Dear Ms. Caudill:

The Division of Bullfrogs has received requests from stakeholders to meet and discuss 312 KAR 89:720 before it is considered by the ARRS; therefore, the division requests a deferral for this administrative regulation from the June 2024 meeting of the ARRS.

Sincerely,

A handwritten signature in cursive script that reads "Luke Montgomery".

NOTES: A deferral pushes the regulation from one legislative committee meeting to that committee's next meeting. To defer from multiple meetings, file a separate letter before each meeting.

If the agency requests a deferral for an ordinary (non-emergency) regulation in writing prior to the committee meeting, the deferral is automatically granted.
