Section 2. KRS 198B.060 is amended to read as follows:

- (1) Each local government~~in the State of Kentucky~~ shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for inspection and code enforcement services in accordance with subsections (8) and (11) of this section to enforce the Uniform State Building Code within the boundaries of its jurisdiction,~~and shall neither adopt nor enforce any other ordinance regulating buildings which conflicts with the Uniform State Building Code,~~ except that ***permits, inspections, and certificates of occupancy shall not be mandatory for single-family residences unless a local government passes an ordinance requiring inspections of single-family residences***~~[a building code adopted by a local government prior to March 28, 1978, may continue in effect until the time the Uniform State Building Code becomes mandatory within that local government jurisdiction].~~
- (2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than twenty thousand (20,000) square feet of floor area, and are not intended for educational, institutional, or high hazard occupancy; or assembly, business, or industrial occupancy in excess of one hundred (100) persons, except churches as stated in this subsection, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates, and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of the permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.
- (3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the Uniform State Building Code. The determination may be reviewed and altered by the board.
- (4) ***With the exception of single-family dwellings***, the department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates, and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its

program, he may recommend to the board that the department preempt that portion of a local program, *except that the commissioner shall not preempt or assert jurisdiction for the enforcement of the code on single-family dwellings*. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

- (5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. The petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal the denial directly to the board, and the board shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. If the local government is granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over the additional responsibility, but the local government shall collect any fees for functions it performs pursuant to the additional responsibility.
- (6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be allocated to the local government. The petition shall not be granted unless the local government has demonstrated to the commissioner that it can perform these functions in accordance with the provisions of KRS 198B.050 to 198B.090.
- (7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.
- (8) ~~Upon the effective date of the Uniform State Building Code,~~ No building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for the construction. ***Nothing in this subsection shall require a single-family dwelling to be permitted or inspected unless a local government has established a building inspection program as set out in this section.***
- (9) The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the Uniform State Building Code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of the building. The applicant for a building permit, by the act of applying for the permit, shall be deemed to have consented to inspection~~+~~ by the local government or the department, of the building during construction and upon the completion of construction for the purpose of determining that the building is constructed in compliance with the Uniform State Building Code.
- (10)
 - (a) No permit for building, construction, reconstruction, renovation, demolition, or maintenance or for any activity related to building, construction, reconstruction, renovation, demolition, or maintenance shall be issued by any building department or by any political subdivision of the Commonwealth of Kentucky to any person seeking the permit unless the person shall assure, by affidavit, that all contractors and subcontractors employed, or that will be employed, on activity covered by the permit shall be in compliance with Kentucky requirements for workers' compensation insurance according to KRS Chapter 342 and unemployment insurance according to KRS Chapter 341.
 - (b) Any person who fails to comply with the assurances required under paragraph (a) of this subsection upon such finding by a court of competent jurisdiction, shall be fined an amount not to exceed four thousand dollars (\$4,000) or an amount equal to the sum of all uninsured and unsatisfied claims brought under the provisions of KRS Chapter 342 and unemployment insurance claims for which no wages were reported as required by KRS Chapter 341, whichever is greater.
 - (c) The penalty imposed in paragraph (b) of this subsection shall be enforced by the county attorney for the county in which the violation occurred.

- (11) *A certified electrical inspector shall be employed by, or contracted for, or contracted with a local government having responsibility over buildings as set out in this section as part of its building inspection program.* After a certified electrical inspector has been ~~employed, contracted for or with, or otherwise~~ provided for by the local government or the department, no utility shall initiate permanent electrical service to any new building, *or any building which has been moved*, until a final certificate of approval has been issued by a certified electrical inspector. Unless the department shall notify the utility in writing as to which buildings are subject to departmental approval, it shall be presumed by the utility that the building is subject to the jurisdiction of the local government. However, nothing in this section shall prohibit the supply or use of necessary electrical services during the construction and testing process.
- (12) This section shall apply to industrialized building systems, but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the Board of Housing, Buildings and Construction, shall not be performed in order to conduct the tests or inspections.
- (13) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the Uniform State Building Code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the Uniform State Building Code, or assembled or installed in conformance with applicable instructions. *Nothing in this subsection shall be construed to require a certificate of occupancy to be issued for any single-family dwelling unless a local government has established jurisdiction for the enforcement of the Uniform State Building Code under this section.*
- (14) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the Uniform State Building Code.
- (15) Local governments or associations of local governments may contract with a person, firm, or company to perform the plans and specifications inspection or building inspection functions required of the local government by the provisions of this section if:
- (a) The person performing the plans and specifications inspection is certified by the department as having successfully completed the test requirements provided by KRS 198B.090 to practice as a certified plans and specifications inspector;
 - (b) The person performing the building inspection is certified by the department as having successfully completed the test requirements provided in KRS 198B.090 to practice as a certified building inspector;
 - (c) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities;
 - (d) The person performing the plumbing inspection is certified by the department as having successfully completed the requirements provided in KRS 318.140 to practice as a certified plumbing inspector; and
 - (e) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.
- (16) If the department has reason to believe that an inspector is not enforcing, or is improperly enforcing, the provisions of the Kentucky building codes, it shall conduct an informal hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector, or may take action to suspend or revoke the inspector's certificate.
- (17) If, after written notification from the department to the inspector of any corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies. Any action to suspend or revoke an inspector's certificate may be appealed to the board, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.
- (18) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. The fees shall be designed to fully cover the cost of the service performed but shall not exceed the cost of the service performed. Fees payable to the department shall be paid into the State Treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

Section 3. KRS 67.380 is amended to read as follows:

The fiscal court of any county shall have authority, by order or resolution, to adopt, and to enforce, regulations governing construction as defined by KRS 198B.010~~{(42)}~~ pursuant to the provisions of KRS 198B.060.

CHAPTER 10

(SB 1)

AN ACT relating to planning and zoning in counties containing a city of the first class.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

It is the intent of Sections 1 to 10 of this Act to strengthen the enforcement of binding elements which have been approved as part of a land use development plan in a county containing a city of the first class. This is intended to be done by extending to a planning commission in counties containing a city of the first class the authority to issue remedial orders and impose civil fines in order to provide an equitable, expeditious, effective, and inexpensive method of ensuring compliance with approved land use plans as they apply to binding element agreements. Sections 1 to 10 of this Act is intended and shall be construed to provide an additional or supplemental means of obtaining compliance with local zoning ordinances and nothing contained in Sections 1 to 10 of this Act shall prohibit the enforcement of local zoning ordinances by any other means authorized by law.

SECTION 2. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 10 of this Act, unless the context otherwise requires:

- (1) *"Land use enforcement officer" in a county containing a city of the first class means a zoning enforcement officer employed by a planning commission.*
- (2) *"Land use ordinance" in a county containing a city of the first class means an official action of a local government body which is a regulation of a general and permanent nature relating to the use and development of land within the jurisdictional boundary of the planning commission. It is enforceable as a local law and shall include any provision of a code of ordinances adopted by a local government which embodies all or part of an ordinance.*
- (3) *"Local government" means a county containing a city of the first class and all cities of the first through fourth classes within that county.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

- (1) *The planning commission in counties containing a city of the first class may issue remedial orders and impose civil fines as a method of enforcing a binding element when a violation of that binding element has been classified as a civil offense in accordance with this section.*
- (2) *Subject to the limitations set forth in subsections (1) and (3) of this section, if a local government elects to enforce a binding element as a civil offense, it shall do so by ordinance, which shall provide:*
 - (a) *That a violation of the binding element is a civil offense; and*
 - (b) *A maximum civil fine that may be imposed for each violation of a binding element.*
- (3) *No local government shall classify the violation of a binding element as a civil offense if the violation would also constitute an offense under any provision of the KRS, including specifically, and without limitation, any provision of the Kentucky Penal Code and any moving motor vehicle offense.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

Each planning commission which is given the authority by the local government to enforce binding elements shall have the power to:

SECTION 5. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

- (1) *When a land use enforcement officer, based upon personal observation or investigation, has reasonable cause to believe that a violation of a binding element has occurred, the officer may issue a warning notice and citation to the offender. Prior to issuing a citation, the officer shall issue a warning notice giving the offender a specified period of time in which to remedy the violation. If the person to whom the notice is given fails or refuses to remedy the violation within the time specified, the land use enforcement officer may issue a citation. However, if the violation is deemed by the land use enforcement officer to be a threat to public safety, then a citation shall be immediately issued without a prior warning notice.*
- (2) *Enforcement proceedings shall be initiated by the issuance of a citation by a land use enforcement officer.*

- (5) *All citations issued shall be hand delivered to the alleged violator.*
- (6) *When a citation is issued, the person to whom the citation is issued shall respond to the citation within fourteen (14) days of the date the citation is issued by either paying the civil fine set forth in the citation or requesting, in writing, a hearing before the planning commission to contest the citation. If the person fails to respond to the citation within fourteen (14) days, the person shall be deemed to have waived the right to a hearing to contest the citation and the determination that a violation was committed shall be considered final. In this event, the planning commission shall enter a final order determining that the violation was committed and imposing the civil fine set forth in the citation.*

SECTION 6. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

Not less than seven (7) days before the date set for the hearing, the planning commission shall notify the person who requested the hearing of the date, time, and place of the hearing. Any person requesting a hearing before the planning commission who fails to appear at the time and place set for the hearing shall be deemed to have waived the right to a hearing to contest the citation and the determination that a violation was committed shall be final. In this event, the planning commission shall enter a final order determining that the violation was committed and imposing the civil fine set forth in the citation.

- (2) *Each case before a planning commission shall be presented by an attorney who shall be counsel to the commission.*
- (3) *All testimony shall be under oath and shall be recorded. The planning commission shall take testimony from the land use enforcement officer, the alleged offender, and any witnesses to the alleged violation offered by the land use enforcement officer or the alleged offender. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.*
- (4) *After the hearing, the planning commission shall determine, based on the evidence presented, whether a violation was committed. When the commission determines that no violation was committed, an order dismissing the citation shall be entered. When the commission determines that a violation has been committed, the commission shall issue an order upholding the citation and may order the offender to pay a civil fine in an amount up to the maximum authorized by the ordinance, or may order the offender to remedy a continuing violation within a specified time to avoid the imposition of a fine, or both, as authorized by the ordinance.*
- (5) *Every final order of a planning commission shall be reduced to writing, which shall include the date the order was issued, and a copy of the order shall be furnished to the person named in the citation. If the person named in the citation is not present at the time a final order of the planning commission is issued, the order shall be delivered to that person by certified mail, return receipt requested; by personal delivery; or by leaving a copy of the order at that person's usual place of residence with any individual residing therein who is eighteen (18) years of age or older and who is informed of the contents of the order.*

SECTION 7. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

- (1) *An appeal from any final order issued by a planning commission may be made to the District Court of the county in which the planning commission is located. The appeal shall be taken within thirty (30) days of the date the order is issued. The appeal shall be initiated by the filing of a complaint and a copy of the commission's order in the same manner as any civil action under the Rules of Civil Procedure. The action shall be tried de novo and the burden shall be upon the planning commission to establish that a violation has occurred. If the court finds that a violation occurred, judgment shall be entered ordering the offender to pay to the planning commission all fines assessed for the violation. If the court finds a violation did not occur, the complaint shall be dismissed.*
- (2) *A judgment of the District Court may be appealed to the Circuit Court in accordance with the Rules of Civil Procedure.*
- (3) *If no appeal from a final order of a planning commission is filed within the time period set forth in this section, the planning commission's order shall be deemed final for all purposes.*

SECTION 8. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

The person or entity found to have committed a violation of a binding element shall be responsible for the amount of all fines assessed for the violation. SECTION 10. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

The expense reasonably attributable to any such examination shall be paid by the broker-dealer or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the commissioner by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the commissioner, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

- (e) The commissioner may by rule prohibit unreasonable charges, profits, commissions, or other compensation of broker-dealers and investment advisers.

10. *Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking; or within the past five (5) years, has been the subject of an action of a securities regulator or a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, or investment adviser representative or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a state, federal, or foreign jurisdiction suspending or expelling the person from membership in the exchange or self-regulatory organization.*
- (b) The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:
1. The commissioner may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;
 2. The commissioner may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
 3. The commissioner may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;
 4. The commissioner shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

5. The commissioner shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser **or an investment adviser representative**, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser **or an investment adviser representative**;
 6. The commissioner may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as **investment adviser representatives and** persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.
- (c) The commissioner may by order summarily postpone **an application for registration** or suspend a registration pending final determination of any proceeding under this section. **A summary suspension of an existing registration shall only be made based upon a finding by the commissioner that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law.** Upon the entry of the order, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.
 - (d) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent,~~or~~ investment adviser, **or investment adviser representative**, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.
 - (e) Withdrawal from registration as a broker-dealer, agent,~~or~~ investment adviser, **or investment adviser representative** becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the commissioner may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the commissioner by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the commissioner may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. **A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the commissioner; the withdrawal or termination is effective upon receipt by the commissioner of the notice.**
 - (f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent **or representative**), opportunity for hearing, and written findings of fact and conclusions of law.
- (14) **Notwithstanding subsection (1) of this section, any broker-dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the commissioner expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The commissioner may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the commissioner deems necessary and appropriate in the public interest or for the protection of investors and the commissioner may**

impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration.

Section 6. KRS 292.340 is amended to read as follows:

It is unlawful for any person to offer or sell any security in this state, *unless the security is registered under this chapter, or the security or transaction is exempt under this chapter, or the security is a covered security* ~~except securities exempt under KRS 292.400 or when sold in transactions exempt under KRS 292.410, unless such security is registered under this chapter.~~

Section 7. KRS 292.360 is amended to read as follows:

- (1) Any security for which a registration statement ~~has been filed~~ under the Securities Act of 1933 *or an offering statement under Regulation A of the Securities Act of 1933 has been filed with the Securities and Exchange Commission* in connection with the same offering may be registered by coordination.
- (2) A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in KRS 292.380, and, if required under KRS 292.430, a consent to service of process meeting the requirements of that section:
 - (a) *One(1) copy* ~~Three (3) copies~~ of the latest form of prospectus *or offering circular* filed under the Securities Act of 1933 *or Regulation A promulgated under that Act* together with all amendments thereto;
 - (b) The amount of securities to be offered in this state;
 - (c) The states in which a registration statement or similar document in connection with the offering has been or is expected to be filed;
 - (d) Any adverse order, judgment, or decree previously entered in connection with the offering by any court or the Securities and Exchange Commission;
 - (e) If the commissioner by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) *of the issuer* currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;
 - (f) If the commissioner requests, any other information, or copies of any other documents, filed under the Securities Act of 1933 *or Regulation A promulgated under that Act*; and
 - (g) An undertaking to forward promptly *to the commissioner* all amendments to the federal registration statement *or offering statement*, other than an amendment which merely delays the effective date.
- (3) A registration statement under this section automatically becomes effective *with the commissioner* at the moment the federal registration statement *or offering statement* becomes effective *or is qualified*, if all the following conditions are satisfied:
 - (a) No stop order is in effect and no proceeding is pending under KRS 292.390;
 - (b) The registration statement has been on file with the commissioner for at least ten (10) days; and
 - (c) A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two (2) full business days or such shorter period as the commissioner permits by rule or otherwise and the offering is made within those limitations. The registrant shall promptly notify the commissioner by telephone, ~~or~~ telegram, *or other electronic means* of the date and time when the federal registration statement *or offering statement* became effective *or was qualified* and the content of the price amendment, if any, and shall promptly file a post-effective amendment, containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.
- (4) Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the commissioner may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with subsection (3) of this section, if he promptly notifies the registrant by telephone or telegram (and promptly confirms by letter

or telegram when he notifies by telephone) ~~after~~ the issuance of the order. If the registrant proves compliance with the requirements of subsection (3) of this section as to notice and post-effective amendment, the stop order is void as of the time of its entry. The commissioner may by rule or otherwise waive either or both of the conditions specified in paragraphs (b) and (c) of subsection (3) of this section. If the federal registration statement *or offering statement* becomes effective *or is qualified* before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective *with the commissioner* as soon as all the conditions are satisfied. If the registrant advises the commissioner of the date when the federal registration statement *or offering statement* is expected to become effective *or to be qualified*, the commissioner shall promptly advise the registrant by telephone, ~~or~~ telegram, *or other electronic means*, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under KRS 292.390; but this advice by the commissioner does not preclude the institution of such a proceeding at any time.

