

BOARDS AND COMMISSIONS
Board of Examiners of Psychology
(Amended at ARRS Committee)

201 KAR 26:171. Requirements for clinical supervision.

RELATES TO: KRS 319.032(1)(l), 319.050(3), (6), 319.056(4), (5), 319.064(3), (5), 319.082(1), 319.092(3)(d), 319.118(1)

STATUTORY AUTHORITY: KRS 319.032(1)(l)

CERTIFICATION STATEMENT:

NECESSITY, FUNCTION, AND CONFORMITY: KRS 319.032(1)(l) requires the board to promulgate an administrative regulation governing the clinical supervision of a certified psychologist, licensed psychological associate, candidate for licensure, or a credential holder sanctioned by the board. This administrative regulation establishes the requirements for clinical supervision.

Section 1. Board Approval Required.

- (1) Except for graduate students as provided in Section 14 of this administrative regulation, a supervisory arrangement shall have the prior approval of the board, with both clinical supervisor and supervisee petitioning the board in writing.
- (2) If there is a change in clinical supervision or in the supervisory arrangement, the clinical supervisor and supervisee shall:
 - (a) Proceed with the change as soon as practicable so as to avoid a lapse of clinical supervision for the supervisee; and
 - (b) Notify the board within thirty (30) days of the change for approval of the change of clinical supervision or supervisory arrangement.
- (3) It shall be the joint responsibility of the clinical supervisor and the supervisee to ensure that all reports, plans and goals, or other records of a supervisory relationship required by KRS Chapter 319, or Sections 6, 8, 9, 11, and 12 of this administrative regulation, are complete and filed with the board in a timely manner.

Section 2. Clinical and Supervision Requirements.All clinical supervision requirements shall:

- (1) Be met with individual, weekly contact either in person or via 2-way interactive video between clinical supervisor and supervisee; and
- (2) Include additional clinical supervision sessions as needed.

Section 3. Relief from Clinical Supervision Requirements During Inactive Period.

- (1) A certified psychologist or licensed psychological associate may petition the board to be relieved of his or her obligation to maintain clinical supervision during which period he or she shall not practice psychology.
- (2) The certified psychologist or licensed psychological associate shall obtain a clinical supervisor approved by the board before the resumption of practice.
- (3) Upon resumption of practice, the certified psychologist or licensed psychological associate shall:
 - (a) Document compliance with continuing education requirements; and
 - (b) Report on his or her activities and employment related to psychology during the period without clinical supervision.

Section 4. Training and Continuing Education for Clinical Supervisors.

- (1) A licensed psychologist with health service provider designation who has been approved by the board as a clinical supervisor shall attend a board-approved training session in clinical supervisory practices within twelve (12) months of obtaining approval as a supervisor.

(2) A board-approved clinical supervisor shall obtain a minimum of three (3) continuing education hours in clinical supervision theory or techniques in each three (3) year renewal cycle as required by 201 KAR 26:175, Section 2(4)(a). The board shall suspend its approval of a clinical supervisor if the clinical supervisor does not complete the required continuing education.

Section 5. Clinical Supervision Obligations.

- (1) The clinical supervisor shall make all reasonable efforts to be ensured that each supervisee's practice complies with this administrative regulation.
- (2) The clinical supervisor shall report to the board an apparent violation of KRS 319.082(1) on the part of the supervisee.
- (3) The clinical supervisor shall inform the board immediately of a change in the ability to clinically supervise, or in the ability of a supervisee to function in the practice of psychology in a competent manner.
- (4) The clinical supervisor shall control, direct, or limit the supervisee's practice as appropriate to ensure that the supervisee's practice of psychology is competent.
- (5) The clinical supervisor of record shall be responsible for the practice of psychology by the supervisee. If the board initiates an investigation concerning a supervisee, the investigation shall include the clinical supervisor of record.
- (6) For each person supervised pursuant to KRS 319.050(3), (6), 319.056(4), (5), 319.064(3), (5), or 319.092(3)(d), the clinical supervisor shall maintain a record of each supervisory session that shall include the type, place, and general content of the session. This record shall be maintained for a period of not less than six (6) years after the last date of clinical supervision.

