The election to participate shall be made by the governing authority of the participating employer and shall be certified in writing to the system on forms prescribed by the board. The member's sick-leave balance, expressed in days, shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. A maximum of six (6) months of the member's sick-leave balance, expressed in months, shall be added to his service credit for the purpose of determining his annual retirement allowance under KRS 78.510 to 78.852 and for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 78.510 to 78.852. The number of sick-leave days for which the employee is compensated shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. - (2) The ***Office of Petroleum Storage Tank Environmental Assurance Fund***~~[commission]~~ shall:
 - (a) Establish by administrative regulation the policy, guidelines, and procedures to administer the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the ***office***~~[commission]~~ may distinguish between types, classes, and ages of petroleum storage tanks. The ***office***~~[commission]~~ shall establish a range of amounts to be paid from the fund and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the ***office***~~[commission]~~ for reimbursement from the fund for the performance of corrective action. At a minimum, the ***office***~~[commission]~~ shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the ***office***~~[commission]~~ shall obligate funds necessary to meet these requirements;
 - (b) Establish by administrative regulation the criteria to be met to be eligible to participate in the fund and receive reimbursement from the fund. The ***office***~~[commission]~~ may establish eligibility criteria based upon the financial ability of the petroleum storage tank owner or operator. In promulgating

administrative regulations to carry out this section, the ~~office~~~~commission~~ may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;

- (c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal government for petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The amount to be maintained in this account shall be established by the ~~office~~~~commission~~. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the ~~office~~~~commission~~;
- (d) Establish a small operator assistance account within the fund which may be used by the ~~office~~~~commission~~ to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;

This account shall not be used to compensate third parties for bodily injury and property damage. The ~~office~~~~commission~~ shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the ~~office~~~~commission~~ shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;
- (f) Hear complaints brought before the ~~office~~~~commission~~ regarding the payment of claims from the fund in accordance with KRS Chapter 13B;
- (g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

- (i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund and the procurement of legal services; *and*
- (j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. - (2) The board is authorized to require information from every applicant to determine the applicant's honesty and truthfulness.
- (3) In addition to proof of honesty, truthfulness, and good reputation, an examination, conducted by the board or its authorized representative shall be held four (4) times each year, and an examination fee of seventy-five dollars (\$75) shall be collected from each applicant for apprentice auctioneer and an examination fee of one hundred dollars (\$100) shall be collected from each applicant for auctioneer and from each applicant for livestock auctioneer, tobacco auctioneer, and auction house operator. Examination fees shall be nonrefundable and shall defray the expenses of processing the application and of conducting the examination. The examination for auction house operator license shall include those areas of knowledge which, in the discretion of the board, are appropriate to those seeking to operate auction houses. The examinations for livestock auctioneer and tobacco auctioneer shall include those areas of knowledge which, in the discretion of the board, are appropriate to those seeking a professional license to operate in those limited fields.
- (4) However, no examination shall be required for the renewal of any present or future license, unless such license has been revoked, suspended, or is allowed to expire without renewal. In any of these cases, the board may, in its discretion, require the applicant to take and pass the written examination before a new license may be issued.

~~{(5) The provisions of subsection (3) of this section requiring applicants to pass a written examination to obtain a license shall not apply to an auctioneer or apprentice auctioneer furnishing satisfactory proof to the board that he actively engaged in the auction business for a period of at least one (1) year prior to June 14, 1962, and that he has been the principal auctioneer in at least five (5) auctions of either real or personal property during this period of time. Such an applicant shall file his application and proof with the board no later than October 1, 1962, and the application and proof shall be accompanied by a bond and license fee in accordance with the provisions of this chapter; provided, however, that a nonresident tobacco auctioneer may qualify by December 1, 1962.~~

~~(6) The provisions of subsection (3) of this section requiring applicants for auction house operator to pass a written examination shall not apply to an auction house operator furnishing satisfactory proof to the board that he was actively engaged as an auction house operator at a fixed location for a period of at least two (2) years prior to January 1, 1991, at which at least twenty (20) auction sales were conducted during that period. - ~~(4)(b)~~ Beginning with the renewal of licenses expiring on or after June 30, 1993, the board may require as a condition precedent to the renewal of any license, that all licensees complete continuing auction education up to ten (10) hours per year per licensee. The board may impose different continuing auction education requirements, or none, upon different classifications of licensees under this chapter. The continuing auction education requirements provided for in this subsection shall not apply to those individual auctioneers licensed prior to January 1, 1980.
- ~~(5)(4)~~ The board shall prepare and deliver to each licensee a license ~~certificate~~ and pocket card. ~~The certificate shall be displayed conspicuously at all times in the office of the licensee.~~ The **license** ~~certificate~~ and pocket card of the apprentice auctioneer shall contain the name and address of **his or her principal**~~the~~ auctioneer ~~under whose supervision he is employed~~.

It shall be unlawful for any apprentice auctioneer to perform any of the acts contemplated by this chapter either directly or indirectly, under authority of his **or her** license, until the apprentice auctioneer receives a new license bearing **a new principal auctioneer's**~~the~~ name and address ~~of his new employer~~. No more than one (1) license shall be issued to any apprentice auctioneer for the same period of time.
- (7) **A licensee may place his or her license in escrow with the board if the licensee does not engage in any auctioneering activity or auction house operations and continues to pay the annual renewal fees during the term of escrow.**
 - (a) **For each year the license is in escrow, a licensee shall be exempt from the contribution to the auctioneer's education, research, and recovery fund described in KRS 330.192(1)(b) and the continuing education requirement described in subsection (4) of this section.**

- (b) **To reactivate a license in escrow, the licensee must meet the current year's continuing education requirement described in subsection (4) of this section and pay a reactivation fee of one hundred dollars (\$100).**

- (3) In addition, every nonresident applicant shall file an irrevocable consent that actions may be commenced against the applicant in any court of competent jurisdiction in the Commonwealth, by the service of any summons, process, or pleadings authorized by law on the secretary of the board. The consent shall stipulate and agree that the service of such process, summons, or pleadings on the secretary shall be taken and held in all courts to be as valid and binding as if actual service had been made upon the applicant in Kentucky. In case any summons, process, or pleadings are served upon the secretary of the board, it shall be by duplicate copies, one of which shall be retained in the office of the board, and the other immediately forwarded by certified mail, return receipt requested, to the last known business address of the applicant against which the summons, process, or pleadings may be directed.

Section 9. KRS 330.192 is amended to read as follows:

- (1) (a) There is hereby created and established in the State Treasury the auctioneer's education, research, and recovery fund.
- (b) In addition to the license fees provided for in KRS 330.070, upon renewal of every license issued pursuant to this chapter, the board shall charge every licensee an amount not to exceed thirty dollars (\$30) per year to be included in the auctioneer's education, research, and recovery fund. Every original applicant for apprentice or~~[principal]~~ auctioneer's license, and every applicant for an auction house operator's license on and after July 15, 1982, shall likewise submit to the board an additional fee of thirty dollars (\$30) to be deposited in the auctioneer's education, research, and recovery fund and shall also be subjected thereafter to an annual renewal fee as of the regular renewal date.
- (c) In addition to the license fees provided for in KRS 330.070, the board, based upon its own discretion as to need, may assess each licensee upon renewal an amount equal to or less than thirty dollars (\$30) per year, or nothing, but not more. Each original applicant shall pay the original amount of thirty dollars (\$30), but upon renewal shall pay the same fee as other licensees.

- (2) The purposes of the auctioneer's education, research, and recovery fund shall be as follows:
- (a) When a licensee has been duly found guilty of violating any one (1) or more of the provisions of KRS 330.110, or any one (1) or more of the administrative regulations duly promulgated by the board, and upon the conclusion of a final order entered by the board or by the courts, if appealed, the board is authorized to pay to the aggrieved person or persons an aggregate amount not to exceed ~~fifty~~^{thirty} thousand dollars ~~(\$50,000)~~~~(\$30,000)~~ against any one (1) licensee, provided that the licensee has refused to pay such claim within a period of twenty (20) days of entry of a final order and provided further that the amount or amounts of money in question are certain and liquidated.
 - (b) The board shall maintain a minimum level of ~~five~~^{four} hundred thousand dollars ~~(\$500,000)~~~~(\$400,000)~~ for recovery and guaranty purposes. These funds may be invested and reinvested in the same manner as funds of the State Employees' Retirement System and the interest from said investments shall be deposited to the credit of the research and recovery fund, or, in the discretion of the board, to the agency fund account as set out in KRS 330.050(6). Sufficient liquidity, however, will be maintained so that there will be money available to satisfy any and all claims which may be processed through the board by means of administrative hearing as outlined in this chapter.
 - (c) The board, in its discretion, may use any funds in excess of the ~~five~~^{four} hundred thousand dollar ~~(\$500,000)~~~~(\$400,000)~~ level, regardless of whether it is from the auctioneer's education, research, and recovery fund fees or accrued interest thereon, for any of the following purposes:
 1. To carry out the advancement of education and research in the auction field for the benefit of those licensed under the provisions of this chapter and the improvement and making even more efficient the auction industry as such;
 2. To underwrite educational seminars, caravans, and other forms of educational projects for the use and benefit generally of auctioneer licensees;
 3. To establish an auction chair or courses at Kentucky state institutions of higher learning for the purpose of making such courses available to licensees and the general public who may seek same on a college or university level;
 4. To contract for a particular research project in the auction field for the Commonwealth of Kentucky;
 5. To sponsor, contract for, and to underwrite any and all other educational and research projects of a similar nature having to do with the advancement of the auction field in Kentucky;
 6. To cooperate with associations of auctioneers and any other groups for the enlightenment and advancement of the auctioneer licensees of Kentucky; and
 7. To increase the level of the auctioneer's education, research, and recovery fund above ~~five~~^{four} hundred thousand dollars ~~(\$500,000)~~~~(\$400,000)~~;
 8. To augment the regular trust and agency account of the board.
- (3) (a) In the event that a licensee is found guilty of one (1) or more provisions of KRS 330.110 or of violating one (1) or more of the administrative regulations of the board, and if the amount of the money lost by the aggrieved party or parties is in dispute or cannot be determined accurately, then the amount of damages shall be determined by a Circuit Court in the county where the alleged violation took place, provided that the board has previously determined that a violation of the license laws or of the administrative regulations has occurred and a final order has been entered.
- (b) If such an order has been entered and the license rights of the licensee have been finally adjudicated, then the local Circuit Court shall make a finding as to the monetary damages growing out of the aforesaid violation or violations.
- (c) When a final order has been entered by the Circuit Court, Court of Appeals, or Supreme Court, and upon certification to the board, the aggrieved party or parties shall be paid such amount or amounts in the aggregate not to exceed ~~fifty~~^{thirty} thousand dollars ~~(\$50,000)~~~~(\$30,000)~~ by the board, and the license held by the licensee against whom the claim was made by the aggrieved party shall be suspended at least until such time as the licensee has reimbursed the auctioneer's education, research, and recovery fund for all amounts paid to the aggrieved party due to the violation of the licensee.

- (d) When, upon the final order of the court, the board has paid from the auctioneer's education, research and recovery fund any sum to the aggrieved party, the board shall be subrogated to all of the rights of the aggrieved party to the extent of the payment and the aggrieved party shall, to the extent of the payment, assign his right, title, and interest in the judgment to the commission.
 - (e) Any funds in excess of the ~~five~~^{four} hundred thousand dollar ~~(\$500,000)~~^(\$400,000) level and which are not being currently used, may be invested and reinvested as set forth in subsection (2)(b) of this section, or, in the discretion of the board, may be utilized for any of the purposes enumerated in subsection (2)(c) of this section.
 - (f) All the claims for monetary damages or relief from the auctioneer's education, research, and recovery fund must be made in writing on a proof of loss form submitted to the board within six (6) months of the act of the auctioneer giving rise to the loss. Failure to file such claims within the six (6) month period shall bar the claim. Additional evidence will be submitted by the claimant if required by the board.
 - (g) Notwithstanding any other provisions of this chapter, no unreimbursed amount greater than ~~fifty~~^{thirty} thousand dollars ~~(\$50,000)~~^(\$30,000) shall be paid by the board on account of any one (1) licensee, no matter over how long a time, or for how many claims, and no matter what the number of claimants be or the size of such claims, individually or in the aggregate. Should the licensee reimburse the fund for all amounts paid, then future claims timely filed with the board concerning different matters may be received pursuant to this section.
 - (h) No claims shall be approved under this section for amounts which, in the aggregate, exceed the maximum payable on account of any one (1) licensee in effect at the time of the act or acts of the licensee giving rise to the claims, except to the extent of said maximum. Statutory increases in the maximum set out in this section do not apply retroactively.
- (4) All categories of licensees under this chapter are covered under the provisions of this section for the benefit and protection of the public.
 - (5) This section is not intended to substitute for, circumvent, or duplicate other remedies existing at law or otherwise for claimants or potential claimants, but constitutes a last resort for aggrieved persons who would not, but for the provisions of this section, be able to recover their losses by any other means available. The board shall have full discretion to require that claimants exhaust all other remedies prior to proceeding under this section, including, but not limited to, the remedy of obtaining a judgment by all diligent and appropriate means.

Section 1. KRS 439.315 is amended to read as follows:

- (1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.
- (2) The fees shall be as follows:
 - (a) For a felony, not less than ten dollars (\$10) per month while on active supervision nor more than two thousand five hundred dollars (\$2,500).
 - (b) For a misdemeanor, not less than ten dollars (\$10) per month while on active supervision nor more than five hundred dollars (\$500), except as provided in subsection (13) of this section.
- (3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.

