The facility shall keep a record of all work actually performed by family members;
 - (d) The cost of contracts, loans, or other payments made by the facility to owners, administrators or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for **Health Services**~~Human Resources~~. - (5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

- (9) No long-term care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.
- (10) Family practice physicians practicing in geographic areas with no more than one (1) primary care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.

- (3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. Sec. 453.2 (1988).
- (9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.
- (10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for **Public Health**~~[Services]~~ deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which

shall contain the name, date and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

- (12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.
- (13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

Nor shall KRS 158.035, 214.010, 214.020, 214.032 to 214.036, and 214.990 be construed to require the immunization of any child whose parents are opposed to medical immunization against disease, and who object by a written sworn statement to the immunization of such child on religious grounds. Provided, however, that in the event of an epidemic in a given area, the Cabinet for **Health Services**~~[Human Resources]~~ may, by emergency regulation, require the immunization of all persons within the area of epidemic, against the disease responsible for such epidemic.

Section 397. KRS 214.155 is amended to read as follows:

- (1) The administrative officer or other person in charge of each institution caring for infants twenty-eight (28) days or less of age and the person required in pursuance of the provisions of KRS 213.046 shall register the birth of a child, and cause to have administered to every such infant or child in its or his care tests for inborn errors of metabolism, including but not limited to phenylketonuria (PKU), in accordance with rules or regulations prescribed by the secretary of the Cabinet for **Health Services**~~[Human Resources]~~. Testing, recording, and reporting of the results of such tests shall be performed at such times and in such manner as may be prescribed by the secretary of the Cabinet for **Health Services**~~[Human Resources]~~ or his designee. The secretary of the Cabinet for **Health Services**~~[Human Resources]~~ shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for inborn errors of metabolism.
- (2) Nothing in this section shall be construed to require the testing of any child whose parents are members of a nationally recognized and established church or religious denomination, the teachings of which are opposed to medical tests, and who object in writing to the testing of such child on that ground.

Section 398. KRS 214.160 is amended to read as follows:

- (1) Every physician and every other person legally permitted to engage in attendance upon a pregnant woman in this state shall take or cause to be taken from the woman a specimen of blood for serological test for syphilis as soon as he is engaged to attend the woman and has reasonable grounds for suspecting that pregnancy exists. If the woman is in labor at the time the diagnosis of pregnancy is made, which may make it inadvisable to obtain a blood specimen at that time, the specimen shall be obtained within ten (10) days after delivery. The specimen of blood shall be submitted to the laboratory of the Cabinet for **Health Services**~~[Human Resources]~~ or a laboratory approved by the cabinet, for the purpose of having made a serological test for syphilis. The test shall be of a type approved by the Cabinet for **Health Services**~~[Human Resources]~~.
- (2) The Cabinet for **Health Services**~~[Human Resources]~~ shall, as often as necessary, publish a list of the five (5) most frequently abused substances, including alcohol, by pregnant women in the Commonwealth. Any physician and any other person legally permitted to engage in attendance upon a pregnant woman in this state may perform a screening for alcohol or substance dependency or abuse, including a comprehensive history of such behavior. Any physician may administer a toxicology test to a pregnant woman under the physician's care within eight (8) hours after delivery to determine whether there is evidence that she has ingested alcohol, a controlled substance, or a substance identified on the list provided by the cabinet, or if the woman has

obstetrical complications that are a medical indication of possible use of any such substance for a nonmedical purpose.

- (3) Any physician or person legally permitted to engage in attendance upon a pregnant woman may administer to each newborn infant born under that person's care a toxicology test to determine whether there is evidence of prenatal exposure to alcohol, a controlled substance, or a substance identified on the list provided by the Cabinet for **Health Services**~~{Human Resources}~~, if the attending person has reason to believe based on a medical assessment of the mother or the infant, that the mother used any such substance for a nonmedical purpose during the pregnancy.
- (4) The circumstances surrounding any positive toxicology finding shall be evaluated by the attending person to determine if abuse or neglect of the infant, as defined under KRS 600.020(1), has occurred and whether investigation by the Cabinet for **Health Services**~~{Human Resources}~~ is necessary.
- (5) No prenatal screening for alcohol or other substance abuse or positive toxicology finding shall be used as prosecutorial evidence.
- (6) No person shall conduct or cause to be conducted any toxicological test pursuant to this section on any pregnant woman without first informing the pregnant woman of the purpose of the test.

Section 399. KRS 214.170 is amended to read as follows:

Every physician or other person who takes or causes to be taken from a woman in pregnancy, or suspected pregnancy, a blood specimen for serological tests for syphilis, shall identify the specimen as being from a pregnant woman submitting it for tests. The laboratory shall report the result of the test if reactive on forms prepared and furnished by the Cabinet for **Health Services**~~{Human Resources}~~ to the Cabinet for **Health Services**~~{Human Resources}~~ not later than one (1) week after the examination is made.

Section 400. KRS 214.175 is amended to read as follows:

- (1) The Cabinet for **Health Services**~~{Human Resources}~~ may conduct periodic anonymous surveys to determine the prevalence within the Commonwealth of drug and alcohol use during pregnancy. These periodic surveys may include, but are not limited to, toxicology tests to determine the presence of alcohol, controlled substances, or other drugs which have not been prescribed due to medical necessity.
- (2) All hospitals and any other health facilities licensed pursuant to KRS Chapter 216B which provide for obstetrical services, including delivery of newborn infants, shall, as a condition of licensure, participate in any periodic surveys conducted by the Cabinet for **Health Services**~~{Human Resources}~~ for the purposes of determining the prevalence of alcohol or other substance abuse among pregnant women and newborn infants.
- (3) Any surveys conducted pursuant to this section shall be conducted according to guidelines established by the Cabinet for **Health Services**~~{Human Resources}~~. The toxicology test may be performed without a physician's order and without patient or parental consent. For the purpose of this section any toxicology test performed shall be considered medically necessary.
- (4) The results of any individual toxicology tests performed pursuant to this section shall remain confidential and shall only be released to the Cabinet for **Health Services**~~{Human Resources}~~. Any results shall be collected and compiled in aggregate form without the name of the hospital, patient, or other means of identifying the individual subject of the test.
- (5) No test result obtained pursuant to this section shall be admissible in any court or other hearing as evidence in any proceeding, criminal or civil, against the individual subject of the test.
- (6) No hospital shall incur any liability, except for negligence, for performing any test required or authorized under KRS 214.160 and 214.175 or for reporting the result of the test pursuant to any administrative regulation promulgated by the Cabinet for **Health Services**~~{Human Resources}~~ under KRS Chapter 13A in accordance with this section.
- (7) The cabinet may use any state appropriation and any gifts, grants, or federal funds that become available for the purposes of implementing the provisions of this section.

Section 401. KRS 214.181 is amended to read as follows:

- (1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired

immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

- (2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.
- (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health care services, there is no requirement that a health care provider obtain a previous informed consent.
- (4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:
 - (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or
 - (b) Referring the patient to another appropriate professional or health care facility for the information and counseling.
- (5)
 - (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.
 - (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.
 - (c) No person, who has obtained or has knowledge of a test result pursuant to this section, shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:
 1. The subject of the test or the subject's legally authorized representative;
 2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
 3. A physician, nurse, or other health care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
 4. Health care providers consulting between themselves or with health care facilities to determine diagnosis and treatment;
 5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
 6. A health facility or health care provider which procures, processes, distributes, or uses:
 - a. A human body part from a deceased person, with respect to medical information regarding that person; or
 - b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
9. A person allowed access by a court order which is issued in compliance with the following provisions:
 - a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
 - b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
 - c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;
 - d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
 - e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

- (6) (a) The Cabinet for **Health Services**~~(Human Resources)~~ shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;
- (b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;
- (c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. The cabinet shall continue to provide for anonymous testing and counseling;
- (d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability

for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

- (7) No public health department and no other private or public facility established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:
 - (a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;
 - (b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;
 - (c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;
 - (d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;
 - (e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;
 - (f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;
 - (g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;
 - (h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;
 - (i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;
 - (j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312 or 313 to register with the cabinet if he does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.
- (8) Any violation of this section by a licensed health care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.
- (9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.
- (10) The cabinet shall develop a program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 402. KRS 214.185 is amended to read as follows:

- (1) Any physician, upon consultation by a minor as a patient, with the consent of such minor may make a diagnostic examination for venereal disease, pregnancy, alcohol or other drug abuse or addiction and may advise, prescribe for and treat such minor regarding venereal disease, alcohol and other drug abuse or addiction, contraception, pregnancy or childbirth, all without the consent of or notification to the parent, parents, or guardian of such minor patient, or to any other person having custody of such minor patient.

Treatment under this section does not include inducing of an abortion or performance of a sterilization operation. In any such case, the physician shall incur no civil or criminal liability by reason of having made such diagnostic examination or rendered such treatment, but such immunity shall not apply to any negligent acts or omissions.

- (2) Any physician may provide outpatient mental health counseling to any child age sixteen (16) or older upon request of such child without the consent of a parent, parents, or guardian of such child.
- (3) Notwithstanding any other provision of the law, and without limiting cases in which consent may be otherwise obtained or is not required, any emancipated minor or any minor who has contracted a lawful marriage or borne a child may give consent to the furnishing of hospital, medical, dental or surgical care to his or her child or himself or herself and such consent shall not be subject to disaffirmance because of minority. The consent of the parent or parents of such married or emancipated minor shall not be necessary in order to authorize such care. For the purpose of this section only, a subsequent judgment of annulment of marriage or judgment of divorce shall not deprive the minor of his adult status once obtained. The provider of care may look only to the minor or spouse for payment for services under this section unless other persons specifically agree to assume the cost.
- (4) Medical, dental, and other health services may be rendered to minors of any age without the consent of a parent or legal guardian when, in the professional's judgment, the risk to the minor's life or health is of such a nature that treatment should be given without delay and the requirement of consent would result in delay or denial of treatment.
- (5) The consent of a minor who represents that he may give effective consent for the purpose of receiving medical, dental, or other health services but who may not in fact do so, shall be deemed effective without the consent of the minor's parent or legal guardian, if the person rendering the service relied in good faith upon the representations of the minor.
- (6) The professional may inform the parent or legal guardian of the minor patient of any treatment given or needed where, in the judgment of the professional, informing the parent or guardian would benefit the health of the minor patient.
- (7) Except as otherwise provided in this section, parents, the Cabinet for **Health Services**~~[Human Resources]~~, or any other custodian or guardian of a minor shall not be financially responsible for services rendered under this section unless they are essential for the preservation of the health of the minor.

Section 403. KRS 214.310 is amended to read as follows:

Section 405. KRS 214.420 is amended to read as follows:

- (2) All information, records and reports in the possession of local health departments or the Cabinet for **Health Services**~~[Human Resources]~~ and which concern persons infected with or suspected of being infected with or tested for or identified in an epidemiologic investigation for sexually transmitted disease are hereby declared to be strictly confidential and only personnel of local health departments and the Cabinet for **Health Services**~~[Human Resources]~~ who are assigned to sexually transmitted disease control activities shall have access to such information, records and reports.
- (3) Nothing in this section shall be construed as preventing:

- (3) It shall be the duty of the administrator of any blood establishment which collects blood for the purpose of distributing to another health service, health facility, or health care provider the blood for transfusion to:
 - (a) Secure donor consent and a signed written risk factor history and donor consent form for each potential paid or volunteer donor for the purpose of determining if the potential donor is at high risk for infection with the human immunodeficiency virus, or has tested confirmatory positive for infection with the human immunodeficiency virus; or has acquired immune deficiency syndrome; or has tested confirmatory positive for infection with any causative agent for acquired immune deficiency syndrome recognized by the United States Centers for Disease Control; or has a blood-borne communicable disease;

- (3) The department may adopt a schedule of income-based fees to be charged for the breast cancer screening. The cancer patient data management system shall be administered by the Lucille Parker Markey Cancer Center.
- (2) Each licensed health facility which provides diagnostic services, or diagnostic services and treatment, or treatment to cancer patients shall report to the Kentucky Cancer Registry, through the cancer patient data management system and in a format prescribed by the Kentucky Cancer Registry, each case of cancer seen at that health facility. - (1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.
- (2) A person who has signed a general consent form for the performance of medical procedures and tests, is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

- (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health care services, there is no requirement that a health care provider obtain a previous informed consent.
- (4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:
 - (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or
 - (b) Referring the patient to another appropriate professional or health care facility for the information and counseling.
- (5)
 - (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.
 - (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.
 - (c) No person, who has obtained or has knowledge of a test result pursuant to this section, shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:
 1. The subject of the test or the subject's legally authorized representative;
 2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
 3. A physician, nurse, or other health care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
 4. Health care providers consulting between themselves or with health care facilities to determine diagnosis and treatment;
 5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

 - b. Semen provided prior to July 13, 1990, for the purpose of artificial insemination;
 7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

 10. A person allowed access by a court order which is issued in compliance with the following provisions:
 - a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future

human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

- b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
- c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;
- d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
- e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

- (6) (a) The Cabinet for **Health Services**~~[Human Resources]~~ shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;
 - (b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;
 - (c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. The cabinet shall continue to provide for anonymous testing and counseling;
 - (d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.
- (7) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

 - (b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;
 - (c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

- (d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;
 - (e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;
 - (f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;
 - (g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;
 - (h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;
 - (i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;
 - (j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312 or 313 to register with the cabinet if he does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.
- (8) Any violation of this section by a licensed health care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.
- (9) Except as provided in subsection (6)(d) of this section and KRS 304.12-013, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.
- (10) The cabinet shall develop a program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

- (1) Every head of a family who willfully fails or refuses and every physician who fails or refuses to comply with KRS 214.010 shall be guilty of a violation for each day he neglects or refuses to report. - (e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.

- (5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, 304.38-050, and 304.43-030.

In the event the laboratory tests indicate that both applicants are carriers of a trait or disease, the physician may provide genetic counseling or refer the applicants to the cabinet or to an agency approved by the cabinet for such counseling.

Section 578. KRS 402.340 is amended to read as follows:

The secretary for *health services* ~~human resources~~ shall adopt rules and regulations for the proper administration and enforcement of KRS 402.310 to 402.340.

Section 579. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
 - (a) A child's extraordinary medical or dental needs;
 - (b) A child's extraordinary educational, job training, or special needs;
 - (c) Either parent's own extraordinary needs, such as medical expenses;
 - (d) The independent financial resources, if any, of the child or children;
 - (e) Combined parental income in excess of the Kentucky child support guidelines;
 - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
 - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine

gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

- (6) The court shall allocate between the parents, in proportion to their adjusted gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7) (a) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
 1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and
 2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (b) If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.
- (8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their adjusted gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars (\$100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (9) In any case administered by the Cabinet for *Families and Children* ~~Human Resources~~, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for *Families and Children* ~~Human Resources~~ may, upon application, enroll the child.

Section 580. KRS 403.213 is amended to read as follows:

- (1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations and for modification of child support orders for health care. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.
- (2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.
- (3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court-ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances.

