(d) Curriculum design including proposed courses, description, sequence and credit hours delineating those credits assigned to theory and clinical;

(e) Student recruitment plan and the enrollment baseline as set out in 201 KAR 20:260, Section 3(1)(b);

(f) A five (5) year plan for recruiting and retaining qualified nurse faculty;

(g) A proposed job description for the program administrator reflecting authority and responsibility;

(h) A description of faculty offices, classrooms, clinical skills laboratory, library facilities, conference rooms, and learning resources;

(i) A description of support services for students, to include provision of health services or evidence of an emergency plan for care, academic advisement, student services, mechanism for obtaining learning resources, and financial aid;

(j) Availability and willingness of accredited agencies to provide clinical experiences across the curriculum. This information shall include the:

1. A list of clinical agencies and hours available for clinical experience~~[Shifts and days students will work];~~

2. Number of students each agency can accept;

3. Clinical experience that will be available from each agency;

4. Other nursing programs that utilize this agency; and

5. Plan to avoid displacement of students from existing programs;

(k) Policies and procedures for student admission to the program of nursing~~[selection]~~ and progression, including the plan to retain students so as to maintain a low attrition rate;

(l) Availability of~~[A plan for]~~ clerical assistance and support staff as set out in 201 KAR 20:260, Section 2(6);

(m) A general plan for an on-going, research based planning and evaluation process that incorporates a systematic review of the program that results in continuing improvement; and

(n) A description of financial resources to support the program including a budget for the first three (3) years with projected revenues and expenditures and the amount of resources going to institutions or organizations for contractual or support services.

(4) The program of nursing may~~[shall]~~ meet with the board staff to clarify, verify, and amplify materials included in the program proposal.

(5) The governing institution shall be notified in writing of action taken by the board on the proposal.

(a) If the board determines that all requirements have been met, the program shall be granted developmental status.

(b) The board, in collaboration with the program, shall determine an opening date.~~[(6) Developmental status shall be withdrawn if program requirements are not met or if a class is not enrolled within eighteen (18) months after the board granted developmental status.]~~

~~(a) If a proposed program does not comply with 201 KAR 20:260 through 360, developmental status may be withdrawn.~~

~~(b) The governing institution shall be notified in writing of the withdrawal of developmental status.~~

~~(7) Students shall not be admitted to the program of nursing until developmental status has been granted by the board.~~

~~(8) Failure to submit board required reports within the designated time period may result in the withdrawal of developmental status.~~

~~(9) Employment of program administrator and faculty.~~

~~(a) The program administrator shall be the first faculty member employed, and shall have assumed full time responsibilities for the program prior to submission of the proposal to the board.~~

~~(b) The faculty as established in 201 KAR 20:310 shall be employed in sufficient numbers to prepare for the development of the curriculum component of the program.~~

~~(10) Any deviation from the initial curriculum plan approved within the proposal shall be approved by the board before the first class begins course requirements.~~

~~(11) Written contracts for use of clinical facilities shall be executed prior to admission to the first nursing course.~~

~~(12) The program of nursing shall submit semi-annual progress and evaluation reports to demonstrate implementation of the approved proposal until the first class graduates.~~

~~(13) Site visits shall be conducted by the board as necessary.]~~

#### Section 5. Developmental Status.

(1) Students may be admitted after developmental status is granted.

(2) Employment of program administrator and faculty.

(a) The program administrator shall be the first faculty member employed, and shall have assumed full time responsibilities for the program prior to opening.

(b) The faculty as established in 201 KAR 20:310 shall be employed in sufficient numbers to prepare for the development of the curriculum component of the program.

(3) Any deviation from the initial curriculum plan approved within the proposal shall be approved by the board before the first class begins course requirements.

(4) Written contracts for use of clinical facilities shall be executed prior to admission to the first nursing course.

(5) The program of nursing shall submit semi-annual progress and evaluation reports or other reports as requested by the board to demonstrate implementation of the approved proposal until the first class graduates.

(6) Site visits shall be conducted by the board as necessary.

(7) Developmental status may be withdrawn if:

(a) A proposed program does not comply with 201 KAR 20:260 through 360;

(b) A class is not enrolled within eighteen (18) months of the date the board granted developmental status; or

(c) The governing institution fails to submit board required reports within the designated time period.

(8) The governing institution shall be notified in writing of the intent to withdraw developmental status. The governing institution may request reconsideration by the board. The request shall be in writing and sent no more than thirty (30) days from the date of the

notification.

Section 6[5]. Initial Status and Program Approval.

(1) The status of the program shall move automatically from developmental status to initial status upon admission of the first class.

(2) It shall be the responsibility of the program of nursing to notify the board of the admission of the first class.

(3)[(2)] The program shall notify the board in writing thirty (30) days prior to the graduation of the first class.

(4)[(3)] Eligibility for program approval occurs after the graduation of the first class. Within sixty (60) days after graduation of the first class, the faculty shall submit a written report that:

(a) Evaluates the implementation of the program of nursing compared to the approved proposal; and

(b) Addresses compliance with the standards set by 201 KAR 20:260 through 360.

(5)[(4)] The decision to grant or deny program approval shall be based on review of the report submitted by the program of nursing and a site visit report by a representative of the board.

(6)[(5)] If program approval is denied, the applicant may request a hearing pursuant to KRS Chapter 13B.

Board of Nursing  
(Amendment)

**201 KAR 20:310. Faculty for prelicensure registered nurse and practical nurse programs.**

RELATES TO: KRS 314.111, 314.470

STATUTORY AUTHORITY: KRS 314.131(1)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 314.131(1) authorizes the Board of Nursing to promulgate administrative regulations necessary to enable it to carry into effect the provisions of KRS Chapter 314. This administrative regulation establishes standards for faculty of programs of nursing that prepare graduates for licensure as registered nurses or practical nurses.

Section 1. Definitions.

(1) "Clinical instructor" means a registered nurse who is employed by a program of nursing to provide students with traditional clinical or simulated experiences.

(2) "Nursing experience" means employment in a position that requires the individual to hold an active nursing license, such as nursing clinical practice, nursing administration, nursing education, or nursing research.

(3) "Nurse faculty" means a registered nurse who is employed by a program of nursing, either full-time, part-time, or adjunct, to provide didactic instruction, and may also provide clinical instruction or simulated experiences.

(4) "Preceptor" means a nurse with demonstrated competence in a specific clinical area who serves as a role model and mentor to assist in the development and validation of the competencies of a student.

(5) [(2)] "Unencumbered" means a license without current disciplinary conditions or restrictions. Enrollment in an alternative to discipline program is not an encumbrance.

Section 2. Faculty for Prelicensure Registered Nurse and Practical Nurse Programs.

(1) (a) The faculty shall include a program administrator and shall include at least one (1) other nurse faculty.

(b) [1. The faculty may include clinical instructors in the major areas of nursing practice.

2.] The faculty shall be adequate in number to implement the curriculum as determined by program outcomes, course objectives, the level of the students, the number of students and classes admitted annually, and the educational technology utilized.

(c) [(b)] The program administrator and all nurse faculty and clinical instructors shall be appointed by and be responsible to the governing institution of the program of nursing.

(d) [(e)] A program shall develop and implement a plan of organization and administration that clearly establishes the lines of authority, accountability, and responsibility for each program location.

(2) Program administrator qualifications. The program administrator for a registered nurse or a practical nurse program shall have:

(a) A minimum of a master's or higher degree in nursing from an accredited college or university. In lieu of a master's degree, the program administrator shall have completed that portion of a doctoral degree that would be equivalent to a master's in nursing degree while enrolled in an accredited college or university with a timeline in place for degree attainment. The program administrator shall provide documentation that shows active and steady progression towards the doctoral degree;

(b) A minimum of five (5) years of nursing experience within the immediate past seven (7) [ten (10)] years [and demonstrated leadership experience];

(c) A minimum of two (2) years of full time teaching experience at or above the academic level of the program of nursing; and]

(d) An unencumbered current license, privilege, or temporary work permit to practice as a registered nurse in the Commonwealth of Kentucky;

(e) A current knowledge of nursing practice at the level of the

program; and

(f) Demonstrated experience or preparation in education that includes teaching adults, adult learning theory teaching methods, curriculum development, and curriculum evaluation.

(g) A program administrator without previous program administrator experience shall have a mentor assigned by the governing institution and an educational development plan implemented. The mentor shall have documented experience in program administration.

(3) [(a) Except as provided by paragraph (b) of this subsection, the program administrator for a practical nurse program shall have:

1. A master's or higher degree in nursing from an accredited college or university;

2. A minimum of five (5) years of nursing experience within the past ten (10) years with demonstrated leadership experience;

3. Current unencumbered license, privilege, or temporary work permit to practice as a registered nurse in the Commonwealth of Kentucky;

4. A minimum of two (2) years full-time teaching experience at or above the academic level of the program of nursing; and

5. A current knowledge of nursing practice at the practical or vocational level.

(b) A program administrator who is currently employed at a practical nurse program and who does not meet the requirements of paragraph (a) of this subsection [on the effective date of this administrative regulation because of the lack of a master's degree] may continue to be employed at the program of nursing where the program administrator is presently, but shall earn the master's degree or higher in nursing on or before July 1, 2021 [within five (5) years of the effective date of this administrative regulation].

(4) Didactic faculty qualifications.

(a) Nurse faculty in a [baccalaureate degree] prelicensure registered nurse program shall hold a degree from an accredited college or university, which shall include:

1. A master's degree within the discipline of nursing or have completed that portion that would be equivalent to a master's in nursing degree; or

2. A baccalaureate degree with a major in nursing and a master's degree in a related field, which includes a minimum of eighteen (18) graduate hours in nursing. The eighteen (18) graduate hours in nursing may also be earned independently of the related master's degree.

3. Nurse faculty in an associate degree nursing program may be employed with a baccalaureate degree in nursing, but shall complete, within five (5) years of the date of employment, a master's degree commensurate with either subparagraph 1 or 2 of this paragraph.

(b) [Nurse faculty in an associate degree prelicensure registered nurse program shall hold a degree from an accredited college or university, which shall include:

1. A master's degree within the discipline of nursing or have completed that portion of a nursing program that would be equivalent to a master's in nursing degree;

2. A baccalaureate degree with a major in nursing and a master's degree in a related field, which includes a minimum of eighteen (18) graduate hours in nursing. The eighteen (18) graduate hours in nursing may also be earned independently of the related master's degree; or

3. A baccalaureate degree with a major in nursing or have completed that portion of a state approved program of nursing that would be equivalent to a baccalaureate degree, and the nurse faculty member shall complete within five (5) years of hire a master's degree commensurate with either subparagraph 1. or 2. of this paragraph.

(c) [Nurse faculty in a practical nurse program shall have a minimum of a baccalaureate degree with a major in nursing from an accredited college or university.

(c) [(d)] The nurse faculty shall hold a temporary work permit or a current unencumbered license or privilege to practice as a registered nurse in the Commonwealth of Kentucky [except as set out in paragraph (i) of this subsection].

(d) [(e)] The nurse faculty shall document a minimum of two (2) years full time or equivalent experience as a registered nurse

within the immediate past five (5) years and shall have and maintain expertise in the clinical or functional area of responsibility~~[appropriate to teaching responsibilities]~~.

~~(e)(f)~~ The nurse faculty shall document preparation in educational activities in the area of teaching and learning principles for adult education, including curriculum development and implementation. The preparation shall be acquired through planned faculty in-service learning activities, continuing education offerings, or academic courses.~~[(g) Nurse faculty shall have and maintain expertise in the clinical or functional area of responsibility.]~~

~~(f)(h)~~ Nurse faculty hired without prior teaching experience shall have a mentor assigned and an educational development plan implemented.

~~(g)(i)~~ 1. Non-nurse faculty members who teach nursing courses required within the curriculum shall have appropriate academic and experiential qualifications for the program areas in which they participate.

2. Non-nurse faculty shall be required to collaborate with a nurse faculty member in order to meet the nursing course outcomes.

~~(h)(j)~~ Nurse faculty who teach via distance or on-line~~[and will not physically practice within the state]~~ shall hold an unencumbered active nursing license to practice as a registered nurse in the nurse faculty's primary state of residence.

(5) Skills laboratory and clinical instructor qualifications.

(a) A clinical instructor shall function under the guidance of the nurse faculty responsible for a given course.

(b) A clinical instructor for either a registered nurse or practical nurse program shall hold a current unencumbered license, privilege, or temporary work permit to practice as a registered nurse in the state of the student's clinical site.

(c) A clinical instructor shall have a minimum of two (2) years full time or equivalent experience~~[within the functional area]~~ as a registered nurse within the immediate past five (5) years and evidence of clinical competence appropriate to teaching responsibilities.

~~(d) For a registered nurse program, [the educational preparation of]~~ the clinical instructor shall have the following qualifications:

1. For an associate degree nursing program, a registered nurse;

2. For a baccalaureate degree nursing program, a registered nurse with a baccalaureate degree in nursing or higher[at least equal the level of the appointing program].

(e) For a practical nurse program, the clinical instructor shall be a registered nurse.

(f) A skills laboratory instructor shall have the same qualifications as a clinical instructor.

### Section 3. Preceptors.

(1) A preceptor may be used to enhance clinical learning experiences. If a preceptor is used, it shall be done after a student has received clinical and didactic instruction from the program faculty in all basic areas for the course or specific learning experience.

(2) A preceptor shall hold a current unencumbered license, privilege, or temporary work permit to practice as a registered nurse in the state of the student's clinical site. In a practical nursing program, a preceptor may hold a current unencumbered license, privilege, or temporary work permit to practice as a licensed practical nurse in the state of the student's clinical site.

(3) A preceptor shall have evidence of clinical competencies related to the area of assigned clinical teaching responsibilities.

(4) A preceptor shall not be used to replace clinical instructors. The ratio of student to preceptor shall not exceed two (2) to one (1). Clinical instructors or nurse faculty retain responsibility for student learning and confer with the preceptor and student for the purpose of monitoring and evaluating learning experiences.

(5) There shall be documentation of orientation to the course, program outcomes, student learning objectives, evaluation methods to be utilized by the faculty, and documented role expectations of faculty, preceptor, and student.

### Section 4. Reporting of Registered Nurse Program and Practical Nurse Program Faculty Qualifications and Appointments.

(1) Evaluation of faculty records. The program administrator shall submit to the board the qualifications of nurse faculty and clinical instructors within thirty (30) days of appointment.

(a) Official academic transcripts or copies verified by the nurse administrator or designee shall be available to the board upon request.

(b) A complete and official record of qualifications and workload for each faculty member shall be on file and available to the board upon request.

(c) Faculty appointments shall be reported to the board in writing.

(d) The program administrator shall report a change in faculty composition within thirty (30) days of appointment or vacancy.

~~(2)[Reevaluation of faculty records.]~~ The board shall review annually the qualifications of the faculty employed in the program of nursing.

(b) A practical nursing program shall be a minimum of one (1) academic year.

(3) Philosophy, mission, and outcomes.

(a) The philosophy, mission, and outcomes of the program of nursing shall be clearly defined in writing by the nursing faculty and be consistent with those of the governing institution.

(b) The program outcomes shall describe the expected competencies of the graduate.

(c) The program shall conduct an evaluation to validate that identified program outcomes have been achieved and provide evidence of improvement based on an analysis of those results.

(4) Approval.

(a) A curriculum plan shall be approved by the board in accordance with this administrative regulation.

(b) The curriculum plan shall enable the student to develop the

nursing knowledge, skills, and competencies for the expected entry level and scope of practice.

(c) Theory and clinical experiences shall provide the student with opportunities to acquire and demonstrate the knowledge, skills, and competencies necessary for safe practice.

(5) Curriculum plan.

(a) The development, implementation, evaluation, and revision of the curriculum shall be the responsibility of the nursing faculty including the program administrator with input from students.

(b) The curriculum of the program of nursing shall assure the development of evidence based practice for the level and scope of nursing practice. This shall include the skills to identify and apply best practices in nursing care by providing client-centered, culturally competent care and respecting client differences, values, preferences, and expressed needs.

(c) A registered nursing program may determine that a portion of the curriculum fulfills the scope of practice for licensed practical nursing and allow students to exit the program and be made eligible for the NCLEX-PN examination. The registered nursing program shall submit its plan to the board for approval.

(6) Organization of the curriculum.

(a) There shall be a written plan, including supporting rationale, which describes the organization and development of the curriculum.

(b) The curriculum plan shall reflect the philosophy, mission, and outcomes of the program.

(c) There shall be a rationale for the amount of time or credits allocated to course and clinical practice experience.

(d) A course syllabus shall be developed for each nursing course to include outcomes-planned instruction, learning activities, and method of evaluation.

1. Each course shall be implemented in accordance with the established course syllabus.

2. A copy of each course syllabus shall be on file in the program of nursing office and shall be available to the board upon request.

(e) The curriculum plan shall be logical and sequential, and shall demonstrate an increase in difficulty and complexity as the student progresses through the program.

(f) A course may be offered as a distance learning course. A distance learning course shall meet the same standards as established in 201 KAR 20:260 through 201 KAR 20:360 for any other course.

(7) Curriculum components.

(a) The curriculum of a registered nursing program or a practical nursing program shall prepare the graduate for licensure and full scope of practice as defined by current standards for nursing practice and expected competencies of graduates at the appropriate educational level.

(b) The curriculum shall include:

1. Theory and selected clinical practice experiences designed to enable students to provide nursing care to individuals throughout the life span; and

2. Information regarding Kentucky nursing laws, including scope of practice, licensure requirements, and the role of the board of nursing. This provision shall be implemented by January 1, 2020.

(c) Clinical practice settings shall be appropriate for the type of nursing program and the program outcomes and enable the student to observe and practice safe nursing care of persons at each stage of the life span. Experiences shall include opportunities to learn and provide care to diverse ethnic and cultural populations.

(d) Clinical practice experience shall be supervised by board approved nursing faculty in accordance with 201 KAR 20:310.

(e) The curriculum shall have written measurable program outcomes[competencies] that reflect the role of the graduate.

(f) Students shall have sufficient opportunities in simulated or clinical settings to develop psychomotor skills essential for safe, effective practice.

(8) Curriculum change.

(a) A program of nursing that is not accredited by a national nursing accrediting body shall submit a written plan for major curriculum revisions to the board a minimum of four (4) months

prior to the planned implementation.

1. A request for curriculum revision shall include the present plan and the proposed change with rationale and expected outcomes.

2. The board shall be available to assist if curriculum revisions are being considered.

3. Major curriculum revisions shall include:

a. A change in the philosophy, mission, or outcomes that results in a reorganization or re-conceptualization of the entire curriculum; or

b. The addition of tracks or alternative programs of study that provide educational mobility.

(b) A program of nursing that implements a curriculum change shall provide an evaluation of the outcomes of those changes through the first graduating class following full implementation of the curriculum change. The program of nursing shall also submit the evaluation with its annual report.

(9) Integrated practicum.

(a) The curriculum shall include an integrated practicum. The integrated practicum shall consist of a minimum of 120 clock hours of concentrated clinical experience of direct patient care in a health care facility or health care organization.

(b) The integrated practicum shall be completed within a period not to exceed seven (7) consecutive weeks while the governing institution is in session and within seven (7) months of graduation [during the last semester or quarter of a nursing program].

### Section 3. Simulation Standards.

(1) (a) A program of nursing that uses simulation shall adhere to the standards set in this section.

(b) A program of nursing shall not use simulation for more than fifty (50) percent of its total clinical hours required for graduation.

~~(2)[Upon request by the board, a program of nursing shall provide evidence that the standards set in this section have been met.~~

~~(3)(a) The program of nursing shall provide[adequate fiscal, human, and material] resources sufficient to support the simulation activities, including training of the faculty, and programmatic outcomes.~~

(b) Simulation activities shall be managed by a nurse[faculty member as established in 201 KAR 20:310, Section 2,] who is academically and experientially qualified in the use of simulation, both in its pedagogical and technical aspects. The managing nurse[faculty member] shall demonstrate his or her qualifications by:

1. Attendance at simulation conferences;

2. Completion of educational activities related to simulation; or

3. Holding a credential issued by the Society for Simulation in Healthcare or a simulation preparation program recognized by the International Nursing Association for Clinical Simulation.

~~(c)[There shall be a budget that will sustain the simulation activities and training of the faculty.~~

~~(d)~~ The program of nursing shall have written rationale for the use and purpose of simulation within the curriculum.

~~(d)[(e)]~~ The program of nursing shall have an orientation plan for faculty concerning simulation.

~~(e)[(f)]~~ The program of nursing shall have a written procedure on the method of prebriefing and debriefing each simulated activity.

~~(3)[(4)]~~ The program of nursing shall have appropriate facilities for conducting simulation. This shall include educational and technological resources and equipment to meet the intended objectives of the simulation.

~~(4)[(5)]~~ Faculty, both didactic and clinical, that utilize simulation shall:

(a) Have training in the use of simulation; and

(b) Engage in on-going professional development in the use of simulation.

~~(5)[(6)]~~ The simulation activities shall be linked to the program of nursing's course objectives and the programmatic outcomes.~~[(7)(a) The program of nursing shall develop written criteria to evaluate the simulation activities.~~

~~(b) Students and faculty shall evaluate the simulation experience on an ongoing basis.]~~

(8) Beginning July 1, 2019, a program of nursing shall submit

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

evidence of compliance with these standards in the annual report required by 201 KAR 20:360, Section 3(1)[The program of nursing shall include information about its use of simulation in its annual report to the board].

### Section 4. Use of External Examinations.

(1) An external examination is a standardized examination not produced by the program of nursing.

(2) A program of nursing shall not require the completion of an external examination as a determinant for a student's progression or graduation.

(3) An external examination may be used to assist in the remediation of a student or as part of a final course grade. If used as part of a final course grade, it shall not count for more than ten (10) percent of the grade.

### Section 5. Statutory Additions.

(1) Every program of nursing shall include information in its curriculum that meets the requirements of KRS 194A.540 related to domestic violence and elder abuse, neglect, and exploitation.

(2) Every program of nursing shall include information about pediatric abusive head trauma as it is defined in KRS 620.020.

KRS 314.111 requires nursing programs to be approved by the board. This administrative regulation establishes evaluative standards to assure that the programs of nursing provide the necessary instruction and services to prepare graduates for licensure eligibility as registered nurses or as practical nurses.

Section 1. Program of Nursing Accredited by a National Nursing Accrediting Body.

(1) (a) A prelicensure registered nursing or licensed practical nursing program that is accredited by a national nursing accrediting body recognized by the United States Department of Education shall be deemed to be in compliance with the standards of 201 KAR 20:260 through 201 KAR 20:360 and shall not have to demonstrate compliance every eight (8) years as required by Section 2 of this administrative regulation. The accredited program shall comply with Sections 3 through 10 of this administrative regulation.

(b) The board shall retain jurisdiction over accredited programs and may conduct site visits or other investigations into any allegation that may constitute a violation of 201 KAR 20:260 through 201 KAR 20:360. The board may also conduct site visits in accordance with Section 5 of this administrative regulation or at intervals associated with their national nursing accrediting body.

(2) A prelicensure program of nursing that is accredited by a national nursing accrediting body recognized by the United States Department of Education shall submit all correspondence and reports to and from the accrediting body to the board within thirty (30) days of submission or receipt.

Section 2. Programs of Nursing Not Accredited by a National Nursing Accrediting Body.

(1) A prelicensure registered nursing or licensed practical nursing program that is not accredited by a national nursing accrediting body recognized by the United States Department of Education shall be required to demonstrate compliance with 201 KAR 20:260 through 201 KAR 20:360 at least every eight (8) years for continued approval.

- (2) (a) A site visit shall be conducted at least every eight (8) years.
- (b) A specific list of information required for review shall be sent by the board to the program of nursing prior to the site visit.
- (3) Prior to the site visit, the program of nursing shall submit:
  - (a) A self-evaluation report that provides evidence of compliance with 201 KAR 20:260 through 201 KAR 20:360; and
  - (b) Other related information as requested by the board.

### Section 3. Reports and Evaluation.

- (1) A program of nursing shall submit the Annual Report of the Program of Nursing to the board regarding its compliance with 201 KAR 20:260 through 201 KAR 20:360. It shall also submit the benchmarks set out in Section 5(2)(f) of this administrative regulation.
- (2) To verify continued compliance with 201 KAR 20:260 through 201 KAR 20:360, the program of nursing shall submit progress reports or periodic supplemental reports, completed questionnaires, surveys, and other related documents as requested by the board.
- (3) Pursuant to 201 KAR 20:260, Section 2(7)(a), the faculty~~[shall establish an evaluation plan and]~~ shall engage in an evidence based planning and evaluation process that incorporates a systematic review of the program of nursing that results in continuing improvement. This process shall result in an evaluation report that is submitted to the board.~~[Revisions to the evaluation plan or report shall be submitted with the annual report.]~~
- (4) Data collection for the evaluation report shall be on-going and shall reflect aggregate analysis and trending.~~[The evaluation plan shall include evidence that data collection is evidence-based, on-going, and reflects the collection, aggregate analysis, and trending of data.]~~
- (5) The evaluation report~~[plan]~~ shall include specific responsibilities for data collection methods, individuals or groups responsible, frequency of data collection, indicators of achievement, findings, and outcomes for evaluating the following aspects of the program:
  - (a) Organization and administration of the program of nursing;
  - (b) Curriculum;
  - (c) Resources, facilities, and services;
  - (d) Teaching and learning methods including distance education;
  - (e) Faculty evaluation;
  - (f) Student achievement of program outcomes;
  - (g) Graduation rates;
  - (h) Licensure examination pass rates;
  - (i) Employment rates of graduates; and
  - (j) Clinical resources, including laboratory and simulation.
- (6) If a program of nursing utilizes distance education for didactic instruction, it shall evaluate and assess the educational effectiveness of its distance education program to ensure that the distance education program is substantially comparable to a campus based program.
- (7) The evaluation report shall provide evidence that the outcomes of the evaluation process are used to improve the quality and strength of the program.

Section 4. Benchmarks~~[Calculation of Pass Rate. (4)]~~ The board shall utilize the following benchmarks to evaluate a program of nursing. Except for the pass rate, the benchmarks shall be calculated annually from July 1 to June 30. The board shall calculate the pass rate for a program of nursing on an annual basis from January 1 to December 31 for all first time takers of the NCLEX.

- (1) The pass rate for first time takers of the NCLEX who tested within twelve (12) months of the program completion date as reported on the Certified List of Kentucky Program of Nursing Graduates or the Certified List of Out-of-state Program of Nursing Graduates incorporated by reference in 201 KAR 20:070;
- (2) The faculty turnover rate. A faculty member whose employment ends on or before June 30 of any year shall be counted in that year's calculation;
- (3) The program administrator turnover rate;

(4) The graduation rate;

(5) The faculty grievance rate; and

(6) The student grievance rate.~~[(2) Individuals included in the annual calculation shall have tested within six (6) months of the program completion date as reported on the Certified List of Kentucky Program of Nursing Graduates or the Certified List of Out-of-state Program of Nursing Graduates incorporated by reference in 201 KAR 20:070.]~~

### Section 5. Site Visits.

- (1) The board may conduct site visits at any time.
- (2) The following situations may be cause for a site visit to determine if the standards of 201 KAR 20:260 through 201 KAR 20:360 are being met:
  - (a) Denial, withdrawal, or change of status by a national nursing accrediting agency;
  - (b) Providing false or misleading information to students or the public concerning the program;
  - (c) A written complaint received from faculty, students, or the general public relating to a violation of 201 KAR 20:260 through 201 KAR 20:360;
  - (d) A change in physical facilities;
  - (e) Information received by the board that may indicate a violation of 201 KAR 20:260 through 201 KAR 20:360;
  - (f) A change in any of ~~the~~these benchmarks listed in section 4 of this administrative regulation as follows:
    - 1. A pass rate as calculated by Section 4 of this administrative regulation that:
      - a. Is less than an average of eighty (80)~~[eighty-five (85)]~~ percent for three (3) consecutive years; or
      - b. Varies above and below eighty (80)~~[eighty-five (85)]~~ percent from year to year over the previous five (5) years;
    - 2. A faculty turnover rate greater than thirty (30) percent for two (2) consecutive years;
    - 3. A program administrator turnover rate of more than three (3) individuals in five (5) years;
    - 4. A graduation rate of less than sixty (60) percent of the original admitted cohort of newly-enrolled students within the maximum time frame allowed for completion. The maximum time frame shall be determined by multiplying the standard program length for normally progressing students by 1.5. Calculation of the graduation rate shall include students who are enrolled for the first time in the first nursing course of the nursing program curriculum. All students admitted within the original cohort shall be included in the calculation regardless of whether a student may be excluded from the calculation utilized by a national nursing accrediting body;
    - 5. Twenty-five (25) percent or more of the total number of nursing faculty who file grievances or appeals that are substantiated; or
    - 6. Substantiated student grievances and appeals of more than ten (10) percent of the~~[nursing]~~ student population enrolled in the nursing program each year; or
    - (g) Failure to submit reports as required by 201 KAR 20:260 through 201 KAR 20:360.

(3) A program of nursing that fails to meet one or more benchmarks for a year shall submit a report that examines the factors that contributed to the failure to meet and shall provide a description of the corrective measures to be implemented.

(4)(a) The board shall annually compile information on how the programs of nursing met the benchmarks. This information shall be published on the board's Web site.

(b) A program of nursing shall post a link to the information compiled pursuant to paragraph (a) of this subsection on the program of nursing's Web site. The link shall be easy to locate on the program's home page.

Section 6. Action Following Site Visit. (1)(a) Following a site visit and prior to board consideration, a draft of the site visit report shall be made available to the program administrator for review and correction of factual data.

(b) The program administrator shall be available during the discussion of the report at the board committee to provide clarification.

(c) If the site visit results in a finding of non-compliance with 201 KAR 20:260 through 201 KAR 20:360 by the program of nursing, a letter shall be sent to the program administrator regarding any requirements to be met.

(d) The board shall notify the program of nursing of the time frame within which it shall meet the requirements. The board shall verify that the requirements have been met.

(2)(a) If the program of nursing is unable to meet the requirements in the time set by the board, it may request additional time. The board, in its discretion, may grant or deny this request based on the rationale for the request.

(b) If the board denies the request for additional time, it shall begin the process established in Section 7 of this administrative regulation.

Section 7. Withdrawal of Approval. (1) If, in the opinion of the board, the standards established by 201 KAR 20:260 through 201 KAR 20:360 are not being met, the board shall send notice to the program administrator of the affected program of nursing of its intent to withdraw approval. The notice shall be sent return receipt requested.

(2) When making this determination, the board shall consider the following factors:

(a) The number and severity of the deficiencies;

(b) The length of time in which the deficiencies have existed; and

(c) Any exigent circumstances.

(3) Within thirty (30) days of receipt of the notice, the program administrator of the affected program may request an administrative hearing pursuant to KRS Chapter 13B. If an administrative hearing is not requested, program approval shall be withdrawn and the program shall be closed. A closed program shall comply with subsection (5) of this section.

(4)(a) If a program of nursing requests an administrative hearing, that hearing shall be held within sixty (60) days of the request.

(b) The hearing shall be held before a hearing officer or before the full board.

(5)(a) A program of nursing whose approval has been withdrawn by the board shall be removed from the official approved status listing upon the effective date of the decision. Students currently enrolled in the last semester or quarter of the program may complete the program. If the student graduates, he or she may apply for licensure and make take the licensure examination. Any other student shall not be allowed to apply for licensure or take the licensure examination, unless the student graduates from another approved program of nursing.

(b) The program of nursing that has been closed shall assist a currently enrolled student to transfer to an approved program of nursing.

Section 8. Voluntary Closure of a Program. (1) A governing institution seeking to close a program of nursing shall submit written notification to the board at least six (6) months prior to the planned closing date.

(2) A governing institution may choose one (1) of the following procedures for closing a program of nursing as established in paragraph (a) or (b) of this subsection.

(a) The governing institution shall continue the program of nursing until the last class enrolled has graduated.

1. The program shall continue to meet the standards until all students enrolled in nursing courses have graduated or transferred.

2. The official closing of the program shall be the date on the degree, certificate, or diploma of the last graduate.

3. The governing institution shall notify the board in writing of the official closing date.

(b) The governing institution shall close the program following the transfer of students to other approved programs.

1. The program shall continue to meet the standards until all students have transferred.

2. The names of students who have transferred to approved programs and the date of the last student transfer shall be

submitted to the board by the governing institution.

3. The date of the last student transfer shall be the official closing date of the program.

(3) Custody of records.

(a) The governing institution that continues to operate shall retain responsibility for the records of the students and graduates. The board shall be advised of the arrangement made to safeguard the records.

(b) The governing institution that ceases to exist shall transfer the academic transcript of each student and graduate to a third party vendor approved by the Council for Postsecondary Education ~~[the board]~~ for safekeeping. ~~[4. The transcript of the student or graduate shall identify the date on which the program closed.]~~

~~2. The board shall be consulted about the disposition of all other program records.]~~

Section 9. Change in Ownership or Organization of the Governing institution. (1) The governing institution shall notify the board in writing of any intent to transfer administrative authority or ownership. The new administrative authority or owner shall inform the board of its plans for immediate and future operation.

(2) The board shall conduct a site visit to ensure adherence by the program of nursing to 201 KAR 20:260 through 201 KAR 20:360.

(3) Following this site visit, approval of the program of nursing shall continue under the new ownership or administrative authority if the approval standards continue to be met.

Section 10. Incorporation by Reference. (1) "Annual Report of the Program of Nursing", 10/18 ~~[42/45]~~, Kentucky Board of Nursing, is incorporated by reference.

Section 3. (1) Contact hour credit for continuing education. The SANE course shall be approved for contact hour credit which may be applied to licensure requirements.

(2) Approval period. Board approval for a SANE course shall be granted for a four (4) year period.

(3) Records shall be maintained for a period of five (5) years, including the following:

(a) Provider name, date, and site of the course; and

(b) Participant roster, containing at a minimum the name, Social Security number, and license number for each participant.

(4) A participant shall receive a certificate of completion that documents the following:

(a) Name of participant;

(b) Title of course, date, and location;

(c) Provider's name; and

(d) Name and signature of authorized provider representative.

Section 4. Continued Board Approval of a SANE Course.

(1) An application for continued approval of a SANE course shall be submitted on the Application for Initial or Continued SANE Course Approval at least three (3) months prior to the end of the current approval period.

(2) A SANE course syllabus shall be submitted with the Application for Initial or Continued SANE Course Approval.

(3) Continued approval shall be based on the past approval period performance and compliance with the board standards described in this administrative regulation.

Section 5. The board may deny, revoke, or suspend the approval status of a SANE course for violation of this administrative regulation.

Section 6. Appeal. If a SANE course administrator is dissatisfied with a board decision concerning approval and wishes a review of the decision, the procedure established in this section shall be followed.

(1) A written request for the review shall be filed with the board within thirty (30) days after the date of notification of the board action which the SANE course administrator contests.

(2) The board, or its designee, shall conduct a review in which the SANE course administrator may appear in person and with counsel to present reasons why the board's decision should be set aside or modified.

Section 7. Requirements for Sexual Assault Nurse Examiner (SANE) Credential.

(1) The applicant for the SANE-A/A or SANE-P/A credential shall:

(a) Hold a current, active registered nurse license in Kentucky or a multistate licensure privilege pursuant to KRS 314.475;

(b) Have completed a board approved SANE educational course or a comparable course;

1. The board or its designee shall evaluate the applicant's course to determine its course comparability; and

2. The board or its designee shall advise an applicant if the course is not comparable and specify what additional components shall be completed to allow the applicant to be credentialed;

(c) Complete the Sexual Assault Nurse Examiner Application for Credential;

(d) Pay the fee established in 201 KAR 20:240;

(e) Provide a criminal record check by the Department of Kentucky State Police (KSP) and the Federal Bureau of Investigation (FBI);

(f) Use the FBI Applicant Fingerprint Card;

(g) Pay any required fee to the KSP and the FBI;

(h) Complete the criminal record check within six (6) months of the date of the application;

(i) Provide a certified or attested copy of the court record of any misdemeanor or felony conviction as required by 201 KAR 20:370, Section 1(3); and

(j) Provide a letter of explanation that addresses each conviction, if applicable.

(2) Upon completion of the application process, the board shall issue the appropriate SANE credential for a period ending October 31.

(3) An applicant shall not be credentialed until a report is received from the FBI pursuant to the request submitted under subsection (1)(e) of this section and any conviction is addressed by the board.

#### Section 8. Renewal.

(1) To renew the SANE-P/A or the SANE-A/A credential for the next period, each sexual assault nurse examiner shall complete at least five (5) contact hours of continuing education related to the role of the sexual assault nurse examiner or forensic nursing within each continuing education earning period. A provider of a board approved SANE course may offer continuing education related to the role of the sexual assault nurse examiner.

(2) Upon completion of the required continuing education, completion of the Annual Credential Renewal Application: SANE Credential with RN in Kentucky or Annual Credential Renewal Application: SANE with RN Compact License (Not Kentucky), as applicable, and payment of the fee established in 201 KAR 20:240, the appropriate SANE credential shall be renewed at the same time the registered nurse license is renewed.

(3) The five (5) contact hours may count toward the required contact hours of continuing education for renewal of the registered nurse license.

(4) Failure to meet the five (5) contact hour continuing education requirement shall cause the SANE credential to lapse.

#### Section 9. Reinstatement.

(1) If the SANE credential has lapsed for a period of less than four (4) consecutive registered nurse licensure periods, and the individual wants the credential reinstated, the individual shall apply to reinstate the credential by:

(a) Submitting the Sexual Assault Nurse Examiner Application for Credential;

(b) Paying the fee established in 201 KAR 20:240;

(c) Submitting evidence of earning the continuing education requirement referenced in Section 8(1) of this administrative regulation for the number of registered nurse licensure periods since the SANE credential lapsed;

(d) Providing a criminal record check by the KSP and FBI;

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.485 requires the ~~office~~~~commission~~ to establish rules for the selection, acquisition, management, protection, and use of natural areas and nature preserves, and to maintain a state registry of natural areas, an inventory of natural types, flora and fauna, and other records of natural areas and nature preserves. This administrative regulation sets forth procedures for the dedication and maintenance of nature preserves, and the registration and maintenance of inventories relating to natural areas and nature preserves.

Section 1. Dedication of Nature Preserves. (1) Upon the determination by the director~~of the commission~~ that an area

constitutes a natural area worthy of protection through dedication as a nature preserve, and that the owner is willing to have the[his] land or a portion thereof dedicated as a nature preserve, the office may dedicate[director may recommend to the commission that] the natural area[be dedicated] as a nature preserve.

(2)(a) A natural area shall become a nature preserve upon signature of the director upon the[acceptance of] articles of dedication[by the commission].

(b) Articles of dedication shall be recorded in the county in which the natural area is located, the office of the secretary of state, and the office~~[of the commission]~~.

Section 2. Articles of Dedication. (1) The articles of dedication shall be used as the guidelines for the management of each nature preserve. Management, use, development and public access of each nature preserve shall be in accordance with the provisions set forth in the articles of dedication.

(2) The articles of dedication may contain restrictions relating to management, use, development, transfer, and public access, as well as~~[such]~~ other provisions as may be necessary to further the purposes of the Act.

(3) Articles of dedication may vary in provisions from one (1) nature preserve to another in accordance with differences in the characteristics and conditions of the area involved, or for other reasons found necessary by the commission and the landowner, grantor, devisor, or donor.~~[(4) Before the Commonwealth of Kentucky, through the commission, acquires a nature preserve, it shall be the responsibility of the director to propose to the commission provisions for incorporation into the articles of dedication.]~~

Section 3. Amendment of Articles of Dedication. (1) Articles of dedication may be amended by the office[commission] upon a finding~~[by the commission]~~ that the[such] amendment will not permit an impairment, disturbance, use or development of the nature preserve inconsistent with the purposes for which the area was dedicated or inconsistent with the Act. No amendment to articles of dedication shall be made without the written approval of the Kentucky Heritage Land Conservation Fund Board.

(2) If fee simple ownership is not held by the Commonwealth of Kentucky, no amendment to the articles of dedication shall be made without the written consent of the owner of other interests therein.

(3) Findings and determinations of the office [commission] to amend articles of dedication may be set forth in the minutes of the board [commission].

Section 4. Buffer Areas. (1) For the purpose of protecting a nature preserve, adjoining land that is not otherwise suitable for dedication as part of the nature preserve may be dedicated as a buffer area in the same manner as a nature preserve.

(2) The articles of dedication may contain provisions for the management, use, development, and public access of the buffer area that differ from those for the adjacent nature preserve.

Section 5. Registration of Natural Areas. (1) Upon the determination by the director~~[of the commission]~~ that an area constitutes a natural area worthy of preservation, which is not otherwise available for dedication,~~[the director may recommend to the commission that]~~ the area shall be entered into the register of natural areas.

(2) An[No] area shall not be registered without the consent of the landowner or managing public agency.

(a) The[Such] consent may include an agreement by the landowner to give notice to the office[commission] of any change in ownership, allow limited public access, or include voluntary management agreements designed to protect the natural features of the area.

(b) Upon request of the landowner or managing public agency the location of registered areas shall be kept confidential and not released as a public record of the office[commission]. Specific information as to the location of the registered natural area also may, upon determination by the office[commission], be restricted

so as to assure protection of the natural features and limit uncontrolled visitation.

(3) Registration~~[by the commission]~~ of certain natural areas, where no landowner or managing public agency can give consent, involving stream segments deemed waters of the Commonwealth, shall be by determination of the office[commission].

(4) Natural areas owned in fee simple by the office, but not dedicated as a nature preserve, shall be managed under a management plan in accordance with 418 KAR 1:060 and this chapter.

Section 6. Identification of Natural Areas.~~[(4)]~~ For the purposes of identifying natural areas for potential conservation[protection as nature preserves areas], the office shall[commission may] develop, maintain, and periodically update an inventory database of natural types, ecological communities, flora and fauna. The office[commission] shall use the inventory database, and the best available scientific information, to identify species and ecological communities[of animals and plants] to be monitored by the office[commission]. This inventory database and all relevant scientific data collected by the office or other from research, studies, inventories, management plans, permits, or other means shall be incorporated into a central clearinghouse database pursuant to KRS 146.485.[(2) The commission may develop, maintain, and update a list of natural areas which warrant protection through dedication as a nature preserve or registration as a natural area.]

Section 7. Selection of Custodian. (1) When the commission has acquired an interest less than fee simple in a nature preserve, the selection of a custodian may be made by the owner of the other interest therein subject to the rules and administrative regulations of the commission and the articles of dedication for the nature preserve. Otherwise the commission shall determine the custodian, if any.

(a) The custodian shall demonstrate to the commission the ability to administer the nature preserve in accordance with the articles of dedication and these administrative regulations.

(b) The commission shall act as custodian of a nature preserve until such time as a custodian is approved, or if the custodian fails to administer a nature preserve in accordance with the articles of dedication and these administrative regulations.

(2) When the commission has acquired a fee simple interest in a nature preserve, the commission may select a custodian.

(a) The nature preserve shall publish notice of its intent to select a custodian in the county, or counties, in which the preserve is located, and for the state at large.

(b) The notice shall state:

1. The location of the nature preserve;[-]
2. Where the articles of dedication are recorded;[-]
3. That a written proposal is to be submitted to the commission;[-]
4. The date by which the proposal shall be submitted; and[-]
5. The address to which the proposal shall be submitted.

(c) The date by which the written proposal is to be submitted to the commission shall be not less than sixty (60) days after the date of publication of the notice.

(d) A hearing shall be conducted for the purpose of selecting a custodian pursuant to the provisions of 400 KAR 2:100.

FILED WITH LRC: November 6, 2018 at noon

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 27, 2018 at 5:00 P.M. (Eastern Time) in Training Room C of the Energy and Environment Cabinet at 300 Sower Blvd, Frankfort, Kentucky. Individuals interested in being heard at this hearing shall notify this agency five workdays prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed

administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through December 31, 2018. Send written notification of intent to attend the public hearing or written comments on the proposed administrative regulation to the contact person.

CONTACT PERSON: Michael Mullins, Regulation Coordinator, 300 Sower Blvd, Frankfort, Kentucky 40601, phone (502) 782-6720, fax (502) 564-4245, email [michael.mullins@ky.gov](mailto:michael.mullins@ky.gov).

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Michael Mullins

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation sets forth procedures for the dedication and maintenance of nature preserves, and the registration and maintenance of inventories relating to natural areas and nature preserves.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the procedures for the dedication and maintenance of nature preserves, and the registration and maintenance of inventories relating to natural areas and nature preserves.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 146.485 authorizes the office to develop administrative regulations for the selection, acquisition, management, protection and use of natural areas and nature preserves. This administrative regulation establishes the procedures for the dedication and maintenance of nature preserves, and the registration and maintenance of inventories relating to natural areas and nature preserves.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The statutes authorize the office to develop administrative regulations for the selection, acquisition, management, protection and use of natural areas and nature preserves. This administrative regulation assists in the administration of those statutes by establishing the procedures for the dedication and maintenance of nature preserves, and the registration and maintenance of inventories relating to natural areas and nature preserves.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: SB 129 from the 2018 Legislative Session abolished the Nature Preserves Commission as part of the reorganization of the Energy and Environment Cabinet. The duties of the Nature Preserves Commission were given to the newly formed Office of Kentucky Nature Preserves. This amendment makes changes to the administrative regulation related to the passage of SB 129 by replacing language related to the commission to reference the newly established office.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to comply with the reorganizational changes from SB 129.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the statute by making conforming changes related to amendments to the authorizing statutes related to the passage of SB 129.

(d) How the amendment will assist in the effective administration of the statutes: This amendment will make conforming changes to the administrative regulation to match the amendments to the authorizing statutes.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: These amendments will make conforming changes related to the amendments to the authorizing statutes. The amendments will apply to the state nature preserves and natural areas.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an

amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No action will need to be taken to comply with this amendment. The amendments simply make changes to conform with the reorganization amendments from SB 129.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There are no costs associated with these amendments. The information and requirements are essentially the same except for the changing of the agency name.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There could be minor benefits to the entity associated with complying with this amendment. An efficiency will be realized by the agency, which could potentially result in a more efficient process to the entity identified above.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There are no costs associated with this amendment.

(b) On a continuing basis: There are no costs associated with this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding source is required to amend this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not involve any fees.

(9) TIERING: Is tiering applied? No, these amendments are strictly related to the reorganization resulting from the passage of SB 129.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Office of Kentucky Nature Preserves will be impacted by this proposal and could impact local governments.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 146.485

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This amendment will not generate revenue.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This amendment will not generate revenue.

(c) How much will it cost to administer this program for the first year? This amendment will not cost the agency additional funding.

(d) How much will it cost to administer this program for subsequent years?

This amendment will not cost the agency additional funding.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): There is no known effect on current revenues.

Expenditures (+/-): There is no known effect on current expenditures.

Other Explanation: There is no further explanation.

ENERGY AND ENVIRONMENT CABINET  
Office of Kentucky Nature Preserves  
(Amendment)

**400 KAR 2:090. Management, use, and protection of nature preserves and natural areas.**

RELATES TO: KRS 146.410, 146.440

STATUTORY AUTHORITY: KRS 146.465, 146.475, 146.485

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.485(2) authorizes the commission to promulgate administrative regulations for the management, use, and protection of nature preserves. KRS 146.465 authorizes the commission to acquire natural areas for the purpose of dedicating the areas as nature preserves. KRS 146.475 requires that a nature preserve shall be subject to administrative regulations promulgated by the commission. This administrative regulation establishes the requirements for the management and use of all nature preserves and to fulfill the purposes of KRS 146.440.

Section 1. Applicability. This administrative regulation shall apply to a nature preserve unless a specific exception is set forth in the articles of dedication. The reasons for any exception shall be set forth in the records of the office[commission]. This administrative regulation shall also apply to undedicated natural areas protected by the office unless a specific exception is set forth in the management plan or a specific exception is set forth in regulation.

Section 2. Boundary Markers.

(1) ~~Nature preserve~~ Boundaries shall be made evident by posting boundary markers in a conspicuous manner.

(2) If a boundary fence or barrier is installed, it shall not be in a form that will create a detrimental effect on the movement of wildlife or other natural objects.

Section 3. Encroachments. There shall not be encroachments of structures, easements, rights-of-way, or land uses that do not conform to this administrative regulation and with the purposes and definition of a nature preserve or natural area as specified in KRS 146.410 to 146.530, except as allowed by the nature preserves articles of dedication or natural area management plan.

Section 4. Emergency Situations.

(1) An emergency situation shall be reported immediately to the office[director of the commission].

(2) An emergency situation that requires immediate action to prevent injury to persons or damage to property shall be handled in a manner that minimizes damage to natural conditions.

Section 5. Internal Access Lanes.

(1) An internal vehicular access lane shall be installed and maintained ~~within a nature preserve~~ only where essential for patrol, fire control, management, or research activities and shall be in accordance with the [preserve] management plan.

(2) An internal vehicular access lane shall:

(a) Be limited to service vehicles or, in an emergency situation, rescue vehicles; and

(b) Provide a single track not to exceed ten (10) feet in width.

Section 6. Fire Control.

(1) If a [boundary] firebreak is needed, it shall be constructed in a buffer area [outside the nature preserve] if possible.

(a) A firebreak [within a nature preserve] shall be kept to a minimum and shall be constructed only in accordance with the [preserve fire] management plan and prescribed fire plan.

(b) A temporary firebreak made by mowing, raking, blowing, wetting, or black lining may be used in conjunction with a prescribed[managed] burn.

(2)(a) A wildfire shall be brought under control as quickly as possible if there is imminent danger to lives or adjacent property.

(b) Fire lines on nature preserves shall be constructed with hand tools or mowing equipment rather than heavy equipment, to

minimize damage to the preserve.

(c) If there is no danger to lives or adjacent property and the fire can be contained at the [preserve] boundary, the office[commission] may assess the benefit of allowing a wildfire to burn and shall inform the entity having fire suppression responsibility of its decision to suppress a wildfire or to allow it to burn.

(d) There shall not be any cleanup, fire hazard reduction, or replanting after a fire within a nature preserve, except with the written approval of the office[commission]. Approval shall be based upon health and safety considerations or the need for habitat restoration.

(3) If undertaken, prescribed burning shall be conducted in accordance with a prescribed fire plan prepared for each burn unit, approved by the executive director, and in accordance with the [preserve] management plan. Prescribed burn plans shall be to current Kentucky Prescribed Fire Council Standards pursuant to KRS 149.175. Prescribed burn lines may be constructed with heavy equipment only if required for habitat restoration implementation under the management plan.

(4) During a prescribed burn:

(a) Fire shall be kept away from fences and other structures that may be damaged;

(b) Burning shall not be done under conditions more hazardous than specified in the prescribed burn plan;

(c) Firefighting chemicals that are known to cause damage to or alter a natural condition shall not be used; and

(d) The use of a vehicle or equipment shall:

1. Be specified in the prescribed burn plan; and

2. Not cause permanent damage or alteration to the natural features of a[the] nature preserve.

Section 7. Trails.

(1) A trail system shall conform to the objectives of the nature preserve or natural area. A trail shall:

(a) Be designed to affect only part of the property[nature preserve] and to have minimal impact on natural features; and

(b) Not have a significant impact on animals or plants monitored by the office[commission] or on archaeological resources located within the property[preserve].

(2) Location and form of a trail other than a natural wildlife path shall be approved or denied by the office[commission], in accordance with the [preserve] management plan.

(3) A trail shall be kept to a single file width sufficient to allow one (1) person to pass another but not wide enough to allow two or more people to walk abreast of one another and shall be adequate to provide for permitted use of a nature preserve and to prevent erosion, trampling of vegetation, and other deterioration. ~~["A wider trail may be constructed when the surrounding vegetation type, such as grasslands would require excessive maintenance to keep the trail open, or a wider preexisting path was established prior to designation as a nature preserve or natural area. These wider trails[and] shall be specified in the nature preserve management plan."]~~

(4) Trail construction.

(a) Use of paving materials, footbridges, or elevated walks is permissible if provided for in the trail plan section of the [preserve] management plan, but shall be kept to a minimum in order to limit damage ~~to the preserve~~.

(b) Synthetic materials, painted or chemically treated wood, or stone or earth materials from outside the property[nature preserve] shall not be used in trail construction unless specified in the [preserve] management plan.

(5) Animals or plants monitored by the office[commission] shall not be removed, damaged, or altered in trail construction or maintenance.

Section 8. Other Structures and Improvements.

(1) Necessary signs, information kiosks, trash receptacles, and minor structures required to house research instruments or hand tools shall be permitted within a nature preserve or natural area if specifically required in the [preserve] management plan or permitted by the office[commission] for [research] activities

consistent with KRS 146.200 to 146.619.

(2) Any other structure in a dedicated nature preserve shall be located in a service area.

(3) Any sign or structure shall be approved or denied by the office[commission], in accordance with the [preserve] management plan.

Section 9. Service Areas. Service areas may be established within a nature preserve to provide access and parking, management facilities, and visitor facilities. Provision for a necessary service area may be included in the articles of dedication or after a finding by the office[commission] that the designation is warranted and in accordance with the articles of dedication.

#### Section 10. Scenic and Landscape Management.

(1) Measures shall not be taken to alter natural growth or features for the purpose of enhancing the beauty, neatness, or amenities of a nature preserve, except as established in this section and Sections 2, 5, and 7 through 9 of this administrative regulation. Cutting of grass, brush, or other vegetation, thinning of trees, removal of dead wood, opening of scenic vistas, or planting shall not be performed except after a finding by the office[commission] that the action does not irreparably harm the preserve and is in accordance with the [preserve] management plan.

(2) Installation of guard rails, fences, steps, and other devices necessary for visitor safety shall conform to the [preserve] management plan. Dead trees or branches that constitute a safety hazard to persons on trails or in other authorized use areas may be felled or cleared.

(3) Except as provided in the articles of dedication or as approved by the office[commission], there shall not be any removal, introduction or consumptive use of any material, product, or object from a nature preserve, except as established in this administrative regulation. The following activities shall be prohibited on dedicated nature preserves:

- (a) Grazing by domestic animals;
- (b) Farming;
- (c) Gathering of firewood;
- (d) Gathering of plant or mushroom products;
- (e) Mining, quarrying or mineral extraction, fossil or rock collection;
- (f) Dumping, burying or spreading of garbage, trash or other materials;
- (g) Logging; and
- (h) Any other human activity that results in damage to or loss of natural features of the preserve.

(4) An artifact on a nature preserve shall only be removed or demolished as follows:

- (a) An old interior fence may be removed. Prior to removal, its location shall be mapped, leaving posts to mark boundaries between former land uses; and
  - (b) Rubbish may be removed.
- (5) Structures lacking utilitarian, historical, scientific, or habitat value may be demolished or removed.

Section 11. Water Level Control. Natural water levels shall not be altered on nature preserves. Natural water levels on natural areas may be altered only if the office determines it is needed for habitat restoration to benefit monitored species or ecological communities and is part of the management plan. Water levels that have been altered by humans may be changed if identified as being essential for the maintenance or restoration of natural conditions.

Section 12. Erosion Control. Erosion and soil deposition due to past or present disturbance by humans or natural conditions within or outside of a nature preserve may be controlled as needed for the maintenance or restoration of natural conditions.

#### Section 13. Management of Animals and Plants.

(1) Control of plant succession.

(a) Control of plant succession by deliberate manipulation may be undertaken if preservation or restoration of a particular vegetation type or preservation of animals or plants monitored by the office[commission] is designated an objective of the nature preserve or natural area by the office[commission].

(b) If undertaken, plant succession control measures shall be undertaken as outlined in the [preserve] management plan to meet objectives referenced in Section 13(a) of this administrative regulation.

(c) Vegetation may be managed. If managed, the following limitations shall apply:

1. Plant species not native to the site or vicinity may be eliminated by cutting, girdling, grubbing, cut stump, or basal or foliar application of specified herbicide;

2. The time of burning during the year, the frequency of burning, and the fractional amount of the area that may be burned each year shall be specified; and

3. Invading native woody species may be eliminated or controlled by cutting, girdling, grubbing, cut stump, or basal or foliar application of specified herbicide.

(d) The use of herbicides shall be specified in the management plan for each nature preserve natural area.

(2) Control of noxious species.

(a) Plants or animals that are determined by the office to be noxious in fact shall be controlled only if they are documented as jeopardizing populations of plants and animals or the natural integrity of the nature preserve.

(b) Except for removal from a trail, access lane, or firebreak as authorized by this administrative regulation, there shall not be any control of a native plant that is not noxious but may otherwise appear undesirable.

(c) There shall not be any control of native predators, rodents, insects, snakes, or other animals, even though they may appear harmful or undesirable, unless they are documented as jeopardizing populations of native plants or animals, or the natural integrity of the nature preserve.

(d) There shall not be any use of a pesticide except as authorized in the [preserve] management plan.

(3) Control of exotic species.

(a) Control of exotic plants or animals may be undertaken. If control of exotic plants is undertaken, it shall be done in accordance with Section 13(1)(c) of this administrative regulation.

(b) If control of exotic animals is undertaken it shall be done in accordance with Section 13(2) of this administrative regulation.

(4) Any measure for population control of any species shall be established in the preserve management plan.

(5) Management of plants or animals monitored by the office[commission] and species of management concern.

(a) Habitat manipulations and protective measures in favor of particular species shall be undertaken only as approved by the office[commission]. Approval shall be based upon a finding by the office[commission] that describes the proposed activities and addresses species life history, habitat requirements of the species, characteristics and objectives of the preserve and other relevant information.

(b) Control of plant succession in favor of particular species shall be as provided in this administrative regulation.

(6) Introduction of plants and animals. Plants, animals, or their reproductive bodies shall not be brought into a nature preserve or moved from one (1) place to another within a preserve except with approval of the office[commission]. Approval shall be based upon scientific evidence documenting the species' historical occurrence in the ecosystem[on the preserve]. Restoration shall be performed with caution and based on a finding that the actions shall not adversely affect natural conditions on the nature preserve. Habitat or species restoration on undedicated natural areas shall conform to the management plan.

#### Section 14. Use Tolerance.

(1) Human use of a nature preserve or natural area shall be allowed only to the extent and in a manner that shall not impair natural conditions.

(2) The articles of dedication or management plan may specify

the controls and restrictions to be placed on access and use.

(3) The office[commission] as owner, or the landowner and the office[commission] upon agreement, may further restrict access and use as necessary to protect the nature preserve or natural area.

Section 15. Character of Visitor Activity.

(1) Visitor activity shall be regulated to prevent disturbance of a nature preserve or natural area beyond what it can tolerate without permanent deterioration. A visitor without a permit for research or educational activities shall be restricted to trails and areas open to off-trail use and may be otherwise restricted in movement. A person wishing to traverse a nature preserve or natural area elsewhere than on a trail or other area open to visitation shall obtain permission from the office[commission].

(2) Public use shall be in accordance with the articles of dedication of a nature[the] preserve or management plan of a natural area.

(3) Hunting, fishing, and trapping on a nature preserve shall not be allowed unless provided for in the articles of dedication for the nature preserve and shall be subject to 400 KAR Chapter 2. The office[commission] may approve hunting, fishing, trapping or other control methods if necessary to ensure that the preserve is protected from a documented imbalance of species or impending animal disease. Hunting, fishing, and trapping on a natural area shall not be allowed unless provided for in the management plan and shall be subject to the administrative regulations in this chapter.

(4) A visitor shall not bring an animal into a nature preserve, except for a service animal. A visitor shall not bring an animal into a natural area, except for a service animal, unless approved in the management plan.

(5) A visitor carrying a deadly weapon on a nature preserve or natural area shall not discharge the weapon unless it is necessary for either self-defense or ~~hunting if the visitor has previously obtained permission from the commission to hunt on the nature preserve or~~ hunting is provided for in the management plan, articles of dedication if any, and in accordance with this regulation.

(6) A nature preserve or natural area that is open to visitors shall be open sunrise to sunset.

(7) Trails shall be open to foot traffic only. Travel on horse, bicycle, or motorized vehicle shall be prohibited at all times.

(8) Rock climbing and rappelling shall be prohibited at all times.

(9) Possessing or using non-prescription drugs or alcohol shall be prohibited at all times.

(10) Camping, picnicking, building fires, using audio equipment (except if part of research approved by the office[commission]) shall be prohibited at all times on nature preserves and prohibited on natural areas unless approved in the management plan.

(11) Collecting plants, fungi, animals, minerals, rocks, wood or artifacts shall be prohibited at all times except for approved scientific studies in accordance with Section 19 of this administrative regulation.

Section 16. Access Control.

(1) Ingress and egress shall be allowed only at locations and under conditions as may be specified by the office[commission] in the [preserve] management plan.

(2) The owner, custodian, and office[commission] have the authority to further limit access as may be necessary for protection and proper management~~[of the nature preserve]~~.

Section 17. Orientation and Guidance of Visitors. Orientation and guidance of visitors shall be in accordance with the articles of dedication or management plan, and as approved by the office[commission]. Interpretive signs, structures or labels shall be of uniform appearance.

Section 18. Permission for Research, Group, or Educational Activities.

(1) A person wishing to engage in research, group, or educational activities on a nature preserve or natural area shall

secure prior permission of the office[commission]. If the activities are to be carried on by a group, permission may be issued to the group leader who shall be responsible for the actions of the group. Permission or denial shall be based upon information provided in the application for permission, the purpose stated for the research, and an assessment of any damage that may result from the activity.

(2) A permit[Permission] shall be required for educational, research, or group use of a nature preserve or natural area[only] if activities include collecting or activities other than walking and observation or if the preserve is not open to the public or if the group is larger than ten (10) individuals.

(3)(a) The application for a permit[permission] shall be on Natural Areas/Nature Preserves User Permit Application, KNP01 or Research Permit Application, KNP02[a form prescribed by the commission] and shall include the:

1. Name of the applicant;
2. Mailing address and electronic mailing address of the applicant;
3. Occupation of the applicant;
4. Professional qualifications of the applicant;
5. General field of interest of the applicant; and
6. Description of the applicant's proposed activities, including the:
  - a. Objectives, methods and procedures to be followed;
  - b. Records to be kept;
  - c. Location and duration of the project areas to be visited;
  - d. Frequency and length of visits; and
  - e. Detailed description of disturbances to be made ~~[to the preserve]~~.

(b) Information shall be provided on the:

1. Species or objects to be taken;
2. Number of specimens;
3. Method of taking; and
4. Disposition of specimens.

(c) The office[commission] shall provide permit[permission] application forms to persons requesting them.

(4)(a) The approved permit[permission] may contain specific provisions and restrictions.

(b) The permit[permission] may be modified, suspended, or revoked by the office[commission] for violations of the conditions of the permit[permission], this section, or based upon a determination of the office[commission] that the activity jeopardizes the nature preserve or natural area.

(c) Each holder of a permit[permission] shall submit to the office[commission] an annual report or progress report as directed in the permit.

(d) A permit[permission] for an activity of no more than the calendar year expires on December 31 of that year. A permit[permission] for an activity of longer than one (1) year may be extended annually upon submission of an annual report and request for an extension.

(e) A final report with results, including data collected in a format supplied by the office, shall be submitted at the conclusion of the research. This data may be incorporated by the office into a research clearinghouse and inventory database in accordance with KRS 146.485 and 400 KAR 2:080 Section 6.

Section 19. Collecting on Nature Preserves or Natural Area.

(1) A person wishing to collect a scientific specimen for deposition in a permanent institutional collection available to the public or for purposes of an approved research project shall do so pursuant to terms of permission as specified in this administrative regulation.

(2) Permission may restrict the collecting of certain species or specimens. Material for classroom laboratory observation or study shall not be collected. Exceptions may be provided in the articles of dedication of the nature preserve, or as set forth in the [preserve] management plan.

Section 20. Record.

(1) A record shall be kept for each nature preserve and natural area.

VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

(2) One (1) copy of the record required by subsection (1) of this section shall be held by the office[commission] at its Frankfort location[office].

(3) The record shall include~~[annual]~~ reports from[of] the custodian and all other pertinent documentary material, studies, reports, and descriptions of significant events.

(4) Responsibility for assembling the record shall be with the office[commission-director], in conjunction with any[the] custodian of a[the] nature preserve.

Section 21. Management Plan. Each nature preserve and natural area shall be managed in strict accordance with the most recent~~[approved]~~ management plan in compliance with the requirements of KRS 146.200 to 146.619, articles of dedication if any, and this chapter that sets forth the allowable activities to take place on the nature preserve or natural area as related to:

- (1) Natural community and rare species protection;
- (2) Resource restoration and enhancement;
- (3) Archeological and historical resource protection;
- (4) Staffing;
- (5) Security;
- (6) Safety;
- (7) Public access and interpretation;
- (8) Maintenance of the nature preserve or natural area;
- (9) Coordination of management activities with adjacent landowners and other federal and state resource protection agencies; and
- (10) Research and education.

Section 22. Incorporation by Reference.

(1) The following material is incorporated by reference:

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Michael Mullins

(1) Provide a brief summary of:

(a) What this administrative regulation does: This

administrative regulation sets forth procedures for the maintenance of nature preserves and natural areas, the limiting of disturbance to protect natural conditions, response to outside factors, and the management of animals and plants.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the procedures for the maintenance of nature preserves and natural areas, limiting of disturbance to protect natural conditions, response to outside factors, and management of animals and plants.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 146.485 authorizes the office to develop administrative regulations for the selection, acquisition, management, protection and use of natural areas and nature preserves. This administrative regulation establishes the procedures for the maintenance of nature preserves and natural areas, limiting of disturbance to protect natural conditions, response to outside factors, and management of animals and plants.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The statutes authorize the office to develop administrative regulations for the selection, acquisition, management, protection and use of natural areas and nature preserves. This administrative regulation assists in the administration of those statutes by establishing the procedures for the maintenance of nature preserves and natural areas, limiting of disturbance to protect natural conditions, response to outside factors, and management of animals and plants.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: SB 129 from the 2018 Legislative Session abolished the Nature Preserves Commission as part of the reorganization of the Energy and Environment Cabinet. The duties of the Nature Preserves Commission were given to the newly formed Office of Kentucky Nature Preserves. This amendment makes changes to the administrative regulation related to the passage of SB 129 regarding the management, use and protection of nature preserves and natural areas by the Office of Kentucky Nature Preserves.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to comply with the reorganizational changes from SB 129.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the statute by making conforming changes related to amendments to the authorizing statutes related to the passage of SB 129.

(d) How the amendment will assist in the effective administration of the statutes: This amendment will make conforming changes to the administrative regulation to match the amendments to the authorizing statutes.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: These amendments will make conforming changes related to the amendments to the authorizing statutes. The amendments will apply to the state nature preserves and natural areas.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No action will need to be taken to comply with this amendment. The amendments simply make changes to conform with the reorganization amendments from SB 129 and clarify language regarding the management of natural areas.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There are no costs associated with these amendments.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There could be minor benefits to

the entity associated with complying with this amendment. An efficiency benefit will be realized by the agency, which could potentially result in a more efficient process to the entity identified above.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There are no costs associated with this amendment.

(b) On a continuing basis: There are no costs associated with this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding source is required to amend this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not involve any fees.

(9) TIERING: Is tiering applied? No, these amendments are related to the reorganization resulting from the passage of SB 129 as well as management plans for nature preserves and natural areas.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Office of Kentucky Nature Preserves will be impacted by this proposal and could impact local governments.

#### 400 KAR 2:100. Hearings and appeals.

RELATES TO: KRS 146.465, 146.480, 146.495, Chapter 424  
STATUTORY AUTHORITY: KRS 146.475, 146.485, 146.530  
NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.475 and 146.485 require the office[commission] to establish rules for the protection of nature preserves. KRS 146.530 requires the

office[commission] to establish a procedure whereby orders and final determinations of the office[commission] may be appealed administratively. This administrative regulation sets forth the procedure to be followed by the office[commission] in conducting hearings on issues related to nature preserves.

Section 1. Applicability. The office may conduct a public hearing for any reason, including the following purposes~~[This administrative regulation shall apply to hearings conducted by the commission including the following purposes]:~~

(1) Determining whether there exists an imperative and unavoidable public necessity that justifies the taking of a nature preserve or natural area, or any part thereof, by another public body, or disposition of a nature preserve or natural area or any part thereof by the office[commission].

(2) Determining whether proposed amendments to the articles of dedication of a nature preserve will not permit an impairment, disturbance, use or development of the nature preserve that is inconsistent with the articles of dedication or the Act.

(3) Determining whether differences exist in the characteristics and conditions of a proposed nature preserve, or other reasons, that justify making an exception in the articles of dedication to the requirements of these administrative regulations.

(4) Determining the custodian of a nature preserve or natural area when the property[nature preserve] is owned by the office[commission] in fee simple.

Section 2. Notice of Public Hearings. Notice of public hearing shall be given by the office in accordance with KRS Chapter 424.

(1) The notice shall:

(a) State the time, place, and purpose of the public hearing;

(b) Be published not less than seven (7) nor more than twenty-one (21) days prior to the public hearing; or

(c) Be published in the county, or counties, in which the nature preserve or natural area is located, and for the state at large.

(2) The notice may:

(a) Be published more than once~~[as directed by the commission]~~;

(b) Set forth the address to which written comments on the purpose of the public hearing may be submitted, and the date by which those written comments shall be submitted.

#### Section 3. Public Hearings.

(1) The public hearing shall be conducted in accordance with paragraphs (a) through (e) of this subsection~~[the following manner]~~:

(a) The public hearing shall be held at a time and place to be set by the office[commission] ~~and may be held in conjunction with a regular meeting of the commission~~.

(b) Any interested person may appear at the public hearing and make an oral or written presentation regarding the purpose of the public hearing. The office[commission] may regulate the length, order, and excessive repetition of oral presentations.

(c) The director may make a presentation and recommendation for action to the office[commission] at the hearing.

(d) The office[commission] shall consider all written and oral presentations in making its determination.

(e) The office[commission], ~~through the chairman~~, shall issue a final determination within sixty (60) days of the public hearing. The determination shall set forth the findings of the office[commission] in reaching its determination.

~~(2)(a) The final determination of the commission shall be submitted to the secretary of the cabinet for the secretary's approval within five (5) days of its issuance.~~

~~(b)] Copies of the final determination shall be sent to any person who made a written or oral presentation at the public hearing[te the commission] and any other person who makes a request in writing to the office[commission] for a copy.~~

#### Section 4. Appeals.

(1) Any person who participated in the public hearing and considers himself aggrieved by the determination made by the office may file, in accordance with 400 KAR Chapter 1, a petition

alleging that the determination is contrary to law or fact and is injurious to him or her, the grounds and reasons therefor, and demand a hearing. Unless the cabinet considers the petition to be frivolous, it shall serve written notice of the petition on each person named therein and shall schedule a hearing before the cabinet not less than twenty-one (21) days after the date of the notice unless the person complained against waives in writing the twenty-one (21) day period. The right to demand a hearing pursuant to this section shall be limited to a period of thirty (30) days after the petitioner has had actual notice of the determination complained of, or could reasonably have had notice.

(2)(a) All hearings, other than conferences, under this chapter shall be held before a hearing officer, duly qualified to practice law in the Commonwealth of Kentucky, who may be:

1. A full-time employee of the cabinet;
2. Serve by contract; or
3. Be paid on a per diem basis in the discretion of the cabinet.

(b) After the conclusion of the hearing, the hearing officer shall within thirty (30) days make to the secretary a report and recommended order that shall contain a finding of fact and a conclusion of law. If the secretary finds upon written request of the hearing officer that additional time is needed, the secretary may grant an extension. The hearing officer shall serve a copy of his report and recommended order upon all parties of record and their attorney of record to the proceeding, and they shall be granted the right to file exceptions thereto within fourteen (14) days of service.

(c) Any party may submit a written response to exceptions within twenty-one (21) days of service of the report and recommended order. Exceptions and responses not timely filed shall be noted and made a part of the record but shall not be considered by the secretary in making a final order.

(d) The secretary shall consider the report, exceptions, and recommended order and decide the case. The secretary may designate a deputy to sign any or all final orders of the cabinet, whether the orders are the result of hearing or agreement. The decision shall be served by mail upon all parties and their attorney of record, as well as all parties under subsection 3(2) of this section, and shall be a final order of the cabinet.

(3) Any party to a hearing under this subsection may:

1. Be represented by counsel;
2. Make oral or written argument;
3. Offer testimony;
4. Cross-examine witnesses; or
5. Take any combination of these actions.

(4) The record of the hearing shall be open to public inspection, and copies thereof shall be made available to any person upon payment of the actual cost of reproducing the original. Any final determination of the commission may be appealed to the secretary of the cabinet.

(2) The appeal shall be taken by filing with the secretary of the cabinet exceptions to the final determination of the commission within fifteen (15) days of its issuance. The exceptions shall state specifically the grounds relied upon by the appellant.

(3)

(4) The hearing office shall recommend that the secretary[shall] approve the final determination of the office[commission] unless, based upon the findings set forth in the final determination or any exceptions thereto, the secretary finds:

(a) There is no imperative and unavoidable public necessity due to the existence of a viable alternative to the proposed granting or disposition of a nature preserve, or natural area, or any part thereof;

(b) The determination of the office[commission] is inconsistent with the articles of dedication or the Act; or

(c) The office[commission] acted without or in excess of its power. [(4) The secretary shall, within forty-five (45) days, approve the final determination of the commission, or notify the commission in writing of the secretary's refusal to approve the final determination and set forth the reasons therefor. Failure of the secretary to so act shall constitute approval of the commission's action.]

(5) Notice of the secretary's approval or disapproval shall be sent to all persons as provided for in Section 3(2) of this

administrative regulation.]

#### 400 KAR 4:110. Definitions for 400 KAR Chapter 1[4:120 to 4:140].

RELATES TO: KRS 146.220, 146.241, 146.250, 146.260, 146.270, 146.290, 146.310, 146.350, 146.360

STATUTORY AUTHORITY: KRS 146.270, 224.01-110, 224.10-100

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.270 authorizes the secretary to adopt rules and administrative regulations necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them. Emphasis shall be given to protecting aesthetic, scenic, ecological, historic, archaeological and scientific features of the areas. This administrative regulation defines certain essential terms used in the wild rivers administrative regulations, 400 KAR Chapter 1[401-KAR 4:120 to 4:140], which are not clearly defined by their context.[Terms not defined below have the meaning given to them in relevant statutes or, if not defined in statutes, the meaning attributed by common use.]

Section 1. (1) "Access road" means that access constructed or improved to connect a permitted use within a wild river corridor to a public road system.

(2) "Acid-forming substance" means an earth substance that contains sulfide minerals or other materials which, if exposed to air, water, or weathering processes, forms acids that may create acid water.

(3) "Acid water" means drainage with a pH of less than six (6.0) in which total acidity exceeds total alkalinity.

(4) "Adverse impact" means having a damaging, degrading or destructive effect on a resource.

(5) "Agricultural use" means the use of land for agricultural purposes including, but not limited to farming, dairying, pasturage, apiaries, horticulture, floriculture, viticulture, and animal and poultry husbandry; provided that fruit, vegetable, and flower production for personal use is not deemed agricultural use.

(6) "Applicant" means the landowner who applies for a change of use permit to allow a change of land use within a wild river corridor.

(7) "Best management practices" means methods, measures or practices to prevent or reduce water pollution, including, but not limited to, structural and nonstructural controls, and operation and maintenance procedures which may be applied before, during or after pollution-producing activities to reduce or eliminate the introduction of pollutants into waterbodies.

(8) "Buffer zone" means an area of natural vegetation having a minimum width of not less than 100 feet, which is retained along each bank of a wild river to maintain aesthetics, bank stability, appropriate water temperatures, fish and wildlife habitat, and stream hydraulics, and to filter debris and waterborne pollutants from surface run-off.

(9) "Cabinet" means the Energy and Environment [Environmental and Public Protection] Cabinet.

(10) "Change of use permit" means a permit issued to a landowner by the office[secretary] to authorize a change of land use within a wild river corridor.

(11) "Commercial service" means the use of a wild river corridor for monetary profit, including, but not limited to, concessions, boat rentals, shuttle services, guided trips or tours, commercial boat docks, wharves and other recreational facilities.

(12) "Conforming land use" means a land or resource use which conforms to the provisions and intent of the Kentucky Wild River Act and the management plan developed pursuant to KRS 146.270 for a given wild river corridor.

(13) "Cultural character" means the condition, composition, and/or appearance of an archaeological or historical feature which contributes to its outstanding, unique or otherwise significant value.

(14) "Disturbed area" means an area having a manmade surface disturbance.

(15) "~~Division~~" means the Division of Water.

(16) "~~Existing use~~" means a land use which is in existence at the time a wild river is designated by the Kentucky General Assembly.

(17) "~~(17)~~" "Flood plain" means the area in a watershed that is subject to flooding at least one (1) time in every 100 years.

(18) "~~(18)~~" "Kentucky Wild Rivers Act" means KRS 146.200 to 146.360, as amended.

(19) "~~(19)~~" "Landowner" means the owner of a property or an interest in a property conveyed by lease or other legal conveyance.

(20) "~~(20)~~" "Land use plan" means a plan of action submitted to the office[cabinet] as part of a change of use permit application.

(21) "~~(21)~~" "Log landing" means a collecting point for holding cut timber.

(22) "~~(22)~~" "Management plan" means the individual plan adopted by the office[cabinet] pursuant to KRS 146.270 as the official document guiding the management and protection of a given wild river corridor.

(23) "~~(23)~~" "Natural character" means the condition or appearance of an area or resources which may be expected to exist in nature undisturbed by human actions.

(24) "~~(24)~~" "Natural vegetation" means the species, or combinations of species, of plants which exist, or may be expected to exist, in nature undisturbed by human actions.

(25) "~~(25)~~" "New land use" means a land use within a wild river corridor which is not in existence at the time a given wild river corridor is designated by the Kentucky General Assembly.

(26) "~~Office~~" is defined by KRS 146.210(8).

(27) "Operator" means the person, partnership, contractor, subcontractor, company or corporation responsible for the construction, maintenance, operation and reclamation of a permitted use.

(28) "Permitted use" means a nonconforming land use within a wild river corridor which has been authorized by the office[secretary] through the issuance of a change of use permit.

(29) "Permittee" means a landowner who has obtained a change of use permit from the office[cabinet].

(30) "Produced water" means water and pollutants and combination thereof resulting, obtained or produced from the exploration, drilling or production of oil or gas.

(31) "Professional forester" means a person holding a degree in forestry from a school with an accredited forestry program.

(32) "Research plan" means a plan of action submitted to the office[cabinet] for approval prior to initiating a scientific study within

a given wild river corridor.

(33) "Resource removal" means exploration for, extraction or removal of a natural resource including, but not limited to, coal, oil and gas, minerals, rock, gravel, sand and soil.

(34) "Secretary" means the Secretary of the Energy and Environment [Environmental and Public Protection] Cabinet.

(35) "Selective cutting (of timber)" means the selective removal during one (1) entry of single trees from an area such that a specified minimum residual stocking level is retained and evenly distributed over the harvest area. The purpose of the cut is to create or maintain an uneven-aged stand of timber.

(36) "Significant feature" means an outstanding, unique, rare or otherwise significant aesthetic, scenic, botanical, zoological, geological, historical, archaeological, scientific or recreational feature which is identified in the management plan or by the management agency as occurring within a given wild river corridor.

(37) "Skid" means to transport logs by sliding or dragging along the ground.

(38) "Skid trail" means a trail developed for the purpose of skidding logs from the stump to a log landing area.

(39) "Slash" means the residue left after the economically usable portion of cut trees is removed from a harvest area.

(40) "Structure" means an aboveground object constructed, built or installed for a change of use, and shall exclude sediment ponds, roads and signs.

(41) "Surface disturbance" means any disturbance of the ground surface which involves the clearing of vegetation or excavation of soil, rock or other materials occurring on or near the ground surface.

(42) "Surface mining" means the breaking of the surface soil in order to facilitate or accomplish the extraction or removal of minerals, ores, or other solid matter; any activity or process constituting all or part of a process for the extraction or removal of minerals, ores, or other solid matter so as to make them suitable for commercial, industrial, construction, or other use; but shall not include those aspects of deep mining not having significant effect on the surface, and shall not include excavation or grading when conducted solely in aid of on-site farming or construction.

(43) "Toxin-forming substance" means earth materials or wastes which, if exposed to air, water, weathering, or microbiological processes, are likely to produce conditions that are detrimental to biota or uses of water.

(44) "Underground mining" means those aspects of deep mining, including surface effects, involving any open pit or any underground workings from which minerals, ores or other solid matter is removed for sale, exchange, commercial, or other use, and all shafts, drifts, or inclines leading thereto, including all buildings and equipment, above or below the surface of the ground, used in connection with such workings.

(45) "Visual intrusion" means resulting in the disruption, degradation or impairment of the natural or primitive appearance of an area in a wild river corridor, as viewed from the river or other designated public use area, and includes any land use that does not remain visually subordinate to the characteristic landscape.

(46) "Watershed" means that area enclosed by a topographic divide from which direct surface run-off from precipitation normally drains by gravity into the stream above a specified point.

(47) "Wild river" or "wild river corridor" means a stream segment and adjacent shoreland within boundaries set forth in 400[404] KAR 4:100 which are designated in accordance with KRS 146.241.

(48) "Wild rivers system" means the collective wild rivers as designated in KRS 146.241 and amendments.

##### 400 KAR 4:125. Wild rivers administration.

RELATES TO: KRS 146.220, 146.270, 146.290, 146.310, 146.350, 224.01-110, 224.10-240, 224.10-440, 224.10-470

STATUTORY AUTHORITY: KRS 146.270, 224.01-110, 224.10-100

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.270 authorizes the secretary to adopt rules and administrative regulations necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them. KRS 146.220 places emphasis on protecting the aesthetic, scenic, historical, archaeological, ecological and scientific features of these areas. This administrative regulation sets forth guidelines for the administration, management and public use of wild river corridors, including criteria for delineating existing, conforming, permitted and prohibited land uses and conditions of authorization for utility right-of-way construction. This administrative regulation shall apply to all lands and waters under state jurisdiction which are located within designated wild river boundaries as set forth in 400[404] KAR 4:100. Nothing herein shall be construed as superseding any requirements of other cabinet programs or of other state or federal agencies.[This administrative regulation contains the substance of and repeals 401 KAR 4:120.]

Section 1.[Definitions. As used in this chapter, unless context otherwise requires:

(1) "Agricultural use" means the use of land for agricultural purposes including, but not limited to farming, dairying, pasturage, apiaries, horticulture, floriculture, viticulture, and animal and poultry husbandry; provided that fruit, vegetable and flower production for personal consumption shall not be deemed an agricultural use.

(2) "Buffer zone" means an area of woodland having a minimum width of not less than 100 feet which is retained along each bank of a wild river to maintain aesthetics, bank stability, appropriate water temperatures, fish and wildlife habitat, and stream hydraulics, and to filter debris and waterborne pollutants from surface run-off.

(3) "Cabinet" means the Environmental and Public Protection Cabinet.

(4) "Change of use permit" means a permit issued to a landowner by the secretary to authorize a change of land use within a wild river corridor.

(5) "Commercial service" means the use of a wild river corridor for monetary profit, including, but not limited to, concessions, boat rentals, shuttle services, guided trips or tours, commercial boat docks, wharves and other recreational facilities.

(6) "Conforming use" means a land or resource use which conforms to the provisions and intent of the Kentucky Wild Rivers Act and the management plan developed pursuant to KRS 146.270 for a given wild river corridor.

(7) "Existing use" means a land use which is in existence at the time a wild river is designated by the Kentucky General Assembly.

(8) "Floodplain" means the area in a watershed that is subject to flooding at least one (1) time in every 100 years.

(9) "Management plan" means the individual plan adopted by the cabinet pursuant to KRS 146.270 as the official document guiding the management and protection of a given wild river corridor.

(10) "Permitted use" means a nonconforming land use within a wild river corridor which has been authorized by the secretary through the issuance of a change of use permit.

(11) "Research plan" means a plan of action submitted to the cabinet for approval prior to initiating a scientific study within a given wild river corridor.

(12) "Resource removal" means exploration for, extraction or removal of a natural resource including, but not limited to, coal, oil and gas, minerals, rock, gravel, sand and soil.

(13) "Secretary" means the Secretary of the Environmental and Public Protection Cabinet.

(14) "Selective cutting (of timber)" means the selective removal during one entry of trees from an area such that a specified minimum residual stocking level is retained and evenly distributed over the harvest area. A selective cut creates or maintains an uneven-aged stand of timber.

(15) "Structure" means an aboveground object constructed, built or installed for a change of use, and shall exclude sediment ponds, roads and signs.

(16) "Visual intrusion" means resulting in the disruption, degradation or impairment of the natural or primitive appearance of an area in a wild river corridor, as viewed from the river or other designated public use area, and includes any land use that does not remain visually subordinate to the characteristic landscape.

(17) "Wild river" or "wild river corridor" means a stream segment and adjacent shoreland within boundaries set forth in 401 KAR 4:100 which are designated in accordance with KRS 146.241.

## Section 2.] General Policy.

(1) Wild rivers shall be managed to preserve their free-flowing condition and to protect the outstanding and unique aesthetic, scenic, recreational, fish and wildlife, botanical, historical, archaeological and other natural and cultural features which qualified the streams for designation as wild rivers.

(2) Additional management objectives shall be to afford opportunities to enjoy natural streams and to preserve for future generations the beauty of certain areas untrammelled by man. The office[cabinet] will not encourage public use of areas where it has been determined that the carrying capacity for one (1) or more uses has been reached or exceeded.

## Section 2[3]. Management Plans.

(1) The management of a given wild river corridor shall be according to a management plan developed by the office[cabinet].

(2) The office[cabinet] shall consult with landowners in the affected wild river corridor, citizen groups, industries and appropriate local, state and federal agencies in the preparation of each management plan.

(3) Public participation in the development of a management plan shall be provisioned by at last one (1) public hearing on the draft management plan followed by a thirty (30) day comment period prior to finalizing the plan.

(4)(a) The hearing, or hearings, shall be conducted in one (1) of the counties through which the designated portion of the river flows.[:]

(b) Notice of hearing shall be given in accordance with the provisions of KRS Chapter 424. The notice shall:

1. State the time, place and purpose of the hearing;
2. State the name and address of the person from whom a copy of the proposed management plan may be attained;
3. Be published not less than seven (7) nor more than twenty-one (21) days prior to the hearing;
4. Be published in the county, or counties, through which the designated portion of the river flows, and in at least one (1) major newspaper; and
5. Set forth the address to which written comments on the draft management plan may be submitted, and the date by which those written comments shall be submitted.

(c) The hearing shall be conducted by a designated representative of the office[cabinet] who shall control the order of presentation.[:]

(d) Any interested person may appear at the hearing and make an oral or written presentation concerning the draft management plan. All oral presentations shall be recorded.[:; and]

(e) All written and oral comments shall be considered in the development of the management plan.

(5) Responsibility for the administration and management of a wild river shall be clearly delineated in the management plan for that river, and any management agreements between the office[cabinet] and local, state or federal agencies having overlapping jurisdiction over lands or waters within the wild river corridor shall be incorporated into the plan.

## Section 3[4]. Existing or Conforming Land Uses.

(1) Under the provisions of KRS 146.290, land uses that[which] are lawfully existing at the time the boundaries of a wild river are designated may continue even though the use does not conform to the purpose and intent of the Kentucky Wild Rivers Act or the management plan for a given wild river.

(2) Other than existing uses, land uses within wild river corridors which conform to the purposes and intent of the Kentucky Wild Rivers Act and the duly adopted management plan for each

wild river shall not require a change of use permit.

(3) Conforming uses shall include wilderness type recreation such as nonmechanized boating, hiking, hunting, fishing, camping, and sightseeing[and horseback riding], as well as scientific research, environmental education and related activities which preserve the primitive character and natural and cultural resources of the area.

(4) Other land uses shall qualify as conforming uses if they do not involve the clearing of more than one-half (1/2) acre of timber, nor constitute a significant visual intrusion within 100 feet of the river. Conforming uses may include the following:

(a) The routine maintenance, repair, renovation or replacement of existing roads, buildings or other structures or improvements to an existing use;

(b) The selective cutting of firewood or individual trees by a landowner for personal or family use;

(c) Landscaping and gardening, including flower, fruit and vegetable production;

(d) Fencing;

(e) The removal of noxious weeds from an area using direct application but not aerial spraying, and herbicides that are short-term, nontoxic to fish and wildlife and will not leach into surface waters or groundwater; and

(f) The clearing of diseased or insect- infested trees from an area greater than one-half (1/2) acre upon written authorization from the office[cabinet] based on the recommendation of a professional forester.

#### Section 4[5]. Permitted Land Uses.

(1) Land use changes authorized by the office[cabinet] through a change of use permit as required under KRS 146.290, shall comply with all applicable standards set forth in 400[404] KAR 4:140[.]

(2) Land use changes which require a change of use permit shall include:

(a) A resource removal, by methods other than surface mining;

(b) The selective cutting of timber as defined in 400 KAR 1:110 [Section 1 of this administrative regulation]; and

(c) A new agricultural use that requires clearing of timber from an area greater than one-half (1/2) acre or more in extent.

#### Section 5[6]. Prohibited Land Uses. Land uses established in subsections (1) through (3) of this section shall be prohibited.

(1) Pursuant to KRS 146.290, surface mining, timber harvest by methods other than selective cutting and in-stream disturbances are prohibited within a wild river corridor[.];

(2) Prohibited in-stream disturbances shall include but not be limited to, dam construction, dredging, spoil or fill deposition, channel diversion, channelization and mining of streambed materials[.]; and]

(3) The construction of roads, buildings or other structures to effect any use other than an existing or permitted land use, as set forth in Section 4 or 5 of this administrative regulation, is prohibited.

#### Section 6[7]. Public Use.

(1) Public use of wild river corridors shall be limited to the public waters and public lands or interests in lands acquired through lease, easement or other agreement entered into by the landowner. Public use of private property shall require permission from the landowner. Trespassing is subject to penalty as set forth in KRS 146.990. This section applies to the public use of state-owned lands and public waters within wild river corridors.

(2) The office shall[cabinet will] make every effort to inform the public that the wild river designation does not authorize public use of privately-owned lands, and will prepare maps delineating the boundaries of public lands within wild river corridors to reduce unintentional trespassing.

(3) In accordance with KRS 146.290, transportation shall be by foot, canoe, kayak, boat, with or without electric motor,[horseback] or other nonmechanized means except on existing public roads, as required for administrative and resource protection purposes, or as necessary to effect an existing or permitted land use.

(4) The office[cabinet] may condition or deny public access to a wild river if such use is causing substantial adverse impact on the scenic, aesthetic, natural, cultural, scientific or recreational resources, if private property is being damaged, or if user safety is being jeopardized.

(5) Cultural artifacts, relics, fossils and souvenirs shall not be removed from their site of discovery in a wild river corridor. Deliberate damage to plants, animals, artifacts or other special features is prohibited. A written request shall be submitted to and approved by the office[division] prior to the collection of any natural or cultural materials.

(6) Burying, dumping or depositing litter, soil, garbage, waste, scrap or other unsightly or offensive materials other than in receptacles provided for this purpose is prohibited.

(7) Horseback riding shall be allowed only on trails specifically designated for this use.

(8) Overnight camping and campfires shall be prohibited within thirty (30) feet of a wild river. No open fire shall be left unattended, and all fires shall be completely extinguished after use. Live vegetation shall not be cut for firewood.

(9) Camping within a state park shall be in accordance with 304 KAR 1:040.

(10) Hunting, fishing and trapping shall be subject to state and federal fish and wildlife laws and regulations, and shall comply with the following conditions:

(a) The construction of permanent shelters, lean-tos or other buildings is prohibited. Temporary blinds, stands or other structures shall be erected in a manner that will prevent injury to trees; and

(b) Trapping is prohibited within fifty (50) feet of designated boat access sites, boat portage trails and other designated public hiking trails, picnic areas and campgrounds.

(11) Carrying or discharging a firearm, bow and arrow or explosive substances shall be prohibited for any purpose other than hunting in accordance with state wildlife laws and the other provisions of this administrative regulation.

(12) Swimming and other in-stream recreational uses of a wild river shall be in accordance with Office[Division] of Water Patrol safety standards (402 KAR 4:080 and 4:130). Entering a wild river from the shores of a state park for swimming, bathing or other in-stream recreational use shall be allowed only in areas designated as swimming areas by the Department of Parks.

(13) Conduct which disturbs the peace or causes property damage within a corridor is prohibited.

(14) Public users of wild rivers are encouraged to leave in passing no mark upon the land that might diminish its value to another, and to make every effort to protect and enhance the unspoiled beauty of these areas as components of Kentucky's unique heritage.

#### Section 7[8]. Enhancement of Recreational Opportunities.

(1) The development of public access to a wild river will be compatible with the purposes and intent of KRS 146.200 to 146.360 and the duly adopted management plan for a given river, and shall conform to the natural character of the area.

(2) Development of public access may be used to enhance dispersed, nonmechanized recreational opportunities and provide information on safety, orientation, rules and administrative regulations and interpretation of special features in the area.

(3) Trails constructed within a wild river corridor will be designed and maintained to provide for nonmechanized recreational uses and to prevent soil erosion and compaction, trampling of vegetation, and other damage to the natural beauty and resources of the area.

(4) There shall be no cutting or removal of natural vegetation, living or dead, to create scenic vistas, except as expressly provided by law.

#### Section 8[9]. Commercial Uses.

(1) The operator of a new commercial service within a wild river corridor shall submit written notification to the office[cabinet] not less than thirty (30) days prior to commencing such use.

(2) The construction of access roads, ramps, wharves or boat

docks, buildings or other facilities required to effect a commercial use shall be located outside of a wild river corridor unless authorized by a change of use permit.

(3) The operator of a commercial service on a wild river shall comply with all applicable provisions of this administrative regulation, and shall be responsible for ensuring that the commercial use does not impair or contribute to an adverse impact on the aesthetic, scenic, ecological, scientific, recreational or other significant features in the corridor as identified in the management plan or by the office[cabinet], or cause substantial damage to soils, vegetation, fish and wildlife or water quality.

(4) The office[cabinet] may condition or deny commercial use of a wild river, as provided in Section 7(4) of this administrative regulation.

(5) In accordance with 304 KAR 1:030, operation of a commercial activity within a state park requires prior written consent from the Department of Parks.

(6) Commercial harvest of mussels by any method is prohibited in areas where mussel species considered endangered or threatened by the office[Kentucky Academy of Science] are known to occur.

#### Section 9[40]. Scientific Study.

(1) A research permit application[plan] shall be submitted to the office[cabinet] for approval prior to the commencement of any scientific study that may affect a wild river corridor conforming to 400 KAR 2:090 Section 18(3)(a).

(2) A final report with results, including data collected in a format supplied by the office, shall be submitted at the conclusion of the research. This data may be incorporated by the office into a research clearinghouse and inventory database in accordance with KRS 146.485 and 400 KAR 2:080 Section 6.[A research plan submitted to the cabinet on a form supplied by the cabinet shall contain the following information:

(a) The name, address, telephone number, professional affiliations and qualifications of the principal investigator;

(b) A U.S. geological survey 7.5 minute topographic map delineating the location and extent of the study area;

(c) The estimated dates of initiation and completion of the study;

(d) The objectives, methods and significance of the study and a statement as to the necessity or advantages of conducting the study within the wild river corridor;

(e) Plant or animal species or any special features which may be affected by the study, and the type and extent of any such effects; and

(f) A list of any plants, animals or other resources or materials to be collected, the estimated quantity to be collected, and the permit numbers of collection permits obtained from state and federal agencies.]

#### Section 10[44]. Utility Right-of-way Construction.

(1) As set forth in KRS 146.290, the construction of a transmission line or pipeline right-of-way within any portion of a wild river corridor shall require written approval from the office[secretary] prior to the initiation of any construction activities within the wild river boundaries.

(2) Authorization to construct a right-of-way shall require application by the owner of the utility or pipeline company or their engineering representatives, on an application form supplied by the office[cabinet]. The application shall include a land use plan containing the following information:

(a) A U.S. geological survey topographic map to scale not greater than one (1) inch equal to 500 feet, showing the precise route and dimensions of the right-of-way;

(b) The estimated dates for initiation and completion of construction and the name, address and telephone number of the person or persons in charge of the construction;

(c) A detailed description of the methods of construction and specifications, including profile sheets bearing the seal and signature of a registered professional engineer;

(d) A statement of possible alternate routes for the right-of-way and why the proposed route was selected;

(e) A detailed reclamation plan designed to return the disturbed area as nearly as possible to its former appearance and condition, including the use of native species to revegetate disturbed areas; and

(f) A detailed description of proposed methods for maintaining the right-of-way, including the brand names and methods of application of any herbicides to be used.

(3) Upon receipt of an application, an inspection of the proposed construction site will be made by office[cabinet] personnel with the property owner and applicant or their representatives, and personnel from appropriate state and federal agencies.

(4) The office[secretary] shall notify the applicant as to whether the application is approved or denied within sixty (60) days following receipt of the application, and will state the reasons for the decision.

(5) If an application is denied, the applicant may submit a revised application to adequately address the reasons for denial stated in the office's[secretary's] written decision.

(6) An application will be approved only if there is no possible alternative route for the right-of-way that would bypass or cause less impact to the wild river corridor, and the applicant agrees to restore all disturbed area within the wild river corridor as nearly as possible to its former appearance and condition, as required under KRS 146.290.

(7) Authorization to construct a right-of-way shall contain, but not be limited to, the following conditions:

(a) Wherever feasible, the right-of-way shall be routed to avoid steep slopes, erodible soils, surface waters and areas with high water tables, public recreation areas, and other significant natural and cultural areas identified by the office[cabinet], and shall be the minimum width necessary for construction and maintenance;

(b) Adequate measures shall be taken to control sediment and any hazardous substances, and to minimize the visual impact of the right-of-way when viewed from the wild river or other designated public use areas;

(c) Any timber cutting required shall be according to the provisions of 400[404] KAR 4:140, Sections 4 through 7, and 9 through 14 and Section 17(10) through (21);

(d) Every effort shall be made to minimize disturbance to the streambed, stream banks and fish and wildlife habitat during construction activities, and to keep timber slash and other debris out of surface waters and the immediate floodplain;

(e) Stream crossings by equipment or vehicles in a wild river corridor shall require the use of a temporary bridge or other methods approved by the office[cabinet] and be designed so as not to impede stream flow. Construction across surface waters shall occur when local fish and wildlife are not spawning or nesting;

(f) Vehicles and equipment shall be stored outside of the wild river corridor when not in use;

(g) Aerial spraying of herbicides shall not be permitted within the boundaries of a wild river. Direct application of herbicides at ground level shall be limited to brands that are nontoxic to fish and wildlife;

(h) Pipeline relief valves shall be located outside of the wild river corridors;

(i) Primary consideration shall be given to underground placement of transmission lines and pipelines. Overhead transmission lines and towers shall be in accordance with environmental guidelines required by the Rural Electrification Authority, and shall be designed so as to prevent electrocution or other injury to wildlife;

(j) Reclamation shall consist of establishing a permanent vegetative cover on all disturbed surfaces, planting native trees or shrubs where necessary to establish a buffer zone along the banks of the wild river, implementing measures to prevent access by off-road vehicles, and removing all evidence of construction activities;

(k) A performance bond, in an amount to be determined by the office[cabinet], shall be required for reclamation if the office[cabinet] determines that the proposed construction may potentially damage, degrade or otherwise have an adverse impact on any significant feature known to occur within the wild river corridor.

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

(l) The applicant shall provide written notice to the office[cabinet] upon completion of reclamation, and office[cabinet] personnel will inspect the construction site to verify compliance with all permit conditions before the bond is released.

### Section 11[42]. Road Construction.

(1) In accordance with KRS 146.290, new permanent roads shall not be constructed within a wild river corridor except as authorized by the office[secretary] to enhance recreational opportunities or to protect soil, water or other natural resources.

(2) Temporary roads shall be constructed within a wild river corridor only as necessary to effect a use authorized by a change of use permit, and shall be closed and reclaimed immediately after the permitted land use is concluded.

(3) Any construction required to improve, repair or replace existing state or county-maintained roads or bridges shall require full environmental review by the office[division] and other appropriate state natural resource agencies prior to any construction activity.

(4) During authorized construction activities, no heavy equipment shall be driven through or into a wild river unless every feasible precaution has been taken by the operator to prevent damage to stream-bank vegetation, protect fish and wildlife habitat, control soil erosion and prevent stream sedimentation.

(5) When recommended by the office[secretary], design plans for improving or replacing a bridge across a wild river shall consider provisions for enhancing public access to the river for recreational uses consistent with the provisions of KRS 146.200 to 146.360.

### Section 12[43]. Agency Notification.

(1) State or local government agencies which engage in or regulate any activity within the watershed of a wild river shall notify the office[cabinet] prior to the initiation of any activity which may adversely affect the river, and shall provide the office[cabinet] an opportunity to review proposals and plans for the new activity.

(2) A change of land use on state-owned lands within a wild river corridor that does not conform with the purpose and intent of KRS 146.200 to 146.360 shall require that the state agency that owns the affected land obtain a change of use permit from the office[cabinet].

### Section 13[44]. Fire Control.

(1) State fire control provisions of KRS Chapter 149, and any which may be established by cooperative agreement, shall be strictly enforced.

(2) Fire shall be controlled by methods that require the least disturbance to soils and vegetation, and use of heavy equipment shall be limited to situations where an imminent[eminent] threat to life or personal property exists. Any fire hazard reduction or replanting after fire shall be coordinated with the office[division].

### Section 14[45]. Signs.

(1) The posting of commercial signs, advertisements, announcements, campaign slogans or other written messages other than those related to permitted uses shall be prohibited.

(2) As otherwise allowed by law, signs may be installed by the management agency, local government, landowner or public utility for the purpose of public safety, posting of property boundaries or property protection, identification of river corridor boundaries and public access points or as otherwise deemed necessary for resource protection, interpretation or regulatory purposes.

(3) Signs shall be of a design and construction conforming to the natural setting in which they are located, and shall not exceed sixteen (16) square feet in size.

(4) Any person with the permission of the landowner may post informational and directional signs within a corridor as are necessary to the continuance of an existing use.

### Section 15[46]. Enforcement and Hearings.

(1) Whenever the office[cabinet] has reason to believe a violation of 400[404] KAR Chapter 4 has occurred, a notice of violation shall be issued.

(2) The provisions of KRS 224.10-420 shall apply to any office[cabinet] order or determination made pursuant to the provisions of 400[404] KAR Chapter 4.

(3) Hearings required to be conducted due to the issuance of a notice of violation issued pursuant to subsection (1) or the filing of a petition pursuant to subsection (2) of this section shall be conducted pursuant to KRS 224.10-440.

(4) Appeals may be taken from any final order of the cabinet pursuant to KRS 224.10-470.

(5) Violations of the provisions of 400[404] KAR Chapter 4 shall be liable to the civil penalty set forth in KRS 146.990(1).

(6) Orders for remedial action and recovery of penalties will be sought pursuant to KRS 146.350.

Section 16[47]. Severability. In the event that any provision of KRS 146.200 to 146.360 or any administrative regulation promulgated pursuant hereto is found to be invalid by a court of competent jurisdiction, the remaining wild rivers regulations shall not be affected or diminished thereby.

CHARLES G. SNAVELY, Secretary

APPROVED BY AGENCY: November 6, 2018

FILED WITH LRC: November 6, 2018 at noon

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 27, 2018 at 5:00 P.M. (Eastern Time) in Training Room C of the Energy and Environment Cabinet at 300 Sower Blvd, Frankfort, Kentucky. Individuals interested in being heard at this hearing shall notify this agency five workdays prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through December 31, 2018. Send written notification of intent to attend the public hearing or written comments on the proposed administrative regulation to the contact person.

CONTACT PERSON: Michael Mullins, Regulation Coordinator, 300 Sower Blvd, Frankfort, Kentucky 40601, phone (502) 782-6720, fax (502) 564-4245, email [michael.mullins@ky.gov](mailto:michael.mullins@ky.gov).

### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Michael Mullins

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation sets forth guidelines for the administration, management and public use of wild river corridors, including criteria for delineating existing, conforming, permitted and prohibited land uses and conditions of authorization for utility right-of-way construction.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to set forth the guidelines for the administration, management and public use of wild river corridors, including criteria for delineating existing, conforming, permitted and prohibited land uses and conditions of authorization for utility right-of-way construction.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 146.270 indicates the Wild Rivers System shall be administered by the Office of Kentucky Nature Preserves according to the policies and criteria set forth in KRS 146.200 to 146.360. The cabinet upon recommendation of the office shall adopt rules or promulgate administrative regulations necessary for the preservation and enhancement of the stream areas as set forth in KRS 146.250, and for control of recreational, educational, scientific, and other uses of these areas in a manner that shall not impair them.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This

administrative regulation sets forth guidelines for the administration, management and public use of wild river corridors as authorized by KRS 146.200 to 146.360.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment makes changes to the administrative regulation related to the passage of SB 129. It removes definitions from previous version which are now addressed in 400 KAR 4:110. It removes horseback riding from those land uses that conform to the purpose and intent of the Kentucky Wild Rivers Act.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to comply with the reorganizational changes from SB 129.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the statute by making conforming changes related to amendments to the authorizing statutes related to the passage of SB 129.

(d) How the amendment will assist in the effective administration of the statutes: This amendment will make conforming changes to the definitions to match the amendments to the authorizing statutes. It will remove definitions from previous version which are now addressed in 400 KAR 4:110. It removes horseback riding from those land uses that conform to the purpose and intent of the Kentucky Wild Rivers Act.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: These amendments will make conforming changes related to the amendments to the authorizing statutes. The amendments will apply to the landowners that have a wild rivers corridor on their property.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No action will need to be taken to comply with this amendment. The amendments deletes definitions from the administrative regulation which are now addressed in 400 KAR 4:110 and removes horseback riding from those land uses that conform to the purpose and intent of the Kentucky Wild Rivers Act.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There are no costs associated with these amendments. The information is essentially the same except for the changing of the agency name.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There could be minor benefits to the entity associated with complying with this amendment. An efficiency will be realized by the agency, which could potentially result in a more efficient process to the entity identified above.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There are no costs associated with this amendment.

(b) On a continuing basis: There are no costs associated with this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding source is required to amend this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This definition administrative regulation does not involve any fees.

(9) TIERING: Is tiering applied? No, these amendments are mainly related to the reorganization resulting from the passage of SB 129.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Office of Kentucky Nature Preserves will be impacted and could impact local governments.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 146.270

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This amendment will not generate revenue.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This amendment will not generate revenue.

(c) How much will it cost to administer this program for the first year? This amendment will not cost the agency additional funding.

(d) How much will it cost to administer this program for subsequent years? This amendment will not cost the agency additional funding.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): There is no known effect on current revenues.

Expenditures (+/-): There is no known effect on current expenditures.

Other Explanation: There is no further explanation.

## ENERGY AND ENVIRONMENT CABINET Office of Kentucky Nature Preserves (Amendment)

### 400 KAR 4:130. Wild rivers change of use permit procedures.

RELATES TO: KRS 146.220, 146.270, 146.290, 146.990

STATUTORY AUTHORITY: KRS 146.270, 224.01-110, 224.10-100

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.270 authorizes the secretary to adopt rules and administrative regulations necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them. In such administration, primary emphasis shall be given to protecting aesthetic, ecological, scenic, historic, archaeological and scientific features of the area. Under the provisions of KRS 146.290, the select cutting of timber, a resource removal or an agricultural use may be allowed pursuant to administrative regulations promulgated by the secretary upon the granting of a permit under the other provisions of KRS 146.200 to 146.360; uses which exist at the time the boundaries of a wild river are designated are exempt from this provision. KRS 146.290 requires that any permit granted to conduct a change of use shall contain such restrictions, terms and conditions as are appropriate to protect to the fullest extent possible the stream area and the public trust therein, within the intent of KRS 146.220. This administrative regulation establishes the procedure by which a landowner, as defined in 401 KAR 4:110, may apply to the secretary for a change of use permit to conduct a new land use within a wild river corridor.

Section 1. Applicability. In accordance with KRS 146.290, a new land use activity on state-owned or private lands shall not be undertaken within a wild river corridor until the landowner has obtained a change of use permit from the office[cabinet]. This

administrative regulation applies to any landowner applying for a permit to change a land use within a wild river corridor. Nothing herein shall be construed as superseding any requirements of other office[cabinet] programs or of other state or federal agencies.

Section 2. Permit Application.

(1) A landowner desiring to commence the select cutting of timber, a resource removal or a new agricultural use on his or her property located within a wild river corridor shall apply to the office[secretary] for a change of use permit on an application form supplied by the office[cabinet].

(2) The application shall include the name, address and telephone number of the landowner and the operator of the new land use.

(3) The application for removal of a subterranean resource shall include the names and addresses of all applicable surface owners. The applicant shall notify all applicable surface owners at the time application is made for a change of use.

(4) The application shall include a land use plan to consist of:

(a) A U.S. geological survey 7.5 minute topographic map which delineates the exact location and extent of the new use and any access roads being constructed or improved to effect the new use, in relation to all surface waters within the wild river corridor.

(b) The estimated dates of initiation and completion of the new use, where applicable.

(c) An estimate of the total acreage of the new use.

(d) A description of the methods for conducting the new land use including, but not limited to, any construction, excavation, blasting or tree cutting activities.

(e) A description of best management practices for controlling soil erosion and stream sedimentation, maintaining existing water quality, handling of wastes, hazardous substances and excess rock and earth, and preventing and controlling spills and accidents.

(f) A list of herbicides, pesticides, and other chemical products to be used and the planned methods of application and control.

(g) A description of reasonable alternate locations or routes for the land use and why the proposed site was chosen.

(h) A reclamation plan and time schedule which describes procedures for revegetating the affected land, types and locations of plant species to be used, and other measures required under 400[404] KAR 4:140, Section 14.

(5) The land use plan for underground mining shall include the following additional information:

(a) A second topographic map to scale not greater than one (1) inch equal to 500 feet, prepared, certified and registered by a professional engineer in accordance with the provisions of KRS Chapter 322, which shall delineate control of all surface and groundwater drainage on the site.

(b) Specific provisions for preventing water from entering the mine and for preventing discharges from the mine during and after the mining activity.

(c) A preblasting report, signed by a professional engineer, of the potential for damage from blasting to stream hydrology, including groundwater and subsurface drainage effects, historic structures, significant geologic formations or other significant features located within a wild river corridor.

(d) A dust control plan for the mining area.

(e) Evidence that the operation will not produce or discharge acid water or acid-forming materials.

(f) A copy of the subsidence control plan.

(6) The land use plan for oil and gas production shall include a spill prevention and control countermeasure plan to prevent and control accidental discharges of hazardous substances into surface and groundwaters.

(7) The land use plan for select cutting of timber shall contain the following additional information:

(a) A logging plan or other description of the planned cutting method and procedures for transporting logs and disposing of slash.

(b) The precise location and size of the log landing area(s) and the routing of haul roads.

(c) A timber marking report conducted and signed by a professional forester, indicating species composition, number of

trees of each species, total volume and average volume per tree for each species, number of cull trees, and a description of the method used to mark the trees.

(d) A forest management plan developed by a professional forester may be submitted as part of the land use plan to waive the requirement of 400[404] KAR 4:140, Section 17(5), if it employs the selective method of cutting trees and is otherwise compatible with the purpose and intent of KRS 146.200 to 146.360.

(8) The land use plan for an agricultural use involving livestock or poultry production shall describe a system for storing and disposing of animal wastes and for excluding livestock from buffer zones.

(9) The land use plan for the construction and operation of a public access facility, boat dock, ramp or other recreational facility shall include the following additional information:

(a) Design plans, signed by a registered engineer, showing the layout of all planned facilities, including roads, parking areas, trails and buildings.

(b) Evidence that any structures which would extend into the water will not substantially impede natural stream flow.

(c) A list of all permits applied for to conduct the new land use, as required under KRS Chapter 151 and other applicable state and federal laws.

(d) A waste control and disposal plan, if applicable.

Section 3. Inspection. Within thirty (30) days following receipt of a completed permit application, office[cabinet] personnel will conduct an inspection of the site of the proposed land use change to identify and map the occurrences of significant features and other sensitive areas which may require special protective measures.

Section 4. Public Hearing.

(1) Within sixty (60) days following receipt of a completed permit application, the office[secretary], in accordance with KRS 146.290, will hold a public hearing on the application and will notify the applicant of same by certified mail, return receipt requested.

(2) Public notice of the hearing will be given according to the provisions of KRS Chapter 424 and will state the nature and location of the proposed change of use.

(3) At the hearing, any interested party may attend and be represented by counsel and shall be allowed to present evidence as to whether the proposed change of use is consistent with the wild river management plan, the purpose and intent of the Kentucky Wild Rivers Act and other applicable law. The hearing need not conform to the strict rules of evidence as practiced in the courts of the Commonwealth and shall be conducted so as to permit the full development of all relevant issues and to insure that all persons have a fair and reasonable opportunity to be heard.

(4) The hearing shall be recorded, and the application, comments received from the public, and recommendations from government agencies shall be entered into the record. The cost of transcription of the record shall be borne by any party requesting a transcript.

Section 5. Permit Application Review.

(1) The office[secretary] shall evaluate all matters on record in light of the provisions of KRS 146.290, and shall further consider:

(a) The possible effects of the proposed new use on water quality, adjacent lands, aesthetics, fish and wildlife, vegetation, geologic features, historical and archaeological sites, recreational values, and endangered and threatened species.

(b) Alternate uses to which the land could be put which would be more consistent with the purposes and intent of KRS 146.200 to KRS 146.360.

(c) Alternate locations, including any outside of the wild river corridor that may be more appropriate for the proposed land use.

(d) The extent to which the proposed change of use or an alternate use conforms to the river management plan developed pursuant to KRS 146.270.

(e) Whether the denial or the issuance of a permit is consistent with the office[s]'[cabinet's] mandate to protect the waters of the Commonwealth for the use, welfare and enjoyment of all of its

citizens, and with the rights of landowners to the beneficial use of their property.

(f) Any existing laws or administrative regulations which apply generally to the proposed change of use.

(g) Whether the proposed change of use constitutes a threat, directly or indirectly, to public health or safety.

(h) Secondary effects likely to be caused or encouraged by the proposed change of use, such as off-road vehicle use, excessive noise, soil erosion, air or water pollution and economic factors relating to costs of additional facilities or resource protection measures which may be required in the general area in the future as a result, directly or indirectly, of the proposed change of use.

(2) In accordance with KRS 146.290, a written order shall be issued by the office[secretary] within sixty (60) days following the public hearing. The order shall consist of a permit with appropriate standards attached in accordance with 400[404] KAR 4:140 if the application is approved, specify objections to the application and procedures for appeal if the permit is denied, or recommend an alternate use consistent with the Kentucky Wild Rivers Act. The order shall set forth the finding of fact and conclusion supporting the ruling. The order shall be forwarded to the applicant by certified mail, return receipt requested.

Section 6. Permit Conditions. (1) A permit to conduct a change of use will contain site-specific restrictions, terms and conditions as are appropriate to protect to the fullest extent possible the wild river area and the public trust therein, within the intent of KRS 146.220. (2) A permit will become effective on the date of issuance and will remain in effect for one (1) year, at which time the permittee shall notify the office[cabinet] in writing as to the status of the new land use. The permit may be renewed annually upon request by the permittee if the new use has remained consistent with the land use plan submitted and has complied with all permit conditions, the provisions of 400[404] KAR 4:110 to 4:140 and other applicable laws and administrative regulations.

(3) The landowner to whom a change of use permit is issued shall be held fully accountable for compliance with 400[404] KAR 4:110 to 4:140 and any additional terms and conditions imposed by the permit.

(4) The permit application and land use plan submitted shall be an instrument for adjudging compliance with the permit. Any changes in the application or land use plan shall require amendment of the permit before such changes are implemented. A permit may be revoked or restricted in the event that the application submitted is found to contain falsified or erroneous information or if conditions of the permit or any of the provisions of 400[404] KAR 4:110 to 4:140 are violated. Violations shall be subject to penalty as set forth in KRS 146.990.

(5) A change of use permit shall apply to the property for which it was granted and is transferable to any future owner of the property or interest in the property. While the permit is in effect, the permittee shall notify the office[cabinet] of any sale, lease or other transfer of interest in the property to which the change of use applies, and shall make acknowledgment of the permit a condition of the sale, lease or other transfer of interest in the property.

#### Section 7. Appeal of Office's Determination[Secretary's Order].

(1) The landowner may file a written objection to the final determination[ruling] on or before thirty (30) days of the date of its issuance. The written objection shall set forth the basis of the objection and be filed with the Docket Coordinator of the Cabinet's Office of Administrative Hearings[Division of Hearings].

(2) After filing of the written objection, an authorized agent of the office [secretary] shall meet with the landowner and attempt to reach an agreement with respect to a modification of the ruling.

(3) If no agreement is reached within sixty (60) days of filing of the written objection, the office[secretary] shall proceed pursuant to KRS 146.290.

CHARLES G. SNAVELY, Secretary

APPROVED BY AGENCY: November 6, 2018

FILED WITH LRC: November 6, 2018 at noon

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A

public hearing on this administrative regulation shall be held on December 27, 2018 at 5:00 P.M. (Eastern Time) in Training Room C of the Energy and Environment Cabinet at 300 Sower Blvd, Frankfort, Kentucky. Individuals interested in being heard at this hearing shall notify this agency five workdays prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through December 31, 2018. Send written notification of intent to attend the public hearing or written comments on the proposed administrative regulation to the contact person.

CONTACT PERSON: Michael Mullins, Regulation Coordinator, 300 Sower Blvd, Frankfort, Kentucky 40601, phone (502) 782-6720, fax (502) 564-4245, email michael.mullins@ky.gov.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Michael Mullins

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the change of use permit procedures necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them.

(b) The necessity of this administrative regulation: This administrative regulation is necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 146.270 authorizes the secretary to adopt rules and administrative regulations necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation establishes the change of use permit procedures necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250. It provides for a clear understanding of the procedures and contact with the office in regards to change of use permits.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment makes changes to the administrative regulation related to the passage of SB 129.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to comply with the reorganizational changes from SB 129.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the statute by making conforming changes related to amendments to the authorizing statutes related to the passage of SB 129.

(d) How the amendment will assist in the effective administration of the statutes: This amendment will make conforming changes to the administrative regulation to match the amendments to the authorizing statutes.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: These amendments will make conforming changes related to the amendments to the authorizing statutes. The amendments will apply to the landowners that have a wild rivers corridor on their property.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an

amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No action will need to be taken to comply with this amendment. The amendments simply makes changes to conform with the reorganization amendments from SB 129.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There are no costs associated with these amendments. The information is essentially the same except for the changing of the agency name and correcting incorrect citations.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There could be minor benefits to the entity associated with complying with this amendment. An efficiency will be realized by the agency, which could potentially result in a more efficient process to the entity identified above.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There are no costs associated with this amendment.

(b) On a continuing basis: There are no costs associated with this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding source is required to amend this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not involve any fees.

(9) TIERING: Is tiering applied? No, these amendments are strictly related to the reorganization resulting from the passage of SB 129.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Office of Kentucky Nature Preserves will be impacted and could impact local governments.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 146.485

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This amendment will not generate revenue.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This amendment will not generate revenue.

(c) How much will it cost to administer this program for the first year? This amendment will not cost the agency additional funding.

(d) How much will it cost to administer this program for subsequent years? This amendment will not cost the agency additional funding.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): There is no known effect on current revenues.

Expenditures (+/-): There is no known effect on current expenditures.

Other Explanation: There is no further explanation.

#### ENERGY AND ENVIRONMENT CABINET Office of Kentucky Nature Preserves (Amendment)

#### 400 KAR 4:140. Wild rivers change of use permit standards.

RELATES TO: KRS 146.220, 146.270, 146.280, 146.290, 146.350, 146.990, 151.140

STATUTORY AUTHORITY: KRS 146.270, 151.125, 224.01-110, 224.10-100

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.270 authorizes the secretary to adopt rules and administrative regulations as necessary for the preservation and enhancement of wild rivers as set forth in KRS 146.250, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them. In such administration primary emphasis shall be given to protecting aesthetic, scenic, historic, archaeological, and scientific features of the area. Under the provisions of KRS 146.290, the select cutting of timber, other resource removal or an agricultural use may be allowed pursuant to administrative regulations promulgated by the secretary upon the granting of a permit under the other provisions of KRS 146.200 to 146.360. KRS 146.290 requires that any permit granted to conduct a change of use shall contain such restrictions, terms and conditions as are appropriate to protect to the fullest extent possible the stream area and the public trust therein within the intent of KRS 146.220. This administrative regulation sets forth minimum performance standards for conducting a land use change in a wild river corridor as necessary to protect the scenic beauty and environmental quality.

Section 1. Applicability. This administrative regulation applies to new land uses, as defined in 400[404] KAR 4:110, within designated boundaries of a wild river corridor which require a change of use permit from the office[cabinet]. Nothing herein shall be construed as superseding any requirements of other office[cabinet] programs or of other state or federal agencies.

#### Section 2. Buffer Zones.

(1) Other than as necessary to provide river access sites authorized by the office[cabinet], a change of land use shall be located outside of buffer zones.

(2) Where the adjacent slope is less than forty (40) percent the minimum width of a buffer zone bordering streams and other surface waters shall be 100 feet as measured laterally from the bank of the stream or other surface water. Where the adjacent slope is forty (40) degrees or greater, the buffer zone width shall vary as follows:

Slope of Land (percent)	Minimum Width of Buffer Zone (feet)
40 to 49	115
50 to 59	125
60 to 69	145
70 to 79	165

(3) The boundaries of a buffer zone shall be flagged by the permittee with durable, brightly-colored material prior to the commencement of a permitted change of use.

Section 3. Extent of Disturbance. A new land use shall occupy the minimum area necessary to accomplish the intended use as specified in an approved land use plan.

#### Section 4. Water Quality.

(1) In accordance with the nondegradation provision for outstanding resource waters contained in 400[404] KAR 5:029(2)(4), background water quality of surface waters within a wild river corridor shall be maintained or enhanced.

(2) Any new discharge of a substance or combination of substances into a surface water within a wild river corridor shall maintain or enhance background water quality in the receiving stream.

(3) Water quality data shall be collected as necessary to

document maintenance of background water quality.

(4) The natural flow of water in wild rivers shall be maintained. Water withdrawals shall require a permit as provided in 400[404] KAR 4:010 and KRS 151.140, and shall not be allowed to impair existing recreational or fish and wildlife uses of the river, nor adversely impact endangered or threatened species.

#### Section 5. Erosion Control.

(1) Best management practices shall be implemented as necessary to control soil erosion and sediment wherever there is ground surface disturbance; sediment shall not be allowed to accumulate in surface waters.

(2) Temporary erosion control measures shall be immediately implemented on all disturbed areas not needed for ongoing operation until permanent control measures can be established, and shall minimally include use of one (1) or more of the following:

(a) All disturbed surfaces shall be graded, seeded, fertilized and mulched to establish complete vegetative ground cover. Native species of grasses and legumes shall be used wherever conditions allow.

(b) Sediment ponds and filters, such as baled vegetation, shall be used as necessary to trap sediment within disturbed areas. Filter fences may be used in situations where other methods may not provide adequate control.

(c) On slopes of ten (10) percent or more, diversion structures shall be installed uphill of disturbed areas as needed to divert surface run-off into vegetated areas.

(3) Vehicular traffic shall be restricted to the access roads and skid trails approved in the land use plan.

(4) Activities involving the use of heavy equipment shall be suspended during wet soil conditions, and heavy equipment shall be stored outside the corridor when not in use.

(5) During construction activities, storage and disposal of unconsolidated materials shall occur only at locations approved in the land use plan, and topsoil removed from the operation site shall be stockpiled and stabilized for use during reclamation.

(6) Intermittent streams which are tributaries of a wild river may be temporarily impounded or otherwise altered to effect a permitted use. Streambed materials shall not be moved or removed from the streambed of a permanent or intermittent stream for any purpose.

#### Section 6. Stream Crossings.

(1) Vehicular stream crossings shall be prohibited where stream bank slopes exceed ten (10) percent, or where the crossing might otherwise have an adverse impact on the stream environment.

(2) Natural drainages which are not composed substantially of rock shall be accommodated with an appropriately sized drainage relief structure, such as a culvert or temporary bridge, at the point of intersection with a road.

(a) Stream crossings shall occur only at right angles where the stream channel is most narrow and has firm, rocky banks.

(b) Relief structures for crossing a permanent stream shall minimally consist of a closed culvert designed to handle a ten (10) year, twenty-four (24) hour precipitation event, and shall be embedded in clean rock fill and covered by compacted fill to a minimum depth of one (1) foot. The bottom of culverts shall be flush with stream substrates.

(3) As required under KRS 151.250, a permit to authorize construction in a flood plain must be obtained from the office[cabinet] prior to bridge construction if the area of the watershed is one (1) square mile or greater.

#### Section 7. Access Roads.

(1) Existing roads shall be used whenever possible to minimize surface disturbance.

(2) Best management practices for road construction, adopted by reference in [404] KAR 5:200, shall be employed to the greatest extent possible during road construction and maintenance.

(3) Roads shall be routed to follow the existing land contour as closely as possible and to avoid surface waters, flood plains and any areas vital to the preservation of significant features. Except for necessary stream crossings or provision of public access to the

river, no portion of any road shall be located in a buffer zone or streambed.

(4) Roads shall not exceed a maximum grade of ten (10) percent for distances of more than 150 feet. Portions of roads on grades steeper than ten (10) percent shall be graded and surfaced with stable materials such as limestone rock, crushed gravel or other material approved in the land use plan, and shall be sufficiently durable for the anticipated volume of traffic and the size, weight, and speed of vehicles to be used. Acid or toxin-forming substances shall not be used for road surfacing.

(5) The width of a road shall be appropriate for the anticipated volume of traffic and the size, weight, and speed of vehicles to be used and shall not exceed sixteen (16) feet for single-lane traffic unless special exemption is made on the application.

(6) Vegetation shall not be cleared from an area greater than the width necessary for road and associated ditch construction. Road shoulders shall be seeded in grass cover immediately after construction is completed, and ditches shall be lined with gravel.

(7) Roads constructed to effect a permitted use shall be closed by means of a locked gate located at or near the corridor boundary whenever adverse weather or other conditions cause operation and maintenance of the permitted use to be suspended for an extended period of time.

#### Section 8. Structures.

(1) Structures permitted by the management agency shall be located either:

(a) Beyond the limit of the 100-year flood plain as determined by the office[division]; or

(b) No closer than 250 feet from the nearer bank of the wild river.

(2) Structures shall be screened by vegetation or topographic features so as not to be visible from the nearer bank of the wild river.

(3) Any new dock, boat ramp or other river access facility shall be constructed so as to minimize its intrusion into the river, if any, and shall not substantially impede natural stream flow.

(4) Best management practices for construction shall be used as necessary to control erosion and prevent sedimentation of surface waters.

#### Section 9. Control of Hazardous Substances.

(1) To the extent not inconsistent with any other applicable law, any hazardous substance used for or resulting from a new land use shall be confined to the smallest practicable area, shall be stored so as to prevent escape as a result of rain, percolation, high water or other cause, and shall be properly and legally disposed of outside of the wild river corridor.

(2) The operator shall immediately notify the office[cabinet] of any accident involving fire, personal injury, discharge or accidental bypass of any hazardous substance within a wild river corridor, and shall submit a written report to the office[cabinet] within forty-eight (48) hours of an accident event.

Section 10. Solid Waste Disposal. Scrap and waste materials used to effect a new land use shall be removed and properly disposed of outside of the corridor immediately after their use is concluded.

Section 11. Visibility. Buildings, facilities and other structures shall be made as inconspicuous as possible by painting or staining in muted tones or[and, or] by screening with native vegetation. Electric lines shall not be strung across a wild river unless no other option is available, and shall be hidden to the extent possible.

#### Section 12. Cutting of Vegetation.

(1) Any tree cutting required for a new land use, other than the permitted select cutting of timber or a new agricultural use, shall be limited to trees which interfere with the construction or operation of the permitted use, as approved in the land use plan.

(2) Burning of forest vegetation shall be prohibited unless authorized by the Division of Forestry, or the U.S. Forest Service on federal lands, for purposes of disease control or as part of a

prescribed burn and shall conform with other applicable provisions of law.

(3) Every effort shall be made to avoid unnecessary removal or trampling of vegetation within a corridor.

Section 13. Operation and Maintenance. All operation and erosion control structures and facilities shall be routinely inspected and maintained by the operator to ensure proper functioning and to prevent the accumulation or accidental discharge of hazardous substances or waste materials.

Section 14. Reclamation.

(1) The permittee shall provide written notification to the office[cabinet] immediately upon the conclusion of a new land use and shall begin implementing reclamation measures within thirty (30) days following such notifications.

(2) Reclamation shall involve restoration of all disturbed area to its predisturbance appearance and condition or an improved condition that will enhance natural and aesthetic values.

(3) Reclamation shall be completed within ninety (90) days following conclusion of the new use unless an exception is approved by the office[cabinet] before the ninety (90) day period ends.

(4) All facilities and structures installed for the new use, including temporary erosion control and drainage structures, shall be removed from the corridor, and the natural contours and drainage patterns shall be restored. Culverts and other relief structures may remain if approved by the office[cabinet] to protect the natural and aesthetic values of an area.

(5) Unless otherwise approved in the land use plan, roads constructed for the permitted use shall be reclaimed by effectively blocking the road entrance to vehicular use, removing water control devices, restoring the ground surface to its natural contours, and seeding, fertilizing and mulching the roadbed. Native species of plants approved in the land use plan shall be used wherever conditions allow, and those having wildlife value will be preferred.

(6) Tree species which existed on the site prior to the land use change shall be planted on all areas cleared of trees during the land use change.

(7) Reclamation shall be considered complete when an inspection by office[division] personnel determines that the affected site resembles, as closely as possible, the condition and appearance of the land and vegetation that existed prior to the land use change.

(8) Failure of the operator to comply with these standards shall be cause for the denial of any future permit to conduct a change of use on land within a wild river corridor involving the operator.

Section 15. Additional Standards Specific to Exploration For and Extraction Of Oil and Gas.

(1) A spill prevention and control countermeasure (SPCC) plan shall be prepared in accordance with 40 C.F.R. Part 112 and implemented before drilling begins. The SPCC plan shall contain a contingency plan for reporting and controlling accidental discharges according to 400[404] KAR 5:015.

(2) The area of disturbance at each well shall not exceed sixty (60) feet by 100 feet unless otherwise approved in the land use plan.

(3) Prior to drilling, an area forty (40) feet in diameter centered around each well shall be isolated by an earthen dike twelve (12) inches or more in height, and the enclosed ground surface shall be lined with three (3) inches or more of sorbent material.

(4) Acids and other well drilling and cleaning fluids shall be handled in accordance with Section 9 of this administrative regulation.

(5) Blowout prevention equipment shall be installed on wells during drilling.

(6) The permittee shall provide written notification to the office[division] of the planned dates for drilling to provide an opportunity for office[division] personnel to be present on-site during drilling activities.

(7) For air rotary or other dry methods of drilling, dust and other particulate matter blown from the well shall be directed away from

surface waters and stockpiled in a manner that will prevent its entry into surface waters as a result of rain, percolation, wind or other cause. Dust may be controlled by injecting water into the air stream at a rate of approximately three (3) gallons per minute. Water and other fluids used in the drilling process shall not be discharged into surface waters.

(8) Whenever drilling or production is suspended for twenty-four (24) hours or longer, all valves and blowout prevention equipment shall be closed.

(9) Storage or loadout tanks shall be equipped with an oil brine separator and a safety valve to prevent accidental overflow of oil, and all valves and other fluid controls shall be kept locked or be removed when the operator is off-site to prevent accidents due to vandalism.

(10) No produced water shall be discharged into surface or groundwaters within a wild river corridor.

(11) Storage of produced water within a wild river corridor shall be in a closed tank having a minimum thirty (30) day storage capacity to prevent accidental discharge. Fluids shall be safely removed from the tank when the tank becomes filled to no more than two-thirds (2/3) capacity and be properly disposed of.

(12) Pits constructed to temporarily hold brine or other fluids produced during drilling shall be located beyond flood plains and other areas prone to flooding, and be constructed according to 400[404] KAR 5:090, Section 9(5)(a).

(13) Disposal of produced water shall be by reinjection into a disposal well in accordance with 400[404] KAR 5:090, Section 11, and require an underground injection control permit as provided for in 40 C.F.R. 146, or shall be transported outside of the corridor and reinjected into an approved disposal well.

(14) Any pipelines leading from pumps to storage or loadout tanks shall be fitted within a second pipe or within an open culvert lined with nonpermeable material that shall act as a catch basin for any accidental discharge of oil or brine.

(15) Pipelines shall be placed as far away as possible from streams and other surface waters, shall follow an access road wherever possible, and shall not be routed across a wild river.

(16) Facilities, roads, collecting lines and other structures shall be inspected daily by the operator when wells are producing to ensure erosion control and prevent accumulations or leaks of oil, produced water or other hazardous substances.

(17) Spills or leaks of oil, produced water, or drilling or cleaning fluids shall be contained by the operator immediately upon discovery, be disposed of outside of the corridor in an approved manner within twenty-four (24) hours of discovery, and be reported to the office[cabinet] in accordance with 400[404] KAR 5:015 and 40 C.F.R. Part 110.

(18) The operator shall keep sorbent material, fire extinguishers and other firefighting tools readily accessible on the site to control fire or an accidental discharge of oil or produced water.

(19) Trailers, mobile homes or other temporary or permanent structures used to house operation personnel shall not be installed within a wild river corridor.

(20) Reclamation shall include the plugging of all wells in accordance with oil and gas regulations, and the plugging affidavit shall be submitted to the office[division].

Section 16. Additional Standards Specific to Underground Mining.

(1) No surface disturbance resulting from underground mining shall occur within the buffer zones of streams and other surface waters within a wild river corridor.

(2) Drainage from any surface disturbance resulting from underground mining shall be controlled pursuant to 405 KAR 18:060 and 18:070 following the guidelines contained in "Best Management Practices for Surface Coal Mining," published in 1984 and adopted by reference herein. Copies of this document can be obtained from the Nature Preserves Commission, 300 Sower Boulevard, Frankfort, Kentucky 40601.

(3) Mine surface entrances shall be located outside a wild river corridor wherever possible.

(4) Underground mining shall not be permitted where

subsidence or landslide cannot be adequately controlled. If subsidence or surface displacement of soil, rock or other ground material due to mining activities causes an adverse impact to the river or other surface waters within a wild river corridor, the mining operation shall be suspended until such time as the operator has corrected the damage and provided evidence that further subsidence or landslide shall not occur.

(5) A subsidence event shall be reported to the ~~office~~~~[cabinet]~~ within twenty-four (24) hours of discovery, the surface impacts of subsidence shall be corrected and the area restored to its previous condition before mining commences. The disturbed area shall be revegetated, using native grasses and legumes wherever conditions allow, and be thoroughly mulched with straw or other suitable material until a vegetative cover becomes established.

(6) In addition to the standards set forth in this administrative regulation, any roads constructed or improved to effect a mining use shall be in accordance with 405 KAR 18:230, and shall be constructed and maintained using best management practices for mining haul roads. Other transportation systems such as tramways, railroad loops or spurs shall not be allowed within a wild river corridor unless such access would cause less impact on the river environment than any alternative system.

(7) Underground development waste, spoil, coal or other hazardous substances shall be transported to proper storage and disposal areas outside of the wild river corridor, and shall otherwise be handled according to 405 KAR 18:130 and 405 KAR 18:190. No tipplis, processing or refuse areas shall be located within a wild river corridor.

(8) Mine shafts shall not be routed beneath streams and other surface waters in order to avoid subsidence and physical damage to natural surface drainage patterns.

#### Section 17. Additional Standards Specific to the Selective Cutting of Timber.

(1) Timber cutting shall follow best management practices required under the Kentucky Forest Conservation Act, KRS 149.342-.344 and the Kentucky Agriculture Water Quality Act, KRS. 224.71-100 through 224.71-140, and related practices found in the most current revision of the Kentucky Agriculture Water Quality Plan available from the Kentucky Division of Conservation~~[to the fullest extent possible the guidelines contained in "Forest Practices Guidelines for Water Quality Management," published July 1980 and adopted by reference herein. Copies of this document can be obtained from the Nature Preserves Commission,] 300 Sower Boulevard, Frankfort, Kentucky 40601.~~

(2) A professional forester shall survey and mark all trees to be cut. A minimum residual basal area of not less than sixty (60) square feet per acre shall be left standing and evenly distributed over the harvested area.

(3) The boundaries of the area to be cut shall be clearly marked using paint.

(4) Prior to cutting, all active den trees and at least three (3) mast-producing trees per acre consisting of trees in the largest size class in the stand, shall be marked and left standing.

(5) Tree cutting shall not be repeated in the permitted area at intervals of less than twenty (20) years from the date that reclamation is completed as specified in Section 14(7) of this administrative regulation, unless the landowner has submitted a timber management plan as part of the land use plan, approved by a professional forester, which recommends a shorter interval.

(6) The selective cutting of trees shall be prohibited within buffer zones except to remove diseased or insect-infested trees or those becoming uprooted due to natural causes.

(7) Construction of roads and skid trails shall occur outside of buffer zones, unless less impact would result from using an existing road in a buffer zone and be routed to follow the contours of the land.

(8) Trees used for fastening or attaching cables, guys or other equipment shall be adequately protected from possibly injury.

(9) In hilly terrain, logs shall be skidded uphill where possible, on trails designed and maintained for this purpose using best management practices, and shall not be skidded through surface waters.

(10) The amount of surface disturbance required for construction of roads, skid trails and log landings shall be kept to the minimum required for such purposes, and the area of a landing shall not exceed 6,000 feet unless an exception is approved in the land use plan.

(11) Log landings shall be located so as to minimize erosion and wherever possible be located on well-drained sites on slopes of less than ten (10) percent. Where necessary, a landing shall be protected from overland flow of water by construction of a diversion ditch on the uphill side to divert water into well-vegetated areas.

(12) Timber shall be cut as close to the ground as is reasonably practicable, with the height of the stumps not to exceed twelve (12) inches above ground on the uphill side of the tree.

(13) Trees shall be cut so as to fall away from streams and other surface waters, rock houses, historic structures and other sensitive areas identified by the ~~office~~~~[division]~~.

(14) Tree tops and other nonmarketable timber slash shall be lopped to within two (2) feet of the ground surface, or chipped and spread on disturbed areas to control erosion. Slash shall be randomly placed within a corridor.

(15) Pesticides and herbicides shall be used in accordance with the land use plan submitted as part of the permit application.

(16) Facilities for processing logs shall be located outside wild river corridor boundaries.

(17) Logging operations shall cease during wet soil conditions.

(18) At the conclusion of the land use change, log landings, skid trails and haul roads shall be reclaimed according to Section 14 of this administrative regulation.

(19) A permit to conduct select cutting of timber shall not be extended more than 180 days beyond the original permit expiration date.

#### Section 18. Additional Standards Specific to Agriculture.

(1) A new agricultural use within a wild river corridor shall follow the Kentucky Agriculture Water Quality Act, KRS. 224.71-100 through 224.71-140, and related practices found in the most current revision of the Kentucky Agriculture Water Quality Plan available from the Kentucky Division of Conservation~~[to the fullest extent possible the guidelines contained in "Best Management Practices for Agriculture," published July 1985 and adopted by reference herein. Copies of this document can be obtained from the Nature Preserves Commission,] 300 Sower Boulevard, Frankfort, Kentucky 40601.~~

(2) The removal of trees to effect a new agricultural use shall be subject to all applicable provisions of Section 17 of this administrative regulation.

(3) Where little or no vegetative ground cover exists between the proposed agricultural use and a stream or wetland, native trees and ground cover shall be planted along the banks of the surface water to create buffer zones prior to the commencement of the agricultural use. Plant species will be recommended by the ~~office~~~~[division]~~.

(4) Severely eroded, sediment-producing areas shall be properly stabilized using best management practices for critical areas prior to the commencement of a new agricultural use in an area.

(5) Conservation tillage methods shall be employed to the extent practicable on lands having slopes of ten (10) degrees or greater.

(6) A cover crop shall be planted in cultivated fields during winter and other periods when the cultivated crop does not provide adequate ground cover.

(7) Livestock shall be excluded from buffer zones by fencing or other methods.

(8) Watering areas for livestock shall be located outside of buffer zones.

(9) The number of livestock per area of pasture shall be estimated in the land use plan and shall be maintained at or below the level necessary to sustain complete ground cover.

(10) Animal wastes shall be properly stored and disposed of in a manner that will prevent their introduction into streams. Spreading of waste over fields as a disposal method shall be avoided during periods of heavy rainfall or frozen soil conditions.

(11) Any pond constructed to hold animal waste shall be located as far away as possible from streams and other surface waters, and be designed to hold the run-off from a twenty-five (25) year, twenty-four (24) hour storm event plus six (6) months of precipitation.

(12) A perennial cover crop shall be planted between trees in orchards and nurseries immediately after the nursery stock is planted.

(13) The use of pesticides and herbicides shall be restricted to those approved in the land use plan, and the use of a persistent, toxic substance shall not be approved if an equally effective, less toxic and less persistent product is available.

(14) Aerial spraying of chemicals shall not be allowed within a wild river corridor.

(15) The ~~office~~<sup>cabinet</sup> may attach additional standards to a permit authorizing an agricultural use on highly erodible lands.

#### Section 19. Additional Standards for Recreation Facilities Development.

(1) Development of commercial or private recreational facilities within a wild river corridor shall be consistent with wild river management plans, and buildings and other structures shall be located outside of buffer zones wherever possible.

(2) Recreation facilities shall be primitive in design and appearance and constructed of natural or natural-appearing materials that blend with the surroundings.

(3) Recreation facilities shall be designed so as to require minimal ground disturbance and removal of vegetation.

STATUTORY AUTHORITY: KRS 146.560(2), 146.565

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.560(2) requires the board to promulgate administrative regulations necessary for the application for funds from agencies identified in KRS 146.570, review and approval of projects and grants, and acquisition of land. This administrative regulation establishes those procedures.

**Section 1. Meetings.**

(1) Regular meetings. The board shall meet quarterly at times and places designated by the chair. The board shall provide for a yearly schedule of regular meetings pursuant to KRS 61.820.

**(2) Special meetings.**

(a) If a regular meeting is rescheduled, the board shall provide written notice of the rescheduled meeting pursuant to KRS 61.823(3) through (4).

(b) The chair or a majority of the members of the board may call a special meeting. The board shall provide written notice of a special meeting pursuant to KRS 61.823(3) through (4), unless the meeting is an emergency meeting, in which case the board shall comply with the notice requirements of KRS 61.823(5).

(3) Closed sessions. Deliberations on the future acquisition of land may be closed to the public when publicity would be likely to affect the value of the land. Sessions may also be closed to the public for any other reason permitted by KRS 61.810. The board shall meet the requirements for closed sessions set forth in KRS 61.815.

**Section 2. Quorum.**

(1) ~~Five (5)~~~~[Seven (7)]~~ members of the board shall be required to constitute a quorum of which:

(a) ~~Two (2)~~~~[Three (3)]~~ shall be members pursuant to KRS 146.560(1)(a) through (e); and

(b) ~~Three (3)~~~~[Four (4)]~~ shall be members pursuant to KRS 146.560(1)(f) through (k).

(2) The board shall act by a majority of those present at the meeting and constituting a quorum.

**Section 3. Meeting Participation.**

(1) A board member may participate in a meeting in person or by video teleconference pursuant to KRS 61.826.

(2) The designation of a board member pursuant to KRS 146.560(1)(a) through (e) shall be in writing and shall be submitted to the chair prior to the first meeting the designee attends. If the requirements of this subsection are not met, the designee shall not be permitted to vote.

**Section 4. Meeting Minutes, Annual Report.** (1) Meeting minutes. Minutes of each meeting of the board shall be prepared and ~~sent~~~~[mailed]~~ to each member of the board. Except for a closed session meeting, the minutes shall be provided to an interested party upon written request to the board in accordance with the requirements of KRS 61.872(2).

(2) Annual report. An annual report of the activities of the board for the previous year shall be prepared. This report shall include a cumulative list of all approved projects and a brief status report of ~~[all]~~ areas acquired through the Fund the previous fiscal year. The board shall submit the annual report to the Legislative Research Commission by October 1 of each year. Upon receipt of the annual report, the Legislative Research Commission may publish it in the Legislative Record or other appropriate publication.

**Section 5. Officers.** The board shall annually nominate and elect a vice-chair and a treasurer. The vice-chair shall preside over meetings in the absence of the chair. The treasurer, which shall be a member appointed pursuant to KRS 146.560(1)(f) through (k), shall monitor and report disbursements and receipts.

**Section 6. Committees.**

(1) There shall be two (2) standing committees, a projects review committee and a stewardship committee. The chair, with board approval, may also create other committees for specific purposes and a definite term.

**(2) The projects review committee:**

(a) Shall, through the administration of the office:

1. Review project applications submitted in accordance with 418 KAR 1:040;

2. Determine the compliance of an application with the four (4) priorities for acquisition set forth in KRS 146.560(2)(a) through (d);

3. Determine completeness and accuracy of an application; and

4. Prepare and submit a report of its findings to:

a. Each individual board member at least fifteen (15) days prior to a meeting at which the application will be considered by the board; and

b. The applicant;

(b) May:

1. Assist an applicant in the preparation of an application; and

2. Contact an applicant before the due date of a report to correct a minor deficiency in the application.

(3) The stewardship committee shall, through the administration of the office:

(a) Review and make recommendations to the board regarding preliminary and final RMPs; and

(b) Ensure that the management of land purchased, in whole or in part, with Fund money meets the requirements of:

1. KRS 146.550 through 146.570;

2. 418 KAR Chapter 1;

3. A written~~[memorandum of]~~ agreement between the board and a recipient of Fund money;

4. A conservation easement or deed restriction held by the Commonwealth through the board for the use and benefit of the citizens of the Commonwealth in a manner consistent with KRS 146.550 through KRS 146.570 and the purposes for which the property was acquired;~~and~~

5. The latest RMP approved by the board; and ~~[.]~~

6. Any other written restrictions, easements, or articles of dedication approved by the board.

(4) A committee shall include at least three (3) members, two (2) of whom are board members, one having been appointed to the board by the Governor of Kentucky or specified by KRS 146.560(1)(f) - (k). The chair shall appoint committee members and a committee chair, and shall be a voting ex officio member of each committee. The board member representing the office or proxy shall be an ex officio member of each committee due to the administration of the fund program by the office.

(5) A majority of the members of a committee shall constitute a quorum. A committee shall act by a majority of those present at a meeting at which a quorum is present.

(6) Committee membership shall be established at the first~~[last]~~ meeting of each fiscal~~[calendar]~~ year.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Michael Mullins

(1) Provide a brief summary of:

(a) What this administrative regulation does: KRS 146.560(2) requires the board to promulgate administrative regulations necessary for the application for funds from agencies identified in KRS 146.570, review and approval of projects and grants, and acquisition of land. This administrative regulation establishes those procedures.

(b) The necessity of this administrative regulation: This regulation is necessary to establish meeting protocols for the application of funds from agencies identified in KRS 146.570, review and approval of projects and grants, and acquisition of land.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 146.560(2) requires the board to promulgate administrative regulations necessary for the application for funds from agencies identified in KRS 146.570, review and approval of projects and grants, and acquisition of land. This administrative regulation establishes those procedures.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This regulation will assist in the effective administration of the statutes by establishing meeting protocols for the application of funds from agencies identified in KRS 146.570, review and approval of projects and grants, and acquisition of land.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment makes changes to the administrative regulation related to the passage of SB 129. It changes the definition of a quorum from seven (7) to five (5) members. It makes the Office of Kentucky Nature Preserves (OKNP) an ex-officio member due to OKNP's administrative responsibilities to the Board. It changes the committee membership from the last meeting of the fiscal year to the first meeting.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to comply with the reorganizational changes from SB 129.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the statute by making conforming changes related to amendments to the authorizing statutes related to the passage of SB 129.

(d) How the amendment will assist in the effective administration of the statutes: This amendment will make conforming changes to the administrative regulation to match the amendments to the authorizing statutes.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: These amendments will make conforming changes related to the amendments to the authorizing statutes. The amendments will apply to government agencies,

state parks, and some college and universities that manage properties funded with monies from the Heritage Land Conservation Fund.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No action will need to be taken to comply with this amendment. The amendments simply makes definitional changes to conform with the reorganization amendments from SB 129. However, reducing the number of members in the definition of quorum will make it easier to get a quorum and conduct business of the board.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There are no costs associated with these amendments. The information is essentially the same except for the changing of the agency name and the change to the definition of quorum.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There could be minor benefits to the entity associated with complying with this amendment. An efficiency benefit will be realized by the agency, which could potentially result in a more efficient process to the entity identified above.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There are no costs associated with this amendment.

(b) On a continuing basis: There are no costs associated with this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding source is required to amend this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not involve any fees.

(9) TIERING: Is tiering applied? No, these amendments are strictly related to the reorganization resulting from the passage of SB 129.

(3) Money expended by an applicant in connection with a denied application for funds, a grant, or project under this section shall not be reimbursed to the applicant.

(4) An applicant shall not supply false or misleading information to the board and shall provide to the board verification that all information in the grant application is true and accurate.

(5) Grant applicants may submit joint applications. The preliminary RMP for a joint application shall specify which entity will perform each aspect of management. Each joint applicant shall remain responsible for all aspects of management.

**Section 2. Review of Application.**

(1) After reviewing the report received from the Projects Review Committee pursuant to 418 KAR 1:020, Section 6(2)(a), each board member shall review the application package and evaluate it based on the following criteria:

(a) If the fund contains adequate money to fund the proposed project;

(b) If the proposed project meets one (1) or more of the priorities for acquisition listed in KRS 146.560(2)(a) through (d);

(c) If the proposed acquisition is one (1) of the areas referred to in KRS 146.565;

(d) The completeness and accuracy of the application package;

(e) If the preliminary RMP furthers the purposes of KRS 146.550 through 146.570;

(f) The applicant's ability to complete the acquisition and manage the land consistent with the preliminary RMP;

(g) The significance of the natural and educational resources on the project site;

(h) The prevalence of this type of project and project site in

public systems; and

(i) The threat of loss or degradation of the project site if not protected.

(2) The board:

(a) Shall approve or deny a grant application by the vote of a majority of those present at a meeting at which there is a quorum; and

(b) May amend or attach conditions to the approval of a grant application.

(3) Consideration of a grant application may be carried over from meeting to meeting and the board may decline to approve a grant application at a given meeting.

(4) The board may, itself or through the office~~[an agent]~~, verify the accuracy of the information in a grant application and make further investigation of the merits of a proposed acquisition.

(5) The board shall mail to the applicant, within fifteen (15) days of board action, written notice of the approval or denial of a grant application and, if denied, the reasons for denial.

Section 3. Agreements. Funds shall not be disbursed until the applicant has entered into a written~~[memorandum of]~~ agreement with the board that requires the applicant to comply with:

(1) The requirements of KRS 146.550 through 146.570;

(2) 418 KAR Chapter 1;

(3) The application;

(4) A conservation easement or deed restriction that pertains to the project site; and

(5) The latest RMP approved by the board.

##### 418 KAR 1:050. Procedures for acquisition of land.

RELATES TO: KRS 45.450, 146.550-146.570, 382.800-382.860

STATUTORY AUTHORITY: KRS 146.560(2), 146.565

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.560(2) requires the board to promulgate administrative regulations on acquisition of land. This administrative regulation governs the acquisition of land purchased, in whole or in part, with fund money.

Section 1. An applicant shall attempt to acquire:

(1) Land at or[a-price] below its fair market value; and

(2) Available matching funds for the purchase of land and land management from a public or private entity.

Section 2. Transfer of Funds. An expenditure approved by the board shall be disbursed[promptly] after a written agreement[~~Memorandum of Agreement~~] has been signed by the grant applicant and the board, through its chair, and all procedures in 418 KAR 1:040 and in the application have been followed.

Section 3. Deadline for Acquisition. The project site shall be acquired within two (2) years of board approval of the acquisition. If the requirements of an agreed upon MOA required by 418 KAR

1:040, Section 3, have been met, then an extension may be granted by the board upon receipt of a written request for extension.

Section 4. Verification.

(1) Within ninety (90) days of purchase, a recipient of fund money shall provide to the board, a copy of the recorded deed of conveyance for land acquired.

(2) The deed shall indicate:

(a) That it has been filed of record in the courthouse of the county where the real estate is located; and

(b) The amount of consideration paid for the real estate, in accordance with KRS 45.450.

Section 5. Deed Restriction. A state agency that has been awarded grant funds pursuant to KRS 146.570(4) shall include in all deeds conveying ownership of property to that agency, as grantee, the following language: "Grantor and grantee hereby acknowledge that a source of funding for the purchase of the property is the Kentucky Heritage Land Conservation Fund, and that as consideration for receiving said funding, Grantee, including its successors and assigns, is required to maintain the property in perpetuity in accordance with the purpose, intent and requirements of the Kentucky Heritage Land Conservation Fund set forth at KRS 146.570 and 418 KAR Chapter 1. Grantee, including its successors and assigns, further acknowledges that it is prohibited from selling, exchanging, encumbering or disposing of any interest in the property without the prior written consent of the Kentucky Heritage Land Conservation Fund, its successors and assigns, and the Kentucky Finance and Administration Cabinet, and that the Grantee, including its successors and assigns, shall ensure that any future owner of the property agrees in writing to be bound in perpetuity to the same restrictions and terms as stated herein."

Section 6. Conservation Easements.

(1) A local government, state college, state university, or LTO that has been awarded grant funds pursuant to KRS 146.570(4)(f) shall convey to the Commonwealth of Kentucky a conservation easement in perpetuity over all land acquired, in whole or in part, with fund proceeds.

(a) This conveyance shall occur simultaneously with the conveyance of the property to the applicant.

(b) The conservation easement shall meet the requirements of KRS 382.800 through 382.860 and ensure that lands acquired are maintained in perpetuity for the purposes set out in KRS 146.560.

(2) Matching funds.

(a) No later than ninety (90) days after board approval of an application from an LTO, the applicant shall deposit into a ~~designated non-lapsing escrow~~ account the matching funds required by KRS 146.560(2)(d). The board shall ~~rescind~~ deny a grant application submitted by an LTO if the LTO fails to deposit the matching funds required by KRS 146.560(2)(d) prior to acquiring the property.

(b) An LTO shall submit to the board for prior review and approval instructions for the disbursement of matching funds ~~from the escrow account~~, and shall ensure in writing that matching funds remain dedicated to the project ~~the escrow account remains open~~ until all disbursements have been made.

(c) A final report detailing each disbursement ~~from the account~~ shall be provided to the board within sixty (60) days of the final disbursement.

#### 418 KAR 1:060. Management.

RELATES TO: KRS 146.550-146.570

STATUTORY AUTHORITY: KRS 146.560(2), 146.565

NECESSITY, FUNCTION, AND CONFORMITY: KRS 146.560(2) requires the board to promulgate administrative regulations necessary for the application for funds from agencies identified in KRS 146.570, and review and approve of projects and grants. This administrative regulation establishes the procedures for management of land acquired with fund money.

Section 1. Purpose. Each recipient of fund money shall maintain in perpetuity for the purposes set forth in KRS 146.560 land acquired with fund money. Management practices shall also meet the requirements of KRS 146.550 through 146.570, this chapter, any other applicable laws of the Commonwealth, the application, any memorandum of agreement between the board and the recipient of fund money, any conservation easement or land use restrictions pertaining to the project site, and the most recent RMP approved by the board.

Section 2. Preliminary RMP. An applicant for fund money shall submit to the board a preliminary RMP simultaneously with an application submitted pursuant to 418 KAR 1:040. The applicant shall follow the preliminary RMP instructions incorporated by reference in 418 KAR 1:040, Section 4 as HL-1B and HL-1C

#### Section 3. Final RMP.

(1) A recipient of fund money shall submit to the board, within two and one-half (2 1/2) years of receipt of funding, a final RMP which is consistent with the preliminary RMP and application, and which meets the requirements of KRS 146.550 through 146.570, this chapter, any memorandum of agreement between the board and the recipient, and any conservation easement, deed restriction, or articles of dedication which pertains to the project site. The applicant shall follow the final RMP instructions incorporated by reference as Forms HL-2A and HL-2B in Section 14 of this administrative regulation.

(2) The applicant shall develop the final RMP using the findings contained in biological and archeological inventories. The board may grant an exception to the inventory requirements if the applicant demonstrates that either inventory would be nonproductive considering the conditions at the project site. The reports shall be done to the standards established by the board at the first meeting of each fiscal year.

(3) The board shall vote to accept or reject the final RMP. If it is rejected, the board shall identify the deficiencies and notify the applicant of those deficiencies. The applicant shall correct these deficiencies within sixty (60) days of notification from the board or other time deadline approved by the board.

Section 4. Land acquired, in whole or in part, with money from the fund shall be managed in accordance with the requirements of KRS 146.550 to 146.570, the most recent RMP approved by the board, any conservation easement or deed restriction pertaining to the site, any articles of dedication pertaining to the project site, and this chapter.

Section 5. Fees. (1) All fees required by KRS 61.908 shall be paid in advance and are nonrefundable.

(2) Fees shall be paid in the form of a check or money order payable to the Kentucky State Treasurer.

Section 6. Approval of Application. (1) If the applications and all required documents are in order, and if the criminal history information record review and background investigation are favorably completed, the governmental unit for whom the SLEO applicant will be employed shall notify the Department of Criminal Justice Training concerning any training the applicant needs in order to satisfy the requirements of KRS 61.906(2)(f).

(2) In notifying the Department of Criminal Justice Training, the governmental unit shall describe the training needed by the applicant. The Department of Criminal Justice Training shall schedule and conduct the training and collect the related fees as prescribed in KRS 61.908(3), (4), and (5). An applicant who has successfully completed the training previously shall not be required to repeat the course.

(3) The Department of Criminal Justice Training shall notify the governmental unit of the results of the training upon completion.

Section 7. Receipt of Defective or Falsified Application. (1) If

the application is defective or in conflict with the SLEO Act or its administrative regulations, 502 KAR Chapter 2, the cabinet shall notify the governmental unit.

(2) An application may be corrected and resubmitted at no additional cost if it is resubmitted within sixty (60) days of the date the applicant is sent notice of the deficiencies by the program administrator.

(3) An application that has been falsified or contains material omissions or contains incomplete information may be rejected and the applicant shall be prohibited from submitting an application for commission as a SLEO for one (1) year.

Section 8. The Grant of the Commission and the Required Oath of Office. (1) A commission for a special law enforcement officer shall be validated and granted as follows:

(a) If the applicant has successfully satisfied the requirements of the act and a commission has been recommended, a commission certificate and the recommendation shall be forwarded by the SLEO program administrator to the secretary or the secretary's designee for review.

(b) After the commission is issued by the secretary, or the secretary's designee a copy of the commission shall be placed in the officer's file maintained by the cabinet.

(2) The governmental unit shall be notified that the commission has been granted.

(a) One (1) of the original applications and two (2) County Clerk Oath verification forms (SLEO-6) shall be forwarded by the cabinet to the governmental unit whose property is to be protected.

(b) The governmental unit shall arrange for the appointed applicant to take the oath of office.

(3) The appointed applicant shall take:

(a) One (1) of the applications and the two (2) County Clerk Oath verification forms to the county clerk in the county where the applicant is to serve; and

(b) The constitutional oath of office within thirty (30) days after notice of appointment.

(4) The county clerk shall then:

(a) Complete and sign the clerk's attestation on both SLEO-6s;

(b) Retain the application and one (1) of the County Clerk Oath verification forms, for filing purposes in the county clerk's office; and

(c) Give the second County Clerk Oath verification form, signed by the clerk, to the applicant.

(5) The applicant shall return the second County Clerk Oath verification form, signed by the Clerk, to the governmental unit. The governmental unit shall return it to the cabinet SLEO program administrator within thirty (30) days to indicate that the oath was administered and that the application and oath verification form are filed with the county clerk.

(6) Upon receipt of the oath verification, the commission certificate shall be forwarded by the cabinet to the governmental unit whose property is to be protected.

(7) If the second County Clerk Oath verification form, signed by the clerk, is not returned within thirty (30) days, the commission shall be null and void and the applicant shall be required to repeat the application process.

(8) The applicant shall not exercise the authority of a SLEO until the governmental unit has received the commission certificate from the cabinet.

(9) The commission certificate shall be kept by the governmental unit so long as the officer is employed or until his or her authority is terminated by action of the government unit ~~or~~ the cabinet secretary or the cabinet secretary's designee.

(10) The SLEO Commissions shall be issued for a period of two (2) years if the officer continues to meet all statutory and regulatory criteria.

(11) After the governmental unit has received the SLEO commission certificate, the governmental unit shall issue an identification card which is to be carried by the SLEO officer whenever he or she is acting under the authority of KRS 61.900-61.930.

(12) The identification card shall be:

(a) Presented as requested by any duly sworn peace officer or

cabinet official;

(b) Subject to control by the cabinet; and

(c) Comply with the provisions of Section 11(5) of this administrative regulation.

Section 9. Special Provisions. (1) Special Local Peace Officers meeting the requirements of KRS 61.906(2)(f)3 may apply for commission as a SLEO in the following manner:

(a) An official for the governmental unit shall sign and submit a new set of applications with the filing fee on behalf of the applicant; and

(b) The applicant shall undergo a current background investigation.

(2) Training waiver. A SLEO applicant may apply for a training waiver by providing sufficient proof of past police experience, or military records, or examination records, that substantiates that the applicant meets the waiver requirements set forth in KRS 61.906(2)(f)2.

Section 10. Renewals. (1) A letter of intent from the governmental unit stating its request to renew a commission and two (2) complete signed and notarized SLEO Renewal Application Forms (SLEO-5) for each individual involved shall be filed with the cabinet program administrator at least sixty (60) days before the expiration date of the existing commission.

(2) The applicant for renewal shall undergo a background investigation to bring his records up-to-date.

Section 11. Governmental Units Employing SLEO Officers - Records, Reports, and Responsibility.

(1) All governmental units employing SLEO officers shall:

(a) Keep their files current as to the expiration date on each officer's commission;

(b) Keep the individual officer's commission certificates on file, to be returned to the cabinet upon termination of the officer and his authority;

(c) Provide proof to the SLEO program coordinator at the time of request for renewal that its SLEOs:

1. Are currently certified in First Aid and CPR unless this requirement is waived pursuant to Section 4(1)(g) of this administrative regulation; and

2. Have met the same marksmanship qualification required of certified peace officers in KRS 15.383; and

(d) Mail or email to the SLEO program administrator by June 30 of each year:

1. A current list of all active SLEO personnel; and

2. The number of arrests made or citations issued by the agency the previous calendar year.

(2) The unit shall post a copy of the SLEO administrative regulations, 500 KAR Chapter 2, and a copy of KRS 61.900-61.930, 61.990, and 61.991 of the SLEO Act in a conspicuous location in any office or building that is designated security headquarters for persons operating as SLEO officers.

(3) Complaints or unusual incidents involving SLEO officers shall be handled by the governmental unit whose public property is being protected by the SLEO officer involved except:

(a) The governmental unit shall notify the cabinet SLEO program administrator by:

1. Direct verbal communication within twenty-four (24) hours of any reported incident involving the misconduct or unlawful act by any of its SLEO officers; and

2. A follow-up written report to be filed with the SLEO program

**VOLUME 45, NUMBER 6 – DECEMBER 1, 2018**

administrator, within thirty (30) days of the original oral report, setting forth the details of the incident and listing any action taken by governmental unit; and

(b) If formal charges are pending, the unit or agency shall advise the SLEO program administrator as to the specific charge, trial date, and the final disposition of the charge.

(4) The unit shall issue each SLEO officer an identification card upon the individual's appointment. The identification card shall be:

(a) Encased in plastic;

(b) Billfold size (approximately two and one-fourth (2 1/4) inches by three and one-half (3 1/2) inches); and

(c) Composed as follows:

1. One (1) side containing the following language: "The holder of this card has been commissioned as a Special Law Enforcement Officer (SLEO), pursuant to KRS 61.902. As a SLEO, the holder of this card is deemed to be a peace officer within the meaning of KRS 527.020 and may exercise the powers of a peace officer in accordance with KRS 61.900 to 61.930"; and

2. The other side containing a full-faced photograph of the officer with his or her:

a. Name;

b. Identification or notation that the officer has been commissioned a "Special Law Enforcement Officer";

c. Governmental unit employing the officer;

d. Badge number, if any; and

e. Signature of the officer's chief, supervisor, or employer.

(5) The unit shall obtain and destroy the identification card from any officer whose employment is terminated.

Section 12. Violations. (1) All governmental units utilizing SLEO's shall be subject to inspection and investigation by the Cabinet as circumstances may warrant for possible violations.

(2) Violations may result in prosecution and recommendation to the secretary of the cabinet or the secretary's designee that the commission be revoked.

Section 13. Revocation or Suspension of SLEO Commissions.

(1) A SLEO may have his or her commission suspended or revoked in accordance with KRS 61.910.

(2) The program administrator shall notify the secretary or the secretary's designee of any violations of KRS 61.910, who shall send written notice of the alleged violation to the:

(a) SLEO; and

(b) Governmental unit employing the SLEO.

(3) The notice of alleged violation shall be sent to the SLEO and employing governmental unit by certified mail, return receipt requested.

(4) The SLEO may request an administrative hearing before the secretary or the secretary's designee before suspension or revocation is imposed. The request for hearing shall be in writing and shall be received by the Secretary or the secretary's designee within thirty (30) days of receipt by the SLEO of the notice of intent to seek suspension or revocation.

(5) The secretary or the secretary's designee shall suspend or revoke the commission of a SLEO who fails to request an administrative hearing within the thirty (30) day time period.

(6) All administrative hearings shall be conducted in accordance with KRS Chapter 13B.

(7) The cabinet may temporarily suspend the commission of a SLEO prior to holding a hearing pursuant to KRS Chapter 13B if the cabinet believes that the safety of the public requires that action. If a commission is temporarily suspended prior to holding a hearing pursuant to KRS Chapter 13B, the cabinet shall hold a Chapter 13B hearing not later than thirty (30) days from the date of the temporary suspension unless the SLEO requests an extension for a time certain. If the SLEO requests an extension for a time certain, then the commission shall remain suspended until the conclusion of the hearing.

(8) If a SLEO commission is suspended or revoked:

(a) The SLEO program administrator shall notify the governmental unit involved to return the commission of the SLEO officer;

(b) The governmental unit responsible for the SLEO officer

shall forward a letter to the officer stating that:

1. His or her commission has been revoked or suspended; and

2. He or she shall immediately return the SLEO identification card to the governmental unit;

(c) Upon receipt of the card, the governmental unit shall destroy it; and

(d) The program administrator shall notify the county clerk in the officer's county of jurisdiction.

Section 14. Procedures for Investigating Complaints or Unusual Incidents Involving SLEO Officers.

(1) Complaints or unusual incidents involving SLEO officers shall be handled by the governmental units whose public property is being protected by the SLEO officer involved. The governmental unit shall notify the cabinet of all incidents involving their SLEO personnel as required by Section 11(3) of this administrative regulation.

(2) The cabinet program administrator or other assigned officers may investigate any and all complaints or unusual incidents involving SLEO officers, if there is reason to believe the provisions of KRS 61.900-61.930, 61.990, 61.991, or 500 KAR Chapter 2, or other applicable laws or administrative regulations have been violated and an investigation is necessary.

(3) Any investigation conducted by the cabinet shall become part of the official record of the SLEO officer involved.

**REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT**

Contact Person: Julie Foster

(1) Provide a brief summary of:

(a) What this administrative regulation does: Provides application process for Special Law Enforcement Officers (SLEO) to protect specific public property pursuant to KRS 61.900-930.

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

The regulation further establishes the responsibilities of employing public agencies of SLEOs; renewals, suspension & revocation of SLEO commissions; and investigation of complaints or special incidents for SLEOs.

(b) The necessity of this administrative regulation: KRS 61.904 authorizes promulgation and enforcement of administrative regulations that are reasonable and necessary to carry out the provisions of KRS 61.900 to 61.930.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 61.904 authorizes regulations implementing SLEO application process. See response to a. and b.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: See response to a. and b.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: Amendment permits designee to act on behalf of the Secretary of the Justice and Public Safety Cabinet (Secretary) with regard to SLEO commissions.

(b) The necessity of the amendment to this administrative regulation: The secretary is not always available to process, approve, suspend, and revoke SLEO commissions.

(c) How the amendment conforms to the content of the authorizing statutes: KRS 61.904 permits Secretary's designee to oversee the SLEO application process.

(d) How the amendment will assist in the effective administration of the statutes: The amendment streamlines the SLEO commission process.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Capitol police, the Capital Plaza police, public school district security officers, public airport authority security officers, and the officers of the other public security forces established for the purpose of protecting specific public property.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including: Secretary's designee will be able to more quickly take action on SLEO applications.

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: The public entities and their applying employees will have to comply with the application process and other program requirements to be commissioned and renew commissions.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The fees are established by statute (KRS 61.908) and are not imposed by the regulation. There is a \$25.00 application fee to be paid to the Kentucky State Treasurer. The commissions must be renewed every two years requiring a \$25.00 fee. The \$15.00 written exam fee, \$20.00 practical exam fee, and reasonable training fees are paid by the applicant.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): They will have a commissioned officer for their public property with law enforcement authority.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The cost is part of the budget for the Justice and Public Safety Cabinet.

(b) On a continuing basis: The cost is part of the budget for the Justice and Public Safety Cabinet.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The cost is part of the budget for the Justice and Public Safety Cabinet.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: The fees are established by statute (KRS 61.908) and are not imposed by the regulation.

(8) State whether or not this administrative regulation

established any fees or directly or indirectly increased any fees: The fees are established in KRS 61.908.

(9) TIERING: Is tiering applied? No. Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals or entities regulated by it.

### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts, or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Capitol police, the Capital Plaza police, public school district security officers, public airport authority security officers, and the officers of the other public security forces established for the purpose of protecting specific public property.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 61.900-61.930

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? The fees are established by statute (KRS 61.908) and are not imposed by the regulation. There is a \$25.00 application fee to be paid to the Kentucky State Treasurer. The commissions must be renewed every two years requiring a \$25.00 fee. The total cost would depend on the number of applicants.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? The fees are established by statute (KRS 61.908) and are not imposed by the regulation. See above.

(c) How much will it cost to administer this program for the first year? The cost is part of the budget for the Justice and Public Safety Cabinet.

(d) How much will it cost to administer this program for subsequent years? The cost is part of the budget for the Justice and Public Safety Cabinet.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): 0

Expenditures (+/-): 0

Other Explanation: The fees are established by statute (KRS 61.908) and are not imposed by the regulation.

CAREY D. COCKERELL, Commissioner

APPROVED BY AGENCY: November 5, 2018

FILED WITH LRC: November 8, 2018 at 11 a.m.

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 27, 2018 at 10:00 a.m. Eastern Time, at the Department of Juvenile Justice, 1025 Capital Center Drive, Frankfort, Kentucky 40601. Individuals interested in being heard at this hearing shall notify this agency in writing by five (5) workdays prior to the hearing, of their intent to attend. If no notification of intent to attend the hearing is received by this date, the hearing may be cancelled. The hearing is open to the public. A transcript of this hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through December 31, 2018. Send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person.

CONTACT PERSON: William Codell, Assistant General Counsel, Department of Juvenile Justice, 1025 Capital Center Drive, Frankfort, Kentucky 40601, phone (502) 573-2738, fax (502) 573-0836, email [William.Codell@ky.gov](mailto:William.Codell@ky.gov).

**REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT**

Contact Person: William Codell

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation incorporates by reference the policies and procedures governing the operation of the Department of Juvenile Justice including the rights and responsibilities of the Department of Juvenile Justice employees, treatment providers, and the residential population.

(b) The necessity of this administrative regulation: To conform to the requirements of KRS 15A.065 and 15A.067, the American Correctional Association 4th Edition Standards, and the requirements of SB 200 (2014) and amendments to the Unified Juvenile Code.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The regulation governs every aspect of program services within residential programs in the Department.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: By providing clear and concise direction and information to the Department of Juvenile Justice employees and the residential population as to their duties, rights, privileges and responsibilities.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment shall bring the Department of Juvenile Justice into compliance to reflect actual practice and procedure of the agency. Policy and procedures for Department operated day treatment programs shall be removed and incorporated by reference into a New Administrative Regulation being filed by the Department in conjunction with this Amended Regulation.

(b) The necessity of the amendment to this administrative regulation: To conform to the requirements of KRS 15A.065 and

15A.067 and provide clarification to Department of Juvenile Justice employees regarding new risk assessment and needs assessment tools that have been developed by the Department. In addition, the amendment removes references in the regulation to a risk and criminogenic needs assessment tool that is no longer being used by the Department, and the amendment removes references to a Cadet Leadership and Education Program that is no longer being operated by the Department.

(c) How the amendment conforms to the content of the authorizing statutes: It permits the Commissioner or authorized representative to implement practices and procedures to ensure the safe and efficient operation of Department residential programs.

(d) How the amendment will assist in the effective administration of the statutes: By providing clear and concise direction and information to the Department of Juvenile Justice employees and the residential population as to their duties, rights, privileges and responsibilities, allowing the Department to operate more efficiently.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: approximately 453 employees of residential programs, approximately 216 youth in DJJ residential programs, and all visitors and volunteers to DJJ facilities.

(4) Provide analysis of how the entities identified in question (3) will be impacted by the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: DJJ residential programs will need to update their facility Standard Operating Procedures to comply with this amendment.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Each program will absorb the cost of updating procedures and training staff on updated policies. No monetary cost will be incurred by the youth, employees, or volunteers of the Department of Juvenile Justice.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): To ensure a clearer understanding of the policies and procedures by staff and residents, thereby impacting the security and safety of the agency and the public. Furthermore, the amendments provide clarity for staff regarding use of a new risk assessment tool that was recently developed by the Department of Juvenile Justice, and the amendments remove references to a risk and criminogenic needs assessment tool that is no longer being used by the Department.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No additional cost is projected.

(b) On a continuing basis: No additional cost is projected.

(6) What is the source of funding to be used for the implementation and enforcement of this administrative regulation: Department of Juvenile Justice General Fund and Restricted Funds if necessary. No additional funding is required, however any associated training or staff allocations will come from the Department of Juvenile Justice General Fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: None

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: None

(9) Tiering: Is tiering applied? No. Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals or entities regulated by it. Disparate treatment of any person or entity subject to this administrative regulation could raise questions of arbitrary action on the part of the agency. The "equal protection" and "due process" clauses of the Fourteenth Amendment of the U.S. Constitution may be implicated as well as the Sections 2 and 3 of the Kentucky Constitution.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts, or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? Response: Department of Juvenile Justice

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. Response: KRS 15A.065(1), KRS 15A.0652, KRS 15A.0654, KRS 15A.067, KRS 600.040, KRS 605.090, KRS 605.095, KRS 605.100, KRS 605.110(3), KRS 605.150, KRS 635.060, KRS 635.095, 635.100, 635.520, KRS 640.120, KRS 645.250

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. The revised administrative regulations will only impact the Department of Juvenile Justice.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Response: None

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Response: None

STATUTORY AUTHORITY: KRS 241.060

NECESSITY, FUNCTION, AND CONFORMITY: KRS 241.060(1) authorizes the board to promulgate administrative regulations regarding matters over which the board has jurisdiction. KRS 244.240 and 244.590 prohibit manufacturers, distributors and wholesalers from making any gift or rendering any kind of service to any retail licensee which may tend to influence the retailer to purchase the manufacturers', distributors', or wholesalers' product to the exclusion of a product sold or offered for sale by other persons. This administrative regulation establishes requirements for alcoholic product development and marketing samples.[As in any other business, it is necessary that the distillers and wholesalers of alcoholic beverages be allowed to provide samples of their products to their retailers. This administrative regulation is promulgated for that purpose and provides the permissible terms under which samples can be distributed.]

Section 1. (1) Product Samples to Retailers. Manufacturers, distributors, and wholesalers may provide free alcoholic beverage product samples to retailers under the following conditions:

(a) Samples shall be provided by an employee or agent of the manufacturer, distributor, or wholesaler. An employee or agent of a distiller, rectifier, winery, or wholesaler must hold a Kentucky special agent's or solicitor's license;

(b) Samples shall be limited to alcoholic beverage products sold or produced by the manufacturer, distributor, or wholesaler;

(c) Drink samples may be provided to a retailer's agents and employees at the retailer's premises by the employee or agent in person; and

(d) Package samples, not exceeding the following quantity limits, may be shipped to the retailer's licensed premises through a common carrier holding a Kentucky transporter's license:

1. 384 ounces of malt beverages per year;

2. Nine (9) liters of wine per year; and

3. Nine (9) liters of distilled spirits per year. [Any bottle of distilled spirits or wine used as a sample shall be so marked by affixing across the label a sticker, not readily removable, stating, "Sample - Not for Sale, (distiller's, rectifier's, winery's or wholesaler's name)."]

(2) Any alcoholic beverage container used for drink or package samples shall be so marked by affixing across the label a sticker, not readily removable, stating, "Sample - Not for Sale, (manufacturer's, distributor's, or wholesaler's name). [No representative of a distiller, rectifier, winery, or wholesaler shall have in his possession more than thirty-two (32) ounces of any brand, or more than a total of three (3) wine gallons of distilled spirits and wine of all brands at any time.]

(3) Package samples received by a retailer shall not be resold by the retailer and must be destroyed when the retailer completes its sampling of the product. [A distiller's, rectifier's, winery's or importer's representative shall obtain all samples from a wholesaler who has been designated.]

Section 2. Educational Sampling Events for Retailers. A manufacturer, distributor, or wholesaler may conduct an educational meeting and provide free samples of alcoholic beverages for the purpose of introducing new products or packaging under the following conditions:

(1) Educational meetings shall be held on licensed premises;

(2) Guests invited to attend educational meetings shall be limited to retail licensees, their employees, and agents;

(3) Only free hors d'oeuvres and drinks shall be served to invited guests;

(4) Free samples of alcoholic beverages served to invited guests shall be limited to products sold by the manufacturer, distributor, or wholesaler;

(5) Invited guests shall not take or keep any gift, favor, or alcoholic beverage packages from the premises where the educational meeting is conducted;

(6) A manufacturer, distributor or wholesaler may conduct tours of its licensed premises as part of an educational meeting held there; and

(7) A manufacturer, distributor, or wholesaler conducting the event, and the licensee of the premise where the event is held, shall be jointly and severally liable for violation(s) of the alcoholic beverage laws occurring during the event;

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Stephen Lee Walters

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation permits manufacturers, distributors, or wholesalers to market, promote and educate retailers about their alcoholic beverage products through samples.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide guidance to manufacturers, distributors, and wholesalers on how they may market, promote and educate retailers about their alcoholic beverage products through samples.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 241.060(1) authorizes the board to promulgate administrative regulations governing the licensing, supervision, and control of alcoholic beverages. KRS 244.240 and 244.590 prohibit manufacturers, distributors, and wholesalers from giving things of value to retailers to influence the licensee or cause a retailer to exclude, in whole or part, a competitors' products.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This regulation is necessary to provide objective standards for manufacturers, distributors, and wholesalers on how they may market, promote and educate retailers about their alcoholic beverage products through samples.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment changes the title of the regulation to more appropriately describe its subject matter. The amendment provides clear standards as to how solicitors of manufacturers, distributors, and wholesalers may provide product samples to retail businesses. The amendment also provides for product education events by manufacturers, distributors, and wholesalers for retailers. The consolidation of similar subjects into one regulation promotes uniformity and equal treatment of alcoholic beverage types. This amendment places all product marketing sample rules in one administrative regulation for ease of use.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to create uniformity and equal treatment for educational sampling events for all alcoholic beverage types.

(c) How the amendment conforms to the content of the authorizing statutes: KRS 241.060 entitles the board to promulgate reasonable administrative regulations governing procedures relative to the supervision and control of the use and sale of alcoholic beverages.

(d) How the amendment will assist in the effective administration of the statutes: This administrative regulation amendment allows manufacturers, distributors, and wholesalers to engage in legitimate business marketing practices without violating KRS 244.240 and KRS 244.590.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Almost all of the holders of the 16,000 plus licenses issued by the department are potentially affected by this regulation.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Because this regulation simply clarifies and consolidates existing regulations and does not make any

substantive changes, there will be no need for regulated entities or the Department to take any further action.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There are no anticipated costs associated with licensees' compliance with the amendment.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Licensees will be benefited by uniform laws and equal treatment of all alcoholic beverage types relating to how manufacturers, distributors, and wholesalers may market, promote and educate retailers about their alcoholic beverage products without violating KRS 244.240 and 244.590.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: There are no initial anticipated costs associated with the implementation of this amendment.

(b) On a continuing basis: There are no anticipated costs associated with the implementation of this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary for the implementation and enforcement of this amendment.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change, if it is an amendment: There is no anticipated increase in fees or funding necessary to amend this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation amendment does not directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? No tiering is applied because this regulation applies similarly to similarly situated licensees.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Department of Alcoholic Beverage Control as well as local alcoholic beverage control administrators.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 241.060 entitles the board to promulgate reasonable administrative regulations governing procedures relative to the supervision and control of the use and sale of alcoholic beverages.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? No revenue will be generated by this administrative regulation.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? No revenue will be generated by this administrative regulation.

(c) How much will it cost to administer this program for the first year? The cost to administer this amendment should be minimal, if any.

(d) How much will it cost to administer this program for subsequent years? The cost to administer this amendment should be minimal, if any.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Stephen Lee Walters

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation permits manufacturers, wholesalers and distributors to have limited participation in charity and non-profit events. The regulation also permits manufacturers and wholesalers of distilled spirits and wine to have limited participation in retailer sampling license events.

(b) The necessity of this administrative regulation: KRS 244.240 and 244.590 prohibit manufacturers, distributors and wholesalers from inducing or influencing retail licensees to purchase the manufacturers', distributors', or wholesalers' product to the exclusion of a competitor's product. This administrative regulation is necessary to provide objective standards whereby manufacturers, distributors and wholesalers may participate in charity, non-profit, and licensed sampling events for philanthropy and promotional purposes in a way that does not influence a retailer to exclude competitors' products.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 241.060 authorizes the board to promulgate reasonable regulations. KRS 244.240 and 244.590 provide discretion to the board to provide standards for activities that do, and do not, influence a retailer to exclude competitors' products.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation and amendment provides objective standards to manufacturers, wholesalers and distributors to alleviate concerns and competitor allegations of conduct illegal under KRS 244.240 and 244.590.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment deletes Section 1 which has been recodified in a simultaneous amendment to 804 KAR 1:070. Section 1 was unrelated to remaining sections of this regulation and caused confusion among licensees. The deleted Section 1 dealt with product marketing and prohibited consumer participation whereby the remaining Sections of this regulation involve samples to consumers. The amendment further allows manufacturers and wholesalers of distilled spirits and wine to provide limited quantities of products to retailers for sampling license events for promotional purposes.

(b) The necessity of the amendment to this administrative regulation: The title change of this administrative regulation more accurately describes the content for ease of use by licensees. The amendment reflects current board interpretation of KRS 244.240 and 244.590 for charity and non-profit events, as well as for permissible trade spending by manufacturers, wholesalers and distributors.

(c) How the amendment conforms to the content of the authorizing statutes: KRS 241.060 entitles the board to promulgate reasonable administrative regulations governing procedures relative to the supervision and control of the use and sale of alcoholic beverages. KRS 244.240 and 244.590 provide discretion to the board to provide standards for activities that do, and do not, influence a retailer to exclude competitors' products.

(d) How the amendment will assist in the effective administration of the statutes: This administrative regulation amendment will lessen licensee confusion by removing a section unrelated to consumer samples. This administrative regulation and amendment provides objective standards to manufacturers, wholesalers and distributors to alleviate concerns and competitor allegations of illegal conduct under KRS 244.240 and 244.590.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This amendment applies to more than six thousand (6,000) department licensees.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Because this regulation simply clarifies

existing language and codifies existing board interpretations, no additional steps will be required to comply with this amendment.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is no expected cost to the Department or licensee resulting from this amendment.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Licensees will have objective standards to support charities and promote products without fear of violating KRS 244.240 and 244.590.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There are no initial anticipated costs associated with the implementation of this amendment.

(b) On a continuing basis: There are no anticipated costs associated with the implementation of this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary for the implementation and enforcement of this amendment.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change, if it is an amendment: There is no anticipated increase in fees or funding necessary to enforce this amendment to the administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increased any fees: This administrative regulation amendment does not directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? Tiering is not applied because similarly situated licensees are treated similarly.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments or school districts) will be impacted by this administrative regulation? The Department of Alcoholic Beverage Control and local alcoholic beverage control administrators will be affected by this administrative regulation.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 241.060 authorizes the board to promulgate reasonable administrative regulations governing procedures relative to the supervision and control of the use and sale of alcoholic beverages.

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government.

(c) How much will it cost to administer this program for the first year? There will be no cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? The cost to administer this amendment should be minimal, if any. There will be no cost to administer this program for subsequent years.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact person: Patrick O'Connor II

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes procedures required for the payment of premium taxes owed on surplus lines transactions. Surplus lines brokers are required to file affidavits with the Department of Insurance, which are used to calculate the amount of surplus lines premium taxes owed by each broker every quarter. The Department of Insurance invoices brokers, subject to their confirmation or contest, for the quarterly taxes owed. The broker is required to remit the applicable quarterly surplus lines premium taxes to the Department within thirty days of receipt of the quarterly report. Agencies paying surplus lines premium taxes on behalf of brokers must submit payment electronically through the broker's account to ensure an accurate accounting.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to implement the required surplus lines premium tax payment procedures required by KRS 304.10-180.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation provides the procedure necessary for the assessment and collection of the statutorily required surplus lines premium tax. It also provides necessary guidance on the filing of surplus lines affidavits required by KRS 304.10-050.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation provides clear procedural guidance for filing affidavits of eligibility for export with the Department of Insurance. This administrative regulation also requires the electronic filing of affidavits and payment of premium taxes owed to assist in the Department's internal accounting and reconciliation process of taxes owed.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment to the administrative regulation provides a more efficient framework for the calculation, assessment, and collection of surplus lines premium taxes by using the department's online services. The current system allows individuals to pay in various manners causing internal accounting reconciliation difficulties. These issues necessitate the use of Department resources to submit requests to various brokers and agencies to confirm tax payments or seek additional amounts. This amendment eliminates these issues by streamlining the current system. First, the time to file affidavits required under KRS 304.10-050 is shortened from 60 and 90 days, respectively based on the domicile of the insurer, to fifteen (15) days. The time period is shortened because the affidavit requires very simple information about the transaction and can be entered into the current system immediately after a transaction is concluded. The additional time included in the previous version caused overlaps in the quarterly premium tax reporting leading to various discrepancies in the amounts owed and paid. The shortened time frame will eliminate these issues. Secondly, this amendment retains the Department's generation of a quarterly report establishing the amount of taxes owed based on the affidavits filed. The broker will be required to review and reconcile the report with their records. Thirdly, all surplus lines premium taxes will be due within thirty days of the quarterly report, which will shorten the overall period for payment of taxes that currently stands at 120 days following the end of the quarter. This shortened time frame will assist in the prompt payment of taxes owed, and relieve accounting burdens on the Department and brokers. Lastly, agencies can still pay taxes on behalf of brokers. However, in order to assist with the Department's accounting, they will have to pay electronically through the broker's account. Currently, agencies pay taxes in a lump sum without any indication as to the applicable broker. Taxes are assessed on the individual broker, so it is often impossible, without substantial follow-up, to determine the parties having paid taxes. These changes will shorten the overall time frame, simplify the entire system, and allow all parties involved to realize gains from a more efficient and expedient system.

(b) The necessity of the amendment to this administrative regulation: This amendment to the administrative regulation is necessary to correct current deficiencies in the surplus lines premium tax payment system. These deficiencies cause an unnecessary and prolonged delay in the payment of surplus lines premium taxes, general confusion in reporting obligations, and require substantial follow-up to reconcile tax payments for all parties involved. The new system will comply with the statutory requirements and reduce the amount of Department resources necessary to oversee the system.

(c) How the amendment conforms to the content of the authorizing statutes: This amendment conforms to the authorizing statutes by establishing a process that more efficiently requires the filing of affidavits, the quarterly payment of surplus premium taxes, and the submission of verified statements with the tax payments.

(d) How the amendment will assist in the effective administration of the statutes: This amendment requires electronic filing and eliminates any paper filings. The paper filings are difficult to read and lead to human errors in processing. The electronic

submissions will take advantage of an information technology system built and currently used that automatically processes affidavits and calculates the premium taxes owed. Secondly, the shortening of the time frames to submit affidavits and pay the taxes will lead to less chances of errors on transactions to be included within the quarter, and provides a more efficient, timely payment of taxes owed. Lastly, the changes for agency payments confirms the authority to submit such payments but ensures an accurate accounting occurs through the use of the individual broker account. All of these changes will improve the overall functionality of the system leading to reduced expenditures from the Department for collection, processing, and reconciliation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Registered surplus lines brokers and their agencies will be primarily impacted by the changes.

(4) Provide an analysis of how the entities identified in the previous question will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions each of the regulated entities have to take to comply with this regulation or amendment: Registered surplus lines brokers and agencies will be required to use the online process for submission of affidavits and payment of taxes. They will no longer be permitted to submit paper forms. Because all brokers are required to have an online account with the Department, the brokers will realize efficiencies in the submission of affidavits and payment of taxes. Brokers will be required to submit affidavits on a shorter period. Since the affidavits require the provision of information directly related to the transaction, they can be completed online contemporaneously with the transaction. This will essentially be the final step in the transaction process.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities: Registered surplus lines brokers will not be required to undertake any expenditures to comply with the changes in the process. Brokers already are required to obtain and use the Department's online system. In fact, brokers and agents may save money based on efficiencies gained, and the easier accounting for premium taxes owed on such transactions.

(c) As a result of compliance, what benefits will accrue to the entities: Registered surplus lines brokers and agencies will be permitted to submit all information online in the affidavit process. The Department will calculate the taxes owed, and submit a statement to the brokers of the taxes owed. The brokers will not be required to file any separate statements but simply pay or acknowledge, if no taxes are owed, the quarterly report of taxes owed generated by the Department. Additionally, the new process will eliminate all paper filings currently generated by the brokers and agencies, and any necessary subsequent communication regarding proper accounting and payment.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The system relied upon by the Department in the amendment is already built. The Department plans to fully utilize the system's capabilities. Therefore, the Department does not anticipate any initial costs for the system. The Department intends to expend some very limited resources on outreach to inform broker's of the new requirements and proactively answer questions or concerns.

(b) On a continuing basis: The Department does not anticipate any continuing costs to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The Department will use general budget funds for any costs associated with the implementation of the amended administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: An increase in fees or funding is not necessary to implement this amended administrative regulation.

(8) State whether or not this administrative regulation

established any fees or directly or indirectly increased any fees: The amended administrative regulation will not establish or increase any fees.

(9) TIERING: Is tiering applied? Tiering is not applied because the requirements apply equally to all surplus lines brokers.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Department of Insurance.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 304.10-050, KRS 304.10-170, KRS 304.10-180, and KRS 304.10-210 all require the actions included within the administrative regulation.

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? The amended administrative regulation will not generate any additional revenue. The surplus lines premium tax considered in the administrative regulation generated \$6,584,126.74 in 2017.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? The amended administrative regulation will not generate any additional revenue in subsequent years.

(c) How much will it cost to administer this program for the first year? The Department does not anticipate any administration costs due to the amended administrative regulation.

(d) How much will it cost to administer this program for subsequent years? The Department does not anticipate any administration costs in subsequent years due to the amended administrative regulation.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): Neutral.

Expenditures (+/-): Decrease.

Other Explanation: Reduction in staff time consumed by review of surplus lines filing will be significant, but no specific numbers will be available until implementation has been effective for some time.

(5) The representative of the designated hearing agency[hearing officer] may schedule a hearing and take additional evidence as is deemed necessary. Evidence shall be taken in accordance with the provisions of KRS 13B.080 and 13B.090.

Section 12. Exceptions to a Recommended Order. (1) Filing an exception to a recommended order shall be the same as filing a request for review of a local evidentiary hearing decision as established in 42 C.F.R. 431.233.

(2)(a) A party may file an exception to a recommended order in accordance with KRS 13B.110(4).

(b) If a party wishes to file an exception to the recommended order, the exception shall be filed with the Cabinet for Health and Family Services, Division of Administrative Hearings, within fifteen (15) days from the date that the recommended order is mailed.

Section 13. The Decision. With the exception of a dispute resolution regarding a utilization review denial, which shall be processed in accordance with 42 C.F.R. Part 456[906-KAR 1:080], the following provisions shall apply:

(1) After the hearing is concluded, the representative of the designated hearing agency[hearing officer] shall issue a decision in accordance with the requirements of KRS 13B.110.

(2) A decision with regard to a community spouse's income allowance shall be subject to a downward adjustment as deemed necessary by the agency as circumstances causing financial duress change or no longer exist.

(a) The resource allowance shall be subject to this adjustment with regard to a resource that is:

1. Attributed to the community spouse; and
2. Not transferred within six (6) months of the Medicaid approval date.

(b) This adjustment shall be appealable pursuant to Section 5 of this administrative regulation.

(3) A copy of the decision shall be mailed to the applicant or recipient and his representative.

(4) The decision, with respect to the issue considered, shall be final unless further appeal is initiated within twenty (20) days from the date of mailing of the decision.

Section 14[13]. Appeal from Decision of Representative of the Designated Hearing Agency [hearing officer] for an Applicant and Recipient. (1) An applicant, recipient, or his authorized representative wishing to appeal the decision of a representative of the designated hearing agency[hearing officer] shall file an appeal to the designated[an appointed] appeal board.

(2) The appeal request shall be considered timely if it is received in a local office or the central office of the designated hearing agency within twenty (20) days of the date on which the representative of the designated hearing agency's[hearing officer's] decision was mailed.

(3) If the good cause criteria established in Section 4(2) of this administrative regulation is met, an appeal request received within thirty (30) days of the representative of the designated hearing agency's[hearing officer's] decision shall be considered timely.

(4) The request shall be:

(a) Filed:

1. In writing; or
2. Verbally, if a written request is subsequently sent; and
- (b) Considered filed on the day the request is received.

(5) ~~[An applicant, recipient or authorized representative may use Form PAFS-78, Request for Hearing, Appeal or Withdrawal, to submit the written request.~~

(6) Medicaid eligibility shall continue to be denied, discontinued, patient liability increased, or Medicaid coverage reduced if the department's action is upheld by the representative of the designated hearing agency~~[hearing officer]~~.

Section 15[14]. Applicant's or Recipient's Rights Prior to an Appeal Board Consideration. (1) An appeal shall be acknowledged in writing to the applicant or recipient and his authorized representative.

(2) The acknowledgment shall offer the opportunity to file a brief or submit new and additional proof and state the tentative date on which the board shall consider the appeal.

Section 16[15]. Appeal Board Review. (1) An appeal to the appeal board shall be considered upon the records of the department and the evidence or exhibits introduced before the representative of the designated hearing agency~~[hearing officer]~~ unless the applicant, recipient, or authorized representative specifically requests permission to file additional proof or an exception to the recommended order was filed.

(2) If an appeal is being considered on the record, a party may present a written argument and at the appeal board's discretion, be allowed to present an oral argument.

(3) If needed, the appeal board may direct the taking of additional evidence to resolve the appeal.

(4) Evidence shall be taken by the appeal board after seven (7) days notice to the parties, giving them the opportunity to object to the introduction of additional evidence or to rebut or refute the additional evidence.

Section 17[16]. The Appeal Board Decision. The decision of the appeal board shall:

(1) Be duly signed by the secretary or members of the appeal board;

(2) Set forth in writing the facts on which the decision is based; and

(3) Be irrevocable in respect to the issue in the individual case unless the decision is set aside through the judicial review process pursuant to KRS 13B.140 and 13B.150.

Section 18[17]. Medicaid Case Actions Following a Decision.

(1) A Medicaid case action following a decision of a representative of the designated hearing agency~~[hearing officer]~~ or the appeal board shall be made promptly and shall include:

(a) The month of application; or

(b) If it is established that the applicant or recipient was eligible during an entire period, the month in which the incorrect action of the department adversely affected the applicant or recipient.

(2) For a reversal involving an increase in patient liability, action shall be taken to reduce the patient liability within ten (10) days of the receipt of the hearing or appeal board decision.

Section 19[18]. Medicaid Managed Care Provision of Services.

(1) A dispute resolution between a recipient and a partnership or managed behavioral health care organization shall be in accordance with KRS 211.461 through 211.466 and 42 C.F.R. Part 456[906-KAR 1:080].

(2) All other hearings or appeals relating to the Medicaid managed care provision of services shall be processed in accordance with 907 KAR 1:563.

Section 20[19]. Limitation of Fees. (1) Pursuant to KRS 205.237, the maximum fee that an attorney may charge the applicant or recipient for the representation in all categories of Medicaid shall be:

(a) Seventy-five (75) dollars for preparation and appearance at

a hearing before a hearing officer;

(b) Seventy-five (75) dollars for preparation and presentation (brief included) of an appeal to the appeal board;

(c) \$175 for preparation and presentation, including a pleading and appearance in court, of an appeal to the circuit court;

(d) \$300 for preparatory work and briefs and all other matters incident to an appeal to the Court of Appeals.

(2) Enforcement of payment of the fee shall be a matter entirely between the counsel or agent and the recipient. The fee shall not be deducted from a public assistance payment otherwise due and payable to the recipient.

Section 21[20]. Burden of Proof. The party bearing the burden of proof shall be determined in accordance with KRS 13B.090(7).~~[Section 21. Incorporation by Reference. (1) Form PAFS-78, May 1996 edition, Department of Medicaid Services, is incorporated by reference.~~

(a) What this administrative regulation does: This administrative regulation establishes the cabinet's grievance, hearing, and appeal process for matters related to Medicaid eligibility.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the cabinet's grievance, hearing, and appeal process for matters related to Medicaid eligibility.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of the authorizing statutes by establishing the cabinet's grievance, hearing, and appeal process for matters related to Medicaid eligibility.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes by establishing the cabinet's grievance, hearing, and

appeal process for matters related to Medicaid eligibility.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendments change this administrative regulation by updating the hearing and appeals process to comply with federal timeline requirements, allow for the cabinet secretary to sign final or recommended orders, allow for exceptions to a recommended order, delete a form that is no longer used, update obsolete language, and make the regulatory language consistent with the terminology of KRS Chapter 13B.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to update the appeals process to comply with federal timeline requirements, update obsolete language and make the regulatory language consistent with the terminology of KRS Chapter 13B.

(c) How the amendment conforms to the content of the authorizing statutes: This amendment conforms to the content of the authorizing statutes by updating the appeals process to comply with federal timeline requirements, updating obsolete language and making the regulatory language consistent with the terminology of KRS Chapter 13B.

(d) How the amendment will assist in the effective administration of the statutes: This amendment assists in the effective administration of the statutes by updating the appeals process to comply with federal timeline requirements, updating obsolete language and making the regulatory language consistent with the terminology of KRS Chapter 13B.

(3) List the type and number of individuals, businesses, organizations, or state and local government affected by this administrative regulation: This administrative regulation affects all current Medicaid recipients. Currently 1.2 million people within the Commonwealth are Medicaid recipients.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No action will be necessary to comply.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3). This amendment does not impose a cost on regulated entities.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3). A more timely appeals process will be implemented.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: The Department for Medicaid Services (DMS) does not anticipate any additional costs to implement this amendment.

(b) On a continuing basis: DMS does not anticipate any additional costs to implement this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The sources of revenue to be used for implementation and enforcement of this administrative regulation are federal funds authorized under Title XIX of the Social Security Act and matching funds of general fund appropriations.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: Neither an increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish or increase any fees.

(9) Tiering: Is tiering applied? Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals or entities regulated by it.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? This administrative regulation will affect each Medicaid recipient who requests appeal of an action affecting their eligibility for medical assistance.

2. Identify each state or federal regulation that requires or authorizes the action taken by the administrative regulation. This administrative regulation is authorized by KRS Chapter 13B, KRS 205.231, 205.237, and 42 C.F.R. 431.200 - 250.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This amendment will not generate revenue for state or local government during the first year of program administration.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This amendment will not generate revenue for state or local government during subsequent years of program administration.

(23)[(21)] "Time-limited benefits" means Medicaid coverage which is restricted to a specified period in time.

Section 2. Informing the Recipient of Medicaid Coverage Administrative Hearing Rights. (1) An applicant, recipient, or authorized representative shall be informed, in writing, of the applicant's or recipient's right to an administrative hearing if an adverse action is taken affecting covered services.

(2) An applicant, recipient, or authorized representative shall be informed of the method by which the applicant or recipient may obtain an administrative hearing and that the applicant or recipient

may be represented by:

(a) Legal counsel;

(b) A relative;

(c) A friend;

(d) A spokesperson not listed in paragraph (a), (b), (c), (e), or

(f) of this subsection;

(e) An authorized representative; or

(f) Himself or herself.

(3) An adverse action notice shall contain a statement of:

(a) The Medicaid adverse action;

(b) The reason for the action;

(c) The specific federal or state law or administrative regulation that supports the action; and

(d) An explanation of the circumstances under which payment for services shall be continued if an administrative hearing is requested in a timely manner pursuant to Section 5 of this administrative regulation.

Section 3. Notification Process. (1) An adverse action notice regarding an applicant or a recipient shall be mailed to the applicant, recipient, or authorized representative of the applicant or recipient using:

(a) The United States Postal Service; and

(b) A return receipt requested format.

(2) Refusal by an applicant, a recipient, or an authorized representative to confirm receipt of an adverse action notice shall be considered receipt of the adverse action notice.

Section 4. Request for an Administrative Hearing. (1) An applicant, recipient, or an authorized representative may request an administrative hearing by filing a written request with the department.

(2) If an applicant, recipient, or authorized representative requests an administrative hearing, the request shall:

(a) Be in writing and clearly specify the reason for the request;

(b) Indicate the date of service or type of service for which payments may be denied; and

(c) Be postmarked within thirty (30) calendar days from the date of the department's written notice of adverse action of:

1. Discontinuance of services;

2. Adverse determination made with regard to the PASRR requirements of 42 U.S.C. 1396r(e); or

3. Patient liability.

Section 5. Continuation of Medicaid Covered Services. (1)(a) Except as established in paragraphs (b) or (c) of this subsection or subsections (2), (3), or (4) of this section, if a request for an administrative hearing is postmarked or received within ten (10) days of the advance notice date of denial, the individual shall remain eligible for the care, program participation, or service denied until the date that the final order is rendered in accordance with Section 12[41] of this administrative regulation.

(b) The individual shall not remain eligible for the care, program participation, or service denied if:

1.a. It is determined at the administrative hearing that the sole issue is one of federal or state law or policy; and

b. The department promptly informs the individual in writing that the services shall be terminated or reduced pending the administrative hearing decision;

2. The individual's eligibility for time-limited benefits has expired; or

3. The individual receives in full the specified amount of care or number of services that were authorized by the department.

(c) Except as established in paragraph (d) of this subsection, a request for an amount of care or number of services subsequent to receiving a previously authorized amount of care or number of services in full shall not be considered a continuation of the previously authorized amount of care or number of services.

(d) The following shall qualify for continuation of services in accordance with paragraph (a) of this subsection if the care, program participation, or service was previously received by the individual within thirty (30) days of the request for continuation:

1. Denial that an individual meets patient status criteria to

qualify for nursing facility services pursuant to 907 KAR 1:022;

2. Denial that an individual meets patient status criteria to qualify for ICF IID services pursuant to 907 KAR 1:022;

3. Denial that an individual meets nursing facility level of care criteria, nursing facility patient status criteria, or ICF IID patient status criteria pursuant to 907 KAR 1:022 to qualify for 1915(c) home and community based waiver services; or

4. Denial of a 1915(c) home and community based waiver service.

(2) Subsection (1) of this section shall not apply if the Medicaid Program service has been reduced or discontinued as a result of a change in law or administrative regulation.

(3) Time-limited benefits shall not be extended based on a request for an administrative hearing.

(4) If a request for an administrative hearing is postmarked or received from a recipient within ten (10) days of the advance notice of an adverse PASRR determination made in the context of a resident review, the department shall continue to reimburse for nursing facility services until the date that the final order is rendered.

Section 6. Notice of Scheduled Hearing. (1) A scheduled administrative hearing notice shall contain:

(a) The date, time, and place of the scheduled administrative hearing; and

(b) A statement that the local Department for Community Based Services office provides information regarding the availability of free representation by legal aid or a welfare rights organization within the community.

(2) An administrative hearing shall be conducted within thirty (30) days of the date of the request for an administrative hearing unless otherwise authorized by the designated hearing agency[hearing officer].

(3) An applicant or recipient shall receive notice consistent with KRS 13B.050 including the right to:

(a) Legal counsel or other representation;

(b) Review the case record relating to the issue; and

(c) Submit additional information in support of the applicant's or recipient's claim.

(4)(a) If an administrative hearing involves medical issues, a medical assessment by an independent physician participating in the Medicaid Program shall be obtained at the department's expense if the hearing officer considers it necessary based on case record review.

(b) If an independent physician assessment at the department's expense is requested by the recipient or authorized representative and is denied by the hearing officer, notification of the reason for denial shall be established in writing.

Section 7. Conduct of an Administrative Hearing. (1) An administrative hearing shall be conducted in accordance with the requirements of KRS Chapter 13B.

(2) A hearing officer shall be impartial and shall disqualify himself or herself as required by KRS 13B.040.

(3) An administrative hearing shall be conducted in-state where the recipient or authorized representative may attend without undue inconvenience.

(4) A designated hearing agency[hearing officer] shall offer to transmit a recommended order by electronic format.

(5) If necessary to receive full information on the issue, a designated hearing agency[hearing officer] may examine each party who appears and the party's witnesses.

(6)(a) A designated hearing agency[hearing officer] may reopen the administrative hearing and take additional evidence as is deemed necessary.

(b) Evidence shall be taken in accordance with the provisions of KRS 13B.080 and 13B.090.

Section 8. Designation of Alternative Hearing Agency and Appeal Board. (1) The secretary of the cabinet may:

(a) Select a designated hearing agency; or

(b) Create a designated hearing agency.

(2) A designated hearing agency shall:

(a) Be composed of cabinet employees who shall serve as

hearing officers; and

(b) Follow all requirements established pursuant to KRS Chapter 13B.

(3) The secretary of the cabinet may:

(a) Select an appeals board; or

(b) Create an appeals board.

(4) An appeals board shall follow all requirements established pursuant to KRS Chapter 13B and KRS 194A.025.

Section 9. Withdrawal or Abandonment of Request. (1) A recipient or authorized representative:

(a) May withdraw the appeal for an administrative hearing prior to the release of the hearing officer's decision; and

(b) Shall be granted the opportunity to discuss withdrawal with the recipient's legal counsel or authorized representative prior to finalizing the action.

(2) An administrative hearing request shall be considered abandoned if the recipient or authorized representative fails without prior notification to report for the administrative hearing.

Section 10[9]. Recommended Order. (1) After an administrative hearing is concluded, the hearing officer shall issue a recommended order in accordance with KRS 13B.110.

(2)(a) A recommended order shall be issued within thirty (30) days of the administrative hearing date, except for a recommended order regarding:

1. A nursing facility level of care or patient status decision;

2. An ICF IID patient status decision;

3. A nursing facility level of care, nursing facility patient status, or ICF IID patient status decision related to 1915(c) home and community based waiver program participation; or

4. A 1915(c) home and community based waiver service.

(b) A recommended order regarding an item listed in paragraph (a) of this subsection shall be issued within fifteen (15) calendar days of the administrative hearing date.

(3)(a) A copy of the recommended order shall be:

1. Mailed to each party in accordance with KRS 13B.110(4); or

2. Sent by electronic means to any party which requests, during the administrative hearing, that the order be sent by electronic means.

(b) If requested during the administrative hearing, a copy of the recommended order shall be electronically transmitted to a site specified by the applicant or recipient on the date the recommended order is rendered.

Section 11[40]. Exceptions to a Recommended Order. (1) Filing an exception to a recommended order shall be the same as filing a request for review of a local evidentiary hearing decision as established in 42 C.F.R. 431.233.

(2)(a) A party may file an exception to a recommended order in accordance with KRS 13B.110(4).

(b) If a party wishes to file an exception to the recommended order, the exception shall be filed with the Cabinet for Health and Family Services, Division of Administrative Hearings within fifteen (15) days from the date that the recommended order is mailed.

Section 12[44]. Final Order or Review of Recommended Order. (1) The secretary of the Cabinet for Health and Family Services or other party authorized by KRS 13B.010 shall issue a final order:

(a) Within ninety (90) days from the date of the request for an administrative hearing; or

(b) As established in 42 C.F.R. 431.244(f).

(2) In accordance with 42 C.F.R. 431.233, unless a recipient requests a de novo hearing, the review of a recommended order shall consist of a cabinet level review of the record of the administrative hearing.

(b) If an exception to a recommended order was not filed, the information in the record considered in the cabinet level review or final order shall be limited to the information considered at the administrative hearing.

(c) If a recipient requests a de novo hearing, at the de novo hearing either party may offer:

1. Evidence not presented at the hearing below; and

2. The evidentiary record of the fair hearing.

Section 13[42]. Judicial Review of a Final Order. (1) A further appeal at the circuit court level may be initiated within thirty (30) days from the date of mailing of the final order in accordance with KRS 13B.140 and 13B.150.

(2) Information regarding free legal aid and welfare rights organizations may be obtained in accordance with Section 6(1)(b) of this administrative regulation.

Section 14[43]. Medicaid Case Actions Following Circuit Court Level Appeal Decision. (1) For a reversal involving a reduction of Medicaid coverage, action shall be taken to restore services within ten (10) days of the receipt of the circuit court decision.

(2) If a recipient continues to:

(a) Remain in a nursing facility or an ICF IID during the circuit court appeal process, the department shall reimburse for the nursing facility services or ICF IID services which occurred during the circuit court appeal process; or

(b) Receive a 1915(c) home and community based waiver service during the circuit court appeal process, the department shall reimburse for the service which occurred during the circuit court appeal process.

Section 15[44]. Special Procedures Relating to a Managed Care Participant. (1) For an adverse action toward an enrollee regarding a service that is within the scope of managed care, the requirements governing the MCO internal appeal process and the department's hearing process for the enrollee shall be as established in 907 KAR 17:010.

(2) For an adverse action by the department toward an enrollee regarding a service that is not within the scope of managed care, the appeals policies and requirements established in this administrative regulation shall apply.

Section 16[45]. Limitation of Fees. (1) Pursuant to KRS 205.237, the maximum fee that an attorney may charge the applicant or recipient for the representation in all categories of Medicaid shall be:

(a) Seventy-five (75) dollars for preparation and appearance at a hearing before a hearing officer;

(b) \$175 for preparation and presentation, including a pleading and appearance in court, of an appeal to the circuit court; or

(c) \$300 for preparatory work and briefs and all other matters incident to an appeal to the:

(a) Court of Appeals; or

(b) Supreme Court of Kentucky.

(2)(a) Enforcement of payment of a fee shall:

1. Not be a matter for the department or the cabinet; and

2. Be a matter between the counsel or agent and the recipient.

(b) The fee shall not be deducted from a public assistance payment otherwise due and payable to the recipient.

(3)(a) The fee limitations stated in subsection (1) of this section shall:

1. Apply to the amount an attorney may charge a recipient or applicant; and

2. Not apply to the amount an attorney may collect from another entity or person who represents the recipient or applicant in all categories of Medicaid.

(b) The amount an attorney may collect from an entity or person who is not a recipient or applicant for representing the recipient or applicant in all categories of Medicaid shall:

1. Be a matter between the attorney and other entity or person; and

2. Not be a matter that involves the department or cabinet.

Section 17[46]. A hearing or an appeal relating to a decision to reclassify or transfer a person with an intellectual disability in a state institution shall be in accordance with the requirements of KRS 210.270 and 907 KAR 1:075.

Section 18[47]. Burden of Proof. The party bearing the burden of proof shall be determined in accordance with KRS 13B.090(7).

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: The amendment does not establish or increase any fees.

(9) Tiering: Is tiering applied? Tiering was not appropriate in this administrative regulation because the administration regulation applies equally to all those individuals or entities regulated by it.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Department for Medicaid Services will be impacted by this administrative regulation.

2. Identify each state or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS Chapter 13B, KRS 194A.030(2), 194A.050(1), 205.231, 205.237, 205.520(3), 42 C.F.R. 431 Subpart E and 42 C.F.R. 483 Subpart E.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? The Department for Medicaid Services (DMS) anticipates no revenue for state or local government will result from the amendment.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent

years? DMS anticipates no revenue for state or local government will result from the amendment.

(c) How much will it cost to administer this program for the first year? DMS anticipates no cost as a result of the amendment.

(d) How much will it cost to administer this program for subsequent years? DMS anticipates no cost as a result of the amendment.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-):

Expenditures (+/-):

Other Explanation: No additional expenditures are necessary to implement this amendment.

#### FEDERAL MANDATE ANALYSIS COMPARISON

1. Federal statute or regulation constituting the federal mandate. 42 C.F.R. 431 Subpart E and 42 C.F.R. 483 Subpart E.

2. State compliance standards. KRS 205.520(3) authorizes the cabinet, by administrative regulation, to comply with a requirement that may be imposed or opportunity presented by federal law for the provision of medical assistance to Kentucky's indigent citizenry. KRS 194A.050(1) requires the cabinet secretary to "formulate, promote, establish, and execute policies, plans, and programs and shall adopt, administer, and enforce throughout the Commonwealth all applicable state laws and all administrative regulations necessary under applicable state laws to protect, develop, and maintain the health, personal dignity, integrity, and sufficiency of the individual citizens of the Commonwealth and necessary to operate the programs and fulfill the responsibilities vested in the cabinet. The secretary shall promulgate, administer, and enforce those administrative regulations necessary to implement programs mandated by federal law, or to qualify for the receipt of federal funds and necessary to cooperate with other state and federal agencies for the proper administration of the cabinet and its programs." KRS 205.237 establishes that "any individual claiming public assistance in any proceeding before the appeal board or a court may be represented by counsel; but no counsel shall either charge or receive for such service more than an amount established by the secretary by administrative regulation." KRS 205.231 establishes appeals, hearing officer and related provisions.

3. Minimum or uniform standards contained in the federal mandate. 42 C.F.R. 431, Subpart E requires the Medicaid program's hearing system to provide for a hearing before the agency or an evidentiary hearing at the local level, with a right of appeal to a state agency hearing and the hearing system must meet the due process standards established in *Goldberg v. Kelly*, 397 U.S. 254 (1970), and any additional standards specified in 42 C.F.R. 431, Subpart E. Additionally, the Medicaid program must satisfy various notice requirements, as well as hearing conduct requirements, among other related requirements.

42 C.F.R. 483, Subpart E requires the Medicaid program to provide a system for a resident of a skilled nursing facility (SNF) or a nursing facility (NF) to appeal a notice from the SNF or NF of intent to discharge or transfer the resident, and for an individual adversely affected by any pre-admission screening resident review (PASRR) determination made by the state in the context of either a preadmission screening or an annual resident review under subpart C of part 483 to appeal that determination. Additionally, the Medicaid program must provide an appeals system that meets the requirements of this 42 C.F.R. 483, Subpart E and 42 C.F.R. 431, Subpart E.

4. Will this administrative regulation impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate? This amendment does not impose stricter, than federal, requirements.

5. Justification for the imposition of the stricter standard, or additional or different responsibilities or requirements. This amendment does not impose stricter, than federal, requirements.

(3) The reason for the hearing shall be included in the hearing request.

Section 3. Timeframe for Hearing Request. (1) A written or oral request for a hearing shall be considered timely if received by the

cabinet within:

(a) Forty (40) days of the date of the advance notice of adverse action;

(b) Thirty (30) days of the notice of:

1. Denial of an application; or

2. Decrease or discontinuance of an active case; or

(c) The time period the action is pending if the hearing issue is a delay in action.

(2) If a hearing officer determines an appellant meets good cause criteria in accordance with subsection (3) of this section, the appellant may be granted up to an additional thirty (30) days to submit a hearing request.

(3) An appellant may be granted good cause by the cabinet:

(a) For:

1. A delay in requesting a hearing;

2. A delay in requesting a continuation of benefits;

3. Failure to appear for a hearing; or

4. Postponement of a scheduled hearing; and

(b) If the appellant:

1. Was away from home during the entire filing period;

2. Is unable to read or to comprehend the right to request a hearing on an adverse action notice;

3. Moved, resulting in delay in receiving or failure to receive the adverse action notice;

4. Had a household member who was seriously ill; ~~or~~

5. Was not at fault for the delay of the request, as determined by the hearing officer; or

6. Did not receive the notice.

Section 4. Continuation of Assistance Program Benefits. (1) If a hearing is requested, benefits shall remain inactive or reduced pending the issuance of a final order unless the appellant requests a continuation of benefits.

(2) Benefits shall be reinstated to the benefit level that was received prior to the adverse action being taken if the request for a continuation of benefits is received within:

(a) Ten (10) days of the date on the notice of adverse action; or

(b) Twenty (20) days of the date on the notice of adverse action or notice if the reason for delay meets the good cause criteria contained in Section 3(3) of this administrative regulation.

(3) If the program benefit has been reduced or discontinued as a result of a change in law or administrative regulation, subsection (2) of this section shall not apply.

(4) If the action taken by the agency is upheld, continued or reinstated benefits shall be:

(a) Considered overpayments as defined in KRS 205.211; and

(b) Collected in accordance with KRS 45.237.

Section 5. Hearing Notification. (1) The Division of Administrative Hearings, Families and Children Administrative Hearings Branch, shall acknowledge a hearing request.

(2) In accordance with KRS 13B.050, the notice of the hearing shall contain information regarding the:

(a) Hearing process, including the right to case record review prior to the hearing;

(b) Right to representation;

(c) Availability of free representation by legal aid or assistance from other organizations within the community; and

(d) Time and location of the hearing.

(3) The cabinet may deny or dismiss a hearing request in accordance with 45 C.F.R. 205.10(a)(5)(v).

Section 6. Withdrawal or Abandonment of Request. (1) The appellant may withdraw a hearing request prior to the:

(a) Hearing; or

(b) Final order being issued if the hearing has already been conducted.

(2) The cabinet shall consider a hearing request abandoned if the appellant or authorized representative fails to:

(a) Appear for the scheduled hearing without notifying the cabinet prior to the hearing; and

(b) Establish good cause for failure to appear, in accordance

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

with the criteria specified in Section 3(3) of this administrative regulation, within ten (10) days of the scheduled hearing date.

Section 7. Appellant's Hearing Rights. (1) In addition to the rights described in Section 5 of this administrative regulation, the appellant shall have the right to submit additional information in support of the claim.

(2) The appellant shall have the right to a medical assessment or professional evaluation at the expense of the cabinet by a source:

- (a) Not associated with the original action; and
- (b) Agreeable to both the appellant and the cabinet if:
  1. The hearing involves medical issues; and
  2. The hearing officer considers it necessary.
- (3) If a request for a medical assessment at cabinet expense is received and denied by the hearing officer, the denial shall:
  - (a) Be in writing; and
  - (b) Specify the reason for the denial.

Section 8. Postponement of a Hearing. (1) An appellant shall be entitled to a postponement of a hearing if the:

- (a) Request for the postponement is made prior to the hearing; and
  - (b) Need for the delay is due to an essential reason beyond the control of the appellant in accordance with good cause criteria contained in Section 3(3) of this administrative regulation.
- (2) The hearing officer shall decide if a hearing is postponed.
- (3) The postponement of a hearing shall not exceed thirty (30) days from the date of the request for postponement.

Section 9. Conduct of a Hearing. (1) A hearing shall be:

- (a) Scheduled by the hearing officer; and
  - (b) Conducted in accordance with KRS 13B.080 and 13B.090.
- (2) A hearing officer shall make an effort to conduct a hearing at a location within the state that is convenient for the appellant and other parties involved.
- (3) To secure all pertinent information on the issue, the hearing officer may:
- (a) Examine each party or witness who appears; and
  - (b) If necessary, collect additional evidence from a party.
- (4)(a) If consent is obtained from each party to the appeal and from each party required to testify under oath, a telephonic hearing may be conducted.
- (b) Parties to a telephonic hearing shall:
1. Submit all available documentary evidence to be used during the hearing to the hearing officer and the opposing party prior to the hearing being convened; and
  2. Within the timeframe specified by the hearing officer, mail the hearing officer and opposing party any documents or written materials that:
    - a. Are introduced as evidence into the hearing record; and
    - b. Have not been supplied to the opposing party prior to the hearing.
- (5) If evidence addressed in subsection (4)(b) of this section is not provided to the hearing officer and the opposing party, the evidence may be excluded from the hearing record.

Section 10. A Hearing Officer's[Recommended] Order. (1) After the hearing has concluded, the hearing officer shall draft an[a recommended] order in accordance with KRS 13B.110 that[, which]:

- (a) Summarizes the facts of the case;

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Persons: Elizabeth Caywood, phone: (502) 564-3703, email: [Elizabeth.Caywood@ky.gov](mailto:Elizabeth.Caywood@ky.gov); and Laura Begin

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the requirements to be followed in conducting a hearing related to the Kentucky Transitional Assistance Program (K-TAP), the Low-Income Home Energy Assistance Program (LIHEAP), the State Supplementation Program (SSP), or an applicant or a recipient of the Child Care Assistance Program (CCAP).

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the hearing requirements for multiple public assistance programs.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The administrative regulation conforms to the content of the authorizing statutes through its establishment of hearing requirements for K-TAP, LIHEAP, SSP, and CCAP applicants and recipients.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The administrative regulation currently assists in the effective administration of the statutes through its establishment of hearing requirements for multiple public assistance programs.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment to this administrative regulation improves the timeliness of these hearings through the allowance of a hearing officer's order to become a final order if there is no exception or rebuttal and through the transition of the final order process from the Appeal Board for Public Assistance to the cabinet secretary or the secretary's designee. The amendment also removes a required form providing additional flexibility on the part of an individual to file a request for hearing. In addition, the administrative regulation makes technical corrections in accordance with KRS Chapter 13A.

(b) The necessity of the amendment to this administrative regulation: The amendment to this administrative regulation is necessary to improve the timeliness of hearings, thereby preserving federal funding through the avoidance of federally imposed corrective action or federal financial penalty. In addition, the amendment is necessary to align hearing processes across public assistance programs administered by the department.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the content of the authorizing statute through its enhancement of hearings' timeliness and consistency in hearing procedures across public assistance programs administered by the department.

(d) How the amendment will assist in the effective administration of the statutes: The amendment will assist in the effective administration of the statutes through its enhancements to hearing procedures for improved timeliness and consistency.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: There is an average of 2,300 hearings for all public assistance programs, including the Supplemental Nutrition Assistance Program (SNAP), annually.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an

amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: There is no new action required on the part of individuals seeking appeals or appellants.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is no new cost for individuals seeking appeals or appellants.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Individuals seeking appeals and appellants will have greater flexibility in the means by which they can request a hearing and will benefit from enhanced timeliness and consistency across public assistance programs administered by the department.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no anticipated new cost for the administrative body to implement the regulatory amendment.

(b) On a continuing basis: There is no anticipated new cost for the administrative body to implement the regulatory amendment. The amendment is anticipated to preserve the state's federal funding for public assistance programming.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Federal funding under the Temporary Assistance for Needy Families Block Grant, the Low-Income Home Energy Assistance Block Grant, and the Child Care and Development Fund Block Grant, along with state general funds, are used for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: An increase in fees or funding will not be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish any fees or directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? Tiering is not applied, because this administrative regulation will be applied in a like manner statewide.

**921 KAR 3:050. Claims and additional administrative provisions.**

RELATES TO: 7 C.F.R. 272.1, 272.5, 272.6, 273.16, 273.17, 273.18, 26 C.F.R. 301.6402-6

STATUTORY AUTHORITY: KRS 194A.010(2), 194A.050(1), 7 C.F.R. 271.4, 273.18

NECESSITY, FUNCTION, AND CONFORMITY: KRS 194A.010(2) requires the Cabinet for Health and Family Services to administer income-supplement programs that protect, develop, preserve, and maintain families and children in the Commonwealth. KRS 194A.050(1) requires the secretary to promulgate administrative regulations necessary to implement programs mandated by federal law or to qualify for the receipt of federal funds and necessary to cooperate with other state and federal agencies for the proper administration of the cabinet and its programs. 7 C.F.R. 271.4 requires each state to administer a Supplemental Nutrition Assistance Program (SNAP). 7 C.F.R. 273.18 requires the agency administering SNAP to develop a process to establish and collect claims. This administrative regulation establishes the criteria for recipient claims, collections provisions, and additional provisions used by the cabinet in the administration of SNAP.