- (4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.
- (5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanor probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.
- (6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:
 - (a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.
 - (b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.
- (7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.
- (8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.
- (9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.
- (10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.
- (11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.
- (12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.
- (13) In ~~counties containing~~ a city, **county, charter county**, ~~of the first class~~ or an urban-county ~~form of~~ government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanor probation and work release program of the county, ~~containing a~~ city, **charter county**, ~~of the first class~~ or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanor defendant placed under the supervision of an adult misdemeanor probation and work release program of a county, ~~containing a~~ city, **charter county**, ~~of the first class~~ or an urban-county government shall be not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500). All sums paid by the defendant under this subsection shall be paid into the general fund of the county, ~~containing a~~ city, **charter county**, ~~of the first class~~ or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county ~~containing a city of the first class~~ or urban-county involved. The adult misdemeanor probation and work release program of the county, ~~containing a~~ city, **charter county**, ~~of the first class~~ or urban-county government shall, for each person released under its

(SB 352)

For these reasons, this Act is retroactive to January 1, 1997, the effective date of the repeal of the former Article 3.

AN ACT relating to elementary and secondary education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

Section 1. KRS 61.592 is amended to read as follows:

- (1) "Hazardous position" means any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including, but not limited to, pilots of the Transportation Cabinet and paramedics and emergency medical technicians, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.
- (2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.
- (3)
 - (a) An employee *participating in the Kentucky Employees Retirement System who is* determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation. *An employee participating in the County Employees Retirement System who is determined by the system to be working in a hazardous duty position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, eight percent (8%) of his creditable compensation;*
 - (b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565;
 - (c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.
- (4) *Except for the employee contribution by members of the Kentucky Employees Retirement System, the normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 189.270 is amended to read as follows:

- (1) ~~[(a)]~~ The department may *issue* ~~promulgate administrative regulations, pursuant to KRS Chapter 13A, to govern the issuance of~~ permits for the operation of motor vehicles, manufactured homes, recreational vehicles, **boats, or any other vehicle transporting a nondivisible load** ~~[vehicles transporting microwave satellite television antennae, and vehicles transporting boats or farm equipment]~~, whose gross weight including load, height, width, or length exceeds the limits prescribed by this chapter or which in other respects fail to comply with the requirements of this chapter. Permits may be issued by the department for stated periods, special purposes, and unusual conditions, and upon terms in the interest of public safety and the preservation of the highways as the department may require.
- (2) *Except as provided in subsection (7) of this section, the department may, at the request of an applicant, issue a single-trip permit regardless of the type of vehicle or equipment being transported that exceeds the weight or dimension limits established by this chapter if the load being transported is a nondivisible load. A single-trip permit shall cost sixty dollars (\$60) for each overweight or overdimensional permit requested.*
- (3) *Except as provided in subsection (7) of this section, the department may, at the request of an applicant, issue an annual permit regardless of the type of vehicle or equipment being transported that exceeds the weight or dimension limits established by this chapter if the load being transported is a nondivisible load. The vehicle shall not exceed sixteen (16) feet in width exclusive of usual and ordinary overhang, one hundred twenty (120) feet in length including a towing vehicle and trailer combination, thirteen (13) feet six (6) inches in height, or one hundred twenty thousand (120,000) pounds. Except as provided in subsections (4) and (7) of this section, an annual permit for loads less than fourteen (14) feet in width shall cost two hundred fifty dollars (\$250). A person who applies for, and accepts, a permit issued under this section is acknowledging that the Kentucky Transportation Cabinet is not guaranteeing safe passage of vehicles by issuing the permit. A person who applies for, and accepts, a permit issued under*

this section agrees to measure all clearances of highway structures, both laterally and vertically, prior to passage of the person's vehicles along the routes specified in the permit. A person who applies for, and accepts, a permit issued under this section is classified as a bare licensee whose duty is to assume sole risk involved in using Kentucky's highways without warranty of accuracy.

- (6) *The department shall promulgate administrative regulations under KRS Chapter 13A to establish requirements for escort vehicles, safety markings, and other safety restrictions governing the operation of an overweight or overdimensional vehicle. The department shall provide each applicant for an annual or single-trip permit issued under this section a copy of all restrictions associated with the overweight or overdimensional permit at no charge to the applicant. The department shall be prohibited from raising the permit fee established in subsections (2) and (3) of this section by levying additional fees for an overweight or overdimensional permit through the administrative regulation process.*

(SB 76)

AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 533.030 is amended to read as follows:

- (1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.
- (2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:
 - (a) Avoid injurious or vicious habits;
 - (b) Avoid persons or places of disreputable or harmful character;
 - (c) Work faithfully at suitable employment as far as possible;
 - (d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;
 - (e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;
 - (f) Support his dependents and meet other family responsibilities;
 - (g) Pay the cost of the proceeding as set by the court;
 - (h) Remain within a specified area;
 - (i) Report to the probation officer as directed;
 - (j) Permit the probation officer to visit him at his home or elsewhere;
 - (k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and

- (1) If the defendant's record indicates a controlled substance or alcohol problem, submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, said fee to be collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. For good cause shown, the testing fee may be waived by the court.
- (3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars (\$100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:
 - (a) Restitution by payment may be ordered in a lump sum or in specified payments;
 - (b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered by the court;
 - (c) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;
 - (d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;
 - (e) The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the State Treasury;
 - (f) When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation; and
 - (g) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.
- (4) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.
- (5) ***In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of probation or conditional discharge of a sentence of detention or imprisonment for a drug or alcohol related offense, to make one (1) payment either to Drug Abuse Resistance Education (D.A.R.E.) or to any treatment or prevention program for drug or alcohol abuse that***

a local government administers, refers individuals to, or contracts to administer, in an amount not to exceed the amount of any fine which also could have been imposed for the offense.

- (6) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.
- (7)~~(6)~~ When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed six (6) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2), or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

The agreement shall not require the crime stoppers organization to divulge the amounts of individual rewards paid nor the identity of any person to whom a reward was paid.*

As used in this chapter, unless the context otherwise requires:

- (1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury.
- (2) "Occupational disease" means a disease arising out of and in the course of the employment.
- (3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

- (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:
1. Total and permanent loss of sight in both eyes;
 2. Loss of both feet at or above the ankle;
 3. Loss of both hands at or above the wrist;
 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.
- (24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group.

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (26) "Insurance policy" for an insurance company or group self-insurer means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year.

- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
 - (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.
 - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department for Employment Services, Cabinet for Workforce Development. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.
 - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department for Employment Services data which shall be made

available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

- (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.
 - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1).
 - (f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter.
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.
- (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

Their goal shall be to consider the ways in which Kentucky's beauty enriches their daily living and underpins their economic vitality. Examples of "Commonwealth Cleanup" week activities include: encouraging local communities to offer prizes for those groups who collect the most litter; asking boat owners to volunteer their services to help remove litter from shorelines not easily reached by land; and setting up locations for recyclables.

Section 3. The Kentucky National Guard is encouraged to support this effort by providing logistical support across the Commonwealth to help clean up the sites too large for volunteer groups.

Section 4. The Natural Resources and Environmental Protection Cabinet shall promote "Commonwealth Cleanup" week by continuing to support those agencies and organizations wanting to clean up the environment. The support shall include providing technical assistance in assessing and understanding Kentucky's natural resources, coordinating contacts with other state and federal agencies that can assist with a project as appropriate, guiding local organizers to possible sources of funding to help implement a project as appropriate, overseeing a statewide campaign to publicize "Commonwealth Cleanup" week, and promoting those communities that have outstanding participation. This includes working in tandem with the Kentucky Department of Education to sponsor a statewide poster contest for children through the eighth grade.

Section 5. The month of March shall be designated as Environmental Education Month. During this time, state agencies involved in environmental education are encouraged to work with schools and communities to promote the environment and its preservation. Schools shall also be encouraged to sponsor cleanup or beautifying activities on their grounds during this month.

Section 6. The "Commonwealth Cleanup" week activities shall culminate with the Governor proclaiming the success of those communities, civic organizations, and corporate sponsors that excel in cleaning up where they live.

Section 7. The Natural Resources and Environmental Protection Cabinet shall report to the Legislative Research Commission by September 1, 1999, on the outcome of the first "Commonwealth Cleanup" week. The report may include suggestions for changes in the program.

(HJR 95)

A JOINT RESOLUTION directing a study of electric restructuring during the 1998-2000 legislative interim, and making an appropriation therefor.

WHEREAS, electricity is a pervasive force and vital need in the current economy of Kentucky; and

WHEREAS, Kentucky enjoys among the lowest electric utility rates in the nation, benefiting not only citizen ratepayers but also allowing the state to use this as a tool in recruiting business; and

WHEREAS, restructuring the electric industry would have profound impacts upon the overall economy of Kentucky; and

WHEREAS, restructuring and deregulation have yielded tangible benefits in the airline, trucking, and telecommunications industries; and

WHEREAS, several states have begun to restructure their electric delivery systems in the hopes of lowering electric utility rates, and the United States Congress also has begun to debate the issue; and

WHEREAS, any restructuring in Kentucky must guarantee universal quality service, with adequate consumer education, and should take into account any possible impacts upon Kentucky coal as a viable generation source; and

WHEREAS, the issue of electricity restructuring is a complex one deserving of intensive study and careful, prudent recommendations;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. There is established the Electricity Restructuring Task Force, whose membership shall carefully study the issue of electric restructuring in Kentucky during the 1998-2000 interim and analyze its impacts upon the Commonwealth. The task force shall meet at least monthly, beginning not later than October 1, 1998, and shall report back to the Legislative Research Commission and the Governor with findings and recommendations no later than November 15, 1999.

Section 2. (1) The task force shall be comprised of the following members:

- (a) Ten members from the executive branch, to be appointed by the Governor, with one member being the Attorney General or his designee; and
 - (b) Ten members from the General Assembly, of which three members shall be appointed by the President of the Senate, three members shall be appointed by the Speaker of the House, two members shall be appointed by the Senate Minority Floor Leader, and two members shall be appointed by the House Minority Floor Leader. All legislative branch appointments shall be approved by the Legislative Research Commission.
- (2) The task force shall have three co-chairs, one appointed by the Governor, one appointed by the President of the Senate, and one appointed by the Speaker of the House. All appointments shall be made before July 31, 1998, and all legislative appointments shall be approved by the Legislative Research Commission.

Section 3. The task force may form advisory committees of no more than seven persons. These advisory committees may contain representatives of the private sector, but in all cases the membership of an advisory committee shall consist of more task force members than private sector representatives. Advisory committees may study particular areas of interest to the task force, such as universal service, consumer education, reliability, and future regulation. The sole role of an advisory committee shall be to report back to the full task force.

Section 4. Except as provided in KRS 18A.200, members of the task force, shall receive actual travel expenses while attending meetings.

Section 5. The task force may employ consultants, request and hear testimony, or take any necessary steps to ensure a fair, thorough, and reasonable study of the issue. The task force shall receive staffing assistance from the Public Service Commission and the Legislative Research Commission, and the executive directors of both agencies are directed to assist the task force in meeting its staffing needs.

Section 6. There is hereby appropriated from the general fund the sum of \$150,000 to accomplish the study. Any amount remaining following the completion of the study shall revert to the general fund.

CHAPTER 348

(HJR 89)

A JOINT RESOLUTION creating a Task Force on Utility Tax Policy to direct a comprehensive study of the taxation of public service companies that supply utility service to citizens of the Commonwealth.

WHEREAS, in recent years, federal law has directed public service companies to provide telecommunications services at retail in a competitive environment and has deregulated the sale of electricity and natural gas at wholesale; and

WHEREAS, other states have enacted legislation to restructure and deregulate electric and natural gas utilities to encourage competition among public service companies providing these utility services, and it is anticipated that similar legislation will be introduced in the Kentucky General Assembly; and

WHEREAS, Kentucky's current tax laws for public service companies were enacted under the assumption that utility services would be provided primarily by utilities operating as monopolies with prices set by cost of service rate regulation, and new technologies and the emerging competitive environments are creating new utility services and new types of public utility service providers, including marketers and those who resell services, that the current tax structure did not contemplate; and

WHEREAS, many local governments, local taxing districts, and school districts rely on state-administered tax programs for as much as half of their annual revenues; and

WHEREAS, absent changes in the tax laws, competition among utilities is likely to have a significant impact on state and local tax revenues through tax avoidance by some new utility providers, decreased costs for utility services, and declining value of utility property; and

WHEREAS, different utility providers are being taxed differently causing the current tax structure to create competitive advantages and disadvantages and creating an unlevel playing field; and

WHEREAS, there is much criticism and debate over the current state and local tax structure, rate classification, and prevailing methods of taxation subjecting them to much controversy, protest, and frequent litigation; and

WHEREAS, all public service companies providing utility services to the citizens of the Commonwealth should contribute their fair share of taxes in support of governmental services required by the citizens of the Commonwealth;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. (1) There is hereby established a Task Force on Utility Tax Policy to direct a study during the 1998-2000 interim regarding the method by which public service companies that provide utility services are currently taxed by state and local governments. The task force shall recommend the methods of taxation for the future to ensure

fair and equitable taxation of these companies, improve the efficiency of revenue collections, and simplify compliance with tax laws in a fair and equitable manner.