- (4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:
- (a) The secretary of the Cabinet for *Families and Children*~~[Human Resources]~~ or a supervisory staff person designated by him;
 - (b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years' experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

 - (e) Two (2) county attorneys appointed by the president of the County Attorneys Association, one (1) from a metropolitan or large urban area and one (1) from a less populated area; and
 - (f) The Attorney General or his designee, who shall be an attorney from his office.
- (5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

Section 581. KRS 403.7505 is amended to read as follows:

- (1) The Cabinet for *Health Services*~~[Human Resources]~~ shall, by administrative regulations promulgated pursuant to KRS Chapter 13A, establish certification standards for mental health professionals providing court-mandated treatment services for domestic violence offenders.

 - (c) Admittance and discharge criteria for domestic violence offenders to enter court-mandated treatment services provided pursuant to this section;
 - (d) Written protocols for referral by a court to certified providers and for progress reports to be made to the court by providers;
 - (e) Contracts for domestic violence offenders to sign prior to entering court-ordered treatment services provided pursuant to this section. The contract shall specify that certified providers may contact the victims of the offender if the victim chooses to be contacted. The contract shall authorize the provider to release information regarding the offender's progress in treatment to the court, victims, probation and parole officers, and other individuals authorized by the court to receive the information;
 - (f) Written procedures in compliance with KRS 202A.400, 209.030, and 620.030;
 - (g) Payment protocols which require the offender to pay the actual cost for any court-mandated evaluation or treatment pursuant to this section, subject to the offender's ability to pay; and

- (h) Other provisions which shall further the availability and quality of court-mandated domestic violence offender services.
- (4) The cabinet shall:
 - (a) Maintain a list of providers certified pursuant to this section and regularly submit the list to the Administrative Office of the Courts; and
 - (b) Collect data from certified providers, which shall include the number of domestic violence offenders served by the certified providers, to be compiled annually and submitted to the Governor, the Chief Justice of the Kentucky Supreme Court, and the Legislative Research Commission.

Section 582. KRS 403.783 is amended to read as follows:

- (1) For the purposes of KRS 403.783 to 403.785, "law enforcement agency" means any agency of state, county, city, or metropolitan government, or a combination of these, responsible for employing and directing the action of peace officers, including sheriffs and their deputies, sworn police officers, sworn enforcement officers of the Kentucky State Police or other duly-authorized state law enforcement agency whose officers are persons with authority to make arrests under the provisions of KRS 403.760(2).
- (2) The secretary of the Justice Cabinet, or a designee, in consultation with legal, victims services, victim advocacy, and mental professionals with an expertise in domestic violence, shall develop a written model policy and procedures manual related to domestic violence for law enforcement agencies. The model policy shall set forth the core elements required to be addressed in each law enforcement agency's policy. - (3) No later than January 1 after July 15, 1996 and July 31 of every even numbered year which follows, every law enforcement agency shall submit a copy of the agency's written domestic violence policy to the Justice Cabinet.
- (4) If a law enforcement agency fails to submit a copy of the agency's written domestic violence policy in a timely manner, the secretary shall promptly notify the law enforcement agency in writing of the requirements contained in this section.
- (5) If the secretary determines that a law enforcement agency has submitted a domestic violence policy which is inadequate, the secretary shall reject the policy and provide assistance to the agency in developing an adequate domestic violence policy.

Section 583. KRS 403.785 is amended to read as follows:

- (1) Each law enforcement agency shall report all incidents of actual or suspected domestic violence and abuse within their knowledge to the Cabinet for *Families and Children* [~~Human Resources~~], Department for Social Services, within forty-eight (48) hours of learning of the incident or of the suspected incident.
- (2) When a law enforcement officer has reason to suspect that a family member, member of an unmarried couple, or household member has been the victim of domestic violence and abuse, the officer shall use all reasonable means to prevent further abuse, including but not limited to:
 - (a) Remaining at the location of the domestic violence and abuse so long as the officer reasonably suspects there is danger to the physical safety of individuals present without the presence of a law enforcement officer;
 - (b) Assisting the victim of domestic violence and abuse in obtaining medical treatment, including transporting the victim to the nearest medical facility capable of providing the necessary treatment; and
 - (c) Advising the victim immediately of the rights available to them, including the provisions of KRS 403.715 to 403.785.

Section 584. KRS 405.465 is amended to read as follows:

- (1) This section shall apply only to those child support, medical support, maintenance, and medical support insurance orders that are established, modified, or enforced by the Cabinet for *Families and Children*~~[Human Resources]~~ or those court orders obtained in administering Part D, Title IV of the Federal Social Security Act.
- (2) All child support orders and medical support insurance orders being established, modified, or enforced by the Cabinet for *Families and Children*~~[Human Resources]~~, or those orders obtained pursuant to the administration of Part D, Title IV of the Federal Social Security Act, shall provide for income withholding which shall begin immediately.
- (3) The court shall order either or both parents who are obligated to pay child support, medical support, or maintenance under this section to assign to the Cabinet for *Families and Children*~~[Human Resources]~~ or the domestic relations clerk of the court or other officer designated by the court to receive the payment, that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered by the court.
- (4) The order shall be binding upon the employer or any subsequent employer upon the service by certified mail of a copy of the order upon the employer and until further order of the court. The employer may deduct the sum of one dollar (\$1) for each payment made pursuant to the order.
- (5) The employer shall notify the cabinet when an employee, for whom a wage withholding is in effect, terminates employment and provide the terminated employee's last known address and the name and address of the terminated employee's new employer, if known.
- (6) Any assignment made pursuant to court order shall have priority as against any attachment, execution or other assignment, unless otherwise ordered by the court.
- (7) No assignment under this section by an employee shall constitute grounds for dismissal of the obligor, refusal to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

Section 585. KRS 405.467 is amended to read as follows:

- (1) All support orders issued by the Cabinet for *Families and Children*~~[Human Resources]~~, including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.
- (2) In any case in which a parent is required to pay court ordered or administratively determined child support, medical support, maintenance, and medical support insurance, wage withholding is not in effect, and an arrearage accrues that is equal to the amount of support payment for one (1) month, upon request of the absent parent, request of the custodial parent, or upon administrative determination, the secretary shall issue an order for withholding of earnings of the parent as is necessary to comply with the order plus interest at the legal rate on the arrearage, if any.
- (3) In any case in which a parent is required either by court order or administrative order to provide medical insurance coverage for the child and the parent has failed to make application to obtain coverage for the child, the secretary shall issue an order for withholding of the employee's share, if any, of premiums for health coverage and to pay the share of premiums to the insurer.
- (4) Advance notice shall be sent to the obligor prior to the issuance of the order to withhold earnings. The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will occur, based on an evaluation of the facts within forty-five (45) days from the date of the advance notice. The cabinet shall notify the obligor of the decision of whether the withholding is to occur, the date on which it will begin, and shall furnish the obligor with the information contained in any order served on the employer with respect to the withholding.
- (5) The cabinet shall combine any administrative or judicial wage withholding order, or multiple administrative or judicial orders for child support and medical support into a single wage withholding order when payable through the cabinet to a single family or to multiple family units.

- (6) The cabinet shall serve the order to withhold earnings or notice of multiple wage withholding orders specifying wage withholding requirements on the employer of an obligor by certified mail, return receipt requested. The order shall state the amount to be withheld, or the requirement to enroll the child under the health insurance coverage, including amounts to be applied to arrearages, plus interest at the legal rate on the arrearage, if any, and the date the withholding is to begin. The total amount to be withheld, including current support and payment on arrearages plus interest, and medical insurance coverage may not exceed the limit permitted under the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b).
- (7) If there is more than one (1) notice for child support withholding against a single absent parent, the cabinet shall allocate amounts available for withholding, giving priority to current child support, up to the limits imposed under Section 303(b) of the Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b). The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or Family Court of competent jurisdiction may set aside the cabinet's proportional allocations as to the custodial parent.
- (8) If the amounts to be withheld preclude collection of the total amount of combined child support and medical support due to the limits of the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b), the actual amount received shall be applied first to the current monthly child support obligation amount. Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively-ordered or judicially-ordered medical support obligation.
- (9) The employer shall be held liable to the cabinet for any amount which the employer fails to withhold from earnings due an obligor following receipt of an order to withhold earnings.
- (10) Any order to withhold earnings under this section shall have priority as against any attachment, execution, or other assignment, notwithstanding any state statute or administrative regulation to the contrary.
- (11) No withholding under this section shall be grounds for discharging from employment, refusing to employ, or taking disciplinary action against any obligor subject to withholding required by this section.
- (12) The remedies provided for in this section shall also be available for applicable support orders issued in other states.

A civil verdict shall be reduced by the amount paid under the criminal restitution order.
- (4) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.

For such service, *a peace officer*~~he~~ shall be entitled to a fee of one dollar (\$1.00) for each dog destroyed, to be paid out of the livestock fund upon presentation to the department of satisfactory proof that such dog has been destroyed by him.

Any license issued for the year of 1954 before July 1, 1954, shall be effective until July 1, 1955. Dog wardens shall be agents of the Commonwealth in the collection of the license fees provided for herein, unless the department determines, with the approval of the Governor, to issue all licenses either directly or through other agents. For services rendered in collecting and paying over the fee, dog wardens shall be allowed to retain the sum of twenty-five cents (\$0.25) for each license. The balance of the license fee collected shall be paid to the department on or before the fifteenth day of each next succeeding month and shall be credited to the livestock fund. If the committee finds it to be in the interest of maximum enforcement of this chapter to permit certain other portions of the license fee to be retained by the respective counties for use in enforcement, the department may allow these portions of the license fee to be so retained by the counties.
- (2) Any county may choose to issue ***additional licenses***~~(the license)~~ in conjunction with effective dates of a valid rabies vaccination, provided the dog shall be licensed each fiscal year.

An aggrieved party may appeal a decision rendered as a result of an informal hearing, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.
- (4) The cabinet may suspend the operator's license of any resident upon receiving notice of the conviction of that person in another state of an offense there which if committed in this state would be grounds for the suspension or revocation of an operator's license. If a person so convicted is not the holder of a Kentucky operator's license, the cabinet shall deny him a license for the same period as if he had possessed a license and license had been suspended. The cabinet may, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws, forward a notice of that person's conviction to the proper officer in the state of which the convicted person is a resident.
- (5) The Transportation Cabinet is forbidden from suspending or revoking an operator's license or assessing points or any other form of penalty against the license holder for speeding violations or speeding convictions from other states. This subsection shall apply only to speeding violations. This section shall not apply to a commercial driver's license.
- (6) Each operator's license which has been canceled, suspended, or revoked shall be surrendered to and retained by the cabinet. At the end of the period of cancellation, suspension, or revocation the license may be returned to the licensee after he has complied with all requirements for the issuance or reinstatement of his driving privilege.

- (7) Insurance companies issuing motor vehicle policies in the Commonwealth shall be prohibited from raising a policyholder's rates solely because the policyholder's driving privilege has been suspended or denied pursuant to subsection (2) of this section.

Section 7. KRS 186A.035 is amended to read as follows:

- (1) All motor vehicles, including motorcycles, with a gross vehicular weight of six thousand (6,000) pounds or less, first registered, or for which the registration is renewed in this state on or after January 1, 1983, shall be placed in a system of year-round registration based upon the birth month of the owner, in order to distribute the work of registering motor vehicles as uniformly as practicable throughout the twelve (12) months of the year.
- (2) If the owner of a motor vehicle is other than an individual, the month in which the owning entity came into being shall be used for purposes of this section. If a motor vehicle is jointly owned, the owners shall indicate to the county clerk the birth month of one (1) of them to be used for purposes of this section. In addition, if a motor vehicle is jointly owned by a husband and wife, the ownership shall exist as a joint tenancy with right of survivorship, unless the registration expressly states to the contrary and gives an alternative specific status. Upon the death of one (1) of the spouses, the jointly-owned vehicle shall transfer to the surviving spouse free from payment of any state-required transferral fees.
- (3) The certificate of registration and license plate issued for a motor vehicle first registered, renewed, or titled in this state on or after January 1, 1983, shall be valid, unless *revoked in accordance with Section 1 of this Act* or canceled by the cabinet in accordance with KRS Chapter 186 or this chapter, upon payment of the required fee, for a period beginning on the first day of the month of the year in which registration is applied for, and expiring on the last day of the next birth month of the owner following the month during which registration is applied for. Upon the owner's request, and after payment of the proper prorated fee, an owner may obtain a certificate of registration and license plate valid through the last day of his second birth month following the month and year in which he applied for a certificate of registration. Any transaction relating to registration or registration renewal which would cause an unexpired Kentucky motor vehicle license plate to be surrendered shall have that unexpired fee prorated or credited against any additional fee required by a subsequent registration.
- (4) After a motor vehicle has been initially placed in the system of year-round registration, the owner shall renew the registration annually during the owner's birth month, by making application to the county clerk and paying the fee required for twelve (12) consecutive months of registration, which shall take effect on the first day of the month succeeding the owner's birth month and shall expire on the last day of the owner's next birth month. The county clerk shall be entitled to a registration fee of two dollars (\$2) for each registration, or if the registration exceeds a twelve (12) month period the clerk shall receive a fee of three dollars (\$3).
- (5) At least forty-five (45) days prior to the expiration of the registration of any motor vehicle previously registered in the Commonwealth as provided by subsection (1) of this section, the owner of the vehicle shall be notified by mail on the same notice required by KRS 134.805(5) of the date of expiration. Any registration renewal or vehicle transfer notice by mail shall require payment of an additional one dollar (\$1) fee which shall be received by the county clerk. Nonreceipt of the notice required by this subsection shall not constitute a defense to any registration related offense.
- (6) Any owner who fails to renew the registration of a motor vehicle during the month in which the previous registration expired, shall, if he applies for renewal of the registration in some later month, pay the same fees that would have been required if the registration had been renewed in the month which the previous registration expired.
- (7) Fees which must be prorated in carrying out the intent of this section shall be prorated on the basis of twelfths of the annual registration fee. Any vehicle which is registered at any time during a month shall pay the fee required for that whole month plus any additional months of registration purchased consistent with the intent of the section.
- (8) The county clerk shall ensure that the certificate of registration issued to an owner displays the month and year in which the registration period begins and the month and year of its expiration, and shall issue to the owner a decal or decals corresponding to the month and year of expiration shown in the certificate of registration which shall be placed upon the corresponding license plate by the owner in the manner required by administrative regulations of the Department of Vehicle Regulation.

Section 8. KRS 304.99-060 is amended to read as follows:

- (1) The owner or operator of any vehicle who fails to have in full force and effect the security required by Subtitle 39 of this chapter shall:
 - (a) Be fined not less than five hundred dollars (\$500) nor more than one thousand dollars (\$1,000), or sentenced to not more than ninety (90) days in jail, or both;
 - (b) Have the *registration of the motor vehicle revoked and the* license plates of the vehicle suspended for a period of one (1) year or until such time as proof, in a form satisfactory to the commissioner, is furnished that the security is then and will remain in effect; and
 - (c) For the second and each subsequent offense within any five (5) year period, have his operator's license revoked in accordance with KRS 186.560, and may be sentenced to one hundred and eighty (180) days in jail, or fined not less than one thousand dollars (\$1,000) nor more than two thousand five hundred dollars (\$2,500), or both.
- (2) Penalties under subsection (1) of this section for the first offense are subject to conditional discharge, suspension, or other forms of reduction of penalty by judicial discretion upon production of proof of security.
- (3) For the second and each subsequent offense, minimum fines, suspensions, and penalties under subsection (1) of this section are subject to conditional discharge, suspension, or other forms of reduction of penalty, by judicial discretion only upon production of proof of security and a receipt showing that a premium for a minimum policy period of six (6) months has been paid.
- (4) Upon expiration of the minimum six (6) month policy period, the court shall order the vehicle owner to appear before it to verify renewal of the security required by Subtitle 39 of this chapter by production of proof of security and a receipt showing that a premium for a minimum six (6) month policy period has been paid.
- (5) Failure to appear shall result in the suspension of the vehicle owner's operator's license pursuant to KRS 186.570.
- (6) Unless uninterrupted coverage is maintained, cancellation or expiration of the procured security before the end of the minimum six (6) month policy period shall be a Class B misdemeanor.
- (7) Unless the requirement of subsection (4) of this section is satisfied, the court shall revoke any conditional discharge, suspension, or other form of reduction of penalty granted under subsection (3) of this section.

Section 13. KRS 610.010 is amended to read as follows:

- (1) Unless otherwise exempted by KRS Chapters 600 to 645, the juvenile session of the District Court of each county shall have exclusive jurisdiction in proceedings concerning any child living or found within the county who has not reached his eighteenth birthday or of any person who at the time of committing a public offense was under the age of eighteen (18) years, who allegedly:
 - (a) Has committed a public offense prior to his eighteenth birthday, except a motor vehicle offense involving a child sixteen (16) years of age or older. A child sixteen (16) years of age or older taken into custody upon the allegation that he has committed a motor vehicle offense shall be treated as an adult and shall have the same conditions of release applied to him as an adult. A child taken into custody upon the allegation that he has committed a motor vehicle offense who is not released under conditions of release applicable to adults shall be held, pending his appearance before the District Court, in a secure juvenile detention facility or a juvenile holding facility or, if neither is available, in an intermittent holding facility. Children sixteen (16) years of age or older who are convicted of, or plead guilty to, a motor vehicle offense shall, if sentenced to a term of confinement, be placed in a secure juvenile detention facility or a juvenile holding facility. The term "motor vehicle offense" shall not be deemed to include the offense of stealing or converting a motor vehicle nor operating the same without the owner's consent, nor any offense which constitutes a felony;

- (b) Has not subjected himself to the reasonable control of his parent or guardian, school personnel, or other person exercising custodial control or supervision of the child;
 - (c) Is an habitual truant from school;
 - (d) Is an habitual runaway from his parent or other person exercising custodial control or supervision of the child;
 - (e) Is dependent, neglected, or abused; or
 - (f) Is mentally ill.
- (2) Actions brought under subsection (1)(a) of this section shall be considered to be public offense actions.
 - (3) Actions brought under subsection (1)(b), (c), and (d) of this section shall be considered to be status offense actions.
 - (4) Actions brought under subsection (1)(e) of this section shall be considered to be dependency actions.
 - (5) Actions brought under subsection (1)(f) of this section shall be considered to be mental health actions.
 - (6) Nothing in this chapter shall deprive other courts of the jurisdiction to determine the custody or guardianship of children upon writs of habeas corpus, or to determine the custody or guardianship of children when such custody or guardianship is incidental to the determination of other causes pending in such other courts; nor shall anything in this chapter affect the jurisdiction of Circuit Courts over adoptions and proceedings for termination of parental rights. The court shall have no jurisdiction to make permanent awards of custody of a child, but if the court finds an emergency to exist affecting the welfare of a child, it may make temporary orders for his custody; however, if the case involves allegations of dependency, neglect, or abuse, no emergency removal or temporary custody orders shall be effective unless the provisions of KRS Chapter 620 are followed. Such orders shall be entirely without prejudice to the proceedings for permanent custody of the child and shall remain in effect until modified or set aside by the court. Upon the entry of a temporary or final judgment in the Circuit Court awarding custody of such child, all prior orders of the juvenile session of the District Court in conflict therewith shall be deemed canceled. This section shall not work to deprive the Circuit Court of jurisdiction over cases filed in Circuit Court.
 - (7) The court of each county wherein a public offense, as defined in paragraph (a) of subsection (1) of this section, is committed by a child who is a resident of another county of this state shall have concurrent jurisdiction over such child with the court of the county wherein the child resides or the court of the county where the child is found. Whichever court first acquires jurisdiction of such child may proceed to final disposition of his case, or in its discretion may make an order transferring the case to the court of the county of his residence, or the county wherein the offense was committed, as the case may be.
 - (8) Nothing in this chapter shall prevent the District Court from holding a child in contempt of court to enforce *valid court* orders previously issued by the court.
 - (9) Except as provided in KRS 635.060(3), nothing in this chapter shall confer upon the District Court jurisdiction over the actions of the *Department of Juvenile Justice or the* cabinet in the placement, care, or treatment of a child committed to the *Department of Juvenile Justice or the* cabinet; or to require the *department or the* cabinet to perform, or to refrain from performing, any specific act in the placement, care, or treatment of any child committed to the *department or the* cabinet.
 - (10) Unless precluded by KRS Chapter 635 or 640, in addition to informal adjustment, the court shall have the discretion to amend the petition to reflect jurisdiction pursuant to the proper chapter of the Kentucky Unified Juvenile Code.
 - (11) The court shall have continuing jurisdiction over a child pursuant to subsection (1) of this section, to review dispositional orders, and to conduct dispositional hearings under 42 U.S.C. sec. 675(5)(c), until the child is placed for adoption, returned home to his parents with all the court imposed conditions terminated, or reaches the age of eighteen (18) years.

Section 14. KRS 610.060 is amended to read as follows:

- (1) If the Circuit or District Court determines that a formal proceeding is required in the interest of the child or to determine the truth or falsity of the allegations against the child, a petition shall be required pursuant to KRS 610.020, and the court shall, when the child is brought before the court:

- (a) Explain to the child and his parents, guardian, or person exercising custodial control their respective rights to counsel and, if the child and his parents, guardian, or person exercising custodial control are unable to obtain counsel, shall appoint counsel for the child and, unless specified to the contrary by other provisions of KRS Chapters 600 to 645, may appoint counsel for the parents, guardian, or person exercising custodial control;
 - (b) Explain the right against self-incrimination by saying that the child, parents, relative, guardian, or custodian may remain silent concerning the charges against the child, and that anything said may be used against the child;
 - (c) Unless limited by statute, explain the right to confront anyone who has accused the child and to cross-examine that person on the allegations made against the child;
 - (d) Advise the child and his parents, guardian, or person exercising custodial control of the right to appeal from a determination of the court; and
 - (e) Advise the child that these rights belong to him and may not be waived by his parents, guardian, or person exercising custodial control.
- (2) Unless otherwise exempted in KRS Chapters 600 to 645, a child and his parents or person exercising custodial control shall have a right to attend the hearing if such attendance will not unnecessarily delay the hearing.
 - (3) Subject to the provisions of KRS 31.125, the court may order a parent to pay for counsel for the child if the court determines that the parent has the ability to pay for such counsel. ***The fact that a child is committed to a state agency shall not be cause for the court to order that agency to pay for counsel.***
 - (4) Subject to Rule 43.09 of the Rules of Civil Procedure, the court shall permit the victim, the victim's parents or legal guardian, or, if emancipated, the victim's spouse, or the legal representative of any of these, to attend all proceedings under this section.
 - (5) An attempt shall be made to notify the persons specified in subsection (4) of this section of the time, date, and place of all proceedings under this section. Each District Court shall, by rule, establish the means of notification and the person or agency responsible for making the notifications. The failure of a victim or other person specified in subsection (4) of this section to receive notice shall not delay the proceedings in the case.

Section 15. KRS 610.070 is amended to read as follows:

- (1) All cases involving children brought before the court whose cases are under the jurisdiction of the court shall be granted a speedy hearing and shall be dealt with by the court without a jury.
- (2) The hearings shall be conducted in a formal manner, unless specified to the contrary by other provisions of KRS Chapters 600 to 645.
- (3) The general public shall be excluded and only the immediate families or guardians of the parties before the court, witnesses necessary for the prosecution and defense of the case, the probation worker with direct interest in the case, ***a representative from the Department of Juvenile Justice***, the victim, his parent or legal guardian, or if emancipated, his spouse, or a legal representative of either, such persons admitted as the judge shall find have a direct interest in the case or in the work of the court, and such other persons as agreed to by the child and his attorney may be admitted to the hearing. A parent, legal guardian, or spouse if a witness shall be admitted to the hearing only during and after his testimony at the hearing, and witnesses shall be admitted to the hearing only for the duration of their testimony. The court may order the exclusion of a parent, legal guardian, or spouse, if it is shown to the satisfaction of the court that the parent, legal guardian, or spouse may physically disrupt the proceedings or may do violence to any participant therein. The mere presence of a parent, legal guardian, or spouse shall not be deemed to be a disruption of the proceedings merely because their presence may make the defendant uncomfortable; the court shall find a potential for actual physical disruption of the proceedings before an exclusion may be granted for this reason.
- (4) The court may order the parents, guardians, or persons exercising custodial control over the child to be present at any hearing or other proceeding involving the child.

Section 16. KRS 610.100 is amended to read as follows:

- (1) Unless there is a suitable prior disposition investigation report or unless waived by the child, before making disposition of the case of a child brought before the court under the provisions of KRS Chapters 630 or 635,

whether by complaint pursuant to KRS 610.020, or by reason of having been taken into custody pursuant to KRS 610.190, the judge shall cause an investigation to be made concerning the nature of the specific act complained of and any surrounding circumstances which suggest the future care and guidance which should be given the child. The investigation shall include an inquiry into the child's age, habits, school record, general reputation, and everything that may pertain to his life, and character. The investigation shall also include an inquiry into the home conditions, life, and character of the person having custody of the child. The investigation shall also include an assessment of the parent or guardian's ability to pay all or part of the cost of the child's care and treatment should the child be ordered into a treatment program or placed on supervised probation. The result of the investigation shall be reported in writing to the court and to counsel for the parties three (3) days prior to the child's dispositional hearing and shall become a part of the record of the proceedings. The child may waive the three (3) day requirement. Objections by counsel at the dispositional hearing to portions of the dispositional report shall be noted in the record.

- (2) The investigation shall be conducted by volunteer or salaried probation officers of the juvenile court or by a suitable public or private agency. The cabinet and the Department of Juvenile Justice may furnish investigation services under agreements with the individual juvenile courts. For this purpose, any county judge/executive or chief executive officer of an urban-county government may enter into a contract on behalf of his county with the *Department of Juvenile Justice or the* cabinet for the furnishings of such services.
- (3) Upon the court's motion or the motion of any party, an informal adjustment may be made at any time during the proceedings and with the victim and with those persons specified in KRS 610.070 having prior notification of the motion.

Section 17. KRS 610.170 is amended to read as follows:

If it appears from the investigation required in KRS 610.100 or otherwise that the parent or other person exercising custodial control or supervision of any child, or the estate of any child, who has been found to fall within the purview of KRS Chapters 600 to 645 and who has been left in his own home or in the home of a relative, placed on probation or placed in a foster home or boarding home, or in the care of a public or private facility or agency, or the Department of Juvenile Justice or the cabinet, is able to contribute to the support of the child, the court shall, ~~if a petition has been filed,~~ enter an order requiring the parent or estate to pay a reasonable sum for the support, maintenance, or education of the child. The order shall direct that the money be paid to the circuit clerk to be disbursed as ordered by the court or be paid to the person, facility, agency, or the Department of Juvenile Justice or cabinet to which the child was committed or probated. On application and on such notice as the court may direct, the court may make alterations in the requirement for contribution. The court may issue such orders necessary to compel payment of the sum due. The enforcement of a sentence imposed on a parent who fails to comply with the order of the court may be suspended at the discretion of the court, but the suspension may be revoked at the discretion of the court upon the failure of the parent to obey further orders of the court. This section shall not apply when the parent or other person exercising custodial control or supervision of the child was the victim of the child's criminal conduct or filed the complaint against the child.

Section 18. KRS 610.200 is amended to read as follows:

- (1) When a peace officer has taken or received a child into custody on a charge of committing an offense, the officer shall immediately inform the child of his constitutional rights and afford him the protections required thereunder, notify the parent, or if the child is committed, *the Department of Juvenile Justice or the cabinet, as appropriate*, and if the parent is not available, then a relative, guardian, person exercising custodial control or supervision of the child, that the child has been taken into custody, give an account of specific charges against the child, including the specific statute alleged to have been violated, and the reasons for taking the child into custody.
- (2) Unless the child is subject to trial as an adult or unless the nature of the offense or other circumstances are such as to indicate the necessity of retaining the child in custody, the officer shall release the child to the custody of his parent or if the child is committed, the Department of Juvenile Justice *or the cabinet, as appropriate*; or if the parent is not available, then a relative, guardian, person exercising custodial control or supervision or other responsible person or agency approved by the court upon the written promise, signed by such person or agency, to bring the child to the court at a stated time or at such time as the court may order. The written promise, accompanied by a written report by the officer, shall be submitted forthwith to the court or court-designated worker and shall detail the reasons for having taken custody of the child, the release of the child, the person to whom the child was released, and the reasons for the release.

- (3) If the person fails to produce the child as agreed or upon notice from the court, a summons, warrant, or custody order may be issued for the apprehension of the person or of the child, or both.
- (4) The release of a child pursuant to this section shall not preclude a peace officer from proceeding with a complaint against a child or any other person.
- (5) Unless the child is subject to trial as an adult, if the child is not released, the peace officer shall contact the court-designated worker who may:
 - (a) Release the child to his parents;
 - (b) Release the child to such other persons or organizations as are authorized by law;
 - (c) Release the child to either of the above subject to stated conditions; or

CHAPTER 470

(SB 300)

AN ACT relating to air quality.

