REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Christopher Harlow

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes the fees associated with Board of Pharmacy licensure.

(b) The necessity of this administrative regulation:

KRS 315.191(1)(i) authorizes the Board of Pharmacy to assess reasonable fees for services rendered to perform its duties and responsibilities. This administrative regulation establishes reasonable fees for the board to perform all the functions for which it is responsible.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

This administrative regulation establishes reasonable fees for the board to perform all the functions for which it is reasonable.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This regulation amendment cleans up the language and does not change the fee for the initial licensure of pharmacists. It simply changes the language from “application for a licensee for pharmacist examination” to “application for initial pharmacist license.”

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

It simply changes the language from “application for a licensee for pharmacist examination” to “application for initial pharmacist license.”

(b) The necessity of the amendment to this administrative regulation:

This administrative regulation amendment cleans up the language to be more appropriate to board licensure processes.

(c) How the amendment conforms to the content of the authorizing statutes:

KRS 315.191(1)(i) authorizes the Board of Pharmacy to assess reasonable fees for services rendered to perform its duties and responsibilities. This administrative regulation amendment does not change fees, it just amends language to more clearly articulate what the fee is utilized for.

(d) How the amendment will assist in the effective administration of the statutes:

The amendment will further promote, preserve, and protect public health through effective characterization of the initial pharmacist license fees.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

The board anticipates pharmacists will be affected minimally by this regulation amendment.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

Pharmacists will have to familiarize themselves with amended language. The board will help to educate pharmacists and pharmacies in these changes.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

There is no increased cost.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

Pharmacists will be better served by the Board of Pharmacy with a more active characterization of what the initial fee is utilized for.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

No costs will be incurred.

(b) On a continuing basis:

No costs will be incurred.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

Board revenues from pre-existing fees provide the funding to enforce the regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

No increase in fees is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees:

There are no new fees established.

(9) TIERING: Is tiering applied?

Tiering is not applied because the regulation is applicable to all pharmacists and pharmacies.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation?

The Kentucky Board of Pharmacy will be the only entity impacted by this administrative regulation.
