

367.97511 Holding restrictions.

- (1) A crematory authority shall not accept human remains for cremation unless the human remains are contained within a closed cremation container.
- (2) A crematory authority shall not accept for holding a cremation container from which there is any evidence of leakage of the body fluids from the human remains therein.
- (3) Human remains that are not embalmed may not be held at a crematory that does not have a refrigerated holding facility.
- (4) The crematory authority shall ensure that holding facilities are secure from access by anyone other than crematory authority personnel.

Effective: July 15, 1994

History: Created 1994 Ky. Acts ch. 140, sec. 4, effective July 15, 1994.