Section 1. Responsibility for a Claim. The following individuals shall be responsible for paying a recipient claim as defined in 921 KAR 3:010:

(1) An individual who was an adult member of the household during the time period when the overissuance or trafficking occurred;

(2) A sponsor of an alien household member if the sponsor is at fault; or

(3) A person connected to the household, such as an authorized representative, who actually traffics or otherwise causes an overissuance or trafficking.

#### Section 2. Claim Category.

(1) As specified in 921 KAR 3:010, a recipient claim shall be classified as an:

- (a) Inadvertent household error (IHE);
- (b) Agency error (AE); or
- (c) Intentional program violation (IPV).

(2) A suspected intentional program violation (SIPV) shall be:

(a) Established if fraud is suspected, but the client does not admit to committing fraud;

(b) Referred to court or an administrative hearing for a fraud determination; and

(c) Changed to an:

1. IHE category without decreasing the claim period or recalculating the claim if fraud is not substantiated; or

2. IPV category if fraud is substantiated[Until fraud is substantiated, an IPV claim shall be established as an IHE with a Suspected Intentional Program Violation (SIPV) indicator].

#### Section 3. Acting on a Change.

(1) A claim shall be established if a household:

(a) Fails to report a change in circumstance in accordance with the timeframes specified in 921 KAR 3:035; or

(b) Reports a change within the required timeframe, but the cabinet fails to act on the change within ten (10) days of the date the change is reported.

(2) The first month of overissuance, as defined in 921 KAR 3:010, shall:

(a) Be the first month that the change would have been effective had it been timely:

- 1. Reported by the household; or
- 2. Acted upon by the cabinet; and

(b) Not exceed two (2) months from the month the change in circumstance occurred.

#### Section 4. Calculating the Amount of a Recipient Claim.

(1) In accordance with 7 C.F.R. 273.18(c), unless a claim is related to trafficking, the cabinet shall:

(a) Calculate:

1. An ~~IHE or~~ AE claim back to twelve (12) months prior to when the cabinet became aware of the overissuance ~~[unless an IHE has an SIPV indicator]; and~~

2. An IHE claim back to the month the overissuance first occurred, but not more than six (6) years prior to when the cabinet became aware of the overissuance; and

3. An IPV or an SIPV claim [IHE claim with a SIPV indicator] back to the month the fraudulent act first occurred, but not more than six (6) years prior to when the cabinet became aware of the overissuance;

(b) Determine the correct amount of SNAP benefits for each month that a household received an overissuance;

(c) Not apply the earned income deduction to the portion of earned income that a household failed to report in a timely manner, as specified in Section 3 of this administrative regulation, if:

- 1. The claim is classified as an IPV, SIPV, or IHE; and
- 2. The IHE, SIPV, or IPV is the basis for the recipient claim;

(d) Subtract the correct amount of SNAP benefits from the benefits actually received and the difference shall be the amount of the overissuance; and

(e) Deduct any SNAP benefits that are designated to be expunged from a household's EBT account from the amount of overissuance:

- 1. When the recipient claim is initially calculated; and
- 2. At each subsequent expungement until the balance of the claim is paid in full.

(2) If a claim is related to trafficking, the cabinet shall calculate the value of the trafficked SNAP benefits as determined by:

- (a) An individual's admission;

(b) Adjudication; or

(c) The documentation that forms the basis for the trafficking determination.

(3) The amount of a claim may differ from a calculation obtained through the methods outlined in subsections (1) and (2) of this section if a different amount is ordered by:

(a) An administrative hearing officer or agency head in accordance with: 921 KAR 3:060 or 921 KAR 3:070; or

(b) A court.

(4) In accordance with 7 C.F.R. 273.18(e)(2), the cabinet shall not establish a recipient claim if the claim referral is seventy-five (75) dollars[\$125] or less, unless the:

(a) Household is currently participating in SNAP; ~~or~~

(b) Recipient claim was established or discovered through a quality control review; or

(c) The basis of the claim is trafficking SNAP benefits.

#### Section 5. KCD-1.

(1) A KCD-1, General Claims Notice shall serve many purposes in the administration of claims collections, including the use as:

- (a) An appointment notice;
- (b) A demand letter;
- (c) Notification of benefit reduction;
- (d) A past due notice;
- (e) A repayment agreement;
- (f) A claim adjustment notice;
- (g) A claim termination notice;
- (h) A payment receipt;
- (i) Notice of a suspended claim;
- (j) Notice of a claim being paid in full; or
- (k) Notification that a delinquent claim shall be sent to the U.S. Department of Treasury for collection.

(2) The language on the KCD-1 shall differ according to the purpose of the notice as described in subsection (1) of this section.

#### Section 6. Notification of a Claim.

(1) A household with a suspected claim shall be mailed a KCD-1 notifying the household of an appointment to:

- (a) Discuss the potential claim;
- (b) Determine the classification of the claim, as specified in Section 2 of this administrative regulation; and
- (c) Offer the recipient an opportunity to waive the administrative disqualification hearing if the claim is suspected to be an IPV.

(2) If a household requests to reschedule the appointment within ten (10) days of the date of the notice, the appointment shall be rescheduled.

(3) The cabinet shall determine the classification and the amount of the recipient claim based on the information that is available to the cabinet if the household:

- (a) Fails to attend the appointment to discuss the potential claim; and
- (b) Does not contact the cabinet to reschedule the appointment.

(4) When the cabinet determines the amount of a recipient claim, in accordance with Section 4 of this administrative regulation, collection shall be initiated and a KCD-1 shall be mailed to notify the household of the claim:

- (a) Amount;
- (b) Time period;
- (c) Reason; and
- (d) Category, as specified in Section 2 of this administrative regulation.

(5) The household shall return the KCD-1 within ten (10) days of receipt if the household chooses to:

- (a) Initiate a repayment agreement; or
- (b) Request a hearing on the claim.

#### Section 7. Collection Methods.

(1) Benefit reduction.

(a) A household that is participating in SNAP shall have payments on the claim made by reducing its monthly SNAP

benefits through benefit reduction by the following amount:

1. For an IPV claim, the amount reduced shall be the greater of twenty (20) dollars per month or twenty (20) percent of the household's monthly benefits or entitlement, unless the household agrees to a higher amount; or

2. For an IHE or AE claim, the amount reduced shall be the greater of ten (10) dollars per month or ten (10) percent of the household's monthly benefits, unless the household agrees to a higher amount.

(b) The cabinet shall not use additional collection methods against individuals in a household that is already having its benefits reduced unless the:

1. Additional payment is voluntary; or

2. Source of the payment is irregular and unexpected such as a federal or state tax refund or lottery winnings offset.

(2) A household may pay its claim using SNAP benefits from its EBT account if the household gives the cabinet permission:

(a) By completing and returning a KCD-1 or other written statement requesting this option; or

(b) Through an oral request for a one (1) time reduction and the cabinet provides the household with a receipt for the transaction within ten (10) days.

(3) If the cabinet becomes aware of expunged SNAP EBT benefits, the claim balance shall be reduced by an amount equal to the expunged benefits.

(4) During the claim establishment and collection process, the cabinet shall:

(a) Deduct the amount of an outstanding recipient claim from SNAP benefits that may be owed to a household; and

(b) Send the household a KCD-1 as notification of the adjustment.

(5) A lump sum payment on a recipient claim:

(a) Shall be accepted by the cabinet; and

(b) May be a full or partial payment.

(6) If a household is not participating in SNAP, the cabinet shall:

(a) Negotiate a repayment agreement, either orally or in writing, which includes a repayment schedule; and

(b) Employ additional collection methods if the claim becomes delinquent through the household's failure to submit a payment in accordance with the negotiated repayment agreement.

(7) In accordance with 7 C.F.R. 273.18(g), the cabinet may employ other collection methods to collect a recipient claim, such as:

(a) Referral to a public or private sector collection agency;

(b) Lottery offsets;

(c) Wage garnishment;

(d) The intercept of unemployment compensation benefits;

(e) State income tax refund intercept; or

(f) The intercept of any eligible federal payment owed the debtor through the Treasury Offset Program (TOP).

(8) The cabinet shall:

(a) Refer a recipient claim that is delinquent for 180 or more days to TOP, unless the debtor is a member of a participating household that is undergoing benefit reduction to collect a recipient claim; and

(b) Remove a recipient claim from TOP if the:

1. FNS or U.S. Department of the Treasury instructs the cabinet to withdraw a recipient claim;

2. Cabinet discovers that the debtor:

a. Is a member of a SNAP household undergoing benefit reduction; or

b. Has made an arrangement to resume payments; or

3. Claim:

a. Has been paid off;

b. Was disposed of through a hearing, termination, or compromise; or

c. Was referred to TOP in error.

#### Section 8. Delinquent Recipient Claims.

(1) In accordance with 7 C.F.R. 273.18(e)(5), a recipient claim shall be considered delinquent if:

(a) The claim has not been paid by the due date and a

satisfactory payment arrangement has not been made; or

(b) A payment arrangement has been established and a scheduled payment has not been made by the due date.

(2) The date of delinquency for a claim shall be the due date on the:

(a) Initial written notification if the claim meets the criteria of subsection (1)(a) of this section; or

(b) Missed installment payment if the claim meets the criteria of subsection (1)(b) of this section.

(3) Pursuant to 7 C.F.R. 273.18(e)(5)(ii), the claim shall remain delinquent until:

(a) Payment is received in full;

(b) Benefit reduction, as described in Section 7 of this administrative regulation, is implemented; or

(c) A satisfactory payment agreement is negotiated for a claim meeting the criteria of subsection (1)(a) of this section.

(4) A claim shall not be considered delinquent if:

(a) Another claim for the same household is currently being paid either through an installment agreement or benefit reduction; and

(b) The cabinet expects to begin collection on the claim once the prior claim is settled.

(5) If the cabinet is unable to determine delinquency status because claim collection is coordinated through the court system, a claim shall not be subject to the requirements for delinquent debts.

(6) A claim awaiting a fair hearing decision shall not be considered delinquent.

(7) If a hearing official determines that a claim does, in fact, exist against the household, the cabinet shall:

(a) Renotify the household of the claim; and

(b) Base delinquency on the due date of the subsequent notice.

(8) If a hearing official determines that a claim does not exist, the cabinet shall:

(a) Dispose of the recipient claim in accordance with Section 9(2) of this administrative regulation; and

(b) Send a KCD-1 to notify the household of the terminated claim.

#### Section 9. Compromising, Terminating, and Writing-off Claims.

(1) Except for a recipient claim that is established by a court of the appropriate jurisdiction, the cabinet may compromise a claim in accordance with 7 C.F.R. 273.18(e)(7).

(2) In accordance with 7 C.F.R. 273.18(e)(8), a claim shall be terminated and written off if:

(a) The claim:

1. Is invalid, unless it is appropriate to pursue the overissuance as a different type of claim;

2. Balance is twenty-five (25) dollars or less and the claim has been delinquent for ninety (90) days or more, unless other claims exist against the household resulting in an aggregate claim total of greater than twenty-five (25) dollars; or

3. Has been delinquent for at least three (3) years and, in accordance with 7 C.F.R. 273.18(n), cannot be pursued through TOP;

(b) All adult household members, as specified in Section 1(1) of this administrative regulation, die; or

(c) The cabinet is unable to locate the household.

#### Section 10. Restoration of Benefits.

(1) Benefits shall be restored to a household if the household has lost benefits:

(a) Due to an administrative error; or

(b) By an administrative disqualification for an IPV that is subsequently reversed.

(2) Benefits shall be restored for a period of not more than twelve (12) months from the date:

(a) The agency receives a request for restoration; or

(b) A final order is implemented, if no request for restoration is received.

(3) Benefits to be restored shall be calculated by determining the difference between what the household was entitled to receive and what the household actually received.

(4) Benefits to be restored shall be used to offset any unpaid or suspended claim that the household has.

Section 11. Disclosure of Information. The disclosure or use of information regarding SNAP participants shall be restricted to an individual who meets the criteria specified in 7 C.F.R. 272.1(c).

Section 12. Retention of Records.

(1) In accordance with 7 C.F.R. 272.1(f), the cabinet shall retain program records:

- (a) In an orderly fashion, for audit and review purposes; and
- (b) Except for records specified in subsection (2) of this section, for a period of three (3) years from the:
  - 1. Month of origin of each record; or
  - 2. Date of fiscal or administrative closure for fiscal records and accountable documents, such as claims.

(2) The cabinet shall retain records on IPV disqualifications and work violations indefinitely.

Section 13. Civil Rights Compliance. In accordance with 7 C.F.R. 272.6, the cabinet shall not discriminate in any aspect of program administration on the basis of age, race, color, sex, disability, religion, political beliefs, or national origin.

Section 14. Incorporation by Reference.

(1) "KCD-1, General Claims Notice", 1/17, is incorporated by reference.

(2) This material may be inspected, copied, or obtained, subject to applicable copyright law, at the Department for Community Based Services, 275 East Main Street, Frankfort, Kentucky 40621, Monday through Friday, 8 a.m. to 4:30 p.m.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Elizabeth Caywood or Laura Begin

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the criteria for recipient claims, collection provisions, and additional provisions used by the cabinet in the administration of the Supplemental Nutrition Assistance Program (SNAP).

(b) The necessity of this administrative regulation:

This administrative regulation is necessary to establish criteria for recipient claims, collections, and additional administrative

provisions used by the cabinet for SNAP.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the authorizing statutes by establishing criteria for recipient claims, collections, and additional cabinet administrative provisions for SNAP.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes by establishing the criteria for recipient claims, collections, and additional administrative provisions used by the cabinet in the administration of SNAP.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment to the administrative regulation will allow for a six (6) year look-back period for SNAP overpayments as result of household errors and suspected fraud. In addition, the amendment lowers the monetary threshold used in the establishment of a claim from \$125 to seventy-five (75) dollars. Other technical corrections were made in accordance with KRS Chapter 13A.

(b) The necessity of the amendment to this administrative regulation: The amendment to this administrative regulation is necessary to improve claim collections for overpayments and fraud in SNAP, thereby supporting program integrity.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the authorizing statutes through its enhancement of claim, collection, and additional administrative provisions used by the cabinet in SNAP.

(d) How the amendment will assist in the effective administration of the statutes: The amendment assists in the effective administration of the statutes through its clarification of claim types, collection, and other administrative provisions used by the cabinet in SNAP.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: As of May 2018, there were 596,498 individuals comprising 273,621 households receiving SNAP benefits through the cabinet. At the end of June, there were nearly 62,000 active claims.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

This amendment will require no new action on the part of SNAP applicants or recipients.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The additional look-back period and lower dollar threshold will amount to more and higher claims established against qualifying SNAP households.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): As a result of this amendment, household errors will be further discouraged, and SNAP's programmatic integrity will be preserved.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The amendment to this administrative regulation will result in additional administrative burden in the calculation of claims; however, the burden is anticipated to be absorbable within existing appropriations.

(b) On a continuing basis: The amendment to this administrative regulation is anticipated to be absorbable within existing appropriations.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: SNAP benefits are 100% federally funded. Administrative functions are funded at a 50% state and 50% federal match rate. The funding has been appropriated in the enacted budget.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: There is no increase in fees or funding required to implement this administrative regulation amendment.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish any fees or directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? Tiering is not applied, because this administrative regulation will be applied in a like manner statewide.

#### FEDERAL MANDATE ANALYSIS COMPARISON

1. Federal statute or regulation constituting the federal mandate. 7 C.F.R. 271.4, 273.18
2. State compliance standards. KRS 194A.010, 194A.050
3. Minimum or uniform standards contained in the federal mandate. 7 C.F.R. 271.4, 273.18
4. Will this administrative regulation impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate? This administrative regulation does not impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate.
5. Justification for the imposition of the stricter standard, or additional or different responsibilities or requirements. This administrative regulation does not impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts, or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Cabinet for Health and Family Services will be impacted by this administrative regulation.
2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 194A.010, KRS 194A.050, 7 C.F.R. 271.4, 273.18
3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.
  - (a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government during the first year.
  - (b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government in subsequent years.
  - (c) How much will it cost to administer this program for the first year? No new or additional costs are necessary to administer this program in the first year.
  - (d) How much will it cost to administer this program for subsequent years? No new or additional costs are necessary to administer this program in any subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### 921 KAR 3:060. Administrative disqualification hearings and penalties.

RELATES TO: KRS Chapter 13B, 205.231, 7 C.F.R. 273.15, 273.17, 7 U.S.C. 2015

STATUTORY AUTHORITY: KRS 13B.170, 194A.010(2), 194A.050(1), 7 C.F.R. 271.4, 273.16

NECESSITY, FUNCTION, AND CONFORMITY: KRS 194A.010(2) requires the Cabinet for Health and Family Services to administer income-supplement programs that protect, develop, preserve, and maintain families and children in the Commonwealth. KRS 194A.050(1) requires the secretary to promulgate administrative regulations necessary to implement programs mandated by federal law or to qualify for the receipt of federal funds and necessary to cooperate with other state and federal agencies for the proper administration of the cabinet and its programs. 7 C.F.R. 271.4 requires each state to administer a Supplemental Nutrition Assistance Program (SNAP). 7 C.F.R. 273.16 requires the agency administering SNAP to provide a hearing process for individuals accused of intentionally violating a SNAP regulation and to implement penalties and disqualifications for these violations. KRS 13B.170 authorizes the cabinet to promulgate administrative regulations that are necessary to carry out the hearing process to be followed in the Commonwealth. This administrative regulation establishes the procedures used by the cabinet in determining if an intentional program violation (IPV) has occurred and the penalties that shall be applied for an IPV.

Section 1. Administrative Disqualification Hearings. (1) Unless a different procedure is specified in this administrative regulation, an administrative disqualification hearing shall:

- (a) Be conducted in accordance with 921 KAR 3:070 and KRS Chapter 13B; and
- (b) Include the issuance of an order in accordance with the Correspondence from the Office of the Attorney General dated April 5, 2012.
- (2) The cabinet shall retain:
  - (a) The official record of an administrative disqualification hearing until all appeals have been exhausted; and
  - (b) A case record with an IPV disqualification indefinitely.

Section 2. Intentional Program Violations. (1) If the cabinet suspects that an individual committed an IPV, as defined in 921 KAR 3:010, the cabinet shall:

- (a) Initiate an administrative disqualification hearing; or
- (b) If warranted by the facts of the case, refer the suspected IPV claim to the Office of the Inspector General (OIG) for investigation or referral for prosecution.
- (2) An administrative disqualification hearing may be initiated regardless of the current eligibility of an individual.
- (3) If the OIG determines that the IPV does not warrant investigation or referral for prosecution, the cabinet shall initiate an administrative disqualification hearing as specified in this administrative regulation.

Section 3. Notification. (1) Form FS-80, Notice of SNAP Suspected Intentional Program Violation, shall serve as the notification to a household of the:

- (a) Cabinet's suspicion that an IPV has been committed;
- (b) Amount and period of the overpayment for the suspected IPV; and
- (c) Household's right to an administrative disqualification hearing.
- (2) The cabinet shall provide an individual suspected of an IPV a Form FS-80, Supplement A, Voluntary Waiver of SNAP Administrative Disqualification Hearing, which allows the individual to waive the right to an administrative disqualification hearing, with or without admitting an IPV was committed.

(3) If the household does not return the FS-80 Supplement A, the cabinet shall schedule an administrative disqualification hearing in accordance with 7 C.F.R. 273.16(e)(3) and (4).

(4) ~~The cabinet shall use:~~

~~(a) The FS-80, 4/15, and the FS-80, Supplement A, 9/14; or~~

~~(b) On or after December 28, 2015, the FS-80, 12/15, and the FS-80, Supplement A, 12/15.~~

(5) In accordance with KRS 13B.050, the administrative disqualification hearing notice shall be sent:

(a) By certified mail, return receipt requested, to the individual; or

(b) By another method, such as electronic or first class mail, if the individual waives his or her right to certified mail delivery under KRS 13B.050.

(6) The administrative disqualification hearing notice shall provide information as specified in 7 C.F.R. 273.16(e)(3)(iii).

(7) In accordance with 7 C.F.R. 273.16(e)(2)(iii), the hearing officer shall advise the household member or representative that they may refuse to answer questions during the hearing.

(8) The cabinet shall provide a household notice regarding the IPV determination in accordance with 7 C.F.R. 273.16(e)(9) and KRS 13B.120.

Section 4. Timeframes. (1) Within the ninety (90) day timeframe specified in 7 C.F.R. 273.16(e)(2)(iv), the cabinet shall:

(a) Conduct an administrative disqualification hearing; and

(b) Issue a final order pursuant to the provisions established in 921 KAR 3:070, Section 14.

(2) In accordance with 7 C.F.R. 273.16(e)(2)(iv), a hearing may be postponed:

(a) One (1) time; and

(b) For no more than thirty (30) days.

(3) If a hearing is postponed, the time limit specified in subsection (1) of this section shall be extended for as many days as the hearing is postponed.

Section 5. Hearing Attendance. (1) An administrative disqualification hearing shall be conducted in accordance with 7 C.F.R. 273.16(e)(4).

(2) If a household member or representative cannot be located or does not appear for the administrative disqualification hearing, the hearing officer shall:

(a) Conduct the hearing without the household member or representative;

(b) Consider the evidence; and

(c) Determine whether an intentional program violation was committed based on clear and convincing evidence.

(3) In accordance with 7 C.F.R. 273.16(e)(4), the cabinet shall rescind a determination of an intentional program violation and conduct a new hearing upon an order of finding if the:

(a) Household was not represented at the hearing;

(b) Individual was determined to have committed an IPV;

(c) 1. Individual, within ten (10) days of the scheduled hearing, establishes good cause for failure to appear in accordance with 921 KAR 3:070, Section 8(2); or

2. Individual, within thirty (30) days after the date of the notice, establishes good cause for failure to appear in accordance with 921 KAR 3:070, Section 8(2)(f), by showing nonreceipt of the notice of hearing; and

(d) ~~Secretary or the secretary's designee~~ ~~[Appeal Board for Public Assistance]~~ is not considering the same matter.

Section 6. Benefits and Participation. (1) In accordance with 7 C.F.R. 273.16(e)(5), the participation of a household suspected of an IPV shall not be affected by the suspected IPV until a disqualification is implemented based on the:

(a) IPV being substantiated by the final order or a court of appropriate jurisdiction;

(b) Individual waiving the right to an administrative disqualification hearing by completing, signing, and returning the FS-80, Supplement A; or

(c) Individual completing, signing, and returning the form FS-111, Deferred Adjudication Disqualification Consent Agreement,

pursuant to Section 7 of this administrative regulation.

(2) If the cabinet's determination of an IPV is later reversed, the cabinet shall:

(a) Reinstate the individual, if eligible; and

(b) In accordance with 7 C.F.R. 273.17, restore benefits:

1. That were lost as a result of the disqualification; and

2. For no more than twelve (12) months.

Section 7. Deferred Adjudication. (1) The cabinet shall accept a completed form FS-111, Deferred Adjudication Disqualification Consent Agreement, in a case of deferred adjudication pursuant to 7 C.F.R. 273.16(h).

(2) In accordance with 7 C.F.R. 273.16(h), the cabinet shall notify an individual signing a FS-111 of the:

(a) Consequences of consenting to disqualification;

(b) Disqualification; and

(c) Effective date of the disqualification.

Section 8. Penalties. (1) In accordance with 7 C.F.R. 273.16(b), an individual shall be ineligible to participate in SNAP, if the individual has:

(a) Committed an IPV, as determined by:

1. An administrative disqualification hearing; or

2. A court; or

(b) Signed a waiver of right to an administrative disqualification hearing or a disqualification consent agreement.

(2) The time periods for IPV disqualifications shall be implemented in accordance with 7 C.F.R. 273.16(b).

(3) In accordance with 7 C.F.R. 273.16(b)(11), the cabinet shall only disqualify the individual who meets the criteria specified in subsection (1) of this section, not the entire household.

(4) In accordance with 7 C.F.R. 273.16(b)(12), the cabinet shall hold the entire household responsible for making restitution on an overpayment, not just the disqualified individual.

(5) The cabinet shall inform the household in writing of the disqualification penalties for committing an IPV each time the household applies for benefits.

Section 9. Procedures for Appeal. In accordance with 7 C.F.R. 273.16(e)(8)(ii):

(1) Further administrative appeal procedures shall not exist after an:

(a) Administrative disqualification hearing determines that an IPV was committed; or

(b) Individual waives the right to an administrative disqualification hearing;

(2) A cabinet determination of an IPV shall not be reversed by a final order from a subsequent fair hearing; and

(3) An individual determined to have committed an IPV may seek relief in a court having appropriate jurisdiction pursuant to KRS 13B.140.

Contact Persons: Elizabeth Caywood, Phone: (502) 564-3703, Email: [Elizabeth.Caywood@ky.gov](mailto:Elizabeth.Caywood@ky.gov); and Laura Begin

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the procedures used by the cabinet in determining if an intentional program violation (IPV) has occurred in the Supplemental Nutrition Assistance Program (SNAP) and the penalties that shall be applied for an IPV.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish procedures for determinations and penalties regarding SNAP IPV.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of the authorizing statutes through its establishment of procedures and penalties for SNAP IPV.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes through its establishment of SNAP IPV procedures and penalties.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment to this administrative regulation will facilitate the transition of final orders from the Appeal Board for Public Assistance to the secretary or the secretary's designee. In addition, the amendment makes technical corrections in accordance with KRS Chapter 13A.

(b) The necessity of the amendment to this administrative regulation: The amendment to this administrative regulation is necessary to improve the timeliness of administrative hearings provided in SNAP, thereby avoiding federal corrective action, federal financial penalty, and hardship on appellants.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment conforms to the content of the authorizing statutes through its improvement and support of timely SNAP administrative hearings.

(d) How the amendment will assist in the effective administration of the statutes: The amendment will assist in the effective administration of the statutes through its facilitation of more timely SNAP hearings and congruency with hearings conducted for other public assistance programs administered by the department.

(3) List the type and number of individuals, businesses,

organizations, or state and local governments affected by this administrative regulation: There are approximately 1200 to 1300 administrative disqualification hearings conducted yearly.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No additional action is required on the part of appellants.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is no anticipated new cost for appellants.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): The amendment to this administrative regulation will improve the timeliness of administrative hearings, thereby provisioning the appellant with a more timely decision on their case.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no anticipated new cost for the administrative body to implement the regulatory amendment.

(b) On a continuing basis: There is no anticipated new cost for the administrative body to implement the regulatory amendment. The amendment is anticipated to preserve the state's federal SNAP funding.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Federal SNAP and state general funds are used for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: An increase in fees or funding will not be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish any fees or directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? Tiering is not applied, because this administrative regulation will be applied in a like manner statewide.

**921 KAR 3:070. Fair hearings.**

RELATES TO: KRS Chapter 13B, 23A.010, 45.237, 205.231, 7 C.F.R. 273.15

STATUTORY AUTHORITY: KRS 13B.170, 194A.010(2), 194A.050(1), 205.231(5), 7 C.F.R. 271.4, 273.15

NECESSITY, FUNCTION, AND CONFORMITY: KRS 194A.010(2) requires the Cabinet for Health and Family Services to administer income-supplement programs that protect, develop, preserve, and maintain families and children in the Commonwealth. KRS 194A.050(1) requires the secretary to promulgate administrative regulations necessary to implement programs mandated by federal law or to qualify for the receipt of federal funds necessary to cooperate with other state and federal agencies for the proper administration of the cabinet and its programs. 7 C.F.R. 271.4 requires each state to administer a Supplemental Nutrition Assistance Program (SNAP). 7 C.F.R. 273.15 requires the agency administering SNAP to provide a hearing system for any SNAP applicant or recipient who is dissatisfied with an agency decision or action. KRS 13B.170 authorizes the cabinet to promulgate administrative regulations that are necessary to carry out the hearing process to be followed in the Commonwealth. This administrative regulation establishes the fair hearing procedures used by the cabinet in the administration of the Supplemental Nutrition Assistance Program.

Section 1. Opportunity for Fair Hearing. (1) An opportunity for a fair hearing shall be provided to a household aggrieved by an action or inaction:

(a) On the part of the cabinet; and

(b) That affects the SNAP benefits of the household.

(2) A fair hearing shall be conducted:

(a) On a state level;

(b) By a hearing officer assigned by the Division of Administrative Hearings[~~, Families and Children Administrative Hearings Branch~~]; and

(c) At:

1. The local office administering the benefits of the appellant; or

2. An alternate site, if the appellant:

a. Is unable to travel to the local office; and

b. Requests an alternate site.

(3) If consent is obtained from each party required to testify under oath, a telephonic hearing may be conducted.

(4) If a participant or authorized representative speaks a language other than English, the cabinet shall insure that the hearing procedures are translated and explained in accordance with 7 C.F.R. 273.15(i).

(5) An administrative hearing shall be conducted in accordance with KRS Chapter 13B, this administrative regulation, the Correspondence from the Office of Attorney General dated June 4, 2014, and the Correspondence from the Office of Attorney General dated April 5, 2012.

Section 2. Notification of Hearing Rights. (1) When a participant applies, he or she shall receive written notification of the:

(a) Right to a hearing;

(b) Procedures for requesting a hearing, as specified in Section 4 of this administrative regulation; and

(c) In accordance with 7 C.F.R. 273.15(f), option to designate a representative for a hearing, such as:

1. Legal counsel;

2. A relative;

3. A friend; or

4. An individual to act on behalf of the participant.

(2) Written notification shall be provided to remind a participant of the right to request a fair hearing if:

(a) An action is taken that affects the benefits of the participant;

or

(b) The participant disagrees with an action taken by the cabinet and expresses this disagreement to the cabinet.

(3) The participant shall be informed in writing of the availability of free representation from legal aid or other organizations within the community.

Section 3. Timeframe for a Hearing Request. (1) Within a certification period, an active household may request a fair hearing to dispute current benefits.

(2) In accordance with the timeframes of 7 C.F.R. 273.15(g), a SNAP household may request a hearing on any cabinet action.

(3) If a hearing officer determines an appellant meets good cause criteria in accordance with Section 8 of this administrative regulation, the appellant shall be granted an additional thirty (30) days to submit a hearing request.

Section 4. Request for a Hearing. (1) The request for a hearing shall clearly state the reason for the request.

(2) If the reason for the request is unclear, the cabinet may request additional clarification from the appellant.

(3) In accordance with 7 C.F.R. 273.15(h), a request for a hearing shall not be interfered with or limited in any way.

(4) Upon request, and in accordance with 7 C.F.R. 273.15(i), the cabinet shall:

(a) Help an appellant with a hearing request; and

(b) Make available, without charge, the materials necessary for an appellant to:

1. Determine whether a hearing may be requested; or

2. Prepare for a hearing.

(5) As determined by the hearing officer, an appellant may have the hearing process expedited in accordance with 7 C.F.R. 273.15(i)(2).

Section 5. Notice of Hearing. (1) The Division of Administrative Hearings[~~, Families and Children Administrative Hearings Branch~~] shall acknowledge a hearing request by issuing a notice of hearing.

(2) The notice of the hearing shall:

(a) Comply with the requirements of KRS 13B.050(3), subject to the exemption granted by the attorney general in the Correspondence from the Office of Attorney General dated June 4, 2014. The notice shall provide all parties involved with ten (10)

days advance written notice of an administrative hearing, and the notice shall not be less than ten (10) days prior to the hearing, unless requested by the appellant;

(b) Specify the name, address, and phone number of the person to notify if an appellant is unable to attend the scheduled hearing; and

(c) Specify that the hearing request shall be dismissed if an appellant or representative fails to appear for a hearing without good cause as specified in Section 8(2) of this administrative regulation.

(3) In accordance with 7 C.F.R. 273.15(l)(4), unless an appellant's request for an expedited hearing is granted, written notice shall be provided at least ten (10) days prior to the date of the hearing to permit adequate preparation of the case.

(4) The appellant may:

(a) Waive the right to certified mail delivery under KRS 13B.050; and

(b) Select another method of delivery, such as electronic or first class mail.

Section 6. Continuation of Benefits. Unless the appellant requests a discontinuance of benefits, benefits shall be continued, in accordance with 7 C.F.R. 273.15(k), pending the final order.

Section 7. Timely Action on Hearing Requests. (1) In accordance with 7 C.F.R. 273.15(c), within sixty (60) days of a request for a fair hearing, the cabinet shall:

(a) Acknowledge the request in accordance with Section 5 of this administrative regulation;

(b) Conduct a hearing; and

(c) Issue a final order.

(2) In accordance with 7 C.F.R. 273.15(c), benefits shall be adjusted:

(a) Within ten (10) days of the final order; or

(b) With the next issuance following receipt of the final order.

(3) If an appellant requests a postponement of a hearing, the:

(a) Hearing shall be postponed;

(b) Postponement shall not exceed thirty (30) days from the request for the postponement; and

(c) Time limit for issuing a final order may be extended for the same number of days as the hearing is postponed.

Section 8. Denial or Dismissal of a Hearing Request. (1) A hearing request shall be denied or dismissed if the:

(a) Request does not meet the criteria specified in Section 3 of this administrative regulation;

(b) Appellant submits a written request to withdraw the hearing request; or

(c) Appellant or representative fails to appear for the scheduled hearing without:

1. Notifying the cabinet prior to the hearing; or

2. Establishing good cause for failure to appear as described[defined] in subsection (2) of this section, within ten (10) days.

(2) Good cause for the delay of a hearing request or failure to appear at a hearing may be granted if the appellant:

(a) Was away from home during the entire filing period;

(b) Is unable to read or comprehend the notice;

(c) Moved, resulting in a delay in receiving or failure to receive the notice;

(d) Or other household member had a serious illness;

(e) Was not at fault for the delay, as determined by the hearing officer; or

(f) Did not receive the notice.

(3) The cabinet shall notify an appellant of the dismissal of a hearing request through the issuance of a Final Order of Dismissal by the Hearing Officer.

Section 9. Consolidation of Hearings. (1) A fair hearing and an administrative disqualification hearing may be combined into a single hearing if the:

(a) Issues of the hearings are based on the same or related circumstances; and

(b) Appellant receives prior notice of the hearings being combined.

(2) If a fair hearing and an administrative disqualification hearing are combined, the:

(a) Timeframe for conducting an administrative disqualification hearing specified in 921 KAR 3:060, Section 4, shall be followed; and

(b) ~~Thirty (30) day advance notice period required by 921 KAR 3:060, Section 3, may be waived if requested by the appellant.~~

(3) An appellant shall lose the right to a subsequent fair hearing on the amount of a claim if a combined hearing is held to determine:

(a) The amount of the claim; and

(b) If an intentional program violation occurred.

Section 10. Group Hearings. (1) In accordance with 7 C.F.R. 273.15(e), the cabinet may respond to a series of individual requests for a fair hearing by conducting a single group hearing if:

(a) Individual issues of fact are not disputed; and

(b) The issues relate to the same state or federal:

1. Laws;

2. Administrative regulations; or

3. Policy.

(2) The same procedures specified in this administrative regulation for an individual hearing shall apply to a group hearing.

Section 11. Agency Conference. (1) In accordance with 7 C.F.R. 273.15(d), the cabinet shall offer an agency conference to an appellant adversely affected by an action of the cabinet.

(2) The appellant shall be informed that an agency conference:

(a) Is optional; and

(b) Shall not delay or replace the fair hearing process.

(3) A fair hearing shall be dismissed if:

(a) An agency conference leads to an informal resolution of the dispute; and

(b) The appellant makes a written withdrawal of the request for a hearing.

(4) An agency conference shall be attended by the:

(a) Appellant's caseworker;

(b) Local office supervisor; and

(c) Appellant or representative.

Section 12. Rights During the Hearing. (1) During the hearing process, the appellant or representative shall be provided the opportunity to:

(a) Examine:

1. The contents of the case file; and

2. All documents and records to be used at the hearing;

(b) Present the case or have the case presented by a representative or legal counsel;

(c) Bring witnesses, friends, or relatives;

(d) Present arguments without undue interference;

(e) Submit evidence to establish the pertinent facts and circumstances of the case; and

(f) 1. Question or refute testimony or evidence; and

2. Cross-examine an adverse witness.

(2) Upon request, a copy of the portions of the case file that are relevant to the hearing shall be provided to the appellant at no charge.

(3) Confidential information, such as the following, shall be protected from release:

(a) Names of individuals who have disclosed information about the appellant's household; and

(b) The nature or status of pending criminal prosecutions.

(4) The following information shall not be introduced at the hearing or affect the recommendation of the hearing officer:

(a) Confidential information as specified in subsection (3) of this section;

(b) Documents, testimony, or records irrelevant to the hearing; and

(c) Other information for which the appellant is not provided an opportunity to contest or challenge.

VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the fair hearing procedures used by the cabinet in the administration of the Supplemental Nutrition Assistance Program (SNAP).

(b) The necessity of this administrative regulation: The administrative regulation is necessary to establish SNAP fair hearing procedures.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The administrative regulation conforms to the authorizing statutes through its establishment of fair hearing procedures for SNAP.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The administrative regulation assists in the effective administration of the statutes through its establishment of SNAP fair hearing procedures.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment to this administrative regulation modifies the final order authority from the Appeal Board for Public Assistance to the cabinet secretary or the secretary's designee. In addition, the amendment makes other technical corrections in accordance with KRS Chapter 13A.

(b) The necessity of the amendment to this administrative regulation: The amendment to this administrative regulation is necessary to ensure timely SNAP fair hearings for regulated entities and to avoid federal financial penalty or correction action that may result from untimely hearings.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment to this administrative regulation conforms to the authorizing statutes by ensuring timely fair hearings in accordance with federal law.

(d) How the amendment will assist in the effective administration of the statutes: The amendment will assist in the effective administration of the statutes through its facilitation of improved timeliness for SNAP fair hearings and enhanced procedural congruency among hearings for public assistance programs administered by the department.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: There is an average of 2,300 hearings for all public assistance programs, including SNAP, annually.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: There will be no new action required on the part of appellants.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There will be no new cost required on the part of appellants.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): The amendment to this administrative regulation will improve the timeliness of

administrative hearings, thereby provisioning the appellant with a more timely decision on their case.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no anticipated new cost for the administrative body to implement the regulatory amendment.

(b) On a continuing basis: There is no anticipated new cost for the administrative body to implement the regulatory amendment. The amendment is anticipated to preserve the state's federal SNAP funding.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Federal SNAP and state general funds are used for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: An increase in fees or funding will not be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish any fees or directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? Tiering is not applied, because this administrative regulation will be applied in a like manner statewide.

#### FEDERAL MANDATE ANALYSIS COMPARISON

1. Federal statute or regulation constituting the federal mandate. 7 C.F.R. 271.4, 273.15

RELATES TO: KRS 141.120

STATUTORY AUTHORITY: KRS 131.130, 141.120

NECESSITY, FUNCTION, AND CONFORMITY: KRS 141.120(10)(b) requires the Department of Revenue to provide guidance on the apportioning of income of interstate telephone and telegraph companies, interstate pipeline companies, interstate transportation companies, and interstate businesses. HB 487 passed during the 2018 session of the Kentucky General Assembly changed the way these businesses are now taxed in the Commonwealth. Sufficient guidance for the treatment of income for these companies is now found in statute or other department regulations. Therefore, these administrative regulations are no longer needed and will not be amended in the future.

Section 1. The following regulations are hereby repealed:

(1) 103 KAR 16:100, Apportionment and allocation; telephone

and telegraph companies;

(2) 103 KAR 16:110, Apportionment and allocation; pipeline companies;

(3) 103 KAR 16:120, Apportionment and allocation; certain transportation companies;

(4) 103 KAR 16:130, Apportionment and allocation; railroad companies;

(5) 103 KAR 16:145, Apportionment and allocation; barge line companies; and

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Persons: Lisa Swiger, phone (502)564-9526, email [Lisa.Swiger@ky.gov](mailto:Lisa.Swiger@ky.gov); and Todd Renner

(1) Provide a brief summary of:

(a) What this administrative regulation does: Repeals 103 KAR 16:100, 103 KAR 16:110, 103 KAR 16:120, 103 KAR 16:130, 103 KAR 16:145 and 103 KAR 16:150. These regulations either no longer have statutory authority, or the statutes now contain sufficient language that these regulations are no longer needed.

(b) The necessity of this administrative regulation: HB 487 of the 2018 General Assembly eliminated the property, payroll and 3-factor allocation for the industries affected by these regulations. The new statutory language is very clear in its guidance for determining income, so further regulatory guidance in these regulations is no longer needed. Pursuant to KRS 13A, it is necessary to remove regulations from existence that either no longer have statutory authority or that an agency does not foresee amending in the future.

(c) How this administrative regulation conforms to the content of the authorizing statutes: It removes outdated guidance from regulatory language to be in step with new law.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This regulation will insure that the Department of Revenue is in compliance with HB 487, KRS 141.120 and KRS 13A.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: N/A

(b) The necessity of the amendment to this administrative regulation: N/A

(c) How the amendment conforms to the content of the authorizing statutes: N/A

(d) How the amendment will assist in the effective administration of the statutes: N/A

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: None.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: None.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): None.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): None.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: None.

(b) On a continuing basis: None.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: None.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change, if it is an amendment: No increase in fees or funding will be necessary to implement this repeal.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: No fees are established or increased by this administrative regulation.

(9) TIERING: Is tiering applied? Tiering is not applied since no regulated entities will be affected by the repeal of this administrative regulation.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? Only the Finance and Administration Cabinet, primarily the Department of Revenue, will be impacted by the repeal of these regulations because we will no longer need to update outdated or unnecessary regulations.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS Chapter 13A and 131.130.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. There will be no effect on expenditures and revenues for state or local government agencies.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? None. This administrative regulation is repealing guidance that is no longer necessary or allowed because of statutory changes codified in HB 487 of the 2018 session of the Kentucky General Assembly.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? None.

(c) How much will it cost to administer this program for the first year? None.

(d) How much will it cost to administer this program for subsequent years? None.

## BOARDS AND COMMISSIONS

### Board of Licensure for Marriage and Family Therapists (New Administrative Regulation)

#### 201 KAR 32:110. Telehealth.

RELATES TO: KRS 335.305, 335.310, 335.320, 335.325, 335.380, 335.399

STATUTORY AUTHORITY: KRS 335.310, 335.380

NECESSITY, FUNCTION, AND CONFORMITY: KRS 335.380 requires the board to promulgate administrative regulations to govern telehealth services in the provision of marriage and family therapy services. This administrative regulation establishes procedures for the use of telehealth by licensees.

#### Section 1. Definitions.

(1) "Asynchronous" means a communication that does not occur simultaneously in real time.

(2) "Electronic communication" means the use of websites, cell phones, email, texting, online social networking, video, or other digital methods and technology used to send and receive messages or post information.

(3) "Encryption" means a mathematical process that converts text, video, or audio streams into a scrambled, unreadable format when transmitted electronically.

(4) "HIPAA" means the Health Insurance Portability and Accountability Act of 1996.

(5) "HITECH" means the Health Information Technology for Economic and Clinical Health Act of 2009.

(6) "Social media" means a Web-based communication tool that enables people to interact with each other by both sharing and consuming information.

(7) "Synchronous" means a communication that occurs simultaneously in real time.

#### Section 2. Standard of Practice and Competency.

(1) Standard of appropriate practice. A marriage and family therapist providing telehealth services in this state shall be held to the same standards of practice as those applicable for in person therapy settings.

(2) Competency. A marriage and family therapist shall only provide telehealth services in this state in those instances in which the marriage and family therapist has technical and clinical competency to render such services.

(3) Continued competency. A marriage and family therapist providing telehealth services in this state shall have an ongoing obligation to assess their technical and clinical competency to render such services.

#### Section 3. Education and Continuing Education Requirements.

(1) Initial training. Effective January 1, 2020, a licensed marriage and family therapist providing telehealth services in this state shall have completed fifteen (15) hours of board-approved

training in the practice of telehealth, which shall include three (3) hours of ethics in the practice of telehealth.

(2) Continuing education. A licensed marriage and family therapist who has completed the initial training in the practice of telehealth shall complete at least two (2) credit hours of board-approved continuing education in the practice of telehealth during each subsequent licensure renewal period.

(3) Credit hours earned to comply with subsections (1) and (2) above may be applied to continuing education requirements set forth in 201 KAR 32:060.

Section 4. Verification of the Client. Prior to providing telehealth services in this state a marriage and family therapist shall take appropriate steps to verify the identity of the client.

#### Section 5. Client Assessment.

(1) Initial assessment. Prior to providing telehealth services in this state a marriage and family therapist shall conduct an initial assessment of the client to determine if telehealth is an appropriate delivery of treatment considering the professional, intellectual, or emotional needs of the client.

(2) Ongoing assessment. Throughout the duration of providing telehealth services in this state a marriage and family therapist shall engage in a continual assessment of the appropriateness of providing such services to the client.

(3) Telehealth may not be appropriate if the client:

(a) Recurrently experiences, or is likely to experience, crises or emergencies;

(b) Is a suicide risk, or likely to become a suicide risk;

(c) Is violent, or likely to become violent; or

(d) Otherwise poses a risk to themselves or to others.

#### Section 6. Informed Consent.

(1) Generally. Prior to providing telehealth services in this state, the marriage and family therapist providing such services shall obtain the informed consent of the client, which shall include:

(a) Disclosure of specific information regarding the marriage and family therapist's:

1. Training and credentials;

2. License number;

3. Physical location and contact information;

4. Social media policy;

5. Encryption policy; and

6. Collection, documentation, tracking, and storage of client information;

(b) Client confidentiality and the limits to confidentiality in electronic communication;

(c) Information on reporting complaints to the board and other appropriate licensing bodies;

(d) The specific services to be provided;

(e) The risks and benefits of engaging in telehealth in the clinical setting;

(f) The possibility of technology failure and alternate methods of service delivery;

(g) Time zone differences, if any;

(h) Cultural or language differences that may affect the delivery of services;

(i) The possible denial of insurance benefits;

(j) The pertinent legal rights and limitations governing practice across state lines or international boundaries, where appropriate; and

(k) Whether delivery of service will be asynchronous or synchronous.

(2) Minors. If the client is a minor, prior to providing telehealth services in this state the marriage and family therapist shall verify the identity of the parent, guardian, or other person consenting to the minor's treatment and obtain from that person the informed consent required by this section.

Section 7. Emergency procedures, Coordination of Care and Referrals. Prior to providing telehealth services in this state, the marriage and family therapist shall establish with the client:

(1) Acceptable ways to contact the marriage and family

therapist in an emergency;

(2) Emergency procedures to include emergency services at the client's location;

(3) Coordination of care with other professionals; and

(4) Conditions under which telehealth services may be terminated and a referral made to in-person care.

Section 8. Compliance with Privacy Laws, Documentation and Recordkeeping. A marriage and family therapist performing telehealth services in this state shall:

(1) Comply with all privacy laws and regulations relating to the transmission and protection of protected health information, including HIPAA and HITECH; and

(2) Comply with all state and federal laws and regulations relating to the practice of telehealth, and the documentation of services delivered and recordkeeping related thereto.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact person: Bryan Morrow

(1) Provide a brief summary of:

(a) What this administrative regulation does: KRS 335.380 requires the board to promulgate administrative regulations to implement the practice of telehealth. This administrative regulation establishes procedures and education requirements for licensees to provide telehealth services to patients in Kentucky.

(b) The necessity of this administrative regulation: This administrative regulation is required by KRS 335.380(2).

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 335.380 requires the board to promulgate administrative regulations to implement the practice of telehealth, including: (1) preventing abuse and fraud through the use of telehealth services; (2) preventing fee-splitting; and (3) utilizing telehealth in the provision of marriage and family therapy services and in the provision of continuing education. This administrative regulation prevents fraud and abuse in six ways: (1) applying standards for in-person counseling to telehealth; (2) requiring verification of the client; (3) requiring an initial assessment to ensure the client is a proper candidate for telehealth services; (4) making that assessment an on-going concern; (5) obtaining the informed consent of the client; and (6) establishing procedures for the client in case of an emergency. The regulation does not address fee-splitting, because that issue is covered in an existing regulation. Finally, the regulation sets forth education and continuing education requirements specific to telehealth services.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This regulation assists in the effective administration of KRS 335.380 by carrying out the legislative mandate for the board to establish a regulation

regarding telehealth services.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this administrative regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statutes: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This regulation will affect 705 licensed Marriage and Family Therapist and Marriage and Family Therapist Associates in Kentucky, as well as any Marriage and Family Therapists from other jurisdictions seeking to provide telehealth to patients located in Kentucky.

(4) Provide an analysis of how the entities identified in the previous question will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions each of the regulated entities have to take to comply with this regulation or amendment: In order to use telehealth to practice marriage and family therapy in Kentucky, each licensee will be required to complete initial training and continuing education each subsequent year. The licensed therapist will also have to verify the client, continuously assess the client as an appropriate recipient of telehealth, obtain consent from the client, establish emergency procedures, and ensure compliance with applicable privacy laws.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities: This regulation should add no additional cost to the licensee. Licensee education and continuing education requirements are already in place as part of 201 KAR Chapter 32. The education and continuing education requirements specific to telehealth will count toward those hours licensees are already required to obtain.

(c) As a result of compliance, what benefits will accrue to the entities: As a result of compliance, licensees and clients will be permitted to engage in telehealth, increasing access and availability of needed services.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: This administrative regulation does not create a cost for the administrative body; a licensee that provides telehealth will be governed by the same licensure process as a Marriage and Family Therapist in an office setting.

(b) On a continuing basis: This administrative regulation does not create a cost for the administrative body; a licensee that provides telehealth will be governed by the same licensure process as a Marriage and Family Therapist in an office setting.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The Marriage and Family Therapy Board is self-funded through the fees paid by licensees. No additional funding is necessary for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increases in fees or funding is necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: No increases in fees or funding is necessary to implement this administrative regulation.

(9) TIERING: Is tiering applied? Tiering is not applied because similarly situated licensees are treated similarly under this administrative regulation.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will

be impacted by this administrative regulation? The Board of Licensure for Marriage and Family Therapists will be affected.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 335.380

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This regulation will not generate revenue for state or local government.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This regulation will not generate revenue for state or local government.

(c) How much will it cost to administer this program for the first year? A licensee providing telehealth services will abide by the same licensure process as a Marriage and Family Therapist in an office setting so there will be no additional cost to administer this program.

(d) How much will it cost to administer this program for subsequent years? A licensee providing telehealth services will abide by the same licensure process as a Marriage and Family Therapist in an office setting so there will be no additional cost to administer this program.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT**

Contact Person: Clint Quarles

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation repeals the administrative regulations for former agriculture product assessment votes in Kentucky.

(b) The necessity of this administrative regulation: The votes for each regulation have been held, thus the necessity for the administrative regulations no longer exist.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 247.555, 247.755, 247.655, 247.859, 247.853, 247.483, 247.4469, 247.6017, and 247.5075 each set forth the requirements for the Commissioner to publish and promulgate for each vote. With those votes being held a number of years ago, this repealer filing repeals unneeded administrative regulations.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This repealer will assist by eliminating a non-required administrative regulation, helping the KDA comply with the intent of HB50.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: Not applicable.

(b) The necessity of the amendment to this administrative regulation: Not applicable.

(c) How the amendment conforms to the content of the authorizing statutes: Not applicable.

(d) How the amendment will assist in the effective administration of the statutes: Not applicable.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Department of Agriculture only. Groups receiving assessment dollars will not be effected.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: The KDA will need to do nothing to comply with the repealer.

(b) In complying with this administrative regulation or

amendment, how much will it cost each of the entities identified in question (3): Nothing

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Administrative ease on behalf of the KDA, and statutory compliance.

**302 KAR 77:011. Repeal of 302 KAR 77:010 and 302 KAR 77:030.**

RELATES TO: KRS Chapter 247

STATUTORY AUTHORITY: KRS 247.430, 247.391

NECESSITY, FUNCTION, AND CONFORMITY: KRS 247.430 and KRS 247.391 authorizes the Commissioner to establish certain rules for tobacco auctions. This administrative regulation repeals

KRS 247.430 and KRS 247.391 because changes in tobacco marketing have dramatically reduced auction use, making this administrative regulation not needed.

Section 1. The following administrative regulations hereby repealed:

(1) 302 KAR 77:010; and

(2) 302 KAR 77:030.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Clint Quarles

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation repeals the administrative regulations for tobacco marketing rules.

(b) The necessity of this administrative regulation: Tobacco marketing in the Commonwealth has gone almost exclusively to private contracts, thus the necessity for the administrative regulations no longer exist.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 247.430 and 247.391 each set forth the requirements for tobacco marketing. The markets for tobacco are virtually all direct contract now, and this repealer filing repeals unneeded administrative regulations.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This repealer will assist by eliminating a non-needed administrative regulation, helping the KDA comply with the intent of HB50.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: Not applicable.

(b) The necessity of the amendment to this administrative regulation: Not applicable.

(c) How the amendment conforms to the content of the authorizing statutes: Not applicable.

(d) How the amendment will assist in the effective administration of the statutes: Not applicable.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Department of Agriculture only. Any current or future tobacco auction will need to do nothing to comply.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative

regulation or amendment: The KDA will need to do nothing to comply with the repealer.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Nothing

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Administrative ease on behalf of the KDA, and statutory compliance.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No costs.

(b) On a continuing basis: No costs.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No source funds are required.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No fees are associated with this repealer.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: No fees are established in any form.

(9) TIERING: Is tiering applied? No. All regulated entities have the same requirements.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts, or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Department of Agriculture

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 247.430 and KRS 247.391

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? There are no anticipated impacts to state or local government associated with this repealer.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? There are no anticipated impacts to state or local government associated with this repealer.

(c) How much will it cost to administer this program for the first year? There are no anticipated impacts to state or local government associated with this repealer.

(d) How much will it cost to administer this program for subsequent years? There are no anticipated impacts to state or local government associated with this repealer.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: William Codell

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation incorporates by reference the policies and procedures governing the operation of the Department of Juvenile Justice including the rights and responsibilities of the Department of Juvenile Justice employees, treatment providers, contracted educational staff, and students enrolled in Department operated day treatment programs.

(b) The necessity of this administrative regulation: To conform to the requirements of KRS 15A.065 and 15A.067 and the American Correctional Association 4th Edition Standards.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The regulation governs every aspect of program services within day treatment programs in the Department.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: By providing clear and concise direction and information to the Department of Juvenile Justice employees, contracted educational staff, and enrolled students as to their duties, rights, privileges and responsibilities.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of: NA

(a) How the amendment will change this existing administrative regulation:

(b) The necessity of the amendment to this administrative regulation:

(c) How the amendment conforms to the content of the authorizing statutes:

(d) How the amendment will assist in the effective administration of the statutes:

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: approximately 65 employees and 36 contracted education staff, approximately 160 enrolled students, and all visitors and volunteers to DJJ day treatment programs.

(4) Provide analysis of how the entities identified in question (3) will be impacted by the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: DJJ day treatment programs will need to update their facility Standard Operating Procedures to comply with this new administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Each program will absorb the cost of updating procedures and training staff on updated policies. No monetary cost will be incurred by the enrolled students, employees, contracted educational staff, or volunteers of the Department of Juvenile Justice.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): To ensure a clearer understanding of the policies and procedures by DJJ employees, contracted educational staff, and enrolled students, thereby impacting the educational environment ensuring that it will be

conducive to instruction and learning, and the security and safety of the agency and the public.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No additional cost is projected.

(b) On a continuing basis: No additional cost is projected.

(6) What is the source of funding to be used for the implementation and enforcement of this administrative regulation: Department of Juvenile Justice General Fund and Restricted Funds if necessary. No additional funding is required, however any associated training or staff allocations will come from the Department of Juvenile Justice General Fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: None

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: None

(9) Tiering: Is tiering applied? No. Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals or entities regulated by it. Disparate treatment of any person or entity subject to this administrative regulation could raise questions of arbitrary action on the part of the agency. The "equal protection" and "due process" clauses of the Fourteenth Amendment of the U.S. Constitution may be implicated as well as the Sections 2 and 3 of the Kentucky Constitution.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Stephen Lee Walters

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation repeals 804 KAR 11:030.

(b) The necessity of this administrative regulation: In conjunction with the filing of this repealer, the Board is filing a proposed amendment to 804 KAR 1:070 that incorporates necessary substantive provisions previously contained in 804 KAR 11:030. The regulation amendment and repealer will combine and provide uniformity of requirements for educational sampling events.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 241.060 authorizes the board to promulgate reasonable administrative regulations governing procedures relative to the supervision and control of the use and sale of alcoholic beverages.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The repeal of this administrative regulation will allow licensees to more easily find all requirements for educational sampling events in one regulation. Consolidation will provide needed uniformity of requirements for all educational sampling events regarding all alcoholic beverage types.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a repealer.

(b) The necessity of the amendment to this administrative regulation: This is a repealer.

(c) How the amendment conforms to the content of the authorizing statutes: This is a repealer.

(d) How the amendment will assist in the effective administration of the statutes: This is a repealer.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This repealer will affect all holders of the 16,000 plus state licenses issued by the department.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Licensees will not be required to take any additional actions as result of the repealer.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is no anticipated cost to licensees resulting from the repeal this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Licensees will find all requirements for educational sampling events in one location. Licensees will also be benefited by uniformity of requirements for all educational sampling events regarding all alcoholic beverage types.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: There are no anticipated costs associated with the implantation of this repealer.

(b) On a continuing basis: There are no anticipated costs associated with the implementation of this repealer.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No source of funding is needed to implement and enforce the repeal of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change, if it is an amendment: There is no anticipated increase in fees or funding necessary to repeal this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This repealer does not directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? No tiering is applied.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

**REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT**

Contact Person: John Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation repeals several administrative regulations within 810 KAR Chapter 1 because contemporaneous amendments to the horse racing regulatory regime will render the individual regulations unnecessary. Specifically, this administrative regulation repeals 810 KAR 1:004; 1:005; 1:007; 1:008; 1:009; 1:010; 1:012; 1:014; 1:015; 1:016; 1:017; 1:018; 1:021; 1:024; 1:025; 1:026; 1:027; 1:028; 1:029; 1:030; 1:037; 1:040; 1:050; 1:060; 1:070; 1:080; 1:090; 1:100; 1:110; 1:130; 1:140; 1:145; 1:150; and 1:300. These administrative regulations are no longer required because by separate regulation amendments, the content has been moved to subject-matter specific regulations within this chapter.

(b) The necessity of this administrative regulation: This administrative regulation, in concert with contemporaneously filed administrative regulations, is necessary to revise the regulatory regime governing horse racing in the Commonwealth.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.515 authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. This administrative regulation, in concert with contemporaneously filed administrative regulations, is necessary to revise the regulatory regime governing horse racing in the Commonwealth.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The Kentucky

Horse Racing Commission is charged with the responsibility to regulate the conduct of horse racing and pari-mutuel wagering on horse racing, and related activities within the Commonwealth of Kentucky. This administrative regulation, in concert with contemporaneously filed administrative regulations, are necessary to carry out Chapter 230 of the Kentucky Revised Statutes with a revised and improved regulatory regime governing horse racing in the Commonwealth.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This administrative regulation is a repealer.

(b) The necessity of the amendment to this administrative regulation: This administrative regulation is a repealer.

(c) How the amendment conforms to the content of the authorizing statutes: This administrative regulation is a repealer.

(d) How the amendment will assist in the effective administration of the statutes: This administrative regulation is a repealer.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, licensed participants in racing in Kentucky, the seven Kentucky racetracks, and the wagering public will be affected by this administrative regulation. During the year 2017, the Commission licensed 22,745 individuals to participate in horse racing. The numbers of licensees are consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation requires no action by the regulated entities identified in question (3).

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The administrative regulation will impose no new costs on regulated persons or entities.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): This administrative regulation does not require any action from the entities identified in question 3.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no cost to implement this administrative regulation.

(b) On a continuing basis: There is no cost to implement this administrative regulation on a continuing basis.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: There is no funding necessary to implement this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new or by the change, if it is an amendment: The implementation of this administrative regulation requires no increase in fees or funding.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees. This administrative regulation neither directly nor indirectly increases any fees.

(9) TIERING: Is tiering applied? No, tiering is not applied because this administrative regulation repeals the subject administrative regulations, and all regulated entities are treated equally.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse

Racing Commission.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215.

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate any revenue for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate any revenue for subsequent years.

(c) How much will it cost to administer this program for the first year? There is no cost to administer this administrative regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? There is no cost to administer this administrative regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): No impact.

Expenditures (+/-): No impact.

Other Explanation: None.

(a) Processing license applications of all persons required to be licensed by 810 KAR 3:020; and

(b) Collecting licensing fees.

(2) The licensing administrator or his or her assistants shall:

(a) Be present on association grounds prior to the opening of a race meeting to accept license applications;

(b) Maintain an office on association grounds to accept license applications during the race meeting;

(c) File daily reports to the commission to include:

1. A list of license applications; and

2. An accounting of fees received;

(d) Forward all fees to the commission; and

(e) Be responsible for photographing license applicants for whom same is required.

Section 3. Commission Director of Pari-mutuel Wagering.

(1) The commission shall employ or designate a supervisor who shall be responsible for:

(a) Verifying daily handle for live wagering, simulcast wagering, advance deposit wagering, and historical horse racing wagering;

(b) Reviewing advance deposit wagering and totalizator license applications;

(c) Overseeing wagering investigations;

(d) Testing totalizator services before each race meeting, and ensuring that totalizator standards are met;

(e) Reviewing requests for new pari-mutuel wagers;

(f) Submitting reports to the Department of Revenue summarizing wagering activities;

(g) Reviewing tax statements and totalizator reports for accuracy;

(h) Implementing pari-mutuel wagering policies and procedures; and

(i) Performing other duties related to pari-mutuel wagering as the commission or the executive director may assign.

(2) The commission director of pari-mutuel wagering or his or her representative shall have access to all association books, records, and pari-mutuel equipment.

Section 4. Commission Veterinarian. The commission shall employ a veterinarian licensed in Kentucky and experienced in equine medicine and practice.

(1) The commission veterinarian shall:

(a) Advise the commission on matters related to equine health and the practice of veterinary medicine;

(b) Supervise and control the detention area;

(c) Direct and supervise the collection of samples for the testing of horses for prohibited medication;

(d) Inspect and record findings concerning racing soundness for all horses entered;

(e) Maintain and post on the commission website the veterinarian's list of horses that are ineligible to race because of sickness or unsoundness;

(f) Report any observed cruel or inhumane treatment of horses to the stewards;

(h) Be attendant on the stewards and the racing secretary at scratch time each day;

(i) Examine horses as racing officials may request;

(j) Make prompt reports to racing officials;

(k) Be present in the paddock for saddling;

(l) Inspect the horses for:

1. Physical fitness;

2. General conditions; and

3. Any unsoundness;

(m) Accompany each field to the starting gate;

(n) Observe all horses after the finish of each field.

(2) The commission veterinarian shall have the authority to determine that:

(a) A horse has suffered an injury:

1. While in the paddock;

2. During the post parade; or

3. At the starting gate; and

(b) A horse is unfit to race. Upon such a determination, the commission veterinarian shall recommend to the stewards that the horse be excused and placed on the veterinarian's list.

(3) Upon the request of the stewards or judges, a horse requested to be scratched for physical reasons after scratch time shall be inspected by a commission veterinarian, who shall report

the condition of the horse to the stewards or judges.

(4) Except as provided in 810 KAR 8:010, Section 6, the commission veterinarian shall not:

(a) Treat, prescribe, or sell any drug supplies for any horse registered to race at any race track where he or she is employed, except in case of emergency;

(b) Buy or sell, for himself or another, any horse under his or her supervision;

(c) Be employed by or receive any compensation whether directly or indirectly from any licensed owner or trainer;

(d) Wager on a race under his or her supervision;

(e) Sell insurance; or

(f) Be licensed to participate in racing in any other capacity.

Section 5. Commission Director of Enforcement. The commission shall employ an investigator experienced in police work who shall:

(1) Maintain a current file on persons against whom rulings have been issued in racing jurisdictions and reported through the Association of Racing Commissioners International and the breed registry organization applicable to the horse. The file shall as necessary contain reports:

(a) Received from law enforcement agencies as to investigations, arrest records, and related information; and

(b) As to ejections or exclusions from association grounds in Kentucky and other racing jurisdictions;

(2) Investigate and ascertain the truth of statements made on license applications;

(3) Investigate possible infractions of racing rules at the request of the commission or stewards;

(4) Participate and cooperate with members of the track security, and state and local police on all other investigations and conduct pertaining to racing in the Commonwealth;

(5) Investigate and perform background checks on any person on association grounds or any license applicant whose conduct or reputation reflects on the honesty and integrity of thoroughbred racing or interferes with the orderly conduct of thoroughbred racing; and

(6) Perform such other duties related to security and enforcement as the commission or the executive director may direct.

Section 6. Director of Incentives and Development. The commission shall employ a director of incentives and development who shall:

(1) Oversee the operation of statutory breeders' incentive and development funds; and

(2) Perform such other duties as the commission or the executive director may direct.

(New Administrative Regulation)**

**810 KAR 2:020. Thoroughbred and flat racing officials.**

RELATES TO: KRS 230.215, 230.240, 230.260

STATUTORY AUTHORITY: KRS 230.215(2)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the commission to promulgate administrative regulations prescribing conditions under which all horse racing is conducted in the Commonwealth. This administrative regulation outlines the qualifications, duties, powers and responsibilities of racing officials.

**Section 1. Racing Officials.**

(1) Racing officials at a thoroughbred or other flat race meeting shall include the following: steward, racing secretary, assistant racing secretary, clerk of scales, paddock judge, starter, placing judge, timer, identifier, veterinarian, assistant starter, jockey room custodian, jockey room employee, valet, and outrider.

(2) Persons appointed by the association to serve as racing officials during a race meeting shall first be approved by the commission, shall serve only so long as approved by the commission, and shall be under the supervision of the stewards.

(3) While serving as a racing official, a person shall not:

(a) Indirectly or directly, own a beneficial interest in:

1. A horse of the breed in which the person is engaged as a racing official; or

2. An association under his or her supervision;

(b) Cause to be bought or sold, for himself or another, any horse under his or her supervision;

(c) Buy or sell, for himself or another, any right to or in a contract with a jockey or apprentice jockey under his or her supervision;

(d) Wager on any race under his or her supervision;

(e) Write or solicit horse insurance; or

(f) Have any monetary interest in any business which seeks the patronage of horsemen or racing associations.

(3) Any racing official serving in the capacity of steward, placing judge, clerk of scales, starter, or horse identifier shall take and satisfactorily pass an optical examination within one (1) year prior to the race meeting at which he or she serves. The examination shall show corrected twenty-twenty (20-20) vision and an ability to distinguish colors correctly.

(4) Any racing official who desires to leave his or her employment during the race meeting shall first obtain permission from the commission; if a vacancy occurs among racing officials other than stewards, the association shall promptly appoint a successor, subject to approval of the commission. If the association does not appoint a successor in time to permit the orderly conduct of racing, then the stewards shall immediately appoint a temporary successor.

**Section 2. Racing Secretary.** The racing secretary shall be responsible for:

(1) The programming of races during the race meeting;

(2) Compiling and publishing condition books;

(3) Assigning weights for handicap races;

(4) Receiving all entries, subscriptions, declarations, and scratches;

(5) Safekeeping of registration certificates and racing permits for horses, recording information required on the certificates and permits, and returning the certificates and permits to owners at the conclusion of the race meeting;

(6) Maintaining a record of all stakes fees received, arrears, jockeys' fees, purchase money in claiming races, and all other monies received incident to the race meeting, and making available payment to those persons entitled thereto within fourteen (14) days after the conclusion of the race meeting;

(7) Supervision of the horsemen's bookkeeper's handling of the "horseman's account";

(8) Daily posting of entries for the benefit of the public as soon as possible after entries have been closed and declarations have been made;

(9) Assigning stall applicants stabling as he or she may deem proper after consultation with the stewards, and maintaining a record of arrival and departure of all horses stabled on association grounds; and

(10) Publishing the official daily program, and ensuring that it contains accurate information of the following:

(a) Sequence of races to be run and post time for the first race;

(b) Purse, conditions, and distance for each race, and current track record for the distance;

(c) The full name of licensed owners of each horse, indicated as leased if applicable, and description of racing colors to be carried;

(d) The full name of the trainer and the jockey named for each horse together with the weight to be carried;

(e) Notices that:

1. All jockeys will carry approximately three (3) pounds more than the published weight to account for safety helmets and safety vests that are not included in required weighing out procedures; and

2. Upon approval of the stewards, a jockey may be allowed up to three (3) pounds additional clothing and equipment for inclement weather or track conditions;

(f) The saddle cloth number or designation for each horse, and the post position for each horse, if there is a variance with the saddle cloth designation;

(g) Identification of each horse by name, color, sex, age, sire and dam; and

(h) Other information as may be requested from time to time by the association or the commission including changes of equipment, use of permitted race day medications, and wagering types available.

Section 3. Clerk of Scales. The clerk of scales shall be responsible for:

(1) The security, regulation, and control of the jockeys' room, its equipment, and the determination of which personnel are permitted access;

(2) Weighing out every jockey no later than fifteen (15) minutes prior to the race in which the jockey is scheduled to ride and recording all overweights, which shall immediately be posted and announced to the public before each race;

(3) Weighing in every jockey immediately after the finish of each race in which a jockey rode and promptly notifying the stewards whether any jockey weighed in underweight;

(4) Safekeeping of all racing colors;

(5) Reporting all color changes or jockey changes from that listed in the official daily program and causing the changes to be posted and announced to the public before each race;

(6) Supervision of all valets and the issuance of numbered saddle cloths and equipment for each horse;

(7) Ensuring accuracy of the scales and periodic tests of them;

(8) Submitting to the racing secretary at the close of each racing day a statement of weight carried in each race by each jockey, noting overweight, if any; and

(9) Immediately transmitting all complaints, protests, objections, or disputes submitted to the clerk of scales to the stewards, and if the stewards are unavailable, to the commission.

Section 4. Paddock Judge. The paddock judge shall have general supervision of the paddock and shall be responsible for:

(1) Assembling the horses and jockeys in the paddock no later than fifteen (15) minutes before the scheduled post time for each race;

(2) Maintaining a written record of all equipment for each horse saddled, inspecting all the equipment, and reporting any changes in the equipment to the stewards;

(3) Inspecting the bandages of each horse. The paddock judge may order the bandages removed or replaced;

(4) Paddock schooling of all horses approved for schooling by the stewards; and

(5) Ensuring that the saddling of all horses is orderly, open to public view and free from interference, and ensuring that horses are mounted at the same time and leave the paddock for the post in proper sequence.

Section 5. Starter.

(1) The starter shall be responsible for the fair and equal start of all horses in a race at the scheduled starting time by means of a starting gate and bell, or other device activated by his signal.

(2) So far as practical, the starter shall cause all horses to be loaded in order of post position, except the starter may in his discretion load an unruly or fractious horse out of order or may start the unruly or fractious horse on the outside of the starting gate and one (1) length behind the starting line. With permission of the stewards, a race may be started without a starting gate. The starter may employ as many assistant starters as needed and shall daily change the gate position of each assistant starter without notice to the assistant starters until the field for the first race comes upon the track.

(3) A horse shall not be permitted to start in a race unless approval is given by the starter. The starter shall maintain a schooling list that shall be posted in the racing secretary's office listing the names of all horses ineligible to start due to inadequate training at leaving the gate. Horses shall be schooled under the supervision of the starter or his assistants.

(4) The starter shall:

(a) Have constant radio or telephone communication with the stewards from the time the horses leave the paddock until the field is sent away;

(b) Report to the stewards any disobedience of his orders or

attempts to take unfair advantage at the starting gate and recommend penalties for offenders.

(5) An assistant starter shall not handle a horse until instructed to do so by the starter.

(6) A starter or assistant starter shall not:

(a) Accept any gratuity or payment other than his regular salary, directly or indirectly, for services in starting a race;

(b) Wager on a race; or

(c) Strike or use abusive language to a jockey.

(6) The starter shall maintain a written record showing the names of all starters during the day and the names of the assistant starters who handled each horse. This record shall be made available to the stewards upon request.

Section 6. Placing Judges.

(1) Three (3) placing judges shall occupy a stand directly above the finish line during the running of each race. The placing judges shall:

(a) Take special note of racing colors and distinguishing equipment carried by each horse;

(b) Determine the order of the horses as they cross the finish line by consideration of the respective noses of the horses; and

(c) Cause the numbers of the first four (4) horses to cross the finish line to be posted on the result board. The numbers of additional horses shall be posted in their correct order of finish if necessitated by an exotic wager.

(2) A photo finish camera approved by the commission shall be used as an aid by the placing judges in determining the order of the horses as they cross the finish line. Placing judges may request a photo to assist in determining margins of less than a half-length.

Section 7. Timer.

(1) The timer shall occupy a stand directly above the finish line during the running of each race to record the official time.

(2) The timer shall:

(a) Record the fractional time of leading horses during each race and the final time of the first horse to cross the finish line; and

(b) Maintain a written record of fractional and final times of each race and have them available for inspection by the stewards or commission on request.

(3) The timer may use an electrical or mechanical timing device approved by the commission as an aid in determining the official time of each race.

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the category of "racing officials" at horse races in the Commonwealth, and sets forth the responsibilities of the more important of these officials.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to precisely define who racing officials are, and to set forth their responsibilities in presiding over and assisting with horse races in the Commonwealth.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) authorizes the commission to promulgate administrative regulations prescribing conditions under which all horse racing is conducted in the Commonwealth. This administrative regulation sets forth the qualifications, duties, and authority of racing officials who assist in the conduct of horse races in the Commonwealth.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes by ensuring that race officials perform certain duties to promote the efficiency and integrity of horse races in Kentucky.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Commission is affected by this administrative regulation, and any licensed participant in horse racing is potentially affected by this administrative regulation. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Licensed racing officials will be required to perform the duties outlined in this administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Racing associations are required to employ the racing officials whose duties are set forth in this administrative regulation. No other significant costs are associated with performing the prescribed duties.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be used to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation

establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering is not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(1), 230.320(1)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. KRS 230.260(1) vests the racing commission with jurisdiction and supervision over all horse race meetings in this Commonwealth and over all associations and all persons on association grounds and may eject or exclude therefrom or any part thereof, any person, licensed or unlicensed, whose conduct or reputation is such that his presence on association grounds may, in the opinion of the racing commission, reflect on the honesty and integrity of horse racing or interfere with the orderly conduct of horse racing or racing at horse race meetings. KRS 230.320(1) authorizes the commission to promulgate administrative regulations under which a license may be denied, suspended, or revoked. This administrative regulation prohibits licensees of the commission from abusing alcohol or engaging in illegal drug use or activity while performing their duties, provides for drug and alcohol testing,

and establishes consequences for violations of this administrative regulation.

#### Section 1. Definitions.

(1) "Alcohol concentration" means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(2) "Crimes involving drugs and drug paraphernalia" means all activities involving drugs and drug paraphernalia which are illegal under KRS Chapter 218A or other statutes or administrative regulations of this Commonwealth, and similar laws and regulations of other states and the United States, and which include the use of, possession of, or trafficking in marijuana, cocaine, or any other controlled substances; possession or distribution of drug paraphernalia, or obtaining or using prescription drugs without a valid prescription.

(3) "Documentation" means proof of regular attendance at meetings, counseling sessions, clean drug test results (if suspended for a drug violation), and certification from the treatment program indicating full compliance with treatment and completion of the program.

(4) "Drug paraphernalia" is defined by KRS 218A.500(1).

(5) "Under the influence of intoxicants" means a person's mental or physical abilities are impaired by the presence of alcohol or other drugs in his body to the degree that the person is not able to safely and properly perform his job functions.

#### Section 2. Prohibited Activities. A licensee shall not:

(1) Be under the influence of intoxicants while:

(a) Engaged in the activities for which the license is held; or

(b) On association grounds;

(2) Commit any crime involving drugs or drug paraphernalia;

(3) Fail to comply with substance abuse treatment required pursuant to an evaluation conducted under this administrative regulation;

(4) Tamper with a drug or alcohol test; or

(5) Refuse to submit to drug or alcohol testing upon request of the commission, a steward, a judge, or any other authorized employee of the commission.

Section 3. Evidence of Violation. The following shall be presumptive evidence of a violation of this administrative regulation:

(1) While engaged in the activities for which the license is held, or while on association grounds:

(a) A breath, urine, or blood test result revealing an alcohol concentration of 0.05 percent or more;

(b) A positive result from a drug test for marijuana, cocaine, or other controlled substance for which the licensee does not have a current and valid prescription;

(c) A positive result for a prescribed medication for which the individual has a valid prescription, but the prescription for which indicates that taking the medication may impair vision, impair the ability to perform normal daily functions, or cause drowsiness, or the prescription for which advises using care when operating a car or machinery;

(d) A positive result indicating more than one (1) prescribed medication for which the individual has valid prescriptions, but the prescription directions for which advise against taking more than one (1) prescribed medication at a time; or

(e) A positive result that exceeds the allowable limit prescribed on the medication label; or

(2) While participating in a race as a racing official, or while mounted on a horse or stable pony or mounted in a sulky on association grounds, a breath, urine, or blood test result revealing an alcohol concentration greater than 0.00; or

(3) A conviction in any court of law for a drug-related offense.

#### Section 4. Discipline.

(1) First offense.

(a) For a first time violation of this administrative regulation, the offender's license may be suspended for up to thirty (30) days.

(b) The offender may be required to undergo an evaluation by a professional in the field of addictive or substance abuse

disorders approved by the commission.

(c) If the evaluator determines the existence of a substance abuse problem, the offender shall be required to comply with the recommended course of treatment.

(d) For a first time violation of this administrative regulation for an alcohol infraction or crime involving drugs and drug paraphernalia, the stewards or judges shall have the discretion to impose a lesser penalty and may excuse the offense for counting purposes under this administrative regulation.

(2) Second offense.

(a) For a second violation of this administrative regulation within a three (3) year period, the offender's license may be suspended for up to sixty (60) days.

(b) The offender shall be required to enroll in and complete a substance abuse program approved by the commission.

(3) Third offense. A third violation of this administrative regulation within a three (3) year period may result in the revocation of the offender's license.

(4) Zero tolerance offense. Conviction in any court of law of a drug trafficking offense shall result in revocation of the offender's license even if it is a first offense under this administrative regulation.

(5) In determining the three (3) year period under this administrative regulation, the period shall be measured from the date on which the violation occurred. If the violation is a failure to complete recommended treatment, the violation date shall be calculated from the date of the first missed meeting, or session. For the purposes of subsections (2) and (3) of this section, violations occurring after the three (3) year period shall not be considered.

#### Section 5. Basis for Testing.

(1) In deciding whether drug tests should be administered, stewards or judges may require:

(a) All licensees to be tested on a particular day;

(b) Licensees on a particular day to be tested totally at random; or

(c) Those licensees that the stewards or judges has a reasonable suspicion may be under the influence of intoxicants to submit to drug and alcohol testing.

(2) In determining whether there is reasonable suspicion to require testing, the stewards or judges may consider any of the following factors:

(a) Unexplained or continued violations of KRS Chapter 230 or KAR Title 810 which have a detrimental effect on racing;

(b) Involvement in any accident that causes injury to a person or animal at the track or any near accident that creates a clear danger of accident or injury to a person or animal at the track;

(c) Willful conduct detrimental to horse racing as evidenced by continued violations of KRS Chapter 230 or KAR Title 810, other disciplinary problems, behavioral problems, disturbances, or other similar conduct at the track;

(d) Observable physical or emotional impairment at the track;

(e) Involvement in a race of questionable outcome or circumstance as determined by the stewards or judges;

(f) Willful abuse of an animal or person who is engaged in a race, work, or exercise at the track;

(g) Prior positive drug or alcohol test or tests in this or other jurisdictions, excluding those for which a valid legal prescription is provided;

(h) Performance of prescribed duties in a manner that indicates a best effort to win is not present at the track;

(i) Information supplied by:

1. A law enforcement agency;

2. The United States Trotting Association;

3. The Kentucky Horsemen's Association;

4. The Association of Racing Commissioners International; or

5. The racing commission of any state or country;

(j) Any other conduct at the track that can be documented and provides reasonable grounds to suspect:

1. Dependence on, possession of, or usage of a controlled substance; or

2. An alcohol violation;

(k) Refusal to provide a urine or blood sample if requested to do so in accordance KAR Title 810; or

(l) Recent arrest or pending criminal charges regarding the sale, possession, manufacture, cultivation, or use of illegal drugs.

Section 6. Payment of Expenses Related to this Administrative Regulation. A licensee shall be responsible for all or part of the expenses associated with violating this administrative regulation, including the cost of treatment and reinstatement of the license. The responsibility for payment of expenses shall be as follows:

(1) For a drug or alcohol test initiated by the commission to determine if a violation has occurred, the commission shall bear the cost unless the test reveals a violation. If the test reveals a violation:

(a) For a first offense, the offender's responsibility for costs shall be based upon consideration of the factors set forth in Section 5(4)(a) through (l) of this administrative regulation, and determined by the stewards, judges, or other authorized commission employee; and

(b) For a second or later offense, the offender shall bear all costs.

(2) Failure to pay any costs imposed shall be grounds for denial of reinstatement.

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation prohibits licensees of the Commission from abusing alcohol or engaging in illegal drug use or activity while performing their duties, provides for drug and alcohol testing, and establishes consequences for violations of this administrative regulation.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to prevent alcohol and drug abuse at locations under the jurisdiction of the Commission, to provide for the safety racing participants and spectators.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation establishes prohibitions concerning alcohol and drug abuse at locations under the jurisdiction of the Commission.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in ensuring that racing activities are conducted in a safe manner free of the hazards of drug and alcohol abuse.

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Commission is affected by this administrative regulation, and any licensed participant in horse racing is potentially affected by this administrative regulation. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Licensed participants in horse racing will be required to refrain from alcohol and drug abuse and be subject to testing at locations under the jurisdiction of the Commission.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No costs will be imposed upon licensees, except to the extent that a licensee may be required to enroll in and complete a substance abuse program or pay for all or a portion of testing expense upon a positive test.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Licensed participants in horse racing will benefit from racing activities that are conducted in a safe manner free of the hazards of drug and alcohol abuse.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering is not applied because this administrative regulation will apply to all licensees in an equal manner.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.260.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? No revenue will be generated by this administrative regulation for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): None.

Expenditures (+/-): Slight increases in expenditures may result in those instances in which the commission assumes the cost of drug or alcohol tests which are negative.

Other Explanation: The Commission does not derive revenue from this regulation; the penalties are suspensions and not fines.

RELATES TO: KRS 230.215(2)

STATUTORY AUTHORITY: KRS 230.215(2), 230.240(1), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.240(1) authorizes the commission to prescribe by administrative regulation the required officials for horse racing and their official duties. KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing conditions under which all horse racing is conducted. This administrative regulation establishes the qualifications, duties, powers, and responsibilities of the stewards.

Section 1. Steward Qualifications. To qualify for employment or approval by the commission to serve as a steward, a person shall have:

(1)(a) Successfully completed an accreditation school or program approved by the commission; and

(b) Satisfactorily passed a written and oral examination given by the school or program;

(2) Served as a steward, racing secretary, assistant racing secretary, starter, placing judge, horse identifier, paddock judge, or clerk of scales, at one (1) or more recognized race meetings for a period of not less than sixty (60) racing days per year during at least three (3) of the five (5) preceding calendar years;

(3) Been an observer in the stewards stand for a period of at least thirty (30) days; and

(4) Satisfactorily passed an optical examination within one (1) year prior to approval as a steward evidencing corrected twenty-two (20-20) vision and ability to distinguish colors correctly.

Section 2. Steward Prohibitions. (1) No person shall serve as a steward until approved by the commission.

(2) No person under suspension or ejection by any racing jurisdiction shall be employed or approved by the commission to serve as a steward.

(3) No person may serve as a steward unless the commission

is satisfied that income, other than salary as a steward, that may accrue to a person under consideration for appointment as a steward is independent of and unrelated to patronage of or employment by any licensee under the supervision of the steward, so as to avoid the appearance of any conflict of interest or suggestion of preferential treatment of a licensee.

Section 3. Employment of Stewards. (1) The commission shall employ and compensate two (2) of the three (3) stewards for each race meeting, including the chief steward.

(2) A racing association shall nominate one (1) of the three (3) stewards for each race meeting for approval by the commission and shall be responsible for that person's compensation as a steward.

(a) The association nomination for steward shall be submitted when an association applies for a license if possible, but in no event later than thirty (30) days before commencement of a race meeting, and shall be accompanied by biographical data describing the experience and qualifications of the nominee.

(b) The association shall submit successive nominees until one (1) person is approved by the commission as qualified to serve as a steward.

(3) Stewards shall serve from one (1) minute after midnight on the day before the first racing day until one (1) minute before midnight on the day after the last racing day of the race meeting for which they are employed. If a dispute or controversy arises during a race meeting that is not settled at the conclusion of the race meeting, then the matter shall be adjudicated by the stewards at a successive race meeting in Kentucky, or until the matter is referred or appealed to the commission.

(4) Stewards shall be responsible only to the commission and may be replaced by the commission at any time for failure to perform their duties to the satisfaction of the commission.

(5) If a steward becomes ill, resigns, or is unable to serve for any reason, the remaining stewards shall nominate a successor or temporary steward to the commission for approval. In emergencies, a single member of the commission by telephone may approve employment of a successor steward.

Section 4. General Powers of Stewards. The stewards shall exercise immediate supervision, control, and regulation of racing at each licensed race meeting on behalf of and responsible only to the commission. The powers of the stewards shall include:

(1) Authority over all horses and all persons, licensed or unlicensed, on association grounds and at locations under the jurisdiction of the commission during a race meeting as to all matters relating to racing;

(2) Determining all questions, disputes, protests, complaints, or objections concerning racing which arise during a race meeting and enforcing the determinations;

(3) Suspending the license of a participant in racing or denying licensed or unlicensed persons access to association grounds or locations under the jurisdiction of the commission, upon reasonable belief that a violation of KAR Title 810 has or is about to occur;

(4) Interpreting and enforcing Chapter 230 of the Kentucky Revised Statutes and Title 810 of the Kentucky Administrative Register and determining all questions pertaining to a racing matter not specifically covered by these administrative regulations;

(5) Issuing decisions or rulings pertaining to racing which shall supersede orders of the officers, directors, and officials of the association and which shall, if the stewards deem proper, vary any arrangement for the conduct of a race meeting, to include postponing or canceling a race, or ruling a race run as "no contest";

(6) Requesting assistance from commission employees, racing officials, members of the Thoroughbred Racing Protective Bureau, track security police, or state or local police, in the investigation of possible rule infractions;

(7) Conducting hearings on all questions, disputes, protests, complaints, or objections concerning racing matters;

(8) Selecting a substitute, if a regularly named rider or racing official other than a steward is unable for any reason to perform. Upon suspicion of fraud or misconduct, the stewards may excuse a horse or replace any rider or racing official other than a steward;

and

(9) All other powers and duties established for stewards in Title 810 KAR.

Section 5. Duties and Responsibilities of Stewards. In addition to the duties and responsibilities necessary and pertinent to general supervision, control, and regulation of race meetings, and without limiting the authority of the stewards to perform these and other duties enumerated in these administrative regulations, the stewards shall have the following specific duties and responsibilities:

(1) To take appropriate action on all misconduct or administrative regulation infractions, to cause investigations to be made of all instances of possible infractions, and to take appropriate action to prevent an administrative regulation infraction;

(2) To have at least one (1) steward on association grounds from scratch time or if not a racing day, when entries are first taken until entries are closed. At least two (2) stewards shall be present for the scheduled viewing of race replays. All three (3) stewards shall be on association grounds no less than ninety (90) minutes before post time until conclusion of the last race. All three (3) stewards shall be present in the stewards' stand during the running of each race;

(3) To have at least one (1) steward, or a designated representative of the stewards, present in the paddock at least twenty (20) minutes before each race. The steward may remain there until the horses leave for the starting gate, to observe the conduct of all persons in and around the paddock and inspect, with the paddock judge and commission veterinarian, all horses for fitness;

(4) To inspect applications for licenses to participate in racing, and administer, or cause to be administered by technically qualified persons, standard examinations to all first-time applicants for a trainer, jockey, apprentice jockey, veterinarian, dental technician, or farrier license, and make recommendations to the commission as to the qualifications of all applicants for licenses to participate in racing;

(5)(a) To review licenses and registration certificates, and contracts, papers, and other documents pertaining to the sale or ownership of a horse, payment of purse money, jockey and apprentice jockey contracts, appointments of agents, and adoptions of racing colors or stable name; and

(b) To determine the eligibility and appropriateness for participation in racing under supervision of the stewards;

(6) To call for proof of eligibility of a horse or person to participate in a race, if eligibility is in question and in absence of sufficient proof to establish eligibility, the stewards may rule that horse or person ineligible;

(7) To review stall applications and advise the association of undesirable persons, if any, among owners and trainers applying for stalls and provide the association with information pertaining to the undesirable persons;

(8) To supervise the taking of entries and receive all declarations and scratches and determine all questions arising and pertaining to declarations and scratches. The stewards may in their discretion refuse the entry of any horse by any person, refuse to permit a declaration or scratch, or may limit entries;

(9) To lock all pari-mutuel betting machines not later than the moment the starting gate is opened for the commencement of a race, to cause the "inquiry" sign to be posted immediately after the horses have crossed the finish line in a race if any doubt is held by any steward or any other racing official as to the fairness of the running of that race, to cause the objection sign to be posted upon the lodging of an objection, and to cause the "official" sign to be posted after determining the official order of finish for purposes of pari-mutuel payoff;

(10) To draw up a list of riders including all apprentice jockeys whom the stewards feel should review the race replays for instructional purposes and post that list in the jockey's room;

(11) To maintain a daily Stewards Report recording all actions taken by the stewards on all controversies that arise during the day. The report shall show name of track, date, weather, track

condition, claims, rulings issued, and any other circumstance or condition regarded as unusual. The reports shall be signed by all three (3) stewards and filed with the commission;

(12) To make periodic inspections of the barn area and check track security and to make occasional, informal visits to the jockeys' room and observe weighing out and check security. Inspections and observations made pursuant to this section shall be noted in the stewards' report;

(13) To maintain a written record of all questions, disputes, protests, complaints, or objections brought to the attention of the stewards, and which, at the discretion of the stewards, warrant investigation and the creation of a written record. The record shall be available to the commission for inspection at all times; and

(14) If deemed necessary, after the conclusion of a race meeting, to submit to the commission a written report setting out the condition of the meeting and association grounds, and any recommendations for improvement.

(4) Be licensed in any other capacity without permission of the commission;

(5) Directly or indirectly wager on the outcome of any live race which the person is officiating; or

(6) Refuse to submit to a breath, blood, or urine test if directed to do so by the commission or its designee.

Section 8. Location of Judge's Stand.

(1) The judge's stand shall be located and constructed so as to afford an unobstructed view of the entire track.

(2) Anything that might obscure or otherwise impede an official's vision of any portion of a track during a race shall not be permitted on the track.

Section 9. Judge's Stand Occupants. From fifteen (15) minutes before the first race until ten (10) minutes after the last race, the occupants of the judge's stand shall be limited to:

(1) Judges;

(2) Clerk of the course;

(3) Secretary;

(4) Starter;

(5) Timers;

(6) Official announcer;

(7) Runner who posts the photo finish;

(8) Officials of the commission; and

(9) Other persons specifically authorized by the presiding judge.

Section 10. Appointment of Substitute Officials. If a vacancy exists among the association racing officials, the association shall fill the vacancy immediately with a temporary appointment. The appointment shall be effective until the vacancy is filled in accordance with this administrative regulation. A temporary or emergency appointment shall be approved by the executive director of the commission or the presiding judge.

Section 11. Appointment of Substitute Judge. If a judge is absent at race time, the presiding judge shall appoint a substitute. If a substitute is appointed, the commission shall be notified immediately by the presiding judge.

Section 12. Presiding Judge. The presiding judge shall:

(1) Supervise the following persons:

(a) Associate judges;

(b) Patrol judges;

(c) Starters;

(d) Paddock judges;

(e) Photo finish judge;

(f) Clerk of the course;

(g) Timers;

(h) Charters;

(i) Racing secretary;

(j) Official announcer; and

(k) Other licensed personnel directly responsible for conducting the racing program;

(2) Promptly notify owners, trainers, drivers and grooms of penalties imposed;

(3) Promptly submit a detailed written report to the commission of violations of the rules by an association, its officers, or race officials;

(4) Make other reports required by the commission;

(5) Sign each sheet of the judge's book, verifying the correctness of all information, and forward the sheets to the United States Trotting Association no later than the day following the contesting of the race; and

(6) Be responsible for the maintenance of the records of the meeting and for forwarding them to the commission.

Section 13. Authority and Procedure of Judges. A presiding judge shall:

(1) Levy fines and penalties, as provided by KRS Chapter 230 and 810 KAR Chapter 5 and 810 KAR Chapter 8;

(2) Determine questions of fact relating to the race;

(3) Decide any differences between parties to the race, or any contingent matter which arises, that are not otherwise provided for in this administrative regulation;

(4) Declare pools and bets "off" in cases of fraud;

(a) A decision regarding pools and bets shall be made by the presiding judge at the conclusion of the race, and prior to the result of the race being announced as official, based upon the:

1. Observation of the presiding judge; and

2. Facts determined upon immediate investigation.

(b) After the official placing at the conclusion of the heat or dash, a reversal or change of decision shall not affect the distribution of betting pools made on the official placing.

(c) If pools and bets are declared "off" for fraud, the party who commits the fraud shall be charged pursuant to Section 27(2) of this administrative regulation;

(5) Control the horses, drivers, and assistants by citing any drivers or assistants who fail to obey their orders or 810 KAR Chapter 5 or 810 KAR Chapter 8;

(6) Examine under oath any party connected with a race regarding a wrong or complaint;

(7) Compel by written notice the appearance of a person

whose testimony is necessary to the proper conduct of a hearing;

(8) Consider complaints of foul only from the patrol judges, owners, trainers, or drivers in the race;

(9) Make decisions in the public interest and in the best interest of racing that are required by extraordinary circumstances not covered by Title 810 KAR; and

(10) Declare a dash or heat "no contest" if the track is thrown into darkness during the progress of a race because of a failure of electricity or any other unforeseen incident.

#### Section 14. Judges' Duties.

(1) (a) A presiding judge shall exclude from the race a horse that in the judge's opinion is improperly equipped, dangerous, or unfit to race, including a horse that is sick, weak, or extremely lame.

(b) A horse shall not race:

1. With a tube in its throat, or with the assistance of any other medical device, unless the approval of the presiding judge and the commission veterinarian are obtained prior to the race;

2. If it does not have unimpaired vision in at least (1) eye; or

3. If it is infected with Equine Infectious Anemia or is a carrier of that disease.

(2) A presiding judge shall investigate any:

(a) Apparent or possible interference, or other violation of 810 KAR 5:070, Section 1, whether or not a complaint has been made by a driver; or

(b) Act of cruelty to a race horse that is seen by, or reported to, him by any person during a meeting at which he officiates. If a judge finds that an act of cruelty has been committed, he shall charge the offender pursuant to Section 25(1) of this administrative regulation;

(3) The executive director of the commission, or the designated representative of the commission:

(a) Shall have the same authority as that conferred upon judges by the provisions of this section;

(b) May impose a penalty for an act of cruelty or neglect of a horse committed by any person, whether the act was performed on or off the premises of a race track; and

(c) Shall report any suspected criminal act to the appropriate law enforcement authorities.

(4)(a) A presiding judge shall conduct an investigation of an accident to determine its cause on the day of a race or immediately thereafter; and

(b) At the time of an accident the:

1. Inquiry sign shall be posted; and

2. The race shall not be declared official until the presiding judge has conferred with the patrol judge, if one (1) is present, and the starter.

(5) A presiding judge shall exhaust all means to safeguard the contestants and the public.

#### Section 15. An association shall not:

(1) Rescind or modify a fine imposed by a presiding judge;

(2) Review an order of suspension or expulsion; or

(3) Interfere with any official in the performance of his or her duties.

#### Section 16. Judges' Procedure. (1) The judges shall:

(a) Be in the stand:

1. Fifteen (15) minutes before the first race;

2. For ten (10) minutes after the last race; and

3. Whenever the horses are upon the track;

(b) Observe the preliminary warming up of horses and scoring, noting:

1. Behavior of horses;

2. Lameness;

3. Equipment;

4. Conduct of the drivers;

5. Changes in odds at pari-mutuel meetings;

6. Unusual incidents pertaining to horses or drivers participating in races; and

7. Any apparent or possible interference or other violation of 810 KAR 1:070, Section 1; and

(c) Designate one (1) of the judges to lock the pari-mutuel machines immediately upon the horse reaching the official starting point.

(2) The presiding judge shall:

(a) Approve the post time for each race;

(b) Call the horses at a time sufficient to preclude excessive delay after the completion of two (2) scores; and

(c) Be in communication with the starter from the time the starter picks up the horses until the finish of the race.

(3) A patrol judge or starter who witnesses a violation of KRS Chapter 230 or 810 KAR Chapter 5 or 810 KAR Chapter 8 shall immediately report the violation to the presiding judge.

(4) At least one (1) judge shall observe the drivers throughout the stretch, and specifically note:

(a) Changing course;

(b) Any driving offenses or instances of interference with a race;

(c) Improper use of whips;

(d) Breaks; and

(e) Failure to contest the race to the finish.

(5) Photo sign.

(a) The photo sign shall be displayed if:

1. The order of finish among the contending horses is less than a half-length; or

2. A contending horse is on a break at the finish.

(b) After the finish:

1. The photo shall be examined;

2. A decision shall be made;

3. The photo shall be checked by the presiding judge for accuracy; and

4. The photo shall be posted for public inspection after the race has been declared official.

(6) The judges shall decide the order of finish if:

(a) The photo finish camera suffers electrical or mechanical failure; or

(b) A distorted, deceptive, or otherwise inadequate picture is developed.

(7)(a) The judges shall cause a horse to be examined by the commission veterinarian if it falls or runs loose and uncontrolled:

1. During warm up;

2. Prior to the race; or

3. Going to the post.

(b) If the commission veterinarian determines that the horse is unfit, the presiding judge shall order the horse scratched.

(c) If the trainer believes his or her horse is unfit to race, the trainer shall so advise the judge. The judge shall then determine if the horse is unfit to race.

#### Section 17. Patrol Judges.

(1) At the discretion of the judges, patrol judges may be appointed by the association.

(2) Appointment of patrol judges shall require the approval of the presiding judge.

(3) Patrol judges shall be supervised by the presiding judge.

(4) Patrol judges shall observe activity on the race track in their area during the race program.

(5) Patrol judges shall immediately report to the presiding judge any fouls or improper conduct, including:

(a) Action on the track which could improperly affect the result of a race;

(b) A violation of KRS Chapter 230, 810 KAR Chapter 5, or 810 KAR Chapter 8;

(c) A violation of the rules of decorum;

(d) The lameness or unfitness of a horse; or

(e) A lack of proper racing equipment.

(6) Patrol judges shall be in constant communication with the judges during the course of a race.

(7) Patrol judges shall attend hearings or inquiries on violations, if requested by the presiding judge, and testify under oath.

(8) If patrol judges have been appointed, results of a heat or dash shall not be announced until the reports of the patrol judges have been received.

Section 18. Starter.

- (1) Subject to the approval of the commission, the starter shall be:
- (a) Designated by the association; and
  - (b) Licensed as a starter by the commission.
- (2) The starter shall be in the starting gate fifteen (15) minutes before the first race.
- (3) The starter shall have control over the horses from the formation of the post parade until the word "go" is given.
- (4) A starter may recommend disciplinary action to a presiding or associate judge.
- (5) If requested by the judges, the starter may assist in placing the horses.
- (6) A starter shall be licensed by the United States Trotting Association as a prerequisite to approval by the commission to serve as a starter.

Section 19. Clerk Duties; Clerk of the Course. The clerk of the course shall:

- (1) Assist in drawing positions if requested by the judges;
- (2) Keep the judge's book and record, containing:
  - (a) All horses entered without electronic eligibility certificates;
  - (b) Names of owners, drivers, and license numbers of drivers;
  - (c) The charter lines at pari-mutuel meetings;
  - (d) Money won by a horse at that track during that race meeting;
  - (e) Drawn or ruled out horses;
  - (f) The performance time of horses in minutes, seconds, and fifths of seconds; and
  - (g) Information related to the finish of the race, including the position of a horse in the race if it was charted;
- (3) Verify the correctness of the judge's book, including race time, placing and money winnings, and reasons for disqualification, if any;
- (4) Verify that the book is properly signed; and
- (5) Upon request, assist judges in placing horses.

Section 20. Timers.

- (1) If an electronic or electric timing device is used, the device shall be approved by the commission.
- (2) Time shall be announced and recorded in fifths of seconds.
- (3)(a) If an electronic or electric timing device is used, there shall be one (1) timer in the judge's or timer's stand.
- (b) If an electronic or electric timing device is not used, there shall be three (3) timers in the judge's or timer's stand.
- (4)(a) The timers shall be in the stand fifteen (15) minutes before the first heat or dash is to be contested.
- (b) Timers shall start their watches when the first horse leaves the point from which the distance of the race is measured.
- (c) The time of the leading horse at the quarter, half, three-quarters, and the finish shall be taken.
- (d) If odd distances are raced, the fractions shall be noted accordingly.

Section 21. Paddock Judge.

- (1) Under the direction and supervision of the presiding judge, the paddock judge shall be in complete charge of paddock activities as specified in 810 KAR 2:080, Section 8.
- (2) The paddock judge shall be approved by the commission, pursuant to Section 6(3) of this administrative regulation.
- (3) The paddock judge shall:
  - (a) Ensure that the fields are on the track for the post parade in accordance with the schedule provided by the presiding judge;
  - (b) Check for changes in equipment, broken or faulty equipment, head numbers, or saddle pads;
  - (c) Supervise paddock gate personnel; and
  - (d) Check in and check out horses and drivers. Check in and check out shall include the identification of all horses coming into the paddock, by the freeze brand, tattoo number, or other uniform or standardized means of identification approved by the commission.
- (4) The paddock judge shall:
  - (a) Direct the activities of the paddock farrier;

- (b) Immediately notify the presiding judge of any circumstances that could change, delay, or otherwise affect the racing program;
- (c) Report to the presiding judge any incident of cruelty to a horse that he or she observes or is aware of;
- (d) Ensure that only properly authorized persons are permitted in the paddock;
- (e) Notify the presiding judge of a change of racing equipment or shoes before the race;
- (f) Inspect and supervise the maintenance of emergency equipment kept in the paddock; and
- (g) Notify judges of any trainers, drivers, or grooms who leave the paddock in an emergency.

Section 22. Identifier.

- (1) An association shall employ an identifier, licensed by the commission and the United States Trotting Association, at an extended pari-mutuel meeting.
- (2) The identifier shall:
  - (a) Check the identification of horses coming into the paddock, including the tattoo number, freeze brand or other commission-approved means of identification, color, and markings; and
  - (b) Be under the immediate supervision of the paddock judge, and the general supervision of the presiding judge.
- (3)(a) The identifier shall immediately report to the paddock judge a discrepancy that is detected in the tattoo number or freeze brand, or other commission-approved means of identification, or the color or markings of a horse; and
- (b) The paddock judge shall immediately notify the presiding judge of the discrepancy.

Section 23. Program Director.

- (1) Subject to the approval of the commission an association conducting an extended pari-mutuel meeting shall designate a program director, pursuant to Section 6(3) of this administrative regulation.
- (2) The program director shall be responsible for furnishing the public with complete and accurate past performance information as required by 810 KAR 5:010, Section 3.
- (3) A person shall not act as a program director at an extended pari-mutuel meeting unless that person has secured a license from the United States Trotting Association.

Section 24. Licensed Charter.

- (1) At an extended pari-mutuel meeting and a grand circuit meeting, a race shall be charted by a licensed charter hired by the track.
- (2) The charter shall be subject to the approval of the commission, pursuant to Section 6(3) of this administrative regulation, and shall be licensed by the United States Trotting Association.
- (3) The charter shall be responsible for providing a complete and accurate chart which shall include the following:
  - (a) The name of the horse;
  - (b) The name of the driver;
  - (c) Date and place of race;
  - (d) Size of track;
  - (e) Track condition and temperature;
  - (f) Type of race (trot or pace);
  - (g) Classification of race;
  - (h) Distance;
  - (i) The fractional times of the leading horse, including the race time;
  - (j) Post position, position at the quarter (1/4), half (1/2), three quarters (3/4), head of the stretch with lengths behind the leader, and finish with lengths behind the leader;
  - (k) Official order of finish;
  - (l) Individual time of each horse;
  - (m) Closing dollar odds if applicable (with favorite designated by an asterisk);
  - (n) The standard symbols for breaks, park outs, and free legged pacers if applicable;
  - (o) The price for which the horse is entered to be claimed less allowances for age and sex if the race is a claiming race; and

- (p) Notations of placings, disqualifications, and claimed horses.
- (4) Horses who are more than twenty-five (25) lengths off the leader may be noted in charts as distanced ("dis").

Section 25. Any variance from commonly-accepted equipment shall be approved by the presiding judge.

Section 26. Duties of the Race Secretary. The race secretary of an association shall be licensed and approved by the commission, pursuant to Section 6(3) of this administrative regulation. The race secretary shall:

- (1) Ensure that all horses racing during the meet have electronic eligibility certificates;
- (2) Be familiar with the age, class, and competitive ability of horses racing at the track;
- (3) Classify and reclassify horses at the meet in accordance with the required conditions of the race;
- (4) List horses in the categories for which they qualify, and ensure that the lists are current and properly displayed in the room in which the declaration box is located for examination by horsemen and others;
- (5) Provide for the listing of horses in the daily program;
- (6) Verify the information contained in entry blanks and declarations;
- (7) Select the horses to start and also the eligible horses from the declarations in accordance with the conditions of the race; and
- (8) Examine nominations and declarations in early closing events, late closing events, and stake events, to verify the eligibility of all declarations and nominations, and to compile lists for publication.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

- (1) Provide a brief summary of:
  - (a) What this administrative regulation does: This administrative regulation establishes the duties, responsibilities, and powers of the judges who preside over standardbred horse races under the jurisdiction of the Commission. This administrative regulation also sets forth the duties of the association racing officials who perform various duties in conducting standardbred horse races.
  - (b) The necessity of this administrative regulation: This administrative regulation is necessary to enable the judges to effectively govern standardbred race meetings under the jurisdiction of the Commission, and to prescribe the duties of

association racing officials who assist in conducting horse races.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation confers upon the judges the authority to ensure that race meetings are conducted in a fair and efficient manner, and prescribes the duties of association racing officials who perform various functions in conducting races.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes by granting the judges the authority to preside over race meetings under the jurisdiction of the Commission, and by establishing the duties of association racing officials who assist in conducting horse races.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Commission is affected by this administrative regulation, and any licensed participant in horse racing is potentially affected by this administrative regulation. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Licensed standardbred racing associations, and the racing officials employed by them, are required to comply with the duties set forth concerning the functions of various racing officials participating in horse races. No particular action will be required of other licensed participants in horse racing to comply with this administrative regulation, except to the extent participants are subject to the authority, direction, and rulings of the stewards.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Racing associations are required to employ the racing officials whose duties are set forth in this administrative regulation. No other significant costs are associated with performing the prescribed duties.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Licensed Standardbred racing officials, and the Standardbred judges, will benefit from having their various duties and regulatory guidelines clearly defined.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be used to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation

establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering is not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.240, 230.260, 230.280, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### **PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)**

#### **810 KAR 2:060. Owners' authorized agents and jockey agents.**

RELATES TO: KRS 230.215, 230.260

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) vests the Kentucky Horse Racing Commission with the authority to promulgate regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. The function of this administrative regulation is to outline the requirements for authorized owner and jockey agents.

Section 1. Agents Permitted. Any licensed owner, jockey, or apprentice jockey may authorize another person as an agent to act on the licensee's behalf in all matters pertaining to racing in this state and transfer of horses on association grounds, provided the authorization is in writing and defines the powers, limits, and term of the agency.

Section 2. License Required. No person may act as agent on behalf of another licensee in a matter pertaining to racing in this

state, or in the transfer of horses on association grounds, without a current license.

#### Section 3. Owners' Authorized Agents.

(1) If an authorized agent is to act on behalf of more than one (1) owner, a separate agent license shall be obtained by each owner.

(2) An owner seeking to act through an authorized agent shall submit a completed Authorized Agent License Application, KHRC 2-060-01. An application submitted by an owner for an authorized agent license shall be accompanied by the original written agency appointment, signed by the owner and notarized.

(3) If the agency appointment is other than one authorizing broad general powers and qualifies or limits powers of the agent to act on behalf of the principal in any way, then the license, if issued, shall indicate the limitation by the word "qualified" or "limited."

(4) No racing official shall permit any authorized agent whose license indicates a qualified or limited agency to act as an authorized agent until the racing official has inspected a copy of the agency appointment and ascertains whether the act is empowered by agency.

(5) Unless precluded by specified limitations in the agency appointment, a licensed authorized agent may perform on behalf of the licensed owner all acts related to racing in this state or transfer of horses on association grounds that could be performed by the principal had the principal been present. In executing any document on behalf of the principal, an authorized agent shall clearly indicate he or she is acting as an authorized agent and shall specify the principal for whom he or she is acting. When an authorized agent enters a claim for the account of a principal for whom he or she is licensed as an authorized agent, the name of the licensed owner for whom the claim is being made and the name of the authorized agent shall appear on the claim slip.

#### Section 4. Jockey Agents.

(1) No jockey agent shall make engagements for more than two (2) riders. No rider may be represented by two (2) jockey agents at one (1) time.

(2) No person other than a licensed jockey agent may make riding engagements for a rider, except that a jockey not represented by an agent may make his own riding engagements. Any person permitted to make a riding engagement for a rider shall maintain in his or her possession an engagement book and shall record all riding engagements made, which shall be subject to examination by the stewards at any time. No jockey agent may enter the jockey room, paddock, or racing strip during the hours of racing.

(3) Any dispute arising from a conflict of claims for the services of a rider shall be determined by the stewards on the basis of written records submitted by the parties involved.

Section 4. Termination of Agency. An agency shall remain in effect until written notification of revocation from the principal is received by the commission. If a jockey agent is dismissed by his employer, or if a jockey agent discontinues making engagements for a rider, then the jockey agent shall immediately notify the stewards and turn over to the clerk of scales a list of any unfulfilled engagements the jockey agent may have made for the rider.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes requirements for the use of authorized agents in horse racing.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to clarify the roles of and restrictions of authorized agents in horse racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation outlines the conditions under which authorized agents are permitted to function in horse racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission licensed 161 authorized agents in 2017. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Authorized agents are required to obtain a commission license and secure a written agreement between the principal and the agent.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No additional costs will be required to comply with this administrative regulation, other than to obtain a license for a fee of \$150.00. This fee is consistent with previous years.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Authorized agents will benefit from obtaining a clear understanding of their roles in horse racing and the restrictions upon their activities.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Any necessary funding will be provided from the budget of the Kentucky Horse Racing Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate in licensed horse racing with pari-mutuel wagering thereon in Kentucky.

(9) TIERING: Is tiering applied? Tiering is not applied because this amended regulation will apply to all similarly situated licensees in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

**810 KAR 2:070. Thoroughbred and other flat racing associations.**

RELATES TO: KRS 230.215(2), 230.260(8)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS

230.215(2) and 230.260(8) require the commission to promulgate administrative regulations establishing conditions governing horse racing. This administrative regulation establishes requirements for thoroughbred and other flat racing associations.

Section 1. Maintenance of Grounds, Facilities and Uniform Track.

(1) The grounds and facilities of an association shall be maintained in a manner that provides for the:

- (a) Comfort and safety of patrons, employees, and other persons whose business requires their attendance; and
- (b) Health and safety of horses that are stabled, exercised, or entered to race at the association.

(2) The grounds and facilities of an association shall be:

- (a) Neat and clean;
- (b) Painted; and
- (c) In good repair.

(3) An association shall have implements adequate to maintain a uniform track, weather conditions permitting.

Section 2. Results Boards, Totalizators Required. An association shall provide and maintain mechanically operated totalizators and electronic boards that show odds, results, and other race information in plain view of patrons.

Section 3. Starting Gate.

(1) An association shall provide and maintain a working starting gate on every day horses are permitted to exercise on its racing strip.

(2) An association shall have in attendance one (1) or more persons qualified to keep the starting gates in good working order whenever the gates are in use.

(3) An association shall provide for periodic inspections of the starting gates.

Section 4. Stabling.

(1) An association barn and stall shall be:

- (a) Constructed of fire-resistant material;
- (b) Clean, sanitary, and equipped for adequate drainage; and
- (c) Maintained in good repair.

(2)(a) Prior to the opening of a race meeting, the commission shall submit to the racing secretary a list of locations of approved off-track stabling facilities from which horses shall be permitted to race.

(b) The locations shall be considered association grounds.

Section 5. Stands for Officials.

(1) An association shall provide and maintain stands commanding an uninterrupted view of the entire racing strip for racing officials.

(2) The stands and their locations shall be approved by the commission.

(3) The floor of patrol judge stands shall be at least six (6) feet higher than the track rail.

Section 6. Distance Pole Markings.

(1) A thoroughbred or other flat racing association shall have:

- (a) Red and white quarter poles;
- (b) Green and white eighth poles; and
- (c) Black and white 16th poles.

(2) Permanent markers shall be located at each standard Arabian, quarter horse, paint horse and appaloosa distance as applicable. Distance pole markers and permanent markers shall be located where they can be seen clearly from the stewards' stand. Each post shall be identified by color as follows: 220 yds., white; 250 yds., blue; 300 yds., yellow; 330 yds., green; 350 yds., red; 400 yds., black; 440 yds., orange; 550 yds., blue and white stripe; 660 yds., yellow and white stripes; 770 yds., green and white stripes; and 870 yds., red and white stripes. In addition, for appaloosa races, markers shall be located at six (6) and six and one-half (6 1/2) furlongs to be painted yellow and white and orange and white, respectively.

Section 7. Lighting.

(1) An association shall provide and maintain flood lights that provide adequate illumination in the stable area and parking area.

(2) If an association conducts night racing, it shall provide adequate track lighting.

Section 8. Facilities for Stable Employees.

(1) An association shall provide and maintain in good repair adequate living quarters and conveniently located sanitary facilities that shall include showers, toilets, and wash basins for stable employees.

(2) Personnel shall not be permitted to sleep in a stall or barn loft.

Section 9. Facilities for Jockeys.

(1) An association shall provide and maintain adequate facilities for jockeys scheduled to ride each day.

(2) The facilities shall include accommodations for rest and recreation of jockeys on racing days, showers, toilets, wash basins, mirrors, arrangements for safekeeping of apparel and personal effects, and snack bar.

Section 10. Facilities for Commission.

(1) An association shall provide adequate office space for the commission on its grounds.

(2) To assist in the conduct of official business, an association shall provide the following to the commission:

(a) A season box, marked "Kentucky Horse Racing Commission", of six (6) to eight (8) seats; and

(b) A number of parking places sufficient for the commission and commission staff.

(3) An association shall honor for access to preferred parking facilities and other areas on its grounds a commission or Association of Racing Commissioners International ring, lapel button, or automobile emblem.

Section 11. Sanitary Facilities for Patrons. An association shall, on every racing day, provide sanitary toilets and wash rooms, and free drinking water adequate for the number of patrons and persons having business at the association that comply with applicable statutes, administrative regulations, codes or ordinances.

Section 12. Manure Removal.

(1) An association shall provide and maintain manure pits of the size and construction adequate to handle refuse from stalls.

(2) The contents of the manure pits shall be removed from the stable area as promptly as is possible.

Section 13. Photo Finish Cameras.

(1) An association shall provide and maintain at the finish line two (2) photo finish cameras for photographing the finish of races.

(2) One (1) of the photo finish cameras shall be held in reserve. The photo finish photographer shall promptly furnish to the stewards and placing judges the number of prints of finishes requested.

(3) An association shall maintain a one (1) year file of all photo finishes.

Section 14. Race Replays.

(1) During a race meeting, an association shall provide and maintain personnel and equipment necessary to record and produce race replays that clearly record each race from start to finish.

(2) Projection or viewing equipment shall be adequate to permit simultaneous showing of head-on and side-angle views of the running of each race.

(3) (a) A race replay shall be:

1. Retained and secured by an association for at least one (1) year; and

2. Made available to the commission and stewards upon demand.

(b) Upon order of the stewards, a visual record of a race that has raised a question, dispute, or controversy shall be filed with the

commission.

(4) Race replays shall be made available:

- (a) For viewing at the track by licensees who owned, trained, or rode a horse in the race requested to be viewed; and
- (b) To members of the press.

#### Section 15. Ambulances.

(1) An association shall provide and maintain at least one (1) human ambulance and one (1) horse-ambulance whenever horses are permitted to exercise or race.

(2) An ambulance shall be:

- (a) Equipped;
- (b) Manned;
- (c) Ready for immediate duty; and
- (d) Located at an entrance to the racing strip.

Section 16. (1) Except as provided by subsection (2) of this section, an association shall equip and maintain a first aid facility that is:

- (a) Equipped with at least two (2) beds; and
- (b) Attended by a licensed physician and registered nurse during race hours.

(2) An association shall not be required to maintain a first aid facility, if the association has an ambulance on standby on its premises during racing hours which:

(a) Can transport an injured individual to a fully-equipped hospital emergency room in five minutes or less; and:

(b) Is manned by a certified paramedic and certified emergency medical technician.

(3) A paramedic provided pursuant to subsection (2) of this section shall be equipped with:

- (a) Heart monitor and defibrillator;
- (b) Cellular phone; and
- (c) Airways intubation equipment.

Section 17. Track Kitchen. An association shall provide a track kitchen within the stable area, maintained in a clean and sanitary manner that complies with applicable statutes, administrative regulations, codes, or ordinances, at all times horses are stabled on association grounds.

Section 18. Communication System. An association shall install and maintain in good working service a communication system between the stewards' stand and:

- (1) Outriders;
- (2) Pari-mutuel department;
- (3) Starting gate;
- (4) Public address announcer; and
- (5) Clerk of the scales.

#### Section 19. Fire Prevention.

(1) An association shall have a fire prevention and suppression program.

(2) The commission shall not approve the commencement of a race meeting unless, within fifteen (15) days before commencement of the race meeting, the state or local fire marshal:

- (a) Has inspected the association; and
- (b) Certified that the association plant and stable area meets fire safety requirements.

(3) An association shall maintain a firefighting unit of trained personnel that has high-expansion foam fire extinguishers and other equipment required by the local fire inspection authority.

(4) An association shall prohibit:

- (a) Smoking in stalls, under shed rows, and in feed rooms;
- (b) Open fires and oil or gas lamps in the stable area; and
- (c) Locking of stalls occupied by horses.

#### Section 20. Association Security.

(1) An association shall provide and maintain security services, night and day, in and about association grounds.

(2) An association shall furnish to the stewards a report on any disturbances or disorderly conduct committed by a person on association grounds.

(3) An association shall exclude from association grounds a person designated to be denied access by order of the commission or stewards.

(4) An association shall implement security measures to protect a horse on association grounds from being injured by being frightened or tampered with.

(5) An association shall exclude from the paddock area, race strip, and winner's entrance a person who:

(a) Does not have an immediate connection with the horses entered; and

(b) Is not a commission member, racing official, or accredited member of the news media.

#### Section 21. Vendors and Suppliers.

(1) A vendor shall comply with procedures and requirements established by an association.

(2) An association shall not attempt to control or monopolize sales to owners, trainers, or stable employees.

(3) An association shall not grant an exclusive concession to a vendor of feed, racing supplies, or racing services.

(4) A vendor of horse feeds or medications shall file with the commission veterinarian a list of products which he or she proposes to sell, including a new preparation or medication.

(5) An association shall not permit the sale of an alcoholic beverage except beer within the stable area.

#### Section 22. Ejection or Exclusion From Association Grounds.

(1) An association shall for probable cause eject or exclude from association grounds a person:

(a) Believed to be engaged in:

- 1. A bookmaking activity;
- 2. Solicitation of bets; or
- 3. Touting;

(b) Who as a business or for compensation, either directly or indirectly:

1. Accepted anything of value to be wagered, transmitted, or delivered for wager to a pari-mutuel wagering enterprise; or

2. Participated in the transaction; or

(c) Who attempted to use tax exempt admissions credentials not issued to him by the association.

(2) An association shall eject or exclude from its stable area a person who is not:

(a) Licensed to conduct an activity that requires his presence in the stable area;

(b) An accredited member of the news media;

(c) A guest of a licensed owner or trainer accompanied by the owner or trainer; or

(d) Accompanied by, and under the control and supervision of a:

- 1. Racing official;
- 2. Association security guard; or
- 3. Association public relations department representative.

(3) (a) A report of an ejection or exclusion from association grounds for any reason shall be made immediately to the stewards, judges, and commission director of security.

(b) A report shall state the:

- 1. Name of person ejected or excluded;
- 2. Reasons for the ejection or exclusion; and
- 3. Facts relating to the ejection or exclusion.

Section 23. Ownership of Associations. An association shall file with the commission a revised list of persons whose identity is required by 810 KAR 3:010 immediately upon transfer of a beneficial interest or control in the association.

#### Section 24. Plan of Association Grounds.

(1) An association shall file with the commission maps and plans of association grounds, showing:

- (a) Structures;
- (b) Piping;
- (c) Fire hydrants;
- (d) Fixed equipment;
- (e) Racing strip, noting elevation as filled, drained, and

gapped; and

(f) Composition of track base and cushion.

(2) An association shall file revised maps or plans of association grounds upon any material change.

Section 25. Attendance and Badge List Reports; Tax Exempt Credentials.

(1) An association shall file with the commission a copy of the form required by KRS 137.180 and 138.480, "Race Track Pari-mutuel and Admissions Report," Revenue Form 73A100.

(2) A tax exempt admission credential shall not be transferable.

Section 26. Financial Report. Within sixty (60) days after the close of its fiscal year, an association shall file:

(1) Three (3) copies of its balance sheet; and

(2) A comparison to the prior year.

Section 27. Horseman's Account and Horseman's Bookkeeper.

(1) An association shall maintain a bank account that shall:

(a) Be separate from its other accounts;

(b) Be titled "horsemen's account"; and

(c) Contain sufficient funds to pay money owing to horsemen for:

1. Purses;
2. Stakes;
3. Rewards;
4. Claims; and
5. Deposits.

(2) Withdrawals from the horsemen's account shall be subject to audit by the commission at any time.

(3) (a) For all races, purse money shall be available to earners after the result of the race in which the money was earned has been declared official; and:

1. For race dates where all samples are reported by the commission laboratory as passed at the screening level, within twenty-four (24) hours after receipt of the report by the commission; or

2. For race dates where one (1) or more sample is reported by the commission laboratory as suspicious at the screening level, within twenty-four (24) hours after receipt of the final report by the commission.

(b) If a horse is disqualified and an appeal has been filed, purse money shall be available to other participants entitled to purse money in the amount they would have earned had a horse not been disqualified. The purse money to which the disqualified participant would be entitled shall be held in escrow by the association until final adjudication of a dispute over which persons are entitled to money.

(4) (a) Except for jockey fees, a deduction from purse money shall not be made, unless the deduction has been requested in writing by the:

1. Person to whom purse money is payable; or
2. Authorized representative of the person to whom purse money is payable.

(b) Whether or not a deduction request is made, at the close of a race meeting, the horsemen's bookkeeper in charge of the horsemen's account shall mail to an owner a duplicate of each record of a deposit, withdrawal, or transfer of funds that affects his racing account.

(5) The horsemen's bookkeeper in charge of the horsemen's account shall be bonded.

Section 28. Outriders.

(1) An association shall employ at least two (2) outriders.

(2) An outrider shall:

(a) Escort starters to the post; and

(b) Assist in the returning of all horses to the unsaddling area.

(c) Only lead a horse that has demonstrated unruliness; and

(d) Assist in the control of a horse that might cause injury to a jockey or others.

(3) Whenever horses are permitted on the racing strip for exercising or racing, an outrider shall be:

(a) Present on the racing strip;

(b) Mounted; and

(c) Ready to assist in the:

1. Control of an unruly horse; or
2. Recapture of a loose horse.

Section 29. Safety Equipment.

(1) A person mounted on a horse or stable pony at a location under the jurisdiction of the commission shall wear a properly secured safety helmet at all times. If requested by a commission official, the person shall provide sufficient evidence that his helmet has a tag, stamp, or similar identifying marker indicating that it meets one of the following safety standards:

(a) ASTM International Standard, ASTM F1163-04a;

(b) British Standards, BS EN 1384:1997 or PAS 015:1999; or

(c) Australian/New Zealand Standard, AS/NZS 3838:2006.

(2) Any person mounted on a horse or stable pony on any location under the jurisdiction of the commission, all assistant starters, and any person handling a horse in a starting gate shall wear a safety vest at all times. If requested by a commission official, the person shall provide sufficient evidence that his safety vest has a tag, stamp, or similar identifying marker indicating that it meets or exceeds one (1) of the following safety standards:

(a) British Equestrian Trade Association (BETA):2000 Level 1;

(b) Euro Norm (EN) 13158:2000 Level 1;

(c) ASTM International Standard, ASTM F2681-08;

(d) Shoe and Allied Trade Research Association (SATRA) Jockey Vest Document M6 Issue 3; or

(e) Australian Racing Board (ARB) Standard 1.1998.

Section 30. Valets.

(1) An association shall employ a number of licensed valets sufficient to attend each rider on a day's racing program.

(2) A valet shall be under the immediate supervision and control of the clerk of scales.

(3) A rider shall not employ a valet or be attended by a person other than the valet assigned to him by the clerk of scales.

(4) A valet shall:

(a) Be responsible for the care and cleaning up of the apparel and equipment of his assigned rider;

(b) Ensure his rider has the proper equipment and colors for a race;

(c) Present the proper equipment and attend the saddling of his rider's mount; and

(d) Attend the weighing out of his rider.

(5) A valet or other jockey room attendant shall not place a wager, directly or indirectly, on races run while he serves as a valet for himself or another.

(6) An association shall provide uniform attire for all valets that shall be worn whenever they perform their duties within public view.

Section 31. Minimum Purse and Stakes Values.

(1) An association shall not program or run any race for which the purse is less than \$2,000 in cash, without special permission of the commission.

(2) An association shall not program or run a stakes race for which the added value is less than \$10,000 in cash added by the association to stakes fees paid by owners.

(3) The minimum cash amounts paid by the association shall be exclusive of:

(a) Nomination;

(b) Eligibility;

(c) Entrance;

(d) Starting fees;

(e) Cash awards;

(f) Premiums;

(g) Prizes; or

(h) Objects of value.

Section 32. Maximum Number of Races. An association shall not program or run more than nine (9) races on a racing day without permission of the commission.

Section 33. Two (2) Year Old Races. Beginning on March 1 of each year, an association shall program in the conditions book at least four (4) two (2) year old races each week.

Section 34. (1) (a) Exculpatory clauses. Stall applications, entry forms, condition books, and other agreements between persons or entities licensed by the Kentucky Horse Racing Commission regarding the stabling of horses, the racing of horses, the training of horses or other activities at tracks owned or operated by licensed associations, and conditions of racing established by licensed associations, shall not contain provisions which absolve or hold harmless a licensee from liability, or limit the liability of a licensee, for loss, loss of use, injury or damage caused or contributed to by the acts or omissions of any licensee or its agents or employees, except for:

1. Ordinary negligence which causes or contributes to loss, injury or damage to horses while on the premises of a licensed association; and

2. Ordinary negligence which causes or contributes to personal injury or property damage, including loss, loss of use, injury or damage to horses arising from the use of grass fields or gallops owned or controlled by the licensed association.

(b) Subject to the exception in paragraph (a) of this subsection, all licensees participating in the stabling of horses, the racing of horses, the training of horses, and related activities at tracks owned or operated by licensed associations shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. A licensee shall not attempt to limit liability of any person or entity for gross negligence or intentional wrongdoing.

(2) Constructive notice to and consent of licensees. All persons licensed by the Kentucky Horse Racing Commission shall be deemed, as a condition of licensure, to have notice of and to have consented to exculpatory provisions, which comply with the limitations set forth in this administrative regulation, included in agreements between licensees and in conditions of racing established by a licensed association. Exculpatory provisions which exceed the limitations set forth in this administrative regulation shall be void and unenforceable in their entirety.

(3) Model provision. The following provision shall be deemed to comply with the limitations set forth in this administrative regulation: All Kentucky Horse Racing Commission licensees, including but not limited to the host association, owners, trainers, jockeys, and grooms ("licensees"), participating in stabling, racing, training, and related activities at (name of licensed association) recognize that hazards and risks inherent in these activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training, and related activities at (name of licensed association), all licensees assume the risks of, and release, hold harmless and covenant not to sue all other licensees so participating for:

(a) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of (name of licensed association); and

(b) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury, or damage to horses arising from the use of grass fields or gallops owned or controlled by (name of licensed association), whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises of (name of licensed association) or any other cause. Except as provided above, all licensees participating in racing, training, and related activities at (name of licensed association) shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes requirements for the day-to-day operation of licensed thoroughbred and other flat facing racetracks racing associations in Kentucky.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the operational, physical, and equipment requirements for Kentucky thoroughbred and other flat facing racetracks.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation establishes the conditions under which racetracks are required to operate during horse race meetings in Kentucky.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that thoroughbred and other flat facing racetracks are operated during horse race meetings in Kentucky in a manner consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's thoroughbred racetracks licensed racetracks will be affected by this administrative regulation, as well as the licensees who participate in racing at the racetracks.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Kentucky's racetracks will be required to conform to the operational and physical requirements for racing established in this administrative regulation.

(b) In complying with this administrative regulation or

amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation, as Kentucky's racetracks have operated in accordance with these requirements for many years.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Kentucky's licensed thoroughbred racetracks and the licensees who participate in racing at the tracks will benefit from having their duties and guidelines clearly defined.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be required to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate in licensed horse racing with pari-mutuel wagering thereon in Kentucky.

(9) TIERING: Is tiering applied? Tiering is not applied because this amended regulation will apply to all similarly situated licensees in an equal manner.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

##### 810 KAR 2:080. Standardbred racing associations.

RELATES TO: KRS 230.215, 230.260(1)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(3)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the commission to regulate horse racing in Kentucky. This administrative regulation establishes requirements for the operation of standardbred racing associations.

Section 1. During the course of its race meetings, a licensed standardbred association shall display in the racing association's office the license issued by the commission for the current year.

Section 2. Default in Payment of Purses. An association shall not default in the payment of any purse that has been offered in a race.

Section 3. Time to File Claims for Unpaid Purses. Unless a claim for an unpaid purse is filed with or appealed to the commission within twelve (12) months after the date the race is contested, the commission may release any performance bond it holds related to the purse.

Section 4. If at a meeting of a licensed association, a race is contested that has been promoted by another party, and the promoters default in the payment of the amount raced for, the same liability shall attach to the licensed association as if the race had been offered by the licensed association.

Section 5. Minimum Advertised Purse or Schedule of Purses. If an association advertises a minimum purse and conducts a race for less than the advertised minimum, the association shall be fined the difference between the advertised minimum and the lesser purse for which such race was conducted, and the proceeds may be distributed among the money winning horses in proportion to their respective winnings.

Section 6. Removal of a Horse from the Grounds. A horse shall not be ordered off the grounds unless a minimum of twenty-four (24) hours' notice (excluding Sunday) is provided to the person in charge of the horse. A person shall not fail to remove a horse after proper notice.

Section 7. Driver Awards. An association shall not advertise to pay or pay any award other than to an owner, nominator, or breeder of a money-winning horse, except that an award may be made to a driver of a horse breaking or equaling an association or world record, or to a leading driver at a meeting.

##### Section 8. Paddock Rules.

(1) An association conducting an extended pari-mutuel meeting shall provide a paddock or receiving barn.

(2) The paddock or receiving barn shall be completely enclosed with a man-tight fence and each opening through the fence shall be policed by a person licensed by the commission who shall exclude unauthorized personnel. A daily record of all persons entering or leaving the paddock from one (1) hour prior to the first post time until all races on that program have been completed shall be maintained on a form provided by the association and approved by the commission.

(3) A horse shall be in the paddock at the time prescribed by the presiding judge, but in any event at least one (1) hour prior to post time of the race in which the horse is to compete. Except for a warm up trip, a horse shall not leave the paddock until called to the post.

(4) A person entitled to admission to the paddock shall be at least sixteen (16) years old and shall include:

(a) An owner of a horse competing on the date of the race;

- (b) A trainer of a horse competing on the date of the race;
  - (c) A driver of a horse competing on the date of the race;
  - (d) A groom and caretaker of a horse competing on the date of the race;
  - (e) An official whose duties require the presence of that person in the paddock or receiving barn;
  - (f) An official of the commission;
  - (g) The designated representative of the horseman; and
  - (h) A person approved by the presiding judge.
- (5) Unless permission is granted by the judges, a driver, trainer, groom, or caretaker, once admitted to the paddock or receiving barn, shall not leave the paddock or receiving barn, other than to warm up a horse, until the race or races for which the horse was admitted is contested.
- (6) All persons, except drivers in the driver's stand, shall leave the paddock as soon as that person's duties are completed for the race or races for which that person was admitted.
- (7) A member of a registered stable, other than the driver, shall be entitled to admission to the paddock on any day a horse owned by that stable is racing.
- (8) During racing hours, an association shall provide the services of a farrier within the paddock.
- (9) During racing hours an association shall promptly provide suitable extra equipment as may be necessary.

**Section 9. Photo Finish, Film Patrol, Head Numbers, Starting Gate.**

- (1) At an association where pari-mutuel wagering is allowed, a photo finish, film patrol, head numbers, saddle pads, and starting gate shall be used.
- (2) At an extended pari-mutuel meeting, the association shall provide for a back-up starting gate.
- (3) If the judges use a photo to determine the order of finish, the photo shall be posted for public inspection.
- (4) Photo finish equipment shall include a stationary camera, mounted above the finish wire and perpendicular to the race track, along with a spinner or stationary target.
- (5) A camera utilizing a shutter between the film and the race track during the actual finish of a race, or which has a field view greater than twelve (12) inches at the finish line, shall not be utilized. The presiding judge shall verify that the photo finish equipment is in working order prior to each racing program.

**Section 10. Driver Insurance.** An association shall prepare and prominently display, in the race secretary's office, a statement containing the name of the company providing driver insurance coverage.

**Section 11.** (1) (a) An association at an extended pari-mutuel meeting shall be equipped with a scientifically-reliable breath, blood, or urine alcohol testing device approved by the commission and operated by a person certified to use such a device. A licensee may be required to submit to a breath analyzer test at the discretion of the presiding judge or his assistant, based on the presiding judge's reasonable suspicion that the person might have an impermissible amount of alcohol or illegal substances in his system.

- (b) A person shall not be permitted to drive:
1. If a breath, blood, or urine alcohol testing device reveals at the time of the person's entry into the paddock a reading of 0.05% or more of alcohol or any trace of illegal controlled substance either in the breath, blood, or urine of that individual; or
  2. If, in the opinion of the presiding judge, a person is impaired to the point the person's driving skills or judgement may be affected.

(c) At the time of entry into the paddock, if a breath, blood, or urine alcohol testing device given to a person who is scheduled to drive reveals the presence of 0.05% or more of alcohol or any trace of an illegal controlled substance, the presiding judge shall charge the driver with a violation pursuant to Section 15(1) of this administrative regulation.

- (2) A person shall not be permitted to act as a judge, starter, or marshal if a breath, blood, or urine alcohol testing device reveals a

presence of 0.05% of alcohol or any trace of illegal controlled substance in the blood, urine, or breath of that individual at any time on a race day during which that person is scheduled to officiate. If alcohol or illegal substances are found to be present, that individual shall be immediately relieved of duties for that program and a report shall be made prior to the next racing day to the commission for appropriate action. The individual shall be charged with a violation pursuant to Section 15(1) of this administrative regulation.

(3) In any meeting other than an extended pari-mutuel meeting, a driver, judge, starter, driver of the starting gate, and marshal shall submit to a breath, blood, or urine alcohol test if requested by the presiding judge. The result of the test shall be governed by subsection (2) of this section, and the individual shall be charged with a violation pursuant to Section 15(1) of this administrative regulation if the impermissible amount of alcohol or illegal substances are found to be present.

**Section 12.** A saddle pad in use at an association conducting an extended pari-mutuel meeting shall be standardized consistent with a format to be established by the United States Trotting Association.

**Section 13. Horse Ambulance.** During an extended pari-mutuel race meeting, an association shall provide a properly equipped and properly manned horse ambulance for the removal of injured or dead animals from the track. The horse ambulance shall be present on the grounds at any programmed race, time trial, or qualifying race under the jurisdiction of the commission. A horse ambulance shall be equipped with a screen for use if it is necessary to destroy an animal in view of the general public, and with a winch to lift dead or injured animals onto the ambulance. It shall be the responsibility of the commission to ensure that proper supplies of alcohol, water, euthanasia medication, and horse leg splints are aboard the ambulance.

**Section 14. Emergency Medical and Ambulatory Services for Persons.**

(1) At an association where any programmed race, time trial, or qualifying race under the jurisdiction of the commission takes place, it shall be the responsibility of the association to:

- (a) Provide a licensed paramedic, emergency medical technician, or the equivalent; and

(b) Maintain in good operating order an ambulance or other suitable transportation, capable of transporting injured parties to an appropriate medical facility, available and stationed at an entrance to the racing surface allowing for visual contact with the race in progress.

(2) The medical personnel present shall make a prompt response if one (1) or more drivers or horses are involved in an accident or there is a need for emergency transportation.

(3) The ambulance shall be stationed at every programmed race, time trial, and qualifying race under the jurisdiction of the commission.

(4) The emergency medical personnel and the ambulance shall be on the premises during the period beginning one (1) hour prior to post time for the first race on the program, or first qualifying race, through the conclusion of the racing program. If the ambulance must leave its station for any reason, a replacement ambulance shall be present on the association grounds before the next race is run.

**Section 15. Commission Office.** Each association shall provide suitable facilities for the commission in the conduct of its business. Failure to do so within ten (10) days after written notification by the commission setting out the deficiencies of said facilities shall subject said licensee to a fine up to \$250 per day for each day that suitable facilities are not thereafter provided.

**Section 16. Policing of Premises.** The association shall provide a sufficient number of guards and watchmen to maintain order on all parts of the racing enclosure. No tipster shall be allowed on any part of the licensed premises, no groom or stable attendant shall loiter in

the betting ring or any place else with the evident intention of engaging in tipping for any remuneration or for nothing, and anyone so found shall be immediately escorted to the general manager of the licensee and his license shall be taken up, and the licensee shall thereafter exclude said person from the licensed premises.

Section 17. Supervision of Peddlers. The association shall supervise the practice and methods of so-called merchandise peddlers who may have entry to the track enclosure. Such supervision shall be extended to any other stables where horses are lodged which may be eligible to race at said meeting. However, the association shall not by virtue of this rule or otherwise restrict the open purchasing or attempt to control or monopolize said business or proper selling of merchandise to owners, trainers, or stable employees.

Section 18. Drinking Fountains and Rest Rooms. The association shall furnish an adequate number of free drinking water fountains, comfort stations, and washrooms throughout its grounds and buildings for the use of the public.

Section 19. Stabling of Horses. Any horse racing at a licensed meeting must be stabled within the confines of that track; provided, however, in case of necessity such a horse may be stabled within the confines of an adjacent Kentucky race track, or in another location approved by the commission. The association holding the race meeting shall provide for temporary stabling of horses, eligible to race, which are brought to the races from approved outside stable space.

Section 20. Watchmen in Stable Area. Each association shall maintain and furnish complete and adequate watchman service night and day in and about all stable enclosures.

Section 21. Duties of Watchmen.

(1) Watchmen so employed shall be individually responsible for the certain part of the stable enclosure where they are on duty and shall immediately investigate and report the presence of anyone during the night or day who may be within said stable enclosure without possessing proper credentials.

(2) A letter of instructions to all watchmen shall be addressed to each of them by the association, covering fully their duties and their strict obligation to keep stable enclosures free from outsiders and hangers on, and a copy thereof furnished to the commission.

Section 22. Stable Enclosures Fenced. All stable enclosures must be properly fenced and admission granted only on proper license or credentials actually shown to the gatemen. This rule may be waived with commission approval.

Section 23. Betting by Racing Officials. Betting by racing officials is prohibited.

Section 24. Betting by Paddock Employees. Any track employee working in the paddock area is not allowed to bet or pass information to outsiders for betting purposes.

Section 25. Exculpatory Clauses. Effective January 1, 1997, agreements (including but not limited to stall applications, entry forms, and condition books) between persons or entities licensed by the Kentucky Racing Commission regarding the stabling of horses, the racing of horses, the training of horses or other activities at tracks owned or operated by licensed associations, and conditions of racing established by licenses associations, shall not contain provisions which absolve or hold harmless a licensee from liability, or limit the liability of a licensee, for loss, loss of use, injury or damage caused or contributed to by the acts or omissions of any licensee or its agents or employees, except for:

(1) Ordinary negligence which causes or contributes to loss, injury or damage to horses while on the premises of a licensed association; and

(2) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of

use, injury or damage to horses arising from the use of grass fields ("gallops") owned or controlled by the licensed association. Subject to the above exceptions, all licensees participating in the stabling of horses, the racing of horses, the training of horses, and related activities at tracks owned or operated by licensed associations shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. No licensee shall attempt to limit liability of any person or entity for gross negligence or intentional wrongdoing.

Section 26. Constructive Notice to and Consent of Licensees. All persons licensed by the Kentucky Horse Racing Commission shall be deemed, as a condition of licensure, to have notice of and to have consented to exculpatory provisions, which comply with the limitations set forth in this regulation, included in agreements between licensees and in conditions of racing established by a licensed association. Exculpatory provisions which exceed the limitations set forth in this regulation shall be void and unenforceable in their entirety.

Section 27. Model Provision. The following provision shall be deemed to comply with the limitations set forth in this regulation: All Kentucky Horse Racing Commission licensees, including but not limited to the host association, owners, trainers, jockeys, drivers, and grooms ("licensees"), participating in stabling, racing, training, and related activities at (name of licensed association) recognize that hazards and risks inherent in such activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training and related activities at (name of licensed association), all licensees assume the risks of, and release, hold harmless and covenant not to sue all other licensees so participating for:

(1) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of (name of association); and

(2) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury or damage to horses arising from the use of grass fields ("gallops") owned or controlled by (name of licensed association), whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises or (name of licensed association) or any other cause. Except as provided above, all licensees participating in racing, training and related activities at (name of licensed association) shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law.

Section 28. Persons Permitted on Licensed Premises.

(1) A licensee of the commission shall immediately report to association security personnel the presence of any person not authorized by this administrative regulation to be on all or any portion of association grounds.

(2) A licensee shall take all necessary measures that are not prohibited by law to maintain the security of horses on association grounds and to protect horses from injury due to mistreatment, fright, or tampering.

(3) Persons not employed by, or not the invited guests of, the racing association or the owner or trainer of a horse scheduled to run that day shall be excluded from the paddock area, race strip, and appurtenant portions of the track, with the following exceptions;

(a) Members, officers, and employees of the commission;

(b) Racing officials;

(c) Police officers;

(d) Officials and directors of the United States Trotting Association;

(e) Officials and directors of Standardbred Canada; and

(f) Duly-accredited members of the news media.

Section 29. Admission to Premises. A current badge or button issued by the commission, or a current badge or button issued by the Association of Racing Commissioners International, shall be honored for admission to any location on association grounds

operating under the jurisdiction of the commission.

Section 30. Limited Admission.

(1) A person not possessing and displaying a properly-issued badge or identification card shall not be permitted to enter any part of the licensed premises except the clubhouse, grandstand, or other areas open to patrons or the general public, with the following exceptions:

- (a) Members, officers, and employees of the commission;
- (b) Racing officials;
- (c) Police officers;

(d) Persons permitted into the paddock area, race strip, and appurtenant portions of the track under Section 1(3) of this administrative regulation; and

(e) Persons permitted into the stable area under Section 3(2) of this administrative regulation.

(2) Only the following persons performing official duties within the stable area shall be entitled to enter the stable area of a licensee:

- (a) Members, officers, and employees of the commission;
- (b) Members and employees of the association;
- (c) Racing officials;
- (d) Police officers;
- (e) Owners;
- (f) Trainers;
- (g) Grooms; and
- (h) Others who are performing official duties within the stable area.

Section 31. Identification Cards and Badges. (1) Cards and badges.

(a) A licensee shall issue identification cards or badges only to:

- 1. The licensee's officers, employees, guards, and watchmen;
- 2. Drivers; and

3. Owners and trainers and their employees, assistants, grooms, and attendants.

(b) A licensee shall have the right to recall identification cards or badges upon reasonable cause to believe a violation of the law has occurred or as reasonably necessary to maintain effective security procedures.

(c) Identification cards or badges shall be collected from owners and trainers and their employees, assistants, grooms, and attendants when the horses of the owners or trainers are removed from the licensed premises.

(d) An identification card or badge shall not be transferable.

(e) An identification card or badge shall be subject to forfeiture if utilized or attempted to be utilized by a person other than the person to whom it was issued.

(f) The commission shall specifically identify by color designation each association under its control. The licensee shall only authorize admittance to the association upon the showing of a properly color-coded identification card or badge. An identification card or badge shall be subject to forfeiture if the holder utilizes the card or badge to attempt to gain entry or access to an association other than the one for which the card or badge applies.

(g) Any identification card or badge may be declared forfeit by the executive director of the commission, the designated representative of the commission, or the presiding judge upon reasonable cause to believe a violation of the law has occurred, or as reasonably necessary to maintain effective security procedures.

(2) Enforcement. The director of security designated by the commission shall have the primary responsibility of enforcing this administrative regulation.

Section 32. Association with Undesirables Prohibited.

(1) (a) An owner, driver, trainer, groom, attendant, or other person having charge of or access to a harness race horse shall not associate with, consort with, or in any manner communicate with a known gambler, bookmaker, tout, or persons of similar pursuits either on or off association grounds.

(b) An owner, driver, trainer, groom, attendant, or other person having charge of or access to a harness race horse shall be presumed to have knowledge of the reputation or notoriety of

persons with whom he or she has communications regarding horse racing.

(2) A person under the jurisdiction or control of the commission shall have a duty to immediately report knowledge of any of the following activities to the commission or one (1) of its appointed representatives:

(a) Offer or promise of a bribe;

(b) Request or suggestion for a bribe;

(c) Offer, promise, request, or suggestion of any other improper, corrupt, or fraudulent act or practice that could affect the outcome of a race; or

(d) Request or suggestion that any race be conducted otherwise than fairly and in accordance with the law.

Section 33 Tack Inspection.

(1) For the purpose of maintaining the safety and security of the association grounds, the commission or its designated representative shall have the right to permit an authorized person to inspect or examine the personal effects or property of every trainer, driver, stable foreman, groom, authorized agent, and veterinarian, by entering in or upon:

(a) The stable, rooms, or other places within the track enclosure where a race meeting is held; or

(b) Other tracks or places where horses eligible to race at a race meeting are kept.

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes requirements for the day-to-day operation of licensed Standardbred racing associations in Kentucky.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the operational, physical, and equipment requirements for Kentucky racetracks.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation establishes the conditions under which standardbred racetracks are required to operate during horse race meetings in Kentucky.

(d) How this administrative regulation currently assists or will

assist in the effective administration of the statutes: This administrative regulation ensures that standardbred racetracks are operated during horse race meetings in Kentucky in manner consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's standardbred licensed standardbred racetracks will be affected by this administrative regulation, as well as the licensees who participate in racing at the racetracks.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Kentucky's standardbred racetracks will be required to conform to the operational and physical requirements for racing established in this administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation, as Kentucky's standardbred racetracks have operated in accordance with these requirements for many years.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Kentucky's Standardbred racetracks and the individual licensees who participate in racing at the tracks will be benefit from having their duties and regulatory guidelines clearly defined.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be required to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate in licensed standardbred horse racing with pari-mutuel wagering thereon in Kentucky.

(9) TIERING: Is tiering applied? Tiering is not applied because this administrative regulation will apply to all similarly situated licensees in an equal manner.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy  
(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes definitions for terms used in 810 KAR Chapter 3.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to ensure that various terms used in 810 KAR Chapter 3 are defined properly and precisely.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This regulation sets forth defines terms that are used in the regulations in 810 KAR Chapter 3.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation fulfills the Commission's statutory mandate to prescribe the conditions under which horse racing is conducted in the Commonwealth by defining terms used in 810 KAR Chapter 3.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's licensed race tracks and all individual licensed participants in horse racing are potentially affected by this administrative regulation's establishment of definitions pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Licensed racing associations and individual participants in horse racing will be required to adhere to the requirements and rules set forth in the regulations in Title 810 KAR pertaining to horse racing. This administrative regulation defines terms that appear in 810 KAR Chapter 3.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees:

This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

##### 810 KAR 3:010. Licensing of racing associations.

RELATES TO: KRS 230.215, 230.260, 230.280, 230.290, 230.300, 230.320

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(9), 230.280, 230.300(1), (9)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) vests the Kentucky Horse Racing Commission with the authority to promulgate regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. KRS 230.280 prohibits any person from conducting a horse race meeting for any stake, purse, or reward within the Commonwealth without securing the required license from the commission. KRS 230.260(9) authorizes the commission to prescribe by administrative regulation application forms for licenses. KRS 230.300 authorizes the commission to issue licenses to conduct race meetings. This administrative regulation establishes licensing application procedures and requirements for conducting horse racing at horse race meetings in the Commonwealth.

##### Section 1. Definitions.

(1) "Nominal change in ownership" is defined in 810 KAR 3:001, Section 1(26).

(2) "Principal" is defined by KRS 230.210(17).

- (3) "Publicly traded corporation" means a corporation that:
- (a) Has voting securities registered under Section 12 of the Securities Exchange Act of 1934 (1934 Act), 15 U.S.C. 78a et seq.;
  - (b) Issues securities subject to Section 15(d) of the 1934 Act;
  - (c) Has voting securities exempted from the registration requirements due to Section 3 of the Securities Act of 1933, 48 U.S.C. 77a et seq.; or
  - (d) Is required to file under the 1934 Act.
- (4) "Substantial change in ownership" is defined by 810 KAR 3:001, Section 1(39).

#### Section 2. License Applications.

- (1) New license applications. A person or legal entity desiring to conduct thoroughbred racing in the Commonwealth shall apply to the commission for an association license pursuant to KRS 230.300(1).
- (2) Renewal applications. Racing association licenses shall be renewed annually in accordance with KRS 230.300.
- (3) An initial or renewal license application to conduct a horse racing meeting shall be submitted on the form "Initial/Renewal Application for License to Conduct Live Horse Racing, Simulcasting, and Pari-mutuel Wagering," KHRC 3-010-1.
- (4) An applicant that is unable to provide information required on the application shall fully explain and document to the satisfaction of the commission its inability to provide the information, and shall provide the information promptly upon being able to do so.

#### Section 3. License and Investigation Fees.

- (1) An initial applicant for an initial license shall submit with the application a non-refundable initial license fee of \$5,000.
- (2) Initial applicants shall submit with the application an investigation fee of \$10,000. If the commission determines that investigation of a renewal applicant or an applicant that is proposing to undergo a substantial change in ownership is necessary, the applicant shall pay an investigation fee of \$10,000. The investigation fee shall pay all costs incurred by the commission in reviewing the application.
- (a) Any portion of the investigation fee not required to complete the investigation shall be refunded to the applicant within twenty (20) days of the withdrawal, rejection, or approval of the license application or proposed change of ownership.
- (b) If additional costs are incurred in the conduct of the investigation, the applicant shall submit a cashier's check payable to the commission in the amount requested by the commission within ten (10) days of receipt of the request. Failure to submit this payment shall result in suspension of processing the license application or proposed change of ownership and may result in denial of the license or proposed change of ownership.

#### Section 4. Licensing Criteria.

- (1) The commission shall issue a license if it determines that:
- (a) The applicant meets all requirements of KRS Chapter 230 and this KAR Title 810;
  - (b) The applicant is qualified and financially capable of operating a race track;
  - (c) The applicant will conduct racing in accordance with KRS Chapter 230 and KAR Title 810;
  - (d) The applicant will conduct racing in accordance with the highest standards and the greatest level of integrity; and
  - (e) The issuance of a license will ensure the protection of the public interest.
- (2) In reviewing an application, the commission may consider any information, data, reports, findings, or other factors available which it deems relevant to its determination of whether the applicant is qualified to hold a license, including:
- (a) The integrity of the applicant and its principals, including:
    - 1. Whether the applicant or its principals is unsuitable pursuant to KRS 230.280(2)(f);
    - 2. Whether the applicant or its principals has been a party to litigation over business practices, disciplinary actions over a business license, or refusal to renew a license;
    - 3. Whether the applicant or its principals has been a party to

proceedings in which unfair labor practices, discrimination, or violation of government regulations pertaining to racing or gaming laws was an issue, or bankruptcy proceedings;

4. Whether the applicant or its principals has failed to satisfy judgments, orders, or decrees; and

5. Whether the applicant or its principals has been delinquent in filing tax reports or remitting taxes.

(b) The quality of physical facilities and equipment, including any improvements and equipment proposed or existing in the applicant's facility;

(c) If a new applicant, the schedule for completion of a racing facility and the feasibility of meeting the schedule;

(d) The types and variety of pari-mutuel horse racing which the applicant proposes to offer;

(e) The financial ability of the applicant to develop, own, and operate a pari-mutuel facility successfully;

(f) If a new applicant, the status of governmental actions required to approve or facilitate the applicant's facility;

(g) The management ability of the applicant and its principals;

(h) Compliance of the applicant with applicable statutes, charters, ordinances, or regulations;

(i) The efforts of the applicant to promote, develop, and improve the horse racing industry in Kentucky;

(j) The impact of the facility upon the Commonwealth of Kentucky in the following areas:

- 1. Employment created, purchases of goods and services, public and private investment, and taxes generated;
- 2. Ecological and environmental impact;
- 3. Social impact; and
- 4. Cost of public improvements.

(k) The extent of public support or opposition to horse racing and pari-mutuel wagering at the location where the license is sought; and

(l) The effects of the location of the track, including the following:

- 1. Number, nature, and relative location of other licensees; and
- 2. Minimum and optimum number of racing days sought by the applicant.

Section 5. Racing Date Assignments. In assigning racing meetings and race dates to applicants, the commission shall consider factors relating to the economic and practical feasibility of conducting racing meetings at association race tracks, including:

(1) The types and dates of racing meetings held elsewhere, both within and outside of the Commonwealth;

(2) The effects that various types of pari-mutuel racing have upon one another;

(3) The quality of horse racing provided at other racetracks;

(4) Dates traditionally awarded racetracks in the past;

(5) The past performance of the licensee;

(6) Whether the licensee has complied with KRS Chapter 230 and Title 810 KAR;

(7) Whether the assignment of racing dates will maximize revenues to the state;

(8) Whether the assignment of racing dates will adversely affect the public health, welfare, and safety;

(9) The projected stability of the racing dates to be awarded; and

(10) The stability of the racing circuit within and outside the Commonwealth.

#### Section 6. License Applicant Presentation.

(1) An applicant that has submitted a completed license application and all accompanying fees may request to make a presentation of its application at a meeting of the commission prior to the ruling on the application.

(2) The presentation shall be limited to information contained in the application and any supplemental information relevant to the applicant's suitability. The admission of supplemental information shall be subject to the discretion of the commission.

Section 7. Additional Information. At any time prior to issuing a license, the commission may request additional information if the information would assist the commission in deciding whether to

issue a license, including:

- (1) Copies of any documents used by the applicant in preparing the application; and
- (2) Contracts between the applicant and third parties related to operations.

#### Section 8. Change in Ownership.

(1) A change in ownership shall be reported to the commission on the Kentucky Horse Racing Commission Racing Association Change of Control Form.

(2) Notice of a nominal change in ownership shall be filed with the commission within fifteen (15) days of the execution of the documents upon which the proposed nominal change is based.

(3) Notice of a change of ownership shall not be required for:

(a) A nominal change of ownership if the licensee is a publicly traded corporation;

(b) The transfer of an ownership interest in an association, direct or indirect, whether substantial or nominal, if by a publicly traded corporation and the beneficial ownership is acquired by a person who shall hold the voting securities of the publicly traded corporation for investment purposes only; or

(c) A debt transaction of a publicly traded corporation, unless such transaction results in the pledge or encumbrance of the assets or any portion thereof of the association.

(4) Notice of a substantial change in ownership shall be filed with the commission prior to the execution of the documents upon which the proposed substantial change is based and shall constitute a request for approval of the change.

(a) Absent prior written approval from the commission, a substantial change in ownership shall result in termination of the license.

(b) Any attempt to effect substantial change in ownership not in writing shall be considered void by the commission.

Section 9. Material Modification of Proposed or Existing Facility. A new applicant or association with an existing facility shall not materially alter the grounds or facilities after a license has been issued for that facility without prior written approval of the commission or, if designated by the commission, the executive director of the commission.

#### Section 10. Late Fee.

(1) A licensee that fails to conduct racing after the commencement date specified in the license may be subject to a late fee not to exceed \$15,000 per day.

(2) The amount of the late fee shall be based on the economic impact caused by the licensee's failure to perform.

(3) The late fee shall not be imposed for a particular day if the licensee can prove to the satisfaction of the commission that the cause of delay was:

(a) Beyond the control and without the fault or negligence of the licensee, its contractors, and subcontractors; or

(b) The default of a contractor or subcontractor, if:

1. Arising from causes beyond the control of the licensee, its contractors, and subcontractors; and

2. The supplies or services to be furnished by the contractor or subcontractor were not obtainable from other sources in sufficient time for the licensee to meet the completion date.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the procedures and requirements for applying for a license to conduct racing in the Commonwealth of Kentucky.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish clear guidelines concerning the process by which applications for a license to conduct racing in the Commonwealth of Kentucky are reviewed and approved.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.300 requires any person desiring to conduct horse racing at a horse race meeting within the Commonwealth of Kentucky to apply for a license to do so. This administrative regulation sets forth the procedures and requirements for applying for a license.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation enables the commission to issue licenses to conduct a horse racing meeting pursuant to KRS 230.300 in a consistent and systematic way.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation affects applicants for a license to conduct horse racing in the Commonwealth. Currently there are seven licensed race tracks operating in the Commonwealth.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Applicants for a license under this administrative regulation will be required to file initial and renewal applications and corresponding fees to obtain and maintain a license to conduct horse racing in the Commonwealth.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Applicants for a new license are assessed a fee of \$5,000. Initial applicants are assessed a \$10,000 investigation fee, the unused portion of which is returned to the applicant. The investigation fee may also be charged to renewal applicants or where a licensee proposes undergoing a change of ownership.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this amendment.

(b) On a continuing basis: There is no continuing cost to implement this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No additional funding will be necessary for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional funding will be necessary for the implementation and enforcement of this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This regulation establishes that license and investigation fees are applicable to initial applicants, and that investigation fees may be charged for a licensee to renew a license or when a substantial change in ownership is to occur.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission and racing association applicants will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.240, 230.260, 230.280, 230.290, KRS 230.300, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): Increase

Expenditures (+/-): Neutral

Other Explanation: Any increase in revenues generated by this amended administrative regulation will be dependent on the number of initial license applicants and renewal applicants that have undergone a substantial change in ownership.

(2) A person working at a licensed racing association in the Commonwealth shall obtain a valid license issued by the commission. The executive director, chief racing steward, the presiding judge, or their designee may refuse entry or scratch any horse involving any person who, after being requested to obtain a valid license, fails or is unable to obtain a license.

(3) (a) A person required to be licensed shall submit:

1. A completed written application on the form Licensing Application, 3-020-1, or a multi-jurisdictional license form pursuant to Section 8 of this administrative regulation; and

2. The fee required by Section 6 of this administrative regulation.

(b) A temporary license may be obtained by an authorized representative of an owner in accordance with Section 18 of this administrative regulation.

(c) A conditional license may be issued by the commission or its designee upon submission of a written application.

### Section 3. General License Application Requirements for All Applicants.

(1) Any person required to be licensed by Section 2 of this administrative regulation and desiring to participate in thoroughbred racing in the Commonwealth may apply to the commission for a license.

(2) (a) An application may be submitted on or after November 1 of the calendar year preceding the calendar year in which the license is to be in force.

(b) An application shall be submitted no later than twenty-four (24) hours after an applicant has arrived on association grounds, unless a temporary license is obtained in accordance with Section 18 of this administrative regulation.

(c) The license application shall be reviewed and the license issued by commission personnel.

(3) Information provided on or with a license application shall be complete and correct. Material misrepresentation by a license applicant or his or her agent shall result in an immediate license suspension, revocation, refusal, or denial, or imposition of a fine by the commission or the chief racing steward or presiding judge.

(4) (a) An applicant for licensing shall be a minimum of sixteen (16) years of age except as provided by paragraph (b) of this subsection. An applicant may be required to submit a certified copy of his or her birth certificate or work permit.

(b) The commission may grant an owner's license to a person less than sixteen (16) years of age if the person's parent or legal guardian is licensed by the commission. An application under this subsection shall be signed by the applicant's parent or legal guardian in the presence of one (1) or more of the stewards or judges.

(5) An application from a person or other entity consisting of more than one (1) individual person desiring to race horses in the Commonwealth shall, upon request, in addition to designating the person or persons representing the entire ownership of the horses, be accompanied by documents which fully disclose the identity, degree, and type of ownership held by all individual persons who own or control a present or reversionary interest in the horses.

(6) The commission shall provide notice to an applicant that the license has been issued or denied. If all requirements for licensure are met, a license shall be issued to the license applicant.

### Section 4. Additional Licensing Requirements for Standardbred Driver's License.

(1) A person desiring to drive a harness horse at a race meeting licensed by the commission shall obtain a license from:

- (a) The commission; and
- (b) The United States Trotting Association, Standardbred

Canada, or appropriate international harness racing governing agency.

(2) Commission licenses. A driver's license from the commission shall be issued in one of the following categories:

(a) A qualifying-fair (QF) license which shall be valid for fairs, matinees, qualifying races, and if approved by the presiding judge, nonwagering races at extended pari-mutuel meetings;

(b) A provisional (P) license which shall be valid at fairs, matinees, qualifying races, and extended pari-mutuel meetings; or

(c) A full (A) license which shall be valid at all race meetings.

(3) License advancement. An applicant shall initially obtain a qualifying-fair license. Advancement to a provisional license and a full license shall be determined by Rule 17, Sections 1 through 10, of the United States Trotting Association, 2009/2010.

(4) General qualifications. An applicant for a driver's license shall:

(a) 1. Be at least sixteen (16) years of age for a (QF) license;

2. Be at least eighteen (18) years of age for a (P) or (A) license; and

3. Not be denied a driver's license solely on the basis of age if the applicant has previously held any type of license; and

(b) Submit satisfactory evidence of an eye examination indicating:

1. 20/40 corrected vision in both eyes; or

2. If one (1) eye is blind, at least 20/30 corrected vision in the other eye.

### Section 5. Additional Licensing Requirements for Specific Licenses.

(1) Veterinary personnel.

(a) An application from a person desiring to treat, prescribe for, or attend to any horse on association grounds as a practicing veterinarian shall be accompanied by evidence that the person is currently licensed as a veterinarian by the Commonwealth of Kentucky.

(b) An application from a person desiring to work on association grounds as a veterinary technologist or veterinary technician shall be accompanied by:

1. Evidence that the person is currently registered as a veterinary technologist or veterinary technician by the Commonwealth of Kentucky; and

2. A "Veterinarian Approval Form", KHRC 3-020-4 signed by a licensed veterinarian certifying that the applicant is working for the veterinarian as required by KRS 321.443.

(c) An application from a veterinary assistant shall be accompanied by a "Veterinarian Approval Form", KHRC 3-020-4 signed by a licensed veterinarian certifying that the applicant works for him or her as required by KRS 321.443.

(d) Equine therapist. An application from an equine therapist not defined by KRS Chapter 321 shall be accompanied by a "Veterinarian Approval Form", KHRC 3-020-4 signed by a licensed veterinarian and the chief state veterinarian attesting to the skill and integrity of the applicant.

(2) Farriers. An application from a person not previously licensed in the capacity of farrier shall submit a diploma or other document signifying successful completion of a farrier course or examination recognized by the American Farrier's Association, or submit a letter of recommendation from a licensed farrier.

(3) Standardbred Licensees. (a) A standardbred owner, trainer, owner/trainer, driver, driver/trainer, owner/trainer/driver, or owner/driver shall have a valid license issued by the United States Trotting Association, Standardbred Canada, or other appropriate international harness racing governing agency in order to participate in pari-mutuel racing in Kentucky.

(b) Any standardbred horse under lease shall race in the name of the lessee and a copy of the lease shall be filed with the clerk of the course. A standardbred horse shall not race under lease without an eligibility certificate issued by the United States Trotting Association, Standardbred Canada, or other appropriate international harness racing governing agency in the name of the lessee. Both the lessee and lessor shall be licensed by the commission prior to post.

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

(c) If any licensed standardbred trainer is absent from a racing meet for more than six (6) days, the trainer shall appoint and have properly licensed a new trainer of record.

(4) Special event licenses.

(a) A special event license shall be:

1. Issued to employees who are employed by an association only for the duration of a special event; and
2. Valid for the days of the event only.

(b) The duration of the license shall not exceed three (3) calendar days.

(2) A replacement fee for a duplicate license shall be ten (10) dollars, except that this fee shall be waived for the first duplicate license issued during any calendar year.

### Section 7. Fingerprinting.

(1) If requested by the commission, a license applicant shall furnish to the commission a set of fingerprints or submit to fingerprinting prior to issuance of a license.

(2) If the license applicant has been fingerprinted in the Commonwealth or another racing jurisdiction within the five (5) years preceding the date of the license application, then the commission may accept the previous fingerprints or require new fingerprints.

(3) The cost of fingerprinting and fingerprint analysis shall be paid by the license applicant.

### Section 8. Multi-state/National Licenses.

(1) In lieu of the commission license application form, an applicant may submit an ARCI Multi-Jurisdiction Racing License Owner's Application or the National Racing License Application or Renewal Application.

(2) The commission shall accept a multi-state or national license if it complies with licensing requirements in this administrative regulation and KRS Chapter 230.

Section 9. Consent to Investigate by License Applicants and Licensees. After an applicant files a license application, the commission may:

(1) Investigate the criminal background, employment history, and racing history record of the applicant;

(2) Engage in research and interviews to determine the applicant's character and qualifications; and

(3) Verify information provided by the applicant.

Section 10. Search and Seizure. (1) The commission or designee may search any location described in KRS 230.260(7).

(2) The commission or designee may seize any medication, drug, substance, paraphernalia, object, or device in violation or suspected violation of KRS Chapter 230 or Title 810 KAR.

(3) A licensee shall:

(a) Cooperate with the commission or designee during an investigation; and

(b) Respond correctly to the best of the licensee's knowledge if questioned by the commission or designee about a racing matter.

(4) A licensee shall consent to out-of-competition testing in accordance with 810 KAR 8:040.

### Section 11. Employer Responsibility.

(1) (a) An employer shall not employ an unlicensed person for a position that requires a license under KRS 230.300 or 230.310 or this administrative regulation.

(b) If an employer violates subsection (a), the employer may be subjected to license suspension, denial, or revocation under KRS Chapter 230 or Title 810 KAR.

(2) Every employer shall report in writing to the commission or its designee, within twenty-four (24) hours, the discharge of any licensed employee, including the employee's name, occupation, and reason for the discharge.

(3) Every employer shall be responsible for ensuring compliance with all applicable employment laws.

(4) The license application of an employee shall be signed by the employer.

(5) A licensed employer shall carry workers' compensation insurance covering his or her employees as required by KRS Chapter 342.

### Section 12. Financial Responsibility.

(1) A licensee shall maintain financial responsibility during the period for which the license is issued.

(2) A licensee's failure to satisfy a final judgment rendered against him or her by a Kentucky court, or a domesticated judgment from another jurisdiction, for goods, supplies, services, or fees used in the course of any occupation for which a license is required by this administrative regulation shall constitute a failure to meet the financial responsibility requirements of KRS 230.310.

(3) If the licensee fails to show just cause for his or her failure to satisfy the judgment, then his or her license may be suspended or revoked until the licensee provides written documentation of satisfaction of the judgment.

(4) An applicant for a license may be required to submit evidence of financial responsibility to the commission if a judgment has been rendered against him or her.

#### Section 13. Voluntary Withdrawal of License Application.

(1) A license applicant may with the approval of the license review committee voluntarily withdraw his or her license application from the license review process.

(2) If the applicant chooses to voluntarily withdraw his or her application, then the withdrawal shall not constitute a denial or suspension of a license and shall be without prejudice.

(3) The stewards or judges shall issue a ruling noting a withdrawal, and the ruling shall be communicated to the Association of Racing Commissioners International.

#### Section 14. License Review Committee.

(1) The executive director, chief racing steward, presiding judge, or director of licensing may refer a license application to the license review committee in lieu of denying the application.

(2) The license review committee shall be composed of the executive director or designee, the director of licensing or designee, the chief state steward or presiding judge or their designee, and at least one (1) other commission member or commission staff member as designated by the executive director. At least three (3) members of the committee shall participate in any license review committee meeting.

(3) If a referral to the committee is made, then a license shall not be issued until the committee makes a favorable ruling on the license application. The applicant may be required by the committee to appear personally. If the committee is unable to make a favorable ruling on the license application, then the committee may give the license applicant the opportunity to voluntarily withdraw his or her license application in accordance with Section 13 of this administrative regulation. If the license applicant does not wish to voluntarily withdraw his or her application, then the committee shall deny the application.

(4) The denial of the application may be appealed in accordance with KRS Chapter 13B.

(5) In the alternative, the commission, the license review committee, or the executive director may refer the case directly to the commission without denial or approval of the application.

#### Section 15. License Denial, Revocation, or Suspension.

(1) The commission, executive director, chief racing steward or presiding judge, or director of licensing may deny a license application, and the commission or chief state steward or presiding judge may suspend or revoke a license, or otherwise penalize in accordance with KRS 230.320(1) a licensee, or other person participating in horse racing, for any of the following reasons:

(a) The public interest, for the purpose of maintaining proper control over horse racing meetings or pari-mutuel wagering, may be adversely affected if the license is issued;

(b) The licensee or applicant has any felony or misdemeanor criminal conviction from any jurisdiction, including having entered into any form of diversionary program, within fifteen (15) years preceding the date of submission of a license application;

(c) The licensee or applicant has pending criminal charges or is criminally charged during the license period in any jurisdiction;

(d) The licensee or applicant has had a license issued by the legally constituted racing or gaming commission of a state, province, or country denied, suspended, or revoked;

(e) The licensee or applicant has had a license issued by the Commonwealth revoked, suspended, or denied;

(f) The licensee or applicant has applied for and received a license at less than sixteen (16) years of age, except as permitted in Section 3 of this administrative regulation;

(g) The licensee or applicant has made a material misrepresentation, falsification, or omission of information in an application for a license;

(h) The licensee or applicant has been ejected, ruled off, or excluded from racing association grounds in the Commonwealth of Kentucky or a racetrack in any jurisdiction;

(i) The licensee or applicant has violated or attempted to

violate a statute, administrative regulation, or similar rule respecting horse racing in any jurisdiction;

(j) The licensee or applicant has perpetrated or attempted to perpetrate a fraud or misrepresentation in connection with the racing or breeding of a horse or pari-mutuel wagering;

(k) The licensee or applicant has caused, attempted to cause, or participated in any way in an attempt to cause the pre-arrangement of a race result, or has failed to report knowledge of this kind of activity immediately to the stewards or judges;

(l) The licensee or applicant has demonstrated financial irresponsibility as described by Section 12 of this administrative regulation;

(m) The licensee or applicant has knowingly failed to disclose to the commission complete ownership or beneficial interest in a horse entered to be raced;

(n) The licensee or applicant has misrepresented or attempted to misrepresent facts in connection with the sale of a horse or other matter pertaining to racing or registration of a thoroughbred;

(o) The licensee or applicant has offered, promised, given, accepted, or solicited a bribe in any form, directly or indirectly, to or by a person having any connection with the outcome of a race, or failed to report conduct of this nature immediately to the stewards or judges;

(p) The licensee or applicant has abandoned, mistreated, abused, neglected, or engaged in an act of cruelty to a horse;

(q) The licensee or applicant has engaged in conduct that is against the best interest of horse racing, or compromises the integrity of operations at a track, training facility, or satellite facility;

(r) The licensee or applicant has knowingly entered, or aided and abetted the entry, of a horse ineligible or unqualified for the race entered;

(s) The licensee or applicant has possessed on association grounds, without written permission from the commission or the chief state steward or presiding judge, any appliance or device, other than an ordinary whip, which could be used to alter the speed of a horse in a race or workout;

(t) The licensee or applicant has violated any of the alcohol or substance abuse provisions in KRS Chapter 230 or 810 KAR 2:030;

(u) The licensee or applicant has failed to comply with a written order or ruling of the commission, the stewards, or the judges pertaining to a racing matter or investigation;

(v) The licensee or applicant has failed to answer truthfully questions asked by the commission or its representatives pertaining to a racing matter;

(w) The licensee or applicant has failed to return to an association any purse money, trophies, or awards paid in error or ordered redistributed by the commission;

(x) The licensee or applicant has participated in or engaged in any conduct of a disorderly nature on association grounds which includes, but is not limited to:

1. Failure to obey the stewards' or judges' or other official's orders that are expressly authorized by the administrative regulations of the commission;

2. Failure to race when programmed unless excused by the stewards or judges;

3. Fighting;

4. Assaults;

5. Offensive and profane language;

6. Smoking on the track in colors during actual racing hours;

7. Warming up a horse prior to racing without colors; and

8. Disturbing the peace;

(y) The licensee or applicant has used profane, abusive, or insulting language to or interfered with a commission member, employee or agent, or racing official, while these persons are in the course of discharging their duties;

(z) The licensee or applicant is unqualified to perform the duties for which the license is issued;

(aa) The licensee or applicant has discontinued or is ineligible for the activity for which the license is to be issued, or for which a previous or existing license was issued;

(bb) The licensee or applicant has made a material misrepresentation in the process of registering, nominating, entering, or racing a horse as Kentucky owned, Kentucky bred, or

Kentucky sired;

(cc) The licensee or applicant has failed to pay a required fee or fine, or has otherwise failed to comply with Kentucky statutes or administrative regulations;

(dd) The licensee or applicant has failed to comply with a written directive or ruling of the commission or the chief state racing steward or presiding judge;

(ee) The licensee or applicant has failed to advise the commission of changes in the application information as required by Section 17 of this administrative regulation;

(ff) The licensee or applicant has failed to comply with the temporary license requirements of Section 18 of this administrative regulation;

(gg) The licensee or applicant has violated the photo identification badge requirements of Section 21 of this administrative regulation;

(hh) The licensee or applicant has knowingly aided or abetted any person in violation of any statute or administrative regulation pertaining to horse racing;

(ii) The licensee or applicant has hired an unlicensed person required by KRS 230.300, 230.310, or this administrative regulation to be licensed;

(jj) The licensee or applicant, being a person other than a licensed veterinarian, has possessed on association grounds:

1. A hypodermic needle, hypodermic syringe, or other device which could be used to administer any substance to a horse, except as permitted by 810 KAR 8:010, Section 3(5); or

2. A medication, stimulant, sedative, depressant, local anesthetic, or any other foreign substance prohibited by a statute or administrative regulation of the commission; or

(kk) The licensee or applicant has manufactured, attempted to manufacture, or possessed a false license photo identification badge.

(2) A license suspension, revocation, or denial shall be reported in writing to the applicant by the chief steward or presiding judge, and to the ARCI by the Division of Licensing, to ensure that other racing jurisdictions shall be advised of the license suspension, revocation, or denial.

(3) A licensee or applicant may appeal the suspension, revocation, or denial in accordance with KRS 230.320 and Chapter 13B.

#### Section. 16. Reciprocity.

(1) If a person's license has been denied, suspended, or revoked in another jurisdiction, the commission may require reinstatement of the license in that jurisdiction before a license is granted by the commission.

(2) If a person has been ruled off, excluded, or ejected from a racetrack in Kentucky or in another jurisdiction, the commission may require reinstatement of the person at that track before a license is granted by the commission.

#### Section. 17. Changes in Application Information.

(1) The licensee or applicant shall report changes in any information required for licensing in writing to the commission.

(2) Any change in information required for licensing shall be submitted in writing upon the "Change in Application Information Form", KHRC 3-020-3, signed by the licensee, and filed at the commission central office, within thirty (30) days of the change, unless it is information listed in subsection (3) of this section.

(3) The licensee shall report changes in information in writing within 72 hours of the occurrence for these items:

(a) Criminal charges;

(b) Criminal convictions;

(c) License denials and license suspensions of ten (10) days or more;

(d) License revocations or fines of \$500 or more in other jurisdictions;

(e) Racing related disciplinary charges pending in other jurisdictions; and

(f) Withdrawal, with or without prejudice, of a license application by the licensee in any jurisdiction.

#### Section 18. Temporary Licenses.

(1) (a) Only an owner is eligible for a temporary license.

(b) A horse in a trainer's care shall not start in a race unless the owner has a current license or has an application for a temporary license, "Temporary Owner's License Application", KHRC 3-020-2, on file with the commission.

(c) A licensed trainer may apply for a temporary license on behalf of an owner for whom the licensed trainer trains.

(d) The commission may refuse the license if the applicant fails to supply a name, Social Security number, and mailing address for a temporary license.

(e) A temporary license shall be valid for no more than thirty (30) days from the date of issuance and shall automatically lapse after the 30th day pending completion of all licensing procedures.

(f) Upon expiration of the thirty (30) day temporary license, the owner's license shall be suspended or the owner's horses shall be ineligible to race in Kentucky pending completion of all licensing procedures.

(g) Completion of all owner licensing procedures shall extend the owner's license to the end of the calendar year.

(h) If a temporary license expires prior to the completion of all owner licensing procedures, the applicant shall pay an additional licensing fee.

(2) An owner shall not be eligible to be issued more than one (1) temporary license in any calendar year.

(3) A temporary license shall not be valid for claiming.

Section 19. Eligibility for Multiple Licenses. More than one (1) license to participate in horse racing may be granted to a person except if prohibited by this administrative regulation due to a potential conflict of interest.

#### Section 20. Conflict of Interest.

(1) The license review committee and the chief state steward or presiding judge or their designees shall deny or refuse to process the license of a person, and the commission or the chief state steward or presiding judge shall revoke or suspend the license of a licensee, who is determined to have a conflict of interest. A conflict of interest may exist if a spouse, immediate family member, or other person in a similar relationship to the licensee or applicant holds a license which the license review committee or chief state steward or presiding judge finds to be a conflict of interest with the licensee's or applicant's license. A finding of a conflict of interest may be appealed to the commission pursuant to KRS 230.320 and KRS Chapter 13B.

(2) A racing official who is an owner of either the sire or dam of a horse entered to race shall not act as an official during that race.

(3) A person who is licensed as an owner or trainer, or who has any financial interest in a horse entered in a race, shall not participate in that race as any of the following:

(a) Racing official;

(b) Assistant starter;

(c) Practicing veterinarian for any horse other than the owner's;

(d) Veterinary technician, veterinary technologist, veterinary assistant, or equine therapist for any horse other than the owner's;

(e) Officer or managing employee;

(f) Track maintenance supervisor or employee;

(g) Outrider;

(h) Race track security employee;

(i) Farrier;

(j) Photo finish operator;

(k) Horsemen's bookkeeper;

(l) Racing chemist;

(m) Testing laboratory employee;

(n) Jockey;

(o) Apprentice jockey; or

(p) Jockey agent.

#### Section 21. License Photo Identification Badges.

(1) (a) If a licensee desires access to restricted areas of a racing association grounds, then the licensee shall carry on his or her person at all times within the restricted area his or her assigned commission license (photo identification badge).

(b) A photo identification badge is available to a licensee upon presentation of appropriate, valid photo identification by the licensee to commission personnel at commission licensing offices.

(2) A person shall present an appropriate license to enter a restricted area.

(3) The stewards or judges or racing association may require visible display of a license in a restricted area.

(4) A license may only be used by the person to whom it is issued, and a licensee shall not allow another person to use his or her badge for any purpose.

(5) Licensee credentials (photo identification badges) are the property of the commission and shall be surrendered to the executive director, the stewards or judges, the commission director of enforcement, or director of licensing, or designee, upon request.

#### Section 22. Duties of Licensees.

(1) A licensee shall be knowledgeable of this administrative regulation and, by acceptance of the license, agrees to abide by this administrative regulation.

(2) A licensee shall report to track security or the stewards or judges any knowledge the licensee has that a violation of this administrative regulation has occurred or may occur.

(3) A licensee shall abide by all rulings and decisions of the stewards or judges and the commission, and all decisions by the stewards or judges and the commission shall remain in force unless reversed or modified by the commission or a court of competent jurisdiction upon proper appeal pursuant to KRS 230.330.

(4) Rulings and decisions of the stewards or judges may be appealed to the commission, except those made by the stewards or judges as to:

(a) Findings of fact as occurred during and incident to the running of a race; and

(b) A determination of the extent of disqualification of horses in a race for fouls committed during the race.

(5) A licensee shall cooperate fully with all investigations and inquiries made by commission representatives or association security, or both.

(6) A licensee shall obey instructions from commission representatives or association security, or both.

(7) All licensees shall immediately report to the commission any known or suspected irregularities, any violation of the administrative regulations of the commission, or any wrongdoings by any person, and shall cooperate in any subsequent investigation.

Section 23. Common Law Rights of Associations. The validity of a license does not preclude or infringe on the common law rights of associations to eject or exclude persons, licensed or unlicensed, from association grounds.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the procedures by which individuals participating in horse racing are licensed by the Commission, and by which licenses are denied, suspended, or revoked.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to ensure the integrity of horse racing in Kentucky by requiring the licensing of all individuals participating in horse racing at locations under the jurisdiction of the Commission.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.310 requires all individual participants to be licensed by the Commission. This administrative regulation establishes licensing procedures to implement the statutory mandate.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation enables the Commission to properly regulate the licensing of individual participants in racing in Kentucky.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Commission is affected by this administrative regulation, and any licensed participant in horse racing is potentially affected by this administrative regulation. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Individual participants in horse racing

will be required to obtain a license and pay a license fee to participate in racing in Kentucky.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): License fees vary according to the category of the license. The maximum fee is \$150.00, and the license is issued on an annual basis. These fees are not amended by this regulation and have not been altered since 2010.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in horse racing will benefit from the enhanced integrity to racing which is ensured by proper licensing of individuals who engage in racing at locations under the jurisdiction of the Commission.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No additional funding will be necessary for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional funding will be necessary for the implementation and enforcement of this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation, as will all individuals licensed by the Commission to participate in horse racing.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

#### 810 KAR 3:030. Licensing totalizator companies.

RELATES TO: KRS 230.225, 230.260, 230.290, 230.300, 230.310, 230.320, 230.361, 230.370, 230.380

STATUTORY AUTHORITY: KRS 230.215, 230.260(3), 230.300, 230.370, 230.380

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.260(3) and 230.380 vest the commission with authority over any totalizator company that provides totalizator services to racing associations and simulcast facilities located in the Commonwealth. KRS 230.260(3) further requires the commission to license any totalizator company under its jurisdiction, regardless of whether the company is located in the Commonwealth, or operates from a location or locations outside of the Commonwealth. This administrative regulation establishes license application procedures and requirements for totalizator companies that provide totalizator services to racing associations located in the Commonwealth.

#### Section 1. Definitions.

(1) "Applicant" means an individual, person, or entity that has submitted an application for a license pursuant to this administrative regulation.

(2) "Individual" means a natural person, at least eighteen years of age, but does not include any corporation, partnership, limited liability company, trust, or estate.

(3) "Nominal change in ownership" is defined in 810 KAR 3:001, Section 1(26).

(4) "Person" means any corporation, whether organized for profit or not, partnership, limited liability company, trust, estate, association, joint venture, or any other group or combination acting as a unit.

(5) "Principal" is defined in KRS 230.210 when used in the context of a licensed association or an applicant for a license to conduct a horse race meeting; when used in the context of any other type of entity, "Principal" means any of the following individuals associated with a partnership, trust association, limited liability company, or corporation:

(a) The chairman and all members of the board of directors of a corporation;

(b) All partners of a partnership and all participating members of a limited liability company;

(c) All trustees and trust beneficiaries of an association;

(d) The president or chief executive officer and all other officers, managers, and employees who have policy-making or fiduciary responsibility within the organization;

(e) All stockholders or other individuals who own, hold, or control, either directly or indirectly, five (5) percent or more of stock or financial interest in the collective organization; and;

(f) Any other employee, agent, guardian, personal representative, or lender or holder of indebtedness who has the power to exercise a significant influence over the applicant's or licensee's operation.

(6) "Substantial change in ownership" is defined by 810 KAR 3:001, Section 1(39).

(7) "Totalizator" means the system, including hardware, software, communications equipment, and electronic devices, that accepts and processes the cashing of wagers, calculates the odds and prices of such wagers, and records, displays, and stores pari-mutuel wagering information.

(8) "Totalizator company" means any person providing totalizator services or equipment to a racing association or simulcast facility.

#### Section 2. License Required.

(1) Any totalizator company that provides totalizator services to

a racing association or simulcast facility located in the Commonwealth shall be licensed by the commission.

(2) To obtain a license, an applicant shall apply to the commission for a license on the "Initial/Renewal License Application to Provide Totalizator Services, KHRC 3-030-1 (9/18).

(a) An initial license shall be effective, and the totalizator company may begin operations, upon approval of the commission.

(b) A license to provide totalizator services shall be renewed annually on or before August 1 of the preceding year. The commission shall render a decision on the renewal application on or before December 20. If approved, a renewal license shall be effective January 1.

(3) If an applicant is unable, despite best efforts, to provide all of the required information, the applicant shall fully explain and document its reasons to the satisfaction of the commission, and shall provide the information promptly upon being able to do so.

#### Section 3. Licensing Fees and Costs.

(1) An annual license fee of \$1,000 shall be payable to the commission upon submission of a license application. A license application shall not be complete until receipt of the license fee each year.

(2) (a) The applicant shall pay all costs incurred by the commission in reviewing an application for an initial or renewal license, including:

1. Legal and investigative costs, and

2. The cost of performing background checks on any individual or organization associated with the applicant.

(b) To cover these costs, initial applicants shall submit with the application an investigation fee of \$10,000.

(c) Any portion of the payment not required to complete the investigation shall be refunded to the applicant within twenty (20) days of the granting, withdrawal, or rejection of the initial license application.

(d) If the commission determines that investigation of a renewal applicant or an applicant that is proposing to undergo a substantial change in ownership is necessary, the applicant shall submit a cashier's check or certified check payable to the commission in an amount requested by the commission within ten (10) days of receipt of request. Failure to submit the payment shall result in suspension of the processing of renewing the license and may result in denial of the license.

(e) To the extent additional costs become necessary to investigate an applicant for a license or a substantial change in ownership of an applicant, the applicant shall submit a cashier's check or certified check payable to the commission in an amount reasonably requested by the commission within ten (10) days of receipt of the request. Failure to submit an additional requested payment shall result in suspension of the processing of the license application and may result in denial of the license.

(f) The commission may waive the investigation fees, in part or completely, if the applicant has undergone a certification process or other investigative review by a commission-approved industry or regulatory body.

#### Section 4. License Application Procedures.

(1) The commission may deny a license to any applicant that provides false or misleading information on or omits material information from the application.

(2) In addition to the "Initial/Renewal License Application to Provide Totalizator Services, KHRC 3-030-1 (9/18), an applicant shall provide to the commission:

(a) Audited financial statements for the last three years or, if the applicant does not have audited financial statements, financial and other pertinent information as required by the commission to determine that the applicant is financially capable of operating as a going concern;

(b) A Service and Organization Controls 1 Report (SOC-1) or other independent report in a form acceptable to the commission, completed within the preceding twelve (12) months, to assure adequate financial controls are in place and compliance with totalizator standards. The commission may require that a SSAE 16 audit, or other independent report in a form acceptable to the

commission, be conducted annually in order to receive a renewal license;

(c) A list of personnel assigned to work in Kentucky, which shall be kept current and be provided to the commission upon request;

(d) A certification of compliance with the Kentucky Horse Racing Commission Totalizator Standards, KHRC 3-030-03 (9/18);

(e) An agreement to testing of hardware and software as may be directed by the commission; and

(2) In reviewing an application, the commission may consider

(a) Any information, data, reports, findings, or other factors available that it considers important or relevant to its determination of whether the applicant is qualified to hold a license, including the following:

(b) The integrity of the applicant and its principals, including whether the applicant has:

1. Been convicted of any crime of moral turpitude, embezzlement, or larceny, or any violation of any law pertaining to illegal gaming or gambling, or any crime that is inimical to the declared policy of the Commonwealth of Kentucky with regard to horse racing and pari-mutuel wagering thereon;

2. Been convicted in any jurisdiction within ten (10) years preceding initial licensing or license renewal of any crime that is or would be a felony or class A misdemeanor in the Commonwealth of Kentucky;

3. Been identified in the published reports of any federal or state legislative or executive body, or in an opinion of any judicial body, as being a member or associate of organized crime, or of being of notorious or unsavory reputation;

4. Been charged by any federal, state, or local law enforcement authority with a violation of any federal, state, or local law;

5. Had a gaming or totalizator company license revoked in another jurisdiction on grounds that would have been grounds for revoking the license in Kentucky;

6. Engaged in any other activities that would pose a threat to the public interest or to the effective regulation of horse racing and wagering in Kentucky, or enhance the dangers of unsuitable, unfair, or illegal practices, methods, and activities in the conduct of racing and wagering or in the operation of the business and financial arrangements incidental thereto;

7. Been a party to litigation over business practices or disciplinary actions over a business license;

8. Been a party to proceedings in which unfair labor practices, discrimination, or violation of government regulations pertaining to racing or gaming laws was an issue, or bankruptcy proceedings;

9. Failed to satisfy judgments, orders, or decrees; and

10. Whether the applicant or its principals has been delinquent in filing tax reports or remitting taxes:

(c) The quality of physical facilities and equipment;

(d) The management ability of the applicant and its principals;

(e) Compliance of the applicant with applicable statutes, charters, ordinances, and administrative regulations; and

(f) The efforts of the applicant to safeguard and promote the integrity of pari-mutuel wagering in the Commonwealth.

#### Section 5. License Applicant Presentation.

(1) An applicant that has submitted a completed license application and all accompanying fees may request or be required to make a presentation of its application at a meeting of the commission prior to the ruling on the application.

(2) The presentation shall be limited to information contained in the application and any supplemental information relevant to the applicant's suitability. The admission of supplemental information shall be subject to the discretion of the commission.

Section 6. Additional Information. The commission may request additional information from an applicant that would assist the commission in deciding whether to issue or renew a license, including copies of any documents used by the applicant in preparing the application and contracts between the applicant and third parties related to operations.

Section 7. Operations.

(1) Before doing business in Kentucky, the licensee shall be qualified to do business in Kentucky.

(2) In addition to the information the commission may request under this or any other applicable administrative regulation or statute, the commission may require the licensee to remit contemporaneously to the commission a copy of any documents required to be filed with the Department of Revenue or other regulatory agency.

(3) The licensee shall operate in conformity with the Kentucky Horse Racing Commission Totalizator Standards, KHRC 3-030-03 (9/18).

Section 8. Change in Ownership.

(1) A change in ownership shall be reported to the commission on the Totalizator Serves Change of Control Form.

(2) Notice of a nominal change in ownership shall be filed with the commission within fifteen (15) days of the execution of the documents upon which the proposed nominal change is based.

(3) Notice of a change of ownership shall not be required for:

(a) A nominal change of ownership if the licensee is a publicly traded corporation;

(b) The transfer of an ownership interest in a licensee, direct or indirect, whether substantial or nominal, if by a publicly traded corporation and the beneficial ownership is acquired by a person who shall hold the voting securities of the publicly traded corporation for investment purposes only; or

(c) A debt transaction of a publicly traded corporation, unless such transaction results in the pledge or encumbrance of the assets or any portion thereof of the licensee.

(4) Notice of a substantial change in ownership shall be filed with the commission prior to the execution of the documents upon which the proposed substantial change is based and shall constitute a request for approval of the change.

(a) Absent prior written approval from the commission, a substantial change in ownership shall result in termination of the license.

(b) Any attempt to effect substantial change in ownership not in writing shall be considered void by the commission.

Section 9. Duration of License. A license issued under this administrative regulation shall be valid for the calendar year for which it is issued.

Section 10. Incorporation by Reference.

Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation requires totalizator companies that provide totalizator services to racing associations located in the Commonwealth to be licensed. It establishes application and licensing fees and sets forth the requirements for obtaining a license.

(b) The necessity of this administrative regulation: This new administrative regulation is being promulgated as part of a comprehensive revision of the Kentucky Horse Racing Commission's regulatory scheme. This regulation is intended to replace previous regulations concerning the same subject matter which are being concurrently repealed.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) grants the commission the authority to regulate conditions under which horse racing and pari-mutuel wagering thereon shall be conducted in Kentucky. KRS 230.260 vests the commission with jurisdiction over any totalizator company that provides totalizator services to a racing association located in the Commonwealth and requires such totalizator company to be licensed by the commission. It further allows the commission to impose application and license fees on the totalizator companies and requires it to promulgate administrative regulations which establish conditions and procedures for the licensing of totalizator companies.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation establishes application and licensing fees, as well as the conditions and procedures for the licensing of totalizator companies.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: There are three major totalizator companies that could be affected by this administrative regulation. At the present time, all three of those companies are doing business in Kentucky. If any other chooses to do business in the Commonwealth, it will have to comply with the regulation.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: The entities identified in question (3) will have to pay the application fee to apply for a license and the licensing fee to receive a license. They will have to provide the

documentation required by the license application.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The totalizator companies will have to pay an application fee of \$10,000 to apply for a license. Any portion of this money not expended during the review of the license will be refunded. If the cost of reviewing the license application exceeds \$10,000, the totalizator company will be assessed those additional costs. If the company is granted a license, it will be assessed a \$1,000 license fee.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Licensed totalizator companies will be benefit from having their duties and regulatory guidelines clearly defined.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The total initial cost would be expected to be minimal since most of the regulatory personnel and regulatory infrastructure are currently in place.

(b) On a continuing basis: The total ongoing costs would be expected to be minimal since regulating simulcast facilities would be included with the costs of regulating all pari-mutuel wagering in the Commonwealth.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The licensee will also be required to reimburse the commission pursuant to KRS 230.260 to cover the commission's increased regulatory costs relating to compensation of additional personnel and other expenses.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: The implementation of this administrative regulation requires the imposition of application and license fees. Since these license fees are currently in place, there is no increase in fees or funding necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not increase any current fees to participate. This administrative regulation replaces an existing regulation that has the same fee structure.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.260.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Since there are three (3) licensed totalizator companies in the Commonwealth, and all three (3) have paid their initial license fees, the Commonwealth is expected to generate \$3,000.00 annually from the license fees, plus any payroll taxes imposed upon all participants for employees located in the Commonwealth.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Since there are three (3) licensed totalizator companies in the Commonwealth, and all three (3) have paid their initial license

fees, the Commonwealth is expected to generate \$3,000.00 annually from the license fees, plus any payroll taxes imposed upon all participants for employees located in the Commonwealth.

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): Increase - No specific estimate

Expenditures (+/-): No impact

Other Explanation: There are currently three companies in this industry that have historically paid the licensing fees, but additional companies could enter the market.

(15) "Totalizator" or "Totalizator system" means the system, including hardware, software, communications equipment, and electronic devices, that accepts and processes the cashing of wagers, calculates the odds and prices of the wagers, and records, displays, and stores pari-mutuel wagering information.

## Section 2. License Required to Conduct Advance Deposit Account Wagering.

(1) Any individual, person, or entity, other than a licensed association engaged in telephone account wagering as defined in KRS 230.210(20), that offers advance deposit account wagering to Kentucky residents shall be licensed by the commission.

(2) To obtain a license, an applicant shall apply to the commission for a license on the Initial/Renal License Application to Conduct Advance Deposit Account Wager, Form KHRC 3-030-01.

(3) An initial license shall be effective, and the advance deposit account wagering licensee may begin operations, upon approval of the commission.

(4) A license to conduct advance deposit account wagering shall be renewed annually on or before September 1 of the preceding year, except as provided in Section 7 of this administrative regulation. The commission shall render a decision on the renewal application on or before December 15 of the preceding year. If approved, a renewal license shall be effective January 1.

(5) If an applicant is unable, despite best efforts, to provide all of the required information, the applicant shall fully explain and document its reasons to the satisfaction of the commission, and shall provide the information promptly upon being able to do so.

## Section 3. Licensing Fees and Costs.

(1) An annual license fee of \$1,000 shall be payable to the commission upon submission of a license application. A license application shall not be complete until receipt of the license fee each year.

(2)(a) The applicant shall pay all costs incurred by the commission in reviewing an application for an initial or renewal license, including

1. Legal and investigative costs, and

2. The cost of performing background checks on any individual or organization associated with the applicant.

(b) To cover these costs, initial applicants shall submit with the application an investigation fee of \$5,000.

(c) Any portion of the payment not required to complete the investigation shall be refunded to the applicant within twenty (20) days of the granting, withdrawal, or rejection of the initial license application.

(d) If the commission determines that investigation of a renewal applicant or an applicant that is proposing to undergo a substantial change in ownership is necessary, the applicant shall submit a cashier's check or certified check payable to the commission in an amount requested by the commission within ten (10) days of receipt of request. Failure to submit the payment shall result in suspension of the processing of renewing the license and may result in denial of the license.

(e) To the extent additional costs become necessary to investigate an applicant for a license or a substantial change in ownership of an applicant, the applicant shall submit a cashier's check or certified check payable to the commission in an amount reasonably requested by the commission within ten (10) days of receipt of the request. Failure to submit an additional requested payment shall result in suspension of the processing of the license application and may result in denial of the license.

(f) The commission may waive the investigation fees, in part or completely, if the applicant has undergone a certification process or other investigative review by a commission-approved industry or regulatory body.

## Section 4. License Application Procedures.

(1) The commission may deny a license to any applicant that provides false or misleading information on or omits material information from the application.

(2) In addition to the complete application, an applicant shall provide to the commission:

(a) Audited financial statements for the last three (3) years or, if the applicant does not have audited financial statements, financial and other pertinent information as required by the commission to determine that the applicant is financially capable of operating as a going concern and protecting accounts;

(b) A detailed plan of how the advance deposit account wagering system will operate; and

(c) A list of all personnel processing wagers on races made by Kentucky residents. This list shall be kept current and be provided to the commission upon request.

(3) The commission may require changes in the proposed plan of operations as a condition of granting a license. There shall not be subsequent material changes in the plan of operations unless ordered by the commission or until approved by the commission after receiving a written request.

(4) The commission may require a report to be conducted in accordance with the Service and Organization Controls 1 Report (SOC-1), or a replacement report approved by the Auditing Standards Board of the American Institute of Certified Public Accountants, or other independent report in a form acceptable to the commission, to evaluate the applicant's control objectives, control activities, and control processes. The commission may require that the report be conducted within the twelve (12) months before issuing an initial license and annually in order to receive a renewal license; and

(5) In reviewing an application, the commission may consider any information, data, reports, findings, or other factors available that it considers important or relevant to its determination of whether the applicant is qualified to hold a license, including the following:

(a) The integrity of the applicant and its principals, including:

1. Whether the applicant or its principals is unsuitable pursuant to KRS 230.280(2)(f);

2. Whether the applicant or its principals has been a party to litigation over business practices, disciplinary actions over a business license, or refusal to renew a license;

3. Whether the applicant or its principals has been a party to proceedings in which unfair labor practices, discrimination, or violation of government regulations pertaining to racing or gaming laws was an issue, or bankruptcy proceedings;

4. Whether the applicant or its principals has failed to satisfy judgments, orders, or decrees; and

5. Whether the applicant or its principals has been delinquent in filing tax reports or remitting taxes;

(b) The quality of physical facilities and equipment;

(c) The financial ability of the applicant to conduct advance deposit account wagering;

(d) The protections provided to safeguard accounts, including a certification from the licensee's chief financial officer that account funds will not be comingled with other funds as required in Section 8(13) of this administrative regulation;

(e) The management ability of the applicant and its principals;

(f) Compliance of the applicant with applicable statutes, charters, ordinances, and administrative regulations;

(g) The efforts of the applicant to promote, develop, and improve the horse racing industry in the Commonwealth;

(h) The efforts of the applicant to safeguard and promote the integrity of pari-mutuel wagering in the Commonwealth; and

(i) The economic impact of the applicant upon the Commonwealth.

#### Section 5. License Applicant Presentation.

(1) An applicant that has submitted a completed license application and all accompanying fees may request or be required to make a presentation of its application at a meeting of the commission prior to the ruling on the application.

(2) The presentation shall be limited to information contained in the application and any supplemental information relevant to the applicant's suitability. The admission of supplemental information shall be subject to the discretion of the commission.

Section 6. Additional Information. The commission may request additional information from an applicant if the additional information would assist the commission in deciding whether to issue or renew a license, including:

(1) Copies of any documents used by the applicant in preparing the application; and

(2) A list of all contracts between the applicant and third parties related to operations. The commission may review the contracts any time upon request.

#### Section 7. Duration of License.

(1) An initial license issued under this administrative regulation before July 1 shall be valid for the calendar year for which it is issued.

(2) An initial license issued under this administrative regulation on or after July 1 shall be valid for the calendar year for which it is issued and the following calendar year.

#### Section 8. Operations and Duties of Licensees.

(1) Before doing business in Kentucky, the licensee shall be qualified to do business in Kentucky.

(2) The licensee shall notify the commission of any communication, report, or investigation conducted or to be conducted by the Thoroughbred Racing Association, Thoroughbred Racing Protective Bureau, United States Trotting Association, American Quarter Horse Association, Arabian Jockey Club, National Thoroughbred Racing Association, or any state or federal regulatory agency that relates to the safety, integrity, or security of the licensee and its participants, or that would reasonably be deemed to affect public confidence in the licensee. The licensee shall further send a copy of any such communication, correspondence, or report to the commission within 24 hours of receipt by the licensee. This regulation shall not be construed to include information delivered to licensee officials acting in the capacity of members of the board of directors of the above referenced organizations.

(3) In addition to the information the commission may request under this or any other applicable administrative regulation or statute, the commission may require the licensee to remit contemporaneously to the commission a copy of any documents required to be filed with any local, state, or federal regulatory agency.

(4) The licensee shall notify the KHRC within 24 hours of becoming aware of any suspected or confirmed breach of security

of data, including intrusions into the personal information of account holders.

(5) The licensee shall notify the KHRC within 24 hours of becoming aware of a wagering anomaly. The licensee shall provide transactional data to the KHRC upon request. Wagering anomalies include any incident that might reasonably affect the public's confidence in the wagering pools, such as:

(a) Account wagering fraud;

(b) Suspected manipulation through computerized robotic wagering;

(c) Odds manipulation

(d) Quick pick or random pick malfunction;

(e) Cancellation of large wagers, especially within 2 minutes of the closing of a wagering pool;

(f) Suspicious wagering patterns; and

(g) Totalizator or data communications malfunctions.

(6) All notices required to be given to the commission pursuant to Sections 2 through 5 of this administrative regulation shall be provided by phone call to the executive director or the director of pari-mutuel wagering and compliance immediately after the event triggering the notice requirement. In addition, written notice of the event shall be submitted to the executive director and the director of pari-mutuel wagering and compliance no later than twenty-four (24) hours after the event triggering the notice requirement. Written notice may be made by hand delivery, electronic mail, or facsimile. All notices other than those in Sections 1 through 3 shall be provided to the director of pari-mutuel wagering and compliance within five (5) business days of the event unless otherwise specifically instructed in these regulations.

(7) The licensee shall submit to the director of pari-mutuel wagering and compliance or his or her designee an electronic copy of the Advanced Deposit Wagering Excise Tax Report (Kentucky Form 73A102) no later than the first business day of the week next succeeding the week during which the wagers forming the base of the tax were received.

(8) A licensee shall submit to the commission a separate report for each affiliate under the control of the licensee on the form "Kentucky Horse Racing Commission Quarterly ADW Activity Report," KHRC 3-040-04, that includes the following information:

(a) For account holders residing in Kentucky:

1. The total amount wagered on races conducted by all Kentucky associations; and

2. The total amount wagered on races conducted by all non-Kentucky associations.

(b) For account holders not residing in Kentucky, the total amount wagered on races conducted by each Kentucky association.

(9) The Kentucky Horse Racing Commission Quarterly ADW Activity Report shall be submitted to the commission according to the following schedule:

(a) For wagering from January 1 through and including March 31, the report shall be submitted no later than the first business day following March 14 of the same calendar year;

(b) For wagering from April 1 through and including June 30, the report shall be submitted no later than the first business day following July 14 of the same calendar year;

(c) For wagering from July 1 through and including September 30, the report shall be submitted no later than the first business day following October 14 of the same calendar year; and

(d) For wagering from October 1 through and including December 31, the report shall be submitted no later than the first business day following January 14 of the next calendar year.

(10) On or prior to the third Friday of September of each year, the licensee shall submit to the commission the form "Kentucky Horse Racing Commission ADW Player Account Balance and Excise Tax Summary Report" certifying the average daily account total for all account holders residing in Kentucky between the first Monday of March of that calendar year and the last Sunday of August of the same calendar year.

(11) On or prior to the third Friday of September of each year, the licensee shall submit to the commission the form "Kentucky Horse Racing Commission ADW Player Account Balance and Excise Tax Summary Report," KHRC 3-040-05, certifying the

average weekly excise tax amount paid to the Commonwealth of Kentucky between the first Monday of March of that calendar year and the last Sunday of August of the same calendar year.

(12) A licensee shall enter into an agreement with each licensed racing association in the Commonwealth on whose races the licensee offers advance deposit account wagering regarding payment of host fees and any other applicable fees, costs, or payments of any kind to be paid to the licensed association. The licensed racing association and the applicable horsemen's organization shall negotiate a separate agreement for contributions to the purse account generated by advanced deposit account wagering.

(13) A licensee shall not commingle account funds with other funds.

(14) A licensee that does not have audited financial statements for the last three (3) years as referenced in Section 4(1)(d) of this administrative regulation shall provide quarterly financial statements to the commission for the first calendar year of operation.

(15) A licensee shall use and communicate pari-mutuel wagers to a totalizator system licensed by the commission.

(16) The licensee shall require its licensed totalizator company to provide all wagering data requested by the KHRC or its designee with respect to any website, affiliate, or any other such entity related to the licensee through which the licensee facilitates wagers by Kentucky account holders or by any account holder who is not a Kentucky resident and who is wagering on Kentucky races.

(17) A licensee shall operate and communicate with the totalizator system in such a way as not to provide or facilitate a wagering advantage based on access to information and processing of wagers by account holders relative to persons who wager at licensed associations or simulcast facilities.

(18) All personnel processing wagers made by Kentucky residents shall be licensed in the jurisdiction where they are located. If an individual is located in a jurisdiction that is not a racing jurisdiction or that does not require a license, that individual shall be licensed in Kentucky.

(19) Accounts shall only be accepted in the name of an individual and shall not be transferable. Only individuals who have established accounts with a licensee may wager through a licensee.

(20) Each account holder shall provide personal information as the licensee and the commission require.

(a) Required information shall include:

1. Name;
2. Principal residence address;
3. Telephone number;
4. Social Security number;
5. Date of birth; and
- 6 Other information necessary for account administration.

(b) The information supplied by the account holder shall be verified by the licensee using means acceptable to the commission.

(21) The licensee shall provide each account holder a secure personal identification code and password to be used by the account holder to confirm the validity of every account transaction.

(22) An employee or agent of the licensee shall not disclose any confidential information except:

- (a) To the commission;
- (b) To the account holder as required by this administrative regulation;
- (c) To the licensee and its affiliates;
- (d) To the licensed association as required by the agreement between the licensee and the association; and
- (e) As otherwise required by law.

(23) The licensee shall provide each account holder a copy of account holder policies and procedures related to pari-mutuel wagering, including the licensee's refund policy, and other information and materials that are pertinent to the operation of the account. This information shall be available on the licensee's official website and shall be viewable without registering for an account with the licensee.

(24) The licensee shall publish a list of racing associations that

have authorized the licensee to participate in their wagering pools. This list shall be viewable without registering for an account with the licensee.

(25) The licensee may refuse to establish an account if it is found that any of the information supplied is false or incomplete or for any other reason the licensee deems sufficient.

(26) Each account shall be administered in accordance with the account holder rules/terms of agreement provided to account holders, including, but not limited to:

- (a) Placing of wagers;
- (b) Deposits to accounts;
- (c) Credits to accounts;
- (d) Debits to accounts;
- (e) Refunds to accounts;
- (f) Withdrawals from accounts;
- (g) Minimum deposit requirements;
- (h) Fees per wager; and
- (i) Rebates.

(27) Each licensee shall have protocols in place and shall publicize to its account holders when its wagers are excluded from a host track's wagering pool. These protocols shall include an immediate electronic mail message to affected account holders and immediate posting on the licensee's website.

(28) A licensee shall maintain complete records of the application and the opening of an account for the life of the account plus two (2) additional years. A licensee shall also maintain complete records of the closing of an account for two (2) years after closing. These records shall be provided to the commission upon request.

(29) A licensee shall maintain complete records of all transactions, including deposits, credits, debits, refunds, withdrawals, fees, wagers, rebates, and earnings for two (2) years. These records shall be provided to the commission upon request.

(30) All wagering conversations, transactions, or other wagering communications, verbal or electronic, shall be recorded by means of the appropriate electronic media, and the tapes or other records of the communications shall be kept by the licensee for a period of two (2) years. These tapes and other records shall be made available to the commission upon request.

(31) The recording of the confirmation of the transaction, as reflected in the voice or other data recording, shall be deemed to be the actual wager regardless of what was recorded by the totalizator system.

(32) A licensee shall not accept wagers if its recording system is not operable.

(33) The licensee shall synchronize its timing system with the U.S. Naval Observatory Clock or an alternative time synchronization methods approved by the commission at least once every twenty-four (24) hour period.

(34) The commission may monitor the equipment and staff and review the records of a licensee and any of the transactions conducted by the licensee with regards to wagers made by Kentucky residents.

(35) A licensee may suspend or close any account for violation of its account holder rules/terms of agreement, or any other reason it deems sufficient, if it returns to the account holder all monies then on deposit within seven (7) calendar days.

#### Section 9. Surety Bond or Letter of Credit Required.

(1) Prior to commencement of advance deposit account wagering operations, a licensee shall secure an irrevocable bond from a surety company admitted to the Commonwealth of Kentucky or other form of financial security such as an irrevocable letter of credit in favor of the Commonwealth of Kentucky. A certified copy of the bond shall be submitted to the commission and shall be accompanied by a certified copy of the "Advance Deposit Wagering Provider Surety Bond or Letter of Credit Form," KHRC 3-040-03.

(2) The bond or letter of credit amount shall be 125% of the amount reported in Part II plus 400% of the amount report in Part III of the form "Kentucky Horse Racing Commission ADW Player Account Balance and Excise Tax Summary Report," KHRC 3-040-05 unless any of the following conditions apply:

(a) If the licensee was not licensed for operation in the Commonwealth of Kentucky prior to January 1 of the current calendar year, the bond or letter of credit amount shall be \$50,000.00;

(b) If the sum of the amounts equaling 125% of the amount reported in Part II plus 400% of the amount report in Part III of the form "Kentucky Horse Racing Commission ADW Player Account Balance and Excise Tax Summary Report," KHRC 3-040-05, is less than or equal to \$50,000, the bond or letter of credit amount shall be \$50,000; or

(c) If the sum of the amounts equaling 125% of the amount reported in Part II plus 400% of the amount report in Part III of the form "Kentucky Horse Racing Commission ADW Player Account Balance and Excise Tax Summary Report," KHRC 3-040-05, exceeds \$500,000, the bond or letter of credit amount shall be \$500,000.

(3) The bond or letter of credit shall, if necessary, be used to:

(a) Comply with and perform the provisions and undertakings of the advance deposit account wagering licensee set forth in the application as finally approved by the commission;

(b) Discharge the licensee's financial obligations to account holders who are Kentucky residents;

(c) Discharge payment of all taxes and expenses due by the licensee to the Commonwealth; and

(d) Discharge the licensee's financial obligations to any racing association or simulcast facility licensed by the commission.

#### Section 10. Change in Ownership.

(1) A change in ownership shall be reported to the commission on the Advance Deposit Wagering Change of Control Form, KHRC 3-040-02.

(2) Notice of a nominal change in ownership shall be filed with the commission within fifteen (15) days of the execution of the documents upon which the proposed nominal change is based.

(3) Notice of a change of ownership shall not be required for:

(a) A nominal change of ownership if the licensee is a publicly traded corporation;

(b) The transfer of an ownership interest in a licensee, direct or indirect, whether substantial or nominal, if by a publicly traded corporation and the beneficial ownership is acquired by a person who shall hold the voting securities of the publicly traded corporation for investment purposes only; or

(c) A debt transaction of a publicly traded corporation, unless such transaction results in the pledge or encumbrance of the assets or any portion thereof of the licensee.

(4) Notice of a substantial change in ownership shall be filed with the commission prior to the execution of the documents upon which the proposed substantial change is based and shall constitute a request for approval of the change.

(a) Absent prior written approval from the commission, a substantial change in ownership shall result in termination of the license.

(b) Any attempt to effect substantial change in ownership not in writing shall be considered void by the commission.

Section 11. Unlicensed Activity. With respect to any individual, person, or entity that offers advanced deposit account wagering to Kentucky residents without a license issued by the commission, the commission may take the measures it deems necessary, including referral to the appropriate regulatory and law enforcement authorities for civil action or criminal penalties.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the licensing application procedures for entities that offer advance deposit account wagering on horse races to Kentucky residents.

(b) The necessity of this administrative regulation: This new administrative regulation is being promulgated as part of a comprehensive revision of the Kentucky Horse Racing Commission's regulatory scheme. This regulation is intended to replace previous regulations concerning the same subject matter which are being concurrently repealed.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This regulation describes the process, fees, procedures, and criteria for granting/denying association applications as authorized by KRS 230.260. Jurisdiction and authority to promulgate such regulation is set forth in KRS 230.260.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This is a new regulation that prescribes procedures, fees, requirements, and criteria when granting or denying an application to offer advance deposit account wagering to Kentucky residents.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this

administrative regulation: Entities that offer advance deposit account wagering to Kentucky residents are affected. Racing associations and horsemen are also affected.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: The entities seeking to offer advance deposit account wagering to Kentucky residents will be required to complete the application form and disclosure requirements.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The applicants will be required to pay an initial license fee of \$5,000 and an annual licensing fee of \$1000. The applicants will also be responsible for paying the cost of any necessary background checks. Licensees will be required to secure a bond or letter of credit of up to and a Statement on Standards for Attestation Engagements, Number 16, report may have to be submitted.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There will be greater transparency regarding the monies wagered through advance deposit account wagering companies. Race tracks and horsemen will benefit from contribution to purse accounts. The regulation also provides some protections for account holders.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The total initial cost would be expected to be minimal since most of the regulatory personnel and regulatory infrastructure are currently in place.

(b) On a continuing basis: The total ongoing cost would be expected to be minimal since most of the regulatory personnel and regulatory infrastructure are currently in place.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The licensee will also be required to reimburse the commission pursuant to KRS 230.240 to cover the commission's increased regulatory costs relating to compensation of additional personnel and other expenses.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: The licensee will also be required to reimburse the commission pursuant to KRS 230.240 to cover the commission's increased regulatory costs relating to compensation of additional personnel and other expenses.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: An initial license fee of \$5,000 is required to cover all initial regulatory costs and for background checks. An annual license fee of \$1000 is established to cover the regulatory costs.

(9) TIERING: Is tiering applied? Tiering is applied to determine the amount of a licensee's required surety bond or letter of credit. This is dependent on the average amount of money held by the licensee Kentucky account holders over a six-month period and the average excise tax paid by the licensee over a six-month period. The excise tax paid depends on the amount of wagering activity conducted by patrons utilizing the services of a licensee.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.215, 230.260, 230.310, and 230.370.

3. Estimate the effect of this administrative regulation on the

expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. No estimated change in expenditures or revenues.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3). None

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined, participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3). Based on the previous fiscal year and the projected growth of advance deposit wagering, it is expected that approximately \$1.15 million in excise taxes will be collected, in addition to payroll taxes imposed upon all employees of licensees in the Commonwealth.

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation provides eligibility requirements for accessing the backside improvement fund. As licensed thoroughbred racing associations continue to access the funds, individuals identified in the Regulatory Impact Analysis and Tiering Statement will receive increase in revenue.

  - (i) The authority for the sale of alcohol;
  - (j) The name of the totalizator service and mutuel manager;
  - (k) 1. Name of, location, and distance to, the nearest other licensed track; and
    2. Written consent of a licensed track that is located within a radius that is more than fifty (50) miles, but less than seventy-five (75) miles, from the simulcast facility, if this has not already been provided;
  - (l) The location of, and distance to, the nearest lottery vendor; and

- (m) A statement that the applicant has complied with applicable fire, safety, building, and health codes.
  - (8) (a) If information submitted to the commission, or required to be submitted to the commission by the provisions of this administrative regulation, changes, an applicant shall immediately inform the commission in writing of the change;
  - (b) The change shall be reviewed by the commission to determine whether the applicant has complied with the provisions of applicable statutes and this administrative regulation.
  - (9) The commission may refuse to approve an application, and may suspend or revoke a license to establish a simulcast facility on the following grounds:
    - (a) Failure to comply with the provisions of KRS Chapter 230 and this administrative regulation or any other applicable statute or administrative regulation;
    - (b) Denial, suspension, or revocation of a license in another racing jurisdiction;
    - (c) Falsification, misrepresentation, or willful omission of information in an application or with regard to matters pertaining to racing;
    - (d) Failure to comply with an order or ruling of the commission or its representatives;
    - (e) Ownership of an interest in, or participation in any manner in, an illegal enterprise, such as bookmaking, touting, bet solicitation, pool-selling;
    - (f) Association with a person engaged in an illegal activity;
    - (g) Unqualified by experience or confidence to perform the activity permitted by the license;
    - (h) Intoxication, profanity, fighting, or other conduct of a disorderly nature on simulcast facility property;
    - (i) Employment or harboring of persons who are not licensed as required by applicable statute or administrative regulation;
    - (j) Possession on simulcast facility property of firearms without written permission, or not in compliance with applicable statute and administrative regulation;
    - (k) Use of profane, abusive, or insulting language to the commission or its staff;
    - (l) Offering, promising, giving, accepting or soliciting a bribe, directly or indirectly, to or by a person having a connection with the outcome of a race;
    - (m) Failure to report knowledge of items specified in paragraph (l) of this subsection;
    - (n) Addiction to controlled substances or alcohol;
    - (o) Prior conviction of a crime, subject to the provisions of KRS 335B.010 and 335B.020; and
    - (p) Substantiation that an applicant does not possess good moral character.
  - (10) The commission shall:
    - (a) Review the information submitted to it by the applicant, pursuant to subsection (7) of this section;
    - (b) Determine whether it meets the requirements of KRS Chapter 230 and this administrative regulation; and
    - (c) If it determines that the applicant has not met the requirements of KRS Chapter 230 and this administrative regulation, inform the applicant:
      1. Of its determination;
      2. Of the reasons for its determination.
- Section 3. Renewal. An application to renew a license for a simulcast facility shall be filed no later than November 1 in the year preceding the calendar year for which renewal is requested and shall include all information required by Section 1(1) through (10) of this administrative regulation.
- Section 4. General Requirements.
- (1) A simulcast facility shall:
    - (a) Be kept in an excellent state of repair;
    - (b) Be operated to ensure that the image of racing and pari-mutuel wagering is enhanced; and
    - (c) Provide adequate security for the public to assure the perception and fact of an honest enterprise free of corrupt practices.
  - (2) All interstate wagering shall be received only through a host track licensed by the commission.

(3) A malfunction of the totalizer shall be immediately reported to:

- (a) The host track; and
- (b) The commission.

(4) Action needed to correct the mutual pools at a simulcast facility shall be calculated by the mutual manager of the host track.

(5) Pools shall be limited to the host track's pools and all payoffs shall be consistent with the common pools of the host track.

(6) A simulcast facility shall meet local and state fire and life safety codes at all times.

(7) A simulcast facility shall report to the commission:

- (a) An accident that results in injury; and
- (b) A crime committed on the property of the facility.

(8) Food and dining services shall be of good quality, so as to promote the image of racing and that of a quality establishment.

(9) Proper smoke ventilation shall be provided to ensure adequate fresh air for designated smoking sections.

**PUBLIC HEARING AND PUBLIC COMMENT PERIOD:** A public hearing on this administrative regulation shall be held on December 27, 2018 at 1:30 p.m., at the office of the Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511. Individuals interested in being heard at this hearing shall notify the Kentucky Horse Racing Commission in writing by no later than five (5) working days prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

**CONTACT PERSON:** John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation provides the regulatory framework that applies to simulcast facilities. This regulation establishes licensing requirements for simulcast facilities, establishes business agreements that must be in place for the issuance of a simulcast facility license, and establishes physical requirements for simulcast facilities.

(b) The necessity of this administrative regulation: This new administrative regulation is being promulgated as part of a comprehensive revision of the Kentucky Horse Racing Commission's regulatory scheme. This regulation is intended to replace previous regulations concerning the same subject matter which are being concurrently repealed.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) grants the commission the authority to regulate conditions under which horse racing and pari-mutuel wagering thereon shall be conducted in Kentucky. KRS 230.380 grants the commission the authority to promulgate administrative regulations as it deems necessary to protect the integrity of pari-mutuel wagering at any simulcast facility.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: KRS 230.215(2) grants the commission the authority to regulate conditions under which horse racing and pari-mutuel wagering

thereon shall be conducted in the Commonwealth. This regulation assists the commission by providing a uniform framework for the issuance of licenses for simulcast facilities in the Commonwealth.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect the seven currently-licensed racing associations in the Commonwealth, any applicant for a simulcast facility license, all licensed participants in racing in the Commonwealth, all patrons who place pari-mutuel wagers on live horse races conducted in the Commonwealth, and the commission.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Any facility applying for a simulcast facility license will be required to submit an application as prescribed in the regulation. Additionally, by statute, a simulcast facility will be required to have contractual agreements with any of the seven currently licensed racing associations within the distance radius prescribed by KRS 230.380. Any simulcast facility granted a license will be required to comply with the general provisions prescribed by the regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): If a racing association or individual requests and receives a license for a simulcast facility, that association or individual will incur the costs of constructing or renovating a facility and acquiring the equipment used to conduct pari-mutuel wagering. The licensee will also be required to reimburse the commission pursuant to KRS 230.240 to cover the commission's increased regulatory costs relating to compensation of additional personnel and other expenses. There will be no additional costs to owners, trainers, jockeys, or patrons placing pari-mutuel wagers.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Kentucky's seven licensed racetracks, applicants for a license to conduct simulcasting, and all individuals who participate in wagering will benefit from having the duties and regulatory guidelines of simulcasting facilities clearly defined.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The total initial cost would be expected to be minimal since most of the regulatory personnel and regulatory infrastructure are currently in place.

(b) On a continuing basis: The total ongoing costs would be expected to be minimal since regulating simulcast facilities would be included with the costs of regulating all pari-mutuel wagering in the Commonwealth.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The licensee will also be required to reimburse the commission pursuant to KRS 230.240 to cover the commission's increased regulatory costs relating to compensation of additional personnel and other expenses.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: The licensee will also be required to reimburse the commission pursuant to KRS 230.240 to cover the commission's increased

regulatory costs relating to compensation of additional personnel and other expenses. Since these license fees are currently in place, there is no increase in fees or funding necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.361 and 230.380.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net revenue generated from this administrative regulation

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net revenue generated from this administrative regulation

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation provides eligibility requirements for accessing the backside improvement fund. As licensed thoroughbred racing associations continue to access the funds, individuals identified in the Regulatory Impact Analysis and Tiering Statement will receive increase in revenue.

