RELATES TO: KRS Chapters 196, 197, 439

STATUTORY AUTHORITY: KRS 196.035, 197.020, 197.110, 439.470

NECESSITY, FUNCTION, AND CONFORMITY: KRS 196.035 authorizes the secretary to promulgate administrative regulations deemed necessary or suitable for the proper administration of the functions of the cabinet or any division in the cabinet. KRS 197.020(1) (a) and (b) require the Department of Corrections to promulgate administrative regulations for the government and discipline of the penitentiary, government and official conduct of all officials connected with the penitentiary, government of the prisoners in their department and conduct, and preservation of the health of the prisoners. KRS 197.110 authorizes the department to promulgate administrative regulations for purposes as the department deems necessary and proper for carrying out the intent of KRS Chapter 197. KRS 439.470 requires the commissioner to promulgate administrative regulations for the conduct of persons placed on probation or parole but not conflict with conditions of the parole board or court. This administrative regulation establishes procedures concerning news media for the Department of Corrections.

Section 1. Definitions.

- (1) "DOC" means the Department of Corrections.
- (2) "News media" means a form of mass media that focuses on delivering news to the general public, but does not include broadcast programs syndicated by independent producers, television stations, networks, or others for the primary purpose of entertainment.
- (3) "PIO" means public information officer.
- (4) "VSB" means the Victim Services Branch.

Section 2.

- (1) A news media request or inquiry shall be handled by the Division of Public Affairs at the DOC headquarters in Frankfort, Kentucky.
- (2) A request by a news media representative to visit an institution, probation and parole office, or other DOC office shall be reviewed on a case-by-case basis and a decision rendered by the Division of Public Affairs in conjunction with the warden, director, or commissioner.
- (3) Credentials. A state issued photo ID shall be required to verify the identity of a news media representative. An identification card issued by the reporter's place of employment may also be required if needed to verify the credentials of a media representative. In the absence of an employee identification card, the DOC may refuse admittance if the identification is suspect.
- (4) Live broadcasts including television, radio, phone, and virtual communication from inside the perimeter of an institution shall not be permitted at any time.
- (5) Arrangements for interviews and visits by representatives of the media shall be made in advance to the Division of Public Affairs. A brief summary of the purpose of the visit or interview shall be provided and shall be subject to approval. Approved interviews shall primarily be conducted virtually. Private prison and community center administrators shall refer all news media inquiries concerning DOC policies, DOC inmates, or DOC clients to the Division of Public Affairs.
- (6) The Division of Public Affairs staff shall make this administrative regulation available in advance of a media visit to ensure that members of the news media are aware

of the requirements. Each news media representative shall sign a Corrections Media Release Form upon each visit to a DOC institution or office, indicating familiarity with this administrative regulation and agree to abide by it. Failure by a news media representative to comply with this administrative regulation may result in immediate removal from the institution or office and may constitute grounds for denying the representative or his or her agency permission to attend future media events within a DOC institution or office.

### Section 3. Inmate interviews and photographs.

(1) Media representatives may be permitted to interview an inmate if the inmate gives written consent to be interviewed. A news media representative wishing to interview an inmate shall submit to the Division of Public Affairs a brief summary of the purpose of the interview, which is subject to approval.

(2) An approved interview by a news media representative shall include only the news media representative, the inmate, and DOC staff. There shall not be anyone else present including family members, lawyers, or others.

(3) The Division of Public Affairs may establish time limits for an interview or other media event coverage.

(4) A news media interview shall not be permitted for an inmate in a high security unit, in protective custody, on watch, or on other significant medical or mental health status. An inmate involved in an internal affairs investigation may also be prohibited from granting interviews until that case is closed.

(5) The news media shall not interview an inmate away from institutional grounds except with direct authorization from the commissioner.

(6) An inmate shall not receive compensation or anything of value, in exchange for or as a result of participating in an interview. A media representative or entity who violates this stipulation may be restricted from further access to inmate interviews.

(7) The Division of Public Affairs may grant or deny an interview request. The Division of Public Affairs may consider safety and security concerns in an interview denial. The Division of Public Affairs may terminate an interview or coverage within a DOC facility if a disruption of any type occurs.

(8) A recording device may be used by a media representative during an interview with prior approval.

(9) If an inmate interview is approved, the Victim Services Branch shall review the inmate's information to determine if the inmate has any registered victims. The VSB shall attempt to contact a registered victim to notify the victim of the interview in advance of the interview.

(10) If a media visit has been approved, the media representative may take photographs of specific parts of the correctional institution or probation and parole office with approval of the appropriate warden or director.

(a) Media shall be escorted at all times while on institutional or office grounds by the designated staff.

(b) If news media films or photographs an inmate or an offender under supervision in which the inmate or offender may be identified, a signed copy of the Corrections Release Form shall be obtained from the inmate or offender to provide written consent before the video or photo may be shown or shared.

(11) Parole hearings. Because parole hearings are considered an open proceeding, an inmate who appears may be filmed, photographed, or recorded without signing a consent form; however, the general provisions of this section shall still apply to any interview before or after the hearing. Interviews shall not be conducted outside the parole hearing without prior DOC approval and the inmate's written permission using the Corrections Release Form.

#### Section 4. DOC Institutional Grounds.

(1) News media wanting to video or photograph the exterior of a correctional institution shall notify the Division of Public Affairs. News media shall remain in the parking lot. Any video or photograph obtained shall not include an identifiable inmate.

(2) High security areas, control centers, control panels and any other area designated by the warden for safety or security reasons shall not be filmed or photographed.

#### Section 5. Dissemination of Information.

(1) Dissemination of DOC information shall be the responsibility of the Division of Public Affairs including contact from a national or international news media representative.

(2) Institutional PIOs shall assist with the announcement of an escape or other incident within an institution as needed. Every effort shall be made to notify the family of an inmate involved in the emergency prior to the release of information to the media. Names of involved staff shall not be released to the media until the designated next of kin or family is notified.

(3) Individual staff members, contractors, or volunteers shall not respond to media inquiries unless they have received prior approval from the Division of Public Affairs.

(4) The Division of Public Affairs shall be informed of all correspondence sent to or received from a news media representative.
