(2) A case manager shall:

(a) Communicate in a way that ensures the best interest of the participant;

(b) Be able to identify and meet the needs of the participant;

(c)1. Be competent in the participant's language either through personal knowledge of the language or through interpretation; and

2. Demonstrate a heightened awareness of the unique way in which the participant interacts with the world around the participant;

(d) Ensure that:

1. The participant is educated in a way that addresses the participant's:

a. Need for knowledge of the case management process;

b. Personal rights; and

c. Risks and responsibilities as well as awareness of available services; and

2. All individuals involved in implementing the participant's person-centered service plan are informed of changes in the scope of work related to the person-centered service plan as applicable;

(e)1. Lead the person-centered service planning team; and

2. Coordinate services through team meetings with representatives of all agencies involved in implementing a participant's person-centered service plan;

(f)1. Include the participant's participation or representative's participation in the case man-

agement process; and

2. Make the participant's preferences and participation in decision making a priority;

(g) Document:

1. A participant's interactions and communications with other agencies involved in implementing the participant's person-centered service plan; and

2. Personal observations;

(h) Advocate for a participant with service providers to ensure that services are delivered as established in the participant's person-centered service plan;

(i) Assess the quality of services, safety of services, and cost effectiveness of services being provided to a participant in order to ensure that implementation of the participant's person-centered service plan is successful and done so in a way that is efficient regarding the participant's financial assets and benefits;

(j) Document services provided to a participant by entering into the MWMA a monthly contact note, which shall include:

1. The month and year for the time period the note covers;

2. An analysis of progress toward the participant's outcome or outcomes;

3. Identification of barriers to achievement of outcomes;

4. A projected plan to achieve the next step in achievement of outcomes;

5. The signature and title of the case manager completing the note; and

6. The date the note was generated;

(k) Accurately reflect in the MWMA if a participant is:

3. Upon inquiry from the participant or participant's guardian; and

(m) Be supervised by a case management supervisor.

(3)(a) Case management for any individual who begins receiving SCL services after the effective date of this administrative regulation shall be conflict free except as allowed in paragraph (b) of this subsection.

(b)1. Conflict free case management shall be a scenario in which a provider including any subsidiary, partnership, not-for-profit, or for-profit business entity that has a business interest in the provider who renders case management to a participant shall not also provide another 1915(c) home and community based waiver service to that same participant unless the provider is the only willing and qualified SCL provider within thirty (30) miles of the participant's residence.

2. An exemption to the conflict free case management requirement shall be granted if:

a. A participant requests the exemption;

b. The participant's case manager provides documentation of evidence to DBHDID, that there is a lack of a qualified case manager within thirty (30) miles of the participant's residence;

c. The participant or participant's representative and case manager signs a completed MAP - 531 Conflict-Free Case Management Exemption; and

d. The participant, participant's representative, or case manager uploads the completed MAP - 531 Conflict-Free Case Management Exemption into the MWMA.

3. If a case management service is approved to be provided despite not being conflict free, the case management provider shall document conflict of interest protections, separate case management and service provision functions within the provider entity, and demonstrate that the participant is provided with a clear and accessible alternative dispute resolution process.

4. An exemption to the conflict free case management requirement shall be requested upon reassessment or at least annually.

(c) A participant who receives SCL services prior to the effective date of this administrative regulation shall transition to conflict free case management when the participant's next level of care determination occurs.

(d) During the transition to conflict free case management, any case manager providing case management to a participant shall educate the participant and members of the participant's person-centered team of the conflict free case management requirement in order to prepare the participant to decide, if necessary, to change the participant's:

1. Case manager; or
2. Provider of non-case management SCL services.

(4) Case management shall include:

(a) Initiation, coordination, implementation, and monitoring of the assessment, reassessment, evaluation, intake, and eligibility process;

(b) Assisting a participant in the identification, coordination, and arrangement of the person centered team and person centered team meetings;

(c) Facilitating person-centered team meetings that assist a participant to develop, update, and monitor the person-centered service plan, which shall be distributed or made available to all members of the person-centered team within five (5) business days of development;

(d) Assisting a participant to gain access to and maintain employment, membership in community clubs and groups, activities, and opportunities at the times, frequencies, and with the people the participant chooses;

(e) Coordinating and monitoring all 1915(c) home and community based waiver services and non-waiver services including having monthly face-to-face contacts with the participant to determine if the participant's needs are being met.