#### **PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)**

#### **810 KAR 4:001. Definitions.**

RELATES TO: 810 KAR Chapter 4

STATUTORY AUTHORITY: KRS 230.215, 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) grants the commission the authority to regulate conditions under which thoroughbred racing shall be conducted in Kentucky. KRS 230.260(8) grants the commission the authority to prescribe necessary and reasonable administrative regulations and conditions under which horse racing at a horse race meeting shall

be conducted in this state. This administrative regulation defines the terms used in 810 KAR Chapter 4.

#### Section 1. Definitions.

(1) "Added money" means the amount of money, exclusive of trophy, added into a stakes race by an association, a sponsor, a state-bred program, or other fund, and which is in addition to stakes fees paid by subscribers.

(2) "Age" means the number of years since a horse was foaled, reckoned as if the horse was foaled on January 1 of the year in which the horse was foaled.

(3) "Allowance race" means a race in which contestants receive weight allowance based on performance or winnings as stipulated in the conditions of the race.

(4) "Also eligible" means in flat racing an eligible horse, properly entered, which is not drawn for inclusion in a race, but which becomes eligible according to preference or lot if another horse is scratched prior to the scratch time deadline.

(5) "Appeal" means a request for the commission to investigate, consider, and review any decision or ruling of a steward or judge or official of a meeting.

(6) "Arrears" means all sums due by a licensee as reflected by his or her account with the horsemen's bookkeeper, including subscriptions, jockey fees, driver fees, forfeitures, and any default incident to KAR Title 810.

(7) "Association" is defined by KRS 230.210(1).

(8) "Authorized agent" means in flat racing any person currently licensed as an agent for a licensed owner, jockey, or jockey apprentice by virtue of notarized appointment of agency filed with the commission.

(9) "Calendar days" means consecutive days counted irrespective of number of racing days.

(10) "Claiming race" means a race in which ownership of a horse participating in the race may be transferred in conformity with 811 KAR 4:050.

(11) "Closing" means the time published by the association after which entries for a race will not be accepted by the racing secretary.

(12) "Coggins test" means a blood test used to determine if a horse is positive for Equine Infectious Anemia.

(13) "Commission" means:

(a) The Kentucky Horse Racing Commission (formerly known as the Kentucky Horse Racing Authority and defined in KRS 230.210(2)) if used in the context of the administrative agency governing horse racing and pari-mutuel wagering; and

(b) The amount an association is authorized to withhold from a pari-mutuel wager pursuant to KRS 230.3615, if used in the context of pari-mutuel wagering.

(14) "Conditions" means qualifications that determine a horse's eligibility to be entered in a race.

(15) "Coupled entry" means two (2) or more horses in a race that are treated as a single betting interest for pari-mutuel wagering purposes.

(16) "Day" means any twenty-four (24) hour period beginning at 12:01 a.m. and ending at midnight.

(17) "Declaration" means in flat racing the withdrawal of a horse entered in a race prior to time of closing of entries for the race in conformance with 810 KAR 4:030.

(18) "Directive" means an official order issued by the commission or the executive director.

(19) "Disciplinary action" means action taken by the stewards or the commission for a violation of KRS Chapter 230 or KAR Title 810 and can include:

(a) Refusal to issue or renew a license;

(b) Revocation or suspension of a license;

(c) Imposition of probationary conditions on a license;

(d) Issuance of a written reprimand or admonishment;

(e) Imposition of fines or penalties;

(f) Denial of purse money;

(g) Forfeiture of purse money; or

(h) Any combination of paragraphs (a) through (g) of this subsection.

(20) "Disqualification" means a ruling of the stewards, judges,

or the commission revising the order of finish of a race.

(21) "Draw" means the process of determining post positions by lot.

(22) "Entry" means the act of nominating a horse for a race in conformance with KAR Title 810.

(23) "Equipment" means in flat racing accoutrements other than ordinary saddle, girth, pad, saddle cloth, and bridle carried by a horse, and includes whip, blinkers, tongue strap, muzzle, hood, noseband, bit, shadow roll, martingale, breast plate, bandages, boots, and racing plates or shoes.

(24) "Field" or "mutuel field" means a single betting interest involving more than one (1) horse which is not a mutuel entry.

(25) "Forfeit" means money due by a licensee because of an error, fault, neglect of duty, breach of contract, or alternative ruling of the stewards, judges, or the commission.

(26) "Foul" means any action by any jockey or driver that tends to hinder another jockey or any horse in the proper running of the race.

(27) "Handicap race" means in flat racing a race in which the weights to be carried by the horses are assigned by the association handicapper with the intent of equalizing the chances of winning for all horses entered in the race.

(28) "Horse" means any equine irrespective of age or sex designation and registered for racing with the applicable breed registry.

(29) "Ineligible" means a horse or person not qualified under KAR Title 810 or conditions of a race to participate in a specified racing activity.

(30) "Inquiry" means an investigation by the stewards or judges of a contest prior to declaring the result of the contest official.

(31) "Jockey" means a rider currently licensed to ride in races as a jockey, apprentice jockey, amateur jockey, or a provisional jockey permitted by the stewards to ride in three (3) races prior to applying for a license.

(32) "Lessee" means a licensed owner whose interest in a horse is a leasehold.

(33) "Licensee" means an individual, firm, association, partnership, corporation, trustee, or legal representative that has been duly issued a currently valid license to participate in racing in the Commonwealth.

(34) "Maiden" means in flat racing a horse which has never won a race at a recognized meeting in any country.

(35) "Meeting" means the entire period of consecutive days, exclusive of dark days, granted by the commission to a licensed association for the conduct of live horse racing. A meeting shall begin at 10 a.m. of the first racing day and extend through a period ending one (1) hour after the last scheduled race of the last day.

(36) "Month" means calendar month.

(37) "Mutuel entry" means a single betting interest involving two (2) or more horses entered in the same race and joined for pari-mutuel purposes because of common ties as to ownership or training so that a wager on one (1) horse joined in a mutuel entry is a wager on all horses joined in the same mutuel entry.

(38) "Nominator" means the person in whose name a horse is entered for a stakes race.

(39) "Objection" means a verbal claim of foul in a race lodged by the horse's jockey, driver, trainer, or owner before the race is declared official.

(40) "Official order of finish" means the order of finish of the horses in a contest as declared official by the stewards or judges.

(41) "Official time" means the elapsed time from the moment the first horse crosses the timing beam until the first horse crosses the finish line.

(42) "Owner" means any person who holds, in whole or in part, any right, title, or interest in a horse, or any lessee of a horse, who has been duly issued a currently valid owner's license as a person responsible for the horse.

(43) "Pari-mutuel wagering," "mutuel wagering", or "pari-mutuel system of wagering" each means a system or method of wagering approved by the commission in which patrons are wagering among themselves and not against the association and amounts wagered are placed in one (1) or more designated wagering pools and the net pool is returned to the winning patrons.

(44) "Post" means the starting point of a race.

(45) "Post position" means the relative place assigned to each horse, numbered from the inner rail across the track at the starting line, from which each horse is to start a race.

(46) "Post time" means the advertised moment scheduled for the arrival of all horses at the starting point for a race.

(47) "Protest" means a written objection charging that a horse is ineligible to race, alleging improper entry procedures, or citing any act of an owner, trainer, driver, or official prohibited by rules, which, if true, would exclude that horse or driver from racing.

(48) "Purse" means the gross cash portion of the prize for which a race is run.

(49) "Purse race" means any race for which entries close at a time designated by the racing secretary, and for which owners of horses entered are not required by its conditions to contribute money toward its purse.

(50) "Race" means a running contest between horses,, ridden by jockeys or driven by drivers at a recognized meeting, during regular racing hours, for a prize.

(51) "Race day" means any period of twenty-four (24) hours beginning at 12:01 a.m. and ending at midnight in which live racing is conducted by an association.

(52) "Racing official" means a racing commission member, commission staff, as duties require, and all association racing department employees, as duties require.

(53) "Recognized meeting" means any meeting with regularly scheduled live horse races, licensed by and conducted under administrative regulations promulgated by a governmental regulatory body, and conducted with the applicable breed registry.

(54) "Registration certificate" means the document, racing permit, or virtual certificate issued by the appropriate breed registry identifying the horse for racing.

(55) "Result" means the part of the official order of finish in a race used to determine the pari-mutuel payoff of pools.

(56) "Rulings" means all determinations, decisions, or orders of the stewards or of the commission duly issued in writing and posted.

(57) "Scratch" means the withdrawal of a horse entered for a race after the time of closing of entries for the race.

(58) "Scratch time" means the time set by the racing secretary as a deadline for horsemen to indicate their desire to scratch out of a race.

(59) "Specimen" means a sample of blood, urine, or other biologic sample taken or drawn from a horse for chemical testing.

(60) "Stakes" mean all fees paid by subscribers to an added-money or stakes race for nominating, eligibility, entrance, or starting, as may be required by the conditions of the race, with the fees to be included in the purse.

(61) "Stakes race" means a race which closes more than seventy-two (72) hours in advance of its running and for which subscribers contribute money towards its purse

(62) "Starter" means either:

(a) An official who dispatches the horses from the starting gate; or

(b) A horse in a race when the starting gate doors open in front of it at the moment the starter dispatches the horses for the race.

(63) "Steward" means a duly appointed racing official with powers and duties specified in 810 KAR 2:040 serving at a current meeting in the Commonwealth.

(64) "Subscription" means nomination or entry of a horse in a stakes race.

(65) "Suspended" means withdrawal of racing privileges by the stewards or commission.

(66) "Thoroughbred racing" is defined by KRS 230.210(3).

(67) "Tote" or "tote board" means the totalizator.

(68) "Unplaced" means a horse that finishes a race outside the pari-mutuel payoff.

(69) "Walkover" means a race in which the only starter or all starters represent single ownership.

(70) "Weigh in" means in flat racing the presentation of a jockey to the clerk of scales for weighing after a race.

(71) "Weigh out" means in flat racing the presentation of a jockey to the clerk of scales for weighing prior to a race.

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes definitions for terms used in 810 KAR Chapter 4.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to ensure that various terms used in 810 KAR Chapter 4 are defined properly and precisely.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This regulation sets forth defined terms that are used in the regulations in 810 KAR Chapter 4.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation fulfills the Commission's statutory mandate to prescribe the conditions under which horse racing is conducted in the Commonwealth by defining terms used in 810 KAR Chapter 4.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's licensed race tracks and all individual licensed participants in horse racing are potentially affected by this administrative regulation's establishment of definitions pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified

in question (3) will have to take to comply with this administrative regulation or amendment: Licensed racing associations and individual participants in horse racing will be required to adhere to the requirements and rules set forth in the regulations in Title 810 KAR pertaining to horse racing. This administrative regulation defines terms that appear in 810 KAR Chapter 3.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.260.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 4:010. Horses.**

RELATES TO: KRS 230.215

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations regulating horse racing in Kentucky. This administrative regulation establishes requirements for the participation of horses in horse race meetings, protects the safety and welfare of the horse, and creates a level playing field for participants thereby protecting the integrity of pari-mutuel wagering.

Section 1. Definition. "Electronic registration system" means a software application available online and approved by the commission that allows an association's racing secretary, or his designee, or horse identifier, or his designee, full access to horse and trainer records from all tracks in North America, including current owner information.

**Section 2. Registration and Identification Required.**

(1) A horse shall not be entered or raced in this state unless:

(a) The horse is duly registered, as applicable, in The Jockey Club breed registry, the American Quarter Horse Association, the Appaloosa Horse Club, the Arabian Horse Association Registry, or the American Paint Horse Association, or their respective successors; and

(b) 1. The registration certificate, virtual certificate, or racing permit issued by the applicable breed registry for the horse is on file with the racing secretary; or

2. The information contained on the registration certificate, virtual certificate, or racing permit is available to the racing secretary through the electronic registration system.

(2) The stewards may at any time require presentation of a horse's registration certificate, virtual certificate, or racing permit or other proof of ownership.

(3) Upon claim, sale, or any other transfer of ownership, the horse's registration certificate or racing permit shall be given to the new owner, and any virtual certificate shall be transferred to the new owner electronically. The new owner shall report the change in ownership to the stewards.

(4) If the electronic registration system fails for any reason, the stewards may require presentation of a horse's registration certificate or racing permit prior to a horse being entered or raced in Kentucky.

**Section 3. Ringers Prohibited.**

(1) A horse shall not be entered or raced in this state designated by a name other than the name under which the horse is currently registered with the applicable breed registry. If a horse's name is changed with the applicable breed registry, and the horse has raced under its previous name, the horse's former name shall be shown parenthetically in the daily race program the first three (3) times the horse races after the name change.

(2) A person shall not cause or permit the correct identity of a horse to be concealed or altered. A person shall not refuse to reveal the correct identity of a horse that he owns or is in his care to a racing official or member of the regular news media.

(3) A horse shall not race in this state unless identified by:

(a) A legible lip tattoo number applied by agents of the Thoroughbred Racing and Protective Bureau, or by the comparable authorized organization applicable to the breed of the horse;

(b) An electronic horse identification microchip that accurately identifies the horse and is compliant with the international standards ISO 11784; or

(c) With regards to a horse from a foreign jurisdiction participating in a graded stakes race, has otherwise been correctly identified to the stewards' satisfaction.

(4) A horse shall not be entered or raced in this state if previously involved in a "ringer" case to the extent that:

(a) A person having control of the horse knowingly entered or raced the horse while designated by a name other than the name under which the horse was registered with The Jockey Club; or

(b) The person having control of the horse participated in or assisted in the entry or racing of some other horse under the name registered as belonging to the horse in question.

**Section 4. Denerving.**

(1) A horse that has had a chemical, surgical, or thermal neurectomy at or above the fetlock shall not be permitted to race.

(2) A horse that has had a palmar or plantar digital neurectomy may be permitted to race if:

(a) The neurectomy has been reported by the trainer to the stewards; and

(b) The horse has been approved for racing by the commission veterinarian prior to being entered to race.

(3) A horse on which a neurectomy has been performed shall have that fact designated on its registration certificate, virtual certificate, racing permit, and entry in the electronic registration system. Responsibility for ensuring that the neurectomy is correctly noted on the horse's registration certificate, virtual certificate, racing permit, and entry in the electronic registration system shall fall:

(a) Jointly on the practicing veterinarian who performed the operation and the trainer of the denerved horse if the neurectomy was performed at a location under the commission's jurisdiction; and

(b) Solely on the owner of the denerved horse if the neurectomy was performed at a location not under the commission's jurisdiction.

(4) If a horse races in violation of this administrative regulation and participates in the purse distribution, then a protest shall not be considered unless submitted in writing to the stewards within forty-eight (48) hours after the race.

(5) If a horse races in violation of this administrative regulation and is claimed, then a protest shall not be considered unless the successful claimant submits a protest in writing within forty-eight (48) hours after the race requesting the claim be voided. If the claim is voided, the horse shall be returned to the owner who started the horse in the race, and the claim price shall be returned to the claimant.

(6) A list of all denerved horses shall be posted in the racing secretary's office.

**Section 5. Health Certificate Required.**

(1) A horse shall not be stabled on the grounds of a licensed association or any training center under the jurisdiction of the commission unless a Certificate of Veterinary Inspection is issued by an accredited veterinarian:

(a) Not more than ten (10) days prior to the horse's arrival on the grounds; or

(b) Within a lesser interval as prescribed by the racing association in consultation with the State Department of Agriculture.

(2) Notice of this requirement shall be included in the stall application of all licensed associations and training centers under the jurisdiction of the commission and all condition books of licensed associations.

Section 6. Workouts. A horse shall not be schooled in the paddock or taken onto a track on association grounds for training or workout, other than during normal training hours posted by the association, without special permission of the stewards.

**Section 7. Thoroughbred Age Restrictions.**

(1) A maiden six (6) years of age or older that has made five (5) life time starts on the flat shall not be entered or start.

(2) A first time starter four (4) years of age or older shall be approved by a commission veterinarian prior to entry.

**Section 8. Other Age Restrictions. A quarterhorse, paint horse,**

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

Arabian, or Appaloosa horse six (6) years of age or older shall not be entered or raced in a race restricted to maidens. A horse thirteen (13) years of age or older shall not be entered or raced.

### Section 9. Fillies and Mares Bred.

(1) A filly or mare that has been covered by a stallion:

(a) Shall be so reported to the racing secretary prior to being entered in a race; and

(b) Shall not be entered in a claiming race, unless a written release from the stallion owner is attached to the filly's or mare's registration certificate, or otherwise provided to the stewards, indicating that the stallion service fee has been paid or satisfied.

(2) A list of all fillies and mares so reported, showing the names of stallions to which they have been bred, shall be posted in the racing secretary's office.

(3) A filly or mare in-foal shall not be entered in a race 120 days or more after the date of last cover.

Section 10. Serviceable for Racing. A horse shall not be entered or raced that:

(1) Is not in serviceable, sound racing condition. The stewards may at any time require a horse on association grounds to be examined by a qualified person;

(2) Is posted on a veterinarian's list, stewards' list, or starter's list in any racing jurisdiction;

(3) Has previously raced, but has made no starts in the last 365 days or more, unless approved by a commission veterinarian prior to entry.

(3) Is suspended in any jurisdiction;

(4) Has been administered any drug in violation of 810 KAR 8:010;

(5) Is blind or has seriously impaired vision in both eyes;

(6) Is not correctly identified to the satisfaction of the stewards; or

(7) Is owned wholly or in part by or is trained by an ineligible person.

### Section 11. Equipment.

(1) Riding crops and blinkers shall be used consistently on a horse.

(2) Permission to change use of any equipment used on a horse from its previous start shall be obtained from the stewards.

(3) A horse's tongue may be tied down during a race with a clean bandage or gauze.

(4) A horse's bridle shall not weigh more than two (2) pounds.

(5) Bits shall be of a metallic alloy base of stainless steel or aluminum and may be encased in rubber, plastic, or leather.

(6) War bridles and bitless bridles shall not be used.

(7) Bar shoes may be used for racing only with permission of the stewards.

(8) Any goading device, chain, spurs, electrical or mechanical device, or appliance, except for a riding crop, that may be used to alter the speed of a horse shall not be used on a horse in a race or workout.

(9)(a) Any riding crop may be subject to inspection and approval by the stewards or the clerk of the scales to ensure conformity with the specifications of paragraphs (c) through (e) of this subsection.

(b) Only riding crops meeting the specifications of this subsection, including the mandatory shock absorbing characteristics, may be used in thoroughbred racing and training.

(c) A riding crop shall have a:

1. Maximum weight of eight (8) ounces;

2. Maximum length, including flap, of thirty (30) inches; and

3. Minimum diameter of the shaft of three-eighths (3/8) inch.

(d)1. The only additional feature that may be attached to the riding crop is a flap that shall have a:

a. Maximum length from the end of the shaft of one-half (1/2) inch; and

b. Maximum width of one and six-tenths (1.6) inches, with a minimum width of eight-tenths (0.8) inch;

2. The flap from the end of the shaft shall not contain any reinforcements or additions;

3. There shall not be binding within seven (7) inches of the end of the flap;

4. The contact area of the shaft shall be smooth, with no protrusion or raised surface, and covered by shock absorbing material throughout its circumference; and

5. The flap shall have similar shock absorbing characteristics to that of the contact area.

(e) A riding crop shall not have:

1. Stingers or projections extending through the hole of a popper; and

2. Any metal parts.

(10)(a) The following shall not be used on the front shoes of horses while racing or training on any racing surface:

1. Horse shoes that have toe grabs;

2. Bends;

3. Jar calks;

4. Stickers; and

5. Any other traction device worn on the front shoes of horses.

(b) Wear plates with a height no greater than two (2) millimeters may be used on the front shoes of horses while racing or training.

(11) Indiscriminate or brutal use on a horse of a riding crop or any other equipment, as determined by the stewards, at any time on the grounds of a licensed racing association or training center under the jurisdiction of the commission shall be prohibited.

Section 12. Sex Alteration. Any alteration in the sex of a horse shall be reported by the horse's trainer to the racing secretary and to the appropriate breed registry applicable to the horse. The alteration shall be noted on the horse's registration certificate, racing permit, virtual certificate, or entry in the electronic system.

Section 13. Reporting Death of Horse. A licensed racing association or training center under the jurisdiction of the commission shall report the death or euthanization of any horse on its grounds immediately to the chief commission veterinarian.

Section 14. Postmortem Examination. A horse that dies or is euthanized on the grounds of a licensed association or training center under the jurisdiction of the commission shall undergo a postmortem examination at the discretion of the commission. If a postmortem examination is conducted:

(1) All shoes and equipment on the horse's legs shall be left on the horse;

(2) The commission, through its designee:

(a) Shall take possession of the horse upon death;

(b) Shall, if commission personnel are present, collect and submit for analysis blood, urine, bodily fluids, or other biologic specimens immediately, if possible before euthanization occurs; and

(c) Shall coordinate with the owner or owner's licensed authorized agent to determine and address any insurance requirements.

(3) The remains of the horse shall not be returned after completion of the postmortem examination.

(4) The presence of a prohibited substance in a specimen collected during the postmortem examination may constitute a violation of 810 KAR 8:010.

### Section 15. Incorporation by Reference.

(1) "ISO 11784", 1996/Amd.1:2004, is incorporated by reference.

Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the rules concerning horses in thoroughbred and other flat racing.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific rules concerning the health and safety of horses in thoroughbred and other flat racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions relating to the health and safety of horses in thoroughbred and other flat racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning the health and safety of horses in thoroughbred and other flat racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's five licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers, veterinarians, and jockeys, will be

required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the health and safety of horses in thoroughbred and other flat racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules concerning the health and safety of horses that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? There will be no cost to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? There will be no cost to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 4:020. Weights.**

RELATES TO: KRS 230.215, 230.260

STATUTORY AUTHORITY: KRS 230.215(2), 230.260

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the commission to promulgate administrative regulations prescribing conditions under which all horse racing is conducted in the Commonwealth. This administrative regulation provides the requirements for assigning weights to a horse in a race.

**Section 1. Weight Assignments for Horses.**

(1) Weight allowance shall be claimed at time of entry and shall not be waived after the posting of entries, except by consent of the stewards.

(2) A horse shall start with only the weight allowance to which it is entitled at the time of starting, regardless of its allowance at time of entry.

(3) Weight penalties shall be mandatory. A horse incurring a weight penalty for a race shall not be entitled to any weight allowance for that race. A horse not entitled to the first weight allowance in a race condition shall not be entitled to any subsequent allowance specified in the race conditions.

(4) Claim of weight allowance to which a horse is not entitled shall not disqualify the horse, unless protest is made in writing and lodged with the stewards at least one (1) hour before post time.

(5) A horse shall not incur a weight penalty or be barred from any race for having been placed second or lower in any race. A horse shall not be given a weight allowance for failure to finish second or lower in any race.

(6)(a) Except as provided in paragraph (b) of this subsection, a horse shall not receive weight allowance and shall not be relieved of extra weight for having been beaten in one (1) or more races.

(b) A horse may receive weight allowances if it has not won a race within a specified period or a race of a specified value as set forth in the race conditions.

(7) Penalties incurred and allowances due in steeplechase or hurdle races shall not apply to races on the flat, and vice versa.

(8) In determining eligibility, allowances, and penalties, the reports, records, and statistics as recorded in racing publications shall be considered official, but may be corrected by the publisher up to forty-five (45) minutes prior to post time of the race.

(9) A maiden winning at an unrecognized meeting shall lose the maiden condition. All other horses winning at unrecognized meetings shall not be considered winners for weight allowance or eligibility in races run thereafter under the jurisdiction of the commission.

(10) A thoroughbred horse shall not be assigned a weight of less than 118 pounds, unless:

(a) Apprentice allowance is claimed;

(b) The horse is assigned a weight of less than 118 pounds in a handicap race by the racing secretary;

(c) The horse is a three (3) year old entered to run in a race against horses four (4) years old and older from January 1st through September 1st, in which case the horse shall not be assigned a weight less than 116 pounds; or

(d) The filly and mare weight allowance in subsection (11) applies.

(11) Except in handicaps, thoroughbred fillies two (2) years old shall be allowed three (3) pounds, and thoroughbred fillies and mares three (3) years old and older shall be allowed five (5) pounds before September 1, and three (3) pounds thereafter in a race that includes horses of the opposite sex.

(12) Thoroughbred and Arabian minimum scale weights shall be 120 pounds for two (2)-year-olds, 122 pounds for three (3)-year-olds, and 124 pounds for four (4)-year-olds and older.

(13) Quarter Horse, Appaloosa, and Paint Horse minimum scale weights shall be 122 pounds for two (2)-year-olds, 124 pounds for three (3)-year-olds, and 126 pounds for four (4)-year-

olds and older.

(14) Five (5) pounds shall be the limit of overweight any horse is permitted to carry.

**Section 2. Jockey Weight Procedures and Requirements.**

(1) Jockeys shall be weighed out for their respective mounts by the clerk of scales not less than fifteen (15) minutes before post time. Only valets furnished by the association shall assist a jockey in weighing out.

(2) A jockey's weight shall include:

(a) Clothing;

(b) Boots;

(c) Saddle and its attachments; and

(d) Any other equipment except as specified in this subsection.

(3) A jockey's weight shall not include:

(a) Riding crop;

(b) Bridle;

(c) Bit;

(d) Reins;

(e) Safety helmet;

(f) Safety vest;

(g) Blinkers;

(h) Goggles;

(i) Over-girth;

(j) Breast collar; and

(k) Number cloth.

(3) After a race has been run, the jockey shall ride promptly to the finish line, dismount, and present himself to the clerk of scales to be weighed in. The jockey shall carry to the clerk of scales all pieces of equipment with which he or she weighed out. The post-race weighing of a jockey shall include any sweat, dirt, and mud that have accumulated on the jockey, jockey's clothing, jockey's safety helmet, jockey's safety vest, and over-girth.

(4) Each jockey shall weigh in at no less than the weight at which he or she weighed out. If short, the stewards shall investigate and if warranted take disciplinary action against the individual or individuals responsible for the violation, including disqualification of the horse from receiving what would otherwise be its share of the purse.

(5) If a jockey is prevented from riding his mount to the finish line because of an accident or illness either to himself or his mount, the jockey may walk or be carried to the scales, or the jockey may be excused by the stewards from weighing in.

(6) A notice shall be included in the daily program that:

(a) Each jockey shall carry approximately three (3) pounds more than the published weight to account for safety helmets and safety vests not included in required weighing out procedures; and

(b) Upon approval of the stewards, a jockey may be allowed up to three (3) pounds additional clothing and equipment for inclement weather or track conditions.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation establishes the rules pertaining to weight requirements and procedures for jockeys and horses in thoroughbred and other flat racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning the weight requirements and procedures for jockeys and horses in thoroughbred and other flat racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's five licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and jockeys, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the running of the race in thoroughbred and other flat racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this regulation will apply to all similarly situated entities in an equal manner.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215(2) and 230.260(8).

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government.

(c) How much will it cost to administer this program for the first year? There will be no cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? There will be no costs to administer this program for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 4:030. Entries, subscriptions, and declarations.**

RELATES TO: KRS 230.215, 230.240, 230.290, 230.310, 230.320

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which all horse racing is conducted in Kentucky. KRS 230.260(8) grants the commission the authority to regulate conditions under which horse racing shall be conducted in Kentucky. This administrative regulation establishes requirements for entry, subscription, and declaration of horses in order to race.

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

Section 1. Definition. "Subscriber" means an owner who enters a horse into a stakes race and pays the requisite entry fee.

Section 2. Entering Required. A horse shall not be qualified to start in any race unless it has been, and continues to be, entered in the race. Entries or subscriptions for any horse, or the transfer of entries or subscriptions for any horse, may be refused or cancelled by the association without notice or reason given.

### Section 3. Procedure for Making Entries.

(1) An entry, subscription, declaration, or scratch shall be filed with the racing secretary and shall not be effective until received by the racing secretary. The racing secretary shall maintain a record of the time of receipt of an entry, subscription, declaration, or scratch for a period of one (1) year.

(2) An entry shall be made by the owner, the trainer, or an authorized agent of the owner or trainer. An entry shall be in the name of a horse's licensed owner, as completely disclosed and registered with the racing secretary pursuant to 810 KAR 2:030.

(3) An entry shall be submitted in writing or by telephone to the racing secretary. A telephone entry shall be confirmed promptly in writing if requested by the stewards, the racing secretary, or an assistant to the racing secretary.

(4) An entry shall clearly designate the horse entered as reflected by its registration certificate, racing permit, or virtual certificate.

(a) A horse shall not race unless registered pursuant to 810 KAR 4:010 or otherwise correctly identified to the satisfaction of the stewards.

(b) Establishing the identity of a horse shall be the responsibility of its owner and of any other person required to certify the identity of the horse. A person shall be subject to appropriate disciplinary action under 810 KAR 8:030 for incorrect identification.

(5) The entry shall indicate usage of furosemide pursuant to 810 KAR 8:010.

(6) An entry shall not be altered after the closing of entries, except to correct an error with permission of the stewards.

(7) A horse shall not be entered in two (2) races to be run on the same day.

(8)(a) A horse that has not started in the past forty-five (45) days shall not be permitted to start unless it has at least one (1) published workout within twenty (20) days of entry at a distance satisfactory to the stewards. If a horse has performed the requisite workout, but the workout does not appear in the past performances, the horse shall be permitted to start if the stewards determine that the workout failed to be published through no fault of the trainer.

(b) A horse starting for the first time shall not be permitted to start unless it has three (3) workouts, one (1) of which is from the starting gate, one (1) of which is within twenty (20) days of entry, and at least one (1) of which is published.

(c) A workout not appearing in the official program shall be publicly displayed on television monitors, the tote board, and, if available, the bulletin boards where photo finishes are shown at the time when mutuel windows are opened and shall be displayed until the conclusion of the race in which the horse is entered.

(d) A horse that has never started shall not be entered until the trainer has produced a document or card issued by the starter indicating that the horse has been adequately trained to race from the starting gate.

(9) If the published conditions of the race permit, an association may accept in a turf race an entry designated "main track only." Preference shall apply to all horses drawn into a race, except that horses entered as "main track only" shall be listed as also-eligible and be considered only if the race is taken off the turf.

### Section 4. Limitation as to Spouses.

(1) An entry in a race shall not be accepted for a horse owned wholly or in part or trained by a person whose spouse is under license suspension, revocation, or is otherwise ineligible to be licensed, at the time of the entry except as provided in subsection (2) of this section.

(2) If the license of a jockey has been suspended for a routine riding offense, depending on the severity of the offense, the stewards may waive the application of this section as to the licensed spouse of the suspended jockey.

### Section 5. Mutuel Entries.

(1) More than two (2) horses having common ties through training shall not be entered in a purse race.

(2) Horses entered in the same race and owned wholly or in part by the same owner or spouse, shall be joined as a mutuel entry and single betting interest, except as provided in subsection (5) of this section.

(3) More than two (2) horses having common ties through ownership shall not be joined as a mutuel entry in a purse race. If making a double entry of horses owned wholly or in part by the same owner or spouse, a preference for one (1) of the horses shall be made.

(4)(a) Two (2) horses having common ties through ownership shall not start in a purse race to the exclusion of a single entry, unless the horses have been uncoupled pursuant to subsection (5) of this section.

(b) In a purse race, the racing secretary may uncouple entries having common ties through training to make two (2) separate betting interests.

(5) In any stakes race with added money of \$50,000 or more, the racing secretary may uncouple mutuel entries of horses sharing common ties through training or ownership or both.

### Section 6. Subscriptions.

(1) A subscriber to a stakes race may transfer or declare a subscription prior to the closing of entries for the race.

(2) Joint subscriptions and entries may be made by any one (1) of the joint owners of a horse. Each owner shall be jointly and severally liable for all payments due.

(3) Death of a horse or a mistake in its entry if the horse is eligible shall not release the subscriber or transferee from liability for all stakes fees due. Fees paid in connection with a subscription to a stakes race that is run shall not be refunded, except as otherwise stated in the conditions of the stakes race.

(4) Death of a nominator or original subscriber to a stakes race shall not render void any subscription, entry, or right of entry. All rights, privileges, and obligations shall attach to the successor owner, including the legal representatives of the decedent.

(5) If a horse is sold privately, sold at public auction, or claimed, stakes engagements for it shall be transferred automatically with the horse to its new owner. If the horse is transferred to a person whose license is suspended, revoked, or is otherwise ineligible to be licensed, the subscription shall be void as of the date of the transfer.

(6) All stakes fees paid toward a stakes race shall be allocated to the winner unless otherwise provided by the condition for the stakes race. If a stakes race is cancelled for any reason, all subscription fees paid shall be refunded.

### Section 7. Closings.

(1) Entries for purse races and subscriptions to stakes races shall close at the time designated by the association in previously published conditions for the races.

(a) If a race is not split, an entry, subscription, or declaration shall not be accepted after closing time.

(b) If a purse race fails to fill, or in an emergency, the racing secretary may extend the closing time, if the approval of a steward has been obtained.

(2) Entries that have closed shall be compiled without delay by the racing secretary and shall be posted along with declarations.

### Section 8. Number of Starters in a Race.

(1) The maximum number of starters in any race shall be limited to the number of starting positions afforded by the association starting gate and any extensions approved by the commission as can be positioned across the width of the track at the starting point for the race. The maximum number of starters further shall be limited by the number of horses that, in the opinion

of the stewards after considering the safety of the horses and riders and the distance from the start to the first turn, may be afforded a fair and equal start.

(2)(a) A maiden, starter, or claiming race shall be run if:

1. Eight (8) or more horses are entered;
2. The horses entered represent different betting interests; and
3. The race is listed in the printed condition book.

(b) Except as provided in paragraph (c) of this subsection, any other purse race shall be run if:

1. Six (6) or more horses are entered;
2. The horses entered represent different betting interests; and
3. The race is listed in the printed condition book.

(c) If a purse race under paragraph (b) of this subsection includes two (2) horses having common ties through training, the race shall be run if eight (8) or more horses are entered.

(3) If a purse race in the printed condition book fails to fill with the minimum number of entries required by subsection (2) of this section, the association may cancel or declare the race off. The names of all horses entered in the race shall be publicly posted in the office of the racing secretary on the date of entry.

#### Section 9. Split or Divided Races.

(1) If a race is cancelled or declared off, the association may split any race programmed for the same day that may previously have been closed. Races printed in the condition book shall have preference over substitute and extra races.

(2) If a purse race is split, forming two (2) or more separate races, the racing secretary shall give notice of the split not less than fifteen (15) minutes before the races are closed in order to grant time for the making of additional entries to the split races.

(3) Division of entries upon the splitting of any race shall be made in accordance with the conditions under which entries and subscriptions were made and the conditions established in this subsection.

(a) Horses originally joined as a mutuel entry may be placed in different divisions of a split race unless the person making the multiple entry, at the time of the entry, indicates the coupling of horses is not to be uncoupled if the race is split.

(b) Division of entries in any split stakes race may be made according to age, sex, or both.

(c) Entries for any split race not divided by any method provided for in this administrative regulation shall be divided by lot so as to provide a number of betting interests as nearly equal as possible for each division of the split race.

#### Section 10. Post Positions.

(1) Post positions for all races shall be determined by lot, except as described in Section 11(5) of this administrative regulation. Owners, trainers, and their representatives shall have the opportunity to be present at the drawing.

(2) The racing secretary shall assign program numbers for each starter to conform with the post position drawn, except if a race includes two (2) or more horses joined as a single betting interest.

#### Section 11. Also-Eligible List.

(1) If the number of entries for a race exceeds the number of horses permitted to start, as provided by Section 8 of this administrative regulation, the names of no more than eight (8) horses entered but not drawn into the race as starters shall be posted on the entry sheet as "also-eligible" to start.

(2) After a horse has been excused from a race at scratch time, also-eligible horses shall be drawn into the body of the race based on preference. If preference is equal, horses shall be drawn by lot, unless otherwise stipulated in the conditions of the race.

(3)(a) An owner or trainer of a horse on the also-eligible list not wishing to start the horse in a race shall notify the racing secretary prior to scratch time for the race. The horse shall forfeit any preference to which it may have been entitled.

(b) If there are no scratches in the body of a race, a horse on the also-eligible list not drawn into the race shall retain its previously established preference.

(4) A horse on the also-eligible list for a race on the present

day that has been drawn into the body of a race on the succeeding race day, shall not be permitted to run in the race on the present day for which it had been listed as also-eligible. This shall not include stakes and handicaps.

(5) A horse on the also-eligible list shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race.

#### Section 12. Preferred List.

(1) The racing secretary shall maintain a list of horses that were entered but denied an opportunity to race because they were eliminated from a race included in the printed condition book either by overfilling or failure to fill.

(2) The racing secretary shall submit, for approval of the commission at least thirty (30) days prior to the opening date of a race meeting, a detailed description of the manner in which preference will be allocated.

(3) Preferences shall not be given to a horse otherwise eligible for a race if it is also entered for a race on the succeeding race day. This shall not include stakes and handicaps.

Section 13. Arrears. Unless approved by the racing secretary, a horse shall not be entered or raced unless its owner has paid all stakes fees owed.

#### Section 14. Declarations.

(1) Declarations shall be made in the same form, time, and procedure as required for the making of entries.

(2) Declarations shall be irrevocable.

(3) A declaration fee shall not be required by any licensed association.

#### Section 15. Scratches.

(1) Scratches shall be irrevocable and shall be permitted under the conditions established in this section.

(a) Except as provided in paragraph (b) of this subsection, a horse may be scratched from a stakes race for any reason at any time until four (4) hours prior to post time for the race by obtaining approval from the stewards. Upon receiving a scratch from a stakes race, the racing secretary shall promptly notify the stewards and pari-mutuel manager, and shall cause public announcement of the scratch to be made.

(b) If a list of also-eligible horses has been drawn, scratches shall be filed at the regular scratch time as posted by the racing secretary. Thereafter, a horse shall not be scratched unless:

1. A valid physical reason exists; or

2. The scratch is related to adverse track conditions or change of racing surface.

(c) A horse shall not be scratched from a purse race unless:

1. The approval of the stewards has been obtained; and

2. Intention to scratch has been filed in writing with the racing secretary or his assistant at or before scratch time.

(2) A scratch of one (1) horse coupled in a mutuel entry in a purse race shall be made at or before scratch time, unless permission is granted by the stewards to allow both horses to remain in the race until a later appointed scratch time.

(3) In a purse race, a horse that is physically disabled or sick shall be permitted to be scratched first. If horses representing more than eight (8) betting interests remain in after horses with physical excuses have been scratched, an owner or trainer may be permitted to scratch horses without physical excuses at scratch time, down to a minimum of eight (8) betting interests. This privilege shall be determined by lot if an excessive number of owners or trainers wish to scratch their horses.

(4) A horse that has been scratched or excused from starting by the stewards because of a physical disability or sickness shall be placed on the commission's veterinarian list for six (6) calendar days beginning the day after the horse was scratched or excused.

(5) Each association shall keep records and statistics documenting the effect upon field sizes of the six (6) day veterinarian list requirement in subsection (4) of this section. Records and statistics kept pursuant to this section shall be

retained by the licensed racing association for one (1) year.

Section 16. Official Publication Statistics. In determining eligibility, allowances and penalties, the reports, records, and statistics as published in the Daily Racing Form or similar publication as the commission considers appropriate to advise the public and the monthly chart books, or corresponding official publications of any foreign country, shall be considered official, but may be corrected until forty-five (45) minutes prior to post time of the race.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the requirements for entries, subscriptions and declarations in thoroughbred and other flat racing. These rules provide an orderly means of determining which horses will be considered eligible to enter a race.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific requirements and methods for entries, subscriptions and declarations in thoroughbred and other flat racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions relating to entries, subscriptions and declarations in thoroughbred and other flat racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning entries, subscriptions and declarations in thoroughbred and other flat racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective

administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's five licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners and trainers, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to entries, subscriptions and declarations in thoroughbred and other flat racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 4:040. Running of the race.**

RELATES TO: KRS 230.215(2), 230.260(1)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation sets forth the standards and requirements governing the running of a horse race.

Section 1. Post Time. Post time for the first race on each racing day shall be approved by the commission. Post time for subsequent races on the same program shall be fixed by the pari-mutuels manager. No race shall start after 11:55 p.m.

Section 2. Horses in Paddock Not to be Touched. Only the following persons may touch a horse while in the paddock:

- (1) Licensed owner;
- (2) Licensed trainer;
- (3) Authorized stable personnel;
- (4) Paddock judge;
- (5) Horse identifier;
- (6) Assigned valet;
- (7) Steward;
- (8) Farrier; or
- (9) Outrider.

Section 3. Trainer Responsibility. The trainer shall be responsible for:

- (1) Arrival in the paddock, at the time prescribed by the paddock judge, of each horse entered;
- (2) Supervising the saddling of each horse entered; and
- (3) Providing his or her assistant trainer or another licensed trainer to serve as a substitute if absent from a track where the trainer's horses are participating in races.

Section 4. Withdrawal of a Horse. A horse whose starting is mandatory shall run the course, except that the stewards may order the withdrawal of a horse at any time up to the actual start of a race.

Section 5. Walkover. If at the time for saddling, only one (1) horse, or horses owned by only one (1) stable, will be weighed out, the horse or horses of single ownership shall be ridden past the stewards' stand, go to the post and then move over the course before determination of the winner.

Section 6. Parade to the Post; Time.

- (1) All horses shall parade and carry their declared weight from

the paddock to the starting post. The parade shall pass the stewards' stand. After passing the stewards' stand once, horses may break formation and canter, warm up, or go as they please to the post. With the permission of the stewards, a horse may be excused from parading with the other horses.

(2) The parade to the post shall not exceed twelve (12) minutes from the time the field enters upon the track, except in cases of unavoidable delay.

(3) If a jockey is thrown on the way to the post:

(a) The jockey shall remount at the point at which thrown; or

(b) If the jockey is so injured as to require a substitute jockey, the horse shall be returned to the paddock where the horse shall be remounted by a substitute jockey.

Section 7. Lead Pony. A horse may be led to the post by a lead pony. Lead ponies may be excluded from the paddock or walking ring, at the discretion of the stewards.

Section 8. Control of Horses and Jockeys by Starter. Horses and jockeys shall be under the control of the starter from the moment they enter the track until the race is started.

(1) The starter may grant a delay if an injury occurs to any jockey or if a jockey's equipment malfunctions. During the delay, the stewards may require all jockeys to dismount.

(2) The starter shall unload the horses in the gate when instructed by the stewards if:

(a) A horse breaks through the gate or unseats its jockey after any of the field is loaded in the starting gate; and

(b) The horse is not immediately taken in hand by the outrider and brought back for reloading.

(3) The starter shall reload the horses in their proper order upon order of the stewards.

(4) The starter shall report all causes of delay to the stewards.

(5) A person other than the jockey, starter, or assistant starter shall not strike a horse or attempt, by shouting or other means, to assist the horse in getting a start.

Section 9. Starting Gate. Races on the flat shall use a starting gate approved by the commission unless exempted by the stewards. Exempted races shall not start until the assistant starter has dropped the flag in answer to the starter.

Section 10. Horses Left at Post.

(1) If a door at the front of the starting gate fails to open properly and timely when the starter dispatches the field, or if a horse has inadvertently not been loaded in the starting gate when the field is dispatched, thereby causing the horse to be left at the post, the starter shall immediately report the circumstance to the stewards who shall:

(a) Immediately post the "inquiry" sign;

(b) Advise the public to hold all pari-mutuel tickets; and

(c) Determine, after consulting with the starter and viewing the patrol films or video tapes, whether the horse was precluded from obtaining a fair start.

(2) If the stewards determine that the horse was precluded from obtaining a fair start, the stewards shall rule the horse a nonstarter and shall order money wagered on the horse deducted from the pari-mutuel pool and refunded to holders of pari-mutuel tickets on the horse, unless the horse ruled a nonstarter is part of a mutuel entry and another horse in the entry is not left at the post, in which case there shall not be a pari-mutuel refund.

(3) Stakes fees for a ruled nonstarter shall be refunded to the owner.

(4) The starter may, in his or her discretion, place an unruly or fractious horse on the outside of the starting gate and one (1) length behind the starting line. If the horse so stationed outside the starting gate by the starter dwells or refuses to break with the field and is thereby left at the post, there shall not be a refund of pari-mutuel wagers on the horse nor refund of stakes fees paid for the horse.

Section 11. Horses Failing to Finish. Any horse that starts in a race but does not cross the finish line or is not ridden across the

finish line by the jockey with whom it starts the race shall be declared unplaced and shall receive no portion of the purse money.

Section 12. Fouls. A leading horse if clear is entitled to any part of the track. If a leading horse or any other horse in a race swerves or is ridden to either side so as to interfere with, intimidate, or impede any other horse or jockey, or to cause the same result, this action shall be deemed a foul. If a jockey strikes another horse or jockey, it is a foul. If in the opinion of the stewards a foul alters the finish of a race, an offending horse may be disqualified by the stewards.

Section 13. Stewards to Determine Foul Riding. A jockey shall make his best effort to control and guide his mount in such a way as not to cause a foul. The stewards shall take cognizance of riding that results in a foul, irrespective of whether an objection is lodged. If in the opinion of the stewards a foul is committed as a result of a jockey not making his best effort to control and guide his mount to avoid a foul, whether intentionally or through carelessness or incompetence, the jockey may be penalized at the discretion of the stewards.

Section 14. Horses to be Ridden Out. Every horse in every race shall be ridden so as to win or finish as near as possible to first and demonstrate the best and fastest performance of which it is capable at the time. A horse shall not be eased up without adequate cause, even if it has no apparent chance to earn a portion of the purse money. A jockey who unnecessarily causes a horse to shorten stride may be penalized at the discretion of the stewards. Stewards shall take cognizance of any marked reversal of form of a horse and shall conduct inquiries of the licensed owner, licensed trainer, and all other persons connected with the horse. If the stewards find that the horse was deliberately restrained or impeded in any way or by any means so as not to win or finish as near as possible to first, any person found to have contributed to that circumstance may be penalized at the discretion of the stewards.

Section 15. Use of Riding Crops.

(1) Although the use of a riding crop is not required, a jockey who uses a riding crop during a race shall do so only in a manner consistent with exerting his or her best efforts to win.

(2) In any race in which a jockey will ride without a riding crop, an announcement of that fact shall be made over the public address system.

(3) An electrical or mechanical device or other expedient designed to increase or retard the speed of a horse, other than a riding crop approved by the stewards pursuant to 810 KAR 4:010, Section 11 shall not be possessed by anyone, or applied by anyone to a horse at any time at a location under the jurisdiction of the racing commission.

(4) A riding crop shall not be used on a two (2) year-old horse in races before April 1 of each year.

(5) A riding crop shall only be used for safety, correction and encouragement.

(6) A rider who uses a riding crop shall:

(a) Show the horse the riding crop and give the horse time to respond before striking the horse;

(b) Having used the riding crop, give the horse a chance to respond before using it again; and

(c) Use the riding crop in rhythm with the horse's stride.

(7) A riding crop shall not be used to strike a horse:

(a) On the head, flanks or on any other part of its body other than the shoulders or hind quarters except if necessary to control a horse;

(b) During the post parade or after the finish of the race except if necessary to control the horse;

(c) Excessively or brutally;

(d) Causing welts or breaks in the skin;

(e) If the horse is clearly out of the race or has obtained its maximum placing; and

(f) Persistently even though the horse is showing no response

under the riding crop.

(8) A riding crop shall not be used to strike another person.

(9) After the race, a horse may be subject to inspection by a racing official or official veterinarian looking for cuts, welts or bruises in the skin. Any adverse findings shall be reported to the stewards.

(10) The giving of instructions by any licensee that if obeyed would lead to a violation of this section may result in disciplinary action also being taken against the licensee who gave the instructions.

Section 16. Other Means of Altering Performance. An electrical or mechanical appliance, other than a riding crop, shall not be used to affect the speed of a horse in a race or workout. A sponge or other object shall not be used to interfere with the respiratory system of a horse. Use or nonuse of ordinary racing equipment shall be consistent and any change of equipment shall be approved by the stewards.

Section 17. Official Order of Finish as to Pari-mutuel Payoff. When satisfied that the order of finish is correct and that the race has been properly run in accordance with the rules and administrative regulations of the commission, the stewards shall order that the official order of finish be confirmed and the official sign posted for the race. The decision of the stewards as to the official order of finish for pari-mutuel wagering purposes is final and no subsequent action shall set aside or alter the official order of finish for the purposes of pari-mutuel wagering.

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the rules concerning the running of the race in thoroughbred and other flat racing.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific rules concerning the running of the race in thoroughbred and other flat racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions

relating to the running of the race in thoroughbred and other flat racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning the running of the race in thoroughbred and other flat racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's five licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and jockeys, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the running of the race in thoroughbred and other flat racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will

be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? There will be no cost to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? There will be no cost to administer this regulation for subsequent years.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

##### 810 KAR 4:050. Claiming races.

RELATES TO: KRS 230.215, 230.260

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes conditions for claiming races.

Section 1. (1) In claiming races a horse shall be subject to claim for its entered price by a licensed owner in good standing, or by the holder of a claiming license. The procedure for obtaining a claiming license shall be as follows:

(a) An applicant shall, fifteen (15) days prior to entering a claim, submit:

1. An application for owners' original license;

2. A financial statement;

3. To a background check, if requested by the commission;

4. The name of a licensed trainer, or person eligible to be licensed as a trainer, who will assume care and responsibility for the horse claimed; and

5. The requisite fee for a claiming license.

(b) The claiming license shall be valid for the remainder of the calendar year.

(2) (a) A claim may be made by an authorized agent.

(b) An agent may claim only for the account of those for whom he is licensed as agent.

(c) The name of the authorized agent and the name of the owner for whom the claim is being made shall appear on the claim slip.

(3) (a) A person shall not claim his own horse or cause his own horse to be claimed, directly or indirectly, for his own account.

(b) A claimed horse shall not remain in the same stable or under the care or management of the owner or trainer from whom it is claimed.

(4) (a) A person shall not claim more than three (3) horses from a race.

(b) Multiple claims submitted by the same authorized agent and/or trainer for a single horse shall not be permitted and shall be void.

(5) (a) A claimed horse shall not run for thirty (30) days after being claimed in a race in which the determining eligibility price is less than twenty-five (25) percent more than the price for which the horse was claimed.

(b) The day following the day the horse is claimed shall be the first day for purposes of the thirty (30) day period;

(c) The claimed horse shall be entitled to enter whenever necessary to permit it to start on the 31st calendar day following the claim.

(d) This subsection shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper, and starter allowance races.

(6) (a) A horse claimed in a claiming race shall not be sold or transferred, wholly or in part, within thirty (30) days after the day it was claimed, except in another claiming race.

(b) Unless the stewards grant permission for a claimed horse to enter and start at an overlapping or conflicting meeting in Kentucky, a horse shall not race elsewhere until the close of entries of the meeting at which it was claimed.

(7) (a) A claim shall be:

1. Made on commission "Claim Blank";
2. Sealed in an envelope supplied by the commission; and
3. Deposited in the association's claim box.

(b) The "Claim Blank" form and envelope shall be filled out completely and accurately.

(8) (a) Claims shall be deposited in the claim box at least fifteen (15) minutes before post time of the race from which the claim is being made.

(b) Money or its equivalent shall not be put in the claim box.

(c) A claim shall be valid if the claimant at the time of filing the claim has a credit balance in his account with the horseman's bookkeeper of not less than the amount of the claim, plus the Kentucky sales tax.

(9) The stewards, or their designated representative, shall:

(a) Open the claim envelopes for each race as soon as the horses leave the paddock en route to the post; and

(b) Check with the horseman's bookkeeper to ascertain whether the proper credit balance has been established with the association.

(10) If more than one (1) valid claim is filed for the same horse, title to the horse shall be determined by lot under the supervision of the stewards or their designated representative.

(11) (a) After the race has been run a horse that has been claimed shall be delivered to the claimant.

(b) The claimant shall present written authorization for the claim from the racing secretary.

(c) After written authorization has been presented, horses that are sent to the detention area for post race testing shall be delivered.

(d) Other horses shall be delivered in the paddock.

(e) A person shall not refuse to deliver a horse claimed out of a claiming race to the person legally entitled to the horse.

(f) If the owner of a horse that has been claimed refuses to deliver the horse to the claimant, the horse shall be disqualified from further racing until delivery is made.

(12) (a) A claim shall be irrevocable.

(b) Title to a claimed horse shall be vested in the successful claimant from the time the horse is a starter; and the funds shall be transferred to the account of the previous owner, with said funds immediately available for future claiming transactions.

(c) The stewards shall void the claim and return the horse to the original owner if:

1. The horse suffers a fatality during the running of the race or dies or is euthanized before leaving the track; or
2. The commission veterinarian determines the horse will be

placed on the Veterinarian's List as bled, unsound, or lame before the horse is released to the successful claimant.

(c) The stewards shall not void the claim if, prior to the race in which the horse is claimed, the claimant indicates on the claim blank that he or she elects to claim the horse regardless of whether the commission veterinarian determines the horse will be placed on the Veterinarian's List as bled, unsound, or lame.

(d) A claimed horse shall run in the interest of and for the account of the owner from whom it is claimed.

(13) (a) A person shall not:

1. Enter or offer to enter into an agreement to claim or not to claim; or

2. Attempt or offer to attempt to prevent another person from claiming any horse in a claiming race.

(b) A person shall not attempt by intimidation to prevent anyone from running a horse in a claiming race.

(c) An owner or trainer shall not make an agreement with another owner or trainer for the protection of each other's horse in a claiming race.

(14)(a) A claim that does not comply with the provisions of this administrative regulation shall be void.

(b) The stewards shall be the judges of the validity of a claim.

(15) A person holding a lien of any kind against a horse entered in a claiming race shall record the lien with the racing secretary or horseman's bookkeeper at least thirty (30) minutes before post time for that race. If none is so recorded, it shall be presumed that none exists.

(16) The engagements of a claimed horse pass automatically with the horse to the claimant.

(17) Notwithstanding any designation of sex or age appearing on the racing program or in any racing publication, the claimant of a horse shall be solely responsible for determining the age or sex of the horse claimed.

(18) (a) A claimed horse not otherwise selected by the stewards for post-race testing shall be subjected to post-race testing in blood for the presence of substances regulated by 810 KAR Chapter 8. The results of the test shall be reported to the chief state steward.

(b) If a test is positive for a substance associated with a Class A, B, or C penalty or for a TCO2 violation, the claim may be voided at the option of the claimant and the claimant shall be entitled to return of all sums paid for the claimed horse and of all expenses incurred after the date of the claim.

(c) While awaiting test results, a claimant:

1. Shall exercise due care in maintaining and boarding a claimed horse; and
2. Shall not materially alter a claimed horse.

## Section 2. Incorporation by Reference.

(1) The following material is incorporated by reference:

- (a) "Claim Blank (Rev 96)"; and
- (b) Claim Blank envelope.

(2) This material may be inspected at Kentucky Horse Racing Commission, 4063 Iron Works Pike, Building B, Lexington Kentucky 40511, Monday through Friday, 8 a.m. to 4:30 p.m.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

#### 810 KAR 4:060. Objections and complaints.

RELATES TO: KRS 230.215, 230.260

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which racing is conducted in Kentucky. This administrative regulation establishes the requirements and

procedures for lodging objections and complaints.

Section 1. Persons Eligible to Lodge Objections or Complaints.

(1) Except as provided by subsection (2) of this section, an objection or complaint against a horse or jockey entered in a race shall be received only if lodged:

(a) In accordance with Sections 2 and 3 of this administrative regulation; and

(b) By the owner or authorized agent of the owner, the trainer, or the jockey of another horse engaged in the same race and whose horse suffered or may suffer by the alleged violation of an administrative regulation.

(2) An inquiry may also be made by a racing official.

Section 2. Procedures for Objections and Complaints.

(1) An objection as to interference or a foul occurring during the running of the race shall be lodged with the stewards orally or by telephone. All other objections or complaints shall be made in writing and be signed by the complainant.

(2) An objection or complaint lodged during a race meeting shall be addressed to the stewards. An objection or complaint lodged after the termination of a race meeting shall be addressed to the commission at the commission's general office.

(3) An objection or complaint once lodged shall not be withdrawn without permission of the stewards.

Section 3. Time for Lodging Objections or Complaints.

(1) Except as provided by subsection (2) of this section, an objection or complaint based on one (1) of the following violations of KAR Title 810 shall be lodged by an aggrieved person within the time prescribed:

(a) At least one (1) hour before post time of the race, if the objection or complaint is based on incorrect weight allowance claimed for a horse entered to race;

(b) Before the race has been posted as official on the infield results board, if the objection or complaint is based on interference by a horse, improper course run by a horse, foul riding by a jockey, or any other matter occurring during and incident to the running of the race;

(c) Not later than one (1) year from the date the race was run, if the objection or complaint is based on fraudulent or willful misstatement in an entry under which a horse has run;

(d) Not later than forty-eight (48) hours after post time of the race, if the objection or complaint involves the claim of a horse or a violation of 810 KAR 4:010, Section 4; and

(e) Within one (1) week after post time of the race, if the objection or complaint is based on any other violation of KAR Title 810.

(2) A steward may declare a horse ineligible or disqualified at any time.

Section 4. Final Determination of Objections to Acts in Race.

(1) The stewards shall:

(a) Make all findings of fact as to all matters occurring during and incident to the running of a race;

(b) Determine all objections and inquiries based on interference by a horse, improper course run by a horse, foul riding by a jockey, and all other matters occurring during and incident to the running of a race; and

(c) Determine the extent of disqualification, if any, of horses in a race for a foul committed during the race.

(2) Findings of fact and determination shall be final and shall not be subject to appeal.

(3) In determining the extent of disqualification, the stewards shall consider the seriousness and circumstances of the incident and may:

(a) Disqualify and place the offending horse, and any horses coupled with it as an entry, behind any horse that may have suffered by reason of the foul;

(b) Disqualify and declare the offending horse, and any horses coupled with it as an entry, unplaced;

(c) Disqualify the offending horse, and any horses coupled with it as an entry, from participation in all or any part of the purse;

(d) Declare void a track record set or equaled by a disqualified horse, or any horses coupled with it as an entry;

(e) Affirm the placing judges' order of finish and suspend the jockey if, in the stewards' opinion, the foul riding had no effect on the order of finish; or

(f) Disqualify the offending horse and not suspend the jockey if, in the stewards' opinion, the interference to another horse in a race was not the result of an intentional foul or careless riding on the part of the jockey.

Section 5. Dispute of a Race after Declared Official for Pari-mutuel Payoff. If the result of a race is placed in dispute by the lodging of an objection or complaint or by discovery of an alleged violation of an administrative regulation after the race has been declared official for pari-mutuel payoff, the procedures established in this section shall apply pending final determination of the disputed race.

(1) The purse money and trophy to which the horse objected to may have been entitled shall be withheld and placed in escrow by the association until final adjudication of the dispute, except the stewards may order any portion of the purse money to be distributed if the distribution would not be affected by the determination of the dispute.

(2) If purse money or trophy has been awarded to an owner prior to the lodging of an objection or discovery of an alleged violation of an administrative regulation which places the outcome of a race in dispute, the money or trophy shall be returned immediately to the association on order of the stewards. Upon final adjudication of the dispute, the person deemed to be entitled to the purse money or trophy shall be entitled to an order of recovery from any person or association holding the same.

(3) The horse that crossed the finish line first and any other horse that may become the winner of a disputed race shall be considered winners of that race until the matter is finally adjudicated.

Section 6. Determination of a Disputed Race. The stewards shall determine an objection, complaint, or alleged violation of an administrative regulation lodged or discovered after a race has been declared official for pari-mutuel payoff and shall issue a ruling. If the stewards find that an administrative regulation was violated, the stewards may penalize the persons responsible, disqualify any horses in the disputed race, and award the purse money and trophy in accordance with any resulting revised order of finish in the disputed race.

Section 7. Revised Order of Finish after Race Declared Official for Pari-mutuel Payoff. If a horse is disqualified after a race has been declared official for pari-mutuel payoff and causes revision of the order of finish in the race:

(1) The pari-mutuel payoff shall not be affected in any way; and

(2) The stewards shall ensure that appropriate corrections are made in official records for the race and in racing statistics as may pertain to the respective horses, jockeys, trainers, owners, breeders, sires, dams, and broodmare sires, by reporting the corrections to the racing secretary and to the Daily Racing Form.

Section 8. Complaints Against Officials. A complaint or protest by a licensee based on a decision or act of a racing official other than the stewards, or concerning any matter that may occur on association grounds not provided for by Sections 4 and 5 of this administrative regulation, shall be made in writing, signed by the complainant, and submitted to the stewards. A complaint or protest by a person based on a decision, act, or conduct of the stewards shall be submitted to the commission as provided by 810 KAR 9:010.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the rules concerning objections and complaints in thoroughbred and other flat racing.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific rules concerning objections and complaints in thoroughbred and other flat racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions relating to objections and complaints in thoroughbred and other flat racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning objections and complaints in thoroughbred and other flat racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's five licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and jockeys, will be required to adhere

to the requirements and rules set forth in this administrative regulation pertaining to objections and complaints in thoroughbred and other flat racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 4:070. Jockeys and apprentices.**

RELATES TO: KRS 230.215, 230.260

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8), 230.260 (10), 230.260 (14)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and KRS 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all horse racing is conducted. KRS 230.260(10) authorizes the commission to promulgate administrative regulations establishing minimum fees for jockeys in the absence of a contract between an employing owner or trainer and a jockey. KRS 230.260(14) authorizes the commission to promulgate administrative regulations to establish safety standards and minimum fees for jockeys. This administrative regulation establishes the requirements for jockeys and apprentice jockeys.

Section 1. Probationary Mounts. Any person desiring to participate in this state as a jockey, who has not ridden in a race previously, may ride in three (3) races before applying for a license as a jockey or apprentice jockey if:

- (1) The person is a licensed stable employee, assistant trainer, or trainer with at least one (1) year of service with a racing stable;
- (2) A licensed trainer certifies in writing to the stewards that the person has demonstrated sufficient horsemanship, as evidenced by his control of the animal while mounting, riding, and dismounting in race and nonrace conditions, to be permitted the probationary mounts;
- (3) The starter has schooled the person in breaking from the starting gate with other horses and approves the person as capable of starting a horse properly from the starting gate in a race;
- (4) The stewards determine that the person:
  - (a) Intends to become a licensed jockey;
  - (b) Possesses the physical ability to be a jockey; and
  - (c) Has demonstrated the ability to ride in a race without jeopardizing the safety of horses or other jockeys in the race; and
- (5) The person has prior oral or written approval of the stewards.

Section 2. Qualifications for License. In addition to the requirements applicable to licensees under 810 KAR 3:020, a holder of a license as a jockey or apprentice jockey:

- (1) Shall be sixteen (16) years of age or older and licensed under his or her legal name which shall be listed in the daily race program;
- (2) Shall have served at least one (1) year with a racing stable;
- (3) Shall have ridden in at least three (3) races; and
- (4) Shall, if required by the stewards, to protect the health and safety of the jockey, other jockeys, the horses, and the welfare of the betting public, provide a medical affidavit certifying the person is physically and mentally capable of performing the activities and duties of a licensed jockey.

Section 3. Amateur or Provisional Jockey.

(1) An amateur wishing to ride in races on even terms with professional riders, but without accepting fees or gratuities therefore, shall:

- (a) Be approved by the stewards as to competency of horsemanship, as demonstrated by meeting the requirements in Section 1(2), (3), and (4)(b) and (c) of this administrative regulation;
  - (b) Be granted an amateur jockey's license; and
  - (c) Have his amateur status duly noted on the daily race program.
- (2) A licensed owner or licensed trainer, upon approval by the stewards, may be issued a provisional jockey's license to ride his own horse or horse registered in his care as trainer.

Section 4. Apprentice Allowance in Thoroughbred Racing.

(1) The provisions of this Section apply only to thoroughbred racing.

(2) Any person sixteen (16) years of age or older, who has not been licensed previously as a jockey in any jurisdiction, and who is qualified under Section 2 of this administrative regulation, may claim in all purse races except handicaps the following weight allowances:

- (a) Ten (10) pounds until he or she has ridden five (5) winners;
- (b) Seven (7) pounds until he or she has ridden an additional thirty-five (35) winners;
- (c) If he or she has ridden a total of forty (40) winners prior to the end of one (1) year from the date of riding his fifth winner, he or she shall have an allowance of five (5) pounds until the end of that year; and
- (d) If after one (1) year from the date of the fifth winner, the apprentice jockey has not ridden forty (40) winners, the applicable weight allowance shall continue for one (1) additional year, or until the 40th winning mount, whichever occurs first.

(2)(a) After the completion of conditions in subsection (1) of this section, a contracted apprentice may claim three (3) pounds for one (1) year if riding horses owned or trained by his or her original contract employer if his or her contract has not been transferred or sold since his or her first winner.

(b) The original contract employer shall be the party to the contract who was the employer at the time of the apprentice jockey's first winner.

(c) Apprentice allowance shall not be claimed for a period in excess of two (2) years from the date of the rider's fifth winner unless an extension has been granted in accordance with subsection (4) of this section.

(3) An apprentice jockey may enter into a contract with a licensed owner or licensed trainer qualified under Section 5 of this administrative regulation for a period not to exceed five (5) years.

(a) These contracts shall be:

1. Approved by the stewards;
2. Filed with the commission; and
3. Binding in all respects on the parties to the contract.

(b) An apprentice who has not entered into a contract pursuant to this subsection shall be given an apprentice jockey certificate.

(4) If an apprentice jockey is unable to ride for a period of seven (7) consecutive days or more because of service in the armed forces of the United States, physical disablement, attendance in an institution of secondary or higher education, restrictions on racing, or other valid reason, the commission, upon recommendation of the stewards and after consultation with the racing entity that approved the original apprentice contract, may extend the time during which the apprentice weight allowance may be claimed for a period no longer than the period the apprentice rider was unable to ride.

(5) After completion of conditions in subsection (1) of this section, the rider shall be issued a license as a jockey before accepting subsequent mounts. Under these circumstances, the commission may waive collection of an additional license fee.

Section 5. Rider Contracts.

(1) All riding contracts for terms longer than thirty (30) days, and any amendments, cancellation, or transfer of the contract, shall be in writing with the signatures of the parties notarized, and shall be approved by the stewards and filed with the commission.

(2) The stewards shall approve a riding contract and permit parties to participate in racing in this state if the stewards determine that:

(a) The contract employer is a licensed owner or licensed trainer who owns or trains at least three (3) horses eligible to race when the contract is executed;

(b) The contract employer possesses the character, ability, facilities, and financial responsibility conducive to developing a competent race rider; and

(c) If it is a contract for an apprentice jockey, the contract provides for fair remuneration, adequate medical care, and an option equally available to both employer and apprentice jockey to cancel the contract after two (2) years from the date of execution.

Section 6. Restrictions as to Contract Riders. A contract rider shall not:

(1) Ride any horse not owned or trained by his contract employer in a race against a horse owned or trained by his contract employer;

(2) Ride or agree to ride any horse in a race without consent of his or her contract employer;

(3) Share any money earned from riding with his contract employer; and

(4) Accept any present, money, or reward of any kind in connection with his or her riding of any race except through his contract employer.

Section 7. Calls and Engagements.

(1) Any rider not prohibited by contract may agree to give first or second call on his race-riding services to any licensed owner or trainer.

(2) Any rider employed by a racing stable on a regular salaried basis shall not ride against the stable which employs him.

Section 8. Jockey Fees in Thoroughbred Racing.

(1) The fee to a jockey, in the absence of special agreement to the contrary, shall be as follows:

(a)

Purse	Winning Mount	Second Place Mount	Third Place Mount	Fourth Place Mount	Losing Mount
Up to \$9,999	10% of Win Purse	5% of Place Purse OR \$75, whichever is greater	\$70	\$65	\$60
\$10,000-\$14,999	10% of Win Purse	5% of Place Purse	\$75	\$70	\$65
\$15,000-\$24,999	10% of Win Purse	5% of Place Purse	5% of Show Purse OR \$80, whichever is greater	\$75	\$70
\$25,000-\$49,999	10% of Win Purse	5% of Place Purse	5% of Show Purse	\$85	\$80
\$50,000-\$99,000	10% of Win Purse	5% of Place Purse	5% of Show Purse	\$90	\$85
\$100,000 and up	10% of Win Purse	5% of Place Purse	5% of Show Purse	5% of Fourth Place Purse	\$110

(b) The flat fee amounts as set out in paragraph (a) of this subsection are not percentage driven.

(2) A jockey fee shall be considered earned by a rider if he or she is weighed out by the clerk of scales, with the following exceptions:

(a) If a rider does not weigh out and ride in a race for which he or she has been engaged because an owner or trainer engaged more than one (1) rider for the same race, the owner or trainer shall pay an appropriate fee to each rider engaged for the race;

(b) If a rider capable of riding elects to take himself off the mount without, in the opinion of the stewards, reasonable cause; or

(c) If a rider is replaced by the stewards with a substitute rider for a reason other than a physical injury suffered by the rider during the time between weighing out and start of the race.

Section 9. Jockey Fees for Quarter Horse, Paint Horse, Appaloosa, and Arabian Racing.

(1) The fee to a jockey in all races shall be, in the absence of special agreement, as follows:

(a)

Purse	Winning Mount	Second Place Mount	Third Place Mount	Fourth Place Mount	Losing Mount
Up to \$6,499	10% of Win Purse	Losing mt + \$15	Losing mt + \$10	Losing mt + \$5	\$75
\$6,500-\$9,999	10% of Win Purse	Losing mt + \$15	Losing mt + \$10	Losing mt + \$5	\$80
\$10,000-\$14,999	10% of Win Purse	5% of Place Purse	Losing mt + \$10	Losing mt + \$5	\$85
\$15,000-\$24,999	10% of Win Purse	5% of Place Purse	5% or (LM + \$10) whichever is greater	Losing mt + \$5	\$90
\$25,000-\$49,999	10% of Win Purse	5% of Place Purse	5% or (LM + \$10)	Losing mt + \$5	\$95
\$50,000-\$99,999	10% of Win Purse	5% of Place Purse	5% of Show Purse	Losing mt + \$5	100
\$100,000 and up	10% of Win Purse	5% of Place Purse	5% of Show Purse	5% of Fourth Place Purse	\$125

(2) A jockey fee shall be considered earned by a rider when he or she is weighed out by the clerk of scales, with the following exceptions:

(a) When rider does not weigh out and ride in a race for which he or she has been engaged because an owner or trainer engaged more than one (1) rider for the same race, the owner or trainer shall pay an appropriate fee to each rider engaged for such race;

(b) When such rider capable of riding elects to take himself or herself off the mount without, in the opinion of the stewards, reasonable cause; or

(c) When such rider is replaced by the stewards with a substitute rider for a reason other than a physical injury suffered by the rider during the time between weighing out and start of the race.

Section 10. Revised Order of Finish After Race is Declared Official. If a winning purse is forfeited through subsequent ruling of the stewards or the commission, after a race has been declared official, the winning fee shall be paid to the jockey whose mount is ultimately adjudged the winner, and the original winner shall be paid only a losing mount fee.

Section 11. Duty to Fulfill Engagements. Every rider shall fulfill his or her duly scheduled riding engagements, unless excused by the stewards due to circumstances under which a jockey could not reasonably be expected to be physically present at the required time. A rider shall not be required to ride a horse he or she believes to be unsound, nor over a racing strip he or she believes to be unsafe; however, if the stewards find a rider's refusal to fulfill a riding engagement is based on a personal belief unwarranted by the facts and circumstances, the rider may be subject to disciplinary action.

Section 12. Presence in Jockey Room.

(1) Each rider who has been engaged to ride in a race shall be physically present in the jockey room no later than one (1) hour prior to post time for the first race he is scheduled to ride, unless excused by the stewards or the clerk of scales due to circumstances under which a jockey could not reasonably be expected to ride. Upon arrival each rider shall report his or her engagements to the clerk of scales. If a rider fails for any reason to arrive in the jockey room no later than one (1) hour before post time of a race in which he or she is scheduled to ride, the clerk of scales shall so advise the stewards who may name a substitute

rider and shall cause a public announcement to be made of the rider substitution prior to opening of wagering on the race.

(2) Each rider reporting to the jockey room shall remain in the jockey room until he has fulfilled all his riding engagements for the day, except to ride in a race, or to view the running of a race from a location approved by the stewards. While a rider is outside of the jockey room, a rider shall not have contact or communication with any person other than an owner or trainer for whom he is riding, a racing official, or a media representative authorized by the stewards, until the rider has fulfilled all his riding engagements for the day.

(3) The association shall be responsible for security of the jockey room and for excluding all persons except riders scheduled to ride on the day's program, valets, authorized attendants, racing officials, media representatives authorized by the stewards, and persons having special permission of the stewards to enter the jockey room.

(4) Any rider intending to discontinue riding at a race meeting prior to its conclusion shall notify the stewards of his or her intent to depart after fulfilling his or her final riding engagement of the day.

#### Section 13. Weighing Out.

(1) Each rider engaged to ride in a race shall report to the clerk of scales for weighing out not more than one (1) hour and not less than fifteen (15) minutes before post time for each race in which he or she is engaged to ride, and when weighing out, the rider shall declare overweight, if any.

(2) (a) A rider shall not pass the scale with more than one (1) pound overweight, without consent of the owner or trainer of the horse he or she is engaged to ride; and

(b) A rider shall not pass the scale with more than five (5) pounds overweight.

(3) A horse shall not be disqualified because of overweight carried.

(4) Riding crops, blinkers, number cloths, bridles, bits, reins, over-girth, breast collar, goggles, safety helmets, and safety vests shall not be included in a rider's weight.

#### Section 14 Wagering.

(1) A rider shall not:

(a) Place a wager;

(b) Cause a wager to be placed on his behalf; or

(c) Accept any ticket or winnings from a wager on any race except on his own mount, and except through the owner or trainer of the horse he is riding.

(2) The owner or trainer placing wagers for his or her rider shall maintain a precise and complete record of all of these wagers, and the record shall be available for examination by the stewards at all times.

#### Section 15. Attire.

(1) Upon leaving the jockey room to ride in any race, each rider shall be neat and clean in appearance and wear the traditional jockey attire with all jacket buttons and catches fastened.

(2) Each jockey shall wear:

(a) The cap and jacket racing colors registered in the name of the owner of the horse he or she is to ride;

(b) Stock tie;

(c) White or light breeches;

(d) Top boots;

(e) A safety vest and safety helmet that meet the standards set forth in subsections (4) and (5) of this section; and

(f) A number on his or her right shoulder corresponding to his mount's number as shown on the saddle cloth and daily racing program.

(3) The clerk of scales and attending valet shall be held jointly responsible with a rider for his neat and clean appearance and proper attire.

(4) A jockey mounted on a horse or stable pony at a location under the jurisdiction of the commission shall wear a properly secured safety helmet at all times. If requested by a commission official, the jockey shall provide sufficient evidence that his or her helmet has a tag, stamp, or similar identifying marker indicating

that it meets one of the following safety standards:

(a) ASTM International Standard, ASTM F1163-04a;

(b) British Standards, BS EN 1384:1997 or PAS 015:1999; or

(c) Australian/New Zealand Standard, AS/NZS 3838:2006.

(5) A jockey mounted on a horse or stable pony at any location under the jurisdiction of the commission shall wear a safety vest at all times. If requested by a commission official, the jockey shall provide sufficient evidence that his or her safety vest has a tag, stamp, or similar identifying marker indicating that it meets or exceeds one (1) of the following safety standards:

(a) British Equestrian Trade Association (BETA):2000 Level 1;

(b) Euro Norm (EN) 13158:2000 Level 1;

(c) ASTM International Standard, ASTM F2681-08;

(d) Shoe and Allied Trade Research Association (SATRA) Jockey Vest Document M6 Issue 3; or

(e) Australian Racing Board (ARB) Standard 1.1998.

#### Section 16. Advertising.

(1) A jockey shall not wear advertising or promotional material of any kind (whether for a nonprofit or for-profit entity) on clothing within one (1) hour before or after a race, unless:

(a) 1. The material advertises or promotes the Jockey's Guild in the form of the picture of a jockey's boot or the picture of a wheelchair, with no additional picture or logo;

2. The material advertises or promotes the Permanently Disabled Jockey's Fund in the form of the pictures of its logo, with no additional picture or logo; or

3. The picture or logo has previously been approved by the current owner, association, and the stewards under the process set forth in this administrative regulation, and this approval is reflected in the commission's official records;

(b) The material complies with the size restrictions of subsection (2)(b) of this section;

(c) The material meets the advertising standards listed in subsection (2) of this section;

(d) Written approval by the following is submitted to the commission:

1. The managing owner of the horse, or authorized agent of the managing owner;

2. The jockey riding the horse or the authorized agent of the jockey;

3. The licensed racing association, which shall grant approval if it reasonably determines the material meets the standards in subsection (2)(a) of this section; and

4. The stewards, who shall grant approval if they reasonably determine the material meets the standards in subsections (2)(b) and (3) of this section; and

(e) Written approval required pursuant to subsection (1)(d) of this section is evidenced by completion and return to the commission of the "Request to Wear Advertising and Promotional Materials" form, KHRC-4-070-1. The form shall be completed and submitted to the stewards not later than 5 p.m. two (2) days prior to the day of the race in which the advertising and promotional materials will be worn. Other forms of approval shall not be accepted by the commission.

(2) Advertising or promotional material displayed on jockey clothing shall:

(a) Not compete with, conflict with, or infringe upon sponsorship agreements applicable to the racing association race or to the race meet in progress; and

(b) Comply with the following size restrictions:

1. A maximum of thirty-two (32) square inches on each thigh of the pants on the outer side between the hip and knee and ten (10) square inches on the rear of the pant at the waistline at the base of the spine;

2. A maximum of twenty-four (24) square inches on boots and leggings on the outside of each nearest the top of the boot; and

3. A maximum of six (6) square inches on the front center of the neck area (on a turtleneck or other undergarment).

(3) A sponsorship shall not be permitted by a person or entity whose message, business reputation, or ongoing business activity may be considered as obscene or indecent to a reasonable person.

(4) Any party who fails to comply with this or any other provision provided in this administrative regulation may be subject to penalties by the commission in accordance with KRS Chapter 230 and Title 810 KAR.

(5) As a condition for approval of advertising or promotional material, either the owners, the stewards, or the licensed racing association may require a personal viewing of the proposed material as it is to be displayed, to determine compliance with this section.

(6) The sponsor of a licensed racing association race or race meeting may display advertising or promotional material on an association saddlecloth if it does not interfere with the clear visibility of the number of the horse.

(7) Advertising content other than that approved in accordance with this administrative regulation shall not be permitted.

(8) This administrative regulation shall not infringe upon or limit the common law rights of a racing association to eject or exclude persons, licensed or unlicensed, from association grounds, or to apply the association's internal rules regarding other forms of advertising not addressed in this or any other applicable statute or administrative regulation, if the internal rules have been previously filed with and approved by the commission or its authorized representative.

#### Section 17. Viewing Films or Tapes of Races.

(1) Every rider shall check the film list posted by the stewards in the jockey room the day after riding in a race.

(2) The posting of the film list shall be considered as notice to all riders whose names are listed to present themselves when designated by the stewards to view the patrol films or video tapes of races.

(3) Any rider may be accompanied by a representative of the jockey organization of which he or she is a member in viewing the films or, with the stewards' permission, be represented at the viewing by his designated representative.

#### Section 18. Material Incorporated by Reference.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the rules concerning jockeys and apprentices in thoroughbred and other flat racing.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific rules concerning jockeys and apprentices in thoroughbred and other flat racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions relating to jockeys and apprentices in thoroughbred and other flat racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning jockeys and apprentices in thoroughbred and other flat racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's five licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and jockeys, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to jockeys and apprentices in thoroughbred and other flat racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded

from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

#### 810 KAR 4:080. Steeplechase racing.

RELATES TO: KRS 230.215, 230.361

STATUTORY AUTHORITY: KRS 230.215(2), 230.361(4)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation sets forth the standard under which steeplechase races shall be conducted when there is pari-mutuel wagering.

#### Section 1. Definitions.

(1) "Steeplechase race" means a contest between thoroughbred horses over a prescribed course which may include obstacles or jumps and is conducted at a racing association

licensed by the Kentucky Horse Racing Commission.

(2) "Recognized meeting" means any steeplechase race meeting with regularly scheduled races for thoroughbreds, licensed by and conducted under administrative regulations promulgated by a governmental regulatory body, to include foreign countries which are regulated by a racing authority recognized by The Jockey Club of New York.

Section 2. Unless otherwise provided for in this administrative regulation, all steeplechase races with pari-mutuel wagering shall be conducted in accordance with the provisions of KAR Title 810 pertaining to flat racing.

Section 3. For steeplechase races, "maiden" means a horse which, at the time of starting, has never won a race at a recognized meeting, except as follows:

(1) In flat racing, a horse shall be considered a maiden regardless of whether the horse has been the winner of a steeplechase race.

(2) In a steeplechase race, a horse shall be considered a maiden regardless of whether the horse has been the winner of a flat race.

Section 4. In steeplechase races, a horse shall be considered a "starter" immediately upon the starter dropping the flag.

Section 5. In steeplechase races, the "Scale of Weights for Age" in the "National Steeplechase Association Rules of Racing" shall apply.

Section 6. In steeplechase races, the provisions of 810 KAR 2:070, Section 35 shall not apply.

Section 7. In steeplechase races, the provisions of 810 KAR 4:010, Section 7 shall not apply.

Section 8. In steeplechase races, the provisions of 810 KAR 4:030, Section 3(8) shall not apply.

Section 9. In steeplechase races, except handicap races and stakes races, riders who have never ridden a winner are allowed ten (10) pounds. Non-winners of fifteen races are allowed five (5) pounds. Weight penalties shall be obligatory. Weight allowance shall be claimed at time of entry and shall not be waived after the posting of entries except by consent of the stewards.

#### Section 10. Incorporation by Reference.

(1) "Scale of Weights for Age", included in the National Steeplechase Association, Rules of Racing, 2014 edition, revised 2017, is incorporated by reference.

(2) This material may be inspected, copied, or obtained, subject to applicable copyright law, at the Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky, Monday through Friday, 8 a.m. to 4:30 p.m.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation sets forth the rules and requirements for steeplechase races that are conducted at Kentucky racetracks under the jurisdiction of the Commission. This administrative regulation provides generally that steeplechase races will be conducted in accordance with the flat racing provisions of KAR Title 810, but the administrative regulation establishes certain exceptions to the application of the flat racing provisions. These exceptions establish alterations to the rules concerning age restrictions, allowances for apprentice riders, workouts, and the scale of weights.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide rules to govern the conduct of steeplechase races with pari-mutuel wagering thereon at locations under the jurisdiction of the Commission.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.361 authorizes the Commission to issue a license to conduct pari-mutuel wagering on steeple chases or other races over jumps if all proceeds from the wagering, less expenses, are used for charitable purposes. These races are limited to four (4) days per year. This administrative regulation prescribes the conditions relating to the steeplechase races to be conducted as authorized by KRS 230.361.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that steeplechase races at racetracks under the jurisdiction of the Commission and as authorized by KRS 230.361 are conducted in an organized manner that is consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Kentucky racetracks under the jurisdiction of the Commission, and all individual participants in steeplechase racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing, and this number is consistent from year to year.

Steeplechase races with pari-mutuel wagering thereon are rare, however, and only take place for a maximum four (4) days per year.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules for steeplechase races that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this amendment.

(b) On a continuing basis: There is no continuing cost to implement this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary to implement and enforce this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

RELATES TO: KRS 230.215, 230.260, 230.290, 230.310, 230.320

STATUTORY AUTHORITY: KRS 230.215(2), 230.310, 230.320(1)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which horse racing shall be conducted in Kentucky. KRS 230.310 requires any person who desires to participate in racing in Kentucky as an owner to apply to the commission for a license, and authorizes the commission to promulgate administrative regulations pertaining to licensing. KRS 230.320 authorizes the commission to promulgate administrative regulations under which any license may be denied, suspended, or revoked, and under which any licensee or other person participating in Kentucky horse racing may be assessed an administrative fine or required to forfeit or return a purse. The function of this administrative regulation is to outline the requirements for owners to participate in horse racing in Kentucky.

Section 1. Owner's License Required. No horse may be entered or raced in this state unless the owner or each of the part owners, except as allowed in Section 4 of this administrative regulation, has been granted a current owner's license or temporary license by the commission.

Section 2. Owner's License Limitations.

(1) A licensed owner or trainer may personally serve as a farrier or jockey for horses he owns or are registered as in his care, provided he has received from the stewards a certification of the licensee's fitness as a competent farrier or jockey.

(2) A licensed owner:

(a) Shall own or have under lease a horse eligible to race, and be prepared to prove same upon call of the stewards.

(b) Shall not engage in an activity directly or indirectly involving the racing performance of horses owned by others.

(3)(a) Except as provided in paragraph (b), a licensed owner shall be at least eighteen (18) years old.

(b) The commission may grant an owner's license to a person less than eighteen (18) years of age who is a son or daughter of a licensed owner in this state, if the parent:

1. Holds an owner's license in this state; and

2. Files with the license application of the minor an agreement whereby the parent assumes responsibility for meeting all financial, contractual, or other obligations relating to racing of the applicant son or daughter

(4) The commission may deny, suspend, or revoke an owner's license for the spouse or any member of the immediate family or household of a person who is ineligible to hold an owner's license, unless there is a showing on the part of the applicant or licensed owner that his or her participation in racing as an owner shall in no way circumvent the intent of the administrative regulation by permitting a person, under the control or direction of a person ineligible for an owner's license, to serve in essence as a substitute for the ineligible person.

Section 3. Ownership Disclosure.

(1) Licensed owners and licensed trainers shall be jointly responsible for making a full disclosure of the entire ownership of each horse in their care.

(2) Disclosure under this section shall identify in writing all persons who directly, or indirectly through a lien, lease partnership, corporate stockholding, syndication, or other joint venture, hold any present or reversionary right, title, or interest in and to such horse, and those persons who by virtue of any form of interest may exercise control over or benefit from the racing of the horse. The degree and time of such ownership held by each person shall also

be designated.

(3) Disclosure under this section shall be made when registering each horse with the racing secretary upon arrival on association grounds or at time of entry whichever event occurs first and shall be revised immediately upon any subsequent change in the ownership.

(4) Disclosure under this section together with all written agreements, and affidavits setting out oral agreements, pertaining to the ownership of or rights to a horse, shall be filed with the stewards.

(5) All documents pertaining to the ownership or lease of a horse filed with the stewards shall be available for public inspection.

(6) The stewards may review the ownership of each horse entered to race. The stewards may determine the validity for racing purposes of all leases, transfers, and agreements pertaining to ownership of a horse and may call for adequate evidence of ownership at any time. The stewards may declare ineligible to race any horse, the ownership or control of which, is in question.

Section 4. Joint Ownership.

(1) No more than five (5) individual persons may be licensed as owners of a single horse.

(2) If more than five (5) individual persons own interests in a single horse, through a partnership, corporation, syndication, or other joint venture, then those individual persons shall designate a member of the partnership, corporation, syndicate, or joint venture to represent the entire ownership of and be responsible for the horse as the licensed owner.

(3) The commission may deny, suspend, or revoke the license of any owner whose ownership of a horse is qualified or limited in part by rights or interests in or to the horse being held or controlled by any other individual person or persons who would be ineligible to be licensed as an owner.

Section 5. Program Listing of Owners. Names of all persons licensed as owners of each horse shall be listed in the daily program. If space limitations preclude listing of first names, then at least two (2) initials shall precede surnames. Stable names, or corporate names, registered in other racing jurisdictions may be shown parenthetically if program space limitations permit. Lessees licensed as owners shall be designated on the program as lessees of each leased horse.

Section 6. Leases.

(1) A horse may be raced under lease with approval of the stewards, who may suspend or void approval at any time.

(2) No lease may be approved by the stewards for racing purposes unless:

(a) Lessee is licensed as an owner;

(b) Each of the signatures of the lessors and lessees on the lease agreement is subscribed and sworn to before a notary public;

(c) Term of the lease is no less than one (1) year, unless sooner terminated by claim or retirement of the horse;

(d) Conditions of the lease specify whether the horse can be entered in a race to be claimed. If agreeable to lessor that the horse may be entered in a claiming race, then the lease shall specify the minimum price for which the horse may be entered and the name of the payee of the claiming price;

(e) Conditions of the lease specify that upon claim of the horse, the lease shall terminate and all rights in and to the horse shall pass to claimant as a bona fide purchaser;

(f) After reviewing the full ownership of the leased horse, and the interests of all persons involved in the lease and the term and conditions of the lease, the stewards in their discretion find that the lease:

1. Completely divests lessors or sublessors of further control or direction of the racing performance of the horse while under lease; and

2. The resultant program listing of lessee would not mislead the betting public by reason of the absence in the program listing of the name of a person or persons possessing a beneficial interest in the leased horse.

Section 7. Thoroughbred Racing Colors.

(1) Thoroughbred owners shall be responsible for designing and providing individual racing colors, consisting of jackets and caps of distinctive color and pattern to be worn by jockeys during a race.

(2) The stewards may refuse to permit the use of racing colors that include advertising, or promotions, symbols or words, or which otherwise, in the opinion of the commission, are not in keeping with the traditions of the turf.

(3) No thoroughbred may be raced in racing colors other than those registered in the name of the horse's owner without special permission of the stewards. If an owner races two (2) or more horses in the same race, jackets shall be identical while caps may be varied in color or design.

(4) Owners and trainers shall be jointly responsible for the condition of racing colors, insuring that they are neat, clean, and in good repair, and that an adequate number of sets of racing colors are placed in the care of the clerk of scales.

(5) The clerk of scales and the valet serving a jockey shall be jointly responsible for having the correct jacket and cap on each rider when leaving the jockey room for the paddock.

Section 8. Authorized Agent.

(1) A licensed owner may, as a principal, authorize any person, as an agent, to act on the owner's behalf in all matters pertaining to racing in this state and ownership of horses on association grounds.

(2) A licensed owner shall be jointly liable and responsible with his licensed authorized agent for all acts and omissions of the authorized agent in a racing matter.

Section 9. Suspension. No horse owned wholly or in part by an owner whose license has been suspended shall be permitted to race during such suspension.

Section 10. Partnerships.

(1) Partnerships that own or control a present or reversionary interest in a horse to be raced shall register with the commission.

(2) Partnership papers shall be filed with an owner's license application and shall set forth the following:

(a) The name and address of every person having an interest in the horse involved;

(b) The relative proportion of the interests;

(c) To whom winnings are payable;

(d) In whose name the horse shall run;

(e) With whom the power of entry and declaration rests;

(f) The terms of any contingency, lease, or any other arrangement; and

(g) The names of the horses involved.

(3) All partnership registrations shall be signed by the principal partner or by his authorized agent.

(4) Any alteration in a recorded partnership shall be reported in writing to the commission and signed by all the partners, or their authorized agent.

(5) All the parties in a partnership and each of them shall be jointly and severally liable for all stakes, fees, and other obligations.

#### **PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)**

#### **810 KAR 4:100. Trainers.**

RELATES TO: KRS 230.215, 230.260, 230.290, 230.310, 230.320

STATUTORY AUTHORITY: KRS 230.215(2), KRS 230.310

NECESSITY, FUNCTION, AND CONFORMITY: KRS 23.0215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which horse racing shall be conducted in Kentucky. KRS 230.310 requires any person who desires to participate in racing in Kentucky to apply to the commission for a license. The function of this administrative regulation is to outline the requirements for trainers to participate in horse racing in Kentucky.

Section 1. Trainer's License Required. No horse may be raced in this state unless the trainer has been granted a current trainer's license by the commission.

#### Section 2. Trainer's License Limitations.

(1) A holder of a trainer's license shall:

(a) Be a person eighteen (18) years of age or older;

(b) Be qualified by experience or competence to care for and train race horses as determined by a standard examination prescribed and given at any time by the stewards; and

(c) Have in his or her charge a horse eligible to race.

(2) No trainer may be licensed to train under an assumed or stable name.

(3) No trainer shall engage in an activity directly or indirectly involving the racing performance of horses on association grounds other than those registered as being in his or her charge.

(4) A licensed trainer shall not also be currently licensed to participate in racing in this state as a jockey, apprentice jockey, jockey's agent, veterinarian, assistant veterinarian, dental technician, farrier, apprentice farrier, or as an association racing department employee, except as provided in 810 KAR 4:070.

(5) The commission may deny, suspend, or revoke the trainer's license of the spouse, or any member of the immediate family or household, or a licensee ineligible to hold a trainer's license, unless there is a showing on the part of the applicant or licensed trainer, and the commission so finds, that his or her participation in racing as a trainer shall in no way circumvent the intent of this administrative regulation by permitting a person, under the control or direction of a licensee ineligible to hold a trainer's license, to serve in essence as a substitute for the ineligible person.

#### Section 3. Duties and Responsibilities.

(1) In the absence of substantial evidence to the contrary, a licensed trainer shall bear primary responsibility for the proper care, health, training condition, safety, and protection against the administration of prohibited drugs or medication of horses in his or her charge.

(2) A licensed trainer:

(a) Shall register with the racing association security all persons in his or her employ and insure that those persons are duly licensed within twenty-four (24) hours after the employees arrive on association grounds or are employed. Upon discharge of an employee, a trainer shall promptly notify track security and the commission license administrator.

(b) Shall carry workers' compensation insurance covering his or her employees in connection with racing as required by KRS Chapter 342.

(c) Shall register with the racing secretary all horses in his or her charge. No licensed trainer may take or keep in his or her charge a horse owned wholly or in part, or controlled by, a person unlicensed as an owner. No licensed trainer shall assume responsibility for a horse not under his or her active care and supervision, except as provided by subsection (4) of this section.

(d) In the absence of substantial evidence to the contrary, shall bear primary responsibility for horses he or she enters as to eligibility; weight allowance claimed; physical fitness to perform creditably at the distance entered; absence of prohibited drugs or medications; proper shoes, bandages, and equipment; and timely arrival in the saddling paddock. A licensed trainer shall bear joint responsibility with the licensed owner for horses he or she enters as to stakes payments and jockey fees due.

(e) Shall furnish the name of the jockey engaged to ride each horse entered at the time of entry. If no rider has been named at the time of entry or the rider named is unavailable, then the stewards shall name a rider.

(f) Shall personally attend his or her horses in the paddock and supervise the saddling thereof, unless excused by the stewards. If a licensed trainer is to be absent from association grounds where his or her horses are stabled, he or she shall provide a substitute to attend the saddling of horses already entered. The substitute shall:

1. Be his or her assistant trainer or another licensed trainer;
2. Be approved by the stewards; and

3. Assume complete responsibility for horses to be entered.

(g) May attend the taking of urine, blood, or other biological sample approved by the commission from a horse in his or her charge by the commission veterinarian, or may delegate one of his or her licensed employees to do so.

(h) Shall maintain the stable area assigned to him in a clean, neat, and sanitary condition at all times, and ensure that fire-prevention laws are strictly observed.

(i) Shall promptly report to the commission veterinarian or stewards any sickness or death of any horse in his or her charge.

Section 4. Ownership Restrictions. No licensed trainer shall have any interest, by ownership or lease in the racing or breeding qualities, in a horse of which he or she is not the trainer at any race meeting at which the trainer is in charge of a racing stable.

Section 5. Suspension. No horse in the charge of a trainer whose license has been revoked or suspended shall be permitted to race during such suspension. Upon application by the owners of the suspended horse, the stewards may approve the transfer of the horse to the care of another licensed trainer and, upon the approved transfer, the horse may be entered to race.

Section 6. Assistant Trainer.

(1) A licensed trainer may employ an assistant trainer.

(2) An assistant trainer shall be:

(a) Licensed before acting in such capacity on behalf of his or her employer; and

(b) Qualified by experience or competence to care for race horses as determined by a standard examination prescribed and given at any time by the stewards.

(3) A licensed assistant trainer shall assume the same duties and responsibilities that are imposed on a licensed trainer.

(4) A licensed trainer shall be jointly liable and responsible with his or her licensed assistant trainer for all acts and omissions of the assistant trainer in a racing matter.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation sets forth the requirements and responsibilities imposed upon licensed horse trainers who participate in racing in Kentucky.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to set forth the rules and requirements to participate as a trainer in racing in Kentucky.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.280 prohibits any person from conducting a horse race meeting for any stake, purse, or reward within the Commonwealth without securing the required license from the Commission.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes by setting forth owner requirements that ensure and enhance the integrity of racing in Kentucky.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: In 2017, the Commission issued approximately 1300 licenses to horse trainers participating racing. This figure is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Horse trainers desiring to participate in racing in Kentucky will be required to obtain a license and adhere to the requirements of this administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): An annual thoroughbred trainer's license costs \$150.00.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Any costs incident to the issuance of licenses will be funded through the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This amendment does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

**810 KAR 5:001. Definitions.**

RELATES TO: 810 KAR Chapter 5

STATUTORY AUTHORITY: KRS 230.215, 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) grants the commission the authority to regulate conditions under which thoroughbred racing shall be conducted in Kentucky. KRS 230.260(8) grants the commission the authority to prescribe necessary and reasonable administrative regulations and conditions under which horse racing at a horse race meeting shall be conducted in this state. This administrative regulation defines the terms used in 810 KAR Chapter 5.

**Section 1. Definitions.**

(1) "Added money" means the amount of money, exclusive of trophy, added into a stakes race by an association, a sponsor, a state-bred program, or other fund, and which is in addition to stakes fees paid by subscribers.

(2) "Age" means the number of years since a horse was foaled, reckoned as if the horse was foaled on January 1 of the year in which the horse was foaled.

(3) "Also eligible" means in standardbred racing:

(a) An eligible horse, properly entered, which is not drawn for inclusion in a race, but which becomes eligible according to preference or lot if another horse is scratched prior to the scratch time deadline; or

(b) The next preferred nonqualifier for the finals, or consolation from a set of elimination trials, which becomes eligible if a finalist is scratched by the judges for a rule violation, or is otherwise eligible if written race conditions permit.

(4) "Appeal" means a request for the commission to investigate, consider, and review any decision or ruling of a steward or judge or official of a meeting.

(5) "ARCI" means the Association of Racing Commissioners International.

(6) "Association" is defined by KRS 230.210(1).

(7) "Claiming race" means a race in which ownership of a horse participating in the race may be transferred in conformity with 810 KAR 5:030.

(8) "Closing" means the time published by the association after which entries for a race will not be accepted by the racing secretary.

(9) "Coggins test" means a blood test used to determine if a horse is positive for Equine Infectious Anemia.

(10) "Commission" means:

(a) The Kentucky Horse Racing Commission (formerly known as the Kentucky Horse Racing Authority and defined in KRS 230.210(2)) if used in the context of the administrative agency governing horse racing and pari-mutuel wagering; and

(b) The amount an association is authorized to withhold from a pari-mutuel wager pursuant to KRS 230.3615, if used in the context of pari-mutuel wagering.

(11) "Condition race" means an overnight race in which eligibility is determined according to specified conditions, which may include the following:

(a) Age;

(b) Sex;

(c) Earnings;

(d) Number of starts; or

(e) Positions of finishes.

(12) "Conditions" means qualifications that determine a horse's eligibility to be entered in a race.

(13) "Coupled entry" means two (2) or more horses in a race that are treated as a single betting interest for pari-mutuel wagering purposes.

(14) "Dash" means in standardbred racing a race in a single trial or in a series of two (2) or three (3) races governed by one (1) entry fee for the series, in which a horse starts in all dashes with positions drawn for each dash and the number of purse distributions or payouts awarded does exceed the number of starters in the dash.

(15) "Day" means any twenty-four (24) hour period beginning at 12:01 a.m. and ending at midnight.

(16) "Declaration" means in standardbred racing the naming of a particular horse as a starter in a particular race.

(17) "Disqualification" means a ruling of the stewards, judges, or the commission revising the order of finish of a race.

(18) "Draw" means the process of determining post positions by lot.

(19) "Driver" means in standardbred racing a person who is licensed to drive a horse in a race.

(20) "Early closing race" means in standardbred racing a race for a definite amount of money in which entries close at least six (6) weeks prior to the race.

(21) "Electronic eligibility" means a computer-generated eligibility certificate that records a horse's racing statistics.

(22) "Elimination heat" means in standardbred racing an individual heat of a race in which the contestants qualify for a final heat.

(23) "Entry" means the act of nominating a horse for a race in conformance with Title 810 KAR.

(24) "Extended pari-mutuel meeting" means in standardbred racing a meeting or series of meetings, at which no agriculture fair is in progress, with an annual total of more than six (6) days duration and during which pari-mutuel wagering is permitted.

(25) "Field" or "mutuel field" means a single betting interest involving more than one (1) horse which is not a mutuel entry.

(26) "Forfeit" means money due by a licensee because of an error, fault, neglect of duty, breach of contract, or alternative ruling of the stewards, judges, or the commission.

(27) "Foul" means any action by any jockey or driver that tends to hinder another jockey or any horse in the proper running of the race.

(28) "Futurity" means in standardbred racing a stake in which the dam of the competing animal is nominated either when in foal or during the year of foaling.

(29) "Handicap" means in standardbred racing a race in which allowances are made according to a horse's:

(a) Age;

- (b) Sex;
- (c) Claiming price; or
- (d) Performance.

(30) "Horse" means any equine irrespective of age or sex designation and registered for racing with the applicable breed registry.

(31) "Ineligible" means a horse or person not qualified under Title 810 KAR or conditions of a race to participate in a specified racing activity.

(32) "In harness" means, in standardbred racing, that the performance will be to a sulky.

(33) "Judge" means a duly appointed racing official with powers and duties specified in 810 KAR 2:050 serving at a current meeting in the Commonwealth.

(34) "Late closing race" means in standardbred racing a race for a fixed amount of money in which entries close less than six (6) weeks but not more than three (3) days before the race is to be contested.

(35) "Lessee" means a licensed owner whose interest in a horse is a leasehold.

(36) "Licensed premises" means the location and physical plant described in response to question R of the "Commonwealth of Kentucky Initial/Renewal Application for License to Conduct Live Horse Racing, Simulcasting, and Pari-Mutuel Wagering" filed for racing to be conducted in the following year. Licensed premises may also include real property of an association, if the association receives approval from the commission for a new location at which live racing will be conducted.

(37) "Licensee" means an individual, firm, association, partnership, corporation, trustee, or legal representative that has been duly issued a currently valid license to participate in racing in the Commonwealth.

(38) "Meeting" means the entire period of consecutive days, exclusive of dark days, granted by the commission to a licensed association for the conduct of live horse racing. A meeting shall begin at 10 a.m. of the first racing day and extend through a period ending one (1) hour after the last scheduled race of the last day.

(39) "Month" means calendar month.

(40) "Mutuel entry" means a single betting interest involving two (2) or more horses entered in the same race and joined for pari-mutuel purposes because of common ties as to ownership or training so that a wager on one (1) horse joined in a mutuel entry is a wager on all horses joined in the same mutuel entry.

(41) "Nomination" means a subscription or entry of a horse in a stakes or early closing race.

(42) "Nominator" means the person in whose name a horse is entered for a stakes race.

(43) "Objection" means a verbal claim of foul in a race lodged by the horse's jockey, driver, trainer, or owner before the race is declared official.

(44) "Official time" means the elapsed time from the moment the first horse crosses the timing beam until the first horse crosses the finish line.

(45) "Overnight race" means a contest for which entries close at a time set by the racing secretary.

(46) "Owner" means any person who holds, in whole or in part, any right, title, or interest in a horse, or any lessee of a horse, who has been duly issued a currently valid owner's license as a person responsible for the horse.

(47) "Pari-mutuel wagering," "mutuel wagering", or "pari-mutuel system of wagering" each means a system or method of wagering approved by the commission in which patrons are wagering among themselves and not against the association and amounts wagered are placed in one (1) or more designated wagering pools and the net pool is returned to the winning patrons.

(48) "Patron" means an individual present at a track or a simulcast facility who observes or wagers on a live or historical horse race.

(49) "Post" means the starting point of a race.

(50) "Post position" means the relative place assigned to each horse, numbered from the inner rail across the track at the starting line, from which each horse is to start a race.

(51) "Post time" means the advertised moment scheduled for

the arrival of all horses at the starting point for a race.

(52) "Protest" means a written objection charging that a horse is ineligible to race, alleging improper entry procedures, or citing any act of an owner, trainer, driver, or official prohibited by rules which, if true, would exclude that horse or driver from racing.

(53) "Purse" means the gross cash portion of the prize for which a race is run.

(54) "Purse race" means any race for which entries close at a time designated by the racing secretary, and for which owners of horses entered are not required by its conditions to contribute money toward its purse.

(55) "Race" means a running contest between horses, ridden by jockeys or driven by drivers at a recognized meeting, during regular racing hours, for a prize.

(56) "Race day" means any period of twenty-four (24) hours beginning at 12:01 a.m. and ending at midnight in which live racing is conducted by an association.

(57) "Racing official" means a racing commission member, commission staff, as duties require, and all association racing department employees, as duties require.

(58) "Registration certificate" means the document, racing permit, or virtual certificate issued by the appropriate breed registry identifying the horse for racing.

(59) "Result" means the part of the official order of finish in a race used to determine the pari-mutuel payoff of pools.

(60) "Rulings" means all determinations, decisions, or orders of the stewards or of the commission duly issued in writing and posted.

(61) "Scratch" means the withdrawal of a horse entered for a race after the time of closing of entries for the race in conformance with Title 810 KAR.

(62) "Scratch time" means the time set by the racing secretary as a deadline for horsemen to indicate their desire to scratch out of a race.

(63) "Simulcasting" is defined by KRS 230.210(11).

(64) "Stable name" means in standardbred racing a name used other than the actual legal name of an owner or lessee and which has been registered with the United States Trotting Association.

(65) "Stake" means in standardbred racing a race which will be contested in a year subsequent to its closing in which the money given by the association conducting the race is added to the money contributed by the nominators, all of which except deductions for breeders or nominator's awards belongs to the winner or winners, and in which, except as provided in 810 KAR 5:050, Section 6, all of the money contributed by the nominators belongs to the winner or winners.

(66) "Stakes" mean all fees paid by subscribers to an added-money or stakes race for nominating, eligibility, entrance, or starting, as may be required by the conditions of the race, with the fees to be included in the purse.

(67) "Starter" means either:

(a) An official who dispatches the horses from the starting gate; or

(b) A horse in a race when the starting gate doors open in front of it at the moment the starter dispatches the horses for the race.

(68) "Subscription" means nomination or entry of a horse in a stakes race.

(69) "Sulky" means a dual-wheel racing vehicle with dual shafts not exceeding the height of the horse's withers.

(70) "Suspended" means withdrawal by the steward or commission of racing privileges.

(71) "USTA" means the United States Trotting Association.

(72) "Year" means twelve (12) consecutive months beginning with January and ending with December.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes definitions for terms used in 810 KAR Chapter 5.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to ensure that various terms used in 810 KAR Chapter 5 are defined properly and precisely.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This regulation sets forth defined terms that are used in the regulations in 810 KAR Chapter 5.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation fulfills the Commission's statutory mandate to prescribe the conditions under which horse racing is conducted in the Commonwealth by defining terms used in 810 KAR Chapter 5.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's licensed race tracks and all individual licensed participants in horse racing are potentially affected by this administrative regulation's establishment of definitions pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Licensed racing associations and individual participants in horse racing will be required to adhere to the requirements and rules set forth in the regulations in KAR Title 810 pertaining to horse racing. This administrative regulation defines terms that appear in 810 KAR Chapter 5.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.260.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

#### 810 KAR 5:010. Registration and identification of horses.

RELATES TO: KRS 230.215(2), 230.260(1), (7), (2)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. This administrative regulation establishes requirements concerning the registration, ownership, and identification of horses, and the furnishing of information about standardbred horses.

Section 1. Registration. All matters relating to registration of standardbred horses shall be governed by the rules of the United States Trotting Association.

Section 2. Bona Fide Owner or Lessee. A horse shall race in the name of:

- (a) The bona fide owner; or
- (b) The lessee, and a copy of the lease shall be recorded with the judges before the horse is permitted to race.

Section 3. Program Information.

(1) A printed program shall be available to the public at any meeting in which horses are raced for purse money. A program shall furnish at a minimum:

- (a) Horse's name and sex;
- (b) Color and age;
- (c) Sire and dam;
- (d) Owner's name; and
- (e) Driver's name and colors.

(2) At extended pari-mutuel meetings, the program shall also furnish:

(a) In claiming races, the price for which the horse is entered to be claimed;

(b) At least two (2) accurate performance chart lines. An accurate performance chart line shall include:

1. Date of race;
2. Place of race;
3. Size of track, if other than a half-mile track;
4. Symbol for free-legged pacers;
5. Symbol for hobbled trotters;
6. Track condition;
7. Type of race;
8. Distance;
9. Fractional times of the leading horse including race time;
10. Post position;
11. Position of:
  - a. One-quarter (1/4);
  - b. One-half (1/2);
  - c. Three-quarters (3/4);
  - d. Stretch with lengths behind leader; and
  - e. Finish with lengths behind leader;
12. Individual time of the horse;
13. Closing dollar odds;
14. Name of the driver; and
15. Names of the horses placed first, second, and third by the judges. The standard symbols for breaks and park-outs shall be used, if applicable;

(c) Information indicating drivers racing with a provisional license;

- (d) Information indicating pacers racing without hobbles;
- (e) Information indicating trotters racing with hobbles;

(f) For the current and preceding year, a summary of starts in purse races, earnings, and best win time. A horse's best win time may be earned in either a purse or non-purse race;

(g) The name of the trainer and stable, if applicable; and

(h) The date, place, time, driver, finish, track condition, and distance on the consolidated line, if the race is not one (1) mile.

(3) All horses drawn into an early closer, a late closer, stake, or futurity shall be listed in the official program.

Section 4. Check on Identity of Horse. An association official or member of the commission, or their respective agents, may request information concerning the identity and eligibility of a horse on the grounds of a track, and may examine that horse for the purpose of establishing the horse's identity or eligibility. If the

owner or party controlling that horse refuses to supply the information or to allow an examination, or fails to give satisfactory identification, the horse and the owner or party shall be barred and suspended or expelled.

Section 5. Identification Requirements. A horse shall not start at an extended pari-mutuel meeting if the horse has not:

- (1) Been tattooed,
- (2) Been freeze branded; or
- (3) Received an electronic horse identification microchip which:
  - (a) Accurately identifies the horse; and
  - (b) Complies with the international standard ISO 11784:1996/Amd 1:2004.

Section 6. False Chart Lines. An official, clerk, or person who enters a chart line on an electronic eligibility certificate if the race has not been charted by a licensed charter shall be in violation of this administrative regulation.

Section 7. Withholding Registration. A person withholding a registration certificate from the owner or lessee of a horse, after proper demand has been made for the return thereof, shall be suspended until the certificate is returned.

Section 8. Incorporation by Reference.

(1) "ISO 11784, Radiofrequency identification of animals," 1996/Amd 1:2004, is incorporated by reference.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes requirements for the registration and identification of horses in standardbred racing, as well as program information.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide clear rules concerning the registration and identification of horses and the provision by racing association of accurate information concerning horses in racing programs.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. This administrative regulation prescribes rules concerning horse registration and identification, program information, and conditions under which the horses will become eligible to race in particular standardbred races.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation fulfills the Commission's statutory mandate to prescribe the conditions under which horse racing is conducted in the Commonwealth by establishing requirements concerning the registration and identification of horses and program information.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's two licensed standardbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners and trainers, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the registration and identification of horses and program information in standardbred racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied

because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

##### 810 KAR 5:020 Eligibility and classification.

RELATES TO: KRS 230.215, 230.260

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. This administrative regulation establishes requirements for the eligibility and classification of horses for races and medical tests required.

##### Section 1. Electronic Eligibility.

(1) A horse shall not be permitted to start in any betting or non-betting race, qualifying race, time trial, or official workout without first securing an electronic eligibility certificate.

(2) The race secretary shall check each electronic eligibility certificate to certify each horse's eligibility to a race.

Section 2. Racing Season and Recorded Winnings. For purposes of eligibility, a racing season or racing year shall be the calendar year.

Section 3. Sale or Lease during Eligibility Year. If a horse is sold or leased after an electronic eligibility certificate is issued for the current year, the seller or the authorized agent of the seller shall endorse the transfer of the eligibility certificate to the new owner or lessee. The transfer shall be effective upon electronic transfer of the electronic registration certificate by the clerk of the

course. Any sale or lease of a horse shall be recorded with the United States Trotting Association.

