REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person:Jenny Gilbert

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes fees and terms for licenses, permits, and tags sold by the Department of Fish and Wildlife Resources.

(b) The necessity of this administrative regulation:

This administrative regulation is necessary for the department to establish reasonable license fees, permit terms, and the expiration dates of licenses and permits.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

KRS 150.175 authorizes the types of licenses, permits, and tags that the department can issue. KRS 150.195(4)(f) requires the department to promulgate an administrative regulation establishing the license and permit terms and the expiration date of licenses and permits. KRS 150.225 requires the Department to prescribe reasonable fees for licenses, permits, and registrations authorized by Chapter 150. KRS 150.620 authorizes the department to charge reasonable fees for the use of lands and waters it has acquired for wildlife management and public recreation.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This administrative regulation fulfills the requirements and purposes of the statutes identified in (1)(c) by establishing reasonable fees and terms for licenses, permits, and tags issued by the Department.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment creates a noncommercial foxhound training enclosure permit to allow operation of foxhound enclosures of 40 to 200 acres.

(b) The necessity of the amendment to this administrative regulation:

This amendment is necessary to create the new noncommercial foxhound training enclosure permit. These smaller enclosures were previously permitted under 301 KAR 2:081, however, they are being moved to 301 KAR 2:041 with other foxhound training enclosure regulations.

(c) How the amendment conforms to the content of the authorizing statutes:

See (1)(c) above.

(d) How the amendment will assist in the effective administration of the statutes:

See (1)(d) above.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

Those who wish to operate foxhound training enclosures of 40 to 200 acres will be able to obtain a noncommercial foxhound training permit to do so legally.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

Purchasers of the above permit will be allowed to operate foxhound training enclosures of 40 to 200 acres.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

The annual fee for a noncommercial foxhound training enclosure permit is \$25.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

People may operate foxhound training enclosures of 40 to 200 acres.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

There will be no cost to the department to implement this administrative regulation.

(b) On a continuing basis:

There will be no additional cost to the department on a continuing basis beyond routine permit application review, issuance of permits, and enforcement.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

The source of funding is the State Game and Fish Fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

This amendment establishes a new \$25 annual permit but removes the previous requirement of a \$75 dollar permit required every three years.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

This amendment establishes a new \$25 annual permit but removes the previous requirement of a \$75 dollar permit required every three years.

(9) TIERING: Is tiering applied?

No. Tiering is not applied because every eligible person will have to pay the same price for each particular permit issued.

FISCAL IMPACT STATEMENT

(1) Identify each state statute, federal statute, or federal regulation that requires or authorizes the action taken by the administrative regulation.

KRS 150.175, 150.195, 150.225, and 150.620.

(2) Identify the promulgating agency and any other affected state units, parts, or divisions:

KDFWR will be impacted by this amendment.

(a) Estimate the following for the first year:

Expenditures: There should be no additional expenditures for the first year.

Revenues: Revenues should remain static as the requirement of a \$75 permit every three years was eliminated and replaced with the requirement of a \$25 permit annually.

Cost Savings: There should not be any cost savings for the first year.

(b) How will expenditures, revenues, or cost savings differ in subsequent years?

Subsequent years should be roughly equal to the first year in regards to expenditures, revenues, and cost savings.

(3) Identify affected local entities (for example: cities, counties, fire departments, school districts):

(a) Estimate the following for the first year:

Expenditures: n/a

Revenues: n/a

Cost Savings: n/a

(b) How will expenditures, revenues, or cost savings differ in subsequent years?

n/a

(4) Identify additional regulated entities not listed in questions (2) or (3):

Foxhound training enclosure operators purchasing the noncommercial foxhound training enclosure permit.

(a) Estimate the following for the first year:

Expenditures: \$25 permit fee

Revenues: This permit is for noncommercial activities only.

Cost Savings: None anticipated, n/a

(b) How will expenditures, revenues, or cost savings differ in subsequent years?

Subsequent years should be roughly equal to the first year in regard to expenditures, revenues, and cost savings.

(5) Provide a narrative to explain the:

(a) Fiscal impact of this administrative regulation:

n/a These enclosures are privately owned and operated. This administrative regulation has minimal fiscal impact.

(b) Methodology and resources used to determine the fiscal impact:

There will be no additional costs to administer this regulation.

(6) Explain:

(a) Whether this administrative regulation will have an overall negative or adverse major economic impact to the entities identified in questions (2) - (4). (\$500,000 or more, in aggregate)

No negative economic impact anticipated considering the \$25 permit application fee and no substantial increase in time for issuing permits and enforcement.

(b) The methodology and resources used to reach this conclusion:

There will be no additional costs to administer this regulation.
