Section 3. In addition to the provisions of Section 2 of this administrative regulation, the Board of Nursing may impose, pursuant to KRS 314.991(3), a civil penalty of up to \$10,000.

Section 4. Miscellaneous Requirements.

- (1) An LCPM shall maintain a current mailing address with the board and notify the board in writing of a change of mailing address.
- (2)
 - (a) Holding a license shall constitute consent by the LCPM to service of notices or orders of the board. Notices and orders shall be sent to the mailing address on file with

the board.

(b) Any notice or order of the board mailed or delivered to the mailing address on file with the board shall constitute valid service of the notice or order.

(3)

(a) An LCPM shall, within ninety (90) days of entry of the final judgment, notify the board in writing of any misdemeanor or felony conviction in this or any other jurisdiction.

(b) Upon learning of any failure to notify the board pursuant to this subsection, the board shall initiate an action for immediate temporary suspension until the person submits the required notification.

(4) An LCPM shall notify the board in writing within thirty (30) days if any professional or business license that is issued to the person by any agency of the commonwealth or any other jurisdiction:

(a) Is surrendered or terminated under threat of disciplinary action;

(b) Is refused, limited, suspended, or revoked; or

(c) If renewal or continuance is denied.

(5) If the board has reasonable cause to believe that an LCPM is unable to practice with reasonable skill and safety or has abused alcohol or drugs, it shall require the person to submit to a substance use disorder evaluation or a mental or physical examination by a practitioner it designates.

(a) Holding a license shall constitute:

1. Consent by the LCPM to a substance use disorder evaluation, mental examination, or physical examination if directed in writing by the board. The direction to submit to an evaluation or examination shall contain the basis for the board's concern that the LCPM is unable to practice safely and effectively; and

2. Waiver of objections to the admissibility of the examining practitioner's testimony or examination reports on the grounds of privileged communication.

(b) The LCPM shall bear the cost of substance use disorder evaluation, mental examination, or physical examination ordered by the board.

(c) Upon failure of the LCPM to submit to a substance use disorder evaluation, mental examination, or physical examination ordered by the board, unless due to circumstances beyond the person's control, the board shall initiate an action for immediate temporary suspension pursuant to KRS 314.089 or deny an application until the person submits to the required examination.

(d) If a substance use disorder evaluation, mental examination, or physical examination pursuant to this subsection results in a finding that indicates that the LCPM is unable to practice with reasonable skill and safety or has abused alcohol or drugs, the LCPM shall be subject to disciplinary procedures as established in this administrative regulation.

Section 5. Due process procedures, including appeal, pertaining to this administrative regulation shall be conducted in accordance with KRS Chapter 13B.