1. Contact shall be at a location where the participant is engaged in services.

2. A case manager shall utilize the MWMA to:

a. Ensure that the participant's health, safety, and welfare are not at risk;

b. Gather data regarding the participant's satisfaction with the services for use in guiding the person centered planning process;

c. Address how the person-centered team will address the following:

(i) Expanding and deepening the participant's relationships;

(ii) Increasing the participant's presence in local community life; and

(iii) Helping the participant have more choice and control; and

d. Generate monthly summary notes.

3. Coordinating and monitoring shall include:

a. Initiating person-centered team meetings and receiving prior authorization within fourteen (14) days of a contact visit if the results of a monthly contact visit indicate that different or additional services or other changes in the participant's person-centered service plan are required to meet the participant's needs;

b. Assisting with participant-directed services including:

(i) Assisting the participant in identifying, if necessary, a community guide and a representative who shall work with the participant on the development of a person-centered service plan,

budget, and emergency back-up plan;

(ii) Assisting the participant in identifying strategies for recruiting and managing employees; and

(iii) Assigning modules within the Kentucky College of Direct Supports for training purposes and assisting the participant, the community guide, or the representative in monitoring the completion of training within timeframes specified in Section 10 of this administrative regulation;

c. Monitoring the provision of services and submission of required documentation to the financial management agency; and

d. Monitoring and reporting identified deficiencies to appropriate agencies;

(f) Assisting a participant in planning resource use and assuring protection of resources to include:

1. Clearly outlining the participant's insurance options and availability; and

2. Exploring the potential availability of other resources and social service programs for which the participant may qualify;

(g) Monitoring to ensure that services continue if a participant has been terminated from any service until an alternate provider, if needed, has been chosen by the participant and services have been approved;

(h) Providing a participant and the participant's team members twenty-four (24) hour telephone access to a case management staff person;

(i) Documentation, uploaded into the MWMA, of services by a detailed monthly summary note, which shall include:

1. The month and year for the time period the note covers;

2. An analysis of progress toward the participant's outcome or outcomes;

3. Identification of barriers to achievement of outcomes;

4. A projected plan to achieve the next step in achievement of outcomes;

5. The signature and title of the case manager completing the note; and

6. The date the note was generated;

(j) Person-centered team meetings, which shall not constitute the required monthly face-to-face visit with a participant; and

(k) Supervision duties performed by the case manager supervisor who provides supervision in accordance with a DBHDID approved case manager supervisor training.

(5)(a) One (1) unit of case management shall equal one (1) month.

(b) A provider shall bill for a case management service in accordance with 907 KAR 12:020.

(6) Case management shall involve:

(a) A constant recognition of what is and is not working regarding a participant; and

(b) Changing what is not working.

Section 7. Human Rights Committee. (1) A human rights committee shall meet on a routine, scheduled basis, no less than quarterly to ensure that the rights of participants utilizing SCL services are respected and protected through due process.

(2) A human rights committee shall include at least:

(b) Provide the necessary documentation to the local human rights committee for review and approval prior to implementation of any rights restrictions or positive behavior support plans involving rights restrictions.

(4) A human rights committee meeting shall have a quorum of at least three (3) members, including at least one (1) self-advocate and one (1) community at large member.

(5) A human rights committee shall:

(a) Maintain a record of each meeting; and

(b) Send a summary of each person-centered service plan reviewed to the:

1. Relevant participant; or

2. Participant's guardian and case manager.

(6) Each member of a human rights committee shall:

(a) Complete an orientation approved by DBHDID;

(b) Sign a confidentiality agreement; and

(c) Function in accordance with the Health Insurance Portability and Accountability Act codified as 45 C.F.R. Parts 160, 162, and 164.

