RE: 30 KAR 5:051E

Dear Ms. Caudill:

This letter accompanies 30 KAR 5:051E as documentary evidence to satisfy the requirements of KRS 13A.190(1)(a) and (8)(a)(3).

KRS 355.9-526 (1) requires the Secretary of State to promulgate administrative regulations to implement Article 9 of the UCC after consulting the most recent version of the model rules promulgated by the International Association of Corporate Administrators (IACA), while also taking into consideration the regulations and technology used in other jurisdictions.

The Office of the Secretary of State has conducted a careful review of its internal filing procedures, the UCC regulations and technology adopted in other jurisdictions, KRS Chapter 13A, and the IACA model rules. That review has concluded that much of IACA model rule language conflicts with drafting rules established in KRS Chapter 13A.

Specifically, the IACA model rules adopt an informal style of regulatory language and restate statutory language in violation of KRS 13A.120(2)(e) and (i), as well as KRS 13A.222(4) (prohibiting the restatement of statutory requirements, regulations contradicting statutory requirements, prohibitions against ambiguous language, and prohibitions against the use of particular words.) Where possible, the IACA language was retained or modified to reflect the apparent intent.

This regulation retains the core provisions of the relevant IACA model rules; it is consistent with other UCC jurisdictions; and it satisfies KRS Chapter 13A. It is promulgated as an emergency regulation to maintain that certainty and prevent an imminent threat to public welfare and to satisfy the statutory requirements of KRS 355.9-526.