Section 6. Clinical Supervision Reports.

- (1) In calculating the amount of time spent in full-time practice while under clinical supervision, 1,800 hours of supervised practice shall be equivalent to one (1) year of experience.
- (2) The clinical supervisor shall submit a Supervisory Report to the board of the clinical supervision of each supervisee according to the following schedule:

CREDENTIAL STATUS	REPORTING PERIOD	REPORT DUE DATE(S)
(a) Licensed psychological associate or certified psychologist with 4 or more years of full-time practice, or its equivalent	Every 2 years (with prior board approval)	Anniversary date of supervisee's licensure
(b) Licensed psychological associate or certified psychologist with fewer than 4 years of full-time practice, or its equivalent	Yearly	Anniversary date of supervisee's licensure
(c) Temporarily licensed psychologist	Every 6 months and 1 month prior to jurisprudence and competency examinations	
(d) Temporarily licensed psychological associate	Every 6 months	

(e) Sanctioned credential holder Quarterly

January,
April, July,
and October
15th

(3) The report shall include:

- (a) A description of the frequency, format, and duration of clinical supervision;
- (b) An assessment of the functioning of the supervisee, including the strengths and weaknesses of the supervisee; and
- (c) Other information which may be relevant to an adequate assessment of the practice of the supervisee.

Section 7. Multiple Clinical Supervisors.

- (1) If a supervisee has more than one (1) board-approved clinical supervisor, the clinical supervisors shall be in direct contact with each other at least once every six (6) months, and they shall provide Supervisory Plans and Goals to the board and copies to each other.
- (2) A request to have more than two (2) clinical supervisors at one (1) time shall require a special application to the board that shall include detailed information as to how the clinical supervisors shall communicate and coordinate with each other in providing the required clinical supervision.

Section 8. Clinical Supervisor Responsibilities. The clinical supervisor shall:

- (1) Review and countersign psychological assessments as appropriate based on the supervisee's level of experience;
- (2) Review treatment plans, progress notes, and correspondence as needed to assess the competency of the supervisee to render psychological services;
- (3) Jointly establish with the supervisee Supervisory Plans and Goals that shall be submitted to the board at the beginning of the supervisory relationship. The Supervisory Plans and Goals shall:
 - (a) Be updated or revised and submitted to the board with the regular report of clinical supervision;
 - (b) Include intended format and goals to be accomplished through the supervisory process; and
 - (c) Include methods that the clinical supervisor and supervisee shall employ to evaluate the supervisory process.
- (4) Have direct observation of the supervisee's work:
 - (a) For a licensed psychological associate or a certified psychologist with less than four (4) years of full-time, post-licensure practice, or its equivalent, or a licensure candidate with temporary permission to practice, direct observation shall take place at least once every two (2) months;
 - (b) For a licensed psychological associate or certified psychologist with more than four (4) years of full-time, post-licensure practice, or its equivalent, direct observation shall take place as needed; and
 - (c) Direct observation may be accomplished through audiotaping, video camera, videotaping, one (1) way mirror, or as a co-therapist.
- (5) Have direct knowledge of the size and complexity of the supervisee's caseload;
- (6) Limit and control the caseload as appropriate to the supervisee's level of competence;
- (7) Have knowledge of the therapeutic modalities and techniques being used by the supervisee; and
- (8) Have knowledge of the supervisee's physical and emotional well-being when it has a direct bearing on the supervisee's competence to practice.

Section 9. Supervisee Responsibilities.

- (1) The supervisee shall:
 - (a) Keep the clinical supervisor adequately informed at all times of his or her activities and ability to function; and
 - (b) Seek clinical supervision as needed in addition to a regularly scheduled supervisory session.
- (2) The supervisee shall:
 - (a) Participate with the clinical supervisor in establishing Supervisory Plans and Goals and in completing the regular Supervisory Reports;
 - (b) Be jointly responsible with the clinical supervisor for ensuring that a Supervisory Report has been sent to the board in accordance with the reporting schedule established in Section 6(2) of this administrative regulation; and
 - (c) Report to the board an apparent violation of KRS 319.082(1) on the part of the clinical supervisor.

