

CUMULATIVE SUPPLEMENT

Locator Index - Effective Dates

L - 2

The Locator Index lists all administrative regulations published in VOLUME 43 of the *Administrative Register of Kentucky* from July 2016 through June 2017. It also lists the page number on which each administrative regulation is published, the effective date of the administrative regulation after it has completed the review process, and other action that may affect the administrative regulation. NOTE: The administrative regulations listed under VOLUME 42 are those administrative regulations that were originally published in VOLUME 42 (last year's) issues of the *Administrative Register of Kentucky* but had not yet gone into effect when the *2016 Kentucky Administrative Regulations Service* was published.

KRS Index

L - 16

The KRS Index is a cross-reference of statutes to which administrative regulations relate. These statute numbers are derived from the RELATES TO line of each administrative regulation submitted for publication in VOLUME 43 of the *Administrative Register of Kentucky*.

Technical Amendment Index

L - 32

The Technical Amendment Index is a list of administrative regulations that have had technical, non-substantive amendments entered since being published in the *2016 Kentucky Administrative Regulations Service*. These technical changes have been made by the Regulations Compiler pursuant to KRS 13A.040(9) and (10), 13A.2255(2), 13A.312(2), or 13A.320(1)(d). Since these changes were not substantive in nature, administrative regulations appearing in this index will NOT be published in the *Administrative Register of Kentucky*.

Subject Index

L - 35

The Subject Index is a general index of administrative regulations published in VOLUME 43 of the *Administrative Register of Kentucky*, and is mainly broken down by agency.