(7)(a) A human rights committee shall ensure that any restriction imposed on a participant is:

1. Temporary in nature;

2. Defined with specific criteria outlining how the restriction is to be imposed;

3. Paired with learning or training components to assist the participant in eventual reduction or elimination of the restriction;

4. Removed upon reaching clearly-defined objectives; and

5. Reviewed by the human rights committee at least once annually if the restriction remains in place for at least twelve (12) months.

(b) In an emergency where there is imminent danger or potential harm to a participant or other individuals, the participant's SCL service provider in consultation with the case manager and participant's guardian, as appropriate, may limit or restrict the participant's rights for a maximum of one (1) week.

(c) If a participant is under the care of a psychologist, counselor, psychiatrist, or behavior support specialist, a restriction plan:

1. Shall be developed with the input of the psychologist, counselor, psychiatrist, or behavior support specialist; and

2. May be implemented for up to two (2) weeks.

(d) A proposed continuation of a restriction shall be immediately reviewed and approved by three (3) members of the local human rights committee while alternative strategies are being developed.

(e) If it is decided that a rights restriction needs to be continued and addressed in the participant's person-centered service plan, the restriction shall be submitted to the local:

1. Behavior intervention committee; and

2. Human rights committee at the next regularly scheduled meeting.

Section 8. Behavior Intervention Committee. (1) A behavior intervention committee shall include at least:

(a) One (1) self-advocate, representative, or family member;

(e) Provide:

1. A participant and the participant's case manager with payroll reports monthly; and

2. Additional payroll information to a participant's case manager on a per request basis.

(8)(a) A participant may voluntarily disenroll from a participant-directed service at any time.

(b) If a participant elects to disenroll from a participant-directed service, the participant's case manager shall assist the participant and the participant's guardian to locate a traditional 1915(c) home and community based waiver service provider of the participant's choice to provide the service.

(c) 1. Except as provided in subparagraph 2 of this paragraph, a participant-directed service shall not be terminated until a traditional service provider is ready to provide the service.

2. If a participant does not wish to continue receiving the service, the service shall be terminated.

(9)(a) A participant's case manager shall develop a corrective action plan in conjunction with the participant, the participant's guardian, and any other person-centered team member if:

1. The participant does not comply with the participant's person-centered service plan;

2. The participant, a family member of the participant, an employee of the participant, the participant's guardian, or a legal representative of the participant threatens, intimidates, or consistently refuses services from an SCL provider;

3. Imminent threat of harm to the participant's health, safety, or welfare exists; or

4. The participant, a family member of the participant, an employee of the participant, the participant's guardian, or a legal representative of the participant interferes with or denies the provision of case management.

(b) The participant's case manager shall monitor the progress of the corrective action plan and resulting outcomes to resolve the issue described in paragraph (a) of this subsection that necessitated a corrective action plan.

(c) If the issue referenced in paragraph (a) of this subsection is not resolved, the participant's case manager, in conjunction with the participant's person-centered team members, shall assist the participant to locate a traditional 1915(c) home and community based waiver service provider of the participant's choice to provide the service.

(d) A participant-directed service shall not be terminated until a traditional service provider is ready to provide the service.

(10) Documentation of a participant-directed service shall include:

(a) A timesheet;

- (b) A note documenting each contact, which shall include:
  1. A full description of each service provided to support an outcome or outcomes in the participant's person-centered service plan;
  2. The date of the service;
  3. The location of the service;
  4. The beginning and ending time of the service;
  5. The signature and title of the person providing the service; and
  6. The date the entry was made in the record; and
- (c) Any applicable form for each service in accordance with Section 4 of this administrative regulation.

