NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations under which racing shall be conducted in Kentucky. KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the use and administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This administrative regulation establishes the penalty structure for rule violations and also establishes disciplinary powers and duties of the stewards, judges, and the commission.

### Section 2. General Provisions.

(1) An alleged violation of the provisions of KRS Chapter 230 or KAR Title 810 shall be adjudicated in accordance with this administrative regulation, 810 KAR 9:010, and KRS Chapters 230 and 13B.

(2) If a drug, medication, or substance that is not classified in the schedule is found to be present in a pre-race or post-race sample or possessed or used by a licensee at a location under the jurisdiction of the commission, the commission may establish a classification after consultation with either or both of the Association of Racing Commissioners International and the Racing and Medication Testing Consortium or their respective successors.

(3) The stewards, judges, and the commission shall consider any mitigating or aggravating circumstances properly presented when assessing penalties pursuant to this administrative

regulation. Evidence of full compliance with the withdrawal guidelines shall be considered by the stewards, judges, and the commission as a mitigating factor to be used in determining violations and penalties.

(4) A licensee whose license has been suspended or revoked in any racing jurisdiction or a horse that has been deemed ineligible to race in any racing jurisdiction shall be denied access to locations under the jurisdiction of the commission during the term of the suspension or revocation.

(5) A suspension or revocation shall be calculated in calendar days, unless otherwise specified by the stewards, judges, or the commission in a ruling or order.

(6) Notice of the assessment of a penalty, including a written warning, shall be made to the person penalized. The notice and terms of the penalty shall be posted immediately on the official Web site of the commission and sent to the United States Trotting Association, the Association of Racing Commissioners International, or their successors, as applicable, to be posted on their respective official Web sites. If an appeal is pending, that fact shall be so noted.

(7) A horse administered a substance in violation of 810 KAR 8:010 may be required to pass a commission-approved examination as determined by the stewards or judges pursuant to 810 KAR 4:010, Section 10 or 810 KAR 5:010, Section 4, or be placed on the veterinarian's list pursuant to 810 KAR 8:010, Section 18.

(8) To protect the racing public and ensure the integrity of racing in Kentucky, a trainer whose penalty for a Class A violation or for a Class B third offense violation has not been finally adjudicated may, if stall space is available, be required to house a horse that the trainer has entered in a race in a designated stall for the twenty-four (24) hour period prior to post time of the race in which the horse is entered. If the stewards or judges require the trainer's horse to be kept in a designated stall, there shall be twenty-four (24) hour surveillance of the horse by the association, and the cost shall be borne by the trainer.

(9) In addition to the penalties contained in Section 4 of this administrative regulation for the trainer and owner, any other person who administers, is a party to, facilitates, or is found to be responsible for any violation of 810 KAR 8:010 shall be subject to the relevant penalty as provided for the trainer or other penalty as may be appropriate based upon the violation.

(10) A veterinarian who administers, is a party to, facilitates, or is found to be responsible for any violation of KRS Chapter 230 or KAR Title 810 shall be reported to the Kentucky Board of Veterinary Examiners and the state licensing Board of Veterinary Medicine by the stewards or judges.

(11) In accordance with KRS 230.320(6), an administrative action or the imposition of penalties pursuant to this administrative regulation shall not constitute a bar or be considered jeopardy to prosecution of an act that violates the criminal statutes of Kentucky.

(12) If a person is charged with committing multiple or successive overages involving a Class C or Class D drug, medication, or substance, the stewards, judges, or the commission may charge the person with only one (1) offense if the person demonstrates that he or she was not aware that overages were being administered because the positive test results showing the overages were unavailable to the person charged. In this case, the person alleging that he or she was not aware of the overages shall bear the burden of proving that fact to the stewards, judges, or the commission.

(13) If a penalty for a medication violation requires a horse to be placed on the stewards' list or the judges' list for a period of time, the stewards or judges may waive this requirement if ownership of the horse was legitimately transferred prior to the trainer's notification by the commission of the positive result.

(14) In standardbred racing only, if the penalty is for a driving violation and does not exceed in time a period of five (5) days, the driver may complete the engagement of all horses de-

clared in before the penalty becomes effective. The driver may drive in stake, futurity, early closing and feature races, during a suspension of five (5) days or less, but the suspension shall be extended one (1) day for each date the driver drives in a race.

(15) A horse shall not be permitted to race while owned or controlled wholly or in part by a person whose license has been suspended or revoked.

(16) An association under the jurisdiction of the commission shall not willfully allow:

(a) A person whose license has been suspended or revoked in any jurisdiction to participate in racing;

(b) A horse suspended in any jurisdiction to start in a race or a performance against time; or

(c) The use of its track or grounds by a licensee whose license has been suspended or revoked and has been denied access to the grounds by the stewards or judges in any jurisdiction.

(17) If a person is ejected or excluded from a location under the jurisdiction of the commission, the stewards, judges, and commission director of security shall be notified in writing.

(18) A licensee that has been suspended shall serve any suspension imposed:

(a) During the current race meet, if there are enough remaining days to serve out the suspension;

(b) During the next regularly scheduled race meet at the operating race track where the infraction took place if there are not enough remaining days to serve out the suspension; or

(c) At the discretion of the stewards or judges, during a race meet at another operating track in any jurisdiction where the licensee seeks to engage in the activity for which he or she is licensed if the track where the infraction took place closes before another race meet is held at that track.

(19) A penalty imposed by the governing body of any racing jurisdiction or the USTA States Trotting Association shall be recognized and reciprocally enforced by the commission unless application is made for a hearing before the stewards or judges, during which the applicant shall show cause as to why the penalty should not be enforced against him in Kentucky. The hearing shall be limited to the following issues:

(a) Whether the applicant is the same person who is subject to the penalty imposed;

(b) Whether the USTA or other racing jurisdiction in fact suspended the applicant; and

(c) Determination of the time period of the suspension as imposed by the USTA or other racing jurisdiction.

Section 3. Prior Offenses. A prior offense occurring in Kentucky or any other racing jurisdiction shall be considered by the stewards, judges, and the commission in assessing penalties. The stewards or judges shall attach to a penalty judgment a copy of the offender's prior record listing violations that were committed both inside and outside of Kentucky.
