

STATEMENT OF EMERGENCY
921 KAR 3:027E

This emergency administrative regulation is necessary in order to ensure compliance with federal rules that require a state to administer a Supplemental Nutrition Assistance Program (SNAP). Senate Bill 65 (Regular Session 2021, Acts ch. 165), effective June 29, 2021, includes that 921 KAR 3:025 shall be null, void, and unenforceable as of the effective date of the Act. 921 KAR 3:025 contains the eligibility and technical requirements of SNAP, which is required by 7 C.F.R. 271.4; therefor, the cabinet is moving these required criteria into this new administrative regulation, 921 KAR 3:027. The issues that resulted in the passage of Senate Bill 65 were resolved and that agreed upon language is included in this administrative regulation.

This amendment is deemed to be an emergency pursuant to KRS 13A.190(1)(a)2. and 3., as approximately \$700 million in federal funding per year will be lost to Kentucky in the absence of a state SNAP, and the effective date of Senate Bill 65, being June 29, 2021, is an imminent deadline by which the cabinet must have a replacement for 921 KAR 3:025 in place, as required by federal rules.

This emergency administrative regulation will be replaced by an ordinary administrative regulation. The ordinary administrative regulation is identical to this emergency administrative regulation.

Pursuant to KRS 13A.190(7)(f), this administrative regulation governs the same subject matter as 921 KAR 3:025E, which was filed on January 15, 2021. This administrative regulation differs from the previously filed ordinary and emergency administrative regulation governing the same subject matter in that it contains the SNAP child support arrears disqualification language that was approved at the April 2021 meeting of the Administrative Regulation Review Subcommittee.

Although 921 KAR 3:025&E was amended and passed at the Administrative Regulation Review Subcommittee in April 2021, with all issues resolved and general consensus on the administrative regulation, Senate Bill 65 causes the administrative regulation to be, "null, void, and unenforceable as of the effective date of this Act", which will be June 29, 2021. Because 7 C.F.R. 271.4 requires the cabinet to administer a Supplemental Nutrition Assistance Program (SNAP), because this administrative regulation contains the requirements for SNAP eligibility, and because the state of Kentucky must remain in compliance with federal rules over this program, the Department for Community Based Services must move these eligibility requirements into a new administrative regulation.

(b) The necessity of the amendment to this administrative regulation: Although issues concerning 921 KAR 3:025 have been resolved, Senate Bill 65 (Regular Session 2021, Acts ch. 165) causes the administrative regulation to be null and void on June 29, 2021, forcing the department to move these federally-required eligibility provisions into a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statutes: This is a new administrative regulation that will assist in the effective administration of the statutes governing SNAP by complying with federal and state law around program eligibility.

There are over 4,000 Kentucky retailers participating in SNAP that receive over \$700 million in SNAP federal funds annually.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: The households mentioned in question (3) must meet the eligibility requirements contained in this administrative regulation to receive program assistance in purchasing food. There are no new requirements contained in this amendment.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is no cost to the households deemed eligible to receive program assistance.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

Households that comply with the technical requirements and meet the eligibility requirements contained in this administrative regulation will receive assistance in purchasing eligible food products from participating retailers.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: SNAP benefits are 100% federally funded by the U.S. Department of Agriculture. Program administrative costs are funded 50% federal and 50% state and have been appropriated in the enacted budget. There are no new costs associated with this administrative regulation.

(b) On a continuing basis: There are no new costs associated with this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: SNAP benefits are 100% federally funded by the U.S. Department of Agriculture. There are over 4,000 Kentucky retailers participating in SNAP that receive over \$700 million in SNAP federal funds annually.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: There are no fees and no new costs associated with this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish or increase any fees.

(9) TIERING: Is tiering applied? SNAP assistance in purchasing food is only available to low-income households meeting the eligibility and technical requirements contained in this administrative regulation. Tiering is not applied as the eligibility requirements are the same for all program applicants.
