

286.3-180 Banking business, where done -- Branch banks. (Effective until July 15, 2024)

- (1) Banks authorized under the laws of this state may, except as provided in subsections (2) or (3) of this section, exercise, only at their principal office, powers necessary to carry on the business of banking by discounting and negotiating notes, drafts, bills of exchange, and other evidences of debt, and by purchasing bonds, receiving deposits and allowing interest on these items, buying and selling exchange, coin, and bullion, and lending money on personal or real security.
- (2) A bank may establish or acquire within any state, the District of Columbia, or a territory of the United States a branch and may exercise all of the powers conferred in subsection (1) of this section at the branch. A bank, except for a bank that the commissioner may designate by the promulgation of administrative regulations, shall apply to the commissioner for permission to establish or acquire a branch. Before the commissioner shall approve or disapprove any application made under this subsection, the commissioner shall ascertain and determine that the public convenience and advantage will be served and promoted and that there is reasonable probability of the successful operation of the branch based upon the financial and managerial impact of the branch on the bank establishing or acquiring the branch. The following conditions shall apply to applications for branches:
 - (a) The permission to open a branch shall lapse one (1) year after the commissioner has rendered a final order as defined in KRS 13B.010, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for any period of time the commissioner deems to be necessary; and
 - (b) An application to establish or acquire a branch office shall be approved or disapproved by the commissioner based upon the facts existing at the date of filing of the application, except for the financial condition of the bank proposing to establish a branch office, which condition shall be subject to review until an order ruling on the application is made.
- (3) Any corporation which on January 1, 1966, was engaged in operating a branch bank may continue to retain and operate the branch bank under the general banking laws, and the requirements set forth in this section in respect to capital shall not apply to any existing branch bank but only as to those branch banks which may be established in the future in accordance with the terms of this section.
- (4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of the banks, nor to prohibit the sale of any bank to, and the purchase by, any other bank in the same county and the operation of the bank by the purchasing bank as a branch, provided the commissioner shall determine that the public convenience and necessity will be served by the operation. The bank which does not survive the merger shall surrender its charter.
- (5) Any national banking association or any state bank member of the Federal Reserve system whose principal office is located in this state may do all things and perform

all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of these powers.

- (6) When a branch bank has once been established, any operation of the branch bank shall not be discontinued, and the branch bank shall not be closed until after ninety (90) days' notice in writing to the commissioner. In the discretion of the commissioner, the branch bank proposing to discontinue operation may be required to give notice of the date when its operation will cease. The consolidation of two (2) or more branches into a single location in the same vicinity or immediate neighborhood shall not be considered a branch closure subject to the provisions of this subsection.