Section 11. Incident Reporting Process. (1) The following shall be the two (2) classes of incidents:

- (a) An incident; or
  - (b) A critical incident.
- (2) An incident shall be any occurrence that impacts the health, safety, welfare, or lifestyle choice of a participant and includes:
- (a) A minor injury;
  - (b) A medication error without a serious outcome; or

1. Individual who discovered or witnessed the incident shall document the details of the incident and report it to designated agency staff for entry into the MWMA; and
  2. Incident shall be immediately assessed for potential abuse, neglect, or exploitation.
- (b) If an assessment of an incident indicates that the potential for abuse, neglect, or exploitation exists:
1. The individual who discovered or witnessed the incident shall immediately act to ensure the health, safety, or welfare of the at-risk participant;
  2. The incident shall immediately be considered a critical incident;
  3. The critical incident procedures established in subsection (5) of this section shall be followed; and
  4. The SCL provider shall report the incident to the participant's case manager and participant's guardian, if the participant has a guardian, within twenty-four (24) hours of discovery of the incident.
- (5)(a) If a critical incident occurs, the individual who witnessed the critical incident or discovered the critical incident shall immediately act to ensure the health, safety, and welfare of the at-risk participant.
- (b) If the critical incident:
1. Requires reporting of abuse, neglect, or exploitation, the critical incident shall be immedi-

ately reported via the MWMA; or

2. Does not require reporting of abuse, neglect, or exploitation, the critical incident shall be reported via the MWMA by a designated agency staff person within eight (8) hours of discovery.

(c) The SCL provider shall:

1. Conduct an immediate investigation and involve the participant's case manager in the investigation; and

2. Prepare a report of the investigation, which shall be recorded in the MWMA and shall include:

a. Identifying information of the participant involved in the critical incident and the person reporting the critical incident;

b. Details of the critical incident; and

c. Relevant participant information including:

(i) Diagnostic impressions and medical diagnoses based on the current version of American Psychiatric Association Diagnostic and Statistical Manual of Mental Disorders<sup>TM</sup>;

(ii) A listing of recent medical concerns;

(iii) An analysis of causal factors; and

(iv) Recommendations for preventing future occurrences.

(6)(a) Following a death of a participant receiving services from an SCL provider, the SCL provider shall enter mortality data documentation into the MWMA within fourteen (14) days of the death.

(b) Mortality data documentation shall include:

1. The participant's person-centered service plan at the time of death;

2. Any current assessment forms regarding the participant;

3. The participant's medication administration records from all service sites for the past three (3) months along with a copy of each prescription, if applicable;

4. Progress notes regarding the participant from all service elements for the past thirty (30) days, including case management notes;

5. The results of the participant's most recent physical exam;

6. All incident reports, if any exist, regarding the participant for the past six (6) months;

7. Any medication error log related to the participant for the past six (6) months;

8. The most recent psychological evaluation of the participant;

9. A full life history of the participant including any update from the last version of the life history;

10. Names and contact information for all staff members who provided direct care to the participant during the last thirty (30) days of the participant's life;

11. Emergency medical services notes regarding the participant if available;

12. The police report if available;

13. A copy of:

a. The participant's advance directive, medical order for scope of treatment, living will, or health care directive if applicable;

b. Any functional assessment of behavior or positive behavior support plan regarding the participant that has been in place over any part of the past twelve (12) months; and

c. The cardiopulmonary resuscitation and first aid card for any SCL provider's staff member who was present at the time of the incident that resulted in the participant's death;

14. A record of all medical appointments or emergency room visits by the participant within the past twelve (12) months; and

15. A record of any crisis training for any staff member present at the time of the incident that resulted in the participant's death.

(7) An SCL provider shall document all medication error details on a medication error log retained on file at the SCL provider site.

Section 12. SCL Waiting List. (1)(a) In order to be placed on the SCL waiting list, an individual or individual's representative shall:

1. Apply for 1915(c) home and community based waiver services via the MWMA; and
2. Complete a MAP - 115 Application Intake - Participant Authorization and upload it into the MWMA.

