(b) Begins, but fails to complete, an internship leading to licensure to provide qualified service;

(3) The authority may agree, in its sole discretion, to accept repayment in installments in accordance with a schedule established by the authority. If more than one (1) promissory note has come due for repayment and remains unpaid, payments shall first be applied to the earliest unpaid promissory note. Payments shall be applied first to accrued interest and then to principal.

Section 3. If the scholarship recipient obligated for repayment remits a partial payment, the payment shall first be applied to accrued interest and then to unpaid principal on the earliest unpaid promissory note and on each unpaid promissory note in the order in which the promissory notes were executed.

Section 4. (1) The interest rate applicable to repayment of a promissory note under this program shall be six (6) percent per annum beginning April 1, 2005. Prior to April 1, 2005, the interest rate shall be twelve (12) percent per annum.

(2) If a repayment obligation subsequently becomes eligible for service credit cancellation as a result of the recipient's completion of an eligible program of study and provision of qualified service through full-time practice in the Commonwealth of Kentucky as a licensed doctor of osteopathy, refund of payments previously made shall not be given to the recipient.

Section 5. Default. (1) Upon default on a repayment obligation under this program, the recipient's account shall be transferred to the appropriate agency of the Commonwealth of Kentucky for collections and shall be subject to the collection charges and fees assessed by that agency.