- (2) (a) The task force shall consist of the following members:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 154.22-040 is amended to read as follows:

- (1) Each year the authority shall under its rural economic development assistance program, on the basis of the final unemployment figures calculated by the Department for Employment Services within the Cabinet for Workforce Development, determine which counties have had a countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth in the most recent five (5) consecutive calendar years, ***or which have had an average countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth by two hundred percent (200%) in the most recent twelve (12) consecutive months for which unemployment figures are available***, and shall certify those counties as qualified counties. If the authority determines that a county which has previously been certified as a qualified county no longer has an unemployment rate ***that meets the criteria of this subsection*** ~~[above the state average]~~, the authority shall decertify that county. The authority shall not finance any facilities in that county and an approved company shall not be eligible for the incentives offered by KRS 154.22-010 to 154.22-070 unless the financing agreements required herein are entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertified that county.
- (2) The authority shall establish the procedures and standards for the determination and approval of eligible companies and their economic development projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A. The criteria for approval of eligible companies and economic development projects shall include but not be limited to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project.
- (3) The economic development project shall involve a minimum investment of five hundred thousand dollars (\$500,000) by the eligible company and shall result in the creation by the eligible company, within two (2) years from the date of the final approval authorizing the economic development project, of a minimum of fifteen (15) new full-time jobs at the site of the economic development project for Kentucky residents to be employed by the eligible company and to be held by persons subject to the personal income tax of the Commonwealth. The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension. No economic development project which will result in the replacement of manufacturing facilities existing in the state shall be approved by the authority; however, the authority may approve an economic development project that:
 - (a) Rehabilitates a manufacturing facility:
 - 1. Which has not been in operation for a period of ninety (90) or more consecutive days; or

2. The title to which is vested in other than the eligible company or an affiliate of the eligible company and that is sold or transferred pursuant to a foreclosure ordered by a court of competent jurisdiction or an order of a bankruptcy court of competent jurisdiction;
 - (b) Replaces a manufacturing facility existing in the Commonwealth:
 1. The title to which shall have been taken under the exercise of the power of eminent domain, or the title to which shall be the subject of a nonappealable judgment granting the authority to exercise the power of eminent domain, in either event to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or
 2. Which has been damaged or destroyed by fire or other casualty to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or
 - (c) Replaces an existing manufacturing facility located in the same qualified county, and the existing manufacturing facility to be replaced cannot be expanded due to the unavailability of real estate at or adjacent to the manufacturing facility to be replaced. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the manufacturing facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.
- (4) With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. Upon review of the application and completion of initial inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic development project. After preliminary approval and completion by the eligible company of its bond, loan, or other financing and review thereof by the authority, the authority may by final approval designate an eligible company to be an approved company.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.701 is amended to read as follows:

- (1) There is hereby created and established a state fund to be known as "Kentucky Retirement Systems Insurance Fund."

- (2) The fund is created for the purpose of providing a fund separate from the retirement funds and is to be used to provide fringe benefits to retired recipients and employees of employers participating in the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System, and to certain of their dependents or beneficiaries named in KRS 61.702~~{(4)}~~.
- (3) The fund shall be administered by the board of trustees of the Kentucky Retirement Systems and the board shall manage the assets of the fund in the same manner in which it administers the retirement funds.

Section 2. KRS 61.702 is amended to read as follows:

- (1) The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. Any person who chooses coverage by a health maintenance organization shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of health maintenance organization coverage and the benefits to which he would be entitled under this section. The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems, who are under age sixty-five (65), to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.
- (2) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.
- (3)
 - (a) The premium required to provide hospital and medical benefits under this section shall be paid in full from the insurance fund for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, a State Police Retirement System member or a hazardous position employee, as defined in KRS 61.592, who becomes disabled in the line of duty, as defined in KRS 16.505(19), shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, a State Police Retirement System member or a hazardous position employee as defined in KRS 61.592, who is killed in the line of duty, as defined in KRS 16.505(19), shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service."
 - (b) For a member of the County Employees Retirement System, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service for which benefits are eligible under KRS 21.345 to 21.510.

1. Upon request by a member, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in the Judicial Retirement System, and calculate the portion of the member's premium to be paid by the County Employees Retirement System, according to the criteria established in paragraph (a) of this subsection. The Judicial Retirement Fund annually shall pay to the County Employees Retirement System the percentage of the system's cost of the retiree's hospital and medical premium which shall be equal to the percentage of the member's number of months of service in the Judicial Retirement System divided by his total combined service. The amounts paid by the Judicial Retirement Fund and the County Employees Retirement System shall not be more than one hundred percent (100%) of the single premium amount adopted by the respective boards of trustees or more than the maximum percentage payable under the program established under this section or KRS 21.427.

- (4) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits. The other provisions of this section notwithstanding, the insurance fund shall pay the same percentage of the premium for the spouse and dependents of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System, or the beneficiary of the member, if the member designated only one (1) person as beneficiary, as the fund pays or paid for the member. The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance fund provides coverage for the spouse or dependents or beneficiary of a former member of the County Employees Retirement System, the insurance fund shall continue the same level of coverage for the spouse or dependent or beneficiary after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent or beneficiary is not eligible for Medicare coverage.
- (5) *After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.*
- (6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 160.380 is amended to read as follows:

- (1) As used in this section:
 - (a) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.
 - (b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.
- (2)
 - (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.
 - (b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.
 - (c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.
 - (d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position. - (f) No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

- (b) Employment shall be contingent on the receipt of *the criminal history background check*~~[records]~~ documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

- (c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the *school* district of a ***criminal history background check***~~[record]~~ documenting a ***record of a sex crime or as a violent offender***~~[criminal act]~~ as defined in ***KRS 17.165***~~[above]~~ and no further procedures shall be required.

The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued. If an out-of-state teacher with less than two (2) years experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments.  - (c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.
 - (d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.
 - (e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.
 - (f) The resource teacher shall be appointed by the Department of Education from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Department of Education for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Department of Education. Priority shall be given to resource teachers ~~with the same certification as the teacher intern~~ in the following order:
 1. ***Teachers with the same certification in the same school;***
 2. ***Teachers with the same certification in the same district;***
 3. Teachers in the same school;
 4. ~~2.~~ Teachers in the same district; and

 - (g) The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.
- (7) The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher; twenty (20) of these hours shall be ~~observing the beginning teacher~~ in the classroom setting; fifty (50) of these hours shall be in consultation other than class time or attending assessment meetings. - (8) By contract with teacher education institutions in the Commonwealth, the chief state school officer shall provide special training for persons who will be serving on the beginning teacher committees. Completion of special training shall be evidenced by successfully passing the assessments as prescribed by the Education Professional Standards Board. A principal hired after July 15, 1996, shall be required to complete the beginning teacher committee training program within one (1) year after his appointment.

- (9) If an applicant establishes eligibility for a one (1) year certificate under the provisions of subsection (3) of this section, but does not become employed on the basis needed to satisfy the one (1) year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the administrative regulations of the Education Professional Standards Board. The applicant shall remain eligible for the one (1) year certificate, as provided in subsection (3) of this section, and for the opportunity to serve the internship for a period of five (5) years after establishing eligibility. - (3) An oral or written report shall be made immediately to the cabinet upon knowledge of the occurrence of suspected abuse, neglect, or exploitation of an adult. Any person making such a report shall provide the following information, if known: The name and address of the adult, or of any other person responsible for his care; the age of the adult; the nature and extent of the abuse, neglect, or exploitation, including any evidence of previous abuse, neglect, or exploitation; the identity of the perpetrator, if known; the identity of the complainant, if possible; and any other information that the person believes might be helpful in establishing the cause of abuse, neglect, or exploitation.

Section 3. KRS 209.100 is amended to read as follows:

Section 4. KRS 209.120 is amended to read as follows:

- (1) Upon petition by the cabinet a court may issue an order authorizing the provision of emergency protective services to an adult after a hearing and upon a finding based on a preponderance of the evidence that:

 - (b) The adult is in need of protective services;
 - (c) The adult lacks the capacity to consent to such services; and

- (d) No person authorized by law or court order to give consent for the adult is available to consent to protective services or such person refuses to give consent.
- (2) In issuing an emergency order the court shall adhere to the following limitations:
- (a) Only such protective services, including medical and surgical care and protective placement, as are necessary to remove the conditions creating the emergency shall be covered, and the court shall specifically designate the approved services in its order. Such designation of approved services shall be deemed to be the consent of the court authorizing the provision of such services.
 - (b) Protective services authorized by the court shall not include hospitalization or protective placement unless the court specifically finds such action is necessary and gives specific approval for such action in its order.
 - (c) The issuance of an emergency order shall not deprive the adult of any rights except to the extent validly provided for in the order.

Authorized forcible entry shall be accomplished by a peace officer accompanied by a representative of the cabinet.

It is not necessary for the court to find a guardian has been derelict as a requirement for the issuance of an order for protective services.
- (4) If the court finds that protective services are no longer needed by the adult, the court shall order the emergency protective services to terminate.

Section 5. KRS 209.990 is amended to read as follows:

Section 3. KRS 45A.352 is amended to read as follows:

- (1) A local public agency may enter into a guaranteed energy savings contract for innovative solutions for energy **conservation**~~efficiency~~ measures. The local public agency shall submit a request for proposals. The request for proposals **for competitive procurement of guaranteed energy savings contracts** shall include the following:
- (a) The name and address of the governmental unit;
 - (b) The name, address, title, and phone number of a contact person;
 - (c) Notice indicating that the local public agency is requesting qualified providers to propose energy **conservation**~~efficiency~~ measures through a guaranteed energy savings contract;

- (d) The *following* evaluation criteria for assessing the proposals:
1. *Construction management capabilities;*
 2. *Technical approach to facilities included;*
 3. *Financial attributes, as defined by total cost of contract and guaranteed savings and provider's financial strength demonstrating ability to fulfill the guarantee term; and*
 4. *Provider's capability, personnel, track record, and demonstrated ability to accomplish the contract;*
- (e) The date, time, and place where proposals must be received; ~~and~~
- (f) Any other stipulations and clarifications the local public agency may require; *and*
- (g) *An overview prepared by the local public agency stating goals or objectives specific to facility needs to be considered by the qualified providers who are responding to the request. Detailed scope of construction is not required.*
- (2) *Respondents to the request for proposal shall provide the following:*
- (a) *A detailed list of the proposed energy conservation measures and the guaranteed savings which shall be supported with calculations. Any guaranteed energy and operational savings shall be determined by using one of the measurement and verification methodologies listed in the United States Department of Energy's "Measurement and Verification Guideline for Federal Energy Projects" or in the "North American Energy Measurement and Verification Protocol." If due to existing data limitations or the nonconformance of specific project characteristics, none of the methods listed in either the United States Department of Energy's "Measurement and Verification Guideline for Federal Energy Projects" or in the "North American Energy Measurement and Verification Protocol" is sufficient for measuring guaranteed savings, the qualified provider shall develop an alternate method that is compatible with one of the two;*
 - (b) *The estimated cost of the proposed energy conservation measures including engineering, construction, commissioning, measurement and verification, annual reconciliation statements, and required on-going services; and*
 - (c) *Proposed method and costs of financing.*
- (3) *The value for total cost of the contract minus the calculated savings from the energy conservation measures listed in the qualified provider's proposal, shall be within fifteen percent (15%) of the value for the total cost of the contract minus the calculated savings after the final contract has been negotiated. If the difference between the proposed and the final contract is not within fifteen percent (15%) and the local public agency and the qualified provider are unable to renegotiate the final contract to reconcile the difference between the proposed and final contract values, then the local public agency may:*
- (a) *Stop negotiations with the current qualified provider; and*
 - (b) *Select an alternate provider.*
- (4) *The local public agency may, as a component of the request for proposal, solicit and negotiate additional maintenance services for the affected proposed energy conservation measures. Additional services shall be subject to budget appropriations on an annual basis and may be discontinued at any time over the guarantee period with no negative impact to the guaranteed savings contract.*
- (5) *The local public agency shall utilize the request for proposal process to enter into a guaranteed energy savings contract. The local public agency may, at its discretion, utilize a request for qualifications, provided that the local public agency solicits qualification statements from multiple potentially qualified providers. The local public agency shall use the qualification statements to select no fewer than two (2) providers and each provider shall then be subject to the request-for-proposal requirement provided in subsections (1) to (4) of this section.*
- (6) ~~(2)~~ The local public agency shall select the provider best qualified to meet its needs. The local public agency shall provide public notice of the meeting at which it proposes to award a guaranteed energy savings contract, the name of the parties to the proposed contract, and the purpose of the contract. The public notice shall be made at least ten (10) days prior to the meeting. After reviewing the proposals, a local public agency may enter into a guaranteed energy savings contract with a qualified provider if it finds that the amount it

would spend on the energy *conservation*~~[efficiency]~~ measures recommended in the proposal would not exceed the amount to be saved in either energy or operational costs *plus capital cost avoidance*~~[, or both,]~~ within *the term of the contract*~~[a ten (10) year period]~~ from the date of installation, if the recommendations in the proposal are followed.