(b) The following information shall be included in the information entered by the individual into the MWMA:

1. A signature from a physician or an SCL developmental disability professional verifying diagnostic impressions and medical diagnoses;
2. A current and valid intellectual or development disability diagnosis, including supporting documentation to validate the diagnosis and age of onset; and
3. List of diagnoses.

(c) Supporting documentation to validate a diagnosis and age of onset shall include:

1. A psychological or psycho-educational report of the assessment results of at least an individual test of intelligence resulting in an intelligence quotient (IQ) score; and

(d) The IQ test referenced in paragraph (c)1. of this subsection shall:

1. Have been conducted before the age of eighteen (18) years for a diagnosis of intellectual disability or before the age of twenty-two (22) years for a diagnosis of a developmental disability; or

2. If a record of an IQ score prior to the age of eighteen (18) years for an applicant with an intellectual disability or prior to the age of twenty-two (22) years for an applicant with a developmental disability cannot be obtained, the following shall qualify as supporting documentation to validate a diagnosis and age of onset:

- a. Individual education program documentation that contains an IQ score and a report or description of adaptive behavior skills;

- b. The results of a psychological assessment submitted during the course of guardianship proceedings; or

- c. The results of a current psychological assessment that shall:

- (i) Include evidence of onset prior to the age of eighteen (18) years for an intellectual disability or the age of twenty-two (22) years for a developmental disability obtained through a comprehensive developmental history; and

- (ii) Provide documentation ruling out factors or conditions that may contribute to diminished cognitive and adaptive functioning, including severe mental illness, chronic substance abuse, or medical conditions.

(2) DBHDID shall review an individual's application information to determine if the information is complete and valid.

(3)(a) An individual's order of placement on the SCL waiting list shall be determined by:

1. The chronological date of receipt of complete application information regarding the individual being entered into the MWMA; and

2. Category of need of the individual as established in paragraphs (b) through (d) of this subsection.

(b) An individual's category of need shall be the emergency category if an immediate service is needed as determined by any of the following if all other service options have been ex-

plored and exhausted:

1. Abuse, neglect, or exploitation of the individual as substantiated by DCBS;
2. The death of the individual's primary caregiver and lack of an alternative primary caregiver;
3. The lack of appropriate placement for the individual due to:
  - a. Loss of housing;
  - b. Loss of funding; or
  - c. Imminent discharge from a temporary placement;
4. Jeopardy to the health and safety of the individual due to the primary caregiver's physical or mental health status; or
5. Imminent or current institutionalization.

(c) An individual's category of need shall be the urgent category if an SCL service is needed within one (1) year; and

1. There is a threatened loss of the individual's existing funding source for supports within the year due to the individual's age or eligibility;
2. The individual is residing in a temporary or inappropriate placement but the individual's health and safety is assured;
3. The individual's primary caregiver has a diminished capacity due to physical or mental status and no alternative primary caregiver exists; or
4. The individual exhibits an intermittent behavior or action that requires hospitalization or police intervention.

(d) An individual's category of need shall be classified as future planning if an SCL service is needed in more than one (1) year; and

1. The individual is currently receiving a service through another funding source that meets the individual's needs;
  2. The individual is not currently receiving a service and does not currently need the service;
- or
3. The individual is in the custody of DCBS.

(4) A written notification of original placement on the SCL waiting list and any change due to a reconsideration shall be mailed to an individual or the individual's guardian and case management provider if identified.

(5) In determining chronological status, the original date of an individual's complete application information being entered into the MWMA shall:

- (a) Be maintained; and
  - (b) Not change if an individual is moved from one (1) category of need to another.
- (6) Maintenance of the SCL waiting list shall occur as established in this subsection.

(a) The department shall, at a minimum, annually update the waiting list information about an individual during the birth month of that individual.

(b) The individual or individual's guardian and case management provider, if identified, shall be contacted in writing to verify the accuracy of the information on the SCL waiting list and the individual's or individual's guardian's continued desire to pursue placement in the SCL program.

