

**15A.061 Interdepartmental collaboration for analysis of juvenile recidivism.**

The cabinet shall ensure that all departments within the cabinet collaborate to develop procedures to allow collection and sharing of data necessary to analyze juvenile recidivism. Recidivism includes an adjudication of delinquency by a juvenile court, or a conviction by a District Court or Circuit Court, for an offense committed within three (3) years of release from the custody or control of the Department of Juvenile Justice.

**Effective:** July 15, 2014

**History:** Created 2014 Ky. Acts ch. 132, sec. 1, effective July 15, 2014.
