

**STATEMENT OF EMERGENCY**  
**803 KAR 2:182E**

This emergency administrative regulation is promulgated to meet an imminent threat to public health, safety, or welfare, to prevent a loss of federal funds, and ensure compliance with federal mandates. Further, this emergency administrative regulation is necessary to prevent a conflict with the provisions of 803 KAR 2:180 Recordkeeping, reporting, and statistics.

Kentucky operates a State Plan approved by the Occupational Safety and Health Administration (OSHA) that provides employee occupational safety and health (OSH) protections. OSHA approves, monitors, and provides funding to Kentucky.

The Administrative Regulation Review Subcommittee, at its May 11, 2021 meeting, requested the Department of Workplace Standards refile 803 KAR 2:180E Recordkeeping, reporting, and statistics as a new regulation to meet the requirement established in Senate Bill 65 of the 2021 General Session. To fulfill the subcommittee's request, the department withdrew 803 KAR 2:180E as well as the amendment to 803 KAR 2:180 and simultaneously filed 803 KAR 2:181E and 803 KAR 2:181, both titled Recordkeeping and reporting occupational injuries and illnesses. This emergency administrative regulation repeals 803 KAR 2:180 Recordkeeping, reporting, statistics to avoid a regulatory conflict that is created in the absence of this emergency administrative regulation.

This emergency administrative regulation will not be replaced by an ordinary administrative regulation because this emergency administrative regulation terminates 803 KAR 2:180.