Section 10. Identification of Provider. The actual deliverer of a service shall be identified to the client. A billing for a rendered service shall identify which service was performed by the certified psychologist, licensed psychological associate, temporary licensed psychologist, trainee, or other provider and supervised by the licensed psychologist.

Section 11. Frequency of Clinical Supervision.

- (1) A licensed psychological associate or certified psychologist shall have a minimum of one (1) hour of individual clinical supervision on a weekly basis for the first two (2) years of full-time practice or its equivalent following licensure.
- (2) After two (2) years of full-time, post-licensure practice, or its equivalent, the clinical supervisor and supervisee may petition the board using a Request for Change of Supervisor and/or Frequency form to alter the format, frequency, or duration of supervision if the proposed change includes a minimum of two (2) one (1) hour individual meetings every four (4) weeks, and the total amount of clinical supervision is not less than four (4) hours per four (4) week period. This petition may include a request to change the format from individual to group clinical supervision. Clinical Supervision requirements for part-time practice may be modified at the discretion of the board upon approval of the submitted plan.
- (3)
 - (a) After four (4) years of full-time, post-licensure practice, or its equivalent, the clinical supervisor and supervisee may petition the board for further modification of the format, frequency, or duration of supervision using a Request for Change of Supervisor and/or Frequency form, if the proposed change includes a minimum amount of one (1) hour of clinical supervision per month. Additional modifications of the format, frequency, or duration of clinical supervision may be submitted for approval by the board.
 - (b) Upon a change of clinical supervisor, a new Supervisory Plans and Goals shall be submitted by the clinical supervisor and supervisee to the board for approval. This plan may require additional clinical supervision than was previously approved by the board.
 - (c) Upon termination of the supervisor-supervisee relationship, the final Supervisory Report shall be submitted to the board within thirty (30) days of the termination.
- (4) Any change in the frequency or duration of clinical supervision under this section may not occur automatically, but only upon a written request to the board and approval of the request by the board.

Section 12. Clinical Supervision of a Disciplined Credential Holder.

- (1) The board shall appoint an approved clinical supervisor to supervise a disciplined credential holder for the period of time defined by the board.

- (2) The disciplined credential holder shall be responsible for paying the fee for clinical supervision.
- (3) The clinical supervisor shall have completed the board approved training course in supervision.
- (4) The clinical supervisor shall:
 - (a) Review the originating complaint, agreed order, or findings of the disciplinary hearing;
 - (b) Meet with the disciplined credential holder and the board liaison to:
 1. Summarize the actions and concerns of the board;
 2. Review the goals and expected outcomes of clinical supervision submitted by the board liaison;
 3. Develop a specific plan of clinical supervision; and
 4. Review the reporting requirements that shall be met during the period of clinical supervision.
 - (c) Meet with the disciplined credential holder at least weekly, on an individual basis (as described in Section 2 of this administrative regulation) for a minimum of one (1) hour unless modified by the board;
 - (d) Submit a quarterly report to the board which reflects progress, problems, and other information relevant to the need for board-mandated supervision;
 - (e) Make all reasonable efforts to ensure that the disciplined credential holder's practice complies with KRS Chapter 319 and 201 KAR Chapter 26;
 - (f) Report to the board any apparent violation of KRS 319.082(1) on the part of the disciplined credential holder;
 - (g) Immediately report to the board in writing a change in the ability to clinically supervise, or in the ability of the disciplined credential holder to function in the practice of psychology in a competent manner;
 - (h) Review and countersign psychological assessments as needed or appropriate;
 - (i) Review treatment plans, notes, and correspondence as needed or appropriate;
 - (j) Have direct observation of the disciplined credential holder's work on an as-needed basis;
 - (k) Have direct knowledge of the size and complexity of the disciplined credential holder's caseload;
 - (l) Have knowledge of the therapeutic modalities and techniques being used by the disciplined credential holder; and
 - (m) Have knowledge of the disciplined credential holder's physical and emotional well-being when it has direct bearing on the disciplined credential holder's competence to practice.
- (5) The clinical supervisor shall control, direct, or limit the disciplined credential holder's practice as appropriate to ensure that the disciplined credential holder's practice is competent.
- (6) The clinical supervisor shall contact the board liaison with any concern or problem with the disciplined credential holder, his or her practice, or the supervision process.
- (7) A final meeting shall be scheduled within thirty (30) days of the end of the established supervision period to summarize the clinical supervision. The meeting shall include the clinical supervisor, disciplined credential holder, and board liaison. A written summary of the supervision shall be submitted by the clinical supervisor to the board two (2) weeks following this meeting with a copy to the board liaison.

