim Joint Committee on Appropriations and Revenue.

27. It is the intent of the General Assembly that the Secretary of the Finance and Administration Cabinet, the Secretary of the Governor's Executive Cabinet, and the State Budget Director of the Governor's Office for Policy and

Management shall implement actions for the Executive Branch necessary to achieve the General Fund cost savings intended and authorized by the 1996 Kentucky Acts, Chapter 380, Part X. The General Assembly hereby recognizes and ratifies the actions of the Secretary of the Finance and Administration Cabinet, upon recommendation of the State Budget Director of the Governor's Office for Policy and Management, revising the General Fund allotment schedule for fiscal year 1997-98 for purposes of making unavailable for expenditure General Fund allotments equal in value to the General Fund cost savings amounts identified in the 1998-2000 Executive Branch budget recommendation and executive records.

28. For fiscal year 1998-99 and fiscal year 1999-00, the first \$6,000,000 of any unclaimed prize money held in the corporate operating account of the Kentucky Lottery Corporation shall be added to the pool from which future prizes are to be awarded or used for special prize promotions, and any amount in excess of \$6,000,000 shall be transferred to the affordable housing trust fund established by KRS 198A.710.

29. There is created in the State Treasury a tobacco settlement account to be credited with any funds received from a national settlement agreement between the tobacco industry and the Attorney General or any federal legislation related to the agreement. PART X

GENERAL FUND SURPLUS EXPENDITURE PLAN

1. Pursuant to KRS 48.700 and notwithstanding KRS 48.140, there is established a plan for the expenditure of General Fund surplus moneys pursuant to a General Fund Surplus Plan contained in this Part for fiscal years 1998-99 and 1999-2000 notwithstanding the provisions of KRS 48.140(1) and (2). Pursuant to the enactment of the Surplus Expenditure Plan, General Fund moneys in the General Fund undesignated fund balance (General Fund Surplus Account) are appropriated to the following: the Budget Reserve Trust Fund established in KRS 48.705; a State Technology Projects Fund, as established in this Part of this Act; a School Technology Projects Fund as established in this Part of this Act; and a Statewide Infrastructure and Endowment Fund as established in this Part of

this Act. Collectively, these four component funds comprise the General Fund Surplus Expenditure Plan for fiscal years 1998-99 and 1999-2000.

2. The General Fund amount appropriated to the Surplus Expenditure Plan from the undesignated fund balance in the General Fund at the close of fiscal year 1997-98 and fiscal year 1998-99 respectively shall not exceed the total for the appropriations made for fiscal years 1998-99 and 1999-2000 combined. If the undesignated fund balance in the General Fund at the close of fiscal year 1997-98 and at the close of fiscal year 1998-99 totals less than the total combined Surplus Funds appropriation amounts for fiscal year 1998-99 and fiscal year 1999-2000, the amount available for appropriation for fiscal year 1998-99 and for fiscal year 1999-2000 pursuant to this section shall be the total undesignated fund balance amount at June 30, 1998, and at June 30, 1999, for the respective years. These amounts are appropriated in fiscal year 1998-99 and in fiscal year 1999-2000, and shall be allocated in the following manner: a proportional amount of the total General Fund Surplus balance to the Budget Reserve Trust Fund, not to exceed \$20,000,000 in fiscal year 1998-99 and \$22,000,000 in fiscal year 1999-2000; a proportional amount of the total General Fund Surplus balance to the State Technology Projects Fund, not to exceed \$25,700,000 in fiscal year 1998-99 and \$67,800,000 in fiscal year 1999-2000; a proportional amount of the total General Fund Surplus balance to the School Technology Projects Fund, not to exceed \$25,700,000 in fiscal year 1998-99 and \$71,600,000 in fiscal year 1999-2000; a proportional amount of the total General Fund Surplus balance to the Endowment Fund, not to exceed \$110,000,000 in fiscal year 1998-99; and a proportional amount of the total General Fund Surplus balance to the Infrastructure Fund not to exceed \$107,730,000 in fiscal year 1998-99 or in fiscal year 1999-2000. Projects in the amount of \$127,000,000 are authorized with Bond Funds.

3. The Secretary of the Finance and Administration Cabinet shall determine, within thirty (30) days after the close of fiscal year 1997-98, and the close of fiscal year 1998-99, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 1998-99 and fiscal year 1999-2000.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

Subsequent to June 30, 1998, funds that are certified as being available in the actual General Fund undesignated fund balance for the General Fund Surplus Account are appropriated for expenditure in fiscal year 1998-99 pursuant to the Plan.

Each component Fund identified as part of the General Fund Surplus Expenditure Plan in this Part of this Act shall be appropriated its discrete proportional amount of the total General Fund Surplus balance share of the total undesignated fund balance. Nonrecurring project amounts are hereby appropriated in priority rank order for the individual component funds set out above in this Part. Notwithstanding KRS 45.229, any funds appropriated pursuant to this Part of this Act in fiscal year 1998-99 shall not lapse, but shall carry forward and remain appropriated in fiscal year 1999-2000 in order to effectuate the terms of this Act.

4. To the extent that projects are enumerated in the priority ranking and sufficient General Fund moneys are not certified to be available for expenditure and appropriation in fiscal year 1998-99, the remaining projects in the same priority order set forth in this Part are appropriated from the actual General Fund undesignated fund balance for the General Fund Surplus Account effective July 1, 1999, for fiscal year 1999-2000.

5. Individual project priority rankings have been established within each of the four component funds enumerated. Nonrecurring appropriations are approved in the priority rank order for the projects listed within each component fund enumerated below and within the proportional amount of the total General Fund Surplus balance amounts provided above:

8. Appropriations allotted from the Technology Trust Fund for each project, initiative, or system, as well as all other associated resources made available from regular appropriations for the same purpose from a budget unit shall be transferred and credited to, and accounted for and expended from a discrete account established for the individual project, initiative, or system item in the Operating Budget and the Capital Budget.

9. In addition to the General Fund appropriations in this Part for the Technology Trust Fund, Restricted Funds, Federal Funds, the Road Fund, private funds, and any matching fund appropriations required are appropriated in support of the projects and priorities identified by the Redesign Steering Committee. However, KRS 45.760(14), 45.770, 45.780, and 45.800 notwithstanding, no funds from the emergency repair, maintenance and replacement account or the capital construction and equipment purchase contingency account shall be used for Technology Trust Fund projects, systems, or initiatives.
