KRS 292.410(1)(q) authorizes the commissioner to grant exemptions for any transaction which the executive director by rule or order finds registration is not necessary or appropriate in the public interest or for the protection of investors. This administrative regulation establishes the requirements for claiming the registration exemption for a limited offering made exclusively to an accredited investor.

Section 1. Definition. "Accredited investor" is defined in 17 C.F.R. 230.501(a).

(b)1. Is in the development stage; and

2.a. Has no specific business plan or purpose; or

b. Has indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies, or other entity or person.

(3) The issuer shall reasonably believe that each purchaser is purchasing for investment and not with a view to or for sale in connection with a distribution of the security.

(a) A resale of a security sold in reliance on this exemption within twelve (12) months of sale, except a resale to an accredited investor or pursuant to a registration statement effective under KRS 292.340 through 292.390, shall be presumed to be with a view to distribution and not for investment.

(7) A telephone solicitation shall not be made unless prior to placing the call, the issuer reasonably believes that the prospective purchaser to be solicited is an accredited investor.

(8) Dissemination of the general announcement of the proposed offering to a person who is not an accredited investor shall not disqualify the issuer from claiming the exemption under this administrative regulation.

(a) A notice transaction;

(b) A consent to service of process;