WHEREAS, the United States is signatory to the 1992 United National Framework Convention on Global Climate Change ("FCCC");

WHEREAS, a protocol to expand the scope of the FCCC was negotiated in December 1997 in Kyoto, Japan ("Kyoto Protocol"), requiring the United States to reduce emissions of greenhouse gasses such as carbon dioxide and methane by seven percent (7%) from 1990 emission levels during the period 2008 to 2012, with similar reduction obligations for other major industrial nations;

WHEREAS, developing nations, including China, India, Mexico, Indonesia, and Brazil, are exempt from greenhouse gas emission limitation requirements in the FCCC;

WHEREAS, developing nations refused in the Kyoto negotiations to accept any new commitments for greenhouse gas emission limitations through the Kyoto Protocol or other programs;

WHEREAS, with respect to new commitments under the FCCC, President William J. Clinton pledged on October 22, 1997, that "The United States will not assume binding obligations unless key developing nations meaningfully participate in this effort";

WHEREAS, on July 25, 1997, the United States Senate adopted Senate Resolution No. 98 by a vote of 95-0, expressing the Sense of the Senate that, *inter alia*, "the United States should not be a signatory to any protocol to or other agreement regarding, the Framework Convention on Climate Change...which would require the advice and consent of the Senate to ratification, and which would mandate new commitments to mitigate green house gas emissions for the Developed Country Parties, unless the protocol or other agreement also mandates specific scheduled commitments within the same compliance period to mitigate greenhouse gas emissions for Developing Country Parties;"

WHEREAS, the Kyoto Protocol fails to meet the tests established for acceptance of new climate change commitments by President Clinton and by U.S. Senate Resolution No. 98;

WHEREAS, achieving the emission reductions proposed by the Kyoto Protocol would require more than a 35 percent reduction in projected United States carbon dioxide and other green house gas emissions during the period 2008 - 2012;

WHEREAS, developing countries exempt from emission limitations under the Kyoto Protocol are expected to increase their rates of fossil fuel use over the next two decades, and to surpass the United States and other industrialized countries in total emissions of greenhouse gases;

WHEREAS, increased emissions of greenhouse gases by developing countries would offset any potential environmental benefits associated with emissions reductions achieved by the United States and by other industrial nations;

WHEREAS, economic impact studies by the U.S. Government estimate that legally binding requirements for the reduction of U.S. greenhouse gases to 1990 emission levels would result in the loss of more than 900,000 jobs in the United States, sharply increased energy prices, reduced family incomes and wages, and severe losses of output in energy-intensive industries such as aluminum, steel, rubber, chemicals, and utilities;

WHEREAS, the failure to provide for commitments by developing countries in the Kyoto Protocol creates an unfair competitive imbalance between industrial and developing nations, potentially leading to the transfer of jobs and industrial development from the United States to developing countries;

WHEREAS, federal implementation of the Kyoto Protocol, if ratified by the United States Senate, would entail new Congressional legislation whose form and requirements cannot be predicted at this time, but could include national energy taxes or emission control allocation schemes that would preempt state-specific programs intended to reduce emissions of greenhouse gases;

WHEREAS, piecemeal or other uncoordinated state regulatory initiatives intended to reduce emissions of greenhouse gases may be inconsistent with subsequent Congressional determinations concerning the Kyoto Protocol, and with related Federal legislation implementing the Kyoto Protocol;

WHEREAS, individual state responses to the Kyoto Protocol, including development of new regulatory programs intended to reduce greenhouse gas emissions are premature prior to Senate ratification of that Protocol, in its current or amended form, and Congressional enactment of related implementing legislation; and

WHEREAS, there is neither federal or Kentucky statutory authority for new regulatory programs or other efforts intended to reduce greenhouse gas emissions for purposes of complying with or facilitating compliance with the provisions of the Kyoto Protocol;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

- (1) *The cabinet shall not promulgate administrative regulations or impose permit conditions on the emission of carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, or sulfur hexafluoride pursuant to the Kyoto Protocol for the purpose of reducing global warming until authorized by the General Assembly or by federal statute. The cabinet may promulgate administrative regulations or impose permit conditions on the emission of carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, or sulfur hexafluoride for any other reason authorized by this chapter or required under federal statute or administrative regulation, as long as the administrative regulations or permit conditions are not promulgated or imposed pursuant to the Kyoto Protocol.*
- (2) *Nothing in this section shall be construed to limit or to impede state, local, or private participation in voluntary initiatives to reduce emissions of greenhouse gases, such as the United States Environmental Protection Agency's Green Lights program and the United States Department of Energy's climate change program.*

CHAPTER 471**(SB 304)**

AN ACT relating to dairy compacts.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 260 IS CREATED TO READ AS FOLLOWS:

The Southern Dairy Compact is enacted into law and entered into with all other jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I**STATEMENT OF PURPOSE, FINDINGS, AND DECLARATION OF POLICY****Section 1. Statement of purpose, findings, and declaration of policy.**

The purpose of this compact is to recognize the interstate character of the southern dairy industry and the prerogative of the states under the United States Constitution to form an interstate commission for the southern region. The mission of the commission is to take such steps as are necessary to assure the continued viability of dairy farming in the South, and to assure consumers of an adequate, local supply of pure and wholesome milk.

The participating states find and declare that the dairy industry is an essential agricultural activity of the South. Dairy farms, and associated suppliers, marketers, processors, and retailers, are an integral component of the region's economy. Their ability to provide a stable, local supply of pure, wholesome milk is a matter of great importance to the health and welfare of the region.

The participating states further find that dairy farms are essential, and they are an integral part of the region's rural communities. The farms preserve land for agricultural purposes and provide needed economic stimuli for rural communities.

By entering into this compact, the participating states affirm that their ability to regulate the price that southern dairy farmers receive for their product is essential to the public interest. Assurance of a fair and equitable price for dairy farmers ensures their ability to provide milk to the market and the vitality of the southern dairy industry, with all the associated benefits.

Recent dramatic price fluctuations, with a pronounced downward trend, threaten the viability and stability of the southern dairy region. Historically, individual state regulatory action had been an effective emergency remedy available to farmers confronting a distressed market. The system of federal orders, implemented by the Agricultural Marketing Agreement Act of 1937, establishes only minimum prices paid to producers for raw milk, without preempting the power of states to regulate milk prices above the minimum levels so established.

In today's regional dairy marketplace, cooperative, rather than individual state action is needed to more effectively address the market disarray. Under our constitutional system, properly authorized states acting cooperatively may exercise more power to regulate interstate commerce than they may assert individually without such authority. For this reason, the participating states invoke their authority to act in common agreement, with the consent of Congress, under the compact clause of the Constitution.

In establishing their constitutional regulatory authority over the region's fluid milk market by this compact, the participating states declare their purpose that this compact neither displace the system of federal orders nor encourage the merging of federal orders. Specific provisions of the compact itself set forth this basic principle.

Designed as a flexible mechanism able to adjust to changes in a regulated marketplace, the compact also contains a contingency provision should the system of federal orders be discontinued. In that event, the interstate commission may regulate the marketplace in lieu of the system of federal orders. This contingent authority does not anticipate such a change, however, and should not be so construed. It is only provided should developments in the market other than establishment of this compact result in discontinuance of the system of federal orders.

ARTICLE II**DEFINITIONS AND RULES OF CONSTRUCTION****Section 2. Definitions.**

For the purposes of this compact, and of any supplemental or concurring legislation enacted pursuant thereto, except as may be otherwise required by the context:

(1) *"Class I milk" means milk disposed of in fluid form or as a fluid milk product, subject to further definition in accordance with the principles expressed in subsection (b) of Section 3 of this compact.*

(2) *"Commission" means the Southern Dairy Compact Commission established by this compact.*

(3) *"Commission marketing order" means regulations adopted by the Commission pursuant to Sections 9 and 10 of this compact in place of a terminated federal marketing order or state dairy regulation. Such order may apply throughout the region or in any part or parts thereof as defined in the regulations of the Commission. Such order may establish minimum prices for any or all classes of milk.*

(4) *"Compact" means this interstate compact.*

(5) *"Compact over-order price" means a minimum price required to be paid to producers for Class I milk established by the commission in regulations adopted pursuant to Sections 9 and 10 of this compact, which is above the price established in federal marketing orders or by state farm price regulation in the regulated area. Such price may apply throughout the region or in any part or parts thereof as defined in the regulations of the commission.*

(6) *"Milk" means the lacteal secretion of cows and includes all skim, butterfat, or other constituents obtained from separation or any other process. The term is used in its broadest sense and may be further defined by the commission for regulatory purposes.*

(7) *"Partially regulated plant" means a milk plant not located in a regulated area but having Class I distribution within such area. Commission regulations may exempt plants having such distribution or receipts in amounts less than the limits defined therein.*

(8) *"Participating state" means a state which has become a party to this compact by the enactment of concurring legislation.*

(9) *"Pool plant" means any milk plant located in a regulated area.*

(10) *"Region" means the territorial limits of the states which are parties to this compact.*

(11) *"Regulated area" means any area within the region governed by and defined in regulations establishing a compact over-order price or commission marketing order.*

(12) *"State dairy regulation" means any state regulation of dairy prices and associated assessments, whether by statute, marketing order, or otherwise.*

Section 3. Rules of construction.

(a) *This compact shall not be construed to displace existing federal milk marketing orders or state dairy regulation in the region but to supplement them. In the event some or all federal orders in the region are discontinued, the compact shall be construed to provide the commission the option to replace them with one or more commission marketing orders pursuant to this compact.*

(b) *This compact shall be construed liberally in order to achieve the purposes and intent enunciated in Section 1 of this compact. It is the intent of this compact to establish a basic structure by which the commission may achieve those purposes through the application, adaptation, and development of the regulatory techniques historically associated with milk marketing and to afford the commission broad flexibility to devise regulatory mechanisms to achieve the purposes of this compact. In accordance with this intent, the technical terms which are associated with market order regulation and which have acquired commonly understood general meanings are not defined in this compact, but the commission may further define the terms used in this compact and develop additional concepts and define additional terms as it may find appropriate to achieve its purposes.*

ARTICLE III

COMMISSION ESTABLISHED

Section 4. Commission established.

There is hereby created a commission to administer the compact, composed of delegations from each state in the region. The commission shall be known as the Southern Dairy Compact Commission. A delegation shall include not less than three (3) nor more than five (5) persons. Each delegation shall include at least one (1) dairy farmer who is engaged in the production of milk at the time of appointment or reappointment, and one (1)

consumer representative. Delegation members shall be residents and voters of, and subject to such confirmation process as is provided for in, the appointing state. Delegation members shall serve no more than three (3) consecutive terms with no single term of more than four (4) years, and be subject to removal for cause. In all other respects, delegation members shall serve in accordance with the laws of the state represented. The compensation, if any, of the members of a state delegation shall be determined and paid by each state, but their expenses shall be paid by the commission.

Section 5. Voting requirements.

All actions taken by the commission, except for the establishment or termination of an over-order price or commission marketing order, and the adoption, amendment, or rescission of the commission's bylaws, shall be by majority vote of the delegations present. Each state delegation shall be entitled to one (1) vote in the conduct of the commission's affairs. Establishment or termination of an over-order price or commission marketing order shall require at least a two-thirds (2/3) vote of the delegations present. The establishment of a regulated area that covers all or part of a participating state shall require also the affirmative vote of that state's delegation. A majority of the delegations from the participating states shall constitute a quorum for the conduct of the commission's business.

Section 6. Administration and management.

(a) The commission shall elect annually from among the members of the participating state delegations a chairperson, a vice-chairperson, and a treasurer. The commission shall appoint an executive director and fix his or her duties and compensation. The executive director shall serve at the pleasure of the commission, and, together with the treasurer, shall be bonded in an amount determined by the commission. The commission may establish through its bylaws an executive committee composed of one (1) member elected by each delegation.

(b) The commission shall adopt bylaws for the conduct of its business by a two-thirds (2/3) vote and shall have the power by the same vote to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form with the appropriate agency or officer in each of the participating states. The bylaws shall provide for appropriate notice to the delegations of all commission meetings and hearings and of the business to be transacted at such meetings or hearings. Notice also shall be given to other agencies or officers of participating states as provided by the laws of those states.

(c) The commission shall file an annual report with the Secretary of Agriculture of the United States, and with each of the participating states by submitting copies to the Governor, both houses of the legislature, and the head of the state department having responsibilities for agriculture.

(d) In addition to the powers and duties elsewhere prescribed in this compact, the commission may engage in all of the following:

- (1) Sue and be sued in any state or federal court.*
- (2) Have a seal and alter the same at pleasure.*
- (3) Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or other similar manner, for its corporate purposes.*
- (4) Borrow money and issue notes, provide for the rights of the holders thereof, and pledge the revenue of the commission as security therefor, subject to the provisions of Section 18 of this compact.*
- (5) Appoint such officers, agents, and employees as it may deem necessary, and prescribe their powers, duties, and qualifications.*
- (6) Create and abolish such offices, employments, and positions as it deems necessary for the purposes of the compact and provide for the removal, term, tenure, compensation, fringe benefits, pension, and retirement rights of its officers and employees.*
- (7) Retain personal services on a contract basis.*

Section 7. Rule-making power.

In addition to the power to promulgate a compact over-order price or commission marketing orders as provided by this compact, the commission is further empowered to make and enforce such additional rules and regulations as it deems necessary to implement any provisions of this compact, or to effectuate in any other respect the purposes of this compact.

ARTICLE IV

POWERS OF THE COMMISSION**Section 8. Powers to promote regulatory uniformity, simplicity, and interstate cooperation.**

The commission may:

(1) Investigate or provide for investigations or research projects designed to review the existing laws and regulations of the participating states, to consider their administration and costs, and to measure their impact on the production and marketing of milk and their effects on the shipment of milk and milk products within the region.

(2) Study and recommend to the participating states joint or cooperative programs for the administration of the dairy marketing laws and regulations and prepare estimates of cost savings and benefits of such programs.

(3) Encourage the harmonious relationships between the various elements in the industry for the solution of their material problems. Conduct symposia or conferences designed to improve industry relations, or a better understanding of problems.

(4) Prepare and release periodic reports on activities and results of the commission's efforts to the participating states.

(5) Review the existing marketing system for milk and milk products and recommend changes in the existing structure for assembly and distribution of milk which may assist, improve, or promote more efficient assembly and distribution of milk.

(6) Investigate costs and charges for producing, hauling, handling, processing, distributing, selling, and for all other services, performed with respect to milk.

(7) Examine current economic forces affecting producers, probable trends in production and consumption, the level of dairy farm prices in relation to costs, the financial conditions of dairy farmers, and the need for an emergency order to relieve critical conditions on dairy farms.

Section 9. Equitable farm prices.

(a) The powers granted in this section and Section 10 of this compact shall apply only to the establishment of a compact over-order price, so long as federal milk marketing orders remain in effect in the region. In the event that any or all such orders are terminated, this article authorizes the commission to establish one (1) or more commission marketing orders, as provided in this compact, in the region or parts thereof as defined in the order.

(b) A compact over-order price established pursuant to this section shall apply only to Class I milk. Such compact over-order price shall not exceed one dollar and fifty cents (\$1.50) per gallon at Atlanta, Georgia; however, this compact over-order price shall be adjusted upward or downward at other locations in the region to reflect differences in minimum federal order prices. Beginning in 1990, and using that year as a base, the foregoing one dollar and fifty cents (\$1.50) per gallon maximum shall be adjusted annually by the rate of change in the Consumer Price Index as reported by the Bureau of Labor Statistics of the United States Department of Labor. For purposes of the pooling and equalization of an over-order price, the value of milk used in other use classifications shall be calculated at the appropriate class price established pursuant to the applicable federal order or state dairy regulation and the value of unregulated milk shall be calculated in relation to the nearest prevailing class price in accordance with and subject to such adjustments as the commission may prescribe in regulations.

(c) A commission marketing order shall apply to all classes and uses of milk.

(d) The commission may establish a compact over-order price for milk to be paid by pool plants and partially regulated plants. The commission also may establish a compact over-order price to be paid by all other handlers receiving milk from producers located in a regulated area. This price shall be established either as a compact over-order price or by one or more commission marketing orders. Whenever such a price has been established by either type of regulation, the legal obligation to pay such price shall be determined solely by the terms and purpose of the regulation without regard to the situs of the transfer of title, possession, or any other factors not related to the purposes of the regulation and this compact. Producer-handlers as defined in an applicable federal market order shall not be subject to a compact over-order price. The commission shall provide for similar treatment of producer-handlers under commission marketing orders.

(e) In determining the price, the commission shall consider the balance between production and consumption of milk and milk products in the regulated area, the costs of production including, but not limited to, the price of feed, the cost of labor including the reasonable value of the producer's own labor and management,

machinery expense and interest expense, the prevailing price for milk outside the regulated area, the purchasing power of the public, and the price necessary to yield a reasonable return to the producer and distributor.

