Section 2. Requirements for Continuing Professional Education Credit. (1) Each licensee who worked 3,000 hours or more in a public accounting firm licensed with the board during the two (2) calendar years prior to the renewal date of his or her license shall complete eighty (80) CPE hours. The eighty (80) hours shall be completed during the preceding two (2) calendar years. All other licensees shall complete sixty (60) CPE hours.

(a) Beginning January 1, 2021, fifty (50) percent of the eighty (80) hours and sixty (60) hours shall include technical standards courses.

(c) Beginning January 1, 2021, licensees required to obtain eighty (80) hours of CPE may include eight (8) hours of personal development courses toward the required hours, and licensees required to obtain sixty (60) hours of CPE may include up to twelve (12) hours of personal development courses in the required hours. An acceptable personal development course shall be limited to a course intended to improve the time management, leadership, team building, goal setting, and similar soft skills related to working in an office or professional setting.

(2) Each licensee shall complete two (2) CPE hours in professional ethics. These two (2) hours shall be included as part of the eighty (80) or sixty (60) CPE hours a licensee is required

to complete to renew his or her license.

(3)(a) A certified public accountant who, for the two (2) calendar years prior to renewal of his or her license, did not operate or work in an office in this state shall satisfy the requirements of this section by complying with the continuing professional education requirements for renewal of his or her license:

Section 3. Each licensee who held a license for less than a full two (2) calendar year period shall obtain two (2) CPE hours for each full month a license was held not to exceed the total number of required hours for the reporting period. The two (2) hours in professional ethics shall not be required to be part of the CPE hours completed in this time period.
