If established, the advisory committee shall consist of three (3) members appointed by the chairman of the corporation by July 1 of each year. One (1) member shall be recommended to the chairman for appointment by the Kentucky Equine Education Project (KEEP). - (a) Approve the application;
- (b) Deny the application; or
- (c) Defer consideration of the application for a reasonable time for the purpose of conducting further investigation of the application.
- (10) Registration shall be effective for three (3) years. The first three (3) year registration period shall consist of the period beginning January 1, 2022, and ending December 31, 2024.

- (c) A letter from the national breed organization representing the breed certifying that the Kentucky affiliate is the recognized representative in Kentucky of that breed, and certifying the number of horses twenty-five (25) years of age and younger in the breed residing in Kentucky. If the Kentucky affiliate is the national breed organization, then an independent third party approved by the corporation shall certify the number of horses. Optionally, if the Kentucky affiliate demonstrates to the corporation that it is unable to obtain an independent third party to certify horse numbers as required in this subsection, the corporation may certify horse numbers at a fee of \$120 per hour.
 1. For a horse to be included in the certification, the horse shall be the result of parentage verified by DNA verification of either the horse's sire or dam. A three (3) generation pedigree on one (1) side shall be displayed on the certificate of registration, so that the horse, at least one (1) of the horse's parents, and at least (1) set of the horse's grandparents are displayed on the certificate.
 2. Each horse shall receive claim money from only one (1) Kentucky affiliate per year.
 3. The affiliate shall provide the data electronically to the corporation and in a format agreeable to the corporation;
- (d) A letter from the national breed organization representing the breed certifying that the breed has a closed breed registry; and

 2. The identity of the scoring person or body that will judge each contest as certified by the national breed organization;
 3. The rules of the contests in which the horses of the breed will participate as certified by the national breed organization; and
 4. The percentage distribution formula by which the Kentucky affiliate shall grant awards to incentive winners.

(15)

- (a) The corporation shall be recognized and designated as the sole official registrar of the KHBIF for the purposes of registering the application and award distribution plan for each breed in accordance with the terms of this administrative regulation.
 - (b) The records of each national breed organization shall be used as the official records of the corporation for determining the following information:
 1. The identity of the Kentucky affiliate representing the breed in Kentucky; and
 2. The number of horses of the breed twenty-five (25) years of age and younger registered with the national breed organization and currently residing in Kentucky.
- (16) If the information on an application form required under this section is found to be inaccurate, or becomes inaccurate, or changes, the organization identified as the Kentucky affiliate shall promptly notify the corporation of the correct information within thirty (30) days of discovering the inaccuracy or the circumstances causing the information to become inaccurate or to change.

Section 3. Timing and Distribution of Awards.

- (1) The events eligible for awards from the KHBIF, as set forth in each award distribution plan, shall be those occurring on or after January 1, 2006.

