REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Jenny Gilbert

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes a permit for public use of the Peabody Wildlife Management Area and places necessary restrictions on its use by the public.

(b) The necessity of this administrative regulation:

This administrative regulation is necessary to establish a permit for public use of the Peabody Wildlife Management Area and places necessary restrictions on its use by the public.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

KRS 150.620 authorizes the department to acquire lands for public use, to promulgate administrative regulations for their management, and to charge fees for their use. KRS 150.195(4)(f) and (g) authorize the department to establish the term and manner of license and permit sales. KRS 150.025(1) authorizes the department to promulgate administrative regulations necessary to carry out the purposes of KRS Chapter 150.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This regulation establishes the manner in which the public can safely use of the Peabody Wildlife Management Area and places necessary restrictions on its use by the public.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment removes any reference to fees and replaces them with a reference to the fee regulation, 301 KAR 5:022, and similarly updates any applicable material incorporated by reference. This amendment also removes Starfire and Robinson Forest from the name of the permit because KDFWR does not own those properties and no longer has public access to these areas.

(b) The necessity of the amendment to this administrative regulation:

This amendment is necessary to allow future fee changes to be promulgated in 301 KAR 5:022 without the need for promulgating matching amendments to this regulation.

(c) How the amendment conforms to the content of the authorizing statutes:

KRS 150.025(1) grants authority for the department to promulgate regulations necessary to carry out the purposes of KRS Chapter 150. KRS 150.175 sets out licenses and tags to be sold by the department. KRS 150.195 requires the department to establish administrative regulations to provide for the control, design, issuance, distribution, and other matters related to licenses and permits issued by the department.

(d) How the amendment will assist in the effective administration of the statutes:

This amendment will consolidate any associated fees into a single fee regulation, 301 KAR 5:022.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

All individuals who which to obtain the associated permit.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

No action will be required to comply with the amendments, however, the individuals would need to look to 301 KAR 5:022 for the regulation which establishes the cost of the associated permit.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

There will be no cost to comply with the amendments to this regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

Compliance with these amendments will allow individuals to obtain the associated permit.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

There will be no cost to implement these regulatory amendments initially.

(b) On a continuing basis:

There will be no continuing costs to implement these amendments.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

The Fish and Game Fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

There will be no increase in fees or funding necessary to implement these changes.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

This administrative regulation does not establish any fees or directly or indirectly increase any fees. Any associated fees are addressed in 301 KAR 5:022.

(9) TIERING: Is tiering applied?

Tiering is not applied as all individuals will need to look to 301 KAR 5:022 for the regulation which establishes the cost of the associated permit.