Section 4. Leased Horses. A horse on lease shall race in the name of the lessee. An electronic eligibility certificate shall not be issued to a horse under lease unless a copy of the lease is filed with the association. For purposes of issuance of electronic eligibility certificates or transfers of ownership, or both, a lease for an indefinite term shall be considered terminable at the will of either party unless extended or reduced to a term certain by written documentation executed by both the lessor and lessee.

Section 5. Correction of Electronic Eligibility Certificate. A correction of an electronic eligibility certificate shall be made only by a representative of the United States Trotting Association or a licensed official.

Section 6. Tampering with Electronic Eligibility Certificates. A person who tampers with an electronic eligibility certificate shall be charged with a violation pursuant to 810 KAR 8:030.

Section 7. Denial of Electronic Eligibility Certificate. An eligibility certificate may be denied to any person who fails to comply with Title 810 KAR and the provisions of KRS Chapter 230 relating to harness racing.

Section 8. Time Bars. A time record or bar shall not be used as an element of eligibility.

Section 9. Conflicting Conditions. If there are conflicting published conditions and neither is withdrawn by the association, the conditions more favorable to the nominator shall govern.

Section 10. (1) Standards for Overnight Events. The racing secretary shall prescribe standards to determine whether a horse is qualified to race in overnight events at a meeting. The standards shall be posted where declarations are made and shall be printed on all condition and qualifying sheets.

(2) If time standards are established at a meeting for both trotters and pacers, trotters shall be given a minimum of two (2) seconds allowance in relation to pacers.

Section 11. Posting of Overnight Conditions.

(1) At meetings other than extended pari-mutuel meetings, conditions for overnight events shall be posted at least eighteen (18) hours before entries close.

(2) At extended pari-mutuel meetings where races are held five (5) or more days per week, condition sheets shall be prepared. A condition sheet containing at least three (3) days racing programs shall be publicly available at least (3) days prior to entries being taken on any race program contained in the condition sheet. Conditions shall be clearly stated in all condition sheets and shall not state that conditions are TBA (To Be Announced).

(3) The race secretary shall forward copies of each condition book and overnight sheet to the presiding judge as soon as they are available to the public.

Section 12. Types of Races to be Offered.

(1) A racing program shall offer exclusively the following types of races:

- (a) Stakes and futurities;
  - (b) Early closing and late closing events;
  - (c) Condition races;
  - (d) Claiming races; and
  - (e) Preferred races limited to the fastest horses at the meeting.
- (2) Preferred races may be free-for-all races or invitations.

(3) A two (2) year old or three (3) year old horse shall not be eligible to be placed on the preferred or invitational list to race against older horses until it has won at least seven (7) races, unless requested by the owner or authorized agent and approved by the race secretary. The owner or authorized agent may withdraw the request at his or her discretion.

Section 13. Limitation on Conditions. A condition shall not be written so as to deprive a horse of an opportunity to race in normal preference cycles. More than three (3) also eligible conditions shall not be used in writing the conditions of an overnight event.

Section 14. Dashes and Heats. A dash or heat shall be considered a separate race for the purposes of conditioned racing.

Section 15. Selection or Drawing of Horses. For any overnight event, each starter and also eligible shall be drawn by lot from those properly declared in, except that a race secretary shall establish a preference system for races as provided in 810 KAR 5:060, Section 24. However, if necessary to fill a card, a maximum of one (1) race per day shall be divided into a maximum of two (2) divisions after preference has been applied. The divisions shall be selected by the racing secretary. For all other overnight races that day that are divided, the division shall be by lot unless the conditions provide for a division based on performance, earnings, sex, or claiming price.

Section 16. Rejection of Declaration Based Upon Past Performance. The racing secretary may reject the declaration on any horse whose past performance information falls below the competitive level of other horses declared.

Section 17. Substitute and Divided Races.

(1) Substitute races may be provided for each day's program and shall be so designated. A substitute race or a race divided into two (2) divisions shall be used only if regularly scheduled races fail to fill.

(2) If a race fills, it may be carried over one (1) day with the permission of the presiding judge.

Section 18. Qualifying Races. A horse that qualifies in a qualifying race shall not be deprived of its right to start in any race.

Section 19. Equine Infectious Anemia.

(1) A horse that has been determined, by means of a "Coggins test" administered by an approved laboratory, to be infected with or a carrier of equine infectious anemia shall not be permitted to race or be stabled at a licensed track.

(2) A horse shall not be permitted to enter or remain upon the grounds of any association where race meetings are conducted at any time unless a certificate is presented to an association representative certifying that the horse has been given a "Coggins test" during the past twelve (12) months, and that the result of the test was negative. The certificate shall properly identify the horse by tattoo number, freeze brand, or other commission-approved means of identification.

(3) A horse shall not start in a race unless a negative "Coggins" test written certificate for that horse is furnished to the race secretary, as required by subsection (2) of this section.

(4) An electronic eligibility certificate shall not be issued for a horse for which a positive "Coggins Test" has been reported. If an electronic eligibility certificate is issued for a horse that is later determined to be infected with, or to be a carrier of, equine infectious anemia, the presiding judge shall immediately notify the United States Trotting Association.

(New Administrative Regulation)**

**810 KAR 5:030. Claiming races.**

RELATES TO: KRS 230.215, 230.260(1)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(3)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(3) authorize the commission to regulate conditions under which harness racing shall be conducted in Kentucky. This administrative regulation establishes the requirements for claiming races.

Section 1. (1) A horse entered in a claiming race may be claimed for its entered price by:

(a) A licensed horse owner who has a horse programmed to start in a pari-mutuel race at that meeting;

(b) A licensed horse owner who has received a claim certificate from the commission; or

(c) A person who has qualified for a license as a horse owner and who has received a claim certificate from the commission.

(2) Upon filing a completed signed Authorized Agent form (KHRC 2-060-01) with the judges, an authorized agent may claim for a qualified owner in his own right, but only for the account of the person for whom he is agent.

(3) To qualify for a license as an owner, the applicant shall have a current United States Trotting Association or Standardbred Canada membership as an owner or membership as an associate-member.

(4) A person shall not knowingly effect a false claim by inducing another to claim a horse for him or her.

Section 2. Prohibitions.

(1) A person shall not claim his or her own horse and shall not claim a horse trained or driven by him or her.

(2) A person shall not claim more than one (1) horse in a race.

(3) A qualified owner or the owner's agent shall not claim a horse for another person.

(4) An owner shall not cause his or her horse to be claimed directly or indirectly for his or her own account.

(5) A person shall not offer, or enter into an agreement, to claim or not to claim or attempt to prevent another person from claiming any horse in a claiming race.

(6) A person shall not enter a horse that has a mortgage, bill of sale, or lien of any kind pending, unless the written consent of the holder is filed with the clerk of the course of the association conducting that claiming race.

(7) (a) A person shall not have more than one (1) claim on any one (1) horse in any claiming race.

(b) Owners utilizing the same trainer may claim different horses from the same race. The trainer shall not act on behalf of either owner if the trainer has more than one (1) horse in the same race.

Section 3. Claiming Procedure. (1) Owner's credit.

(a) A person submitting a claim shall provide to the association:

1. Proof of possession of a valid license issued by the commission for the current year;

2. An amount equivalent to the specified claiming price plus the existing Kentucky sales tax as authorized by KRS 139.531(c); and

3. The United States Trotting Association fee for transfer of registration.

(b) By accepting the claim, the association assumes responsibility for and shall make payment to the owner of the horse claimed.

(c) The money due for a claimed horse shall be paid to the owner of the claimed horse within forty-eight (48) hours after the end of the race (Sundays excepted) by the association, if the horse has a current test complying with subsection (14) of this section and if a signed claiming authorization and proper registration papers are provided to the clerk of the course.

(3) The claiming price shall be printed on the program and all claims shall be for the amount so designated and any horse entered in a claiming race may be claimed for the designated amount.

(4) A claim shall be in writing, sealed and deposited at least thirty (30) minutes before the time originally scheduled for the race to begin in a locked box or designated location provided for this purpose by the commission.

(5) The claim shall be examined by the judges or their designee prior to the start of the race. The association's designee shall be prepared to state whether sufficient funds are on deposit in the amount equivalent to the specified claiming price and any other required fees and taxes. The judges shall have a public announcement made and information scrolled on the simulcast video stating there has been a claim made or, in the case of multiple claims, the number of claims made on a horse during the post parade. The successful claimant will be announced after the completion of the race.

(5) An official shall not open the claim box or give any information on claims filed until after the horses leave the paddock for the post parade.

(6) If more than one (1) claim is filed for the same horse, the owner shall be determined by lot by the judges.

(7) A horse claimed shall be delivered immediately by the original owner or his or her trainer to the successful claimant upon authorization of the judges after the post-race tests are finished; and:

(a) The horse's halter shall accompany the horse;

(b) The horse's shoes shall not be altered or removed; and

(c) The hobble measurements of a claimed horse shall be made available to the successful claimant by the paddock judge.

(8) An owner shall not refuse to deliver a horse legally claimed out of a claiming race.

(9)(a) A horse claimed shall race in all heats or dashes of the event in the interest and for the account of the owner who declared it in the event.

(b) Title to the claimed horse shall be vested in the successful claimant from the time the word "go" is given in the first heat or dash.

(c) The judges shall void the claim and return the horse to the original owner if:

1. The horse suffers a fatality during the running of the race or dies or is euthanized before leaving the track; or

2. The commission veterinarian determines the horse will be placed on the Veterinarian's List as bled, unsound, or lame before the horse is released to the successful claimant.

(d) The judges shall not void the claim if, prior to the race in which the horse is claimed, the claimant indicates on the claim envelope that he or she elects to claim the horse regardless of whether the commission veterinarian determines the horse will be placed on the Veterinarian's List as bled, unsound, or lame.

(e) The final vesting of title to a claimed horse shall be subject to the conditions and provisions set forth in this administrative regulation.

(10) (a) The judges may require any person making a claim for a horse to affirm by affidavit that the claimant is claiming the horse for his or her own account or as authorized agent and not for any other person.

(b) A person shall not knowingly make a false statement regarding the claiming process.

(11) (a) A claimed horse may start in a race in which the claiming price is less than the price at which the horse was claimed.

(b) If a horse is claimed, a right, title, or interest in that horse shall not be sold or transferred except in a claiming race for a period of thirty (30) days following the date of claiming.

(c) A claimed horse shall be required to race at the association where claimed for a period of thirty (30) days or the balance of the current racing meeting, whichever occurs first.

(12) A horse that has been claimed shall not be eligible to start in a race in the name or interest of the previous owner for thirty (30) days. The horse shall not remain in the same stable, or under the care or management of the first owner or trainer, or anyone

connected with the previous owner unless reclaimed out of another claiming race.

(13) A horse scratched from a claiming race shall not be eligible to be claimed.

(a) If a horse drawn to start in a claiming race is claimed and has been declared to start in a subsequent race, that horse shall be scratched from that race.

(b) For a period of thirty (30) days, a horse scratched from a claiming race and then entered in a subsequent race (regardless of classification) shall not be eligible to be claimed at any association licensed by the commission for the same claiming price the horse was carrying in the race from which it was scratched, except scratches that were due to and verified as race office errors. The claiming price must be listed in the program where normal claiming prices are carried and announcement of the right to claim is made by the track announcer and scrolled on the simulcast provider.

(14)(a) A claimed horse not otherwise selected by the judges for post-race testing shall be subjected to post-race testing in blood for the presence of substances regulated by 810 KAR Chapter 8. The results of the test shall be reported to the presiding judge.

(b) If a test is positive for a substance associated with a Class A, B, or C penalty, or for a TCO2 violation, the claim may be voided at the option of the claimant and the claimant shall be entitled to return of all sums paid for the claimed horse and of all expenses incurred after the date of the claim.

(c) While awaiting test results, a claimant:

1. Shall exercise due care in maintaining and boarding a claimed horse; and

2. Shall not materially alter a claimed horse.

(d) An Equine Infectious Anemia (Coggins) test shall not be required of a horse that has been claimed if that horse has a valid certificate stating that within twelve (12) months of the day of the claim the horse has received a Coggins test and is negative for Equine Infectious Anemia. The certificate shall contain the horse's lip tattoo number or a uniform or standardized means of identification approved by the commission.

(15) (a) A filly or mare that has been bred shall not be declared into a claiming race for at least forty-five (45) days following the last breeding of the filly or mare. Following that period, a filly or mare that has been bred shall be declared into a claiming race only after a veterinarian has pronounced the filly or mare not to be in foal.

(b) A filly or mare pronounced in foal shall not be declared into a claiming race.

(c) If a filly or mare is claimed out of a claiming race and subsequently proves to be in foal from a breeding that occurred prior to the race from which she was claimed, the claim may be voided by the judges at the option of the claimant, if the mare is subjected to a pregnancy examination no later than twenty-one (21) days after the date of the claim, and is found to be pregnant as a result of that pregnancy examination.

(d) 1. A claimant seeking to void the claim shall file a petition to void that claim with the judges within three (3) days after the results of the pregnancy examination are received. Following the filing of the petition, the judges shall conduct a hearing after due notice to all parties.

2. If the judges determine that the claim is void, the claimant shall receive a reasonable cost from the previous owner to cover the cost of the pregnancy examination and reimbursement from the previous owner of all reasonable costs associated with the claiming process and the post-race test, including the costs of transportation, board, reasonable training fees, and the testing process.

Section 4. In accordance with Section 3(1)(b) of this administrative regulation, the association shall pay the claiming price to the owner at the time the registration certificate and a signed claiming authorization are delivered for presentation to the successful claimant and shall withhold and pay the Kentucky sales tax to the Commonwealth pursuant to KRS 139.531(c).

Section 5. Claiming Conditions.

(1) Unless prior approval is given by the presiding judge,

claiming races shall be written to separate horses five (5) years and older from younger horses and to separate males from females.

(2) (a) If sexes are mixed, mares shall be given a twenty (20) percent minimum price allowance, except there shall be no price allowance given to a spayed mare racing in a claiming race.

(b) An allowance for age shall be given as follows:

1. Two (2) year olds shall be given a 100 percent allowance;

2. Three (3) year olds shall be given a fifty (50) percent allowance; and

3. Four (4) year olds shall be given a twenty-five (25) percent allowance.

(c) Claiming races for two (2) year olds may have conditions.

(d) Claiming races for three (3) year olds may have conditions.

(e) A claiming class may have conditions, if deemed necessary by the racing secretary and approved by the judges.

Section 6. Except as provided in 810 KAR 5:020, Section 20, a horse owner shall not be prohibited from determining the price for which his horse shall be entered.

Section 7. To facilitate transfer of claimed horses, the presiding judge or racing secretary may sign the transfer if he or she then sends the registration certificate and claiming authorization to the registrar for transfer.

Section 8. Fraudulent Claim.

(1) No person shall fraudulently declare a horse to a claiming race. If the judges determine that the declaration of a horse to a claiming race is fraudulent on the part of the declarer, they shall void the claim at the option of the claimant, and order the horse returned to the person declaring it in.

(2) No person shall submit a fraudulent claim on a horse in a claiming race. If the judges determine that a claim of a horse is fraudulent on the part of the person making the claim, they shall void the claim at the option of the person declaring it in, and return the horse to the person declaring it in.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the rules concerning claiming races in standardbred racing.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific rules concerning claiming races in standardbred racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions relating to claiming races in standardbred racing.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth requirements and rules concerning claiming races in standardbred racing that enhance the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's two licensed Standardbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and drivers, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to claiming races in standardbred racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this amendment.

(b) On a continuing basis: There is no continuing cost to implement this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This amendment does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated

entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

#### 810 KAR 5:040. Farm, corporate, or stable name.

RELATES TO: KRS 230.215, 230.310

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(3)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(3) authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. This administrative regulation establishes requirements for the licensing of racing stables under the stable name and disclosure of ownership.

Section 1. (1) Registration Required. A racing, farm, corporate, or stable name may be used by an owner or lessee if registered with:

- (a) The U.S. Trotting Association; and
- (b) The commission.

(2) A person shall provide his or her name to the commission if he or she has:

- (a) An interest in the stable; or
- (b) Intends to utilize its name.

(3) A person listed in a registered stable racing a horse shall have a license issued by the Kentucky Horse Racing Commission. An owner and any person listed in a registered stable shall be liable for entry fees and penalties imposed upon the registered stable.

Section 2. Suspension. If one (1) of the owners or persons

listed in a registered stable is suspended, all of the horses in that stable shall be included in the suspension.

### Section 3. Corporate and Limited Partnership Ownership.

(1) (a) If a horse is owned by a corporation, the corporation and any officer, director, or stockholder owning five (5) percent or more of the stock shall be licensed by the United States Trotting Association and the commission.

(b) A stockholder owning less than five (5) percent of the stock shall be reported monthly by the corporation to the commission, but shall not be required to be licensed by the commission. The information to be reported shall include names and amount of stock owned, address, Social Security number, and date of birth.

(2) (a) If a horse is owned by a limited partnership, the general partner and all limited partners owning an interest of five (5) percent or more shall be licensed by the United States Trotting Association and the commission.

(b) A limited partner owning less than a five (5) percent interest shall be reported monthly to the commission and the required information shall include names and interests owned, address, Social Security number, and date of birth. A limited partner owning less than a five (5) percent interest shall not be required to be licensed by the commission.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 5:050. Stakes and futurities.**

RELATES TO: KRS 230.215, 230.260(1)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(3)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(3) authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. This administrative regulation establishes requirements for stakes and futurities.

Section 1. (1) Application. A stake or futurity sponsor or presenter shall submit an annual application to the commission for approval not less than 120 days prior to taking payments. The application shall contain:

(a) Satisfactory evidence that purse money is available;

(b) Proposed conditions;

(c) Sums to be deducted for organization or promotion; and

(d) An agreement to file with the commission a surety bond in the amount of the advertised purse, conditioned on faithful performance of the conditions, including guarantees that:

1. The stake or futurity will be raced as advertised unless:

a. Unanimous consent is obtained from owners of eligibles to transfer or change the date of the race; or

b. Prevented by a natural disaster or conditions beyond the control of the sponsor; and

2. Ensure the segregation of funds and an assurance that the sponsor or presenter shall make all payments.

3. If the association furnishes evidence of the availability of funds to conduct the race in a manner satisfactory to the commission, that evidence may be accepted in lieu of surety bond.

(2) Waiver of bond. The requirement to post a surety bond may be waived by the commission:

(a) Upon written request of a sponsor:

1. That is an association;

2. Whose financial statement shows a net worth of not less than five (5) times the amount of trust funds received from payments in stakes and futurities; and

3. Who furnishes a certified copy of the bank deposit in lieu of bond; or

(b) If bond is posted with the United States Trotting Association.

(3) Trust funds. Collections resulting from the forfeiture of a bond shall be paid to the contestants according to the order of finish, or if the race is not contested, shall be divided equally among owners or eligibles on the date the breach of conditions occurs.

(4) Appeal of application rejection. An applicant may appeal the rejection of an application to the commission by registered mail within twenty (20) days after the mailing of the notice of rejection. The appeal shall be in writing to the executive director.

(5) Receipt of printed conditions. The commission must receive printed conditions of all stakes and futurities by their closing dates.

(6) Conflicting conditions. Stakes and futurities conditions which conflict with KRS Chapter 230 or Title 810 KAR shall be refused.

(7) A sponsor or presenter shall:

(a) Provide or make available to the commission a list of nominations within sixty (60) days after the date of closing.

(b) Furnish to the commission, by January 15th of each year, a financial statement for the preceding year and, within thirty (30) days following the day of the race, a final financial statement;

(c) Notify all nominators and the commission within twenty (20) days of closing if the stake or futurity does not fill;

(d) Provide or make available to the commission, within twenty (20) days of closing, a complete list of all horses remaining eligible, segregated by age, sex, and gait.

(e) Provide or make available, within twenty (20) days following the last payment before the starting fee, a complete list of all horses remaining eligible, segregated by age, sex, and gait, to the owners or agents of all eligibles and to the commission, together with a list of any nominations transferred or substituted if permitted by the conditions. The list of eligibles shall include a resume indicating the current financial status of the stake and futurity, or of each individual division if there is more than one (1) division, by listing the number of horses remaining eligible, the amount of money that has been paid in, and the amount to be added. The purse shall constitute this amount plus starting fees, if any;

(f) Set the nominating date and the dates for sustaining payments (except the starting fee) for the 15th day of the month. There shall be no payments on yearlings except a nomination payment which shall be due not later than August 15. Before receiving any sustaining payments during the year the race is to be contested, the date and place of the race shall be stated. A stake or futurity sustaining fee shall not be due prior to February 15 of any year. There shall be no conditions that require payments in stakes or futurities after August 15 and before February 15 of the following year. The date for closing of the nominations of yearlings to stakes shall be May 15 and the date for closing of the nominations to futurities shall be July 15. There shall be a maximum of one (1) sustaining payment on two (2) year olds in stakes and futurities that do not have a two (2) year old division; and

(g) Advertise the week and place, if possible, that the stake or futurity will be raced before taking nominations. If either the week or place, or both, cannot be announced before taking nominations, that information shall be furnished as soon as the stake or futurity is sold or awarded.

(8) Estimated purse. An estimated purse shall not be advertised or published in excess of the actual purse paid or distributed during the previous year, unless increased by guaranteed added money. A stake or futurity shall not be raced for less than seventy-five (75) percent of the average estimated purse.

Section 2. (1) If an event is not raced due to circumstances beyond the control of a nontrack operating sponsor, the sponsor shall not be required to contribute a sum as added money, but instead shall only refund such nominating, sustaining, and starting

fees as it has collected toward the canceled event.

(2) A stake or futurity shall not be approved for extended pari-mutuel meetings if the added money is not at least thirty (30) percent of the purse. For all other meetings at least ten (10) percent of the purse shall be added.

(3) If a stake or futurity is split into more than two (2) divisions, the conditions of the race shall determine the divisions of the purse.

Section 3. Failure to Make Payment. Failure to make any payment required by the conditions shall constitute an automatic withdrawal from the event.

Section 4. Refund of Nomination Fee. If a mare nominated to a futurity fails to have a live foal, the nominator shall receive a return on his or her payment if notification is given by December 1 of the year the mare failed to foal. If conditions permit, the nominator may substitute.

Section 5. A sponsor shall not pay monetary awards to nominators or breeders from stake or futurity funds.

Section 6. Deductions Prohibited. A deduction, voluntary or involuntary, shall not be made from any purse, stake, or futurity unless the conditions specifically so provide. If deductions are permitted, reasonable deductions may be made for clerical, printing, postage, and surety bond expenses specifically related to the purse, stake, or futurity.

Section 7. Unless otherwise specified in the conditions of a stake or futurity, the money division shall be:

(1) Five (5) or more starters: fifty (50) percent to the winning horse, twenty-five (25) percent to the horse that finishes second, twelve (12) percent to the horse that finishes third, eight (8) percent to the horse that finishes fourth, and five (5) percent to the horse that finished fifth;

(2) Four (4) starters only: fifty (50) percent to the winning horse, twenty-five (25) percent to the horse that finishes second, fifteen (15) percent to the horse that finish third, and ten (10) percent to the horse that finishes fourth;

(3) Three (3) starters only: fifty-five (55) percent to the winning horse, thirty (30) percent to the horse that finishes second, and fifteen (15) percent to the horse that finishes third; and

(4) Two (2) starters only: sixty-five (65) percent to the winning horse and thirty-five (35) percent to the horse that finishes second.

Individuals interested in being heard at this hearing shall notify the Kentucky Horse Racing Commission in writing by no later than five (5) working days prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation sets forth the rules for entering stakes races and futurity races (futures are races in which horses are entered while still a foal, and sometimes prior to birth). The regulation establishes rules concerning the payment of sustaining and nomination fees, and the division of purses.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific requirements and procedures for entry into stakes and futurity races.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This rule prescribes conditions under which the stake and futurity review and approved.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation fulfills the Commission's statutory mandate to prescribe the conditions under which horse racing is conducted in the Commonwealth by establishing a comprehensive set of rules governing the selection of horses for entry into standardbred stakes and futurity races.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's two licensed standardbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners and trainers, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to entries and starters in standardbred racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

(7) Provide an assessment of whether an increase in fees or

funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### **PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)**

#### **810 KAR 5:060. Entries and starters.**

RELATES TO: KRS 230.215, 230.260(1)

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8)  
NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. This administrative regulation establishes requirements for entries.

##### **Section 1. Entries. An entry shall:**

(1) Be made in writing, by telephone, or electronically to the association racing secretary's office;

(2) Include the following information pertinent to the entry:

(a) The name of the horse;

(b) The name of the trainer;

(c) The name of the driver; and

(d) The class of the race into which the horse is to be entered; and

(3) Comply with the provisions of Section 20 of this

administrative regulation if the entry concerns an overnight event.

**Section 2. Payment of Entry Fee.** An entry fee shall be due and payable with declaration to start and shall not be refunded if the horse fails to start unless the horse dies between the time of declaration to start and the start of the race.

**Section 3. Receipt of Entries for Early Closing Events, Late Closing Events, Stakes and Futurities.**

(1) An entry that is not received prior to the hour of closing shall be ineligible.

(a) If an entry or payment in a stake, futurity, or early closing race is payable on a Sunday or a legal holiday that falls on Saturday, the payment shall be due on the following Monday, and if made by mail the envelope shall be postmarked on or before the following Tuesday.

(b) If a payment is due on a Monday that is a legal holiday, the payment is due on Tuesday, and if made by mail shall be postmarked on or before the following Wednesday.

(2) Postage meter. If an entry is received by letter bearing the postage meter date without a postmark, the postage meter date shall be considered to be a postmark if the letter is received within seven (7) days following the closing date of the event. A letter received later than seven (7) days following the closing date of the event shall not be considered a valid entry or payment.

**Section 4. Deviation from Published Conditions.** An entry and payment not governed by published conditions shall be void and any deviation from published conditions shall be a violation of this administrative regulation. A nominator who is allowed privileges not in accordance with the published conditions of the race, or which are in conflict with the published conditions or with Title 810 KAR, shall be barred from receiving any portion of the purse, and any person who knowingly allows the privileges shall be in violation of this administrative regulation.

##### **Section 5. (1) Ineligible Horse in a Stakes Race.**

(a) A nominator shall be required to guarantee the identity and eligibility of entries and declarations. If a nominator provides incorrect information, winnings shall be forfeited and redistributed to eligible entries and the person who provided the information shall be in violation of this administrative regulation.

(b) A person who obtains a purse or money through fraud or error, with the exception of paragraph (c) of this subsection, shall surrender or repay the proceeds upon demand. If the proceeds are not repaid upon demand, the horse that was the subject of the fraud or error, and all persons involved, shall be in violation of this administrative regulation and subject to suspension or revocation until repayment is made.

(c) If a horse is declared ineligible as a result of the negligence of the race secretary, the association shall reimburse the owner for the resultant loss of winnings.

(2) Ineligible horse drawn into overnight race. The trainer shall be responsible for entering the horse in the race for which it is eligible.

**Section 6. Transfer of Ineligible Horse.** A horse entered in an event for which it is not eligible may be transferred to any event for which it is eligible at the same gain.

**Section 7. Withholding Purse on Ineligible Horse.** An association shall withhold the purse of a horse, with or without a formal protest, if the association receives information that the entry or declaration was fraudulent or ineligible.

**Section 8. Agreement to Race Under Rule.** An entry shall constitute an agreement that the horse to be entered and all persons associated with or having control of the horse shall abide by Title 810 KAR.

##### **Section 9. Early Closing Events and Late Closing Races.**

(1) Date and place. The sponsor shall state the place and date the event will be raced and no change in date, program, events, or

conditions shall be made after the nominations have been taken without the written consent of the owners or trainers of all horses eligible at the time the conditions are changed.

(2) Filing conditions. An entry blank shall be filed with the commission.

(3) Payments shall be made on or before the 15th day of the month. Nominations and payments other than starting fees in early closing events shall be advertised to be received on the 15th day of the month.

(4) List of nominations. A complete list of nominations to any late closing race or early closing event shall be made available within twenty (20) days after the date of closing to each nominator and the commission.

(5) Procedure if event does not fill. If the event does not fill, each nominator and the commission shall be notified within ten (10) days and refund of nomination fees shall accompany the notice.

(6) Transfer provisions for change of gait.

(a) The following conditions shall govern transfers if there is a change of gait, unless the association makes available to the commission, at least thirty (30) days prior to the first publication, its early closing conditions and receives the approval of the commission for those conditions:

1. If a condition published for early closing events allows transfer for change of gait, the transfer shall be to the slowest class for which the horse is eligible, and eligibility shall be determined at time of closing of entries.

2. The race to which transfer may be made shall be the race nearest in time to the date of the event for which the horse was originally entered.

(b) A two (2) year old, three (3) year old, or four (4) year old entered in a class that corresponds to its age group shall be permitted to transfer only to a class for the same age group at the adopted gait, and shall be the race nearest in time to the date of the original event. If transfer is made, entry fees shall be so adjusted.

Section 10. Subsequent Payments; List of Eligibles. If subsequent payments are required by the published conditions, a complete list of those horses withdrawn or declared out shall be made within fifteen (15) days after the payment was due and the list has been made available to each nominator and the commission.

Section 11. Trust Funds. Fees paid in early closing events shall be segregated and held as trust funds until the event is contested.

Section 12. Early Closing Events by New Track. An early closing event at a pari-mutuel meeting shall not be advertised, nor shall nominations be taken for an early closing event, until the event has been approved by the commission. An association accepting nominations to early closing races, late closing races, stakes, or futurities shall provide stable space to a horse nominated and eligible to the event the day before, the day of, and the day after the race.

Section 13. Limitation on Conditions. Conditions of an early closing event or a late closing race shall not add a horse that has not been nominated to an event or eliminate an already nominated horse from an event by reason of the performance of the horse at an earlier meeting during the same season, and conditions purporting to do so shall be considered to be invalid. An early closing event or a late closing event shall not have more than two (2) also eligible conditions.

Section 14. Purse Requirements. In early closing races, late closing races, and overnight races requiring entry fees, all monies paid in by the nominators in excess of eighty-five (85) percent of the advertised purse shall be added to the advertised purse and the total shall then be considered to be the advertised purse. In addition to adding excess entry fees as provided in this section, the sponsor shall add at least fifteen (15) percent to the advertised

purse of late closing races and overnight races. Fifteen (15) percent of all monies paid in by the nominators shall be added to all early closing races by the sponsor.

#### Section 15. Requirement to Run Race.

(1) An association shall specify how many entries are required for overnight events and, after the condition is fulfilled, the race shall be run unless declared off as provided in 810 KAR 5:070.

(2) If six (6) or more betting interests are declared in to start an early closing event or a late closing event, the race shall be run, unless it is declared off. Stakes and futurities shall be raced if one (1) or more horses are declared in to start unless declared off as provided in 810 KAR 5:070.

(3) In an early closing event, if fewer horses are declared in than are required to start, and all declarers are immediately so notified, the horse or horses declared in and ready to race shall be entitled to the sum of the entry fees submitted.

#### Section 16. Elimination Heats or Two (2) Divisions

(1) If the number of horses declared in to start exceeds twelve (12) on a half-mile track or sixteen (16) on a larger track, the association conducting the race shall have the option, before positions are drawn, of announcing that the race shall be run in elimination heats. A maximum of two (2) tiers of horses, allowing eight (8) feet per horse, shall start in any race.

(2) If an early closing event or late closing event is divided, each division shall race for at least seventy-five (75) percent of the advertised purse unless otherwise specified in the conditions of the race.

(3) If a stake race or futurity is divided, the conditions of the race shall determine the number of starters per division and the purse distribution.

#### Section 17. Elimination Plans.

(1) If elimination heats are required, or are specified in the published conditions, the race shall be run in the following manner unless otherwise stated in the conditions or conducted under another section of this administrative regulation. The field shall be divided by lot, and:

(a) The first division shall race a qualifying dash for thirty (30) percent of the purse;

(b) The second division shall race a qualifying dash for thirty (30) percent of the purse;

(c) The horses so qualified shall race in the main event for forty (40) percent of the purse; and

(d) The winner of the main event shall be the race winner.

(2) The judges shall draw the starting positions for the main event and shall determine which of the dash winners shall have the pole and which the second position, which of the two (2) horses that have been second shall start in third position, and which in fourth position, in similarly in succession, unless otherwise specified in the conditions of the race. An elimination dash and the concluding heat shall be programmed to be raced upon the same day or night, unless special provisions for earlier elimination dashes are set forth in the conditions.

(3) If there are three (3) or more separate heat or dash winners, those winners shall return for a single event race-off to determine the race winner. For that single event race-off, the participating horses shall be assigned post positions according to the order of their finish in the previous heat or dash.

Section 18. Overnight Events. More than nine (9) horses shall not start on a half-mile track in overnight events and more than twelve (12) horses shall not start on larger tracks at extended pari-mutuel meetings allowing eight (8) feet per horse.

Section 19. Elimination Race for Early Closing Event, Stake, or Futurity. If elimination races are provided for in the conditions of an early closing event, stake, or futurity, the elimination race shall be held not more than five (5) days prior to contesting the main event (excluding Sunday) and omitting the day of the race.

#### Section 20. Declaration.

(1) Extended pari-mutuel meetings. The declaration time shall be the time posted on the condition sheet.

(2) A horse shall not start in more than one (1) race on a racing day.

(3) The time when declarations close shall be the time in use at the meeting.

(4) The association shall provide an entry box with an aperture through which declarations shall be deposited.

(5) At the close of entries the presiding judge or the race secretary shall remove any entries in the box and sort the declarations at the time specified on the condition sheet.

(6) If it is necessary to reopen any race, a minimum of two (2) public announcements shall be made and the box shall be reopened at the announced time.

(7) In races of a duration of more than one (1) dash or heat at a pari-mutuel meeting, the judges may draw post positions from the stand for succeeding dashes or heats.

(8) Effect of failure to declare on time. If an association requires a horse to be declared at a stated time, failure to declare at that time shall be considered a withdrawal from the event.

(9) After declaration to start has been made, a horse shall be withdrawn only:

1. Because of sickness, lameness, injury, or hazardous track conditions; and

2. With the permission of the presiding judge.

(10) Horse omitted through error.

(a) Except as provided in this subsection, a drawing shall be final unless there is conclusive evidence that a horse was properly declared and omitted from the race and verified due to an error of the association's racing office.

(b) The race must be redrawn if the error is found prior to scratch time.

(c) If the race has multiple divisions, a horsemen's representative and a judge shall draw the division by lot rather than redraw the entire race.

(d) If there is a division or divisions with short fields, the division or divisions shall be chosen by lot to determine which division shall be drawn.

(e) If the error is found after scratch time, then the horse will be added to the outside.

Section 21. Qualifying Races. At an extended pari-mutuel meeting, declarations for overnight events shall be governed by the following:

(1) (a) Within forty-five (45) days of being declared in, a horse that has not raced previously at the gait chosen shall:

1. Complete a qualifying race in compliance with the conditions set forth by the association under the supervision of a judge holding a presiding or associate judge's license for pari-mutuel meetings; and

2. Acquire at least one (1) charted line by a licensed charter.

(b) Time and beaten lengths shall be determined by a standard photo finish.

(2) (a) The requirements of subsection (1) of this section shall apply to a horse that does not show a charted line for:

1. The previous season; or

2. Within its last six (6) starts.

(b) Uncharted races contested in a heat of more than one (1) dash, and consolidated according to subsection (4) of this section, shall be considered one (1) start.

(3) (a) The requirements of subsection (2) of this section shall not apply if a horse:

1. Has raced at a charted meeting during the current season; and

2. Has two (2) meetings at which the races are not charted.

(b) The information from the uncharted races may be:

1. Summarized, including each start; and

2. Consolidated in favor of charted lines.

(4) If the race is less than one (1) mile, the consolidated line shall list the carry date, place, time, driver, finish, track condition, and distance.

(5) (a) The judges shall require a horse that has been on the judge's list to successfully complete a qualifying race.

(b) If a horse has raced in individual time not meeting the qualifying standards for that class of horse, after making allowance for track variations, the horse shall be required to successfully complete a qualifying race.

(6) A horse shall be required to qualify in a qualifying race if it is on the judge's list for any of the following:

(a) Repeated breaks on a fast or good track;

(b) Scratched sick or lame in two (2) consecutive starts, scratched sick or lame following a qualifier or scratched sick or lame prior to or after a break line on a good or fast track;

(c) Refusing to come to the gate. Horses causing two (2) recalls shall be scratched and placed on the starter and qualifying list;

(d) Poor performance; or

(e) Being unmanageable.

(7) Qualifying races shall be:

(a) Held at least one (1) week prior to the opening of a meeting of ten (10) days or more; and

(b) Scheduled as needed through the last week of the meeting.

(8) (a) A race to qualify drivers and horses shall be charted, timed, and recorded.

(b) A race to qualify only drivers shall not be required to be charted, timed, and recorded.

(9) Except as provided in paragraph (b) of this subsection, if a horse takes a win record in a qualifying race, the record shall be prefaced with the letter "Q".

(b) 1. The record shall not be prefaced with the letter "Q" if, immediately prior to or following the race, the horse has been submitted to an approved urine, saliva, or blood test.

2. The presiding judge shall report the test on the judge's sheet.

(10) Before it is permitted to start in a race with pari-mutuel wagering, a horse must have a clean charted line within forty-five (45) days and meet the standards of the meeting.

(11) A horse shall not enter more than one (1) qualifying race per day.

#### Section 22. Coupled Entries.

(1) (a) Except as provided by the provisions of this section, two (2) or more horses shall be coupled as a single entry if they are:

1. Owned or trained by the same person; or

2. Trained in the same stable by the same management.

(b) A wager on one (1) of the horses coupled as an "entry" shall be a wager on all horses in the entry.

(2) (a) If a trainer enters two (2) or more horses, under bona fide separate ownerships or the same ownership, each horse may race as a separate betting entry if:

1. The association has requested they be permitted to race as separate betting entries; and

2. The judges approve the request.

(b) In overnight events the entries do not exclude any single interest.

(c) In overnight events, part of an uncoupled entry drawing also eligible may not be moved into a race to replace another part of the uncoupled entry.

(d) If more than one (1) horse is trained by the same person, that fact shall be stated prominently in the program.

(e) The judges may place both horses in an uncoupled entry if the judges deem that the actions of one part of uncoupled entry helped or improved the other.

(f) If the race is split in two (2) or more divisions, horses coupled or uncoupled in a single entry shall be seeded insofar as possible, in the following order, by:

1. Owners;

2. Trainers; and

3. Stables.

(g) Divisions and post positions shall be drawn by lot.

(h) Elimination heats also shall be governed by the provisions of paragraphs (f) and (g) of this subsection.

(3) The presiding judge or the race secretary shall be responsible for coupling horses.

(4) (a) If it is necessary to protect the public interest, horses that are separately owned or trained may be coupled for pari-

mutuel wagering; and

(b) An entry shall not be rejected on that basis.

(5) If an owner, lessor, or lessee has a vested interest in another horse in the same race, it shall constitute an entry.

Section 23. Also Eligibles.

(1) More than two (2) horses shall not be drawn as also eligibles for a race.

(2) The positions of also eligibles shall be drawn along with the starters in the race.

(3) If one (1) or more horses are excused by the judges, the also eligible horse shall:

(a) In handicap races in which the handicap is the same, take the place of the horse that it replaces;

(b) In handicap races in which the handicap is different, take the position on the outside of the horses with a similar handicap; or

(c) In other races, take the post position drawn by the horse it replaces.

(4) A horse shall not be added to a race as an also eligible unless the horse was drawn at the time declarations closed.

(5) (a) A horse shall not be barred from a race to which it is otherwise eligible by reason of its preference due to the fact that it has been drawn as an also eligible. A horse moved into the race from the also eligible list shall not be drawn without the permission of the judges.

(b) The owner or trainer of a horse moved into the race from the also eligible list shall be notified that the horse is in to go.

(6) A horse on the also eligible list that is not moved into race by scratch time of the track shall be released.

Section 24. Preference.

(1) (a) Preference shall be given in overnight events according to a horse's last previous purse race during the current year.

(b) The preference date on a horse that has drawn to race and has been scratched shall be the date of the race from which the horse was scratched.

(2) If a horse is racing for the first time in the current year, the date of the first successful qualifier shall be considered the horse's last race date, and preference shall be applied accordingly.

(3) (a) If an error has been made in determining or posting a preference date, and the error deprives an eligible horse of an opportunity to race, the trainer involved shall report the error to the racing secretary within one (1) hour of the announcement of the draw.

(b) If a preference date error has occurred, the race shall be redrawn.

Section 25. Judge's List.

(1) (a) A horse shall be placed on a judge's list by the presiding judge if it is unfit to race because it:

1. Is dangerous;

2. Is unmanageable;

3. Is sick;

4. Is lame; or

5. Is unable to show a performance to qualify for races at the meeting; or

6. Has exhibited repeated breaks.

(b) The owner or trainer shall be notified in writing when a horse is placed on a judge's list, and the specific item listed in paragraph (a) of this subsection upon which the action is based.

(c) Declaration on a horse placed on a judge's list shall be refused.

(d) If a horse is placed on a judge's list, the clerk of the course shall make a note on the electronic eligibility of the horse stating the:

1. Date it was placed on the judge's list;

2. Reason it was placed on the judge's list; and

3. If the horse has been removed from the judge's list, the date of its removal.

(2) (a) A presiding judge or other official at a non-extended meeting shall not remove from the judge's list and accept as an entry a horse that:

1. Has been placed on a judge's list; and

2. Has not been removed from the judge's list because it is dangerous or unmanageable.

(b) A presiding judge shall refuse declarations on a horse that has been placed on, but not removed from, a judge's list.

(3) A horse scratched from a race because of lameness or sickness shall not race for a period of seven (7) days beginning with the day of the scratch.

Section 26. Driver.

(1) A declaration shall state the name of the horse's driver and the driver's colors.

(2) A driver shall not be changed after scratch time of the track without the permission of the judges. The judges shall grant permission if:

(a) The driver is unable to be on the premises for a good-faith reason beyond his or her control; or

(b) The driver is on the premises but unable to participate due to illness or injury.

(3) If a nominator starts two (2) or more horses, the judges shall approve the second and third drivers if no conflicts of interest exist between the ownership of the horses and the drivers.

Section 27. Withdrawals and Scratches.

(1) The presiding judge shall call a meeting of all horsemen on the grounds before the opening of an extended pari-mutuel meeting to appoint a committee to consist of the presiding judge, a representative of the association, and a representative of the Kentucky Harness Horseman's Association to consider matters relating to the withdrawal of horses due to bad track or weather conditions.

(2) (a) If track conditions are questionable due to weather, the presiding judge shall call a meeting of the committee formed in subsection (1) of this section.

(b) Upon unanimous decision by the committee that track conditions are safe for racing, withdrawals shall not be made.

(3) (a) An entrant may scratch a horse if:

1. A decision by the committee that the track is safe is not unanimous; and

2. The entrant has posted ten (10) percent of the purse for the race.

(b) A person shall not scratch a horse for a reason other than sickness, lameness, injury, or hazardous track conditions.

(c) If sufficient withdrawals are received to cause the field to be less than six (6), the association shall have the right to postpone an early closing event or stake and cancel an overnight event.

(4) (a) The money posted pursuant to subsection 3(a)2 of this section shall be forwarded to the commission.

(b) The commission shall determine whether a withdrawal was for sickness, lameness, injury, or hazardous track conditions.

(c) The money shall be:

1. Forfeited if the commission determines that the withdrawal was not for good cause; or

2. Refunded if the commission determines that the withdrawal was for good cause.

(5) This section applies only to the withdrawal of horses that have been properly declared in and does not apply to postponement as set forth in 810 KAR 5:070.

Section 28. Length of Race and Number of Heats.

(1) A race or dash shall be listed at a stated distance in units no shorter than one-sixteenth (1/16) of a mile.

(2) The length of the race and the number of heats shall be stated in the conditions.

(3) If a distance or number of heats is not specified, any race shall be a single mile dash except at fairs and meetings of a duration of six (6) days or less where they shall be conducted in two (2) dashes at one (1) mile distances.

Section 29. Two (2) Year Olds. A two (2) year old shall not be permitted to:

(1) Start in a dash or heat exceeding one (1) mile in distance; or

(2) Race in more than two (2) heats or dashes per day.

### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes requirements and prohibitions concerning the taking of entries into standardbred races, the rules concerning starters, and declarations to start. These rules provide an orderly means of determining which horses will be considered eligible to enter a race.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide specific requirements and methods for the taking entries, starters and declarations Standardbred racing.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This rule prescribes conditions under which horses become eligible to race in particular standardbred races.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation fulfills the Commission's statutory mandate to prescribe the conditions under which horse racing is conducted in the Commonwealth by establishing a comprehensive set of rules governing the selection of horses for entry into standardbred races.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's two licensed standardbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of

racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners and trainers, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to entries and starters in standardbred racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for

subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 5:070. Running of the race.**

RELATES TO: KRS 230.215, 230.260(1), 230.280, 230.290(2), (3), 230.300, 230.310, 230.320

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8), 230.320(1)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. KRS 230.320(1) authorizes the commission to promulgate administrative regulations setting out the conditions under which licenses may be denied, revoked, or suspended. KRS 230.361(1) authorizes the commission to promulgate regulations concerning the pari-mutuel wagering system. This administrative regulation establishes track rules and requirements concerning proper racing conduct, the starting and timing of races, placing, money distribution, post time and postponements, and protests.

Section 1. Driving Violations. A leading horse shall be entitled to any part of the track. After selecting a position in the home stretch, a driver of a horse shall not:

(1) Change either to the right or left during any part of the race if another horse is so near the driver that in altering positions, the driver compels the horse behind to shorten strides, or causes the driver of any other horse to pull the horse out of his stride;

(2) Jostle, strike, hook wheels, or interfere with another horse or driver;

(3) Cross sharply in front of a horse or cross over in front of a field of horses in a reckless manner, endangering other drivers;

(4) Swerve in and out or pull up quickly;

(5) Crowd a horse or driver by "putting a wheel under him";

(6) "Carry a horse out" or "sit down in front of him", take up abruptly in front of other horses so as to cause confusion or interference among the trailing horses, or do any other act that constitutes "helping";

(7) Allow a horse to pass inside needlessly or otherwise help another horse to improve its position in the race;

(8) Lay off a normal pace and leave a hole if it is well within the horse's capacity to keep the hole closed;

(9) Commit an act which impedes the progress of another horse or causes the horse to "break";

(10) Change course after selecting a position in the home stretch and swerve in or out, or bear in or out, in a manner which interferes with another horse or causes the horse to change course or take back;

(11) Drive in a careless or reckless manner or fail to maintain reasonable control of the horse at all times during the race;

(12) Whip under the arch of the sulky;

(13) Cross the inside limits of the course;

(14) Fail to set or maintain a pace comparable to the class being raced, including traveling an excessively slow quarter or any other distance that changes the normal pattern, overall timing, or general outcome of the race; or

(15) Kick a horse. Removal of a foot from the stirrups in and of itself shall not constitute the act of kicking.

Section 2. Leaving the Course.

(1) A horse or a horse's sulky that leaves the course by

brushing, running over, or going inside of a pylon demarcation shall have violated this administrative regulation and may be penalized by a disqualification if in the opinion of the judges:

(a) The action results in the horse gaining an unfair advantage over other horses in the race;

(b) The action helps the horse improve its position in the race; or

(c) The driver goes inside the pylons and does not immediately correct position.

(2) A horse using the inside to pass shall have complete clearance of the pylons.

(3) A driver striking pylons but not gaining an unfair advantage shall be cited for a violation of this administrative regulation unless he was forced to strike the pylons by circumstances beyond his control.

(4) If an act of interference causes a horse or part of a horse's sulky to be in violation of this administrative regulation and the horse is disqualified, the offending horse shall be placed behind the horse with which it interfered.

Section 3. Penalties.

(1) A horse that violates Section 1 or 2 of this administrative regulation shall:

(a) Be placed back one (1) or more positions in the heat or dash behind the horse with which the horse interfered;

(b) Be disqualified from receiving any winnings, if a horse is prevented from finishing as a result of the violation; or

(c) Be placed last among finishing horses, if a horse which the violating horse interfered with fails to finish the race due to a separate and unrelated incident.

(2) If a violation set forth in Section 1 or 2 of this administrative regulation is committed by a person driving a horse coupled as an entry in the betting, the judges shall set both horses back, if the judges determine that the violation may have affected the finish of the race. Otherwise, penalties shall be applied individually to the drivers of any entry.

Section 4. Complaints, Reports of Interference.

(1) Complaints.

(a) A complaint by a driver relating to driving or other misconduct during a heat shall be made at the termination of the heat, unless the driver is prevented from doing so by an accident or injury.

(b) A driver desiring to enter a claim of foul or other complaint of violation of the rules shall, before dismounting, indicate to the judges the driver's intention to enter a claim or complaint, and immediately upon dismounting, the driver shall proceed to the telephone or judges' stand where the claim, objection, or complaint shall be immediately entered.

(c) The judges shall not cause the official sign to be displayed until the claim, objection, or complaint has been entered and considered.

(2) Report of interference. A driver shall report to the designated official any interference to himself or herself or to the driver's horse by another horse or driver during a race.

Section 5. Unsatisfactory Drive; Fraud.

(1) A heat in a race shall be fairly contested by each horse in the race and each horse shall be driven to the finish.

(2) A horse shall not be driven:

(a) With design to prevent the horse from winning a heat or dash which the horse was evidently able to win;

(b) In an inconsistent manner with the intent to improperly manipulate the outcome of a race; or

(c) To perpetrate or to aid in a fraud.

(3) The judges shall substitute a competent and reliable driver at any time prior to the start of the heat or race if the judges have reason to doubt the competence or reliability of the original driver.

Section 6. Removal and Substitution of Driver. A driver may be removed and another driver substituted after the positions have been assigned in a race if, in the opinion of the judges, a driver:

(1) Is unfit or incompetent to drive;

- (2) Refuses to comply with the directions of the judges; or
- (3) Is reckless in his or her conduct and endangers the safety of horses or other drivers in the race.

Section 7. Failure to Finish. If, for any cause other than being interfered with or broken equipment, a horse fails to finish after starting in a heat, that horse shall be ruled "did not finish."

Section 8. Disruptive Conduct.

- (1) A driver shall not engage in disruptive or distracting improper conduct during a race.
- (2) A driver may remove a foot from the stirrup temporarily for the purpose of pulling earplugs.

Section 9. Whipping.

- (1) A driver may have a whip that does not exceed four (4) feet with a snapper not longer than six (6) inches.
- (2) A person shall not use any goading device, chain or mechanical device, or appliance, other than the ordinary whip or crop, upon a horse in any race, training exercise, or while on association grounds.
- (3) (a) A whip or crop shall not be used in a brutal, excessive, or indiscriminate manner during a race, training exercise, or while on association grounds.
- (b) A driver shall use a whip only in the conventional manner, by holding the handle and whipping the horse only above the shafts with wrist and elbow movement only. Full swings or going behind the head is prohibited.
- (c) Welts, cuts, or whip marks on a horse resulting from whipping shall constitute a prima facie violation of this section.
- (d) A driver shall not:
  - 1. Whip a horse under the arch or shafts of the sulky;
  - 2. Kick a horse;
  - 3. Punch a horse;
  - 4. Jab a horse;
  - 5. Use the whip so as to interfere with or cause disturbance to any other horse or driver in a race;
  - 6. Whip a horse after a race; or
  - 7. Whip a horse that is exhausted or no longer in contention to win the race.
- (4) A driver shall keep a line in each hand and both hands shall stay in front of the body of the driver from the start of the race until the finish of the race. The left line shall be held in the left hand and the right line shall be held in the right hand.

Section 10. Hopples.

- (1) A horse shall not wear hopples in a race unless it has qualified in hopples.
- (2) Having so started, the horse shall continue to wear them to the finish of the race.
- (3) A person shall not remove or alter a horse's hopples during a race, or between races, for the purpose of fraud.
- (4) A horse habitually wearing hopples shall not start in a race without them unless:
  - (a) The horse performs satisfactorily in a qualifying race; or
  - (b) The presiding judge excuses the horse from performing in a qualifying race.
- (5) A horse habitually racing free-legged shall not wear hopples in a race unless:
  - (a) The horse performs satisfactorily in a qualifying race; or
  - (b) The presiding judge excuses the horse from performing in a qualifying race.
- (6) A horse shall not wear a head pole protruding beyond its nose.

Section 11. Breaking.

- (1) If a horse breaks from its gait in trotting or pacing, the driver shall at once, if clearance exists, take the horse to the outside and pull it to its gait.
- (2) A driver shall not:
  - (a) Fail to properly attempt to pull the horse to its gait;
  - (b) Fail to take to the outside or inside if clearance exists;
  - (c) Fail to lose ground by the break; or

- (d) Fail to prevent extended break.

(3) If there has been no failure on the part of the driver in complying with subsection (2) of this section, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish.

(4) A driver shall not allow a horse to break for the purpose of fraudulently losing a heat.

(5) If a horse or driver's actions cause another horse to be off-stride at the wire, the offending horse shall be placed behind the horse with whom it interfered after all other placements have been made.

(6) A horse making a break, which causes interference with other contesting horses, shall be placed behind all offended horses.

(7) The judges shall set a horse back one (1) or more places if this section is violated.

Section 12. Breaks. One (1) of the judges shall call out every break made, and the clerk shall at once note the break and its character in writing.

Section 13. Time Between Heats and Races. The time between separate heats of a single race shall be no less than forty (40) minutes. A heat shall not be called after sunset if the track is not lighted for night racing. The time between races shall not exceed thirty (30) minutes.

Section 14. Accidents.

- (1) If any horse in the current program falls or runs uncontrollably on the track or is involved in an accident after starting to warm up, that horse shall be permitted to start only after examination and approval by the commission veterinarian.
- (2) If an accident occurs, the judges shall allow adequate time in between posts to clear the track. A driver involved in an accident shall be cleared by an emergency medical technician or paramedic before resuming driving engagements.

Section 15. Sulkies.

- (1) A driver shall be seated in his sulky at the finish of the race or the horse shall be placed as not finishing.
- (2) The owner and trainer shall provide every sulky used in a race with uncolored or colorless wheel discs on the inside and outside of the wheel of a type approved by the commission. If necessary, the presiding judge may order the use of mud guards to be provided by the owners or trainers.
- (3) A sulky shall not be used in a race unless it meets the requirements of the rules and regulations of the United States Trotting Association, 2018, Rule 18, Section 25, "Sulky Performance Standards".

Section 16. Helmets. A protective helmet, securely fastened under the chin and meeting the Snell Foundation 2000 Standard for Protective Headgear for Use in Harness Racing, shall be worn at all times on the premises of an association while:

- (1) Racing, parading, or warming up a horse prior to racing; or
- (2) Jogging, training, or exercising a horse at any time.

Section 17. Safety Vests.

- (1) A safety vest shall be worn while racing, parading, or warming up a horse prior to racing.

Section 18. A licensee shall not:

- (1) Refuse to comply with an order or ruling of a member or employee of the commission, a racing official, or judge,
- (2) Interfere with the performance of the duty of a person specified in subsection (1) of this section;
- (3) Threaten, strike, or harass an owner, trainer, driver or attendant of a horse, or an employee of the association or commission;
- (4) Sexually harass an owner, trainer, driver or attendant of a horse, or an employee of the association or commission; or
- (5) Use force or intimidation against an owner, trainer, driver or attendant of a horse, or an employee of the association or

commission.

Section 19. (1) A person or association shall not offer any money, benefit, or other inducement to any licensee, employee of the commission, or officer of a racing association to affect the entries to a race, the running of a race, or the outcome of a race.

(2) Any action prohibited by subsection (1) of this section shall be immediately reported to the judges who shall promptly inform the racing association and the commission.

Section 20. (1) An owner, trainer, agent, or driver of a horse shall not threaten or join with others in threatening not to race, or not to declare in, because of the entry of a certain horse or a particular stable, thereby compelling or attempting to compel the racing secretary to reject an eligible entry.

(2) An action prohibited by subsection (1) of this section shall be immediately reported to the commission.

Section 21. An owner, agent, or driver who has entered a horse shall not demand of the association a bonus of money or other special award or consideration as a condition for starting the horse.

Section 22. Wagering.

(1) A driver shall not place a wager, or cause a wager to be placed on his or her behalf, or accept a ticket or winnings from a wager on a race, except:

- (a) A race on the horse he is driving; and
- (b) Through the owner or trainer of the horse he is driving.

(2) An owner or trainer who places a wager for his driver shall:

- (a) Maintain a complete record of the wager; and
- (b) Make the record available for examination by the judges upon request.

Section 23. Duty to Report Fraudulent Proposal. A person shall immediately report to the presiding judge the details of an offer, promise, or request for a bribe or wager intended to affect the outcome of a race.

Section 24. Denerving. (1) A horse that has had a chemical, surgical, or thermal neurectomy at or above the fetlock shall not be permitted to race.

(2) A horse that has had a palmar or plantar digital neurectomy may be permitted to race if:

- (a) The neurectomy has been reported by the trainer to the stewards; and
- (b) The horse has been approved for racing by the commission veterinarian prior to being entered to race.

(3) A horse on which a neurectomy has been performed shall have that fact designated on its registration certificate, virtual certificate, racing permit, and entry in the electronic registration system. Responsibility for ensuring that the neurectomy is correctly noted on the horse's registration certificate, virtual certificate, racing permit, and entry in the electronic registration system shall fall:

(a) Jointly on the practicing veterinarian who performed the operation and the trainer of the denerved horse if the neurectomy was performed at a location under the commission's jurisdiction; and

(b) Solely on the owner of the denerved horse if the neurectomy was performed at a location not under the commission's jurisdiction.

(4) If a horse races in violation of this section and participates in the purse distribution, a protest shall not be considered unless submitted in writing to the stewards within forty-eight (48) hours after the race.

(5) If a horse races in violation of this section and is claimed, a protest shall not be considered unless the successful claimant submits a protest in writing within forty-eight (48) hours requesting that the claim be voided. If the claim is voided, the horse shall be returned to the owner who started the horse in the race, and the claim price shall be returned to the claimant.

(6) A list of all denerved horses shall be made publicly

available.

Section 25. Spayed Mares. If a mare has been spayed:

(1) It shall be noted on the:

- (a) Registration certificate;
- (b) Electronic eligibility certificate; and
- (c) Program when the mare races; and

(2) The owner shall:

- (a) Notify the United States Trotting Association that the mare has been spayed; and
- (b) Return the mare's papers to the United States Trotting Association for correction.

Section 26. Starting Gate.

(1) Starter's control. The starter shall have control of the horses from the formation of the parade until the word, "go", is given.

(2) Before or during the parade, the starter shall inform the drivers of the number of scores permitted. After one (1) or two (2) preliminary warming up scores, the starter shall notify the drivers to proceed to the starting gate.

(3) A horse shall not be brought to the starting gate nearer than one eighth (1/8) of a mile before the start, if the length of the stretch permits.

(4) On a mile track, a horse shall be brought to the starting gate at the head of the stretch.

(5) The starting point shall be a point on the inside rail a distance of at least 200 feet from the first turn. The starter shall give the word "go" at the starting point.

(6) When a speed has been reached in the course of a start there shall be no decrease except in the case of a recall.

(7) If a recall is necessary, a light plainly visible to the driver shall be flashed and a recall sounded and, if possible, the starter shall leave the wings of the gate extended and gradually slow the speed of the gate to assist in stopping the field of horses. The starter may close the wings of the gate if an emergency situation arises.

(8) There shall be no recall after the word "go" has been given and any horse, regardless of position or accident, shall be considered a starter from the time the horse enters into the starter's control, unless dismissed by the starter or judges pursuant to subsection (10) of this section.

(9) The starter shall endeavor to start all horses in position and on gait, but a recall shall not be sounded for a breaking horse.

(10) The starter may sound a recall only for the following reasons, if the starter believes the integrity of the race may be jeopardized:

- (a) A horse scores ahead of the gate;
- (b) There is interference;
- (c) A horse has broken equipment;
- (d) A horse falls before the word "go" is given;
- (e) There is a malfunction of the starting gate;
- (f) A horse comes to the gate out of position; or
- (g) A circumstance arises which will not allow a fair start, as determined by the starter.

(11) A driver shall not:

- (a) Delay the start;
- (b) Fail to obey the starter's instructions;
- (c) Rush ahead of the inside or outside wing of the gate;
- (d) Come to the starting gate out of position;
- (e) Cross over before reaching the starting point;
- (f) Interfere with another driver during the start; or
- (g) Fail to come up into position.

(12) Unless granted permission by the presiding judge, a person other than the starter, or the starter's driver or operator, shall not be allowed to ride in the starting gate.

(13) Use of a mechanical loudspeaker for any purpose other than to give instructions to drivers shall be prohibited. The volume shall not be higher than necessary to carry the voice of the starter to the drivers.

Section 27. Holding Horses Before Start.

(1) A horse shall not be held on the backstretch for more than three (3) minutes awaiting post time, except if delayed by an

emergency or by permission of the judges.

(2) Post time must be posted no later than two (2) minutes following a previous race with the exception of mutual malfunction.

(3) Horses may not be held on the track more than ten (10) minutes unless permission is granted by the Presiding Judge.

Section 28. Two (2) Tiers.

(1) If there are two (2) tiers of horses, the withdrawal of a horse that has drawn or earned a position in the front tier shall not affect the position of the horses that have drawn or earned positions in the second tier.

(2)(a) If a horse is drawn from any tier, horses on the outside shall fill the vacancy.

(b) If a horse has drawn a post position in the second tier, the driver of the horse may elect to score out behind any horse in the first tier, if the driver does not interfere with another trailing horse or deprive another trailing horse of a drawn position.

Section 29. Starters.

(1) A horse shall be considered to have started when the word, "go", is given by the starter, and a horse shall be required to complete the course except in case of accident, broken equipment, or other circumstance which, in the opinion of the judges, makes it impossible or unsafe to complete the course.

(2) For the purpose of declaring a horse a nonstarter, the judges shall consider the actual starting point on the track regardless if there was a start.

Section 30. Unmanageable Horse.

(1) If, in the opinion of the judges or the starter, a horse is unmanageable or may cause accidents or injury to another horse or to any driver, it shall be scratched. The starter shall notify the judges of the scratch, who shall then notify the public.

(2) A horse shall be considered unmanageable if it causes two (2) recalls in the same dash or heat, in which case it shall be scratched.

Section 31. Bad Acting Horse. At a meeting where there is no wagering, the starter may place a bad acting horse on the outside. At a pari-mutuel meeting, this action may be taken only if there is time for the starter to notify the judges, who shall in turn notify the public prior to the sale of tickets for the race. If tickets have been sold, the bad acting horse shall be scratched under the provisions of Section 5 of this administrative regulation.

Section 32. Post Positions; Heat Racing. The horse winning a heat shall take the pole (or inside position) in the succeeding heat, unless otherwise specified in the published conditions, and all others shall take their positions in the order they were placed in the last heat. If two (2) or more horses finish in a dead heat, their positions shall be settled by lot.

Section 33. Shield. The arms of a starting gate shall be provided with a screen or a shield in front of the position for each horse, and the arms shall be perpendicular to the rail.

Section 34. Unfair Advantage Prior to Start. If a horse comes to the gate out of its assigned post position and gains an unfair advantage by moving either to the left or right to its assigned post position before the starter gives the word, "go," that horse shall be disqualified and placed by the judges.

Section 35. Malfunction of the Gate. A licensed starter shall check the starting gate for malfunctions before commencing a meeting and shall practice the measures to be followed in the event of a malfunction. Both the starter and the driver of the gate shall know and practice emergency measures, and the starter shall be responsible for the training of drivers in taking emergency measures.

Section 36. Timing Races. The time of a heat shall be taken by

(1) One electronic timing device; and

(2) One hand-held timing device.

Section 37. Track Measurement Certificate. An association shall file with the commission a certificate from a duly licensed civil engineer or land surveyor attesting that the track has been measured from wire to wire three (3) feet out from the pole or inside hub rail, and certifying in linear feet the result of the measurement. If there is a change or relocation of the hub rail, the track shall be measured and recertified.

Section 38. Time for Lapped on Break. The leading horse shall be timed and his time only shall be announced. A horse shall not obtain a win race record by reason of the disqualification of another horse unless the horse's actual race time can be determined by photo finish or electronic timing.

Section 39. Time for Dead Heat. In case of a dead heat, the time shall constitute a record for the horses making a dead heat and both shall be considered winners.

Section 40. Timing Procedure. The time shall be taken from the first horse leaving the point from which the distance of the race is measured until the winner reaches the wire.

Section 41. Time Performances.

(1) Time performances shall be permitted with the permission of the presiding judge subject to the following:

(2) A urine test or blood test or both shall be required for any horse with a winning time performance.

(3) A workout for the judges or time trial performance shall not be used to qualify a horse to race.

Section 42. Unless otherwise provided in the conditions, a purse shall be distributed on the dash basis with the money awarded according to a horse's position in each separate dash or heat of the race. Purse money distribution in overnight events shall be limited to the first five (5) finishers.

Section 43. Dashes.

(1) Except in the case of stakes or futurities as set forth in 810 KAR 5:040, Section 7, unless otherwise specified in the conditions, the money distribution in dashes shall be in the following percentages: fifty (50), twenty-five (25), twelve (12), eight (8), and five (5).

(2) In early closing races, late closing races, or added money events, if there are less than five (5) starters, the remaining purse shall go to the race winner unless the conditions call for a different distribution.

(3) In overnight events, if there are less than five (5) starters, the purse for the position for which there are no starters shall be retained by the association.

(4) If there is a purse for which horses have started but were unable to finish due to an accident, all non-offending horses that did not finish shall share equally in the premium or premiums.

(5) If there is a purse for which horses have started but were unable to finish and the situation is not covered by subsection (4) of this section, the purse shall be paid to the winner.

Section 44. If unfavorable weather or other unavoidable cause exists that necessitates postponement of a race, and the judges consent, an association shall postpone a race in the following manner:

(1) Early closing races, stakes, and futurities shall be postponed to a definite hour the next fair day and good track.

(2) A late closing race, early closing race, stake, or futurity (except as provided in subsections (4) and (5) of this section) that cannot be raced during the scheduled meeting shall be declared off and the entrance money and forfeits shall be divided equally among the nominators who have horses declared in and eligible to start.

(3) A late closing race or early closing race that has been started and remains unfinished on the last day of the scheduled meeting shall be declared ended and the full purse divided according to the summary. A late closing race or early closing race

that has been started but postponed by rain earlier in the meeting shall be declared ended and the full purse divided according to the summary if there is sufficient time to conduct the race during the scheduled meeting.

(4) A stake or futurity shall be raced where advertised and the race meeting, if necessary, shall be extended. A stake or futurity that has been started and remains unfinished on the last day of the scheduled meeting shall be declared ended and the full purse divided according to the summary, unless the association elects to extend the meeting to complete the race. A horse that is scratched after a heat and before a race is declared finished shall not participate in purse distribution from subsequent heats.

(5) Unless otherwise provided in the conditions of the race, unanimous consent shall be obtained from the association and from those with eligibles in the race before a stakes race or futurity may be transferred to another meeting.

(6) At a meeting of more than five (5) days duration, an overnight event may be postponed and carried over for a maximum of two (2) racing days.

(7) At a meeting of five (5) days duration or less, an overnight event or late closing race shall be cancelled and starting fees shall be returned if postponement occurs, unless the association adds the postponed race to the advertised program and the race is held within two (2) weeks of cancellation.

(8) A postponed race may, at the option of the association, be contested in a single mile dash. If a race is postponed under this administrative regulation, the association shall select the order in which the events shall be raced in any combined program.

#### Section 45. Post Time.

(1) If racing is conducted at night or twilight, the racing program shall be completed no later than 12:00 a.m., midnight.

(2) Post time for the first race of the evening shall be fixed by the association. A delay in the first post of not more than ten (10) minutes from the established post time may be taken without prior approval of the commission.

#### Section 46. Number of Races Per Program.

(1) If eight (8) races are programmed, four (4) completed races shall constitute a completed program.

(2) If nine (9) races are programmed, five (5) completed races shall constitute a completed program.

(3) If ten (10) or more races are programmed, six (6) completed races shall constitute a completed program.

#### Section 47. Postponements.

(1) Racing shall not be conducted by an association over a track that is dangerous to drivers or horses.

(2) If inclement weather or other conditions appear to make the track dangerous, the presiding judge, a representative of the association, and a representative of the Kentucky Harness Horseman's Association shall determine whether racing shall be conducted or postponed.

(3) If a difference of opinion exists between the representative of the association and the representative of the Kentucky Harness Horseman's Association as to whether racing shall be conducted or postponed, the decision of the presiding judge shall be final.

#### Section 48. Protests. Protests shall:

(1) Be made only by:

- (a) An owner;
- (b) A manager;
- (c) A trainer; or
- (d) A driver; and

(2) Shall be made at any time before distribution of the purse is made;

(3) Shall be made in writing;

(4) Shall be sworn to; and

(5) Shall contain at least one (1) specific charge questioning eligibility which, if true, would prevent the offending horse from competing in the race.

Section 49. The judges shall, in case of protest, demand that

the driver and the owner or owners, if present, shall immediately testify under oath. If a person refuses to testify after being ordered to do so and the race has not yet started, that person's horse shall not be allowed to start or continue in the race, but shall be ruled out, and any entrance money shall be forfeited.

Section 50. Unless the judges find satisfactory evidence to warrant excluding the horse, they shall allow a horse to start or continue in the race under protest, and the purse, if any is won by that horse, shall be retained by the association on behalf of the commission to allow the interested parties to continue the protest proceeding, in accordance with Section 52 of this administrative regulation.

Section 51. A person shall not knowingly, and with intent to influence the results of a race, protest a horse falsely and without cause.

Section 52. This administrative regulation shall not affect the distribution of the pari-mutuel pools at tracks where pari-mutuel wagering is conducted, if the distribution is made upon the official placing at the conclusion of the heat or dash.

Section 53. (1) A protest shall be reviewed and appealed in accordance with the procedures set forth in 810 KAR 8:030 and KRS Chapter 13B.

(2) The purse money affected shall be deposited with the association pending the decision of the protest review or appeal.

Section 54. A judge shall not refuse to accept a protest.

Section 55. A person who has knowledge, prior to a race, of information that would prevent an ineligible horse from running in a race, and who fails to file a protest prior to the race with regard to that horse, shall have waived the right to protest after the race if the protest would have prevented the ineligible horse from running in the race.

Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the

public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes a comprehensive set of rules for the conduct of standardbred races. The regulation sets forth rules concerning fouls, improper driving, timing of races, placing and money distribution, postponement and rescheduling, post time requirements, and protests.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to provide a set of rules to ensure the orderly and fair running of standardbred races.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation prescribes the conditions relating to various aspects of the running of standardbred races.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation implements the statutory mandate of the Commission to promulgate regulations prescribing the conditions under which horse racing is conducted in the Commonwealth.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Kentucky's two licensed standardbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the conduct of racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers, and drivers, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to various aspects of the running of standardbred races.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No significant costs are associated with complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No significant funding will be necessary to implement and enforce this administrative regulation. Any minimal costs will be funded from the budget of the Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation amendment does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Expenditures (+/-): Neutral.

Other Explanation: None.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

##### 810 KAR 5:080. Harness racing at county fairs.

RELATES TO: KRS 230.215, 230.260, 230.280, 230.290, 230.310, 230.398

STATUTORY AUTHORITY: KRS 230.215, 230.260, 230.398

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky. KRS 230.398 authorizes the commission to promulgate

administrative regulations governing the conduct of county fair races. This administrative regulation establishes conditions, races, purses, and payments in races conducted at county fairs in which funds for purses are provided by the commission, and regulates eligibility for participation in harness racing at county fairs.

Section 1. Eligibility. A horse is eligible to participate in a two (2) or three (3) year old stakes race at a county fair if:

- (1) The horse is a two (2) year old or a three (3) year old that is "Kentucky-bred" as defined in 810 KAR 7:040;
- (2) All owners of the participating horse are current members of the Kentucky Colt Racing Association, Inc.;
- (3) All owners of the participating horse hold a current license with the commission; and
- (4) The trainer and driver of the participating horse hold current licenses with the commission.

Section 2. Track Requirements.

- (1) A fair shall have a safe and adequate track, and the entire track, including start and finish lines, shall be visible to judges and spectators.
- (2) The track shall be inspected and approved by a representative of the commission.
- (3) A track shall have a hub rail or pylons approved by the commission.
- (4) (a) A fair shall have safe and adequate stalls for participating horses.
- (b) If permanent stalls are not available, tents or other tie-in type stalls may be used.
- (c) Except as provided by paragraph (d) of this subsection, a county fair shall not charge stall rent for horses racing at the fair.
- (d) A county fair may charge stall rent if the fair is held on state-owned property.

Section 3. Fair Fees.

- (1) The Kentucky Colt Racing Association fees shall be as follows:
  - (a) A nomination fee of fifty (50) dollars per horse due on or before February 15 of each racing year;
  - (b) A sustaining fee of \$200 per horse due on or before April 15 of each racing year;
  - (c) A starting fee of fifty (50) dollars per horse, per fair, due at the time of entry for the fair; and
  - (d) A twenty-five (25) dollar fee per horse for starting in an overnight race, due at the time of entry for the fair.
- (2) A \$200 payment shall be due at the time of entry for a horse eligible for the fair finals.

Section 4. Officials.

- (1) The Kentucky Colt Racing Association shall submit to the commission, at least sixty (60) days prior to the opening of a race meeting, a written list of racing officials and applicable employees.
- (2) At a county fair, there shall be at least one (1) presiding judge approved by the commission in the judges' stand. In addition, at a meeting in which races are charted, the association member shall provide both a licensed charter and licensed clerk of the course.
- (3) A fair shall use licensed United States Trotting Association judges to preside over the racing.
- (4) The judges shall review the ownership of any horse that is entered in order to ensure the horse's eligibility to race.
- (5) The judges may determine the validity for racing purposes of any lease, transfer, or agreement pertaining to ownership of a horse and may call for adequate evidence of ownership at any time.
- (6) The judges may declare a horse ineligible to race if the ownership or control of the horse is in question.
- (7) Officials shall be paid by the Kentucky Colt Racing Association.

Section 5. Starter. A fair shall use a licensed starter with adequate equipment.

Section 6. Use of Entry Fees.

- (1) The entry fees established in Section 3(1)(c) and (d) of this administrative regulation shall be retained by each fair as compensation for conducting its harness racing program and in reimbursement of the expenses incurred.
- (2) A fair shall, upon request, make a full accounting of the entry fees to the commission.

Section 7. Application for a License and Approval for Purse Distributions.

- (1) The Kentucky Colt Association on behalf of a fair shall apply to the commission for a license to conduct a harness racing event. A request for pari-mutuel wagering shall be included at the time of application.
- (2) Distribution of revenue for the Kentucky County Fairs shall be reviewed annually, not later than December 15 of each calendar year, by the advisory panel established in 810 KAR 7:040.

Section 8. Changes in Racing Program. A fair shall have the right to change the order of its program and to postpone or cancel an event due to bad weather or unavoidable cause. If a race is canceled because of lack of entries, entry fees shall be refunded.

Section 9. Early Closers.

- (1) An early closing event, and all divisions of that event, shall race a single heat at a distance of one (1) mile and shall be contested for a purse approved by the commission on an annual basis.
- (2) An early closing race shall be contested regardless of the number of entries. However, a fair may cancel an overnight race with less than five (5) entries.

Section 10. Number of Starters and Purse Distributions. There shall be no more than two (2) trailers in any race at a county fair.

- (1) On a one (1) mile track, there shall be ten (10) horses on the gate and the race shall split on eleven (11) horses.
- (2) On a half mile track or five-eighths mile track, there shall be five (5) horses on the gate with two (2) trailers and the race shall split on eight (8) horses.
- (3) The purse for each race shall be divided as follows:
  - (a) Five (5) starters - fifty (50) percent, twenty-five (25) percent, twelve (12) percent, eight (8) percent, and five (5) percent;
  - (b) Four (4) starters - fifty (50) percent, twenty-five (25) percent, twelve (12) percent, eight (8) percent, and the remaining five (5) percent reverts back to the fund;
  - (c) Three (3) starters - fifty (50) percent, twenty-five (25) percent, twelve (12) percent, and the remaining thirteen (13) percent reverts back to the fund;
  - (d) Two (2) starters - fifty (50) percent, twenty-five (25) percent, and the remaining twenty-five (25) percent reverts back to the fund; and
  - (e) One (1) starter - fifty (50) percent, and the remaining fifty (50) percent reverts back to the fund.

Section 11. Points Distribution.

- (1) Points shall be awarded in an early closing race, and any division of an early closing race, as follows:
  - (a) First place finisher - fifty (50) points;
  - (b) Second place finisher - twenty-five (25) points;
  - (c) Third place finisher - twelve (12) points;
  - (d) Fourth place finisher - eight (8) points;
  - (e) Fifth place finisher - five (5) points; and
  - (f) Each starter that finishes out of the money - one (1) point.
- (2) If two (2) horses dead-heat for any position, they shall each receive one-half (1/2) of the points awarded for that position and one-half (1/2) of the points awarded for the next lower position. The same procedure shall be used for the allocation of points if there is a dead-heat of three (3) or more horses.
- (3) A horse that is declared in and then is the subject of a judge's scratch shall be awarded one (1) point based upon the decision of the presiding judge. This decision shall be final.
- (4) If there is a tie among two (2) or more horses with the same number of points, the tie shall be resolved in favor of the horse with

the higher earnings in the early closing fair events in which the horses have competed.

(5) If any division of a race is rained out before the completion of all other divisions of that race, the points for distribution set forth in this section shall not apply, and instead one (1) point shall be awarded to each horse entered in each division of that race that was rained out.

Section 12. Entry Limitation. A horse shall not be allowed to compete in more than one (1) race at any fair.

#### Section 13. Drug Testing.

(1) The winning horse at a fair race and any other horse or horses as selected by the judges may be subjected to a drug test as set forth in 810 KAR 8:010 and 810 KAR 8:060.

(2) A fair shall provide two (2) enclosed stalls and bedding to be used by the commission veterinarian for drug testing.

(3) The stalls required by subsection (2) of this section shall be located as close to the race track as possible.

(4) The stalls shall be positioned to allow the track announcer to be heard.

Section 14. Coggins Test. A current negative Coggins test shall be required for each horse racing at a fair.

Section 15. Drivers. A driver shall wear full colors, white pants, a safety vest that meets the standards set forth in 810 KAR 5:070 Section 21, and a safety helmet that meets the standards set forth in 810 KAR 5:070 Section 21, if on the track less than one (1) hour before the start of a fair racing program.

Section 16. Trophies. A fair shall provide a trophy or blanket to the winner of a race. If a race is contested in heats or divisions, the trophy shall be presented to the winner of the fastest heat or division.

Section 17. Early Deadlines. The deadline for entries at a fair shall be set by the Kentucky Colt Racing Association at its annual October meeting preceding the racing year.

Section 18. Programs. A county fair track holding races for purses shall provide a printed program available to the public containing the following information for:

(1) Non pari-mutuel tracks:

- (a) Horse's name and sex;
- (b) Color and age of horse;
- (c) Sire and dam of horse;
- (d) Owner's name;
- (e) Driver's name and colors;
- (f) Trainer's name; and
- (g) Summary of starts in purse races, earnings, and the best win time for the current and preceding year. A horse's best win time may be earned in either a purse or nonpurse race; and

(2) Pari-mutuel tracks:

(a) All of the program information required by subsection (1) of this section;

(b) At least the last six (6) performance and accurate chart lines. An accurate chart line shall include:

1. Date of race;
2. Location of race;
3. Size of track if other than a one-half (1/2) mile track;
4. Symbol for free-legged pacers;
5. Track condition;
6. Type of race;
7. Distance;
8. The fractional times of the leading horse including race times;
9. Post position;
10. Position of the one-quarter (1/4) marker, the one-half (1/2) marker, and the three-quarters (3/4) marker;
11. Stretch with lengths behind leader;
12. Finish with lengths behind leader;
13. Individual time of the horse;

14. Closing dollar odds;

15. Name of the driver;

16. Names of the horses that placed first, second, and third by the judges; and

17. Standard symbols for breaks and park-outs, if applicable;

(c) Indicate drivers racing with a provisional license; and

(d) Indicate pacers that are racing without hobbles.

Section 19. Payments. Nomination and sustaining payments shall be made to the Kentucky Colt Racing Association. Entry fees shall be paid to the fair for which the entry is taken.

Section 20. Violations. A person or association that violates a provision of this administrative regulation shall be subject to the penalties set forth in 810 KAR 8:030, Section 10.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation prescribes the conditions under which harness at county fairs shall be conducted in Kentucky. Specifically, KRS 230.398 authorizes the commission to promulgate regulations establishing eligibility requirements for horses participating in harness racing at county fairs. This regulation establishes the eligibility requirements to race in the county fairs.

(b) The necessity of this administrative regulation: This regulation is necessary to exercise the statutory authority of the KHRC set forth in KRS 230.215(2) to "promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth of Kentucky"; and the statutory authority set forth in KRS 230.398, "The racing commission shall have the authority to promulgate administrative regulations as may be necessary for the conduct of these races." While this is a new regulation that addresses harness racing at county fairs, it replaces 811 KAR 1:220. This regulation updates the title to 810 KAR 5:080 and the administrative regulation references within.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This regulation conforms to the statutory authority granted to the Kentucky Horse Racing Commission by KRS 230.215 and KRS 230.398.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This

administrative regulation will assist in the effective administration of the statutes by referencing the new title and replacing 811 KAR 1:220.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect: standardbred breeders; standardbred owners; boarding farm owners and employees; Kentucky veterinarians and equine healthcare facilities; horse transportation companies, farriers; farmers and suppliers of hay, feed and grain; equine supply companies; daily maintenance care and tack; Kentucky standardbred sale companies; retail stores and maintenance services; Kentucky Colt Association; the Kentucky counties hosting the fair; hotels and gas stations located near the county fairs; and state and local government entities which impose payroll taxes.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation expands the racing opportunities for owners and trainers of Kentucky-bred standardbred horses. All other entities identified in (3) will not require any additional responsibilities, but will reap the benefits of a stronger breeding industry in Kentucky as well as a supported fair circuit.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): None of the entities identified in (3) will incur any costs in complying with the administrative regulation. Rather, this regulation specifically offers more racing opportunities for Kentucky-bred standardbred horses. There are no fees to participate in the county fairs and the Kentucky Colt Association pays for the race officials at each county fair.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? The entities identified in question (3) will benefit from a clearly defined set of regulatory requirements and guidelines concerning Standardbred racing at county fairs.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this amendment.

(b) On a continuing basis: There is no continuing cost to implement this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: This administrative regulation will not require a source of funding for implementation and enforcement. The Kentucky Colt Association, an association outside of state government, administers the fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: This administrative regulation will not require an increase in fees or funding.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This amendment does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated

entities in an equal manner.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission and the counties that conduct harness racing as part of their annual county fairs will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.215, 230.398.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although there are no fees that will generate revenue for the state or local governments, there will be an increase in payroll taxes and potential tourism dollars on all participants as noted in the Regulatory Impact Analysis and Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Continued growth in the program will increase payroll taxes and potential tourism dollars on all participants as noted in the Regulatory Impact Analysis and Tiering Statement, Section (3).

(c) How much will it cost to administer this program for the first year? There will be no cost to the agency to administer this program because the program is administered by the Kentucky Colt Association. The Kentucky Colt Association is not a state agency.

(d) How much will it cost to administer this program for subsequent years? There will be no cost to the agency to administer this program in subsequent years because the program is administered by the Kentucky Colt Association. The Kentucky Colt Association is not a state agency.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

## PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

### 810 KAR 6:020. Calculation of payouts and distribution of pools.

RELATES TO: KRS 230.210, 230.215, 230.260, 230.361, 230.3615, 230.990

STATUTORY AUTHORITY: KRS 230.215(2), 230.260, 230.361(1)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) grants the Kentucky Horse Racing Commission the authority to regulate conditions under which horse racing and pari-mutuel wagering thereon shall be conducted in the Commonwealth. KRS 230.361(1) requires the commission to promulgate administrative regulations governing wagering under the pari-mutuel system of wagering. This administrative regulation establishes the calculation of payouts and the distribution of pools for pari-mutuel wagering on live horse races.

#### Section 1. Definitions.

(1) "Betting interest" means a single horse, or more than one (1) horse joined as a mutuel entry or joined in a mutuel field, on

which a single pari-mutuel wager may be placed.

(2) "Breakage" means the net pool minus payout.

(3) "Broken consolation price" means the profit per dollar, plus one (1) dollar, rounded down to the break point.

(4) "Carryover" means nondistributed pool monies that are retained and added to a corresponding pool in accordance with KAR Title 810.

(5) "Consolation payout" means a payout to individuals who do not correctly choose all of the selections in a multiple-pick wager, or a payout to individuals who wager on a horse in a multi-pick wager that is subsequently scratched.

(6) "Covered betting interest" means a betting interest or combination of betting interests that has been wagered upon.

(7) "Dead heat" means a finish of a race in which the noses of two (2) or more horses reach the finish line at the same time.

(8) "Gross pool" means the sum of all wagers less refunds.

(9) "Individual" means a natural person, at least eighteen (18) years of age, except does not include any corporation, partnership, limited liability company, trust, or estate.

(10) "Multi-commission pool" means a pari-mutuel pool where entities accepting wagers use different takeout rates.

(11) "Net pool" means the total amount wagered less refundable wagers and takeout.

(12) "Payout" means the amount of the net pool payable to an individual patron on his or her winning wager.

(13) "Performance" means a specified number of races on a given race day that constitutes a full card of racing.

(14) "Profit" means the net pool less the gross amount wagered if using the standard price calculation procedure and the net pool less the net amount wagered if using the net price calculation procedure.

(15) "Profit split" means to calculate a payout by splitting a pari-mutuel pool equally between each winning combination and dividing each portion by the number of winning tickets.

(16) "Scratch" means the withdrawal of a horse entered for a race after the time of closing of entries for the race in conformance with KAR Title 810.

(17) "Single commission pool" means a pari-mutuel pool where all entities accepting wagers use the same takeout rate.

(18) "Single price pool" means a pari-mutuel pool in which the entire profit is paid to holders of winning tickets after the deduction of the takeout.

(19) "Takeout" means the total amount of money, excluding breakage, withheld from each pari-mutuel pool, as authorized by KRS 230.3615 and KAR Title 810.

(20) "Unbroken consolation price" means the profit per dollar plus one (1) dollar.

## Section 2. General Requirements.

(1) All pari-mutuel pools shall be separately and independently calculated and distributed. The takeout shall be deducted from each gross pool as stipulated by KRS 230.3615. The remainder of the pool shall be the net pool for distribution as payoff on winning pari-mutuel wagers.

(2) (a) Single commission pari-mutuel pools may be calculated using either the standard price calculation procedure or the net price calculation procedure.

(b) Multi-commission pari-mutuel pools shall be calculated using the net price calculation procedure.

(3) The standard price calculation procedure shall be as follows:

### (a) Single price pools - Win pool

Gross Pool	=	Sum of Wagers on all Betting Interests - Refunds
Takeout	=	Gross Pool x Percent Takeout
Net Pool	=	Gross Pool - Takeout
Profit	=	Net Pool - Gross Amount Bet on Winner
Profit Per Dollar	=	Profit / Gross Amount Bet on Winner
\$1 Unbroken Price	=	Profit Per Dollar + \$1
\$1 Broken Price	=	\$1 Unbroken Price Rounded Down to the Break Point

Total Payout	=	\$1 Broken Price x Gross Amount Bet on Winner
Total Breakage	=	Net Pool - Total Payout

(b) Profit split - Place pool. Profit shall be net pool less gross amount bet on all place finishers. Finishers shall split profit 1/2 and 1/2 (place profit), then divide by gross amount bet on each place finisher for two (2) unique prices.

(c) Profit split - show pool. Profit shall be net pool less gross amount bet on all show finishers. Finishers shall split profit 1/3 and 1/3 (show profit), then divide by gross amount bet on each show finisher for three (3) unique prices.

(4) The net price calculation procedure shall be as follows:

### (a) Single price pool - Win pool

Gross Pool	=	Sum of Wagers on all Betting Interests - Refunds
Takeout	=	Gross Pool x Percent Takeout for Each Source
Net Pool	=	Gross Pool - Takeout
Net Bet on Winner	=	Gross Amount Bet on Winner x (1 - Percent Takeout)
Total Net Pool	=	Sum of All Sources Net pools
Total Net Bet on Winner	=	Sum of All Sources Net Bet on Winner
Total Profit	=	Total Net Pool - Total Net Bet on Winner
Profit Per Dollar	=	Total Profit / Total Net Bet on Winner
\$1 Unbroken Base Price	=	Profit Per Dollar + \$1 for each source:
\$1 unbroken price	=	\$1 Unbroken Base Price x (1 - Percent Takeout)
\$1 Broken Price	=	\$1 Unbroken Price Rounded Down to the Break Point
Total Payout	=	\$1 Broken Price x Gross Amount Bet on Winner
Total Breakage	=	Net Pool - Total Payout

(b) Profit split - Place pool. Total profit shall be the total net pool less the total net amount bet on all place finishers. Finishers shall split total profit 1/2 and 1/2 (place profit), then divide by total net amount bet on each place finisher for two (2) unique unbroken base prices.

(c) Profit split - Show pool. Total profit shall be the total net pool less the total net amount bet on all show finishers. Finishers shall split total profit 1/3 and 1/3 and 1/3 (show profit), then divide by total net amount bet on each show finisher for three (3) unique unbroken base prices.

(5) Each association shall disclose the following in its license application:

(a) Which price calculation method it will use for single commission pari-mutuel pools;

(b) The ticket denominations for each type of pari-mutuel wager;

(c) The procedures for refunds of pari-mutuel wagers;

(d) The takeout for each type of pari-mutuel wager;

(e) Which pari-mutuel wagers will include carryover and consolation pools and the percentages of the net pool assigned to each; and

(f) For each type of pari-mutuel wagering involving more than one (1) live horse race, the procedures to be used if a race is cancelled.

(6) The individual pools described in this administrative regulation may be given alternative names by each association if prior approval is obtained from the commission.

(7) A mutuel entry or a mutuel field in any race shall be a single betting interest for the purpose of each of the wagers described in this administrative regulation and the corresponding pool calculations and payouts. If either horse in a mutuel entry, or any horse in a mutuel field, is a starter in a race, the entry or the field selection shall remain as the designated selection for any of the

wagers described in this administrative regulation and the selection shall not be deemed scratched.

**Section 3. Pools Dependent Upon Entries for Live Horse Races.**

(1) Except as provided in subsection (3) of this section, when pools are opened for wagering all associations may:

- (a) Offer win wagering on all races with four (4) or more betting interests;
- (b) Offer place wagering on all races with five (5) or more betting interests; and
- (c) Offer show wagering on all races with six (6) or more betting interests.
- (d) Offer Quinella wagering on all races with four (4) or more betting interests;
- (e) Offer Exacta wagering on all races with four (4) or more betting interests;
- (f) Offer Trifecta wagering on all races with five (5) or more betting interests;
- (g) Offer Superfecta wagering on all races with six (6) or more betting interests;
- (h) Offer Big Q wagering on all races with three (3) or more betting interests; and
- (i) Offer Super High 5 wagering on all races with seven (7) or more betting interests.

(2) Except as provided in subsection (4) of this section, when pools are opened for wagering, associations shall not offer Twin Trifecta wagering on any races with six (6) or fewer betting interests.

(3) The chief state steward or presiding judge, or his or her designee, may authorize an association to offer a subject wager with less than the number of horses required by this section if:

- (a) Requested by the association; and
- (b) The integrity of the wager would not be affected by the smaller field.

(4) If a horse is scratched by the judges or stewards after wagering has commenced or a horse is prevented from running in a live horse race because of a failure of the starting gate, and the number of actual starters representing different betting interests is reduced below the requirements in Subsection 1 or Subsection 2 of this section, the association may cancel the affected wagers and refund the entire affected pools with the approval of the Chief State Steward or Presiding Judge, or his or her designee.

(5) In all cases in which the Chief State Steward or Presiding Judge, or his or her designee, authorizes the changes described in Subsection 4 or Subsection 5 of this section, the association shall provide a written report to the commission within twenty-four (24) hours of the post time of the race explaining the need to cancel the wagering pool.

**Section 4. Win Pools.**

(1) The amount wagered on the betting interest which finishes first shall be deducted from the net win pool and the balance remaining shall be the profit. The profit shall be divided by the amount wagered on the betting interest finishing first and the result shall be the profit per dollar wagered to win on that betting interest.

(2) The net win pool shall be distributed as a single price pool in the following precedence based upon the official order of finish:

- (a) To individuals whose selection finishes first, except if there are not any of those wagers, then;
- (b) To individuals whose selection finishes second, except if there are not any of those wagers, then;
- (c) To individuals whose selection finishes third, but if there are no such wagers, then;
- (d) The entire pool shall be refunded on win wagers for that race.

(3) (a) If there is a dead heat for first involving horses representing the same betting interest, the win pool shall be distributed as if no dead heat occurred.

(b) If there is a dead heat for first involving horses representing two (2) or more betting interests, the win pool shall be distributed as a profit split.

**Section 5. Place Pools.**

(1) The amounts wagered to place on the first two (2) betting interests to finish shall be deducted from the net pool and the balance remaining shall be the profit. The profit shall be divided into two (2) equal portions, with each portion assigned to each winning betting interest and divided by the dollar amount wagered to place on that betting interest. The result shall be the profit per dollar wagered to place on that betting interest.

(2) The net place pool shall be distributed in the following precedence based upon the official order of finish:

- (a) If horses in a mutuel entry or mutuel field finish in the first two (2) places, as a single price pool to individuals who selected the mutuel entry or mutuel field, otherwise;
- (b) As a profit split to individuals whose selection is included within the first two (2) finishers, except if there are not any of those wagers on one (1) of those two (2) finishers, then;
- (c) As a single price pool to individuals who selected the one (1) covered betting interest included within the first two (2) finishers, except if there are not any of those wagers, then;
- (d) As a single price pool to individuals who selected the third-place finisher, except if there are not any of those wagers, then;
- (e) The entire pool shall be refunded on place wagers for that race.

(3)(a) If there is a dead heat for first involving horses representing the same betting interest, the place pool shall be distributed as a single price pool.

(b) If there is a dead heat for first involving horses representing two (2) or more betting interests, the place pool shall be distributed as a profit split.

(4)(a) If there is a dead heat for second involving horses representing the same betting interest, the place pool shall be distributed as if no dead heat occurred.

(b) If there is a dead heat for second involving horses representing two (2) or more betting interests, the place pool shall be divided, with one-half (1/2) of the profit distributed to place wagers on the betting interest finishing first and the remainder of the profit distributed equally among place wagers on the betting interests involved in the dead heat for second.

**Section 6. Show Pools.**

(1) The amounts wagered to show on the first three (3) betting interests shall be deducted from the net pool and the balance remaining shall be the profit. The profit shall be divided into three (3) equal portions, with each portion assigned to each winning betting interest and divided by the amount wagered to show on that betting interest. The result shall be the profit per dollar wagered to show on that betting interest.

(2) The net show pool shall be distributed in the following precedence based on the official order of finish:

- (a) If horses in a mutuel entry or mutuel field finish in the first three (3) places, as a single price pool to individuals who selected the mutuel entry or mutuel field, otherwise;
- (b) If horses of a mutuel entry or mutuel field finish as two (2) of the first three (3) finishers, the profit shall be divided with two-thirds (2/3) distributed to individuals who selected the mutuel entry or mutuel field and one-third (1/3) distributed to individuals who selected the other betting interest included within the first three (3) finishers, otherwise;
- (c) As a profit split to individuals whose selection shall be included within the first three (3) finishers, except if there are not any of those wagers on one (1) of those three (3) finishers, then;
- (d) As a profit split to individuals who selected one (1) of the two (2) covered betting interests included within the first three (3) finishers, except if there are not any of those wagers on two (2) of those three (3) finishers, then;
- (e) As a single price pool to individuals who selected the one (1) covered betting interest included within the first three (3) finishers, except if there are not any of those wagers, then;
- (f) As a single price pool to individuals who selected the fourth-place finisher, except if there are not any of those wagers, then;
- (g) The entire pool shall be refunded on show wagers for that race.

(3) (a) If there is a dead heat for first involving two (2)

horses representing the same betting interest, the profit shall be divided with two-thirds (2/3) to individuals who selected the first-place finishers and one-third (1/3) distributed to individuals who selected the betting interest finishing third.

(b) If there is a dead heat for first involving three (3) horses representing a single betting interest, the show pool shall be distributed as a single price pool.

(c) If there is a dead heat for first involving horses representing two (2) or more betting interests, the show pool shall be distributed as a profit split.

(4) (a) If there is a dead heat for second involving horses representing the same betting interest, the profit shall be divided with one-third (1/3) distributed to individuals who selected the betting interest finishing first and two-thirds (2/3) distributed to individuals who selected the second-place finishers.

(b) If there is a dead heat for second involving horses representing two (2) betting interests, the show pool shall be distributed as a profit split.

(c) If there is a dead heat for second involving horses representing three (3) betting interests, the show pool shall be divided with one-third (1/3) of the profit distributed to show wagers on the betting interest finishing first and the remainder shall be distributed equally among show wagers on those betting interests involved in the dead heat for second.

(5) (a) If there is a dead heat for third involving horses representing the same betting interest, the show pool shall be distributed as if no dead heat occurred.

(b) If there is a dead heat for third involving horses representing two (2) or more betting interests, the show pool shall be divided with two-thirds (2/3) of the profit distributed to show wagers on the betting interests finishing first and second and the remainder shall be distributed equally among show wagers on those betting interests involved in the dead heat for third.

#### Section 7. Exacta Pools.

(1) The Exacta shall require the selection of the first two (2) finishers, in their exact order, for a single race.

(2) The net Exacta pool shall be distributed in the following precedence based upon the official order of finish:

(a) If horses of a mutuel entry or mutuel field finish as the first two (2) finishers, as a single price pool to individuals selecting the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish, otherwise;

(b) As a single price pool to individuals whose combination finished in the correct sequence as the first two (2) betting interests, except if there are not any of those wagers, then;

(c) As a single price pool to individuals whose combination included the betting interest that finishes first, except if there are not any of those wagers, then;

(d) As a single price pool to individuals whose combination included the betting interest that finished second, except if there are not any of those wagers, then;

(e) The entire pool shall be refunded on Exacta wagers for that race.

(3) (a) If there is a dead heat for first involving horses representing the same betting interest, the Exacta pool shall be distributed as a single price pool to individuals who selected the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish.

(b) If there is a dead heat for first involving horses representing two (2) or more betting interests, the Exacta pool shall be distributed as a profit split.

(4) If there is a dead heat for second involving horses representing the same betting interest, the Exacta shall be distributed as if no dead heat occurred.

(5) If there is a dead heat for second involving horses representing two (2) or more betting interests, the Exacta pool shall be distributed to ticket holders in the following precedence based upon the official order of finish:

(a) As a profit split to individuals combining the first-place betting interest with any of the betting interests involved in the dead heat for second, except if there is only one (1) covered combination, then;

(b) As a single price pool to individuals combining the first-place betting interest with the one (1) covered betting interest involved in the dead heat for second, except if there are not any of those wagers, then;

(c) As a profit split to individuals whose wagers correctly selected the winner for first-place and any of the betting interests which finished in a dead-heat for second-place, except if there are not any of those wagers, then;

(d) The entire pool shall be refunded on Exacta wagers for that race.

#### Section 8. Quinella Pools.

(1) The Quinella shall require the selection of the first two (2) finishers, irrespective of order, for a single race.

(2) The net Quinella pool shall be distributed in the following precedence based upon the official order of finish:

(a) If horses of a mutuel entry or mutuel field finish as the first two (2) finishers, as a single price pool to individuals selecting the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish, otherwise;

(b) As a single price pool to individuals whose combination finished as the first two (2) betting interests, except if there are not any of those wagers, then;

(c) As a profit split to individuals whose combination included either the first- or second-place finisher, except if there are not any of those wagers on one (1) of those two (2) finishers, then;

(d) As a single price pool to individuals whose combination included the one (1) covered betting interest included within the first two (2) finishers, except if there are not any of those wagers, then;

(e) The entire pool shall be refunded on Quinella wagers for that race.

(2) (a) If there is a dead heat for first involving horses representing the same betting interest, the Quinella pool shall be distributed to individuals selecting the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish.

(b) If there is a dead heat for first involving horses representing two (2) betting interests, the Quinella pool shall be distributed as if no dead heat occurred.

(c) If there is a dead heat for first involving horses representing three (3) or more betting interests, the Quinella pool shall be distributed as a profit split.

(3) If there is a dead heat for second involving horses representing the same betting interest, the Quinella pool shall be distributed as if no dead heat occurred.

(4) If there is a dead heat for second involving horses representing two (2) or more betting interests, the Quinella pool shall be distributed to individuals in the following precedence based upon the official order of finish:

(a) As a profit split to individuals combining the winner with any of the betting interests involved in the dead heat for second, except if there is only one (1) covered combination, then;

(b) As a single price pool to individuals combining the winner with the one (1) covered betting interest involved in the dead heat for second, except if there are not any of those wagers, then;

(c) As a profit split to individuals combining the betting interests involved in the dead heat for second, except if there are not any of those wagers, then;

(d) As a profit split to individuals whose combination included the winner and any other betting interest and wagers selecting any of the betting interests involved in the dead heat for second, except if there are not any of those wagers, then;

(e) The entire pool shall be refunded on Quinella wagers for that race.

#### Section 9. Trifecta Pools.

(1) The Trifecta requires selection of the first three (3) finishers, in their exact order, for a single race.

(2) For Trifecta price calculations only, the highest placed finisher of any part of a mutuel entry or mutuel field shall be used, eliminating all other parts of that mutuel entry or mutuel field from consideration regardless of finishing order.

(3) The Trifecta pool shall be distributed in the following precedence based upon the official order of finish:

(a) As a single price pool to individuals whose combination finished in correct sequence as the first three (3) betting interests, except if there are not any of those wagers, then;

(b) As a single price pool to individuals whose combination included, in correct sequence, the first two (2) betting interests, except if there are not any of those wagers, then;

(c) As a single price pool to individuals whose combination correctly selected the first-place betting interest only, except if there are not any of those wagers, then;

(d) The entire pool shall be refunded on Trifecta wagers for that race.

(4) (a) If less than three (3) betting interests finish and the race is declared official, payouts shall be made based upon the order of finish of those betting interests that finish the race.

(b) The balance of any selection beyond the number of betting interests completing the race shall be ignored.

(5) (a) If there is a dead heat for first involving horses representing three (3) or more betting interests, all of the wagering combinations selecting three (3) betting interests that correspond with any of the betting interests involved in the dead heat shall share in a profit split.

(b) If there is a dead heat for first involving horses representing two (2) betting interests, both of the wagering combinations selecting the two (2) betting interests that finish in a dead heat, irrespective of order, along with the third-place betting interest shall share in a profit split.

(6) If there is a dead heat for second, all of the combinations correctly selecting the winner combined with any of the betting interests involved in the dead heat for second shall share in a profit split.

(7) If there is a dead heat for third, all wagering combinations correctly selecting the first two (2) finishers, in correct sequence, along with any of the betting interests involved in the dead heat for third shall share in a profit split.

(8) (a) Trifecta wagering shall not be conducted on any race having fewer than five (5) separate betting interests.

(b) If fewer than five (5) horses start due to a late scratch or malfunction of the starting gate, the Trifecta shall be cancelled and the gross pool shall be refunded.

#### Section 10. Superfecta Pools.

(1) The Superfecta shall require selection of the first four (4) finishers, in their exact order, for a single race.

(2) The net Superfecta pool shall be distributed in the following precedence based upon the official order of finish:

(a) As a single price pool to individuals whose combination finished in correct sequence as the first four (4) betting interests, except if there are not any of those wagers, then;

(b) As a single price pool to individuals whose combination included in correct sequence, the first three (3) betting interests, except if there are not any of those wagers, then;

(c) As a single price pool to individuals whose combination included, in correct sequence, the first two (2) betting interests, except if there are not any of those wagers, then;

(d) As a single price pool to individuals whose combination correctly selected the first-place betting interest only, except if there are not any of those wagers, then;

(e) The entire pool shall be refunded on Superfecta wagers for that race.

(3) (a) If less than four (4) betting interests finish and the race is declared official, payouts shall be made based upon the order of finish of those betting interests completing the race.

(b) The balance of any selection beyond the number of betting interests completing the race shall be ignored.

(4) (a) If there is a dead heat for first involving horses representing four (4) or more betting interests, all of the wagering combinations selecting betting interests which correspond with any of the betting interests involved in the dead heat shall share in a profit split.

(b) If there is a dead heat for first involving horses representing three (3) betting interests, all of the wagering combinations

selecting the three (3) betting interests that finish in a dead heat, irrespective of order, along with the fourth-place betting interest shall share in a profit split.

(c) If there is a dead heat for first involving horses representing two (2) betting interests, both of the wagering combinations selecting the two (2) dead-heated betting interests, irrespective of order, along with the third-place and fourth-place betting interests shall share in a profit split.

(5) (a) If there is a dead heat for second involving horses representing three (3) or more betting interests, all of the wagering combinations correctly selecting the winner combined with any of the three (3) betting interests involved in the dead heat for second shall share in a profit split.

(b) If there is a dead heat for second involving horses representing two (2) betting interests, all of the wagering combinations correctly selecting the winner, the two (2) dead-heated betting interests, irrespective of order, and the fourth-place betting interest shall share in a profit split.

(6) If there is a dead heat for third, all wagering combinations correctly selecting the first two (2) finishers, in correct sequence, along with any two (2) of the betting interests involved in the dead heat for third shall share in a profit split.

(7) If there is a dead heat for fourth, all wagering combinations correctly selecting the first three (3) finishers, in correct sequence, along with any interest involved in the dead heat for fourth, shall share in a profit split.

(8) Superfecta wagering shall not be conducted on any race having fewer than six (6) separate betting interests. If fewer than six (6) horses start due to a late scratch or malfunction of the starting gate, Superfecta wagering shall be cancelled and the gross pool shall be refunded.

#### Section 11. Super High-Five Pools.

(1) The Super High-Five shall require selection of the first five (5) finishers, in their exact order, for a single race.

(2) Unless otherwise stated, the net Super High-Five pool shall be distributed as a single-priced pool to those who have selected all five (5) finishers, in exact order, based upon the official order of finish.

(3) (a) Each association shall disclose in its license application whether it intends to schedule Super High-Five wagering and, if so, shall disclose:

1. The percentage of the pool to be retained for the winning wagers; and

2. The designated amount of any cap to be set on the pool to be retained for the winning wagers.

(b) Any subsequent changes to the Super High-Five scheduling shall require prior approval from the commission or its designee.

(4) If there are no winning wagers selecting all five (5) finishers, in exact order, the entire Super High-Five pool shall be added to the carryover.

(5) If due to a late scratch the number of betting interests in the Super High-Five pool is reduced to fewer than seven (7), the Super High-Five pool shall be cancelled and shall be refunded, except not the Super High-Five carryover pool.

(6) If a betting interest in the Super High-Five pool is scratched from the race, there shall not be any more wagers accepted selecting that scratched runner and all tickets previously sold designating that horse shall be refunded and that money shall be deducted from the gross pool.

(7) If any dead-heat occurs in any finishing position, all wagers selecting either of the runners finishing in a dead heat with the correct runners not finishing in a dead heat shall be winners and share the Super High-Five pool. Payouts shall be calculated by splitting the pool equally between each winning combination, then dividing each portion by the number of winning tickets.

(8) (a) On the final day of a meeting, an association shall make a final distribution of all accumulated carryovers along with the net pool of the Super High-Five pool conducted on the final day of the meeting as a single price pool to:

1. Individuals with tickets selecting the first five (5) finishers, in exact order, for the designated race, or, if there are not any of

those wagers, to;

2. Individuals with tickets selecting the first four (4) finishers, in exact order, for the designated race, or, if there are not any of those wagers, to;

3. Individuals with tickets selecting the first three (3) finishers, in exact order, for the designated race, or, if there are not any of those wagers, to;

4. Individuals with tickets selecting the first two (2) finishers, in exact order, for the designated race, or, if there are not any of those wagers, to;

5. Individuals with tickets selecting the winner for the designated race, or, if there are not any of those wagers;

6. All money wagered into the Super High-Five pool that day shall be refunded and any carryover shall be retained and added to the Super High –Five pool on the first racing day of the next meeting.

(9) If, for any reason, the Super High-Five carryover shall be held over to the corresponding Super High-Five pool of a subsequent meeting, the carryover shall be deposited in an interest-bearing account approved by the commission. The Super High-Five carryover plus accrued interest shall then be added to the net Super High-Five pool of the following meeting on a date and performance approved by the commission.

#### Section 12. Double Pools.

(1) The double shall require the selection of the first-place finisher in each of two (2) specified races.

(2) The net double pool shall be distributed in the following precedence based upon the official order of finish:

(a) As a single price pool to individuals whose selections finished first in each of the two (2) races, except if there are not any of those wagers, then;

(b) As a profit split to individuals who selected the first-place finisher in either of the two (2) races, except if there are not any of those wagers, then;

(c) As a single price pool to individuals who selected the one (1) covered betting interest that finished first in either race, except if there are not any of those wagers, then;

(d) As a single price pool to individuals whose selection finished second in each of the two (2) races, except if there are not any of those wagers, then;

(e) The entire pool shall be refunded on the double wagers for those races.

(3) (a) If there is a dead heat for first in either of the races involving horses representing the same betting interest, the double pool shall be distributed as if no dead heat occurred.

(b) If there is a dead heat for first in either of the races involving horses representing two (2) or more betting interests, the double pool shall be distributed as a profit split if there is more than one (1) covered winning combination.

(4) If a betting interest in the first half of the double is scratched prior to the close of wagering on the first double contest, all money wagered on combinations including the scratched betting interest shall be deducted from the double pool and refunded.

(5) If a betting interest in the second half of the double is scratched prior to the close of wagering on the first double race, all money wagered on the combinations including the scratched betting interest shall be deducted from the double pool and refunded.

(6) If a betting interest in the second half of the double is scratched after the close of wagering on the first double race, all wagers combining the winner of the first race with the scratched betting interest in the second race shall be allocated a consolation payout.

(a) In calculating the consolation payout, the net double pool shall be divided by the total amount wagered on the winner of the first race and an unbroken consolation price obtained.

(b) The broken consolation price shall be multiplied by the dollar value of wagers on the winner of the first race combined with the scratched betting interest to obtain the consolation payout.

(c) Breakage shall not be included in this calculation.

(d) The consolation payout shall be deducted from the net double pool before calculation and distribution of the winning

double payout.

(e) Dead heats including separate betting interests in the first race shall result in a consolation payout calculated as a profit split.

(7) If either of the double races is cancelled prior to the first double race, or the first double race is declared "no contest," the entire double pool shall be refunded on double wagers for those races.

(8) (a) If the second double race is cancelled or declared a "no contest" after the conclusion of the first double race, the net double pool shall be distributed as a single price pool to individuals who selected the winner of the first double race.

(b) If there is a dead heat involving separate betting interests, the net double pool shall be distributed as a profit split.

#### Section 13. Big Q Pools.

(1) The Big Q shall require selection of the first two (2) finishers, irrespective of order, in each of two (2) designated races.

(a) Each winning ticket for the first Big Q race shall be exchanged for a free ticket on the second Big Q race in order to remain eligible for the second half Big Q pool.

(b) Exchange tickets shall be exchanged at attended ticket windows prior to the second race comprising the Big Q.

(c) There shall not be a monetary reward for winning the first Big Q race.

(d) Each of the designated Big Q races shall be included in only one (1) Big Q pool.

(2) In the first Big Q race only, winning wagers shall be determined using the following precedence based on the official order of finish for the first Big Q race:

(a) If a mutuel entry or mutuel field finishes as the first two (2) finishers, those who selected the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish shall be winners, otherwise:

(b) Individuals whose combination finished as the first two (2) betting interests shall be winners, except if there are not any of those wagers, then;

(c) Individuals whose combination included either the first- or second-place finisher shall be winners, except if there are not any of those wagers on one (1) of the two (2) finishers, then;

(d) Individuals whose combination included the one (1) covered betting interest included within the first two (2) finishers shall be winners, except if there are not any of those wagers, then;

(e) The entire pool shall be refunded on Big Q wagers for that race.