- (7)~~(3)~~ The guaranteed energy savings contract shall include a written guarantee of the qualified provider that either the energy or operational costs savings *plus capital cost avoidance*~~[, or both,]~~ will meet or exceed the costs of the energy *conservation*~~[efficiency]~~ measures within *the term of the contract*~~[ten (10) years]~~. The qualified provider shall, *on an annual basis*, reimburse the local public agency for any shortfall in guaranteed energy savings projected in the contract. A qualified provider shall provide a sufficient bond to the local public agency for the installation and the faithful performance of all the measures included in the contract. The guaranteed energy savings contract may provide for payments over a period of time, not to exceed *the term of the contract*~~[ten (10) years]~~.
- (8) *The qualified provider shall provide the local public agency with an annual reconciliation statement. The statement shall disclose any shortfalls or surplus between guaranteed energy and operational savings specified in the guaranteed energy savings contract and actual energy and operational savings incurred during a given guarantee year. The guarantee year shall consist of a twelve (12) month term commencing from the time that the energy conservation measures became fully operational. The qualified provider shall pay the local public agency any short fall in the guaranteed energy and operation savings within thirty (30) days after the total year savings have been determined. If there is a surplus in the actual guaranteed energy and operational savings in a given year, that surplus savings may be carried forward and applied against any possible savings shortfall in the following guarantee year, except that the surplus carried forward is limited to a period not to exceed one year. If the qualified provider pays the local public agency for a short fall in energy or operational savings incurred during a given guarantee year and there is a surplus in energy or operational savings in future guarantee years, the qualified provider shall bill the local public agency for an amount not to exceed the amount of the short fall in the given guarantee year.*
- (9) *The use of capital cost avoidance shall be subject to the following restrictions:*
- (a) *The amount expended shall not exceed fifty percent (50%) of the project cost; and*
 - (b) *Capital cost avoidance shall be restricted to payment for permanent equipment replacement as follows:*
 1. *Storm windows or doors, multiglazed windows or doors, additional glazing, and reduction in glass area;*
 2. *Replacement of heating, ventilating, or air conditioning major components or systems;*
 3. *New lighting fixtures where required to achieve Illuminating Engineering Society of North America (IES) standards, provided the existing light fixtures shall have been determined to be obsolete and incapable of achieving IES standards; and*
 4. *Life safety system replacements or upgrades which shall have been determined to be necessary to conform with existing state and local codes and standards.*
- (10) *The chief state school officer shall review, and approve or disapprove projects from local school districts relating to energy conservation measures under a guaranteed energy savings contract, on the basis of the following guidelines:*
- (a) *The project design's compliance with technical, health, and safety standards as required by administrative regulation;*
 - (b) *The availability of general funds, capital outlay allotments under Section 9 of this Act or local and state funds from the Facilities Support Program of Kentucky as provided by Section 10 of this Act, for projects that will use capital cost avoidance;*
 - (c) *The appropriate use of capital outlay allotments under Section 9 of this Act, local and state funds from the Facilities Support Program of Kentucky as provided by Section 10 of this Act, for projects using capital cost avoidance, based on the project's compliance with the district's approved facility plan;*
 - (d) *The funding capability of the school district; and*

(e) *The financing mechanism and proper financing documentation.*

- (11) *The request for proposal as provided in subsections (1) to (4) of this section shall be deemed to satisfy the requirements set out in KRS 162.070, and shall not be subject to an award determination based on the lowest competitive bid or a separate bidding process for each energy conservation measure listed in the proposal.*

Section 4. KRS 45A.353 is amended to read as follows:

- (1) Guaranteed energy savings contracts may extend beyond the fiscal year in which they become effective. The local public agency shall include in its annual budget and appropriations act, for each subsequent fiscal year, any accounts payable under guaranteed energy savings contracts during the fiscal year.
- (2) The local public agency shall document the operational and energy cost savings *and capital cost avoidance* specified in the guaranteed energy savings contract and designate and appropriate that amount for an annual payment of the contract. If the annual energy and operational savings are less than projected under the guaranteed savings contract, the qualified provider shall pay the difference as provided for in KRS 45A.352.
- (3) Notwithstanding any other provisions of law to the contrary, a local public agency may *finance the*~~enter into a lease purchase agreement with the qualified provider for the purchase and~~ installation of energy *conservation*~~efficiency~~ measures for its buildings *through a lease-purchase agreement, bonds, or whichever brings the most economic value to the local public agency*, subject to the local public agency's compliance with all other laws regarding approval of plans for additions, alterations, or renovations of its buildings.
- (4) *The component which is guaranteed as energy savings and as operational savings shall be exempt from current or future debt limitations, except that capital cost avoidance, as defined in Section 2 of this Act, shall be limited to current or future debt limitations.*

Section 5. KRS 56.774 is amended to read as follows:

- (1) The Energy Efficiency Program for State Government Buildings shall provide for implementation of low cost/no cost energy *conservation*~~efficiency~~ measures, engineering analyses, energy *conservation*~~efficiency~~ measures, building improvements, and monitoring of results for state-owned buildings.
- (2) Any engineering analysis conducted on a state-owned building shall assess the energy efficiency of the building and make recommendations for improving the efficient use of energy within the building. The analyses shall be performed by qualified engineers, architects, or other persons trained in energy efficiency who ~~may~~*shall* be employees of the Finance and Administration Cabinet or employed pursuant to KRS Chapter 45A, *except that any engineers, architects or other persons trained in energy efficiency and retained under a guaranteed energy savings contract, shall not be subject to the provisions of KRS 45A.800 to 45A.835.*
- (3) Except as provided in subsection (5) of this section, measures to improve the energy efficiency of a state-owned building, which have an aggregate simple payback period of five (5) years or less, shall be implemented as general fund appropriations become available. No more than five percent (5%) of the cost of energy efficiency measures for a building may be utilized for monitoring the results.
- (4) If general fund appropriations are available for energy efficiency improvements, the Finance and Administration Cabinet shall prioritize projects among the various state-owned buildings to determine which projects shall be implemented to best utilize the available funding.
- (5) If general fund appropriations are unavailable, energy *conservation*~~efficiency~~ measures for a state-owned building may be financed by other means. These other means include, but are not limited to, energy performance contracts and guaranteed energy savings contracts *entered into pursuant to KRS 45A.085 and KRS 45A.045(10). Energy performance contracts and guaranteed energy savings contracts shall not be subject to the provisions of KRS 45A.800 to 45A.835.* These energy *conservation*~~efficiency~~ measures shall not be limited to those which have an aggregate simple payback period of five (5) years or less, but shall result in reasonable economic benefit to the Commonwealth. Ownership of the energy *conservation*~~efficiency~~ measures shall remain with the Commonwealth. Energy cost savings may be used to repay the cost of the other means used to finance energy *conservation*~~efficiency~~ measures, with any remaining savings *paid to the Finance and Administration Cabinet to reimburse the cabinet for all its expenses related to the energy conservation measure, including but not limited to, staff time for monitoring, overseeing, and managing the project. Remaining savings shall*~~to~~ be deposited in the state agency account. All energy cost savings

estimated under an energy performance contract or guaranteed energy savings contract shall be guaranteed to the Commonwealth.

The following restrictions shall govern the expenditure of funds from the public school fund:

- (1) The teachers' salaries allotment for each district from the public school fund and from local sources shall be used only for teachers holding properly authorized certificates. The salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days for full-time service during the regular school year or the allotment under KRS 157.390(3) shall be reduced by an amount equal to the amount by which the district failed to meet the salary requirements.
- (2) The Kentucky Board of Education shall not approve any working budget or salary schedule summary for local boards of education for any school year in which the total amount for one hundred eighty-five (185) days on the salary schedule summary for salaries paid from the base funding is not equal to:

 - (b) The additional amount for instructional salaries to be received by the district under the biennial budget schedule for a one hundred eighty-five (185) day school term by assuming the same rank and experience of teachers in the current year as in the preceding year.
- (3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.
- (4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education.  - (b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.
 - (c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.
- ~~(9)(8)~~ If a local school board authorized elementary, middle, or secondary education classes in a facility of a historical settlement school on January 1, 1994, the board shall continue to use the facilities provided by the settlement school if the facilities meet health and safety standards for education facilities as required by administrative regulations. The local school board and the governing body of the settlement school shall enter into a cooperative agreement that delineates the role, responsibilities, and financial obligations for each party.
- Section 10. KRS 157.440 is amended to read as follows:

The levy for the 1990-91 school year shall be made no later than October 1, 1989, and no later than October 1, 1990, for the 1991-92 school year, and by October 1 of each odd-numbered year thereafter. Effective with the 1990-

91 school year, revenue generated by this levy shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment.

- (b) To participate in the Facilities Support Program of Kentucky, the board of education of each school district shall commit at least an equivalent tax rate of five cents (\$0.05) to debt service, new facilities, or major renovations of existing school facilities. The five cents (\$0.05) shall be in addition to the thirty cents (\$0.30) required by KRS 160.470(12) and any levy pursuant to paragraph (a) of this subsection. The levy shall be made no later than October 1 of each odd-numbered year. Eligibility for equalization funds for the biennium shall be based on the district funds committed to debt service on that date. The five cents (\$0.05) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment. - (2) If a public servant appears before a state agency, he shall avoid all conduct which might in any way lead members of the general public to conclude that he is using his official position to further his professional or private interest.

- (3) When a public servant abstains from action on an official decision in which he has or may have a personal or private interest, he shall disclose that fact in writing to his superior, who shall cause the decision on these matters to be made by an impartial third party.
- (4) *The prohibitions imposed by subsection (1)(c) of this section shall not apply to Professional Golfers' Association class A members who teach golf lessons and receive a fee or lesson charge at golf courses owned and operated by the Kentucky Department of Parks. Instruction provided by an employee of the Commonwealth shall only be given while the employee is on his or her own personal time. The commissioner of the Department of Parks shall promulgate administrative regulations to establish guidelines for the process by which Professional Golfers' Association class A members are approved to teach golf lessons at Kentucky Department of Parks-owned golf courses. The exception granted by this subsection is in recognition of the benefits that will accrue to the Kentucky Department of Parks due to increased participation at state-owned golf courses.*

This provision shall not apply to:

- (9) Without the approval of the commission, no public servant shall accept outside employment from any person or business that does business with or is regulated by the state agency for which the public servant works or which he supervises, unless the outside employer's relationship with the state agency is limited to the receipt of entitlement funds. The commission shall promulgate administrative regulations to establish a procedure for the approval of outside employment of a public servant, including a requirement that the public servant and his appointing authority state in writing that the public servant is not in a position to influence any agency decision relating to the outside employer.

CHAPTER 382

(HB 593)

AN ACT relating to surface mining permit renewal.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.060 is amended to read as follows:

- (1) (a) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the permittee to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period not to exceed five (5) years. However, if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for the specified longer term, the cabinet may grant a permit for the longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.
- (b) Subject to the provisions of KRS 350.010(1) and (2), no person shall knowingly and willfully receive, transport, sell, convey, transfer, trade, exchange, donate, purchase, deliver, or in any way derive benefit from coal removed from any surface mining operation which does not have a permit as required under this section.
- (2) No permit or revision application shall be approved unless the application affirmatively demonstrates, and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.
- (3) A person desiring a permit to engage in surface coal mining operations shall file an application which shall state:
 - (a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;
 - (b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;
 - (c) The owner or owners of the coal to be mined;

- (d) The source of the applicant's legal right to mine the coal on the land affected by the permit;
 - (e) The permanent and temporary post office addresses of the applicant, which shall be updated immediately if changed at any point prior to final bond release;
 - (f) Whether the applicant or any person, partnership, or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of the permits;
 - (g) The names and addresses of every officer, partner, director, or person performing a function similar to a director of the applicant, together with the names and addresses of any individual owning of record ten percent (10%) or more of any class of voting stock of the applicant, and whether the applicant or any person is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit the information to the cabinet upon request. Upon receipt of updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing the information;
 - (h) A listing of any violations of this chapter, Public Law 95-87, and any law, rule, or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. The list shall indicate the final resolution of the violations; and
 - (i) Whether the area of land to be affected by the operation has been previously mined and is in compliance with current reclamation standards, and, if not, identify the needed reclamation work.
- (4) The application for a permit shall be accompanied by an official document, and an affidavit attesting to the document's authenticity, which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, an affidavit so stating.
- (5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States Geological Survey topographic map or other map acceptable to the cabinet on which the applicant has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which the drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.
- (6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States Geological Survey topographic map or other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:
- (a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (8) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;
 - (b) Identify the area to correspond with the application;
 - (c) Show adjacent deep mining;
 - (d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;
 - (e) Be of a scale of 1:24,000 or larger;
 - (f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of the area;
 - (g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;
 - (h) Show the date on which the map was prepared, the north point, and the quadrangle name; and

- (i) Show the drainage plan on and away from the area of land affected. The plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.
- (7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions, and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability. This determination shall not be required until the time hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. The permit shall not be approved until the information is available and is incorporated into the application.
- (8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.
- (9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation; the manner, time, and distance for backfilling; grading work; and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.
- (10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. The coverage shall be maintained in full force and effect during the terms of the permit and any permit renewal, and until reclamation operations are completed.
- (11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars (\$375), plus a fee set by administrative regulation but not to exceed seventy-five dollars (\$75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required in this section shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The applicant shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars (\$10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden; the future suitable use of the land involved; the cost of backfilling, grading, and reclamation to be required; and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of bonds.
- (12) Surface coal mining and reclamation operations which affected two (2) acres or less, as defined by administrative regulations of the cabinet, which were conducted pursuant to two (2)-acre-or-less permits issued by the cabinet, which were commenced on or before June 5, 1987, and on which mining ceased on or before November 7, 1987, shall be exempt from the requirements of this chapter, except as follows. Reclamation of the operations shall be accomplished in accordance with administrative regulations promulgated by the cabinet for operations of two (2) acres or less. The cabinet shall not require that the highwalls left by the operations be eliminated. Bond shall be maintained until reclamation is successfully completed. All procedural provisions and the penalty provisions of KRS 350.990 shall apply to operations conducted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter, except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

- (13) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (11) of this section, KRS 350.070, or KRS 350.151.
- (14) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. An applicant for renewal of a permit shall pay a basic fee set by regulation, not to exceed three hundred seventy-five dollars (\$375). The holders of the permit may apply for renewal and the renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:
- (a) The terms and conditions of the existing permit are not being satisfactorily met;
 - (b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;
 - (c) The renewal requested substantially jeopardizes the applicant's continuing responsibility on existing permit areas;
 - (d) The applicant has not provided evidence that the performance bond in effect for the operation will continue in full force and effect for any renewal requested in the application as well as any additional bond the cabinet might require; or
 - (e) Any additional revised or updated information required by the cabinet has not been provided.
- Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.
- (15) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.
- (16) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit. ***However, if a permit has expired or if a permit renewal application has not been timely filed, and the operator or permittee desires to continue the surface coal mining operation, the cabinet shall forthwith cause a notice of noncompliance to be issued. The notice of noncompliance shall be deemed to have been complied with, and the permit may be renewed, if the cabinet receives a permit renewal application within thirty (30) days of the receipt of the notice of noncompliance. Upon the submittal of a permit renewal application, the operator or permittee shall be deemed to have timely filed the permit renewal application and shall be entitled to continue, under the terms of the expired permit, the surface coal mining operation, pending the issuance of the permit renewal. Failure to comply with the remedial measures of the notice of noncompliance shall result in the cessation of the surface coal mining operation.***
- (17) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by the permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that the extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at the time the construction of the synthetic fuel or generating facility is initiated.
- (18) Each application for a permit or revision for auger mining on a previously mined area shall contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to

augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

- (19) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Sec. 81, fifteen cents (\$0.15) upon machinery of individuals or corporations actually engaged in manufacturing, fifteen cents (\$0.15) upon commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna, fifteen cents (\$0.15) upon property which has been certified as a pollution control facility as defined in KRS 224.01-300, one-tenth of one cent (\$0.001) upon property which has been certified as an alcohol production facility as defined in KRS 247.910, or as a fluidized bed energy production facility as defined in KRS 211.390, twenty-five cents (\$0.25) upon each one hundred dollars (\$100) of value of motor vehicles qualifying for permanent registration as historic motor vehicles under the provisions of KRS 186.043, and forty-five cents (\$0.45) upon each one hundred dollars (\$100) of value of all other property directed to be assessed for taxation shall be paid by the owner or person assessed except as provided in subsection (2) of this section and KRS 132.030, 132.050, 132.200, 136.300, 136.320, and other sections providing a different tax rate for particular property.

- (2) (a) An annual ad valorem tax for state purposes of one and one-half cents (\$0.015) upon each one hundred dollars (\$100) of value shall be paid upon the following classes of intangible personal properties, when the intangible personal properties have not acquired a taxable situs without this state:

- (6) The provisions of subsection (1) of this section notwithstanding, the state tax rate on real property shall be reduced to compensate for any increase in the aggregate assessed value of real property to the extent that the increase exceeds the preceding year's assessment by more than four percent (4%). In any year in which the aggregate assessed value of real property is less than the preceding year, the state rate shall be increased to the extent necessary to produce the approximate amount of revenue that was produced in the preceding year from real property.

- (8) If the tax rate set by the cabinet as provided in subsection (6) of this section produces more than a four percent (4%) increase in real property tax revenues, the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.
- (9) The provisions of subsection (6) of this section notwithstanding, the assessed value of unmined coal certified by the cabinet after July 1, 1994, shall not be included with the assessed value of other real property in determining the state real property tax rate. All omitted unmined coal assessments made after July 1, 1994, shall also be excluded from the provisions of subsection (6) of this section. The calculated rate shall, however, be applied to unmined coal property and the state revenue shall be devoted to the program described in KRS 146.550 through 146.570 except that four hundred thousand dollars (\$400,000) of the state revenue shall be paid annually to the State Treasury and credited to the Coal Marketing and Export Council for the purpose of public education of coal-related issues.

(HB 587)

AN ACT relating to absentee voting and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 117.085 is amended to read as follows:

- (1) All requests for an application for an absentee ballot may be transmitted by telephone, facsimile machine, by mail, or in person. ***Except as provided in paragraph (b) of this subsection***, all applications for an absentee ballot shall be transmitted only by mail or in person as specifically provided by this section. Except for qualified voters who apply pursuant to the requirements of KRS 117.075 and 117.077, and those who are incarcerated in jail but have yet to be convicted, no paper absentee ballots shall be mailed to a voter who resides within the county in which he is registered. In the case of ballots returned by mail, the county clerk shall provide an absentee ballot, two (2) official envelopes for returning the ballot, and instructions for voting to a voter who presents a completed application for a paper absentee ballot as provided in this section and who is properly registered as stated in his application.
 - (a) The following voters may apply to cast their votes by paper absentee ballot at any time not later than the close of business hours seven (7) days before the election:
 - 1. Voters permitted to vote by paper absentee ballot pursuant to KRS 117.075 or KRS 117.077;
 - 2. Residents of Kentucky who are members of the Armed Forces, dependents of members of the Armed Forces, and citizens residing overseas;
 - 3. Students who live outside the county of their residence and other voters who live outside the state but who are still eligible to vote in this state; and
 - 4. Persons who are incarcerated in jail who have been charged with a crime but have not been convicted of the crime.

Any other qualified voter in any county who is not permitted to vote by paper absentee ballot who shall be absent from the county on any election day may, at any time during normal business hours on at least any of the twelve (12) working days before the election, make application in person to the county clerk to vote on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. A county board of elections may permit absentee voting to be conducted on a voting machine for a period longer than the twelve (12) working days before the election prescribed above. Requests for an application for a paper absentee ballot may

be transmitted by telephone, facsimile machine, by mail, or in person. All applications for a paper absentee ballot shall be made in person or by mail, at the option of the voter, except that the county clerk shall hand an application for a paper absentee ballot to a voter permitted to vote by paper absentee ballot who appears in person to request the application, or shall mail the application to a voter permitted to vote by absentee ballot who requests the application by telephone, facsimile machine, or mail. The paper absentee ballot application shall be restricted to use of the voter or the spouse, parents, or children of the voter.

- (b) Residents of Kentucky who are members of the Armed Forces, dependents of members of the Armed Forces, and overseas citizens, may apply for a paper absentee ballot by means of the federal post-card application, *which may be transmitted to the county clerk's office by mail or by facsimile machine*. The application may be used to register, reregister, and to apply for a paper absentee ballot. If the federal post-card application is received at any time not less than seven (7) days before the election, the county clerk shall affix his seal to the application form upon receipt.
 - (c) Any member of the county board of elections, any precinct election officer appointed to serve in a precinct other than that in which he is registered, and any alternate precinct election officer may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, up to the close of normal business hours on the day before the election. The application form for those persons shall be prescribed by the State Board of Elections and, in the case of application by precinct election officers, shall contain a verification of appointment signed by a member of the county board of elections. If an alternate precinct election officer or a precinct election officer appointed to serve in a precinct other than that in which he is registered receives his appointment while absentee voting is being conducted in the county, such officer may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, up to the close of normal business hours on the day before the election. In case of such voters, the verification of appointment shall also contain the date of appointment. The applications shall be restricted to the use of the voter only.
 - (d) The members of the county board of elections or their designees who provide equal representation of both political parties may serve as precinct election officers, without compensation, for all absentee voting performed on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. If the members of the county board of elections or their designees serve as precinct election officers for the absentee voting, they shall perform the same duties and exercise the same authority as precinct election officers who serve on the day of an election. If the members of the county board of elections or their designees do not serve as precinct election officers for the absentee voting, the county clerk or deputy county clerks shall supervise the absentee voting.
 - (e) Any individual qualified to appoint challengers for the day of an election may also appoint challengers to observe all absentee voting performed at the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, and those challengers may exercise the same privileges as challengers appointed for observing voting on the day of an election at a regular polling place.
- (2) The clerk shall type the name of the voter permitted to vote by paper absentee ballot on the application form for that person's use and no other. The paper absentee ballot application form shall be in the form prescribed by the State Board of Elections, shall bear the seal of the county clerk, and shall contain the following information: name, residential address, precinct, party affiliation, statement of the reason the person cannot vote in person on election day, statement of where the voter shall be on election day, statement of compliance with residency requirements for voting in the precinct, and the voter's mailing address for a paper absentee ballot. The form shall be verified and signed by the voter. A notice of the actual penalty provisions in KRS 117.995(2) and (5) shall be printed on the application.
- (3) If the county clerk finds that the voter is properly registered as stated in his application and qualifies to receive a paper absentee ballot, he shall mail to the voter a paper absentee ballot, two (2) official envelopes for returning the ballot, and instructions for voting. The county clerk shall complete a postal form for a certificate of mailing for ballots mailed within the fifty (50) states, and it shall be stamped by the postal service when the ballots are mailed. *An absentee ballot may be transmitted by facsimile machine to a resident of Kentucky*

who is a member of the Armed Forces, a dependent of a member of the Armed Forces, or a citizen residing overseas.

- (4) Paper absentee ballots which are requested prior to the printing of the ballots shall be mailed by the county clerk to the voter within three (3) days of the receipt of the printed ballots; and paper absentee ballots which are requested subsequent to the receipt of the ballots by the county clerk shall be mailed to the voter within three (3) days of the receipt of the request.
- (5) The clerk shall cause ballots to be printed fifty (50) days prior to each primary or general election and ten (10) days prior to each runoff primary.
- (6) The outer envelope shall bear the words "Absentee Ballot" and the address and official title of the county clerk and shall provide space for the voter's signature, voting address, and precinct number. A detachable flap on the inner envelope shall provide space for the voter's signature, voting address, precinct number, and notice of penalty provided in KRS 117.995(5). The clerk shall type the voter's address and precinct number in the upper left hand corner of the outer envelope and of the detachable flap on the inner envelope immediately below the blank space for the voter's signature. The inner envelope shall be blank. The clerk shall retain the application and the postal form required by subsection (3) of this section for twenty-two (22) months after the election.
- (7) Any person who has received a paper absentee ballot but who knows at least seven (7) days before the date of the election that he will be in the county on election day and who has not voted pursuant to the provisions of KRS 117.086 shall cancel his paper absentee ballot and vote in person. He shall return his paper absentee ballot to the county clerk's office no later than seven (7) days prior to the date of the election. Upon the return of the paper absentee ballot, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Canceled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent paper absentee ballots, and the voter may vote in the precinct in which he is properly registered.

Section 2. KRS 117.086 is amended to read as follows:

- (1) The voter returning his paper absentee ballot by mail shall mark his ballot, seal it in the inner envelope and then in the outer envelope and mail it to the county clerk as shall be provided by this chapter. The voter shall sign the detachable flap and the outer envelope in order to validate the ballot. *A resident of Kentucky who is a member of the Armed Forces, a dependent of a member of the Armed Forces, or a citizen residing overseas who has received an absentee ballot transmitted by facsimile machine shall transmit the voted ballot to the county clerk by mail only, conforming with ballot security requirements that may be promulgated by the state board by administrative regulation.* In order to be counted, the paper ballots shall be received by the clerk by at least the time established by the election laws generally for the closing of the polls, which time shall not include the extra hour during which those voters may vote who were waiting in line to vote at the scheduled poll closing time.
- (2) Any voter who shall be absent from the county on election day, but who does not qualify to receive a paper absentee ballot by mail under the provisions of KRS 117.085, and all members of county boards of elections and precinct election officers qualified to vote prior to the election under the provisions of KRS 117.085, shall vote at the main office of the county clerk or other place designated by the county board of elections, and approved by the State Board of Elections, prior to the day of election. The clerk may provide for such voting by the voting equipment in general use in the county either at the precinct, the equipment as may be used to tabulate absentee ballots, or any other voting equipment approved by the State Board of Elections for use in Kentucky, except as follows:
 - (a) Any voter qualifying to vote in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, who receives assistance to vote shall complete the voter assistance form required by KRS 117.255.
 - (b) Any voter qualifying to vote in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, whose qualifications are challenged by any clerk or deputy shall complete an "Oath of Voter" affidavit.
- (3) When the clerk uses general voting equipment as provided for in subsection (2) of this section, each voter casting his vote at the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, shall sign an "Absentee Ballot Signature Roster."

- (4) The clerk shall designate a location within his office where the ballots shall be cast secretly. The county clerk, with the approval of the State Board of Elections, may establish locations other than his main office in which the voters may execute their ballots. Public notice of the locations shall be given pursuant to KRS Chapter 424 and similar notice by mail shall be given to the county chairmen of the two (2) political parties whose candidates polled the largest number of votes in the county at the last general election.
- (5) The State Board of Elections shall promulgate administrative regulations to provide for casting ballots as provided in subsection (2) of this section.
- (6) The clerk shall deposit all of the returned paper absentee ballots in a locked ballot box immediately upon receipt without opening the outer envelope. The ballot box shall be locked with three (3) locks. The keys to the box shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the box shall remain locked until the ballots are counted. All voting equipment on which ballots are cast as permitted in subsection (2) of this section shall also remain locked and the keys shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the equipment shall remain locked until the ballots are counted.
- (7) The clerk shall keep a list of all persons who return their paper absentee ballots or cast their ballots in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, and send a copy of that list to the state board after election day. The county clerk and the Secretary of State shall keep a record of the number of votes cast by paper absentee ballots and on the voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, cast in any election as a part of the official returns of the election.

Section 3. Whereas the date of the next political party primary precedes the normal effective date for legislation enacted during this regular session, and whereas some Kentucky residents who are serving in the military, their dependents, and other citizens residing overseas may be disenfranchised in that primary without the change in procedures for requesting and receiving an absentee ballot as prescribed in this Act being applied to that primary, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Any civil penalty assessed for such a violation may be compromised by the commission. AN ACT relating to a certificate to extend or operate a utility.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.020 is amended to read as follows:

- (1) No person, partnership, public or private corporation, or combination thereof shall **commence providing utility service to or for the public or** begin the construction of any plant, equipment, property or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until ~~that~~~~such~~ person has obtained from the Public Service Commission a certificate that public convenience and necessity require **the service or**~~such~~ construction. Upon the filing of an application for~~such~~ a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth. Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.
- (2) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.
- (3) No utility shall apply for or obtain any franchise, license, or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.
- (4) No person shall acquire or transfer ownership of, or control, or the right to control, any utility under the jurisdiction of the commission by sale of assets, transfer of stock, or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.
- (5) No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust, or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any~~such~~ acquisition of control without~~such~~ prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any~~such~~ individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that~~such~~ ownership does not in fact confer control. Application for any~~such~~ approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in ~~a~~~~such~~ form and contain **the**~~such~~ information as the commission requires. The commission shall approve any~~such~~ proposed acquisition when it finds that the same is to be made in accordance with law, for a proper

purpose and is consistent with the public interest. The commission may make~~[-such]~~ investigation and hold~~[-such]~~ hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with~~[-such]~~ modification and upon~~[-such]~~ terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse, or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor or on a later date mutually acceptable to the commission and the acquirer. In the absence of ~~that~~~~any~~~~such~~ action within ~~that~~~~such~~ period of time, any~~[-such]~~ proposed acquisition shall be deemed to be approved.