(f) When establishing a compact over-order price, the commission shall take such other action as is necessary and feasible to help ensure that the over-order price does not cause or compensate producers so as to generate local production of milk in excess of those quantities necessary to assure consumers of an adequate supply for fluid purposes.

(g) The commission shall whenever possible enter into agreements with state or federal agencies for exchange of information or services for the purpose of reducing regulatory burden and cost of administering the compact. The commission may reimburse other agencies for the reasonable cost of providing these services.

Section 10. Optional provisions for pricing order.

Regulations establishing a compact over-order price or a commission marketing order may contain, but shall not be limited to, any of the following:

(1) Provisions classifying milk in accordance with the form in which or purpose for which it is used, or creating a flat pricing program.

(2) With respect to a commission marketing order only, provisions establishing or providing a method for establishing separate minimum prices for each use classification prescribed by the commission, or a single minimum price for milk purchased from producers or associations of producers.

(3) With respect to an over-order minimum price, provisions establishing or providing a method for establishing such minimum price for Class I milk.

(4) Provisions for establishing either an over-order price or a commission marketing order may make use of any reasonable method for establishing such price or prices including flat pricing and formula pricing. Provision may also be made for location adjustments, zone differentials, and competitive credits with respect to regulated handlers who market outside the regulated area.

(5) Provisions for the payment to all producers and associations of producers delivering milk to all handlers of uniform prices for all milk so delivered, irrespective of the uses made of such milk by the individual handler to whom it is delivered, or for the payment of producers delivering milk to the same handler of uniform prices for all milk delivered by them.

a. With respect to regulations establishing a compact over-order price, the commission may establish one (1) equalization pool within the regulated area for the sole purpose of equalizing returns to producers throughout the regulated area.

b. With respect to any commission marketing order, as defined in Section 2, subdivision (3), of this compact, which replaces one (1) or more terminated federal orders or state dairy regulation, the marketing area of now separate state or federal orders shall not be merged without the affirmative consent of each state, voting through its delegation, which is partly or wholly included within any such new marketing area.

(6) Provisions requiring persons who bring Class I milk into the regulated area to make compensatory payments with respect to all such milk to the extent necessary to equalize the cost of milk purchased by handlers subject to a compact over-order price or commission marketing order. No such provisions shall discriminate against milk producers outside the regulated area. The provisions for compensatory payments may require payment of the difference between the Class I price required to be paid for such milk in the state of production by a federal milk marketing order or state dairy regulation and the Class I price established by the compact over-order price or commission marketing order.

(7) Provisions specially governing the pricing and pooling of milk handled by partially regulated plants.

ARTICLE V

RULE-MAKING PROCEDURE

Section 11. Rule-making procedure.

Before promulgation of any regulations establishing a compact over-order price or commission marketing order, including any provision with respect to milk supply under subsection (f) of Section 9 of this compact, or amendment thereof, as provided in Article IV of this compact, the commission shall conduct an informal rule-making proceeding to provide interested persons with an opportunity to present data and views. Such rule-making proceeding shall be governed by Section 4 of the Federal Administrative Procedure Act, as amended (5 U.S.C. sec. 553). In addition, the commission shall, to the extent practicable, publish notice of rule-making proceedings in the official register of each participating state. Before the initial adoption of regulations establishing a compact over-order price or a commission marketing order and thereafter before any amendment with regard to prices or assessments, the commission shall hold a public hearing. The commission may commence a rule-making proceeding on its own initiative or may in its sole discretion act upon the petition of any person including individual milk producers, any organization of milk producers or handlers, general farm organizations, consumer or public interest groups, and local, state or federal officials.

Section 12. Findings and referendum.

(a) In addition to the concise general statement of basis and purpose required by section 4(b) of the Federal Administrative Procedure Act, as amended (5 U.S.C. sec. 553 (c)), the commission shall make findings of fact with respect to:

(1) Whether the public interest will be served by the establishment of minimum milk prices to dairy farmers under Article IV of this compact.

(2) What level of prices will assure that producers receive a price sufficient to cover their costs of production and will elicit an adequate supply of milk for the inhabitants of the regulated area and for manufacturing purposes.

(3) Whether the major provisions of the order, other than those fixing minimum milk prices, are in the public interest and are reasonably designed to achieve the purposes of the order.

(4) Whether the terms of the proposed regional order or amendment are approved by producers as provided in Section 13 of this compact.

Section 13. Producer referendum.

(a) For the purpose of ascertaining whether the issuance or amendment of regulations establishing a compact over-order price or a commission marketing order, including any provision with respect to milk supply under subsection (f) of Section 9 of this compact, is approved by producers, the commission shall conduct a referendum among producers. The referendum shall be held in a timely manner, as determined by regulation of the commission. The terms and conditions of the proposed order or amendment shall be described by the commission in the ballot used in the conduct of the referendum, but the nature, content, or extent of such description shall not be a basis for attacking the legality of the order or any action relating thereto.

(b) An order or amendment shall be deemed approved by producers if the commission determines that it is approved by at least two-thirds (2/3) of the voting producers who, during a representative period determined by the commission, have been engaged in the production of milk the price of which would be regulated under the proposed order or amendment.

(c) For purposes of any referendum, the commission shall consider the approval or disapproval by any cooperative association of producers, qualified under the provisions of the Act of Congress of February 18, 1922, as amended, known as the Capper-Volstead Act, bona fide engaged in marketing milk, or in rendering services for or advancing the interests of producers of such commodity, as the approval or disapproval of the producers who are members or stockholders in, or under contract with, such cooperative association of producers, except as provided in subdivision (1) of this subsection and subject to the provisions of subdivisions (2) through (5) of this subsection.

(1) No cooperative that has been formed to act as a common marketing agency for both cooperatives and individual producers shall be qualified to block vote for either.

(2) Any cooperative that is qualified to block vote shall, before submitting its approval or disapproval in any referendum, give prior written notice to each of its members as to whether and how it intends to cast its vote. The notice shall be given in a timely manner as established, and in the form prescribed, by the commission.

(3) Any producer may obtain a ballot from the commission in order to register approval or disapproval of the proposed order.

(4) A producer who is a member of a cooperative which has provided notice of its intent to approve or not to approve a proposed order, and who obtains a ballot and with such ballot expresses his or her approval or disapproval of the proposed order, shall notify the commission as to the name of the cooperative of which he or she is a member, and the commission shall remove such producer's name from the list certified by such cooperative with its corporate vote.

(5) In order to ensure that all milk producers are informed regarding a proposed order, the commission shall notify all milk producers that an order is being considered and that each producer may register his or her approval or disapproval with the commission either directly or through his or her cooperative.

Section 14. Termination of over-order price or marketing order.

(a) The commission shall terminate any regulations establishing an over-order price or commission marketing order issued under this article whenever it finds that such order or price obstructs or does not tend to effectuate the declared policy of this compact.

(b) The commission shall terminate any regulations establishing an over-order price or a commission marketing order issued under this article whenever it finds that such termination is favored by a majority of the producers who, during a representative period determined by the commission, have been engaged in the production of milk, the price of which is regulated by such order; but such termination shall be effective only if announced on or before such date as may be specified in such marketing agreement or order.

(c) The termination or suspension of any order or provision thereof, shall not be considered an order within the meaning of this article and shall require no hearing, but shall comply with the requirements for informal rule making prescribed by Section 4 of the Federal Administrative Procedure Act, as amended (5 U.S.C. sec. 553).

ARTICLE VI

ENFORCEMENT

Section 15. Records, reports, access to premises.

(a) The commission may by rule and regulation prescribe recordkeeping and reporting requirements for all regulated persons. For purposes of the administration and enforcement of this compact, the commission may examine the books and records of any regulated person relating to his or her milk business and for that purpose, the commission's properly designated officers, employees, or agents shall have full access during normal business hours to the premises and records of all regulated persons.

(b) Information furnished to or acquired by the commission officers, employees, or its agents pursuant to this section shall be confidential and not subject to disclosure except to the extent that the commission deems disclosure to be necessary in any administrative or judicial proceeding involving the administration or enforcement of this compact, an over-order price, a compact marketing order, or other regulations of the commission. The commission may adopt rules further defining the confidentiality of information pursuant to this section. Nothing in this section shall be deemed to prohibit (i) the issuance of general statements based upon the reports of a number of handlers, which do not identify the information furnished by any person, or (ii) the publication by direction of the commission of the name of any person violating any regulation of the commission, together with a statement of the particular provisions violated by such person.

(c) No officer, employee, or agent of the commission shall intentionally disclose information, by inference or otherwise, that is made confidential pursuant to this section. Any person violating the provisions of this section shall, upon conviction, be subject to a fine of not more than one thousand dollars (\$1,000) or to imprisonment for not more than one (1) year, or both, and shall be removed from office. The commission shall refer any allegation of a violation of this section to the appropriate state enforcement authority or United States Attorney.

Section 16. Subpoena, hearings, and judicial review.

(a) *The commission is hereby authorized and empowered by its members and its properly designated officers to administer oaths and issue subpoenas throughout all signatory states to compel the attendance of witnesses and the giving of testimony and the production of other evidence.*

(b) *Any handler subject to an order may file a written petition with the commission stating that any order or any provision of any such order or any obligation imposed in connection therewith is not in accordance with law and praying for a modification thereof or to be exempted therefrom. The handler shall thereupon be given an opportunity for a hearing upon such petition, in accordance with regulations made by the commission. After such hearing, the commission shall make a ruling upon the prayer of such petition which shall be final, if in accordance with law.*

(c) *The district courts of the United States in any district in which the handler is an inhabitant, or has his or her principal place of business, are hereby vested with jurisdiction to review such ruling, provided a complaint for that purpose is filed within thirty (30) days from the date of the entry of the ruling. Service of process in these proceedings may be had upon the commission by delivering to it a copy of the complaint. If the court determines that the ruling is not in accordance with law, it shall remand such proceedings to the commission with directions either (i) to make such ruling as the court shall determine to be in accordance with law, or (ii) to take such further proceedings as, in its opinion, the law requires. The pendency of proceedings instituted pursuant to this subdivision shall not impede, hinder, or delay the commission from obtaining relief pursuant to Section 17 of this compact. Any proceedings brought pursuant to Section 17 of this compact, except where brought by way of counterclaim in proceedings instituted pursuant to this section, shall abate whenever a final decree has been rendered in proceedings between the same parties, and covering the same subject matter, instituted pursuant to this section.*

Section 17. Enforcement with respect to handlers.

(a) *Any violation by a handler of the provisions of regulation establishing an over-order price or a commission marketing order, or other regulations adopted pursuant to this compact shall:*

(1) *Constitute a violation of the laws of each of the signatory states. Such violation shall render the violator subject to a civil penalty in an amount as may be prescribed by the laws of each of the participating states, recoverable in any state or federal court of competent jurisdiction. Each day such violation continues shall constitute a separate violation.*

(2) *Constitute grounds for the revocation of license or permit to engage in the milk business under the applicable laws of the participating states.*

(b) *With respect to handlers, the commission shall enforce the provisions of this compact, regulations establishing an over-order price, a commission marketing order, or other regulations adopted hereunder by:*

(1) *Commencing an action for legal or equitable relief brought in the name of the commission in any state or federal court of competent jurisdiction; or*

(2) *Referral to the state agency for enforcement by judicial or administrative remedy with the agreement of the appropriate state agency of a participating state.*

(c) *With respect to handlers, the commission may bring an action for injunction to enforce the provisions of this compact or the order or regulations adopted thereunder without being compelled to allege or prove that an adequate remedy of law does not exist.*

ARTICLE VII

FINANCE

Section 18. Finance of start-up and regular costs.

(a) *To provide for its start-up costs, the commission may borrow money pursuant to its general power under Section 6, subdivision (d), paragraph 4 of this compact. In order to finance the cost of administration and enforcement of this compact, including payback of start-up costs, the commission may collect an assessment from each handler who purchases milk from producers within the region. If imposed, this assessment shall be collected on a monthly basis for up to one (1) year from the date the commission convenes, in an amount not to exceed \$0.015 per hundred weight of milk purchased from producers during the period of the assessment. The initial assessment may apply to the projected purchases of handlers for the two (2) month period following the date the commission convenes. In addition, if regulations establishing an over-order price or a compact marketing order*

are adopted, they may include an assessment for the specific purpose of their administration. These regulations shall provide for establishment of a reserve for the commission's ongoing operating expenses.

(b) The commission shall not pledge the credit of any participating state or of the United States. Notes issued by the commission and all other financial obligations incurred by it shall be its sole responsibility, and no participating state or the United States shall be liable therefor.

Section 19. Audit and accounts.

(a) The commission shall keep accurate accounts of all receipts and disbursements, which shall be subject to the audit and accounting procedures established under its rules. In addition, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

(b) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the participating states and by any persons authorized by the commission.

(c) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any participating state or of the United States.

Any authorized health insurer may issue ~~the~~ ~~such~~ insurance.

(2) An individual hospital or medical expense insurance policy or hospital or medical service plan contract delivered or issued for delivery in this state more than 120 days after June 13, 1968, which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the policy or contract shall also provide in substance that attainment of ~~the~~ ~~such~~ limiting age shall not operate to terminate the coverage of ~~the~~ ~~such~~ child while the child is and continues to be both (a) incapable of self-sustaining employment by reason of mental retardation or physical disability and (b) chiefly dependent upon the policyholder or subscriber for support and maintenance, provided proof of ~~the~~ ~~such~~ incapacity and dependency is furnished to the insurer or corporation by the policyholder or subscriber within thirty-one (31) days of the child's attainment of the limiting age and subsequently as may be required by the insurer or corporation but not more frequently than annually after the two (2) year period following the child's attainment of the limiting age.

Section 22. KRS 304.18-127 is amended to read as follows:

- (1) This section shall indicate the insurer responsible for liability in those instances in which one (1) insurer's group policy replaces the group policy of another insurer.
- (2) The prior insurer shall remain liable only to the extent of its accrued liabilities, extensions of benefits, and for persons who are under continued group health insurance coverage pursuant to KRS 304.18-110 at the time the group policy terminates. The position of the prior insurer shall be the same whether the group policyholder secures replacement coverage from a new insurer, self insures, or forgoes the provision of a group policy, except that termination of continued group health insurance coverage shall occur in accordance with KRS 304.18-110.
- (3) The liability of a succeeding insurer shall be as follows:
 - (a) Each person who is eligible for coverage in accordance with the succeeding insurer's plan of benefits, in respect to classes eligible, ~~actively[activity]~~ at work, and nonconfinement rules, shall be covered by that insurer's plan of benefits.
 - (b) Each person not covered under the succeeding insurer's plan of benefits in accordance with paragraph (a) of this subsection shall nevertheless be covered by the succeeding insurer in accordance with the following provisions if the person was validly covered, including benefit extensions, under the prior insurer on the date of termination of the prior insurer's group policy and if the person is a member of the class or classes of persons eligible for coverage under the succeeding insurer's plan. Any reference in the following provisions to a person who was or was not totally disabled shall be a reference to that person's status immediately prior to the date the succeeding insurer's coverage becomes effective.
 1. The minimum level of benefits to be provided by the succeeding insurer shall be the applicable level of benefits of the prior insurer's group policy reduced by any benefits payable by the prior insurer under its group policy.
 2. Coverage shall be provided by the succeeding insurer until at least the earliest of the following dates:
 - a. The date the person becomes insured according to paragraph (a) of this subsection;
 - b. For each type of coverage, the date the person's coverage would terminate in accordance with the succeeding insurer's group policy provisions applicable to individual termination of coverage; or
 - c. In the case of a person who was totally disabled and the type of coverage is one for which KRS 304.18-126 requires an extension of accrued liability, the end of extension of accrued liability which is required of the prior insurer by KRS 304.18-126, or, if the prior insurer's group policy is not subject to KRS 304.18-126, would have been required of that insurer had its group policy been subject to KRS 304.18-126 at the time the prior insurer's group policy was discontinued and replaced by the succeeding insurer's plan.
 - (c) In the case of a pre-existing conditions limitation in the succeeding insurer's group policy, the level of benefits applicable to pre-existing conditions of persons becoming covered by the succeeding insurer's plan in accordance with this subsection during the period of time this limitation applies under the succeeding insurer's group policy shall be the lesser of:
 1. The benefits of the succeeding insurer's group policy determined without application of the pre-existing conditions limitation; or
 2. The benefits of the prior insurer's group policy.
 - (d) The succeeding insurer, in applying any deductibles or waiting periods in its plan, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under a prior group policy. In the case of deductible provisions, the credit shall apply for the same or overlapping benefit periods and shall be given for expenses actually incurred and applied against the deductible provisions of the prior insurer's group policy during the ninety (90) days preceding the effective date of the succeeding insurer's group policy, but only to the extent these expenses are recognized under the terms of the succeeding insurer's group policy and are subject to similar deductible provisions.

- (e) If a determination of the prior insurer's benefit is required by the succeeding insurer, at the succeeding insurer's request the prior insurer shall furnish a statement of the benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the succeeding insurer. For purposes of this section, benefits of the prior insurer's group policy shall be determined in accordance with all of the definitions, conditions, and covered expense provisions of the prior insurer's group policy rather than those of the succeeding insurer's group policy. The benefit determination shall be made as if coverage had not been replaced by the succeeding insurer.

- (c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and ~~the [such]~~ policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to ~~the [such]~~ anniversary date, and ~~the [such]~~ cancellation shall not be subject to any other provisions of this section; and
- (d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of ~~the [such]~~ premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

1. Nonpayment of premium; or
 2. - (b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

- (c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars (\$100) shall not be deemed a cancellation of the coverage or of the policy; and

This subsection shall not apply to renewals.
 - (4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.
 - (5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.
 - (6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of ~~the~~~~[such]~~ renewal.
 - (7) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.
 - (8)
 - (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.
 - (b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.
 - (9) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is an individual with a disability, so long as the disability does not substantially impair the person's mechanically assisted driving ability.
 - (10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. ~~The~~~~[Such]~~ notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. ~~The~~~~[Such]~~ notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. Section 1. KRS 189.230 is amended to read as follows:

- (1) The department, in respect to state and federal highways, and county judges/executive in respect to county highways, may prescribe, by notice as provided in subsection (3)~~(2)~~ of this section, load and speed limits lower than the limits prescribed in KRS 189.221 and subsection (4) of KRS 189.390, respectively, if in their judgment any highway may, by reason of its design, deterioration, rain, or other natural causes, be damaged or destroyed by motor trucks or semitrailer trucks, if their gross weight or speed exceeds certain limits. The department *or fiscal court*~~for county judges/executive~~ may, by like notice, regulate or prohibit the operation of motor trucks or semitrailer trucks on state highways or county roads for limited periods of specified days, or parts of days, if their load and speed exceed those limits, if in their judgment, the regulation or prohibition is necessary, by reason of traffic density or intensive use by the traveling public, to provide for the public safety and convenience on the highway.
- (2) The department, in respect to bridges on the extended weight coal haul system defined in KRS 177.9771, may prescribe, by notice, as provided in subsection (3) of this section, gross weight limits lower than the limits prescribed in KRS 177.9771, when in its judgment any bridge on the extended weight coal haul road system may, by reason of its design or deterioration, be damaged or destroyed to the point of catastrophic failure by motor vehicles, if their gross weight exceeds certain limits. For the purposes of KRS 177.9771, all bridges shall conform with KRS 177.9771(4)(a) to (d).
- (3) The notice or the substance of it shall be posted at conspicuous places at the termini of and at all intermediate crossroads and road junctions with the section of the highway to which the notice applies. After a notice has been posted, a person shall not operate any motor truck or semitrailer truck contrary to its provisions.
- (4) *A fiscal court shall require all persons applying for a permit issued under Section 2 of this Act to enter into a cooperative agreement with the fiscal court. The cooperative agreement shall provide for an equitable apportionment of the incremental costs for design, maintenance, construction, or reconstruction of those roads and bridges on which the person will be operating under the permit issued under Section 2 of this Act. A fiscal court may require as part of a cooperative agreement for the person to give the fiscal court a bond to ensure payment of the equitable costs associated with the permit issued under Section 2 of this Act. All funds collected under this subsection shall be expended on those roads covered by the cooperative agreement.*

- (5) *A fiscal court shall not be relieved of expending its normal routine maintenance on all roads covered by cooperative agreements under the provisions of this section.*

A permit shall be issued for specified materials only and shall designate the portions of the fiscal court-owned road over which the vehicle may operate under the permit. The permit shall be issued for a stated period of time not to exceed one (1) year and shall be upon the terms and conditions as the fiscal court may, in its discretion, require. The fiscal court shall require, as a condition to issuing the permit, that the applicant pay a reasonable fee to be fixed by the fiscal court, and enter into a cooperative agreement under the provisions of Section 1 of this Act. The operation of any motor vehicle in accordance with the terms of the permit shall not constitute a violation of this chapter, if the operator has a valid permit, or a copy of a valid permit, in his or her possession.*

In the event the defendant fails to pay the fee, the fee shall be deducted from any posted cash bond or shall constitute a lien upon any property which secures the person's bail, regardless of whether the bond is posted by the needy person or another. The failure to pay the fee shall not reduce or in any way affect the rendering of public defender services to the person.
- (3) The administrative fee shall be in addition to any other contribution or recoupment assessed by the court pursuant to KRS 31.120 and shall be collected in accordance with that section.
- (4) The administrative fees collected pursuant to this subsection (2) shall be placed in a special trust and agency account for the Department of Public Advocacy, and the funds shall not lapse.

The determination shall be made at each stage of the proceedings.
- (5) The court shall order all moneys collected pursuant to subsection (4) of this section be paid to the clerk of that court pursuant to the schedule of payment. The clerk shall forward to the Department of Public Advocacy on a monthly basis a copy of all the orders *or an electronic report compiled by the Administrative Office of the Courts listing those orders. Additionally, the clerk shall forward to the Department of Public Advocacy on a*

monthly basis an accounting of and the moneys collected in ~~[and the moneys collected pursuant thereto with an accounting as to]~~ each case.

Section 10. KRS 157.360 is amended to read as follows:

- (1) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.
- (2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year. Each district's base funding level shall be adjusted by the following factors:
 - (a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly. ***Funds generated under this paragraph may be used to pay a hazardous duty pay supplement as determined by the local board of education to the teachers who work in alternative programs with students who are violent or assaultive;***
 - (b) The number and types of exceptional children in the district as defined by KRS 157.200. No later than October 1, 1993, specific weights for each category of exceptionality shall be developed by the Department of Education and shall be used in the calculation of the add-on factor for exceptional children. Prior to the development of the necessary weights, the General Assembly shall determine the costs associated with the education of exceptional children based on the count of pupils with different exceptionalities, an appropriate pupil-teacher ratio, and total per-pupil costs; and
 - (c) Transportation costs. The per-pupil cost of transportation shall be calculated as provided by KRS 157.370. No later than October 1, 1991, the Office of Education Accountability's Division of School Finance shall examine the components of the current system for allocating transportation funds, and recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.
- (3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year. No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.
- (4) (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in

vocal and instrumental music, and physical education classes. Except as provided in subsection (5) of this section, the maximum number of pupils enrolled in a class shall be as follows:

1. Twenty-four (24) in primary grades (kindergarten through third grade);
 2. Twenty-eight (28) in grade four (4);
 3. Twenty-nine (29) in grades five (5) and six (6);
 4. Thirty-one (31) in grades seven (7) to twelve (12);
- (b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.
- (c) The chief state school officer, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).
- (d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.
- (5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.
- (6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.
- (7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.
- (8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.
- (9) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.

- (10) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).
- (11) (a) Instructional salaries for vocational agriculture classes shall be allotted for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Division of Secondary Vocational Education in the Department of Education. Salary allotments for vocational agriculture teachers shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.
- (b) Each teacher of agriculture employed shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the State Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher. Twenty percent (20%) of the approved vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.
- (c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.
- (12) (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding, excluding the capital outlay, shall be allotted for each child in average daily attendance in the prior school year who has been properly identified according to Kentucky Board of Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and
- (b) Pursuant to administrative regulations of the Department of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education.
- (13) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.

Section 11. KRS 158.148 is amended to read as follows:

- (1) In cooperation with the Kentucky Education Association, the Kentucky School Boards Association, the Kentucky Association of School Administrators, the Parent-Teachers Association, the Kentucky Chamber of Commerce, the Farm Bureau, members of the Interim Joint Committee on Education, and other interested groups, **and in collaboration with the Center for School Safety**, the Department of Education shall develop:

The Kentucky Board of Education shall develop grant funding criteria based upon available appropriations.]~~

Section 12. KRS 158.150 is amended to read as follows:

- (1) All pupils admitted to the common schools shall comply with the lawful regulations for the government of the schools:
- (a) Willful disobedience or defiance of the authority of the teachers or administrators, use of profanity or vulgarity, assault or battery or abuse of other students, the threat of force or violence, the use or possession of alcohol or drugs, stealing or destruction or defacing of school property or personal property of students, the carrying or use of weapons or dangerous instruments, or other incorrigible bad

conduct on school property, as well as off school property at school-sponsored activities, constitutes cause for suspension or expulsion from school; and

- (b) Assault or battery or abuse of school personnel; stealing or willfully or wantonly defacing, destroying, or damaging the personal property of school personnel on school property, off school property, or at school-sponsored activities constitutes cause for suspension or expulsion from school.
- (2) Each local board of education shall adopt a policy requiring the expulsion from school for a period of not less than one (1) year *for* a student who is determined by the board to have brought a weapon to a school under ~~its~~ jurisdiction. ***The board shall also adopt a policy requiring disciplinary actions, up to and including expulsion from school, for a student who is determined by the board to have possessed prescription drugs or controlled substances for the purpose of sale or distribution at a school under the board's jurisdiction, or to have physically assaulted or battered or abused educational personnel or other students at a school or school function under the board's jurisdiction.*** ~~of the local board of education, except that~~ The ~~local~~ board ~~of education~~ may modify the expulsion requirement for students on a case-by-case basis. A ~~local~~ board ~~of education~~ that has expelled a student from the student's regular school setting ~~shall~~ *may* provide ***or assure that*** educational services ***are provided*** to the student in an ***appropriate*** alternative program or setting, ***unless the board has made a determination, on the record, supported by clear and convincing evidence, that the expelled student poses a threat to the safety of other students or school staff and cannot be placed into a state-funded agency program. Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost.*** In determining whether a student has brought a weapon to school, a local board of education shall use the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.
- (3) ***School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur. Each board of education shall adopt a policy to assure the implementation of this section and to assure the safety of the students and staff.***
- (4) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:
- (a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;
 - (b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and
 - (c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

- ~~(5)~~~~(4)~~ The superintendent, principal, assistant principal, or head teacher of any school may suspend a pupil but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or control of the pupil. The board of education of any school district may expel any pupil for misconduct as defined in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.
- ~~(6)~~~~(5)~~ (a) Suspension of exceptional children, as defined in KRS 157.200, for more than a total of ten (10) days during a school year shall constitute a change of educational placement. The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.
- (b) If the admissions and release committee determines that an exceptional child's behavior is related to his disability, the child shall not be suspended any further or expelled ***unless the current placement could***

result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

- (7) *Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.*

SECTION 13. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

When the principal has a reasonable belief that an act has occurred on school property or at a school-sponsored function involving assault resulting in serious physical injury, a sexual offense, kidnapping, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a controlled substance in violation of the law, or damage to the property, the principal shall immediately report the act to the appropriate local law enforcement agency. For purposes of this section, "school property" means any public school building, bus, public school campus, grounds, recreational area, or athletic field, in the charge of the principal.

 3. Alternative schools designed to provide services to at-risk populations with unique needs.

- (2) By January 1, 1991, each local board of education shall adopt a policy for implementing school-based decision making in the district which shall include, but not be limited to, a description of how the district's policies, including those developed pursuant to KRS 160.340, have been amended to allow the professional staff members of a school to be involved in the decision making process as they work to meet educational goals established in KRS 158.645 and 158.6451. The policy may include a requirement that each school council make an annual report at a public meeting of the board describing the school's progress in meeting the educational goals set forth in KRS 158.6451 and district goals established by the board. The policy shall also address and comply with the following:
- (a) Except as provided in paragraph (b)2. of this subsection, each participating school shall form a school council composed of two (2) parents, three (3) teachers, and the principal or administrator. The membership of the council may be increased, but it may only be increased proportionately. The teacher representatives shall be Kentucky residents. The parent representatives on the council shall not be employees of the district or employees' relatives, nor shall they be a local board member or his spouse. None of the members shall have a conflict of interest pursuant to KRS Chapter 45A, except the salary paid to district employees.

- (b)

The parent members shall be elected by the parents of students preregistered to attend the school during the term of office in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. A school council, once elected, may adopt a policy setting different terms of office for parent and teacher members subsequently elected, but the terms shall not exceed two (2) years nor be consecutive. The principal or head teacher shall be the chair of the school council.
 - 2. School councils in schools having eight percent (8%) or more minority students enrolled, as determined by the enrollment on the preceding October 1, shall have at least one (1) minority member.  - a. Organizing a special election to elect an additional member. The principal shall call for nominations and shall notify the parents of the students of the date, time, and location of the election to elect a minority parent to the council by ballot; and
 - b. Allowing the teachers in the building to select one (1) minority teacher to serve as a teacher member on the council. If there are no minority teachers who are members of the faculty, an additional teacher member shall be elected by a majority of all teachers. Term limitations shall not apply for a minority teacher member who is the only minority on faculty.
- (c)
 - 1. The school council shall have the responsibility to set school policy consistent with district board policy which shall provide an environment to enhance the students' achievement and help the school meet the goals established by KRS 158.645 and 158.6451. The principal or head teacher shall be the primary administrator and the instructional leader of the school, and with the assistance of the total school staff shall administer the policies established by the school council and the local board.

- (f) After receiving notification of the funds available for the school from the local board, the school council shall determine, within the parameters of the total available funds, the number of persons to be employed in each job classification at the school. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals.
- (g) The school council shall determine which textbooks, instructional materials, and student support services shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council.
- (h) From a list of applicants submitted by the local superintendent, the principal at the participating school shall select personnel to fill vacancies, after consultation with the school council. Requests for transfer shall conform to any employer-employee bargained contract which is in effect. If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. Personnel decisions made at the school level under the authority of this subsection shall be binding on the superintendent who completes the hiring process. The superintendent shall provide additional applicants upon request when qualified applicants are available.