(c) If a discrepancy in diagnostic information is noted at the time of the annual update, the department may request a current diagnosis of intellectual or developmental disability signed by a physician or SCL IDP, including documentation supporting the diagnosis.

(d) The information referenced in paragraph (c) of this subsection shall be received by the department within thirty (30) days from the date of the written request in order to be considered timely.

(7) A reassignment of an individual's category of need shall be completed based on updated

information and the validation process.

(8) An individual or individual's guardian may submit a written request for consideration of movement from one (1) category of need to another if there is a change in status of the individual.

(9)(a) The criteria for removal from the SCL waiting list shall be:

1. After a documented attempt, the department is unable to locate the individual or the individual's guardian;

2. The individual is deceased;

3. A review of documentation reveals that the individual does not have an intellectual or a developmental disability diagnosis;

4. A notification of potential SCL funding is made and the individual or the individual's guardian:

a. Declines the potential funding; and

b. Does not request to be maintained on the SCL waiting list; or

5. Notification of potential SCL funding is made and the individual or the individual's guardian does not complete the enrollment process with DBHDID nor notify DBHDID of the need for an extension within sixty (60) days of the potential funding notice date.

(b)1. A notification of need for an extension for good cause shall consist of a statement signed by the individual or the individual's guardian explaining the reason for the delay in accessing services, steps being taken to access services, and expected date to begin utilizing services.

2. Upon receipt of documentation, the department shall grant, in writing, one (1) sixty (60) day extension.

(10) If a notification of potential SCL funding is made and an individual or the individual's guardian declines the potential funding but requests to be maintained on the SCL waiting list, the:

(a) Individual shall be placed in the appropriate category on the SCL waiting list; and

(b) Chronological date shall remain the same.

(11) If an individual is removed from the SCL waiting list, DBHDID shall mail written notification to the:

(a) Individual or the individual's guardian; and

(b) Individual's case management provider.

(12) The removal of an individual from the SCL waiting list shall not prevent the submission of a new application at a later date.

(13) An individual shall be allocated potential funding based upon:

(a) Category of need;

(b) Chronological date of placement on the SCL waiting list; and

(c) Region of origin in accordance with KRS 205.6317(3) and (4).

(14) To be allocated potential funding, an individual residing in an institution shall meet the following criteria in addition to the criteria established in this section:

(a) The individual's treatment professionals shall determine that an SCL placement is appropriate for the individual; and

(b) The SCL placement is not opposed by the individual or the individual's guardian.

Section 13. Use of Electronic Signatures. The creation, transmission, storage, or other use of electronic signatures and documents shall comply with:

(1) The requirements established in KRS 369.101 to 369.120; and

(2) All applicable state and federal statutes and regulations.

Section 14. Employee Policies and Requirements Apply to Subcontractors. Any policy or requirement established in this administrative regulation regarding an employee shall apply to a subcontractor.

Section 15. Appeal Rights. (1) An appeal of a department decision regarding a Medicaid beneficiary based upon an application of this administrative regulation shall be in accordance with 907 KAR 1:563.

(2) An appeal of a department decision regarding Medicaid eligibility of an individual based upon an application of this administrative regulation shall be in accordance with 907 KAR 1:560.

(3) An appeal of a department decision regarding a provider based upon an application of this administrative regulation shall be in accordance with 907 KAR 1:671.

(4) The department shall not grant an appeal regarding a category of need determination made pursuant to Section 12 of this administrative regulation.

Section 16. Participant Rather than Provider Driven. Funding for the SCL waiver program shall be associated with and generated through SCL waiver program participants rather than SCL waiver service providers.

Section 17. Federal Approval and Federal Financial Participation. The department's coverage of services pursuant to this administrative regulation shall be contingent upon:

- (1) Receipt of federal financial participation for the coverage; and
- (2) Centers for Medicare and Medicaid Services' approval for the coverage.