- (6) Subsection (5) of this section shall not apply to any acquisition of control of any:
- (a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection (5) of this section;
 - (b) Utility by an acquirer who directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, ~~the~~~~such~~ utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or
 - (c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of~~[-such]~~ indebtedness was approved by the commission.
- (7) If any provision of this section or the application thereof to any person or circumstance is held invalid, ~~the~~~~such~~ invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

CHAPTER 389

(HB 562)

AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 21.420 is amended to read as follows:

- (1) After the death of a member who at the time of his death was receiving a service retirement allowance (other than an actuarially reduced allowance under subsection (3) of KRS 21.400), or was receiving a disability retirement allowance, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of that he was receiving.
- (2)
 - (a) If a member dies before retirement and before reaching normal retirement age, without regard to length of service, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of death.
 - (b) If a member dies before retirement and after reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have been entitled to, on the basis of his years of service, had he retired on the date of his death.
- (3) If a member dies after retirement and was at the time of his death receiving an actuarially reduced allowance under subsection (3) of KRS 21.400, or was not at the time of his death receiving a retirement allowance but had acquired the vested right under subsection (2) of KRS 21.400 to have received an allowance upon reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received when he reached normal retirement age.
- (4) A member, or a retiree who has not commenced drawing retirement benefits pursuant to KRS 21.400, who dies without a spouse or eligible children entitled to survivor's benefits, may designate a beneficiary who shall

receive the accumulated contributions of the member. Absent a designation by the member or retiree, the accumulated contributions shall be paid to the member's estate.

- (5) A member who commences drawing retirement benefits pursuant to KRS 21.400 or 21.410, who dies without a spouse or eligible children entitled to survivor's benefits and before the benefits received by the member equal the personal contributions of the member, may designate a beneficiary who shall receive the balance of the accumulated contributions of the member. Any offset of contributions by reason of benefits received shall be deducted from the contributions first made to the system. Absent a designation by the member, the accumulated contributions shall be paid to the member's estate.
- (6) A member may designate a beneficiary who shall receive the balance of the accumulated contributions of the member, in the event survivor's benefits are being paid pursuant to subsection (1), (2), or (3) of this section, and the survivor dies prior to receiving benefits equal to the member's contributions. In this event, the provisions of subsection (5) of this section shall apply as to offset and payment.
- (7) A member may, **prior to the drawing of benefits**~~before retirement~~, elect in writing to the executive secretary of the Judicial Form Retirement System, to take an optional retirement allowance which shall be actuarially equivalent to the amount of retirement allowance otherwise payable to the member **and the member's spouse**. If the member dies after retirement, the option chosen shall prevail over the provisions of subsections (1) and (3) of this section. If the member dies prior to retirement, the option chosen shall prevail over the provisions of subsection (2) of this section. The options shall include:
 - (a) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have the retirement allowance continued after death to the spouse during the lifetime of the spouse.
 - (b) Survivorship sixty-six and two-thirds percent (66 2/3%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have two-thirds (2/3) of the retirement allowance continue after death to the spouse during the lifetime of the spouse.

If a retiree, living or deceased, chose either of the optional retirement benefit allowances specified in paragraphs (a) or (b) of this subsection from July 15, 1994, to the effective date of this Act, the optional allowance shall be adjusted accordingly, and the new benefit shall commence August 1, 1998. Each recipient of benefits from the plan, who retired from July 15, 1994, to the effective date of this Act, shall have a one-time opportunity to select an optional retirement allowance. The election by the recipient shall be prior to August 1, 1998, at which time the new benefit shall commence. The option chosen shall prevail, subsections (1), (2), and (3) of this section notwithstanding.

Section 2. KRS 21.425 is amended to read as follows:

- (1) In any circumstances in which a surviving spouse would be entitled to any allowance under KRS 21.420, but there is no surviving spouse or the surviving spouse subsequently dies, and there is a surviving child or children of the member under the age of **twenty-one (21)**~~eighteen (18)~~, the monthly allowance that the surviving spouse would have received or was receiving shall be continued for the benefit of such child or children remaining under the age of **twenty one (21)**~~eighteen (18)~~ until there are none under the age of **twenty-one (21)**~~eighteen (18)~~.
- (2) A member may designate his child or children under the age of **twenty-one (21)**~~eighteen (18)~~ to receive the death benefit payable under KRS 21.420 instead of his spouse, or he may designate that his spouse shall receive a percentage of the death benefit, and his child or children under the age of **twenty-one (21)**~~eighteen (18)~~ shall receive the remainder. The member making such a choice shall designate his beneficiary or beneficiaries in writing to the manager of the Judicial Form Retirement System on a form provided by the manager.

Section 3. KRS 21.427 is amended to read as follows:

- (1) (a) The board of trustees of the Judicial Form Retirement System shall arrange by appropriate contract or on a self-insured basis for a group hospital and medical insurance plan for recipients of a retirement allowance from the Judicial Retirement Plan, and their dependents. For recipients, or dependents, eligible for Medicare coverage, the board shall provide Medicare supplement hospital and medical insurance coverage. For recipients, or dependents, not eligible for Medicare coverage, the board shall provide hospital and medical insurance coverage comparable to that provided under the major state

employees' group insurance, and the board may arrange for the recipients to be included in the major state employees group.

- (b) For the purpose of this section, the "dependent" of a recipient means the spouse or minor children, or both, of a recipient who is a living former member of the Judicial Retirement Plan, or the minor children of a deceased former member whose surviving spouse is the recipient.
- (2) (a) Depending upon the number of months of service credit upon which the retirement allowance was based, and upon there having been at least forty-eight (48) months of judicial service, all or a portion of the premium required to provide hospital and medical benefits under this section shall be paid from the judicial retirement fund, as follows:

Months of Judicial Service	Percentage of Premium
240 or more	100%
180 to 239, inclusive	75%
120 to 179, inclusive	50%
48 to 119, inclusive	25%

The foregoing payments shall be made by the fund only if the recipient agrees to pay the remaining, if any, percentage of the premium by deduction from his retirement allowance or by another method equally insuring the payment by him.

- (b) Notwithstanding any other statute to the contrary, any member with at least forty-eight (48) months of judicial service who is also eligible for benefits, **or who is receiving benefits from any retirement plan or system administered by the Commonwealth**~~[under KRS 78.510 to 78.852]~~ shall be entitled to hospital and medical benefits as described in paragraph (a) of this subsection except that the number of months of service credit used in calculating the level of benefits shall be the sum of service credited to the member in **all the state-administered retirement systems or plans**~~[Judicial Retirement System and the County Employees Retirement System]~~.
- Upon request of the member, the Judicial Retirement System shall compute the member's combined service in **all the state-administered retirement systems or plans**~~[Judicial Retirement System and the County Employees Retirement System]~~ and calculate the portion of the member's premium to be paid by the Judicial Retirement Plan, according to the criteria established in paragraph (a) of this subsection. The **state-administered retirement systems or plans**~~[County Employees Retirement System annually]~~ shall pay to the Judicial Retirement **Plan**~~[Fund]~~ the **applicable** percentage of the **plan's**~~[fund's]~~ cost of the retiree's hospital and medical premium which shall be equal to the percentage of the member's number of months of service in the **applicable state-administered retirement systems or plans**~~[County Employees Retirement System]~~ divided by his total combined service. The amounts paid by **all the state-administered retirement systems or plans**~~[Judicial Retirement Fund and the County Employees Retirement System]~~ shall not be more than one hundred percent (100%) of the ~~[single]~~ premium amount adopted by the respective boards of trustees ~~[or more than the maximum percentage payable under the program established under this section or KRS 61.702]~~.
 - A member who elects hospital and medical benefits under this subsection shall lose any claim to insurance benefits under **any of the other state-administered retirement systems or plans**~~[the County Employees Retirement System described in KRS 61.702, and the election shall be irrevocable]~~.
- (3) Premiums paid for hospital and medical insurance procured under this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the judicial retirement fund shall not constitute income to the recipient. No commission shall be paid for hospital and medical insurance procured under this section.

Section 4. KRS 6.577 is amended to read as follows:

- (1) The board of trustees of the Judicial Form Retirement System shall arrange by appropriate contract or on a self insured basis to provide a group hospital and medical insurance plan for present and future recipients of a

retirement allowance from the Legislators' Retirement Plan. The board may authorize present and future recipients of a retirement allowance from the Legislators' Retirement Plan who are under age sixty-five (65) to be included in the state employees group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.

- (2) Each employer participating in the Legislators' Retirement Plan shall contribute to the plan the amount necessary to provide hospital and medical insurance as provided for under this section. The employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of the total employer contribution rate to the Legislators' Retirement Plan.
- (3) The premium required to provide hospital and medical benefits under this section shall be paid in full from the insurance fund established by KRS 6.575 for all recipients of a retirement allowance from the Legislators' Retirement Plan, if the recipient had two hundred forty (240) months or more of service upon retirement. If the recipient had less than two hundred forty (240) months of service, but at least one hundred thirty-two (132) months of service, fifty-five percent (55%) of the premium shall be paid from the insurance fund plus an additional five percent (5%) of the premium for each year of service beginning with the completion of twelve (12) years of service and continuing through the completion of nineteen (19) years of service. The recipient shall agree to pay by payroll deduction or another method the difference between what is paid from the insurance fund and one hundred percent (100%) of the premium. If the recipient had at least one hundred twenty (120) months of service, fifty percent (50%) of the premium shall be paid from the insurance fund, if the recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. If the recipient had less than one hundred twenty (120) months of service but at least forty-eight (48) months of service, twenty-five percent (25%) of the premium shall be paid from the insurance fund, if the recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. "Months of service" as used in this section shall not include service added to determine disability benefits.
- (4) The insurance fund shall pay the same percentage of the premium for the spouse and dependents of a recipient, or the beneficiary of the recipient, as the fund pays or paid for the member.
- (5) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.
- (6) *Notwithstanding any other statute to the contrary, any member with at least forty eight (48) months of legislative service who is also eligible for benefits, or who is receiving benefits from any retirement plan or system administered by the Commonwealth shall be entitled to hospital and medical benefits as described in subsection (3) of this section, except that the number of months of service credit used in calculating the level of benefits shall be the sum of the service credited to the member in all the state-administered retirement systems or plans.*
 - (a) *Upon request of the member, the Legislators' Retirement Plan shall compute the member's combined service in all the state-administered retirement systems or plans, and calculate the portion of the member's premium to be paid by the Legislators' Retirement Plan, according to the criteria established in subsection (3) of this section. The state-administered retirement systems or plans shall pay to the Legislators' Retirement Plan the applicable percentage of the plan's costs of the retiree's hospital and medical premium which shall be equal to the percentage of the member's number of months of service in the applicable state-administered retirement system divided by his total combined service. The amounts paid by all the state-administered retirement systems or plans shall not be more than one hundred percent (100%) of the premium amount adopted by the respective boards of trustees.*
 - (b) *A member who elects hospital and medical benefits under this section shall lose any claim to insurance benefits under any of the other state-administered retirement systems or plans.*

Section 5. KRS 6.525 is amended to read as follows:

The Legislators' Retirement Plan shall be governed by KRS 21.560 and by provisions identical in terms with those provided in KRS 21.345(1) and (3), 21.360(1), 21.370, 21.375, 21.380, 21.385, 21.410, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480, 21.525, and 61.552 for the Judicial Retirement Plan, except that:

- (1) Five (5) years of service as a legislator will be sufficient for vesting; and
- (2) A member of the Legislators' Retirement Plan may combine his service credit with his service credit in the Teachers' Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680(2)(a). A member of the Legislators' Retirement Plan may retire at the completion of thirty (30) or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65). For the purposes of this section, any reference in the KRS sections listed above to the Judicial Retirement Plan shall also be read as a reference to the Legislators' Retirement Plan, and any reference to the Legislators' Retirement Plan shall also be read as a reference to the Judicial Retirement Plan.
- (3) Any other statute to the contrary notwithstanding, a member of any state-administered retirement system who **has ceased to qualify for membership but subsequently**~~because of a change of employment moves to another state-administered retirement system and because of another change of employment~~ returns to **a qualified status**~~the original state-administered retirement system without a break in service~~, shall, for the purposes of determining the date of entry into the ~~first~~ state-administered retirement system **for the subsequent period or periods of service**, be deemed to have never left the ~~original~~ retirement system.

Section 6. KRS 6.515 is amended to read as follows:

- (1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.
- (2) (a) *I.* Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.
- 2.* **Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on the assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the legislator in question pursuant to KRS 6.520. Service credit awarded as provided in this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member in a lump-sum payment or by installment payments, as set forth in paragraph (b) of this subsection. The payment shall not be picked up by the employer as provided in KRS 6.505(2).**
- (b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added

to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

- (c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).
 - (d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the Armed Forces, or is a disability pension which does not exceed five hundred dollars (\$500) monthly.
- (3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.
 - (4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.
 - (5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (2) of this section.
 - (6) A member who has qualified for benefits pursuant to KRS 6.525(1) may transfer to the Legislators' Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems. If the member elects to transfer his service credit, the system from which the transfer is made shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the system from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan. The member may pay by lump sum or by increments, as provided for in subsection (2)(b) of this section, but an installment contract shall not extend for more than sixty (60) months. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).