- (5) *Notwithstanding subsection (3) of this section, a registration statement under the Securities Act of 1933 that becomes effective immediately upon filing with the Securities and Exchange Commission shall become effective under this section automatically at the time the registration statement, in the form filed with the Securities and Exchange Commission, is properly filed, along with the appropriate fee, with the commissioner.*

Section 9. KRS 292.380 is amended to read as follows:

- (1) Except as otherwise expressly provided in this chapter, a registration statement under this chapter becomes effective when the commissioner so orders. The commissioner may require as a condition of registration under this chapter that a prospectus containing any designated part of the appropriate information specified in this chapter be sent or given to each person to whom an offer is made before or concurrently with:
 - (a) The first written offer made to him (otherwise than by means of a public advertisement) by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by him as a participant in the distribution;
 - (b) The confirmation of any sale made by or for the account of any such person;
 - (c) Payment pursuant to any such sale; or
 - (d) Delivery of the security pursuant to any such sale, whichever first occurs; but the commissioner shall accept for use under any such requirement a current prospectus or offering circular regarding the same securities filed under the Securities Act of 1933 or regulations thereunder.
- (2) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer. Any document filed under this chapter or a predecessor law within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The commissioner may by rule or otherwise permit the omission of any item of information or document from any registration statement.
- (3) The commissioner may require as a condition of registration by qualification or coordination that (a) the proceeds from the sale of the registered security be impounded until the issuer receives a specified amount or (b) any security issued within the past three (3) years, or to be issued, to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be delivered in escrow. The commissioner may by rule or order determine the conditions of any escrow or impounding required hereunder. The commissioner shall not reject a depository solely because of location in another state. All securities delivered in escrow to the commissioner or some other depository satisfactory to him prior to January 1, 1968, which have not previously been released shall be released from escrow and all securities delivered in escrow to the commissioner or some other depository satisfactory to him subsequent to January 1, 1968 which have not previously been released shall be released from escrow no later than ten (10) years after the date of delivery into escrow.
- (4) The commissioner may also require as a condition of registration by qualification that the issuer undertake to keep the securities registered under this chapter for a period of up to five (5) years or until the securities become exempt securities under *Section 12 of this Act or become covered securities* [KRS 292.410], and that the issuer forward to its security holders audited annual *financial statements* [financials] during the period for which the shares are registered. The commissioner may by rule or order impose other undertakings.
- (5) For the registration of securities by notification, ~~or~~ coordination, or qualification, there shall be paid to the commissioner an examination fee of one hundred twenty-five dollars (\$125) and a registration fee of three-fiftieths of one percent (0.06%) of the aggregate offering price of the securities which are to be offered in this state, but the registration fee shall in no case be less than sixty dollars (\$60) nor more than one thousand two hundred dollars (\$1,200). The examination fee and the registration fee shall be payable in separate checks. When a registration statement is withdrawn before the effective date or a pre-effective stop order is entered under KRS 292.390, the commissioner shall retain the examination fee. ~~For the registration of securities issued by a face amount certificate company or a redeemable security issued by an open end management company or unit investment trust, as those terms are defined in the Investment Company Act of 1940, a new registration fee and examination fee shall be paid each year that the registration remains in effect, based upon the aggregate offering price of such securities which are to be offered in this state during that year, even though the maximum fee was paid the preceding year; and the registration statement for such securities may be~~

~~amended to increase the amount of securities to be offered.] For a registration by notification for market-making purposes only the examination fee need be paid.~~

- (6) When securities are registered by notification or by coordination or by qualification, they may be offered and sold by the issuer, any other person on whose behalf they are registered or by any registered broker-dealer. Every registration statement is effective for one (1) year from its effective date, or any longer period during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by any underwriter or broker-dealer who is still offering part of an unsold allotment or subscription taken by him as a participant in the distribution, except during the time a stop order is in effect under KRS 292.390. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any nonissuer transaction:
- (a) So long as the registration statement is effective; and
 - (b) Between the thirtieth day after the entry of any stop order suspending or revoking the effectiveness of the registration statement under KRS 292.390 (if the registration statement did not relate in whole or in part to a nonissuer distribution) and one (1) year from its effective date if any securities of the same class are outstanding.

A registration statement may be withdrawn otherwise only in the discretion of the director.

~~{(7) The commissioner may require the person who filed the registration statement to file reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering. The commissioner shall impose a fee of ten dollars (\$10) for each such report filed with him.}~~

Section 10. KRS 292.390 is amended to read as follows:

- (1) The commissioner may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds that the order is in the public interest and that:
- (a) The registration statement as of its effective date or as of any earlier date in the case of an order denying effectiveness, or any amendment under KRS 292.380(5) as of its effective date, ~~or any report under KRS 292.380(7),~~ is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;
 - (b) Any provision of this chapter or any rule, order, or condition lawfully imposed under this chapter has been willfully violated, in connection with the offering by:
 1. The person filing the registration statement;
 2. The issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or
 3. Any underwriter;
 - (c) The security registered or sought to be registered is the subject of an administrative stop order or a similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but:
 1. The commissioner may not institute a proceeding against an effective registration statement under this paragraph more than one (1) year from the date of the order or injunction relied on; and
 2. He may not enter an order under this paragraph on the basis of an injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for a stop order under this section;
 - (d) The issuer's enterprise or method of business includes or would include activities which are illegal where performed;
 - (e) The offering has worked or tended to work a fraud upon purchasers or would so operate;

- (f) The offering has been, or would be, made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensations, or promoters' profits or participation, or unreasonable amounts or kinds of options;
 - (g) When a security is sought to be registered by notification it is not eligible for such registration;
 - (h) When a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by KRS 292.360(2)(g);
 - (i) The applicant or registrant has failed to pay the proper registration fee; but the commissioner may enter only a denial order under this paragraph and he shall vacate any such order when the deficiency has been corrected;
 - (j) ***Commissions, compensation, and selling and other transaction expenses***~~[A commission or fee]~~ greater than ***twenty percent (20%) in the aggregate, or such other amount specified in the guidelines adopted by the North American Securities Administrators Association, [fifteen percent (15%)]*** would be paid directly or indirectly, in consideration for the sale of securities sought to be registered~~[and this fee shall exclude reasonable legal and accounting expenses]~~.
- (2) The commissioner may not enter a stop order against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective unless the proceeding is instituted within the next thirty (30) days.
- (3) The commissioner may by order summarily postpone or suspend the effectiveness of the registration statement pending final determination of any proceeding under this section. Upon the entry of a stop order under any part of this section, the commissioner shall promptly notify the issuer of the securities, the applicant or registrant, and the person on whose behalf the securities are to be or have been offered that the order has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested within fifteen (15) days and none is ordered by the commissioner, the commissioner shall enter his written findings of fact and conclusions of law and the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to the issuer and to the applicant or registrant, shall enter his written finding of fact and conclusions of law and may modify or vacate the order. The commissioner may modify or vacate a stop order if he finds that the conditions which prompted its entry have changed or that it is otherwise in the public interest to do so.

SECTION 11. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

- (1) ***The commissioner may require the filing of any of the following documents with respect to a covered security under Section 18(b)(2) of the Securities Act of 1933:***

An annual filing shall be required of an open-end investment company that continuously offers or sells its securities in this state, which filing shall consist of the documents specified in paragraph (a) of this subsection, exclusive of the consent to service of process, and a***

- (2) The commissioner shall require the filing of, with respect to any security that is a covered security under Section 18(b)(4)(D) of the Securities Act of 1933, a notice on SEC Form D, a two hundred fifty dollar (\$250) filing fee, and a consent to service of process signed by the issuer no later than fifteen (15) days after the first sale of such covered security in this state.*

- (4) The commissioner may issue a stop order suspending the offer and sale of a covered security, except a covered security under Section 18(b)(1) of the Securities Act of 1933, upon finding that:*
 - (a) The order is necessary or appropriate in the public interest or for the protection of investors; and*
 - (b) There is a failure to comply with any condition established under this section.*
- (5) The commissioner may waive any or all of the provisions of this section upon finding that they are not necessary or appropriate in the public interest or for the protection of investors.*

Section 14. KRS 292.415 is amended to read as follows:

- (1) Before any security may be issued as an exempt security under subsections (9) ~~or (12)~~ *of Section 12 of this Act*, ~~(13), or (14) of KRS 292.400, or offered for sale or sold as an exempt transaction under KRS 292.410(1)(i) or (k)~~, a claim of exemption must first be filed with the commissioner and the commissioner by order shall not have determined that the exemption is unavailable within the next ten (10) full business days. A claim of exemption filed under this section shall be in such form and contain such information as the commissioner by rule or order requires and each offering shall be effective for a maximum of twelve (12) consecutive months unless the commissioner by rule or order extends such period of time, not to exceed five (5) years.
- (2) *The issuer may make offers, but not sales, before and during the ten (10) business day period required by subsection (1) of this section, if:*
 - (a) *Each prospective purchaser is advised in writing that the offer is preliminary and subject to material change; and*
 - (b) *No enforceable offer to purchase the securities may be made by a prospective purchaser, and no consideration in any form may be accepted or received, directly or indirectly, from a prospective purchaser, before the termination of the ten (10) business day period and any order disallowing the exemption has been vacated.*

The commissioner may, by rule or order, prohibit offers by a particular class of issuers before the expiration of the ten (10) business day period required by subsection (1) of this section, or may require issuers to comply with additional conditions and requirements prior to making offers before the expiration of the period, if appropriate in furtherance of the intent of this chapter. ~~For every claim of exemption filed with the commissioner there shall be paid to the commissioner a filing fee of one hundred dollars (\$100), except that for a claim of exemption filed under subsection (9) of KRS 292.400 the filing fee is one tenth of one percent (0.1%) of the maximum aggregate offering price at which the securities are to be offered in this state, but the fee shall in no case be less than one hundred dollars (\$100) or more than five hundred dollars (\$500). The commissioner shall have authority to amend or rescind under this subsection such filing fees by rule or order if the commissioner determines that such fee is excessive under the circumstances.~~
- (3) ~~[Any person who fails to comply with this section shall be liable for a fee in the amount of five (5) times the initial filing fee and]~~The commissioner may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of an exemption, if he finds that the order is in the public interest and that any security has been or is about to be offered or sold in violation of this section. If the commissioner finds it

appropriate in the public interest or necessary for the protection of investors, the commissioner may order any issuer in violation of this section to make an offer of rescission.

- (4) Failure by any person to file a claim of exemption under this section shall not give rise to a private right of action under KRS 292.330(1), 292.340, or 292.480 which would not otherwise be available under the provisions of this chapter.
- (5) Any person who fails to file a claim of exemption under this section, unless he does so intentionally, shall not be subject to KRS 292.991.

Section 15. KRS 292.420 is amended to read as follows:

- (1) In any proceeding under this chapter, the burden of proving an exemption or an exception from a definition is upon the person claiming it.
- (2) The commissioner may require any person, who is selling or offering for sale or who is about to sell or offer for sale or who has sold or offered for sale any security within this state, to file a statement of the claim of exemption, if any, upon which such person is relying, and if any time, in the opinion of the commissioner, the information contained in such statement filed is misleading, incorrect, inadequate, or fails to establish the right of exemption, he may require such person, agent, or investment adviser to file such information as may in his opinion be necessary to establish the claimed exemption. The refusal to furnish information as required by order of the commissioner pursuant to the provisions of this subsection, within a reasonable time to be fixed by the commissioner, shall be proper ground for the entry of an order by the commissioner suspending and/or canceling the registration of the broker-dealer, agent or investment adviser.
- (3) The commissioner shall have authority at all times to consider and determine whether any proposed sale, transaction, issue, or security is entitled to an exemption or an exception from the definition accorded by this chapter, provided, however, that the commissioner in his discretion may decline to exercise such authority as to any proposed sale, transaction, issue, or security. Any interested party desiring the commissioner to exercise such authority shall submit to the commissioner a verified statement of all material facts relating to the proposed sale, transaction, issue, or security, which verified statement shall be accompanied by a request for a ruling as to the particular exemption or exception from definition, together with a filing fee of **two hundred fifty dollars (\$250)**~~one hundred dollars (\$100)~~. After such notice to interested parties as the commissioner shall deem proper and after a hearing, if any, the commissioner may enter an order finding the proposed sale, transaction, issue, or security entitled or not entitled to the exemption or the exception from definition as claimed. An order so entered, unless an appeal be taken therefrom in the manner prescribed in this chapter, shall be binding upon the commissioner, provided that the proposed sale, transaction, issue, or security when consummated or issued conforms in every relevant and material particular with the facts as set forth in the verified statement as submitted.

Section 16. KRS 292.430 is amended to read as follows:

- (1) Every applicant for registration as a broker-dealer,~~or~~ agent, **investment adviser, or investment adviser representative** under this chapter and every issuer which proposes to offer a security in this state through any person acting on an agency basis in the common law sense shall file with the commissioner, in such form as he by rule prescribes, an irrevocable consent appointing the commissioner or his successor in office to be his attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against him or his successor executor or administrator which arises under this chapter or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. Service may be made by leaving a copy of the process in the office of the commissioner, but it is not effective unless:
 - (a) The plaintiff, who may be the commissioner in a suit, action, or proceeding instituted by him, forthwith sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his last address on file with the commissioner; and
 - (b) The plaintiff's affidavit of compliance with this **subsection**~~section~~ is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

service of any lawful process in any noncriminal suit, action, or proceeding against him or his successor, executor, or administrator that arises under this chapter or under any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed a consent in connection with a previous notice filing need not file another. Service may be made by leaving a copy of the process in the office of the commissioner, but it is not effective unless:

- (a) *The plaintiff, who may be the commissioner in a suit, action, or proceeding instituted by him, sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his last address on file with the commissioner; and*
 - (b) *The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within the time as the court allows.*
- (3) When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order hereunder, and he has not filed a consent to service of process under subsection (1) **or (2) of this section** and personal jurisdiction over him cannot otherwise be obtained in this state, that conduct shall be considered equivalent to his appointment of the commissioner or his successor in office to be his attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against him or his successor executor or administrator which grows out of that conduct and which is brought under this chapter or any rule or order hereunder, with the same force and validity as if served on him personally. Service may be made by leaving a copy of the process in the office of the commissioner, and it is not effective unless:
- (a) The plaintiff, who may be the commissioner, in a suit, action, or proceeding instituted by him forthwith sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his last known address or takes other steps which are reasonably calculated to give actual notice; and
 - (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

Section 17. KRS 292.450 is amended to read as follows:

- (1) Neither the fact that an application for registration under KRS 292.330 or a registration statement under KRS 292.350, 292.360, or 292.370 has been filed, nor the fact that a person or security is effectively registered, constitutes a finding by the commissioner that any document filed under this chapter is true, complete, and not misleading.
- (2) Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the commissioner has passed in any way upon the merits or qualifications of, or recommended or given approval to, any person, security, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with this section.
- (3) *Neither the fact that a notice filing for a covered security or for a covered adviser has been filed, nor the fact that the person, security, or transaction is registered or exempt from registration, constitutes a finding by the commissioner that any document filed under this chapter is true, complete, and not misleading or that the person, security, or transaction is entitled to claim an exemption.*
- (4) *It is unlawful to make or cause to be made to any prospective purchaser, customer, or client any representation inconsistent with this section.*

Section 18. KRS 292.460 is amended to read as follows:

- (1) The commissioner in his discretion:
 - (a) May make such public or private investigations within or outside of this state as he deems necessary to determine whether any registration should be granted, denied, or revoked or whether any person has violated or is about to violate any provision of this chapter or any rule or order **under this chapter**~~hereunder~~, or to aid in the enforcement of this chapter or in the prescribing of rules and forms hereunder;

- (3) In case of contumacy by, or refusal to obey a subpoena issued to, any person, any court of competent jurisdiction, upon application by the commissioner, may issue to that person an order requiring him to appear before the commissioner, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.
- (4) No person is excused from attending and testifying or from producing any document or record before the commissioner, or in obedience to the subpoena of the commissioner or any officer designated by him, or in any proceeding instituted by the commissioner, on the ground that the testimony or evidence (documentary or otherwise) required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no individual may be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after claiming his privilege against self-incrimination, to testify or produce evidence (documentary or otherwise), except that the individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

Section 20. KRS 292.480 is amended to read as follows:

- (1) Any person, who offers or sells a security in violation of this chapter or of any rules *or orders*~~and regulations~~ promulgated hereunder or offers or sells a security by means of any untrue statement of a material fact or any omission to state a material fact necessary in order to make the statements made in the light of the circumstances under which they are made not misleading (the buyer not knowing of the untruth or omission) and who does not sustain the burden of proof that he did not know and in the exercise of reasonable care could not have known of the untruth or omission is liable to the person buying the security from him, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at *the legal*

~~rate~~~~[six percent (6%) per annum]~~ from the date of payment costs and reasonable attorneys' fees, less the amount of any income received on the security, upon the tender of the security, or for damages if he no longer owns the security. Damages are the amount that would be recoverable upon a tender less (a) the value of the security when the buyer is disposed of it and (b) interest at *the legal rate*~~[six percent (6%)]~~ per annum from the date of disposition.