- (2) Awards to incentive winners shall be calculated and distributed each year.
- (3) The corporation, with the cooperation of each Kentucky affiliate shall, after the end of each calendar year, calculate the funds due to each Kentucky affiliate for that year.
- (4) The amount allocated to a Kentucky affiliate participating in the KHBIF shall be calculated by:
 - (a) Dividing the number of horses of the breed twenty-five (25) years of age and younger and currently residing in Kentucky as certified by the national breed organization pursuant to Section 2(14)(c) of this administrative regulation, by the total number of horses from all Kentucky affiliates certified pursuant to Section 2(14)(c) of this administrative regulation. The number of horses in each case shall be the number of horses recorded on each Kentucky affiliate's application form on the December 31 deadline established in Section 2(13) of this administrative regulation; and
 - (b) Multiplying the fraction obtained in paragraph (a) by the total amount of money allocated to all Kentucky affiliates during the year.
- (5) An award to an incentive winner from the KHBIF shall be determined based on the award distribution plan submitted by the Kentucky affiliate representing the breed to the corporation pursuant to Section 2(3)(b) of this administrative regulation.
- (6) The corporation shall, by March 1 of each year, notify the Kentucky affiliate of the total dollars allocated to that affiliate.
- (7) Kentucky affiliate shall, by October 1 of each year, notify the corporation of the names of the incentive winners who are entitled to awards for contests held during the previous year. The Kentucky affiliate shall also, by October 1 of each year, notify the corporation of the names of the horses registered to that affiliate, and the date of each horse's registration. If a horse is registered with more than one (1) affiliate, the corporation shall not count that horse's award, and the funds for that award shall revert back to the KHBIF to be distributed in future awards.
 - (a) Within thirty (30) calendar days of receiving the names of the incentive winners from the Kentucky affiliate, the corporation shall generate claim forms for the appropriate Kentucky affiliate.
 - (b) The Kentucky affiliate shall provide the claim forms received from the corporation to its incentive winners from the previous year.
 - (c) The Kentucky affiliate shall provide a letter to the corporation, which certifies that it has notified all incentive winners of their awards from the previous year. The corporation shall not issue an award check for any of that Kentucky affiliate's incentive winners prior to receiving this letter.
- (8) After receiving notification of an award, each incentive winner shall return an enclosed claim form for the award that certifies that the incentive winner is entitled to the award and that certifies the incentive winner's taxpayer ID number or Social Security number. The claim form shall be delivered to the corporation no later than December 31 of the same year in which the corporation notified the incentive winner of the award pursuant to subsection (7) of this section.
- (9) The claim form shall be the form "Claim Form of Incentive Winner for Award from the Kentucky Horse Breeders' Incentive Fund", KHRGC Form 7-050-2, (10/2021).
- (10) Failure to return the claim form required by subsection (8) of this section by December 31 of the year in which the incentive winner was notified of the award pursuant to subsection (7) of this section shall result in forfeiture of the award, and the award money shall lapse to the KHBIF.
- (11) An award from the KHBIF shall not be granted to any incentive winner who is not in good standing with the national breed organization or Kentucky affiliate.

Section 4. Semiannual Reports.

(1) A semiannual status report describing a Kentucky affiliate's progress and participation in the award distribution plan shall be filed with the advisory committee by each Kentucky affiliate on or before July 31 and January 31. If that date is on a Saturday, Sunday, or legal holiday, the report shall be due on the first business day thereafter.

(2) The semiannual report shall also include:

(e) The current contact information of the Kentucky affiliate's preferred contacts.

Section 5. Disputes.

(1) Any dispute between the corporation and a Kentucky affiliate or national breed organization arising under this administrative regulation shall be raised by the aggrieved party filing a petition seeking relief with the executive director of the corporation, within thirty (30) days of the action or the inaction leading to the dispute, as established in 810 KAR 7:070.

(2) If the executive director and the aggrieved party do not agree on a resolution of the dispute, the executive director shall assign the case to a hearing officer who shall conduct a hearing pursuant to KRS Chapter 13B.

Section 6. Disciplinary Procedures.

(1) Violations, discipline, disputes, and investigation shall take place according to 810 KAR 7:070.

(2) In addition to the procedures established in 810 KAR 7:070, and notwithstanding any contrary provisions of 810 KAR 7:070, the corporation may take the following actions, which would be subject to appeal as established in 810 KAR 7:070:

(a) For a violation of 810 KAR 7:070, the corporation may bar a Kentucky affiliate or national breed organization from registering for a period of from one (1) to ten (10) years, based on the seriousness of the violation.

(b) For a second or subsequent violation of 810 KAR 7:070, the corporation may bar the Kentucky affiliate or national breed organization from eligibility to receive an incentive from the KHBIF for a period of from one (1) to twenty (20) years.

(c) If the evidence available to the corporation indicates that an individual who is a member of, or acting on behalf of, a Kentucky affiliate or national breed organization has, without the knowledge or consent of the Kentucky affiliate or national breed organization, violated 810 KAR 7:070, then the corporation may condition the continuing registration of the Kentucky affiliate in the KHBIF upon the exclusion of that individual from any further participation in work related to the KHBIF.