Section 7. KRS 21.370 is amended to read as follows:

- (1) Except as provided in subsection (2) of KRS 21.410 and in subsection (2) of KRS 21.420, no benefits shall be payable under KRS 21.350 to 21.480 to any member or to his surviving spouse, unless he has completed at least eight (8) years of service, including service before becoming a member. No surviving spouse of a retired member shall be entitled to any benefits unless the person was the spouse of the member at the time he retired.
- (2) A member who has qualified for benefits pursuant to this section may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems, and he may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in the Kentucky Legislators' Retirement Plan. If the member elects to transfer his service credit, the system or plan from which the transfer is made shall transfer to the judicial retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the system or plan from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at

which he qualifies pursuant to KRS 21.400, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Judicial Retirement Plan, as determined by the actuary for the Judicial Retirement Plan. The member may pay by lump sum or by increments as set forth in KRS 6.515(2)(b), but an installment contract shall not extend for more than sixty (60) months. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 21.360(6).

- (3) Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan pursuant to subsection (1) of this section or KRS 21.375, shall receive service credit for a maximum of four (4) years for his period of service as a city police judge for a city within the Commonwealth of Kentucky, if the service was performed prior to the first Monday in January, 1978, and if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records of the city for which the service was performed. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question pursuant to KRS 21.400. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 21.360(6).
- (4) (a) *I.* Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan pursuant to subsection (1) of this section or KRS 21.375, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question pursuant to KRS 21.400. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan.
- 2. Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question as provided in KRS 21.400. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member in a lump-sum payment or by installment payments, as set forth in paragraph (b) of this subsection. The payment shall not be picked up by the employer as provided in KRS 21.360(6).*
- (b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment

payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

- (c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 21.360(6).
- (d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the Armed Forces, or is a disability pension which does not exceed five hundred dollars (\$500) monthly.

CHAPTER 390

(HB 559)

AN ACT relating to district boundaries for justices of the peace.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 67.045 is amended to read as follows:

- (1) For the purposes of this section the word "district" shall mean:
 - (a) Justice's of the peace district in counties having a fiscal court composed of the county judge/executive and the justices of the peace; or

- (5) If after demand by the cabinet, any taxpayer refuses to voluntarily list any intangible or tangible personal property omitted from assessment, the cabinet shall make an estimate of the fair cash value of the omitted intangible or tangible personal property from ~~the~~~~such~~ information in its possession and assess the property for taxation and require payment of the taxes, penalties and interest due to the state and local taxing districts from the person assessed. Notice of the assessment shall be mailed to the taxpayer or ~~the taxpayer's~~~~his~~ agent. - ~~(5)~~~~(4)~~ The local taxes collected by the Revenue Cabinet shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing district. Section 5. KRS 605.090 is amended to read as follows:

- (1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:
- (a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;
 - (b) Placed in the home of his parents, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a family service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;
 - (c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) or any child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;
 - (d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;
 - (e) Treated as provided in KRS Chapter 645;
 - (f) Following the transfer or placement of a child pursuant to subsections (b), (c), (d), or (e) of this section, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.
- (2) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of his parents, the child shall not be removed except in accordance with the following standards and procedures:
- (a) If the family service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
 - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the family service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;
 - (c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer

to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

- (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.
- (3) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.
- (4) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
- (5) ***The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.***
- (6) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 6. KRS 620.145 is amended to read as follows:

 - (a) The child's current and historical educational functioning;
 - (b) The child's emotional and behavioral functioning; and
 - (c) The extent to which the child's life experiences and circumstances of commitment have created a disabling condition requiring special educational programming or other services to provide the child an appropriate public education.
- (2) Upon discerning of an emotional, behavioral, or other disabling condition with negative impact upon a child's educational experience, the Cabinet for Human Resources as guardian of the child shall ensure that whatever services necessary are obtained to allow the child the benefit of a free, appropriate public education.
- (3) Services required to allow the child a free, appropriate public education shall be limited to those required under Section 504 of Public Law 93-112, Public Law 94-142, or other federal statutes affecting children with emotional or behavioral disabilities.

- (4) The Cabinet for Human Resources shall include activities undertaken to ensure a child committed to the Cabinet for Human Resources receives adequate public education in the six (6) month case progress report required by KRS 620.240.
- (5) Any child removed from his home due to abuse, neglect, or dependency and placed in the least restrictive appropriate placement available shall, for the purposes of acquiring an appropriate public education, be considered a resident of the school district where the placement occurs.
- (6) ***The Cabinet for Human Resources shall provide a copy of the assessment required by subsection (1) of this section to the foster parent, or other agency or entity providing residential care to a committed child, within five (5) days of filing the assessment with the court.***

- (1) Except as otherwise provided by KRS Chapter 635, an order of commitment or an order of protective supervision or probation made by the court in the case of a child may be reviewed, continued, or terminated at any time prior to expiration on the court's own initiative or on motion by:

The cabinet may accept any gift, devise, or bequest made to it for its purposes.
- (2) ***The cabinet shall establish a reimbursement system, within existing appropriation amounts, for foster parents that comes as close as possible to meeting the actual cost of caring for foster children. The cabinet shall consider providing additional reimbursement for foster parents who obtain additional training, and foster parents who have served for an extended period of time. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

In Sections 1 to 12 of this Act, unless the context otherwise requires:

- (8) *"Registering entity" means a person who originates or transfers a security title by registration, and includes a broker maintaining security accounts for customers and a transfer agent or other person acting for or as an issuer of securities.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

Only individuals whose registration of a security shows sole ownership by one (1) individual or multiple ownership by two (2) or more with right of survivorship, rather than as tenants in common, may obtain registration in beneficiary form. Multiple owners of a security registered in beneficiary form hold as joint tenants with right of survivorship, as tenants by the entirety, or as owners of community property held in survivorship form, and not as tenants in common.

SECTION 3. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

A security may be registered in beneficiary form if the form is authorized by this or a similar statute of the state of organization of the issuer or registering entity, the location of the registering entity's principal office, the office of its transfer agent, or its office making registration, or by this or a similar statute of the law of the state listed as the owner's address at the time of the registration. A registration governed by the law of a jurisdiction in which this or similar legislation is not in force or was not in force when a registration in beneficiary form was made is nevertheless presumed to be valid and authorized as a matter of contract law.

SECTION 4. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

A security, whether evidenced by certificate or account, is registered in beneficiary form when the registration includes a designation of a beneficiary to take the ownership at the death of the owner or the deaths of all multiple owners.

SECTION 5. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

Registration in beneficiary form may be shown by the words "transfer on death" or the abbreviation "TOD," or by the words "pay on death" or the abbreviation "POD," after the name of the registered owner and before the name of a beneficiary.

SECTION 6. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

The designation of a TOD beneficiary on a registration in beneficiary form has no effect on ownership until the owner's death. A registration of a security in beneficiary form may be canceled or changed at any time by the sole owner or all then-surviving owners without the consent of the beneficiary.

SECTION 7. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

On death of a sole owner or the last to die of all multiple owners, ownership of securities registered in beneficiary form passes to the beneficiary or beneficiaries who survive all owners. On proof of death of all owners and compliance with any applicable requirements of the registering entity, a security registered in beneficiary form may be reregistered in the name of the beneficiary or beneficiaries who survived the death of all owners. Until division of the security after the death of all owners, multiple beneficiaries surviving the death of all owners hold their interests as tenants in common. If no beneficiary survives the death of all owners, the security belongs to the estate of the deceased sole owner or the estate of the last to die of all multiple owners.

SECTION 8. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

- (1) *A registering entity is not required to offer or to accept a request for security registration in beneficiary form. If a registration in beneficiary form is offered by a registering entity, the owner requesting registration in beneficiary form assents to the protections given to the registering entity by Sections 1 to 12 of this Act.*
- (2) *By accepting a request for registration of a security in beneficiary form, the registering entity agrees that the registration will be implemented on death of the deceased owner as provided in Sections 1 to 12 of this Act.*
- (3) *A registering entity is discharged from all claims to a security by the estate, creditors, heirs, or devisees of a deceased owner if it registers a transfer of the security in accordance with Section 7 of this Act and does so in good faith reliance:*
 - (a) *On the registration;*
 - (b) *On Sections 1 to 12 of this Act; and*
 - (c) *On information provided to it by affidavit of the personal representative of the deceased owner, or by the surviving beneficiary or by the surviving beneficiary's representatives, or other information available to the registering entity.*

The protections of Sections 1 to 12 of this Act do not extend to a reregistration or payment made after a registering entity has received written notice from any claimant to any interest in the security objecting to implementation of a registration in beneficiary form. No other notice or other information available to the registering entity affects its right to protection under Sections 1 to 12 of this Act.

- (4) *The protection provided by Sections 1 to 12 of this Act to the registering entity of a security does not affect the rights of the beneficiaries in disputes between themselves and other claimants to ownership of the security transferred or its value or proceeds.*

SECTION 9. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

- (1) *A transfer on death resulting from a registration in beneficiary form is effective by reason of the contract regarding the registration between the owner and the registering entity and Sections 1 to 12 of this Act and is not testamentary.*
- (2) *Sections 1 to 12 of this Act does not limit the rights of creditors of security owners against beneficiaries and other transferees under other laws of this Commonwealth.*

SECTION 10. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

- (1) *A registering entity offering to accept registrations in beneficiary form may establish the terms and conditions under which it will receive requests for registrations in beneficiary form, and for implementation of registrations in beneficiary form, including requests for cancellation of previously-registered TOD beneficiary designations and requests for reregistration to effect a change of beneficiary. The terms and conditions so established may provide for proving death, avoiding or resolving any problems concerning fractional shares, designating primary and contingent beneficiaries, and substituting a named beneficiary's descendants to take in the place of a named beneficiary in the event of the beneficiary's death. Substitution may be indicated by appending to the name of the primary beneficiary the letters LDPS, standing for "lineal descendants per stirpes." This designation substitutes a deceased beneficiary's descendants who survive the owner for a beneficiary who fails to so survive, the descendants to be identified and to share in accordance with the law of the beneficiary's domicile at the owner's death governing inheritance by descendants of an intestate. Other forms of identifying beneficiaries who are to take on one (1) or more contingencies, and rules for providing proofs and assurances needed to satisfy reasonable concerns by registering entities regarding conditions and identities relevant to accurate implementation of registrations in beneficiary form, may be contained in a registering entity's terms and conditions.*
- (2) *The following are illustrations of registrations in beneficiary form which a registering entity may authorize:*
- (a) *Sole owner-sole beneficiary: John S Brown TOD (or POD) John S Brown Jr.;*
- (b) *Multiple owners-sole beneficiary: John S Brown Mary B Brown JT TEN TOD John S Brown Jr.; and*
- (c) *Multiple owners-primary and secondary (substituted) beneficiaries: John S Brown Mary B Brown JT TEN TOD John S Brown Jr SUB BENE Peter Q Brown; or John S Brown Mary B Brown JT TEN TOD John S Brown Jr LDPS.*

- (1) *Sections 1 to 12 of this Act shall be known as and may be cited as the Uniform TOD Security Registration Act.*

- (2) *"Governing instrument" means a deed, will, trust, insurance or annuity policy, account with payment on death (POD) designation, pension, profit-sharing, retirement, or similar benefit plan, instrument creating or exercising a power of appointment or a power of attorney, or a donative, appointive, or nominative instrument of any other type; and*
- (3) *"Payor" means a trustee, insurer, business entity, employer, government, governmental agency, subdivision, or instrumentality, or any other person authorized or obligated by law or a governing instrument to make payments.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 397 IS CREATED TO READ AS FOLLOWS:

Except as provided in Section 6 of this Act, if the title to property, the devolution of property, the right to elect an interest in property, or the right to exempt property, homestead, or family allowance depends upon an individual's survivorship of the death of another individual, an individual who is not established by clear and convincing evidence to have survived the other individual by one hundred and twenty (120) hours is deemed to have predeceased the other individual. This section shall not apply if its application would result in a taking of intestate estate by the state.

SECTION 3. A NEW SECTION OF KRS CHAPTER 397 IS CREATED TO READ AS FOLLOWS:

Except as provided in Section 6 of this Act, for purposes of a donative provision of a governing instrument, an individual who is not established by clear and convincing evidence to have survived an event, including the death of another individual, by one hundred and twenty (120) hours is deemed to have predeceased the event.

Except as provided in Section 6 of this Act:

- (1) *If it is not established by clear and convincing evidence that one (1) of two (2) co-owners with right of survivorship survived the other co-owner by one hundred and twenty (120) hours, one-half (1/2) of the property shall pass as if one (1) had survived by one hundred and twenty (120) hours and one-half (1/2) as if the other had survived by one hundred and twenty (120) hours.*
- (2) *If there are more than two (2) co-owners and it is not established by clear and convincing evidence that at least one (1) of them survived the others by one hundred and twenty (120) hours, the property shall pass in the proportion that each bears to the whole number of co-owners.*

SECTION 5. A NEW SECTION OF KRS CHAPTER 397 IS CREATED TO READ AS FOLLOWS:

In addition to the rules of evidence in courts of general jurisdiction, for the purposes of Sections 1 to 7 of this Act only, the following rules relating to a determination of death and status shall apply:

- (1) *Death shall be deemed to occur when the requirements of KRS 446.400 have been met.*

- (3) *A certified or authenticated copy of any record or report of a governmental agency, domestic or foreign, that an individual is missing, detained, dead, or alive shall be prima facie evidence of the status and of the dates, circumstances, and places disclosed by the record or report.*
- (4) *In the absence of prima facie evidence of death under subsection (2) or (3) of this section, the fact of death shall be established by clear and convincing evidence, including circumstantial evidence.*

His or her death shall be presumed to have occurred at the end of the period unless there is sufficient evidence for determining that death occurred earlier.*
- (6) *In the absence of evidence disputing the time of death stipulated on a document described in subsection (2) or (3) of this section, a document described in subsection (2) or (3) of this section that stipulates a time of death one hundred and twenty (120) hours or more after the time of death of another individual, however the time of death of the other individual is determined, establishes by clear and convincing evidence that the individual survived the other individual by one hundred and twenty (120) hours.*

SECTION 6. A NEW SECTION OF KRS CHAPTER 397 IS CREATED TO READ AS FOLLOWS:

- (2) *The governing instrument expressly indicates that an individual is not required to survive an event, including the death of another individual, by any specified period or expressly requires the individual to survive the event for a stated period, but survival of the event or the specified period shall be established by clear and convincing evidence;*
- (3) *The imposition of a one hundred and twenty (120) hour requirement of survival would cause a nonvested property interest or a power of appointment to be invalid under the Rule Against Perpetuities, but survival shall be established by clear and convincing evidence; or*
- (4) *The application of a one hundred and twenty (120) hour requirement to multiple governing instruments would result in an unintentional failure or duplication of a disposition, but survival shall be established by clear and convincing evidence.*

Payments, transfers, or deposits made to*

or with the court shall discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

Based on the report and recommendation of the adoption worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching ~~a~~^{his} decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint. If the application is refused, the secretary shall in general terms furnish in writing the reasons for his refusal.
- (2) Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. If the application is denied, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or ~~such~~ other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.
- (3) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with **that person or those persons**~~him or them~~ for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved

on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent. The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in ~~such~~ a manner *that constitutes* ~~as to constitute~~ an abuse of discretion.