- (2) *Any person who purchases a security in violation of this chapter or of any administrative regulations or orders promulgated under this chapter or who purchases a security by means of any untrue statement of a material fact or any omission to state a material fact necessary in order to make the statements made in light of the circumstances under which they are made not misleading, the seller not knowing of the untruth or omission, and who does not sustain the burden of proof that he did not know and in the exercise of reasonable care could not have known of the untruth or omission is liable to the person selling the security to him, who may sue either at law or in equity for:*
- (a) *A return of the security, together with any income received by the purchaser on the security, costs, and reasonable attorney's fees, upon a tender of the full amount of the consideration received for the security; or*
- (b) *If the purchaser no longer owns the security, the difference between the fair value of the security at the date of the transaction and the consideration received for the security, together with interest on the difference at the legal rate compounded annually from the date of the transaction, and costs and reasonable attorney's fees.*
- (3) *For purposes of paragraph (b) of subsection (2) of this section, when the purchaser no longer owns the security, if a seller seeking relief under paragraph (b) of subsection (2) of this section offers and presents admissible evidence of the highest intermediate value of the subject security as of some specific date occurring within a reasonable period of time after the date of the sale of the security but no later than the date an action under paragraph (b) of subsection (2) of this section is filed, or of the total consideration received by the purchaser in a subsequent sale of that security, it shall be presumed until rebutted by a preponderance of evidence to the contrary that the value or sale price, as applicable, is the fair value of the security at the date of the transaction as those terms are used in paragraph (b) of subsection (2) of this section to measure damages. For purposes of subsections (1) and (2) of this section and all other provisions of this chapter, statements and omissions may be either oral or written.*
- (4) Every person who directly or indirectly controls a seller *or purchaser* liable under subsection (1) *or (2) of this section*, every partner, officer or director (or person occupying a similar status or performing similar functions) or employee of ~~such~~ a seller *or purchaser* who materially aids in the sale *or purchase*, and every broker-dealer or agent who materially aids in the sale *or purchase* is also liable jointly and severally with and to the same extent as the seller *or purchaser*, unless the nonseller *or nonpurchaser* who is so liable sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known, of the existence of the facts by reason of which the liability is alleged to exist. There is contribution as in cases of contract among the several persons so liable.
- ~~(5)(3)~~ Any tender specified in this section may be made at any time before entry of judgment. Every cause of action under this statute survives the death of any person who might have been a plaintiff or defendant. No person may sue under this section more than three (3) years after the *occurrence of the act, omission, or transaction constituting a violation of this chapter*~~[contract of sale]~~. No person may sue under this section:
- (a) If the buyer received a written offer, before suit and at a time when he owned the security, to refund the consideration paid together with interest at *the legal rate*~~[six percent (6%) per annum]~~ from the date of payment, less the amount of any income received on the security, and he failed to accept the offer within thirty (30) days of its receipt.~~[or]~~
- (b) If the buyer received~~such~~ an offer before suit and at a time when he did not own the security, unless he rejected the offer in writing within thirty (30) days of its receipt; *or*
- (c) *If paragraph (b) of subsection (2) of this section applies, and if the seller received a written offer before suit equal to the difference between the greater of the highest intermediate value of the security or the consideration received by the purchaser upon disposal of the security and the consideration received by the seller for the security, together with interest on the difference at the legal rate from the date of the transaction; or if paragraph (a) of subsection (2) of this section applies, and if the seller received a written offer to return the security together with any income*

received by the purchaser on the security; and in either case he failed to accept the offer within thirty (30) days of its receipt.

- (6)~~(4)~~ No person who has made or engaged in the performance of any contract in violation of any provision of this chapter or any rule or order hereunder, or who has acquired any purported right under any ~~such~~ contract with knowledge of the facts by reason of which its making or performance was in violation, may base any suit on the contract. Any condition, stipulation or provision binding any person acquiring any security to waive compliance with any provision of this chapter or any rule or order hereunder is void.
- (7) *The rights and remedies provided by this section are in addition to any other rights or remedies that may exist at law or in equity.*

Section 21. KRS 292.490 is amended to read as follows:

Any person aggrieved by a final order of the commissioner may obtain a review of the order by filing in *accordance with KRS Chapter 13B in* the Franklin Circuit Court, within *thirty (30)*~~sixty (60)~~ days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the commissioner, and thereupon the commissioner shall certify and file in court a copy of the filing, testimony, and other evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce, or set aside the order, in whole or in part. No objection to the order may be considered by the court unless it was urged before the commissioner or there were reasonable grounds for failure to do so. The findings of the commissioner as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearing before the commissioner, the court may order the additional evidence to be taken before the commissioner and to be adduced upon the hearing in such manner and upon such conditions as the court may consider proper. The commissioner may modify his findings as to the facts, by reason of the additional evidence so taken; and he shall file any modified or new findings, which if supported by substantial evidence shall be conclusive, and any recommendation for the modification or setting aside of the original order. The commencement of proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the commissioner's order. An appeal may be taken from the judgment of the Franklin Circuit Court on any such appeal to the Court of Appeals on the same terms and conditions as an appeal is taken in civil actions.

Section 22. KRS 292.500 is amended to read as follows:

- (1) The administration of the provisions of this chapter shall be under the Department of Financial Institutions.
- (2) It is unlawful for the commissioner or any of his officers or employees to use for personal benefit any information which is filed with or obtained by the commissioner and which is not made public. *Except as provided in subsection (18) of this section*, no provision of this chapter authorizes the commissioner or any of his officers or employees to disclose any confidential information except among themselves or when necessary or appropriate in an administrative hearing or investigation under this chapter. No provision of this chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the commissioner or any of his officers or employees.
- (3) The commissioner may from time to time promulgate, amend, and repeal administrative regulations, forms, and orders as are necessary to carry out the provisions of this chapter, including administrative regulations and forms governing registration statements, applications, *notice filings*, and reports and defining any terms, whether or not used in this chapter, insofar as the definitions are not inconsistent with the provisions of this chapter. For the purpose of administrative regulations and forms, the commissioner may classify securities, persons, and matters within his jurisdiction, and prescribe different requirements for different classes.
- (4) No administrative regulation, form, or order may be promulgated, amended, or repealed unless the commissioner finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provision of this chapter. In promulgating administrative regulations and forms, the commissioner may cooperate with the securities administrators of the other states and the Securities and Exchange Commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of registration statement, applications, *notice filings*, and reports whenever practicable.
- (5) The commissioner may by administrative regulation or order prescribe the form and content of financial statements required under this chapter and the circumstances under which consolidated financial statements

shall be certified by certified public accountants. All financial statements shall be prepared in accordance with generally-accepted accounting standards.

- (6) All administrative regulations and forms of the commissioner shall be published.
- (7) No provision of this chapter imposing any liability applies to any act done or omitted in good faith in conformity with any administrative regulation, form, or order of the commissioner, notwithstanding that the administrative regulation, form, or order may later be amended or repealed or be determined by judicial or other authority to be invalid for any reason.
- (8) A document is filed when it is received by the commissioner or when the commissioner receives confirmation that a document has been filed pursuant to **Sections 5, 7, 8, and 11 of this Act**~~[KRS 292.330]~~.
- (9) Every administrative hearing shall be conducted in accordance with KRS Chapter 13B and the provisions of this chapter, and shall be public unless the commissioner in his discretion grants a request joined in by all the respondents that the hearing be conducted privately.
- (10) The commissioner shall keep a register of all applications for registration and registration statements **and notice filings** which are or have ever been effective under this chapter and all denial, suspension, or revocation final orders which have ever been entered under this chapter. The register shall be open for public inspection.
- (11) The information contained in or filed with any registration statement, application, **notice filings**, or report may be made available to the public under administrative regulations as the commissioner may promulgate.
- (12) Upon request and at reasonable charges as he prescribes, the commissioner shall furnish to any person photostatic or other copies (certified under his seal of office if requested) of any entry in the register or any document which is a matter of public record. In any administrative hearing or prosecution under this chapter, any copy so certified is prima facie evidence of the contents of the entry or document certified.
- (13) The commissioner in his discretion may honor requests from interested persons for interpretative opinions.
- (14) ***The commissioner may assess civil fines against any person who violates any provision of this chapter or any rule or order under this chapter.***
- (15) ***In addition to any fines levied under subsection (14) of this section, the commissioner may also assess the costs of any investigation, including attorney's fees incurred as a result of bringing enforcement actions under the provisions of this chapter and costs of holding any hearing as a result of an enforcement action. Costs and attorney's fees may only be assessed if there has been a final determination that a violation has occurred, and in an amount reasonably related to the costs of investigation and enforcement for those violations only.***
- (16) ***If fines or costs assessed under this section are not paid, the commissioner may notify the Attorney General who shall promptly institute an action in the name of the Commonwealth of Kentucky, in the Franklin Circuit Court for the recovery of the fines or costs.***
- (17) ***The remedies provided by this section are not exclusive and may be sought and employed in any combination to enforce the provisions of this chapter. The remedies set forth in this section shall not prohibit or restrict the commissioner from participating in any way whatsoever with respect to any joint examination, investigation, enforcement action, settlement, or other legal or regulatory action with securities administrators of other jurisdictions, the Securities and Exchange Commission, any self-regulatory organization, or any national securities exchange or national securities association registered under the Securities Exchange Act of 1934. Accordingly, the commissioner may, at any time and in his sole discretion, share or cause to be shared by any employee of the department any information gained pursuant to an examination, investigation, filing, or from any other source, with other governmental agencies, jurisdictions, or governmental or self-regulating organizations or entities, to the extent the commissioner, in his sole discretion, deems that the sharing of information is or will be reasonably necessary or useful to the department or other agency in carrying out its regulatory responsibilities.***
- (18) ***The following materials, documentation, and other information are deemed to have been confidentially disclosed to the department and to be confidential information under the Kentucky Open Records Act and, specifically, the provisions of KRS 61.878(1)(b), to the extent described in this subsection and except as provided further in administrative regulation:***

- (a) *Any materials, documentation, or other information provided to or otherwise obtained by the department during the course of a routine compliance examination of any broker-dealer, agent, investment adviser, or investment adviser representative; and*
- (b) *Any materials, documentation, or other information provided to or otherwise obtained by the department from any other regulatory or governmental body, including but not limited to any other state securities regulator, the Securities and Exchange Commission, any self-regulatory organization, any state or federal criminal agency, and any criminal prosecutorial body, and which the other body expressly deems to be confidential.*

Section 23. KRS 292.530 is amended to read as follows:

- (1) *The purpose of this chapter is to:*
 - (a) *Protect Kentucky investors by preventing investment fraud and related illegal conduct or, if this fraud or illegal conduct has already occurred, remedying, where possible, the harm done to Kentucky investors through active implementation and application of this chapter's enforcement powers;*
 - (b) *Educate the investing public as to the best methods for making informed investment choices; and*
 - (c) *Assist companies in their legitimate attempts to raise capital and transact in securities in Kentucky.*
- (2) *In addition, this chapter shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it and to coordinate the interpretation and administration of this chapter with the related federal regulation.*

Section 24. KRS 292.540 is amended to read as follows:

All effective registrations under prior law and all conditions imposed upon such registrations remain in effect so long as they would have remained in effect if they had become effective under this chapter. They are considered to have been filed, entered or imposed under this chapter, *except to the extent the conditions apply to securities that are now covered securities.*

CHAPTER 30

(HB 172)

AN ACT relating to a groundwater monitoring network.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that groundwater makes up over ninety-five percent (95%) of the water resources in Kentucky. Groundwater accounts for over thirty percent (30%) of the public and domestic water supplies in the Commonwealth, and up to ninety percent (90%) of all rural domestic supplies, and is the major source of water to streams. It is imperative that a system for characterizing and monitoring groundwater be developed so that information acquired through various monitoring programs will allow Kentucky to identify and characterize the groundwater resource. The information from the monitoring network can be used to enhance the Kentucky Groundwater Data Repository; identify, characterize, and model groundwater systems; develop community and private water supplies; address resource allocation concerns; set boundaries on wellhead protection areas;

recognize groundwater degradation if it occurs; and evaluate and improve the quality and quantity of data collected through all programs.

SECTION 2. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 4 of this Act, unless the context requires otherwise:

- (1) *"Committee" means the Interagency Technical Advisory Committee on Groundwater as created in Section 4 of this Act;*
- (2) *"Groundwater resource" means groundwater that is currently being used or is capable of being used;*
- (3) *"Groundwater system" means a body of groundwater that is separated from other bodies of groundwater either by flow characteristics including but not limited to flow direction, flow speed, permeability, or storativity, or by water chemistry or layers of rock;*
- (4) *"KGS" means the Kentucky Geological Survey; and*
- (5) *"Monitoring network" means a series of wells, springs, and associated surface water that will be tested on a periodic basis for water level, discharge, and water chemistry.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

- (1) *The KGS shall, in cooperation with the Interagency Technical Advisory Committee on Groundwater, establish a long-term groundwater monitoring network for the purpose of characterizing the quality, quantity, and distribution of Kentucky's groundwater resources.*
- (2) *The monitoring network shall include:*
 - (a) *Representative sites sampled by various agencies;*
 - (b) *Water wells, springs, and surface water associated with wells and springs; and*
 - (c) *New monitoring wells installed in areas of demonstrated need.*

This network shall collect information on a statewide basis and provide long-term data collection to determine the quality, quantity, and occurrence of groundwater throughout the Commonwealth.

