Subject Headings: Election Finance, Elections and Voting, Administrative Hearings

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation currently defines general terms relevant to alleged violations of campaign finance law and sets forth procedures for processing alleged violations, including time computation, initiation of enforcement matters, and representation by counsel.

(b) The necessity of this administrative regulation:

This administrative regulation is necessary as it provides definitions used throughout 32 KAR Chapter 2 and certain generalized procedures as described above but that are not set out by statute.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

The Registry of Election Finance (the "Registry") is authorized by statute to promulgate regulations to carry out the provisions of KRS Chapter 121. KRS 121.140(4) provides that the Registry has authority to conduct administrative hearings pursuant to the provisions of KRS Chapter 13B. The administrative regulation provides definitions and initial procedures for such enforcement per the statute and for terms used in 32 KAR Chapter 2 generally.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

Per the mandates of the statute, this administrative regulation provides definitions for parties to an enforcement action and other associated terms and provides the mechanism for the timing and the filing of such actions. It also sets forth procedures for representation by counsel.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amended administrative regulation deletes the current definition for "hearing officer," which differs from the definition for the term found in KRS Chapter 13B. The current definition only authorizes retired and former justices or judges to serve as hearing officers. The amended regulation defines "hearing officer" to encompass an individual, duly qualified and employed pursuant to KRS Chapter 13B, and assigned by the Registry to preside over administrative hearings.

(b) The necessity of the amendment to this administrative regulation:

The amendment is necessary to assure that the definition of the term "hearing officer" complies with amendments to KRS 121.140 and KRS 13B.010.

(c) How the amendment conforms to the content of the authorizing statutes:

KRS 121.120(1)(g) authorizes the Registry to promulgate administrative regulations necessary to carry out the provisions of KRS Chapter 121. The amended regulation conforms to its authorizing statutes by deleting the current definition of "hearing

officer," which now conflicts with the relevant statutes, and replaces it with the appropriate definition in KRS 13B.010(5).

(d) How the amendment will assist in the effective administration of the statutes:

The amended regulation provides a definition for "hearing officer" which is consistent with the hearing process set forth in KRS 121.140 and KRS Chapter 13B and eliminates confusion as to the requirements of the statute.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? Yes, 2024 HB 595 (2024 Ky. Acts. Ch. 107)

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

Only those who are parties to Registry actions or seek to preside over Registry administrative hearings will be affected by this amended administrative regulation.

(5) Provide an analysis of how the entities identified in question (4) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment:

Those who seek to preside as hearing officers over Registry administrative hearings will need to be certified under KRS Chapter 13B. No action is required by any other entities nor does the amendment change the statutory requirements for Registry hearing officers. It only replaces an outdated definition.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4):

There are no costs associated with the amended administrative regulation. It only removes an outdated definition and replaces it with the required definition under 2024 amendments to KRS 121.140.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4):

Compliance will allow individuals to serve as KRS Chapter 13B hearing officers over Registry hearings if qualified and selected to do so.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially:

There will be no initial cost to the administrative body to implement this amendment.

(b) On a continuing basis:

There will be no additional cost on a continuous basis to the administrative body to implement this amendment.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation or this amendment:

While no additional funding will be required for the implementation and enforcement of this amendment, the administrative body operates solely on General Funds.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

It will not be necessary to increase fees or funding to implement this amended administrative regulation.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

No fees will be established or increased.

(10) TIERING: Is tiering applied?

This amendment does not apply tiering because these general provisions apply equally to anyone who seeks to preside over Registry administrative hearings as a KRS Chapter 13B hearing officer and to those who appear as parties before the Registry.