- (4) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for *families and children* ~~human resources~~, or if permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants *who are* to receive *the child* ~~him~~ unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.
- (5) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.
- (6) The secretary of the Cabinet for *Families and Children* ~~Human Resources~~ shall be paid a nonrefundable fee of one hundred fifty dollars (\$150) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special needs child as authorized in KRS 199.555.
- (7) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

Section 141. KRS 199.490 is amended to read as follows:

- (1) The petition shall allege:
 - (a) The name, date, place of birth, place of residence, and mailing address of each petitioner, and, if married, the date and place of their marriage;

 - (f) The names of the parents of the child and the address of each living parent, if known. The name of the biological father of a child born out of wedlock shall not be given unless paternity is established in a legal action, or unless an affidavit is filed stating that the affiant is the father of the child. If certified copies of orders terminating parental rights are filed as provided in subsection (2) of this section, the name of any parent whose rights have been terminated shall not be given;
 - (g) The name and address of the child's guardian, if any, or of the cabinet, institution, or agency having legal custody of the child;
 - (h) Any further facts necessary for the location of the person or persons whose consent to the adoption is required, or whom KRS 199.480 requires to be made a party to or notified of the proceeding; and
 - (i) If any fact required by this subsection to be alleged is unknown to the petitioners, the lack of knowledge shall be alleged.

- (2) There shall be filed with the petition certified copies of any orders terminating parental rights. Any consent to adoption shall be filed prior to the entry of the adoption judgment.
- (3) If the petitioner was not excepted by KRS 199.470(4) or (5), a copy of the written approval of the secretary of the Cabinet for *Families and Children*~~[Human Resources]~~ or the secretary's designee shall be filed with the petition.

Section 142. KRS 199.500 is amended to read as follows:

- (1) An adoption shall not be granted without the voluntary and informed consent of the living parent or parents of a child born in lawful wedlock or the mother of the child born out of wedlock, or the father of the child born out of wedlock if paternity is established in a legal action or if an affidavit is filed stating that the affiant is the father of the child, except that the consent of the living parent or parents shall not be required if:
 - (a) The parent or parents have been adjudged mentally disabled and the judgment shall have been in effect for not less than one (1) year prior to the filing of the petition for adoption;
 - (b) The parental rights of the parents have been terminated under KRS Chapter 625;
 - (c) The living parents are divorced and the parental rights of one (1) parent have been terminated under KRS Chapter 625 and consent has been given by the parent having custody and control of the child; or
 - (d) The biological parent has not established parental rights as required by KRS 625.065.
- (2) A minor parent who is a party defendant may consent to an adoption but a guardian ad litem for the parent shall be appointed.
- (3) In the case of a child twelve (12) years of age or older, the consent of the child shall be given in court. The court in its discretion may waive this requirement.
- (4) Notwithstanding the provisions of subsection (1) of this section, an adoption may be granted without the consent of the biological living parents of a child if it is pleaded and proved as a part of the adoption proceedings that any of the provisions of KRS 625.090 exist with respect to ~~the~~~~[such]~~ child.
- (5) An adoption shall not be granted or a consent for adoption be held valid if the consent for adoption is given prior to seventy-two (72) hours after the birth of the child. A voluntary and informed consent may be taken at seventy-two (72) hours after the birth of the child and shall become final and irrevocable twenty (20) days after either the interstate or the intrastate placement approval by the secretary of the Cabinet for *Families and Children*~~[Human Resources]~~, or twenty (20) days after the execution of the consent if placement approval was given prior to the signing of the consent, if approval is required.

Section 143. KRS 199.555 is amended to read as follows:

- (1) A "special needs child" means:
 - (a) A child which the state has determined cannot or should not be returned to the home of ~~the child's~~~~[his]~~ parents; and
 - (b) A child which the state has first determined:
 1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and
 2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of ~~these~~~~[such]~~ parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX.
- (2) "State-funded adoption assistance" means payment of monthly maintenance to assist in meeting the special needs of a child which was placed by the Cabinet for *Families and Children*~~[Human Resources]~~. The state-funded adoption assistance shall also include payment of nonrecurring adoption expenses, and may include reimbursement of extraordinary medical expenses.
- (3) "Nonrecurring adoption expenses" means those expenses which are incurred in the legal adoption of a special needs child for which parents are ultimately responsible which include reasonable and necessary adoption fees,

court costs, attorney fees, and other expenses which are directly related to the special needs adoption and which are not incurred in violation of state or federal law.

- (4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, Medicaid, or other third-party payors or government programs.
- (5) If the secretary of the Cabinet for *Families and Children*~~{Human Resources}~~ or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of adoption, funds may be paid to the adoptive parents after completion of the adoption of the child if the following conditions exist:
 - (a) The child was considered a special needs child prior to the adoption;
 - (b) The child is committed to the Cabinet for *Families and Children*~~{Human Resources}~~ and the cabinet has authority to consent to the child's adoption; and
 - (c) The adoptive parents can give suitable care to the child if a subsidy is paid.
- (6) Agreements for the payments of funds under this section shall be made prior to the adoption of the child. However, if the secretary for *families and children*~~{human resources}~~ or his designated representative finds that the adoption is likely to disrupt, extraordinary medical expenses may be reimbursed contingent upon availability of resources, if the following conditions exist:
 - (a) The child was placed for adoption by the Cabinet for *Families and Children*~~{Human Resources}~~;
 - (b) The child was considered a special needs child prior to the adoption;
 - (c) The parents have made a reasonable effort under the circumstances to meet the needs of the child without reimbursement for extraordinary medical expenses.

This subsection shall apply to any child meeting the conditions of this subsection who at the time of application for the post-adoption extraordinary medical expenses is under the age of eighteen (18). This subsection shall have retroactive as well as prospective effect.

- (7) The payments shall be out of funds appropriated to the cabinet and those funds collected pursuant to KRS 199.473(5) which shall be deposited in a restricted account for the purpose of subsidizing special needs adoptions, and shall be in accordance with regulations promulgated by the secretary. The payments shall not exceed the amount which would be paid for foster care for the child. Monthly maintenance payments shall not exceed the amount which would be paid for foster care for the child and may include reimbursement for extraordinary medical expenses. Payment of nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary for *families and children*~~{human resources}~~ in accord with 42 U.S.C. *sec.* 673. However, payments under agreements entered into under subsection (6) of this section shall be limited to reimbursement of authorized extraordinary medical expenses related to problems or conditions that existed prior to the adoption.
- (8) State-funded adoption assistance payments shall not be made to parents if:
 - (a) The child has attained the age of eighteen (18), except that if the child is enrolled in a state or federal educational program, the payments may continue through age twenty-one (21);
 - (b) The cabinet determines the parents are no longer legally responsible for the support of the child; or
 - (c) The cabinet determines that the child is no longer receiving any support from the parents.
- (9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.
- (10) The cabinet shall establish criteria to be followed for the adoption of children under provisions of this section and shall promulgate the criteria by administrative regulations.

Section 144. KRS 199.557 is amended to read as follows:

- (1) For the purpose of this section, unless the context requires otherwise, "Federal Title IV-E adoption assistance" means the payment of monthly maintenance to assist in meeting the special needs of the child and of

nonrecurring adoption expenses which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to legal adoption of a special needs child and which are not incurred in violation of state or federal law.

- (2) If the secretary of the Cabinet for **Families and Children**~~[Human Resources]~~ or his designated representative finds that payment of a subsidy to adoptive parents after the adoption will increase the likelihood of ~~the [such]~~ adoption, funds may be paid to the adoptive parents after conclusion of the adoption if the child meets the eligibility criteria established at 42 U.S.C. *sec.* 673.
- (3) Agreements for Federal Title IV-E adoption assistance under this section shall be made prior to the adoption of the child.
- (4) Payment shall be out of funds appropriated to the cabinet and Federal Title IV-E funds of the Social Security Act as amended (42 U.S.C. *sec.* 673 et seq.). All payments shall be in accordance with administrative regulations promulgated by the Cabinet for **Families and Children**~~[Human Resources]~~. Payments shall not exceed the amount which would be paid for foster care for the child. Nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary of the Cabinet for **Families and Children**~~[Human Resources]~~ or his designated representative in accordance with 42 U.S.C. *sec.* 673 et seq.

Section 145. KRS 199.570 is amended to read as follows:

- (1) The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to ~~the [such]~~ proceedings, their attorneys, and representatives of the cabinet except under order of the court expressly permitting inspection. Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, except that upon the written consent of the biological parents and upon written order of the Circuit Court all papers and records including all files and records of the Circuit Court during proceedings for termination of parental rights provided in KRS 625.108 shall be open for inspection to any adult adopted person who applies in person or in writing to the Circuit Court as provided in KRS 199.572. No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records, except upon order of the court which entered the judgment of adoption. Health information received pursuant to KRS 199.525 shall be added to the adoption case file. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.
- (2) After entry of the adoption judgment, the clerk of the Circuit Court shall promptly report to the Cabinet for **Health Services**~~[Human Resources]~~ of Kentucky full information as called for on forms furnished by the Cabinet for **Health Services**~~[Human Resources]~~, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the Cabinet for **Health Services**~~[Human Resources]~~ shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL -- subject to copy and/or inspection only on written order of the court."
- (3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents and such other information deemed necessary in accordance with rules and regulations promulgated by the Cabinet for **Health Services**~~[Human Resources]~~ in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the biological parent or parents of the child. If requested by the adoptive parents, the new birth certificate when issued shall contain the location of birth, hospital, and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the Cabinet for **Health Services**~~[Human Resources]~~ shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the Circuit Court which issued the adoption order. The Cabinet for **Health Services**~~[Human Resources]~~ shall furnish to the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section. If the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. If the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

- (4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of ~~the~~~~such~~ child's birth.
- (5) If any judgment of adoption is reversed, modified, or vacated in any particular, the clerk of the Circuit Court shall notify the Cabinet for **Health Services**~~Human Resources~~ of the reversal or modification and the effect of same, and the cabinet shall make any necessary changes in its records.

Section 146. KRS 199.572 is amended to read as follows:

- (1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records, to personal contact by the child, or to both when he becomes an adult. If consent is then given, it can later be revoked. If consent is withheld at that time, the biological parents may give consent at any later time. The initial written statement of consent or refusal of consent to inspection of records and personal contact shall be filed with the Circuit Court not later than the date of finalization of the adoption proceedings. When a written consent is on file, the records shall be available to the adult adopted person, upon his request therefor in writing.
- (2) When any adult adopted person applies in person or in writing to the Circuit Court for authorization to inspect all papers and records pertaining to the adoption proceedings of ~~that adult~~~~such~~ adopted person as provided in KRS 199.570(1), and the biological parents have previously refused consent to inspection of records and to personal contact, the court may, if satisfied as to the identity of ~~the~~~~such~~ adult adopted person, authorize the adult adopted person to inspect the papers and records if written consent is obtained from the biological parents identified on the adult adopted person's original birth certificate.
- (3) The Circuit Court shall, within seven (7) working days of the receipt of the request, direct the secretary of the cabinet to notify each biological parent identified on the adult adopted person's original birth certificate that ~~the~~~~said~~ person has applied to the court for information identifying ~~the~~~~such~~ biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the cabinet shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars (\$250) to the adult adopted person for making ~~this~~~~such a~~ search. Every child-caring facility and child-placing agency in the Commonwealth shall cooperate with the secretary in his efforts to notify ~~these~~~~such~~ biological parents.
- (4) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the Circuit Court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:
 - (a) The nature of the information requested by the adult adopted person;
 - (b) The date of the request of the adult adopted person;
 - (c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the Circuit Court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;

 - (e) The right of a biological parent to file an affidavit with the Circuit Court stating that all papers and records pertaining to the adoption proceedings of the adult adopted person shall not be open for inspection by the adult adopted person.
- (5) The adult adopted person shall not be authorized to inspect the papers and records pertaining to his *or her* adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to ~~that~~~~such~~ inspection.
- (6) If after diligent and reasonable effort, the secretary of the cabinet certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the Circuit Court, upon motion of the adult adopted person, may order that all papers and records of

the Cabinet for *Families and Children*~~[Human Resources]~~ and those of the Circuit Court pertaining to the adoption shall be open for inspection to ~~the~~^{such} adult adopted person. In any case, the court shall order that only identifying information about the biological parents be shared with the adult adopted person.
