

45.780 Emergency repair, maintenance, and replacement account.

- (1) There is created within the capital construction fund the emergency repair, maintenance, and replacement account. The account shall consist of moneys appropriated to the fund by the General Assembly.
- (2) The Finance and Administration Cabinet may transfer money from the emergency repair, maintenance, and replacement account to the allotment account of an emergency repair, replacement, or maintenance project, for expenditure thereon, even though the specific project is not included in any branch budget bill enacted for that biennium. Moneys may be transferred from the emergency repair, maintenance, and replacement account to the allotment account of an emergency repair, replacement, or maintenance project only if no other funding source is available.
- (3) The Finance and Administration Cabinet shall report each transfer, including the necessity, purpose, and amount of the transfer, to the Capital Projects and Bond Oversight Committee not later than thirty (30) days after the transfer.
