Section 2. Allocable Resources. The council shall determine total KCTCS institution allocable resources for any given year by calculating each institution's formula base amount and subtracting the equity adjustment and any amount protected by a hold harmless provision. These amounts shall then be combined along with any applicable increase or decrease in general fund appropriation.

Section 3. Data Sets. Unless indicated otherwise, each metric, except facilities square footage, shall be calculated using a three (3) year rolling average~~[the most recent set of finalized data]~~.

Section 4. Student Success Outcomes. Thirty-five (35) percent of total KCTCS institution allocable resources shall be certified for distribution to each institution based on its share of the total volume of student success outcomes as established in KRS 164.092(8)(a)1. through 7., and in the following denominations:

(1) Eight (8) ~~[(10)]~~ percent based on the credentials awarded in an academic year weighted to provide a premium for credentials that are aligned with the economic needs of the state~~[using an average of the most recent three (3) years of finalized data and weighted in the following manner:]~~

[1.0] ~~[for an undergraduate certificate or diploma which a student can complete in less than one (1) academic year;]~~

[2.0] ~~[for an undergraduate certificate or diploma which a student can complete in at least one (1), but less than two (2) academic years; and]~~

[4.0] ~~[for an associate degree.]~~

~~[(2)] [Two (2) percent based on STEM+H credentials awarded in an academic year;]~~

- (2) ~~{(3)}~~ One (1). ~~{Two (2)}~~ percent based on ~~degrees~~credentials awarded to underrepresented ~~{minority}~~ students in an academic year;
- (3) ~~{(4)}~~ Five (5). ~~{Two (2)}~~ percent based on credentials awarded to low-income students in an academic year;
- (4) ~~{(5)}~~ Four (4). ~~{Two (2)}~~ percent based on credentials awarded to underprepared students in an academic year;
- (5) Six (6) percent based on credentials awarded to non-traditional college students in an academic year;
- (6) Four (4). ~~{Two (2)}~~ percent based on the number of students in the cohort who transferred to a baccalaureate degree granting college or university after the last term a student was enrolled at a KCTCS institution in the academic year;
- ~~{(7)} {Two (2) percent based on targeted industry credentials awarded in an academic year;}~~
- ~~{(8)} {One (1) percent based on high-wage, high-demand credentials awarded in an academic year;}~~
- (7) ~~{(9)}~~ One (1). ~~{Two (2)}~~ percent based on the number of full-time and part-time undergraduate students reaching or surpassing fifteen (15) cumulative earned credit hours in an academic year;
- (8) ~~{(10)}~~ Two (2). ~~{Four (4)}~~ percent based on the number of full-time and part-time undergraduate students reaching or surpassing thirty (30) cumulative earned credit hours in an academic year; and
- (9) ~~{(11)}~~ Four (4). ~~{Six (6)}~~ percent based on the number of full-time and part-time undergraduate students reaching or surpassing forty-five (45) cumulative earned credit hours in an academic year.

Section 5. Student Credit Hour Production. Thirty-five (35) percent of total KCTCS allocable resources shall be certified for distribution to each institution based on its share of total volume of weighted student credit hours earned during an academic year as established in KRS 164.092(8)(b). Credit hour weighting by course discipline shall be in accordance with the KCTCS Funding Model Classification of Instructional Program (CIP) Cost Factors Index.

Section 6. Operational Support. Thirty (30) percent of total KCTCS allocable resources shall be certified for distribution to each institution in support of vital campus operations as established in KRS 164.092(8)(c)1. through 3.

- (1) Ten (10) percent shall be allocated based on facilities' square feet as reported annually to the council and as established in KRS 164.092(8)(c)1.
- (2) Ten (10) percent shall be allocated based on direct instruction and student services costs as reported to The Integrated Postsecondary Education Data System (IPEDS) and as established in KRS 164.092(8)(c)2.
- (3) Ten (10) percent shall be allocated based on total full-time equivalent student enrollment as established in KRS 164.092(8)(c)3.

Section 7. Stop-loss and Hold-Harmless Provisions.

- (1) Any final amounts certified for distribution to any institution shall account for any hold-harmless or stop-loss provisions established in KRS 164.092(9).
- (2) The council shall determine hold-harmless amounts for institutions ~~{in fiscal year 2018-2019}~~ through application of the formula established in this administrative regulation.
- (3) If the formula total amount generated for an institution is less than its initial allocable resources, the amount of that difference shall be certified to KCTCS as that institution's hold-harmless allocation.