- (3) *The KGS shall utilize collected data to support research efforts that develop models for groundwater systems, and to determine and monitor trends of groundwater movement, water quality, and quantity.*
- (4) *The KGS shall provide data from the network to the Kentucky Groundwater Data Repository and make the data readily available to the public, government agencies, industry, and other entities that request access. Analyzed data may be made available in the form of maps, charts, bulletins, and reports.*
- (5) *The KGS shall solicit input from federal, state, and local agencies, and industry, agriculture, universities, and the public to determine priority monitoring locations based on water quality and quantity concerns as the network is developed.*
- (6) *Within ninety (90) days of the end of each state fiscal year, the KGS shall provide to the Governor and the Legislative Research Commission a summary of the groundwater monitoring network data collection and analysis activities.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

- (1) *There is established an Interagency Technical Advisory Committee on Groundwater to assist the KGS in the development, coordination, and implementation of a groundwater monitoring network for the Commonwealth. CHAPTER 31

(HB 264)

AN ACT relating to motor carriers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 138.665 is amended to read as follows:

- (1) (a) A license shall be required of each motor carrier or heavy equipment motor carrier subject to the provisions of KRS 138.660 before he uses or continues to use the public highways of this state.
 - (b) Notwithstanding the requirement in subsection (1)(a), the cabinet may issue a trip permit for each motor vehicle subject to KRS 138.660(1) for a fee of twenty dollars (\$20) for each permit. If the vehicle is subject to those taxes in KRS 138.660(1) to (3), the cabinet may issue a trip permit for each motor vehicle for a fee of forty dollars (\$40) for each permit.
- (2) Application for a license or trip permit shall be made to the cabinet and shall contain such information as the cabinet deems necessary.
- (3) ~~Concurrently with the filing of an application for a license, the motor carrier or heavy equipment motor carrier shall file with the cabinet a bond as required under KRS 138.670. No license shall be issued to any person unless such person has furnished a bond as provided in KRS 138.670 to secure payment of taxes, penalties and interest imposed by KRS 138.660 to 138.7291.~~
- (4) The application in proper form having been accepted for filing, the bond, *if required*, having been accepted and approved and the other conditions and requirements of this section having been complied with, the cabinet shall issue a license. However, if an application for a license is filed by any person whose license has at any time previously been revoked for cause by the cabinet, or if the cabinet is of the opinion that the person who

makes the application does so as a subterfuge for the real party in interest whose license, prior to the time of filing the application, has been revoked for cause, or that the application is not for any other reason filed in good faith or is not sufficient cause, the cabinet may, after a hearing of which the applicant shall be given ten (10) days' notice in writing and in which he shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

- ~~(4)~~~~(5)~~ All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.
- ~~(5)~~~~(6)~~ A license shall not be assignable or transferable and shall be valid only for the person in whose name it is issued.
- ~~(6)~~~~(7)~~ The cabinet shall keep and file all applications and bonds, with an alphabetical index thereof.
- ~~(7)~~~~(8)~~ Each holder of a license required by subsection (1) shall display his license number or other identification on or in each vehicle subject to the taxes imposed by KRS 138.655 to 138.7291 in the manner prescribed by the cabinet. The cabinet may require the license number or other identifier to be displayed so that it can be readily recorded either manually or electronically by cabinet representatives. In addition, the cabinet may require each individual unit in the license holder's fleet of vehicles subject to these taxes to be uniquely identified.
- ~~(8)~~~~(9)~~ The provisions of this section shall not apply to a nonresident motor carrier engaged in transporting passengers for hire in irregular route interstate charter or special operations, provided reciprocal privileges are granted to similar nonresident carriers by the laws and regulations of his state.

Section 2. KRS 138.670 is amended to read as follows:

- (1) ~~At Every~~ motor carrier ~~or and~~ heavy equipment motor carrier **determined by the Transportation Cabinet to be at risk for nonpayment of its highway use taxes** shall file with the cabinet a corporate bond, cash bond, or securities approved by the cabinet in the minimum amount of one thousand dollars (\$1,000) and in a maximum amount of four (4) months' liability for taxes imposed under KRS 138.655 to 138.725 but not to exceed fifty thousand dollars (\$50,000). The applicant for a license shall be the principal obligor and this state shall be the obligee. The bond shall be conditioned upon the prompt filing of true reports and the payment by the licensee to the cabinet of all taxes levied under KRS 138.655 to 138.725, together with all penalties and interest thereon and generally upon faithful compliance with the provisions of KRS 138.655 to 138.725.
- (2) If the liability upon the bond is discharged or reduced, whether by judgment rendered, payment made, or otherwise, or if in the opinion of the cabinet any surety has become unsatisfactory or unacceptable, the cabinet may require the licensee to file a new bond with satisfactory surety in the same form and amount, failing which the cabinet shall forthwith cancel the license. If a new bond is furnished by the licensee as above provided, the cabinet shall cancel the bond for which the new bond is substituted.
- (3) If, upon hearing of which the licensee shall be given ten (10) days' notice in writing, the cabinet decides that the amount of the existing bond is insufficient to insure payment to this state of the amount of the tax, penalties and interest for which the licensee is or may become liable, the licensee shall forthwith, upon written demand of the cabinet, file an additional bond in the same manner and form with surety thereon approved by the cabinet, in any amount determined by the cabinet to be necessary, failing which the cabinet shall forthwith cancel the license.
- (4) Any surety on a bond furnished by a licensee shall be released from all liability to this state accruing on such bond after the expiration of sixty (60) days from the date upon which the surety has lodged with the cabinet, a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The cabinet shall promptly, on receipt of the request, notify the licensee who furnished the bond, and unless the licensee shall, before the expiration of the sixty (60) day period, file with the cabinet a new bond with surety satisfactory to the cabinet in the amount and form hereinbefore provided, the cabinet shall forthwith cancel the license. If the new bond is furnished by the licensee as above provided, the cabinet shall cancel the bond for which the new bond is substituted.

Section 3. KRS 138.685 is amended to read as follows:

- (1) Every licensee shall file with the cabinet, *in the format*~~[on forms]~~ prescribed by the cabinet, a quarterly tax return. The return shall be made under penalty of perjury and shall show such information as the cabinet may require. The licensee shall file the return on or before the last day of the next succeeding calendar month following the quarterly period to which it relates.
- (2) The quarterly tax return shall be accompanied by a remittance covering the tax due.

Section 4. KRS 138.710 is amended to read as follows:

- (1) The reports required by KRS 138.685 shall be accompanied by a certified, *electronic*, or cashier's check payable to the State Treasurer for the amount of tax due for the preceding calendar quarter computed as provided in KRS 138.690, except that the cabinet may waive this requirement and accept the check of the licensee if he is of sound financial condition and has established a good record of compliance with the requirements of KRS 138.655 to 138.725, inclusive.
- (2) *The Transportation Cabinet may promulgate administrative regulations providing for the payment by credit card of any tax or fee that it collects. The administrative regulation may require the payee to add to his tax or fee, the administrative charge of the financial institution.*

Section 5. KRS 138.715 is amended to read as follows:

- (1) If any licensee neglects or refuses to make the return or pay the tax at the time provided in KRS 138.685, a penalty of twenty percent (20%) of the tax and interest at the tax interest rate as defined in KRS 131.010(6) from the date when due shall be paid on the tax.
- (2) If any licensee subject to the penalty provided in subsection (1) of this section submits to the cabinet in writing the reasons for failure to comply with KRS 138.660 to 138.7291 and if the cabinet finds the reasons sufficient evidence or justifiable cause for modifying the penalty provided in subsection (1) of this section, it may modify the penalty enacted therein to five percent (5%) of the amount of the tax due and delinquent, provided the five percent (5%) penalty may be reduced to one percent (1%) if the violation is the first violation by the taxpayer within the twelve (12) months.
- (3) If the penalties provided by this section are collected by proceedings in court, an additional penalty of twenty percent (20%) shall be collected and distributed as is authorized by KRS 134.400 and 135.060. Whenever any licensee neglects or refuses to make and file any report for any calendar quarter as required by KRS 138.685, or files an incorrect or fraudulent report, the cabinet shall determine after an investigation the amount of the liability which the licensee has incurred under KRS 138.660 to 138.7291 for any particular quarter and assess and collect the amount of tax and penalties due.
- (4) Any licensee who fails to make any report required under the provisions of KRS 138.660 to 138.7291 within the time allowed may be required to pay a penalty of fifty dollars (\$50) *for a first offense, two hundred fifty dollars (\$250) for a second offense, or five hundred dollars (\$500) for any subsequent offense within any four (4) year period. The penalty is* to be assessed and collected in the manner provided for the assessment and collection of taxes, or *the licensee* may be proceeded against in a civil action instigated by the cabinet. In addition, such licensee may be compelled to make the required return.
- (5) In any action for the collection of taxes due under KRS 138.660 to 138.7291 and any penalties or interest imposed in connection therewith, an assessment by the cabinet of the amount of tax due and the interest or penalties due to the state shall constitute prima facie evidence of the claim of the state and the burden of proof shall be on the licensee to show that the assessment was incorrect or contrary to law.

Effective August 1, 1988, each employee of the Kentucky Racing Commission who was employed by the racing commission on the date that agency first participated in the Kentucky Employees Retirement System, whether or not the employee was eligible to participate in the retirement system on that date, shall receive current service credit for all employment with the racing commission from July 1, 1956, to the date the employee first began participating in the retirement system. The cost of the service credit shall be paid at the time of each member's retirement by the racing commission and shall be credited to the retirement allowance account.
 - (5) An employee who is or was an employee of a county participating in the County Employees Retirement System which did not participate in the system effective July 1, 1958, may obtain credit in the County Employees Retirement System for current service between July 1, 1958, and the effective date of participation of his county by paying to the County Employees Retirement System a delayed contribution payment for the service he would have received had his county participated on July 1, 1958. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. An employee participating in the Kentucky Employees Retirement System or the County Employees Retirement System, who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for the period of his service with an area development district created pursuant to KRS 147A.050 or with a business development corporation created pursuant to KRS 155.001 to 155.230 if that service was not covered by a state-administered retirement system. The member shall pay to the retirement system in which he participates the full cost of the service credit purchased, as determined by the board's actuary. The employee may obtain credit for employment with a business development corporation only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. Payment may be by lump sum or the employee may pay by increments.
 - (6) Effective August 1, 1988, service credit obtained under subsections (1) to (5), (8) to (12), (14), (15), and (17) to (19) of this section shall be disallowed and the recontribution of refund, including interest as determined by the board or other payment, if any, shall be paid to the member, upon request, if the member does not obtain for service performed six (6) months' additional current service credit in one (1) of the state-administered retirement systems or as an employee of a parted employer. The service requirement shall be waived if the member dies or becomes disabled as provided for by KRS 61.600.
 - (7) The members shall not receive benefit of service for the same period of time in another public defined benefit retirement fund.
 - (8) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65) in one (1) of the retirement systems administered by the Kentucky Retirement Systems, who formerly worked for

a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by a defined benefit retirement program, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the County Employees Retirement System, the Kentucky Employees Retirement System or the State Police Retirement System for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the county employees, Kentucky Employees Retirement System or State Police Retirement System. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment may be by lump sum, or the employee may pay by increments.

- (9)
 - (a) Effective August 1, 1980, any county participating in the County Employees Retirement System may purchase current service, between July 1, 1958, and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);
 - (b) Effective July 1, 1973, any department participating in the Kentucky Employees Retirement System may purchase current service between July 1, 1956, and participation date of the department, for present employees of the department who were employees on the participation date of the department and elected coverage under KRS 61.525(2);
 - (c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;
 - (d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;
 - (e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

- (11) Members who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960, if the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).
- (12) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of

The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

- (13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:
 - (a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or
 - (b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.
- (14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

 - (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.
 - (b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).
 - (c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.
 - (d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the

service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

- (e) If the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (g) If payments have ceased under subsection (16)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.
- (18) Any employee participating in the County Employees Retirement System, who has sixty (60) or more months of service, may purchase credit in the County Employees Retirement System for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. - (20) (a) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement

- system in which he participates the full cost of the service credit purchased, as determined by the system.

The purchase of this service shall be made prior to December 31, 1996.
 - (c) Payment for purchase of service pursuant to paragraphs (a) and (b) of this subsection may be made in installments in lieu of lump-sum payment. The payment shall not be picked up, as described in KRS 61.560(4), and shall be deposited to the individual member's account.

The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).
 - (22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;
 - (c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) or any child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;

- (2) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of *the child's*~~his~~ parents, the child shall not be removed except in accordance with the following standards and procedures:
- (a) If the family service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine

whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

- (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home.  - (c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or
 - (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. - (2) Custody may be placed with a relative taking into account the wishes of the custodial parent **and child** or any other appropriate person or agency including the cabinet.

Such alternatives may include, but shall not be limited to, the provision of medical, educational, psychiatric, psychological, social work, counseling, day care, or homemaking services with monitoring wherever necessary by the cabinet or other appropriate agency. If the Circuit Court so finds, the Circuit Court shall inform the parent; and, upon request, if it appears reasonably necessary in the interest of justice, the Circuit Court shall appoint an

attorney to represent the parent pursuant to KRS Chapter 31 to be provided or paid for by the Finance and Administration Cabinet a fee to be set by the court and not to exceed five hundred dollars (\$500);

- (4) *If the parent is currently authorized to visit with the child, the court may continue to permit the parent to visit the child pending the final hearing unless it finds that visitation would not be in the best interest of the child.*
- (5) *The hearing*~~[Proceedings]~~ under this chapter shall be *held within sixty (60) days of the motion by a party or the guardian ad litem for a trial date*~~[, expedited, and completed as soon as practicable].~~

Section 16. KRS 625.090 is amended to read as follows:

- (1) The Circuit Court may involuntarily terminate all parental rights of a parent of a named child, if the Circuit Court finds from the pleadings and by clear and convincing evidence that:

 - 2. The child*~~[or]~~ *is found to be an abused or neglected child, as defined in KRS 600.020(1), by the Circuit Court in this proceeding; or*
 - 3. The parent has been convicted of a criminal charge relating to the physical or sexual abuse or neglect of any child and that physical or sexual abuse, neglect, or emotional injury to the child named in the present termination action is likely to occur if the parental rights are not terminated; and*
- (b) ~~[that]~~ Termination would be in the best interest of the child.
- (2) No termination of parental rights shall be ordered unless the Circuit Court also finds by clear and convincing evidence the existence of one (1) or more of the following grounds:
- (a) That the parent has abandoned the child for a period of not less than ninety (90) days;
 - (b) That the parent has inflicted or allowed to be inflicted upon the child, by other than accidental means, serious physical injury;
 - (c) That the parent has continuously or repeatedly inflicted or allowed to be inflicted upon the child, by other than accidental means, physical injury or emotional harm;
 - (d) *That the parent has been convicted of a felony that involved the infliction of serious physical injury to any child;*
 - (e) That the parent, for a period of not less than six (6) months, has continuously or repeatedly failed or refused to provide or has been substantially incapable of providing essential parental care and protection for the child and that there is no reasonable expectation of improvement in parental care and protection, considering the age of the child;
 - ~~(f)~~~~(e)~~ That the parent has caused or allowed the child to be sexually abused or exploited;~~[or]~~
 - ~~(g)~~~~(f)~~ That the parent, for reasons other than poverty alone, has continuously or repeatedly failed to provide or is incapable of providing essential food, clothing, shelter, medical care, or education reasonably necessary and available for the child's well-being and that there is no reasonable expectation of significant improvement in the parent's conduct in the immediately foreseeable future, considering the age of the child;
 - (h) *That:*
 - 1. The parent's parental rights to another child have been involuntarily terminated;*

 - 3. The conditions or factors which were the basis for the previous termination finding have not been corrected;*
 - (i) *That the parent has been convicted in a criminal proceeding of having caused or contributed to the death of another child as a result of physical or sexual abuse or neglect; or*

- (j) *That the child has been in foster care under the responsibility of the cabinet for fifteen (15) of the most recent twenty-two (22) months preceding the filing of the petition to terminate parental rights.*
- (3){(2)} In determining the best interest of the child and the existence of a ground for termination, the Circuit Court shall consider the following factors:
- (a) ~~Emotional illness,~~ Mental illness *as defined by KRS 202A.011(9)*, or mental *retardation as defined by KRS 202B.010(9)* ~~[deficiency]~~ of the parent as certified by a qualified mental health professional, which renders the parent consistently unable to care for the immediate and ongoing physical or psychological needs of the child for extended periods of time;
 - (b) Acts of abuse or neglect *as defined in KRS 600.020(1)* toward any child in the family;
 - (c) If the child has been placed with the cabinet, *whether the cabinet has, prior to the filing of the petition made reasonable efforts as defined in KRS 620.020 to reunite the child with the parents* ~~[or a child-placing agency or child caring facility, whether the cabinet has rendered or attempted to render all reasonable services to the parent which reasonably might be expected to bring about a reunion of the family, including the parent's testimony concerning the services and whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within a reasonable period of time, considering the age of the child];~~
 - (d) The efforts and adjustments the parent has made in his circumstances, conduct, or conditions to make it in the child's best interest to return him to his home within a reasonable period of time, considering the age of the child;
 - (e) The physical, emotional, and mental health of the child and the prospects for the improvement of the child's welfare if termination is ordered; and
 - (f) The payment or the failure to pay a reasonable portion of substitute physical care and maintenance if financially able to do so.
- (4) *If the child has been placed with the cabinet, the parent may present testimony concerning the reunification services offered by the cabinet and whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent.*
- (5){(3)} If the parent proves *by a preponderance of the evidence that the child will not continue to be an abused or neglected child as defined in KRS 600.020(1) if returned to the parent* ~~[the following to the satisfaction of the court,]~~ the court in its discretion may determine not to terminate parental rights: ~~the following to the satisfaction of the court,]~~
- (a) ~~That serious physical injury to the child will not occur in the future;~~
 - (b) ~~That continuous or repeated physical injury or emotional harm to the child will not occur in the future;~~
or
 - (c) ~~That sexual abuse or exploitation will not occur in the future.]~~
- (6){(4)} Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law, and a decision as to each parent-respondent *within thirty (30) days* either:
- (a) Terminating the right of the parent; or
 - (b) Dismissing the petition and stating whether the child shall be returned to the parent or shall remain in the custody of the state.

SECTION 17. A NEW SECTION OF KRS CHAPTER 625 IS CREATED TO READ AS FOLLOWS:

 - (h) ***That:***
 - 1. ***The parent's parental rights to another child have been involuntarily terminated;***

Such photographs and X-rays or results of other medical diagnostic procedures may be introduced into evidence in any subsequent judicial proceedings. The person performing the diagnostic procedures or taking such photographs or X-rays shall be immune from criminal or civil liability for having performed the act. Similar assurances shall be executed and delivered to the Commonwealth by the beneficiary agencies of capital projects financed in part out of the fund and in part from other sources, except that when ~~such~~ additional funding is derived from the issuance and sale of revenue bonds or under other statutorily authorized financing methods, to secure the repayment of which funds a statutory mortgage lien is granted in favor of any person or group of persons, the capital project may be encumbered to the extent authorized or required by the law under which ~~the~~ financing method was undertaken; nor shall anything in this section prohibit the encumbrance of any real property located within an industrial park or constituting an industrial site, developed or improved as a capital project under KRS 42.350 and this section, by any person, firm, company, partnership, or corporation to which ~~the~~ property has been conveyed, to obtain financing for the construction upon ~~the~~ property of industrial and commercial buildings. Section 25. KRS 64.480 is amended to read as follows:

- (1) Effective, with respect to the offices of Governor on December 11, 1979, and Lieutenant Governor on the fifth Tuesday following the regular November election in 1975, and with respect to the other offices named in this section on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the State Treasury, shall be the sum per annum designated for the respective offices, as follows: Governor, forty-five thousand dollars (\$45,000) until December 11, 1981, then fifty thousand dollars (\$50,000) until December 13, 1983, and then sixty thousand dollars (\$60,000) until January 1, 1985; Lieutenant Governor, twenty-seven thousand nine hundred dollars (\$27,900) per annum, plus any compensation received while acting in the place of the Governor; Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals, twenty-seven thousand nine hundred dollars (\$27,900).
- (2) In order to equate or adjust the compensation of the Lieutenant Governor, Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the Department ~~for~~^{of} Local Government of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in this subsection based precisely upon the consumer price index formula approved in *Matthews v. Allen*, Kentucky, 360 S.W.2d 139 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual

compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.

- (3) It is the intention of the Legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when Section 246 of the Constitution of Kentucky was amended. Section 246 of the Constitution of Kentucky, as amended, established a monetary level of twelve thousand dollars (\$12,000) per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.
- (4) In order to adjust the compensation of the Governor to reflect changes in the purchasing power of the dollar, the Department ~~for~~ Local Government shall compute by the second Friday in February of every year, beginning in 1985, an adjusted salary of the Governor by multiplying sixty thousand dollars (\$60,000) by the increase in the consumer price index during the period from January 1, 1984, to the beginning of the then-current calendar year. The actual compensation paid to the Governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

Section 26. KRS 64.527 is amended to read as follows:

In order to equate the compensation of county judges/executive, county clerks, sheriffs, jailers, justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the Department ~~for~~ Local Government shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars (\$7,200) per annum. The Department ~~for~~ Local Government shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled ~~in accordance with~~ ~~pursuant to~~ the increase or decrease in the consumer price index. Upon notification from the Department ~~for~~ Local Government, the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the Department ~~for~~ Local Government.

Section 27. KRS 64.770 is amended to read as follows:

The legislative members shall be appointed for terms of two (2) years, unless their legislative term expires prior to the expiration of their term on the board, in which case a vacancy shall exist. Citizen members shall be appointed for terms of four (4) years. The terms of the members representing the state associations shall be identical to the term of their office as president of the state association. Vacancies shall be filled for the unexpired portion of any term in the same manner as an original appointment.
- (2) The commissioner of the Department ~~for~~ Local Government may, by written order filed with the chairman of the board, designate a deputy or other representative in his department to serve in his stead and to perform his duties as a member of the board in his absence. ~~The~~ ~~Such~~ designation shall be deemed temporary and shall not affect the merit system or retirement rights of any person so designated. Other members may designate by proxy another person to serve in his stead. ~~The~~ ~~Such~~ proxies shall clearly state the purpose and the length of time ~~the~~ ~~such~~ proxies shall be in effect, but any ~~such~~ proxy shall be subject to immediate termination by the person initially authorizing the proxy. All proxies shall be filed with the chairman or secretary of the board.
- (3) No salary or other compensation shall be allowed any member of the board, but each member or person serving as a proxy may be reimbursed for actual and necessary expenses incurred in the performance of his official duties.
- (4) The board shall select one (1) of its members as chairman and another member as vice chairman at its first regular meeting in each calendar year. The commissioner of the Department ~~for~~ Local Government or his designee shall be secretary of the board and the commissioner of the Department of Local Government shall be responsible for administering the clerical functions of the board.
- (5) The board may hold meetings once every three (3) months. Special meetings may be called by the chairman or by five (5) members of the board by delivery of a written notice to the office or residence of each member of

the board at least ten (10) days in advance of the date of any special meeting. Five (5) members of the board shall constitute a quorum at any meeting. The board shall establish bylaws for the conduct of its meetings and shall keep an accurate record of all its proceedings.

- (2) If any successor or collector mentioned in subsection (1) of KRS 64.050 fails to make any report or pay the money collected to the Department ~~for~~ Local Government, as required by subsection (1) of KRS 64.050, he shall be guilty of a Class B misdemeanor. If he knowingly omits or fails to report a correct statement of all money received or collected, or knowingly makes or subscribes any false statement concerning the same, he shall be guilty of a Class D felony.
- (3) If any deputy or personal representative issuing a fee bill *in accordance with* ~~pursuant to~~ KRS 64.420 knowingly makes a wrong charge, or in any respect issues an illegal fee bill, he shall be subject to the same penalties as an officer issuing such a fee bill.

 - (b) An annual ad valorem tax for state purposes of one-thousandth of one percent (0.001%) shall be paid upon money in hand, shares of stock, notes, bonds, accounts, credits, and other intangible assets, whether by mortgage, pledge, or otherwise, or unsecured, of financial institutions, as defined in KRS 136.500.

- (8) If the tax rate set by the cabinet as provided in subsection (6) of this section produces more than a four percent (4%) increase in real property tax revenues, the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.
- (9) The provisions of subsection (6) of this section notwithstanding, the assessed value of unmined coal certified by the cabinet after July 1, 1994, shall not be included with the assessed value of other real property in determining the state real property tax rate. All omitted unmined coal assessments made after July 1, 1994, shall also be excluded from the provisions of subsection (6) of this section. The calculated rate shall, however, be applied to unmined coal property and the state revenue shall be devoted to the program described in KRS 146.550 through 146.570 except that four hundred thousand dollars (\$400,000) of the state revenue shall be paid annually to the State Treasury and credited to the Coal Marketing and Export Council for the purpose of public education of coal-related issues.

Section 1. KRS 214.160 is amended to read as follows:

- (1) Every physician and every other person legally permitted to engage in attendance upon a pregnant woman in this state shall take or cause to be taken from the woman a specimen of blood for serological test for syphilis as soon as he is engaged to attend the woman and has reasonable grounds for suspecting that pregnancy exists. If the woman is in labor at the time the diagnosis of pregnancy is made, which may make it inadvisable to obtain a blood specimen at that time, the specimen shall be obtained within ten (10) days after delivery. The specimen of blood shall be submitted to the laboratory of the Cabinet for Human Resources or a laboratory approved by the cabinet, for the purpose of having made a serological test for syphilis. Any physician may administer a toxicology test to a pregnant woman under the physician's care within eight (8) hours after delivery to determine whether there is evidence that she has ingested alcohol, a controlled substance, or a substance identified on the list provided by the cabinet, or if the woman has obstetrical complications that are a medical indication of possible use of any such substance for a nonmedical purpose.

Any obligation of the association to defend an insured shall cease upon the association's payment or tender of an amount equal to the lesser of the association's covered claim obligation limit or the applicable policy limit. Notwithstanding any other provisions of this subtitle, except in the case of a claim for benefits under workers' compensation coverage, any obligation of the association to any and all persons shall cease when ten million dollars (\$10,000,000) shall have been paid in the aggregate by the association and any one (1) or more associations similar to the association of any other state or states or any property/casualty security fund that obtains contributions from insurers on a pre-insolvency basis to or on behalf of any insured and its affiliates on covered claims or allowed claims arising under the policy or policies of any one (1) insolvent insurer. Deferred assessments shall be paid when such payment will not reduce capital and surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;

Section 7. KRS 205.721 is amended to read as follows:

- (1) All services available to individuals receiving **public assistance under Title IV-A of the federal Social Security Act** ~~aid to families with dependent children (AFDC)~~ benefits shall also be available to individuals not receiving **public assistance** ~~AFDC~~ benefits, upon application by the individual with the cabinet.
- (2) The cabinet shall continue to provide IV-D services when a family ceases to receive public assistance without requiring a formal application and without payment of the application fee specified in subsection (3) of this section. IV-D services shall be discontinued upon the request of the recipient.
- (3) Except as provided in subsection (2) of this section, the cabinet may charge an application fee for the services based on a fee schedule, which shall take into account the applicant's net income. No application fee shall be required from individuals receiving public assistance.

Section 8. KRS 403.212 is amended to read as follows:

- (1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
- (2) For the purposes of the child support guidelines:
- (a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.
- (b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to **public assistance under Title IV-A of the federal Social Security Act and** ~~Aid to Families with Dependent Children (AFDC), and~~ food stamps.
- (c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.
- (d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the

community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

- (e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.
- (f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.
- (g) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:
1. The cost of health insurance coverage for the child;
 2. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
 3. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
 4. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.
- (3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.
- (4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars (\$60) per month.
- (5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.
- (6) The child support guidelines table is as follows:

CHAPTER 104

(HB 624)

AN ACT relating to a compact between a city of the first class and a county containing a city of the first class and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 79.310 is amended to read as follows:

- (1) Within one hundred and twenty (120) days of July 15, 1986, there shall be entered into by each city of the first class and a county containing such city of the first class a cooperative compact pursuant to this section and KRS 79.315 to 79.330. Such compact shall provide a framework for cooperation between the city and the county and shall contain such provisions as are required by this section and KRS 79.315 to 79.330 and may contain any other provisions which are not in conflict with this section and KRS 79.315 to 79.330 as may be agreed upon by the city and the county. The compact shall be executed by the mayor of the city of the first class with the consent of the legislative body of the city and the county judge/executive of the county with the consent of the fiscal court.
- (2) The compact entered into pursuant to subsection (1) of this section shall be for a period of twelve (12) years, except that if any mandatory provision of the compact or 1986 Acts Chapter 77 is adjudicated invalid or if any provision of this section or KRS 79.315 to 79.330 is amended or repealed by subsequent act of the General Assembly, the compact shall immediately terminate.
- (3) *Upon the expiration or termination of the cooperative compact entered into according to subsection (1) of this section, a city of the first class and a county containing a city of the first class may renew the*

cooperative compact according to this section and KRS 79.315 to 79.330. Any cooperative compact renewed in accordance with this subsection shall be for a term of ten (10) years, and shall provide a framework for cooperation between the city and the county, shall contain the provisions as required by this section and KRS 79.315 to 79.330, and may contain any other provisions which are not in conflict with this section and KRS 79.315 to 79.330 as may be agreed to by the city and the county. To become effective, the compact shall be executed by the mayor of the city of the first class with approval by the legislative body of the city and the county judge/executive of the county containing a city of the first class, with the approval by the fiscal court.

- (4) Any compact entered into pursuant to this section and KRS 79.315 to 79.330 may be amended by the city and the county, provided that no such amendment shall conflict with the provisions of this section and KRS 79.315 to 79.330.

Section 2. KRS 81A.005 is amended to read as follows:

- (1) When a city of the first class, which has in effect a compact with the county pursuant to KRS 79.310 to 79.330, desires to annex unincorporated territory, the legislative body of the city shall enact an ordinance stating the intention of the city to annex. If an ordinance proposing to annex unincorporated territory has been enacted prior to July 15, 1986, and the ordinance annexing the territory to the city has not been enacted, then in order for the city to annex the territory during the time the compact is in effect, the legislative body of the city shall reenact the ordinance only including the same territory as the original and stating the intention of the city to annex. Such ordinances shall accurately define the boundary of the unincorporated territory proposed to be annexed, and declare it desirable to annex the unincorporated territory.
- (2) The mayor of the city shall deliver a certified copy of the ordinance to the county clerk of the county in which the territory proposed to be annexed is located, who shall have prepared to be placed before the voters in each precinct embraced in whole or in part within the territory proposed to be annexed the question: "Are you in favor of being annexed to the city of?" If only a part of any precinct is embraced within the territory proposed to be annexed only persons who reside within the territory proposed to be annexed shall be permitted to vote. The question shall be submitted to the voters at the next regular election if the ordinance is filed with the county clerk not later than the second Tuesday in August preceding the regular election. The clerk shall cause the sheriff or sheriffs to deliver to the election officers in each precinct in the appropriate counties copies of the ordinance proposing to annex:
- (a) If more than fifty percent (50%) of those voting on the question approve of the annexation, the legislative body may proceed to annex the territory. Within sixty (60) days of the certification of the election results in which more than fifty percent (50%) of those voting in the election approved the annexation, the legislative body of the city may enact an ordinance annexing to the city the territory described in the ordinance. Upon enactment of the ordinance the territory shall become part of the city for all purposes; or
- (b) If fifty percent (50%) or less of those voting on the question approve the annexation, the ordinance proposing annexation shall become ineffectual for any purpose, subject to the provisions of KRS 81A.460.
- (3) Once the ordinance stating the intention of the city to annex an area has been given its first reading or enacted by the city legislative body, no part of such area may be incorporated or be annexed by another city, unless such incorporation or annexation is pending at the time the ordinance is given its first reading, until the annexation proposal by the city of the first class is defeated pursuant to subsection (2) of this section or until the ordinance is withdrawn, repealed, or amended as to the area to be annexed **according to subsection (4) of this section**. This subsection shall apply to any proposing ordinance which has had a first reading or has been enacted as of January 1, 1986. Notwithstanding anything to the contrary in this subsection, any annexation by a city other than the first class or incorporation prior to January 1, 1986, shall not be nullified by the application of KRS 79.310 to 79.330; provided, however, that any city of the first class shall retain any legal annexation priorities which existed on January 1, 1986, to the territory so annexed or incorporated. All pending litigation challenging annexation of a specific unincorporated territory by the city of the first class arising from ordinances proposing to annex such territory enacted prior to July 15, 1986, shall, at the discretion of the court, be remanded on the docket of the appropriate court without prejudice during the term of the compact.
- (4) **The legislative body of the city may elect to amend the description of the territory proposed to be annexed under an ordinance stating the intention of the city to annex an area as described in subsection (1) of this section at any time after the effective date of this Act and prior to September 30, 1998, for the purpose of**

excluding a specific area or areas from the ordinance in order to permit these areas to be annexed by an abutting city located in the county according to KRS 81A. 412. Amendment of the ordinance according to this subsection shall not affect the priority granted this annexation proposal according to subsection (3) of this section.

