

302 KAR 22:030. Livestock, poultry, and fish diseases to be reported.

RELATES TO: KRS 257.020, 257.030, 257.080

STATUTORY AUTHORITY: KRS 257.080

NECESSITY, FUNCTION, AND CONFORMITY: KRS 257.080 requires the Kentucky Department of Agriculture to promulgate administrative regulations listing all reportable diseases of livestock, poultry, and fish and set out the conditions under which the diseases shall be reported. This administrative regulation establishes a comprehensive list of reportable diseases and the conditions under which the diseases shall be reported.

Section 1. Duty to Notify. (1) Every veterinarian, veterinary practice, and personnel; veterinary diagnostic laboratory and personnel; laboratory providing livestock, poultry, or fish diagnostic services for Kentucky; owner of livestock, poultry, or fish; persons associated with any livestock, poultry, or fish; sales or event establishment and personnel; transportation provider; slaughter facility and personnel; or any other person or entity having knowledge of the existence of any reportable disease, as established in Section (2) of this administrative regulation, shall immediately report the disease or condition to the State Veterinarian.

(2) All laboratories providing diagnostic services for Kentucky livestock, poultry, or fish shall give notification pursuant to Section 3 of this administrative regulation.

Section 2. Diseases to be reported. (1) The following diseases and conditions shall be immediately reported to the State Veterinarian:
