

## **200 KAR 3:020. Use of state-owned facilities and grounds.**

RELATES TO: KRS 42.019, 42.425, 56.010, 56.463

STATUTORY AUTHORITY: KRS 42.019(1), 42.425(1)(c), 56.010, 56.463(8)

NECESSITY, FUNCTION, AND CONFORMITY: This administrative regulation establishes uniform rules for the governance of state facilities and grounds. While all state facilities and grounds are owned by the people of the Commonwealth at large, it is sometimes detrimental to the effective carrying-out of the people's business for persons, or groups of persons, to disregard reasonable conditions established for use of state facilities and state grounds. The purpose of this administrative regulation is to balance the interests of the citizens of the commonwealth at large with the interests of individual citizens, or groups of citizens, to use state facilities and grounds in a reasonable fashion in order to redress their grievances and coordinate various uses of public buildings and Grounds, to preserve Historic Properties, to ensure the health and safety of the public and state employees while on state property, and to protect the public from unnecessary financial losses. KRS 42.019(1) requires the Division of Historic Properties to oversee the management and preservation of state-owned historic properties. KRS 42.425(1)(c) entrusts the Department for Facilities and Support Services with primary responsibility for developing and implementing policies applicable to all state agencies to ensure effective planning for and efficient operation of state office buildings. KRS 56.010 requires the Finance and Administration Cabinet to institute civil proceedings in the name of the Commonwealth for any trespass or injury to state property under its control. KRS 56.463(8) requires the Finance and Administration Cabinet to promulgate administrative regulations as may be necessary to govern the acquisition, control, and disposition of the commonwealth's real property.
