RELATES TO: KRS 45A.365, 186.018, 186.410, 186.535, 186.574, 189A.010(2), 189A.410, 332.204, 332.206, 332.210

STATUTORY AUTHORITY: KRS 186.400(1), 186.574(3)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 186.400(1) authorizes the Transportation Cabinet to promulgate administrative regulations regarding the licensing of a motor vehicle operator. KRS 186.574 requires the Transportation Cabinet to promulgate administrative regulations regarding the supervision and operation of state traffic schools for new drivers and traffic offenders. This administrative regulation establishes the minimum standards for a new driver state traffic school. This administrative regulation also designates those persons eligible for a new driver education program, establishes the application and approval procedures to teach the program for private driving schools, and establishes the method of notification to the cabinet of completion of the program.

Section 1. State Traffic School. (1) The Transportation Cabinet shall establish a separate curriculum and class for the new driver state traffic school, or graduated driver licensing education, and the traffic offender state traffic school.

(2) The Transportation Cabinet shall select instructors and secure classroom locations for the state traffic schools established in KRS 186.574(1).

(3) The Transportation Cabinet shall conduct at least two (2) new driver state traffic schools in each Kentucky county during each calendar year.

(4) A person eligible for new driver state traffic school may:

(a) Attend class in a classroom setting free of charge as established in KRS 186.410(4)(c);
or

(b) Attend class by accessing a cabinet-approved traffic school Web site.

(5) The traffic school Web site shall be offered by a vendor selected by the cabinet pursuant to the competitive bidding process established in KRS 45A.365.

(6) A vendor shall charge a convenience fee for the use of the vendor's on-line driver education course.

Section 2. High School Driver Education Course. If a high school in Kentucky offers a driver education course for credit to its students, the school shall notify the Transportation Cabinet of a student who receives credit for successfully completing the course. The notice shall contain the following information:

(1) Student's name;

(2) Student's Social Security or operator's license number;

(3) School district;

(4) Name of high school;

(5) Copy of the certification of course completion and credit given;

(6) Date of course completion; and

(7) Name and telephone number of person at school to contact.

Section 3. Licensed Driver Training Schools. (1) A driver training school licensed pursuant to KRS 332.204 shall apply to the Transportation Cabinet for approval to conduct a driver training program if the driver training school:

(a) Has been licensed for the prior two (2) calendar years;

(b) Is operated by a person with a driver education teaching certification from the Kentucky Department of Education who has taught driver education pursuant to that endorsement for a

minimum of two (2) years;

(c) Is operated by a person who has taught driver education at a school approved as established in KRS 332.204 for a minimum of five (5) years;

(d) Has at least twenty (20) office hours each week routinely staffed by a person familiar with the school's curriculum and requirements; or

(e) Uses a curriculum that meets the requirements of Section 4(6) of this administrative regulation.

(2) The applicant shall submit the following to the Transportation Cabinet, Division of Driver Licensing:

(a) A detailed copy of the curriculum used, including a copy of handouts and audio or video material;

(b) The resume of each instructor proposed to teach the course;

(c) The business address, telephone number, and office hours;

(d) A copy of the certificate issued pursuant to KRS 332.206; and

(e) A fee of \$300 as established in KRS 332.204(2) to pay for the initial evaluation of the application.

Section 4. Class Requirements. (1) A class offered pursuant to KRS 186.410(4)(b) or (c) in a classroom setting shall be limited to a maximum of fifty (50) students.

(2) A class shall contain a minimum of four (4) hours of highway safety training that shall include an administrative activity related to the class.

(3)(a) A Transportation Cabinet approved preclass and postclass test shall be administered to students and the results tabulated for each class taught.

(b) The results and the attendance roster shall be submitted to the Transportation Cabinet, Division of Driver Licensing.

(4) The school shall notify the Transportation Cabinet of a student who successfully completes the course. The notice shall contain the following information:

(a) Student's name;

(b) Student's Social Security or operator's license number;

(c) Name of school;

(d) Date of course completion;

(e) Course instructor; and

(f) The name and telephone number of a person at school to contact.

(5) The curriculum taught to each class shall consist of the following:
