REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Christopher Harlow

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes the functions that pharmacy technicians are authorized to perform. This regulation also establishes the criteria for registration as a certified pharmacy technician.

(b) The necessity of this administrative regulation:

This administrative regulation is necessary to assist pharmacists in the practice of pharmacy. Without this regulation there is no indication as to what a pharmacy technician may or may not do.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

KRS 315.191(1)(a) provides the Board with the authority to promulgate administrative regulations necessary to regulate and control all matters set forth in KRS 315 relating to pharmacy technicians.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This administrative regulation provides clarity as to what technicians may or may not do. KRS 315.135 and KRS 315.136 authorize the registration of pharmacy technicians.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment provides detailed tasks that pharmacy technicians may perform and it creates delegated tasks that certified pharmacy technicians may perform.

(b) The necessity of the amendment to this administrative regulation:

This amendment was necessary to ensure that pharmacists were assisted in the practice of pharmacy to prevent pharmacies from being overwhelmed with prescription volume. This amendment is also narrowly tailored to ensure public protection.

(c) How the amendment conforms to the content of the authorizing statutes:

This amendment conforms to KRS 315.191(1)(a) and the authority to promulgate regulations to control and regulate pharmacy technicians.

(d) How the amendment will assist in the effective administration of the statutes:

This amendment provides clarity as to what technicians may or may not do. KRS 315.135 and KRS 315.136 authorize the registration of pharmacy technicians.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

Pharmacies, pharmacists, pharmacy technicians and pharmacist interns will be impacted by this administrative regulation.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

Pharmacies, pharmacists, pharmacy technicians and pharmacist interns will have to familiarize themselves with the changes in tasks that pharmacy technicians may perform.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

It will not cost regulated entities anything to comply with the amendment.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

Pharmacists will have a greater ability to have assistance from technicians, allowing them more time to spend with patients and providing clinical services. (5) Provide an estimate of how much it will cost to implement this administrative Regulation:

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

0

(b) On a continuing basis:

0

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

The Board will enforce this regulation through regular pharmacy inspections which are already funded through the Board's budget.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

There will be no fee increase with this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

There are no fees established directly or indirectly by this regulation.

(9) TIERING: Is tiering applied?

Certified technicians are provided with the ability to perform more tasks, as delegated by a supervising pharmacist, because they have attained a level of competency with a national exam. A non-certified technician has no special education or credential.

FISCAL IMPACT STATEMENT
