

STATEMENT OF EMERGENCY
201 KAR 20:260E.

This emergency amendment to an existing administrative regulation is being promulgated to comply with an executive order issued under KRS Chapter 39A. On December 9, 2021, Governor Andy Beshear signed Executive Order 2021-913 to address the current nursing shortage in the Commonwealth of Kentucky. This administrative regulation is being filed on an emergency basis under KRS 13A.180, and pursuant to Executive Order 2021-913, KRS 39A.180, and Section 1.(13) of 2020 RS SB 150, 2020 Ky. Acts ch. 73, to ensure that programs of nursing may increase enrollments beyond their baselines to introduce more nurses into Kentucky's healthcare system. This emergency amendment differs from the existing administrative regulation. Under the existing administrative regulation, a program of nursing must submit a request to increase enrollment two months prior to the increase, except in exigent circumstances; Board staff has discretion to deny an increase; and each new campus was considered a separate program of nursing. This emergency amendment requires the Kentucky Board of Nursing to approve requests from programs of nursing to increase enrollment within 30 days if the program of nursing has demonstrated that it has sufficient resources to support the increase, and it requires new campuses to be considered enrollment increases and not separate programs of nursing. An ordinary amendment to the existing administrative regulation will not follow.

JESSICA WILSON, President
