KRS 257.030(4) authorizes the board to promulgate administrative regulations necessary to administer KRS Chapter 257. This administrative regulation establishes procedures for the Office of the State Veterinarian to access farms or other places for the purpose of testing, inspecting, or examining livestock, poultry, and fish for communicable disease.

Section 1. After reasonable notice and upon suspicion of communicable disease that presents a risk to livestock, poultry, fish, or public health, the State Veterinarian or the State Veterinarian's representative may enter upon any farm, stockyard, auction barn, or any other place or premises, market, or conveyance where livestock, poultry, or fish are handled, for the purpose of inspecting, examining, or testing the livestock, poultry, or fish for infectious or communicable diseases.