SECTION 3. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

If any provision of Sections 1 and 2 of this Act or KRS 79.315 to 79.330 is held to be unconstitutional or invalid, that provision shall not be severable but Sections 1 and 2 of this Act and KRS 79.315 to 79.330 shall be invalidated, because it is the intention of the General Assembly that the provisions of Sections 1 and 2 of this Act and KRS 79.315 to 79.330 are so essentially and inseparably connected with and dependent upon every other provision that Sections 1 and 2 of this Act and KRS 79.315 to 79.330 would have not been enacted without the inclusion of every provision in Sections 1 and 2 of this Act and in KRS 79.315 to 79.330.

Section 4. Where a particular class of cities does not exist in a county with a city of the first class, or the number of members representing those classes of cities does not equal six (6), that remaining number of representatives shall be chosen at large by the group representing the consortium of cities.
- (3) Each task force shall begin its activities no later than June 1, 1998, and shall report their findings and recommendations to the Legislative Research Commission and the members of the Kentucky General Assembly no later than August 1, 1999.
- (4) Each task force shall be jointly chaired by the chair and vice chairs of the legislative delegation in each county containing a city of the first class.
- (5) Task force members, other than members of the General Assembly, shall be reimbursed for necessary expenses for travel to meetings outside of each county containing a city of the first class. The members of the General Assembly shall be paid their regular per diem allotment and necessary travel expenses for their attendance the same as for regular interim committee meetings.
- (6) Staff services to be utilized in completing this study are estimated to cost fifty thousand dollars (\$50,000). These staff services shall be provided from the regular Commission budget and are subject to the limitations and other research responsibilities of the Commission.

Section 5. Whereas the compacts entered into pursuant to Section 1 of this Act terminate on June 30, 1998, an emergency is declared to exist and this Act takes effect on June 1, 1998.

The service requirement shall be waived if the member dies or becomes disabled as provided for by KRS 61.600.
- (7) The members shall not receive benefit of service for the same period of time in another public defined benefit retirement fund.
- (8) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65) in one (1) of the retirement systems administered by the Kentucky Retirement Systems, who formerly worked for a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by a defined benefit retirement program, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the County Employees Retirement System, the Kentucky Employees Retirement System or the State Police Retirement System for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the county employees, Kentucky Employees Retirement System or State Police Retirement System. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment may be by lump sum, or the employee may pay by increments.
- (9) (a) Effective August 1, 1980, any county participating in the County Employees Retirement System may purchase current service, between July 1, 1958, and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);

- (c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;
- (d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;
- (e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

- (12) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. - (13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:
 - (a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or
 - (b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.
- (14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.
 - (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

- (b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).
 - (c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.
 - (d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
 - (e) If the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (g) If payments have ceased under subsection (16)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.
 - (h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(c) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in Section 402 (c) and Section 401(a)(31) of the Internal Revenue Code.  - (d) The person shall receive a satisfactory determination pursuant to KRS 61.665; and
 - (e) No disability application *based on the same claim of incapacity* shall be accepted *and considered for disability* for any person who has previously applied for and been denied disability benefits unless ~~it is an application based on the same claim of incapacity~~ is accompanied by evidence of a substantial change in the person's condition which shall satisfy subsection (4) of this section. The application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment in a regular full-time position.
- (2) Upon the examination of the objective medical evidence by licensed physicians pursuant to KRS 61.665, it shall be determined that:
 - (a) The person, since his last day of paid employment, has been mentally or physically incapacitated to perform the job, or jobs of like duties, from which he received his last paid employment.  - (b) The person has at least sixteen (16) years current or prior service for employment with employers participating in the retirement systems administered by the Kentucky Retirement Systems.

2. The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.
- (b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle, and other physical functions shall be considered with regard to physical impairments. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.
 - 3. Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.
 - 4. Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.

5. Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.

 3. *Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance fund under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;*

The amounts paid by the *other state-administered retirement plans and the insurance fund*~~[Judicial Retirement Fund and the County Employees Retirement System]~~ shall not be more than one hundred percent (100%) of the *monthly contribution*~~[single premium amount]~~ adopted by the respective boards of trustees~~[or more than the maximum percentage payable under the program established under this section or KRS 21.427]~~.

- (4) The system shall compute the cost of the sick-leave credit of each retiring employee and bill the employer accordingly. The employer shall remit payment within thirty (30) days from receipt of the bill.
- (5) As an alternative to subsections (1), (3), and (4) of this section, any agency participating in the County Employees Retirement System which has formally adopted a sick-leave program that is universally administered to its employees shall, at the time of termination, compensate the employee for unused sick-leave days the employee has accumulated which it is the uniform policy of the agency to allow. The rate of compensation for each unused sick-leave day shall be based on the daily salary rate calculated from the employee's current rate of pay. Payment for unused sick-leave days shall be incorporated into the **employee's final compensation**~~[annual salary of the final year of service]~~, if the employee and employer make the regular employee and employer contributions, respectively, on the sick-leave payment. The number of sick-leave days for which the employee is compensated shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. This number of months shall be added to the employee's total service credit and to the number of months used to determine creditable compensation, pursuant to KRS 78.510, but no more than sixty (60) months shall be used to determine final compensation.

Section 25. KRS 78.625 is amended to read as follows:

- (1) The agency reporting official of the county shall, by the tenth day of each month, forward to the system an amount equal to the aggregate amount of the employees' contributions deducted during the previous month in accordance with KRS 78.610 and the aggregate amount of the employer's contributions due for the previous month in accordance with KRS 61.565.
- (2) The agency reporting official or some other person designated by the county shall forward a record of all contributions to the system on the forms the board prescribes.
- (3) (a) If the agency reporting official fails to forward all contributions within twenty (20) days of the tenth day of the month following the period being reported, interest at the **actuarial rate adopted by the board**~~[of eight percent (8%) per year]~~ compounded annually on the delinquent contributions, but not less than one hundred dollars (\$100), shall be added to the amount due the system.
- (b) Delinquent contributions, with interest at the rate **adopted by the board**~~[of eight percent (8%) per year]~~ compounded annually, **or penalties** may be recovered by action in the Franklin Circuit Court against the county liable or may, at the request of the board, be deducted from any other moneys payable to the county by any department or agency of the state.
- (4) If an agency is delinquent in the payment of contributions due in accordance with any of the provisions of KRS 78.510 to 78.852, refunds and retirement allowance payments to members of this agency may be suspended until the delinquent contributions have been made.

Section 26. KRS 61.555 is amended to read as follows:

- (1) Any employee entering the Armed Forces of the United States after he first participates in the system, being on leave of absence from service and not withdrawing his accumulated contributions, shall be entitled to have credited as current service his period of active military duty in the Armed Forces of the United States, not to exceed six (6) years, if his discharge therefrom is honorable and he is reemployed within two (2) years after discharge, or upon the subsequent termination of any total disability which existed at the expiration of the two (2) years after discharge.
- (2) Any member of the system who, prior to the date he first participated in the system, terminated his employment in order to enter the Armed Forces of the United States and who was or is reemployed within two (2) years after his honorable discharge therefrom, or upon the subsequent termination of any total disability which existed at the expiration of the two (2) years after discharge, shall be entitled to have credited as prior service his period of active military duty in the Armed Forces, not to exceed six (6) years.

- (3) Any National Guard technician involuntarily serving on active military duty during the period between January 26, 1968, and January 1, 1970, who completes his eight (8) years service while on military duty during this period, shall have that portion of his active military duty, necessary to the completion of eight (8) years current service, credited to his account, as current service without having to meet the reemployment criteria.
- (4) Any employee eligible for retirement as prescribed in KRS 61.559 or any employee upon completion of five (5) years of service shall receive current service credit for a maximum of four (4) years for his period of active military duty in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service under subsections (1) to (3) of this section if he pays thirty-five percent (35%) of the cost of the service based on the formula adopted by the board. The payment by the member shall not be picked up by the employer, as described in subsection (4) of KRS 61.560, and shall be deposited to his individual member's account. The remaining sixty-five percent (65%) shall be paid by the state from funds appropriated specifically for the purpose and these payments shall be deposited to the respective retirement allowance accounts. If no funds are available in the special appropriation account, the system shall not accept employee payments until funds are available in the account.
- (5) A member eligible to purchase military service credit under subsection (4) of this section shall receive current service credit for active military duty as provided under subsection (4) of this section without payment of the current employee contribution ratio if the member was taken prisoner by a hostile power at any time during active military service.
- (6) Any member age sixty-five (65) or older who has forty-eight (48) months of service, at least twelve (12) of which are current service, or any other member who has sixty (60) months of service, at least twelve (12) of which are current service (or his beneficiary if the member dies prior to retirement) shall receive current service for a maximum of four (4) years for his period of active military duty in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service under subsections (1) to (4) of this section, by paying the retirement system a delayed contribution payment as defined in subsection (22) of KRS 61.510. Payment shall be by lump sum, except that members may pay by increments. The delayed contribution payment shall not be picked up, as described in subsection (4) of KRS 61.560, by the employer and shall be deposited to the individual member's account.
- (7) Effective July 1, 1978, no veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for such pension in the future; but nothing in this section shall prohibit the purchase of credit if the military pension results from service primarily on inactive duty in a reserve component of the Armed Forces, or if the military pension is a disability pension, or is for a veteran sixty-five (65) years of age or older who is considered permanently and totally disabled. Any veteran receiving a military disability pension who retired prior to July 15, 1986, who was unable to purchase military service credit pursuant to subsection (4) or subsection (6) of this section, may make the payment required by subsection (4) or subsection (6), and his retirement benefits shall be recalculated to apply to all retirement allowances and insurance benefits received after the date of the payment. Retiree payments pursuant to subsection (4) of this section shall not be accepted unless matching state funds are available in the special appropriation account.
- (8) ***Any member of the Kentucky Employees Retirement System age sixty-five (65) or older who has forty-eight (48) months of service, at least twelve (12) of which are current service, or any member of the Kentucky Employees Retirement System or the State Police Retirement System who has sixty (60) months of service, at least twelve (12) of which are current service, shall receive one (1) month of current service for each six (6) months of service in the National Guard or the military reserves of the United States, by paying the retirement system the full actuarial cost as determined by the system. The service shall be treated as service earned prior to participation in the system and shall not be included in the member's final compensation. Payment may be made by lump sum or in increments. The payment shall not be picked up by the employer, as described in KRS 16.545(4), 61.560(4), or 78,610(4) and shall be deposited in the member's individual retirement account.***

Section 27. KRS 161.507 is amended to read as follows:

- (1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the

employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

- (2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
- (3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.
- (4)
 - (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service for which the member is receiving credit. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.
 - (b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.
- (5) ***An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) month of service in the reserves or the National Guard. The member shall pay the full actuarial cost of the service in the military reserves or the National Guard. Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).***

Section 28. KRS 61.637 is amended to read as follows:

- (1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and KRS 78.520 to 78.852 and who is reemployed in any position except as an independent contractor by a participating agency shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.
- (2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and KRS 78.520 to 78.852 on the compensation paid during reemployment except where monthly payments were not suspended as

provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.

- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4)
 - (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;
 - (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;
 - (c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:
 1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
 2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
 3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;
 4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691. If the member had selected the retirement allowance payable for ten (10) years certain under KRS 16.576(4) upon his initial retirement and is reemployed within the same system from which he retired in a nonhazardous position, upon termination the member shall receive a retirement allowance from his nonhazardous service payable for the number of months remaining under his hazardous benefit;
 5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.
- (5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
- (6)
 - (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095; and
 - (b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.
- (7) *Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the*

member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.

CHAPTER 107

(HB 185)

AN ACT relating to student activities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.153 is amended to read as follows:

- (1) Unless the action is taken pursuant to KRS 158.150, no school, school administrator, teacher, or other school employee shall expel or punish a child based on information contained in a record of an adjudication of delinquency or conviction of an offense received by the school pursuant to KRS 610.345 or from any other source. Nothing in this subsection shall be construed to prohibit a local school board or school official from instituting disciplinary proceedings against any student for violating the discipline policy of the school or school district or taking actions necessary to protect staff and students. Actions to protect staff and students may be taken only after the principal makes a determination that the conduct of the student reflected in the records of the school or obtained by the school from the court indicates a substantial likelihood of an immediate and continuing threat that the student will cause harm to students or staff, and that the restrictions to be ordered represent the least restrictive alternative available and appropriate to remedy the threat, and that the determination and supporting material be documented in the child's record. The action of the principal, in addition to or in lieu of any other procedure available, may be appealed by the child or the child's parent or guardian to the superintendent of the school system or to the Circuit Court in the county in which the school is located, and the appealing party may be represented by counsel.
- (2) No school, school administrator, teacher, or other school employee who has custody of records received or maintained by the school pursuant to KRS 610.345 or who has received information contained in or relating to a record received by the school pursuant to KRS 610.345 shall disclose the fact of the record's existence, or any information contained in the record or received from the record to any other person, including but not limited to other teachers, school employees, pupils, or parents other than the pupil, or parents of the pupil who is the subject of the record.
- (3) The child and his parent or guardian shall have a civil cause of action against the school board and against any school administrator violating subsection (1) or (2) of this section or divulging information in violation of KRS 610.345 or 610.340. This civil cause of action shall be in addition to any other criminal or administrative remedy provided by law.
- (4) *Nothing in this section shall be construed to prohibit a local board of education from establishing district-wide standards of behavior for students who participate in extracurricular and cocurricular activities, including athletics. A school principal may deny or terminate a student's eligibility to participate in extracurricular or cocurricular activities if the student has violated the local district behavior standards or the council's criteria for participation, as described in KRS 160.345(2)(i)8. A student's right to participate in extracurricular or cocurricular activities, including athletics may be suspended, pending investigation of an allegation that the standards of behavior have been violated.*

CHAPTER 108**(HB 215)**

AN ACT relating to school athletics.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 156.070 is amended to read as follows:

- (1) The Kentucky Board of Education shall have the management and control of the common schools and all programs operated in these schools, including interscholastic athletics, the Kentucky School for the Deaf, the Kentucky School for the Blind, and community education programs and services.
- (2) The Kentucky Board of Education may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations, and bylaws of any organization or agency so designated shall be approved by the board, and provided further that any administrative hearing conducted by the designated managing organization or agency shall be conducted in accordance with KRS Chapter 13B ~~with final orders subject to review by the board~~.
 - (a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which National Collegiate Athletic Association members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.
 - (b) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws which prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity wrestling, soccer, and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity wrestling, soccer, and football for students who have not successfully completed the eighth grade.
 - (c) ***Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.***
- (3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.
 - (b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written

notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

- (c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.
- (4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.
- (5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