~~[(4)] [The council shall apply these hold-harmless allocations to all applicable institutions in 2018-2019 and in any subsequent years as directed by the General Assembly.]~~

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Sterling Crayton

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation implements a comprehensive funding model by which general fund appropriations shall be distributed in the Kentucky Community and Technical College System.

(b) The necessity of this administrative regulation:

KRS 164.092(12) requires the Council on Postsecondary Education to promulgate an administrative regulation to implement a comprehensive funding model for the public postsecondary education system.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

The administrative regulation conforms explicitly to the authorizing statute.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This regulation allows the Council to determine total KCTCS institution allocable resources for any given year by calculating each institution's formula base amount, subtracting the equity adjustment and any amount protected by a hold harmless provision, and combining these amounts along with any applicable increase or decrease in general fund appropriation.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment adds an adult learner metric, reallocates the equity adjustment using the community needs index, increases weightings for targeted student populations, eliminates the underrepresented minority student credential metric and replaces it with an metric for degrees awarded to underrepresented student that is defined as first generation students, reduces weighting of progression metrics, merges overlapping credential metrics, and now uses three-year rolling average data.

(b) The necessity of the amendment to this administrative regulation:

This amendment conforms to changes made in SB 191 (2024 Regular Session) and constitutes incremental but constructive change to the funding model by creating financial incentives and leveraging the formula to advance state goals for postsecondary education.

(c) How the amendment conforms to the content of the authorizing statutes:

The amendment conforms to the content of KRS 164.092 by further ensuring the improvement of opportunities for the Commonwealth's citizens and building a stronger economy through its public college and university system.

(d) How the amendment will assist in the effective administration of the statutes:

The amendment assists in the effective administration of KRS 164.092 by outlining how resources should be allocated to KCTCS institutions in accordance with the provisions of the statute.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

The 16 community and technical colleges in the Kentucky Community and Technical College System will be affected by this administrative regulation.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

The entities will not be required to take any new action in order to comply with this amendment, but may modify actions in order to best perform in the model.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

There is no additional cost to entities.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

The entities will not be required to take any action in order to comply with this amendment, but may modify actions in order to best perform in the model.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

See 4(b) above.

(b) On a continuing basis:

See 4(b) above.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

CPE will use general fund dollars to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

This regulation does not assess fees.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

This regulation does not assess fees.

(9) TIERING: Is tiering applied?

No. All regulated entities are of the same class, i.e. KCTCS institutions.

FISCAL IMPACT STATEMENT

(1) Identify each state statute, federal statute, or federal regulation that requires or authorizes the action taken by the administrative regulation.

164.092

(2) Identify the promulgating agency and any other affected state units, parts, or divisions:

The Council on Postsecondary Education and the Kentucky Community and Technical College System.

(a) Estimate the following for the first year:

Expenditures: Approximately \$200,000 per year for CPE to manage and run the model. No cost of implementation for postsecondary institutions.

Revenues: None for CPE. In and of itself, this regulation will not generate any revenue, however depending on campus performance and the overall general fund appropriation to higher education, institutions could see increases in general fund revenue.

Cost Savings: None

(b) How will expenditures, revenues, or cost savings differ in subsequent years?

N/A

(3) Identify affected local entities (for example: cities, counties, fire departments, school districts):

N/A

(a) Estimate the following for the first year:

Expenditures: N/A

Revenues: N/A

Cost Savings: N/A

(b) How will expenditures, revenues, or cost savings differ in subsequent years?

N/A

(4) Identify additional regulated entities not listed in questions (2) or (3):

N/A

(a) Estimate the following for the first year:

Expenditures: N/A

Revenues: N/A

Cost Savings: N/A

(b) How will expenditures, revenues, or cost savings differ in subsequent years?

N/A

(5) Provide a narrative to explain the:

(a) Fiscal impact of this administrative regulation:

Duties related to this regulation are generally assumed by Council staff members as part of their many other responsibilities. There are no additional costs of administration.

(b) Methodology and resources used to determine the fiscal impact:

General analysis.

(6) Explain:

(a) Whether this administrative regulation will have an overall negative or adverse major economic impact to the entities identified in questions (2) - (4). (\$500,000 or more, in aggregate)

This regulation is not anticipated to have a major economic impact on state or local government or regulated entities. This regulation will provide financial incentives to colleges across the Commonwealth overseen by the Kentucky Community and Technical College System.

(b) The methodology and resources used to reach this conclusion:

General analysis.
