

441.420 Approval of construction plans required -- Department to pay for architectural plans and engineering services -- Fee schedule.

- (1) No political subdivision of this Commonwealth, combination of subdivisions, or regional jail authority shall build a new local correctional facility unless:
 - (a) The facility meets the approval or complies with the standards and administrative regulations of the department promulgated pursuant to KRS 441.055;
 - (b) The construction results in a new facility with:
 1. A minimum capacity of one hundred fifty (150) prisoner beds; or
 2. If a larger facility is needed, more than one hundred fifty (150) prisoner beds in fifty (50) bed increments; and
 - (c) Construction of the local correctional facility is approved by the construction authority.
- (2) Final authority for approval of plans for the construction of a local correctional facility, or an addition to a local correctional facility shall rest with the construction authority.
- (3) The department shall pay for the architectural plans and engineering services associated with any new local correctional facility approved by the construction authority.
- (4) The department may promulgate administrative regulations to create a fee schedule for architectural plans and engineering services required for the construction of local correctional facilities. A sample fee schedule for architectural plans and engineering services may be developed by a committee consisting of department personnel, architects, and construction managers.