(3) (a) In the first Big Q race only, if there is a dead heat for first involving horses representing the same betting interest, individuals who selected the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish shall be winners.

(b) In the first Big Q race only, if there is a dead heat for first involving horses representing two (2) betting interests, the winning Big Q wagers shall be determined as if no dead heat occurred.

(c) In the first Big Q race only, if there is a dead heat for first involving horses representing three (3) or more betting interests, individuals whose combination included any two (2) of the betting interests finishing in the dead heat shall be winners.

(4) In the first Big Q race only, if there is a dead heat for second, the winners shall be those who combined the first place finisher with any of the runners involved in the dead heat for second.

(5) In the second Big Q race only, the entire net Big Q pool shall be distributed to individuals in the following precedence based upon the official order of finish for the second Big Q race:

(a) If a mutuel entry or mutuel field finishes as the first two (2) finishers, as a single price pool to individuals who selected the mutuel entry or mutuel field combined with the next separate betting interest in the official order of finish, otherwise;

(b) As a single price pool to individuals whose combination finished as the first two (2) betting interests, except if there are not any of those wagers, then;

(c) As a profit split to individuals whose combination included either the first- or second-place finisher, except if there are not any of those wagers on one (1) of those two (2) finishers, then;

(d) As a single price pool to individuals whose combination included one (1) of the covered betting interests included within the first two (2) finishers, except if there are not any of those wagers, then;

(e) As a single price pool to all exchange ticket holders for that race, except if there are not any of those wagers, then;

(f) In accordance with subsection (2) of this section.

(6) (a) In the second Big Q race only, if there is a dead heat for first involving horses representing the same betting interest, the net Big Q pool shall be distributed to individuals selecting the mutual entry or mutual field combined with the next separate betting interest in the official order of finish.

(b) In the second Big Q race only, if there is a dead heat for first involving horses representing two (2) betting interests, the net Big Q pool shall be distributed as if no dead heat occurred.

(c) In the second Big Q race only, if there is a dead heat for first involving horses representing three (3) or more betting interests, the net Big Q pool shall be distributed as a profit split to individuals whose combination included any two (2) of the betting interests finishing in the dead heat.

(7) In the second Big Q race only, if there is a dead heat for second involving horses representing two (2) or more betting interests, the Big Q pool shall be distributed to individuals in the following precedence based upon the official order of finish:

(a) As a profit split to individuals combining the winner with any of the betting interests involved in the dead heat for second, except if there is only one (1) covered combination, then;

(b) As a single price pool to individuals combining the winner with the one (1) covered betting interest involved in the dead heat for second, except if there are not any of those wagers, then;

(c) As a profit split to individuals combining the betting interests involved in the dead heat for second, except if there are not any of those wagers, then;

(d) As a profit split to individuals whose combination included the winner and any other betting interest and wagers selecting any of the betting interests involved in the dead heat for second, then;

(e) As a single price pool to all exchange ticket holders for that race, except if there are not any of those tickets, then;

(f) In accordance with subsection (2) of this section.

(8) If a winning ticket for the first half of the Big Q is not presented for exchange prior to the close of betting on the second half Big Q race, the ticket holder shall forfeit all rights to any distribution of the Big Q pool resulting from the outcome of the second race.

(9) If a betting interest in the first half of the Big Q is scratched, the Big Q wagers including the scratched betting interest shall be refunded.

(10) (a) If a betting interest in the second half of the Big Q is scratched, an immediate public announcement and immediate posting on the association's video monitors and website concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest.

(b) If tickets have not been exchanged prior to the close of betting for the second Big Q race, the ticket holder shall forfeit all rights to the Big Q pool.

(11) If either of the Big Q races is cancelled prior to the first Big Q race, or the first Big Q race is declared "no contest," the entire Big Q pool shall be refunded on Big Q wagers for that race.

(12) If the second Big Q race is cancelled or declared "no contest" after the conclusion of the first Big Q race, the net Big Q pool shall be distributed as a single price pool to wagers selecting the winning combination in the first Big Q race and all valid exchange tickets. If there are not any of those wagers, the net Big Q pool shall be distributed as described in subsection (2) of this section.

#### Section 14. Pick-(n) Pools.

(1) The Pick-(n) requires the selection of the first place finisher in each of (n)-specified races designated by the association and approved by the commission where (n) is any number of races greater than 2. Any changes to the Pick-(n) format shall be approved by the commission before implementation.

(2) The Pick-(n) pari-mutuel pool consists of amounts contributed for a win only selection in each of (n) races designated by the association. Each individual placing a Pick-(n) wager shall designate the winning horse in each of (n) races comprising the Pick-(n).

(3) The net Pick-(n) pool shall be apportioned in one the following methods based upon the official order of finish:

(a) Method 1, Pick-(n) with Carryover: The net Pick-(n) pool and carryover, if any, shall be distributed as a single price pool to those who selected the first-place finisher in each of the Pick-(n) contests, based upon the official order of finish. If there are no such wagers, then a designated percentage of the net pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick-(n) contests; and the remainder shall be added to the carryover. Where there is no correct selection of the first-place finisher in at least one of the Pick-(n) contests, based upon the official order of finish, the day's net pool shall be refunded and the previous carryover pool amount, if any, shall be carried over to the next scheduled corresponding pool.

(b) Method 2, Pick-(n) with 100 percent Carryover: The net Pick-(n) pool and carryover, if any, shall be distributed as a single price pool to those who selected the first-place finisher in each of the Pick-(n) contests, based upon the official order of finish. If there are no such wagers, then 100 percent of that day's net pool shall be added to the carryover. Where there is no correct selection of the first-place finisher in at least one of the Pick-(n) contests, based upon the official order of finish, the day's net pool shall be refunded and the previous carryover pool amount, if any, shall be carried over to the next scheduled corresponding pool.

(c) Method 3, Pick-(n) with Minor Pool and Carryover: The major share of the net Pick-(n) pool and the carryover, if any, shall be distributed to those who selected the first-place finisher in each of the Pick-(n) contests, based upon the official order of finish. The minor share of the net Pick-(n) pool shall be distributed to those who selected the first place finisher in the second greatest number of Pick-(n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher of all Pick-(n) contests, the minor share of the net Pick-(n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick-(n) contests; and the major share shall be added to the carryover. Where there is no correct selection of the first-place finisher in at least one (1) of the Pick-(n) contests, based upon the official order of finish, the day's net pool shall be refunded and the previous carryover pool amount, if any, shall be carried over to the next scheduled corresponding pool.

(d) Method 4, Pick-(n) with No Minor Pool and No Carryover: The net Pick-(n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick-(n) contests, based upon the official order of finish. If there are no winning wagers, the pool is refunded.

(e) Method 5, Pick-(n) with Minor Pool and No Carryover: The major share of the net Pick-(n) pool shall be distributed to those who selected the first place finisher in the greatest number of Pick-(n) contests, based upon the official order of finish. The minor share of the net Pick-(n) pool shall be distributed to those who selected the first-place finisher in the second greatest number of Pick-(n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in a second greatest number of Pick-(n) contests, the minor share of the net Pick-(n) pool shall be combined with the major share for distribution as a single price pool to those who selected the first-place finisher in the greatest number of Pick-(n) contests. If the greatest number of first-place finishers selected is one (1), the major and minor shares are combined for distribution as a single price pool. If there are no winning wagers, the pool is refunded.

(f) Method 6, Pick-(n) with Minor Pool and No Carryover: The major share of net Pick-(n) pool shall be distributed to those who selected the first-place finisher in each of the Pick-(n) contests, based upon the official order of finish. The minor share of the net Pick-(n) pool shall be distributed to those who selected the first-place finisher in the second greatest number of Pick-(n) contests,

based upon the official order of finish. If there are no wagers selecting the first-place finisher in all Pick-(n) contests, the entire net Pick-(n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick-(n) contests. If there are no wagers selecting the first-place finisher in a second greatest number of Pick-(n) contests, the minor share of the net Pick-(n) pool shall be combined with the major share for distribution as a single price pool to those who selected the first-place finisher in each of the Pick-(n) contests. If there are no winning wagers, the pool is refunded.

(g) Method 7, Pick-(n) with Carryover and "Unique Winning Ticket" Provision: The net Pick-(n) pool and carryover, if any, shall be distributed to the holder of a unique winning ticket that selected the first-place finisher in each of the Pick-(n) contests, based upon the official order of finish. If there are multiple tickets selecting the first-place finisher in each of the Pick-(n) contest(s), a share that has been declared by the Association and approved by the commission, of the net Pick-(n) shall be distributed as a single price pool to those who selected the first-place finisher in each of the Pick-(n) contests and the remaining share shall be added to the carryover. If there are no tickets selecting the first-place finisher in each of the Pick-(n) contests, then; the entire net Pick-(n) pool shall be added to the carryover. Associations may suspend previously approved unique winning ticket wagering with the prior approval of the commission. Any carryover shall be held until the suspended unique winning ticket wagering is reinstated. Where there is no correct selection of the first-place finisher in at least one (1) of the Pick-(n) contests, based upon the official order of finish, the day's net pool shall be refunded and the previous carryover pool amount, if any, shall be carried over to the next scheduled corresponding pool. In obtaining authorization for operating the Pick-(n) pool under this subsection, associations must clearly identify which definition under paragraph 16(b) will be relied upon for determining the existence of a unique winning ticket.

(4) If there is a dead heat for first place in any of the Pick-(n) races involving contestants representing the same betting interest, the Pick-(n) pool shall be distributed as if no dead heat occurred.

(5) If there is a dead heat for first place in any of the Pick-(n) races involving contestants representing two (2) or more betting interests, the Pick-(n) pool shall be distributed as a single price pool with each winning wager receiving an equal share of the profit.

(6) If a betting interest is scratched or is designated to run for purse money only from any leg of the Pick-(n), the association shall use the actual favorite, as evidenced by total amounts wagered in the Win pool at the host association, for the contest at the close of wagering on that contest, and shall be substituted for the betting interest that was scratched or designated to run for purse money only for all purposes, including pool calculations. In the event that the Win pool total for two (2) or more favorites is identical, the substitute selection shall be the betting interest with the lowest program number. The totalizer shall produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination.

(7) If for any reason more than half of the races comprising the Pick-(n) are cancelled or declared a "no contest", and there was no previous carryover amount, wagering on the Pick-(n) shall be cancelled and all wagers shall be refunded.

(8) If for any reason more than half of the races comprising the Pick-(n) are cancelled or declared a "no contest", and a previous carryover amount existed, the carryover amount shall be frozen and added to the next scheduled Pick-(n) event. Wagering on the Pick-(n) for the cancelled Pick-(n) wager races shall be cancelled and all wagers shall be refunded.

(9) If the condition of the turf course warrants a change of racing surface in any races of the Pick-(n), and the change has not been disclosed to the public prior to "off time" of the first race of the Pick-(n), the stewards shall declare the changed races an "all win" race for Pick-(n) wagering purposes only. An "all win" race shall assign the winner of that race to each Pick-(n) ticket holder as their selection for that race.

(10) The Pick-(n) carryover may be capped at a designated

level approved by the commission so that if, at the close of any performance, the amount in the Pick-(n) carryover equals or exceeds the designated cap, the Pick-(n) carryover will be frozen until it is won or distributed under other provisions of this rule. After the Pick-(n) carryover is frozen, 100 percent of the net pool, part of which ordinarily would be added to the Pick-(n) carryover, shall be distributed to those whose selection finished first in the greatest number of Pick-(n) contests for that performance.

(11) A written request for permission to distribute the Pick-(n) carryover on a specific performance may be submitted to the commission. The request must be for a specified date no greater than one (1) year from the date the request is submitted and contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(12) Should the Pick-(n) carryover be designated for distribution on a specified date and performance in which there are no wagers selecting the first-place finisher in each of the Pick-(n) contests, the entire pool shall be distributed as a single price pool to those whose selection finished first in the greatest number of Pick-(n) contests. The Pick-(n) carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(a) Upon written approval from the commission as provided in subsection (8) of this rule.

(b) Upon written approval from the commission when there is a change in the carryover cap, a change from one (1) type of Pick-(n) wagering to another, or when the Pick-(n) is discontinued.

(c) On the closing performance of the meet or split meet.

(13) Notwithstanding subsections (10) and (12), if for any reason the Pick-(n) carryover must be held over to the corresponding Pick-(n) pool of a subsequent meet, the carryover shall be deposited in an interest-bearing account approved by the commission. The Pick-(n) carryover plus accrued interest shall then be added to the net Pick-(n) pool of the following meet on a date and performance designated by the association and approved by the commission.

(14) With the written approval of the commission, the association may contribute to the Pick-(n) carryover a sum of money up to the amount of any designated cap.

(15) The association may suspend previously-approved Pick-(n) wagering with the prior approval of the commission. Any carryover shall be held until the suspended Pick-(n) wagering is reinstated. An association may request approval of a Pick-(n) wager or separate wagering pool for specific performances.

(16) As it relates to any distribution method under section (2) which contains a unique winning ticket provision:

(a) A written request for permission to distribute the Pick-(n) unique winning ticket carryover on a specific performance may be submitted to the commission. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution. Should the Pick-(n) unique winning ticket net pool and any applicable carryover be designated for distribution on a specified date and performance in which there is no unique winning ticket, the entire pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick-(n) contests.

(b) Associations must clearly identify which selection under clauses (i) and (ii) below will be relied upon for determining the existence of a unique winning ticket:

1. There is one (1) and only one (1) winning ticket that correctly selected the first place finisher in each of the Pick-(n) contests, based upon the official order of finish, to be verified by the unique serial number assigned by the tote company that issued the winning ticket; or

2. The total amount wagered on one (1) and only one (1) winning combination selecting the first-place finisher in each of the Pick-(n) contests, based up on the official order of finish, is equal to the minimum allowable wager.

(17) (a) Each association shall disclose in its license application whether it intends to schedule Pick-(n) races and, if so, shall disclose:

1. The percentage of the pool to be retained for the winning wagers, and

2. The designated amount of any cap to be set on the pool to be retained for the winning wagers.

3. Any changes to the Pick-(n) scheduling shall require prior approval from the commission or its designee.

(18) An association may request permission from the commission to distribute the Pick-(n) carryover on a specific performance. The request shall contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(19) Upon written approval of the commission, a sum of money up to the amount of any designated cap may be contributed to the Pick-(n) carryover by an association. The association may supply information to the general public regarding the winning dollars in the Pick-(n) pool. The information shall not be selectively distributed. This shall not prohibit necessary communication between totalizator and pari-mutuel department employees for processing of pool data.

#### Section 15. Twin Trifecta Pools.

(1) The Twin Trifecta requires the selection of the first three (3) finishers, in their exact order, in each of two (2) designated races.

(a) Each winning ticket for the first Twin Trifecta race shall be exchanged for a free ticket on the second Twin Trifecta race in order to remain eligible for the second half Twin Trifecta pool.

(b) The winning tickets may only be exchanged at attended ticket windows prior to the second Twin Trifecta race.

(c) Winning first half Twin Trifecta wagers shall receive both an exchange and a monetary payout.

(d) Both of the designated Twin Trifecta races shall be included in only one (1) Twin Trifecta pool.

(2) After wagering closes for the first half of the Twin Trifecta, and the takeout has been deducted from the pool, the net pool shall then be divided into two (2) separate pools: the first half Twin Trifecta pool and the second half Twin Trifecta pool.

(3) In the first Twin Trifecta race only, winning wagers shall be determined using the following precedence based upon the official order of finish for the first Twin Trifecta race:

(a) As a single price pool to individuals whose combination finished in the correct sequence as the first three (3) betting interests, except if there are not any of those wagers, then;

(b) As a single price pool to individuals whose combination included, in correct sequence, the first two (2) betting interests, except if there are not any of those wagers, then;

(c) As a single price pool to individuals whose combination correctly selected the first-place betting interest only, except if there are not any of those wagers, then;

(d) The entire Twin Trifecta pool shall be refunded on Twin Trifecta wagers for that race and Twin Trifecta wagering on the second half shall be cancelled.

(4) Except as set forth in subsection (16) of this section, if no first half Twin Trifecta ticket selects the first three (3) finishers of that race in exact order:

(a) Exchange tickets for the second half Twin Trifecta pool shall not be distributed; and

(b) The second half Twin Trifecta pool shall be retained and added to any existing Twin Trifecta carryover pool.

(5) (a) Tickets from the first half of the Twin Trifecta that correctly select the first three (3) finishers shall be exchanged for tickets selecting the first three (3) finishers of the second half of the Twin Trifecta.

(b) The second half Twin Trifecta pool shall be distributed to individuals in the following precedence based upon the official order of finish for the second Twin Trifecta race:

1. As a single price pool, including any existing carryover monies, to individuals whose combination finished in correct sequence as the first three (3) betting interests except if there are not any of those wagers, then;

2. The entire second half Twin Trifecta pool for that race shall be added to any existing carryover monies and retained for the corresponding second half Twin Trifecta pool of the next consecutive performance.

(c) If a winning first half Twin Trifecta ticket is not presented for cashing and exchange prior to the second half Twin Trifecta race, the ticket holder may still collect the monetary value associated with the first half Twin Trifecta pool except the ticket holder shall forfeit all rights to any distribution of the second half Twin Trifecta pool.

(6) Mutuel entries and mutuel fields shall be prohibited in Twin Trifecta races.

(7) If a betting entry in the first half of the Twin Trifecta is scratched, Twin Trifecta wagers including the scratched betting interest shall be refunded.

(8) (a) If a betting interest in the second half of the Twin Trifecta is scratched, an immediate public announcement and immediate posting on the association's video monitors and website concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest.

(b) If tickets have not been exchanged prior to the close of betting for the second Twin Trifecta race, the ticket holder shall forfeit all rights to the second half Twin Trifecta pool.

(9) If, due to a late scratch, the number of betting interests in the second half of the Twin Trifecta is reduced to fewer than the minimum, all exchange tickets and outstanding first half winning tickets shall be entitled to the second half pool for that race, except they shall not be entitled to the Twin Trifecta carryover.

(10) (a) If there is a dead heat or multiple dead heats in either the first or second half of the Twin Trifecta, all Twin Trifecta wagers selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be winning wagers.

(b) If the dead heat occurs in the first half of the Twin Trifecta, the payout shall be calculated as a profit split.

(c) If the dead heat occurs in the second half of the Twin Trifecta, the payout shall be calculated as a single price pool.

(11) If the first Twin Trifecta race is canceled or declared "no contest", the entire Twin Trifecta pool shall be refunded on Twin Trifecta wagers for that race and the second half shall be cancelled.

(12) (a) If the second half Twin Trifecta race is cancelled or declared "no contest", all exchange tickets and outstanding first half winning Twin Trifecta tickets shall be entitled to the net Twin Trifecta pool for that race as a single price pool, except they shall not be entitled to the Twin Trifecta carryover.

(b) If there are no outstanding first half winning Twin Trifecta tickets, the net Twin Trifecta pool shall be distributed as described in subsection (3) of this section.

(13)(a) The Twin Trifecta carryover may be capped at a designated level approved by the commission so that if, at the close of any performance, the amount in the Twin Trifecta carryover equals or exceeds the designated cap, the Twin Trifecta carryover shall be frozen until it is won or distributed under the provisions of this administrative regulation.

(b) After the Twin Trifecta carryover is frozen, 100 percent of the net Twin Trifecta pool for each individual race shall be distributed to winners of the first half of the twin Trifecta pool.

(14) A written request for permission to distribute the Twin Trifecta carryover on a specific performance may be submitted to the commission. The request shall contain:

(a) Justification for the distribution;

(b) An explanation of the benefit to be derived; and

(c) The intended date and performance for the distribution.

(15) If the Twin Trifecta carryover is designated for distribution on a specified date and performance, the following precedence shall be followed in determining winning tickets for the second half of the Twin Trifecta after completion of the first half of the Twin Trifecta:

(a) As a single price pool to individuals whose combination finished in correct sequence as the first three (3) betting interests, except if there are not any of those wagers, then;

(b) As a single price pool to individuals whose combination included, in correct sequence, the first two (2) betting interests, except if there are not any of those wagers, then;

(c) As a single price pool to individuals whose combination

correctly selected the first-place betting interest only, except if there are not any of those wagers, then;

(d) As a single price pool to holders of valid exchange tickets, except if there are not any of those wagers, then;

(e) As a single price pool to holders of outstanding first half winning tickets.

(16) If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first- and second-place finishers.

(b) If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, exchange tickets shall be issued for combinations correctly selecting only the first-place finisher.

(c) If there are no wagers selecting the first-place finisher only in the first half of the Twin Trifecta, all first half tickets shall be winning tickets and shall be entitled to 100 percent of that performance's net Twin Trifecta pool, and any existing Twin Trifecta carryover.

(17) The Twin Trifecta carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(a) Upon written approval from the commission as provided in subsection (14) of this section;

(b) Upon written approval from the commission if there is a change in the carryover cap or if the Twin Trifecta is discontinued; or

(c) On the closing performance of the meeting or split meeting.

(18) If, for any reason, the Twin Trifecta carryover shall be held over to the corresponding Twin Trifecta pool of a subsequent meeting, the carryover shall be deposited in an interest-bearing account approved by the commission. The Twin Trifecta carryover plus accrued interest shall then be added to the second half Twin Trifecta pool of the following meeting on a date and performance so approved by the commission.

(19) Associations shall not provide information to any individual regarding covered combinations, the number of tickets sold, or the number of valid exchange tickets. This shall not prohibit necessary communication between totalizator and pari-mutuel department employees from processing of pool data.

(20) (a) Each association shall disclose in its license application whether it intends to schedule Twin-Trifecta wagering and, if so, shall disclose:

1. The percentages of the net pool added to the first half pool and the second half pool; and

2. The amount of any cap to be set on the carryover.

(b) Any subsequent changes to the Twin Trifecta scheduling require prior approval from the commission or its designee.

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation establishes the regulatory framework that applies to the calculation of all pari-mutuel wagers placed on live wagers on races conducted in the Commonwealth.

(b) The necessity of this administrative regulation: This new administrative regulation is being promulgated as part of a comprehensive revision of the Kentucky Horse Racing Commission's regulatory scheme. This regulation is intended to replace previous regulations concerning the same subject matter which are being concurrently repealed.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) grants the commission the authority to regulate conditions under which horse racing and pari-mutuel wagering thereon shall be conducted in Kentucky. KRS 230.361(1) requires the commission to promulgate administrative regulations governing and regulating pari-mutuel wagering on horse races under the pari-mutuel system of wagering.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: KRS 230.215(2) grants the commission the authority to regulate conditions under which horse racing and pari-mutuel wagering thereon shall be conducted in the Commonwealth. This regulation establishes methods by which racing associations in the Commonwealth shall calculate payouts on winning pari-mutuel wagers on live horse races conducted in the Commonwealth. This will consolidate the wagering rules for all breeds into a single, uniform regulation.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect the seven currently-licensed racing associations in the Commonwealth, any applicant for a racing association license, all licensed participants in racing in the Commonwealth, all patrons who place pari-mutuel wagers on live horse races conducted in the Commonwealth, and the commission.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Since all of the entities listed in Question 3 currently comply with previous versions of this administrative regulation, no action is expected to be required to comply with this new administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Since the infrastructure is currently in place to comply with previous versions of this administrative regulation not additional costs are expected to be required.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Kentucky's seven currently-licensed racing associations, any applicant for a racing association license, all licensed participants in racing in the Commonwealth, all patrons who place pari-mutuel wagers on live horse races conducted in the Commonwealth, and the commission will benefit from the establishment of clearly defined regulatory guidelines concerning pari-mutuel wagering and the calculation and distribution of pools.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The total initial cost would be expected to be minimal since most of the regulatory personnel and regulatory infrastructure are currently in place.

(b) On a continuing basis: The total ongoing costs would be expected to be minimal since most of the regulatory personnel and regulatory infrastructure are currently in place.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Racing associations and advance deposit wagering licensees are currently required to pay an excise tax on the gross amount of money wagered on live and simulcast races for which the associations accept pari-mutuel wagers. A portion of this excise tax is used to pay for regulation. In addition, licensees are required to reimburse the commission pursuant to KRS 230.240 to cover the commission's increased regulatory costs relating to compensation of additional personnel and other expenses.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This amendment does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation and licensed thoroughbred and standardbred racing associations located in the Commonwealth of Kentucky and licensed advance deposit wagering companies operating in the Commonwealth.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.361.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to revenues generated from this administrative regulation.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to revenues generated from this administrative regulation.

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for

subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### 810 KAR 7:010. Backside Improvement Fund.

RELATES TO: KRS 230.218

STATUTORY AUTHORITY: KRS 230.218(3)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.218(3) requires the Kentucky Horse Racing Commission to promulgate administrative regulations for using the backside improvement fund to promote, enhance, and improve the conditions of the backside of eligible racing associations in Kentucky.

Section 1. Definition. "Backside facilities" means those facilities located at thoroughbred horse racing associations in Kentucky where horses are stabled and quartered and where stable employees work and live.

Section 2. Limitations. All monies disbursed by the commission pursuant to KRS 230.218 shall be used solely for improvements to backside facilities.

#### Section 3. Application.

(1) An application for monies from the backside improvement fund shall:

(a) Be submitted to the main office of the commission; and

(b) Include the following:

1. A prioritized list of all proposed projects;

2. A full written and graphic description of each proposed project, with justification of the need for each;

3. An itemized cost estimate of each proposed project; and

4. Any contract in existence relating to the proposed improvements.

#### Section 4. Consideration and Determination.

(1) An application shall be approved or denied at either:

(a) The first regularly scheduled commission meeting that occurs after the application has been received; or

(b) At the second regularly scheduled commission meeting, if the application is received less than seven (7) calendar days before a regularly scheduled commission meeting.

(c) Approval of the application shall be based on the likelihood that the proposal will promote, enhance, and improve the conditions of the eligible backside facilities.

Section 5. Disbursements. All disbursements of monies and other transactions between the commission and the horse racing association involved shall be according to the terms and conditions of the project proposal as approved by the commission.

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation establishes the eligibility requirements for receiving monies from the backside improvement fund to promote, enhance and improve the conditions of the backside of eligible racing associations in Kentucky.

(b) The necessity of this administrative regulation: This regulation is necessary to exercise the statutory authority of the KHRC set forth in KRS 230.218(3) "The Kentucky Horse Racing Commission shall promulgate administrative regulations as may be necessary to carry out the provisions and purposes of this section". Specifically, this regulation is necessary to establish the requirements for using the backside improvement fund.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This regulation conforms to the statutory authority granted to the Kentucky Horse Racing Commission by KRS 230.218.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation sets forth the requirements for applications for and receiving monies from the backside improvement fund.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect thoroughbred racing associations licensed and located in the Commonwealth of Kentucky; building maintenance and remodeling companies, retail hardware stores, and asphalt repair companies.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Entities identified in (3) will not have to take additional action to comply.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): None of the entities identified in (3) will incur any costs in complying with the administrative regulation.

(c) As a result of compliance, what benefits will accrue to the

entities identified in question (3)? The racing associations will have improved backside facilities and other entities will receive increased business.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: There are no cost associated with the implementation and enforcement of this administrative regulation. Funds collected under KRS 230.3615 are allocated to each association in the amount that was paid by that association to the backside improvement fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: It is not necessary to increase fees or funding to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this new administrative regulation will apply to all similarly situated entities in an equal manner.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.218.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined, participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): Increase – No specific estimate

Expenditures (+/-): No impact

Other Explanation: This administrative regulation provides

eligibility requirements for accessing the backside improvement fund. As licensed thoroughbred racing associations continue to access the funds, individuals identified in the Regulatory Impact Analysis and Tiering Statement may receive an increase in revenue.

(20) "Qualified winner" means a thoroughbred horse born out of a qualified mare and from a Kentucky sire that is declared the official winner by the stewards and is not eligible to be claimed in that race.

(21) "Qualified winner's earnings" means the gross cash portion of the prize, as this portion is determined by The Jockey Club, awarded to the qualified winner of a race that is paid for from the association or the license holder permitted to conduct racing in the jurisdiction.

(22) "Starter allowance" means a race written to allow claiming horses who have improved from their earlier form to run in a nonclaiming event.

**Section 2. Timing of Awards; Eligibility.**

(1) Disbursements from the KBIF shall be made after December 31, but not later than March 31, for awards earned for the preceding calendar year.

(2) For a horse foaled prior to 2007, the breeder shall be eligible to receive funds from the Kentucky Thoroughbred Breeders' Incentive Fund, if the horse is eligible to be registered to receive funds under the Kentucky Thoroughbred Development Fund.

(3) For a horse foaled during or after 2007, the requirements set forth in this administrative regulation shall be met.

(4) The races eligible for awards from the KBIF as provided in Sections 3 and 6 of this administrative regulation shall be those run on and after January 1, 2006.

**Section 3. Awards.**

(1) An incentive of \$50,000 shall be awarded to the qualified breeder of the qualified winner of:

(a) The Kentucky Derby; and

(b) The Kentucky Oaks.

(2) (a) An incentive shall be awarded to the twenty (20) horses with the most claiming wins in Kentucky each year.

(b) Horses earning awards at a Kentucky race track through any component other than the claiming component during the

same calendar year shall not be eligible for the Kentucky claiming component.

(c) An incentive of \$200,000 shall be distributed to the twenty (20) qualified Kentucky claiming horses with the most claiming wins in Kentucky, as follows:

1. \$20,000 to the horse with the most wins;
2. \$17,500 to the horse with the second most wins;
3. \$15,000 to the horse with the third most wins;
4. \$12,500 to the horse with the fourth most wins;
5. \$12,000 to the horse with the fifth most wins;
6. \$11,500 to the horse with the sixth most wins;
7. \$11,000 to the horse with the seventh most wins;
8. \$10,500 to the horse with the eighth most wins;
9. \$10,000 to the horse with the ninth most wins;
10. \$9,500 to the horse with the tenth most wins;
11. \$9,000 to the horse with the eleventh most wins;
12. \$8,500 to the horse with the twelfth most wins;
13. \$8,000 to the horse with the thirteenth most wins;
14. \$7,500 to the horse with the fourteenth most wins;
15. \$7,000 to the horse with the fifteenth most wins;
16. \$6,500 to the horse with the sixteenth most wins;
17. \$6,000 to the horse with the seventeenth, eighteenth,

nineteenth, and twentieth most wins.

(d) Claiming earnings earned at a Kentucky race track from the same calendar year shall be used to settle any ties.

(e) If two (2) or more horses have the same number of wins and the same total earnings, all incentive totals to which those horses would have been entitled shall be divided equally between or among them.

(3) (a) For those KBIF registered horses foaled in 2007 or after, an incentive shall be awarded to the qualified breeder of the qualified winner of each maiden special weight and allowance race held in the United States, but outside Kentucky, or at Woodbine Racetrack in Ontario, Canada.

(b) The incentive shall be that amount which is equal to ten (10) percent of the qualified winner's earnings except it shall not exceed \$3,000.

(4) (a) An incentive shall be awarded to the qualified breeder of the qualified winner of each maiden special weight and allowance race held in Kentucky.

(b) The incentive shall be that amount that is equal to ten (10) percent of the qualified winner's earnings except it shall not exceed \$3,000.

(5) (a) For those KBIF registered horses foaled in 2007 or after, an incentive shall be awarded to the qualified breeder of the qualified winner of each non-graded stakes race held in the United States, but outside Kentucky, or at Woodbine Racetrack in Ontario, Canada.

(b) The incentive shall be that amount that is equal to ten (10) percent of the qualified winner's earnings except it shall not exceed \$4,000.

(6) (a) An incentive shall be awarded to the qualified breeder of the qualified winner of each non-graded stakes race held in Kentucky.

(b) The incentive shall be that amount that is equal to ten (10) percent of the qualified winner's earnings except it shall not exceed \$4,000.

(7) (a) An incentive shall be awarded to the qualified breeder of the qualified winner of each:

1. Grade I stakes race held in the United States;
2. Group 1 race held in Canada, England, France, and Ireland; and
3. Group I race held on Dubai World Cup day, Japan Cup day, and Hong Kong International day.

(b) The incentive shall be \$7,500.

(8) (a) An incentive shall be awarded to the qualified breeder of the qualified winner of each:

1. Grade II and Grade III stakes race held in the United States; and
2. Group 2 and Group 3 race held in Canada, England, France, and Ireland.

(b) The incentive shall be \$5,000.

(9) An incentive shall not be awarded to the winner of any

Breeders' Cup World Championship race.

#### Section 4. Registration of Foals.

(1) (a) For a horse foaled on or before December 31, 2006 and eligible to be registered under Section 2(2) of this administrative regulation, the intended breeder of record shall file a "Kentucky Thoroughbred Breeders' Incentive Fund Application for Award Form", KHRC 7-020-7, with the commission.

(b) The Kentucky Thoroughbred Breeders' Incentive Fund Application for Award form shall be filed no later than December 31 of the year following the year in which the horse has raced in a race that would qualify the horse for an incentive from the KBIF.

(c) A filing fee of thirty (30) dollars shall be deducted from the award amount.

(d) The filing fee shall be assessed one (1) time per horse.

(2) For a horse foaled on or after January 1, 2007, the intended breeder of record shall register the unborn foal with the commission on or prior to August 15 of the cover year by filing the "Kentucky Thoroughbred Breeders' Incentive Fund Application for Mare Registration Form", KHRC 7-020-1, and paying a filing fee of sixty (60) dollars, except as provided in subsection (5) of this section.

(3) (a) The commission shall be recognized and designated as the sole official registrar of the KBIF for the purposes of registering Kentucky thoroughbred foals in accordance with this administrative regulation.

(b) The records of The Jockey Club shall be used as the official records of the commission for purposes of this regulation to determine the following information:

1. The identity of the qualified breeder;
2. The claiming wins and earnings for each race;
3. The qualified winners' earnings for each race;
4. The name of the qualified winner for each race;
5. The name of each horse determined to be a qualified

Kentucky claiming horse;

6. The registration number or special identification number of the KBIF registered horse;

7. The name of the KBIF registered horse; and

8. Other information for purposes of administering the KBIF.

(4) If the information on a form required under this section is found to be incorrect or becomes incorrect or changes, the person considered to be the intended breeder of record shall file an amended form with the commission to correct the information.

(5) (a) The Commission may accept a late filing if the intended breeder of record can prove that the foal otherwise met the eligibility requirements to be a KBIF registered horse. The late filing shall be made on the "Kentucky Thoroughbred Breeders' Incentive Fund Application for Late Mare Registration Form", KHRC 7-020-6.

(b) The amount of the late filing fee shall be:

1. \$150 for a filing made after August 15 of the cover year and on or prior to December 31 of the cover year;
2. \$750 for a filing made between January 1 and December 31 of the weanling year; and
3. \$1,500 for a filing made between January 1 and December 31 of the yearling year.

(6) (a) The commission may accept a special filing if a pregnant mare is purchased at public auction outside Kentucky and:

1. The mare resided in Kentucky from the time of the first cover in Kentucky by a Kentucky sire to the time of foaling;
2. The mare returned to Kentucky within fourteen (14) days of the conclusion of the auction; and
3. The foal meets all of the other eligibility requirements to be a KBIF registered horse.

(b) The special filing shall be made on the "Kentucky Thoroughbred Breeders' Incentive Fund Application for Special Filing of Mare Registration Form", KHRC 7-020-8.

(c) The amount of the special filing fee shall be:

1. \$300 for a filing made between January 1 and December 31 of the cover year;
2. \$1,500 for a filing made between January 1 and December 31 of the weanling year; and

3. \$3,000 for a filing made between January 1 and December 31 of the yearling year.

(7) If ownership of a mare is transferred, a "Kentucky Thoroughbred Breeders' Incentive Fund Mare Transfer Form", KHRC 7-020-2, shall be filed with the commission.

(8) If any registration or nomination deadline imposed by this administrative regulation falls on a weekend or holiday, the deadline shall be moved to the next business day following the original deadline.

#### Section 5. Qualification of Foal and Qualified Mare.

(1) The commission may inspect where the mare proposed to be a qualified mare is boarded or request and obtain records relating to the location of the mare proposed to be a qualified mare to determine that the residency requirement is met.

(2) The person claiming to be the qualified breeder shall bear the burden of proof to show that a mare is a qualified mare.

(3) A failure to comply with a term, condition, or requirement of this administrative regulation shall not result in the loss of the registration of the foal, if the person claiming the foal should be registered proves to the satisfaction of the commission:

(a) The failure to comply was insignificant with respect to the registration requirements as a whole; and

(b) A good faith and reasonable attempt was made to comply with all applicable terms, conditions, and requirements of this administrative regulation.

(4) For the thoroughbred dam to be a qualified mare, the thoroughbred dam shall have resided in Kentucky from the time of the first cover in Kentucky by a Kentucky sire until foaling, unless one (1) of the following exceptions is met:

(a) Medical procedure.

1. A medical procedure is required to be performed to protect the health of the mare or the unborn foal that involves an extraordinary medical situation and the breeder desires to have an expert located outside of Kentucky conduct the procedure;

2. The owner or the lessee of the mare files a "Kentucky Thoroughbred Breeders' Incentive Fund Application to Move Mare Outside of Kentucky Form", KHRC 7-020-4, no later than fourteen (14) days after the mare leaves Kentucky and provides information relating to the procedure;

3. The executive director of the commission approves the departure of the mare from Kentucky;

4. The mare remains under the care of a veterinarian during the entire period of time she is not residing in Kentucky other than the time during which she is traveling to and from Kentucky; and

5. The mare is in Kentucky for foaling as established by documentation provided to the commission;

(b) Training.

1. The mare has not yet delivered her first foal and is in active training outside Kentucky;

2. The owner or the lessee of the mare files a "Kentucky Thoroughbred Breeders' Incentive Fund Application to Move Mare Outside of Kentucky Form", KHRC 7-020-4, at least fourteen (14) days before the mare leaves Kentucky and provides information relating to the training outside of Kentucky;

3. The executive director of the commission approves the departure of the mare from Kentucky; and

4. The mare is in Kentucky for foaling as established by documentation provided to the commission; or

(c) Public auction.

1. The owner of the mare desires to enter her for sale at a public auction held outside of Kentucky;

2. The owner of the mare files with the commission a "Kentucky Thoroughbred Breeders' Incentive Fund Application to Move Mare Outside of Kentucky Form", KHRC 7-020-4, at least fourteen (14) days before the mare leaves Kentucky and provides information relating to the auction;

3. The executive director of the commission approves the departure of the mare from Kentucky;

4. The mare returns to Kentucky within fourteen (14) days after the conclusion of the auction; and

5. The mare is in Kentucky for foaling as established by documentation provided to the commission.

(5) The executive director shall notify the commission if an exception is made to the residency requirement pursuant to subsection (4) of this section.

(6) A qualified breeder of a qualified mare shall be responsible for:

(a) The registration and records of the KBIF registered horse; and

(b) Complying with the requirements of the Kentucky Thoroughbred Breeders' Incentive Fund.

(7) The owner or lessee of the mare may withdraw the mare's foal from the KBIF by filing a "Kentucky Thoroughbred Breeders' Incentive Fund Notice of Withdrawal of Foal Form", KHRC 7-020-5.

#### Section 6. Shortfall and Bonus Calculation.

(1) If, at the close of any calendar year, inadequate funding is available in the KBIF to fund the awards provided for in Section 3 of this administrative regulation, the funding shall be decreased proportionally among all awards, excluding the Kentucky claiming award, the Kentucky Oaks award, and the Kentucky Derby award, until funding is adequate to fund all awards.

(2) (a) If, at the close of a calendar year, the amount available for awards is in excess of the amount necessary to fund the awards provided in Section 3 of this administrative regulation, after payment of operating expenses, a reserve fund shall be established in the KBIF in an amount that is no more than five (5) percent of the amount of funding available from tax receipts for that calendar year.

(b) Moneys in the reserve account may be used as needed to provide funding of awards in a subsequent calendar year if the amount available at the close of the last calendar year is insufficient to fund the awards provided in Section 3 of this administrative regulation.

(c) Additional money shall not be added to the reserve fund if it contains at least \$5,000,000 when the excess funding is available.

(3) If, at the close of a calendar year, the amount available for awards is in excess of the amount necessary to fund the awards provided in Section 3 of this administrative regulation and an amount has been designated for the reserve fund provided for in subsection (4)(a) of this section, then the awards shall be increased proportionally among all awards except the Kentucky claiming award, the Kentucky Oaks award, and the Kentucky Derby award.

#### Section 7. Application Requirements.

(1) The amount due for awards shall be calculated after the end of each calendar year. The recipient of an award shall be notified of the amount of the award to which the recipient may be entitled according to the last known address on file with the KBIF.

(2)(a) After receipt of notification of an award, each potential recipient shall return an application for the award on the "Kentucky Thoroughbred Breeders' Incentive Fund Application for Award Form", KHRC 7-020-7, certifying that the applicant is entitled to the award and certifies the applicant's United States taxpayer ID number or Social Security number.

(b) A breeder may appoint an authorized agent to complete the application by filing with the commission a "Kentucky Thoroughbred Breeders' Incentive Fund Authorized Agent Form", KHRC 7-020-3.

(3) (a) Awards due recipients who cannot be located by December 31 of the year after the year in which the qualified winner or qualified Kentucky claiming horse became eligible to receive an incentive under Section 3 of this administrative regulation shall lapse to the KBIF for distribution or building the reserve in the following year.

(b) Failure to submit the application by December 31 of the year after the year in which the qualified winner or qualified Kentucky claiming horse became eligible to receive an incentive under Section 3 of this administrative regulation shall result in forfeiture of the award and the award money shall lapse to the KBIF for distribution or building the reserve in the following year.

#### Section 8. Advisory Committee.

(1) The commission may establish an advisory committee to

assist in administering the KBIF.

(2) If established, the advisory committee shall consist of five (5) members appointed by the chairman of the commission by July 1 of each year. Each member of the advisory committee shall:

(a) Serve from July 1 through June 30 of the following year; and

(b) Be a resident of Kentucky.

(3) The advisory committee shall select a chairman from its membership annually.

#### Section 9. Incorporation by Reference.

(1) The following material is incorporated by reference:

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 28, 2018 at 10:00 a.m., at the office of the Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511. Individuals interested in being heard at this hearing shall notify the Kentucky Horse Racing Commission in writing by five (5) working days prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes eligibility standards, administrative practices to enforce the standards, and the administration of payments from the Kentucky Thoroughbred

Breeders' Incentive Fund (the "Fund").

(b) The necessity of this administrative regulation: This administrative regulation is necessary for the efficient administration of the Fund and to provide notice to participants regarding registration and eligibility standards and the rules that govern distribution of moneys from the fund. While this is a new regulation, it replaces 810 KAR 1:070.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.800(2)(b) requires the commission to "promulgate administrative regulations establishing the conditions and criteria for the distribution of moneys from the fund." This regulation fulfills that statutory mandate.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: KRS 230.800(2)(a) states, "The Kentucky Horse Racing Commission shall use moneys deposited in the Kentucky thoroughbred breeders incentive fund to administer the fund and provide rewards for breeders of horses bred and foaled in Kentucky." This regulation sets forth the eligibility criteria for participation in the Fund as well as the rules for distribution of rewards. It puts participants on notice of the deadlines with which they must comply and establishes procedures for resolving disputes. It also provides disciplinary measures for participants who violate the regulation.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This regulation affects thoroughbred breeders, boarding farm owners and employees, Kentucky veterinarians and equine health care facilities, horse transportation companies, farriers, farmers and suppliers of hay, feed and grain, equine supply companies providing medical sales, daily maintenance care and tack, Kentucky thoroughbred sale companies, equine tourism generating state/local room tax for lodging, gasoline tax on travel and transportation of horses, farm equipment retail stores, state and local payroll tax generated by the above businesses.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation updates the title number and references within the regulation. All entities identified in (3) will not require any additional responsibilities.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): None of the entities identified in (3) will incur any costs in complying with the administrative regulation. Rather, this administrative regulation simply updates the title number and references within.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? As a result of compliance, Kentucky's thoroughbred breeders and owners and persons providing services related to thoroughbred horses will receive incentive funds, directly or indirectly.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the

implementation and enforcement of this administrative regulation: The nomination fees are used for the implementation and enforcement of this regulation. This administrative regulation does not change the nomination fees and the source of funding remains the same. No additional funding is required.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.800.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined, continued growth and participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation requires mares to be bred to a Kentucky stallion and reside in Kentucky for the entire gestation of the pregnancy in order for the resulting foal to be eligible to receive distributions from the fund. This requirement provides economic support to all businesses and individuals who provide services necessary for the breeding and racing of thoroughbred horses. See Regulatory Impact Analysis and Tiering Statement, Section (3).

Other Explanation: None.

#### PUBLIC PROTECTION CABINET KENTUCKY HORSE RACING COMMISSION (New Administrative Regulation)

#### 810 KAR 7:030. Kentucky Thoroughbred Development Fund.

RELATES TO: KRS 138.510, 230.215, 230.225(5)(c), 230.400

STATUTORY AUTHORITY: KRS 230.215(2), 230.400

NECESSITY, FUNCTION AND CONFORMITY: KRS 230.215(1) declares that it is the policy and intent of the Commonwealth to foster and to encourage the business of legitimate horse racing with pari-mutuel wagering thereon in the Commonwealth on the highest possible plane. KRS 230.215(2) vests in the racing commission forceful control of horse racing in the Commonwealth with plenary power to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth so as to encourage the improvement of the breeds of horses in the Commonwealth and to regulate and maintain horse racing at horse race meetings in the Commonwealth of the highest quality. KRS 230.225(5)(c) states that the racing commission shall be responsible for recommending tax incentives and implementing incentive programs to ensure the strength and growth of the equine industry. KRS 230.400 establishes the Kentucky Thoroughbred Development Fund and requires the Kentucky Horse Racing Commission to promulgate administrative regulations as may be necessary to carry out its provisions and purposes. This administrative regulation establishes standards for eligibility and the administration of payments from the Kentucky Thoroughbred Development Fund.

#### Section 1. Definitions.

(1) "Applicant" means the qualified entity who registers the foal or horse with the KTDF official registrar.

(2) "Historical horse race handle" means monies wagered at a licensed Kentucky association on historical horse races as defined in 810 KAR 2:001.

(3) "Inter-state wagering" means monies wagered from a Kentucky thoroughbred association on thoroughbred races conducted outside of Kentucky.

(4) "Intra-state wagering" means monies wagered at a Kentucky thoroughbred association on thoroughbred races conducted at another Kentucky association.

(5) "KTDF" means the Kentucky Thoroughbred Development Fund.

(6) "KTOB" means the Kentucky Thoroughbred Owners and Breeders, Inc.

(7) "Live racing handle" means the monies wagered by individuals present on association grounds on thoroughbred races physically conducted on association grounds.

(8) "Nonlive racing handle" means the monies wagered at an association located in Kentucky on thoroughbred races not physically conducted at the association's grounds.

(9) "Official Registrar" means the association recognized and designated as the sole official registrar of the KTDF for the purpose of registering Kentucky thoroughbred stallions and Kentucky bred thoroughbreds in accordance with KRS 230.400.

#### Section 2. KTDF Monies Earned.

(1) One (1) live thoroughbred association.

(a) Live racing handle. An association conducting live racing shall earn KTDF money in the amount of 0.75 percent of the total live racing handle pursuant to KRS 138.510(1).

(b) Nonlive racing handle. An association conducting live racing shall earn KTDF money in the amount of two (2) percent of the total nonlive racing handle pursuant to KRS 138.510(2).

(2) More than one (1) live thoroughbred association. Unless there is an agreement among the thoroughbred associations conducting live racing to the contrary, if two (2) or more thoroughbred associations are conducting live racing on the same day, the monies earned from the handle for that day shall be divided as provided by this subsection.

(a) The association conducting the live racing shall earn KTDF money in the amount of seventy-five hundredths (0.75) percent of that association's live racing handle pursuant to KRS 138.510(1).

(b) Intra-state wagering monies shall be allocated to that Kentucky thoroughbred association on which the wagering is placed for purposes of calculating that association's KTDF earnings.

(c) Inter-state wagering monies originating from an association conducting live thoroughbred racing shall be allocated to that association for purposes of calculating that association's KTDF earnings.

(d) Inter-State wagering monies from all other Kentucky associations shall be divided evenly among the associations conducting live racing.

(3) Historical horse race handle. An association offering wagering on historical horse races shall earn KTDF money as provided by KRS 138.510(1).

(4) Unless otherwise stated, all KTDF money earned under this section shall be deposited in the KTDF account for that association.

#### Section 3. KTDF Reconciliation.

(1) Each association shall file with the commission a copy of the pari-mutuel tax form filed with the Department of Revenue, along with a copy of the check submitted for each report. These reports shall be filed weekly.

(2) Each association shall report to the commission the actual KTDF purse distribution within fifteen (15) calendar days after the last day of a live race meeting.

(3) The commission shall reconcile the weekly reports submitted by the association with the Department of Revenue's reports and deposits on a monthly basis.

(4) If at the close of a live race meet, an association has a balance of monies earned for that meet that has not been distributed in actual KTDF purse distribution, then the association may choose one of the following options to distribute the remaining balance, subject to the recommendation of the KTDF Advisory Committee and the approval of the commission:

(a) Use KTDF monies previously earned to supplement purses at future live racing meets held by that association; or

(b) Use KTDF monies previously earned to supplement purses already distributed at the last live racing meet held by the association to the recipients of the original purse allocations.

(5) If at the close of a live race meet, an association offering wagering on historical horse races has a balance of KTDF monies earned from historical horse race wagers that has not been distributed in actual KTDF purse distribution, then the association may distribute a portion of the balance, subject to the recommendation of the KTDF Advisory Committee and the approval of the commission:

(a) To supplement purses at future live racing meets held by that association;

(b) To supplement purses already distributed at the last live racing meet held by the association to the recipients of the original purse allocations; or

(c) To supplement purses at another licensed thoroughbred Kentucky racetrack.

(6) Reasonable and customary administrative charges for time spent reconciling the KTDF account may be charged by the commission to each association based on the percentage of funds generated by each association for the previous calendar year.

(7) An association, at its option, may pay advertising charges billed to the association by the KTOB from the association's KTDF available balance.

(8) Each association shall sign an agreement stating that it accepts and agrees with the reconciliation prior to the reimbursement of any KTDF funds.

Section 4. Purse Structure. Each association shall submit its KTDF purse structure proposal to the KTDF Advisory Committee for approval at least forty-five (45) days prior to the opening day of the live racing meet. The KTDF Advisory Committee shall review the proposed purse structure and make a recommendation to the

commission whether or not to approve the proposed purse structure based upon the best interests of Kentucky racing.

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: There is no increased cost. The KTDf is funded by the pari-mutuel tax established in KRS 138.510.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.400(7).

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined,

continued growth and participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation establishes eligibility for Kentucky-bred horses to race for supplemental purse money at licensed Kentucky racetracks. This requirement provides economic support to all businesses and individuals who provide services necessary for the breeding, owning and racing of thoroughbred horses. See Regulatory Impact Analysis and Tiering Statement, Section (3).

Revenues (+/-): Neutral.

Expenditures (+/-): Neutral.

Other Explanation: None.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

#### 810 KAR 7:040. Kentucky Standardbred Development Fund and Kentucky Standardbred Breeders' Incentive Fund.

RELATES TO: KRS 230.215, 230.260, 230.770, 230.802, 230.990

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8), 230.770(1), (6), (7), 230.802(2)(b)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky and to fix and regulate the minimum amount of purses, stakes, or awards to be offered for the conduct of any horse race meeting. KRS 230.770(1) establishes the Kentucky standardbred development fund. KRS 230.770(6) and (7) authorize the commission to promulgate administrative regulations establishing the eligibility of horses participating in races for which a portion of the purse is provided by the Kentucky Standardbred Development Fund and the conditions, class, and quality of the races. KRS 230.802(1) establishes the Kentucky standardbred breeders' incentive fund. KRS 230.802(2)(b) authorizes the commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of moneys from the fund. This administrative regulation establishes eligibility standards, administrative practices to enforce the standards, criteria for the distribution of moneys from these funds, mandatory criteria for races, and the administration of purses and payments in these races.

#### Section 1. Definitions.

(1) "Commission" means the Kentucky Horse Racing Commission.

(2) "Consolation" means the race following a series of preliminary legs for the next preferred horses, as set forth in section 8 of this administrative regulation, which did not qualify for the finals of each racing division of the Kentucky Sire Stakes program.

(3) "Final" means the race following a series of preliminary legs established to determine the divisional champion of each racing division of the Sire Stakes Program.

(4) "Kentucky-bred" means, for the purposes of this administrative regulation, a standardbred horse that is:

(a) Foaled out of a standardbred mare that is registered with the commission and is a resident of Kentucky as provided in this

administrative regulation; or

(b) Sired by a standardbred stallion residing in Kentucky that meets the requirements of this administrative regulation.

(5) "Kentucky Sire Stakes" means the series of races held annually in Kentucky for two (2) and three (3) year old Kentucky-bred fillies and colts, both trotting and pacing, and funded in whole or in part by the Kentucky Standardbred Development Fund or the Kentucky Standardbred Breeders' Incentive Fund.

(6) "KSBI" means the Kentucky Standardbred Breeders' Incentive Fund as established in KRS 230.802.

(7) "KSDF" means the Kentucky Standardbred Development Fund as established in KRS 230.770.

(8) "Stallion residing in Kentucky" means a stallion physically located and standing in Kentucky for 180 days of the calendar year in which the stallion is registered that does not service mares in any other state, jurisdiction, or country outside Kentucky during the calendar year in which the stallion is registered.

(9) "USTA" means the United States Trotting Association.

#### Section 2. Domicile Requirements.

(1) (a) An owner, lessee, stallion manager, or syndicate manager of a standardbred stallion residing in Kentucky who desires to use the stallion to breed and to have his progeny eligible for the KSDF or KSBI shall register the stallion with the commission by December 31st of the year of conception of the horse sought to be eligible by submitting a completed "KSDF/KSBI Stallion Certificate of Eligibility Form", KHRC 7-040-2.

(b) Standardbred stallions not residing in Kentucky are not required to register with the commission. The progeny of a standardbred stallion not residing in Kentucky is not eligible for the KSDF or KSBI unless the progeny is that of a standardbred mare registered under and meeting the requirements of this regulation.

(c) All standardbred stallions shall be registered with the USTA, Standardbred Canada, or other appropriate international harness racing governing agency whether residing in Kentucky or not.

(2) (a) An owner, lessee, manager, or syndicate manager of a standardbred mare who desires to use the mare for breeding purposes and to have her progeny eligible for the KSDF or KSBI shall register the mare by December 31st of the year of conception of the horse sought to be eligible by submitting a completed "KSDF/KSBI Mare Certificate of Eligibility Form", KHRC 7-040-3.

(b) To be eligible for registration, the mare shall:

1. Be registered with the USTA, Standardbred Canada, or other appropriate international harness racing governing agency; and

2. Have resided in Kentucky for a period of not less than 180 days in the calendar year of conception of the horse sought to be eligible.

(c) If a horse is conceived by embryo and ovum transplant (ET), both the donor mare and recipient mare shall be registered during the year of conception, and the recipient mare shall reside in Kentucky for a period of not less than 180 days in the calendar year of conception of the horse sought to be eligible.

(3) Registrations shall be received by the commission by the close of business or postmarked on the deadline established in this section in order to be eligible.

(4) An owner, lessee, stallion manager, manager, or syndicate manager of a stallion or mare eligible for the KSDF and KSBI shall be responsible for:

(a) The registrations and records of the farm where the stallion stands or the mare resides; and

(b) Complying with all applicable requirements of this administrative regulation.

#### Section 3. Eligibility.

(1) In order to qualify for the Kentucky Sire Stakes, a foal shall be a two (2) or three (3) year old Kentucky-bred and maintain eligibility for the KSDF and KSBI.

(2) (a) Except as provided by paragraph (b) of this subsection, only a foal that is the first born to a mare (donor or recipient) in each calendar year produced by any method, including embryo and ovum transplant (ET), shall be eligible for the

Kentucky Sire Stakes.

(b) Natural birth twins produced from the same pregnancy and foaling by the natural, nonrecipient mare shall also be eligible.

(3) Any future offspring of foals ineligible for racing under this section shall be ineligible for the Kentucky Sire Stakes.

Section 4. Distance. Each Kentucky Sire Stakes race shall be a one (1) mile dash.

Section 5. Post Positions. Post positions for the final, consolation and all preliminary legs of the Kentucky Sire Stakes race shall be an open draw with two (2) horses drawn for the final and consolation races that are designated as "also eligibles" under Section 6(6) of this administrative regulation.

#### Section 6. Eligibility for the Final and Consolation Races.

(1) Beginning with the 2018 Kentucky Sire Stakes races, consolation races may be eligible for funding.

(2) A horse that does not start in at least one (1) of the preliminary legs scheduled shall not be eligible for the final or consolation.

(a) All horses earning points may enter in the final with the top eight (8) point earners, if the horses raced on a half (1/2) mile track or five-eighths (5/8) mile track, or top ten (10) point earners, if the horses raced on a one (1) mile track, to be declared eligible.

(b) On a half (1/2) mile track or five-eighths (5/8) mile track, the top eight (8) point earners are not eligible for the consolation. On a one (1) mile track, the top ten (10) point earners are not eligible for the consolation.

(c) A horse that is eligible to race in the final shall only be eligible to race in the final, unless the horse is qualified as an also eligible.

(d) A horse that is eligible to race in the consolation shall only be eligible to race in the consolation, unless qualified in the final as an also eligible.

(e) A horse that scratches from the final shall not race in the consolation.

(f) A horse that has qualified for the final or consolation shall remain eligible for the final or consolation.

(g) At least seven (7) eligible horses shall be declared for a consolation race to be contested.

(h) A horse that is automatically eligible to race in the final race shall not start in the consolation race.

(3) A horse that enters a preliminary leg that does not fill and is not raced shall receive credit toward fulfilling the minimum starting requirements set forth in subsection (2) of this section and toward determining tiebreaker status as set forth in subsection (6)(b) of this section.

(4) A horse that has been scratched from an event that is raced shall not receive credit toward meeting the starting requirements set forth in subsection (2) of this section.

(5) A horse, in order to start in the final or consolation, shall be declared at the host track where the race is being held on or before the time posted on the track condition sheet.

(6) (a) If the number of horses eligible and declared into any final or consolation event exceeds the maximum number specified by the KSDF or KSBI or the number of positions on the starting gate, the following point system as applied to KSDF preliminary legs shall determine preference for the final:

1. 1st place - fifty (50) points;

2. 2nd place - twenty-five (25) points;

3. 3rd place - twelve (12) points;

4. 4th place - eight (8) points;

5. 5th place - five (5) points;

6. 6th place and all other starters - one (1) point; and

7. A horse finishing in a dead heat for any position in a preliminary leg shall be awarded an equal share of the total number of points awarded for that position.

(b) If there is a tie among horses after the awarding of points pursuant to paragraph (a) of this subsection, there shall be a drawing by lot among those horses tied in total points to determine which horses shall be included in the final field.

(c) If a horse that is qualified for the final or consolation is not

declared, the horse with the next highest point total, pursuant to paragraph (a) of this subsection, that is declared shall be eligible for the final or consolation.

(7) Also eligibles.

(a) The two (2) horses accumulating the highest point total, pursuant to subsection (6) of this section, that are declared into the final or consolation, but do not qualify for the final or consolation, shall be designated "also eligible". The horse with the highest point total from the preliminary legs shall be designated as the "first also eligible" and the horse with the next highest point total shall be designated as the "second also eligible".

(b) A horse that is scratched in the final or consolation shall be replaced by the "first also eligible" and then the "second also eligible", if necessary.

1. If post positions have not been drawn at the time of the scratch, the "also eligible" shall take the place of the horse that has been scratched and shall participate in the normal draw.

2. If post positions have been drawn at the time of the scratch, the "also eligible" shall assume the post position of the horse that has been scratched.

3. A horse shall not be moved into the final or consolation as a replacement after the official scratch time deadline that is in effect at the host track.

Section 7. Final Order of Finish. The judges' "official order of finish" shall be used in determining eligibility to the final exclusive of all appeals yet to be decided at the time of closing of the entry box for final events.

Section 8. Detention. All starters shall be subject to the detention policy of the racetrack.

Section 9. Number of Starters.

(1) There shall not be more than:

(a) Ten (10) starters in each final race on a one (1) mile track; and

(b) Eight (8) horses on a one-half (1/2) or five-eighths (5/8) mile track.

(2) All horses shall be on the gate for the final race.

Section 10. Declaration Fees.

(1) For each horse declared to race in a preliminary leg, there shall be a declaration fee of \$500. If a preliminary leg splits into two (2) or more divisions, the declaration fee shall be \$500 per division.

(2) The declaration fee shall be due to the racing association at the time of declaration and payable one (1) hour prior to post time of the race.

(3) Purses for the KSDF and KSBIF shall consist of money from:

(a) Nominating fees;

(b) Sustaining fees;

(c) Declaration fees; and

(d) Added money from the Commonwealth of Kentucky.

(4)(a) Distribution of revenue for Kentucky Sire Stakes races shall be reviewed and addressed annually, not later than December 15 of each calendar year, by an advisory panel appointed by the Chairman of the commission and consisting of one (1) representative from each of the following:

1. The commission, who shall serve as the chairman of the panel;

2. The Kentucky Harness Horseman's Association;

3. The host racetrack; and

4. Two (2) participants in the fund nominated by the chairman of the commission from a group of up to six (6) nominees recommended by each of the above three (3) members having two (1) nominations each.

(b) Each member of the panel shall serve from July 1 through June 30 of the following year and shall be a resident of Kentucky.

(c) The final determination regarding distribution of revenue shall be made by the commission.

Section 11. Divisions of Preliminary Legs.

(1) The total number of horses entered shall determine the

number of divisions of the preliminary legs that shall be required.

(2) Preliminary legs shall be split into divisions as follows:

(a) One (1) mile track:

1. Twelve (12) horses or less entered - one (1) division race.

2. Thirteen (13) to twenty (20) horses entered - two (2) divisions.

3. Twenty-one (21) to thirty (30) horses entered - three (3) divisions.

4. Thirty-one (31) to forty (40) horses entered - four (4) divisions.

5. Forty-one (41) to fifty (50) horses entered - five (5) divisions.

6. Fifty-one (51) to sixty (60) horses entered - six (6) divisions.

(b) One-half (1/2) and five-eighths (5/8) mile track:

1. Nine (9) to ten (10) horses entered - one (1) division.

2. Eleven (11) to sixteen (16) horses entered - two (2) divisions.

3. Seventeen (17) to twenty-four (24) horses entered - three (3) divisions.

4. Twenty-five (25) to thirty-two (32) horses entered - four (4) divisions.

5. Thirty-three (33) to forty (40) horses entered - five (5) divisions.

6. Forty-one (41) to forty-eight (48) horses entered - six (6) divisions.

(c) If the need exists for seven (7) or more divisions, eligibility to the final shall be determined in a manner consistent with the published conditions.

Section 12. Gait.

(1) Gait shall be specified by the owner of the horse on or before the first two (2) year old payment.

(2) Change of gait:

(a) May be made at the time of declaration at the track; and

(b) Sustaining payments shall remain in the funds of the original gait specified.

(3) A horse shall not race on both gaits in the same year.

Section 13. Divisions. A race shall be raced in separate divisions as follows:

(1) Colt, gelding, ridgeling divisions; and

(2) Filly divisions.

Section 14. Purse Distributions.

(1) The purses awarded for all races shall be distributed on the following percentage basis:

(a) Five (5) starters - fifty (50) percent, twenty-five (25) percent, twelve (12) percent, eight (8) percent, and five (5) percent;

(b) Four (4) starters - fifty (50) percent, twenty-five (25) percent, twelve (12) percent, eight (8) percent, and the remaining five (5) percent reverts back to the fund;

(c) Three (3) starters - fifty (50) percent, twenty-five (25) percent, twelve (12) percent, and the remaining thirteen (13) percent reverts back to the fund;

(d) Two (2) starters - fifty (50) percent, and twenty-five (25) percent, and the remaining twenty-five (25) percent reverts back to the fund; and

(e) One (1) starter - fifty (50) percent, and the remaining fifty (50) percent reverts back to the fund.

(2) The percentage basis established by subsection (1) of this section shall apply at each of the Kentucky pari-mutuel tracks.

(3) In addition to the purses set forth in subsection (1) of this section, \$25,000 shall be awarded in each division of the finals to the owner of the stallion or stallions residing in Kentucky that sired the first, second, or third place finisher, as follows:

(a) First place: \$15,000;

(b) Second place: \$7,500; and

(c) Third place: \$2,500.

Section 15. Cancellations.

(1) If circumstances prevent the racing of an event and the race is not drawn, all funds allocated to the division in each of the preliminary legs or the final shall be refunded and pro-rated to the owners of the horses eligible at the time of cancellation.

(2) The eligible horses shall include only horses that made the payments required by Section 22 of this administrative regulation.

(3) The added monies provided by the Commonwealth of Kentucky for use in the KSDF and KSBIF shall be disbursed by December 15 of each calendar year in accordance with the formula created by the panel as set out in Section 12(4) of this administrative regulation.

#### Section 16. Qualifying.

(1) Any horse declared into a Kentucky Sires Stakes race shall:

(a) Show at least one (1) charted race line with no breaks within forty-five (45) days prior to the day of the race; and

(b) Have satisfied the following time requirements:

1. On a track larger than five-eighths (5/8) of a mile:

a. A two (2) year old trotter shall have been timed in two minutes and six seconds (2:06) or faster;

b. A two (2) year old pacer shall have been timed in two minutes and four seconds (2:04) or faster;

c. A three (3) year old trotter shall have been timed in two minutes and two seconds (2:02) or faster; and

d. A three (3) year old pacer shall have been timed in two minutes and zero seconds (2:00) or faster.

2. On a five-eighths (5/8) mile track:

a. A two (2) year old trotter shall have been timed in two minutes and seven seconds (2:07) or faster;

b. A two (2) year old pacer shall have been timed in two minutes and five seconds (2:05) or faster;

c. A three (3) year old trotter shall have been timed in two minutes and three seconds (2:03) or faster; and

d. A three (3) year old pacer shall have been timed in two minutes and one second (2:01) or faster.

3. On a one-half (1/2) mile track:

a. A two (2) year old trotter shall have been timed in two minutes and eight seconds (2:08) or faster;

b. A two (2) year old pacer shall have been timed in two minutes and six seconds (2:06) or faster;

c. A three (3) year old trotter shall have been timed in two minutes and four seconds (2:04) or faster; and

d. A three (3) year old pacer shall have been timed in two minutes and two seconds (2:02) or faster.

(2) A horse shall be scratched from a race if the person declaring the horse has failed to advise the race secretary of a start that is not reflected on the electronic eligibilities.

(3) The requirements of this section shall apply both to wagering and nonwagering races.

#### Section 17. Purse Allocations.

(1) At a scheduled meeting of the commission, the commission shall:

(a) Establish the distribution of funds for stakes races for the upcoming year; and

(b) Authorize expenditures at a time it designates.

(2) The racing dates for KSDF and KSBIF stakes shall be issued after the track has established its race dates.

Section 18. Promotions. The KSDF or KSBIF shall provide a trophy for each event, and the program that provides the trophy shall purchase the trophy out of its fund.

#### Section 19. Nomination Fees.

(1) After payment of the nomination fee, foals shall remain eligible for events each year by making the required sustaining and declaration payments for that year. The "KSDF/KSBIF Kentucky Sire Stakes (KYSS) Nomination Form", KHRC 7-040-1, shall be filed with the commission along with the nomination and sustaining fees.

(2) The two (2) year old March 15 payment shall be made in order to remain eligible to the KSDF and KSBIF as a three (3) year old.

(3) Nomination and sustaining payments shall be made to the KSDF and KSBIF in U.S. funds by a money order or a check drawn on a U.S. bank account.

#### Section 20. Nomination Schedule.

(1) Yearlings shall be nominated by May 15 of their yearling year, except as provided in subsection (4) of this section.

(2) For yearlings sired by a standardbred stallion residing in Kentucky and registered with the KSDF and KSBIF, the nomination fee shall be forty (40) dollars per yearling. For yearlings sired by a standardbred stallion not residing in Kentucky, the nomination fee shall be eighty (80) dollars per yearling.

(3) Nominated horses shall be registered with the USTA, Standardbred Canada, or other appropriate international harness racing governing agency and shall be properly identified to the satisfaction of the commission at the time of the nomination. Identification shall be determined by the official registration maintained by the USTA, Standardbred Canada, or other appropriate international harness racing governing agency.

(4) If a horse is not nominated during its yearling year, the horse may be nominated prior to March 15 of its two (2) year old year if:

(a) For horses sired by a standardbred stallion residing in Kentucky and registered with the KSDF and KSBIF, a nomination fee of \$500 is made by March 15 of the horse's two (2) year old year, along with the sustaining payment required by subsection (5)(a) of this section; or

(b) For horses sired by a standardbred stallion not residing in Kentucky, a nomination fee of \$600 is made by March 15 of the horse's two (2) year old year, along with the sustaining payment required by subsection (5)(a) of this section.

(5) Sustaining payments shall be as follows:

(a) TWO (2) YEAR OLD PAYMENTS	
March 15	\$300
April 15	\$300
May 15	\$300
March 15 payment shall be mandatory to make entry eligible as a three (3) year old.	

(b) THREE (3) YEAR OLD PAYMENTS	
February 15	\$300
March 15	\$300
April 15	\$300

Section 21. Early Closing Events. The commission may provide for separate early closing events for Kentucky-bred horses.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation prescribes the conditions under which Standardbred racing shall be conducted in Kentucky. Specifically, KRS 230.770(6) authorizes the commission to promulgate regulations establishing eligibility requirements for horses participating in races for which a portion of the purse is provided by the Kentucky Standardbred Development Fund and Kentucky Standardbred Breeders' Incentive Fund ("KSDF/KSBIF"). This regulation establishes the eligibility requirements to receive distributions from the KSDF/KSBIF.

(b) The necessity of this administrative regulation: This regulation is necessary to exercise the statutory authority of the KHRC set forth in KRS 230.215(2) to "promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth of Kentucky" and the statutory authority set forth in KRS 230.240(1). Specifically, this regulation is necessary to establish the eligibility requirements for those desiring to receive distributions from the KSDF/KSBIF. While this is a new regulation, it replaces 811 KAR 1:215.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This regulation conforms to the statutory authority granted to the Kentucky Horse Racing Commission by KRS 230.215(2), 230.240(1), 230.260(8), 230.770(1), (6), (7), and KRS 230.802(2)(b).

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation will assist in the effective administration of the statutes by referencing the new title and repealing 811 KAR 1:215.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This administrative regulation updates the title number and references within.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect; standardbred breeders; standardbred owners; boarding farm owners and employees; Kentucky veterinarians and equine healthcare facilities; horse transportation companies; farriers; farmers and suppliers of hay, feed and grain; equine supply companies; daily maintenance care and tack; Kentucky standardbred sale companies; retail stores and maintenance services; and state and local payroll tax.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified

in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation updates the title number and references within the regulation and removes the notary requirements on the forms incorporated by reference. All entities identified in (3) will not require any additional responsibilities.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): None of the entities identified in (3) will incur any costs in complying with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? As a result of compliance, Kentucky standardbred owners and breeders, and persons providing services related to standardbred horses will receive direct and indirect economic benefits.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The nomination fees are used for the implementation and enforcement of this regulation. This administrative regulation does not change the nomination fees and the source of funding remains the same. No additional funding is required.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement the administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate. This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.215(2), 230.260(8), 230.770(1), (6), (7), 230.802(2)(b).

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined, continued growth and participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement,

Section (3).

(c) How much will it cost to administer this program for the first year? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program for the first year.

(d) How much will it cost to administer this program for subsequent years? Because the infrastructure for administering the program is already in place, it is anticipated that there will be no additional net cost to administer this program in subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation requires mares and stallions to reside in Kentucky for 180 days during the year of conception in order for the resulting foal to be eligible to receive distributions from the fund. This requirement provides economic support to all businesses and individuals who provide services necessary for the breeding and racing of standardbred horses. See Regulatory Impact Analysis and Tiering Statement, Section (3).

**PUBLIC PROTECTION CABINET  
Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 7:060. Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund.**

RELATES TO: KRS 138.510, 230.215, 230.225, 230.443, 230.445

STATUTORY AUTHORITY: KRS 230.215(2), 230.260(8), 230.445

NECESSITY, FUNCTION AND CONFORMITY: KRS 230.215 and 230.260 authorize the commission to promulgate administrative regulations prescribing the conditions under which horse racing shall be conducted in Kentucky and to fix and regulate the minimum amount of purses, stakes, or awards to be offered for the conduct of any horse race meeting. KRS 230.445 establishes the Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian development fund and requires the commission to promulgate administrative regulations to carry out the purpose of the statute and to administer the development fund in a manner to promote and aid in the development of the horse industry in Kentucky; upgrade the quality of racing in Kentucky; and to improve the quality of horses bred in Kentucky. This administrative regulation establishes eligibility standards, administrative practices to enforce the standards, and the administration of purses and payments in these races.

**Section 1. Definitions.**

(1) "Broodmare" means a mare that conceives and carries her genetic foal to term.

(2) "Donor mare" means the mare from which an embryo is harvested for the purpose of performing an embryo transfer.

(3) "Fund" means the Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund established by KRS 230.445.

(4) "Historical horse race handle" means monies wagered at a licensed Kentucky association on historical horse races as defined in 810 KAR 2:001.

(5) "Inter-state wagering" means monies wagered at a Kentucky racing association on Quarter Horse, Paint Horse, Appaloosa, or Arabian races conducted outside of Kentucky.

(6) "Intra-state wagering" means monies wagered at a Kentucky racing association on Quarter Horse, Paint Horse, Appaloosa, or Arabian races conducted at another Kentucky association.

(7) "Kentucky bred" means a horse that meets the requirements of this administrative regulation and is:

(a) A Quarter Horse registered with the American Quarter Horse Association, or its successor;

(b) An Appaloosa registered with the Appaloosa Horse Club, or its successor;

(c) An Arabian registered with the Arabian Horse Association Registry, or its successor; or

(d) A Paint Horse registered with the American Paint Horse Association, or its successor.

(8) "Live racing handle" means the monies wagered by individuals present on association grounds on Quarter Horse, Paint Horse, Appaloosa, or Arabian races physically conducted on that association's grounds.

(9) "Mare" means a broodmare, donor mare, or recipient mare.

(10) "Nonlive racing handle" means the monies wagered at an association located in Kentucky on Quarter Horse, Paint Horse, Appaloosa, or Arabian races not physically conducted on that association's grounds.

(11) "Recipient mare" means a mare of any breed who:

(a) Is implanted with an embryo from a donor mare;

(b) Carries the non-genetic foal to term; and

(c) Is implanted with an electronic horse identification microchip that accurately identifies the horse and is compliant with international standards ISO 11784.

Section 2. Advisory Committee. The fund advisory committee shall consist of five (5) members, all of whom shall be Kentucky residents, to be appointed by the chairman of the commission by July 1 of each year. The committee shall consist of the following:

(1) One (1) member of the commission;

(2) One (1) officer or director of a licensed racing association in Kentucky conducting Quarter Horse, Paint Horse, Appaloosa, or Arabian racing;

(3) One (1) owner of a horse nominated to the fund;

(4) One (1) owner of a mare registered with the fund; and

(5) One (1) member of the Kentucky Quarter Horse Racing Association recommended by that organization's board of directors.

**Section 3. Mare Eligibility.**

(1) In order for a foal to be eligible to earn money from the fund, the broodmare or both the donor and recipient mares shall be registered with the fund on or before February 15 of the year of conception. Late registration may be accepted on or before June 15 of the year of conception as provided by subsection (4) of this section.

(2) In order to be eligible to be registered with the fund, a mare, whether a broodmare, donor mare, or recipient mare, shall reside in Kentucky continuously from conception or embryo transfer implantation until foaling unless one (1) of the exceptions established in this subsection is met.

(a) Medical procedure.

1. A medical procedure is required to be performed to protect the health of the mare or the unborn foal that involves an extraordinary medical situation and the owner of the mare desires to have an expert located outside of Kentucky conduct the procedure;

2. The owner of the mare files with the commission a "Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund Application to Move Mare Outside of Kentucky", KHRC 7-060-3, within fourteen (14) days after the mare leaves Kentucky and provides information related to the procedure as requested by the commission;

3. The executive director of the commission approves the departure of the mare from Kentucky;

4. The mare remains under the care of a veterinarian during the entire period of time she is not residing in Kentucky, other than the time during which she is traveling to and from Kentucky;

5. The mare returns to Kentucky following the medical procedure for which her departure was authorized; and

6. The mare is in Kentucky for foaling, as established by documentation provided to the commission;

(b) Racing.

1. The owner of the mare desires to race the mare in a pari-mutuel race that is:

a. Held outside Kentucky; and

b. Sanctioned by the governing body of the jurisdiction in which the race is to be held;

2. The owner of the mare files with the commission a "Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund Application to Move Mare Outside of Kentucky", KHRC 7-060-3, at least fourteen (14) days before the mare leaves Kentucky and provides information relating to the race outside of Kentucky as requested by the commission;

3. The executive director of the commission approves the departure of the mare from Kentucky;

4. The mare returns to Kentucky within ten (10) days after the running of the approved race; and

5. The mare is in Kentucky for foaling as established by documentation provided to the commission; or

(c) Auction.

1. The owner of the mare desires to enter her for sale at a catalogued auction for her breed held outside of Kentucky;

2. The owner of the mare files with the commission a "Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund Application to Move Mare Outside of Kentucky", KHRC 7-060-3, at least fourteen (14) days before the mare leaves Kentucky and provides information relating to the auction as requested by the commission;

3. The executive director of the commission approves the departure of the mare from Kentucky;

4. The mare returns to Kentucky no later than thirty (30) days after the auction; and

5. The mare is in Kentucky for foaling, as established by documentation provided to the commission.

(3) The owner of a mare approved to leave the state under subsection (2) of this section shall provide the commission with written notification of the mare's return within forty-eight (48) hours of her return.

(4) A mare shall be registered with the fund by:

(a) Completing and filing with the commission a "Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund Mare Registration Form", KHRC 7-060-1;

(b) Providing the commission with a photocopy of the mare's official breed registration papers from the American Quarter Horse Association, American Paint Horse Association, Appaloosa Horse Club, the Arabian Horse Association Registry, or The Jockey Club or their respective successors, or documentation regarding a recipient mare's electronic horse identification microchip; and

(c) Paying the registration fee as follows:

1. A twenty-five (25) dollar fee for registrations postmarked no later than February 15 of the year of conception; or

2. A \$200 late fee for registrations postmarked after February 15 and no later than June 15 of the year of conception.

#### Section 4. Nomination.

(1) Except as set forth in subsection (5) of this section, in order for a horse to be eligible to earn money from the fund, it shall be a Kentucky bred as defined in this administrative regulation and shall be nominated to the fund on or before December 31 of its yearling year by:

(a) Completing and filing with the commission a "Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund Nomination Form", KHRC 7-060-2;

(b) Providing the commission with a photocopy of the horse's official breed registration papers from the American Quarter Horse Association, American Paint Horse Association, Appaloosa Horse Club, or the Arabian Horse Association Registry, or their respective successors; and

(c) Paying the nomination fee as follows:

1. A twenty-five (25) dollar fee for nominations postmarked no later than December 31 of the weanling year; or

2. A \$100 fee for nominations postmarked after the weanling year but no later than December 31 of the yearling year.

(2) Except as provided in subsection (5) of this section, nominations postmarked after December 31 of the yearling year shall not be accepted.

(3) In order for a foal that is the product of an embryo transfer to be eligible to earn monies from the fund, the donor mare and the

recipient mare shall be registered as provided in Section 3 of this administrative regulation and shall meet the other requirements of this administrative regulation.

(4) If a registered donor mare produces more than one (1) foal in one (1) breeding season, two (2) genetic foals may be nominated to the fund as determined by the owner of the donor mare.

(5) A horse born before 2017 shall be eligible for nomination to the fund and participating in races offering monies from the fund. A horse shall be nominated by:

(a) Completing and filing with the commission a "Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian Development Fund Nomination Form", KHRC 7-060-2;

(b) Paying a nomination fee of \$300; and

(c) Including the following with the nomination form:

1. A photocopy of the official breed registration papers from the American Quarter Horse Association, American Paint Horse Association, Appaloosa Horse Club, or the Arabian Horse Association Registry, or their respective successors;

2. Registration papers showing ownership and demonstrating that the horse was foaled in Kentucky;

3. An official breed registry shipped semen report or a stallion breeders certificate demonstrating that the horse was conceived in Kentucky; and

4. A signed affidavit from the owner of the mare at the time of her pregnancy stating that the mare resided in Kentucky during the entirety of her pregnancy.

(6) Nothing in this section shall prevent a registered mare from being eligible to race for monies from the fund.

#### Section 5. Monies Earned.

(1) One (1) live association.

(a) Live racing handle. An association conducting live racing shall earn monies to be deposited in the fund account for that association in the amount of one (1) percent of the total live racing handle pursuant to KRS 138.510(1).

(b) Nonlive racing handle. An association conducting live racing shall earn monies to be deposited in the fund account for that association in the amount of two (2) percent of the total nonlive racing handle pursuant to KRS 138.510(2).

(2) More than one (1) live association. Unless there is a commission approved agreement among the associations conducting live racing to the contrary, if two (2) or more associations are conducting live Quarter Horse, Paint Horse, Appaloosa, or Arabian races on the same day, the monies earned from the handle for that day shall be divided as established in this subsection.

(a) Live racing handle. An association conducting Quarter Horse, Paint Horse, Appaloosa, or Arabian races shall earn monies to be deposited in the fund account for that association in the amount of one (1) percent of that association's live racing handle pursuant to KRS 138.510(1).

(b) The intra-state wagering monies shall be allocated to that association on which the wagering is placed for purposes of calculating that association's fund earnings.

(c) Inter-state wagering monies originating from an association conducting live Quarter Horse, Paint Horse, Appaloosa, or Arabian races shall be allocated to that association for purposes of calculating that association's fund earnings.

(d) Inter-state wagering monies from all other Kentucky associations shall be divided evenly among the associations conducting live races.

(3) Historical horse race handle. An association offering wagering on historical horse races shall earn monies to be deposited in the fund account for that association as provided in KRS 138.510(1).

#### Section 6. Distribution of Funds.

(1) Each association shall submit a request to the advisory committee, including the proposed races eligible to receive monies from the fund and the proposed purse structure for those races, at least forty-five (45) days prior to the opening day of the live racing meet.

(2) Unless there is a commission approved proposal to the contrary, the proposed purse structure shall not exceed the total dollars generated by that breed to the association's fund account.

(3) The advisory committee shall review the proposed eligible races and purse structure and make a recommendation whether to approve the proposed races and purse structure to the commission based upon the best interests of Kentucky racing.

(4) Two (2) or more associations conducting Quarter Horse, Paint Horse, Appaloosa, or Arabian racing may request permission from the advisory committee to combine their respective fund monies to supplement purses at one (1) of the associations. The advisory committee shall recommend to the commission whether to approve the request.

#### Section 7. Reconciliation.

(1) Each association shall file weekly with the commission a copy of the pari-mutuel tax form filed with the Department of Revenue, along with a copy of the check submitted for each report.

(2) Each association shall report to the commission the actual purse distribution within fifteen (15) calendar days after the last day of a live race meeting.

(3) The commission shall on a monthly basis reconcile the weekly reports submitted by the association with the Department of Revenue's reports and deposits.

(4) If, at the close of a live race meet, an association has a balance of monies earned for that meet that has not been distributed in actual fund purse distribution, then the association may choose one (1) of the following options to distribute the remaining balance, subject to the recommendation of the advisory committee and the approval of the commission:

(a) Use fund monies previously earned to supplement purses at future live racing meets held by that association; or

(b) Use fund monies previously earned to supplement purses already distributed at the last live racing meet held by the association to the recipients of the original purse allocations.

(5) If, at the close of a live race meet, an association offering wagering on historical horse races has a balance of fund monies earned from historical horse race wagers that has not been distributed in actual fund purse distribution, then the association may choose one (1) of the following options to distribute a portion of the balance, subject to the recommendation of the advisory committee and the approval of the commission:

(a) Use the historical horse race fund monies previously earned to supplement purses at future live racing meets held by that association;

(b) Use historical horse race fund monies previously earned to supplement purses already distributed at the last live racing meet held by the association to the recipients of the original purse allocations; or

(c) Use historical horse race fund monies previously earned to supplement purses at another licensed Kentucky racetrack.

(6) Reasonable and customary administrative charges for time spent reconciling the account may be charged to each association by the commission based on the percentage of funds generated by each association for the previous calendar year.

(7) Each association shall sign an agreement stating that it accepts and agrees with the reconciliation prior to reimbursement of any funds.

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 28, 2018 at 10:00 a.m., at the office of the Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511. Individuals interested in being heard at this hearing shall notify the Kentucky Horse Racing Commission in writing by five (5) working days prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation provides the rules governing eligibility for participation in the Kentucky Quarter Horse, Paint Horse, Appaloosa and Arabian Development Fund (the "Fund") and the administration of the Fund.

(b) The necessity of this administrative regulation: KRS 230.445 requires the Kentucky Horse Racing Commission ("KHRC") to promulgate administrative regulations regarding eligibility for participation in the Fund and the administration of the Fund. This regulation fulfills that statutory mandate. While this is a new regulation, it replaces 811 KAR 2:190.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.445(2) establishes the Fund and requires the KHRC to "use the development fund to promote races and provide purses for races for horses bred and foaled in the Commonwealth" and to "provide for distribution of money to the credit of the development fund to persons, corporations, or associations operating licensed tracks within Kentucky conducting quarter horse, paint horse, Appaloosa, or Arabian horse racing." This regulation establishes eligibility standards, administrative practices to enforce the standards and the administration of payments from the Fund.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This regulation provides the specific rules for eligibility to earn monies from the Fund, conditions for races with purses supplemented by monies from the Fund, and the distribution of monies from the Fund.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect those persons who breed and race Quarter Horses, Paint Horses, Appaloosas and Arabians in conformity with the requirements of the regulation, boarding farm owners and employees; Kentucky veterinarians and equine healthcare facilities; horse transportation companies; farriers; farmers and suppliers of hay, feed and grain; equine supply companies; daily maintenance care and tack; retail stores; and state and local payroll tax.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation updates the title & chapter number(s) and references within the regulation. All entities identified in (3) will not require any additional responsibilities.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): None of the entities identified in (3) will incur any costs in complying with the amendment.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? As a result of compliance, the entities identified in question (3) will receive direct and indirect financial benefits.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The implementation and enforcement of this administrative regulation will be funded out of the Fund pursuant to KRS 230.445(4)(b). No additional funding is required.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this amended regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.445.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed

upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined, continued growth and participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(c) How much will it cost to administer this program for the first year? Currently, there is very little Quarter Horse and Arabian racing in the Commonwealth and no Paint Horse or Appaloosa racing. However, if the number of participants increases, there will be a corresponding increase in the costs associated with administering the Fund.

(d) How much will it cost to administer this program for subsequent years? See answer to 4(c).

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation requires mares to be bred and foaled in Kentucky in order for the resulting foal to be eligible to receive distributions from the fund. This requirement provides economic support to all businesses and individuals who provide services necessary for the breeding and racing of Quarter Horses, Paint Horses, Appaloosa and Arabian horses. See Regulatory Impact Analysis and Tiering Statement, Section (3).

#### PUBLIC PROTECTION CABINET KENTUCKY HORSE RACING COMMISSION (New Administrative Regulation)

#### 810 KAR 7:070. Violations, discipline, disputes, and investigation.

RELATES TO: KRS 230.215, 230.225(5)(c), 230.320, 230.330, 230.400, 230.400 445, 230.770, 230.800, 230.802, 230.804.

STATUTORY AUTHORITY: KRS 230.370, KRS 230.445, 230.770(6) and (7), 230.802(1) and (2)(b), KRS 230.804(2)(b).

NECESSITY, FUNCTION AND CONFORMITY: KRS 230.400 establishes the Kentucky Thoroughbred Development Fund and requires the Kentucky Horse Racing Commission to promulgate administrative regulations as may be necessary to carry out its provisions and purposes. KRS 230.800(2)(b) requires the commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of moneys from the Kentucky Thoroughbred Breeders' Incentive Fund. KRS 230.770(6) and (7) authorize the commission to promulgate administrative regulations establishing the eligibility of horses participating in races for which a portion of the purse is provided by the Kentucky Standardbred Development Fund and the conditions, class, and quality of the races. KRS 230.802(1) establishes the Kentucky standardbred breeders' incentive fund. KRS 230.802(2)(b) authorizes the commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of moneys from the fund. KRS 230.804(2)(b) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of moneys from the Kentucky Horse Breeders' Incentive Fund. KRS 230.445 establishes the Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian development fund and requires the commission to promulgate administrative regulations to carry out the purpose of the statute and to administer the development fund in a manner to promote and aid in the development of the horse industry in Kentucky; upgrade the quality of racing in Kentucky; and to improve the quality of horses bred in Kentucky. KRS 230.370 authorizes the commission to promulgate any reasonable and necessary administrative regulation for the conduct of hearings before it. This administrative regulation

establishes a uniform process for enforcing the standards for distribution of money from these funds and for resolving disputes related to them.

Section 1. Violations.

(1) It shall be a violation of this administrative regulation if an applicant or registrant under 810 KAR 7:020 to 7:060, or a person otherwise eligible for or claiming entitlement to an award from a fund administered under 810 KAR 7:020 to 7:060:

(a) Provides any official registrar under KRS 230.400, any advisory committee, or the commission with incorrect, false, or misleading information;

(b) Fails to furnish information requested by the official registrar, advisory committee, or commission within thirty (30) days;

(c) Is charged or convicted of a crime, offense, or other criminal or civil violation involving cruelty, mistreatment, abuse, or neglect of a horse;

(d) Engages in conduct that is against the best interests of horse breeding or horse racing; or

(e) Violates any provision of KRS Chapter 230 or KAR Title 810 in any other manner.

(2) For any violation of this regulation, the commission may:

(a) Deny an application;

(b) Suspend, deny, or revoke a registration; or

(c) Deny or revoke an award.

(3) In addition to the penalties in subsection 2, for a violation of this administrative regulation, the commission may bar a person from participation in any incentive or development fund under 810 KAR Chapter 7 for a period of one (1) to five (5) years based on the seriousness of the violation. For a second or subsequent violation of this administrative regulation, the commission shall impose a lifetime bar from participation in any fund administered under 810 KAR Chapter 7.

(4) A person charged, but not convicted of a crime, offense, or other criminal or civil violation as provided in subsection (1)(c) may petition the commission for reinstatement. The commission shall reinstate the earnings, registration, or application upon submission of proof satisfactory to the commission that the charges were dismissed and the facts forming the basis of the charges were false.

Section 2. Disciplinary Process.

(1) The commission shall investigate suspected violations of this administrative regulation.

(2) Upon the completion of the investigation, the person or persons conducting the investigation shall submit a written report to the executive director containing a statement of the facts disclosed by the investigation.

(3) Based on consideration of the investigative report, the executive director shall determine whether there is prima facie cause to believe that a violation has been committed.

(4) Upon determination that prima facie cause exists, the executive director shall issue written notice of disciplinary action. The notice shall set forth:

(a) The statutory or regulatory violation;

(b) The factual basis on which the disciplinary action is based;

(c) The penalty imposed; and

(d) A statement that the notice may be appealed to an administrative hearing by written notice sent to the commission within twenty (20) calendar days of issuance of the notice.

(7) Notice of a disciplinary action under this section may be appealed to an administrative hearing. A written request for an administrative hearing shall be filed with the commission within twenty (20) calendar days of the date of the executive director's notice. The request shall identify the specific issues in dispute and the legal basis on which the executive director's decision on each issue is believed to be erroneous.

(8) An administrative hearing under this section shall be conducted under KRS Chapter 13B.

(9) If the request for an administrative hearing is not timely filed, the penalty laid out in the notice of disciplinary action shall be effective upon the expiration of the time to request an

administrative hearing.

Section 3. Disputes.

(1) Any non-disciplinary dispute between the commission and an applicant or registrant under 810 KAR 7:020 to 7:060, or a person otherwise eligible for or claiming entitlement to an award from a fund administered under 810 KAR 7:020 to 7:060, shall be raised by the aggrieved party by filing a petition seeking relief with the executive director of the commission within thirty (30) days of the action or the inaction leading to the dispute.

(2) If the executive director and the aggrieved party do not agree on a resolution of the dispute, the executive director shall refer the matter for an administrative hearing under KRS Chapter 13B.

Section 4. Consent to Investigate; Additional Information. Application or registration under 810 KAR 7:020 to 7:060, or submission of any claim for an award from a fund administered under 810 KAR 7:020 to 7:060, shall constitute consent to:

(1) Investigation by the commission or any advisory committee of all information provided to the commission or any advisory committee;

(2) Site visits to verify all mare and stallion residency requirements set forth in 810 KAR Chapter 7; and

(3) Provide any additional information requested by the commission or any advisory committee.

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 28, 2018 at 10:00 a.m., at the office of the Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511. Individuals interested in being heard at this hearing shall notify the Kentucky Horse Racing Commission in writing five working days prior to the hearing, of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the process for investigating and resolving disciplinary and other disputes related to horse development and breeder incentive funds.

(b) The necessity of this administrative regulation: This regulation is necessary to exercise the statutory authority of the KHRC set forth KRS 230.400, which establishes the Kentucky Thoroughbred Development Fund and requires the Kentucky Horse Racing Commission to promulgate administrative regulations as may be necessary to carry out its provisions and purposes; KRS 230.800(2)(b), which requires the commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of monies from the Kentucky Thoroughbred Breeders' Incentive Fund; KRS 230.770(6) and (7),

which authorize the commission to promulgate administrative regulations establishing the eligibility of horses participating in races for which a portion of the purse is provided by the Kentucky Standardbred Development Fund and the conditions, class, and quality of the races; KRS 230.802(1), which establishes the Kentucky standardbred breeders' incentive fund; KRS 230.802(2)(b), which authorizes the commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of moneys from the Kentucky standardbred breeders' incentive fund; KRS 230.804(2)(b), which authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations establishing the conditions and criteria for the distribution of monies from the Kentucky Horse Breeders' Incentive Fund; and KRS 230.445, which establishes the Kentucky Quarter Horse, Paint Horse, Appaloosa, and Arabian development fund and requires the commission to promulgate administrative regulations to carry out the purpose of the statute and to administer the development fund in a manner to promote and aid in the development of the horse industry in Kentucky.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This regulation conforms to the statutory authority granted to the Kentucky Horse Racing Commission by KRS 230.370, KRS 230.445, 230.770(6) and (7), 230.802(1) and (2)(b), KRS 230.804(2)(b).

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation establishes a uniform process for enforcing the standards for distribution of money from these funds and for resolving disputes related to them.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect owners, breeders, and official breed registrars of thoroughbred, Standardbred, and other horse breeds.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Persons charged with a violation of the Kentucky Horse Racing Commission's development or breeder incentive fund regulations or having a dispute with the commission over those funds will be required to conform to the procedures established in this administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Entities participating in the administrative process will face potential costs associated with an administrative hearing.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? As a result of compliance, Kentucky's horse owners and breeders will benefit from having their duties and rights with respect to discipline, disputes, and appeals clearly defined.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation:

There are no cost associated with the implementation and enforcement of this administrative regulation: Any necessary funding will be provided from the budget of the Kentucky Horse Racing Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this new administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.370, 230.445, 230.770(6) and (7), 230.802(1) and (2)(b), 230.804(2)(b).

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government.

(c) How much will it cost to administer this program for the first year? No revenue will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No revenue will be required to administer this regulation for the first year.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

#### 810 KAR 8:010. Medication; Testing Procedures; Prohibited Practices.

RELATES TO: KRS 230.215, 230.225, 230.240, 230.260, 230.265, 230.290, 230.320, 230.370

STATUTORY AUTHORITY: KRS 230.215, 230.225, 230.240, 230.260, 230.320, 230.370

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2), 230.260(8), and 230.320 authorize the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in Kentucky. KRS 230.240(2)

requires the commission to promulgate administrative regulations restricting or prohibiting the administration of drugs or stimulants or other improper acts to horses prior to participating in a race. This administrative regulation establishes requirements and controls in the administration of drugs, medications, and substances to horses, governs certain prohibited practices, and establishes trainer responsibilities relating to the health and fitness of horses.

#### Section 1. Definitions.

(1) "AAS" or "anabolic steroid" means an anabolic androgenic steroid.

(2) "Administer" means to apply to or cause the introduction of a substance into the body of a horse.

(3) "Commission laboratory" means a laboratory chosen by the commission to test biologic specimens from horses taken under the supervision of the commission veterinarian.

(4) "Location under the jurisdiction of the commission" means a licensed race track or a training center as described in KRS 230.260(5).

(5) "Permitted NSAIDs" means the following permitted non-steroidal anti-inflammatory drugs: phenylbutazone, flunixin, and ketoprofen, if administered in compliance with Section 8 of this administrative regulation.

(6) "Positive finding" means the commission laboratory has conducted testing and determined that a drug, medication, or substance, the use of which is restricted or prohibited by this administrative regulation, 810 KAR 8:020, or 810 KAR 8:040, was present in the sample.

(a) For the drugs, medications, or substances listed in this administrative regulation or 810 KAR 8:020 for which an established concentration level is provided, it shall be necessary to have a finding in excess of the established concentration level as provided for the finding to be considered a positive finding.

(b) Positive finding also includes:

1. Substances present in the horse in excess of concentrations at which the substances could occur naturally; and

2. Substances foreign to a horse that cause interference with testing procedures.

(7) "Primary sample" means the primary sample portion of the biologic specimen taken under the supervision of the commission veterinarian to be tested by the commission laboratory.

(8) "Split sample" means the split sample portion of the biologic specimen taken under the supervision of the commission veterinarian to be tested by the split sample laboratory.

(9) "Split sample laboratory" means the laboratory approved by the commission to test the split sample portion of the biologic specimen from horses taken under the supervision of the commission veterinarian.

(10) "Test barn" means a fenced enclosure sufficient in size and facilities to accommodate the stabling of horses temporarily detained for obtaining biologic specimens for testing.

(11) "Therapeutic AAS" means boldenone, nandrolone, or testosterone.

#### Section 2. Use of Medication.

(1) Therapeutic measures and medication necessary to improve or protect the health of a horse shall be administered to a horse in training under the direction of a licensed veterinarian.

(2) Except as expressly permitted in 810 KAR Chapter 8, while participating in a race (betting or non-betting), qualifying race, or time trial, it shall be a violation for a horse to carry in its body any drug, medication, substance, or metabolic derivative, that:

(a) Is foreign to the horse; or

(b) Might mask the presence of a prohibited drug, or obstruct testing procedures.

(3) It shall be a violation for therapeutic medications to be present in excess of established threshold concentrations set forth in this administrative regulation or in 810 KAR 8:020. The thresholds for permitted NSAIDs are set forth in Section 8 of this administrative regulation.

(4) Except as provided by paragraphs (a) and (b) of this subsection, it shall be a violation for a substance to be present in a horse in excess of a concentration at which the substance could

occur naturally. It shall be the responsibility of the commission to prove that the substance was in excess of normal concentration levels.

(a) Gamma amino butyric acid shall not be present in a concentration greater than 110 nanograms per milliliter in serum or plasma.

(b) Cobalt shall not be present in a concentration greater than twenty-five (25) parts per billion in serum or plasma.

(5) It shall be prima facie evidence that a horse was administered and carried, while running in a race (betting or non-betting), qualifying race, or time trial, a drug, medication, substance, or metabolic derivative thereof prohibited by this section if:

(a) A biologic specimen from the horse was taken under the supervision of the commission veterinarian promptly after a horse ran in a race (betting or non-betting), qualifying race, or time trial; and

(b) The commission laboratory presents to the commission a report of a positive finding.

(6) The commission shall utilize the Kentucky Horse Racing Commission Uniform Drug, Medication, and Substance Classification Schedule as provided in 810 KAR 8:020, for classification of drugs, medications, and substances violating this administrative regulation. Penalties for violations of this administrative regulation shall be implemented in accordance with 810 KAR 8:030.

#### Section 3. Treatment Restrictions.

(1) Except as provided in Section 4 of this administrative regulation, a person other than a veterinarian licensed to practice veterinary medicine in Kentucky and licensed by the commission shall not administer by injection a prescription or controlled drug, medication, or other substance to a horse at a location under the jurisdiction of the commission.

(2) The only injectable substance allowed within twenty-four (24) hours prior to post time of the race in which the horse is entered shall be furosemide, as set forth in Section 6 of this administrative regulation.

(3) Except as provided by subsection (5) of this section, a person other than a veterinarian licensed to practice veterinary medicine in Kentucky and licensed by the commission shall not possess a hypodermic needle, syringe, or injectable of any kind at a location under the jurisdiction of the commission.

(4) A veterinarian licensed to practice veterinary medicine in Kentucky and licensed by the commission shall use only single-use disposable needles and syringes, and shall dispose of them in a container approved by the commission veterinarian.

(5) If a person regulated by the commission has a medical condition that makes it necessary to possess a needle and syringe at a location under the jurisdiction of the commission, the person shall request prior permission from the stewards or judges and furnish a letter from a licensed physician explaining why it is necessary for the person to possess a needle and syringe. The stewards or judges may grant approval for a person to possess and use a needle and syringe at a location under the jurisdiction of the commission, but may also establish necessary restrictions and limitations.

(6) A commission employee may accompany a veterinarian at a location under the jurisdiction of the commission and take possession of a syringe, needle, or other device used to administer a substance to a horse.

Section 4. Certain Permitted Substances. Liniments, antiseptics, antibiotics, ointments, leg paints, washes, and other products commonly used in the daily care of horses may be administered by a person, other than a licensed veterinarian if:

(1) The treatment does not include any drug, medication, or substance otherwise prohibited by this administrative regulation;

(2) The treatment is not injected; and

(3) The person is acting under the direction of a licensed trainer or veterinarian licensed to practice veterinary medicine in Kentucky and licensed by the commission.

Section 5. Anti-ulcer Medications. The following anti-ulcer medications may be administered orally, at the dosage stated in this section, up to twenty-four (24) hours prior to post time of the race in which the horse is entered:

- (1) Cimetidine (Tagamet): eight (8) to twenty (20) milligrams per kilogram;
- (2) Omeprazole (Gastrogard): two and two-tenths (2.2) grams;
- (3) Ranitidine (Zantac): eight (8) milligrams per kilogram; and
- (4) Sucralfate: two (2) to four (4) grams.

#### Section 6. Furosemide Use on Race Day.

(1) Furosemide may be administered, in accordance with this section, to a horse that is entered to compete in a race, qualifying race, or time trial.

(2) (a) Only the commission veterinarian shall administer furosemide prior to a race, qualifying race, or time trial.

(b) If the commission veterinarian is unavailable to administer furosemide to a horse prior to a race, qualifying race, or time trial, the commission shall approve a licensed veterinarian to perform the administration. The approved licensed veterinarian shall agree to comply with all of the applicable administrative regulations regarding the administration of furosemide on race day.

(c) If the furosemide is administered by an approved licensed veterinarian, the administering veterinarian shall provide a written report to the commission veterinarian no later than two (2) hours prior to post time of the race in which the horse receiving the furosemide is competing.

(3) Furosemide may be used under the circumstances established in this subsection.

(a) Furosemide shall be administered at a location under the jurisdiction of the commission where the horse is scheduled to race.

(b) Furosemide shall be administered by a single intravenous injection, not less than four (4) hours prior to post time for the race, qualifying race, or time trial in which the horse is entered.

(c) The furosemide dosage administered shall not exceed 500 milligrams, nor be less than 150 milligrams.

(d) The specific gravity of a post-race urine sample shall not be below 1.010. If the specific gravity of the post-race urine sample is determined to be below 1.010, a quantification of furosemide in serum or plasma shall be performed by the commission laboratory. If a horse fails to produce a urine specimen, the commission laboratory shall perform a quantification of furosemide in the serum or plasma sample. Concentrations above 100 nanograms of furosemide per milliliter of serum or plasma shall constitute a violation of this section.

(4) The initial cost of administering the furosemide shall be twenty (20) dollars per administration. The commission shall monitor the costs associated with administering furosemide and consult with industry representatives to determine if the cost should be lowered based on prevailing veterinarian services and supplies. The commission shall maintain records documenting the basis for its determination, and if the cost is determined to be less than twenty (20) dollars per administration, then the commission shall lower the cost accordingly. The cost shall be prominently posted in the racing office.

#### Section 7. Furosemide Eligibility.

(1) (a) A horse shall be eligible to race with furosemide if the licensed trainer or a licensed veterinarian determines that it would be in the horse's best interests to race with furosemide. Notice that a horse eligible to receive furosemide will race with or without furosemide shall be made at the time of entry to ensure public notification, including publication in the official racing program.

(b) It shall constitute a violation of this administrative regulation if notice is made pursuant to this section that a horse will race with furosemide, and the post-race urine, serum, or plasma does not show a detectable concentration of furosemide in the post-race urine, serum, or plasma.

(2) After a horse has been determined to no longer be required to receive furosemide, the horse shall not be eligible to receive furosemide unless the licensed trainer or a licensed veterinarian determines that it would be in the horse's best interest to race with

furosemide and the licensed trainer or a licensed veterinarian complies with the requirements of this section.

#### Section 8. Permitted Non-steroidal Anti-inflammatory Drugs (NSAIDs).

(1) One (1) of the following NSAIDs may be used by a single intravenous injection not less than twenty-four (24) hours prior to post time for the race in which the horse is entered if the concentration in the horse's specimen does not exceed the following levels when tested post-race:

(a) Phenylbutazone - not to exceed two (2.0) micrograms per milliliter of serum or plasma;

(b) Flunixin - not to exceed twenty (20) nanograms per milliliter of serum or plasma; and

(c) Ketoprofen - not to exceed two (2) nanograms per milliliter of serum or plasma.

(2) NSAIDs, including the permitted NSAIDs, shall not be administered within twenty-four (24) hours prior to post time for the race in which the horse is entered. However, as provided in 810 KAR 8:020, the recommended withdrawal guideline for flunixin is thirty-two (32) hours prior to post time for the race in which the horse is entered.

(3)(a) The use of any NSAID other than the permitted NSAIDs, and the use of multiple permitted NSAIDs shall be discontinued at least forty-eight (48) hours prior to post time for the race in which the horse is entered.

(b) A finding of phenylbutazone below a concentration of three-tenths (0.3) microgram per milliliter of serum or plasma shall not constitute a violation of this section.

(c) A finding of flunixin below a concentration of three (3) nanograms per milliliter of serum or plasma shall not constitute a violation of this section.

(d) A finding of ketoprofen below a concentration of one (1) nanogram per milliliter of serum or plasma shall not constitute a violation of this section.

#### Section 9. Anabolic Steroids.

(1) An exogenous AAS shall not be present in a horse that is racing. The detection of an exogenous AAS or metabolic derivative in a post-race sample shall constitute a violation of this administrative regulation.

(2) The detection in a post-race sample of an endogenous AAS or metabolic derivative where the concentration of the AAS or metabolic derivative exceeds naturally occurring physiological levels shall constitute a violation of this administrative regulation. The following shall be deemed to be naturally occurring physiological levels:

(a) Boldenone:

1. In male horses other than geldings, free and conjugated boldenone fifteen (15) nanograms per milliliter in urine or free boldenone twenty-five (25) picograms per milliliter in serum or plasma; and

2. In geldings and female horses, free and conjugated boldenone one (1) nanogram per milliliter in urine or free boldenone twenty-five (25) picograms per milliliter in serum or plasma.

(b) Nandrolone:

1. In geldings, free and conjugated nandrolone one (1) nanogram per milliliter in urine or free nandrolone twenty five (25) picograms per milliliter in serum or plasma;

2. In fillies and mares, free and conjugated nandrolone one (1) nanogram per milliliter in urine or free nandrolone twenty five (25) picograms per milliliter in serum or plasma; and

3. In male horses other than geldings, forty-five (45) nanograms per milliliter of metabolite, 5 $\alpha$ -estrane-3 $\beta$ , 17 $\alpha$ -diol in urine or a ratio in urine of 5 $\alpha$ -estrane-3 $\beta$ , 17 $\alpha$ -diol to 5 $\alpha$ -estrane-3 $\beta$ , 17 $\alpha$ -diol of >1:1.

(c) Testosterone:

1. In geldings, free and conjugated testosterone twenty (20) nanograms per milliliter in urine or free testosterone one hundred (100) picograms per milliliter in serum or plasma; and

2. In fillies and mares (unless in foal), free and conjugated testosterone fifty-five (55) nanograms per milliliter in urine or free

testosterone one hundred (100) picograms per milliliter in serum or plasma.

(3) The gender of the horse from which a post-race biologic specimen is collected shall be identified to the commission veterinarian and the testing laboratory.

Section 10. Test Barn.

(1), A licensed association shall provide and maintain a test barn on association grounds.

(2) The test barn shall be a fenced enclosure sufficient: (a) in size and facilities to accommodate the stabling of horses temporarily detained for the taking of biologic specimens; and

(b) In structural design to prevent entry by unauthorized persons.

(3) The test barn shall be under the supervision and control of the commission chief veterinarian, and no access to individuals other than commission personnel shall be permitted unless with the permission of the commission chief veterinarian. If association personnel require immediate access to the test barn due to fire or other emergency, the association shall report the access to commission officials as soon as possible after the emergency.

Section 11. Sample Collection, Testing and Reporting.

(1) Sample collection shall be done in accordance with the procedures provided in this administrative regulation, 810 KAR 8:060 and under the instructions provided by the commission veterinarian.

(2) The commission veterinarian, in consultation with the commission laboratory shall determine a minimum sample requirement which shall be uniform for each horse and which shall be separated into primary and split samples.

(3) An owner or trainer may request that a split sample be tested by a split sample laboratory approved by the Commission.

(4) The cost of testing under subsection (3) of this section, including shipping, shall be borne by the owner or trainer requesting the test.

(5) (a) Stable equipment other than that necessary for washing and cooling out a horse shall not be permitted in the test barn.

(b) Buckets and water shall be furnished by the commission veterinarian.

(c) If a body brace is to be used on a horse, it shall:

1. Be supplied by the trainer; and

2. Applied only with the permission and in the presence of the commission veterinarian or his designee.

(d) A licensed veterinarian may attend to a horse in the test barn only with the permission of and in the presence of the commission veterinarian or his designee.

(6) Within five (5) business days of receipt of notification by the commission laboratory of a positive finding, the stewards and judges shall notify the owner and trainer orally or in writing of the positive finding.

(7) The stewards or judges shall conduct a hearing as soon as possible after the conclusion of an investigation of a positive finding. A person charged with a violation may request a continuance, which the stewards or the judges may grant for good cause shown.

Section 12. Storage and Shipment of Split Samples.

(1) Split samples shall be secured and made available for further testing in accordance with the procedures established in this subsection:

(a) Split samples shall be secured in the test barn in the same manner as the primary samples for shipment to the commission laboratory, as addressed in Section 11 of this administrative regulation, until the primary samples are packed and secured for shipment to the commission laboratory. Split samples shall then be transferred to a freezer or refrigerator at a secure location approved and chosen by the commission.

(b) A freezer or refrigerator for storage of split samples shall be equipped with a lock. The lock shall be secured to prevent access to the freezer or refrigerator at all times except as specifically provided by paragraph (c) of this subsection.

(c) A freezer or refrigerator for storage of split samples shall be opened only for depositing or removing split samples, for inventory, or for checking the condition of samples.

(d) A log shall be maintained by the commission veterinarian that shall be used each time a split sample freezer or refrigerator is opened to specify each person in attendance, the purpose for opening the freezer or refrigerator, identification of split samples deposited or removed, the date and time the freezer or refrigerator was opened, the time the freezer or refrigerator was closed, and verification that the lock was secured prior to and after opening of the freezer or refrigerator. A commission veterinarian or his designee shall be present when the freezer or refrigerator is opened.

(e) Evidence of a malfunction of a split sample freezer or refrigerator shall be documented in the log.

(f) The commission shall be considered the owner of a split sample.

(2) (a) A trainer or owner of a horse receiving notice of a positive finding may request that a split sample corresponding to the portion of the sample tested by the commission laboratory be sent to the split sample laboratory. The party requesting the split sample shall select a laboratory solicited and approved by the commission to perform the analysis.

