(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation is necessary to establish a uniform system for classifying goods and services for the purpose of trademark and service mark registration.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amended regulation provides greater conformity with the federal classification system by providing classification for modern and additional goods and services.

(b) The necessity of the amendment to this administrative regulation: This amendment is needed to conform Kentucky's classification of goods and services to the system adopted by the United States Patent and Trademark;

(c) How the amendment conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of the authorizing statute by establishing a system for classifying goods and services for the purpose of trademark and service mark registration.

(d) How the amendment will assist in the effective administration of the statutes: This amendment provides uniformity and certainty to trademark and service mark classification.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This amendment affects any person, business, organization or state and local government that holds or seeks to receive a trademark or service mark registration.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Regulated individuals identified in question (3) will have to familiarize themselves with the contents of this regulation and incorporated form when applying for a trademark or service mark.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Individuals identified in question (3) will incur negligible costs in order to comply.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): The regulation provides uniformity and certainty to the trademark and service mark classification of goods and services.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: There will be no costs to implement this administrative regulation.

(b) On a continuing basis: There is no cost to implement this administrative regulation on a continuing basis.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Existing appropriations and fund sources for the Office of the Secretary of State.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change, if it is an amendment: An increase in fees or funding will not be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation neither establishes nor increases any fees.

(9) TIERING: Is tiering applied? Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to similarly situated individuals and entities regulated by it.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? This administrative regulation will impact the units, parts or divisions of state or local government only if they seek to renew a trademark or service mark registration.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. This administrative regulation is authorized by KRS 365.593.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate any additional revenue for state or local governments during the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate any additional revenue for state or local governments during subsequent years of implementation.

(c) How much will it cost to administer this program for the first year? There will be no additional cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? There will be no additional cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. No cost is anticipated beyond what has been historically allocated to administer the processing and approval of trademark and service mark registration renewal applications.
