KRS 150.660 authorizes a person to establish a pay lake subject to the approval of the Commissioner of the department. This administrative regulation establishes the requirements for pay lake operators.

(b) Paying the applicable fee as referenced at <https://fw.ky.gov/Licenses/Pages/Fees.aspx> and established in 301 KAR 5:022.

(2) A pay lake license shall be transferable, but only for the same pay lake, except that no license may be transferred while an enforcement action is pending.

Section 2. Pay Lake Signage. A pay lake operator shall post clearly visible signage stating:

(1) The water body of origin of stocked catfish and any associated consumption advisories, if applicable; and

(2) Fish handling policies if catch and release fishing is offered.

Section 3. Documentation and Fish Stocking Requirements.

2. The commercial fisher and driver who provided the fish, if obtained from public waters;

(b) Purchase dates; and

(c) The following details of fish by species, except catfish shall be recorded with separate entries for trophy and non-trophy catfish of each species, which includes the:

3. Waterbody of origin.

(3) A pay lake may stock trophy catfish from public waters up to 750 pounds per surface acre of water per stocking, with a maximum annual limit of up to 2,250 pounds per surface acre of water per calendar year.

Section 4. Non-conforming Pay Lakes. Any lake not meeting the definition of a pay lake, as defined in 301 KAR 1:001, shall not qualify for a pay lake license, except that any non-conforming pay lake that was previously licensed as a pay lake for all license years 2008 through 2018 inclusive, shall be permitted to renew a pay lake license until the pay lake operator does not purchase a pay lake license for one (1) annual license period or the pay lake license is revoked as established in Section 6 of this administrative regulation. Notwithstanding any other provision, non-conforming pay lake licenses are non-transferable, and shall not be renewed after the 2054-2055 license year.

Section 5. Pay Lakes with Trophy Catfish from Public Waters.

- (1) There shall be a maximum of thirty-five (35) pay lakes with trophy catfish originating from public waters in any pay lake license year.
- (2) If there are more than thirty-five (35) licensed pay lakes, as established in subsection (1) of this section, at the effective date of this administrative regulation, each licensed pay lake shall be permitted to renew a pay lake license until the pay lake operator does not purchase a pay lake license for one (1) annual license period.
- (3) If at the end of a pay lake license year, less than thirty-five (35) pay lake licenses were issued, as established in subsection (1) of this section, then the department shall issue pay lake licenses on a first-come, first-served basis beginning on the first work day of the next license year.

Section 6. Pay Lake License Revocation.

- (1) A pay lake operator who violates this administrative regulation or is convicted or enters a guilty plea to any state or federal fish or game violation shall have his or her pay lake license revoked for a period of three (3) months for a first offense, one (1) year for a second offense, and two (2) years for a third or subsequent offense, except any revocation of non-conforming pay lake licenses shall be permanent.
- (2) A pay lake operator whose pay lake license is denied, revoked, or suspended may request an administrative hearing as established in KRS Chapter 13B.