The time and location of hearings shall be determined by the registry. Retired or former justices or judges selected to serve ~~on a three (3) judge panel~~ shall receive reimbursement from the registry for their reasonable and necessary expenses incurred as a result of the performance of their duties **at the hourly rate set for attorneys by the Finance and Administration Cabinet**. The registry shall notify the complainant and the alleged violator that a hearing shall be conducted of the specific offenses alleged not less than thirty (30) days prior to the date of the hearing. At the hearing, which shall be open to the public pursuant to KRS 61.810, the attorney for the registry shall present the evidence against the alleged violator, and the alleged violator shall have all of the protections of due process, including, but not limited to, the right to be represented by counsel, the right to call and examine witnesses, the right to the production of evidence by subpoena, the right to introduce exhibits and the right to cross-examine opposing witnesses. **If the justice or judge determines that the preponderance of the evidence shows a violation has occurred, the justice or judge shall**~~The panel shall conclude its proceedings and~~ render a decision not more than sixty (60) days after the **case is submitted for determination. The decision shall become the final decision of the registry unless the registry board at its next regular meeting acts to set aside or modify the justice's or judge's decision, in which case the registry board's decision shall become the final registry decision. A party adversely affected by the registry's order may appeal to Franklin Circuit Court within thirty (30) days after the date of the registry's order. The**~~date on which the panel was appointed to conduct a hearing. If the panel determines that the preponderance of the evidence shows a violation has occurred, it shall issue an order, which shall be appealable to the Court of Appeals within thirty (30) days after the date of the order, to the~~ violator **may be ordered** to comply with any one (1) or more of the following requirements:
- (a) To cease and desist violation of this law;
- (b) To file any reports or other documents or information required by this law;
- (c) To pay a penalty not to exceed one hundred dollars (\$100) a day, up to a maximum total fine of five thousand dollars (\$5,000), for failure to file any report, payment of an administrative fee, or other document or information required by law until the report, fee payment, document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or
- (d) To pay a penalty not to exceed five thousand dollars (\$5,000) per violation for acts of noncompliance with provisions contained within this chapter. An appeal of an order ~~of the panel~~ shall be advanced on the docket to permit a timely decision.
- (5) If the registry concludes that there is probable cause to believe that the campaign finance law has been violated knowingly, it shall refer the violation to the Attorney General or the appropriate Commonwealth's or county attorney for prosecution. The Attorney General may request the registry's attorney or the appropriate county or Commonwealth's attorney to prosecute the matter and may request from the registry all evidence collected in

its investigation. In the event the Attorney General or the appropriate local prosecutor fails to prosecute in a timely fashion, the registry may petition the Circuit Court to appoint the registry's attorney to prosecute, and upon a motion timely filed, for good cause shown, the court shall enter an order to that effect. Prosecutions involving campaign finance law violations, in which the reports are required to be filed in Frankfort, may be conducted in Franklin Circuit Court or in the Circuit Court for the county in which the contribution or expenditure constituting a campaign finance violation was solicited, made, or accepted. The prosecution of a person who unlawfully solicits, makes, or accepts a contribution or expenditure through the use of the mail may be conducted in the Circuit Court for the county in which the solicitation is mailed, the county in which the contribution is mailed or received, or the county in which the expenditure is mailed.

- (6) Any person directly involved or affected by an action of the registry~~[or the panel]~~ which is final, other than of a determination to refer a violation to the Attorney General or appropriate Commonwealth's or county attorney for prosecution, may seek judicial review of the action within thirty (30) days after the date of the action.
- (7) If judicial review is sought of any action of the registry~~[or the panel]~~ relating to a pending election, the matter shall be advanced on the docket of the court. The court may take any steps authorized by law to accelerate its procedures so as to permit a timely decision.

CHAPTER 111

(HB 308)

AN ACT relating to teacher scholarships.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 164.769 is amended to read as follows:

- (1) It is the intent of the General Assembly to establish a teacher scholarship program to assist highly qualified individuals to become certified Kentucky teachers and render teaching service in Kentucky schools.
- (2) For purposes of this section, the terms listed below shall have the following meanings:
 - (a) "Critical shortage area" means an understaffing of teachers in particular subject matters at the secondary level, in grade levels, or in geographic locations at the elementary and secondary level, as determined by the commissioner of education in consultation with the authority. The commissioner and the authority may use any source considered reliable including, but not limited to, local education agencies to identify the critical shortage areas.

- (b) "Eligible program of study" means an undergraduate or graduate program of study which is preparatory to initial teacher certification, but does not lead to a certificate, diploma, or degree in theology, divinity, or religious education.
 - (c) "Expected family contribution" means the amount that a student and his family are expected to contribute toward the cost of the student's education determined by applying methodology set forth in 20 U.S.C. sec. 1087 kk to 1087 vv.
 - (d) "Participating institution" means an institution of higher education located in Kentucky which offers an eligible program of study and has in force an agreement with the authority providing for administration of this program.
 - (e) "Qualified teaching service" means teaching the major portion of each school day for at least seventy (70) days each semester in a public school of the Commonwealth or a private school certified pursuant to KRS 156.160(3), ***except that an individual having a disability defined by Title II of the Americans with Disabilities Act (42 U.S.C. §12131 et seq.), whose disability, certified by a licensed physician, prevents that individual from teaching a major portion of each school day, shall be deemed to perform qualified teaching service by teaching the maximum time permitted by the attending physician.***
 - (f) "Semester" means a period of about eighteen (18) weeks, which usually makes up one-half (1/2) of a school year or one-half (1/2) of a participating institution's academic year.
 - (g) "Summer term" means an academic period consisting of one (1) or more sessions of instruction between a spring and a fall semester.
- (3) The authority may, to the extent of appropriations and other funds available to it pursuant to subsection (9) of this section, award teacher scholarships to persons eligible under subsection (4) of this section, who initially demonstrate financial need in accordance with standards and criteria established by the authority or received teacher scholarships pursuant to this section prior to July 1, 1996. Each teacher scholarship shall be evidenced by a promissory note that requires repayment or cancellation pursuant to subsection (6) of this section.
 - (4) Kentucky residents who are United States citizens and enrolled or accepted for enrollment in an eligible program of study on a full-time basis at a participating institution shall be eligible, to apply for and be awarded teacher scholarships. Teacher scholarships shall first be awarded to highly qualified eligible students who meet standards and requirements established by the Education Professional Standards Board pursuant to KRS 161.028 for admission to a teacher education program at a participating institution or who received teacher scholarships pursuant to this section prior to July 1, 1996. If funds are not depleted after awarding teacher scholarships to students who meet the preceding criteria, then awards shall be made to any otherwise eligible students seeking admission to a teacher education program.
 - (5) The authority shall establish, by administrative regulation, the maximum amount of scholarship to be awarded for each semester and summer term under this section, and shall prorate the amount awarded to any student enrolled less than full-time in accordance with paragraph (6)(a) of this section. The aggregate amount of scholarships awarded to an individual shall not exceed twelve thousand five hundred dollars (\$12,500) for undergraduate students and seven thousand five hundred dollars (\$7,500) for post-baccalaureate students, except that the aggregate amount of scholarships awarded to an individual who received teacher scholarships pursuant to this section prior to July 1, 1996, including any amount received pursuant to KRS 156.611, 156.613, 164.768, or 164.770, shall not exceed twenty thousand dollars (\$20,000), and the amount of each scholarship to be awarded shall not exceed the applicant's total cost of education minus other financial assistance received or expected to be received by the applicant during the academic period.
 - (6) (a) The authority shall disburse teacher scholarships to eligible students who agree to render qualified teaching service as certified teachers, and are unconditionally admitted and enrolled in an eligible program of study on a full-time basis, except that disbursements may be made to otherwise eligible students enrolled less than full-time in the semester or summer term in which the eligible program of study will be completed ***or otherwise eligible students having a disability defined by Title II of the Americans with Disabilities Act (42 U.S.C. §12131 et seq.), who have been certified by a licensed physician to be unable to attend the eligible program of study full-time because of the disability.*** Teacher scholarships shall be disbursed to eligible students who received teacher scholarships pursuant to this section for recertification in a critical shortage area prior to July 1, 1996, who are enrolled in and

continuing toward completion of their program of study, and who agree to render qualified teaching service as certified teachers.

- (b) A teacher scholarship shall not be awarded or a promissory note cancellation shall not be granted to any person who is in default on any obligation to the authority under any program administered by the authority pursuant to KRS 164.740 to 164.785 until financial obligations to the authority are satisfied, except that ineligibility for this reason may be waived by the authority for cause.
 - (c) Recipients shall render one (1) semester of qualified teaching service for each semester or summer term of scholarship received, except that recipients who teach in a critical shortage area designated by the authority shall render one (1) semester of qualified teaching service as repayment for two (2) semesters or summer terms of scholarships received. Upon completion of each semester of qualified teacher service, the authority shall cancel the appropriate number of promissory notes.
 - (d) If the recipient of a teacher scholarship fails to complete an eligible program of study at a participating institution or fails to render qualified teaching service in any semester following certification or recertification, unless the failure is temporarily waived for cause by the authority, the recipient shall immediately become liable to the authority for repayment of the sum of all outstanding promissory notes and accrued interest. Persons liable for repayment of scholarships under this paragraph shall be liable for interest accruing from the dates on which the teacher scholarships were disbursed.
 - (e) Recipients who have outstanding loans or scholarships under KRS 156.611, 156.613, 164.768, or 164.770 respectively, and who render qualified teaching service, shall have their notes canceled in accordance with subsection (6)(c) of this section.
 - (f) The authority shall establish, by administrative regulation, the terms and conditions for the award, cancellation, and repayment of teacher scholarships including, but not limited to, the selection criteria, eligibility for renewal awards, amount of scholarship payments, deferments, the rate of repayment, and the interest rate thereon.
 - (g) Notwithstanding any other statute to the contrary, the maximum interest rate applicable to repayment of a promissory note under this section shall be twelve percent (12%) per annum, except that if a judgment is rendered to recover payment, the judgment shall bear interest at the rate of five percent (5%) greater than the rate actually charged on the promissory note.
- (7) A repayment obligation imposed by this section shall not be voidable by reason of the age of the recipient at the time of receiving the teacher scholarship.
 - (8) Failure to meet repayment obligations imposed by this section shall be cause for the revocation of a person's teaching certificate, subject to the procedures set forth in KRS 161.120.
 - (9) All moneys repaid to the authority under this section shall be added to the appropriations made for purposes of this section, and the funds and unobligated appropriations shall not lapse.
 - (10) The authority may execute appropriate contracts and promissory notes for administering this section.
 - (11) If available funds are insufficient for all requested scholarships for eligible applicants during any fiscal year, the authority shall give priority consideration to eligible applicants who previously received teacher scholarships. If funds are insufficient to make all requested renewal scholarships to eligible applicants, the authority shall reduce all scholarship awards to the extent necessary to provide scholarships to all qualified renewal applicants. If, after awarding all eligible renewal applicants, funds are not depleted, initial applications shall be ranked according to regulatory selection criteria, which may include expected family contribution and application date, and awards shall be made to highly qualified applicants until funds are depleted.

CHAPTER 117

(HB 405)

AN ACT relating to the emergency management assistance compact.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 39 IS CREATED TO READ AS FOLLOWS:

Emergency Management Assistance

Compact

ARTICLE I. Purpose and Authorities.

This compact is made and entered into by and between the participating member states which enact this compact, hereinafter called party states. For the purposes of this compact, the term 'states' is taken to mean the several states, the Commonwealth of Puerto Rico, the District of Columbia, and all U.S. territorial possessions.

The purpose of this compact is to provide for mutual assistance between the states entering into this compact in managing any emergency disaster that is duly declared by the Governor of the affected state, whether arising from natural disaster, technological hazard, man-made disaster, civil emergency aspects of resources shortages, community disorders, insurgency, or enemy attack.

This compact shall also provide for mutual cooperation in emergency-related exercises, testing, or other training activities using equipment and personnel simulating performance of any aspect of the giving and receiving of aid by party states or subdivisions of party states during emergencies, such actions occurring outside actual declared emergency periods. Mutual assistance in this compact may include the use of the states' National Guard forces, either in accordance with the National Guard Mutual Assistance Compact or by mutual agreement between states.

ARTICLE II. General Implementation.

Each party state entering into this compact recognizes that many emergencies transcend political jurisdictional boundaries and that intergovernmental coordination is essential in managing these and other emergencies under this compact. Each state further recognizes that there will be emergencies which require immediate access and present procedures to apply outside resources to make a prompt and effective response to such an emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

The prompt, full, and effective utilization of resources of the participating states, including any resources on hand or available from the federal government or any other source, that are essential to the safety, care, and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this compact shall be understood.

On behalf of the Governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III. Party State Responsibilities.

- A. *It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, insofar as practical, shall:*
1. *Review individual state hazards analyses and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, emergency aspects of resources shortages, civil disorders, insurgency, or enemy attack;*
 2. *Review party states' individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency;*

3. *Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans;*
 4. *Assist in warning communities adjacent to or crossing the state boundaries;*
 5. *Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material;*
 6. *Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness; and*
 7. *Provide, to the extent authorized by law, for temporary suspension of any statutes or ordinances that restrict the implementation of the above responsibilities.*
- B.** *The authorized representative of a party state may request assistance to another party state by contracting the authorized representative of that state. The provisions of this compact shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within thirty (30) days of the verbal request. Requests shall provide the following information:*
1. *A description of the emergency service function for which assistance is needed, including, but not limited to, fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building, inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue;*
 2. *The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time they will be needed and;*
 3. *The specific place and time for staging of the assisting party's response and a point of contact at that location.*
- C.** *There shall be frequent consultation between state officials who have assigned emergency management responsibilities and other appropriate representatives of the party states with affected jurisdictions and the United States Government, with free exchange of information, plans, and resource records relating to emergency capabilities.*

ARTICLE IV. Limitations.

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state.

Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers, except that of arrest unless specifically authorized by the receiving state, duties, rights, and privileges as are afforded forces of the state in which they are performing emergency services. Emergency forces will continue under the command and control of their regular leaders, but the organizational units will come under the operational control of the emergency services authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state emergency or disaster by the Governor of the party state that is to receive assistance or upon commencement of exercises or training for mutual aid and shall continue so long as the exercises or training for mutual aid are in progress, the state of emergency or disaster remains in effect, or loaned resources remain in the receiving state, whichever is longer.

ARTICLE V. Licenses and Permits.

Whenever any person holds a license, certificate, or other permit issued by any party state to the compact evidencing the meeting of qualifications for professional, mechanical, or other skills, and when such assistance is requested by the receiving state party, such person shall be deemed licensed, certified, or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the Governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI. Liability

Officers or employees of a party state rendering aid in another state pursuant to this compact shall be considered agents of the requesting state for tort liability and immunity purposes. No party state or its officers or

employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of the maintenance or use of any equipment or supplies in connection therewith. Good faith in this article shall not include willful misconduct, gross negligence, or recklessness.

ARTICLE VII. Supplementary Agreements.

Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that among the states that are party hereto, this compact contains elements of a broad base common to all states, and nothing herein shall preclude any state entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies.

ARTICLE VIII. Compensation.

Each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX. Reimbursement.

Any party state rendering aid in another state pursuant to this compact shall be reimbursed by the party state receiving such aid for any loss or damage to or expense incurred in the operation of any equipment and the provision of any service in answering a request for aid and for the costs incurred in connection with such requests; provided, that any aiding party state may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party state without charge or cost; and provided further, that any two or more party states may enter into supplementary agreements establishing a different allocation of costs among those states. Article VIII expenses shall not be reimbursable under this article.

ARTICLE X. Evacuation.

Plans for the orderly evacuation and interstate reception for portions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management/services directors of the various jurisdictions where any type of incident requiring evacuations might occur. Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines, and medical care, and like items. Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume the responsibility for the ultimate support of repatriation of such evacuees.

ARTICLE XI. Implementation.

- A. This compact shall become effective immediately upon its enactment into law by any two states. Thereafter, this compact shall become effective as to any other state upon enactment by such state.*
- B. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until thirty (30) days after the Governor of the withdrawing state has given notice in writing of such withdrawal to the Governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.*
- C. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Federal Emergency Management Agency and other appropriate agencies of the United States Government.*

ARTICLE XII. Validity.

This compact shall be construed to effectuate the purposes stated in Article I. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be affected.

ARTICLE XIII. Additional Provisions.

Nothing in this compact shall authorize or permit the use of military force by the National Guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the Army or the Air Force would in the absence of express statutory authorization be prohibited under Section 1385 of Title 18 of the United States Code.

Section 2. KRS 39.460 is amended to read as follows:

The Governor is hereby authorized to take such actions as are necessary to effectuate the provisions of the compact set forth in *Section 1 of this Act* ~~[KRS 39.450]~~.

Section 3. The following KRS section is repealed:

Section 4. The participation of the Commonwealth of Kentucky in the Interstate Emergency Management and Disaster Compact set forth in KRS 39.450 is terminated.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.595 is amended to read as follows:

- (1) Effective July 1, 1990, upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) for the County Employees Retirement System and one and ninety-seven hundredths percent (1.97%) for the Kentucky Employees Retirement System of final compensation multiplied by the number of years of service credit, except that:
- (a) *Effective February 1, 1999, a member of the Kentucky Employees Retirement System who was participating in one of the state-administered retirement systems as of January 1, 1998, and continues to participate through January 1, 1999, shall receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two percent (2%) of final compensation multiplied by the number of years of service credit. Any Kentucky Employees Retirement System member whose effective date of retirement is between February 1, 1999, and January 31, 2009, and who has at least twenty (20) years of service credit in one of the state-administered retirement systems and who was participating in one of the state-administered retirement systems as of January 1, 1998, and continues to participate through January 1, 1999, shall receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) of final compensation multiplied by the number of years of service credit. Notwithstanding the provisions of KRS 61.565, the funding for this paragraph shall be provided from existing funds of the retirement allowance account.*
- (b) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars (\$240) multiplied by the number of years of service as a member of the General Assembly;
- (c)~~(b)~~ The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;
- (d)~~(c)~~ Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars (\$240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the system, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any member with sixteen (16) or more years of legislative service previously applied for and is receiving

a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

- (e)~~(d)~~ The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars (\$512); and

A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education or the Higher Education Assistance Authority, may count the vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. The credit from a Kentucky institution of higher education or the Higher Education Assistance Authority shall not be used to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).
- (c) There shall be no reduction in the retirement allowance of the member who has twenty-six (26) years of service, sixteen (16) of which are current consecutive years of service as a cabinet secretary or administrative head of one (1) of the three (3) branches of government who has retired under the provisions of KRS 61.559(2)(e).
- (3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.
- (4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar (\$1) greater or less than the amount of the initial retirement payment.

Section 2. KRS 61.705 is amended to read as follows:

Application for the death benefit made to the Kentucky Retirement Systems shall include acceptable evidence of death and of the eligibility of the applicant to act on the deceased retired member's behalf.
- (2) The death benefit shall be paid to a beneficiary named by the retired member. Upon retirement or any time thereafter, the retired member may designate on the form prescribed by the board, death benefit designation, an individual, his estate, a trust or trustee as the beneficiary of the death benefit. The beneficiary for the death benefit may or may not be the same beneficiary designated in accordance with KRS 61.590(1). A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.
 - (b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. Repair, replacement, or spare parts shall not be considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing. The brand shall be carried forward and printed in the appropriate section on the face of all titles issued thereafter for that motor vehicle.

- (4) The owner of a water damaged vehicle shall make application to the cabinet for a salvage certificate of title as provided for in KRS 186A.520. The owner of a vehicle with a brand from another jurisdiction identifying the vehicle as water damaged or other similar designation who is making application for a Kentucky title shall be issued a title with the words "water damaged" printed on the face of the title.
- (5) A Kentucky salvage certificate of title may be issued from an out-of-state junking certificate or other ownership document bearing a designation of "junk," "unrebuildable," or other similar classification with the following provisions:

- (6) (a) When an insurance company makes a claim settlement on a vehicle that has been stolen and recovered, if the vehicle meets the definition of a salvage vehicle as set forth in KRS 186A.520, the company shall apply for a salvage certificate of title as provided for in KRS 186A.520. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A regarding the forms and any additional information which insurance companies shall be required to obtain and submit when seeking a certificate of title to replace a salvage certificate of title.
- (b) In claim settlements that do not involve transfer of the vehicle to the insurance company, an insurer shall not render payment on a damage claim for a vehicle whose damage meets or exceeds seventy-five percent (75%) of the value of the vehicle, until the insurer has received proof that the owner has surrendered the title or has applied for a salvage certificate of title as set forth in KRS 186A.520. The owner shall apply for a salvage certificate of title within three (3) working days of the agreed settlement.
- (c) An insurance company shall not refuse coverage to, and shall not reclassify coverage of, a vehicle that has been issued a rebuilt title pursuant to the provisions of this section.

The form shall inform the buyer that the vehicle is a rebuilt vehicle and may include any other information the cabinet deems necessary.
 - (b) Nondealer disclosure shall be made in accordance with the procedures provided for in KRS 186A.060. The Department of Vehicle Regulation shall ensure that disclosure information appears near the beginning of the application for title and informs the buyer that the vehicle is a rebuilt vehicle.
- (8) Failure of a dealer to procure the buyer's acknowledgment signature on the buyer's notification form or failure of any person other than a dealer to procure the buyer's acknowledgment signature on the vehicle transaction record form shall render the sale voidable at the election of the buyer. The election to render the sale voidable shall be limited to forty-five (45) days after issuance of the title. This provision shall not bar any other remedies otherwise available to the purchaser.
- (9) The notification provisions of this section shall not apply to motor vehicles more than ten (10) model years old.
- (10) The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A, regarding the administration of the title branding procedure within ninety (90) days from July 15, 1994. Section 9. KRS 186.045 is amended to read as follows:

- (1) Whenever a perfected security interest is assigned, the assignor shall immediately give a statement of assignment to the assignee and at the same time deliver another copy of the statement to the debtor. The assignee shall, within thirty (30) days thereafter, present a copy of the statement of assignment to the county clerk in whose office the security interest was noted on the certificate of title. Upon receipt of the assignment, the county clerk shall mark the same as provided in subsection (2) of KRS 355.9-405 and attach it to the ~~title~~~~motor vehicle~~ lien statement. The county clerk shall enter the assignment of the perfected security interest into the automated vehicle information system. For this service the county clerk shall collect a fee pursuant to KRS 64.012.
- (2) Whenever a security interest has been discharged, other than by proceedings under KRS 355.9-501 to 355.9-507 or similar proceedings, the secured party shall, within ten (10) days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the county clerk of the county in which the ~~title~~~~motor vehicle~~ lien statement was submitted. The secured party shall also deliver a copy of the termination statement to the debtor or the debtor's transferee. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Within five (5) days after the receipt of such documents, the county clerk shall note the filing in the index, in language prescribed by the cabinet, that the termination statement has been filed. Upon presentation of the owner's title showing such security interest to the county clerk where the termination statement was submitted, and with the copy of the termination statement submitted by the secured party, the clerk shall discharge the security interest by noting on such title that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's title to the owner. The county clerk shall then file the termination statement in the place from which the ~~title~~~~motor vehicle~~ lien statement was removed. Termination statements must be retained in the clerk's files for a period of two (2) years subsequent to the date of filing such statement, at which time they may be destroyed. The fee for these services are included in the provisions of KRS 186A.190.
- (3) Upon presentation of the owner's title showing such security interest to the county clerk of a county where the termination statement was not delivered, the county clerk of that county shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If such record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered, shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If such record of termination has not been entered into the automated system, in no case shall the county clerk of the county other than where the termination statement was delivered, make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the ~~title~~~~motor vehicle~~ lien statement was submitted.
- (4) Whenever any secured party repossesses a vehicle titled in this state, for which a security interest is in existence at the time of repossession, and disposes of such vehicle pursuant to the provisions of KRS Chapter 355, he must present, within fifteen (15) days after such disposition, an affidavit in form prescribed by the department and a termination statement or proof that such termination statement has been filed. The new owner shall pay all applicable fees for titling and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the lien shall then omit from the title he makes application for any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such title which is superior to the one under which the vehicle was repossessed, must be shown on the title issued by the clerk unless the prior secured party has discharged such security interest in such clerk's office or proof of termination is submitted in case such prior security interest was discharged in another clerk's office.
- (5) Whenever any vehicle brought into this state is required to be titled in this state and such vehicle is then subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk is prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or ~~title~~~~motor vehicle~~ lien statement and presents same to the clerk along with the fees required in KRS 186A.190. The clerk shall note the out-of-state security interest on the certificate of title. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.
- (6) The fees provided for in this section are in addition to any state fee provided for by law.

- (7) Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.
- (8) The county clerk is prohibited from noting any security interest on a certificate of title on any vehicle subject to the provisions of KRS Chapter 186A if a certificate of title therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner must see to it that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180 must be obtained from the clerk by the owner of the vehicle.
- (9) Security interests in vehicles sold to or owned by residents of other states must be perfected in the state of such nonresident and repossession of the vehicle must be taken pursuant to the laws of such state, unless the vehicle is principally operated in Kentucky and is properly titled herein under KRS Chapter 186A and the security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

Section 10. KRS 186.170 is amended to read as follows:

- (1) Except as provided in this subsection and in KRS 186.045, the owner shall have the receipt issued by the cabinet through the county clerk constantly in his possession, and shall display the registration plate conspicuously upon the rear of the motor vehicle, except that the registration plate upon a semitrailer-tractor shall be displayed upon the front of the tractor. The owner may apply for the decal by presenting his certificate of registration either at the time of registration renewal or later. The county clerk shall charge a three dollar (\$3) clerk's fee for issuing the decal set if it is applied for a time other than at registration renewal. If the cabinet has prescribed that plates shall continue in use, it shall each year, in addition to the registration receipt, select and give to the owner as further evidence of registration some insignia which may conveniently be attached permanently and conspicuously to the motor vehicle during each registration year. It shall be the duty of the owner to attach the insignia in the prescribed manner and no person may operate a motor vehicle unless the insignia is affixed upon it. The cabinet shall have placed on the insignia either figures, letters, writing, marks, or a combination thereof, which indicate that the motor vehicle has been registered and which in conjunction with the records of the cabinet make identity of the registrant readily ascertainable.
- (2) The registration year for commercial vehicles, trailers, semitrailers, mobile homes, and recreational vehicles shall be from April 1 to March 31.
- (3) ***At the discretion of the vehicle owner, the title to a motor vehicle may be held in the system and subsequently printed and mailed to the owner at the owners request.***

Section 11. KRS 186.190 is amended to read as follows:

- (1) When a motor vehicle that has been previously registered changes ownership, the registration plate shall remain upon the motor vehicle as a part of it until the expiration of the registration year.
- (2) A person shall not purchase, sell, or trade any motor vehicle without delivering to the county clerk of the county in which the sale or trade is made the current ***hard copy or electronic version of the*** registration receipt issued on the motor vehicle ~~and the bill of sale~~. Any unexpired registration shall remain valid upon transfer of the vehicle to the new owner. Except for transactions handled by a motor vehicle dealer licensed pursuant to KRS Chapter 190, the person who is purchasing the vehicle shall present proof of insurance in compliance with KRS 304.39-080 to the county clerk before the clerk transfers the registration on the vehicle. Proof of insurance shall be in the manner prescribed in administrative regulations promulgated by the Department of Insurance pursuant to KRS Chapter 13A.
- (3) Upon delivery of the ***motor vehicle*** registration receipt ~~and the bill of sale~~ to the county clerk of the county in which the sale or trade was made, the seller shall pay to the county clerk a transfer fee of one dollar (\$1), which shall be remitted to the Transportation Cabinet. The county clerk shall issue to the purchaser a transfer of

registration bearing the same data and information as contained on the original registration receipt, except the change in name and address. The seller shall pay to the county clerk a fee of three dollars (\$3) for his services.

- (4) When a county clerk issues to a purchaser a transfer of registration in a county other than the one (1) in which the motor vehicle was originally registered, the clerk shall immediately ~~forward~~~~mail~~ one (1) copy of the transfer of registration to the clerk of the county of original registration.
- (5) If the owner junks or otherwise renders a motor vehicle unfit for future use, he shall deliver the registration plate and registration receipt to the county clerk of the county in which the motor vehicle is junked. The county clerk shall return the plate and *motor vehicle registration* receipt to the Transportation Cabinet. The owner shall pay to the county clerk one dollar (\$1) for his services.
- (6) A licensed motor vehicle dealer shall not be required to pay the transfer fee provided by this section, but shall be required to pay the county clerk's fee provided by this section.
- (7) The *motor vehicle* registration receipt issued by the clerk under this section shall contain information required by the Department of Vehicle Regulation.

Section 12. KRS 186A.196 is amended to read as follows:

Any lien noted on a Kentucky certificate of title which evidences a security interest perfected after July 1, 1987, but before March 31, 1988, shall be valid whether the security interest was perfected by filing a ~~title~~~~motor vehicle~~ lien statement under this chapter or by filing a financing statement under Article 9 of KRS Chapter 355. Such security interests shall be considered perfected as of the date of tender of the ~~title~~~~motor vehicle~~ lien statement or financing statement as the case may be. A security interest evidenced by a lien noted on a Kentucky certificate of title, which was perfected by filing a financing statement under Article 9 KRS Chapter 355, remains perfected without the requirement of filing a continuation statement under KRS 355.9-403.

Section 13. KRS 186A.200 is amended to read as follows:

- (1) With respect to a vehicle previously titled in the name of its debtor, the secured party shall, within fifteen (15) days after execution of the security agreement, obtain the current certificate of title in the name of the debtor, with no more than one (1) prior lien indicated thereon, and present to the county clerk the certificate of title, which the secured party shall have the right to obtain from the debtor, together with the ~~title~~~~motor vehicle~~ lien statement and the required fees in KRS 186A.190 to the county clerk.

Section 1. KRS 164A.300 is amended to read as follows:

- (1) The General Assembly of the Commonwealth of Kentucky hereby declares as a legislative finding of fact that the general welfare and well-being of the Commonwealth are directly related to the educational levels and skills of the citizens of the Commonwealth. Therefore, a vital and valid public purpose of the Commonwealth is served by the creation and implementation of programs which encourage and make possible the attainment of higher education by the greatest number of citizens of the Commonwealth.
- (2) The General Assembly finds, declares, and recognizes that the Commonwealth has limited resources to provide additional programs for higher education funding and that the continued operation and maintenance of the institutions of higher education in Kentucky and the general welfare of the citizens and the Commonwealth will be enhanced by creation of a program pursuant to which citizens and others may invest money in a public trust

for future application to the payment of higher education costs in the Commonwealth and elsewhere and that the creation of a means of encouragement of citizens in the investment of funds for such future higher education application represents the carrying out of a valid and vital public purpose of the Commonwealth. In order to make available to the citizens of the Commonwealth an opportunity to fund future higher education needs for beneficiaries with certain public assistance, it is necessary that a public trust be established in which the citizens of the Commonwealth and others may invest moneys for future educational use. It is further necessary to establish and create an endowment trust, which may be funded with public funds, among other sources, the income from which will be made available to participants in the savings plan trust to enhance their savings invested for future higher education costs.

- (3) It is the intent of the General Assembly of the Commonwealth of Kentucky to create the Kentucky Educational Savings Plan Trust with a separate endowment trust to enhance the investment return of the savings plan trust. The implementation and effectuation of the Kentucky Educational Savings Plan Trust as provided by KRS 164A.310 to 164A.380 constitutes the carrying out of a valid and vital public purpose for which public funds of the Commonwealth may be expended.
- (4) ***It is in the best interest of the people of the Commonwealth to establish and provide for the operation of the Kentucky Educational Savings Plan Trust in a manner conforming to federal law that allows participants and beneficiaries federal income taxation benefits on contributions and earnings on contributions expended by the trust for the higher education costs of a beneficiary.***
