REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person:Todd G. Allen

(1) Provide a brief summary of:

(a) What this administrative regulation does:

KRS 156.070 requires the Kentucky Board of Education (KBE) to manage and control the common schools, including interscholastic athletics in the schools, and authorizes the KBE to designate an agency to manage athletics. This regulation designates the Kentucky High School Athletic Association (KHSAA) as the agent to manage high school and middle school interscholastic athletics, and incorporates by reference the bylaws, procedures and rules governing interscholastic sports.

(b) The necessity of this administrative regulation:

This regulation is necessary to designate the agency to provide the day-to-day management activities of interscholastic athletics in Kentucky; to set forth the financial, planning and review processes governing the agent; and to incorporate by reference the bylaws, procedures and rules of the agency.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

The regulation designates the agency to manage interscholastic athletics, as authorized by the authorizing statute, and outlines the conditions under which this authority is granted.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

It designates the KHSAA as the agent to manage interscholastic athletics in the schools and districts at the high school and middle school levels, and publishes changes in bylaws, procedures and rules for affected schools and districts.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

These amendments make changes to the documents incorporated by reference, including the bylaws, to make the rule compliant with the provisions of recent legislation. Specifically, recent legislation addressed Name, Image, and Likeness ("NIL"), athletic eligibility of non-resident district students, and gender restricted participation. Changes were also made as a result of the recent Annual Meeting of Member Schools where they voted to remove certain restrictions established in Bylaw 9 for students in Basketball at the beginning of the school year. Finally, additional changes were made to update policies and other documents according to recent board action.

(b) The necessity of the amendment to this administrative regulation:

Pursuant to the KHSAA Constitution, which is incorporated by reference in this regulation, the members are required to have an annual meeting to discuss and recommend any needed changes to the Constitution and Bylaws. While they are not required to make changes to the Constitution and Bylaws, substantive changes must be made through this process. This amendment incorporates changes approved at the annual meeting of the Delegate Assembly. This amendment also is necessary to designate the KHSAA as the agent to manage interscholastic athletics at the high school and middle school level.

(c) How the amendment conforms to the content of the authorizing statutes:
The statute authorizes the KBE to designate an agency to manage interscholastic athletics in the common schools. The regulation designates the KHSAA as that agent at both the high school and middle school levels, and incorporates by reference the KHSAA Handbook, which consists of the KHSAA Constitution, Bylaws, Due Process Procedure, and Board of Control Policies to provide rules and guidance to the member schools and districts governing sporting events. The amendments in the Bylaws are made annually, according to the process outlined in the Constitution, and reflect input given by member schools and districts on changes that need to be made to provide a sounder structure of governance.

(d) How the amendment will assist in the effective administration of the statutes:
