

STATEMENT OF EMERGENCY

503 KAR 4:050E.

This emergency administrative regulation amendment is being promulgated pursuant to KRS 13A.190(1)(a)3. to meet an imminent deadline for the promulgation of an administrative regulation that is established by state statute. 2026 Ky. Acts ch. 173, sec. 1, creates provisional concealed deadly weapons licenses for persons who are eighteen (18) years of age but younger than twenty-one (21) years of age. The current version of 503 KAR 4:050 states that an applicant training course is not open to persons under twenty-one (21) years of age. This administrative regulation is being filed on an emergency basis to ensure inconsistency between the existing regulation and the newly enacted law is removed so otherwise eligible provisional-license applicants may complete the required training within the new statutory framework. An ordinary administrative regulation is not sufficient because an ordinary regulation could not become effective in time to meet the newly enacted legislation's mandates. This emergency administrative regulation will be replaced by an ordinary administrative regulation because this change is necessary to properly ensure otherwise eligible provisional-license applicants may complete the required training to obtain a provisional license. The companion ordinary administrative regulation is identical to this emergency regulation. An emergency administrative regulation governing a portion of the same subject matter has not been filed within the previous nine months.