- (3) The policy adopted by the local board to implement school-based decision making shall also address the following:
 - (a) School budget and administration, including: discretionary funds; activity and other school funds; funds for maintenance, supplies, and equipment; and procedures for authorizing reimbursement for training and other expenses;
 - (b) Assessment of individual student progress, including testing and reporting of student progress to students, parents, the school district, the community, and the state;
 - (c) School improvement plans, including the form and function of strategic planning and its relationship to district planning, *as well as the school safety plan and requests for funding from the Center for School Safety under Section 7 of this Act*;

- (4) In addition to the authority granted to the school council in this section, the local board may grant to the school council any other authority permitted by law. The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.
- (5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. By June 30, 1991, each local board shall submit to the chief state school officer the name of at least one (1) school which shall implement school-based decision making the following school year. The board shall select a school in which two-thirds (2/3) of the faculty vote to implement school-based decision making. If no school in the district votes to implement school-based decision making, the local board shall designate one (1) school of its choice. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school performing above its threshold level requirement as

determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

- (6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. School council members elected for the first time shall complete a minimum of six (6) clock hours of training in the process of school-based decision making, and school council members who have served on a school council at least one (1) year shall complete a minimum of three (3) clock hours of training in the process of school-based decision making. School council training required under this subsection shall be conducted by trainers endorsed by the Department of Education, and school council members shall complete the required training no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.
- (7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the chief state school officer and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.
- (8) The Kentucky Board of Education, upon recommendation of the chief state school officer, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The school council shall plan professional development with the district's coordinator and other school councils. Small schools shall be encouraged to work with other school councils to maximize professional development opportunities.
- (9)
 - (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.
 - (b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.
 - (c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.
 - (d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

Section 15. KRS 610.320 is amended to read as follows:

- (1) A special record book shall be kept by the court for all cases, to be known as the "juvenile record," and the docket or calendar of such cases shall be called the "juvenile docket."
- (2) No probation officer, nor employee of a probation officer, shall, without the consent of the District Judge sitting in juvenile session, divulge or communicate to any persons other than the court, an officer of the court interested in the case, a member of the advisory board of the court, or a representative of the cabinet, any

information obtained pursuant to the discharge of his duties, nor shall any record of the action of the probation officer be made public except by leave of the District Judge; provided, that nothing in this subsection shall prohibit the probation officer from divulging or communicating such information to the court, to his colleagues or superiors in his own department, or to another probation officer having a direct interest in the record or social history of the child.

- (3) All law enforcement and court records regarding children who have not reached their eighteenth birthday shall not be opened to scrutiny by the public, except court records, limited to the petition, order of the adjudication, and disposition in juvenile delinquency proceedings concerning a child who is adjudicated a juvenile delinquent for the commission of an offense that would constitute a capital offense or a Class A, B, or C felony if the juvenile were an adult, or any offense involving a deadly weapon, or an offense wherein a deadly weapon is used or displayed. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act is also prohibited. Otherwise, the law enforcement records shall be made available to the child, family, guardian, or legal representative of the child involved. The records shall also be made available to the court, probation officers, or representatives of the cabinet. Records, limited to the child's adjudication of delinquency, and disposition of a criminal activity covered by KRS 610.345, shall also be made available to public or private elementary and secondary school administrative, *transportation*, and counseling personnel, and to any teacher to whose class the student has been assigned for instruction, subject to the provisions of KRS 610.340 and 610.345.
- (4) Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense which would be a felony if committed by an adult shall be admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial, and may be used during the sentencing phase of a criminal trial. However, the fact that a juvenile has been adjudicated delinquent of an offense which would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication.
- (5) This section shall not relieve the probation officer or peace officer from divulging such facts as a witness in a trial or hearing involving any cases falling under KRS Chapters 600 to 645 or the production of juvenile records for use in the trial or proceedings.
- (6) This section shall not prohibit release of information regarding juvenile proceedings in the District Court which do not reveal the identity of the child or its parents or guardians, or which relate to the child's eligibility for services under Title IV-E or IV-B of the Federal Social Security Act. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court.

Section 16. KRS 610.340 is amended to read as follows:

- (1) Unless a specific provision of KRS Chapters 600 to 645 specifies otherwise, all juvenile court records of any nature generated pursuant to KRS Chapters 600 to 645 by any agency or instrumentality, public or private, shall be deemed to be confidential and shall not be disclosed except to the child, parent, and to the extent necessary at the proceeding to victims, or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070 unless ordered by the court for good cause. Juvenile court records which contain information pertaining to arrests, petitions, adjudications, and dispositions of a child may be disclosed to victims or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act shall not be disclosed to victims or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070.
- (2) The provisions of this section shall not apply to public officers or employees engaged in the prosecution of cases under KRS Chapters 600 to 645 or other portions of the Kentucky Revised Statutes provided that the inspection of the records and the disclosure of the information contained therein is limited to that required in the investigation and the prosecution of the case.
- (3) The provisions of this section shall not apply to employees of the cabinet or its designees responsible for any services under KRS Chapters 600 to 645 or to attorneys for parties involved in actions relating to KRS Chapters 600 to 645 or other prosecutions authorized by the Kentucky Revised Statutes provided that the inspection of the records and the disclosure of the information contained therein is limited to that required in the investigation and the representation of the client in the case.

- (4) The provisions of this section shall not apply to records disclosed pursuant to KRS 610.320 or to public or private elementary and secondary school administrative, **transportation**, and counseling personnel, to any teacher to whose class the student has been assigned for instruction, or to persons entitled to have juvenile records under KRS 610.345, if the possession and use of the records is in compliance with the provisions of KRS 610.345 and this section.

- (15) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.
- (16) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state ~~and whose state grants to Kentucky residents the right to carry a concealed deadly weapon in the state of the licensee without requiring a separate license to carry a concealed deadly weapon issued by that state.~~ may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies* ~~[A person who holds a valid license issued by another state of the United States whose home state permits Kentucky residents to obtain a license to carry a concealed deadly weapon in that state may apply directly to the Department of State Police for a license to carry concealed deadly weapons in Kentucky. CHAPTER 495**(HB 317)**

AN ACT relating to property tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.450 is amended to read as follows:

- (1) Each property valuation administrator shall assess at its fair cash value all property which it is his duty to assess except as provided in paragraph (c) of subsection (2) of this section. In the case of securities which are regularly bought and sold through stock exchanges, the price at which such property closed on the last regular business day preceding the assessment day shall be prima facie evidence of the fair cash value of such property. The property of one (1) person shall not be assessed willfully or intentionally at a lower or higher relative value than the same class of property of another, and any grossly discriminatory valuation shall be construed as an intentional discrimination. The property valuation administrator shall make every effort, through visits with the taxpayer, personal inspection of the property, from records, from his own knowledge, from information in property schedules, and from such other evidence as he may be able to obtain, to locate, identify, and assess property.
- (2)
 - (a) In determining the total area of land devoted to agricultural or horticultural use, there shall be included the area of all land under farm buildings, greenhouses and like structures, lakes, ponds, streams, irrigation ditches and similar facilities, and garden plots devoted to growth of products for on-farm personal consumption but there shall be excluded, land used in connection with dwelling houses including, but not limited to, lawns, drives, flower gardens, swimming pools or other areas devoted to family recreation. Where contiguous land in agricultural or horticultural use in one (1) ownership is located in more than one (1) county or taxing district, compliance with the minimum requirements shall be determined on the basis of the total area of such land and not the area of land which is located in the particular county or taxing district.
 - (b) Land devoted to agricultural or horticultural use, where the owner or owners have petitioned for, and been granted, a zoning classification other than for agricultural or horticultural purposes qualifies for the agricultural or horticultural assessment until such time as the land changes from agricultural or horticultural use to the use granted by the zoning classification.
 - (c) When the use of a part of a tract of land which is assessed as agricultural or horticultural land is changed either by conveyance or other action of the owner, the right of the remaining land to be retained in the agricultural or horticultural assessment shall not be impaired provided it meets the minimum requirements, ***except the minimum ten (10) contiguous acre requirement shall not be applicable if any portion of the agricultural or horticultural land has been acquired for a public purpose as long as the remaining land continues to meet the other requirements of this section.***
 - (d) When in the opinion of the property valuation administrator any land has a value in excess of that for agricultural or horticultural use the property valuation administrator shall enter into the tax records the value of the property according to its fair cash value. When the property valuation administrator determines that the land meets the requirements for valuation as agricultural or horticultural land, the valuation for tax purposes shall be its agricultural or horticultural value.
- (3) When land which has been valued and taxed as agricultural land for five (5) or more consecutive years under the same ownership, fails to qualify for the classification through no other action on the part of the owner or owners other than ceasing to farm the land, the land shall retain its agricultural classification for assessment and taxation purposes. Classification as agricultural land shall expire upon change of use by the owner or owners or upon conveyance of the property to a person other than a surviving spouse.
- (4) If the property valuation administrator assesses any property, except stocks and bonds at the market value listed in recognized publications, at a greater value than that listed by the taxpayer or assesses unlisted property, the property valuation administrator shall serve notice on the taxpayer of such action. The notice shall be given by first-class mail or as provided in the Kentucky Rules of Civil Procedure.

- (5) Any taxpayer may designate on the property schedule any property which he does not consider to be subject to taxation, and it shall be the duty of the property valuation administrator to obtain and follow advice from the cabinet relative to the taxability of such property.

Section 2. KRS 132.380 is amended to read as follows:

- (1) Before any person's name shall appear before the voters on election day as a candidate for the office of property valuation administrator in any primary or general election, except as a candidate to succeed himself in office, or before he may be appointed property valuation administrator, except as an interim appointee as provided by KRS 132.375, he shall hold a certificate issued by the Revenue Cabinet, showing that he has been examined by it and that he is qualified for the office. All certificates issued shall expire one (1) year from the date of issuance, ***except for the certificates issued to successful candidates of the 1997 exam. Those certificates shall remain valid until after the November, 1998 election.*** The examinations shall be written and formulated so as to test fairly the ability and fitness of the applicant to serve as property valuation administrator. The Revenue Cabinet shall hold the examinations in at least one (1) place in each Supreme Court district during the month of ~~November~~~~October~~ of each year immediately preceding each year in which property valuation administrators are to be elected. The Revenue Cabinet shall advise each county attorney of the time and place of the examination, and the county attorney shall post a notice thereof in a conspicuous place in the courthouse two (2) weeks before the examination is given. Any person desiring to take an examination shall appear at the time and place designated.
- (2) If, after the giving of the examination, as provided in subsection (1), there is only one (1) person qualified to be a candidate in the county, the Revenue Cabinet shall hold a second examination prior to the filing date in each Supreme Court district where necessary. Applicants from only those counties having not more than one (1) person qualified shall be eligible to take the examination. Notice of the second examination shall be posted in the manner provided in subsection (1).
- (3) Whenever there is a vacancy in the office of property valuation administrator to be filled by appointment or by election, and there is not more than one (1) person holding a valid certificate and eligible for appointment or election, the Revenue Cabinet may hold a special examination for applicants seeking a certificate for the office. If, after the giving of a special examination, only one (1) person is qualified, the county judge/executive may request a second examination. Special examinations shall be held in the same manner as regular examinations.
- (4) Examinations shall be given and graded in accordance with rules of the cabinet published at the time of the examination. Within ten (10) days after the examination, a certificate of fitness and qualification to fill the office of property valuation administrator shall be issued by the Revenue Cabinet to each person passing the examination.
- (5) Examination records shall be preserved by the cabinet for twelve (12) months after the examination, and the record of any person who took the examination may be seen by him at the office of the Revenue Cabinet in Frankfort, Kentucky.

Section 3. KRS 132.385 is amended to read as follows:

- (1) The cabinet shall develop and administer a program for the purpose of providing education and training in the technical, legal, and administrative aspects of property tax administration for property valuation administrators, deputy property valuation administrators, and cabinet employees. Courses may be created and taught by cabinet personnel or the cabinet may adopt specific courses offered by appropriate professional organizations.
- (2) The cabinet shall develop and administer, in cooperation with the property valuation administrators, a certification program for property valuation administrators, deputy property valuation administrators, and cabinet employees. A professional designation, "certified Kentucky assessor" (CKA), shall be awarded to those individuals successfully meeting the standards established by this program. Each insurer that issues health benefit plans in the individual market shall be required to issue health benefit plans in the individual market on a guaranteed-issue basis as follows:

- (1) *An eligible individual shall be entitled to have coverage issued from the insurer under the standard health benefit plan or any other health benefit plan sold by the insurer in the individual market;*
- (2) *Except as provided in subsection (3) of this section, an individual who has been a resident of Kentucky for at least twelve (12) months shall be entitled to have coverage issued from the insurer under the standard health benefit plan or any other health benefit plan sold by the insurer in the individual market; and*
- (3) *Except as provided in subsection (4) of this section, if the individual is a guaranteed acceptance program qualified individual and the insurer is a guaranteed acceptance program participating insurer, then the individual shall be entitled to have coverage issued under either:*
 - (a) *The standard health benefit plan; or*
 - (b) *The insurer's two (2) health benefit plans, other than the standard health benefit plan, sold by it in the individual market in Kentucky, or in the applicable marketing or service area as may be prescribed by the commissioner by administrative regulation, with the largest annual premium volume; except that the insurer shall make all necessary adjustments to the health benefit plans sold so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process. During the period of July 1, 1998, to June 30, 1999, the*

guaranteed acceptance program participating insurer may designate upon approval of the commissioner any health benefit plans made generally available to, and actively marketed in, the individual market as this option. The insurer shall make all necessary adjustments to the designated health benefit plans so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process.