(b) The request shall be made in writing and delivered to the stewards or judges within three (3) business days after the trainer or owner of the horse receives oral or written notice of the positive finding by the commission laboratory.

(c) A split sample so requested shall be shipped as expeditiously as possible.

(3) (a) The owner or trainer requesting testing of a split sample shall be responsible for the cost of the testing, including the cost of shipping.

(b) Failure of the owner, trainer, or a designee to appear at the time and place designated by the commission veterinarian in connection with securing, maintaining, or shipping the split sample shall constitute a waiver of any right to be present during split sample testing procedures.

(c) Prior to shipment of the split sample, the commission shall confirm:

1. That the split sample laboratory has agreed to provide the testing requested;

2. That the split sample laboratory has agreed to send results to the commission; and

3. That arrangements for payment satisfactory to the split sample laboratory have been made.

Section 13. Split Sample Chain of Custody.

(1) Prior to opening the split sample freezer or refrigerator, the commission shall provide a split sample chain of custody verification form. The form to be used shall be the Split Sample Chain of Custody Form. The form shall be fully completed during the retrieval, packaging, and shipment of the split sample and shall contain the following information:

(a) The date and time the sample is removed from the split sample freezer or refrigerator;

(b) The sample number; and

(c) The address where the split sample is to be sent.

(2) A split sample shall be removed from the split sample freezer or refrigerator by a commission employee after notice to the owner, trainer, or designee thereof and a commission-designated representative shall pack the split sample for shipment in accordance with the packaging procedures directed by the commission. The Split Sample Chain of Custody Form shall be signed by both the owner's representative, if present, and the commission representative to confirm the proper packaging of the split sample for shipment. The exterior of the package shall be secured and sealed to prevent tampering with the package.

(3) The owner, trainer, or designee, if present, may inspect the package containing the split sample immediately prior to transfer to the delivery carrier to verify that the package is intact and has not been tampered with.

(4) The Split Sample Chain of Custody Form shall be completed and signed by the representative of the commission and

the owner, trainer, or designee, if present.

(5) The commission representative shall retain the original Split Sample Chain of Custody Form and provide a copy to the owner, trainer, or designee, if requested.

#### Section 14. Medical Labeling.

(1) A drug or medication which, by federal or state law, requires a prescription shall not be used or kept on association grounds unless validly prescribed by a duly licensed veterinarian.

(2) A drug or medication shall bear a prescription label which is securely attached and clearly ascribed to show the following:

- (a) The name of the product;
- (b) The name, address, and telephone number of the veterinarian prescribing or dispensing the product;
- (c) The name of the horse for which the product is intended or prescribed;
- (d) The dosage, duration of treatment, and expiration date of the prescribed or dispensed product; and
- (e) The name of the trainer to whom the product was dispensed.

#### Section 15. Trainer Responsibility.

(1) In the absence of substantial evidence to the contrary, a trainer shall be responsible for the condition of a horse in his or her care.

(2) In the absence of substantial evidence to the contrary, a trainer shall be responsible for the presence of a prohibited drug, medication, substance, or metabolic derivative, including permitted medication in excess of the maximum allowable concentration, in a horse in his or her care.

(3) A trainer shall prevent the administration of a drug, medication, substance, or metabolic derivative that may constitute a violation of this administrative regulation.

(4) A trainer whose horse has been claimed shall remain responsible for a violation of this administrative regulation regarding that horse's participation in the race in which the horse is claimed.

(5) A trainer shall be responsible for:

- (a) Maintaining the assigned stable area in a clean, neat, and sanitary condition at all times;
- (b) Using the services of those veterinarians licensed by the commission to attend to horses that are on association grounds;
- (c) The proper identity, custody, care, health, condition, and safety of horses in his or her care;
- (d) Promptly reporting the alteration of the sex of a horse to the horse identifier and the racing secretary;
- (e) Promptly reporting to the racing secretary and the commission veterinarian if a posterior digital neurectomy (heel nerving) is performed on a horse in his or her care and ensuring this fact is designated on its certificate of registration;
- (f) Promptly reporting to the racing secretary the name of a mare in his or her care that has been bred and is entered to race;
- (g) Promptly notifying the commission veterinarian of a reportable disease or communicable illness in a horse in his or her care;
- (h) Promptly reporting the serious injury or death of a horse in his or her care at a location under the jurisdiction of the commission to the judges and the commission veterinarian and ensuring compliance with Section 22 of this administrative regulation and 810 KAR 4:010, Section 14, governing postmortem examinations;
- (i) Maintaining a medication record and medication status of horses in his or her care;
- (j) Promptly notifying the stewards or judges and the commission veterinarian if the trainer has knowledge or reason to believe that there has been an administration to a horse of a drug, medication, or other substance prohibited by this administrative regulation or has knowledge or reason to believe that a prohibited practice has occurred as set forth in Section 20 of this administrative regulation;
- (k) Ensuring the fitness of every horse in his or her care to perform creditably at the distance entered;
- (l) Ensuring that every horse he or she has entered to race is

present at its assigned stall for a pre-race soundness inspection as prescribed by 810 KAR 2:010 Section 4(1)(l);

(m) Ensuring proper bandages, equipment, and shoes;

(n) Ensuring the horse's presence in the paddock at the time prescribed by racing officials before the race in which the horse is entered;

(o) Personally attending in the paddock and supervising the saddling or preparation of a horse in his or her care, unless an assistant trainer fulfills these duties or the trainer is excused by the judges or stewards pursuant to 810 KAR 3:040, Section 3(4); and

(p) Attending the collection of a biologic specimen taken from a horse in his or her care or delegating a licensed employee or the owner to do so.

#### Section 16. Licensed Veterinarians.

(1) A veterinarian licensed by the commission and practicing at a location under the jurisdiction of the commission shall be considered under the supervision of the commission veterinarian and the stewards or judges.

(2) A veterinarian shall report to the stewards, judges or the commission veterinarian a violation of this administrative regulation by a licensee.

#### Section 17. Veterinary Reports.

(1) A veterinarian who treats a horse at a location under the jurisdiction of the commission shall submit a Veterinary Report of Horses Treated to be Submitted Daily form to the commission veterinarian containing the following information:

- (a) The name of the horse treated;
- (b) The type and dosage of drug or medication administered or prescribed;
- (c) The name of the trainer of the horse;
- (d) The date and time of treatment; and
- (e) Other pertinent treatment information requested by the commission veterinarian.

(2) The Veterinary Report of Horses Treated to be Submitted Daily form shall be signed by the treating practicing veterinarian.

(3) The Veterinary Report of Horses Treated to be Submitted Daily form shall be on file not later than the time prescribed on the next race day by the commission veterinarian.

(4) The Veterinary Report of Horses Treated to be Submitted Daily form shall be confidential, and its content shall not be disclosed except in the course of an investigation of a possible violation of this administrative regulation or in a proceeding before the stewards, judges or the commission, or to the trainer or owner of record at the time of treatment.

(5) A timely and accurate filing of a Veterinary Report of Horses Treated to be Submitted Daily form by the veterinarian or his designee that is consistent with the analytical results of a positive test reported by the commission laboratory may be used as a mitigating factor in determining the appropriate penalties pursuant to 810 KAR 8:030.

(6) A veterinarian having knowledge or reason to believe that a horse entered in a race has received a drug, medication, or substance prohibited under this administrative regulation or has knowledge or reason to believe that a prohibited practice has occurred as set forth in Section 20 of this administrative regulation shall report this fact immediately to the commission veterinarian or to the stewards or judges.

(7) A practicing veterinarian shall maintain records of all horses treated and of all medications sold or dispensed. The records shall include:

- (a) The name of the horse;
- (b) The trainer of the horse;
- (c) The date, time, amount, and type of medication administered;
- (d) The drug or compound administered;
- (e) The method of administration; and
- (f) The diagnosis.

(8) The records shall be retained for at least sixty (60) days after the horse has raced and shall be available for inspection by the commission.

Section 18. Veterinarian's List.

(1) The commission veterinarian shall maintain a list of horses determined to be unfit to compete in a race due to illness, physical distress, unsoundness, infirmity, or other medical condition.

(2) A horse may be removed from the veterinarian's list when, in the opinion of the commission veterinarian, the horse is capable of competing in a race.

(3) The commission shall maintain a bleeder list of all horses that have demonstrated external evidence of exercise-induced pulmonary hemorrhage during or after a race or workout as observed by the commission veterinarian.

(4) Every horse that is a confirmed bleeder, regardless of age, shall be placed on the bleeder list and be ineligible to participate in a race (betting or non-betting), qualifying race, time trial, or for the following time periods:

- (a) First incident - fourteen (14) days;
- (b) Second incident within a 365-day period - thirty (30) days;
- (c) Third incident within a 365-day period - 180 days; and
- (d) Fourth incident within a 365-day period - barred from racing for life.

(5) For the purpose of counting the number of days a horse is ineligible to run, the day after the horse bled externally shall be the first day of the recovery period.

(6) The voluntary administration of furosemide without an external bleeding incident shall not subject a horse to the initial period of ineligibility as defined in this section.

Section 19. Distribution of Purses, Barn Searches, and Retention of Samples.

(1) For all races, purse money in thoroughbred and other flat racing shall be paid or distributed pursuant to the process provided in 810 2:070, Section 29(3), and in standardbred racing, no later than twenty-four (24) hours after notice from the commission that a final laboratory report has been issued.

(2) The distribution of purse money prior to the issuance of a final laboratory report shall not be considered a finding that no prohibited drug, medication, substance, or metabolic derivative has been administered to a horse.

(3) After the commission laboratory issues a positive finding the executive director of the commission or the stewards or judges may authorize and execute an investigation into the circumstances surrounding the incident that is the subject of the positive finding.

(4) If the purse money has been distributed, the stewards or judges shall order the money returned immediately to the association upon notification from the commission laboratory that a prohibited drug, medication, substance, or metabolic derivative was administered to a horse eligible for purse money.

(5) At the conclusion of testing by the commission laboratory and split sample laboratory, the remaining portion of the samples at the commission laboratory and split samples remaining at the test barn may be retained at a proper temperature at a secure facility approved and chosen by the commission. If a report indicating a positive finding has been issued, the commission shall use its best reasonable efforts to retain any remaining portion of the sample until legal proceedings have concluded. The commission may freeze samples.

Section 20. Other Prohibited Practices Constituting a Violation of this Administrative Regulation.

(1) A drug, medication, substance, or device shall not be possessed or used by a licensee, or his designee or agent, within a non-public area at a location under the jurisdiction of the commission:

- (a) The use of which may endanger the health and welfare of the horse; or
- (b) The use of which may endanger the safety of the rider or driver.

(2) Without the prior permission of the commission or its designee, a drug, medication, or substance that has never been approved by the United States Food and Drug Administration (USFDA) for use in humans or animals shall not be possessed or used at a location under the jurisdiction of the commission. The commission shall determine whether to grant prior permission after

consultation with the Equine Drug Research Council.

(3) The following blood-doping agents shall not be possessed or used at a location under the jurisdiction of the commission:

- (a) Erythropoietin;
- (b) Darbepoietin;
- (c) Oxyglobin;
- (d) Hemopure; or
- (e) Any substance that abnormally enhances the oxygenation of body tissue.

(4) A treatment, procedure, or therapy shall not be practiced, administered, or applied which may:

- (a) Endanger the health or welfare of a horse; or
- (b) Endanger the safety of a rider or driver.

(5) Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy shall not be used unless the conditions established in this subsection are met.

(a) A treated horse shall not race for a minimum of ten (10) days following treatment.

(b) A veterinarian licensed to practice by the commission shall administer the treatment.

(c) The commission veterinarian shall be notified prior to the delivery of the machine on association grounds.

(d) Prior to administering the treatment, a report shall be submitted by the veterinarian administering the treatment to the commission veterinarian on the Veterinary Report of Horses Treated with Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy

(6) Other than furosemide, an alkalinizing substance that could alter the serum or plasma pH or concentration of bicarbonates or carbon dioxide in a horse shall not be used within twenty-four (24) hours prior to post time of the race in which the horse is entered.

(7) Without the prior permission of the commission veterinarian or his designee, based on standard veterinary practice for recognized conditions, a nasogastric tube which is longer than six (6) inches shall not be used for the administration of any substance within twenty-four (24) hours prior to post time of the race in which the horse is entered.

(8) A serum or plasma total carbon dioxide (TCO<sub>2</sub>) level shall not exceed thirty-seven (37.0) millimoles per liter; except, a violation shall not exist if the TCO<sub>2</sub> level is found to be normal for the horse following the quarantine procedure set forth in Section 21 of this administrative regulation.

(9) A blood gas machine shall not be possessed or used by a person other than an authorized representative of the commission at a location under the jurisdiction of the commission.

(10) A shock wave therapy machine or radial pulse wave therapy machine shall not be possessed or used by anyone other than a veterinarian licensed by the commission at a location under the jurisdiction of the commission.

Section 21. TCO<sub>2</sub> Testing and Procedures.

(1) (a) The stewards, judges, or commission veterinarian may order the pre-race or post-race collection of blood specimens from a horse to determine the total carbon dioxide concentration in the serum or plasma of the horse. The winning horse and other horses, as selected by the stewards or judges, may be tested in each race to determine if there has been a violation of this administrative regulation.

(b) Pre-race sampling shall be done at a reasonable time, place, and manner directed by the chief state steward in consultation with the commission veterinarian.

(c) A specimen consisting of at least two (2) blood tubes shall be taken from a horse to determine the TCO<sub>2</sub> concentration in the serum or plasma of the horse. If the commission laboratory determines that the TCO<sub>2</sub> level exceeds thirty-seven (37.0) millimoles per liter plus the laboratory's measurement of uncertainty, the executive director of the commission shall be informed of the positive finding.

(d) Split sample testing for TCO<sub>2</sub> may be requested by an owner or trainer in advance of the collection of the specimen by the commission veterinarian; however, the collection and testing of a split sample for TCO<sub>2</sub> testing shall be done at a reasonable time, place, and manner directed by the commission veterinarian.

(e) The cost of split sample testing, including the cost of shipping, shall be borne by the owner or the trainer.

(2) (a) If the level of TCO<sub>2</sub> is determined to exceed thirty-seven (37.0) millimoles per liter plus the laboratory's measurement of uncertainty and the licensed owner or trainer of the horse certifies in writing to the stewards or judges within twenty-four (24) hours after the notification of the test result that the level is normal for that horse, the owner or trainer may request that the horse be held in quarantine. If quarantine is requested, the licensed association shall make guarded quarantine available for that horse for a period of time to be determined by the steward or judges, but in no event for more than seventy-two (72) hours.

(b) The expense for maintaining the quarantine shall be borne by the owner or trainer.

(c) During quarantine, the horse shall be retested periodically by the commission veterinarian.

(d) The horse shall not be permitted to race during a quarantine period, but it may be exercised and trained at times prescribed by the licensed association and in a manner that allows monitoring of the horse by a commission representative.

(e) During quarantine, the horse shall be fed only hay, oats, and water.

(f) If the commission veterinarian is satisfied that the horse's level of TCO<sub>2</sub>, as registered in the original test, is physiologically normal for that horse, the stewards or judges:

1. Shall permit the horse to race; and

2. May require repetition of the quarantine procedure set forth in paragraphs (a) through (f) of this subsection to reestablish that the horse's TCO<sub>2</sub> level is physiologically normal.

#### Section 22. Postmortem Examination.

(1) A horse that dies or is euthanized on the grounds of a licensed association or training center under the jurisdiction of the commission shall undergo a postmortem examination at the discretion of the commission and at a facility designated by the commission, through its designee, as provided in 810 KAR 4:010, Section 14.

(2) The commission shall bear the cost of an autopsy that is required by the commission.

(3) The presence of a prohibited drug, medication, substance, or metabolic derivative thereof in a specimen collected during the postmortem examination of a horse may constitute a violation of this administrative regulation.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the requirements for pre- and post-race testing at licensed racing associations in the Commonwealth. The regulation sets forth specific prohibitions concerning medications, establishes the primary and split sample collection process and notification requirements, sets forth the trainer responsibility rule, establishes the veterinarian's list, contains provisions concerning the veterinary and medical labeling, and sets forth the procedures concerning search and seizure on association grounds.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to clearly establish requirements and prohibitions concerning the use of medications during race meetings.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.240(2) authorizes the commission to promulgate administrative regulations restricting or prohibiting the use and administration of drugs or stimulants or other improper acts to horses prior to horses participating in a race. This administrative regulation establishes the requirements, prohibitions, and procedures pertaining to the use of medications on racing days during horse race meetings in Kentucky.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that medications are used appropriately on racing days and in a manner that is consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, Kentucky's licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the use of medication in horse racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and veterinarians, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the use of medication in horse racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation, as Kentucky's licensees have operated in accordance with these requirements for many years.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Kentucky's racing associations are required by KRS 230.240(2) to pay for the cost of testing for prohibited medications. The Kentucky Horse Racing Commission covers other costs of implementing and enforcing this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.300.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

**810 KAR 8:030. Disciplinary measures and penalties.**

RELATES TO: KRS 230.215, 230.260, 230.265, 230.290, 230.300, 230.310, 230.320, 230.361

STATUTORY AUTHORITY: KRS 230.215(2), 230.240(2), 230.260(8), 230.265, 230.320

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations under which racing shall be conducted in Kentucky. KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the use and administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This administrative regulation establishes the penalty structure for rule violations and also establishes disciplinary powers and duties of the stewards, judges, and the commission.

**Section 1. Definitions.**

(1) "Associated person" means the spouse of an inactive person, or a companion, family member, employer, employee, agent, partnership, partner, corporation, or other entity whose relationship, whether financial or otherwise, with an inactive person would give the appearance that the other person or entity would care for or train a horse or perform veterinarian services on a horse for the benefit, credit, reputation, or satisfaction of the inactive person.

(2) "Class A drug" means a drug, medication, or substance classified as a Class A drug, medication, or substance in the schedule.

(3) "Class B drug" means a drug, medication, or substance classified as a Class B drug, medication, or substance in the schedule.

(4) "Class C drug" means a drug, medication, or substance classified as a Class C drug, medication, or substance in the schedule.

(5) "Class D drug" means a drug, medication, or substance classified as a Class D drug, medication, or substance in the schedule.

(6) "Companion" means a person who cohabits with or shares living accommodations with an inactive person.

(7) "Inactive person" means a trainer or veterinarian who has his or her license denied or suspended or revoked for thirty (30) or more days pursuant to KAR Title 810 or KRS Chapter 230.

(8) "NSAID" means a non-steroidal anti-inflammatory drug.

(9) "Primary threshold" means the thresholds for phenylbutazone, flunixin, and ketoprofen provided in 810 KAR 8:010, Section 8(1)(a), (b), and (c), respectively.

(10) "Schedule" means the Kentucky Horse Racing Commission Uniform Drug, Medication, and Substance Classification Schedule as provided in 810 KAR 8:020.

(11) "Secondary threshold" means the thresholds for phenylbutazone, flunixin, and ketoprofen provided in 810 KAR 8:010, Section 8(3)(b), (c) and (d), respectively.

(12) "Withdrawal guidelines" means the Kentucky Horse Racing Commission Withdrawal Guidelines established in 810 KAR 8:020.

**Section 2. General Provisions.**

(1) An alleged violation of the provisions of KRS Chapter 230 or KAR Title 810 shall be adjudicated in accordance with this administrative regulation, 810 KAR 9:010, and KRS Chapters 230 and 13B.

(2) If a drug, medication, or substance that is not classified in the schedule is found to be present in a pre-race or post-race sample or possessed or used by a licensee at a location under the jurisdiction of the commission, the commission may establish a classification after consultation with either or both of the Association of Racing Commissioners International and the Racing and Medication Testing Consortium or their respective successors.

(3) The stewards, judges, and the commission shall consider any mitigating or aggravating circumstances properly presented when assessing penalties pursuant to this administrative regulation. Evidence of full compliance with the withdrawal guidelines shall be considered by the stewards, judges, and the commission as a mitigating factor to be used in determining violations and penalties.

(4) A licensee whose license has been suspended or revoked in any racing jurisdiction or a horse that has been deemed ineligible to race in any racing jurisdiction shall be denied access to locations under the jurisdiction of the commission during the term of the suspension or revocation.

(5) A suspension or revocation shall be calculated in Kentucky calendar days, unless otherwise specified by the stewards, judges, or the commission in a ruling or order.

(6) Notice of the assessment of a penalty, including a written warning, shall be made to the person penalized. The notice and terms of the penalty shall be posted immediately on the official Web site of the commission and sent to the United States Trotting Association, the Association of Racing Commissioners International, or their successors, as applicable, to be posted on their respective official Web sites. If an appeal is pending, that fact shall be so noted.

(7) A horse administered a substance in violation of 810 KAR 8:010 may be required to pass a commission-approved examination as determined by the stewards pursuant to 810 KAR 4:010, Section 10, or be placed on the veterinarian's list pursuant to 810 KAR 8:010, Section 18.

(8) To protect the racing public and ensure the integrity of racing in Kentucky, a trainer whose penalty for a Class A violation or for a Class B third offense violation has not been finally adjudicated may, if stall space is available, be required to house a horse that the trainer has entered in a race in a designated stall for the twenty-four (24) hour period prior to post time of the race in which the horse is entered. If the stewards or judges require the trainer's horse to be kept in a designated stall, there shall be twenty-four (24) hour surveillance of the horse by the association, and the cost shall be borne by the trainer.

(9) In addition to the penalties contained in Section 4 of this administrative regulation for the trainer and owner, any other person who administers, is a party to, facilitates, or is found to be responsible for any violation of 810 KAR 8:010 shall be subject to the relevant penalty as provided for the trainer or other penalty as may be appropriate based upon the violation.

(10) A veterinarian who administers, is a party to, facilitates, or is found to be responsible for any violation of KRS Chapter 230 or Title 810 KAR shall be reported to the Kentucky Board of Veterinary Examiners and the state licensing Board of Veterinary Medicine by the stewards or judges.

(11) In accordance with KRS 230.320(6), an administrative action or the imposition of penalties pursuant to this administrative regulation shall not constitute a bar or be considered jeopardy to prosecution of an act that violates the criminal statutes of Kentucky.

(12) If a person is charged with committing multiple or successive overages involving a Class C or Class D drug, medication, or substance, the stewards, judges, or the commission may charge the person with only one (1) offense if the person demonstrates that he or she was not aware that overages were being administered because the positive test results showing the overages were unavailable to the person charged. In this case, the person alleging that he or she was not aware of the overages shall bear the burden of proving that fact to the stewards, judges, or the commission.

(13) If a penalty for a medication violation requires a horse to be placed on the stewards' list or the judges' list for a period of time, the stewards or judges may waive this requirement if ownership of the horse was legitimately transferred prior to the trainer's notification by the commission of the positive result.

(14) In standardbred racing only, if the penalty is for a driving violation and does not exceed in time a period of five (5) days, the driver may complete the engagement of all horses declared in before the penalty becomes effective. The driver may drive in

stake, futurity, early closing and feature races, during a suspension of five (5) days or less, but the suspension shall be extended one (1) day for each date the driver drives in a race.

(15) A horse shall not be permitted to race while owned or controlled wholly or in part by a person whose license has been suspended or revoked.

(16) An association under the jurisdiction of the commission shall not willfully allow:

(a) A person whose license has been suspended or revoked in any jurisdiction to participate in racing;

(b) A horse suspended in any jurisdiction to start in a race or a performance against time; or

(c) The use of its track or grounds by a licensee whose license has been suspended or revoked and has been denied access to the grounds by the stewards or judges in any jurisdiction.

(17) If a person is ejected or excluded from a location under the jurisdiction of the commission, the stewards, judges, and commission director of security shall be notified in writing.

(18) A licensee that has been suspended shall serve any suspension imposed:

(a) During the current race meet, if there are enough remaining days to serve out the suspension;

(b) During the next regularly scheduled race meet at the operating race track where the infraction took place if there are not enough remaining days to serve out the suspension; or

(c) At the discretion of the stewards or judges, during a race meet at another operating track in any jurisdiction where the licensee seeks to engage in the activity for which he or she is licensed if the track where the infraction took place closes before another race meet is held at that track.

(19) A penalty imposed by the governing body of any racing jurisdiction or the USTA States Trotting Association shall be recognized and reciprocally enforced by the commission unless application is made for a hearing before the stewards or judges, during which the applicant shall show cause as to why the penalty should not be enforced against him in Kentucky. The hearing shall be limited to the following issues:

(a) Whether the applicant is the same person who is subject to the penalty imposed;

(b) Whether the USTA or other racing jurisdiction in fact suspended the applicant; and

(c) Determination of the time period of the suspension as imposed by the USTA or other racing jurisdiction.

**Section 3. Prior Offenses.** A prior offense occurring in Kentucky or any other racing jurisdiction shall be considered by the stewards, judges, and the commission in assessing penalties. The stewards or judges shall attach to a penalty judgment a copy of the offender's prior record listing violations that were committed both inside and outside of Kentucky.

**Section 4. Penalties for Class A, B, C, and D Drug Violations and NSAID and Furosemide Violations.**

Section 7. Persons with a Suspended or Revoked License.

(1) A person shall not train a horse or practice veterinary medicine for the benefit, credit, reputation, or satisfaction of an inactive person. The partners in a veterinary practice may provide services to horses if the inactive person does not receive a pecuniary benefit from those services.

(2) An associated person of an inactive person shall not:

(a) Assume the inactive person's responsibilities at a location under the jurisdiction of the commission;

(b) Complete an entry form for a race to be held in Kentucky on behalf of or for the inactive person or an owner or customer for whom the inactive person has worked; or

(c) Pay or advance an entry fee for a race to be held in Kentucky on behalf of or for the inactive person or an owner or customer for whom the inactive person has worked.

(3) An associated person who assumes the responsibility for the care, custody, or control of an unsuspended horse owned (fully or partially), leased, or trained by an inactive person shall not:

(a) Be paid a salary directly or indirectly by or on behalf of the inactive person;

(b) Receive a bonus or any other form of compensation in cash, property, or other remuneration or consideration;

(c) Make a payment or give remuneration or other compensation or consideration to the inactive person or associated person; or

(d) Train or perform veterinary work for the inactive person or an owner or customer of the inactive person at a location under the jurisdiction of the commission.

(4) A person who is responsible for the care, training, or veterinary services provided to a horse formerly under the care, training, or veterinary services of an inactive person shall:

(a) Bill customers directly on his or her bill form for any services rendered at or in connection with any race meeting in Kentucky;

(b) Maintain a personal checking account totally separate from and independent of that of the inactive person to be used to pay expenses of and deposit income from an owner or client of the inactive person;

(c) Not use the services, directly or indirectly, of current employees of the inactive person; and

(d) Pay bills related to the care, training, and racing of the horse from a separate and independent checking account. Copies of the invoices for the expenses shall be retained for not less than six (6) months after the date of the reinstatement of the license of the inactive person or the expiration of the suspension of the inactive person's license.

Section 8. Other Disciplinary Measures.

(1) A person who violates 810 KAR 8:010, Section 20(2), shall be treated the same as a person who has committed a drug violation of the same class, as determined by the commission after consultation with the Equine Drug Research Council.

(2) A person who violates 810 KAR 8:010, Section 20(3), shall be treated the same as a person who has committed a Class A drug violation.

Section 9. Disciplinary Measures by Stewards or Judges. Upon finding a violation or an attempted violation of the provisions of KRS Chapter 230 or Title 810 KAR, if not otherwise provided for in this administrative regulation, the stewards or judges may impose one (1) or more of the following penalties:

(1) If the violation or attempted violation may affect the health or safety of a horse or race participant, or may affect the outcome of a race, declare a horse or a licensee ineligible to race or disqualify a horse or a licensee in a race;

(2) Suspend or revoke a person's licensing privileges for a period of time of not more than five (5) years in proportion to the seriousness of the violation and the facts of the case;

(3) Cause a person, licensed or unlicensed, found to have interfered with, or contributed toward the interference of the orderly conduct of a race or race meeting, or person whose presence is found by the stewards or judges to be inconsistent with maintaining the honesty and integrity of the sport of horse racing to be denied access to association grounds or a portion of association grounds; and

(4) Payment of a fine in an amount not to exceed \$50,000 as deemed appropriate by the commission in keeping with the seriousness of the violation and the facts of the case.

#### Section 10. Disciplinary Measures by the Commission.

(1) Upon finding a violation or an attempted violation of the provisions of KRS Chapter 230 or KAR Title 810, if not otherwise provided for in this administrative regulation, the commission may impose one (1) or more of the following penalties:

(a) If the violation or attempted violation may affect the health or safety of a horse or race participant or may affect the outcome of a race, declare a horse or a licensed person ineligible to race or disqualify a horse or licensed person in a race;

(b) Suspend or revoke a person's licensing privileges for a period of time of not more than five (5) years in proportion to the seriousness of the violation;

(c) Cause a person found to have interfered with or contributed toward the interference of the orderly conduct of a race or race meeting, or person whose presence is found by the commission to be inconsistent with maintaining the honesty and integrity of horse racing, to be denied access to association grounds or a portion of association grounds for a length of time the commission deems necessary;

(d) Payment of a fine of up to \$50,000 as deemed appropriate by the commission in keeping with the seriousness of the violation and the facts of the case.

(2) Upon appeal of a matter determined by the stewards' or judges the commission may:

(a) Order a hearing de novo of a matter determined by the stewards' or judges; and

(b) Reverse or revise the stewards' or judges' ruling in whole or in part, except as to findings of fact by the stewards' or judges' ruling regarding matters that occurred during or incident to the running of a race and as to the extent of disqualification fixed by the stewards or judges for a foul in a race.

FILED WITH LRC: November 15, 2018 at 9 a.m.

PUBLIC HEARING AND PUBLIC COMMENT PERIOD: A public hearing on this administrative regulation shall be held on December 27, 2018 at 10:00 a.m., at the office of the Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511. Individuals interested in being heard at this hearing shall notify the Kentucky Horse Racing Commission in writing by no later than five (5) working days prior to the hearing of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be cancelled. This

hearing is open to the public. Any person who wishes to be heard will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on the proposed administrative regulation. Written comments shall be accepted through 11:59 p.m., December 31, 2018. Please send written notification of intent to be heard at the public hearing or written comments on the proposed administrative regulation to the contact person below.

CONTACT PERSON: John L. Forgy, General Counsel, Kentucky Horse Racing Commission, 4063 Iron Works Parkway, Building B, Lexington, Kentucky 40511, phone (859) 246-2040, fax (859) 246-2039, email [John.Forgy@ky.gov](mailto:John.Forgy@ky.gov).

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the penalties for violations of the requirements and prohibitions concerning the use of medication at race meetings at licensed racing associations in the Commonwealth.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to clearly establish requirements and prohibitions concerning the use of medications during race meetings.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.240(2) authorizes the commission to promulgate administrative regulations restricting or prohibiting the use and administration of drugs or stimulants or other improper acts to horses prior to horses participating in a race. This administrative regulation establishes the requirements, prohibitions, and procedures pertaining to the use of medications on racing days during horse race meetings in Kentucky.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that medications are used appropriately on racing days and in a manner that is consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, Kentucky's licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the use of medication in horse racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and veterinarians, will be required to

adhere to the requirements and rules set forth in this administrative regulation pertaining to the use of medication in horse racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation, as Kentucky's licensees have operated in accordance with these requirements for many years.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Kentucky's racing associations are required by KRS 230.240(2) to pay for the cost of testing for prohibited medications. The Kentucky Horse Racing Commission covers other costs of implementing and enforcing this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.300.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

#### PUBLIC PROTECTION CABINET Kentucky Horse Racing Commission (New Administrative Regulation)

#### 810 KAR 8:040. Out-of-competition testing.

RELATES TO: KRS 230.215, 230.225(5), 230.240, 230.260, 230.290, 230.300, 230.310, 230.320, 230.370

STATUTORY AUTHORITY: KRS 230.215(2), 230.240(2), 230.260(11).

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) grants the commission the authority to regulate conditions under which horse racing shall be conducted in Kentucky. KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the use and administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This administrative regulation establishes new sampling and testing procedures for prohibited substances, and establishes penalties for individuals found to be in.

#### Section 1. Definitions.

(1) "Endogenous" means a substance that is naturally produced by the healthy body.

(2) "Exogenous" means a substance that is not naturally produced by the healthy body.

(3) "Out of competition testing" means all testing other than:

(a) Pre-race TCO2 testing; and

(b) Post-race testing at a licensed association under the jurisdiction of the commission.

(4) "Sample" means that portion of a specimen subjected to testing by the commission laboratory.

(5) "Sampling" means the act of collecting a specimen from a horse.

(6) "Specimen" means blood, urine, or other biologic matter taken or drawn from a horse for testing.

#### Section 2. Prohibited Substances and Practices.

(1) All substances identified in this administrative regulation shall be prohibited unless specifically permitted. A positive finding by the commission laboratory of a substance prohibited by this administrative regulation in a specimen taken from a horse designated for testing by a commission veterinarian or his designee shall be prima facie evidence that a violation has occurred. Any reference to substances in this section does not alter the requirements for testing concentrations in race day samples set forth in 810 KAR 8:010 and 810 KAR 8:050.

(2) Any pharmacological substance not addressed by this administrative regulation and without current approval by the U.S. Food and Drug Administration for human or veterinary use shall be prohibited at all times absent prior approval of the commission. If a veterinarian seeks approval to use a pharmacological substance not currently approved by the U.S. Food and Drug Administration, the commission or its designee may consult with the Association of Racing Commissioners International, the Racing and Medication Testing Consortium, or their successors to determine whether to authorize use of the substance.

(3) Therapeutic substances not otherwise prohibited by this administrative regulation shall be permitted provided such substances:

(a) Are currently approved for human or veterinary use by the U.S. Food and Drug Administration; and

(b) Are prescribed and administered in the context of a valid veterinarian-client-patient relationship.

(4) Compounded medications not otherwise prohibited by this administrative regulation shall be permitted provided such medications:

(a) Are permitted by federal law or the law of the state where the horse is located when the compounded medication is administered; and,

(b) Are prescribed and administered in the context of a valid veterinarian-client-patient relationship.

(5) (a) Except as provided in paragraph (b) of this

subsection, the following Anabolic Androgenic Steroids (AAS) are prohibited:

1. Exogenous AAS, including: 1-androstenediol (5 $\alpha$ -androst-1-ene-3 $\beta$ ,17 $\beta$ -diol); 1-androstenedione (5 $\alpha$ -androst-1-ene-3,17-dione); bolandiol (estr-4-ene-3 $\beta$ ,17 $\beta$ -diol); bolasterone; boldenone; boldione (androst-1,4-diene-3,17-dione); calusterone; clostebol; danazol ([1,2]oxazolo[4',5':2,3]pregna-4-en-20-yn-17 $\alpha$ -ol);

dehydrochlormethyltestosterone (4-chloro-17 $\beta$ -hydroxy-17 $\alpha$ -methylandrosta-1,4-dien-3-one); desoxymethyltestosterone (17 $\alpha$ -ethyl-5 $\alpha$ -androst-2-en-17 $\beta$ -ol); drostanolone; ethylestrenol (19-norpregna-4-en-17 $\alpha$ -ol); fluoxymesterone; formebolone; furazabol (17 $\alpha$ -methyl[1,2,5]oxadiazolo[3',4':2,3]-5 $\alpha$ -androst-17 $\beta$ -ol); gestrinone; 4-hydroxytestosterone (4,17 $\beta$ -dihydroxyandrost-4-en-3-one); mestanolone; mesterolone; metandienone (17 $\beta$ -hydroxy-17 $\alpha$ -methylandrosta-1,4-dien-3-one); metenolone; methandiol; methasterone (17 $\beta$ -hydroxy-2 $\alpha$ ,17 $\alpha$ -dimethyl-5 $\alpha$ -androst-3-one); methylidienolone (17 $\beta$ -hydroxy-17 $\alpha$ -methylestra-4,9-dien-3-one); methyl-1-testosterone (17 $\beta$ -hydroxy-17 $\alpha$ -methyl-5 $\alpha$ -androst-1-en-3-one); methylnor testosterone (17 $\beta$ -hydroxy-17 $\alpha$ -methylestr-4-en-3-one); methyltestosterone; metribolone (methyltrienolone, 17 $\beta$ -hydroxy-17 $\alpha$ -methylestra-4,9,11-trien-3-one); mibolerone; nandrolone; 19-norandrostenedione (estr-4-ene-3,17-dione); norboleone; norclostebol; norethandrolone; oxabolone; oxandrolone; oxymesterone; oxymetholone; prostanazol (17 $\beta$ -[(tetrahydropyran-2-yl) oxy]-1'H pyrazolo[3,4:2,3]-5 $\alpha$ -androstane); quinbolone; stanozolol; stenbolone; 1-testosterone (17 $\beta$  hydroxy-5 $\alpha$ -androst-1-en-3-one); tetrahydrogestrinone (17-hydroxy-18 $\alpha$ -homo-19-nor-17 $\alpha$  pregna-4,9,11-trien-3-one); and trenbolone (17 $\beta$ -hydroxyestr-4,9,11-trien-3-one).

2. Endogenous AAS or their synthetic esters when administered exogenously: androstenediol (androst-5-ene-3 $\beta$ ,17 $\beta$ -diol); androstenedione (androst-4-ene-3,17-dione); dihydrotestosterone (17 $\beta$ -hydroxy-5 $\alpha$ -androst-3-one); prasterone (dehydroepiandrosterone, DHEA, 3 $\beta$ -hydroxyandrost-5-en-17-one); testosterone; and their metabolites and isomers, including but not limited to: 5 $\alpha$ -androstane-3 $\alpha$ ,17 $\alpha$ -diol; 5 $\alpha$ -androstane-3 $\alpha$ ,17 $\beta$ -diol; 5 $\alpha$ -androstane-3 $\beta$ ,17 $\alpha$ -diol; 5 $\alpha$ -androstane-3 $\beta$ ,17 $\beta$ -diol; 5 $\beta$ -androstane-3 $\alpha$ ,17 $\beta$ -diol; androst-4-ene-3 $\alpha$ ,17 $\alpha$ -diol; androst-4-ene-3 $\alpha$ ,17 $\beta$ -diol; androst-4-ene-3 $\beta$ ,17 $\alpha$ -diol; androst-5-ene-3 $\alpha$ ,17 $\alpha$ -diol; androst-5-ene-3 $\alpha$ ,17 $\beta$ -diol; androst-5-ene-3 $\beta$ ,17 $\alpha$ -diol; 4-androstenediol (androst-4-ene-3 $\beta$ ,17 $\beta$ -diol); 5-androstenedione (androst-5-ene-3,17-dione); androsterone (3 $\beta$ -hydroxy-5 $\alpha$ -androst-17-one); epi-dihydrotestosterone; epitestosterone; etiocholanolone; 7 $\alpha$ -hydroxy-DHEA; 7 $\beta$ -hydroxy-DHEA; 7-keto-DHEA; 19-norandrosterone; 19-noretiocholanolone.

(b) Anabolic steroids may be used out of competition provided:

1. The anabolic steroid is currently approved for human or veterinary use by the U.S. Food and Drug Administration;

2. The administration is:

a. Performed pursuant to a valid veterinary prescription;

b. Entered into the horse's medical record by the administering veterinarian; and

c. Reported by the administering veterinarian to the commission no later than twenty-four (24) hours after administration or dispensing of the medication;

3. The record is made available upon request for inspection by the commission or its designee; and

4. The horse is placed on the Veterinarian's List for six (6) months after the last administration of an anabolic steroid or agent.

(6) (a) Except as provided in paragraph (b) of this subsection, the following anabolic agents shall be prohibited: 1) clenbuterol, 2) selective androgen receptor modulators (SARMs), 3) ractopamine, 4) tibolone, 5) zeranol, and 6) zilpaterol.

(b) Clenbuterol may be administered provided the treatment is:

1. Pursuant to a valid veterinary prescription; and

2. Reported by the administering veterinarian to the commission no later than 24 hours after administration or dispensing of the medication.

(7) The following substances shall be prohibited:

(a) Erythropoiesis-Stimulating Agents (ESAs), including darbepoetin (dEPO); erythropoietins (EPO); EPOmimetic peptides (EMP), e.g., CNTO 530 and peginesatide; and methoxypolyethylene glycol-epoetin beta (CERA);

(b) Non-erythropoietic EPO-Receptor agonists, including ARA-290, asialo EPO and carbamylated EPO; and

(c) Hypoxia-inducible factor (HIF) stabilizers, including cobalt (when detected at concentrations in excess the threshold prescribed in 810 KAR 8:010 Sec. 2(4)(b)), and roxadustat (FG-4592); and HIF activators, (e.g., argon, xenon).

(8)(a) Except as provided in paragraph (b) of this subsection, Chorionic Gonadotropin (CG) and Luteinizing Hormone (LH) and their releasing factors, shall be prohibited in male horses.

(b) Chorionic Gonadotropin (CG) and Luteinizing Hormone (LH) may be used in male horses provided:

1. The treatment is pursuant to a valid veterinary prescription; and

2. The administering veterinarian files a treatment plan with the commission prior to administering the medication.

(9)(a) Except as provided in paragraph (b) of this subsection, Corticotrophin releasing factors and corticotrophin releasing hormones (CCRH) shall be prohibited.

(b) Adrenocorticotrophic Hormone (ACTH) may be used provided the treatment is:

1. Pursuant to a valid veterinary prescription; and

2. Reported by the administering veterinarian to the commission no later than twenty-four (24) hours after administration or dispensing of the medication by the veterinarian.

(c) Growth Hormone (GH); Growth Hormone Releasing Hormone (GHRH); CJC-1295, sermorelin and tesamorelin; Growth Hormone Secretagogues (GHS); anamorelin; ipamorelin; GH-Releasing Peptides (GHRPs); alexamorelin; GHRP-6; hexarelin; and pralmorelin (GHRP-2) shall be prohibited.

(d) Venoms and toxins from sources, including snails, snakes, frogs, and bees and their synthetic analogues, including ziconotide, shall be prohibited.

(e) Growth factors, including Fibroblast Growth Factors (FGFs), Hepatocyte Growth Factor (HGF), Insulin-like Growth Factor-1 (IGF-1) and its analogues, Mechano Growth Factors (MGFs), Platelet-Derived Growth Factor (PDGF), Vascular-Endothelial Growth Factor (VEGF) and any other growth factor affecting muscle, tendon or ligament protein synthesis/degradation, vascularization, energy utilization, regenerative capacity or fiber type switching shall be prohibited.

(10) Platelet rich plasma (PRP) and autologous conditioned plasma (IRAP) may be used provided such treatment is:

(a) Pursuant to a valid veterinary prescription; and

(b) Reported to the commission's representative at the time of sampling if administered within the preceding twenty-four (24) hours.

(11) All beta-2 agonists, including all optical isomers (i.e. *d*- and *l*-) where relevant, shall be prohibited.

(12) Clenbuterol and albuterol are permitted provided the treatment is:

(a) Pursuant to a valid veterinary prescription; and

(b) Reported by the administering veterinarian to the commission no later than twenty-four (24) hours after administration or dispensing of the medication by the veterinarian.

(13) Hormone and metabolic modulators shall be prohibited including:

(a) Aromatase inhibitors, including aminoglutethimide, anastrozole, androsta-1,4,6-triene-3,17-dione (androstatrienedione), 4-androstene-3,6,17-trione (6-oxo), exemestane, formestane, letrozole, testolactone;

(b) Selective estrogen receptor modulators (SERMs), including raloxifene, tamoxifen, toremifene;

(c) Other anti-estrogenic substances, including clomiphene, cyclofenil, fulvestrant;

(d) Agents modifying myostatin function(s), including myostatin inhibitors;

(e) Activators of the AMP-activated protein kinase (AMPK), including 5-Aminoimidazole-4-carboxamide ribonucleotide (AICAR); and Peroxisome Proliferator Activated Receptor  $\delta$  (PPAR $\delta$ ) agonists including GW 1516;

(f) Insulins;

(g) Trimetazidine;

(h) Thyroxine, and thyroid modulators/hormones including T4

(tetraiodothyronine/thyroxine), T3 (triiodothyronine), or combinations thereof.

(i) Thyroxine (T4) is permitted provided that:

1. The treatment is pursuant to a valid veterinary prescription; and

2. A treatment report is filed in writing or electronically with the commission within twenty-four (24) hours of the administration or dispensing of the medication by the veterinarian.

(j) Altrenogest may be used in fillies and mares provided that such treatment is pursuant to a valid veterinary prescription. Altrenogest is permitted in intact males provided the treatment is:

1. Pursuant to a valid veterinary prescription; and

2. The administering veterinarian files a treatment plan with the commission prior to administering the medication.

(18)(a) Except as provided in paragraphs (b) and (c) of this subsection, diuretics shall be prohibited, including acetazolamide, amiloride, bumetanide, canrenone, chlorthalidone, ethacrynic acid, indapamide, metolazone, spironolactone, thiazides including bendroflumethiazide, chlorothiazide, hydrochlorothiazide, torsemide, triamterene, vasopressin receptor antagonists or vaptans, including tolvaptan.

(b) Furosemide and trichlormethiazide may be used out of competition provided the treatment is:

1. Pursuant to a valid veterinary prescription; and

2. Reported at the time of sampling if administered within the preceding twenty-four (24) hours.

(c) Other diuretics, including those set forth in paragraph (a) above, may be administered in an emergency provided the treatment is:

1. Pursuant to a valid veterinary prescription;

2. Reported to the commission within twenty-four (24) hours of administration.

(19) Masking agents, including desmopressin, plasma expanders (including glycerol; intravenous administration of albumin, dextran, and hydroxyethyl starch), and probenecid, shall be prohibited.

(20) The administration or reintroduction of any quantity of autologous, allogenic (homologous) or heterologous blood or red blood cell products of any origin into the circulatory system shall be prohibited.

(21) Artificially enhancing the uptake, transport or delivery of oxygen, with perfluorochemicals, efaproxiral (RSR13), hemoglobin products, hemoglobin-based blood substitutes, and microencapsulated hemoglobin products (excluding supplemental oxygen) shall be prohibited.

(22)(a) Except as provided in paragraph (b) of this subsection, any form of intravascular manipulation of the blood or blood components by physical or chemical means shall be prohibited.

(b) The use of a hyperbaric oxygen chamber shall not be a violation of this administrative regulation.

(23) Polymers of nucleic acids or nucleic acid analogues shall not be transferred unless prior approval is requested and received from the commission or its designee.

(24) The use of normal or genetically modified hematopoietic cells shall be prohibited.

(25) Mesenchymal stem cells may be used for treatment of musculo-skeletal disorders, provided that such treatment is:

1. Entered by the veterinarian in the horse's medical record, which record shall be made available to a designee of the commission upon request;

2. Pursuant to a valid veterinary prescription; and

3. Reported to the commission's representative at the time of sampling.

### Section 3. Out-of-Competition Testing.

(1) Any horse eligible to race in Kentucky shall be subject to testing without advance notice for the substances specified in Section 2 of this administrative regulation. A horse is presumed eligible to race in Kentucky if:

(a) It is under the care, custody, or control of a trainer licensed by the commission;

(b) It is owned by an owner licensed by the commission;

(c) It is nominated to a race at an association licensed

pursuant to KRS 230.300;

(d) It has raced at an association licensed pursuant to KRS 230.300 within the previous twelve (12) calendar months;

(e) It is stabled on the grounds of an association licensed pursuant to KRS 230.300 or a training facility subject to the jurisdiction of the commission; or

(f) It is nominated to participate in the Kentucky Thoroughbred Development Fund, the Kentucky Standardbred Development Fund, or the Kentucky quarter horse, paint horse, Appaloosa and Arabian Development Fund.

(2) A horse subject to testing under subsection (1) of this section may be designated for testing by the executive director, the chief state steward, chief judge, or their respective designee.

(3) An owner, trainer, or any authorized designee shall fully cooperate with the commission veterinarian, or his or her designee, by:

(a) Locating and identifying any horse designated for out-of-competition testing;

(b) Making the horse available for the collection of the specimen at a place designated by the commission veterinarian, or his or her designee; and

(c) Observing the collection of the specimen.

1. If the owner, trainer or their authorized designee, is not available to observe the collection of the specimen, the collection shall be deferred until the trainer, owner, or their authorized designee, becomes reasonably available, but the collection shall occur no later than six (6) hours after notice of intent to collect a specimen from a horse is issued by the commission veterinarian or his or her designee.

2. If the collection does not occur within the time provided for in this subsection, any horse that is designated for testing may be barred from racing in Kentucky and placed on the veterinarian's list, pursuant to 810 KAR 8:010, Section 17, and the steward's list or judges' list, for a period of 180 days and the owner and trainer of the horse may be subject to the penalties described in Section 8 of this administrative regulation.

(4) Responsible persons.

(a) The trainer of the horse shall be responsible for the condition of a horse sampled for an out-of-competition test while on the grounds of a licensed training facility or racetrack.

(b) If the horse is sampled while not on the grounds of a licensed training facility or racetrack, the owner shall be presumed to be the responsible person unless the owner can establish, by substantial evidence, that another licensed person had accepted the responsibility for the care, custody, and control of the horse, making such person the responsible person.

(c) If a horse sampled for an out-of-competition test was claimed, sold, or otherwise transferred during the time the substance giving rise to the positive test may have been administered, then the commission shall investigate to determine, by a preponderance of the evidence, the identity of the responsible person at the time such substance may have been administered.

(d) If the commission cannot determine a responsible person, then the commission may deem the owner responsible and may place the horse on the veterinarian's list for such time as is necessary to protect the integrity of racing.

(e) If a horse designated for testing is sampled at a location not under the jurisdiction of the commission, the trainer or his designee may declare at the time of sampling any reportable substances that have been administered to the horse but have not previously been disclosed to the commission.

### Section 4. Specimen Collection.

(1) A specimen shall be collected from any horse designated by the executive director, the chief state steward, the presiding judge, or their designee, whether the horse is located in Kentucky or in another jurisdiction.

(2) If a designated horse is located in another jurisdiction, the executive director or commission veterinarian may select a veterinarian from that jurisdiction's racing commission or regulatory entity to collect the specimen.

(3) At a licensed association or training facility under the jurisdiction of the commission, the commission veterinarian, or his

or her designee, may collect a specimen from a horse designated for testing at any time.

(4) At a location other than the grounds of a licensed association or a training facility under the jurisdiction of the commission, the commission veterinarian, or his or her designee, shall collect the specimen between the hours of 7 a.m. and 6 p.m., prevailing time, and shall notify orally or in writing the owner, trainer, or their designee before arriving to collect the specimen.

(5) A licensed association or training facility under the jurisdiction of the commission at which a horse designated for testing is located shall cooperate fully in the collection of the specimen.

Section 5. Minimum and split samples. The commission veterinarian, in consultation with the official laboratory, shall determine minimum and split sample requirements as set forth at 810 KAR 8:010, Section 11.

Section 6. Sample Storage and Testing.

(1) Any out of competition sample collected pursuant to this administrative regulation shall be stored in a temperature controlled unit at a secure location chosen by the commission until the sample is submitted for testing. The samples shall be secured under conditions established by the commission veterinarian in accordance with 810 KAR 8:010, Section 11.

(2) The commission is the owner of an out of competition specimen.

(3) A trainer or owner of a horse receiving notice of a report of finding from the commission may request that a split sample corresponding to the portion of the sample tested by the commission laboratory be sent to a split sample laboratory which has documented its proficiency in detecting the substance associated with the report of finding and has been approved by the commission.

(4) Split samples shall be subject to 810 KAR 8:010, Section 11, and the chain of custody of any split sample shall be maintained in accordance with 810 KAR 8:010, Section 12.

(5) The cost of testing a, including shipping, shall be borne by the owner or trainer requesting the test.

Section 7. Notice of Violation and Hearing. Within five (5) business days of receipt by the stewards or judges of notification of a violation of this administrative regulation, the stewards or judges shall notify the owner and trainer orally or in writing of the violation and shall schedule a stewards' or judges' hearing within fourteen (14) calendar days of notification by the stewards or judges to the owner and trainer. The hearing may be continued if the stewards or judges determine a continuation is necessary to accommodate the parties.

Section 8. Penalty. A trainer, owner, responsible person, or any other individual who violates this administrative regulation shall be subject to the following penalties:

(1) A positive finding of a substance prohibited by this administrative regulation shall be subject to the penalties for that substance set forth in 810 KAR 8:010, 810 KAR 8:020, and 810 KAR 8:030.

(2) If the owner, trainer, or any authorized designee fails to cooperate or otherwise prevents a horse from being tested, the horse designated for testing shall be barred from racing in Kentucky and placed on the veterinarian's list, pursuant to 810 KAR 8:010, Section 17, and the steward's list or judges' list, for 180 days, and the individual or individuals responsible for the failure to cooperate or prevention of the horse from being tested shall be subject to the penalties described in Section 8 of this administrative regulation.

(3) A horse that is barred from racing in Kentucky and placed on the Veterinarian's List and the steward's list, or judges' list pursuant to subsection (4)(c)(2) or subsection (5) of this section shall remain barred from racing and shall remain on the veterinarian's list and the steward's list or judge's list:

(a) Upon sale or transfer of the horse to another owner or trainer until the expiration of 180 days; and

(b) Until the horse is determined by the commission to test negative for any substance prohibited by this administrative regulation and is approved for racing by the commission veterinarian and the chief state steward or presiding judge.

(4) Willful failure to make a horse available for sampling, tampering with or attempting to tamper in order to alter the integrity and validity of a sample, including urine substitution or adulteration, or any other deceptive acts or interference in the sampling process, shall be penalized as follows:

(a) For a first offense, a Class A penalty as set forth in 810 KAR 8:030.

(b) For a second offense, permanent license revocation.

(c) A horse that is not produced for out of competition testing shall be placed on the Veterinarian's List for a minimum of 180 days.

(5) Failure to report treatment as required by this administrative regulation:

(a) For a first offense, a warning.

(b) For a second or subsequent offense, a Class D penalty as set forth in 810 KAR 8:030.

(6) Upon finding a violation of this administrative regulation, the horse in which the presence of a substance described in Section 2 of this administrative regulation was detected shall be barred from racing in Kentucky and placed on the veterinarian's list pursuant to 810 KAR 8:010, Section 17, and the stewards' or judges' list, for a period of up to 180 days and shall remain barred from racing in Kentucky until the horse is determined by the commission to test negative for any substance described in Section 2 of this administrative regulation and is approved for racing by the commission veterinarian and the chief state steward or presiding judge.

(7) Upon finding a violation of this administrative regulation, the horse in which the presence of a substance described in Section 2 of this administrative regulation was detected remains subject to the requirements of subsection (4) of this section:

(a) Upon sale or transfer of the horse to another owner or trainer before the expiration of 180 days; and

(b) Until the horse is determined by the commission to test negative for any substance described in Section 2 of this administrative regulation and is approved for racing by the commission veterinarian and the chief state steward or presiding judge.

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation authorizes out of competition sampling and testing procedures that allow the Commission to detect the presence of certain substances in a horse that are prohibited by this regulation as well as 810 KAR 8:010, but cannot be effectively detected through the existing post-race sampling and testing procedures. These procedures, which allow the commission to collect specimens from a horse prior to the horse being entered in a race, apply to substances identified in the regulation that have the ability to affect a horse's performance on the racetrack long after they can be detected in the horse's system through post-race sampling and testing. The regulation also establishes a procedure for the adjudication of violations of this administrative regulation.

(b) The necessity of this administrative regulation: The necessity of this administrative regulation: This regulation is necessary because the substances identified in the regulation cannot be effectively regulated through existing post-race sampling and testing procedures. The prohibited substances remain in a horse's system for a limited period of time, but their ability to affect a horse can last for weeks or even months beyond the period during which they can be detected. Because the effects far outlast the substances' detection period, these substances are generally administered well in advance of a race and are not detectable through post-race specimen testing. Therefore, it is necessary for the commission to be able to collect a specimen from a horse at or close to the time a prohibited substance may have been administered, which in many instances is before a horse is even entered in a race. This regulation allows the commission to collect such specimens. While this is a new regulation that addresses all breeds of horses racing in Kentucky, it replaces three regulations that are separately applicable to 1) thoroughbred racing (810 KAR 1:110), 2) Standardbred racing (811 KAR 1:240), and 3) Quarter Horse, Paint Horse, Appaloosa and Arabian Racing (811 KAR 2:250). This regulation includes new provisions setting forth a detailed list of prohibited substances modeled on the prohibited substance lists of the World Anti-Doping Agency (WA-DA) and the United States Anti-Doping Agency (USADA). Additionally, the Racing Medication and Testing Consortium (RMTTC) has established permissible exemptions – supported by veterinary declaration of use or dispensing – for certain substances on the prohibited substances list that do have legitimate use in the treatment of horses in training. These substances – which include anabolic steroids, clenbuterol, thyroxine, and others – while having therapeutic uses, also have illicit uses. Investigations conducted in Kentucky, New York, California, and other states have determined that these substances have been extensively used in non-therapeutic ways to enhance performance. This regulation regulates the use of these exempted substances through reporting requirements and restricted administration intervals for these exempted substances. The regulation also revises and simplifies the adjudication and penalty procedures in the previous regulations that are to be followed upon the finding of a violation.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) grants the commission the authority to regulate conditions under which thoroughbred racing and pari-mutuel wagering thereon shall be conducted in Kentucky and charges it to, "promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth so as to encourage the improvement of the breeds of horses in the Commonwealth, to regulate and maintain horse racing at horse race meetings in the Commonwealth of the highest quality and free of any corrupt, incompetent, dishonest, or unprincipled horse racing practices, and to regulate and maintain horse racing at race meetings in the Commonwealth so as to dissipate any cloud of association with the undesirable and maintain the appearance as well as the fact of complete honesty and integrity of horse racing in the Commonwealth." KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the

administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This regulation allows the commission to sample horses in such a way as to effectively restrict or prohibit "the administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race," and further allows the commission to "maintain horse racing at horse race meetings in the Commonwealth of the highest quality and free of any corrupt, incompetent, dishonest, or unprincipled horse racing practices, and to regulate and maintain horse racing at race meetings in the Commonwealth so as to dissipate any cloud of association with the undesirable and maintain the appearance as well as the fact of complete honesty and integrity of horse racing in the Commonwealth."

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The commission's current post-race sampling and testing procedures are not adequate to detect the administration of the prohibited substances identified in the regulation. This regulation rectifies that problem by allowing the commission to sample and test a horse at the time and in the manner necessary to detect the presence of those prohibited substances, thus fulfilling its statutory mandate.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this administrative regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statutes: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation will affect owners and trainers with horses seeking to race in the Commonwealth; the seven currently-licensed racing associations offering horse racing in Kentucky; any training center under the jurisdiction of the commission; jockeys and any other persons who come into contact with horses racing or training in the Commonwealth; patrons who place pari-mutuel wagers on horse races in the Commonwealth; and the Kentucky Horse Racing Commission. In the year 2017, the Kentucky Horse Racing Commission licensed approximately 6000 thoroughbred owners, trainers, and owner/trainers, 194 jockeys, and 122 veterinarians; approximately 1100 standardbred owners, trainers, drivers, and owner/trainers/drivers, and 9 veterinarians; and 14 individuals specifically to participate in an Arabian horse race conducted at Churchill Downs. These numbers remain generally consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Owners and trainers will be required to cooperate with the commission in the sampling of horses by locating and identifying any horse designated for testing, making the horse available at a stall or other safe location for the collection of a specimen and witnessing the collection of the specimen. The licensed racing associations and training centers under the jurisdiction of the commission will be required to cooperate, if necessary, by locating horses to be sampled. As is the case with post-race sampling and testing, and as set forth in KRS 230.240(2), racing associations will continue to pay the cost of testing the specimens. Jockeys and other licensees that come into contact with horses racing in the Commonwealth will not have any additional responsibilities as a result of this regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The commission will not have any out of pocket

expenses, but will devote employee time toward identifying horses to be tested and collecting specimens for testing. As is the case with post-race sampling and testing, and as set forth in KRS 230.240(2), racing associations will continue to pay the cost of testing the specimens. Owners and trainers will continue to bear any costs associated with the testing of split samples if a primary sample collected from one of their horses tests positive for a prohibited substance and the owner or trainer elects to have a split sample tested.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Each of the entities identified above will benefit from sampling and testing procedures that will allow the commission to detect the presence of the prohibited substances identified in the regulation.

The horses, jockeys, and any other individuals who come into contact with horses racing or training in the Commonwealth will benefit because the regulation provides a strong deterrent to putting their health, safety, and welfare at risk through the use of the prohibited substances;

The owners and trainers will benefit from the knowledge that they are competing on a level playing field with each other and will be less likely to feel the need to take their horses to race in other jurisdictions;

The patrons placing pari-mutuel wagers on horse racing in the Commonwealth will benefit from the knowledge that certain horses cannot gain an advantage over others through the use of prohibited substances;

The racing associations and the commission will benefit from increased public confidence in the integrity of horse racing in the Commonwealth;

The Commonwealth will benefit from the tax revenue generated when owners and trainers remain in state rather than racing in other jurisdictions and from the tax revenue generated when the betting public wagers their money on races run in Kentucky.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: The commission will not have any out of pocket expenses related to the regulation but will devote additional employee time toward designating horses to be tested and collecting samples from those horses.

(b) On a continuing basis: The commission will not have any out of pocket expenses related to the regulation but will devote additional employee time toward designating horses to be tested and collecting samples from those horses.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The commission will not incur any out of pocket expenses as a result of this regulation. It will compensate employees for any additional time spent on designating horses to be tested and collecting samples from those horses from its general operating budget.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change, if it is an amendment: No increase in fees or funding will be necessary to implement this new administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: The regulation does not establish any fees or directly or indirectly increase any fees. However, as is the case with post-race sampling and testing, and as set forth in KRS 230.240(2), racing associations will continue to pay the cost of testing the specimens. To the extent that these expenses could be characterized as "fees," this regulation will result in an increase in testing and the associations may see a corresponding increase in their expenses. There associations, however, have expressed support for this regulation because of the manner in which it ensures public confidence in the integrity of racing.

(9) TIERING: Is tiering applied? Tiering is not applied. All aspects of this regulation will be applied equally to the affected parties.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.310, 230.320, 230.370.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government.

(c) How much will it cost to administer this program for the first year? The Kentucky Horse Racing Commission will not incur any monetary expenses, but will devote some employee time toward designating horses for testing and collecting specimens to be tested.

(d) How much will it cost to administer this program for subsequent years? The Kentucky Horse Racing Commission will not incur any monetary expenses, but will devote some employee time toward designating horses for testing and collecting specimens to be tested.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): Neutral.

Expenditures (+/-): Neutral.

Other Explanation: Current KHRC staff will devote time to implementing and enforcing this regulation, but no fiscal impact is anticipated at this time.

### 810 KAR 8:050. International Medication Protocol as a Condition of a Race.

RELATES TO: KRS 230.210, 230.215, 230.240, 230.260, 230.290, 230.320

STATUTORY AUTHORITY: KRS 230.215, 230.240, 230.260, 230.290, 230.320

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in Kentucky. KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This administrative regulation authorizes licensed racing associations to require adherence to International Medication Protocol, as defined, as a condition of entry in a particular race.

Section 1. Definition. "International Medication Protocol" means a condition of a race that all horses nominated or entered to compete in the race shall not be administered furosemide less than twenty-four (24) hours prior to post time for the race.

Section 2. Notwithstanding any other provision of KAR Title 810

to the contrary, an association may require adherence to the International Medication Protocol as a condition of a particular race. The association shall publish the requirement in its condition book or otherwise make the requirement known to all licensees participating in its race meeting. The horses entered to compete in an International Medication Protocol race shall not be eligible to receive furosemide less than twenty-four (24) hours prior to post-race from the race. All matters related to sample collection, ownership, storage, shipment, chain of custody, testing, and reporting and other applicable provisions shall be done in accordance with 810 KAR 8:010, 810 KAR 8:030, and 810 KAR 8:060.

Section 3. Penalties. If the commission laboratory determines the presence of furosemide at a concentration of greater than 1,000 picograms/ml in a serum sample, derived post-race from a horse that is not eligible to receive furosemide pursuant to this administrative regulation, it shall be prima facie evidence that furosemide was administered to the horse in violation of this administrative regulation. Violations of this administration regulation shall be subject to the penalties provided for Class C drug violations in 810 KAR 8:030 Section 4(3).

Section 4. To the extent of any conflict between a provision in this administrative regulation and a provision in any other administrative regulation contained in KAR Title 810, the provisions in this administrative regulation shall supersede.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes a procedures by which licensed racing association may opt to run races without the use of furosemide (Lasix).

(b) The necessity of this administrative regulation: This administrative regulation is necessary to clearly establish requirements and prohibitions concerning the use of medications during race meetings.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.240(2) authorizes the commission to promulgate administrative regulations restricting or prohibiting the

use and administration of drugs or stimulants or other improper acts to horses prior to horses participating in a race. This administrative regulation establishes the requirements, prohibitions, and procedures pertaining to the use of medications on racing days during horse race meetings in Kentucky.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that medications are used appropriately on racing days and in a manner that is consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, Kentucky's licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the use of medication in horse racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and veterinarians, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the use of medication in horse racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Kentucky's racing associations are required by KRS 230.240(2) to pay for the cost of testing for prohibited medications. The Kentucky Horse Racing Commission covers other costs of implementing and enforcing this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

**810 KAR 8:060 Post-race Sampling and Testing Procedures.**

RELATES TO: 230.215, 230.240, 230.260, 230.265(2), 230.290(2), 230.320(1)

STATUTORY AUTHORITY: KRS 230.215, 230.240

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This administrative regulation establishes requirements and controls in post-race sampling and testing to ensure that prohibited substances are not used.

Section 1. Test Barn. In addition to the procedures set forth in 810 KAR 8:010, Section 10, the commission shall require the following procedures:

(1) A security guard employed by a licensed association shall regulate access to the test barn during and immediately following each race; and

(2) All individuals who wish to enter the test barn shall be:

(a) Currently licensed by the commission;

(b) Display their commission identification badge; and

(c) Have the permission of the commission veterinarian or his or her designee to be in the test barn.

Section 2. Race Classifications for Sampling.

(1) For races with purses of \$2,500 or less:

(a) The horse finishing first shall be sampled and a portion of the specimen shall be designated as a gold sample; and

(b) The chief state steward, presiding judge, or his or her designee, may select one or more other horses to be sampled and shall designate a portion of each specimen as a red sample or a gold sample in accordance with Section 4 of this administrative regulation.

(2) For races with purses that exceed \$2,500 but are less than \$100,000:

(a) The horse finishing first and at least one (1) other horse shall be sampled;

(b) The chief state steward, presiding judge, or his or her designee, shall designate a portion of each specimen as a red sample or a gold sample in accordance with Section 4 of this administrative regulation; and

(c) A portion of at least one (1) specimen from each race shall be designated as a gold sample.

(3) For races with purses of \$100,000 or more:

(a) The horses finishing first, second, and third shall be sampled;

(b) The chief state steward, presiding judge, or his or her designee, may select one or more other horses to be sampled and shall designate a portion of each specimen as a red sample or a gold sample in accordance with Section 4 of this administrative regulation; and

(c) Portions of at least three (3) specimens shall be designated as gold samples.

Section 3. Selection of Horses and Designation of Samples.

(1) In selecting horses for sampling and designating portions of specimens as gold samples or red samples, the chief state steward, presiding judge, or his or her designee, shall consider all information available, including:

(a) The performance of a horse favored to win the race by the wagering patrons;

(b) The performance of horses considered to be long-shots to win the race by the wagering patrons;

(c) The betting patterns of wagering patrons;

(d) A trainer's recent statistical performance in relation to his or her historical statistical performance; and

(e) Security intelligence.

(2) The chief state steward, presiding judge, or his or her designee shall notify the test barn promptly upon completion of a race as to which horse or horses shall be sampled;

(3) Prior to the close of business on the date of sampling, the chief state steward, presiding judge, or his or her designee shall notify the test barn in writing regarding which samples are designated as gold samples and which samples are designated as red samples.

Section 4. Sampling.

(1) A horse designated for sampling by the stewards or judges shall proceed immediately to the test barn following each race to have a specimen collected under the direction of the commission veterinarian.

(2) If an adequate specimen cannot be obtained from a horse designated for sampling within sixty (60) minutes after arrival at the testing barn, the commission veterinarian may require an individual employed by the commission to accompany the horse from the test barn to its stall and remain with the horse until an adequate specimen is obtained.

(3) All sampling shall be performed in accordance with 810 KAR 8:010, Section 11.

(4) Split samples shall be subject to the provisions and procedures set forth in 810 KAR 8:010, Section 12, and the chain of custody of any split sample shall be maintained in accordance with the procedures set forth in 810 KAR 8:010, Section 13.

Section 5. Shipment and Testing.

(1) All gold samples and red samples shall be labeled and sent to the commission laboratory for testing in accordance with the

procedures set forth in 810 KAR 8:010, Section 11.

(2) A technician at the commission laboratory shall create a log of each sample received and enter the color code into the Laboratory Information Management System or other information management system approved by the commission.

(3) All gold samples shall be tested.

(4) Fifty (50) percent of all red samples shall be randomly selected by the Lab Information Management System, or other information management system approved by the commission, and tested.

(5) All red samples that are not selected for testing shall be frozen or refrigerated and retained pursuant to a contract between the commission and the commission laboratory.

(6) If a sample tests positive for a prohibited substance by 810 KAR Chapter 8, all specimen or specimens collected from horses who competed in the same race shall be tested.

(7) All testing and reports shall be completed in accordance with 810 KAR 8:010 and 810 KAR 8:030.

#### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the procedure by which post-race samples are selected for testing. The regulation sets forth varying procedures to be followed depending upon the type of race that is being run.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to properly regulate the collection of samples from horses on racing dates at race meetings in the Commonwealth.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, Kentucky's licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the use of medication in horse racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that medications are collected

systematically and securely on racing days and in a manner that is consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, Kentucky's licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this administrative regulation's establishment of fundamental rules pertaining to the use of medication in horse racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and veterinarians, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the collection of medication samples on racing days at horse racing meetings in the Commonwealth.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation, as Kentucky's licensees have operated in accordance with these requirements for many years.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Kentucky's racing associations are required by KRS 230.240(2) to pay for the cost of testing for prohibited medications. The Kentucky Horse Racing Commission covers other costs of implementing and enforcing this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative

regulation. KRS 230.215, 230.225, 230.240, 230.260, 230.290, 230.300.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate revenue for state or local government for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate revenue for state or local government for subsequent years.

(c) How much will it cost to administer this program for the first year? No funds will be required to administer this regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? No funds will be required to administer this regulation for subsequent years.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Kentucky Horse Racing Commission  
(New Administrative Regulation)**

**810 KAR 9:010. Hearings, reviews and appeals.**

RELATES TO: KRS 230.215(2), 230.310(2), 230.320, 230.330

STATUTORY AUTHORITY: KRS 230.215(2), 230.320, 230.370

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215 vests the Kentucky Horse Racing Commission with plenary power to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. KRS 230.320(1) authorizes the commission to promulgate administrative regulations under which any license may be denied, suspended, or revoked, and under which any licensee or other person participating in Kentucky horse racing may be assessed an administrative fine or required to forfeit or return a purse. KRS 230.320(3) requires the commission to grant an appeal and administrative hearing in accordance with KRS Chapter 13B to any person whose license is denied, suspended, or revoked or who is assessed an administrative fine or required to return a purse. KRS 230.320(5) authorizes the commission to determine that certain appeals are frivolous and requires prescription of the factors leading to such a determination. KRS 230.370 authorizes the commission to promulgate any reasonable and necessary administrative regulation for the conduct of hearings before it.

**Section 1. Stewards' and Judges' Hearings.**

(1) A stewards' or judge's hearing, as applicable, shall be conducted by a state steward or a state judge unless waived in writing by the party charged with the violation.

(2) At least two (2) stewards or judges must be present at all times during the hearing. All three (3) stewards or judges shall review the evidence and testimony prior to issuing a ruling. A ruling shall be made by all three (3) stewards or judges sitting in the matter.

(3) A party charged with a violation other than a routine riding offense occurring in a race shall be given written notice of the stewards' or judges' hearing, unless waived in writing by the party charged.

(4) All stewards' and judges' hearings shall be closed, and the

stewards and judges shall make no public announcement concerning a matter under investigation until the conclusion of the hearing.

(5) A state steward or a state judge shall conduct the hearing in such a manner as to ascertain and determine the substantial rights of the parties involved and shall not be bound by technical rules of procedure and evidence.

(6) All testimony shall be given under oath and a record shall be kept, either by use of an audio recorder or by court reporter's transcript. The party charged with the violation may, however, waive the recording and the transcription of the testimony. The stewards or judges shall not be required to receive testimony in cases where their ruling is based solely upon a review of the video replay of a race.

(7) If, after the hearing, the stewards or judges find that a statute or an administrative regulation has been violated, they shall promptly issue a written ruling setting forth the:

(a) Full name of every person charged with the violation;

(b) Identification of licensees charged with the violation;

(c) Statute or administrative regulation number and pertinent parts of the statute or administrative regulation violated;

(d) Findings; and

(e) Penalty.

(8) Copies of the ruling shall be delivered to:

(a) Each party in interest;

(b) The commission; and

(c) The office of the Association of Racing Commissioners International, and in Standardbred racing, to the United States Trotting Association.

(9) Any party who is the subject of any order or ruling of the stewards or judges may apply for a commission hearing pursuant to KRS Chapter 13B, except as to:

(a) Determinations of whether or not a horse or horses in a race shall be disqualified for fouls committed during the race; or

(b) Findings of fact as to all matters occurring during and incident to the running of a race.

(10) An application to the commission for review of a stewards' or judges' order or ruling shall be made within ten (10) days after the order or ruling is issued in writing on the "Notice of Appeal," KHRC 9-010-1.

(11) An application to the executive director for a stay of a stewards' or judges' order or ruling shall be made in writing within ten (10) days after the order or ruling is issued on the "Request for Stay Pending Appeal", KHRC 9-010-2.

Section 2. Frivolous Appeals. The commission may determine that an appeal of a stewards' or judges' order or ruling, or any other administrative appeal to the racing commission by a licensee or other person participating in Kentucky horse racing, is frivolous. An appeal shall be presumed to be frivolous if:

(1) The applicant seeks review by the commission but fails, without good cause, to appear for proceedings;

(2) The applicant attends the commission hearing but fails, without good cause, to offer evidence to support the application for review; or

(3) The appeal is totally lacking in merit such that it appears to have been taken in bad faith.

**Section 3. Commission Hearings.**

(1) Except where precluded by another provision of KRS Chapter 230 or this administrative regulation, commission hearings shall be conducted in accordance with KRS Chapter 13B.

(2) Copies of all final commission orders or rulings related to licensing of individuals shall be forwarded to the office of the Association of Racing Commissioners International, and, in standardbred racing, to the United States Trotting Association.

Section 4. Appeal from Commission Order. Any person or licensee aggrieved by any order or decision of the commission may appeal to the Franklin Circuit Court in accordance with KRS 230.330.

**Section 5. Incorporation by Reference.**

### REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes procedures for stewards' and judges' hearings and commission hearings.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to enforce the Kentucky Horse Racing Commission's regulations through the establishment of hearing procedures to adjudicate violations of the regulations.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. This administrative regulation conforms to the authorizing statutes by allowing the commission to enforce its regulations by establishing a procedure to adjudicate violations of the commission's regulations. KRS 230.370 authorizes the commission to promulgate any reasonable and necessary administrative regulation for the conduct of hearings before it.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation permits the commission to adjudicate violations of the commission's regulations in a structured and consistent way that comports with the requirements of due process of law.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Commission and any licensed participant in horse racing is potentially affected by this administrative regulation. In the year 2017, the Commission licensed 22,745 individuals to participate in horse racing. In addition, seven racing associations, three totalizator companies, and ten advance deposit wagering companies are currently licensed by the Commission and potentially affected by this administrative regulation.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Persons charged with a violation of the Kentucky Horse Racing Commission's regulations will be required to conform to the procedures established in this administrative regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Entities participating in the administrative process will face potential costs of subpoenas and witnesses consistent with existing practices of the commission under 810 KAR 1:029 and 811 KAR 1:105.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Any necessary funding will be provided from the budget of the Kentucky Horse Racing Commission.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees directly or indirectly.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.

### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

**REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT**

Contact Person: John Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation repeals several administrative regulations within 811 KAR Chapter 1 because contemporaneous amendments to the horse racing regulatory regime will render the individual regulations unnecessary. Specifically, this administrative regulation repeals 811 KAR 1:010; 1:015; 1:020; 1:025; 1:030; 1:035; 1:037; 1:040; 1:045; 1:050; 1:055; 1:060; 1:065; 1:070; 1:075; 1:080; 1:085; 1:090; 1:093; 1:095; 1:100; 1:105; 1:110; 1:115; 1:120; 1:130; 1:140; 1:150; 1:185; 1:215; 1:220; 1:225; 1:230; 1:260; 1:280; 1:285; 1:290; 1:300. These administrative regulations are no longer required because by separate regulation amendments, the content has been moved to subject-matter specific regulations within this chapter.

(b) The necessity of this administrative regulation: This administrative regulation, in concert with contemporaneously filed administrative regulations, is necessary to revise the regulatory regime governing horse racing in the Commonwealth.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.515 authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. This administrative regulation, in concert with contemporaneously filed administrative regulations, is necessary to revise the regulatory regime governing horse racing in the Commonwealth.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The Kentucky Horse Racing Commission is charged with the responsibility to regulate the conduct of horse racing and pari-mutuel wagering on horse racing, and related activities within the Commonwealth of Kentucky. This administrative regulation, in concert with contemporaneously filed administrative regulations, are necessary to carry out Chapter 230 of the Kentucky Revised Statutes with a revised and improved regulatory regime governing horse racing in the Commonwealth.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This administrative regulation is a repealer.

(b) The necessity of the amendment to this administrative regulation: This administrative regulation is a repealer.

(c) How the amendment conforms to the content of the authorizing statutes: This administrative regulation is a repealer.

(d) How the amendment will assist in the effective administration of the statutes: This administrative regulation is a repealer.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, licensed participants in racing in Kentucky, the seven Kentucky racetracks, and the wagering public will be affected by this administrative regulation. During the year 2017, the Commission licensed 22,745 individuals to participate in horse racing. The numbers of licensees are consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation requires no action by the regulated entities identified in question (3).

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The administrative regulation will impose no new costs on regulated persons or entities.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): This administrative regulation does not require any action from the entities identified in question 3.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no cost to implement this administrative regulation.

**REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT**

Contact Person: John Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation repeals several administrative regulations within 811 KAR Chapter 2 because contemporaneous amendments to the horse racing regulatory regime will render the individual regulations unnecessary. Specifically, this administrative regulation repeals 811 KAR 2:015; 2:020; 2:025; 2:035; 2:040; 2:045; 2:050; 2:056; 2:065; 2:070; 2:075; 2:080; 2:085; 2:090; 2:093; 2:096; 2:100; 2:105; 2:110; 2:130; 2:140; 2:150; 2:170; 2:180; 2:185; 2:190; 2:200; and 2:300. These administrative regulations are no longer required because by separate regulation amendments, the content has been moved to subject-matter specific regulations within this chapter.

(b) The necessity of this administrative regulation: This administrative regulation, in concert with contemporaneously filed administrative regulations, is necessary to revise the regulatory regime governing horse racing in the Commonwealth.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.515 authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in the Commonwealth. This administrative regulation, in concert with contemporaneously filed administrative regulations, is necessary to revise the regulatory regime governing horse racing in the Commonwealth.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: The Kentucky Horse Racing Commission is charged with the responsibility to regulate the conduct of horse racing and pari-mutuel wagering on horse racing, and related activities within the Commonwealth of Kentucky. This administrative regulation, in concert with contemporaneously filed administrative regulations, are necessary to carry out Chapter 230 of the Kentucky Revised Statutes with a revised and improved regulatory regime governing horse racing in the Commonwealth.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This administrative regulation is a repealer.

(b) The necessity of the amendment to this administrative regulation: This administrative regulation is a repealer.

(c) How the amendment conforms to the content of the authorizing statutes: This administrative regulation is a repealer.

(d) How the amendment will assist in the effective administration of the statutes: This administrative regulation is a repealer.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, licensed participants in racing in Kentucky, the seven Kentucky racetracks, and the wagering public will be affected by this administrative regulation. During the year 2017, the Commission licensed 22,745 individuals to participate in horse racing. The numbers of licensees are consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This administrative regulation requires no action by the regulated entities identified in question (3).

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The administrative regulation will impose no new costs on regulated persons or entities.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): This administrative regulation does not require any action from the entities identified in question 3.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no cost to implement this administrative regulation.

(b) On a continuing basis: There is no cost to implement this administrative regulation on a continuing basis.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: There is no funding necessary to implement this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new or by the change, if it is an amendment: The implementation of this administrative regulation requires no increase in fees or funding.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees. This administrative regulation neither directly nor indirectly increases any fees.

(9) TIERING: Is tiering applied? No, tiering is not applied because this administrative regulation repeals the subject administrative regulations, and all regulated entities are treated equally.

#### FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 230.215.

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation will not generate any revenue for the first year.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate any revenue for subsequent years.

(c) How much will it cost to administer this program for the first year? There is no cost to administer this administrative regulation for the first year.

(d) How much will it cost to administer this program for subsequent years? There is no cost to administer this administrative regulation for subsequent years.

**The Administrative Regulation Review Subcommittee met on Tuesday, November 13, 2018, and submits this report:**

**Administrative Regulations Reviewed by the Subcommittee:**

**STATE BOARD OF ELECTIONS: Forms and Procedures**

31 KAR 4:100 & E. Evaluation of precinct election officers. Lindsay Thurston, senior advisor, represented the Secretary of State.

Senator Kerr congratulated Ms. Thurston on her recent election as a Fayette County judge.

A motion was made and seconded to approve the following amendments: to amend Sections 3 and 4 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**AUDITOR OF PUBLIC ACCOUNTS: Audits**

45 KAR 1:050. Audits of fiscal courts. Chris Hunt, general counsel, and Farrah Petter, audit manager, represented the auditor.

A motion was made and seconded to approve the following amendments: to amend Sections 2, 5, and 6 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**PERSONNEL CABINET: Office of the Secretary: Personnel Cabinet, Classified**

101 KAR 2:210 & E. Plan Year Handbook for the Public Employee Health Insurance Program. Sharron Burton, general counsel, represented the cabinet.

In response to a question by Co-Chair Harris, Ms. Burton stated that this administrative regulation was a formality to codify requirements already disseminated.

**FINANCE AND ADMINISTRATION CABINET: Department of Revenue: Income Tax; General Administration**

103 KAR 15:050. Filing dates and extensions. Todd Renner, executive director, Office of Tax Policy and Regulation, and Lisa Swiger, tax policy research consultant, represented the department.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1, 2, 4, and 6 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 15:060. Estimated tax, amended declarations; short years.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Section 2 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 15:180. Kentucky new markets development program tax credit.

In response to questions by Co-Chair Harris, Mr. Renner stated that the new market development program tax credit was part of a federal program to develop underdeveloped areas. Kentucky's program essentially piggybacked onto the federal program. Because funding was allocated in blocks, this administrative regulation had to be updated to reflect the new time period of the next funding block.

A motion was made and seconded to approve the following amendments: to amend Sections 1 through 3 and 5 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 15:195. Endow Kentucky Tax Credit.

**Income Tax; Corporations**

103 KAR 16:381. Repeal of 103 KAR 016:380.

**Income Tax, Individual**

103 KAR 17:010. Residence.

In response to a question by Co-Chair Harris, Mr. Renner stated that this administrative regulation and 103 KAR 17:020 were amended to update definitions for clarity commensurate with House Bill 487 from the 2018 Regular Session of the General Assembly.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1 through 7 for clarity and to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 17:020. Combined individual returns.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO and STATUTORY AUTHORITY paragraphs and Section 1 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 17:060. Income subject to taxation; portions.

A motion was made and seconded to approve the following amendment: to amend the RELATES TO paragraph and Sections 2 and 6 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**Income Tax; Withholding**

103 KAR 18:050 & E. Withholding statements.

A motion was made and seconded to approve the following amendments: to amend Sections 1 through 7 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 18:081. Repeal of 103 KAR 018:080 and 103 KAR 018:160.

103 KAR 18:110. Voluntary withholding.

103 KAR 18:120. Security for compliance; bonds.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 2 through 7 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

103 KAR 18:150. Employer's withholding reporting requirements.

A motion was made and seconded to approve the following amendments: to amend the STATUTORY AUTHORITY and NECESSITY, FUNCTION, AND CONFORMITY paragraphs and Sections 1 through 3 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**BOARDS AND COMMISSIONS: Board of Medical Licensure**

201 KAR 9:260. Professional standards for prescribing and dispensing controlled substances. Leanne Diakov, general counsel, represented the board.

In response to a question by Senator Clark, Ms. Diakov stated that the National Transportation Safety Board recommended that each state's administrative regulations pertaining to persons who prescribe or dispense controlled substances should establish that the physician, prescriber, or dispenser shall have the duty to inform the patient of the effect on the patient's medical condition and ability to operate any mode of transportation.

In response to a question by Co-Chair Harris, Ms. Diakov stated that other agencies, such as the Board of Nursing and the Board of Podiatry, had made or were making similar changes in their administrative regulations.

**TOURISM, ARTS AND HERITAGE CABINET: Department of Fish and Wildlife Resources: Hunting and Fishing**

301 KAR 3:100. Special commission permits. Chris Garland, assistant director, Division of Wildlife, and Evan Jones, assistant general counsel, represented the department.

A motion was made and seconded to approve the following amendment: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

**DEPARTMENT OF AGRICULTURE: Industrial Hemp**

302 KAR 50:080. Materials incorporated by reference. Clint Quarles, staff attorney, represented the department.

In response to questions by Senator Clark, Mr. Quarles stated that, in addition to hemp oils, other products being researched included liners and interior automobile parts, packaging materials, an additive to plastics (or in lieu thereof), insulation replacement, and an additive to concrete to increase psi. Additionally, hemp roots were sometimes used in items such as salves.

A motion was made and seconded to approve the following amendment: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**JUSTICE AND PUBLIC SAFETY CABINET: Department of Corrections: Office of the Secretary**

501 KAR 6:020 & E. Corrections policies and procedures. Amy Barker, assistant general counsel, and Ashley Short, corrections program administrator, represented the department.

A motion was made and seconded to approve the following amendments: to amend Section 1 and the material incorporated by reference to clarify various provisions, update edition dates, and comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

501 KAR 6:999. Corrections secured policies and procedures.

This administrative regulation was reviewed and amended, without objection and with agreement of the agency, by the subcommittee in closed session pursuant to KRS 61.810(1)(k), 61.815(2), and 197.025(6).

**EDUCATION AND WORKFORCE DEVELOPMENT CABINET: Board of Education: Department of Education: Office of Chief State School Officer**

701 KAR 5:140. District of innovation. Todd Allen, deputy general counsel, and David Cook, director, Division of Innovation and Partner Engagement, represented the department.

In response to questions by Representative Petrie, Mr. Cook stated that Kentucky currently had six (6) districts of innovation. At the high point of the program, there were ten (10). Amendments to this administrative regulation were for the purpose of allowing individual schools to become schools of innovation in order to promote the program.

In response to a question by Co-Chair Harris, Mr. Cook stated that schools and districts of innovation had broader flexibility for creative instruction.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Section 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**Department of Workforce Investment: Office of Employment and Training: Unemployment Insurance**

787 KAR 1:010 & E. Application for employer account; reports. Beverly Dearborn, workforce development manager, and Anthony Hudgins, assistant director, represented the office.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO and NECESSITY, FUNCTION, AND CONFORMITY paragraphs to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**PUBLIC PROTECTION CABINET: Department of Alcoholic Beverage Control: Conduct of Business; Employees**

804 KAR 5:021. Repeal of 804 KAR 005:020. Steve Humphress, general counsel, and Lee Walters, counsel, represented the department.

**Transportation of Alcoholic Beverages**

804 KAR 8:050. Identification of vehicles used to transport alcoholic beverages.

**Department of Housing, Buildings, and Construction: General Section**

815 KAR 2:010. Continuing education. Tim House, deputy commissioner; Steven Milby, commissioner; and David Startzman, general counsel, represented the department. Ervin Klein, legislative agent, Independent Electrical Contractors of Kentucky and Southern Indiana, appeared in opposition to 815 KAR 35:060 and 35:090.

In response to a question by Co-Chair Harris, Mr. House stated that the department was revising continuing education requirements for consistency among the nine (9) licensure programs. For the plumbing industry, the department believed

that six (6) annual continuing education hours were as effective as eight (8).

A motion was made and seconded to approve the following amendment: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

815 KAR 2:020. Continuing education course and provider approval.

A motion was made and seconded to approve the following amendment: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

815 KAR 2:030. Vehicle identification.

815 KAR 2:040. Fees and refunds.

#### **Building Code Enforcement: Elevator Safety**

815 KAR 4:030. Elevator licensing.

A motion was made and seconded to approve the following amendments: (1) to amend Sections 3, 5, and 7 through 9 to comply with the drafting requirements of KRS Chapter 13A; and (2) to amend the licensure application forms to change: (a) the criminal conviction statement for clarity; and (b) the KHEAA statement. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 4:071. Repeal of 815 KAR 004:040, 815 KAR 004:050, 815 KAR 004:060, and 815 KAR 004:070.

#### **Kentucky Building Code**

815 KAR 7:070. The Kentucky Certified Building Inspector Program.

A motion was made and seconded to approve the following amendments: to amend Sections 1 through 5 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

#### **Division of Heating, Ventilation, and Air Conditioning: Heating, Ventilation, and Air Conditioning Licensing Requirements**

815 KAR 8:010. Licensing requirements for master contractors and journeyman HVAC mechanics.

A motion was made and seconded to approve the following amendments: (1) to amend Sections 1 through 4, 7, and 10 to comply with the drafting and formatting requirements of KRS Chapter 13A; and (2) to amend the licensure application forms to change: (a) the criminal conviction statement for clarity; and (b) the KHEAA statement. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 8:030. Apprentice HVAC mechanic registration and certification requirements.

In response to questions by Co-Chair Harris, Mr. House stated that the original requirement established that anyone practicing HVAC work shall register with the cabinet as an apprentice; however, the department did not have statutory authority for an official HVAC apprenticeship program. The department amended this administrative regulation to make the registration voluntary but would prefer not to regulate an apprenticeship program at all due to recordkeeping and processing requirements.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO paragraph and Sections 2 and 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 8:091. Repeal of 815 KAR 8:020, 815 KAR 8:035,

815 KAR 8:050, 815 KAR 8:060, 815 KAR 8:090, and 815 KAR 8:095.

#### **Division of Plumbing: Boilers and Pressure Vessels**

815 KAR 15:080. Boiler and pressure vessel licenses.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph, Sections 1 through 3, and material incorporated by reference to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

#### **Plumbing**

815 KAR 20:030. Plumbing licenses.

A motion was made and seconded to approve the following amendments: to amend the STATUTORY AUTHORITY paragraph, Sections 2 through 4, and material incorporated by reference to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 20:041. Repeal of 815 KAR 20:012, 815 KAR 20:015, 815 KAR 20:018, 815 KAR 20:032, 815 KAR 20:034, and 815 KAR 20:040.

#### **Division of Fire Prevention: Fire Protection, Sprinkler Contractors, and Inspectors**

815 KAR 22:011. Repeal of 815 KAR 022:010.

#### **Building Code Enforcement: Manufactured Homes and Recreational Vehicles**

815 KAR 25:001. Definitions for 815 KAR Chapter 025.

In response to questions by Co-Chair Harris, Mr. House stated that a B1 seal indicated that an inspection had been conducted on a used manufactured home, the results of which were that the home was habitable. A B2 seal indicated that an inspection had been conducted on a used manufactured home, the results of which were that the home was uninhabitable and for salvage. A new manufactured home would have a HUD seal. A used manufactured home with a B2 seal may have improvements and be reevaluated for a B1 seal.

A motion was made and seconded to approve the following amendments: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 25:020. Recreational vehicles.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO, STATUTORY AUTHORITY, and NECESSITY, FUNCTION, AND CONFORMITY paragraphs; Sections 2, 3, and 7 through 9; and material incorporated by reference to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 25:040. Fire safety requirements in manufactured and mobile homes.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO and NECESSITY, FUNCTION, AND CONFORMITY paragraphs and Section 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 25:050. Administration and enforcement of manufactured housing construction standards.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO and NECESSITY, FUNCTION, AND CONFORMITY paragraphs; Sections 1 through 9, 11, and 13; and material incorporated by reference to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the

amendments were approved.

815 KAR 25:060. Licensing and certifications with manufactured homes and mobile homes.

A motion was made and seconded to approve the following amendments: to amend the STATUTORY AUTHORITY and NECESSITY, FUNCTION, AND CONFORMITY paragraphs; Sections 1, 3, and 6; and material incorporated by reference to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 25:081. Repeal of 815 KAR 025:070 and 815 KAR 025:080.

815 KAR 25:090. Site preparation, installation, and inspection requirements.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO and NECESSITY, FUNCTION, AND CONFORMITY and Sections 2 and 3 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 25:100. Alternative dispute resolution and mediation program.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO; STATUTORY AUTHORITY; and NECESSITY, FUNCTION, AND CONFORMITY paragraphs and Section 3 to comply with the drafting and formatting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

#### Electrical Division

815 KAR 35:015. Certification of electrical inspectors.

A motion was made and seconded to approve the following amendments: to amend the STATUTORY AUTHORITY and NECESSITY, FUNCTION, AND CONFORMITY paragraphs to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

815 KAR 35:020. Electrical inspections.

815 KAR 35:060. Licensing of electrical contractors, master electricians, and electricians.

A motion was made and seconded to approve the following amendments: to amend material incorporated by reference to clarify checkbox statements regarding convictions and student loan default. Without objection, and with agreement of the agency, the amendments were approved.

Mr. Klein stated that Senate Bill 78 from the 2018 Regular Session of the General Assembly authorized a path to electrical licensing if an individual completed two (2) years of verifiable experience in the electrical trade and a minimum of two (2) years in an electrical training course. The licensee shall then complete the remaining electrical training required within four (4) years of licensure. The Independent Electrical Contractors of Kentucky and Southern Indiana requested that language be added to this administrative regulation to clarify that the two (2) years of verifiable experience and the two (2) years in an electrical training course run consecutively, not concurrently. This was the intent expressed with the sponsor during the development of Senate Bill 78. The Independent Electrical Contractors of Kentucky and Southern Indiana also requested that language be added to this administrative regulation to require those obtaining licensure pursuant to this new pathway to submit information regarding progress toward completion of the remaining electrical training with each application renewal.

In response to a question by Co-Chair Harris, Mr. House stated that it would not be beneficial to defer consideration of this administrative regulation and 815 KAR 35:090 to the December

2018 subcommittee meeting. These were not apprenticeship programs.

815 KAR 35:080. Electrical code of ethics.

815 KAR 35:090. Electrical Training Program standards.

Mr. Klein stated that the Independent Electrical Contractors of Kentucky and Southern Indiana requested that course requirements be revised commensurate with the U.S. Department of Labor's apprenticeship program requirements. This would lead to problems for licensees.

Mr. House stated that the department did not have statutory authority for apprenticeship programs. The program established in 815 KAR 35:090 was an educational program, not an apprenticeship program.

815 KAR 35:101. Repeal of 815 KAR 035:100.

#### Department of Charitable Gaming

820 KAR 1:001. Definitions. Cannon Armstrong, commissioner, and Doug Hardin, staff attorney, represented the department.

In response to a question by Co-Chair Harris, Mr. Hardin stated that all issues of concern had been worked out with stakeholders.

A motion was made and seconded to approve the following amendment: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

820 KAR 1:005. Charitable gaming licenses and exemptions.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1, 2, and 4 through 8 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

820 KAR 1:011. Repeal of 820 KAR 1:010, 1:015, 1:016, 1:017, 1:026, 1:027, 1:028, 1:029, 1:033, 1:034, 1:036, 1:044, 1:056, 1:058, 1:100, 1:110, 1:120.

820 KAR 1:025. Reports.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1 and 2 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

820 KAR 1:032. Pulltabs.

A motion was made and seconded to approve the following amendments: (1) to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1, 3, 7, 13 through 16, 19 through 21, and 23 through 33 to comply with the drafting and formatting requirements of KRS Chapter 13A; and (2) to amend Sections 26 through 28 to make changes to the point of sale requirements, device construction requirements, and software construction requirements. Without objection, and with agreement of the agency, the amendments were approved.

820 KAR 1:042. Bingo.

A motion was made and seconded to approve the following amendments: (1) to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1, 5, 7 through 9, 11 through 17, and 20 to comply with the drafting and formatting requirements of KRS Chapter 13A and make technical changes; and (2) to amend Section 14 to remove the time constraint requirement on the sale of paper or electronic pulltabs prior to the start of a bingo session and replace it with a prior approval requirement. Without objection, and with agreement of the agency, the amendments were approved.

## VOLUME 45, NUMBER 6 – DECEMBER 1, 2018

820 KAR 1:050. Raffles.

A motion was made and seconded to approve the following amendment: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

820 KAR 1:055. Charity fundraising event standards.

A motion was made and seconded to approve the following amendments: to amend Sections 1 and 6 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

Without objection, and with agreement of the agency, the amendments were approved.

820 KAR 1:060. Prohibited conduct.

A motion was made and seconded to approve the following amendments: to amend Sections 1 and 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

820 KAR 1:125. Gaming inspections.

820 KAR 1:130. Administrative actions.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1 through 4 to comply with the drafting requirements of KRS Chapter 13A and make technical changes. Without objection, and with agreement of the agency, the amendments were approved.

820 KAR 1:135. Disposal of gaming supplies.

A motion was made and seconded to approve the following amendments: to amend Sections 1 through 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

### **CABINET FOR HEALTH AND FAMILY SERVICES: Department for Medicaid Services: Division of Policy and Operations: Medicaid**

895 KAR 1:001. Definitions for 895 KAR Chapter 001. Lee Guice, director, Division of Policy and Operations; Donna Little, deputy executive director, Office of Legislative and Regulatory Affairs; Jonathan Scott, regulatory and legislative adviser; and Brandon Smith, executive director, Office of Legislative and Regulatory Affairs, represented the division. Nancy Galvagni, senior vice president, Kentucky Hospital Association, appeared in support of the subcommittee amendment to 895 KAR 1:050. Dr. Sheila Schuster, executive director, Advocacy Action Network, appeared in opposition to 895 KAR 1:020.

In response to questions by Representative Marzian, Mr. Smith stated that there had been litigation regarding these administrative regulations and the division was currently involved in a waiver reauthorization process with CMS. Proceeding with this package of administrative regulations was not premature because these administrative regulations would only become effective if CMS approved Kentucky's waiver and a funding source was available. If only a portion of the requirements were approved by CMS, the division would file an emergency administrative regulation.

Representative Marzian requested to be recorded as voting in opposition to 895 KAR 1:001, 1:010, 1:015, 1:020, 1:025, 1:030, 1:035, 1:040, 1:045, 1:050, and 1:055.

A motion was made and seconded to approve the following amendments: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:010. Eligibility for Kentucky HEALTH program.

A motion was made and seconded to approve the following amendments: to amend Sections 3 through 6, 10, and 11 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:015. Premium payments within the Kentucky HEALTH programs.

A motion was made and seconded to approve the following amendments: to amend Sections 2 and 4 through 6 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:020. PATH requirement for the Kentucky HEALTH program.

Dr. Schuster stated that the Advocacy Action Network was opposed to this administrative regulation, which relied entirely on an internet-based system for reporting community engagement compliance. Broadband was not accessible in all parts of Kentucky, and users had limited financial resources. Kentucky had stopped nonemergency transportation services, which might have enabled users to have internet access via local libraries. Recipients might be denied benefits and services for failure to report due to lack of internet access. While the cabinet stated there would be other communication options, this administrative regulation did not have reporting provisions other than via internet. The Advocacy Action Network requested that language be added to include alternative provisions.

In response to a question by Co-Chair Harris, Dr. Schuster stated that Medicaid recipients were not required to report community engagement compliance until these requirements become effective.

In response to a question by Senator Raque Adams, Dr. Schuster stated that the Advocacy Action Network supported a written format as an alternative to internet reporting.

In response to questions by Representative Marzian, Mr. Smith stated that the division did not believe there was a need to defer consideration of this matter. Studies demonstrated that internet access was a key feature for improving health outcomes. Rather than removing internet reporting requirements, the division planned to have training opportunities for users. Medically frail individuals were exempt from these reporting requirements. DCBS offices were being prepared to respond in person and via telephone to assist users. If a user misses a compliance reporting deadline, a three (3) month notice would be sent to the recipient to address the issue. Additional outreach by telephone was an additional possibility.

In response to questions by Co-Chair Harris, Mr. Smith stated that home visits to assist users were a possibility but were not directly mandated. Telephonic and written correspondence was also available.

In response to questions by Representative Petrie, Mr. Smith stated that assistance would also be available from Workforce Development career centers. Users who were homebound and did not have readily available internet access were exempt from internet reporting requirements. The number of users who might need access was currently indeterminable. This administrative regulation did not expressly provide for alternatives to internet reporting for those not exempted. If a user missed a reporting deadline, there was an outreach process to assist with compliance.

A motion was made and seconded to approve the following amendments: to amend Sections 3 through 5 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:025. Beneficiary premiums.

A motion was made and seconded to approve the following amendments: to amend the TITLE, the RELATES TO paragraph, and Sections 1 and 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the

agency, the amendments were approved.

895 KAR 1:030. Establishment and use of the MyRewards program.

A motion was made and seconded to approve the following amendment: to amend Sections 3 and 6 through 8 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:035. Covered services within the Kentucky HEALTH program.

A motion was made and seconded to approve the following amendment: to amend the RELATES TO and NECESSITY, FUNCTION, AND CONFORMITY paragraphs and Sections 1 through 3 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:040. Deductible accounts within the Kentucky HEALTH program.

A motion was made and seconded to approve the following amendments: to amend Section 2 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:045. Accommodation, modifications, and appeals for beneficiaries participating in the Kentucky HEALTH program.

A motion was made and seconded to approve the following amendments: to amend Sections 2 and 4 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:050. Enrollment and reimbursement for providers in the Kentucky HEALTH program.

Senator Raque Adams stated that the proposed subcommittee amendment was at the request of the cabinet in conjunction with the Kentucky Hospital Association for the purposes of clarifying requirements.

Ms. Galvagni stated that the Kentucky Hospital Association was in strong support of the subcommittee amendment.

A motion was made and seconded to approve the following amendments: (1) to amend the RELATES TO paragraph and Sections 1, 2, 5, and 7 to comply with the drafting requirements of KRS Chapter 13A; and (2) to amend Section 4(2) to establish that: (a) a hospital seeking reimbursement for non-covered services may use its consent for services form to comply with the written agreement requirement if it provides informed consent and is signed and dated by the beneficiary; and (b) the beneficiary reimbursement procedures for non-covered services do not apply if complying with 42 U.S.C. 1395dd until the beneficiary has been stabilized and do apply after a beneficiary has been stabilized if billing a suspended Kentucky HEALTH beneficiary. Without objection, and with agreement of the agency, the amendments were approved.

895 KAR 1:055. Designation or determination of medically frail status or accommodation due to temporary vulnerability in the Kentucky HEALTH program.

A motion was made and seconded to approve the following amendments: to amend the RELATES TO paragraph and Sections 1 and 3 through 5 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

#### **Division of Certificate of Need: State Health Plan**

900 KAR 5:020 & E. State Health Plan for facilities and services. Molly Lewis, deputy inspector general, represented the division.

A motion was made and seconded to approve the following amendments: (1) to amend Section 2 to update the edition date of the State Health Plan; and (2) to amend the State Health Plan incorporated by reference to insert the review criteria for magnetic

resonance imaging equipment under Diagnostic and Therapeutic Equipment and Procedures. Without objection, and with agreement of the agency, the amendments were approved.

#### **Certificate of Need**

900 KAR 6:020. Certificate of need application fee schedule.

#### **Medical Review Panels**

900 KAR 11:010 & E. Medical review panels. Suzette Kimbell, branch coordinator, and Donna Little, deputy executive director, Office of Legislative and Regulatory Affairs, represented the division.

#### **Department for Public Health: Division of Health Care: Health Services and Facilities**

902 KAR 20:300. Operation and services; nursing facilities. Stephanie Brammer – Barnes, regulation coordinator, represented the Office of Inspector General.

#### **Department for Public Health: Division of Public Health Protection and Safety: Radiology**

902 KAR 100:018. Repeal of 902 KAR 100:017, 902 KAR 100:060, and 902 KAR 100:090. Julie Brooks, regulation coordinator, and Eric Perry, radiation health specialist, represented the division.

In response to a question by Co-Chair Harris, Ms. Brooks and Mr. Perry stated that this package of administrative regulations was for compliance with federal updates from the Nuclear Regulatory Commission.

902 KAR 100:022. Licensing requirements for land disposal of radioactive waste.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

902 KAR 100:052. Specific domestic licenses of broad scope for by-product material.

A motion was made and seconded to approve the following amendments: to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 1 and 2 to comply with the drafting requirements of KRS Chapter 13A.

902 KAR 100:070. Packaging and transportation of radioactive material.

A motion was made and seconded to approve the following amendments: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

902 KAR 100:072. Medical use of byproduct material.

A motion was made and seconded to approve the following amendment: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

902 KAR 100:100. Licenses for industrial radiography and radiation safety requirements for industrial radiographic operations.

A motion was made and seconded to approve the following amendment: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

902 KAR 100:142. Licenses and radiation safety requirements for well logging.

A motion was made and seconded to approve the following amendment: to amend Section 1 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendment was approved.

**Department for Medicaid Services: Division of Policy and Operations: Medicaid Services**

907 KAR 1:025 & E. Payment for nursing facility services provided by an intermediate care facility for individuals with an intellectual disability, a dually-licensed pediatric facility, an institution for mental diseases, or a nursing facility with an all-inclusive rate unit. Jonathan Scott, regulatory and legislative adviser, represented the division.

A motion was made and seconded to approve the following amendments: (1) to amend Sections 1 and 2 to comply with the drafting and formatting requirements of KRS Chapter 13A; (2) to amend the TITLE to clarify the subject matter; and (3) to amend Section 7(1)(c) to require a nursing facility with a distinct part brain injury unit to be accredited after the first year of participation by the Commission on Accreditation of Rehabilitation Facilities (CARF) or the Joint Commission. Without objection, and with agreement of the agency, the amendments were approved.

**Department of Community Based Services: Division of Family Support: Supplemental Nutrition Assistance Program**

921 KAR 3:025. Technical requirements. Elizabeth Caywood, deputy commissioner; Bryan Hubbard, commissioner; and Maribeth Schneber-Rhemrev, director, represented the division. Ben Carter, senior litigation and advocacy counsel, Kentucky Equal Justice Center, appeared in opposition to these administrative regulations.

In response to questions by Representative Petrie, Mr. Hubbard stated that a noncustodial parent meant the parent who did not have custody of the child and who likely did not reside with the child. The noncustodial parent had been shown to be the parent of the child and had a legal obligation to remit money to support the child. Interaction with the noncustodial parent and the child was varied, depending on family dynamics. These administrative regulations were in compliance with recent changes to domestic law.

Mr. Carter stated that the Kentucky Equal Justice Center, as well as Kentucky Voices for Health, Kentucky Center for Economic Policy, ACLU, and Catholic Conference of Kentucky were opposed to these administrative regulations because this was the wrong approach. The listed stakeholders advocated ensuring that noncustodial parents paid child support; however, these requirements actually incentivized noncustodial parents not to pay. Failure to pay child support was already a crime; therefore, these requirements were redundant. These requirements would increase food insecurity in areas that were already suffering. This program would increase pressure on the poor but have little impact on child-support payments. This program would have a disproportional impact on Eastern Kentucky. These requirements might also have a negative impact on those who were or had been incarcerated because incarcerated people are often behind on child-support payments. A three (3) month compliance window was inadequate. This program was not expected to prove successful from a cost – benefit calculation.

In response to a question by Co-Chair Harris, Mr. Hubbard stated that in order for a SNAP benefit suspension to apply, there had to be an active current support order and the noncustodial parent would not have paid the current full support for the present month and would have had an arrearage obligation of \$500 or greater. The age of the youngest child shall be less than eighteen (18) years. In order to have SNAP benefits reinstated, the noncustodial parent shall no longer have a child-support case, the youngest child shall reach eighteen (18) years, the noncustodial parent shall pay the full balance due (including arrearage), or the arrearage balance is below \$500. There were exemptions, such as for those in a drug treatment program, certain phases of incarceration, etc.

A motion was made and seconded to approve the following amendments: (1) to amend the NECESSITY, FUNCTION, AND CONFORMITY paragraph and Sections 3 through 6 to comply with the drafting requirements of KRS Chapter 13A; and (2) to amend Section 3 to add additional exemptions for participation by individuals who are delinquent in court-ordered support payments.

Without objection, and with agreement of the agency, the amendments were approved.

921 KAR 3:035. Certification process.

A motion was made and seconded to approve the following amendments: to amend Sections 1, 2, 4, 5, and 7 to comply with the drafting requirements of KRS Chapter 13A. Without objection, and with agreement of the agency, the amendments were approved.

**Division of Protection and Permanency: Child Welfare**

# CUMULATIVE SUPPLEMENT

## Locator Index - Effective Dates

F - 2

The Locator Index lists all administrative regulations published in VOLUME 45 of the *Administrative Register of Kentucky* from July 2018 through June 2019. It also lists the page number on which each administrative regulation is published, the effective date of the administrative regulation after it has completed the review process, and other action that may affect the administrative regulation. NOTE: The administrative regulations listed under VOLUME 44 are those administrative regulations that were originally published in VOLUME 44 (last year's) issues of the *Administrative Register of Kentucky* but had not yet gone into effect when the 2018 *Kentucky Administrative Regulations Service* was published.

## KRS Index

F - 29

The KRS Index is a cross-reference of statutes to which administrative regulations relate. These statute numbers are derived from the RELATES TO line of each administrative regulation submitted for publication in VOLUME 45 of the *Administrative Register of Kentucky*.

## Certifications Index

F - 41

The Certification Index lists of administrative regulations that have had certification letters filed during this VOLUME year. The certification process is established in KRS 13A.3104. If the certification letter states the administrative regulation shall be amended, the administrative body shall file an amendment to the regulation within 18 months of the date the certification letter was filed. If the certification letter states that the regulation shall remain in effect without amendment, the last effective date of the regulation is changed to the date the regulations compiler received the letter.

## Technical Amendment Index

F - 42

The Technical Amendment Index is a list of administrative regulations that have had technical, nonsubstantive amendments entered since being published in the 2018 *Kentucky Administrative Regulations Service*. These technical changes have been made by the Regulations Compiler pursuant to KRS 13A.040(9) and (10), 13A.2255(2), 13A.312(2), or 13A.320(1)(d). Because these changes were not substantive in nature, administrative regulations appearing in this index will NOT be published in the *Administrative Register of Kentucky*.

## Subject Index

F - 28

The Subject Index is a general index of administrative regulations published in VOLUME 45 of the *Administrative Register of Kentucky*, and is mainly broken down by agency.

## CERTIFICATION LETTER SUMMARIES

The certification process is established in KRS 13A.3104. If the certification letter states the regulation shall be amended, the administrative body shall file an amendment to the regulation within 18 months of the date the certification letter was filed. If the certification letter states that the regulation shall remain in effect without amendment, the last effective date of the regulation is changed to the date the regulations compiler received the letter.

\* KRS 13A.010(6) - "Effective" means that an administrative regulation has completed the legislative review process established by KRS 13A.290, 13A.330, and 13A.331.

## TECHNICAL AMENDMENT INDEX

The Technical Amendment Index is a list of administrative regulations that have had technical, nonsubstantive amendments entered since being published in the *2017 Kentucky Administrative Regulations Service*. These technical changes have been made by the Regulations Compiler pursuant to KRS 13A.040(9) and (10), 13A.2255(2), 13A.312(2), or 13A.320(1)(d). Since these changes were not substantive in nature, administrative regulations appearing in this index will NOT be published to show the technical corrections in the *Administrative Register of Kentucky*. NOTE: Finalized copies of the technically amended administrative regulations are available for viewing on the Legislative Research Commission Web site at <http://www.lrc.ky.gov/KAR-frntpage.htm>.

‡ - A technical change was made to this administrative regulation during the promulgation process, pursuant to KRS 13A.320(1)(e).
