(a) Cause an investigation to determine the validity of the petition;

(b) Ensure the investigation is completed within thirty (30) days of receipt of the complaint; and

Section 3. Conversion.

(1) No conversion public charter school shall begin operation after the beginning of a school year.

(2) After each local board of education's vote to convert an existing public school to a charter school or completion of the petition process requirements of KRS 160.1599(2)(a) or (b) and this administrative regulation, and after the authorizer's approval of a charter application to establish a conversion public charter school, each superintendent of a district with authority over the existing public school shall:

(a) Notify resident students of the conversion of the existing public school and provide information for student application to the conversion charter school during the time that information on other school programs in the local school district is provided;

Conversion of an existing public school of the local school district may result in the circumstances described in KRS 161.800 and 161.011 necessitating the local school district superintendent's review of the necessity for a reasonable reduction in the number of teachers and classified employees employed by the local school district under KRS 161.800 and 161.011.
- (2) A teacher, with continuing status pursuant to KRS Chapter 161, who is employed by a Kentucky local school district, who is hired by the conversion charter school board of directors to work in the converted charter school, and who is granted leave by the employing local board of education pursuant to KRS 160.1592(22), shall notify the local school district of the teacher's intent to work in the converted charter school or to return to employment with the local school district the next school year by April 15 of each year of the granted leave.
- (3) The department shall create a charter school conversion employee transition guidance document that an authorizer, local board of education, and a conversion charter school may utilize.

- (2) The department shall create a charter school conversion student transition guidance document that an authorizer, local board of education, and a conversion charter school may utilize.

(2) If a closed conversion charter school is reverting back to its noncharter status, each local board of education with authority over the existing public school shall solicit feedback on the future of the school from parents, persons with custody or charge, adult students, and emancipated youth students of the school prior to the reversion.