Section 13. Board Liaison for Disciplined Credential Holder. The board shall appoint a board member to serve as a liaison between the board and the approved clinical supervisor. The board liaison shall:

- (1) Recruit the clinically supervising psychologist from a list provided by the board;

- (2) Provide the clinically supervising psychologist with the originating complaint, agreed order, or findings of the hearing and supply other material relating to the disciplinary action as deemed appropriate by the liaison;
- (3) Ensure that the clinically supervising psychologist is provided with the necessary documentation for liability purposes to clarify that he or she is acting as an agent of the board pursuant to KRS 319.118(1) and has immunity commensurate with that of a board member;
- (4) Provide the clinically supervising psychologist with a written description of the responsibilities of the clinical supervisor and a copy of the responsibilities of the liaison;
- (5) Ensure that the board has sent a written notification letter to the disciplined credential holder. The notification letter shall:
 - (a) State the name of the supervising clinical psychologist; and
 - (b) Specify that the disciplined credential holder shall meet with the clinical supervising psychologist and the liaison within thirty (30) days of the date of the notification letter.
- (6) Meet with the clinically supervising psychologist and disciplined credential holder within thirty (30) days of the date of the notification letter to summarize the actions of the board, review the applicable statutes and administrative regulations regarding clinical supervision requirements for a disciplined credential holder, and assist with the development of a plan of supervision. The plan of supervision shall be written at the first meeting;
- (7) Submit the report of supervision to the board for approval. The liaison shall place the report of supervision on the agenda for review and approval at the next regularly scheduled board meeting. In the interim, the clinically supervising psychologist and disciplined credential holder shall continue to meet;
- (8) Remain available to the clinically supervising psychologist to provide assistance and information as needed;
- (9) Report any problem or concern to the board regarding the supervision and communicate a directive of the board to the clinically supervising psychologist;
- (10) Review the quarterly report of supervision and forward the report to the supervision committee of the board for approval; and
- (11) Meet with the clinically supervising psychologist and the disciplined credential holder at the end of the term of supervision to summarize the clinical supervision.

Section 14. Psychology Graduate Students. Graduate-level psychology students who are providing services in psychological health care settings including independent practice settings shall:

- (1) Be clinically supervised by a psychologist licensed by the Board of Examiners of Psychology with health service provider status, licensed at the doctoral level by the State Board of Examiners in the state in which the training program exists, or by a licensed mental health professional approved by the training program who is affiliated with either the university training program or the practice setting;
- (2) Be registered for credit in his or her course of study;
- (3) Clearly identify their status as unlicensed psychology trainees to all clients and payers;
- (4) Give to all clients and payers the name of the licensed psychologist responsible for their work; and
- (5) Not accept employment or placement to perform the same or similar activities following the completion of their university-sanctioned placement, regardless of the job title given, unless the student holds a license from the board.

Section 15. Incorporation by Reference.

- (1) The following material is incorporated by reference:

- (a) "Supervisory Plans and Goals", October 2025;
- (b) "Supervisory Report", October 2025; and
