REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Jeffrey Allen

Subject Headings: Boards & Commissions, Dentistry, Licensing

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes requirements to practice dentistry in Kentucky.

(b) The necessity of this administrative regulation:

KRS 313.021(1)(a) requires the board to exercise the administrative functions of the Commonwealth in the regulation of dentists.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

This administrative regulation establishes the rules for obtaining a license to practice as a dentist in Kentucky.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This administrative regulation establishes requirements for being licensed to practice dentistry in conformity with its authorizing statute.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment: Removes notary requirements for applications to facilitate online applications. Updates references to clinical exam organizations to address recent mergers. Allows foreign-trained dentists to be licensed as specialists. Creates a "limited practice waiver" for semi-retired licensees to apply for a reduction in their continuing education requirements. Requires 0.5 hours of continuing education in Pediatric Head Trauma/Child Abuse every 2 years.

(b) The necessity of the amendment to this administrative regulation:

The amendment makes necessary updates to the licensure process and creates opportunities to expand access to care without sacrificing public protection.

(c) How the amendment conforms to the content of the authorizing statutes:

This amendment maintains established requirements for being licensed to practice dentistry in conformity with its authorizing statute.

(d) How the amendment will assist in the effective administration of the statutes:

The amendment makes necessary updates to the licensure process and creates opportunities to expand access to care without sacrificing public protection.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? No.

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

This administrative regulation will primarily affect the approximately 3,000 licensed dentists in Kentucky as well as any new applicants for licensure and, indirectly, the patients of licensed dentists.

(5) Provide an analysis of how the entities identified in question (4) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment:

Each individual impacted will be required to apply for or renew their licensure in accordance with applicable law and administrative regulations. The vast majority of those affected by the existing regulation will not be further affected by the amendment.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4):

This administrative regulation does not specifically enumerate costs, which are already established in 201 KAR 8:520. Again, the vast majority of dentists will be unaffected.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4):

The administrative regulation will result in a healthier patient population and the avoidance of potentially costly violations of applicable law and administrative regulations by licensed dentists.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

No additional cost.

(b) On a continuing basis:

No additional cost.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation or this amendment:

Licensure fees are used to fund the implementation of this administrative regulation.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

No increase in funds is needed for this amendment.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

This administrative regulation does not impact existing fees, which are already established separately in 201 KAR 8:520.

(10) TIERING: Is tiering applied?

No; this administrative regulation impacts all similarly situated entities equally.

FISCAL IMPACT STATEMENT

(1) Identify each state statute, federal statute, or federal regulation that requires or authorizes the action taken by the administrative regulation:

This administrative regulation is authorized by KRS 313.021(1)(c) and KRS 313.040(1).

(2) State whether this administrative regulation is expressly authorized by an act of the General Assembly, and if so, identify the act:

This administrative regulation is expressly authorized by KRS 313.040(1).

(3)(a) Identify the promulgating agency and any other affected state units, parts, or divisions:

The Board of Dentistry is the promulgating agency.

(b) Estimate the following for each affected state unit, part, or division identified in (3)(a):

1. Expenditures:

For the first year: There will be no additional administrative costs generated by this amendment.

For subsequent years: There will be no additional administrative costs generated by this amendment.

2. Revenues:

For the first year: This amendment does not alter the existing revenue generated by dental licensure, which is approximately \$600,000 every fiscal biennium.

For subsequent years: This amendment does not alter the existing revenue generated by dental licensure, which is approximately \$600,000 every fiscal biennium.

3. Cost Savings:

For the first year: None

For subsequent years: None.

(4)(a) Identify affected local entities (for example: cities, counties, fire departments, school districts):

This amendment does not affect any local entities.

(b) Estimate the following for each affected local entity identified in (4)(a):

1. Expenditures:

For the first year: None

For subsequent years: None

2. Revenues:

For the first year: None

For subsequent years: None

3. Cost Savings:

For the first year: None

For subsequent years:None

(5)(a) Identify any affected regulated entities not listed in (3)(a) or (4)(a):

None

(b) Estimate the following for each regulated entity identified in (5)(a):

1. Expenditures:

For the first year:None

For subsequent years:None

2. Revenues:

For the first year:None

For subsequent years:None

3. Cost Savings:

For the first year:None

For subsequent years:None

(6) Provide a narrative to explain the following for each entity identified in (3)(a), (4)(a), and (5)(a)

(a) Fiscal impact of this administrative regulation:

This administrative regulation does not establish specific fee amounts, which are contained in a separate administrative regulation; however, the revenue generated from dental licensure is approximately \$600,000 every fiscal biennium and will not change as a result of this amendment.

(b) Methodology and resources used to reach this conclusion:

Historical budget performance.

(7) Explain, as it relates to the entities identified in (3)(a), (4)(a), and (5)(a):

(a) Whether this administrative regulation will have a "major economic impact", as defined by KRS 13A.010(14):

This administrative regulation does not directly have a major economic impact as it does not contain specific fee amounts. When administered in conjunction with the current fees established elsewhere, it impacts the dental health community by approximately \$600,000 per year, primarily from licensure fees.

(b) The methodology and resources used to reach this conclusion:

Historical budget performance.
