KRS 61.680 and 78.5542 provide for the combining of retirement accounts for public employees having a retirement account in more than one (1) of the following state administered retirement systems: County Employees Retirement System, Kentucky Employees Retirement System, Judicial Retirement Plan, Legislators Retirement Plan, State Police Retirement System and Teachers' Retirement System. This administrative regulation establishes requirements to implement KRS 61.680 and 78.5542.

Section 1. Definitions. "Death benefit" or "survivor benefit" means a payment to a beneficiary of a deceased member who met the eligibility requirements of KRS 16.578(1), 61.640(1), or 78.5532(1) on the date of their death.

Section 2. General Provisions.

(1) To determine benefits upon the death, disability or service retirement of a member having an account in more than one (1) state-administered retirement system, the Kentucky Public Pensions Authority shall:

- (a) Combine the member's service in all systems;
- (b) Determine eligibility in each system based on combined service;
- (c) If eligible in any system, determine benefits; and
- (d) Check for specific exceptions such as prior service, request for separate account or special death or disability exception.

(2) The earliest membership date among the systems in which the member has service shall be used to calculate the benefits in each system.

Section 3. Service Retirement.

(1) A member eligible to retire who elects service retirement from one (1) system, shall be paid from all systems in which the member has an account unless they request that their accounts be separated.

(2) The "final compensation" shall be calculated by:

(a) For a member with a membership date prior to September 1, 2008, using the five (5) highest, or three (3) highest, if eligible, fiscal years creditable compensation regardless of the system under which the service was earned, except as provided in KRS 61.680(7).

(b) For a member with a membership date on or after September 1, 2008 but prior to January 1, 2014 who is employed in a:

1. Nonhazardous position, using the five (5) complete fiscal years immediately preceding retirement regardless of the system under which the service was earned,

except as provided in KRS 61.680(7). Fiscal years added to the final compensation calculation to reach sixty (60) months shall be added regardless of the system under which the service was earned; and

2. Hazardous position, by using the highest complete fiscal years regardless of the system under which the service was earned, except as provided in KRS 61.680(7). (3) Each system shall determine benefit payments on the basis of the final compensation but using only the service earned in that system. Payments shall be made by each system in accordance with its usual procedures. If a member is not eligible for an unreduced benefit, benefits shall be actuarially reduced based on factors adopted by the respective retirement boards.

(4) The retiring member or beneficiary shall be required to elect the same payment option in each system administered by the Kentucky Public Pensions Authority except that a member of the State Police Retirement System or a member with hazardous service may select the "Ten (10) Year Certain" option established in KRS 16.576(4) irrespective of the option chosen for nonhazardous service in another retirement system administered by the Kentucky Public Pensions Authority..

(b) Failing to retire from the other state-administered retirement system within one (1) calendar month of their effective retirement date with the retirement systems administered by Kentucky Public Pensions Authority. A member will not be considered to have failed to retire from the other state-administered retirement system on the basis of the other state-administered retirement system's determination, notwithstanding the provisions of KRS 61.680, that the member is only eligible for a refund of contributions from the other state-administered retirement system .

(6) If so requested, "final compensation" shall be based on the creditable compensation earned under each system separately.

Section 4. Disability Retirement.

(1)

(a) If a contributing member of one (1) of the six (6) state-administered retirement systems qualifies for disability benefits, all systems under which the combined service meets service requirements shall participate in benefit payments unless accounts are separated by provisions of KRS 61.680(2)(b).

(b) Each system shall calculate benefits using the formula in effect in that system.

(c) Service added to County Employees Retirement System, Kentucky Employees Retirement System and State Police Retirement System accounts in accordance with the appropriate disability formula established in 105 KAR 1:210, Section 11, shall be prorated between system accounts based on a percentage of actual earned service in each system unless such proration conflicts with maximum added service permitted by law governing each system.

(2) If the combined service of a member meets service requirements in only one (1) system then that system shall pay benefits under the disability formula and the other system shall pay:

- (b) An actuarial accrued benefit based on the member's age, service and final compensation; or
- (c) A refund, if requested by the member.

(4) The process established in this section shall also be followed if the member qualifies for duty-related injury or death benefits pursuant to KRS 61.621.

Section 5. Survivor Benefit. A member contributing to any of the six (6) state-administered retirement systems who has combined service sufficient to qualify their beneficiaries for a survivor benefit shall have their County Employees Retirement System, Kentucky Employees Retirement System, or State Police Retirement System benefits computed under the regular survivor formula based on their service in each of the three (3) systems.