- (4) *If the insurer does not generally operate in the individual market and has elected under subsection (3)(a) of Section 17 of this Act to be a guaranteed acceptance program participating insurer without generally operating in the individual market, then an individual who is a guaranteed acceptance program qualified individual shall be entitled to have coverage issued from that insurer only under the standard health benefit plan.*
- (5) (a) *No insurer, who was not offering health benefit plans in Kentucky on January 1, 1998, shall be required to accept annually under this section individuals who, in the aggregate, would cause the insurer to have a total number of new insureds with high-cost conditions as defined in subsection (19) of Section 1 of this Act or which exceed an insurer's underwriting guidelines as approved by the commissioner under subsection (3)(b) of Section 18 of this Act per year that is more than one-half of one per cent (0.5%) of the total number of individuals insured by the insurer under individual health benefits plans issued or issued for delivery in the Commonwealth, calculated as of the immediately preceding thirty-first day of December.*
- (b) *The commissioner shall, by administrative regulation, establish equitable enrollment limits for the first twelve (12) months, and any remaining portion of the calendar year after the expiration of that twelve (12) month period, in which an insurer first begins doing business in the individual market. These limits shall be based on the insurer's quarterly enrollment in health benefit plans offered in the individual market in the Commonwealth.*
- (c) *An officer of the insurer shall certify to the department when it has met the enrollment limit established in this subsection. Upon providing this certification, the insurer shall be relieved of its guaranteed issue requirement under this section for the remainder of the calendar year.*
- (d) *If all insurers that are required to offer coverage on a guaranteed-issue basis meet the enrollment limit established in this subsection prior to the end of the calendar year, then all such insurers shall again accept individuals for guaranteed issue coverage, subject to the enrollment limit established in this subsection.*
- (e) *If certification of the enrollment limit would leave any county in the Commonwealth without an insurer to provide coverage in the individual market, the commissioner may require any insurer that meets the criteria in subsection (1) of Section 17 of this Act to continue to offer coverage in that county. The commissioner shall proportionally increase the enrollment limit under this subsection for all other insurers that do not meet the criteria of subsection (1) of Section 17 of this Act.*
- (6) *An insurer that elects to use the alternative underwriting mechanism under subsection (3) of Section 18 of this Act shall offer to those insureds who are subject to the alternative underwriting mechanism the standard plan and the two (2) plans offered by the insurer with the largest premium volume for the last calendar year.*
- (7) *For the purposes of this section and Section 7 of this Act, insurers whose activities in the individual market are limited to the renewal of health benefit plans issued prior to July 15, 1995, shall not be deemed to be doing business in the individual market.*
- (8) *Subsections (1) to (7) of this section shall not apply to a health benefit plan offered by an insurer if the coverage is made available in the individual market only through one (1) or more bona fide associations.*

 - (b) *The exclusion extends for a period of not more than twelve (12) months, or eighteen (18) months in the case of a late enrollee, after the enrollment date; and*

- (3) *For purposes of this section:*
- (a) *1. - (b) *For purposes of paragraph (a) of this subsection and subsection (5)(d) of this section, any period that an individual is in a waiting period for any coverage under a group health plan or for group health insurance coverage or is in an affiliation period, as defined in subsection (8)(b) of this section, shall not be taken into account in determining the continuous period under paragraph (a) of this subsection.*
- (c) *1. Except as otherwise provided under paragraph (b) of this subsection, for purposes of applying subsection (2)(c) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.*

- (4) Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.*
- (5) Nothing in this section shall be construed:*
 - (a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;*
 - (b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or*
 - (c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under Sections 2, 3, 4, 5, and 6 of this Act.*
- (6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.*

 - (c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for five (5) years, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.*
 - (d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. It does not include an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.*

- (8) *All health benefit plans shall cover hospice care at least equal to the Medicare benefits.*
- (9) *All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.*

This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with providers selected for use by the insurer shall not apply to emergency or out-of-area services.*

Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an insured with a high-cost condition shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the specific high-cost condition that is the basis for refusing to issue a policy, a description of the Guaranteed Acceptance Program, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program.*
- (13) *If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, the health insurer shall pay the plan's established rate for those services to the health department.*
- (14) *No individually insured person shall be required to replace an individual policy with group coverage on becoming eligible for group coverage that is not provided by an employer. In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide. An insurer that, on or after July 15, 1995, until the effective date of this Act, issued standard health benefit plans under KRS 304.17A-160 and then ceased doing business in Kentucky may apply to the commissioner on or after the effective date of this Act until January 1, 1999, for approval to reenter Kentucky and if the commissioner grants approval the insurer may engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110(1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

Section 9. KRS 304.17A-095 is amended to read as follows:

- (1) Notwithstanding any other provisions of this chapter to the contrary, each insurer that issues, delivers, or renews any health benefit plan shall, before use thereof, file with the commissioner its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers, *shall submit a copy of the filing to the Attorney General*, and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper, ~~except as provided in subsection (5) of this section~~.

- (2) (a) *A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing shall be approved or disapproved by the commissioner within sixty (60) days after the date of filing. Should sixty (60) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved. The commissioner may hold a hearing within sixty (60) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General may participate as a health insurance consumer intervenor and be considered a party to the hearing.*
- (b) *The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (3) of this section.*
- (c) *The commissioner shall hold a hearing, unless waived by the health insurer, before ordering a retroactive reduction of rates.*
- (d) *The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.*
- (e) *In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.* ~~Each filing under this section shall be on file for a waiting period of thirty (30) days before it becomes effective. The period may be extended by the commissioner for an additional period not to exceed thirty (30) days if the commissioner gives notice within the waiting period to the insurer that it needs the additional time for consideration of the filing. At the end of the thirty (30) day period, or any additional period if extended by the commissioner pursuant to this subsection, the filing shall be deemed approved unless prior thereto it has been disapproved by order of the commissioner or the commissioner has directed that a hearing be held.~~
- ~~(b) The commissioner may hold a hearing, without request by others, within thirty (30) days after receiving a filing under this subtitle, or during an additional thirty (30) day period, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.~~
- ~~(c) If the filing contains an average premium rate increase which will result in a percentage increase over the insurer's average existing rates that is greater than the percentage change in the medical care consumer price index for all urban consumers for the South region as published by the federal Bureau of Labor Statistics, plus three percent (3%), since the last filing of the insurer for any of the same policies or contracts, the commissioner shall hold a hearing, without request by others, within thirty (30) days after receiving a filing under this subtitle, or during an additional thirty (30) day period, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.~~
- (3) In approving or disapproving a filing under this section, the commissioner shall consider:
- (a) Whether the benefits provided are reasonable in relation to the premium or fee charged;
- (b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;
- (c) Previous premium rates or fees for the policies or contracts to which the filing applies;
- (d) The effect of the rate or rate increase on policyholders, enrollees, and subscribers;
- (e) Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory; and
- (f) *The effect on the rates of any assessment made under Section 21 of this Act; and*
- (g) Other factors as deemed relevant by the commissioner.
- (4) *The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal* ~~[Not less than ten (10) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General shall participate as a health insurance consumer intervenor and be considered a party to the hearing].~~

- (5) ~~No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase.~~
- (6) At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund *or future premium credit* to policyholders, enrollees, and subscribers if the commissioner determines that ~~the rates or fees previously approved are in violation of this chapter~~ *benefits are no longer reasonable in relation to the premiums or fees charged*.
- (6) *Each insurer paying a risk assessment under Section 21 of this Act may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.*
- (7) The commissioner may by administrative regulation prescribe any additional information *related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she* ~~deems~~ *deems necessary and* relevant to be included in the filings and the form of the filings required by this section.
- ~~(8) Because of the duties of the commissioner imposed under KRS 304.17A-090, the commissioner may, between July 15, 1996, and December 31, 1996, in addition to the thirty (30) day extension allowed under subsection (2) of this section, further extend the waiting period and the time for holding a hearing up to two (2) additional thirty (30) day periods upon thirty (30) days' written notice to the insurer of each extension that the additional periods are necessary due to proper fulfillment of the commissioner's duties under KRS 304.17A-090.~~

 1. *Shall not be increased by more than twenty-five percent (25%) on either of the first two (2) renewal dates after the effective date of this Act. After July 1, 1998, no insurer shall issue health benefit plans in Kentucky*

without first advising the commissioner in writing that it will participate in the program as a program participating insurer or a program supporting insurer. Any insurer issuing health benefit plans in Kentucky that fails to advise the commissioner of the nature of its participation in the program shall be deemed a program supporting insurer unless it is required by subsection (1) of this section to be a program participating insurer.

- (3) *An insurer who elects to be a program participating insurer may elect to participate under the following conditions:*

- (1) *A health benefit plan shall be considered a program plan and is eligible for inclusion in calculating assessments and refunds under the program risk adjustment process if it meets all of the following criteria:*
 - (a) *The health benefit plan was purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children. Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this criteria even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year;*
 - (b) *An individual entitled to benefits under the health benefit plan has been diagnosed with a high-cost condition on or before the effective date of the individual's coverage for coverage issued on a guarantee-issue basis after July 15, 1995;*
 - (c) *The health benefit plan imposes the maximum pre-existing condition exclusion permitted under Section 2 of this Act;*

- (2) *Notwithstanding the provisions of subsection (1) of this section, if the total claims paid for the high-cost condition under a program plan for any three (3) consecutive years are less than the premiums paid under the program plan for those three (3) consecutive years, then the following shall occur:*
 - (a) *The policy shall not be considered to be a program plan thereafter until the first renewal of the policy after there are three (3) consecutive years in which the total claims paid under the policy have exceeded the total premiums paid for the policy and at the time of the renewal the policy also qualifies under subsection (1) as a program plan; and*
 - (b) *Within the last six (6) months of the third year, the insurer shall provide each person entitled to benefits under the policy who has a high-cost condition with a written notice of insurability. The notice shall state that the recipient may be able to purchase a health benefit plan other than a program plan and shall also state that neither the notice nor the individual's actions to purchase a health benefit plan other than a program plan shall affect the individual's eligibility for plan coverage. The notice shall be valid for six (6) months.*

- (3) (a) *There is established within the guaranteed acceptance program the alternative underwriting mechanism that a participating insurer may elect to use. An insurer that elects this mechanism shall use the underwriting criteria that the insurer has used for the past twelve (12) months for purposes of the program plan requirement in paragraph (b) of subsection (1) of this section for high risk individuals rather than using the criteria established in subsection (19) of Section 1 of this Act and Section 14 of this Act for high cost conditions;*
- (b) *An insurer that elects to use the alternative underwriting mechanism shall make written application to the commissioner. Before the insurer may implement the mechanism, the insurer shall obtain approval of the commissioner. Annually thereafter, the insurer shall obtain the commissioner's approval of the underwriting criteria of the insurer before the insurer may continue to use the alternative underwriting mechanism.*

The percentage rate used to determine this six (6) month period assessment shall be the maximum percentage that may be used to determine the assessment in any subsequent calendar year. The second assessment shall also be a percentage of the health benefit plan premiums except for the following limitations:*
1. *The percentage rate may not exceed the percentage rate used to determine the 1998-1999 assessment, and*
 2. *The total amount generated from the additional assessment may not exceed the lesser of the program account deficit or seven million eight hundred thousand dollars (\$7,800,000). If the second assessment fully eliminates the program account deficit, each insurer shall be reimbursed up to the amount of its proportional share of program plan losses from the program account. - (c) *In no event shall the sum of the first assessment provided for in subsection (3)(d) of this section and the second assessment provided for in paragraph (b) of this subsection be greater than one percent (1%) of the total amount of all assessable health benefit plan premiums written during the prior assessment period.*

CHAPTER 497

(HB 285)

AN ACT relating to emergency medical services.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

- (1) *When it appears that a person whom a paramedic who has successfully completed training in determination of death has been called to attend is dead, the paramedic shall, utilizing the protocol specified by the board by administrative regulation, determine whether or not the patient is dead after resuscitation of the patient is attempted by the paramedic or an emergency medical technician who has responded with or after the paramedic, unless the protocol indicates that the patient is not capable of being resuscitated. If, after resuscitation has been attempted on a patient who the protocol deems is capable of being resuscitated, the patient has not been successfully resuscitated according to the protocol, the paramedic may discontinue further resuscitation efforts and proceed to determine whether the patient is dead and whether to declare the patient dead. If it is determined that death has occurred in accordance with the procedures of KRS 446.400 with regard to patients who have not been resuscitated, the paramedic may make the actual determination and pronouncement of death. This section shall not apply to patients who are in a hospital when apparent death occurs.*
- (2) *In the event that a paramedic determines that a person is dead, the paramedic shall make the notifications required by KRS 72.020 and take the protective actions required by that statute.*
- (3) *Any paramedic course taught after the effective date of this section shall include a course of instruction on the determination of death and preservation of evidence as required by the Board of Medical Licensure by administrative regulation.*

The administration of advanced cardiac life support procedures by any person, other than a registered nurse rendering care pursuant to Section 2 of this Act, prior to the arrival of the paramedic shall preclude the determination of death by the paramedic, and the provisions of KRS 446.400 shall apply. However, nothing in this section shall preclude the supervising physician from directing the paramedic to cease resuscitative efforts under approved agency medical protocols.*

If, after resuscitation has been attempted on a patient who the protocol deems is capable of being resuscitated, the patient has not been successfully resuscitated according to the protocol, the nurse may discontinue further resuscitation efforts and proceed to determine whether the patient is dead and whether to declare the patient dead. If it is determined that death has occurred in accordance with the procedures of KRS 446.400 with regard to patients who have not been resuscitated, the registered nurse may make the actual determination and pronouncement of death. This section shall not apply to patients who are in a hospital when apparent death occurs.*

- (3) *Any registered nursing course taught in pre-licensure programs after the effective date of this section shall include a course of instruction on the determination of death and preservation of evidence as required by the Board of Nursing by administrative regulation.*
- (4) *Any registered nurse within the two (2) years following the effective date of this Act shall successfully complete in-service training required by the Board of Nursing by administrative regulation relating to determination of death and preservation of evidence.*
- (5) *Any registered nurse from another jurisdiction desiring to become a registered nurse in Kentucky shall show evidence of successful completion of a training course in Kentucky meeting the requirements of subsection (4) of this section.*
- (6) *The administration of cardiopulmonary resuscitation or other basic life support measures to the apparently dead person prior to the arrival of the registered nurse by any person, for the purposes of this section and KRS 446.400, shall not be considered as artificial maintenance of respiration and circulation. The administration of advanced cardiac life support procedures by any person, other than a paramedic rendering care pursuant to Section 1 of this Act, prior to the arrival of the registered nurse shall preclude the determination of death by the registered nurse, and the provisions of KRS 446.400 shall apply. - (9) *An efficient program of financial responsibility should protect petroleum storage tank owners and operators from fraudulent claims against the fund to insure the fund's financial viability and should authorize the vigorous pursuit of fraudulent claims;*
- (10) It is necessary and essential that the state use all practical means to control or eliminate pollution hazards posed by leaking petroleum storage tanks; and
- ~~(11)~~~~(10)~~ It is the intent of the General Assembly that a state fund be created to assist petroleum storage tank owners or operators in complying with the federal financial responsibility requirements promulgated under federal regulations and to assist petroleum storage tank owners or operators in cleaning up contamination caused by a release.

Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. The criteria for certification of laboratories shall be established no later than January 1, 1999. After April 1, 1999, owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation.*** Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the ~~office~~~~commission~~ for reimbursement from the fund for the performance of corrective action. This account shall not be used to compensate third parties for bodily injury and property damage. The ~~office~~~~commission~~ shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. - (m) ***Have, after April 1, 1999, assurance fund auditors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the office schedule an assurance fund auditor to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an auditor fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the assurance fund no later than ten (10) days prior to the proposed date that an auditor is not available on the proposed date, in which event a representative of the assurance fund shall contact the operator and schedule a new date. If no auditor is present at the rescheduled date, the removal may then proceed without penalty***~~[Be attached to the Natural Resources and Environmental Protection Cabinet for administrative purposes].~~

The adoption of a final authorizing resolution shall be contingent upon the Bluegrass State Skills Corporation's approval of documentation submitted by the preliminarily approved company supporting all incurred approved costs. If one (1) or more of the employees of the preliminarily approved company failed to continue in the employment of the company for ninety (90) days following the completion of the prescribed one (1) year, then the amount of the skills training investment credits preliminarily approved for a qualified company shall be reduced on a pro rata basis for each employee who failed to continue employment with the preliminarily approved company through the ninety (90) day period. The final amount of the skills training investment credits awarded to the approved company shall not exceed the amount of skills training investment credits that the approved company was preliminarily approved for by the Bluegrass State Skills Corporation prior to commencement of the training program.*
