

STATEMENT OF EMERGENCY
201 KAR 17:025E.

Pursuant to KRS 13A.190(1)(a)2., KRS 334A.055, and KRS 334A.188 SECTION 3.B.1, this emergency amendment to the administrative regulation is being promulgated to comply with the adoption of 2026 HB 657 which requires the Board of Speech-Language Pathology and Audiology (the "Board") to require a national and state criminal background investigation for every applicant seeking an initial license issued by the Board to engage in the practice of speech-language pathology and audiology, and applicants seeking to reinstate a license. The criminal background investigation shall be by means of a fingerprint check by the Department of Kentucky State Police and Federal Bureau of Investigation. The effective date of KRS 334A.055 requires that this emergency amendment be promulgated to ensure there is no delay in processing applications upon the effective date of the Act. As a result, this emergency amendment to the administrative regulation—and the identical amendment to the ordinary regulation being concomitantly filed—have been amended to align with this statutory change to offset the potential delay in processing licensure applications—whereby the Board would be unable to process applications and collect fees in accordance with the terms of the statute—and therefore "prevent an imminent loss of federal or state funds" pursuant to KRS 13A.190(1)(a)2. This emergency amended administrative regulation is temporary and will be replaced by an ordinary amended administrative regulation as provided by KRS 13A.190. The ordinary amendment will be filed with this emergency amendment and will be identical.
